S.F.J.C. To Hold Pre-Natal Courses

South Florida Junior College will offer its next seven week set of Pre-natal classes beginning Nov. 22 from 7 until 10 p.m. at Walker Memorial Hospital. These classes are designed for women who are in their last trimester of pregnancy. Husbands or coaches are encouraged to attend.

For more information and registration details call South Florida Junior College, 453-5661 Extension 115.

Avon Park Grange To Install Officers

The Avon Park Grange met Tuesday night Nov. 8, to make further plans for the installation of the new officers which will be on Nov. 22. This will be an open meeting, all who are interested in the Grange or would like to know more about it are welcome to come.

The State General Deputy Walter Wood and his suite of Venice Grange will be here to do the installing.

Final plans were also made for the plant sale which will be held on Nov. 12. Come visit with us Nov. 22, at 8 p.m.

Hibiscus Garden Club Enjoys Social

The Hibiscus Garden Club met Thursday afternoon, Nov. 10, at the home of Eunice Haynie, with Katie Davis, and Muriel Carlton, as co-hostesses. Mrs. Jamie Sawyer, president, called the meeting to order. She thanked the hostesses, and welcomed Mrs. Maggie Ferguson into the club as a new member, and Mrs. George Kelsey lead the devotion.

Civic chairman, Grace Boney, reported that plants have been planted around the flagpole and the memorial monument. Historian Eunice Haynie is making plans to start compiling recent material for a scrap book. The beautiful older one, now completed to capacity, will be retired, and placed in the Avon Park Museum.

A detailed program was carefully outlined for the Christmas Tea, Gifts for Hospital Therapy, and a contribution of \$10 "Christmas Cheer".

Committee, Mrs. Bussard gave an interesting talk on the historical background of the Missouri Botanical Gardens in St. Louis, and also, examples, of such plantings.

During the more-than-a-century of its existence, this garden has developed into a botanical and horticultural institution of three-fold purpose. Today, the garden strives to maintain outstanding displays of specimens from all areas and all climates of the world; to support regular educational programs designed to benefit those seeking greater knowledge of plant life; to function as a research center without peer contributing to man's understanding of his environment through laboratory work and by dispatching research teams throughout the world.

In recognition of its national significance and its distinguished history, the Missouri Botanical Garden has been designated a National Historic Landmark, by the U. S. Department of Interior. The garden is one of only seven such landmarks in St. Louis and the only one that is not a building, but a sight that covers 79 acres.

There also is housed the Garden's Education Department, which conducts public lectures, seminars, and demonstrations year round, on subjects ranging from home horticulture to bonsai techniques.

Such educational programs, serving children as well as adults, attract more than 40,000 people to the garden every year, serving as a resource center for Washington University, St. Louis University, and other area educational and research institutions.

At the close of the meeting, club members and guests enjoyed a most unusual social hour, as they admired exquisite, massive arrangements of beautiful red roses through the household. The graceful table laden with artistic foods and the visitation of close friends is a hour long to be remembered.

Lions Club Turkey Shoot Saturday

The Avon Park Lions Club will be holding a turkey shoot on Saturday, Nov. 19, from 10 a.m. until 3 p.m., or until everyone goes home. It will be held at the old asphalt plant location on U.S. 27, South across from the entrance of South Florida Junior College. One turkey will be awarded to the best rifleman in each match.

A match will consist of ten shooters with ten rounds apiece. The person who gets closest to the center of the bullseye on his target wins. The Lions Club has ordered 20 frozen turkeys for the winners.

Last year the Lions Club held its turkey shoot at the Avon Park Airport. Approximately 130 shooters showed up and the Lions Club gave out a dozen turkeys. Over \$100 was made in last year's turkey shoot.

The proceeds go to designated eye clinics for research and studies.

So come and be part of this Thanksgiving's Lions Club Turkey Shoot and see what you can win.

COMING FROM CRYSTAL. Mich. Henry H. Niesz has lived in Avon Park for four or five years and is receiving information on 'willing' one's

Lee Completes Basic Training

Airman Louis S. Lee Jr., son of Mr. and Mrs. Louis S. Lee Sr. of 927 Woodrow Ave., Avon Park, Fla., has graduated at Lackland AFB, Tex., from Air Force basic training. The airman, who is remaining at Lackland for specialized training in the security police field, studied the Air Force mission, organization and customs and received special instruction in human relations. Completion of this training earned the individual credit towards an associate in applied science degree through the Community College of the Air Force. Airman Lee is a 1977 graduate of Avon Park High School.

INVITATION TO BID
The City of Avon Park will receive sealed bids for purchase of a mini computer system. Equipment will meet or exceed standards of the Burroughs 1600 computer system. Main computer and console magnetic record handler will be included in the bid. It is important that all equipment be able to read and handle the present ledger cards, payroll records and water billing used by the city. A Burroughs 5000 model. All programs must interchange. Bids shall include supplying of the system, installation, delivery and training of personnel as required. P. O. #1, Monday, November 18, 1977 at the office of City Clerk. The City reserves the right to accept or reject any or all bids. (4) Malcolm R. Crews, City Clerk

THESE FOUR DEER were the weekend bag of hunters Julian Moore (left), his son Joe and Kenneth Lanier (top right) and Candy Moore, who went along to watch the action. Sunphoté by Lew Miller.

Four Deer Bagged By Hunters

It was busy weekend for hunters Julian Moore, his son Joe and daughter Candy and Kenneth Lanier, as they bagged four buck deer on a private ranch in Highlands County. Like the fisherman who don't tell where he catches the big ones they declined to reveal their hunting area. Using 25-06 rifles they shot their game at distances of 70 yards to 200 yards. The largest buck field dressed at 180 pounds while the three smaller bucks averaged about 100 pounds each.

Annual Garden Tea At Ostling Home, Dec. 9

Avon Park Founders' Society, member of the Florida Federation of Garden Clubs, Inc. met on Nov. 10, at the home of Mrs. Robert King, Lake Lotela. The co-hostess was Mrs. D. G. Perry. Following the serving of refreshments, the meeting was opened by the Pres. Mrs. Lou Gross. It was voted by the club to send a check to the "Christmas Cheer" program, which sees that no child is forgotten at Christmas in Avon Park. Mrs. Chester Wollack, co-chairman of the Christmas Tea, announced that this annual event would be held on Fri., Dec. 9, from 2:30 p.m. to 5:30 p.m., at the home of Dr. and Mrs. Burton Ostling. Mrs. P. C. Boney, Hibiscus Circle, is co-chairman, also. The committees for the tea are: Decorating: Sybil Laye and Marianne King; dining room, Sara Reeves; Kitchen, Wilma Heiring; punch, Lou Grose; Publicity, Jane Stutz, Mildred Head and Emma Bussard. Hospitality: Eunice Perry, Thelma Ward, Vivian Hart, Gladys Smith, Edie Caffee, Mildred Logan Bessie Decker, Marice Carlton and Mildred Rulison. President, past and present will preside at the tea table. They will be Evelyn Deak, Bessie Decker, Jamie Sawyer, Lou Grose, and Fuchia Anderson. Each member has been requested to bring a plant for the Plant Sale, held during the Tea. Thursday's program was presented by Mr. Elmer J. Gregg, and her subject was "Flowers in Poetry". The selections were taken from the 18th and 19th century poets. Mrs. Gregg noted that the 20th century poets wrote little about flowers. The selections which she read, so beautifully, was in several different categories: nature, love and death. Mrs. Gregg opened her program with "Green Things Growing", followed by "Where is Heaven?" and "My Garden" taken from "Garden of the Lord" by Helen Keller. Other poems included the familiar and lovely "Daffodils" by Wordsworth, "The Sensative Plant" from Shelly's Garden, also "Roses" by Emily Dickinson. While most of the flower poems were about Spring, the "An Autumn Chant" by Edna St. Vincent Millay presents a beautiful but melancholy note. Amy Lowell's "Purple Crackles", speaks of birds in our gardens. Mrs. Gregg has written some very beautiful poems herself. She ended her program with "In my garden I shall die. With beauty round me spread. In my garden let me lie. With perfume at my head. I may not see the scarlet rose. Nor feel its petals fall. Yet somehow at the day-lights' close softly I'll hear you call." After the usual plant drawing, the meeting was adjourned. Mrs. Hood, Mrs. Lanier and Mrs. Rulison won the plants which had been brought in by Mrs. Heiring.

Butler Completes Training

Private Christopher Butler, son of Mrs. Olga F. Butler, 120 S. Prospect Ave., Avon Park, recently completed training as a cannoner under the One Station Unit Training (OSUT) Program at Ft. Sill, Oklahoma. OSUT is a 13-week period which combines basic combat training with advanced individual training. Students learn the duties of a howitzer or gun section crewman and received instruction in handling ammunition, setting fuses and preparing charges, communications and maintenance. Pvt. Butler is a 1977 graduate of Avon Park High School. His father, Clifford Butler, lives in Lakeland.

Pvt. Sapp Completes Army Radio Course

Private Ernest Sapp, recently completed a radio teletype operation course at the U. S. Army Signal School, at Fort Gordon, Ga. During the training, students learned to operate radio transmitting and receiving sets, using voice and teletypewriter equipment. PFC Sapp entered the Army in June of this year. The private attended Bethune Cookman College in Daytona Beach. His wife, Diana, lives in Avon Park, and his mother, Mrs. Rossie Sapp lives in Orlando.

Airman Griffin

Griffin Selected For Language School

Airman Wendy Griffin, daughter of Leo R. Griffin of 5817 Holden St., Pittsburgh, Pa., has been selected for technical training at Presidio of Monterey, Calif., in the Air Force language field. The airman recently completed basic training at Lackland AFB, Tex., and studied the Air Force mission, organization and customs and received special instruction in human relations. Airman Griffin, a 1974 graduate of Peabody High School, received a B.A. degree in 1977 at Western Washington University Bellingham, Wash.

All schools offer more than just in-class training. Special programs and specially trained people are used to help meet the students' needs. One of these people is Frank Leach, school psychologist.

Leach has a Master's degree in counseling which takes five to six years of college training. When asked what his duties were as the school psychologist, he explained in steps. "The first step of my job is testing and evaluation," he said. "Psychologists give academic, intellectual and social scales in tests to assess the individual students, and the most appropriate program for them."

Most of the testing is of students who might need to be placed in an exceptional program, mainly because there are only two psychologists in the system. "With two psychologists and seven thousand students it's kind of hard to deal with all of the students except the exceptional ones," Mr. Leach commented. When these students are placed in the proper program, the directors of that particular program try to give the students knowledge in the needed area.

The second duty of the school psychologist is consultation with parents, teachers, and students. "We like to sit down with the teachers, parents, and students and discuss weaknesses or strengths that the student has."

Counseling is the third responsibility, but it is taken care of by the guidance counselors in the school. The psychologists do some counseling, but it is usually with the guidance counselors rather than the students. The area that Leach would like to have more time with is community development. "We would like to help inform the community about the school, the professionals involved with the school, and what we're all about," he said.

Leach works with faculty and other school employees as well as students. For example, he has workshops for bus drivers, custodians, and classroom personnel on how to get along with each other and how to understand the students better.

The question probably most commonly asked of Leach is: "What is the difference between a psychologist and a psychiatrist?" Leach said that a psychiatrist is a medical doctor who passes a medical school first before working with human behavior. A psychologist receives an academic degree, which is usually a Master's even though the demand for a doctorate is becoming greater. A psychologist is not a medical trained person.

Leach would like the parents to know that the psychologist's job is to help the students in the years that contain some of the child's greatest changes. When a child can adjust to those changes, he can continue his academic pursuits and become a responsible member of society.

Mike Behal

This weeks feature senior Mike Behal is the recipient of an excellent scholarship offer from Bell and Howell Schools. Mike will attend the Bell and Howell school in Columbus, Ohio, and aspires to be a computer engineer after graduation. Mike likes the offer because of this goal considering that Bell and Howell schools send their graduates into excellent fields working for various companies.

Mike is the 17 year old son of Mr. and Mrs. Edward Behal. He was born in Cleveland, Ohio, and has three brothers

and one sister. Aside from his academic achievements, he is a letterman on the varsity tennis team and holds three Heartland Conference medals. He had an undefeated singles record in 1976, and he also won the most improve player trophy while helping the team to a conference championship that year.

Tennis is not his only sport, however, because he loves to watch football, baseball, and boxing on television. Two

Mike said that he enjoyed his past three years in Avon Park High because the school is small and the people are friendly. "There's never much hassle between students and faculty," Mike said. "I've heard of things happening in other schools that would never happen here. I think it's a good place for a high school education."

Students Help Goodwill Collect Usable Items

On Nov. 4, paper bags were distributed to students of Avon Park Elementary Schools by the Goodwill organization, in hopes that the children and parents would fill the bags with items they no longer used, but were still in good condition.

The bags were to be returned to the school on Wed., Nov. 9. Goodwill, provides training and work for the handicapped

people, and they are in need of clothing, jewelry and small household items, as they have been sending workers home early, because of lack of materials.

If you have something you aren't using that is repairable or usable condition please drop them in the Goodwill boxes stationed around the Avon Park area.

City Council

approximately \$30,000 under the estimated cost of the project. This extra EDA money could be used for additional work on the Lake Isis extension, however, it cannot be transferred to work on the sewer treatment plant. The council instructed Mike McWeeny, of Dawkins and Associates, to inquire as to how the money could be best utilized.

Work on the Lake Isis extension started Tuesday morning with ground breaking for the lift station on Lake Isis Drive, by the contractor Tri-Sure Corporation of Auburndale.

Mike McWeeny reported that the final inspection of the sewer projects II and III would take place Wednesday morning, Nov. 16 with the contractor, Farmers Home Administration, engineers and city officials taking part. It was hoped that all complaints would be cleared up by this time. On the matter of the warranty services on the lift stations on Lake Isis and Castle Street, McWeeny said this could be worked out on Wednesday.

In commenting that approximately 500 services have not been connected to the city sewer lines, Councilman David Barfield asked if the city wanted to enforce the city code and state law that all residences be hooked up to the sewer line or if the city would be willing to stand the expense later, if a lateral line had to be relocated after the one year warranty period had expired?

In the discussion Councilman Larry Albritton pointed out that with the old treatment plant being repaired the new plant is already overloaded and in forcing people to tie into the sewer line would increase the load of the new

treatment plant with the possible decrease in the effectiveness of treatment of the sewerage.

McWeeny reported that the old treatment plant should be ready for testing and use in about four weeks. However it would take about two weeks for bacterial action to get started.

In reporting on the red water problem in some of the city's water mains, McWeeny stated their organization has found three cities and a county using chemicals to treat the water.

Two of the city water wells are still ailing. The Bell Street well was reported to be pumping air and also having chlorinator problems. The West Windthrop Street well has been inactive for four to five months. An additional 40 feet of pipe had been added to the intake. In checking the well C. D. Cannon and Sons of Ft. Meade stated in a letter that the well was probably out of plumb, causing some of the mechanical problems in pumping. Their estimate for repairs was approximately \$4,564.

McWeeny recommended that the well be checked to determine how much the well was out-of-plumb. The suggestion was also made that the city investigate the cost of a larger well before spending money for repairs of the 1000-1200 foot deep six inch well.

Vehicle Parking Ordinances Shelves Council president Robert Britt recommended that no action be taken on the proposed vehicle parking ordinance. He said that the Police Department should be requested to issue citations to

those illegally parking on the city streets and rights of way.

In parking his citrus vehicles in a vacant lot by his home, Foy Hall, citrus contractor asked what his status was under the present law. Barfield replied, that under the present law he would be in violation. If a complaint were received the city would have to act on the problem.

Barfield further stated that all commercial vehicles in a residential area are illegal, but recommended the owners keep the area neat and clean and wait and see what happens. In his checking, he had found people about evenly divided in their opinion of the new ordinance thus he felt that it was better to delay action than take quick action and be sorry later. He continued that there are 12-15 contractors involved now, but five years from now there may be 50-75 other businesses involved with the parking problem.

In asking if he went to another location, where could he go? Hall was told that there were several areas in the city that were zoned industrial.

Application Denied

A letter from the Department of Community affairs was read stating the request for planning funds from Avon Park, Lake Placid and Sebring and Highlands County was denied. According to the formula used, the application was 89% in the state with only 8% applications being funded. The false estimated population figures given by the University of Florida were cited as a key factor in the rejection. A delegation from the county is to visit the university and attempt to make corrections.

County Commissioners

bombing range.

According to an agreement worked out between the Department of Defense, DOT and the county, Highlands County is to pay 25 percent of repair costs, while the federal government, working through DOT, pays the remainder. Hays said DOT is handling the bids and will oversee actual construction.

Cost to the county for the repairs totals \$44,000, with \$4,000 of this used for preliminary planning. Estimated cost of the bridge is \$160,000, Hays said.

The county made temporary repairs in 1975 and Hays said the bridge "has been holding pretty good."

He said the state will probably build a temporary bridge to handle traffic, while the old structure is replaced with the new.

The board appeared pleased with the news that DOT has completed design

plans and expects to call for bids in January.

Charles Cullen, administrative assistant, reported that negotiations with the contractor who will remodel the courthouse third floor has produced a lower bid of \$220,210.

A bid of \$281,700 from Wayne Blackwell of Miami was the only offer received in bid openings last week. The county has only \$192,337 in a federal Economic Development Administration grant for the work.

The board unanimously approved the negotiated bid of \$220,210 and a \$5,000 architect's fee.

Zoning changes for the development area of Sebring Lakes on U.S. 27 at Josephine Creek from agricultural to several other classifications were approved with a four-vote nod. Commissioner Cecil Skipper abstained.

The zoning change calls for new classifications on the land to include areas for multiple family dwellings, general retail, general retail and wholesale, industrial use and industrial use for heavy equipment.

William Stephenson, zoning director, said there are no immediate plans for construction of businesses in the development. The changes were requested for possible future use.

A second zoning change unanimously approved was from John J. and Helen H. Thoma, and Rudolph A. and Gertrude H. Wiczowski for rezoning land south of Lake Persimmon from agricultural to mobile home and residential subdivision.

The board approved appointment of three alternates to the Board of Adjustment and Zoning Commission. Those appointed were Willie Williams, Otis Everette and Marvin McPate.

Three alternates were also appointed to the Board of Adjustment. Alternates are Billy Waggaman, Scottie Wheeler and Gary McGahee.

Race Aid Turned Down By City Council

A request for aid to improve Sebring Airport for the annual auto race was turned down by Avon Park City Council, because the Race apparently has little impact on the city.

Ron Jester, airport manager, met with council Monday night in hope of obtaining an agreement with Avon Park similar to those reached with Sebring City Council and Highlands County Commissioners.

Those two governing bodies have offered use of equipment and manpower to help make improvements in the race course.

Sebring has pledged use of trucks and drivers to haul fill needed to improve grades on curves. The county offered use of a bulldozer, grader and a drag line.

Forty Dollars Taken From Home

Charles Forrester of Avon Park told Highlands County sheriff's deputies that \$40 in cash was taken from his house.

Council told Jester that Avon Park is short of manpower and possibly equipment.

AnnaBelle Worden, speaking for the Avon Park Chamber of Commerce, told Jester the impact of the Race on Avon Park is very little.

She said there is some rental of motel rooms in the area during the Race, but little other business.

Child Abuse Program Presented

At their regular monthly meeting at the Woman's Clubhouse, the Junior Woman's Club had Mrs. Alice Hansen present, there are three children at the Health and Rehabilitative Services speak on "Child Abuse" as this is the Junior Woman's state project for the year 1977-78.

The three children at Avon Park, Lake Placid and Sebring are cooperating to secure a house in Highlands County for abused children to be sheltered. However, a suitable house has not been found and the abused children have to be left in the homes of their parents.

In Highlands County, Mrs. Hansen stated, there are approximately 53 children abused by their parents or other adults, every year. Of these abused children, 29 children are classified as general neglect cases.

A discussion of the Junior Woman's Club float in the Christmas Parade followed but a theme was not selected for the float.

Red Devils Hold For 13-10 Win

A determined Red Devil defense stopped a last minute Okeechobee scoring threat at the two-foot line and the Avon Park offense took advantage of great field position provided by the defense twice to chalk up an exciting 13-10 victory over the Brahman down in Okeechobee on a cold night last Friday. The win gave Avon Park a 4-5 record going into tomorrow night's game in Sebring against the Blue Streaks.

Ten Avon Park seniors will be playing their last game this week when the Red Devils travel to Sebring to take on the Blue Streaks. Backs Rufus Wilson, David Jahna, wide receivers Wyndell Frasier, Jamie Dennis, Freddie Williams, and Keith Alwood; tackles Mike Parker and Claude Dennis; guard

Victor Roberts; and tight end Eric Wilson will all represent Avon Park for the last time on the football field.

The Red Devils go into the game at Sebring as strong underdogs to the 6-3 Blue Streaks who have won six of their last seven games and are coming off a disappointing loss to Haines City last week. It will take an inspired effort by the Avon Park team and perhaps a little help from above for the Red Devils to win and finish with a 5-4 record.

Both Avon Park touchdowns in Okeechobee last Friday night came as a result of fine defensive play by the Devils. Early in the first quarter, Keith Cobb blocked an Okeechobee punt to give the Devils possession on the Brahman eleven yard line. David Jahna picked up

two yards with two carries and then the offensive line opened up a huge hole for fullback Rufus Wilson to charge through for a nine yard scoring run. Jamie Dennis kicked the extra point to put Avon Park out front 7-0.

The Brahman scored next settling for a field goal early in the second quarter. David Crawford booted a 38-yard field goal when the Devil defensive stopped a Brahman drive at the Devil twenty-one.

Midway in the second quarter, the Brahman scored a touchdown after driving eighty-four yards with twenty yards donated by the Devils with a pass interference call and a five yarder. Crawford broke loose for a 26-yard scoring run from his quarterback slot

and then booted the point after to put the Brahman tied at halftime.

At the start of the second half, two holding penalties kept the Red Devils deep in their own territory, but David Sisemore got off a 56 yard punt to put Okeechobee on its own fifteen. The Devil defense held for three downs and the Brahman punter never got his kick off giving Avon Park the ball at the 'Chobee twenty.

It took Rufus Wilson just three running plays, with the aid of a five yard penalty against the Brahman, to score again. This time the big fullback rummaged through for a nine yard TD effort, but the kick for the extra point was no good, leaving the score 13-10.

Okeechobee tried another field goal, a thirty-five yarder, in the third period, but it was no good. The Red Devil defense lost three fumbles in the second half to keep them bottled up. Late in the game Avon Park had driven to the Brahman twenty only to lose the ball on a hand-off.

As time running short, the Brahman went to the air and moved quickly to the Avon Park right yard line. That's when the Avon Park defense buckled down and held for four running plays to keep the Brahman from scoring. The fourth down run by a 'Chobee back was stopped just a couple of feet from the goal line as the defense spun the back around letting his feet fall in the end zone but the ball on the two-foot line. Avon Park just ran out the clock to preserve the 13-10 win.

Credit for the Devil victory has to go to the Avon Park defensive team. The front linemen were Keith Cobb and Robbie Dennis; James Williams at ends; Claude Dennis and Keith Porter at tackles; and Terry Massey at noseman. Linebackers were Rufus Wilson, Jimmy Brown, and Mike Parker; defensive halfbacks were Ricky Bivens and Decaris Jones, and Jeff Adams, safety. Jones came out with an injury during the game and Freddie Williams moved into the safety slot. Craig Williams and Victor Roberts also saw action on defense. Coach John Hunter singled out

defensive end Keith Cobb for his outstanding effort last week. Cobb blocked a punt, recovered a fumble, and kept pressure on the Brahman offense all night.

Connor On Starting Line Up

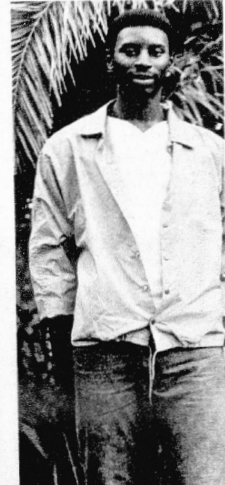

Anthony Connor, former Red Devil basketball star, has earned a starting position on the Manatee Junior College basketball team for the 1977-78 season. Chosen as Avon Park's most valuable player last year on the Red Devil Class AA district championship team, Anthony signed a full two year scholarship with the Lancers last spring.

The 6 foot 7 inch, 205 pound center is the son of Mr. and Mrs. Fred Connor, 310 First Street, Avon Park, and has attended schools here all of his life. Anthony averaged 11.7 points per game and pulled down 10.6 rebounds per game last year on the Red Devil squad under Coach Tom Land.

Coach Pat Healy, Manatee J. G. coach, saw Connor play three games last season and signed the Red Devil cager with plans to use him at the starting center slot on the Lancer team. He commented last spring that he felt Anthony had a great deal of potential and will improve each year.

Last weekend, Connor got his first start with the Lancers in a Junior College Jamboree. He played center in all three quarters for the Bradenton school as the Lancers won one quarter, tied a game, and lost one in the pre-season warm-up jamboree.

The Devil player of the week against Wauchula a week ago was tackle Claude Dennis and this week the statisticians picked Ricky Bivens as the player of the week.

Devillette Cagers Working Towards Opening Game

Coach Sherri Lee is working the 1977-78 Avon Park Red Devil girls hard in preparation for the opening basketball game scheduled for Tuesday, Dec. 6 against Ft. Meade here at the high school gym in the middle game of a triple-header with the two boys teams.

This will be the second year the Avon Park girls have played a varsity interscholastic schedule. Last season, after many years of no girls' teams, the Red Devils finished with a 2-11 record under rookie coach Sherri Lee. This year, Coach Lee feels the girls will have some experience and will be able to better cope with the seventeen game schedule.

Returning lettermen on the eighteen player squad include: seniors, Delbra and Deloris Cox; juniors, Ellen Macdon, Tammy Gelling, and Tammy Welch and sophomores, Patty Barben and Thelma Wessels. Newcomers out for the squad are: seniors, Sabrina Rushing and Meg Schuler, a transfer from Miami; juniors, Katrina Connor; sophomores, Tanya Jones and Linda Rowe; and freshmen, Annette Blake, Brenda Brooker, Ethyl Pough, Bernice Taylor, Laurie Welch and Kathy Wiggins.

The girls will play only three games on the same night as the boys. The opening game against Ft. Meade on Dec. 6, a Tuesday night game in Okeechobee on Jan. 17, and a Tuesday night game in Fort Meade on Jan. 31 will all be triple-headers with the boys jayvee playing first, then the girls and lastly the boys varsity. The Devil girls will also participate in a Heartland Conference Tournament to be held in Lake Placid on Jan. 25, 26, 27 and 28. The boys will also hold their Conference Meet the same dates in Lake Placid.

The season will actually open for the Avon Park girls in Sebring on Dec. 2 when they take part in a Heartland Conference Jamboree. Coach Lee and Assistant Coach Jeannie Cox hope to have the Red Devil girls ready for the action in the jamboree the Friday night, of Thanksgiving week.

The 1977-78 schedule is as follows: Dec. 6, Ft. Meade, home; Dec. 9, Wauchula, home; Dec. 12, Sebring, away; Jan. 3, Lake Wales, away; Jan. 5, Clewiston, home; Jan. 6, Lake Placid, home; Jan. 9, Lake Wales, home; Jan. 12, Okeechobee, home; Jan. 17, Okeechobee, away; Jan. 19, Frostproof, away; Jan. 23, Wauchula, away; Jan. 31, Ft. Meade, away; Feb. 2, Arcadia, home; Feb. 3, Clewiston, away; Feb. 6, Lake Placid, away; Feb. 9, Frostproof, home; Feb. 13, Sebring, home. The girls' district tournament will be held Feb. 16, 17, and 18 at a site to be determined.

Bombing Range Open

The Avon Park Bombing Range will be open for hunting on the weekend of Nov. 19 and 20, until 8 p.m. Sunday, to hunters possessing Wildlife Management Area Quota Permits for the Avon Park Wildlife Management Area.

Headquarters, Ninth Air Force has scheduled flying operations, including live ordinance deliveries for the southeast sector of the Range on Saturday, Nov. 19, and possibly Sunday, Nov. 20, if adverse weather prevents completion of flying operations on Saturday. The Morgan's Hole and Willingham Grade Camp Grounds will be open both days. However, the southeast sector including Kissimmee Camp Ground will be closed until flying operations are completed.

Walz And Griffin Take Top Pinecrest Golf Honors

Louise Walz of Sebring Country Club took low gross honors and Helen Griffith of Pinecrest Country Club captured the low net score last Friday in the monthly tournament of the Highlands County Women's Golf Association. The tournament was held at the Placid Lakes Country Club.

The winners were: A flight, low gross; Louise Walz, Birdie Dorman and Arline Hunter; low net, Helen Griffith and Mildred Ford.

B flight, low gross: Jean Kurpik, Ruth Pease and Peg Gose; low net, Ruth Schlib and Al Linville. (There were only

A map showing the restricted area will be available for hunters at the Check Stations. Announcements will be made at the other two camp grounds when the Kissimmee Camp Ground is open.

The Florida Game and Fresh Water Fish Commission will have personnel on duty at the Main Gate and Frostproof Check Stations starting at 3 p.m. Friday and will escort hunters by convey to the open camp ground areas until flying is completed on Friday. Present schedules indicate flying should be completely by 5 p.m.

D flight, low gross: Bea McCleary, Mae Pichich and Mark Ostling. Low net: Emily And, Ann DeYoung and Thel Hough.

Next month there will be a two day tournament, Dec. 8-9, at the Highlands Hammock and Pinecrest Country Clubs golf courses. This will be the last tournament of the season. The association will resume play next April.

Kent Filppula

Filppula Bags Buck

While hunting on the Bombing Range during the weekend, Kent Filppula using a 12 gauge shotgun with buckshot, bagged an eight point buck, at about 7 a.m. Sunday morning, as the buck was coming out of a marshy area. The buck was field dressed at 110

pounds and was reported to be the largest deer brought out of the Bombing Range at noon Sunday.

In the hunting party with Kent, were his brother, Dean and Allan Sprick. Altogether they had seen about a dozen deer during their weekend hunt.

Jayvees Have 7-1 Season

A 14-1 victory over the Okeechobee Brahman jayvees gave Avon Park junior varsity players a 7-1 record for the 1977 season under Coaches Hoppy Rewis and Don Sisemore. The Devil "bees" racked up the seventh win last Thursday night at Memorial Field to close out the successful junior varsity season.

The Avon Park jayvees completely overwhelmed the Brahman junior varsity in rushing yardage as the Devil offense rolled for 283 yards on the ground while the defense held Okeechobee to a total of 85 yards and allowed only 11 yards in the second half.

Passage yardage didn't figure into the results as Avon Park completed only three passes for a total of 12 yards and Okeechobee hit only one for ten yards. The Brahman did have three good kick-off returns that totaled 100 yards and kept the 'Chobee team on the game.

The Okeechobee offense shocked the Devils at the beginning of the game by moving quickly to the Red Devil five before the ball was fumbled and Avon Park's Charlton Weathers recovered. From their own five, the Avon Park offense fired off and the Devils marched 96 yards for their first touchdown. Tailback Carl Wingate, behind the blocking of fullback Gerald Jones and the Devil offensive line, gained seventy yards in the drive and took the ball in for the TD from seven yards out. Wide also sliced in for the extra points to give the Devils the 8-0 lead.

Okeechobee scored its lone touchdown late in the second quarter. A Brahman defensive back intercepted a Devil pass at his own 45-yard line to set up the scoring drive. The Red Devil defense contributed twenty yards to the drive with a five and a fifteen yard penalty. The Brahman fullback broke loose for the TD from seventeen yards out, but the run for the two point conversion was stopped short by Devil linebacker Gerald Jones. Avon Park led at halftime 8-0.

Avon Park used up almost the entire third quarter with its second touchdown drive after the second half kick-off. It was a 63-yard march that was hampered

by penalties. Carl Wingate carried the ball ten times during the drive, but Greg Whidden had a 14-yard gain and Gerald Jones rushed for seven yards midway in the drive and then scored the touchdown

for a four yard run up the middle. Wingate's run for the two point conversion was stopped short of the goal line. Okeechobee had the ball for only four offensive plays in the third period.

Fisher Pinecrest Champ

The Pinecrest Women's Golf Association had low gross play for the day last Thursday and the winners were: First flight: Nell Reed; second flight, Ida Variano and third flight, Mark

Awards were given to the winners of the club championship handicap tournament. The club champion was Virginia Fisher; runner-up, Henretta Melear; quarter finalist were Markin Ostling and Lena Wright. The round of eight included

Jean Crotty, Joyce Thompson, Katie Utz and Kay Giddens.

Next Thursday day of play, for the women golfers, will be for low putts.

Saturday Nov. 19 will be a golf turkey shoot at the Pinecrest course, sponsored by the Highlands Office Supply. Turkeys will be given to the first low gross and lot net of each flight. All members planning to play must be signed up by 10 a.m. Thursday, Nov. 17.

Tuesday or Thursday evenings from 7-10 p.m.

All participants must wear basketball type shoes only on these new courts.

Air Force Staging Racquetball Tourney

The Air Force Bombing Range started their Racquetball tournament Monday, Nov. 7. We are running Doubles and Singles together, with double elimination in both events. There are 12 teams entered in the doubles, and 24 individuals have signed up for the singles.

In the first round of singles there were a lot of good competition. Carl Hardin defeated James Goodman, Frank Godwin defeated Conrad Moody, Col. Don Griffing won over Flavil Graham, Gregory Nundell defeated Joe McCumbers, John Hoeltje won over Patrick Wooten, Henry Wood defeated Glenn Day, Bob Scranton won over Gregory Swan, Mack May defeated Daniel Zimmerman, and John Best defeated Rodolfo Marquez.

In the first round of doubles, Col. Griffing and Major Slovin defeated the team of Roger Picard and John Lamanna Barry Wallace and Gregory Swan won over the team of Joe and Mac McCumbers, and Henry Wood and Rodolfo Marquez defeated Flavil Graham and Donald Witt, also John Hoeltje and Edward Stelzewicz.

In the doubles, three teams have been eliminated as of Tuesday, Nov. 15, Roger Picard and John Lamanna defeated the team of Mack and Joe McCumbers. Patrick Wooten and Daniel Zimmerman had to forfeit to Flavil Graham and Donald Witt. Wooten hurt his back while on explosive ordinance detail. Hope you will be back soon.

The team of Roy Amburn and Lance Filiger lost their first match to John Best and Mack May in a close three game match, and in their second match of the double elimination tournament they had to forfeit to John Hoeltje and Edward Stelzewicz. In the first game, while attempting a kill shot, Lance pulled some muscles in his arm. He was advised by the doctor to let it heal before he did further damage to his arm. We know you will be back in the next tournament.

In the singles, Carl Hardin defeated his partner in doubles, Frank Godwin, Bob Scranton defeated Henry Wood, and John Best defeated Mac McCumbers. Flavil Graham went out over Joe McCumbers to eliminate him from the tournament and Lance Filiger forfeited to Roger Picard, because of his arm injury.

On Monday, Nov. 14, the team of Hardin and Godwin by a close margin

over Col. Don Griffing and Major Scott Slovin. The scores were 2-19 and 21-11.

In Tuesday, Nov. 15, action Bob Scranton defeated John Best. The Avon Park Bombing Range Racquetball tournament is moving very smoothly. Everyone is co-operating the best they can. We are ahead of schedule right now and should be through by Nov. 25. I would like to thank each and every individual for co-operating and the great sportsmanship we are getting in this tournament. Reported by Henry Wood.

Flag - Football

Tryouts

Thursday

Tryouts for the Flag-Football League will be this Thursday, Nov. 17 at 4 p.m. at the High School. Kids 12 years old may come out to try to be placed on one of the four teams in the league. The City Recreation Department will furnish all the equipment that is needed.

If you played on one of the teams last year and are still eligible, age-wise, you must still come to the tryouts to be placed on your team. Be dressed to do some running. The teams will be chosen this Thursday so that they may have a couple weeks to practice before the first game on Dec. 6.

You must be 9 years old before Dec. 1 and not 13 years before Jan. 31 to be eligible to play in this league.

Window Painting Contest Open

The Avon Park Recreation Department is still interested in having groups of kids paint in the Thanksgiving Window Painting Contest. It is open to any group of kids (10 or fewer) within the grades of 3-12. There will be prizes awarded to the top three paintings in each grade group.

Join in the fun and decorate one of the merchants windows for the Thanksgiving season.

Contact your school home room teacher or the Recreation Department at 453-6861 for more information.

Red Devil Runners Will Go To State Meet

The District 5AA Runner-up trophy belongs to the Avon Park Red Devil Cross-Country team for 1977. The Devils were second in the ten team field behind defending district and state champion Clearwater Central Catholic.

Clearwater simply outlasted the field with their 36 point total. Avon Park was second with 76 points followed by St. Cloud with 87, Frostproof with 117, John Carroll with 118, Evangelical Christian with 217, Santa Fe with 231, Fort Meade with no total, and Sarasota Central Mooney with no total score.

The top four teams in the District 5 meet will advance to this week's State Championships in Deland. The Saturday race has the AA run slated for 9 a.m. The Devils will travel to the state meet site on Friday and workout on the course at the Deland Airport. Clearwater Central Catholic is rated an excellent bet to defend their state title.

Alan Portis again led his Devil teammates as he finished second with a 16:01 effort. The talented junior was fourth with less than a half mile to go, when he simply out-kicked two Clearwater rivals. Fast developing Mark Myers came in seventh for Avon Park with a 16:42 clocking. Jerry McKenzie, who injured his knee in the Rotary Invitational last week, was eighteenth with a time of 17:30. The hardworking junior has a slight muscle strain in his

left leg. Hopefully Jerry will be back to full speed this Saturday for the state meet. Tim Cribb (17:42) and Tim Slater (18:28) placed 21st and 28th, respectively to give Avon Park its 76 point total.

The travel squad to Deland will include the top five Red Devils plus Mike Knight, Greg Gray, Jacques Thomas, and Craig Skipper. Coach Brojek will choose those who will run in the sixth and seventh spots on the Devil team after this week's workout.

The second place finish gave the Avon Park squad its best 1977 season record. It marked the sixth time in the past seven years that the Red Devils have posted a winning Cross-Country record.

"Well, now its on to state," beamed a happy Coach Brojek following the meet. "The last two years we have just missed taking a team to state by three and then two points. I can't say enough about the fine work of these young men."

The top five teams in the Class AA division Saturday in Deland," Coach Brojek continued. "There is no doubt in my mind that we have the talent to do just that this year. We hope to make the community and school proud of us at the State Meet."

Kiwanis Club Holds Annual Ladies Nite

The Avon Park Kiwanis Club had their annual Ladies Nite dinner Saturday, Nov. 5, at the Ranch Buffet. David Brooker led the Kiwanians and their wives in singing America and giving the Pledge of Allegiance with Harry Bennett giving the Invocation. After dinner Bob Leaphart introduced the guests and George Haynie honored the

past presidents of the club. The master of ceremonies, Aden Childress to George Haynie. Any Kiwanian that brought in five or more new members during the past twelve months received a ruby tie tac. Ted also gave awards to seventeen club members for perfect attendance during the past year. Joe Shafer received a

seventeen year award, this was from membership in two different clubs. Ted Ward received an award for fifteen years perfect attendance. The remainder of the awards were from one to thirteen years. The Avon Park Sweet Adelines quartet came to the meeting and presented a most delightful musical concert of barbershop harmony. The

Adelines taking part in the quartet were Cris Brojek, Sara Talbert, Nancy Nummalie and Maurine Welch. An evening of good food and beautiful music was enjoyed by all. The club wishes to thank all those who helped to make the program possible.

Fernsler New President Of County Cancer Society

The Rev. Eugene Fernsler, pastor of Atonement Lutheran Church, Sebring, has succeeded Mrs. Gary Dressel as president of Highlands County Unit, American Cancer Society. Fernsler had been serving as first vice president and assumed the presidency upon the resignation of Mrs. Dressel. W. Ralph Dilling at the same time moved up to first vice president. At a meeting of the board of directors it was reported that memorial contributions to the Cancer Society are well ahead of last year. In one recent week the total was \$545. Last year Highlands County gave \$2,359 in memorials. They may be sent to Post Office Box 292, Lake Placid. Forms also are available at all county funeral homes. The society will provide two vans staffed by nurses and

nursing students at the Highlands Health Fair Dec. 1 and 2 at the Ag Center. Pap tests will be given both days in the vans. Last year only one van was available, and many residents desiring Pap tests could not be accommodated due to the heavy demand and limited facilities. Fernsler reported that the unit spent \$4,600 in the year ending Aug. 31 in Highlands County patient service. Of that total, \$1,900 was spent for transportation of patients and \$1,800 for medication. In addition, the unit's loan closet made many items available to cancer patients on a free basis. Arrangements for loan closet items can be made with one of the unit's service chairmen. They are Mrs. Dressel, Avon Park; Mrs. S. C. Spencer, Sebring; or Mrs. Malcolm Watters, Lake Placid.

Financial Aid Available For Students At SFJC

A number of financial aid programs are available to South Florida Junior College students and prospective students. The most popular of these is the Basic Educational Opportunity Grant program which is available to students who need financial assistance to attend college. These grants are made available by the federal government and do not have to be repaid. The intent of the BEOG Program is that every eligible student be entitled to federal grant assistance as a matter of right. South Florida Junior College also participates in the College Work Study Program which is sponsored by the federal government to aid students from low to moderate income families. Students gain valuable work experience at

the same time they are earning college degrees. Through the generosity of individuals and organizations, there are a limited number of scholarships available to deserving students. These are granted on the basis of academic ability, special talent, and financial need. Persons planning to apply for financial aid to attend college during the spring semester should submit their applications to Joseph Johnston, Director of Student Personnel & Counseling Services, before Dec. 1. Financial aid information and applications may be obtained from Johnston or by calling 453-6661, extension 131, in Avon Park.

HI Friends:
The month of November is the eleventh month of the year. Near the end of November, people of the United States celebrate Thanksgiving Day. The pilgrims celebrated the first New England Thanksgiving to express their gratitude for their first harvest in the hard new land.

Veteran's Day formerly called Armistice Day was originally observed on November eleventh, but is now observed on the fourth Monday in October.

The topaz is the November birthstone, and the special flower of the month is the chrysanthemum.

November woods are bare and still; November days are clear and bright; Each noon burns up the morning's chill, The morning snow is gone by night.

Thought Condition for the Week.

In everyday life, we are often discouraged, when every dream of hope seems impossible, and in that bit of comfort we tend to realize,

there's no real evidence of what we really desire. "Keep relaxed, avoid getting panicky and say: "Let God's will prevail." The things which are impossible with men are possible with God.

Attend Seminar At LeHigh Acres Men

Mrs. Betty Burnette, R.N., and Mrs. Ruth Lewis, R.N., nurses from Hillcrest Nursing Home traveled to LeHigh Acres, near Fort Myers, to attend a seminar on "The Legal Aspects of Nursing."

The five hour lecture was given by Helen Creighton, R.N., Doctor of Jurisprudence. As a young woman, Dr. Creighton first graduated from Georgetown University Law School and then became a R.N. Today she is a professor at the University of Wisconsin, and she devotes one day a week as an Intensive Care Unit staff nurse working with acute coronary patients, and every Thursday travels to all parts of the country to give lectures.

In the lectures Dr. Creighton advised the group of over 500 nurses and student nurses that they are legally liable for their actions. In an emergency situation a standard of "due care" refers to what a

reasonably prudent person acting under similar circumstances would do. Although, a legal basis for nursing process is described in the Nurses Practice Act, Dr. Creighton feels it is extremely important for all nurses to maintain a high moral standard and a solid code of ethics, according to Mrs. Lewis.

The legal aspects of

ethanasis termination of life support systems, the "living will", and the patients right to privacy were discussed at length by Dr. Creighton.

An active question and answer session following the lecture showed the great concern of today's nurse for her own personal accountability.

The Patriots Chapter of the Daughters of the American Revolution met at the Florida Power Lounge in Avon Park on November 7th and 8th. Mrs. Andrew G. Daigle, Chapter Regent presided with Mrs. J. W. Ingle, Chaplain leading in the devotions.

Mrs. Harry Childers, Registrar, read the President General's Message, which stated the National Society has over 200,000 members in this 87th anniversary year. Its three objectives are historical, educational, and patriotic, and to provide the means for active personal participation in the effort to preserve the American heritage of personal, economic, political and religious freedom and to live as patriotically in our generation as our Revolutionary forbears did in theirs.

Mrs. C. M. Twombly of Avon Park, a member of the Patriots Chapter, joined the National Society more than seventy years ago and is quite

active in this Chapter, in spite of her ninety years. Mrs. J. M. Brunstetter gave an interesting paper in keeping with the theme of "American History" concentrating for the most part on the history of Alexandria, Virginia which was founded in 1749 and known as the Home Town of George Washington. It was also the home town of many men who guided the course of history in the past, and the home of members of the Judiciary, leaders in government and service personnel in the present, especially following the erection of the Pentagon in the early 40's. It has many historical public buildings, Churches and typical English row houses. On the 200 block of Prince Street are some of these houses, now fully restored but with the same cobblestones in the street, said to have been laid by Hessian prisoners of

war. They have no speeding problems, in this area of the City. In fact, there are more original houses and buildings in Alexandria than in Williamsburg, most of theirs are re-constructed and there is a difference. A first claim in Journalism is made by the Alexandria Gazette, founded in 1784 and said to be the oldest daily newspaper in America, in continuous publication.

The English influence is reflected in the names of the streets, such as King, Queen, Prince, Princess, Duke, Royal, St. Asaph, for the Dean of St. Asaph who championed the Colonies in the disagreements with the British, as well as Franklin and Jefferson for the famous statesmen. Washington Street is the main thoroughfare through the town leading to Memorial Drive to Washington, D. C. only a few

miles across the Potomac River. The present White House Curator Clement E. Conger is a seventh generation Alexandrian and his family has held forth for 250 years. One of his ancestors, William Ramsay was the first and only Lord Mayor under the English Crown in 1724. His ancestral home, known as the Ramsay House is now a public museum and was the Headquarters for the Bicentennial celebration. It was in the famous large stone structure, known as the Carlyle House that the five royal Governors met to decide the role of the Colonists in the French and Indian Wars. It was built by a Scot named John Carlyle, is now restored and open to visitors. Col. Carlyle was a Presbyterian and built the Old Presbyterian Meeting House in 1774. Masonic Memorial services

were held there for George Washington in 1799. In the adjoining cemetery are graves of the early Scottish settlers and the Tomb of the Unknown Soldier of the Revolutionary War.

Not everyone can be an Alexandrian by birth, but all can appreciate the early history and continuous promise of future greatness of the town, described in early land patents as situated "upon the 'rivers of the Potomac.'" Just before adjournment, Mrs. John D. Watson, Chairman of the D. A. R. Service for Veterans-Patients at Bay Pines, expressed upon the members a greater response to this worthy project. Members should bring their gifts, for both men and women, to the Monday meeting to be held on Monday, December 5.

Mrs. Elmer Hurst, chairman

and her assistant served delicious refreshments with the tea table and officer's table.

Shuffling-On Wednesday, Nov. 11, the regular tournament began. The A's had 13 courts with Charles Quiller and Bernice Long, winners in the main and Dick Getchell placed second. In consolation, Mrs. Healy and Everett Phloxton were first and Virgil Lhakota and Otto Kroeger second.

The B's had 7th courts with Ross Carlson and Ruben Pritchard winners in the main and Leslie Stanley and Herbert Bieker were winners, while Lorene Weber and Henrietta Kroeger came in second.

On Saturday Nov. 12 the results were as follows: The A's, who had twelve courts had Helen Gant and Howard Brevetto as winners and Wesley Bruce and Howard Long in second in the main. In consolation action Bernice Long and Duke Christensen took first place while Frank White and John Harp came in second.

On the B's 7th courts, the main was won by Cecelia Healy and Ross Carlson. Leslie Stanley and Emma Carlson took second in the main. Helen Stanley and John Smolen won the consolation, as Elizabeth Spohr and George Davis took second place.

For Luck Supper-On Saturday, Nov. 12 there were 31 present at the supper. A short program of poems and sing-alongs was given. New members attending were Doris and Maurice Stock, Ed Eunice and Robert Howell. A delicious dinner was enjoyed and everyone was happy to see old friends.

The next supper will be held on Saturday, Nov. 18, at 5:30 p.m. It was announced that a Thanksgiving dinner would be held on Thanksgiving day, Nov. 24. All members who plan to attend are urged to sign up by Saturday, Nov. 19.

Crafts-Forty members attended the second craft class on Thursday, Nov. 10. The tables were working on Owl Mobiles, others on Christmas Gift enclosures. Several other projects are planned for coming classes. Among these we'll be using various containers and decorating them with stamps. Members are asked to bring any boxes, tins, etc., and any kind of stamps from any organization. These containers when covered with stamps make beautiful and unusual gifts, especially when filled with candy, cookies, note paper, etc. Due to Thanksgiving day, craft class will be held on Tuesday, Nov. 22 at 11:30 a.m., instead of Thursday.

Bridge-On Tuesday, Nov. 8, out of seven tables playing John Schoen who with 3310 points and William Porter placed second with 2550 points. Duplicate Bridge-Seven tables were filled on Thursday, Nov. 10. The first place North-South team was Sheila and Herman Wooster with 104 points. Eleanor and Hoe Nickerson placed second with 96 points. On the East-West side, Clyde Getchell and Meredith Reany won with 105 points, while the team of Grace and William Porter placed second with a score of 96.

Pinochle-On Monday, Nov. 7, the Club used ten tables and the high score was 833 by Lee McFrederich. The low score

was held there for George Washington in 1799. In the adjoining cemetery are graves of the early Scottish settlers and the Tomb of the Unknown Soldier of the Revolutionary War.

By MRS. CHARLES F. MARSHALL

The monthly birthday luncheon was held at the clubhouse on Wed., Nov. 16. Attendance was small but those present enjoyed the delicious food. Agnes Marshall was the only one present who has a birthday in November. Mrs. Ester Boyard had her son, R. J. Boyard and wife of Sebring, as guests recently. They viewed pictures which Mrs. Boyard's daughter, Pat had sent from Seattle, Wash. Mrs. Margaret Ward of Riverview, Fla. and Mrs. Martha Vrooman of Palmetto, Fla. visited Mr. and Mrs. Charles Marshall on Nov. 5, and took them to Duff's Smorgasbord in Winter Haven, to celebrate their 33rd wedding anniversary.

Rebekah's To Host State Officer

Eleanor Seaverns, Rebekah Lodge No. 55 will honor Florida State Assembly President, Estelle Nagel's official visit on Monday, Nov. 21 with a banquet which will be held at the Ranch Buffet, at 6:30 p.m. If you are unable to attend the banquet, our regular meeting will be held at 8 p.m. in the Lion's Club, on W. Bell St., preceding the banquet.

Christmas Cheer Needs Good Toys

Have your children outgrown or discarded some of their toys? If so, the Christmas Cheer Committee would be happy to have you give them to us so that we can give them to some of the children who have none. Please though, be sure they are still in good condition for so many cannot be repaired.

Bring them to the Albritton Barber Shop and they will be picked up from there. We should have them by December 1, in order to distribute them to the children in time for Christmas.

Secretary and treasurer reports were read, and approved. Mrs. Alice Smith presented the state of officers for 1978, they are as follows: President, Mrs. Nelson Klueberg; Vice-President, Mrs. John Morris; Treasurer, Mrs. George Cane; Secretary, Mrs. Eugene Hise. These ladies will take office at the January meeting.

Plans were finalized for the Christmas Bonanza, which was held on Sat., Nov. 12, and was an outstanding success. The doors opened at 10 a.m. to

First Christian Women Meet In Church Sanctuary

The Women's Council of the First Christian Church met Thursday evening, Nov. 10 in the Church Sanctuary. Mrs. Virginia Williams gave the devotional "A Meditation on the Lord's Prayer," with a candle-lighting ceremony. The business meeting was conducted by the president, Mrs. H. J. Rutherford. A newsletter from the Redmond missionaries in the Bahamas, told of their successful

Fall Concert Campaign Underway

The Fall Campaign of the Community Association has begun, and interested persons are obtaining their season tickets during banking hours at the Sebring First National Bank which is the new headquarters for the organization. There, officers and other workers of the Organization have adult season tickets for \$10.40, student tickets for \$5.20 and family tickets for \$26.00. Besides this central opportunity for patrons, workers for the Concert Association are contacting old and new members personally and by telephone all of this week and up to Thanksgiving Day. The Concert Association includes Sebring, Lake Placid and Avon Park and is a non-profit, cultural organization.

Highlight of the coming concert season will be the Glenn Miller Orchestra under direction of Jimmy Henderson, a trombonist, which will play in Sebring on Monday evening, February 20. Many local people consider this outstanding musical event worth the price of the entire series. Other performers will be Santiago Rodriguez, Concert Pianist, Friday night, January 13, and "Five on Stage," a vocal group singing Gilbert and Sullivan operettas and Broadway musicals in Sebring on Saturday evening, April 1. "Five on Stage" includes a Lyric Soprano, Coloratura Soprano, Tenor and Baritone soloists and accompanist, who will perform in costume each scene in its complete, original form and in some instances including spoken dialogue.

All these programs will be held in the Sebring Middle School Auditorium. Holders of season tickets in Sebring, Lake Placid and Avon Park, will also have the privilege of attending four additional concerts in Lake Wales, free of charge, under a plan of reciprocity guaranteed by the National Community Concert Management.

admit a group of people, ready for the hot coffee, soup, and sandwiches. From then on the help was busy, serving food and selling the handmade crafts, Christmas decorations, and homemade goodies. Thanks goes to all the nice people of Avon Park who made the Bonanza a success.

Mrs. Klueberg extends thanks to all the members who worked before, during, and after the Bonanza and here's looking forward to a repeat in Nov. 1978.

Vacation Bible School; also a letter from Cookson Hills School in Haiti acknowledging a donation.

Some business matters were also discussed. There was an announcement of the Church Christmas program which will be held on Dec. 18. The next Council meeting will be a Christmas party to be held at the church. Each one attending is asked to bring one dozen cookies and a "dollar" gift for exchange.

All adjourned to the Fellowship Hall, where the hostesses, Mrs. Johnnie Berry and Mrs. James Kornegay, served refreshments. The table decorations carried out the Thanksgiving theme.

100th Psalm To Be Read Thanksgiving

Familiar words from the 100th Psalm will be read November 24, at all Thanksgiving Churches of Christ, Scientists. "Make a joyful noise unto the Lord, all ye lands... Enter into his gates with thanksgiving, and into his courts with praise: be thankful unto him, and bless his name."

These services are a traditional annual worship occasion in branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts. Here in Avon Park services of Christian Science Society of Avon Park, located in the Avon Park Lakes area, will be held at 10 a.m., Thanksgiving Day morning. The service will include reading of the Thanksgiving Proclamation of the President of the United States and a Bible Lesson-Sermon on the subject of Thanksgiving. No collection will be taken. Everyone in the community is welcome to attend.

Among citations also read from the denominational textbook, Science and Health with Key to the Scriptures by Mary Baker Eddy will be the following: "To keep the commandments of our Master and follow his example, is our proper debt to him and the only worthy evidence of our gratitude for all that he has done. Outward worship is not of itself sufficient to express loyal and heartfelt gratitude, since he has said: 'If ye love me, keep my commandments.' Mr. H. Stanley Hart, First Reader and Mrs. Rachel Hart, Second Reader will conduct the service, which also includes testimonies of gratitude by church members.

Lakeland on "Disintegration of the American Family: Ways To Prevent It."

A prayer is intended to be a beautiful communion with the Almighty, but we sometimes turn it instead into a request for some material gain; often of doubtful benefit. To do so is to dishonor God by assuming that He is not already aware of your needs. So go to your Church this Sunday and pray for His guidance to help you become a better person. And, instead of attempting to give God information, just thank Him for what you already have and reaffirm your trust in His infinite wisdom in knowing what is really best for you.

Who rises from prayer a better man, his prayer is answered.

FHA HONORS

Paula Sheffield, left, state Future Homemakers of America vice-president of achievements and Avon Park

High School student, presents an award to Mrs. Dorothy Clark, Sebring High School FHA advisor for 22 years,

honoring her work. Miss Pauline Willoughby, Region IV consultant, is also shown.

500 Girls Attend FHA Meeting

The FHA-Hero District VII meeting was held last Thursday, Nov. 10, at the Sebring Agri-Civic Center. Sebring played host to almost 500 girls as they gathered together for this annual event to carry out the theme: To Know, To Care, To Do Home Economic Skills, Teenage Concerns, Family Involvement.

Registration of chapters held from 9:30-10:30 as the Sebring High School Band provided entertainment. The meeting began promptly at 10 with Paula Sheffield, State Vice President of Achievements, presiding over the meeting. Special guest speakers included Dr. Dan Davis and Jack Collins.

Candidates for District and State Office were presented along with the election of District Officers. The meeting closed with the installation of District Officers.

For the finale, all meeting participants proceeded outside to release the helium balloon upon which they had printed their message about FHA-Hero.

Looking over the program for District 8 Future Homemakers of America are, from left, Mrs. Theda Miracle, Avon Park High School FHA advisor, her daughter Margaret, 1976-77 treasurer,

Paula Sheffield, Avon Park High School student who is state FHA vice-president of achievements, and Mrs. Violet Moseley, Avon Park High School advisor.

Inmate Escapes While Working At APCI Nursery

George W. Turpin, 54, a black male, escaped from the Avon Park Correctional Institute, Thursday, Nov. 10. Turpin was a minimum security inmate and was working in the

correctional institute's garden nursery. The nursery provides work for 20 to 25 inmates and is located just outside the compound gates.

According to J. H. Fortner, Avon Park

Correctional Institute's Superintendent, Turpin posed no problem prior to his escape. He was serving a 15-year split sentence for attempted robbery, eight years confinement and seven probation. Turpin was sent to the correctional institute from Brevard County on May 21, 1976.

Police trailed the escapee through the woods outside the compound area. Tracks were picked up and dogs were sent out. The trails led to Horse Hammock, but was lost just past the hammock. Police wanted for the inmate all the way to the outskirts of Sebring, but were unable to locate either Turpin or his tracks. Authorities have been notified of the escape and although Turpin is not considered dangerous, precautions have been taken.

Construction Activity Up Despite Figures

Despite census figures that seem to indicate population in Highlands County has declined, Henry Eures, county building officer, said construction activity is "way above last year."

Estimated value of countywide construction this year through October is running about \$8 million to \$9 million above the total for the same period last year he said.

Building permits totaled 210 in October, compared to the 150 issued in the same month last year.

There were 54 single family house permits and six duplex permits issued in October. Estimated value of the new construction was set at \$1,943,587.

While October building figures are running above totals for last year, they

are down slightly from building activity totals for September. This type of monthly fluctuation is normal, Eures said.

The estimated value of this new construction was \$2,059,359. Mobile home permits issued in October totaled roughly the same as for October, 1976. There were 31 permits issued last month, while 32 were issued in October last year.

Estimated value of new mobile homes was \$273,681, which is up from the \$2,039,359 for the 30 permits issued in September.

The department issued a total of 109 certificates of occupancy in October, up from the 106 issued in September. The total issued in October, 1976, was 92.

Youth Ordered To Read Book On Criminal Law

A young offender charged with petit larceny and burglary was, at the Nov. 7 session of juvenile court, adjudicated a delinquent and committed to Children and Youth Services (CYS) for placement in a detention facility.

Another juvenile charged with burglary and petit larceny was ordered to read a booklet on criminal law, but final disposition of his case was deferred for seven months.

A youth facing two counts of uttering a

forged instrument was adjudicated a delinquent, placed on probation, ordered to attend group sessions, to read a criminal law booklet and to make restitution to the forgery victim.

Two delinquency cases—involving one driving while intoxicated charge and one trespass—were dismissed.

Two dependency cases were heard at the Nov. 7 session of court. Temporary custody was assigned in one case and in the other the child was declared dependent and custody given to CYS.

Seminar Set For Range

A seminar on personal affairs pertaining to active duty and retired military personnel and dependents will be conducted at 7 p.m. Tuesday, Nov. 29 at Avon Park AF Range. The seminar will be held in the headquarters conference room, building 236.

Representatives of MacDill Hospital and the Personal Affairs section will discuss a wide range of subjects

including medical care and assistance.

The presentation is for the purpose of assisting dependents of active duty and retired personnel to be aware of the programs available to them and to understand the procedures to follow in making application. The attendance this time will be considered in planning future such seminars.

Christmas Seal Goal Set At \$425,000

The 1977 Christmas Seal Campaign mustered considerable strength during the first two weeks of the annual drive reporting nearly \$170,000 already contributed toward the 1977 goal of \$425,000.

"The first several weeks of the campaign are strong ones," remarked Ray Taylor, managing director of the Gulf Coast Lung Association, "and this year our mail delivery started a few days earlier than expected."

The \$170,000 two-week total represents a 5 percent increase over the same period last year and at least 150,000 Christmas Seal letters have yet to reach area homes. Delivery is expected this week, Taylor added.

For the second time the Christmas Seal design was produced by children from kindergarten thru 3rd grade representing Christmas ideas from every state and territory. The Gulf Coast Lung Association serves 10 counties in West-Central Florida.

VANDALS STRIKE

Highlands County sheriff's deputies are investigating a complaint from Leland Schlehuber of Lake Brentwood Motel, Avon Park, that vandals damaged water pipes and broke windows out in a house under construction, which he owns at Avon Park Lakes.

Highlands Art Festival

Attracts 12,000 People

Fighting heavy competition from art shows at Buena Vista and Port Pierce, the Highlands Art Festival still attracted more exhibitors and viewers Saturday than in its 11-year history. Between 10,000-12,000 people attended the annual event sponsored by the Highlands Art League.

A Clearwater woman, Donna Knuckley, took Best of Show with a free-form tapestry. Other winners came from Melbourne, Port Pierce, Tampa, Port St. Lucie, Okeechobee, Satellite Beach, Vero Beach, Indian Harbor, Maitland, Gainesville, Lakeland, Margate, Palm Bay, Milwaukee, Wisc., Brooksville, Cocoa, Safety Harbor, Lake Worth, Ocala, Seminole, Valrico.

Joe Dean of Avon Park took first place in Category C, with a representational painting entitled "Today With Shadow." Dorothy Page of Sebring won an honorable mention with her sculpture of a rhino.

Awards for amateur art went to Ed Balbo of Sebring for a pencil sketch, Tom Spalding of Sebring for a sculpture, Alice Senter of Avon Park for an oil painting and Thomas Baddock of Sebring for his self art.

Student Art winners were: Peter Bajohr in the grades 1-3 category; in grades 4-6 Harry Havery took first, followed by Lynn Bayless, Jacquelyn Carlton and Chris Bajohr. In grades 7-9 Brenda Polston was the winner followed by Renita Roche, Teresa Haloyed and Glenn Brownell.

Grades 10-12, Elizabeth Vickers took first, Jill Ross second and Mark Gray third. Honorable mentions went to Ruth Ferrar, Carl Seigle and Frank Matire.

Booths winning awards for their "Country-Western Jamboree" theme were, in order, the Senior Woman's Club of Sebring, the Cowbells and the Jaycees. Attired in the best western costumes were Ronnie Waldron of the

Jaycees and Jackie Carlton of the Cowbells.

Pet Show winners were: Rachel Morrow with the best dog, Ruth Robideau with the best puppy and Molly Coogan with the best cat. Most unusual pet was a rabbit owned by Stacy Priest, best costumed pet belonged to Mike Howze and the best trick was performed by Todd Gele's pet.

In the cat-gory, Kathy Coogan's was most playful and Tina Osceola's had the longest hair. Going to the dogs, the most purebred belonged to Tracy Card and the best poodle claimed Kurt Butler as master.

Pet with the longest ears was Sharon Flippen's, longest tail, Jacqueline Carlton's shortest tail, Barbara Howard's and shortest ears, Robert Hatchcock's.

Nine purchase awards were chosen locally. Dr. Tony Chen of Sebring, took the Best of Show Tapestry. Other purchasers were Jim Blackman Ford, J. Richard Brown, Dr. Kye Pakk, Koch Oil Co., McCollum and Oberhausen law offices, First National Bank, all of Sebring, Sun's Lake Estates of Sebring and Lake Placid, Dr. and Mrs. J. D. Epstein of Avon Park.

This year's highly successful Art Festival was under the chairmanship of James and Mae Janovick. Committees were chaired by: Elsa Kahn, amateur art; Ione Vincent, entertainment; Col. Gus Stephan, facilities; Mary Kryska and Rose Grados, food; Dorothy Page, hostess; Mary Lou Buckley, information; Lillian Depp, judging; Elsie Fields, parade; Joan Howard, pet show; Verdelle Medlin, programs; Lillian Depp and Ted Farr, publicity; Rhoda Kost and Lovell Hill, purchase awards; President Juanita Raulerson, space assignment; Sue Penington, student art; Beulah Campbell, treasurer.

Club Presents Debo With Community Service Award

Avon Park Rotarians enjoyed the past week's meeting with a formal Ladies Night dinner and program at the Sebring Elks Club last Thursday night. All the ladies were beautiful in their formal wear with a corsage.

The head table was beautifully decorated with a large arrangement of yellow daisies and the entire hall was decorated with flowers and at each table. The front of the hall was lined with tall sheffers, Ficus benjamina and areca palms.

A total of 101 persons enjoyed the beautiful organ music by Milt Adler, while dining on a well prepared steak dinner with all the trimmings.

Club president Art Turner opened the evening program with an official welcome to all the ladies and vice-president Phil Weber recognized and honored the widows, who were present, of former Rotarians.

These ladies included: Mrs. Jane Betts, Mrs. Mary Coleman, Mrs. Mildred Head, Mrs. Dorothy Lanier, Mrs. Eunice Perry, Mrs. Anna Belle Worden and Mrs. Elizabeth (Garber) Zuk.

New members taken into the Rotary Club during the past

several months have brought the club membership to an all-time high of 67 members and included: Charles E. "Chad" Brainger, B. F. "Frank" Camp Jr., Royce K. "Kenny" Godwin Jr., W. Earl Jackson, Richard L. "Bill" Rider, Harold A. "Hal" Shuler Jr., Bill Gene Smith, (Major) Scott B. Stovin and John S. Teal.

Each Rotarian introduced his Rotary-Ann (Wife) and other guests at the meeting for everyone to become acquainted.

The highlight of the evening was the presentation of the yearly "Community Service Award" to Keith Debo in recognition of his work in the beautification of the Mall with beautiful blooming flowers by seasons. He was honored, for his consistent efforts to help keep Avon Park beautiful, with a perpetual motion clock under glass, properly inscribed.

Debo received a standing ovation following his acceptance and thank you remarks.

Heading the Ladies Night committee was Ed Bailey, chairman assisted by Bill Britt and David Lanier. These three members recognized during the program for a job well done and for a fine evening.

FOR CONSISTENT work in keeping the Mall beautiful with seasonal blooming flowers, Keith Debo was presented a perpetual motion clock during the Avon Park Rotary Club Ladies Night program at the Sebring Elks Club.

Rise In Local Population Reflecting In EMS Reports

The approaching winter season and its attendant rise in area population is reflected in more business for Highlands County Emergency Medical Service (EMS).

Reports recently presented to county commissioners show there has been an increase in the number of runs EMS teams made in October compared to the totals of September.

H. Wayne Harris, EMS coordinator, said it is hard to predict in any given month what the number of runs will be, but there is generally an increase in EMS runs in October, due to the influx of winter residents.

The total number of emergency runs

made in October was 123, while in September there were 102 runs. Total number of patients transported in October was 216, while in September there were 187.

In making the various runs and in-county transfers of patients, EMS teams drove a total of 8,837 miles in October and 7,510 miles in September.

Average response time in answer to calls in October was 5.5 minutes, while in September the average time was 4.7 minutes.

Harris explained the increase was due to the longer runs made in answering emergency calls in October compared to distances covered in September.

Avon Mobile Home Park News

With the majority of our winter friends now moved to their "Home away from Home" the usual activities of our various groups will be starting soon. A warm welcome was extended to the ladies at the first meeting of the Womens Club on Friday, Nov. 11, 1977 at 1:30 p.m. in the Recreation Hall.

Mrs. Margaret Belcher, President, called the meeting to order and gave a reading. The Pledge to the Flag was given and one verse of America The Beautiful was sung. There were 29 Ladies attended this planning session, where the Thanksgiving Dinner was discussed and planned, as well as other business. Next meeting, Fifth Avenue ladies will have the Program. Refreshments and clean up.

Farm City

Week

Nov. 18-24

Basic economic education in all strata of American Society is needed if economic progress is to continue. That's why the Highlands County CowBelles are participating in the Farm-City Week, Nov. 18-24.

According to Sarah Childs, CowBelles Farm-City Week Chairman, the Highlands County CowBelles will join in the national event with women of the American National CowBelles, the women's auxiliary of the National Cattlemen's Association. Coordinating organization for the annual observance, which began twenty-three years ago, is Kiwanis International.

"This year's theme for Farm-City Week is 'Partners in Economic Progress,'" Childs said. "The theme was developed after a survey by the United States Chamber of Commerce revealed an urgent need for basic economic understanding in America. The survey found, for example, that value conflicts among young people combine an adherence of 'money grubbing, on the one hand with a desire for good salaries on the other. It appears from this survey and other indicators that understanding of the economic system is fragmentary, at best."

One of the economic concepts most misunderstood about the agricultural sector of our economy is that farming and ranching is not a margin-added business where margins are added to costs of materials, like conventional manufacturing and merchandising businesses.

"The prices we receive for our cattle," said Childs, "are determined strictly by supply and demand at the time of sale. That's why live cattle prices have fluctuated so much over the past years."

We are currently nearing the end of a cyclical over-supply situation in which the numbers of basic producing cows have been too large for demand to hold prices at profitable levels. It has taken us several years to reverse the build up pattern in cow numbers. Because of the nature of our product and the large number of cattlemen, each making independent decisions, we are not able to stop production one day, place our product on the shelf and resume production when the price improves," added Childs. "It is our hope," said Sarah, "that Farm-City Week will help develop a basic understanding among all people of the roles of land, labor and capital in the scheme of things. We need each other. We clothe and feed each other."

Cattlemen from all across the nation will participate in Farm-City Week activities.

HOSES HEISTED
Hoses valued at \$20 were taken from a boat in Brentwood Lake owned by William H. Good of Avon Park. Highlands County sheriff's deputies investigating continues.

reading." Their First Harvest". A delicious pineapple and pudding cake was served with tea or coffee with DooBads for zest. Shouts and men's laughter outside was a pleasant background for it all, and proved the husbands are also having "fun".

Visitors at Mr. and Mrs. Ralph Heit's home this week were Mr. and Mrs. Boyd

Henderson of Rochester, Indiana, who are now residing at the Brentwood Mobile home park. Mrs. Welcome Miller also enjoyed a visit from Max and Betty Whittaker from Mishawaka, Indiana, Thursday afternoon.

We are pleased to have Joseph and Susie Bacon from Townsend, Wisconsin as permanent residents in our Avon Park Community, and

neighbors in our Mobile Home Park. They were accompanied by their niece, Mrs. Russell (Dolores) Knaack of Milwaukee, Wisconsin, who will spend Thanksgiving with them, and plans some sightseeing of Florida.

To meet your neighbors and get acquainted, COME ONE, COME ALL at 9 a.m. to the Recreation Hall. There is coffee and doughnuts for those

who desire it, and plenty of conversation and sometimes unexpected visitors. We miss you if you stay home!

MONDAY IS THE DAY! Monday evening Pinochle at 7 p.m., Bingo on Wednesday-7 p.m. THURSDAY is Game night at 7 p.m.

Bonnie Brae Mobile Park News

By Margie Wells

There was a full house at coffee hour last week and a lot of fun was had by everyone. Hostesses were Ellen Reichenbaugh and Ruth Smith. All winter residents who have returned were recognized. Helen and Al Toper, who are spending the winter at Bonnie Brae in their travel trailer, were introduced. Plans were

made for a Thanksgiving dinner and Argus Sheridan was voted to be Chairman of this event. It was also announced that Bingo would be starting on November 10th and would be held every Monday and Thursday night at 7 p.m. in the rec hall.

More of our residents arrived this week. Those returning were: Varina and Joe Asher,

Agnes and Charles Davies and the Charles Palmers. Also, Mr. and Mrs. Carey, who were with us last year in their travel trailer, arrived on Saturday. Ellen McGonagle of Orange Harbor Mobile Estates in Fort Myers was an overnight guest of Rozzie and Lester Parkhurst last week. Ellen is a former resident of Bonnie Brae. We are glad to report that

Ella Drake and Lou Potter are home after a stay in the hospital. We hope they will continue to improve and will stay in good health. Mrs. Mary Male of Lake Regions Mobile Park, Haines City, visited with Thelma Miller on Wednesday. Mrs. Pearl Castine of Avon Park Lakes joined them and they all enjoyed lunch at the Ranch

House Buffetaria. Dorothy and Karl Hart are happy that Karl's sister, Bernice and her husband, Lehr Wilder, and their son had a safe journey from Indiana to their Avon Park home where they will spend the winter. They arrived Friday afternoon, November 11th. They said it was nicer in Indiana when they left on

Thursday morning than it was here in Florida. Our cool weather really surprised them! Leaving their Michigan home on November 4th, Lorene and Douglas Campbell traveled to Fort Branch and Evansville, Indiana, where they visited relatives for a few days, and arrived at their

Bonnie Brae home on Wednesday afternoon. Jane Rabideau's daughter, Shirley J. Rabideau, has announced her engagement to Robert E. Taft, son of Mr. and Mrs. Lee Taft of Avon Park, originally from Hampden, Massachusetts. The date of the wedding has been set for January 27th. Shirley is employed at the Hillcrest

Nursing Home as a Nurse's Aide, and Robert is employed at the Wellcraft Marine Company as a carpenter. We wish this couple lots of happiness. Leonard Harsh of Fort Myers was an overnight guest of his sister and brother-in-law, Margie and P. D. Wells, on Friday night. They all enjoyed a round of golf at River Greens Golf Course on Saturday.

The Karl Harts and the Ed Edwards enjoyed eating at Duff's Smorgasbord in Winter Haven last Friday. Dorothy said, "The ice cream was so good even though it was cool weather outside. Soft ice cream is yum-yum, especially at Duff's!" Thelma Miller visited Mrs. Fran Leja at Sebring on Saturday. They both attended the Arts Festival that was held in Sebring on that day.

Ellen Hunt attended the United Methodist Women's Assembly which was held in Lakeland last Saturday and Sunday.

Verda Miller is the envy of all of us since she purchased her new Mercury Comet. It certainly is nice. Verda, and has given us the "new car fever!"

Don't forget to sign up in the laundry room for our Thanksgiving dinner which will be held on Thanksgiving Day at 12:30 in the recreation hall and anyone who can assist in the preparation, please contact Argus Sheridan.

Health Department Holds Meet

Joan Endicott, nursing supervisor of the Highlands County Health Department, called an organizational meeting for the Highlands County annual Health Fair Wednesday morning at the Agri-Civic Center. The following organizations will again be participating:

The Kiwanis will be screening for hypertension; Walker Memorial will screen for diabetes; the American Cancer Society will be doing pap smears for the early detection of cervical cancer and the Lions Club will be screening for glaucoma.

Heart disease and cancer are the leading causes of death in Highlands County, as well as Florida in the nation. These diseases if detected early enough can be controlled. Diabetes also ranks high in Highlands County as a contributing factor leading to death. This disease entity can also be easily treated if detected early.

The American Cancer Society in the past has had only one van for doing pap smears. The demand has been so great for this service that two vans will be at the fair Thursday, Dec. 1 from 9 a.m. to 5 p.m. in the Agri-Civic Center. The services are free to the public.

There will also be a number of health information booths including instruction in breast self examination, the Highlands-Hardee Alcoholism Program, the Gulf Coast Lung Association and Services Over Sixty.

Tri-County Teachers To Meet Nov. 17

The Tri-County Teacher Education Center's monthly meeting will be held on Nov. 17, 1977, beginning at 9 a.m. in the Board Room of the Highlands County Administrative Building, 426 School Street, Sebring, Fla.

Guests include Rick Fallon, Fine Arts Council of Highlands and Wilda Pace Sims, Communications - Media Specialist, Breward Inservice Teaching Center.
