BRUCE O'NEAL, Arlington Heights, Ill., and Bill Smith, Avon Park, agreed that the sidewalk sale is a good idea. Sunphoto by Lew Miller.

## Merchants Ready For Big Sidewalk Sale

Not to be outdone by their members, the Avon Park Chamber of Commerce, in business since October 1939, will have the "History of Avon Park" for sale at a reduced price during the town's first sidewalk sale.

When visiting in Avon Park, Bruce O'Neal of Arlington Heights, Ill., liked what he saw in Avon Park and purchased property here in 1972. On a visit to the chamber office this week he expressed interest in the blocks of bargains to be featured in the first sidewalk sales days

in the history of the city. Added attractions these big days will be the refreshment stand to be operated by the Junior Woman's Club in the bandstand mall, with live music. All Saturday afternoon furnished by A. P. C. I. Music Makers. Approximately 30 merchants offering sidewalk bargains have been sorting and pricing for the past three weeks. These sales will be up and down the entire mall, plus South Lake Avenue merchants and extending south on Highway 27.

## Height Restrictions Approved By County

Highlands County Commissioners have approved height restrictions on buildings in the areas of Sebring Airport and Avon Park Municipal Airport to prevent construction of objects that could interfere with airport safety.

The limitations were unanimously approved at Tuesday's regular session and were based on guidelines established by the Florida Department of Transportation.

A complex formula is used to determine a building's maximum height based on its location to airport approaches. There are no tall buildings or towers now located near the airports and the restrictions are to be used to prevent construction of buildings that could cause safety problems, Commissioner C. J. "Buddy" Wise said.

No citizens spoke at the public hearings held Tuesday morning regarding the two airport zoning measures.

A second zoning request approved by the board involving a beverage license from Arthur Bierzonski for Triangle Package Store, 3277 US 27 South, across from Southgate Shopping Center. There are no plans to serve on the premises at this time. The approval was sought to permit the store to have wine tasting by customers.

A resolution outlining the chain of command in the county's government in the event of a nuclear war was approved with a 4 to 1 vote. Commissioner Robert Skipper voted against the measure saying the board needed more time to study the plan.

The measure is similar to guidelines already established to provide government during wartime conditions. Under the plan, the commission chairman would be the chief governmental agent in the county to direct emergency efforts.

Highlands County, which is not considered to be a high risk county in a nuclear war, would act as a host county for the Miami and Dade County areas. Two variances in subdivision

## Unemployment Scandal Affects Claims Office

Waves of public distrust generated by the scandal in the Winter Haven unemployment office are rippling through Highlands County and complicating settlement of delinquent claims.

Friedmann Green, director of the Avon Park office of the United Farm Workers (UFW), says there is "absolutely no evidence" that the accusations and investigations at Winter Haven have any bearing at all on delays in claim payments in this county. The Winter Haven office until three weeks ago was the regional office for this area and workers who have been waiting 10 to 14 weeks for payments suspect their checks have been stolen, Green explains.

The delay in unemployment pay is not unusual and the result of some longstanding problems within the farm worker system. One of the greatest problems, Green says, is the tradition of "pay in cash" followed by many crew leaders. "Coca-Cola and some of the other companies have excellent records," Green explained. "They pay by check and make reports. Many crew leaders pay in cash, keep no records, make no reports."

This system makes it difficult to determine how much money a worker actually made — a figure vital to computing how large his unemployment check should be. There have been changes made in the law providing a new way to compute farm workers' eligibility for unemployment compensation.

The new law became effective June 1. In theory it makes it easier for unemployed farm workers to collect unemployment benefits. Some workers received one or two checks; many have received none although they have been unemployed since the end of the citrus harvest last spring. Even among Coca-Cola employees there have been hitches; 30 to 35 of them are among the workers with unpaid claims and among the unorganized workers there are many more, Green says.

Frustration reached the level that a demonstration at the Sebring office was planned for Oct. 3. Over the weekend those plans were suspended and Green said UFW is working with the workers on an individual basis to try to resolve the problem.

Scandals within the system are adding suspicion to frustration and producing new levels of bitterness, the union leader reports.

held the hospital is not responsible for each decision made by a physician practicing in the hospital.

The Dewell order brought to an end a malpractice suit instituted by Joe Prescott Jr. and Evelyn Prescott of Avon

Park, naming the hospital and Dr. J. T. Kim of Sebring as co-defendants.

Prescott, a 44-year-old painter, had asked \$1 million damages alleging he had suffered a long illness and hospitalization as a result of complications arising from

a discogram performed by Dr. Kim in February 1975. The suit went to trial in May but late on the fourth day a mistrial was declared.

Judge Tim Strickland ruled that testimony given by a witness was highly prejudicial. The case was re-scheduled for a September trial. Late in the summer Dr. Kim and the insurance company representing him reached an out-of-court settlement.

The Prescotts and Walker Memorial officials agreed the hospital portion of the suit could be presented to the court for decision without a jury. Judge John H. Dewell, who had been assigned to the September trial, studied transcripts and depositions and dismissed the claims against Walker Memorial.

Specifically, the judge ruled that it had been the physician's decision to work without the presence of a nurse, to select the ways in which he would conduct the test. Also, the judge wrote, the suit's contention that the hospital should have warned the patient about possible dangers involved in a discogram — the injecting of dyes and taking X-rays of the back — was an inappropriate idea, since, it suggests an invasion of the patient-physician relationship.

USING A SCHIOTZ tonometer, with a five gram plunger, Dr. Ronald Sevigny will take only one to two seconds to obtain a reading of eyeball pressure in a test for

glaucoma at the Lions Clubhouse Friday afternoon. With one eye closed, Deborah Ann Starks appears to be watching the instrument. Sunphoto by Lew Miller.

## Investigation Continuing In Youth's Local Death

Florida Highway Patrolmen yesterday were investigating the circumstances that led an Avon Park youth to climb or jump out the window of a stopped vehicle on SR 64A late Monday night, resulting in his death.

Trooper J. E. Benton, homicide investigator, said it is not known why Steven Douglas Day, 17, was trying to get out of the car. William Albert Carlton Jr., 16, of Wauchula was driving the car that hit Day.

Trooper G. E. Littleford's accident report said Day's vehicle was stopped in the westbound lane of the highway about two miles west of Wauchula.

## 56 Single Family Units Started

The Avon Park Building Department issued in the fiscal year starting Oct. 1, 1976 and ending Sept. 30, 1977, 56 single family unit permits at an estimated cost of \$1,238,198 and 13 multifamily units at an estimated cost of \$686,500. There was a total of 320 building permits issued.

## Free Glaucoma Clinic

It will only take a minute, and won't hurt a bit, when Dr. Ronald Sevigny checks your eyes for glaucoma this Friday afternoon, at the Lions Clubhouse on West Bell Street. The time is 3 to 7 p.m., so come and have your eyes

checked free of charge. Glaucoma is a very serious disease of the eyes that can, if neglected, become very painful and even end in blindness. Remember there is no charge for this service.

## Three Incumbent City Officials Qualify

### Marshall Davis

Following the filing of his qualifying papers for the city election on Dec. 6, Mayor Marshall Davis stated that in seeking to be reelected Mayor of Avon Park he would continue to support any action of the city council that is for the improvement of Avon Park.

The mayor said he would like to continue the beautification of Avon Park by taking all measures for the safety of its citizens.

If reelected as mayor he would continue to work for the strengthening of the Avon Park Police Department and work with the council in any moves for the betterment of Avon Park.

### Robert Britt

In filing his papers to qualify for the city election on Tuesday, Dec. 6, city council president Robert Britt, in running for reelection to the Avon Park City Council made the following statement: that he would continue to work for all of the people of Avon Park as he had done in the past.

He would particularly like to work to help the elderly people and the handicapped, he stated, by securing rails and ramps to entrances in all public buildings in Avon Park.

He pledged to continue to improve recreation facilities by building more tennis courts and other playgrounds areas and by securing more public grounds for recreational purposes.

### Milton Howard

Qualifying for the Dec. 6, 1977 city election, Milton C. Howard gave the following statement in seeking re-

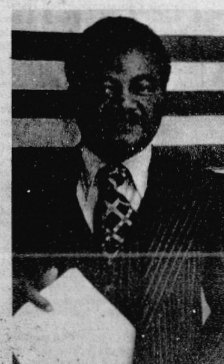

MAYOR MARSHALL DAVIS paused with his qualifying papers last Monday as he gets ready to run for re-election in the Dec. 6 city election.

Sunphoto by Lew Miller.

election to the Avon Park City Council.

Filing his qualifying papers Monday, Oct. 3, Howard stated that he wished to seek re-election to the Avon Park City Council at the city election, Tuesday,

CITY COUNCIL PRESIDENT Robert Britt held some of his papers as he qualified last Monday to run for re-election to the city council in the city election on Dec. 6.

Dec. 6, 1977.

During his terms of office as councilman, Howard said Avon Park has moved forward rapidly with improvements that all can be proud of.

COUNCILMAN MILTON HOWARD fills out one of the many forms as he qualified last Monday for the city election on Dec. 6.

such as: the new sewer plant and new water system, ball park complex, new tennis courts, new library, recreation center, streets are 99 percent paved, new sidewalks, full force Police and Fire Departments, plus a new fire station to be built soon at no cost to the city taxpayers.

The present city council has been able to hold down city taxes, while garbage collection and sewer rates are lower than any other city in this area.

Howard stated he has been a resident of Avon Park for 27 years. He is married to Bessie Jewel Campbell. They have seven children, all of whom have graduated from Avon Park High School. Howard has been employed by the Seaboard Coastline Railroad for 35 years. He is a member of the Florida Ave. Baptist Church, is a Mason and belongs to the Odd Fellow Lodge and is a member of the Avon Park High School Athletic Boosters Association.

"If you the people of Avon Park will re-elect me as city councilman," Howard stated, "I will continue to work for better things for our beautiful city of Avon Park."

## Post Office Will Close Monday

The Avon Park Post Office will be closed on Monday, Oct. 10, in observing Columbus Day, a legal holiday. City Hall, Avon Citrus Bank and Highlands County Bank will be open for business, with their normal working schedule.

2A The Avon Park Sun, Oct. 6, 1977

## Decide Now To Vote

Duty, obligation, privilege or sacred right, all at one time or another have been used to persuade or lambast citizens to go to the polls on election day and vote for the candidate of their choice.

With the city election coming on Tuesday Dec. 6—maybe its a one step at a time proposition—the first step being the decision to vote. (As all candidates will urge folks to vote for them, that is.)

This country's founding fathers actually made it easy to vote, for people living in this time, with a 12 hour voting day from 7 a.m. to 7 p.m. So an eight hour work day, meals, TV's pro-football games and other things shouldn't necessarily interfere with the voting privilege or duty.

But if one hasn't registered to vote, after living in Avon Park for over a year, this may be a bit more difficult step, as city hall is only open from 8 a.m. to 5 p.m. Monday through Friday. However, one can still register up to 45 days before the city election making Saturday, Oct. 22 the last day to register.

City Hall won't be open on Saturday, but the supervisor of elections office at the courthouse in Sebring will be open. So where there is a will, there is a way to register to vote.

It's been said that if you don't vote, you shouldn't complain, but perhaps some people don't vote so they can complain about the people they didn't help elect. Hm-m, wonder which it is?

## Unemployment Compensation

Beginning Jan. 1, 1978, many employers of household and domestic employees will be included with Florida's Unemployment Compensation program and will be required to pay unemployment taxes for the first time.

According to officials of the Bureau of Unemployment Compensation, employers who pay cash remuneration of \$1,000 or more in a calendar quarter of 1977 for domestic services in a private home, local college club of college fraternity or sorority will be liable for unemployment tax.

All domestic employees determined to be liable for the payment of this tax will be asked to submit quarterly wage reports for the fourth quarter of 1977 and the first, second, and third quarters of 1978.

The information necessary for the completion of these wage reports include employee names, social security numbers, total wages paid, and the number of weeks employees worked in each quarter. This information will be

required to be completed and mailed to Tallahassee within 30 days after notification of liability.

No taxes will be due on these reports. They will be used to determine the eligibility of claims filed by employees during the first quarter of 1978. Eligible claims used on these reports will be paid from federal funds and will not be charged back to the employer.

These liable employers will also be requested to file a fourth quarter wage report during January of 1978. Again, no tax will be due. The first tax will be levied against wages paid to employees on Jan. 1, 1978. These wages will be listed on the quarterly report for the first quarter, 1978 to be filed and the taxes paid during the month of April, 1978. The tax rate will be 2.7 percent (.270) of the first \$6,000 paid to each employee per calendar year.

Anyone desiring additional information about the new requirements should contact their local unemployment compensation tax office.

## National School Lunch Week

"Eat to Learn... Learn to Eat," the new five-year theme for National School Lunch Week, will be introduced to the public for the first time Oct. 9-15.

The theme is designed to focus attention on the importance of good nutrition and to increase awareness among students, parents, and the general public about the benefits of a proper diet, said Zoretta Blanding, Food Service Coordinator for Highlands County schools. A well-nourished student performs better than a poorly-nourished one. Proper diet is one of the few proven influences that improve a child's school performance, Mrs. Blanding added.

Highlighting National School Lunch Week this year is Universal Menu Day, Oct. 12. On this day, the 26.5 million students all over the country who eat lunch at school will be enjoying the same meal, featuring Lasagna de Vint. Other components of the universal menu include Coleslaw, broccoli salad with Italian dressing, Gondola garlic bread, Sunny Italian fruit surprise, and Mama Mia milk. All menu items are part of an American School Food Service Association and United States Department of Agriculture (USDA) jointly sponsored multicultural menu series, to be presented throughout the 1977-78 school year.

Mrs. Blanding has a variety of materials including posters, balloons, pencils and calendars to help promote the nutrition education message of National School Lunch Week.

The importance of nutrition education in this country is underscored by the fact that six of the 10 leading causes of death are related to poor nutrition habits. The U. S. Senate Select Committee on Nutrition and Human Needs has advised the American public to change its eating habits by reducing the amounts of saturated fat, refined sugar, and salt eaten and increasing intake of carbohydrates.

American School Food Service Association believes there's no better

place to begin effecting change in dietary habits than with school children. Schools participating in the National School Lunch Program are required to serve the Type A lunch, which provides one-third the recommended daily dietary allowances (R.D.A.) for children according to age group. Type A lunches include a meat or meat alternate, fruit and or vegetables, bread or bread alternate, and milk.

The National School Lunch Program, begun in 1946, is administered by USDA. About 91,000 schools in the country participate. This figure represents approximately 95 percent of all schools in the nation. American School Food Service Association includes 65,000 foodservice personnel working in nonprofit child nutrition programs.

National School Lunch Week has been observed annually since President John F. Kennedy made the first proclamation in 1962.

Next Monday the mayors of Sebring, Lake Placid and Avon Park have been invited by Mrs. Blanding to eat lunch at their respective high schools, along with proclaiming National School Lunch Week.

## Space Program Gets \$4 Billion

Congress finally agreed to appropriate \$4.017-billion to the National Aeronautics and Space Administration (NASA) in fiscal year 1978. This figure was included in House-Senate conference committee report on a \$69.37-billion appropriations bill for the Department of Housing and Urban Development, the Veterans Administration, and other independent agencies.

The bill, H. R. 7554, appropriates \$20.7 million for the Jupiter Orbiter Probe.

## Present Gun Control Laws - No Effect On Crime

The results of a 15 question survey called the Crime Control Research Project conducted by the American Law Enforcement Officers Association and the Second Amendment Foundation have resulted in startling opinions. As an example, 90 percent of all lawmen surveyed indicated the current gun control legislation in effect has NO effect on crime in their area. Two-thirds of these officers felt that if there was national firearms registration, it would have NO EFFECT on crime.

The survey was conducted by GMA Research Corporation to measure the attitudes of Police Chiefs, Sheriffs, and the rank and file police officers throughout the nation, regarding current and proposed gun control laws and to obtain first hand knowledge of "working officers" who deal day to day in gun related problems. The questionnaire was mailed to 14,000 Chiefs of Police, 3,000 County Sheriffs and 17,000 police officers of rank in a national poll.

While only 41 percent of the officers surveyed felt that the use of a handgun in the protection of a citizen's home was somewhat effective. The officers indicated that if they were ordinary citizens, 96 percent would keep a firearm for the protection of home and property. Ninety-five percent of the officers responding to the poll indicated that if national laws were passed prohibiting importation, sale, purchase, transfer or possession by the general American Public, organized crime would continue to make such weapons available to the common criminal.

Eighty-three percent of the lawmen stated that the criminals would benefit most from the banning of handguns. Two-thirds of the officers indicated that the registration of firearms would not significantly help in the solution of crimes while 64 percent of the officers

felt armed citizens served as a deterrent to crime.

The complete survey is in excess of two hundred pages, detailing the survey into age groups, geographic locations, population areas. It confirms earlier surveys taken by Police Times magazine of its readers on the subject of firearms control.

In another survey taken some years ago the magazine Police Times sought a response of police officers about the need to reimpose the death penalty and 99.4 percent of the officers favored the execution of any person who killed an officer or guard at any prison. Also for other crimes where the victims were murdered in cold blood.

Chief of Police Robert Ferguson, National President of the American Law Enforcement Officers Association stated: "It has been the general experience of most investigators that most murders are committed by a friend or relative under some form of stress. In such cases they use whatever tool is available, gun, knife, hammer, axe, or almost any item you can name."

"When the Courts, for more than ten years, allowed no execution we saw and recorded an increase in line of duty deaths of lawmen, other crimes increased. I logically conclude that with the return of capital punishment and the return to prison for long terms, of men and women, who refuse to be reformed and whose records of violence against society is well documented, then and only then will we have an effective crime prevention program for our nation."

"This answer is now in the hands of elected officials on all levels and with prosecutors and judges. The vast majority of Americans want these criminals plucked from the mainstream of society they prey upon and put safely in prison."

## Gunter Denies Auto Insurance Increase

Insurance Commissioner Bill Gunter today denied a 43 percent, \$120 million increase in private passenger automobile insurance rates proposed by the state's Joint Underwriting Association.

Gunter said there was a "total failure by the JUA to justify the increase request."

"We've examined this request more closely than any ever before filed by the JUA," the Commissioner said, "and we found it sorely lacking on a number of vital points."

No evidence was offered in the rate filing or in the subsequent public hearing which justified 14 percent of premiums collected being paid to companies administering the JUA program for claims service.

No consideration was given in the JUA rate structure to investment income, as required by law.

No justification was offered for \$1.8 million in premiums which were written off as "uncollectable," and therefore as losses.

The JUA failed to justify the payment of eight percent of the written premium to participating companies for "operating expenses."

Gunter also noted that "neither the filing nor testimony or other evidence received at the hearing demonstrates that any consideration was given to the difference in general expenses per

policy when considering the wide variation in rates by class, surcharge and territory."

Gunter cited similar reasons in denying a companion request for a 25.3 percent increase in commercial liability rates.

"The first thing we did in the case of these increase requests was to order a full public hearing, the first ever held on a JUA increase," Gunter said. "That hearing did a great deal to expose the inadequacy of the JUA's justification for what it asked."

The JUA increases denied by Gunter would have meant an increase of more than \$120 million in rates charged for insuring more than 600,000 vehicles insured through the JUA.

"I am especially concerned with the JUA's rates and growth," Gunter said, "because while it was intended to be an insurance of last resort for high risk drivers, market conditions are forcing more and more good drivers into the pool."

"Evidence developed in our examination of these rate filings indicates that half the drivers in the JUA were forced there in spite of not having had a ticket or an accident in the preceding three years," he said.

## Things Out My Way

ALICE SMITH

"They," say (and one must pay attention when "They" speaks) that many and varied experiences are necessary for the development of a well-rounded personality.

I have striven toward this goal for many years. Everytime an opportunity comes along to smooth off a square corner of the old personality, I seize it with gusto.

Last week-end, by special invitation, I journeyed up to Jacksonville, slept two nights on a handsome cabin cruiser named "Miss Agnes" and cruised up and down the St. Johns River. In the process I acquired a certain amount of knowledge and a tolerant and sympathetic attitude toward the boating fraternity, which has more members than I'd ever imagined.

The St. Johns River is beautiful, black and salt water. It's deep enough for ocean-going ships, thirty feet even in the marina, and the Atlantic tide comes in and out.

The marina—a great, white roof on concrete pillars—awed and amazed me. By counting rows of electric meters, I found there were slightly under 200 boats, each moored in its neat little slip. They were all sizes and designs, mostly white with flashes of color with names ranging from Climax to Medication.

Two of the largest and best-looking boats bore orange signs announcing that said vessel had been impounded by the

federal government; caught running drugs was the whisper. It's said, the feds, if you're caught, take you off in your shorts and bare feet and everything must be left behind, even a sad and lonely can of coke sitting on a cabinet. (I peered through an open inch of curtain.)

The "Miss Agnes" is a venerable Chris Craft, 43 feet long. She has a comfortable main cabin and saloon, sleeping quarters for four, (six if you're related), three steps up to a tidy bridge where all the action is, and a flying bridge for dedicated sunbathers.

We spent a fair share of a day cruising toward the Atlantic and back again. We passed the city of Jacksonville, huge tankers, cruise ships, and under low bridges which swung up to let us through. Three toots on the ship's horn told us we stopped traffic for some little distance. A fine feeling, indeed.

Dear "Miss Agnes" is costing her young owners every penny they can scrape together, plus all the hours of labor needed to keep her in shape. Example—\$20 worth of fuel will take her about ten miles out and back and \$80 a month pays for her berth in the marina.

But they love her. Their two sons love her; the ten year old takes the wheel with great aplomb. They hope, some day, to live on her.

"Miss Agnes" has the whole family involved and that's a fair investment.

## Bafalis And Canal Zone

U. S. Rep., L. A. "Skip" Bafalis, determined to express the opposition of Florida's 10th Congressional District to the proposed Panama Canal treaty, announced today he will be going to court to give the House of Representatives its rightful voice in the treaty.

"Article Four, Section three, Clause two of the U. S. Constitution specifically gives the House and the Senate roles to play when dispensing of government property," said Bafalis. "And that's what this treaty does. It goes beyond a mere defense or trade agreement, far beyond."

However, the 10th District Republican said, President Carter refuses to acknowledge the House's constitutional role in this treaty. "For that reason, I have joined in a suit against the President seeking a declaratory judgment that the treaties must be submitted to the House as well as the Senate for approval."

Approval of the treaty with Panama may be iffy in the Senate, but most observers agree the treaty would be

doomed to failure if brought before the House.

In announcing his action, Bafalis said he could do no less since settling the treaty without a House vote would leave his constituents without an effective means of voicing their displeasure at the prospects of giving up the canal zone.

And, Bafalis said, there is no doubt about the displeasure of the 10th District. In the latest 10th District questionnaire, tabulated just a few weeks ago, 87.9 percent of the 52,000 responses were opposed to the canal treaty. Only slightly more than 5,000 approved.

The dismay of constituents is even more one-sided in the mail count, the Congressman said. Although hundreds upon hundreds of letters have poured into his Washington office in opposition to the treaty, only two have been received in support of it.

"The people of Florida just don't see any reason for the U. S. to give away something as important as the canal. And I intend to do everything I can to see that their wishes are respected."

## Social Security Answering Service

The Social Security answering service is moving to a new location on October 11. New and more sophisticated equipment is being installed that should improve telephone service to the more than 60,000 persons who call each month.

We are asking those who can, to postpone their calling until October 17 when the new equipment will be fully operational. This should give us time to take care of any unforeseen problems and still provide full service to those who cannot postpone calling or who have urgent business and shouldn't postpone calling.

The new equipment should eliminate many of the bottlenecks we had with the

old equipment. Calls will be dispatched to an available representative in seconds. When all representatives are busy, calls will be automatically held in the order in which they come in and sent out as quickly as possible to the first representative available. We will also be able to automatically transfer a Spanish speaking caller to one of our many bilingual representatives.

The move to new quarters and the new equipment should help us to provide better service to all the people in this area and, especially, to the 50,000 callers each month.

## Community Activities Calendar

**Sweet Adelines**  
You'll start humming along when you see the bargains offered by the 30 women in the Sweet Adelines, Heart of Highlands Chapter, at their yard sale on Saturday, October 15 at 210 E. Canfield Ave., Avon Park.

On Thursday, October 6, the Sweet Adelines will share their singing talents with the residents of Hillcrest Nursing Home, Avon Park and Cottrell Nursing Home, Sebring. This program is offered as part of their community services.

The Sweet Adelines meet every Thursday at 7:30 p.m. at the United Methodist Church, Avon Park.

**Hibiscus Garden Club**  
The Hibiscus Circle of the garden club will meet at 8:30 a.m. on Thursday, October 13 in Wayside Park. Prior to the general business meeting, breakfast will be served. Club members are asked to bring flowering trees to beautify the landscape of this park as well as plants and cuttings for a Silent Auction.

The Hibiscus Garden Club will hold a food sale on Friday and Saturday, October 7 and 8 on the Mall, beginning at 10 a.m. There will be delicious sandwiches, cookies and cold drinks to serve your needs.

**AARP**  
Carl P. Arant, Jr., Highlands County Commissioner will be the guest speaker at the October 12 AARP meeting at Grayce's No. 2 Mobile Park Meeting Hall at 1 p.m.

Mr. Arant will discuss what Highlands County is doing for its senior citizens as well as answer your questions. All senior citizens are cordially invited to attend.

Avon Park Grange  
Avon Park Grange No. 203 met in regular session, September 26 at the Avon Park

**Woman's Club House.**  
Members were pleased to hear that Brother Elmer Fullmer should be released by press time from the hospital, but sorry to hear that Brother Ralph Sanderson is in the hospital.

Harder's Grange member, Brother Barney Rees, who is well known locally, is in the hospital here.

The lecturer presented a short program since she just returned from vacation.

The next meeting will be October 11.

Warm wishes to the following persons celebrating their birthdays this week:

October 6 — Danny Wood, Lorris Yarbrough, Norma Owens, Grace Romilly, Nancy Thomas.

October 7 — Janice Murphy, Barbara Miller Rice, Pat Carter, Stacie Pollard.

October 8 — Irene Roy, E. Ethel Kime, Rhonda Paul, Thom Johnson, Sharon Hadnott, Joanie Johnston, Helen Ehrke.

October 9 — Ben Hansel.

October 10 — Cleone Anderson, Sara Harrison, Louise Story, Bessie Paxton, Helen Smalling, Sharon Elizabeth Loner.

October 11 — H. C. Hemphill, Kathy Collingsworth.

October 12 — Lark Adams, Myra Mills, Lisbeth Wheelahan, Viola Hopson, Mrs. J. V. Sizemore, O. C. Stephens III, P. T. Carlisle, Timetta Robinson, Lisa Heather Thompson.

MRS. IRENE ENGLISH had quite a reason to celebrate when four generations of the English family gathered at her home recently. From left to right are Mrs. Frances English McDonald from Coral Gables

(Mrs. English's daughter); Mrs. Carolyn Pressley from San Bernardino, Calif. (Mrs. McDonald's daughter); Christopher, 17-month-old great-grandson of Mrs. English; and Mrs. Irene English. Also visiting Mrs. English but not pictured was another daughter, Mrs. Mariam Mabrey, also of Coral Gables.

### Class Of '57 Plan Reunion Oct. 28

The "Class of '57" is planning a reunion following the Homecoming Football game here on Friday, Oct. 28. It will be held at the Florida Power Lounge on W. Main Street. All former class members are invited to join in the informal gathering.

Anyone knowing the mailing address for Wayne Spraggins

or Betty Barrington please notify one of the following: Harriet King (between hours of 8 a.m. and 3 p.m.) 453-6904; Gloria Wooten (after 4 p.m.) 453-7289; or Janet Wills (after 5 p.m.) 453-6732. Any other information regarding the reunion could be referred to these persons, as well.

### Beth Ferguson Honored At Bridal Luncheon

Beth Ferguson, bride-elect of Ricky Helms was the guest of honor at a luncheon held at The Wesley Hall, First United Methodist Church on October 1st.

The tables were decorated with green nut cups, matching plates and cups with green napkins engraved in gold. The buffet luncheon consisted of potato salad,

macaroni salad, fruit salad, swedish meatballs, rolls and tea. For desert, the hostesses served Beth's favorite "cheesecake".

Assisting with the gifts were Sarah Ferguson and Mrs. Sean (Rita) Murphy. Hostesses were Mary Shoff, Marge Burdick and Marion Learned.

Olive Oia Long

### Olive Long Reveals Memories As A Child

Memories tucked away are sometimes experiences lost forever.

Olive Oia Long, an enthusiastic, "young" 93 years-old, isn't about to let those memories slip away from her, as she shared some of her recollections with the Sun.

Now a patient at Hillcrest Nursing Home, Mrs. Long has been a resident of Hardee County for all but the first 18 years of her life.

The eldest of ten children, she remembers what it was like to be a member of a large family in the days when there were not many modern conveniences or sanitary facilities.

"I had two children to every bed and I was taught to

work even as a small child. I had to help raise the other children in my family and ten children created a lot of work," she said.

She also remembers that school days back then weren't quite like they are now, since her father sometimes had to board their teacher, who taught all grades in the schoolroom. Since, of course, there was no electricity studying was done by kerosene lamps. Admitting to being pretty good at "Spelling Bees", she had to also admit that arithmetic was the hardest for her.

It was also during these days that Mrs. Long recalls that wood instead of coal was burned on the trains.

A widow, Mrs. Long has outlived her three children. One of her most interesting and frightening experiences came when she had to accompany her twelve year old son to John Hopkins Hospital in Baltimore for brain surgery.

"It was August 26, 1927 and we took the fastest train that was available at that time. There were only seven doctors then who knew anything about brain surgery. There wasn't even any penicillin and the doctors had to use ether."

It was a miracle he lived through it, but we carried him home in his pajamas thirty days later," she said.

Mrs. Long has always led an active life, working as a seamstress and in a packing house and a dry goods store. A faithful churchgoer, she has a 55-year attendance record with the Methodist Church in Wauchula.

### People On The Go

**Spores Greeted**  
Sixty friends and former neighbors of Olive Kerwin gathered at the Florida Power Lounge Thursday to meet Mr. and Mrs. A. J. Spore (Tony and Mary) of Detroit, Mich., who have purchased an apartment in the Golden Age Villas.

With Tony at the projector and Mary narrating, the Spores showed slides of their recent freighter trip on the Moore McGlen Freighter, accompanied by Olive Kerwin, to South Africa.

The trio sailed from Brooklyn, N. Y. with their first port stop at Cape Town. There they visited Sea View, Hluhluwe and Kruger Animal Parks. Here they saw many animals in their natural habitat. This safari started at Durban and lasted one week. Among those present at the interesting and informative slide show were Fathers George Fraser, pastor of Our Lady of Grace Catholic Church and J. O'Brien who is a new Avon Park resident and who has recently retired from Brooklyn.

The Spores will return to Detroit Wednesday but they will return this December to spend the winter in Florida. They are freighter and bridge buffs and no doubt, will be an asset to Avon Park.

Cabbage is one of the oldest food vegetables. In the "Iliad" Homer wrote that Achilles washed cabbages.

### Hamm - Brock To Wed October 8

Debra Kay Hamm and Steven Duwayne Brock will be married on Saturday, October 8 at 7 p.m. at the First United Methodist Church of Avon Park.

No invitations are being sent but all friends and relatives are cordially invited to attend both the wedding and the reception, which will be held in the Church's social hall, immediately following the ceremony.

Mary Olivieri

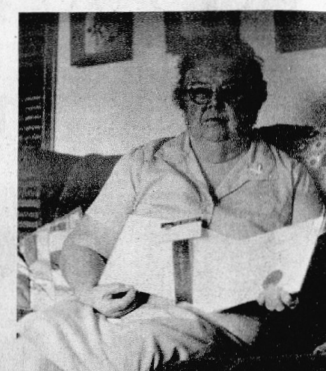

### Couple Announce Engagement

Mr. and Mrs. Joseph N. Olivieri are pleased to announce the engagement of their daughter, Mary Elizabeth Ann to Mark Wilson Smith, all of Avon Park.

Currently a sophomore at South Florida Junior College, she will graduate in December and she will continue her education as a Lawyer's Assistant at Polk Community College.

Mark, a 1977 graduate of SPJC, is currently employed as a tire salesman at Big "T" Tire Center in Avon Park.

A January 7 wedding is planned.

Mrs. Elizabeth Thompson

### Thompson Honored At 50th Class Reunion

Mrs. Elizabeth C. Thompson was recently honored at the 50th anniversary reunion of the University of Michigan's 1927 Nursing Class. At the awards ceremonies in Ann Arbor, Mrs. Thompson was inducted into the Emeritus Club and was presented an Emeritus Club pin and certificate.

Returning alumni of both the medical and nursing classes enjoyed two active days, beginning on Friday, September 23 with a luncheon, bus tour of the campus and class dinner in the evening. A picnic was held on Saturday, prior to the

Michigan-Navy football game.

Both Mrs. Thompson and her husband, Layton E., are graduates of the University of Michigan and they enjoyed this opportunity to visit their alma mater as guests of the University of Michigan.

Moving to Avon Park from Michigan in 1971, the Thompsons are residents of Avon Park Lakes. Mrs. Thompson is the corresponding secretary of the Avon Park Woman's Club and both are members of the First Presbyterian Church of Avon Park.

## Goodwill Needs Donations

Thursday Beulah ate her lunch in the Goodwill cafeteria and then clocked out for the day. It was the same thing on Wednesday and Tuesday.

Workers at Goodwill - Lakeland were sent home this week at noon because of lack of donations.

Executive director, Jim Leach explained that without donated materials to work on, there is no training process and no production for the stores. This is the first time during the year that donations have fallen off to the extent that production workers in sorting and small wares have not worked a full day.

The rehabilitation workshop needs clothing, small household items, odds and

ends, anything that is usable or repairable," said Leach. For home pickup call 687-2500. Smaller items may be placed in any of 135 blue and white Goodwill collection boxes throughout Polk and Highlands counties.

Increased collections are needed to help keep Beulah at her work station all day long.

### Break-In Reported

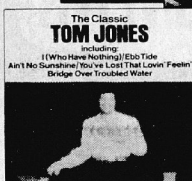

Highlands County sheriff's deputies are investigating a break-in at the home of Zel LaBlanc in Ridge Trailer Park, Avon Park. Nothing was reported taken.

## Board Takes Steps To Encourage The Adoption Of Stray Cats

In an effort to encourage adoption and reclamation of stray cats, Highlands County Commissioners have adopted a new fee schedule that may be perfect.

The reclaiming fee for cats was lowered from \$10 to \$5 by commissioners during Tuesday's regular meeting.

According to Hollis Richards, county animal control officer, there wasn't enough demand for cats at the \$10 charged for adoption or reclamation.

Another change in the fee schedule approved was an increase in rates charged for large animals. Rates for reclaiming cows, horses and other large animals was increased from \$10 to \$20 to reflect the higher costs involved in care of the big beasts.

Richards told The Sun there have been several large animals handled at the center during the year, and pigs, rabbits, ponies and one goat have been kept there since the first of the year.

As with all animals taken to the pound, the larger varieties are kept for a minimum of six days to allow owners to

reclaim their stray stock. Many times high quality stock is kept at the center beyond the six-day period to allow owners time for reclamation. Richards said some stockmen may not check their pastures for several days and don't realize animals may be missing.

Another reason there may be a delay, is to keep someone from adopting an expensive animal for \$20 and daily care charges of \$3.50.

Usually the stock is branded or marked and this enables the center to notify owners quickly.

He said animals that don't appear to be valuable are usually destroyed after the six-day period ends. "If it's some old piney woods rooster, no one is going to claim it."

Pet owners are reminded by Richards that reclamation of their animals can be speeded if there is a license attached to the pet.

Richards added, "If they've got tags, then we can notify the owners."

IT WON'T BE long now for flowers to be in bloom on the Mall as Keith Debo plants hybrid flowers that he started in Ohio before returning to Avon Park. Sunphoto by Lew Miller.

## Avon Park's First Annual Sidewalk Sale Thursday

Neisner Brothers, Inc. store opened for business 16 years ago on the west end of Main St. Carrying a large line of house furnishings, ladies and childrens wear, they stress having merchandise with

good values.

Teing in Avon Park's first sidewalk sale with their Indian Summer Sale they will feature men's shirts along with selected other items outside of the store.

McCann & Sons Ford, Inc. For their part in the Avon Park sidewalk sale, McCann & Sons Ford Inc., Main St., will introduce the Fiesta, Ford's new German made, entry in the small car field, getting 46 miles per gallon on the road.

Leo McCann taking over the Ford dealership in December 1976 has been in the automobile business for 40 years.

A square dance and refreshments under the canopy will wind up their part in Avon Park's first sidewalk sale.

Avon Auto Parts, Inc. Avon Auto Parts, Inc. on Main St., with four employees, operated for 14 years as Polk Auto Parts and was previously Bennie's Auto Supply. It was purchased June 12, 1974 by Norman Langdon, who came from Bowling Green where he owned and operated an independent garage for 21 years.

No stranger to Avon Park, Norman graduated from Avon Park High School in 1947 and is now a member of the local Lions Club.

He and Lois live at 24 E. Kendal Blvd. and have four children and are members of the United Methodist Church.

### Nancy Hodges Injured In Accident

Nancy Hodges of Avon Park was injured when the car she was driving was struck from behind by a semi on US 27 near Avon Park.

According to the Florida Highway Patrol, the Hodges vehicle was slowing to make a left-hand turn when it was struck by the semi driven by Willie L. Holland of Orlando, who failed to see it slow down.

Trooper Jim Benton, who set damages at \$300, charged Holland with careless driving and having no valid driver's license.

## 3 Big Days Of Sidewalk Sales - -

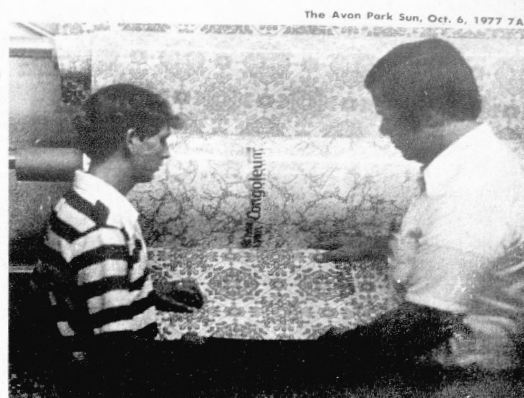

LORENZO WILLIAMS, of Wells Motor Company keeps a high polish on this Chrysler LeBaron town and country wagon for the Sidewalk sale. Sunphoto by Lew Miller.

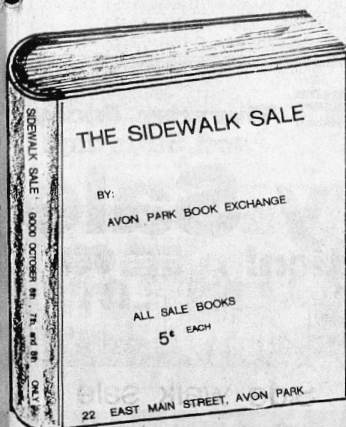

**Wells Motor Company**  
Doing business since 1931, the Wells Motor Company on Main St. Plans to have used car specials for the sidewalk sale, some at less than dealer wholesale prices.  
New 1978 model cars will also be displayed, especially the Chrysler LeBaron Town and Country Wagon.

**Rich's Hardware**  
Opening in May 1977, Rich's Hardware (formerly Delaney Hardware) on Main St. carry a complete line of hardware items, along with houseware, plumbing and what they called mobile home findings.

They plan a cross section of items for Avon Park's first sidewalk sale. But for one special item-Congoleum — the customer can see it best, inside on the rack.

RANDY RICH AND VIRGIL McInvalof of Rich's Hardware look over the patterns of Congoleum they plan to have as a special item in the sidewalk sale. Sunphoto by Lew Miller

BARBARA KLUEBERG of the Avon Park Book Exchange, looks through the stacks of books for copies to include in the two day sidewalk sale. Sunphoto by Lew Miller.

**Avon Park Book Exchange**  
Started as a hobby six years ago, by the late Walter Betts, The Avon Park Book Exchange is housed in Avon Park's oldest continuously used commercial building, which was constructed in 1888.  
Operated as a hobby, the Book Exchange now has over 50,000 paperbacks of all kinds on the board and half block shelves of the tiny rooms.  
The emblem painted over the door comes from the Pennsylvania Dutch country area.

**Hill Top Sales & Service, Inc.**

Hill Top Sales & Service, Inc. at the top of the Main St. hill opened for business in January, 1969.

They carry a variety of boats, small engines, mowers and boat trailers, with many items for family boating and fishing and for the water skiing enthusiast.

JIM CRAVEY of Hilltop Sales and Service, Inc. stands beside a motor, boat plus trailer that will be special priced during the Sidewalk Sale. Sunphoto by Lew Miller.

## New Cars On Display This Week

The three major new car dealers in Avon Park will hold their grand showing of the new 1978 Automobiles at the end of this week.

I. H. Ford Motor Company will start it off this Thursday, Oct. 6 and 7 at 8 a.m., with their new autos on the show room floor. The Monte Carlo, Cutlass Supreme, Malibu Classic all come with a V-6 or V-8 engine. The little four door Chevette comes in a four cylinder and Environment Protection Agency (EPA) gave it a rating of 30 miles per gallon in the city and 40 mpg on the highway.

McCann and Sons Ford, Inc., and Wells Motor Company will open their doors for the new models on Friday, Oct. 7 and run through Saturday Oct. 8. McCann and Sons will be opened from 9 a.m. to 8 p.m. They have three new models out for viewing. The little four cylinder Fiesta, the Fairmont, which comes in a 4-6 or 8 cylinders and the new Mercury Zephyr, which can also be purchased in the 4-6 or 8 cylinder version. They also have their new 1978 Thunderbird, Cougar and Bronco on display.

Wells Motor Co. will be open from 7 a.m. to 8 p.m. and has two new models on display. The LeBaron Wagon and the Dodge Magnum XE Sport Coupe. The LeBaron Wagon is a six passenger wagon and comes in the V-6 or V-8; its EPA ratings, with a V-8 is 21 miles per gallon on the highway. The Dodge Magnum XE Sport Coupe has a 360 V-8 engine and has a EPA average of 22 mpg on the highway.

For the sports-oriented buyer, the Aspen Coupe offers three special packages. The Dodge Diplomat is available but it is not in stock. Prices on these beautiful new models range from \$4158, for the small four cylinders up to and above \$7595 for the larger automobiles.

Free refreshments: cokes, coffee, and doughnuts will be served at all of the showrooms.

## Keyettes-Key Club Car Wash

The Keyette Club and the Key Club of Avon Park High School joined forces Saturday to hold a Car Wash to benefit Cystic Fibrosis. They all did a tremendous job in raising \$64 for this fine organization.

The wash was held from 9 a.m. until 4 p.m. with a steady stream of cars being washed in that time.

Dennis Guenther, co-chairman of the local Cystic Fibrosis drive, wishes to thank those two clubs for doing such a job and also would like to thank the citizens of Avon Park for their kind support.

## ★ 1978 ALREADY—YOU DOUBT IT? ★

## Candidates Announced

The Avon Park City Hall announced the candidates that have qualified for the coming city elections. There are two candidates, at the present time, putting in their bid's for Mayor; the present Mayor, J. Marshall Davis, and J. R. "Jack" Duggan Jr. In the City Council race there are two seats open and three men so far, have qualified for the positions. Milton C. Howard and Robert L. Britton will be seeking re-election and Thomas D. Tataris is also in the competition.

The deadline for registering to vote in this election will be Oct. 21, 1977. All residents of Avon Park are eligible to register for this election. The Qualifying Registration for the positions of Mayor and City Council ends on Nov. 4, 1977. Election Day will be Tuesday, Dec. 6, 1977 from 7 a.m. to 7 p.m. The election booths will be at the Winter Guest Club on E. Main St. and the County Building, S. Lake Ave., Avon Park.

## Sidewalk Sale - - -

**I. H. Ford Motor Company**  
 In business since 1929 at the same location on Main St., I. H. Ford Motor Company for their part in the Avon Park Sidewalk Sale, will feature radios at the tremendous bargain prices. All are new.

Many have never been unboxed and speakers are included with most of the radios. Refreshments and door prizes will be a part of their sidewalk sale as it's tied in with the showing of their 1978 model cars.

**Metcalfe Hardware, Inc.**  
 Metcalfe Hardware has been doing business under that name, at the corner of Lake Ave. and Main St. since 1866. They handle a complete line of hardware, tack and boots, along with

Corning ware and antique kits for those who want to do it themselves. For Avon Park's first sidewalk sale they expect to have a few of the one of a kind items they will dig out of their large stock of merchandise.

**SPEED LIMIT CHANGE**  
 The speed limit in the Base Housing Area has been changed from 15 MPH to 10 MPH. Please slow down and save the lives of our children and your own!

**BICYCLE STOLEN**  
 Lynn MacNeill, 204-B Highlands Blvd., Avon Park, told Highlands County sheriff's deputies that a bicycle valued at \$28 was taken from the front porch of his home.

## Special Equipment For Deaf Consumers

Special equipment to handle complaints and inquiries from deaf consumers will be installed within four weeks in the offices of the Division of Consumer Services of the Florida Department of Agriculture and Consumer Services. According to Consumer Services Division Director Jane Robinson, the machine is a teletypewriter and permits deaf consumers to "call in" a complaint or inquiry by typing it. She says to the best of her knowledge, the machine will be the first of its kind in the United States installed solely to handle consumer calls from deaf residents.

"We learned there are several hundred residents of the state who own similar machines and use them for outside communications," Mrs. Robinson says. "By use of a special hook-up on their telephone, they can transmit or receive messages, so it's a fairly simple matter for us to install a machine to receive and acknowledge their calls." "We anticipate that the inquiries or complaints will be brief giving only the pertinent details," she says. "We will acknowledge the message and advise the sender that we will follow up in writing within three days."

"Obviously, deaf residents of Florida have been unable to make use of our toll-free WATS line, so this machine will offer them a quick means of inquiry or complaint," Mrs. Robinson says. "We feel this is a particularly important service since handicapped people, who are prime targets for unscrupulous con men and fly-by-night operators, frequently need fast advice or counsel when they think they're being ripped off."

Deaf consumers who have access to a transmitter may teletype their inquiry or complaint directly to the Division of Consumer Services by dialing the Consumer Services numbers. For Tallahassee residents this is 468-2221. For residents outside of Tallahassee, the toll-free WATS number is 800-342-2176. The equipment will be in operation and manned from 7:45 a.m. to 4:30 p.m. Monday through Friday.

**HOUSES ROBBED**  
 Highlands County sheriff's deputies are investigating the theft of building materials from houses under construction in Lake Haven Estates near Westminster Road. Deputies believe the suspects are subcontractors who were taking items that had apparently not been paid for by the principal contractor, Carroll Brothers, Inc., 607 North Euclalyptus Street, Sebring. Deputies did not set an amount of the loss.

NEW OFFICERS of Avon Park Kiwanis Club took over their duties during the past week. From the left, front row: Clayton Sensenig and Joe Schaefer,

directors and Bob Leaphart, treasurer. Back row: Ted Ward, secretary; John Church, first vice-president; George Haynie, president and James Fountain,

past president. Absent Bob Daubach, second vice-president and directors Aden Childress and John Church. Snapshot by Lew Miller.

## Highlands County Tax Collector Speaks To Rotary Club

The Rotary Club September program chairman Gayle Murdock, introduced the Highlands County Tax Collector, J. T. Landress, who was born in Avon Park and is a member of the Lions Club of Avon Park.

Landress pointed out he was glad he was invited to speak in September rather than November when the tax bills are in the mail. In discussing the duties of his office Landress said his office handles over 70,000 items on the tax roll for the county. He stated that the tax office also handles the occupational licenses which have not gone up in price for 18 years.

He said that after Oct. 1 there would be a penalty on the late purchase of

occupational licenses.

During the year the tax collector's office will collect and handle about \$9,000,000 of taxes in Highlands County. He pointed out they also collect and handle city taxes at no charge to the cities.

Landress advised everyone to pay their taxes early and take advantage of the discounts offered by the county for early payment. He encouraged Rotarians and everyone else to buy tax certificates as they would be helping the county. People who buy tax certificates can receive as much as 18 percent interest on their money for the certificates.

The charge for non-resident fishing

licenses will go up this year Landress told the club members.

In concluding his talk, he thanked the Rotarians for their support in the past elections. In their appreciation for his talk the club presented Landress with a certificate.

Two new members were received into the Rotary Club during the meeting; they were John Teal, vice-president of the Highlands County Bank of Avon Park and Royce Godwin Jr., manager of Stephenson, Nelson, Smith Funeral Home. These two new members, bring the Avon Rotary Club to a new all time high in membership, since the organization and chartering of the Rotary Club in 1924.

Allen E. Padelford

## Padelford Sailor Of The Quarter

Allen E. Padelford, son of Mr. and Mrs. Robert A. Padelford, 410 Ash St., Avon Park, was chosen by representatives of the crew on his ship, The USS Nitro, AF-23, as non-rated Sailor of the Quarter.

This award is presented to the most outstanding apprentice sailor among the crew and reflects superior military and professional performance. Because of his cheerful and friendly manner, ENFA Padelford was immediately accepted by his peers and supervisors as a member of the "team", and his presence effected a rise in division morale as a whole during that difficult time. His unflinching respect for seniors and more experienced personnel, and untiring desire to learn and perform became examples for all, both junior and senior, to admire and follow.

He believes that it is his responsibility to put in a good day's work, not his supervisor's to keep pushing him. If assigned a task, he quickly determines what it will involve, what tools he will need, what instructions to follow, and who to report to. Invariably, the job is performed rapidly yet carefully, and always with an eye towards professionalism. Upon completion of the task at hand, he seeks out his supervisor

and moves on to another job, or, if granted some free time, will use it to correct a problem he has observed rather than slack off.

His cheerful, "gun-ho" attitude encourages others to do their best. Any team of which he is a part can be counted on to work well together and do a good job. Others rise to his level, an exceptional tribute to his force of character and persistence.

ENFA Padelford displayed yet another exceptional characteristic, especially in today's Navy. He has a clear understanding of and respect for the chain of command and authority. He looks to his immediate supervisors for guidance and instruction, brings problems up through channels, and pays respectful attention to the orders and advice of more senior men, be they FN or O-3.

ENFA Padelford is a marine diesel mechanic apprentice who has long been praised by his supervisors for his untiring work at improving the operational readiness of Nitro, both during her extending Mediterranean deployment last year and her current major overhaul at the Philadelphia Naval Shipyard. ENFA Padelford and his family can certainly be proud of his achievement.

## Three Highlands County Men Charged With Felonies

Three Highlands County men were formally charged with felonies in informations filed last week by the state attorney's office.

Gary Blackman of Sebring was charged with delivery of a controlled substance (Cocaine).

Eugene Banks of Avon Park was named in an unusual charge —

permitting gambling. T. Twirler's Bar in Avon Park is listed as the location of the alleged gambling. Banks is also booked for possession of marijuana.

In another, unrelated case, Tyrone Jerido is charged with aggravated battery. Clifton Crawford is listed as victim of the alleged battery.

## Freak Accident On SR 17

One person was injured and four autos were damaged following a freak auto accident on SR 17 near Sebring.

According to Trooper Malcolm Rhodes of the Florida Highway Patrol, David M. Epstein of Avon Park was southbound when he tried to make a turn onto Angelo Lake Road. In doing so, he crossed the path of northbound Ethel A. Srolowitz, who swerved but couldn't avoid the collision.

About a minute later Ralph E. Raley of Avon Park, who was northbound, stopped because of the previous accident. Unable to get through, he attempted to back up, at which time he struck a car driven by G. D. Godwin, also of Avon Park, who was attempting to cross SR 17 from Lake Lotela Drive.

Rhodes, who charged Epstein with an improper turn in the first accident, brought no charges in the second mishap.

## REAL ESTATE SALESMAN

Immediate opening for a full time salesman with one of the largest and most aggressive REALTORS in Highlands County.

## Kiwanis Install Officers

At the Tuesday noon, Kiwanis Club meeting on Sept. 27, Lieutenant Governor Jay Merkle of Lakeland spoke to the local club members on the 1977-78 Kiwanis International

theme, "Reach Out." The objectives of the theme, "Reach Out," are for: . . . Deeper understanding of the human and the spiritual values life. . . Excellence of purpose and performance in community service. . . Greater effectiveness in safe guarding life and property by working directly with youth. . . Personal involvement with sponsored youth organizations. . . Sustained growth in numbers and service and in fellowship throughout the world.

Governor Merkle also installed the following new officers for the 1977-78 year: George Haynie, president; John Church, first vice-president; Robert Daubach,

second vice-president; Ted Ward, secretary; Robert Leaphart, treasurer. New directors installed were: Clayton Sensenig, Aden Childress, John Clark and Joseph Shafer.

Several new members were inducted into the club and included: John Settles, retired

major; Harold Stiffler, retired restaurant manager; the Rev. Edwin Tharpe, minister of the Florida Ave. Baptist Church; Lathan C. Smith Jr., owner Smith's Upholstery, Robert Brooks, Avon Park Chief of Police and James McDugald, retired Seaboard Coastline Railroad agent.

## Rummage Sale At Episcopal Church

The Episcopal Church Women of Avon Park are sponsoring a three day Rummage Sale, which will be held on October 7, 8 and 9 at the Parish House of the Church of the Redeemer (corner of E. Pleasant and No. Verona).

Days and hours of the sale are: noon to 5 p.m. on Thursday, 9 a.m. to 5 p.m. on Friday; and 9 a.m. to noon on Saturday.

Mrs. Francisco has a large quantity of material in good condition, as well as furniture, books, infant wear and clothing in all sizes. They are all waiting for someone to take them to a new home.

## Church Of Christ, Scientist Meet

Area members of the Church of Christ, Scientist, met with Michael Risler, the Christian Science Committee on Publication for Florida. Mr. Risler is the Christian Science Church's official representative in Florida for the church's relations with the press, government officials, and other denominations, as well as with radio and television personnel.

In his talk, Mr. Risler pointed out that Christ Jesus' example presented a dual promise to present-day disciples. The first is that the power of God is just as present to heal and save today as it was in Jesus' day, and students of Christian Science can bear witness to this fact. The second, though, is an absolute necessity if such healing power is to be realized. That second promise is that one must and can follow the example and teaching of the Master in order to make way for such Christian healing.

Mr. Risler is currently traveling throughout the state speaking to Christian Scientists from the Panhandle to the Keys.

## Rev. Roger H. Best Guest Speaker

The Rev. Roger H. Best will be the guest speaker at the Fellowship Baptist Church during the 11 a.m. worship service on Sunday, October 9.

The Rev. Best, who is currently serving with the Southern Baptist Home Mission Board in upstate New York, will be speaking about his work and he will be delivering the message for that service.

After prayer meeting which begins at 6:30 p.m. on Wednesday, October 12, the first monthly supper of the season will be held at the Parish House. Members are asked to bring a dish to pass and table service. After the meal, there will be a short program with Mrs. Franklin Ward as the speaker.

This is the only supper which will be held on the second Wednesday of the month. All others will be on the first Wednesday so please make a notation of this.

## William D. Miracle Named Dean Of Students

William D. Miracle has been named dean of students and registrar at Sounol College in Hancock, Mich. where he will administer student affairs, counseling services, student housing and the academic records.

Miracle the son of Mrs.

Bill Miracle

Andrew W. Miracle and the late Mr. Miracle, earned his doctorate degree in counseling and personnel service at the University of Georgia, Athens, this past August. He received his masters degree there seven years ago.

Prior to going to Sounol College, Miracle was alumni affairs director for two years at Newberry College, Newberry, S. C. While a graduate scholar at the University of Georgia, he was a university housing assistant and for two years was field representative for the University of Georgia Alumni office, managing the activities over the 25 regional chapters.

Bill was a 1965 graduate of Avon Park High School, having moved here with his parents in 1965, when he was in the third grade.

He and his wife Andrea, reside at Peepock 2, Pilgrim Estates Houghton, Mich.

## Howey Academy In 22nd Year

Howey Academy began its 22nd academic year recently with a cosmopolitan enrollment from 23 foreign countries, 23 states and 70 Florida cities. Not included in this world-wide representation of students are qualified late applicants who are still being accepted for the first semester.

A central Florida college preparatory school for boarding and day students, Howey prepares scholars in grades 7-12 for college, career, and adult life.

Zura Martin Prayer Group The regular monthly meeting of the Zura Martin Prayer Group of the Florida Avenue Baptist Church will be held on Tuesday, October 11 at 7 a.m. at the church. All ladies are invited to attend.

## E.M.S. Reports

Highlands County Emergency Medical Service reports there were 17 emergency runs in Sebring, eight in-county transfers and three out-of-county transfers from Sept. 25 to Oct. 1.

During the same period there were eight emergency runs and four in-county transfers in Avon Park and six emergency runs and one in-county transfer in Lake Placid.

## State Of Unions Declines

The "state of unions" in the United States has undergone significant changes in the past few years. Total union membership declined between 1974 and 1976 by about 4 percent, marking the first such decline since the early 1960's.

This occurred in spite of an increase in the number of persons employed. The decline is generally attributed to the state of the economy, particularly in manufacturing and construction, according to a report in the October issue of Finance Facts, a newsletter on consumer financial behavior published by finance companies. The average production work employment in manufacturing and construction declined by about 1.4 million workers in 1975 and 1976. The decline in union membership in the manufacturing industries was offset somewhat by a sizeable gain in membership of government employees and a small gain in non-manufacturing industries.

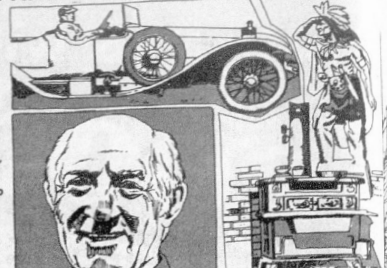

Over the past decade, two unions more than double their membership — the State, County and Municipal Employees, with 469,000 new members; and Teachers, with 321,000 new members.

## FAITH HONORS THE WISDOM AND EXPERIENCE OF AGE

In our current misguided era where young is beautiful, the older segment of our population is largely relegated to the background of our society. There are many factors to blame for this tragic situation, including its wide range of acceptance which prematurely condemns the physically and mentally sound along with the infirm, and thereby attaches the stigma of outworn usefulness to all. When this is combined with the natural self-importance of today's youth, little respect or companionship exists between children and their grandparents, to the detriment of both. Your Church will teach you to appreciate the wisdom of the old, referred to throughout the Bible. Honor your grandparents and listen to them. You may even find them fascinating, if you give them a chance.

"Cast me not off in the time of old age."  
— Psalms 71:9

Intelligence, and reflection, and judgment, reside in old men.  
— Marcus Tullius Cicero

# Red Devils Lose 21-8 To Mulberry

THREE RED DEVIL DEFENDERS hit a Mulberry back as Freddie Williams (34) stands by in case they fail to bring him down during the Avon Park Mulberry game last Friday night at the Phosphate Bowl in Mulberry. The Panthers won the game 21-8. Sunphoto by Lew Miller.

The Mulberry Panther quarterback, Monty Davis, tossed three touchdown passes to lead his team to a 21-8 victory over Avon Park last Friday night at the Phosphate Bowl in Mulberry. The loss evened out the Red Devil record at 2-2 over all and 1-1 in district play.

This week the Red Devils have an open date giving the team two weeks to prepare for a four-game home stand against Frostproof, Clewiston, Fort Meade and Wauchula. Wins over Frostproof and Fort Meade are musts for the Devils if they hope to remain in contention for the district title. The Fort Meade game on Oct. 20 has been redesignated as the 1977 Avon Park Homecoming game.

In Mulberry last Friday night, two breaks early in the game turned sour for the Red Devils when an apparent T.D. dive by Devil quarterback David Sisemore was ruled short of the goal line by officials who admitted they simply could not see the ball before Sisemore was pushed back.

Twice Sisemore had punted to the Panthers with Jeff Adams and then Keith Cobb recovering fumbles after the punted ball hit Mulberry receivers. That had put Mulberry on the Panther 26-yard line. The Devils moved to a first down at the five. Three runs by fullback Rufus Wilson set the ball just outside the goal line. On fourth down, Sisemore pushed forward behind center John Barben for the apparent score that was not allowed by the officials.

The call seemed to take the starch out of the Avon Park team, but the first quarter remained scoreless after a Panther drive was stopped at midfield and Mulberry had to punt. Avon Park couldn't generate another drive and Sisemore got off his third punt of the game just after the second quarter began.

Mulberry had a touch down called back early in the second quarter. Monty Davis popped a short pass over to his

flanking halfback, Cornelius Wallace, and the speedster raced down the sideline fifty-seven yards for a touchdown that was nullified with a clipping penalty.

However, the Red Devils then drew two penalties costing them, twenty yards and again Davis hit Wallace with the same pass. This time Wallace scampered from the ten set up good field position for Mulberry. On third down, Davis found Wallace again as he cut across the middle and hit him with a perfect pass in the midst of several Devil defenders. Wallace caught the pass on the run and outdistanced the Devils to score a 63-yard touchdown. Once more he kicked the point after.

The Panthers struck quickly again after the second half kick-off. A runback from the ten set up good field position for Mulberry. On third down, Davis found Wallace again as he cut across the middle and hit him with a perfect pass in the midst of several Devil defenders. Wallace caught the pass on the run and outdistanced the Devils to score a 63-yard touchdown. Once more he kicked the point after.

Avon Park finally got on the scoreboard midway through the third quarter. Jeff Adams had a thirty-yard kickoff return to the Devil forty-five. From there the Devil offense ground out the yardage down to the two with the help of a fifteen-yard penalty against the Panthers. Rufus Wilson went in for the score off right tackle and Anthony Carter ran the ball in for the two-point conversion to set the score at 14-8.

The two teams traded pass interceptions before the third quarter. As the final period began, Avon Park moved toward the Mulberry goal with Wilson and halfback Ricky Bivens chewing up the yardage. But on second down at the fifteen-yard line, a Devil back fumbled the ball and Mulberry recovered to stop the drive.

The Panthers then proceeded to put together their best drive of the evening and marched 85 yards to score the final touchdown. Big fullback Lenwood Pope

FULLBACK RUFUS WILSON pushes off a would-be Mulberry tackler as he breaks into the secondary during the Panther vs Red Devil game last Friday

slashed through the Devil defense for several long gains. The touchdown was scored by wide out Hercules Stancil on a pass from Monty Davis. Wallace's third kick for the point after was good. Avon Park had one more drive going to the Panther twenty before the game ended with Mulberry on top by the 21-8 score.

Quarterback David Sisemore was picked as player of the week by the three Avon Park statisticians. Sisemore passed for 106 yards and took over the punting chores getting off four punts in spite of a still weak punting line. Rufus Wilson gained over 100 yards

night in Mulberry. Wilson gained 103 yards on the ground and 71 yards with four caught passes, but Mulberry won the game 21-8. Sunphoto by Lew Miller.

for his fourth consecutive game picking up 103 against Mulberry for a 649-yard total for the year. Wilson also caught four passes for a total of 71 yards. Avon Park had 15 first downs, Mulberry 9. The Devils 127 rushing yardage, Mulberry 63. Avon Park passed for 106 yards, Mulberry hit for 150 yards. The Devils completed 8 of 18 passes and had 2 intercepted. Mulberry completed 9 of 15 and had 1 intercepted. Sisemore punted 4 times for a 26.3 average and Mulberry punted 4 times for a 36.5 yard average. The Devils were penalized 4 times for 40 yards and Mulberry drew 5 penalties for 55 yards.

## Middle Schoolers In 22-22 Tie - Sebring

Last Thursday night the Avon Park junior varsity football team lost to the Sebring Jayvees squad here at Memorial Field by a score of 14-12. The loss set the Devil Jayvee record at 2-1 with five games left on the schedule.

Tonight, Thursday, Oct. 6, the Red Devil junior varsity will take on the Wauchula Jayvees here at 7:30 p.m. in a game added to the schedule when Lake Placid cancelled its junior varsity program. Tonight was originally an open date for the Devil "Bees". However, the local squad will be idle next week instead.

The Sebring Jayvees scored first last week to take a 6-0 lead. Early in the second quarter, after a scoreless first period, the junior Blue Streaks broke loose as halfback Greg Stringer eluded several Devil tacklers and scampered 56 yards for a TD. The hard-running Blue Streak back broke tackles as he swept around right end and then outran the Avon Park secondary for the score. The kick for the extra point was blocked.

Avon Park controlled the ball most of the remaining time in the second quarter, but the Devil offense was unable to score. The Avon Park defense shut down the Sebring offense after that one long scoring run in the first half.

The Red Devil Jayvees tied the score at 6-6 with a sixty-six yard opening second half drive. Halfback Gerald Jones went in for the TD from 20 yards out on a reverse around left end. The run by Carl Wingate for the two point conversion was stopped short.

Sebring bounced right back and marched fifty-five yards to go ahead again on the next offensive drive. The touchdown came on a quarterback boot run by Sebring's John Love from 28 yards out. By the time the Devil defense realized Love had kept the ball, he was around right end and couldn't be

caught. Greg Stringer powered through for the two more conversions to put Sebring ahead 14-6.

It took Avon Park eight plays to drive for another TD early in the fourth quarter, but the extra point run was no good again and the Devils still trailed Sebring 14-12. Carl Wingate set up the second Devil touchdown with a 24-yard run to the Sebring five yard line. Then Gerald Jones sliced to the one and from there scored his second TD of the game. An attempt at a two point conversion was stopped short.

Fumble recoveries by Chris Collins and Terry Kelley gave Avon Park two more chances to win the game in the final period. Collins grabbed a Sebring fumble on the Blue Streak 37-yard line, but the Devil offense picked up only eight yards and turned it back over to Sebring on the thirty. A few plays later, Kelley fell on a loose ball at the Streak 29-yard line. With almost two minutes left in the game, the Devils tried four passes and couldn't connect on any of them. Weathers was thrown for a loss on the third attempt so Sebring took over at its own thirty-three to run out the clock and take the victory.

Avon Park led in most of the statistics except the final score. The Devil "Bees" led in first downs 12 to 6, rushing yardage 218 yards to 145 yards, and passing yardage 42 yards to 0 yards. Avon Park drew 55 yards of penalties with 7 calls while Sebring was penalized 8 times for 80 yards. The Devils punted once for a minus yardage and Sebring punted twice for a 25 yard average.

Carl Wingate carried the ball 28 times for 135 yards to lead the Devil backs with a 4.8 average per carry. Gerald Jones picked up 48 yards with 11 carries. David Hardy had 13 yards with 3 carries, and Dwayne Council ran well gaining 17 yards with 3 carries.

## SEJC Baseball Team Improving In Games

The past two weekends have been extremely busy for the South Florida Junior College baseball team. Six practice games have been played against Seminole J. C. and two against Florida Southern College. SEJC has been fielding two complete teams—SEJC Orange and SEJC Blue—in its extensive weekend competition. Two to three pitchers have been used for each practice game. All of the players have been getting to play and all twelve pitchers have been used in a regular rotation during intra-squad games and exhibition games.

Several players are beginning to develop into fine junior college performers. Randy Schlosser has been playing shortstop after hitting .356 with 39 stolen bases as last year's Panther third baseman. Randy appears all set for an even better season to conclude his junior college career. Decision right fielder, Charlie Faulconer, is looking much improved in all areas of the game and has been playing centerfield this fall. Freshman Rick Kyzer has also been impressive at shortstop and after hitting .356 with 39 stolen bases, last year's Panther third baseman, Mark Lacy has been swinging a hot bat lately as has thirdbaseman, transfer from U. of Toledo, Toby Cruz.

Veteran Bill McMennamin has been looking sharp defensively at second base along with Freshman Robbie Freeland.

Along with Faulconer in the outfield, sophomore Jimmy Higdon has been having a good fall. Freshman Tommy Anderson, a 6'3", 200 lb. left-hander has been hitting the long ball. Freshman Al Jensen, Albemarle College transfer, Danny Ramsler, and freshman Butch Reichert are all capable of catching junior college baseball.

AVON PARK DEFENSIVE BACK Mike Torrey (44) grabs a Mulberry runner from behind in one on one action during the game last week in Mulberry. The Panthers scored three touchdowns to a 21-8 victory. Sunphoto by Lew Miller.

Although four innings is the most any pitcher has been allowed to throw at any one time, several have shown promise. Veterans John Sedwick, Kirk Scheerhorn, Keith Herdy and Ron Bolin have been throwing well. Newcomers Tod Carter, Dave Shepherd, Tommy Anderson and Billy Cary have all looked sharp on occasion.

Another big weekend of baseball is ahead for the Panthers with exhibition games at Valencia and Stetson University. Monday, Florida Southern College will visit SEJC for a practice game at approximately 3:00 p.m.

## Racquetball Ladder Play Starts Monday

The Avon Park Recreation Department's Fall Ladder Tournament in Racquetball will be starting Monday, Oct. 10. Anyone interested can sign up now, to be in this tournament in either the "A" or "B" ladders in each division. The ladder tournament is a challenge-type tournament in which the participants set up their own playing times for each match and then the winners of that match are called in. The object is to work your way up the ladder in the two months' time limit, to the No. 1 spot and hold that position as long as you can. The people who hold the top two positions the longest will receive an award.

There will be a set of rules for this tournament and they can be obtained at the Recreation Center in Avon Park any day after 3:00 p.m.

The drawing for the positions on the ladder, not already seeded, will be Friday, Oct. 7, so register now. If you register after the draw, you must start at the bottom of the ladder.

There will be divisions of men's singles and doubles; women's singles and doubles; boys' singles and girls' singles (under 17 years old).

Call now and register in either the "A" or "B" ladders in your division. A \$2.00 per person per division will be paid before the first match you play.

## Jayvee's Have 2-1 Record After Loss

The Avon Park Middle School football team came from behind to tie Sebring's eighth graders 22-22 last week at Fireman's Field in Sebring. Junior High rules will not allow a play-off in case of a tie, so the score stood.

Last Tuesday night the Red Devil Middle School team was to play Wauchula here at Memorial Field and next Tuesday night they will go to Lake Placid for a return game with the Green Dragon eighth graders.

The Devil Middlers jumped off to a 6-0 lead down in Sebring on Sept. 27 as Ronnie Barnes ran back the opening kick-off some sixty-eight yards for a TD. The run for the points after was no good.

Sebring then scored twice and added the extra point conversions to jump ahead 16-6. A third Sebring touchdown put them further out front 23-6 before Avon Park cranked up its offense and

came roaring back to tie the game up. Barnes scored Avon Park's second touchdown on a 20-yard dash around the end and Warren Moreland scored in for the two point conversion to set the score 22-14. Late in the game, Moreland went in for his first TD of the season from two yards out and also added the two point conversion by just crossing the goal line to tie the game up 22-22.

On the final play of the game, Avon Park almost pulled out a victory. Devil quarterback Joe May handed off to Ronnie Barnes. Barnes dropped back and threw a cross field pass to May who had circled out around left end. May pulled in the pass on the run and started the run toward the goal line. May cut to avoid a tackler at the sideline, broke a tackle about the fifteen yard line, and was finally pulled down just inches from the goal line after an exciting run of over fifty yards.

## Punt, Pass And Kick Winners To Go To Zone

On Saturday Oct. 1, the local Punt, Pass and Kick competition sponsored by McCann and Son Ford, Inc. dealer was held. There were 54 entries in this competition with first, second, and third-place winners in each age group receiving trophies. Each child competed against his own age group, increasing the chances of his winning.

The winners in the eight-year-old group were: Alfred Williams, first place; William Revels Jr., second place; and Lee Elder, third place. First place in the nine year old division went to Randy Farless; Stacy Landress took second place and Anthony Wiggins third. In the ten-year-old bracket Dwight Hardy came in first; Thomas Gordon second and Jim Bennett third. In the eleven-year-old group Dwight Hardy came in first place; Thomas Gordon, second place and Jim Bennett, third place.

The first place winner in the twelve-year-old section went to Jeff Davis; second place, Daryl Williams and third place, Fred Lewis. In the thirteen-year-old group Dwayne Council came away with first place; Johnny Roberts took second place and Larry Collins, third place.

The first place winners, Alfred Williams, Randy Farless, Dwight Hardy, Greg Johnson, Jeff Davis, and Dwayne Council will travel to Lakeland High School, Lakeland, for zone competition, to be held on October 15, starting at 10 a.m.

Lew Mundi, from McCann and Sons, who was in charge of this program wishes to thank all those people who were involved and helped him with the Pass, Punt and Kick Competition and to make it the success that it was.

DWAYNE COUNCIL HEADS downfield for a nice gain against Sebring during the junior varsity game here at Memorial Field last Thursday night. Council picked up 17 yards with 3 carries last week. Sunphoto by Tom Flemming.

## Range Open Monday

The Avon Park Air Force Range will not be open for recreational activity the weekend of Oct. 8 and 9 due to military activity. The 1st and 2nd BN, 116 FA will be utilizing the range during that time. However the recreational area will be open on Monday, Oct. 10. Please remember to confirm opening by calling

432-4195. The range will be open for camping beginning at 6 a.m., Monday and close at 8 p.m. Please remember to check in and out with the Air Force Security Police located in Building 425 approximately 1/2 mile past the main entrance of the Range on State Road 64.

FIRSTACKER RUTH ROWE, Avon Park Middle School player, awaits a throw during a softball game with Wauchula last Thursday afternoon as

Devil pitcher Vickie English slips down coming off the mound. Avon Park won the game by a score of 9-4. Sunphoto by Lew Miller.

## Cross-Country Team Wins In Triple Meet

The Avon Park High School Cross-Country Red Devils swept to victory last Thursday behind the flying heels of team captain Alan Portis. The Devils scored 34 points to 38 for Sebring and 40 for Santa Fe of Lakeland to capture their second straight meet victory and set the season record at 5-2. Portis won top honors with a 16:56 winning time. It was a personal record for the hard-working junior Red Devil runner.

Portis got plenty of help from his young teammates as the Devils displayed some superb team balance. Sophomore Mark Myers placed sixth in 18:37. Then the Devils took places 8-15 as a mass of Red clad runners racked home. Jerry McKenzie was eighth in 19:21, Tim Cribb ninth at 19:23, Mike Knight tenth at 19:51, and Craig Skipper next in 19:52 to wrap up the Devil varsity scoring.

The Avon Park squad was slated to run against Hardee, Frostproof, and

Sebring in Sebring last Tuesday, Oct. 4. The results of that meet will be carried in next week's issue of the Avon Park Sun. The next meet for the Red Devils will be the Hardee Invitational in Wauchula on Oct. 13. Over fourteen teams are expected to take part in one of the major contests on the Devil schedule this season.

"Alan has been just super for us this season," stated Brojek. "He has assumed the leadership role in only his second season in the sport and is rapidly developing into an outstanding runner."

The young coach continued, "Mark Myers has done a great job for us also, and he will be under \$1:00 the next time he runs I'm sure. Right now we need to move our third, fourth and fifth men down under that 18 minute mark in order to continue to improve. That's our goal for this week."

## Pinecrest Golf Winners

The Pinecrest Country Club Women's Golf Association held its first major tournament of the season, Sept. 24 and 25.

The 36-hole stroke play event was sponsored by the Barnett Bank of Sebring, with silver Revere bowls awarded to the first low gross winner of each flight and to the first and second low net winners of each flight.

Winners by flights were: A Flight low

gross: Mildred Ford; first low net, Helen Griffith and second low net, Barbara Lee.

B Flight, low gross: Ruth Stevenson; first low net, Joyce Thompson and second low net, Helen Eppelino.

C Flight, low gross: Edith Godwin and first low net, Mark Ostling and second low net, Pat Smith.

AVON PARK HIGH School cross country runner, Alan Portis finished second in a four school meet at Sebring, Tuesday Avon Park taking top honors, Tuesday afternoon. Sunphoto by Rick Moyer.

## Middle School Girls Bat Out First Win

The Avon Park Middle School girls' softball team won its first game of the season by a score of 9 to 4 over the Wauchula team here at the Avon Park Little League Field last Thursday afternoon. The Avon Park team is coached by Norma Hawk and John Russ.

Today (Thursday) the Avon Park eighth graders will go to Sebring to play the Sebring Middle School girls team at 4:15 p.m. The following Thursday afternoon they will travel to Lake Placid and on Oct. 20 they will be in Wauchula for a return game with the Hardee Middle School team.

Last Thursday afternoon, the Wauchula girls jumped off to a 3 run lead in the first inning. But in the third frame, Avon Park took the lead with four runs as

Sandra Warren hit a double and Tracy Brown singled. Sandy, Tracy, Charlotte Hart, and Linda Knight scored runs.

In the fifth inning Tracy Brown scored another run as Charlotte singled, and in the sixth inning Avon Park scored four more runs on singles by Sandra Warren and Linda Johnson, Linda Knight, Camille Culbreth, Sandra Warren, and Sherri Johnson scored the runs in the sixth.

Wauchula managed to score one more run in the seventh inning, but Avon Park held on for the 9-4 victory. Also getting hits for Avon Park were Vickie English with two singles and Camille Culbreth with one single.

The Avon Park line-up had Tracy Brown at second, Charlotte Hart at shortfield, Linda Knight at third, Charlotte Culbreth in leftfield, Linda Johnson at shortstop. Ruth Rowe on first, Vickie English pitching, Pat Sparks catching, Sandra Warren in center, and Sherri Johnson in rightfield.

AVON PARK MIDDLE School shortstop Linda Johnson catches a fly ball during a game with Wauchula last week as thirdbaseman Linda Knight backs up the

action and secondbaseman Tracy Brown covers second. Avon Park won the game 9-4. Sunphoto by Lew Miller.

DON FORD MAKES a minor adjustment in the hanging of his 89 inch long Atlantic

Sailfish, that he caught on 30 pound test line off Cozumel Island in the Gulf of

Mexico. Sunphoto by Lew Miller.

## Ford Angles In Sailfish

A fishing dream came true for Donald Ford at Cozumel Island off the Yucatan Peninsula in the Gulf of Mexico last May 24, as an Atlantic Sailfish took his bellyhook bait for an exciting 30 minute struggle to land the fish.

Using a 30 pound test line with the bellyhook bait skittering along on the surface of the water enticed the 89 inch long sailfish to take the hook. The long slender fish weighed in at 57 pounds. The catch was made from aboard a charter saltwater fishing boat.

Mounted in Ft. Lauderdale, the fish was recently delivered and placed over the door to Don's office.

This is a Brahma Bull! But it is No Bull That The "Home-Operated"

## SFJC Tennis

### Classic To Benefit Scholarship

Entry deadline for the South Florida Junior College Tennis Classic will be 3 p.m., Thursday, October 6, 1977. All players desiring to enter the tournament are encouraged to send their entry form in as early as possible. Entry blanks may be obtained in the SFJC student center, from any member of the SFJC tennis team, from Coach Al Marrow, or by phoning (435-6661). Last minute participants are encouraged to phone their entries in to the college (435-6661) prior to the deadline.

The cost for participants in the classic will be \$3 donation per event per person. All participants will be required to provide a new can of tennis balls for the first match. The winner of the match will then inherit the unused can of balls and move on to the next round. Men's play in ten different divisions, to include both 'A' and 'B' brackets, will begin on October 7 and continue through Saturday, November 5. All matches will be played at the participants' mutual convenience on any neutral court in the South Junior College district. Scores may be phoned in following each match, and the winners will then go on to the next round of play. Finals for the tournament will be held November 5, on the SFJC courts.

## Height Restrictions

SR 621, north of Lake June in Winter, which he plans to sell. Approval of the plat is needed before the land can be sold.

Hudeck's attorney, James Livingston, told the board one of the three lots within the property is only 50 feet wide, too small for construction to be permitted under subdivision regulations. This lot is used for access to a boat basin.

Commissioners agreed to the request, if the deed stipulates the narrow lot is to be used for access to the basin.

The second variance request was from Harold Black and involved construction of a straight, dead end, street in a development planned off SR 17.

The road is to extend beyond the 1,000-foot minimum on straight stretches of roadway. Restrictions limit straight road length to prevent drag racing and speeding in subdivisions.

The variance was approved because the lots in the development are going to be about an acre in size. The size of the lots mean fewer persons would be living on the roadway and there would be fewer

persons to speed on the street.

The board heard the annual 4-H report presented by Susie Handley. Other 4-H members with Miss Handley were Lisa Hines and Mike Ashton. Also attending the meeting were Mrs. Mae Jeanne Peppers, 4-H paraprofessional, Miss Becki Brock, extension home economist, and Tim Hurner, county extension director.

In other business the board approved: —Setting public hearings on Nov. 1 to appoint three alternates to the Zoning Board, three alternates to the Board of

Adjustment, and implement an increase in the sheriff's civil service fee.

—Approved contractual agreements between CETA (Comprehensive Education Training Act) and Services Over 60 and HOPE of Highlands County. The contracts are similar to those between CETA and Avon Park.

—A request from Avon Park that Pleasant Street be widened and resurfaced. Commissioners said the priority list of road projects has been approved for this year. The request will be considered next year.

## Bombing Range Softball

On Tuesday, Sept. 27, in the first game of a double header, the C. E. Misfits played the C. E. Bee's and came out ahead 10-5. In the second game the E. W. Nads went up against the S. P. Mad Dogs. The Nads edged by the Mad Dogs to win at a score of 15-11. Danny Robbins hit a homerun in the first inning, bringing in three runs, to start the Nads on their way to victory. On Thursday, Sept. 29, the E. W. Nads

meet the C. E. Bee's in a close game of competition. The Nads eventually came out ahead with a win of 4-3. In the second game of Thursday nights double header, the HQ Bombers battled it out with the C. E. Misfits and won 3-4.

Softball is going strong. Come out and support your favorite team. Games are held each Tuesday and Thursday nights at 6 p.m., weather permitting.

LADIES SOFTBALL Ladies softball will have their first practice session on Sunday Oct. 9 at 5 p.m. at the base field. All ladies and girls, who are 14 and over by June 1978, are encouraged to come out and play. Tryouts will begin this Sunday, Mr. B., from Civil Engineers will be coach.

## HCTA Hold Tourney

There were over 50 entries and four winners in the Highlands County Tennis Association singles tennis tournament held at Harder Hall in Sebring last weekend. Ted Roberts and Vi Marrow topped the men and women's "A" meets, and Carolyn McLeod and David Carter walked off with the "B" trophies.

Due to the large number of players, the tournament spilled over to the South Florida Junior College courts Saturday afternoon according to tourney director Ken Haysley.

In the finals, played Sunday afternoon, Carolyn McLeod defeated Carol Henson 6-0, 6-2 to capture the first place trophy in the women's "B" class. David Carter won a hard fought victory over Joel Wright to win the first place trophy in the men's "B" class. The match went three sets with David winning 4-6, 6-4, 4-6.

Vi Marrow defeated Marcia Handley in the finals of the women's "A" class by a score of 6-4, 6-4 to win the first place trophy in that division.

Ted Roberts, former state junior's champion in Kentucky, was the winner in

the finals of the men's "A" division topping Al Marrow 6-4, 6-3 for his trophy.

## 4-H Awards

The 12th annual 4-H Awards Banquet was held Monday at the Agri-Civic Center in Sebring, with the theme "Freedom To Be". This is the national theme for the 1977-78 4-H year.

Awards were given for work done on record books, with 4-Hers receiving blue, red or white ribbons. Medals were given to the top four record books in many categories. 4-Hers receiving record book awards were:

Avon Park: Debbie Casey, Robin Clenney, Susie Maxwell.  
Fair Award — Weight Gain — Robin Clenney (Sponsored by Carla Enterprises).

The banquet was planned and carried out by the 4-H County Council, with the help of Tim Hurner, extension director and Mae Jeanne Peppers, 4-H paraprofessional.

## James R. Goodwin Receives Scout Of The Year Award

Scout James R. Goodwin was the recipient Wednesday night of the Golden Tomahawk Award, presented annually to the outstanding member of Trail Blazing Troop 156. James received the award at the Troop's fall Court of Honor held in Fellowship Hall of the Congregational Church.

James, 17, is the son of Mr. and Mrs. Charles Goodwin. He holds the rank of Life Scout with nineteen merit badges. He has been active in Troop 156 for six years, serving as Patrol Leader, Assistant Senior Patrol Leader, and Junior Assistant Scoutmaster.

James was a member of the 1975 summer camp staff at Camp Flaming Arrow. He attended the Eighth National Scout Jamboree at Moraine State Park, Pa. in 1973, Troop Leader development training in 1974, and was a member of the 1976 Philmont Expedition to Cimarron, N. M.

James is a Brotherhood member in the Order of the Arrow, a junior at Avon Park High School and is employed by Burger Queen.

In the Court of Honor Ceremonies, the rank of Tenderfoot Scout was presented to Kenny Warner, Rodney Rider, Eric Ebersbach, Robert Daubach, Dennis Leadingham, Juan Sanchez and Dwayne Ladrie.

Second Class awards were presented to Gordon Scott, Richard Douglas, and Mark Elkhill.

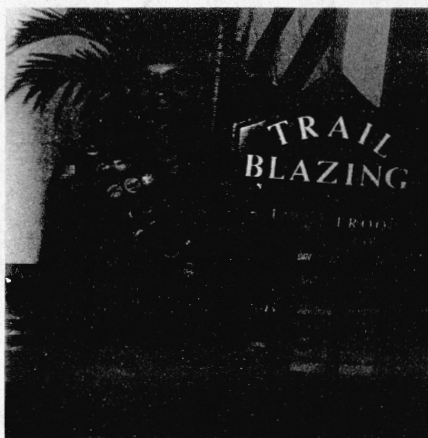

A First Class award was presented to Alan Bennett.

Paul Ebersbach, Troop Advancement Chairman, presented Star rank awards to Billy Barben, David Bennett, Jacques Thomas, and Kenny Shields.

Scoutmaster Larry Hooper presented the Life Award to Greg Batty.

Preceding the awards ceremony, Troop Committee Chairman Fred Henly outlined some of the activities the Troop has planned for the coming year, and

Scoutmaster Larry Hooper presented the plans for the Troop's trip to the Grand Canyon and Philmont Scout Ranch next July.

SCOUT OF THE YEAR award was given to James Goodwin for his many scouting

activities at Troop 156's awards night. Sunphoto by Hooper.

## Avon Park Bombing Range News

Twenty-one men of the 56 Combat Support Squadron based at the Avon Park Air Force Range recently completed a 54 day tour of duty in Europe. These men, all from the Electronic Warfare Branch of the squadron, were in Europe at the request of HQ U. S. Air Forces Europe (USAFE) to participate in various scheduled military exercises in Denmark and Germany. This was the first such European deployment by the 56 CSS.

Three giant US Air Force C-141 transport planes carried the men and equipment from MacDill AFB Base in Tampa to Ramstein AB, Germany and back. The men then drove several hundred miles from central Germany to western Denmark in a convoy of government vehicles to participate in a Danish military exercise on the shores of the North Sea.

Capt. Aaron C. Alldredge, the only officer in the group, was deployment commander, and was ably assisted by Chief Master Sergeant Johnny Ervin and Master Sergeant Vernon Riddle.

The following is a direct quote from a message received from HQ USAFE to HQ TAC and 56 CSS: FULLY APPRECIATE YOUR SUPPORT IN PROVIDING THIS VALUABLE TRAINING ASSET TO PROVIDE TRAINING TO U. S. AND NATO AIRCREWS. FEEDBACK FROM EXERCISE OSKBOEL 77 INCLUDES

MANY FAVORABLE AIRCREW COMMENTS REGARDING THE REALISTIC THREAT ENVIRONMENT AND TRAINING OPPORTUNITIES PRESENTED BY THE MPQ-10.

Welcome back men, and congratulations on a job well done.

S-Sgt. James Purdue has returned to the Surgical Clinic at MacDill AFB Regional Hospital. He was here TDY, temporary duty, for 30 days in which he assisted the NCOIC of the Dispensary, S-Sgt. Bob Grimwood, as an emergency

medical assistant. Sgt. Jimmy Lansford has returned to the Air Force Range after 30 days TDY at MacDill AFB NCO Leadership

School. He has resumed duties as an emergency medical assistant in the Dispensary. Welcome back Jimmy, we missed you.

# New Artist In Town -- Norma Riley

Back in the mid-1930's little Norma Balding began her artistic career by drawing portraits of movie stars from movie magazines.

It is now the 1970's and she is now Norma Riley, who has long since grown up and developed into a gifted artist. Fortunately for Avon Park, she has brought her talents to this community.

## Artistic career begins by drawing movie star portraits.

Born in Olney, Ill. ("It's not close to anything"), Mrs. Riley grew up in Lawrenceville, Ill. where there were virtually no art instructions available to encourage and develop this young artist. She was finally able to take basic oil painting lessons for the modest sum of 50 cents a lesson.

One of her most interesting learning experiences came when she, her husband and their two children were on a three-year duty tour in Okinawa. She studied under a native gentleman who spoke no English, but taught her through demonstration.

Until her recent move to Avon Park, Norma lived for the past 19 years in the Cocoa Beach area. It was here — at the Space Coast Art Show — that she won her first award.

Mrs. Riley has been invited to participate in every Space Coast Art Show since its inception fourteen years ago. She notes that it is becoming increasingly more difficult each year to be accepted into this art show.

"In addition to an entrance fee, prospective entrants must also send in slides of the category in which they wish to enter. Then a judgment is made whether or not the artist can actually enter."

Since that first award several years ago, this charming artist has been the recipient of numerous awards. Most of these awards have been won in the "People's Choice" category — those art works which appeal most to the people attending the art show.

Capturing local scenes on canvas is her favorite form of artistic expression.

## Enjoys working with all techniques.

"I started doing this while we were in Germany when I began collecting small pictures of local — scenes and painted from them."

"This was the only instruction that was available to me even through high school. I registered for an art appreciation course in my senior year and that was cancelled, so I had to take a chemistry course, instead," she recalled.

Undaunted, Mrs. Riley was finally able to study professionally at the Corcoran Art Gallery in Washington, D. C. where she and her Air Force husband lived for four years. It was here that she also sold her first painting.

Even though her talents have developed and matured, Norma has never lost the desire to stop learning and continues to take lessons in new, as well as old, techniques — "there is so much more you can learn in a class than you can on your own."

## Desire to learn is unending; continues to take lessons.

"Taking classes gives you something to aim for," she notes.

On the right is one of Norma's favorites -- a portrait of her son, Charlie

Painted as a class project.

She has continued to use this technique throughout the years and it naturally followed that this was one of the first things she did when she came to Avon Park. She has already painted one miniature and one large painting of the Gazebo on the Mall.

## Most awards have been won in the People's Choice Category.

"People really seem to like the local scenes, whether they are seascapes, landscapes or whatever, and pleasing them is what especially pleases me," she said.

Norma, always enthusiastic about her work, uses a variety of mediums in her artistic endeavors — oils, acrylics, water colors, pen, pastels.

Although she especially enjoys painting miniatures, her paintings range in size all the way up to 24"x36".

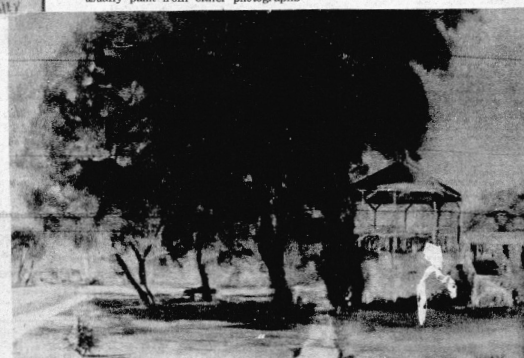

"I enjoy doing everything, working with all of the different techniques. I usually paint from either photographs

which I have taken or sketches which I have drawn free hand," she commented.

The next two months promise to be especially exciting ones for the newly arrived artist. In October some of her art works will be exhibited at the City Library. Then, during November, she will participate in not only the Space Coast Art Show, but also in the November 12 Sebring Art Show — "this will be my first art show in this new territory and I am really looking forward to it."

A widow, Norma has two children — a son, Charlie, and daughter, Mira Miller who lives in Houston with her husband, Mike and young son, Christian. Norma's parents, Charles and Pauline Balding, retired in Avon Park fourteen years ago.

## Paintings will be exhibited at library during October

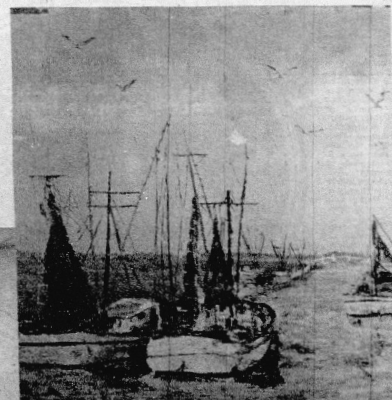

A familiar scene -- the Gazebo on the Mall. Capturing local scenes on canvas is Mrs. Riley's favorite form of artistic expression.

Artist, Norma Riley

Marine Sergeant Elijah Fogle, son of Mr. and Mrs. Colville M. Fogle of 813 S. Delaney Ave., Avon Park, is participating in the major NATO exercise "Display Determination."

## Sgt. Fogle Is With Marines In NATO Exercise

He is serving as a member of Battalion Landing Team Two Six Six based at Camp Lejeune, N.C. This unit is a ground element of the 32nd Marine Amphibious Unit.

The command has joined naval forces from Portugal, Italy, Greece, Turkey, and the United Kingdom for the combined exercise which includes amphibious operations, amphibious assault landings and antisubmarine warfare maneuvers.

"Display Determination" is designed to train NATO naval forces in combined sea operations, refine NATO standardized doctrines, equipment and armaments, plus command and control procedures for coordinated action by NATO sea, land and air force.

The operation will evaluate allied capability to control Mediterranean Sea lanes, plus reinforce and resupply ground forces in Southern Europe.

Acting as opposing forces, NATO units will simulate surface, subsurface and air attacks along the convoy routes. A series of amphibious landings also are scheduled at Sarcos Bay, Turkey, with follow on exercises continuing ashore.

A 1969 graduate of Avon Park High School, Sgt. Fogle joined the Marine Corps in October, 1969.

THE JUNIOR CLASS of Avon Park High School will begin their magazine and record sales drive on Tuesday, October 11. Proceeds from the drive, which will last two weeks, will be used for the Junior-Senior Prom. Pictured above are members of the

Magazine Sale Committee, which includes officers and Advisory Council members of the Junior Class. From left to right on the first row, are: Katrina Connors, Advisory Council; Paul Balleentine, President; Rhonda Landress, Vice-president; Traci Hill,

Secretary; Decaris Jones, Advisory Council; Cindy Evers, Advisory Council; Denise Blackman; Sharon Hicks; Michele Epstein; and Ted Johnson. Absent were Tammy Welch, treasurer and Ellen Macklin, Advisory Council member.

## Free Blood Pressure Check Set

On Wednesday, Oct. 12, the Multiphasic Screening Van will be at the Pantry Pride shopping area from 10 a.m. to 4 p.m. to check blood pressure, diabetes, hemoglobin and glaucoma.

This health screening program is brought to the Avon Park area as a public service by the Seventh Day Adventist Church. There is no charge for this service and the public is encouraged to take advantage of this offer.

Tests for diabetes can only be provided for those persons who have eaten the prescribed diet, on schedule. Two hours before the designated appointment time, a person should be finished eating and he should eat all of the following: one cup of orange juice, one cup of cereal with one tablespoon of sugar added, one cup of milk on cereal, two slices of toast with one tablespoon jelly, one egg (if desired) and a hot drink.

Following breakfast and until the tests are completed, do not eat or drink anything

except water. Persons taking the test cannot chew gum, smoke, eat candy, etc., otherwise the test will not be valid.

Appointments are necessary only for persons wanting the diabetes test. For appointments call 453-7548 between 9 a.m. - 5 p.m.

## Southside Park News

BY CALVIN GIBBS

Welcome to Southside Park Community News. I also welcome the residents of Southside Park to come forth with more news in order to continue this column. I would appreciate some assistance in writing this column, or for that matter turn it over completely to anyone who has the time to write it.

It doesn't require too much ability as evidenced here and in past editions. The hot weather, illness and unemployment remain the main topics for discussion around the park, while football and church are the major sources of activity.

Business has been slow due to migratory work, but many who left are expected to return soon.

Special Consideration for Blacks:

In one of last week's editions of the Tampa Tribune, I read an article in the Commentary Section which did not refer to President Jimmy Carter's business as a positive, special consideration for Blacks too kindly. Well as a Black to me this was nothing new except that the president's inference was a positive, special consideration as opposed to negative special consideration which has and still does exist, only not on quite as wide a scale as before. I would like to pay a special honor, however to the past, present and future Harriet Beecher Stowe's who have, do now and always will dedicate themselves to the causes of humanity regardless to race, creed, or color, be ye minority or majority.

Signed Calvin Gibbs

Church News: The Apostolic Church of Jesus began Sunday School 10:30 a.m. Assistance Superintendent Sylvia Hicks in charge.

Morning service began 11:30 with Deacon Fred Corner and Deacon Ben Hicks conducting devotional service. Had praise service and the mass choir gave the gospel in song. Elder

Brown brought message from Galatians 3:1 and 5:7 using for a subject: "Holiness Alone Is Right". Preached with power, was enjoyed by all.

Evening services began at 6:30 p.m. the two named Deacons were in charge of service. Elder Weatherspoon brought the message from St. John 9:1-14 verses were joyful. Followed by Elder Brown, preached with power. Afterward had commune service and Feet washing.

Services were enjoyable all Day.

Elder Thomas J. Brown, Pastor

Special Announcement:

There will be a meeting of the Avon Park Branch of the N. A. A. C. P. Tuesday Oct. 11 at the Bethel Baptist Church Annex beginning at 7:30 p.m.

The 1977 membership cards will be available at this meeting so all members are asked to attend and bring a friend.

Homestead Girl to be Featured:

Mrs. Theresa Wilson Cox, formerly of Avon Park, will be featured in a concert on Sunday night, Oct. 9, at 8 p.m. at The Church of God in Christ. Elder C. Black, Pastor. Hospitalized at Press Time: Viola Antonie and Daisy Seacor.

## Notice Of Election

PEOPLE TRUST ECKERD'S FOR QUALITY PRESCRIPTION

## Winter

By Lorene Weber  
We received word last  
that James J. Miller had  
surgery in Medical  
University, Beaver  
Penn., 1970. He would  
be hearing from  
members. In November  
will be 91.

Shuffling Report  
On Wednesday there  
two four-game winners  
courts, Alton Wetmore
