Residents To Pay More

5,000 gallons, 80 cents per 1000 gallons; next 5000 gallons and 50 cents per 1000 gallons; all over 10,000 gallons, 50 cents per 1000 gallons. Outside of the city rates are somewhat higher. Minimum bill inside of the city is \$5.00. Outside of the city, \$5.30. If adopted the new rates will be effective after Sept. 30, 1977.

A second ordinance, affecting the pocketbook, No. 619 concerned an increase in sewer rates and sewer tap fees. For four family residents, hotels, etc. the rate would be set at the billing for water.

For buildings and other uses outside

of the city limits a special study and approval by the city council are required before connecting to the city sewer system.

Final passage of this ordinance would set the sewer connection charge at \$100 and if a stubout or street patching are required the fee would be \$150. If the ordinance is approved billings would be in effect after Sept. 30, 1977.

A thirty five mile roundtrip to the county landfill site at DeSoto City plus a landfill charge of approximately \$10,000 per year was cited as responsible for Ordinance No. 620 on changing garbage

pickup rates, which was placed on first reading.

The rates specified in the proposed ordinance for the collection of garbage and waste are as follows: Single-family dwelling, \$3 per month; two-family dwelling, per unit, \$3; apartment houses, per unit, \$3; hotels (meals not served) \$4; commercial (three weekly pickups) \$8; garages and service stations, including junk tires \$4, and \$6; office buildings, \$3; hotels (meals served) restaurants, drug stores, etc. \$16 and trailers (parks with 75 per cent occupancy), \$3.

Camphor near the middle school site, "at no cost to the board."

He added that Avon Park has agreed to close portions of

3 Middle School Solutions Given

The Highlands County School Board heard a report from their recently hired architectural consultants Tuesday night that indicated any improvements on the Avon Park and Sebring Middle Schools will cost in excess of \$4 million.

Joe Pavlechak, of the Dainwood, Perryberry, Pavlechak Partnership, of Casselberry, outlined three possible solutions to the aging middle schools' problems, beginning with the prospect of refurbishing the present facilities.

"We have inspected the sites, and it is very difficult to render a cost estimate on refurbishing, since the board has not yet indicated how far they would like to go on the project," said Pavlechak.

"Overall, we found many inefficiencies at both sites. When the buildings were constructed 30 years ago, they totally neglected items which are of paramount importance today. Things like energy efficiency, student population growth, and facilities for the handicapped."

All in all, he concluded that to spend money attempting to refurbish the existing buildings would be a "poor investment" of approximately \$4.7 million.

"It would be little more than an expensive face-lift and there's really no telling how long the buildings would last."

A second solution, "probably the best solution terms of long-term benefits, according to the architect, would be to build new facilities, at a cost of \$5.7 million."

"This would meet all our educational specifications, and would last at least 30 years down the line." It is more money, but I think it is within your resources."

The third answer would be to refurbish part of the existing buildings, in addition to constructing certain new facilities on present sites.

"This would cost about \$4.2 million according to our figures," said Pavlechak, "and would probably be the best answer for the money involved."

He said that some of the cost of Sebring would be to purchase five pieces of property, "to make the site more adequate for our needs."

At Avon Park, there would not be any substantial purchase required.

Pavlechak also asked the board to consider the "disruption of the school program" during construction, hinting that refurbishing the facilities would cause "considerable disruption among 800 to 900 students there and that new schools on new sites would cause no disruption."

Although he told the board that the architects "could use an answer tonight as to which way we're going to go," the board declined to make a decision.

"Something of this magnitude and cost is going to require at least some consideration," said chairman Ruth Davis, who decided that the board could discuss the situation at a special meeting later this month.

The only comment on the plans was made by Ken Grady, who said he saw no reason for moving the middle school sites. "I've been here for 15 years, and I have seen the areas change the direction of their growth several times. We can't say where it's going to be 15 years from now, and I see nothing wrong with leaving them where they are."

Superintendent Dr. Dan Davis said that Sebring City Council has indicated it would close portions of Orange and Hyacinth near the middle school, if the school board

would pave two blocks of Euclaypts.

"This would direct traffic away from the middle school

Sales Taxes Grow

Sales and use taxes have proven to be a prime revenue source for the states, notes Commercial Clearing House. Fiscal 1976 sales tax collections rose 10.6 per cent over the 12-month period ended June 1975, to \$24.72 billion.

Public Notices

INVITATION TO BID

The City of Avon Park will receive bids for the demolition and clearing of debris from the burned building known as the Coca-Cola Plant on Tulane Circle. Work shall include tearing down the standing walls, demolition of any existing sub standard building, filling and leveling of the basement area and removal from the site of all trash and debris. The slab is not included. Legal description of the property is cleared by.

That part of Lots 12, 13, 14, inclusive, West of the railroad line, the Railroad R. & W. and less a tract 40 feet wide to S.A.J. R.R., in Block 96, Section 31, Township 31 South, Range 28 East, Avon Park, Highlands County, Florida. Owner: Robert D. Young.

Bids will be received until 2:00 P.M. Monday, August 22, 1977 at the City Hall, office of the City Clerk. The City reserves the right to accept or reject any or all bids or parts thereof.

Women's Slowpitch Tourney Set

City clerk Malcom Crews reported to the Avon Park City Council that the Men's Fastpitch Softball State Tournament at the Volunteer Ball Park Complex was reported to be a success by the tournament manager Kenneth Tate.

GUEST SPEAKER at the Wednesday meeting of the Avon Park Rotary Club, Dr. Bernard Lester of the Florida Citrus Commission, Winter Haven, spoke to the Rotarians on the size and value of Florida citrus.

Any profits from the tournament are to go to the Senior League.

Work on the concession stand is moving slowly. While the plumber is ready to complete the bathrooms he is afraid that there will be damage by vandals because the windows are not in place and the doors have not been hung.

Mayor Davis promised to inquire at the Avon Park Correctional Institution for a carpenter crew to help finish the carpentry work on the concession stand.

George Wilkes appearing before the council for the Women's Slowpitch Softball League stated the women would like to hold a tournament for women at the ball complex on Aug. 19-21. The tournament to be sponsored by the Avon Auto Parts. The council approved the request for the women's tournament at the complex.

It was reported by Fire Chief Mack Flowers that Ronnie Jackson wished to hold a slowpitch tournament this coming weekend and supposedly had contacted some councilmen about it. The slowpitch softball tournament would be sponsored by the Avon Park Senior League. The council approved the tournament for Aug. 12-14.

It was reported by Bob Prior that the

Police Department had challenged the men of the Fire Department to a softball game and would be scheduled soon.

Avon Park Tag Office To Open

Highlands County Tag Agent, Jimmy Whitehouse announced that the Avon Park tag offices will be opened in the County Building on South Lake Ave. from 9 a.m. until noon and from 1 p.m. until 5 p.m. on Tuesdays and Thursdays.

Whitehouse stated that Avon Park residents can purchase license tags, renewal decals and make necessary car title changes, thus eliminating many trips to the courthouse for local residents.

The office will remain open as long as trained help is available, stated Whitehouse, with Sarah Houpe being in charge at the Avon Park office.

Football Ducats On Sale For Season

Reserved seat and season football tickets for the 1977 Red Devil season went on sale at the Avon Park High School office last Monday, Aug. 1. Renewal of reserved seat tickets may be taken care of this week and through Aug. 19 by paying \$3 per reserved seat ticket plus purchasing a season ticket for each reserved seat ticket. Season tickets will sell for \$8 for adults and \$4 for students.

Only persons already holding reserved seat tickets may purchase the same seats through Aug. 19. Then from Aug. 22 through Aug. 26, tickets may be exchanged for any available seats in the section in order to get seats all together.

Starting August 29, any remaining reserved seats will go on sale to persons who have contacted Peggy Sizemore or Athletic Director Joe Franzia after August 8. There will be a waiting list for those who desire to purchase tickets for the first time.

Franzia has reported that additional reserved seats will be made available

this season in the section between the present reserved seat section and the band section. The Avon Park band will move to new seating area this fall for the five home games.

Wildlife Officers Named

Wildlife officer Paul Hoover stationed in Dixie County has been named "Outstanding Wildlife Officer of the Year."

The announcement of Hoover's selection was made at the meeting of the Game and Fresh Water Fish Commission Friday, July 29, in Homosassa. Hoover has been employed by the Commission since 1973, beginning as a game manager with the Division of Wildlife. He transferred to Law Enforcement in 1974 where he has proven himself to be an excellent representative of the Commission.

Professionalism, confidence,

Senior League

Tourney At Ball Park

The Avon Park Senior League Invitational Slowpitch Softball tournament will be held at the Avon Park Volunteer Ball Complex starting tomorrow night, Friday, August 12, and will run through Sunday evening with twenty teams expected to enter.

Commercial League Closes Out Season

Jackson Masonry won two games in Avon Park Men's Commercial League Slowpitch Softball last week to remain undefeated and lead the seven team league with an 11-0 record. APCI held on to second place in spite of a loss to Jackson's with an 8-2 mark. Air Force finished last week with a 5-4 record good for third place and Coca Cola won two games but lost to A. P. & B. in a make-up game last Monday night to tie A. P. & B. for fourth place with a 4-6 record.

Agra Chem was in sixth place with a 3-7 record. The Avon Park Eagles remained winless with an 0-10 record. This week's play will close out the 1977 summer season. Last Tuesday night Jackson's was to play Coca Cola and Air Force was to take on the Eagles. Last (Wednesday) APCI was scheduled to meet Coca Cola and Agra Chem was to meet Avon Paint & Body. Tonight it will be Agra Chem vs the Eagles at 7 p.m. and APCI against Air Force at 8:30 p.m.

Last Monday night a make-up game between A.P.&B. and Coca Cola was scheduled and a game between Air Force and A.P.&B. is still to be played.

In action last week Jackson Masonry defeated APCI 16-2 and Air Force outscored Avon Paint & Body 10-3 on Tuesday night.

Rained Out Games Delay Church League

Regular season play finished up last Monday night in the Avon Park Church Slowpitch Softball League but there are still three rained out games to be made up before standings are complete. The First Baptist No. 1 team lost its second game of the season last Monday night by a score of 7-3 to the Seventh Day Adventists to give the Nazarenes a shot at the championship.

The Nazarenes were 10-1 going into a make-up game with the Seventh Day Adventists last Tuesday night. A win by the Nazarenes would give them undisputed first place but a loss would tie up the title between the Nazarenes and First Baptist No. 1.

After play last Monday night the standings were as follows: Nazarenes 10-1, First Baptist No. 1, 10-2, Seventh Day Adventists 7-3, Episk 7-4, First Baptist No. 2, 3-4, Florida Avenue Baptists 2-4, and Fellowship Baptist 0-11.

The make-up games were between Nazarenes and Seventh Day Adventists, Florida Avenue, First and First Baptist No. 2, and the Fellowship and Seventh Day Adventists.

A tournament between the top four teams in the league is scheduled to start on Monday, August 15, at the new Avon Park Volunteer Ball Complex. The four teams involved should be the Nazarenes, First Baptist No. 1, Nazarenes, and the Seventh Day Adventists.

Hoover will represent Florida at the October meeting of the Southeastern Association of Fish and Wildlife Agencies.

Other wildlife officers in the final selection for the award included C. W. "Jerry" Daniels, South Florida Region; Barry Smith, Northwest Region; L. David Wilson, Everglades Region; and John M. Campbell, Central Region.

League expenses is the Avon Park Big League team for boys age sixteen through eighteen.

Commercial League Closes Out Season

Jackson Masonry won two games in Avon Park Men's Commercial League Slowpitch Softball last week to remain undefeated and lead the seven team league with an 11-0 record. APCI held on to second place in spite of a loss to Jackson's with an 8-2 mark. Air Force finished last week with a 5-4 record good for third place and Coca Cola won two games but lost to A. Other wildlife officers in the final selection for the award included C. W. "Jerry" Daniels, South Florida Region; Barry Smith, Northwest Region; L. David Wilson, Everglades Region; and John M. Campbell, Central Region.

No. 1 team may enter the meet also.

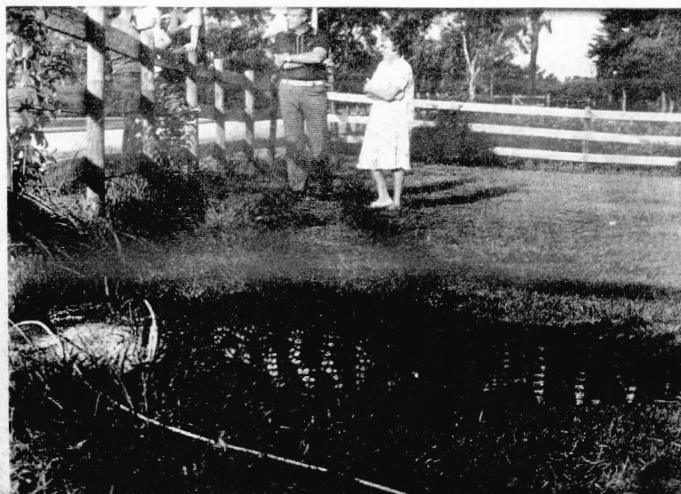

Starting at 7 p.m., Friday night, there will be two games played on separate fields and then two more games at 8:15 p.m. The final two games scheduled for Friday night will start at 9:30 p.m. Action will resume in the double elimination tourney at 9 a.m. on Saturday and the final games will be played starting at 12 noon on Sunday.

Fans are invited to come out to the Ball Complex located west of Highway 27 behind the Southern Motel and enjoy the games with no admission charge.

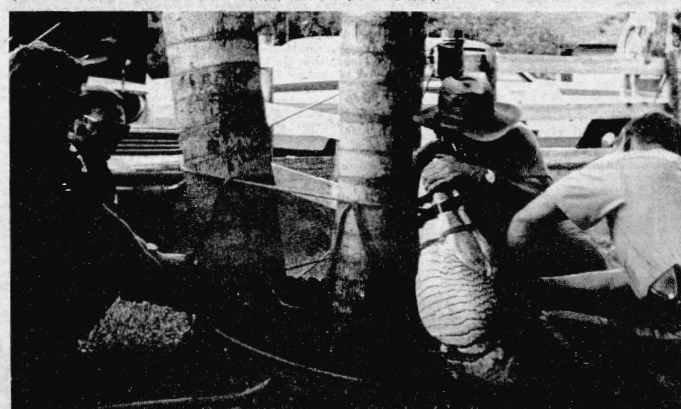

There will be plenty of action throughout the week-end and all proceeds from the concession stand will go for a good cause by keeping Avon Park boys involved in an organized baseball program.

Mother-Daughter Softball

A correction on the date for the Mother-Daughter slow-pitch game, sponsored by the Avon Park Recreation Department is the following. The game will be played on Friday, Aug. 26, instead of the originally scheduled date of Friday, Aug. 19.

"For the man who has everything!" as a bystander said, but Dr. and Mrs. B. C. Offling didn't particularly want this 10-11 Ft. long visiting Alligator for a front yard pet. Sunphoto by Lew Miller.

A tree and two strong Highlands County Sheriffs' deputies Jack Campbell (left) and Glen Bass holding the gators tail make it a bit easier for Florida Game and Fresh Water Fish Commission men and Dick Wack (Auxiliary) and Gary Richardson (Lakeland) to truss up the reptile. Sunphoto by Lew Miller.

Racquetball Tournament

The Summer Open Racquetball Tournament sponsored by the Avon Park Recreation Department will be held the last two weekends of August.

The singles will be held August 20 and 21; and the doubles will be held August 27 and 28. It is open to all area players. Please contact the Recreation Department at 453-6881 for more information.

The 1977 Men's State Fastpitch Softball Champion Hudson Brothers Team defeated Bartow Fabrication 1-0 in the eighth inning final game of the eight team State Tournament held here at the

Volunteer Ball Complex last week-end. Hudson Brothers has won the State Championship three times in the past five years and won runner-up in 1974. The State Champ will meet the Clearwater

Bombers in the opening round of the Regional Fastpitch Tourney to be held in Clearwater Starting Aug. 31. Sunphoto by Lew Miller.

RUNNERS-Up in the Men's State Fastpitch Softball Tournament held here

at Volunteer Complex, the Bartow Fabrication team played five games last

week-end before losing out 1-0 in an eight inning game with the Champion Hudson Brothers Team. Sunphoto by Lew Miller

Hudson Bros.

State Champs In Tourney

Hudson Brothers of Sarasota topped Bartow Fabrication 1-0 in eight innings to capture the State Fastpitch Softball Championship here at the Avon Park Volunteer Ball Complex last Sunday afternoon.

It was the second consecutive year Hudson Brothers has won the title. The Sarasota team also took the title in 1973 and came in second in 1974. The championship team is sponsored by George and Charles Hudson, Chiropractic Physicians from Sarasota and Bradenton.

Hudson Brothers will now advance to the Southeast Regional Fastpitch Softball tournament August 31-September 3, in Clearwater, where the state champions will open against the defending regional champions, the Clearwater Bombers.

Kenneth Tate, local A. S. A. Umpire, was responsible for bringing the eight-team state tourney to the new Avon Park Volunteer Ball Complex. The tourney had been scheduled for Winter Haven but the Winter Haven team disbanded so

Tate invited the tournament to Avon Park and was accepted.

In first round action last Friday night, Hudson Brothers defeated St. Cloud's 7-0. The 5-0 and Bartow Fabrication beat All-Pro Sports of Satellite Beach 4-0 in the 7:30 p.m. game. The St. Cloud Merchants won over the High Springs Cooling and Heating team and Tyndal Air Force Base's team knocked the Kissimmee Comets into the losers bracket with an 8-0 score in the second games of the Friday night session.

Last Saturday morning at 11 a.m. the St. Cloud 7-0 ers won over High Springs in the losers bracket and the All-Pro team knocked the Kissimmee Comets out of the meet with a 5-1 score.

Saturday afternoon at 1 p.m. Hudson Brothers advanced with an 8-1 win over the St. Cloud Merchants and Bartow Fabrication went fourteen innings before slipping by Tyndal Air Force 2-1 to advance to the finals of the winners bracket.

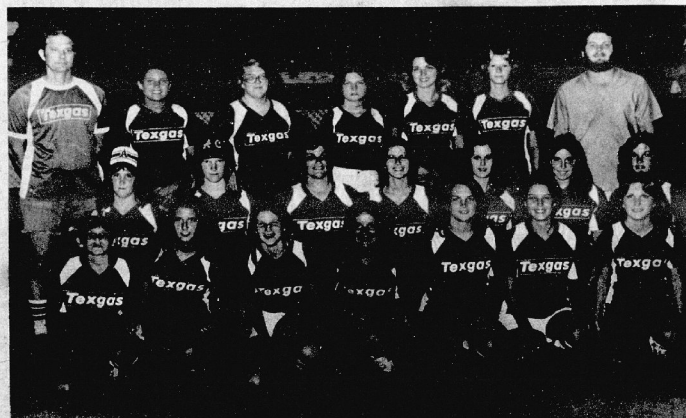

Saturday afternoon the All-Pro Sports team defeated the St. Cloud Merchants and Tyndal Air Force knocked out the St. Cloud 7-0 ers in action in the losers'

bracket. Saturday night Hudson Brothers won its third straight game with a 4-0 shut-out of Bartow Fabrication. In the late Saturday night game the All-Pro's knocked Tyndal Air Force out of the tourney.

Last Sunday afternoon the All-Pro Sports were eliminated by the Bartow Fabrication team but Hudson wrapped up the championship later Sunday afternoon with an eight-inning victory over the Bartow team by the 1-0 score. Hudson Brothers gave up only one run in the four games they played to win the state title.

The Bartow Fabrication team is sponsored by Carlton Stinson, formerly from Avon Park. The team from Polk County has been together for three years. It lost out in the district playoff last year and finished runner-up in state competition this year.

A former Avon Park Red Devil baseball player was the third baseman on the All-Pro Sports team from Satellite Beach. Dick Nagel, who played second base for Coach Guy Garrett, turned in a fine performance for the third-place team.

TEXGAS WOMEN'S Slowpitch Softball team will close out the seven game 1977 season tonight (Thursday) at 8:30 p.m. in a game against the first place Zodiacs at the Avon Park Little League Field. Texgas is 2-4 going into the game. Front

row from left: Balboy, Bette Arnold, Cindy Evers, Gail Staring, Cathy Barbaree, Cindy Young, Linda Henderson, and Barb Noaker. Second row: Laurie Welch, Maureen Murphy, Gloria Arnold, Nelda Flowers, Linda

MW, Carla Lundford, and Tammy Welch. Back row: Coach Donald Arnold, Janice Murphy, Mary Wright, Kara Elder, Bev Padgett, Cindy Greenway, and Coach Wayne Henderson.

Women's Softball Lead Disputed As Game Players Claimed Illegal

Avon Park Women's Slowpitch Softball play moved into the final week last Tuesday night when the Super Blacks were to play Scotty's and Jahna were to take on Cox Plumbing. Tonight the season will end with the Lady Foxes playing W. R. Grace at 7 p.m. and the Zodiacs' meeting Texgas at 8:30 p.m.

Standings were controversial at the end of play last week. The game between the undefeated Lady Foxes and the

Zodiacs ended with a protest. The Lady Foxes outscored the Zodiacs 16-6 in five innings, but the Zodiacs claimed the Lady Foxes played a player who had not been on the roster long enough. The game was forfeited to the Zodiacs by league officials but a hearing is scheduled for this week to clear up several claims that players have played who were not eligible according to league rules.

If the ruling stands up, the Zodiacs

will be in first place with a 6-0 record. The Lady Foxes will be 5-1 unless other games have to be forfeited because of ineligible players. Cox Plumbing and Jahna Concrete were tied for third place with 4-2 marks before their meeting last Tuesday night.

Texas and W. R. Grace were tied for fifth place with 2-4 record and Super Blacks were in seventh place with a 1-5 mark. The Scotty Furniture team finished out last week with a 0-6 record losing an extra inning game to Texgas last Thursday night.

On Tuesday night of last week, Jahna Concrete defeated W. R. Grace by a score of 14-1 in the early game and then the Lady Foxes and the Zodiacs played the second game. The decision was a 7-0 forfeit win for Zodiacs.

Last Thursday night Cox Plumbing came from behind to win a 19-9 victory from the improving Super Black team in a six inning game. In the second game of the evening last Thursday, Texgas outlasted Scotty's to win 12-10 in an eight inning game. Texgas scored three runs in the top of the seventh inning to tie the game up 8-8. In the eighth frame the Texgas girls scored four runs on four hits and then held Scotty's to two runs in the last of the eighth to take the 12-10 win.

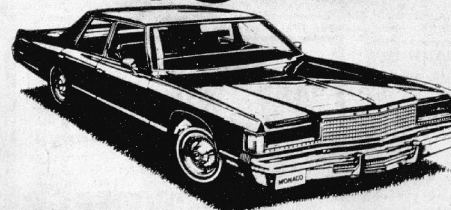

SCOTTY'S FURNITURE BARN women's slowpitch softball team closed out the 1977 season with a game against the Super Blacks last Tuesday night. The new entry into the women's league was

made up mostly of girls and women from APCI and the Air Force. Front row from left: Cindy Winegard, Valerie Cox, Rhodonna Thompson, Joy Horne, Kathleen, Irving, and Sharon Moody.

Back row: Coach Woody Wood, Pat Wood, Zandy Abbott, Lanett Hoyer, Betty Amburn, Betty McIntyre, Debbie Hodges, Lorri Prevatt, and Coach Jimmy Prevatt.

Avon Park

Standings In Women's League

Last Tuesday night the two undefeated teams in the Avon Park Women's Slowpitch Softball League, the Lady Foxes and Zodiacs, met to decide who would take over the lead in the standings of the eight-team league. Both teams went into the game with 5-0 records, tied for first place.

Cox Plumbing and Jahna Concrete were tied for third place with 3-2 records after play ended last week. W. R. Grace held onto fifth place with a 2-3 mark, and Texgas and Super Blacks were tied for sixth place with 1-4 records. Scotty's was in eighth place with an 0-6 record.

Cox 18
Texgas 5
In the section last week, Cox Plumbing defeated Texgas 18-5 on Tuesday night before a heavy rain washed out the second game. The Go

batters rapped out 12 hits to score the 18 runs and win their third game of the season. Sherri Collier and Pam Williams teamed up to hold the Texgas batters to

just four hits including a double by Mary Wright. Janice Murphy, Cindy Evers, and Maureen Murphy all had a single for Texgas.

Cerilyn Brannan hit a triple and a single for Cox. Debra Cox, Lee Ann Cason, Delores Cox, and Susie Skipper all had two singles for the winners. Ellen Macklin and Jeanne Cox added a single each for Cox for the twelve hits.

Zodiacs 20
Scotty's 4

On Wednesday night of last week, the Zodiacs outscored Scotty's 20-4 in three and a half innings due to the rule that ends a game if a team is ahead by fifteen runs after four innings or by ten runs after five innings.

Scotty's got only four hits. Kathleen Irving and Joe Horne got a double each and Cindy Winegard and Debbie Hodges hit a single apiece.

The Zodiacs got sixteen hits off Scotty's pitcher. Johnny Mae Griffin hit a homerun in the second inning and had a single in the other two innings at bat to

lead the Zodiacs batters.

Linda Hicks, hit three singles. Sylvia Blake, Linda Rowe, and Velma Walton had two singles each. Geneva Hayes, Irene Coleman, Cheryl Leverone, Sharon McRae, Maxine Blake, Sabrina Blake and Estelle Shaw all hit a single each for the Zodiacs.

Lady Foxes 11

Last Thursday night the Lady Foxes and Jahna Concrete played a close game that was tied up 7-7 going into the seventh inning. The Lady Foxes scored 4 runs in the top of the seventh and held Jahna scoreless in the bottom of the seventh to take an 11-7 victory.

The Lady Foxes got 13 hits off Jahna pitcher Doris Wilkes. Maxine Tate, Mary Ann Jackson, and Corrine Jackson all hit a double and a single. Bridgette Randolph and Ethel Pough had two singles each, and Tracy Jones, Evon Jackson, and Peaches McRae added a single each for the winning team.

Jahna batters got only five hits off

three different Lady Fox pitchers. Renee Carter had two singles. Betty Hilar and Phyllis Skinner hit a double apiece and Nancy Jones connected for a single in the exciting game. Bridgette Randolph came on to pitch in the final inning and was the winning pitcher for the Lady Foxes.

Super Blacks 19
W. R. Grace 2

The Super Blacks picked up their first win last Thursday night with a 19-2 victory over W. R. Grace in a three and a half inning game. The Super Blacks batters rapped out nine hits off losing hurler Cindy Lawrence.

Waneta Wiley hit three singles. Betty Gammage, Annie Perry, Barbara Wilen, and Shirley Rowe had a single each during their three innings at bat. The Grace batters got only three hits off winning pitcher Mary Lee Butler. Donnie Hulon had a double, and Cindy Lawrence and Janice Turnbull hit a single each for Grace.

Jane Nickerson

Food For Thought

Would you like to win \$10,000 in a cooking contest? Who, indeed, would not? I'm back from Jackson, Miss., where five Americans recently were awarded \$20,000 for recipes using chicken, corn oil and monosodium glutamate. The latter is a vegetable protein derivative, used for centuries in Oriental cookery that intensifies flavor. The occasion was the 29th annual Chicken Cooking Contest, at present sponsored by the National Broiler Council, a trade group, and the manufacturers of Masole oil and Accent monosodium glutamate.

As one of 11 judges in the contest, we examined all 51 entries, each the finalist in a state-wide tournament that included one in the District of Columbia. I'm convinced that any adult who feels like it should go into this competition. Interest and several dashes of luck were more important than years in a home kitchen or Cordon Bleu training, I concluded.

Ann Costa of Atlanta, \$10,000 top winner for her chicken ratatouille, said she had been preparing family meals for 40 years; she is a grandmother. Toni Fournier of Lincoln, Neb., born in South Korea, wife of a newspaper-computer salesman and mother of three delightful young daughters, also is an experienced kitchen practitioner. She won \$2,000 for her sesame chicken à la Fournier.

But the other three prize-winners were only occasional cooks. Dr. Linda L. Walsh, 27-year old professor of Psychology at the University of North Iowa, admitted to eating out often with her attorney husband. She went away with \$4,000 for her chicken in tomato-wine sauce. Jane K. Matsunoto of Honolulu, an elementary school teacher married to one, who came off with \$3,000 for her sesame seed chicken wings, said her husband said more of the home cooking than she did. He confirmed that.

And Buck Collier, whose chicken barbecue bueno, ranked fifth, with \$1,000 as trophy, said the outdoor-grilled dish was his only specialty, one he had been working on, he added, for years.

Had he been helped, one wondered, by his wife, a home economist?

The prize-winning recipes follow:

Chicken Ratatouille
Ratatouille is a vegetable stew, a specialty of Nice, France, compounded of tomatoes, eggplant and that highly popular vegetable nowadays, zucchini. Ann Costa, who won \$10,000 for this added chicken to the original dish and shortened its cooking time. Her recipe reflects the current interest in fresh vegetables and the desire to save energy for it. It may be cooked in 25 minutes. Its ingredients, Mrs. Costa said, should make the American Heart Association happy, because the calories and cholesterol are both low.

1/4 cup corn oil
2 whole broiler-fryer chicken breasts, skinned, boned and cut in 1-inch pieces
2 small zucchini squash, unpared and thinly sliced
1 small eggplant, peeled and cut in 1-inch cubes

1 large onion, thinly sliced
1 medium green pepper, seeded and cut in 1-inch pieces
1/2 pound mushrooms, sliced
1 can (16-ounce) tomato wedges
2 teaspoons garlic salt
1 teaspoon monosodium glutamate
1 teaspoon dried basil, crushed
1 teaspoon dried parsley
1/2 teaspoon pepper

Heat oil in large fry pan. Add chicken and cook about 2 minutes on each side. Then add zucchini, eggplant, onion, green pepper and mushrooms. Cook, stirring occasionally, about 15 minutes or until tender-crisp.

Add tomatoes, stirring carefully. Add garlic salt, monosodium glutamate, basil, parsley and pepper. Simmer about 5 minutes. Serve chicken on large platter with mound of rice in the center.

Yield: 4 servings.

Southside Community Park

By Calvin Gibbs
Hi Friends,
Welcome to Southside Park Community News. Again, there is not too much to report from this area. Plenty rain, hot weather, and unemployment. Some teachers and pupils are returning to begin a new school year later this month. Softball is the dominating sport and this seems to attract the largest crowds. The going shows seem popular also. The youths in Southside Park have made good use of the two mini parks which were erected in Eastside and Westside. Several churches have and still are conducting successful revival meetings and the annual missionary campaign is still in progress with meetings now held at Saint Mark every Tuesday morning.

Citizen of the Week

Sister Maggie Sims
Sister Maggie Sims is shown as she appeared a few years ago before a prolonged illness. The honor of Citizen of the Week goes to her for the role she played as founder of the Missionary Campaign many years ago and which is currently in progress at Saint Mark Baptist Church of which she has been a member for many years.

Youths at Lakeside Park

This group represents the many of those who congregated at Lakeside Park for basketball, swimming and other activities. Recent Graduates Already in College.

To Attend School Here:

Leonard Blake
Some of the graduates of the class of 1977 at Avon Park High School are Leonard Blake, Tallahassee; Linda Faye McRae, Tallahassee; and Ronva Sanders, Tallahassee. Visits and Returns to New York

Michael Jones, great grandson of Mrs. Mary (Honey) Jones is shown as he visited her this summer. However, he has returned to New York to continue school there.

Meetings
The Lincoln Park Cemetery Association met at Beulah Baptist Church on Monday night, August 8.

A special meeting of the NAACP was held at The United Farm Workers Union Hall on August 9.

ORDINANCE NO. 810
AN ORDINANCE TO ESTABLISH A COMMITTEE TO ESTABLISH AND PROMOTE SAFETY PROCEDURES FOR THE EMPLOYEES AND OPERATIONS OF THE CITY OF AVON PARK

WHEREAS, the City of Avon Park and its operations are gaining in size and intricacy year by year, and

WHEREAS, the operation of machinery for the work of the City becomes more widespread and more complicated, and

WHEREAS, it is in the best interests of the City and its employees that protection against work-related accidents be enhanced and promoted.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AVON PARK, Florida as follows:

Section One. Establishment of Safety Committee.

A Safety Committee shall be established for the City of Avon Park to consist of one commissioner and at least two heads of departments to be appointed by the City Council, president, and one employee from each department of the City which employs five or more employees, which employee members shall be appointed by their respective department heads. All appointments shall be subject to City Council approval.

The term of office of each committee member shall be from the first day of business of each year until the appointment of his or her successor, with the exception that for the first year of this committee the term shall extend until the first day of business in 1979.

Section Two. Responsibilities of the Safety Committee.

A. The Establishment of Safety Standards, Policy and Procedures. The Safety Committee shall establish rules and regulations with the intent to safety that shall be mandatory for the departments of the City and all of the employees of these departments.

B. Meetings and Reviews. The Safety Committee shall hold regular meetings, keeping written records of all such meetings and deliberations. The committee shall review all accidents involving City employees or property and maintain an employee safety file for each employee involved in any accident or incident resulting in injury to any City employee or City property or to any third party or third party property.

Section Three. Heads of Departments to Carry Out Committee Directives. The head of each department of the City work force shall carry out the directives of the Safety Committee and promote the intent of the rules and regulations of the Safety Committee.

PASSED, ADOPTED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF AVON PARK, Florida this 8th day of August, 1977.

(s) Robert L. Britt, President
ATTEST
(s) Malcolm K. Crews, City Clerk
APPROVED this 8th day of August, 1977.

(s) J. Marshall Davis, Mayor
APPROVED as to form and content.
(s) J. B. Hancock, City Attorney

Women Hooked On China Painting

photos and text by Barbara Cornell

Mrs. Marva Turner (left) and Mrs. Jane Wells started taking china painting lessons in 1971, with Mrs. Grace Sanborn

as their instructor. China painting is a fine art that many professional artists have spent their adult lifetime perfecting

and are still learning. A successful china painter has to have patience, the desire to paint and money. (Sunphoto by Barbara Cornell)

China painting is a serious art, which is often mistaken for a craft that requires a pattern, a small kit of paint, and filling in the lines with color.

China painting is a fine art that many professional artists have spent their adult lifetime perfecting and are still learning.

Really, a china painter has to study the same things an artist studies, rhythm, color harmony and balance. You must have patience, the desire to paint and money to be a successful china painter.

Mrs. Marva Turner and Mrs. Jane Wells decided to try china painting in 1971, with Mrs. Grace Sanborn as their instructor.

China painting is a serious art not a craft as most people think.

James first love of china painting came from her mother. When the family lived in New York, her mother started china painting, but when they moved to Avon Park in 1920, no one in the area had a kiln and she had to quit.

"Everytime I saw china painting I wanted to try it, so when Mrs. Sandborn, who was retired, decided to give lessons I just had to take them," stated Marva.

When Mrs. Sandborn died in 1974, Jane and Marva were not sure they could continue the painting on their own, because there were so many questions they did not know the answers to. But they both loved it so well, they decided to try it on their own.

"We will always be grateful to Grace for starting us. Now we travel to Tampa to take lessons from Irene Becker, a nationally known painter, mainly known for her portraits, who has won many international awards," said Jane.

They found out about Mrs. Becker when they attended a three day china painting show in Tampa, that is held once a year. They viewed some of her portrait work and found them fascinating.

A beginner usually starts with a flat piece, such as a porcelain plate. Then they select a pattern. You can put the pattern on free hand or trace it.

"We like to do our patterns free hand, this way we feel it is more our own work. You can order many patterns from magazines or from greeting cards, stationery or wrapping paper. Really, you can use anything you see," explained Marva.

After selecting a pattern, the painter must mix his paint, which comes in a powder form and must be mixed with oil.

After mixing the colors and studying the pattern the painter begins to paint the design or the background.

When this is done, the piece of china is placed in a kiln and heated to a high temperature. The color is then set and the piece is ready for the next step, which may be to emphasize some part of the design.

After each painting the piece must be fired in the kiln. It may require from 3, to as many as 20 firings before the piece is completely finished.

The kiln has to be very hot and it takes many hours to fire a piece. If you open the kiln to soon and let the cool air from the outside hit the piece of china, it could pop it.

This is why Marva and Jane fire their pieces at night, so by morning they can prop open the kiln and wait for the piece to cool down so it can be removed.

"It really takes as much art to fire a piece as it does to paint one. Some paints require a different temperature than others. The piece may have a beautiful shade of yellow on it, but when you fire the piece and remove it from the kiln, the yellow may be completely faded out," said Marva. "Then you have to repaint the piece and fire it again, hoping this time the color will hold."

It takes as many years to learn to china paint as it does to play the piano or to master any fine art.

A person must be careful when purchasing a piece of hand painted china.

Most of the so called or labeled hand painted china pieces, are not really hand painted. It means the original decal was hand painted and the hand painted pattern was stamped on the pieces of china.

WARNING:

China Painting Pox-Very

contagious to adults-No

Know Cure!

"...You couldn't possibly sell a hand painted piece for a few dollars. It takes many hours to paint just one piece and you could never produce the same piece twice, no matter how hard you tried," Marva said.

Jane has a sign hanging in her work shop saying: WARNING: China Painting Pox-Very Contagious To Adults-Symptoms- continual complaint to visit china shops for paint, china and studies. Patient has blank expression, sometimes dead to family. Has no taste for work of any kind. Frequent checking of chin. catalogs. Hangs out in all sorts of odd places. Mumbles to self. Has paint on everything. NO KNOWN CURE!

Marva and Jane definitely have the china painting pox and they meet once a week to paint.

It takes a certain type of person with determination and skill to be a china painter, because of the many chances of failure to obtain the right colors after firing and the many times of painting the surface of the piece over and over.

These two women can certainly be classified as true china painters.

Mrs. Marva Turner (left) and Mrs. Jane Wells started portrait painting last year. They travel to Tampa and take lessons

from Mrs. Irene Becker, a nationally known portrait painter, who has won many international awards. (Sunphoto by Barbara Cornell)

Cooking Corner

Mrs. Mitchell (Annie) Spires, who was born and raised in this area is the mother of three children and grandmother of six. She enjoys stamp and coin collecting, fishing and bowling.

Mrs. Spires is employed at Avon Park Air Force Base Dining Hall (Better known on base as "Dunne's Dinner").

She is sharing her recipe for barbeque sauce with us that she is famous for throughout Highlands County.

Barbeque Sauce

2 cups mild enchilada sauce
1 gal. tomato catsup
28 oz. can tomato paste
2 cups vinegar
1/4 doz. lemons
1 cup salad oil
6 lbs. brown sugar
2 T. Coleman's dry mustard
1 1/2 Bottle French's Barbeque Seasoning
3 oz. Bottle French's Hickory Smoke Salt
6 T. garlic salt
5 T. Accent
2 T. salt

Cook for 8 hours on low heat. Recipe makes 2 gallons. You can freeze sauce and use it as needed. Delicious when poured over beef, pork or chicken.

Backward Glance

by Barbara

55 Years Ago

What will be one of the finest filling stations on the Ridge, according to Harry Dilley, is being built by Mr. Dilley on his lot on Lake avenue (the State Road No. 8 through Avon Park), two blocks south of Main Street.

Ad-Use the Phone-Housewives need not trouble to come to the market for the most delectable in eatables. They can trust us implicitly to send them only the best. Sanitary Market, Guarantees quality and our service is unexcelled. F. C. Collins, Proprietor-Phone 17.

25 Years Ago

Gloria Sheffield, head majorette of the Avon Park High School Band, was adjudged the best bet when attending the Summer Music Camp of the University of Miami at Coral Gables this summer.

Coaches Joe Franz, Guy Garrett, and J.C. Mathews left Wednesday morning to attend the coaches' clinic being held at Gainesville this week.

10 Years Ago

Kellon Hill and Fielding Todd announced this week that they have purchased the Light House Electrical Supply, Inc. of Sebring from Archie Britton and Dorothy Kimbrell also of Sebring.

Mary Jane Wells, (Janie) a 1963 graduate of Avon Park High School and daughter of Mr. and Mrs. C.L. Wells, will graduate from Florida State University, Tallahassee August 12, receiving her B.A. degree in Arts and Science.

On The Consumer's Side

If you as a consumer have been misled, deceived, or have questions you need clarified, call the toll free telephone number of the Florida Department of Agriculture, Consumer Services, Tallahassee: 1-800-342-2176.

Or write, Mrs. Lee F. Rumbley, Consumer Services Coordinator, The Department of Agriculture and Consumer Services, The Division of Consumer Services, Mayo Building, Tallahassee, Fla. 32304.

Question: Can you tell me if the turbine vents for roofs are effective? I have heard a great deal about cutting utility bill costs with these ventilators and wonder if they are as good as advertised.

Answer: During this season of the year companies that advertise attic ventilators are active. Consumers should read and study all claims carefully! They usually claim to provide the equivalent of one ton air conditioners, saving 25 percent or more on air

conditioning costs. Actual testing though, has proven the above claims false.

Most houses in Florida have attic ventilation. This is a building code requirement to prevent moisture condensation in the winter.

Screened eaves or gable vents are found in most homes. The addition of turbo-ventilation has very little effect on temperatures at the critical points, and it may even create a turbulence that raises the temperature at these critical points by disturbing natural stratification.

If your attic has no openings, perhaps turbine ventilation might help. However, installation of screened eaves or gable vents would be just as effective and require no expenditure for operation.

If you have further questions, check with your local consumer affairs office, or call the Florida Division of Consumer Services toll-free at 1-800-342-2176.

Question: My best friend is having a great deal of trouble with her hearing and is ready to buy a hearing aid, and I

think she should seek professional advice before she makes a purchase. Who should she contact?

Answer: There is nothing funny about being hard of hearing. A hearing loss can seriously affect everything from social relationships to job performance.

But consumers who think their hearing is failing should not let themselves be pressured or tricked into buying a hearing aid. Unscrupulous or ill-trained hearing aid sales people may take advantage of the hard of hearing by making false promises and claims about the benefits of the hearing aid they sell.

If you are having hearing difficulties, don't panic. Instead, follow these guidelines:

Have your ears checked by a doctor, preferably one who specializes in diseases of the ear. It may be possible to correct your hearing loss with medical treatments or surgery.

If the doctor thinks that your hearing might be helped by a hearing aid, ask to be referred to an audiologist. An

audiologist is a person specially trained to give hearing tests, and he can determine what kind of hearing aid is best for you.

Purchase the hearing aid with care: -Get all the facts about the hearing aid including its complete cost and guarantee-in writing before you buy.

-Don't let yourself be pressured or intimidated by the sales person. Consider the purchase carefully for a day or two.

REMEMBER: Some hearing problems can't be helped by hearing aids.

One kind of hearing aid will not help all hearing problems.

Hearing aids will not cure ear diseases; they simply assist you in hearing.

Hearing aids will not prevent further hearing loss.

Citrus Commission Official Speaks To Rotary Club

August program chairman, Don Parsons, presided. Dr. Bernard Lester of the Florida Citrus Commission as the featured speaker at the Wednesday noon weekly meeting.

Dr. Lew Lester, second in command with the commission stated that Florida produced 75 percent of all the citrus grown in the United States with Highlands County accounting for 5 percent of the entire state's production of citrus products. Florida has 850,000 acres of

citrus. Ninety percent of all orange juice and 80 percent of all grapefruit juice comes from Florida, continued Dr. Lester. Texas and California concentrated their production on fresh fruit. This does not mean that Florida does not sell a lot of fresh fruit, but their heaviest concentration is on

juice. Dr. Lester stated that Florida production is 75 percent oranges, 15 percent grapefruit and the balance is assorted citrus. Highlands County follows the same percentages as the state. The Florida Citrus Commission has a \$28-34,900 budget per year, said

Dr. Lester with 83 percent going to advertising. The balance of the money goes to various departments, as public relations, research, etc. About 9 percent of the budget goes for research. After Dr. Lester completed his talk, he opened the floor for questions, the first being "What about Anita Bryant?"

He said there had been rumors that the Florida Citrus Commission held a closed session and voted to release Anita. Dr. Lester denied that the commission had taken this action and stated they constantly research Anita's effectiveness to sell Florida Citrus. He stated from their last survey that 88 percent of

the people surveyed stated, her recent involvement in controversial issues had no bearing on their buying Florida Citrus products. Questioned as to the dollar volume of citrus sales in Florida, Dr. Lester replied \$1.3 billion. In the employment field there are 75,000 workers directly employed.

Longshore Placed On Dean's List

Eighty-seven students at Bethel College earned at least 3.5 grade point averages during the second semester of the 1976-77 school year to qualify for the Dean's List according to Dr. Wayne J. Gerber, academic dean. Each student must be carrying at least 12 semester hours.

Included on the Dean's List is Miss Loretta Longshore, daughter of Mr. and Mrs. Richard A. Longshore, R. 2, Box 315, Avon Park. Miss Longshore was a junior, majoring in human communication.

Bethel College is a fully accredited coeducational four-year Christian liberal arts college with 16 majors leading to the Bachelor of Arts degree. Two-year Associate of Arts degrees are also available in 11 areas. An engineering degree requires five years and earns both the B.A. and B.S. degrees. About one-half of the almost 500 members of the student body live in campus housing and the remainder commute from the surrounding area.

Public Notices

NOTICE OF PUBLIC HEARING
The Highlands County Planning and Zoning Commission will hold a Public Hearing on **TUESDAY, SEPTEMBER 13, 1977, at 4:00 P.M.** County Commissioners Room, Courthouse, Sebring, Florida, to consider a change in Zoning Classification as follows:

Bv Helen Kull For Lorena Weber

Public Notices

IN THE CIRCUIT COURT FOR HIGHLANDS COUNTY, FLORIDA PROBATE DIVISION IN RE: ESTATE OF NARY R. WEBER, Deceased

File Number 77-181 NOTICE OF ADMINISTRATION TO ALL PERSONS WHOSE CLAIMS OR DEMANDS AGAINST THE ABOVE ESTATE AND ALL OTHER PERSONS INTERESTED IN THE ESTATE. YOU ARE HEREBY NOTIFIED that the administration of the estate of NARY R. WEBER, deceased, File Number 77-181, is pending in the Circuit Court for Highlands County, Florida, Probate Division, the address of which is P. O. Box 1817, Sebring, FL 33870. The personal representative of the estate is PHILIP F. WEBER, whose address is 103 E. Palmelle Rd., Avon Park, FL 33825. The name and address of the attorney for the personal representative is set forth below.

All persons having claims or demands against the estate are required, WITHIN THREE MONTHS FROM THE DATE OF THE FIRST PUBLICATION OF THIS NOTICE, to file with the clerk of the above court a written statement of any claim or demand they may have. Each claim must be in writing and must indicate the basis for the claim, the name and address of the creditor or his agent or attorney, and the amount claimed. If the claim is not yet due, the date when it will become due shall be stated. If the claim is contingent or unliquidated, the nature of the uncertainty shall be stated. If the claim is secured, the security shall be described. The claimant shall deliver sufficient copies of the claim to the clerk to enable the clerk to mail one copy to each personal representative. All persons interested in the estate to whom a copy of this Notice of Administration has been mailed are required, WITHIN THREE MONTHS FROM THE DATE OF THE FIRST PUBLICATION OF THIS NOTICE, to file any objections they may have that challenges the validity of the decedent's will, the qualifications of the personal representative, or the venue or jurisdiction of the court. ALL CLAIMS, DEMANDS, AND OBJECTIONS NOT SO FILED WILL BE FOREVER BARRED. The date of the first publication of this Notice of Administration is August 11, 1977.

As Personal Representative of the Estate of Nary R. Weber, Deceased
ATTORNEY FOR PERSONAL REPRESENTATIVE: (s) Hue K. Nunnallee 11 S. Lake Avenue, Avon Park, FL 33825
Aug. 11, 1977

IN THE CIRCUIT COURT OF THE TENTH JUDICIAL CIRCUIT OF FLORIDA, IN AND FOR HIGHLANDS COUNTY, FLORIDA IN RE: The Marriage of JOHNNIE SUE SECRIST, a-k-a SUE B. SECRIST, Wife, vs. DON F. SECRIST, Husband.

CIVIL ACTION CASE NO. 77-249-F NOTICE OF SUIT—NO PROPERTY TO: DON F. SECRIST ADDRESS UNKNOWN RESIDENCE UNKNOWN YOU ARE HEREBY NOTIFIED that an action for Dissolution of Marriage has been filed against you and you are required to serve a copy of your written defenses, if any, to it on the plaintiff's attorney, whose name and address is ANTHONY A. ACCORSI, P.O. Box 1880, Avon Park, FL 33825 and file the original with the clerk of the above styled court on or before August 25, 1977; otherwise a judgment may be entered against you for the relief demanded in the complaint or petition.

WITNESS my hand and the seal of said Court on July 18, 1977
EARL RICH As Clerk of said Circuit Court (s) Suzanne Jones Deputy Clerk July 21, 28; Aug. 4, 11, 1977

"INVITATION TO BID" The Board of County Commissioners, Highlands County, Sebring, Florida, will receive sealed bids in the County Purchasing Department, Courthouse, or by mail to: P. O. Box 1892, Sebring, Florida 33870 until 2:00 P.M., Friday, August 18, 1977 for "Sebring Law Library Books". All surplus books will be on display for inspection in the Highlands County Law Library hallway, third floor of the main Courthouse daily between the hours of 9:00 A.M. & 4:00 P.M., Monday through Friday. Official bid forms may be obtained from the County Purchasing Department. All bids must be sealed and marked "BID on Sebring Law Library Books".

The Board reserves the right to accept or reject any or all bids or any parts thereof. The "OFFICIAL BID FORM" must be used and completed in substituting bid.
(s) Norman Heaton, Chairman Board of County Commissioners Highlands County
Aug. 4, 11, 1977

HUMAN CLOCK To tell the time, Jerome Mann, a Highland Park, Ill., civil engineer, stands in the middle of a 25 ft. wide U-shaped dial with his back to the sun. His shadow reflected on its granite face tells the time to within one or two minutes.

"INVITATION TO BID"

The Board of County Commissioners, Highlands County, Sebring, Florida, will receive sealed bids in the County Purchasing Department, Courthouse, or by mail to: P. O. Box 1892, Sebring, Florida 33870 until 2:00 P.M., Monday, August 29, 1977 for the following:

1. Gasoline & Diesel
2. Motor Oil & Lubricants
3. Radium River Levee Shell
4. Asphalt Concrete
5. Liquid Asphalt
6. Culverts (Metal)
7. Portland Cement
8. Masonry Cement
9. Fertilizer
10. Herbicide
11. Scavenging Rights

Complete specifications may be obtained from the County Purchasing Department. All bids must be sealed and envelopes must be marked identifying enclosed bid.

The Board reserves the right to accept or reject any or all bids or any parts thereof.
Norman Heaton Chairman Board of County Commissioners Highlands County
Aug. 11, 1977

IN THE CIRCUIT COURT OF THE TENTH JUDICIAL CIRCUIT OF FLORIDA, IN AND FOR HIGHLANDS COUNTY, FLORIDA IN RE: THE MARRIAGE OF JIMMY EDWARD JACKSON, Husband, and SHEILA DARLENE JACKSON, Wife.

CIVIL ACTION CASE NO. 77-297-F NOTICE OF SUIT—NO PROPERTY TO: SHEILA DARLENE JACKSON

As Clerk of said Circuit Court (s) W. B. Stroud Deputy Clerk

YOU ARE HEREBY NOTIFIED that an action for dissolution of marriage has been filed against you and you are required to serve a copy of your written defenses, if any, to it on the plaintiff's attorney, whose name and address is E. Colquhoun, Attorney at Law, 117 S. O. Box 40, Avon Park, Florida 33825 and file the original with the clerk of the above styled court on or before August 11, 1977; otherwise a judgment may be entered against you for the relief demanded in the complaint or petition.

WITNESS my hand and the seal of said Court on August 5, 1977.
W. B. Stroud As Clerk of said Circuit Court (s) W. B. Stroud Deputy Clerk

Aug. 11, 18, 25, Sept. 1, 1977

HUMAN CLOCK To tell the time, Jerome Mann, a Highland Park, Ill., civil engineer, stands in the middle of a 25 ft. wide U-shaped dial with his back to the sun. His shadow reflected on its granite face tells the time to within one or two minutes.

This week the rains were not very kind to the shuffleboard players. As a result there was only one tournament. On Aug. 4 Twyla Wurster was the only four game winner of that tournament.

The pinocle games continue each Mon. and Fri. as usual. On Aug. 1 Mabel Cabezas was high with 544. Allene Howard was second with 469. On Aug. 5, Allene Howard was high scorer with 532 and Wm. Benson was runner up with 493.

This week Gene and Bill Olson had a telephone call from Alice and Ken Holsapple to tell us that Ken is improving nicely and that he continues as he is doing now they surely will be with us this winter. Keep it up Ken.

Dorothy Gruber had a letter from Alleen and Duke Christensen wishing to be remembered to their friends at the club. They are both fine but Alleen's mother, Mrs. Bertha McCauley, has been in the

Mayo Clinic at Rochester, Minn. There she had an operation but now is home in Moran, Mich. and doing fine. She hopes to spend the winter in Avon Park with the Christensens.

Gertrude Pritt's daughter Susanne, her husband S. G. Harold Scott, and their daughter Dawn, who have been in Germany for a year, announce a new daughter Heather Catherine born in Germany. Now Gertrude is the proud grandmother of two little girls.

Kern and Dorothy Bond have moved into a new home on Lake Ave. The club wishes them many happy years there. The Jarvis Finnmore family from N. Y., who have been visiting Allene Howard, will leave Tuesday for home. Debbie and Diane who have been here for some time will return with them. They all spent Sat., at Cocoa with the Wayne Howards.

Lois Reiser writes as the result of the article in our news column recently regarding her stay in hospital in Belows Falls, Vt. she received many letters. She wishes to thank you all.

Carolyn Crump's granddaughter has just returned from a visit in Mayville, N. Y. She brings greetings from Carolyn to the club and also says that her grandmother's garden is really a beauty.

Gene Olson reports that she is sorry their trip had to be postponed because of her accident. She is doing fine now and hopes for Bill's sake that in a few weeks they might be on their way. While Gene was north attending her mother's (Viola Bartlett) funeral she had a visit with Hazel and Howard Brevoort.

Howard, Bernice and Geraldine Long have returned from their vacation in Ohio and West Virginia.

While in Akron, Ohio they visited with their two daughters and Howard's brother.

The next stop was in Marion, Ohio, where some time was spent with Howard's sister. Now they left Ohio enroute to Clarksburg, West Virginia, where they have nephews and nieces.

Returning to Akron they visited Ruth and Ed Eaton Lamchler at Stowe, Ohio.

MEMBERS OF THE Chamber of Commerce Industrial Committee look over the community data brochure delivered by Beth Johnson (seated) of the Florida Department of Commerce. From the left: Dr. Ronald Sevigny, chairman of the industrial committee; Anna Belle Worden, executive manager and Charles Hoke. Sunphoto by Lew Miller.

Chamber To Distribute Industrial Brochures

Factual information about Avon Park gathered by the local Chamber of Commerce and printed by the Florida Division of Economic Development was delivered to the industrial committee by Beth Johnson, Development Representative of the Florida Department of Commerce, Winter Haven.

The Avon Community Data Brochures is a standardized profile form adopted for use by the Southern Industrial Development Council. The information contained in the brochure was recently compiled by the local chamber and lists facts pertaining to Avon Park's location, population, climate, community

facilities, education, medical facilities, recreational, communications, government, financial institutions, utilities and services, labor analysis, transportation, air and bus service, taxes, available industrial properties and major payrolls.

The chamber of commerce will mail out this detailed information data to industrial and commercial prospects seeking a location for their firms. Recently the Avon Park City Council approved designating portions of the Avon Park Airport as industrial property which will be available to any businesses seeking an Avon Park location.

Fall Term Registration Starts Today At SFJC

Registration for the 1977 fall semester college credit classes at South Florida Junior College will begin Thursday, Aug. 18. Freshman and sophomore full-time students will register by priority number 1:45 p.m. Registration for part-time evening students will be 6:30-9:30 p.m. On Aug. 19, full-time students will register by priority number 1-3 p.m. Open registration will be held 2-4:30 p.m. afternoons and 6:30-9:30 p.m. evenings.

Registrations for full-time and part-time students will be accepted from Aug. 22-26, however a \$5 late registration fee will be assessed those registering during this period. The admissions office will be open 8:30 a.m. to 5 p.m. on the evenings of

Aug. 22-25 for the convenience of those who cannot register during regular office hours. Classes begin Aug. 22.

Evening classes being offered on campus are:

MONDAY NIGHT
Crime and delinquency, American literature 1, comparative religions, introductory typewriting 4, intermediate typewriting, advanced typewriting, basic conditioning (two classes), U.S. Government, reading acceleration 1, and Real Estate 1.

TUESDAY NIGHT
General biology (lab on Thursday night), physical law, elementary Spanish. Please see page 8A

City Battles With Budget

Expenses Near \$1 Million

Refusing to raise city taxes for the purpose of balancing the 1977-78 budget, the Avon Park City Council did a bit of pencil scratching during a budget work session Monday night only to be still about \$35,000 out of balance, at which point the council agreed to adjourn for deep thinking and head scratching until the next regular council meeting this coming Monday night, or at a special meeting to be called by Council President Robert Britt.

In a department by department review of budget worksheets, City Clerk Malcolm Crews outlined the proposed department budgets for the coming year, along with anticipated revenues, from taxes, utilities fees, etc. without any pay increases; any extra employees, except one for the fire department; any capital expenditures and any expense or income from the new airport tee hangar.

With an estimated budgeted income for the coming year of \$559,383 the council was able to reduce the proposed budgeted expenditures to \$994,944, but approximately \$35,000 out of balance, and this was without any cost-of-living pay increase for city employees.

Much of the problem appeared to center around a bond and sewer interest payment of \$214,960 due next year. This was a major increase over the \$130,000 payment this year. The last payment on the 3 1/2 per cent interest bearing bonds is scheduled for 1981, however at present it is anticipated that they may be paid off in 1980.

In an explanation of the bond and sewer indebtedness City Clerk Crews stated that a one and one-half mile square area was incorporated into Avon Park in 1913. (known as Territory A).

The new city built the mile-long Mall and put in the original sewer lines and disposal plant. The Florida boom broke and Avon Park faced hard times, but unlike many other indebted towns the city did not go into bankruptcy. In refinancing the indebtedness the First National Bank of Chicago holds two series of bonds and the Hanover Bank of New York also holds two series of bonds. The first repayments were in 1951.

An act of the legislature created what was called Territory C, with the city limits extended to include almost the entire township. The boundaries were the Polk County line on the north and reached almost to Lakemont on the south and from Lake Angelo on the east to the Hardee County line on the west.

However, outlying property owners took the extended city limits case to court stating that they were not receiving any city benefits such as water, sewerage or other city services.

The court then set the city limits in what was called Territory B. This difference in the early indebtedness accounts for the difference in the millage rates for the two territories of the city.

The millage rates suggested by Highlands County Tax Assessor Billy Martin were Territory A, for operating expenses were 1.1824 and for debt retirement, 12 mills (last year's). For Territory B, the rate suggested was 3.2787 for operating expenses and .68 mills (last year's) for debt

retirement. A total of \$216,388 in taxes is expected to be collected during the coming year up about \$16,000 over last year.

In the general fund revenues from airport rentals were expected to be up almost \$4000 to \$16000; Florida Power franchise up about \$500 to \$96,000; with the sanitation service taking a \$40,000 increase to \$120,000 because of the increase in collection rate from \$2 to \$3. Please see page 8A

17 Year Old Sentenced To Life Could Be Paroled By Christmas

A 17-year-old Avon Park youth has been sentenced to life in prison for his share in the robbery-murder of an elderly Avon Park woman.

James Wells and a 15-year-old friend Frank Ross were charged in robbing and beating to death Helen Dixon. The youths said they went to Mrs. Dixon's home to

inquire about a car she had for sale, then became involved in an argument with her. The 64-year-old widow's body was found at her home Nov. 18. Two days later Ross and Wells were arrested. They were indicted by the grand jury and their prosecution handled in the adult division of circuit court.

In early February, two weeks before Wells was to go to trial, defense counsel Steve Kackley negotiated a plea for Wells. The state accepted a plea of guilty to robbery and second degree murder in exchange for Wells' testimony at Ross's trial.

On Feb. 15 a jury found Ross guilty of first degree murder and recommended the death penalty. Sentence has not been imposed in that case.

On Aug. 12 Judge Clifton M. Kelly sentenced Wells, adjudging him guilty, and setting the penalty as life in prison. However, it was not a mandatory life sentence, therefore, Wells could be eligible for parole to be considered any time after six months in prison. He was given credit for time served so, in theory, Wells could be paroled before Christmas.

Court officers said immediate parole for Wells is possible but "highly unlikely", that he probably will serve several years before gaining freedom.

DR. DAN DAVIS, Highlands County Superintendent of schools shows Rotarians details of the construction plans of the proposed new middle school.

Dr. Dan Davis, Highlands County Superintendent of schools, showed Rotarians details of the construction plans of the proposed new middle school.

Dr. Davis Shows Proposed Plans For Middle School

During their noon meeting last Wednesday Dr. Dan Davis, Highlands County Superintendent of Schools, told the Avon Park Rotarians of a feasibility study for the construction of a new Middle School at Avon Park and Sebring.

Davis said the city council of Sebring has indicated it would close portions of the middle school site if the school board would pave two blocks of Euclid.

In Avon Park if the new middle school building is built on the existing site it would require the closing of one block of East Camphor St., for which permission has already been granted by the Avon Park City Council should the county school board make the request that the street be closed.

Superintendent Davis went on to say refurbishing of the present buildings had

been considered but not was not practical. The cost would be even greater than the new construction. Dr. Davis also pointed out that this new construction would not require any new taxes.

Davis said the city council of Sebring has indicated it would close portions of the middle school site if the school board would pave two blocks of Euclid.

In Avon Park if the new middle school building is built on the existing site it would require the closing of one block of East Camphor St., for which permission has already been granted by the Avon Park City Council should the county school board make the request that the street be closed.

Two Escapes Still At Large

According to Avon Park Correctional Institute Superintendent Fortner, as of Tuesday evening, Donald Harder and David Jones were still at large after escaping from APCI on Sunday, August 7.

Harder is 27 years of age and listed St. Petersburg as his home although originally from Clemens, Mich. Jones is 26 years old and from Tampa.

Both men are first time offenders. One was described by prison officials as a short termer, with three years to serve for breaking and entering; while the other was described as a moderate term prisoner with 15 years to serve for breaking and entering.

Following the breakout on all-points bulletin was issued and the F B I, the Highway Patrol, and other law officials are now in on the search.

Superintendent Fortner was confident that the two escapees would be apprehended soon.

Airport Committee To Meet

A special meeting of the Avon Park Airport Committee has been called for 7:30 p.m. Thursday night, Aug. 18 at the Avon Park City Boardroom.

Entrance to the building will be at the rear door of the building.

Col. Francis H. Skipper Retires From Air Force

After 35 years of service to his country, Col. Francis H. Skipper retired on July 22, 1977, culminating a varied and interesting career in the United States Air Force.

Colonel Skipper, a native of Avon Park, Fla., served as Commandant, Southeast Area for Air Force Reserve Officers Training Corps (AFROTC) at Maxwell Air Force Base (AFB), Ala. in his last assignment. He was responsible for the supervision of the AFROTC program at universities, colleges and high schools in the southeastern United States and Puerto Rico.

"Throughout my tour at Maxwell, I have been impressed with the dedication of the southern educational systems to the education of the students," he related. "The students are attending school to get an education instead of disrupting the education process, as was the case in the late sixties and early seventies."

Colonel Skipper entered active military service in March 1942 as an aviation cadet and received his pilot wings and commission as a second lieutenant in February 1943. During his assignment to the China-Burma-India Theatre of Operations in World War II, he flew F-5Bs with the 14th Air Force in China.

He received the China War Memorial Medal commemorating his tour of service in China during World II. Known as the last decoration of World War II, it was authorized by the Chinese

government at the end of the war, but the paperwork was lost. "We were told we would get the medal before we left China in November 1945," he said, "but it didn't catch up to me until 1975." A copy of the original paperwork was located 29 years after it was lost, and the medals were awarded following authentication by the Nationalist Chinese government.

A graduate of the University of

Florida, where he earned a bachelor of science degree in agriculture in 1950 and a masters of science degree in agriculture in 1951, the colonel was recalled to active duty and assigned to the University of New Mexico as assistant professor of air science and tactics. "The Air Force was interested in commissioning as many second lieutenants as possible because we were

in the middle of the Korean conflict," the colonel said. "We had one of the smallest AFROTC detachments at the time, yet our enrollment was higher than the largest detachment today."

"In comparison, AFROTC today is looking for the best qualified student to fulfill Air Force requirements. The highly competitive nature of the program

has been effective in producing highly qualified young officers for service in the Air Force," he related.

Following graduation from Air University's Air Command and Staff College in 1955, the colonel was assigned to the Alaskan Air Command.

"In looking back to my days at Elmendorf AFB," Colonel Skipper recalled, "I remember that the mission was important in everyone's mind. I still find that true today, especially with the cutbacks and restrictions placed on military personnel — effectively carrying out the mission is still the primary object," he said.

After assignments with the Air Defense Command and North American Defense Command, Colonel Skipper returned to the Alaskan Air Command in 1964 where he commanded the 317th Fighter Interceptor Squadron. This squadron of F-105 interceptors was selected the most outstanding fighter interceptor squadron in the Air Force in 1965 and 1967. For this distinction, the 317th received the much coveted "Hughes Trophy." While in Alaska, he completed Air University's Air War College by correspondence.

During One 1968-1969 period, the colonel served in Southeast Asia in the Air Defense Division, again with a fighter interceptor squadron, the 509th. In July 1969, he was assigned as Deputy Commander, 383 Tactical Control Group, which maintained detachments in South Vietnam, Thailand, Korea, Okinawa, and

Taiwan in support of United States and Allied Operations.

Colonel Skipper returned to the United States in July 1970 and was assigned to the Air Staff, Headquarters USAF. In August 1972, he assumed the position of Commander and Professor of Aerospace Studies at AFROTC Detachment 150, University of Florida, Gainesville, Fla. Upon completion of that tour, he was assigned to the Southeastern Area Commandant's office.

His military decorations and awards include the Legion of Merit, the meritorious Service Medal, Joint Service Commendation Medal, Air Force Commendation Medal, Combat Readiness Medal and the Air Force Outstanding Unit Award.

"One aspect of my military career that has always been most gratifying to me was the character and attitude of the people I've been associated with," he said. "They have all been highly qualified individuals, which speaks well for the future of the Air Force."

Colonel Skipper is married to the former Ida Lee Williams of Gainesville, Fla. They have four daughters: Mrs. Susan Crowley, living in Gainesville; Leslie, a graduate student at the University of Florida; Janet, a student at Georgia Institute of Technology; and Daria, a senior in high school.

Colonel Skipper will be retiring to the community of Gainesville. Activities include "enjoying retirement and doing a lot of fishing."

AIR FORCE ROTC AREA COMMANDANT COMMENDED... Col. Francis H. Skipper, right, was presented the Legion of Merit by Air University Commander Lt. Gen Raymond B. Furlong at his retirement ceremonies held recently at Maxwell AFB. Also, Colonel Skipper was cited for his "exceptionally meritorious performance while assigned to the Air Force Reserve Officers Training Corps from July 1972." The colonel's retirement culminated 35 years of service in the United States Air Force. Air Force ROTC is an integral part of the Air Force's Air University at Maxwell AFB, Ala.

School Board - Teachers Split On Salary Increases

The contract salary talks between the Highlands County School Board and the Highlands County Education Association will continue this week with a meeting set for August 17. At a meeting held August 12, which was originally set for salary discussions, the Board gave out only estimated costs to maintain the existing salary schedule with increments. The figure suggested by Finance Director Walter Shirey was \$112,000 to fund the step increases teachers get from annual experience and or moving to the continuing contract status.

A suggestion by the association that the two column schedule (one for annual and one for continuing contract personnel) be moved together would cost approximately \$94,000 according to Board member J. Ferrell Smith. Richard Farmer, HCEA negotiations team member, questioned that figure suggesting that \$30,000 to \$40,000 was a more accurate estimation.

The HCEA bargaining team, also, spoke to the need to improve not only the basic salary schedule but to supplements as well. HCEA Chief Negotiator Chet Brojek pointed out that the various supplements given out for extra-

curricular activities such as sports, club and class activities band, chorus and department and class level heads have remained the same over the past three or four years. The HCEA has proposed an approximate \$17,000 increase in the area of supplements. The current Board expenditure for these areas is \$52,270 in a tentative budget submitted by Finance Director Shirey at the August 9 School Board meeting.

The Blue-Cross - Blue Shield Hospitalization plan which covers the Highlands County School Board Employees will go up in cost \$1.99 per month this year. The HCEA bargaining team will seek to add the \$1.99 per month cost to the Board's fringe package for teachers.

The new plan (Comprehensive II) which was suggested by the Insurance Committee to the Board has several vital areas of improvement which were sought by the various employee groups. The Insurance committee had input from the teachers of the county before reaching its decision.

Still in dispute in the contract negotiations besides salary are the teacher's request for four (4) days

personal leave, the grievance procedure, a dues deduction fee charge by the Board, life insurance and disability insurance coverage, class sizes, twice monthly pay periods, an improved teacher assessment instrument, leave time to serve as a state or nation association officer and an appeal clause. The majority of the 35 articles in the collective bargaining agreement have already been agreed to by board spokesman Thomas Johnson and HCEA spokesman Chet Brojek.

"We, of course, would like to complete our contract talks before the students start back on Aug. 29," stated Brojek, "but the Association will not be rushed by any predetermined time limits into making decisions that will affect the teachers we represent." The HCEA will attend the Board Budget Workshops this week.

The next bargaining session is set for Wednesday August 17 at 1 p.m. "We are looking forward to resolving the differences that separate us, we expect to give a complete contract update at the County wide teachers meeting during the pre-school week of Aug. 22-26," concluded Brojek.

Black Ordered To Reimburse City Expenses

A man accused of escaping from Avon Park jail has been directed to reimburse the city of Avon Park for the cost of returning him jail.

Jerry Wayne Black was taken into custody in Virginia and Avon Park officers had to go there to pick him up.

Total cost of the trip was \$681. Black was ordered to repay the city as one of the conditions of the five year probation Judge Clifton M. Kelly set for him on the escape charge.

Steve Edward Chester, charged with escape, was placed on probation for three

years with 30 days in county jail as a condition of probation. He was also fined \$250.

Chester was picked up in Hardee County following his escape in Avon Park.

Youth Judged Delinquent Using Vehicle

A youth brought into juvenile court on a charge of unauthorized use of a motor vehicle was adjudged delinquent and committed to Children and Youth Services for placement in a state training school.

A second charge against the same youth, fleeing or attempting to elude, was dropped by the state.

At the same session of juvenile court another youth was committed to Children and Youth Services for placement in a state training school.

Disposition was deferred for six months in the case of a youth charged with petit larceny. Disposition was delayed for three months in two other

cases — a youth charged with driving while intoxicated and a juvenile booked for trespass.

A Dade County youth charged with possession of cannabis was adjudged delinquent and his case transferred to Dade County for disposition.

Four youths who had completed terms of probation were formally released from state supervision.

Scotty's Sales, Earnings Increase

Scotty's, Inc. (NYSE:SHB) reported increased sales and earnings for the fourth quarter ended July 2, 1977. Sales for the year ended July 2, 1977 increased \$21,008,033 to \$105,735,327, an increase of 26 percent over sales of \$84,637,294 for fiscal 1976. Net

earnings for the year ended July 2, 1977 reflect a gain of 80 percent to \$3,425,814, or \$1.10 per share primary earnings (\$1.98 fully diluted) compared with \$1,898,483 or \$0.61 per share in fiscal 1976.

Harold W. Taylor, Senior Vice President attributed the

increased sales and earnings performance for the year to increased construction activity in single family homes and four new store openings in the last six months of fiscal 1977. More favorable consumer buying attitudes and aggressive pricing and promotion of basic

building supply products for the year were also mentioned by Taylor as significant factors contributing to the sales and earnings increases.

Scotty's, which serves primarily the growing "do-it-yourself" market for building supplies and home improvement merchandise, currently has 58 Scotty's stores and 5 Scotty's Surplus Outlets in operation throughout Florida.

Construction has been started on a new store in Bradenton and future plans include construction of a replacement store in Dade City and a new store in Clearwater.

District Democrats To Meet

Democrats from 15 counties comprising the 10th Congressional District will meet in Lake Placid Saturday, according to C. W. Wooten, chairman of the district. The meeting will begin at 11 a.m. in the Lake Placid Holiday Inn.

Ward said one of the main topics to be discussed will be the formulation of plans for the state democratic convention in Orlando in November and the selection of delegates from each county. Highlands County

will have eight delegates, five of whom will be elected. Ward said anyone desiring to qualify as a delegate may obtain forms from Jim Pyle, county Democratic chairman, who may be found at the courthouse.

The November convention will be similar to the National Democratic convention except on a much smaller scale. Ward said the state party has formed platform and resolutions committees and is seeking ideas, opinions and suggestions from the people of Florida. These ideas will be presented at the state convention for the delegates to vote on. The platform of the Florida Democratic Party will be discussed and adopted at the state convention.

Saturday's meeting has on the agenda a discussion, and possible resolution against the appointment of school superintendents. Also on the agenda will be a discussion of the present selection of postmasters, since the job is no longer appointive by the President as it used to be. Ward said there is some concern that small post offices such as here in Highlands County don't always get the best postmaster when someone outside the local community or post office is selected to the post.

Mary Coskey

Dies At Age 78

Mary A. Coskey, age 78, died August 10, at her residence in Deltona, Fla.

She was a native of Worcester, Mass. She leaves one daughter, Barbara Coskey, of Deltona, Fla.; one brother, Edward Leonard, of Worcester, Mass.; two sisters, Mrs. Catherine McMurray of Dundee, Fla. and Mrs. Margaret Shee of Worcester, Mass.

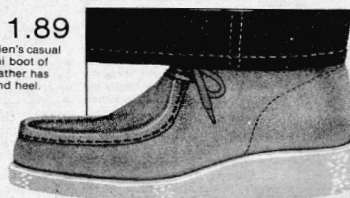

Rosary services were held Thursday evening in the Stevenson, Nelson, Smith Funeral Home Chapel.

Mass services were held Friday morning at Our Lady of Grace Catholic Church with Father George Fraser conducting the service.

Interment was at Bougainville Cemetery. Stevenson-Nelson-Smith Funeral Home, Avon Park, in charge of arrangements.

Sunday Tea Honors Daisy Smith's 94th Birthday

Miss Daisy Smith was guest of honor at a tea on Sunday afternoon to mark her 94th birthday.

Friends and neighbors gathered at the home of Mr. and Mrs. Chester Wollangk to wish her many happy returns. Co-hostesses for the event were Mr. Willard Gross and Mrs. Raeburn Brown.

Born in 1883, Miss Smith's life has spanned the exciting years from "horse and buggy" days to jet travel.

Her interests include everything from live musical comedies and drama to historical novels. Her

Daisy Smith

correspondence is voluminous and she answers every letter. She can be described as one of the truly young at heart.

Her niece, Mrs. Daisy Wollangk, wrote a special poem and enclosed it in a birthday card:

She's the last little flower
From a big bouquet, And if you
listen carefully
You'll hear her say, "You
think that I'm too old
To be so young and gay,
But I'll dance the hooshy-
hooshy
I'll dance the hooshy-
hooshy
On my next birthday!"

Mike Marino of Hair Gallery II

HairGalleryII Opens

The Hair Gallery, Highlands County's best-known and respected men's and women's hair styling salons, opened Hair Gallery II in Lake Placid Aug. 3.

After operating their shop in Spring Lake for two years, Mike Marino and Betty Thomas, co-owners, decided to expand into Lake Placid, to better serve the community better.

"We have had a tremendous response for a shop in this area, so for the convenience of our customers we opened in Lake Placid," said Marino.

The new shop, on N. Jefferson Ave. in Placid Lakes, will eventually have five stylists trained in the ultimate in men's and women's hair styles. More expansion is planned in the future.

"We have had customers who come from as far away as Venus and Glades County to the Hair Gallery in Sebring."

Couple Announce Engagement

Jerry Childress and Mrs. Pete Peterson, both of Avon Park, announce the engagement and forthcoming marriage of their daughter, Patty to Roy R. McGhin, son of Mr. and Mrs. Hayward McGhin, Goolsby Road, Wauchula.

The couple will be married November 5, 1977, at Oak Grove Baptist Church of Wauchula with the Rev. Cooper Marshall presiding. Music will begin at 7, with the ceremony at 7:30 p.m.

All friends and relatives are invited to attend the wedding and reception immediately following in the church fellowship hall.

It's Time To Say Happy BIRTHDAY

We wish the following people celebrating their birthday this week a big "Happy Birthday!"

August 18 - Lee B. Sizemore, Ferland Cribb, Terry Dowd, August 18 - Mrs. Debbie Thompson.

August 19 - Edward Sharpe, Mrs. Edith Weaver, Darrell Kendrick, Rosemary Acrl, Janie Myers.

August 20 - John McKinnis, Richard Allan Birt, Tommy Turnbull, Linda Trescott, Teresa L. Lawhorn.

August 21 - Mrs. Clea Meadows, Harold Walker, Hugh Cloud, John Pierce Sr., August 21 - Ruth Daily.

August 22 - Mrs. Royce Henry.

August 23 - William Good, Frankie Worden, Gene Landress, LaVerne Fulmer, Mrs. John Giddens, Sara Houpe, Mrs. T. M. Weekly.

August 24 - Carol Wicker, Arne W. Perry.

If you have a friend or loved one who is having a birthday soon, please call us so we may add them to our birthday list.

Lillie Winegard To Be Honored On Birthday

Mrs. Lillie (Arthur) Winegard of Delaney Heights will celebrate her 91st birthday August 26.

She was guest of honor last Wednesday at the Delaney Heights Birthday Luncheon, which is held at the first of each month.

Mrs. Winegard was born in

1886 at Ft. Meade and has been a resident of this area all her life.

She is the mother of three children, Sam of Wauchula, Ronnie of Sebring and Mrs. Etta Crews, grandmother of nine and great grandmother of 12.

Walkup - Payne Plan September Wedding

Mr. and Mrs. J. F. Walkup of Avon Park announce the engagement of their daughter, Peggy A. Walkup to Dennis R. Payne, son of Mr. and Mrs.

William Payne of Sebring.

The wedding will be in early September and a honeymoon is planned in New Mexico.

Schuler Opens Business

Mr. and Mrs. Hal Schuler have recently moved to Avon Park from Miami. Mr. Schuler

is the owner of Central Florida Surveyors, 1010 W. Main Street.

Why did they choose Avon Park? "It had a need for a surveyor and we wanted to come to a small town where you could get to know people. Miami has just gotten to big," stated Schuler.

He is a graduate of the University of Miami. He played football for them in 1942, 43, 46 and 47.

He has taught elementary and advanced property surveying at Dade Community College South, lectured at surveying seminars, and has had papers published by the American Congress on surveying and mapping.

Schuler, who started his land surveying business 25 years ago in Miami, is not the first surveyor in his family and will not be the last. His father, grandfather and great grandfather were surveyors and since he has moved to Avon Park, his son, Robert, has taken over the firm in Miami.

Robert also holds an interest in Central Florida Surveyors and if business starts booming he will also move to Avon Park.

"...Right now my work is my main hobby, but after we are settled, I'm going to do some fishing and maybe a little golfing," said Schuler.

Mrs. Schuler enjoys reading, but her favorite past time is her two grandchildren.

The Schulers have five children and their main goal is the present is to move the entire family to Avon Park. So far, they have moved Schuler's parents up and their daughter, who will be a senior at Avon Park High School next year.

To Be Tried As Adults

Juveniles Face Charges

Three Highlands County juveniles facing long strings of burglary and larceny charges have been waived to circuit court for trial as adults.

Sylvester Shuler of Lake Placid had been charged with four counts of burglary, one of grand larceny, one of forgery and one of uttering a forged instrument.

Judge Clifton M. Kelly authorized

Shuler's being held in county jail; bond was set at \$5,000.

Two Avon Park youths waived to juvenile faced even longer strings of charges. Michael Rodney Moringo had been booked for five counts of burglary, four grand larceny and one petit larceny.

Kevin Dale Andrews of Avon Park, suspected of being involved in the same cases for which Moringo was arrested,

had been booked on 12 counts, but when the waiver hearing was held in juvenile court, the state attorney nolle prosequed five counts. Andrews still faces three counts of burglary and four of grand larceny.

Both Andrews and Moringo were ordered held in county jail until they could post bond, \$5,000 each.

Love Pleads Guilty To Stabbing Of Husband

A first degree murder trial came to an abrupt halt Monday, Aug. 15, when a 36-year-old Avon Park woman pleaded guilty. Ruby Love admitted she stabbed to death her common law husband, James Lawrence, 57.

Mrs. Love had been arrested the night of March 26, four hours after

Lawrence's death. The slaying climaxed a family disturbance which occurred at the couple's home on S. Delaney Ave.

A grand jury impeached here on June 10 indicted Mrs. Love for first degree murder. The Monday jury had been seated and testimony was about to begin when defense counsel Kingswood Spott

Jr., of the public defender's staff, indicated that Mrs. Love wished to change her plea.

Judge Clifton M. Kelly sentenced Mrs. Love to life in prison.

The Love trial was the first in a series of half-a-dozen jury trials scheduled in circuit court this week.

CHAIRMAN OF THE Rotary Handicap committee, Richard Peavy, presents a

check to cover the \$250 yearly telephone expense of Project Hope at their Avon

Park office in the First United Methodist Church, to Joyce Oliveri, Avon Park manager of Hope.

NORRIS T. BROOKS was Wednesday Avon Park Rotary honored with a past president's Club meeting.

Increases Long-Distance Facilities

United Telephone of Florida has completed the Fort Charlotte-Avon Park segment of two new wide-band microwave radio systems which extend 1,800 channels from Fort Myers to the nationwide toll network via the company's Avon Park toll center.

Another 960 channels extend to the Tampa area.

The Avon Park toll facility handles long distance calling for Highlands, Okeechobee, DeSoto and Hardee counties and the Fort Meade area of Polk County.

The new \$1.8 million radio system will alleviate calling growth demands and set the stage for activating a new electronic toll switching center, now being installed in UTF's downtown Fort Myers building.

Due to go into service in September 1978,

the toll center will have an ultimate handling capacity of 30,000 simultaneous long distance calls.

Plans for the new radio-carrier system were begun some three years ago, according to Charles Bryan, UTF district commercial manager. He said he will meet the company's rapidly growing requirements into the early 1980's.

Bryan said the company's volume of completed outgoing long distance calls increased more than 88 percent over the five-year period 1972-1976. He said the gain was not only due to customer growth, but the fact that the average customer, including businesses, made 16 percent more calls in 1976 than 1971.

For the first six months of 1977, Bryan said the company completed an average of 2.3 million outgoing long distance calls each — a rate which exceeds the same 1976 period by nearly 16 percent.

Norris Brooks Honored At Rotary Club Meeting

Avon Park Rotary Club, past president, Norris T. Brooks, was honored with the diamond chip past present president's pin during the last Wednesday noon meeting.

During the presentation club accomplishments were given. Under Brook's administration the efforts of the previous club president were continued with the Rotary club experiencing the largest membership growth in its history during the past two years.

During the year the club established a community service award, with the first year award for outstanding community service presented to Dr. William A. Stallard for his efforts to secure the Community Auditorium on the junior college campus.

The club expanded its avenues of community service in aiding Project Hope for

senior citizens, the Hunter Kittrell Fund, The Community Auditorium Fund, the Airman of the Quarter Award, etc.

It established a sustaining award for a Paul Harris Rotary Foundation. In addition Brooks was cited for providing leadership and responsiveness during the Rotary year along with a challenge for future presidents.

Man Follows His Way Into Arrest

A Fort Meade man who followed a Highlands County deputy right into an arrest has been placed on probation. Minter Edwin Hall III aroused the suspicions of Sgt. Sam Mercer when Hall followed the deputy's car from Fort Meade into Highlands County and through the streets of Sebring.

Hall told deputies he was en route to the courthouse to pick up a receipt for a traffic ticket. He gave deputies permission to search his car and they found more than five grams of marijuana in the vehicle.

In circuit court at his sentencing earlier this month, Hall was adjudged guilty and was ordered to spend 30 days in the county jail as a condition of probation.

Tennessean Sentenced To State Prison

A man arrested here for driving while intoxicated has been sentenced to serve six months to five years in state prison.

When David Johnson was stopped by officers in Highlands County it was learned that the Tennessean was driving a vehicle reported stolen from the Fort Lauderdale area. Johnson was booked for receiving stolen property.

He was adjudged guilty on that count and the prison sentence set. When sentenced he was given credit for the 163 days he had spent in county jail.

PROBATION SET

Two years probation and a fine of \$250 have been set as George Gregory Forron's penalty for possession of cannabis. Adjudication was withheld. Forron resides on State Road 17 near the drive-in theater.

Ready For School!

AVON PARK HIGH School office personnel do a final check on the Form 100s, which each teacher will have for each class and each grade during the coming school year. From the left, Harriet King, Pete Sizemore and Peggy Sizemore. (Sunphoto by Lew Miller).

BY MARK ALBRIGHT
Avon Park's schools will be seeing some new faces this year. The schools have a total of eight new teachers beginning this year.

Avon Park Middle School will have six new instructors at the beginning of the school year. Harold McLendon, from Wauchula, spent the last two years in Australia. He taught math at the middle school during the 1973-74 school year, and he has a Bachelor of Arts degree from the University of South Florida. McLendon will be teaching seventh grade math.

Kay Harrington is from Ponce Inlet, Fla. and she is a June 1977 graduate of Florida Technological University. She has a Bachelor of Science degree in Elementary Education and will be teaching math in the fifth and sixth grades.

Sue Wirries will be teaching Physical Education after ten years of experience in Sarasota. She has a Bachelor of Science degree from the University of Florida and a Master's degree.

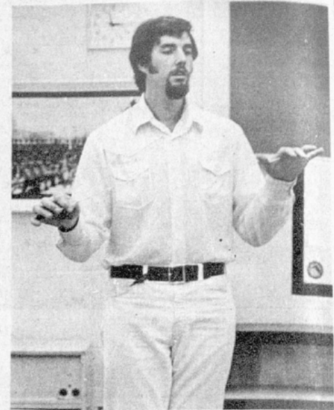

Lynn Cloud is a resident of Avon Park who received her Bachelor's degree from Florida State University last year. She will be teaching Home Economics in the

seventh and eighth grades.

Golden Panken is transferring to Avon Park Middle School after one year's leave of absence from Lake Placid Elementary School. She will be teaching reading in the fifth and sixth grades. Bill Murphy is transferring to the middle school from Avon Park High School and will be teaching seventh grade math.

Avon Elementary School is expecting a new Physical Education teacher. Janice Murphy, a 21-year old resident of Avon Park, will replace Denise Jordan. Janice will receive her Bachelor of Science degree in Physical Education from Florida Technological University.

Avon Elementary Principal Norris Brooks said Janice's acceptance is still subject to approval by the school board. Avon Park High School will be receiving Scott Whittemore as a new band director. Whittemore, who has a Bachelor's degree in Music and Music Education from the University of Miami, will be replacing Mr. Vic Mickunas. Whittemore worked as an intern at Miami-Killiam High School. He will teach at both the high school and the middle school.

Scott Whittemore, a University High School band director, of Miami graduate, has been appointed the new Avon Park High School band director. (Sunphoto by Barbara Cornell.)

Pre-Schoolers Get Acquainted Day

A preschool program for children to get acquainted with school buses and the experience of a bus trip is being scheduled for August 25 by the Highlands County Schools' Department of Transportation. The introduction is intended to assist first-time riders and their parents in getting off to a good start on August 29 when school will become a part of the family routine.

School transportation personnel will be on hand, with their buses, to answer questions and explain the "do's and don't's" of safe and comfortable bus transportation. Mock routes have been established to provide actual bus trip experience for the first-time riders and their parents. Parents are encouraged to visit the location nearest them

with their child. "We think this will remove some of the doubts and fears a young first-timer usually has about getting off to school on the bus, and will make it a smoother start in school for the child," said

Garland Boggus, Director of Transportation.

The "get acquainted" locations for Thursday, August 25, are: Avon Park . . . J. C. Penney parking lot, 9 a.m., till Noon.

Remedial Math And Language Classes Set

In attempting to modify the curriculum at Avon Park Middle School in response to the new state assessment program, remedial classes in math and language arts will be implemented this year.

Students in grades 5 and 6 will be given a basic skills test in October. Using the resources that are available, students who do not show mastery of their grade level skills will be

assigned to remedial classes and or summer school. Those students who continue to do poorly may be retained at their present grade level for a second year.

All students in grades 5 through 8 will be assigned to class sections at the beginning of the year based on test scores from last year and teacher recommendations.

Whittemore Named High School Band Director

Scott Whittemore, single and 6 feet 7 inches tall, is a 22-year-old graduate of the University of Miami, who has been appointed band director at Avon Park High School.

Whittemore who graduated from the University in June of this year, is originally from Bennington, Vermont, a town not much bigger than Avon Park.

Music started as a hobby for Whittemore in his junior and senior high school years. One summer when he worked in a band camp with seven boys under his direction, he decided that music would be his major. "I thought when I graduated from the university

I would start teaching in elementary school and work my way up. I had no idea of starting with a high school band," said Whittemore.

What was his impression of Avon Park? "People have been so personable here. Band students and parents have stopped by and they are so cooperative about volunteering to help me," stated Whittemore.

Not believing in wasting time Whittemore has band practice scheduled for this Wednesday and Thursday evenings. He has asked that all high school band members please attend.

Proposed City Budget

The utility tax was estimated at being up \$10,000 to \$96,000, while the state revenue sharing tax is expected to remain the same at \$258,344. Carryover funds were expected to drop from \$100,000 to \$20,000.

With the largest portion of the budget, the Water Department anticipated an income during the next year of \$255,000 with expenditures of the same figure. Next to the bond and sewer repayment the largest item of expense would be office and operation and maintenance salaries of \$127,000. Power was expected to cost about \$60,000, supplies, \$22,000 and insurance jumped to \$13,700 while the reserve for contingencies dropped to \$22,000 from \$35,000 this year. Many other items were held at this year's budgeted amount.

General government expected budget took a \$37,000 increase to \$250,000 with such items as: Utilities, insurance, payroll taxes, and civil service taking the making the biggest increases. Many other items were slated for increases caused by inflationary forces.

Property maintenance was anticipated being up roughly \$500 to about \$22,000, with no major increases. Publicity was figured at \$6,000 to \$12,000. The Fire Department budget was figured at \$99,000, up about \$4,000. The Park Department figures showed a \$1300 increase to \$3100.

In the Police Department additional personnel was expected to add about \$20,000 to salaries, the pension fund was almost doubled but supplies are expected to be about \$3000 less next year. The total

budget figured was set at \$247,000 up about \$23,000 from last year.

The Sanitation and Street department with an estimated budget of \$247,000 was up about \$4,000 with the largest increased item being salaries, up \$20,000 to \$180,000, with several other items being down. The Recreation Department budget for \$27,700 was up about \$1700; while the Building Department, at \$23,000 was relatively the same as last year. The Library budget figure of \$30,000 was up \$1200.

In their discussion as where to cut the estimated expenses, several department heads stated they could get by for another year with their present equipment. John Ziegler of the Street and Sanitation Department said they would make the two 12 year old flatbed trucks run for another year but they needed another garbage truck, which cut \$15,000 from the budget.

In the Fire Department, Chief Mack Flowers stated they could get along without the extra man who had been budgeted for three years, thus cutting expenses by about \$10,400. The fund for new books for the Library was reduced \$2000 to \$10,000.

In a discussion of CETA employees, it was pointed out that Avon Park was supposed to have 10 people who are paid by the Federal government, but only three policemen, one fireman and one

street department employee are assigned to the city by county authorities. Mayor Marshall Davis said that he would inquire as to why Avon Park was not getting the help it was entitled to with Charles Cullen, county administrator and Mr. Chabot of the CETA program.

On other capital items of expense, department heads were urged to make their requests for equipment, to come, from Federal Revenue Sharing funds; as first quarter payment from these funds will be made Jan. 10, 1978. Items to be included in this list are: Repairs to city buildings, office equipment, land purchase for the airport, fire department equipment, automobiles, garbage trucks, street paving and sidewalks and a backhoe digger, with the total estimated budget for revenue sharing funds being \$105,000.

Another item suggested by Councilman David Barefield and other councilmen was the reworking of duty schedules to reduce the amount of overtime required in the Water and Sewer Departments to reduce overtime payments.

In adjoining Council President urged all councilmen and department heads to consider other ways to bring the budget into balance before the next regular meeting or a special called meeting.

To Study Home Improvements

Home improvements are the object of many requests for variances that will be considered by the Highlands County Board of Adjustment at its Aug. 23 meeting.

Ronald and Betty Sue Carnes want to build a 12 x 20 shed on their non-conforming lot, which lacks the necessary requirements for road frontage. The property is located at the end of Reunion Drive as it turns off U. S. 98 between Airport Road and Elliott Road.

Philip J. O'Connor needs a variance in order to construct a 20 x 22 frame garage at the front of his lot. The residence was built five feet from the side property line, with other setbacks conforming. The lot is situated on Little Red Water's Lakeshore Drive, Sand Beach, Avon Park.

Represented by Swan Industries, Marie Ellicker is seeking a variance for lot in Fairmount Mobile Estates, with the intention of building a cabana room on an existing concrete foundation and under a present roof that is conforming. A variance is needed due to an existing carport being 4 1/2 feet from the side property line.

Granted a variance of 15 feet on the front setback, Dale and Rosemary Hanson want to construct a house of approximately 1500 square feet. Due to the shape of the lot on Pompano Drive, Sebring Ridge, it would be difficult to place a home on it of sufficient footage and still maintain the required setbacks.

RSC Building Corp., on behalf of Raymond and Sandra Horricks, wants to locate a mobile home on a 10-acre tract of land while the Horricks are developing

the land for a campground. The mobile would be for living purposes, located at the south end of Lake Glenda, Avon Park.

History, Natural Beauty
Off Beaten Path In State

A short side trip off the beaten path can lead the visitors to some of Florida's more unique areas of history and natural beauty.

One such site, Falling Waters State Recreation Area, is located near Chipley on State Road 77A.

The vast pine barrens of west Florida offer the visitor a sweeping vista of the beginning of the coastal lowlands. As seen from the park, the red clay hills of Alabama give way to river swamps and salt marshes that edge the bays to the south.

Visitors willing to explore the area are rewarded at the park with a rare Florida sight, a sparkling waterfall that spills into an 80-foot limestone sink and disappears underground. The park's 152 acres of natural woodlands of pine and hardwoods rival the foliage displays of mountain areas farther north.

The hilly terrain is honeycombed with limestone caverns and caves. A recently completed system of elevated

boardwalks has been erected at a cost of more than \$15,000. They allow the visitor to extensively tour these unique formations in complete comfort and safety. At one point it is possible to walk down into the deepest sink and overlook the waterfall at close range.

Indians are known to have occupied the site located within the park long before the white man discovered its beauty. There is evidence that Indians mined the area for colorfully pigmented rocks used in making paints and dyes. Early settlers also used the local rocks for dyes.

The park offers abundant camping sites and excellent swimming in a clear lake formed by the stream that leads to the waterfall. Several nature trails allow the visitor to view the many preserved areas of natural scenery.

A tranquil change from the state's more heavily visited parks, Falling Waters offers a unique experience to the traveler willing to take a break from the routine.

THE RED DEVIL football coaching staff relaxed during a water break last Tuesday morning. From left: Assistant varsity coach Ronnie Jackson, head varsity coach John Hunter, head varsity coach Hoppy Rewis, and assistant varsity coach Don Sisemore. Sunphoto by Derkman.

Red Devils To Play Lake Wales In Opening Game

BY MARK ALBRIGHT
Football season is coming up soon and the Avon Park Red Devils are busy practicing for their opening game. Instead of having a soap scrimmage, the team will begin their season on Sept. 9, when they play Lake Wales here.

Captain Hunter said as of Tuesday, he has 25 boys out for practice and expects four more before the season begins.

This week the boys are practicing in shorts, and they will put on pads next week. There are two practices a day. One begins at 8 a.m., and the other session begins at 4 p.m.

Captain Hunter said he has four new players this year. Ricky Stevens, a junior who moved here from Homestead, will begin the year as halfback. Keith Alwood, a senior who has moved here from Hawaii, will also be in the Red Devil's lineup. Fred Williams and Lavonza Robinson, two Avon Park boys, also began this year.

Captain Hunter said he plans to start the season with David Sisemore as quarterback.

offensive tackle and linebacker. Coach Hunter said he is expecting four more boys to come out before the season begins, Fred and Ralph Hart, Wendell Frasier, and Jeff Williams.

Coach Hunter hopes to better last year's 6-4 season. To prepare for the opening game of the season, he is having the players do a lot of running and learn offensive and defensive line techniques.

Baptist No. 1 Take No. 1 Spot

The First Baptist No. 1 team won the number one spot in regular season standings in the Avon Park Church Slowpitch Softball League with a 10-9 victory over the Nazarenes in a play-off game last Monday night. The two teams had finished regular season play with identical 10-2 records to go into the play off game.

First Baptist No. 1 came from behind in the bottom of the seventh inning, with firstsacker Dick Peavy winning the game with a three run homer. The top

four teams in the league will compete this week in a double elimination tournament. First Baptist No. 1, Nazarenes 10-9, Seventh Day Adventists 9-3, Episcopals 7-5, First Baptist No. 1-3-4, Fla. Ave. Baptist 2-9, and Fellowship Baptist 0-12.

SENIOR FULLBACK RUFUS Wilson carries out a fake through an imaginary line during play execution drills at Red Devil football practice last Tuesday morning. Sunphoto by Derkman.

Last Chance For Ticket Holders To Reserve Seats

This is the last week for holders of Red Devil reserve seat tickets to renew them for the 1977 five-game home season which opens on Sept. 9 with Lake Wales going against Avon Park here at Memorial Field. Tomorrow (Friday, Aug. 19) is the deadline for purchasing the same reserve seat tickets as were held last season.

Starting Monday, August 22, those who have purchased the 1977 tickets may exchange them for other available tickets through August 26 at the Avon Park High School office. Then on Monday, Aug. 29, those tickets not renewed, plus some 66 new reserved seat tickets, will go on sale to persons on a waiting list. Anyone wanting to buy new reserved seat tickets for the regular season home football games should

contact Peggy Sisemore or Athletic Director Joe Franz at the high school as soon as possible.

Reserved seat tickets cost \$3 per ticket plus the purchase of one season ticket for each reserved seat ticket. Adult season tickets sell for \$8 for the five home games and student reserved seat tickets cost \$4 per ticket. Home games for the Red Devils this season will be Sept. 9 against Lake Wales, Oct. 14 against Frostproof, Oct. 21 against Clewiston, Oct. 28 against Fort Meade, and Nov. 4 against Hardee High of Wauchula.

The Red Devils will play Lake Placid, Arcadia, Mulberry, Okeechobee, and Sebring away from home this year. Avon Park will also participate in a Heartland Conference football jamboree to be held in Wauchula on Friday, August 26.

Players Needed For Mother-Daughter Game

There is still room for more players in the Third Annual Mother-Daughter Softball Game, Sponsored by the Avon Park Recreation Department. The game has been rescheduled for Friday, Aug. 26, at 8 p.m. The daughters will play against the mothers, in a 7 inning event that has been very entertaining and fun in the past two years.

The daughters must be at least 13 years old and both mother and daughter must register as a couple. A fee of \$2.50

per person will be charged to help pay for the caps that all members will wear and keep after the event. A plaque will be awarded to the winning team, with all members of the team on it.

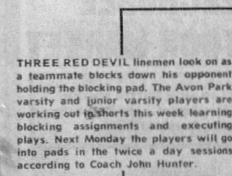

If you want to participate, but do not have a daughter 13 or older, you may "adopt" one for the evening.

Sign up now! The first 15 couples will be the teams to play. Call the Recreation Center at 433-6881 to register.

A RED DEVIL offensive lineman jumps the gun as Coach Ronnie Jackson observes a drill to teach blocking assignments and get the linemen moving as a unit at a Monday afternoon practice session this week. Avon Park varsity and junior varsity prospects are hard at work in twice a day drills getting ready for the

1977 season opener here at Memorial Field on September 9 against Lake Wales.

THREE RED DEVIL linemen look on as a teammate blocks down his opponent holding the blocking pad. The Avon Park varsity and junior varsity players are working out to shorts this week learning blocking assignments and executing plays. Next Monday the players will go into pads in the twice a day sessions according to Coach John Hunter.

The 7th Annual Bartow Girls Villa Classic Ladies Team Golf Championship is set for August 31-September 1 at the Bartow Golf Club. The popular best ball 36 hole event consists of 4 players from golf clubs throughout Central Florida. Twenty-one teams participated last year and an even larger contingent is expected this year.

Racquetball Tourney To Start Saturday

The Summer Open Racquetball Tournament, singles division, will be played this weekend. The matches will be played at the four-wall courts directly behind the Avon Park Recreation Center.

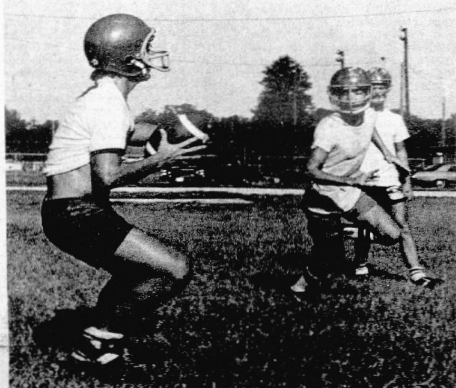

There is still plenty of room for more participants in this tournament. If you are a racquetball player, sign up now. The draw for matches will be made Thursday night, so you must register before that time.

This will be a single elimination tournament in the singles division for men, women, boys and girls. There will be a \$2.50 per person entry fee. There will be trophies awarded to the top two positions and as a bonus — the Ekelton Company has donated two "Strandemo" racquets and two large Equipment tote bags to be given as door prizes to two lucky participants.

The doubles tournament will be held in the same location next weekend, Aug. 27-28. Both men's and women's teams are urged to join in this event. There will be all skill levels represented in this tournament, so register before Thursday, Aug. 25 for lots of fun and good clean competition. Trophies and door prizes will also be given in this tournament.

For both the singles and doubles tournaments, the matches will be posted Friday Morning, before play is started on Saturday morning at 8 a.m. The finals will be played on Sunday afternoon.

Call the Recreation Center at 433-6881 to register. Join in, just for the fun of it!

1977-78 Hunting Season Opens On September 1

The 1977-78 hunting season will officially begin at one-half hour before sunrise Thursday, September 1, with the opening of rail and gallinule season.

The Game and Fresh Water Fish Commission reminds hunters that purple gallinules are protected in Florida. The season for rail and Florida Gallinule will run for 70 consecutive days ending November 8.

Bag limits for Clapper and King rails are 15, singly or in the aggregate; Sora and Virginia rails, 25 singly or in the aggregate; and Florida gallinules, 15.

Legal shooting hours are one-half hour before sunrise until sunset. Dove hunters will again have a three-phase season with the first phase beginning at noon on Saturday, October

1. That phase will wind up October 30. The second phase will begin November 12 and continue through November 27, with the third and final opening December 17 and ending January 9.

During all three phases, shooting hours will be from noon until sunset with a daily bag limit of 12 and possession limit of 24.

The Commission has also approved, in principle, seasons for two other wheelless migratory birds. Woodcock season will be from December 17 through February 19 with a daily limit of five, and snipe season will run from November 12 through February 26 with a daily bag of eight.

Bowlers Place In Tourney

In six weeks long weekend state tournament, Highlands County Ridge Association's Junior bowlers placed more bowlers in the winners list than they did in the previous year.

With eight years of active

bowling, locally, the Ridge Association of Junior Bowlers has competed seven years in the Florida State Junior Bowling Association, Inc., annual state tournaments.

Girls Villa Golf Tourney

The 7th Annual Bartow Girls Villa Classic Ladies Team Golf Championship is set for August 31-September 1 at the Bartow Golf Club. The popular best ball 36 hole event consists of 4 players from golf clubs throughout Central Florida. Twenty-one teams participated last year and an even larger contingent is expected this year.

Lake Region of Winter Haven, a four time winner will defend its title, with strongest competition expected from Lakeland's Lone Palm and Cleveland Heights.

Marian Parish is Tournament Chairman. Each

club will consist of two player teams, with gross best ball scores of both teams determining the winner after 36 holes. Team awards will also be made for low net best ball, low net individual and low gross individual.

The Awards Luncheon which is included in the entry fee will again be held Thursday, September 1 at the Peace River Country Club. Entry deadline is August 14.

For the additional information contact Mrs. Marian Parish 813-446-4223 or the Bartow Chamber of Commerce which is the coordinating agency for all events.

which have been run for 12 years.

The 26 Ridge Association teams, with approximately 100 bowlers, overall did better this year although some placed higher last year. The tournament starting at the end of May was run off on successive weekends at an alley in Tampa and one in Clearwater.

The 1977 Ridge Association winners were in the following events: Team winners: Class A with 86 entries, Avon Park flying Service tied for 9th with the Hialeah T. Bred. Class B, 138 entries, 15th, St. Regis Paper Company; Class C, 177 entries, Carroll Construction Company (Ridge) tied for 17th place with Bellair Jr.-Sr. League and Class D, 178 entries, Kool Kats 15th.

Class E, 112 entries, Tondel Auto Service, placed 7th and in Class F with 138 entries, Buck Eye Fuel Company took 3rd. In the Doubles events, Class C, 374 entries, the team of Danny Behal and David

Robertson were tied with Tony Sumner and Anthony Izzo for the 28th spot; Class F, 249 entries, Richard Trepanier and Danny Shepard placed 11th with Harry Hens and Greg Kramer placing 14th.

In the girls single events, Class E, 175 entries, Davina Palm (Ridge) was tied with Mary Duncan for 10th place. Class F, 284 entries, had Cathy Carroll placing 11th and Lisa Dixon, 19th.

In Class F, Boys singles, with 279 entries, Randy Tift of Ridge was tied with Tim Wynkoop, James Yurillo and Jeff Spence.

In the all events scratch Class F boys a 3-way tie at 1156 had the following sharing top honors: Richard Trepanier (Ridge); James Yurillo (Martin) and Keith Dupont, (Tampa).

The summer bowling season for the Junior Bowling Association will end Sunday, Aug. 21. The opening date for the winter season will be announced at a later date.
