But Garbage Fees Go Up \$1

City Avoids Tax Hike

George Duncan

There will be no tax increase in the city but residents will pay a \$1 per month increase in sanitation fees as city councilmen struggled to balance a \$70,000 deficit in the 1978-79 budget.

The rate increase was first proposed by City Clerk Malcolm Crews, who also suggested exempting elderly citizens from paying the extra fee. Crews said the cost for garbage collection in Avon Park was still lower than other cities.

"We're cheaper than any other city in the area. Sebring charges \$6 per month," Crews said.

The additional dollar would up residential collection fees from \$3 to \$4 per month. Fees from businesses would also be upped. Councilmen agreed to pass an ordinance raising the costs.

The increased revenues will add approximately \$30,000 to the budget.

In addition to increasing revenues, the council also chopped off some expenditures to balance the budget.

The largest reduction was the elimination of the proposed engineering department. Last month councilmen had suggested the city hire its own engineer instead of paying a consulting engineering firm. The proposed city engineer would also have doubled as the director of public works.

However the cost of salaries and equipment would have been \$27,000, a cost the council did not want to pay.

"I think it's a good idea but we have to balance the budget," said Councilman Robert Britt. "Maybe next year."

Other cuts by the council were basically minor items, usually made in gas and oil and repair expenditures in different city departments.

When first presented, the council faced a budget which showed ex-

penditures of \$1,153,351 and revenues of only \$1,022,071. The council trimmed about \$20,000 of costs and added about \$40,000 leaving a contingency fund of \$10,000 before giving it their tentative approval.

Most of the increase during the coming year will be in salaries for city employees. Most city departments, with the exception of expenditures for salaries, are within a few thousand dollars the previous year's budget.

Crews also pointed out payroll taxes — social security taxes — had taken a sharp rise. The cost to the city will be \$43,500 during the 78-79 fiscal year, up \$12,500 from the last fiscal year.

Insurance costs have also skyrocketed. The city will be paying out \$96,000 in insurance expenses next year, up \$20,000 from the year before.

The largest single item of revenue will

be taxes which will account for \$291,840, or approximately 30 percent of the city budget. Tax revenue will be up \$40,000 next year due to some increased assessments in the city. The tax millage will stay the same as it is this year.

The city will receive \$215,813 in state revenue sharing funds, up just \$300 from last year. Fees from the sanitation service are expected to bring in about \$165,000, a figure which includes the proposed \$1 increase in monthly fees.

The water and sewer department will expend \$533,300 during the next fiscal year. However, the department is self-supporting and will bring in an equal amount of revenues.

The city will also receive \$113,321 in federal revenue sharing funds, funds which will be used mostly for capital expenditures in different city departments.

THE AVON PARK Bombing Range's swimming pool was officially opened and ready for use Thursday, Aug. 17. Here Mike Prevatt takes a gulp of fresh air after a dive in the long awaited pool. Snapshot by Betty Amburn.

Highlands County Tax Rate Makes Top Third Of Florida's 67 Counties

George Duncan

The state has just confirmed what citizens of Highlands County probably already knew; the county is in the top third of the state in the amount of county wide tax millage levied.

In comparison with Florida's 67 counties, Highlands County ranks 21st, with a county wide millage of 15.591 mills. Millages ranged from a high of 19.1 mills in Hendry County to a low of 10.1 in Liberty.

The millages are taken from 1977 figures and are county-wide figures. They do not include city taxes or any special taxing districts which do not encompass an entire county.

The majority of the tax millage in Highlands County, like other counties, is from the county government and the school board. The county commission has set a millage of 5.98, while the school board is taxing at the full 8 mills.

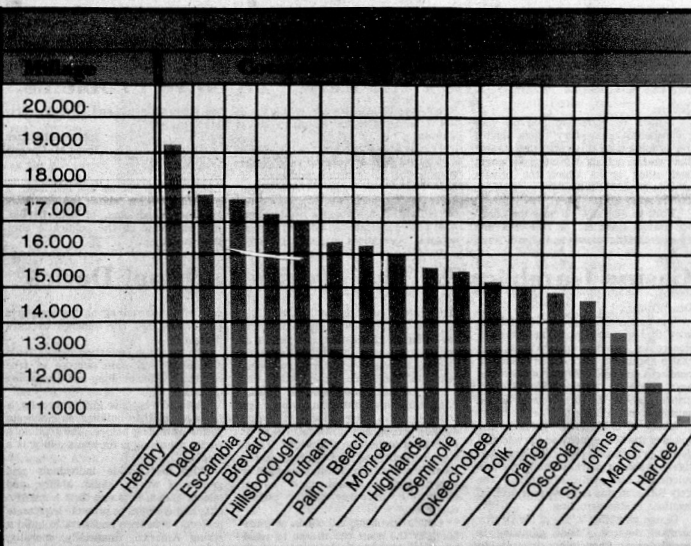

(In most counties the schools tax the full 8 mills allowed by law. Only in about a dozen counties is the millage lower, the lowest being 6.4 mills.)

In Highlands, the hospital board levies a millage of .910 while county and school debt service combine for a millage of 1.05 mills.

In 1977, the millage brought in a total of \$3,575,327 to the county and \$4,860,347 to the schools and approximately \$500,000 to Highlands General Hospital. The total amount of taxes increased 11 percent over the 1976 total.

At this time, it appears the 1978-79 millage will not change from this year's millage. Neither county-wide agencies nor the city of Avon Park have indicated taxes will go up.

However, because of some higher
Continued On Page 10A

A COMPARISON OF Highlands County with the other 66 counties in the state shows Highlands is in the top-third

ranking in regard to the amount of county - wide tax millage. With the millage at 15.591, Highlands is 21st in the

state.

Sheriff Breaks Up 10-County Burglary Ring

Sheriff Joe Sheppard reports that a major burglary and theft ring was broken through multiple county investigations involving ten counties of Charlotte, Collier, Desoto, Glades, Hardee, Hendry, Highlands, Lee, Okeechobee and Polk County.

Highlands County had the first break in May of 1978, when surveillance was set up and led to the arrest of Downing George, Theresa Luke, and Clifford Clow on charges of burglary and grand theft. All subjects arrested resided in Hendry County, LaBelle, FL.

From those arrests, further investigations with other counties led to the arrests of John Christopher Livingston, William Holton, Ray Harn and Jalmer Roy Nelson, all of LaBelle and Daniel Lynn of Immokalee, FL.

Though close investigations by investigators from the ten counties, approximately 350 felony cases will be cleared up, involving monetary value in excess of \$50,000.00 and eight arrests with multiple charges on each arrest. As investigations continue, it is expected that more arrests are to be made and

more property will be recovered.

To date, there have been 52 charges made by law enforcement agencies stemming from their investigation on this burglary and theft ring. Investigators have worked hard and put in long hours in the two months that they have been investigating this burglary and theft ring.

Crimes committed by the above named subjects involved thefts of heavy equipment and vehicles, cattle, burglaries of buildings, outboard motors and hundreds of fruit trailer and

passenger car tires. Anything of value that could be sold by these subjects was stolen and resold.

The largest amounts of property recovered are identified as Farm and Ranch tools and equipment.

With the assistance of an Investigator from the Department of Agriculture and Consumer Services, who has been involved throughout the investigation, all involved counties intend to recommend various methods to cattlemen and farmers that will possibly decrease future offenses of this nature.

Candidates Disclose Worth

The Money Game

Running for an elected office is often expensive but almost all Highlands County candidates can afford the race.

In the races for the county commission, incumbent Norman "Jug" Heston lists a net worth of \$306,014. According to the financial disclosure forms filed in Tallahassee, Heston lists assets of \$463,850 and liabilities of \$156,836.

Heston listed his occupation as president and manager of the Central Builders Supply and listed an income of approximately \$32,000 from that position. Heston's assets included over \$212,000 worth of real estate and \$236,850 worth of stocks and securities. Liabilities included a \$121,000 mortgage on his property.

Heston's opponent, Oscar Lave, showed a new worth of almost a quarter of a million dollars. Lave's financial disclosure form, filed July 31st of this year, revealed a new worth of \$480,742. Lave's assets included land and his residence which were valued at \$275,500, cattle valued at \$102,000 and Florida Farm Bureau certificates which were valued at \$43,000.

Lave's statement showed no liabilities in excess of \$1,000.

The second incumbent county com-

missioner, C. J. "Buddy" Wise, listed his net worth as \$91,700. Of that amount, two houses and several acres of land made up the majority of the amount. The land and residences were listed as having a value of \$85,000.

The only liability which Wise listed was a \$3,000 note to the First Bank of Lake Placid.

Bill Driggers, who is challenging Wise for the commissioner's chair, stated his net worth was \$68,912.

Driggers list of assets included real estate valued at \$47,000, cattle valued at \$67,500 and personal property listed at \$15,500.

Liabilities included a note to the First Bank of Lake Placid for just over \$37,000 and a note to the First Home Federal for an amount of \$24,054.

Driggers listed his sources of income as cattle sales brokerage and commissions and real estate sales and commissions. He received \$11,125 from the former and \$10,000 for the latter.

In the school board races, incumbent Steve Roberts listed a new worth of \$116,950. Roberts is the owner of Ridge Flourist and the Ridge Disposal Service Inc.

Dr. Ostling Finishes Family Physician Studies

Dr. Burton C. Ostling has completed continuing education requirements to retain active membership in the American Academy of Family Physicians, the national association of family doctors. The Academy formerly was called the American Academy of General Practice.

The requirements call for members to complete a minimum of 150 hours of accredited continuing medical study every three years. Members become eligible for re-election at the end of the third year following their election to membership. The Academy, the country's second largest national medical association, is the only national medical group that requires members to keep up with medical progress through continuing education.

Dr. B.C. Ostling

The Academy, founded in 1947 and headquartered in Kansas City, Mo., was instrumental in the establishment of a new primary specialty in family practice in 1969. The new specialty is expected to increase the numbers of family physicians available to serve the public in the future. The Academy's continuing education program is the foundation of eligibility for family doctors now in practice who apply for certification in the new specialty.

Dr. Ostling was born to Arvid and Esther Ostling in Chicago, with his mother still living in Miami. During his early years the family lived at Muskegon, Mich.

As a student he did his undergraduate work at the University of Michigan at Ann Arbor, Mich., from which he also

received his doctor of Medicine Degree. In early 1956 he came to Avon Park, practicing medicine with Dr. Hubert Coleman and Dr. Sam King. Later in 1956 he opened his own office.

Besides the American Academy of Family Physicians, Dr. Ostling is a member of the Highlands County Medical Association, Florida Medical Association and American Medical Association. He is a member of the Avon Park Chamber of Commerce, Benevolent Protective Order of Elks, Pincrest Country Club, the Episcopal Church and is on the Board of directors of the Avon Citrus Bank.

Married to the former Markine Trayner of Flint Mich., the Ostlings have three children, Hongy, Dexter and Tammy.

Guess What?

How many teenagers know what the harnes holding the mailbox were used for and when?

NYTANG Plans Newspaper Education Project

The New York Times Affiliated Newspaper Group (NYTANG) has begun plans for a Newspaper in Education (NIE) project for teachers and students served by the Group's newspapers in Florida and North Carolina.

Bett Perez, a 10-year teaching veteran who earned a Ph.D. in English from the University of Florida in 1972, has been named director of educational services for the Group. She will direct the NIE project, scheduled to begin in January, 1979.

NYTANG Circulation Coordinator, Robert Targione, said the Group is financially committed to the program in the belief that the NIE approach is sound, both for students and teachers as well as the participating newspapers.

The NYTANG program will provide teaching aids and lesson plans to individual teachers in grades 4 through 12. The aids and plans will use newspapers as "living textbooks," which provide up-to-date, diversified educational resources, Perez said.

Teachers and students will benefit from the program, she said, since it will "keep in on many real-life situations that are not encountered in the current school curriculum."

She said the disappointing results in the scores of the recent Florida Functional Literacy Test — which attempted to measure students' ability to function adequately outside the classroom — point up to the need for the NIE program. "Students need to learn how to use the newspaper as a survival tool," she said.

Beginning in January, area workshops will be held in several cities, where NYTANG papers are located, for teachers interested in the pilot program. Newspapers will be sold in small lots to individual teachers on an at-cost basis for as many days a week as the teachers feels necessary. Perez is now visiting county school superintendents, principals and department heads around Florida in preparation for the January pilot program.

The NYTANG project follows the recent establishment of an NIE office within the Florida Department of Education. The Florida NIE coordinator is Marthe Van Camp, whose appointment was the first of its kind by any government agency in the NIE.

Bett Perez

field. Ms. Perez was appointed to the State N.I.E. Advisory Committee.

Florida Commissioner of Education, Ralph Turlington, has personally backed the NIE approach to education. "I think newspapers are a natural for a huge range of school topics because they're more pertinent. A student can learn percentages through batting averages in the sports pages, routine math by comparative shopping of an ad, things like that," he recently said.

Perez earned her bachelor's degree in 1963 from Florida State University and her master's degree in 1963 from Eastern Washington State University. Her teaching experience has been in grade 6 through adult and graduate levels. She most recently has been a journalism instructor at Auburndale High School, where the Journalism program received a first place rating from the Columbia Scholastic Press Association. The Auburndale Journalism program publishes the only off-campus weekly school newspaper in Florida.

Perez and her husband, Skip, who is editor of The Ledger in Lakeland, Florida, have one child, Christian Marcos.

Meiser Home After Musical Vacation

Don Meiser has returned to his home on Lake Isis Avenue, from a 5 week vacation spent in and around Pittsburgh, Penna., where he was a professional musician before making Avon Park his home.

He also spent a week at the Chautauqua N.Y. Music Center. He reports a most enjoyable time attending the many concerts by renowned musicians and association with musical notables.

Avon Park is fortunate to have Don and other exceptional musical talent which has contributed so much to the cultural enjoyment of the city residents. Meiser is the Minister of Music at the First Methodist Church of Sebring and accompanist for the Young Highlanders, music group directed by Evelyn Jones. He is a teacher of piano.

Cradle Roll

Mr. and Mrs. Johnny Bernard Clark of Watchula, are the parents of a daughter, Jane Nicole, born August 10, at Walker Memorial Hospital, weighing 2 lbs. 15 1/2 oz.

Mr. and Mrs. David Charles Gregory of Sebring are the parents of a son, Christopher Lee, born August 10, at Walker Memorial Hospital weighing 6 lbs. 14 oz.

Mr. and Mrs. Juan Ybarra, Jr., of Bowling Green, are the parents of a son, Lino MNM born August 16, at Walker Memorial Hospital weighing 8 lbs. 1 oz.

Mr. and Mrs. Marc E. Genton of Avon Park are the parents of a daughter, Michelle Renee, born August 16, at Walker Memorial Hospital weighing 6 lbs. 13 oz.

Children Announce Wedding Plans Of Parents

The children of Martha A. Howze and the children of Horace "Chick" Farina, both of Avon Park, announce the engagement and forthcoming marriage of their parents.

The nuptial vows are scheduled to take place September 9 at 4 p.m. at the home of Mr. and Mrs. Billy Shelton.

A reception will follow in the Florida Power Lounge. All friends are invited to attend.

Mr. and Mrs. Alva Harrison

Harrison's Honored On 56th Anniversary

Mr. and Mrs. Alva Harrison of Avon Park, formerly of Charleston, W. Va., celebrated their 56th wedding anniversary Monday, August 21, at their home. A dinner was prepared for them by their daughter, Lois Selbe in honor of this occasion with the Rev. and Mrs. Paul Searcy as guest, Sunday, August 20.

The Harrison's were married

in Charleston, W. Va. and Alva is a retired millwright worker. The Harrison's have two daughters, Mrs. Benjamin (Lois) Selbe of Avon Park and Mrs. Russell (Helen) Kooz of Charleston, W. Va. They also have four grandchildren; Lester L. Stevens, Sebring; Eugene and Randy Kooz of Charleston, W. Va., and six great grandchildren.

Pollution Study Of Lake Okeechobee Completed

A team of University of Florida scientists with the Department of Environmental Engineering Sciences have just completed a 15-month study of pollution in Lake Okeechobee. A final report will be completed in December.

The \$160,000 study, funded by the Florida Sugar Cane League of Clewiston and headed by Dr. Patrick L. Brezonik, was to determine which chemicals and nutrients in the water are most critical in affecting the growth of algae and weeds in the lake and incoming streams.

The team made monthly tests in the lake and in their laboratory at Gainesville. "At several locations in the Lake, large plastic enclosures filled with lake water were suspended and the suspected chemical was added independently," Dr. Jackson L. Fox, one of the team scientists, said.

Each enclosure was monitored for two weeks to determine the amount of growth in algae and submerged weeds.

"Increased in algal growth

Legal Assistants Workshop In Orlando

The Florida Legal Assistants will conduct its Annual Workshop at the Travelodge, International Drive, Orlando, on Friday and Saturday, September 22 and 23, 1978, 9:30 a.m. to 12 Noon on "How DOES the Legal Assistant ASSIST?" featuring Attorney-legal assistant "teams".

Speakers will be Irvin A. Meyers, Esq., Orlando, and Dorothy Maters, Legal Assistant, on WORKMEN'S COMPENSATION; Kenneth Bishop, Esq., Winter Park, and Judy O'Donnell, Legal Assistant, REAL PROPERTY LAW; and CHARLES N. PRATHER, Esq., Orlando, and Lynda M. Ryan, Legal Assistant, on CORPORATE LAW.

Registration, which includes luncheon, is \$15.00 for FLA, INC. members and \$20.00 for nonmembers. The workshop is open to all attorneys, legal assistants, paralegals, educators, students and other interested persons.

An add-on feature and a first in Florida will be a "CLA" mini-mock exam to be offered to workshop registrants on Friday, September 22.

Deadline for registration for Workshop is September 11th and deadline for hotel reservations is September 15th.

Contact Lynda M. Ryan, P.O. Box 3663, Orlando, FL 32802 for registration for Workshop.

Contact Jeanne Thielen, Route 1, Box 418, Alva, FL 33902 for information about becoming a member of this professional organization.

LT. COL. SCOTT STOVIN, Avon Park Bombing Range

Base Commander cuts the ribbon, officially opening the swimming pool on the base.

Range Opens New Swimming Pool

Thursday, Aug. 17, Lt. Col. Scott Stovin, base commander of the Avon Park Bombing Range cut the ribbon officially opening the bases long awaited swimming pool.

Construction of the pool began in April, however mechanical and technical failures resulted in the timely

delay resulting in the scheduling of a new time to be opened.

The pool's capacity is up to 94 people including children and has showers, bathroom facilities and lounge chairs with aluminum tables and umbrellas.

The life guards for the pool

are senior red cross certified. The Red Cross certified life guards for the pool are Ken Collinsworth, John DuPriest, Jack Collins and John Boudreaux.

Due to the delay in opening of the pool, the scheduled closing date has been cancelled and the pool will stay open as

long as good weather conditions will allow, stated the bases recreational services director.

SFJC Offers Daytime High School Review Program

Donald H. Farrens, Dean of the Vocational, Technical & Adult Education Division of South Florida Junior College, has announced that applications are being accepted from persons wishing to enroll in the high school review (GED) program being offered on campus during the day. The morning class meets from 8:30

to 11:30 o'clock and the afternoon class from 12 noon to 3 o'clock, Monday through Friday. Persons may register for one or both sessions. The registration fee is \$35. for one-half day or \$70 for the full day.

The high school review (GED) program being offered (General Educational Development) course consists of individualized instruction in

reading, English, mathematics, science, social studies and literature. Students proceed at their own pace through a carefully selected program of study and may take the General Educational Development tests for a high school equivalency diploma if they wish to.

Persons may register for this class at the Admissions Office from 9 a.m. to 4 p.m., from August 28 through September 8. Additional information may be obtained from Gene Stalter or Miss Betty Carlisle at South Florida Junior College or by calling 453-6661, extension 119, in Avon Park.

Avon Square Center Sold

Ownership of the Avon Square shopping center has passed from a California bank to a Florida company. According to a deed recorded here, United California Bank

owns the center, which includes shops such as Winn Dixie, JC Penney, Eagle Family Discount, Heartland Federal Savings and Loan Association.

sold to Avon Square Association Ltd., headed by Jeffrey S. Auger of Fort Lauderdale.

Stamps on the deed indicate that the sale price was \$2,375,000. The deal includes the leases held with the shopping center's major

Thompsons Wed In Sacred Candlelight Ceremony

Mr. and Mrs. Everett Lee Thompson

Miss Terri Suzanne Thompson became the bride of Everett Lee Thompson on Saturday, July 29 at 7 p.m., at the First Baptist Church with Rev. Aden Childress officiating.

Parents of the bridal couple are Mr. and Mrs. Lamar Thompson and Mr. and Mrs.

Albert Thompson both of Avon Park.

The bride given in marriage by her father wore a floor length white gown with a lace trimmed skirt and a flowing train of lace with a finger tip veil. The gown had a lace bodice with round neckline, a high collar, with seed pearls on the nylon, and she carried a bouquet of daisies with a sprinkle of baby's breath.

Lighted Candelabra cast a soft glow over the bridal party and magnificent floor palms surrounded the chancel of the church. A centerpiece bouquet of daisies with a blue bow as an accent beautifully adorned the pulpit of the church.

Angela Porter of Avon Park served as maid of honor. She wore a gown of blue eyelid with white underlay. The bridesmaids

gown had a square neckline with lace trim, a blue ribbon accented the waist line and she carried a bouquet of white daisies and baby's breath.

Rhodonna Thompson of Avon Park served as bridesmaid and she wore a gown identical to that of the maid of honor and carried a similar bouquet.

The bride's mother chose for this occasion a blue floor-length gown with empire waistline and lace accents, and she wore a corsage of white carnations. The groom's mother chose a green floor length with silver lace accenting the square neckline, and she wore a corsage of white carnations.

Bob Mays of Avon Park served as best man. Those attending as ushers were Steve Thompson and Stuart Thompson both brothers of the bride and of Avon Park. Charlie Comer of Avon Park served as groomsman.

A reception was held at the church social hall immediately following the wedding ceremony. A lattice arch with fern and blue paper flowers served as a background for the bride's table, which held the three-tiered wedding cake and single candles gracing each end of the table. The punch table held the punch bowl and serving plates.

Susan and Belinda O'Neal was placed in charge of the guest book. Those assisting in receiving and serving were Sharon Hawkins and Janet Willis.

For their honeymoon trip to Tampa the bride chose a blue and white knit skirt set, and she wore corsage of white carnations.

The bride was employed at Pia Laigias and the groom is employed by the federal government as a fire fighter and will be stationed at Kirtland Air Force Base, New Mexico, the couple's new home.

BOOKLET AVAILABLE

The "World's Most Unusual World Records, Color Photos of Garden Giants and Advice, is available for 25 cents to cover postage. From Grace's Gardens, 3 Autumn Lane, Hackettstown, N.J. 07840.

We would like to wish the following people celebrating birthdays this week a big "Happy Birthday."

August 24 — Carol Wicker, and Anne W. Perry.

August 25 — Victor Mickunas, Sr., Stephen Ford, Majorie Davis, Mrs. Ethel Childress, and Mrs. Bertha Skipper.

August 26 — Virginia Henderson, Ruth Fleming, Frances Ziegler, Matt Cloud, Lillie (Granny) Winegard, Carol Cribb, Robyn Heckard, and Diane McRae.

August 27 — Michael Birt, Joy Traverse, Mrs. Leroy Brock, Louise Jackson, Kathleen Smith, and Pete Simpson.

August 28 — Vicky Gore, Milton Howard, Sr., Diane Palagrove, and Mrs. Carrie Williams.

August 29 — Mrs. W.A. Stallard, Nina Runner, Denby Jackson, Robbie Kindrick, and Tracey Jones.

August 30 — Alice M. Tuten, James Jackson, Bessie Hyde Moree, Robert Woodruff, Ruth Ellen Cook, Roger LaBlance, and Mrs. Fay Light.

August 31 — Mrs. Donald Ford, Mrs. Edgar Smoot, Sacara Albrighton, Mrs. Marvin Jones, Larry LaFram, Michele Coleman, Sonny Heckard, William Doyle Roland, Jason Wayne Martin, Larry Donnell Altman, Gemetrus Delrice Fleming, and Amy Nichole Willis.

If you have a friend or loved one that will be having a birthday soon, call us so that we may add their name to our birthday list.

Dunn Reunion At Jetty Park

The Thad Dunn Reunion, Sept. 3, at Jetty Park, Cape Canaveral, the north end of Cocoa Beach. All friends and relatives are invited to bring a covered dish and join in the family get together.

Mr. and Mrs. M.G. Whitcomb

To Celebrate Golden Anniversary

Mr. and Mrs. M.G. Whitcomb will celebrate their fiftieth wedding anniversary on Sunday afternoon, August 27, with a reception at Fellowship Hall Union Congregational Church from three until five o'clock.

Mr. and Mrs. Whitcomb met in Orlando where Mr. Whitcomb was in business with his father developing their Loch Haven property, now known as Loch Haven Park. Mrs. Whitcomb was teaching fifth grade in Delaney Street School. They were married on September 5, 1928 at the Methodist Church of Tarpon Springs, the home of her parents, Mr. and Mrs. H.B. Clevelley.

Local Couple To Exchange Nuptial Vows

Lora Lee Hinote and Marty Lee Kelly will be joined together as one in the holy bonds of matrimony Saturday, August 26 at 7:30 p.m., at the First Baptist Church, South Verona St., Avon Park with the Rev. Aden Childress officiating.

Parents of the bridal couple are Mr. and Mrs. Leroy Hubert Hinote and Mr. and Mrs. Leamon Kelly, both of Avon Park.

A reception will follow the wedding ceremony at the Agriculture-Civic Center on U.S. Highway 27 South, Sebring. All friends and relatives are cordially invited to attend.

Shower Honors New Bride

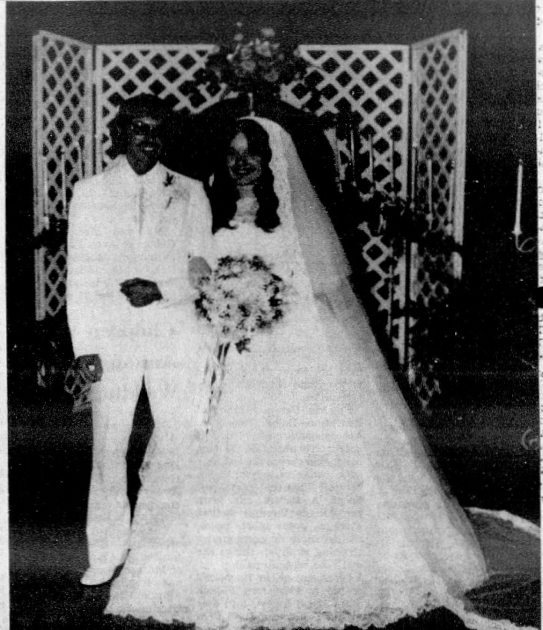

A bridal shower was held honoring Cindy Langston Lubbe, daughter of Mr. and Mrs. Norman Langston of Avon Park, at the First United Methodist Church in Wesley Hall, Thursday, Aug. 17 from 7:30 till 9:30 p.m.

The refreshment table was covered with a gold colored cloth with an assortment of summer flower arrangement. Lime punch and a tremendous array of finger sandwiches, cookies and bars with nuts and mints were served to the guests.

Upon arrival the new bride was presented with a corsage fashioned by Sybil Laves, made of navy and white polka dots with mixing spoons.

Hostesses for this occasion were Elsie Crowe, Linda Daubach, Ester Johnson, Joyce Oliver, Joy Osborn, Vivian Rich, Lucy Derkman and Sybil Lave.

Cindy's sister Donna was placed in charge of the guest book and sister Penny assisted in the opening of gifts. The hostesses gift presented to Cindy was a Fry Duddy.

Mr. and Mrs. William L. Anderson, Jr.

Johnson-Anderson Wed In Double Ring Ceremony

Miss Regina "Gina" Marie Johnson, daughter of Mr. and Mrs. James Johnson of Avon Park Pines subdivision, became the bride of William L. Anderson, Jr. July 29 at 8 p.m., at the Church of God with the Rev. Paul Searcy officiating the double ring ceremony. Parents of the groom are Mr. and Mrs. William L. Anderson, Sr., of Zolfo Springs.

The chancel of the church was decorated with a white lattice arch covered with greenery and a large bouquet of daisies, pompons and glads in mixed shades of burgundy and pink were placed on each side of the arch. Branch and three candelabra and palms were on each side of the chancel and tall white columns entwined with garland decorated with white chrysanthemums and topped with bouquets of greenery and descending down the bridal path were four candles pew markers on each side.

Billy Newell provide the nuptial music and Earline and Joyce Miller were the vocalists.

Given in marriage by her father the bride wore a gown of chantilly lace with satin background, a sweetheart neckline, long sleeves coming to a point at the wrist and a fitted waistline with full skirt and layers of lace ending in a chapel train. Her floor length illusion veil was bordered with lace matching that of the gown and formed a crown for the headpiece, and she carried a bouquet of miniature carnations, baby's breath and stephanotis in mixed shades of burgundy and pink.

Attendants Cindy Woodard of Avon Park serves as maid of honor and she wore a gown of pink eyelid with an empire waistline, scooped neckline trimmed in white lace and a pink bow, with lace trimmed sleeves and a huffie surrounded the bottom of the gown, and she wore a veil of short pink illusion topped with tiny pink and burgundy roses. For her bouquet she carried lighted chamber candles surrounded by a bouquet of miniature carnations and chrysanthemums in mixed shades of pink and burgundy.

Rhonda Larper, sister of the bride, of Dethan Ala, attended as matron of honor and she wore attire identical to that of the maid of honor and carried a similar bouquet. Lisa Johnson, cousin of the bride, and Elaine McKinney, aunt of the bride served as bridesmaids, and they wore attire identical to that of the maid of honor.

The brides mother chose for this occasion a pink crepe knit dress with white accessories and wore a pink carnation corsage.

The bridegroom's mother chose for this occasion a pink crepe knit dress with white accessories and wore a pink carnation corsage.

The bridegroom's mother chose a salmon colored knit dress, with white accessories and a pink carnation corsage.

Missy Kiker, cousin of the bride, served as flower girl and she was dressed identical to the bride with an identical bouquet.

Joe Anderson brother, of the groom, of Zolfo Springs, served as best man. Greg Gilliland cousin of the bride and Larry McKinney, uncle of the bride and both of Avon Park served as ushers, and Pat Anderson of Zolfo Springs and brother of the groom attended as groomsman.

Shawn McKinney, cousin of the bride of Avon Park served as ringbearer.

A reception followed the wedding ceremony at the Florida Power Lounge. Tables were covered with white lace floor length table cloths.

The brides table held a three tiered wedding cake in pink and burgundy. Doves and cherub candelabras with floral arrangements in pink, burgundy and white graced this table. The punch table was

decorated with a centered large punch bowl surrounded by greenery and pink carnations, dove candle holders and kissing angels.

Linda Johnson, cousin of the bride was placed in charge of the guest book. Those assisting in receiving and serving were Dot Barefield, Lillian Johnson, Clara Joe Pipkin, Virginia Johnson, Mary Kovak, Debbie Carpenter, Judy Wilson and Debbie Watford.

For their honeymoon trip the Christian Retreat in Bradenton the bride wore a burgundy colored pantsuit with a corsage lifted from her bridal bouquet.

The bride is a 1978 graduate of Avon Park High School and is presently employed with the First National Bank of Wauchula. The groom is a 1972 graduate of Hardee High of Wauchula and is presently employed with Kaplan Industries of Bartow.

Obersts Celebrate 50th Wedding

Mr. and Mrs. Fred Oberst of Avon Park celebrated their 50th wedding anniversary Sunday, Aug. 20 with a reception held in the social hall of the First Baptist Church.

A garden scene background with lattice work arch and side-wings decorated in greenery was used. Above the arch was cluster of large white wedding bells adorned with gold bows and ribbon streamers. A three tiered wedding cake with flowers in rainbow colors adorned a white round table placed in front of the arch.

On a table nearby was a miniature wedding procession of dolls dressed like the attendants of the Obersts at their wedding in 1928. There were 12 dolls in all, which included the groom, minister and best man, as well as the bride and her four bridesmaids, dressed in silk and lace gowns in shades of lavender, pale green, pale blue, yellow, and coral pink. The tiny ring bearer and two flower girls were all dressed in white.

On another table was a large inlaid board which held photos in various sizes which showed members of the immediate family over the years. A second one, a montage held smaller pictures of the bride and groom, taken during their first 30 years together and included here too was a picture of their granddaughters.

Out of town guest included.

Mr. and Mrs. Fred Oberst

Kristi Meissner the Obersts' granddaughter of Santa Ynez, Calif., old friends, Mr. and Mrs. Everett Mason and nephew from Kokomo, Ind., Mrs. Oberst's sister, Mrs. Lloyd Neely of Wichita Falls, Tex., her brother, Harold

Wysong and wife, and daughter of Indiana, Mrs. Jim Ayers and family of Aberdeen, Md., Mr.

and Mrs. Merle Vaught and Miss Bertha Magill of Miami, also several friends from Sebring and vicinity.

A floral centerpiece on one table was made up of flowers of gold colors and was flanked by two large white candles sitting in wreaths made of gold flowers and gold leaves.

Before the cake and punch

was served a prayer was said by Rev. Aden Childress, pastor of the First Baptist Church.

Punch was served by the Oberst's granddaughter Kristie and Mrs. Lillian Seeger. Other hostesses for this gala affair were, Mrs. Virgil Hall, Minnie Eisenmenger, Bryce Martin, and Alice Edwards.

The dolls Mrs. Fred Oberst fashioned in retrospect to their original wedding party 50 years ago.

Bridesmaid Dinner Held On Patio

A bridesmaid dinner was held in the honor of Laurie Peterson, Monday, Aug. 7 at the home of Mr. and Mrs. Art Turner of Highlands Lake. The dinner was held buffet style and held on the beautiful landscaped patio. This was the first time the bridesmaid and the bride-elect had been together in over three years, their graduation.

Upon arrival Laurie was presented with a yellow car-

nation corsage, and buffet table was decorated with yellow candles and daisies.

There were 16 guest at the dinner party and the out of town guest honored was Mrs. Higgins, the groom's grandmother from Sebring.

The hostesses for this gala occasion were Carol Owens and Marva Turner, and the gift to the bride-elect was a lovely kitchen plaster container.

Sgt. Hitson And Lt. Veit Presents Guard Program

Program chairman, James Paul, introduced Sergeant Den Hitson, the local recruiter for the Army National Guard Battery in Avon Park and Lieutenant Thomas Veit from

the National Guard Headquarters in Lakeland.

Veit discussed the structure of the local National Guard unit and explained its position in the total structure of the Florida Air National Guard and Army National Guard.

Veit pointed out the many self-development programs the guard offers to its members and said that guard personnel receive a minimum of \$1,000 per year for week-end and summer training pay.

The local guard unit is presently in a membership drive and has openings for 10 new person. The enlistment period is 6 years for all personnel.

The Avon Park unit, Battery D, is rated C-1, combat readiness and is the only unit in Florida with this high rating.

He asked for support from local citizens to help assure continued use of the bombing range for training purposes. The high rating that the Avon Park unit has achieved is a direct result of having this training available. The guard has modified its operating procedures in order to minimize the number of objections from local citizens.

Anyone interested in joining the local unit should contact Sgt. Hitson at the local operations center in Avon Park.

RECENTLY INSTALLED AUTOMATIC cash registers have materially speeded up customer checkout time, said

Opal Avery (right) Thriftway Food Store. Cashiers, from the left: Burley Smith, has been with the store 1 1/2 years; Kim

Miller, 1 1/2 years; Carolyn Nichols, 4 months; Glendora Revels, 9 months and Opal

Avery, head cashier, who helped open the store. Sun-photo by Lew Miller.

New Registers Speed Up Checkout

New cash registers recently installed at Thriftway Food Store on West Lake Avenue have materially speeded up the checkout time, stated Opal Avery head cashier. And customers are pleased that they don't have to separate taxable and other items, she added.

The electronic Cash Registers Unlimited were built by Jay Corporation of Chicago. With the registers running off of the store's 110-120 volt electric system, one has a self-contained 4-hour reserve auxiliary power unit that can be used to check out customers

should the power failure occur. The cash register is completely programmable by the store manager to do automatically all of the computing work in checking out a customer's grocery order.

As a complete fronted checkout system it handles automatically the calculation and total sales tax on taxable items plus the total on non-taxable merchandise. It totals food stamps and issues a food stamp due bill for a customer and handles split package pricing for the cashier.

The machine also has the

capability of having an electronic scale and an automatic coin dispenser added to the system thus relieving the cashier of time consuming tasks.

With all of the cash registers installed in one day the cashiers adapted quickly, commented Opal, who helped open the Thriftway store in July 1976. They like to use the registers because they don't

have to worry with price breakdown on the split package items.

The running totals that the registers keep on taxable goods, food stamps and other items reduces checkout time for the customer and cashier by about 35 to 40 percent, stated store manager, Rodney Shelton, who was also pleased with the changeover.

SFJC Offers Technical-Vocational Courses On Campus

Registration for Vocational, Technical and Adult Education Division Fall Semester classes begins at South Florida Junior College on August 28 and will continue through September 8. All occupational classes begin August 28. Any adult interested in enrolling in one of the classes will need to contact Gene Statler at the College for an appointment.

All occupational classes are conducted on campus during the day, five days a week. All classes except Drafting and Child Care meet either 3 or 6 hours per day. Drafting students attend 3 hours in the morning while Child Care students can attend 3 hours per day either morning or afternoon. There is a registration fee of \$35 for half-time students and \$70 for full-time students.

AIR CONDITIONING AND REFRIGERATION

This is a complete study of home and commercial air conditioning and refrigeration. Graduates of this program should be capable of assuming employment as a technician or repairman in the air conditioning and refrigeration trades.

AUTOMOTIVE BODY REPAIRS

A program designed to provide students the opportunity to acquire the knowledge and skills necessary to be gainfully employed in the auto body and painting business. All phases of auto body repairs and painting will be taught in the course.

AUTOMOTIVE MECHANICS

This program is designed to provide opportunity for students to acquire the knowledge and skills necessary to be gainfully employed in the automotive repair and servicing business.

This course includes instruction in blueprint sketching, blueprint reading, proper and safe use of tools, applied math for carpenters, and building code along with the instruction in the carpentry skills. Upon completion, student should have the necessary knowledge and skills to become gainfully employed in the carpentry trades.

CHILD CARE AND GUIDANCE

This program develops the knowledge, skills and attitudes necessary for the student to obtain employment in places where groups of children are cared for. The class actually operates a child day center on campus as part of the student training program.

DRAFTING

Classroom and drafting laboratory activities in this program will enable the students to develop skills and related technical knowledge as draftsmen. The course is designed to enable graduates to translate ideas, sketches, specifications, and calculations of engineers and designers into complete and accurate plans. The class meets from 8:30 to 11:30 each morning.

GENERAL OFFICE CLERK

The objective of this course is to prepare the student for office employment. Typing, filing, record keeping, business machines, and spelling are some of the office procedures covered in this course.

RADIO-TV ELECTRONICS

In this program, students will learn the techniques, practices, trade technology and mathematics required to provide a sound foundation in electricity and electronics.

Bill Benefits

17.4 Million

Veterans

The nation's GI Bill education program started its thirty-first year June 22, and has brightened the lives of more than 17.4 million veterans, according to Max Cleland, Administrator of Veterans Affairs.

"Since President Franklin Roosevelt signed the first GI Bill in 1944," the VA chief said, "America has invested more than \$46 billion in educating GI Bill recipients. This investment has been and will continue to be sound and wise."

"The Third GI Bill, in effect since 1966, is still available to many Vietnam Era veterans," Cleland said, "and VA is involved in a campaign to encourage them to use this valuable benefit."

The participation rate under the current bill is higher than either of its two predecessors with 7.2 million veterans and service personnel, or 65 per cent of those eligible, having taken some form of training. Under the original World War II bill, 7.8 million out of the 15.4 million eligible, or 50.5 per cent, used benefits. The rate was 63.4 per cent for the Korean Conflict bill, when 2.4 million of the 3.5 million eligible trained under this popular program.

A greater number of those training under the current bill used benefits for college courses than the other two programs — nearly 58.7 per cent compared to 50.7 per cent for Korean Conflict veterans and 28.6 per cent for veterans of World War II.

Current GI Bill rates for a veteran going to school full-time are \$311 monthly. A veteran with one dependent draws \$370 monthly, with two dependents, \$422 monthly, and an extra \$26 for each additional dependent.

In addition to monthly checks, Vietnam Era veterans may be eligible for free counseling and tutorial assistance, extra pay for engaging in VA's work-study program, and low interest VA educational loans.

Show-Off

Hits Tree

A 15-year-old Avon Park boy was charged with careless driving after he was involved in an accident while attempting to show off his car to an older friend.

Trooper Morris Dunn said the youth was on Avon Blvd., a red clay road, when he accelerated in a hurry. The driver lost control of the car and slid broadside 115 feet, then went off onto the shoulder of the road and hit an orange tree.

"We make our fortunes, and we call them fate," Benjamin Disraeli

needed for employment in the radio and television service industry.

TRACTOR & DIESEL MECHANICS

Upon completion of this program, the student should have the knowledge and skills required to be an apprentice mechanic in the agricultural machinery industry. Theory, assembly, adjustment, maintenance and repair of all types of agricultural machinery is taught in this class.

Stone Receives Service Award

U.S. Senator Richard Stone received the Florida Department of Agriculture and Consumer Services Distinguished Service Award today during the state agency's business conference.

The presentation was made by Agriculture Commissioner Doyle Connor to Stone who was the keynote speaker for the conference.

The award has been presented each year since 1964 to a person outside the Department who has made outstanding contributions to the agriculture industry of Florida.

In his presentation remarks, Connor cited Stone for his role in the Mexican produce controversy, the expansion of foreign agricultural markets, federal funding for research and control, assistance with disaster loans and leadership in solving energy problems.

"Mexican produce being dumped on United States markets at cut-price prices is detrimental to Florida's growers," Connor said. "Senator Stone is attempting to bring about an agreement between the two countries to assure Florida growers of a substantial market for their products."

"Senator Stone's meetings with Japanese and Taiwanese officials have brought about an expansion to the Far East markets for Florida citrus," Connor said. "Taiwan bought Florida citrus for the first time, Japan extended its import season by two months and also bought fresh Florida oranges for the first time."

Connor also pointed out that Stone, along with Senator

In addition to the occupational programs, the Vocational Ed Division offers many adult education classes at night starting September 11th in Sebring, Lake Placid and on campus. Schedules of all classes are available at the

College and will appear in next week's paper. Any desired further information should contact Mr. Statler at the College or call 453-6661, extension 119, in Avon Park.

Lawton Chiles, has been instrumental in having funds for research and control of tropical and subtropical pests, brucellosis, citrus blackfly and fire ants included in the USDA budget.

He commended Stone for his role in expediting disaster loans to Florida farmers during the drought which wiped out many of the state's vegetable crops.

"We also owe Senator Stone a vote of thanks for blocking an amendment to a bill under consideration by the Senate Foreign Relations Committee that would have reopened the door to trade with Cuba," Connor said. "Such a measure would have worked a definite hardship on many Florida farmers."

Connor also commended Stone for his concern with energy problems and his sponsorship and support of energy measures aimed at easing the burden of the high cost of utilities for consumers as well as producers.

Recipients of the award include Representative W.M. Inman, Senator Spessard Holland, citrusman-cattleman Irl Bronson, Representative Howell Lancaster, Congressman Bob Sikes and Senator L.K. Edwards.

Doctors Warn Of

Strenuous Exercise

Overexertion and over-exercising can result in problems during hot weather, even for normally healthy people, warn the physicians of the Florida Medical Association.

Florida doctors are well acquainted with the maladies associated with heat, and advise a little restraint during these hot days.

Normally healthy people may suffer from painful heat cramps if they exercise or work too hard in hot weather. These muscle spasms of the legs, arms and abdomen are caused by a depletion of salt in the body as a result of excessive perspiration.

Often heat cramps will respond to rest, warm wet towels and sips of fluids. Much more severe is heat stroke, or sunstroke. This is a reaction to extreme heat which paralyzes the heat regulating centers in the brain. The victim exhibits an abnormally high temperature, but his skin will be dry. Since this condition can be fatal, a physician should be consulted immediately.

Obituaries

Romeo Dalbec

Romeo Dalbec, age 73 of 1213 W. Beas St., Avon Park passed away Wednesday evening, August 2, 1978 at the Hillcrest Nursing Home.

Romeo was born in Wausau, Minn. and moved with his parents, Mr. and Mrs. Nels Dalbec to Grand Marais, north of Duluth, Minn. where he lived for many years.

He was a retired construction worker and commercial fisherman, coming to this area from Canton, Ohio in 1972, to live with Mr. and Mrs. Gerald Zaske in Avon Park.

He is survived by one brother, Walter Dalbec of Two Harbors, Minn. and a sister Mrs. Ruby Zaske of Avon Park. Services were held at 10:00 a.m. Friday August 4 at the Stephenson - Nelson - Smith Chapel with Father George Fraser officiating. Burial followed in the Lakeview Memorial Gardens.

Stephenson - Nelson - Smith Funeral Home, Avon Park, was in charge of arrangements.

Clyde L. Hill

Veteran citrus grower and fruit buyer, Clyde L. Hill, age 73, passed away Tuesday, Aug. 15 at Walker Memorial Hospital after a lengthy illness. Hill the son of Eddie and Della Hill was born in rural Hardee County. He was married to the former Gladys Adams of Wauchula on June 15, 1927. A member of the New Hope Baptist Church, the Hills moved to Avon Park in 1940.

Retired and living on Pioneer Lake, Hill was survived by his widow, Mrs. Gladys Adams Hill; a son, Dolan of Immokalee, two sisters, Mrs. Winnie Singletary, Mulberry and Mrs. Dessie Rich, Avon Park; two brothers, Morris Hill, Myakka City and Eston Hill, Lake Wales and two grandchildren, Wol Eddie L. Hill, Ft. Bragg, N.C. and Karen Rhoden, Immokalee.

Funeral services were held at 10 a.m. Friday, Aug. 18, at the Coker Funeral Home in Wauchula by Rev. Hudson of the New Hope Baptist Church. Burial was in the New Hope Cemetery.

Coker Funeral Home, Wauchula was in charge of arrangements.

Sentinel-Star Backs Williams

The Orlando Sentinel-Star became the first major daily newspaper in Florida to endorse in the 1978 Governor's race when they urged readers to vote for Lieutenant Governor Jim Williams in their Sunday morning editions.

In endorsing Williams to Democrats and Congressman Lou Frey to Republicans the newspaper said "In our opinion, two men stand far taller than the rest, Democrat Lt. Gov. Jimmy Williams of Ocala and Republican Congressman Lou Frey of Winter Park."

The editorial went on to say: "The main attraction of Jim Williams for us is his unchallenged integrity. Gov. Rubin Askew, a man of considerable integrity himself, once called Williams the finest, most dedicated public servant he knew. And that's quite a compliment."

"Williams is sound on the

issues, experienced in government and tough enough to take on the challenges facing the next governor."

"A native of Ocala, the 52-year-old Williams is held in high esteem throughout the state for his performance as a rancher and citrus grower, state senator and lieutenant governor."

"Although a wealthy man, he has refused to dump chunks of his personal fortune into the governor's race, even though he would probably be better off to do so. And he has not used his current office frivolously in the pursuit of a higher one."

"Williams may not be quite as flashy as some of the other candidates, but that doesn't mean he's not more capable. Williams is particularly impressive with his thoughtful and candid approach to government. But there is also something special about Williams that inspires a degree of trust rarely seen in public officials."

"When all is said and done, trust may be the key word in the governor's race. And if we must place our trust in any of these candidates, we'll place ours with Williams and Frey."

The Sentinel's endorsement came on the heels of a Friday endorsement by the weekly Palm County Democrat and a Saturday endorsement by the Democrat's sister paper The Fort Meade Democrat and Leader.

Williams and his running mate, State Senator Betty Castor, both expressed pleasure at the Sentinel's selection. "In a year with a large body of undecided voters late in the campaign newspaper endorsements can be of considerable value," Williams said.

Webber College Presents First Athletic Award

William B. Logan, president of Webber College in Babson Park, Florida, announced today that Marty Leavengood of Ocala has been presented the first "Athletic Award" under Webber's recently initiated intercollegiate athletic program.

The program, Logan noted, will begin with a 1979 winter basketball schedule. Logan stated Charles Brownfield, a Coral Gables native who attended the University of Florida on a basketball scholarship, has been named head coach for the "Webber Warriors."

Brownfield, who expressed an eagerness in working with Leavengood and confidence in his ability, explained he personally conducted the recruitment negotiations that began last April.

Leavengood, 17, is a native of Ocala and a 1978 graduate of the AAA Forest High School. He also played varsity baseball in school but pointed out his first real love is basketball.

"I became interested in basketball in the ninth grade and was challenged by the sport because I knew nothing about it and had never even played," he said.

"I've only been playing about five years. . . four seasons were with Forest and one was with an independent league in Ocala. I'm honored to be Webber's first choice for an athletic award and look forward to working hard for a winning season," Leavengood exclaimed.

Leavengood plans to study business administration and accounting at Webber with the possibility of law school in mind.

Webber College's first game is scheduled for November 4th against Clearwater Christian and will be a home game.

MARTY LEAVENGOOD (c) is pictured Brownfield, prior to his signing as Leavengood of Ocala (l) and Webber College basketball coach Charles

Ag Association Holds Convention

The Florida Citrus Commission will be host at a buffet luncheon on Friday, September 22, during the annual convention of the Florida Fruit and Vegetable Association at The Breakers in Palm Beach. Allan W. Wolff, Deputy Special U.S. Representative for Trade - Vegetations Washington, D.C., will speak at the luncheon. He is expected to present a timely report on trade and tariff partners.

The Florida Fruit and Vegetable Association will be holding its 35th annual convention September 20-23 at The Breakers.

Georgia Smokies Hard On Speeders

"Are you planning to drive through Georgia?" The "Smokies" will get you - if you don't watch out!

This traffic alert was issued by the Pentanula Motor Club (AAA), Tampa as officials in Georgia announced a statewide crackdown on speeding motorists.

As elsewhere in the U.S., the speed limit is 55 miles per hour on open highways and Georgia appears determined to enforce it to the letter of the law, the AAA warned.

What about a ten-mile "tolerance?" No way. In the past, troopers generally have allowed several miles "tolerance" over the 55, but Georgia Safety Commissioner, Herman Cofer, says now the limit won't be stretched, except for possibly "a mile or two" to compensate for variance on speedometers.

AAA members have reported to the club here of their arrests on slight infractions of the speed law in Georgia.

Cofer has announced that Georgia Highway Patrol is equipped with improved radar units that render the detection devices ineffective.

The Georgia official noted that the Legislature has passed many restrictions on local law enforcement officers to prevent "speed traps" from developing.

Reason for the crackdown, as Cofer explained to reporters, is that traffic deaths are up in Georgia this year, and "the same motoring public is complaining of reckless speedsters." The state DOT says the average speed is 60 mph and that 71 per cent of all drivers are exceeding the 55-mile limit.

Now, if you have a "Fuzz-buster," one of those machines that warns of radar checkpoints ahead, don't expect that to save you. Commissioner

Highlands Jobless Rate Hits 8.4%

The Highlands County unemployment rate stands a full two percentage points above the national average and almost 1 1/2 percent over the state average. The unemployment rate in the county was 8.4 percent in June, the last month when figures are available. The national unemployment rate was 6.2 while the state unemployment rate was 6.9. According to the U. S. Employment Service there was a labor force of 14,471

people in the county with 13,261 holding jobs while 1,211 were unemployed. The counties bordering Highlands had a lower unemployment rate although their rate was still higher than the national average. Hardee County had 533 people unemployed out of a work force of 8,367 for a 6.4 average. Okeechobee County had 504 unemployed persons out of a labor force of 8,990 for a 7.6 percent

average. Polk County, the largest in the Heartland District, had the highest unemployment rate with 9 percent of the work force looking for jobs. One of the reasons for the high unemployment rate was the growing number of people in the labor market, according to Labor Market Analyst LaVonne Royalty.

Public Can Hear Mixson

Wayne Mixson, Lt. Gov. running mate on the Bob Graham for Governor ticket, will be in Avon Park Thursday, Aug. 24, for a luncheon at noon at the Ranch Buffet Restaurant.

Republicans Leaders

At their regular monthly meeting Monday August 21, the Republican Party in Highlands County saw the resignation of their Secretary, C. Johnny Johnston and replaced him with Sherry Cruse.

The Chairman, Andrew Jackson, also resigned citing

lack of time to devote to the office due to his campaign for the State Senate. The Party then elected C. Johnny Johnston to fill the vacant Chair. Johnny moves into the Chair after having served approximately four years as Secretary.

ELECT

ROBERT (Bob) FITZGERALD

School Board District 3

• CONCERNED • QUALIFIED • EXPERIENCED

The present school board has greatly improved its access to the public. If elected, I hope to continue this development by making myself continuously available to the people and to diligently endeavor to inform them of developing board policies.

YOUR SUPPORT WILL BE APPRECIATED

ELECT BOB FITZGERALD

Printed Pub. Adv. campaign fund of Robert Fitzgerald, Bob Fitzgerald Campaign Team.

Haynie Named County

Chairman Of Campaign

Mr. George Haynie of Avon Park has been named Highlands County Chairman for the reelection campaign of State Treasurer-Insurance Commissioner Bill Guter.

Guter is seeking reelection to the post which he won in 1976 with 1.8 million votes, the most ever received by a statewide candidate in Florida history.

"I am gratified that George will serve as my Highlands

County Chairman for our campaign," said Guter. "He is a fine individual, well-known and respected in this area. His knowledge and experience will be an invaluable asset to our efforts."

Haynie is a well respected member of the community and will be responsible for coordinating campaign activities for Guter in Highlands County.

Tanzler Promotes

Work Fare Plan

Democratic candidate for Governor, Mayor Hans Tanzler of Jacksonville says hundreds and maybe even thousands of Florida's welfare recipients are able-bodied and could be filling gainful jobs at the State.

Tanzler cited the Work Experience Program, or "Work Fare Plan" which he created in Jacksonville, the only one of its kind in Florida. Some 536 persons seeking temporary welfare assistance have been placed in temporary City jobs.

"We have saved almost 15 percent of our City welfare budget since this program started last year," Tanzler said.

Emergency assistance for rent, food and utilities is provided for those able to meet the eligibility requirements.

However, if the caseworker determines that the recipient is able-bodied and could fill one of the up to 100 jobs the City's Departments make available, then they are given a job instead of a check. These include jobs as file clerks, cooks assistants, nurses aides, typists, custodial workers and general laborers, and the pay is \$3.00 an hour.

"If they are capable of working but refuse to take a job, they don't receive any assistance. We conclude they are not sincerely looking for

work and we are not interested in helping those who are not willing to help themselves," Tanzler said. "But we also found that many jobless people who really desperately need financial help are too proud to ask for welfare but welcome the chance to work for their money."

"Some \$47,500 has been paid in wages to the 536 who took jobs and another \$27,500 in assistance funds were saved because 286 potential recipients failed to report for work after accepting our offer. I guess they just couldn't believe that we really expected them to work for what they get," Tanzler said.

"This same program will work at the State level. Millions of dollars are being paid out in benefits each year for which the taxpayers of Florida are receiving absolutely nothing in return."

"Even more important than the dollar savings is the basic principle involved. Every working man and woman who has to pay taxes needs to be assured that their hard earned tax dollars are not being handed out to any individual not willing to put forth the same effort they do. That is just plain American—the essence of the free enterprise system."

Every able-bodied person should have his shoulder to the wheel—helping

Eckerd To Push For Cap

On Spending And Taxes

A cross section of elected officials, ranging from Pensacola to Miami Springs and including minority leaders from each house of the Legislature, joined today in endorsing governor candidate Jack Eckerd's push for a

constitutional cap on state spending and taxes.

"We've got to end forever put a ceiling on government cost," echoed Senate Leader John Ware and House Leader Curtis Kiser.

They were joined by twenty other legislators, mayors, county commissioners and school board members.

"When Jack says the end of the rainbow is not in the taxpayer's pocket, he knows what he's talking about and he's the one man that will do something about it," said the two legislative leaders. "He'll have our full support."

Eckerd promised to have a constitutional amendment limiting spending and taxes ready for presentation to the voters in the next general election.

He said he will enlist experts to draft the actual terms of the amendment.

"I think this is the one way to do it," said Ware, "it must be accomplished, but it must also be approached in a businesslike way. That's what Jack Eckerd is talking about and I know he's the one man that can make it work."

Others joining with Ware and Kiser in endorsing Eckerd include Representatives Ron Richmond from New Port Richey, Tom Woodruff from St. Petersburg, Tom Gallagher from Miami, and Betty Easley and Mary Grizzle, both from Clearwater; Senators Warren Henderson from Sarasota, Henry Saylor from St. Petersburg and David McClain from Tampa; School Board member John Espey from Clearwater; County Commissioners Lex Chira from Orlando and Cliff Wenzel from Naples; Comptroller Ken Kienth from Orlando; and Mayors Margaret Gentile from Northport, Beach Jorge Valdes from Sweetwater, Harry Gas from Venice, Chet Fields from Miami Springs, and Mayor Pro Tem from Pensacola, Albert Kline, Jr.

Candidates Report Finances

In the first round of campaigning for Highlands County offices, County Commission candidate Bill Driggers emerged as the "big spender." Driggers, who is challenging C. J. "Buddy" Wise for the Democratic nomination for the District 4 seat, reported expenditure of \$1,021.

This is \$6 more than Norman "Jug" Heston has spent in his campaign to retain his District 2 post on the county commission.

H. R. Heston, who is without opposition in the Republican nomination for the school board district 3 position, is away on vacation and did not file a report in the initial campaign finance reporting period.

The complete financial report, filed with Supervisor of Elections Jimmy Whitehouse Aug. 7, is as follows:

County Commission District 2: "Jug" Heston received contributions from Elgin Bayless Jr., \$100; Norval Neal \$100, Carl Weigand \$100 and Robert Smith \$100, all from Sebring. Total contributions to date, \$1,100.

Expenditures: Shultz Printing \$85, Roy Le Studios \$6 and The Print Shop \$117. Total to date \$715.

Both Heston and Laye are Democrats.

County Commission District 4: "Buddy" Wise received contributions: Nick and Faye Kotch of Lake Placid \$25, Bob and Jean Mullins of Lake Placid \$75, Ed Whately of Lake Placid \$25, Robert Hall of Venus \$100 and Lloyd and Frances Weber of Lake Placid \$25. Total contributions to date \$890.

Expenditures: qualifying fee \$504, Condon Printing \$75, The Sebring News \$67, Lake Placid Journal \$47. Total to date \$715.

County Commission District 4, Bill Driggers contributions: Broadway Williams of Lake Placid \$50, Woodrow Waldron of Sebring \$50, candidate \$190. Total to date \$1,290.

Expenditures: The Sebring News \$22, Avon Park Sun \$69, Lake Placid Journal \$423, Photo by Sheila \$10, Bill Lay Standard Station \$12, Smith Gulf \$28. Total to date \$1,021.

County Commission District 4, L. Earl Duncan contributions, no new ones, total to date, \$604.

Expenditures: Bob Hollinger \$12, Lake Placid Journal \$0. Total to date \$575.

School Board District 3 H. J. Heston, Republican candidate, no report.

School Board District 3 Robert Fitzgerald contributions: Bobby Guthrie of Lake Placid \$100, Bill Gene Smith of Sebring \$50, Mrs. Thomas Gould of Lake Placid \$25, Roger Polk of Lake Placid \$100, Ruth Heiges Eichenberger of Lake Placid \$250, Faye Kotch of Lake Placid \$25. Total contributions to date \$925.

Expenditures: Lake Placid Journal \$67, The Sebring News \$67, Condon Printing \$139, Morvitz Hardware \$15, Central Builders \$37, Barnett Bank at Lake Placid \$5. Total

expenditures to date \$567.

School Board District 3 School Board contributions: Tri-City League \$100, Walter and Ethel Ellis of Sebring \$25. Total

contributions to date \$375.

Expenditures: Hawthorne's Grocery \$2. Total to date \$227.

School Board District 3 Marguerite Skipper contributions: candidate \$100,

Van Skipper \$15, Mr. and Mrs. David Zeiss \$15. Total to date \$315.

Expenditures: Shultz Printing \$148, Wicks and Wicks \$5. Total to date \$389.

Shevin Pledges Cleanup Of State Waters

Bob Shevin, Democratic candidate for Florida's Governorship, today announced that environmental restoration will be a major priority of his administration. Shevin noted that several major bodies of water, including Lake Apopka, North Biscayne Bay, the Kissimmee River and Lake Okechobee, the upper St. John's Basin, and Escambia Bay provide only a fraction of their former recreational value due to pollution and unwise land alteration. "This is not only an environmental tragedy, but an economic tragedy as well," Shevin declared.

"Lake Apopka is the second largest lake in Florida and is once known as the best fishing capital of the world," Shevin noted. Fishing camps and motels which once thrived around the lake, have now virtually disappeared and the pollution flowing from Lake Apopka threatens a downstream chain of lakes extending to the Oklawaha River.

"Biscayne Bay," Shevin noted, "was once the recreational center for the state's largest metropolitan area. The restoration of such an important natural attraction would provide a much-needed economic stimulus to the Miami area as well as an accessible source of recreation for residents."

"The upper St. John's River was once famous the world over for record-size largemouth bass," Shevin stated. "Numerous fishermen visited Florida for that reason,

"Escambia Bay was once an extremely important commercial and sports fishery," Shevin pointed out. "Restoration of such water bodies will be a major component of my economic development program for North Florida."

"Environmental restoration," Shevin stated, "is an issue on which local environmentalists and Chambers of Commerce can really get together. Restoring and protecting our natural recreational attractions is simply good business."

Graham To Fight Gambling

Bob Graham, the Democratic candidate for governor, today announced that he has asked all of his county campaign organizations to provide manpower and resources to help Governor Askew in his fight against casino gambling.

Graham also announced that he has produced two TV commercials that discuss the evils of casino gambling and will air the 30 second and 60 second spots during the last four weeks of the gubernatorial primary campaign, beginning Saturday, August 19, 1978.

Graham said, "I am happy that Governor Askew has placed fighting casino gambling as a top priority and I want to do my part in assuring that the legalization of casino gambling is defeated in the November election."

"Casino gambling represents potential economic

disaster for Florida and as governor, I am committed to making sure that it is not allowed to root in Florida. Casino gambling will act as a further attraction to organized crime figures and will tarnish Florida's reputation as a site for new businesses to settle and for the family tourist to visit."

"The battle against pro casino gambling forces will be a tough one but it can be won. Today I am joining with Askew to help defeat the proposal. I have asked the chairmen of all my county organizations to help Askew in his fight. I am also devoting a bloc of my TV commercial time to anti-casino gambling ads. This is my way of showing that I believe casino gambling must be defeated."

Graham released a copy of a memorandum he has sent to his campaign county chairmen requesting their help in the anti-casino fight.

County Millage

populous counties which rank in the top-third include Escambia (233,000), Brevard (201,000), Palm Beach (137,000), Manatee (139,000), Pasco (130,000) and Alachua (145,000).

Populous counties in the middle-third of statewide ranking include Polk (14.9 mills), Pinellas (14.4 mills) and Orange (14.7 mills).

There is no populous county which ranks in the bottom third of the state in regard to county-wide millage.

The county with the biggest tax millage, Hendry, has only 18,100 people within its boundaries. Although the next highest county, with 18.2 mills tax, is Duval which has over 600,000 people, the third highest in the state is Taylor with 17.8 mills tax and only 15,000.

Dade county, with over 1.5 million residents is fourth in the state with a county-wide tax of 17.7.

In addition to Dade and Duval, other

appraisals on property, some individuals may receive higher tax bills. Because of the higher assessments the same tax millage as last year should bring in more money to various government agencies.

Generally, counties with larger populations have a greater tax millage levied while smaller counties usually tax less on a county-wide basis.

However, there are several exceptions to that rule.

Financial Disclosure

Roberts listed his residence as being valued at \$39,000 while rental property he owns is valued at \$36,000. Liabilities included a \$18,000 note to the Avon Citrus Bank and a \$15,100 note to Heartland Federal.

South Florida Junior College Teacher Robert Fitzgerald stated his net worth was \$49,254. Included in that amount were his home, car, insurance and

checking and saving accounts.

Liabilities included a mortgage account with the Barnett Bank of Lake Placid for an amount of \$14,971.

Bob Hjort, also a challenger for the school board spot, listed his net worth at \$173,313. As assets, Hjort listed ownership of the Lazy Pines Ranch and mobile home dealership Placid homes. Marguerite Skipper, a third candidate

for the school board position, stated her net worth as \$122,597.

Assets for Mrs. Skipper included stock in the Skipper Cattle Corporation valued at \$51,530, real estate valued at \$41,417 and her residence valued at \$44,380.

Mrs. Skipper listed a mortgage with the Federal Land Bank as a \$30,000 liability.

Eddie Hill

Distinguish Graduate At Ft. Rucker

Distinguished graduate Eddie L. Hill recently received his wings as a helicopter pilot at Ft. Rucker, Ala. As a Warrent Officer W-1, Hill has been assigned to Ft. Bragg, N.C.

Formerly of Avon Park Hill is the son of Mr. and Mrs. Dolan Hill of Immokalee, Fla., and the grandson of the late Clyde Hill with his grandmother Mrs. Gladys Hill still residing on Pioneer Lake.

Eddie was enrolled at Avon Park High School and transferred to the Florida Air Academy at Melbourne, Fla. when he was in the 10th grade. He soloed with the Avon Park Flying Service at the age of 16. In the 11th grade he received the Paul Ruby Award, the only award given to the 11th graders.

While in the 12th grade at the air academy Eddie received the school president's award; the National Air Force Reserve Award; his private pilot's license; the rank of lieutenant colonel in the Air Force ROTC program and was voted the best flyer by his classmates.

At the Ft. Rucker, helicopter school in a class of 41 helicopter students, Eddie was one of the two distinguished graduates. He received his wings from Colonel Patrick N. Delavan, Ft. Rucker's deputy installation commander and Major General Robert L. Kirwan, commanding general of the 7th Infantry Division and Fort Ord, Calif., who was the guest speaker.

Entering the U.S. Army as a warrant officer candidate on Feb. 22, 1977, Eddie holds the rank of warrant officer W-1 and after graduating was assigned to the U.S. Warrent Officers School at Ft. Bragg, N.C.

EDDIE L. HILL, (second from left) received his helicopter pilot wings from Major Delavan (left) at graduation. LaVerne Hill, U.S. Army Photo-Splaine

Public Hearing On County Budget Is August 29

It is possible to fight inflation and win a battle. Highlands County Commissioners determined effort to prevent spending and tax millage increases has paid off.

In a final review of the \$6.3 million operating budget for fiscal 1978-79 held Thursday evening, the board tentatively approved the spending plan. A public hearing and formal approval of the budget will be at 9 a.m. Aug. 29.

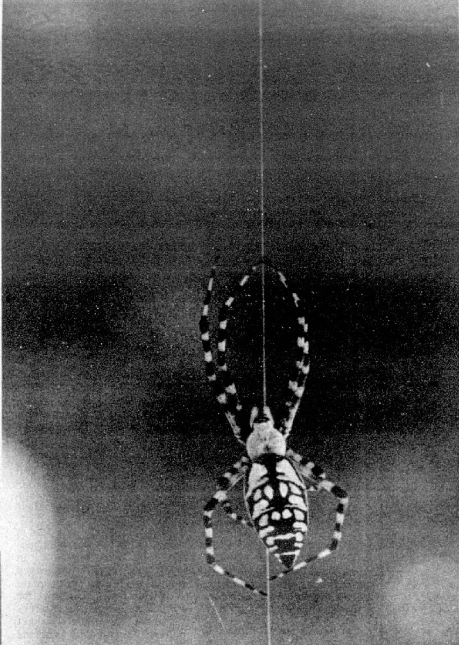

As reviewed, the plan calls for no increase in county taxes to support spending. The board cut some \$1.8 million from original requests to keep the budget at the 1977-78 level.

Although commissioners had suggested the possibility of actually cutting millage rates, this would have required increases in landfill dumping fees and other county permit fees.

"If we can hold our own, we're doing good," Commissioner Norman "Jug" Heston said. "It's the same as it was last year. With inflation, there's no way anybody can do any better."

Financing for a last minute request of \$5,500 from the Highlands County Nutrition Program, which would have pushed the total spending plan above present levels, was offset by increased projected revenues from the landfill and county building permits. While not raising such fees, the board foresees higher income from these areas in the next fiscal year.

Board Chairman C. J. "Buddy" Wise praised efforts by elected officials, department heads and Charles Cullens, county administrative assistant, for the hard work put into budget preparation. Commissioner Cecil Skipper, who closely reviewed the budget, said, "It was a concerted effort by a lot of people."

THIS EIGHT-LEGGED master would be enough to scare any Miss Muffet away. Shown here about actual size, this spider

displays its bright yellow and black form on a web spun across a group of electric meters. Sunphoto by Bruce Henderson.

Military Family Fun Days Set At Silver Springs

Florida's Silver Springs and Silver Springs Wild Waters are jointly announcing "MILITARY FAMILY FUN DAYS," from August 21, through October 1, 1978.

Equipment Vandalized

Vandals cut a fuel line and oil line on a Caterpillar earth mover at Macasphalt, 1550 Highlands Ave., Avon Park. The machine was rented from Rozier Machinery Co. and was being used at Placid Lakes at the time of the vandalism.

All military personnel (active or retired) as well as members of veteran organizations and their families can visit both parks at a 20 percent savings from regular rates during this promotion. Simply by showing their military I.D. card at the admission gate, they can save \$1.10 per adult and \$.70 per child at Silver Springs, and \$.85 per adult and \$.65 per child at Wild Waters.

Three musical groups from Robins Air Force Base will highlight the festivities at Florida's Silver Springs on August 30. A full concert band, a jazz ensemble, and a bagpipe corps will perform in the park throughout the day.

Florida's Silver Springs and Silver Springs Wild Waters are located next door to each other, 6 miles east of Ocala on State Route 40.

Federal Grants To Farm Workers Is Total Waste

Two federal grants to the United Farm Workers are the kind of information that would be helpful for organizational purposes. About half of the larger grant of \$883,000 under CETA's Title III will be used to train 75 farm workers in English language skills.

"The tax cost per trainee is outlandish," said Kautz, "and an insult to excellent English language training programs that already exist in California educational systems."

Other CETA funds will be made available to UFW to pursue union functions. Sixteen persons will be involved in such activities as staffing the union's department, auto repair work and maintenance and landscaping of UFW headquarters facilities in LaPaz, Calif. There is also a \$5,000 disaster emergency fund to be administered by UFW in cases of flood, fire, drought and earthquake.

"Why doesn't CETA just deposit the money into a Swiss bank account?" asked Kautz. "This is a horrible misuse of tax funds and should not be tolerated."

He said AFBF is investigating legal steps that can be taken to challenge the grants.

Gasoline Rationing Plan To Be Aired

Florida citizens are being encouraged to comment on the proposed Federal Contingency Gasoline Rationing Plan Aug. 1978 so the Florida State Energy Office may voice the collective concerns at a hearing to be held by the Economic Regulatory Administration of the Department of Energy in Atlanta. Issuance of "ration rights" is the proposed control mechanism. Such ration rights would be equal to the estimated total available gasoline supply for a given period and would be issued according to the following priority schedule:

1. Percentage reserved for the National Ration Reserve.
2. Percentage reserved for the State Ration Reserve.
3. Designated firms and priority classes. (Designated firms include firms which operate off-highway vehicles, such as tractors and other vehicles used in agricultural production. Priority classes include emergency services, sanitation services, and public passenger transportation.)
4. All registrants and eligible individuals.

Under the proposal the gasoline rationing plan is designed to become effective only in the event of a serious gasoline shortage and once approved by Congress, will be on standby status. If a shortage occurs the President will request the Congress to implement the plan and if neither house of the Congress rejects the request, the rationing plan will go into effect.

At the meeting of the Region VII Regional Energy Action Committee to be held at 3 p.m. August 10 at the Central Florida Regional Planning Council offices at 515 East Boulevard, Bartow items on the agenda are a display of solar equipment brought by distributors; a report on "Our Solar World" and a report on the Mini-grant Project ranking done at the last meeting of the council.

New business on to be considered will include the identification of the steering and membership committees along with the discussion of proposed legislation.

Persons planning to attend the meeting are urged to arrive early and look through the recent materials on energy received by CFRPC.

Environmental Council To Meet Tonight

The Environmental Council of Highlands County invites all persons to their monthly meeting at 7:30 p.m., Thursday, Aug. 24 at the meeting rooms in the Woman's Club building of Sebring.

The speaker for the evening meeting will be William L. Wegener, biologist with the Florida Game and Fresh Water Fish Commission of the Fish management Division.

Chamber: Voters Should Back No. 7 Revision In Nov.

The economic health of Florida will receive a long term beneficial boost if voters approve the proposed Constitution Revision No. 7 on finance and taxation this fall, the Florida Chamber of Commerce said today.

Florida Chamber President Louis E. Fisher, in announcing the organization's position on seven of the eight ballot items proposed by the Constitution Revision Commission, said, "The constitutional attitude reflected in Revision No. 7 is, on balance, in the best interests of the business community and the people of Florida. Analysis reveals it to be fiscally sound."

All sections in the proposal are not necessarily acceptable to everyone, Fischer continued, but the portions dealing with tax exemptions for school interests on government owned land; the tax abatement for downtown redevelopment; the prohibition of retroactive taxation of capital gains for corporate profits; and further restriction on issuance of state bonds make the revision especially necessary for Florida.

Turning to other ballot items, the elected state Cabinet system should be retained and Revision No. 4 opposed, according to the state chamber.

"The present cabinet system,

under which the State of Florida has enjoyed a long history of progress, has served the people well and should be retained. There does not appear to be any substantial advantage gained by abolishing the system," Fischer said.

Also opposed by the state chamber is Revision No. 2 relating to the addition of the word "sex" to the declaration of rights section of the constitution. The state chamber feels the additional constitutional language is unnecessary as the issue is clearly covered in the opening sentence of that section: "All natural persons are equal before the law."

The Florida Chamber board endorsed Revision No. 3 calling for changes in the legislative reapportionment system mandating single member districts; Revision No. 5 which provides for an appointive Public Service Commission; Revision No. 6 proposing merit selection and retention of judges; and Revision No. 8 dealing with education.

"Responsible business leaders should support strong constructive change in public education," Fischer stated. "Revision No. 8 provides a more effective forum for public involvement in education and a

professional structure for business-like management. A constitutional Board of Regents will ensure that the state university system is in step with public schools and community colleges."

The state chamber board did not take action on Revision No. 1 which proposes more than 50 different alterations to the constitution. A thorough analysis is being prepared so that board members can study the issue further before taking a position, Fischer said.

Marilyn Futch

To Enter

Air Corps

Enlisting in the United States Air Force is Marilyn V. Futch, wife of William E. Futch of P.O. Box 1601, Avon Park, Florida.

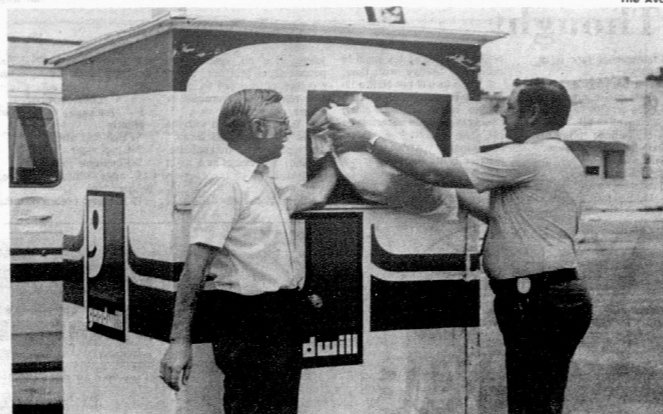

Airman Futch entered the Air Force's Delayed Enlistment Program (DEP), which permitted her to depart on a selected date within the next nine months. She selected October 5, 1978 as her entry date for active duty, although she is already accruing time in service for pay purposes as a member of the DEP.

Airman Futch successfully completed a series of tests which qualified her to enter the Mechanical field of training, after completing six weeks of basic military training at Lackland AFB, Texas.

Airman Futch was enlisted into the Air Force by Sergeant Charlie Smart of the Lakeland Recruiting Office.

In ancient England it was believed that Wednesday was the best day for sowing grain.

Goodwill Box Placed At

Thriftway Store

Recently the Goodwill box formerly at the Shop-N-Go on Verona St. was moved to the Thriftway parking lot on Lake Ave.

The purpose for the move of the Goodwill box was a larger location and easier for donors to maneuver around it, stated Bill Mawkinney of Lakeland and manager of Goodwill Community Relations. He continued by saying that Rodney Shelton, Thriftway store manager, was generous to allow them to move the Goodwill box to their parking lot.

Boxes are emptied every two weeks, and donors are asked to please do not put large items outside the Goodwill box as they only get wet and damaged and therefore are no longer any use to the people the gift was intended for, stated the Goodwill community relations manager.

Loretta George Enlists

In Air Corps

Enlisting in the United States Air Force is Loretta George, daughter of Mr. and Mrs. William J. George of 915 Center Street, Avon Park, Florida.

Airman George entered the Air Force's Delayed Enlistment Program (DEP), which permitted her to depart on a selected date within the next nine months. She selected Feb. 6, 1979 as her entry date for active duty, although she is already accruing time in service for pay purposes as a member of the DEP.

Airman George successfully completed a series of tests which qualified her to enter the Administrative field of training, after completing six weeks of basic military training at Lackland AFB, Texas.

A 1978 graduate of Avon Park High School, Airman George was enlisted into the Air Force by Sergeant Charlie Smart of the Lakeland Recruiting Office.

Food For Thought

by Jane Nickerson

The lime crop, according to a bulletin that gives cause for joy, has recovered from damage by the January 1977 freeze that cut production to 500,000 bushels. This year, Charles Walker promises, harvest of the refreshingly tart fruit, unique to Florida, will be more than half again as large.

The head of a grower agency in Homestead, called the Lime Administrative Committee, reminded me that 80 percent of the supply is traveling to market right now—in summer. The irresistible specimens fit into hot-weather drinks and dishes more appetizingly than almost any other ingredient you can think of. Could we indeed face up to a torrid Florida summer without cool lime slices to impale on tall glasses of iced tea?

Limes are the acid fruit of the tropics, lemons of the temperate zone, and though they differ subtly, they are interchangeable in most recipes. But note, Walker emphasized, that this summer limes boast the price advantage, selling for much less than the lemons coming from California. I bought limes for 79 cents a dozen the other day at a market where lemons were going for \$1.05 for the same amount.

More than 90 percent of the limes grown in the United States thrive in a 10- to 15-square mile area in and around Homestead, Walker told me. The fruit is the most sensitive to cold of the citrus varieties, he admitted, but given the warmth to which it responds, it proliferates. Trees bear in the second year after being planted, and become prolific, an acre at peak yielding 600 to 800 bushels.

A tree can develop in three directions at once, showing blooms on its branches as well as immature and mature limes, too. In addition to the heavy summer crop, there are two others.

Federal regulations insure you get good quality for your investment, Walker went on. Limes must be at least one and three-fourths inches in diameter and 42 percent juice before they can be marketed. Before cutting, roll fruit under your palm on a hard surface, Walker counseled, to release juice from the sacs.

Whatever happens to the Key lime? That's the small, round, seedy, highly aromatic and juicy species with the thin, tender, yellow skin. It became celebrated in Key Lime pie, which Floridians originally prepared by adding its juice to canned condensed milk, highly valued before refrigeration became widespread in the state.

Dade County's commercial production of the Key lime, starting at the turn of the century, was destroyed by the 1926 hurricane, and the Tahiti or Persian lime, the variety now so widespread, was planted in its place, Walker said. The Key lime is the true lime, not a hybrid, and still grown in Egypt and Mexico, the latter of which sends us supplies.

But the Persian, Walker said, has illustrious virtues. It is less labor-intensive because the trees are far less thorny, the larger fruit is easier to pick, the specimens showier in appearance and, happily, seedless. The origin of the Persian, a hybrid, is obscure. Some say it stopped in California on its way to Florida in the 1920s.

Lime quarters accent broiled chicken and seafood, lime slices adorn molded aspics and desserts, lime juice enlivens innumerable summer enticements. To wit:

FRESH LIMEADE
2 limes
1/4 cup sugar
1 quart boiling water
Soda water
Lime slices for garnish
1. Thinly slice limes; add sugar; let stand 1 hour. Add boiling water; cool; chill.
2. Strain liquid over ice in tall glasses, filling two-thirds full. Finish filling with soda water; stir, garnish each glass with a lime slice.

Yield: One quart

PICKLED FISH
In many parts of the Caribbean, this is known as escabeche. It is one of those convenient summertime foods you can keep on hand in the refrigerator for hors d'oeuvre, snacks or as part of a cold buffet service for guests. A good recipe to keep in mind if there are fishermen in the family.

6 tablespoons lime juice
Flour
Oil for pan frying
1 clove garlic, crushed
1 1/2 cup orange juice
1 1/2 cup olive oil
1/4 cup minced spring onions
Dash hot pepper sauce
Salt to taste
Ripe olives
Quartered limes
1. Dip fish into 3 tablespoons

of the lime juice; let stand 10 minutes. Dredge with flour.
2. In 1/4 inch of hot oil in a 10-inch fry pan, cook the fish until golden brown on both sides, adding more oil as necessary to keep fish from sticking. Drain on paper. Arrange symmetrically in a single layer in a dish 2 inches deep.
3. Combine garlic, remaining lime juice, orange

juice, olive oil, onions, hot-pepper sauce and salt. Whisk together, pour over fish, cover and refrigerate overnight or longer.
4. To serve, garnish with the olives and quartered limes. Accompany with mayonnaise.
Yield: 8 servings as a main lunch dish, 10 or more as an appetizer.

Note: Choose any delicately

flavored white-fleshed fish, avoiding such strong-tasting species as mackerel.
LIME MOUSSE
1 package unflavored gelatin
1/4 cup cold water
3/4 cup sugar
2 1/2 cup lime juice
4 eggs whites, at room temperature
1/4 teaspoon cream of tartar

1 cup heavy cream, whipped
Lime slices
1. Soften gelatin in the water, add 1/4 cup of the sugar and warm over low heat, stirring until gelatin and sugar have dissolved. Add lime juice; chill until syrupy.
2. Beat egg whites till foamy, add cream of tartar and continue to beat till whites hold a soft peak. Beat in remaining

sugar, 1 tablespoon at a time, until whites are stiff and glossy. Stop beating before they become dry and wispy.
3. Fold egg whites into the slightly thickened gelatin mixture; fold in the whipped cream. Turn into a 6-cup mold, refrigerate until firm. Turn out and garnish with the lime slices.
Yield: 8 or more servings

Note: If desired, use a glass 6-cup, straight-sided dish with a 2-inch foil collar. Spoon in a layer of the dessert, let set, stand lime slices around the edge of the layer and add remaining dessert.
Refrigerate several hours till set. Lime slices show through glass, making an appetizing effect.

Devils Prepare For Grid Jamboree

Will Play Friday

The Avon Park High School Red Devil varsity football squad will participate in the Heartland Conference Jamboree to be held at the Hardee Stadium tomorrow (Friday) night. All six teams in the conference will be in action with the Red Devils scheduled to play Hardee in the fourth period and DeSoto in the fifth quarter.

The jamboree will start at 7:30 p.m., with Fort Meade playing Oklawaha in the opening quarter. Then Oklawaha will take on Sebring in the second period. Fort Meade will go against Sebring in the third period before the two Avon Park quarters. DeSoto and Hardee will finish out play with sixth quarter action.

Each period is to be 12 minutes with a 10 minute break between periods. In the event of rain, the jamboree will be moved to Saturday night, August 25 at 7:30 p.m., with the same pairings.

The six Heartland Conference teams will enter the jamboree with only three days of contact drills since the boys could not go into pads until last Tuesday, August 22.

Coach John Hunter, with assistant Ronnie Jackson, Don Sisemore and Hoppy Rewis, has been working the Red Devil squad since August 15, in twice a day practices. Thirty boys have been reporting out each session trying to get into shape for the early jamboree.

Admission prices for the jamboree will be \$2, for adults and \$1 for students with tickets on sale at the gate.

SENIOR QUARTER BACK DECARIS JONES follows through after getting off a pass to an end during Avon Park High School varsity practice last Friday

Brojek Takes First In Lakeland 4 Mile Race

Avon Park High School track and cross country coach Chet Brojek took first place honors in a four mile Lakeland Runner's Club race last Saturday in Lakeland. Brojek's 22:31 effort was a personal record for that distance.

Brojek followed Jon Sheldon of Winter Haven for three miles and then took over the lead to win by a 20 second margin. It was the first race in which Brojek had bested his friend Sheldon since last November.

"I guess it was all the great running I got in at the Florida Distance Runner's Camp in Brevard, North Carolina this past week," stated Brojek.

Jody Johnston, sophomore Devil cross country man and Central Florida Strider Club Member, placed well as he came in seventh over all in the 50-person field with a time of 25:23. His fine run earned him a third place trophy.

Pop Hutchinson, who is helping

Brojek with the Red Devil cross country team this year, finished nineteenth. Hutchinson is preparing to run a marathon in October or November.

The Central Florida Strider's Club will be traveling to Brandon this Saturday to run in the Starting Bloc Classic. The five mile race features trophies in each age group and T-shirts to the top 50 finishers.

The next home race sponsored by the Striders will be September 9 at 8:30 a.m., at Avon Park High School. The September race will be a 3.1 mile event and there will also be a 1/2 mile "fun run". If you have just started running, why not join the fun and come to a Central Florida Strider's run?

morning. The Red Devils will meet Hardee and DeSoto in the Heartland Conference Jamboree in Wauchoa Friday night. Sunphoto by Lew Miller.

RED DEVIL COACH RONNIE JACKSON stops a line of Red Devil griders after they ran a sprint drill at a morning practice at Memorial Field last week. The Avon Park varsity is practicing twice a day to get ready for the Heartland Conference Jamboree to be played in Wauchoa tomorrow (Friday) night. Sunphoto by Lew Miller.

Varsity Practices Twice Daily

Thirty Red Devil varsity football candidates have been working out in twice a day sessions since August 15 preparing for this Friday night's Heartland Conference six team jamboree and the 1978 grid season. The Avon Park High School prospects went into pads last Tuesday, August 22, after a week's work out in shorts.

The 1978 Red Devil team will have 13 seniors and 13 juniors with several sophomores on the squad roster this year. It will be a small in size and number squad again this season, but the thirty boys out so far are hard at work getting into shape for the tough ten game schedule which opens in Lake Wales on September 8, and closes out November 17 against Sebring at home.

Seniors out for the squad are linemen Keith Cobb, Robbie Dennis, Keith Porter, Gary Roberts, Jim Casey, James Wilburn and Craig Williams along with backs Mark Bachman, Ricky Bivins, Jimmy Brown, Decaris Jones, Anthony Carter and Todd Packer. Packer returns to A.P.H.S. after a year at Springstead.

Junior candidates this year are backs David Sisemore, David Hardy, and Jeff Adams with linemen Greg Baldwin, Johnny Barnes, Ricky Boyer, Lawrin

Ellis, Kelly Graham, Farris Jahna, Tim Minard, Reggie Moore, Steve Cooper, and Joel Lynn, a newcomer from Alabama.

Sophomores out for pre-season practice are Carl Wingate, Terry Kelley, Gerald Jones, and Ricky Johnson.

Joel Lynn, who is a 6', 230 pounder, from Geneva, Alabama, will anchor both the offensive and defensive lines, but there will be several positions to fill after last year's graduation.

Coach Hunter, who will have Ronnie Jackson and Don Sisemore as assistants on the varsity this season, says the Red Devils have shown good hustle, attitude and desire during the first days of practice.

The Red Devils have been working in conditioning and offensive techniques with a lot of time going into conditioning. Many of the players will have to go both ways this season and they will have to be in shape to take the rough schedule.

Coach Hoppy Rewis started junior varsity practice last Tuesday afternoon at 4 p.m. Any boys interested in reporting out for jayvee football should contact Rewis as soon as possible for physicals. Coach Joe Baker will be the assistant junior varsity coach this year.

Must Renew Reserved Tickets By Friday

Red Devil football fans who hold reserved seat tickets from last season need to renew those tickets before tomorrow, Friday, August 25, at the Avon Park High School office according to Athletic Director Joe Franz.

Reserved seat tickets cost \$3 per ticket in addition to the purchase of a season ticket for each reserved seat ticket. Season tickets sell for \$9 for adults and \$4 for students for the five home red devil varsity games.

Range Open Aug. 26-27

The Avon Park Bombing Range Recreational Area will be open for camping and recreation the weekend of August 26 and 27, beginning at 8 a.m., Saturday, August 26, and closing at 8 p.m., Sunday, August 27, 1978.

All personnel wishing to utilize the Avon Park Bombing Range Recreational Areas will be required to check in and out with the Air Force Security Police. All interested persons are urged to confirm these times prior to arriving at the Range by calling 813-452-4223.

Portis-McKenzie To Captain Cross Country Team

The 1978 Red Devil Cross Country team will be led this season by senior co-captains Alan Portis and Jerry McKenzie. The Devil thin-clads of Coach Chet Brojek are coming off a fine season in 1977 when they posted eight meet wins and conference and district runner-up honors to go with their ninth place state finish.

Portis, the Devil distance dandy, was the top Devil finisher in each meet last cross country season. His 16:01 personal best time for the Avon Park 3.1 mile arduous circuit marks him as the top distance man in the area.

The hard working youngster posted a 4:32 mile and a 2:03 800-yard run in track this past spring. A team leader, Alan is in his third season as a cross country runner. The five time letterman, two time state and three track, should provide the needed first place points to lead the Devils to conference, district

and state honors this year.

Jerry McKenzie, the tall, easy striding middle distance man from the Red Devil track team, will be in his second season of varsity cross country action. Jerry ran a fine 16:27 last season to mark a smooth transition from track to the fall long distance sport.

On the track last spring, Jerry posted 4:38 in the mile and 2:03 in the 800. The industrious McKenzie hopes to team with his sidekick and co-captain to lead the Avon Park "men on the run" to many victories this season. The four time letterman, one cross country and three track, should have the experience to have an outstanding senior season.

The two co-captains will get plenty of support from the rest of the Red Devil squad. Junior Mark Myers, who ran in the number three position last season, is on the verge of distance running

greatness. As a sophomore he ran 16:30 in cross country and had an excellent 10:30 two mile time in track. He is a hard running and a dedicated performer. His finishes last season were a keystone of many Red Devil victories. Brojek expects him to break 10:00 in the two mile this year and to push Portis and McKenzie to top efforts in cross country meets.

Two sophomores, Jody Johnston and Jeff Henly, are expected to develop rapidly in their second year of cross country running. Johnston ran 510 miles this summer getting ready for the season. The fine 880 yard run in 2:11 by Henly, as a freshman, marks him as a top varsity prospect. The development of these two by the season's end will mark the difference between a good and a great season for the Red Devil thin clads. Brojek has also been impressed in the

early pre-season work-outs of newcomer John Oliver. The senior is out for the first time this year. Returning from last year's team will be Bill Porter, Sam Finch, Billy Barben, Mike Andreadu and Doug Finch. Another new addition is freshman prospect Slade Ward.

"Our real problem right now is our depth," commented Brojek. "We had hoped Henry Taylor, who ran the 880 in 2:10 in track, would be out to fill one of our gaps. This may not be the case and only make it more important that we develop the talent we have available."

All in all, though, I think we are going to have a great running season," summarized Brojek. "The boys have been running hard twice a day at 7 a.m. and 6 p.m. and most are putting in over 10 miles per day. If work counts for anything, we will be several steps ahead of all the teams in the area."

THE AVON PARK MERCHANTS slow pitch softball team won the Avon Park Senior League Invitational tournament held at the City Complex last weekend with three straight victories. The Merchants also came in a respectable fourth in the Class B State Tourney the last weekend in July in Pensacola. From left, front row: Bill Martin, Don Sisemore, Ronnie Jackson, Bud Wester and Clark

Jackson. Back row: Hoppy Rewis, Joe Baker, Larry Kelly, Billy Jackson, Mr. Denby Jackson and Sam Elder. Not pictured: Charlie Polk, Dick Peavy and Craig Johnson. Sunphoto by Lew Miller.

Against the Broward Merchants on Saturday morning in the opening round of play, the A.P. Merchants lost a heartbreaker by the score of 12-10. The Merchants started off with a bang by scoring five runs in the top of the first inning on nine base hits.

Avon Park Merchants Team Finishes Fourth In State B Meet At Pensacola

The Avon Park Merchants, managed by Denby Jackson, captured fourth place in the State Class A Slow Pitch Softball tournament held in Pensacola weekend before last. The local team lost its first game to drop into the loser's bracket and then won three games before being ousted from the meet by a St. Augustine team.

It was the first time an Avon Park softball team has made it to state competition and the Merchants lost the first game by two runs and the second game by just one run to make a fine showing in the first year of participation. Because the Avon Park Merchants played in the Class B state meet, they will now be classified as a Class A team and must participate in that division of competition next season.

Broward Merchants - 12, A.P. Merchants - 16.

Against the Broward Merchants on Saturday morning in the opening round of play, the A.P. Merchants lost a heartbreaker by the score of 12-10. The Merchants started off with a bang by scoring five runs in the top of the first inning on nine base hits.

The Broward Merchants came back and scored four runs in the bottom of the first inning and added six more in the second frame to set the score at 10-4 after two full innings of play. Avon Park gave up only two more runs in the seventh inning but couldn't overcome the big lead and lost by the two run advantage.

A.P. Merchants - 8, Swedes - 3. In the loser's bracket, the local Merchant team came back strong, and ousted Swede's of Haines City by a score of 8-3. Charlie Polk and Dick Peavy both had a home run in that game.

A.P. Merchants - 20, Renfro - 11. The Avon Park Merchants then jumped on Renfro for a 20-11 victory. Hoppy Rewis boomed out two homers and Larry Kelly and Charlie Polk added each one to provide the power at the plate for the 23 hit attack.

A.P. Merchants - 14, Pizza Hut - 13. It was a close 14-13 win over a Pizza Hut team in the third game in the loser's bracket for the A.P. Merchants. Dick Peavy slammed two home runs over the fence, Billy Jackson had four singles and Charlie Polk had three hits including two doubles as the Merchants banged out 20

hits out the Pizza Hut team.

St. Augustine - 12, A.P. Merchants - 11. In the Merchants final game in state tournament play, they lost a St. Augustine team by a score of 13-11. The score was tied, going into the seventh inning but the St. Augustine team scored the winning run with two outs on a walked batter and a single. Larry Kelly and Dick Peavy both had homers for Avon Park and Charlie Polk hit a double and three singles, but it just wasn't enough to move the Merchants past the fourth place position.

"We could have won the state title with a couple of breaks," commented Denby Jackson. "I'm convinced that the Avon Park Merchants are as good as any of the teams in the tournament, but we had a few bad innings and lost out."

Avon Park fans are proud of the Merchants for the fine showing they have made this summer in their first year of competition around the state. Playing in Class A competition next season will be tough, but the Merchants have excellent athletes on the roster and should be able to make another fine showing next summer.

WOMEN TOURNAMENT CHAMPIONS in last weekend's local softball tournament were these members of Gerry's Pamper Parlour of Arcadia. They defeated Lake Placid Jahnna Concrete twice in a row Sunday afternoon to win

the championship team trophy and individual trophies. Seated front with winner's trophy: left, manager Gerry Guest and Coach Tommy Tyner. Kneeling, from left: Batboy Jon Wyatt, Jeanette Phipps, Madelon Mansfield,

Nancy Erickson, Dianne Heine, Johanna Wyatt, Lois Tyner and Batgirl Tricia Wyatt. Back row: Liz Polk, Carolyn Eichenberger, Connie Beckham, Lou Brown, Coach Joe Bennett and Lorraine Miles. Sunphoto by Lew Miller.

SHORTSTOP HOPPY REWIS awaits the ball at second base as a Polk County All Star runner beats the throw on an at-

tempted force out during the final game of the men's slow pitch softball last Sunday afternoon. The Avon Park

Merchants won the game 8-7 and the championship trophy with three consecutive victories.

LEFTY DON SISEMORE blasts the softball out for a base hit during the final game of the men's slow pitch softball tournament last Sunday afternoon at the City

Complex. Don's team, the Avon Park Merchants, won the eleven team meet with three straight victories. Sunphoto by Lew Miller.

BASERUNNER JOE BAKER is forced out at second base as the Polk County All Star shortstop loses the ball from a prime position on the clay infield to his second baseman after making a divine

stop on a grounder. Baker's Avon Park Merchant team won the game by an 8-7 score to take the tourney championship here last weekend. Sunphoto by Lew Miller.

Merchants And Pamper Parlour Win Invitational Softball Tourneys

The Avon Park Merchants and Gerry's Pamper Parlour of Arcadia won the men's and women's championship trophies in the Avon Park Senior League Invitational Slow Pitch Softball Tournament held here at the City Complex last weekend.

The Merchants captured the tourney championship by winning three games in the 11-team meet. They advanced in the opening round when the Dave English team didn't show up for play. Then the local team knocked off City Electric of Ft. Myers by a score of 10-5. In the winner bracket finals, the Merchants defeated the Polk County All Stars 18-12 and then won the title with an 8-7 victory over the Polk County All Stars in the final game of the weekend.

Gerry's Pamper Parlour had to come from the loser's bracket to win the six-team women's tourney by defeating Jahnna Concrete of Lake Placid twice Sunday afternoon. The Arcadia team won its opening game on Saturday against the Imperial Lakes team from

Mulberry and then shut out Johnston Brothers of Frostproof by a score of 11-0. Jahnna knocked the eventual winners into the loser's bracket early Sunday afternoon with a 5-1 defeat. But the Pamper Parlour girls came back to beat Imperial Lakes 5-1 and Jahnna Concrete 7-3 and 5-0 in three consecutive games Sunday afternoon.

Jahnna Concrete of Lake Placid walked off with the second place trophy and Imperial Lakes of Mulberry captured the third place trophy.

The Jahnna team used a combination of Avon Park and Lake Placid players to defeat Cox Plumbing 5-0 in the semi-finals and Pamper Parlour in the finals of the winner's bracket. The team was coached by Barbara Greenwell with help from George Wilkes and Buddy Skinner.

Other Avon Park teams represented in the two tourneys were Highlands Loan and Cox Plumbing from the local women's league and Avon Paint & Body of the men's league. The AP&B team finished fourth in the men's division by

beating Futrals 11-6 and Hanks Electric 3-2 in the loser's bracket after losing the first game of the meet.

The proceeds from the two day tourney will go to the Avon Park Senior League and the Women's Softball League. Ronnie Jackson and Doris and George Wilkes directed the two meets. The concession stand was manned mainly by members of the Jahnna Concrete team under the direction of Phyllis Skinner and Doris Wilkes.

The Avon Park Senior League and the Avon Park Women's Softball League officials expressed appreciation to First Home Federal, Avon Auto Parts and Border's Service Station for contributions to the tournament.

Coach Jackson announced another softball tournament scheduled for Sept. 1, 2 and 3 at the complex to benefit the Avon Park Athletic Association work at Head Field. Softball fans should set aside some time on that Labor Day Weekend to go out and watch some fine teams in action.

WOMEN TOURNAMENT RUNNERS-UP in the Avon Park Senior League Invitational Softball Tournament held last week at the Avon Park City Complex were these members of the Lake Placid

Jahnna Concrete team. From left, front row: Nita Mooney, Nancy Mitchell, Debbie Black, Bernice Lopez, Bettina Drieu and Tina Pendarvis. Back row: Coach George Wilkes, Doris Wilkes.

7 MORE GOOD REASONS TO SEND FRED BURRALL BACK TO TALLAHASSEE

Check the records.
Here's how Burrall Has helped you...

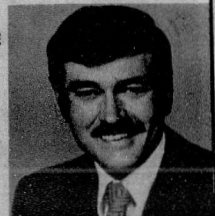

- 1.) **BIG GOVERNMENT** - Fred Burrall doesn't hesitate to battle the bureaucracy. For several years he has supported legislation to cut down the size of government and has already filed a bill to limit the number of state employees to 1 per cent of the population.
- 2.) **MENTAL HEALTH** - Fred Burrall passed the law which kept the prisoners out of G. Pierce Wood Mental Hospital. Last year he led the fight to provide better staffing and more adequate funding for this facility which serves Highlands County.
- 3.) **TRAFFIC** - During Fred Burrall's time in office road funds have greatly increased in Highlands County. He was also instrumental in improving the traffic signals at the "killer intersection" of Hwy. 27 and Hwy. 70.
- 4.) **MOBILE HOMES** - Fred Burrall co-sponsored legislation to protect the property rights of mobile home owners.
- 5.) **AVAILABILITY** - Fred Burrall is a frequent visitor to Highlands County, and works closely with local officials. He has helped hundreds of Highlands County residents in their dealings with state government. You or your neighbor may have benefited from his services.
- 6.) **DRUGS** - Fred Burrall opposes any relaxing of Florida drug laws and has called for stronger penalties for "pushers".
- 7.) **NATURAL RESOURCES** - Fred Burrall wants to see the abuse and exploitation of Florida's natural resources stopped. His work in this area earned him last year's Florida Wildlife Federation Special Service Award.

...He's Working For You!

THERE'S NO SUCH THING AS QUICK ANSWERS TO TODAY'S COMPLEX PROBLEMS...ONLY EXPERIENCE AND GOOD JUDGEMENT

Fred Burrall is recognized as one of the leading conservatives in the Florida House, and his fellow representatives often seek his advice on pending legislation. His ability to work within the legislative process is well-known and his effectiveness in committee has often meant the difference between life or death for a proposed law. By unanimous ballot, he was selected to fill the second highest Republican office in the House for the next two years. In addition, he will be among the top 25 per cent in seniority...a fact which will make the voice of Highlands County even stronger in Tallahassee. Returning Fred Burrall to Tallahassee guarantees you experienced, effective representation.

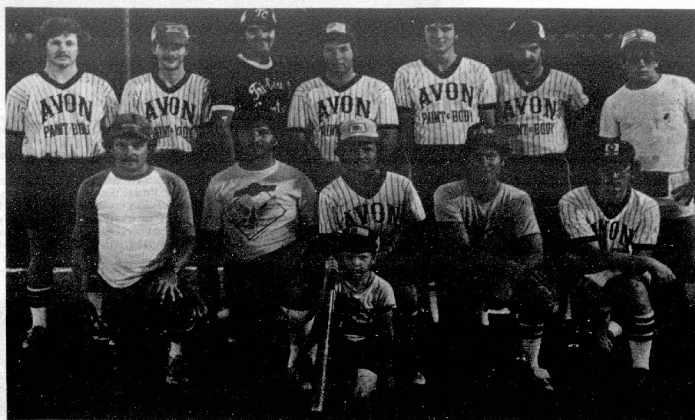

- * CONSERVATIVE
- * EXPERIENCED
- * EFFECTIVE
- * RESPONSIVE
- * CONCERNED

RE-ELECT FRED BURRALL

GOP State Rep.

P4, pol. adv. Board campaign, R. Harris, 1978.

AVON PAINT & BODY is currently holding on to second place in the men's commercial league slow pitch softball league. They went into the final week of play last Monday with a 10-6 record

and having two more this week. Out front: Donnie Helms, batboy. From left, front row: Johnny Todd, Keith Maynor, Gary Bagwell, Mike Minard and David

Metheny. Back row: Ricky Helms, Butch Farless, Frank Holcomb, Roger Gurgans, Wes Carter, Harold Holcomb and Joe Gallimore. Not pictured: Dale Sismore. Sunphoto by Lew Miller.

Commercial League In Last Week Of Play

Going into the last week of regular schedule play in the Avon Park Commercial Softball League, Jackson's Masonry held a comfortable lead with a 13-1 record but had four make up games in addition to the final two scheduled games to be played.

Avon Paint & Body was in second place before play started this week with a 10-6 mark and had two make up games. Crews equipment held down third place with an 8-8 record. Air Force was in fourth place with a record of 7-10. APCI had a 5-11 record and was in fifth place and the Beachfront Gators were 4-12 for sixth place.

Several make up games were scheduled for last night (Wednesday) as the final regular season games are set to be played tonight with Crews Equipment meeting the Gators at 7 p.m. and APCI taking on AP&B at 8:30 p.m.

Tall Fishing Tale Contest Winner To Get Ireland Trip As Top Prize

The fisherman who tells the biggest "fish whopper" will win a round trip to Ireland via Aer Lingus (Irish Airlines) and a week's stay at Newport House, County Mayo on the west coast of Ireland.

Entry deadline for the contest is Nov. 1, 1978. It is sponsored by the non-profit Gladding International Sport Fishing Museum with the Irish Tourist Board and Aer Lingus as co-sponsors.

Historic Newport House overlooks the beautiful Newport River. Noted for its cuisine, the inn features the fresh produce of fishery, garden and farm along with a noted wine cellar. The immediate area provides a variety of fishing experiences from river and lake with salmon to brown trout.

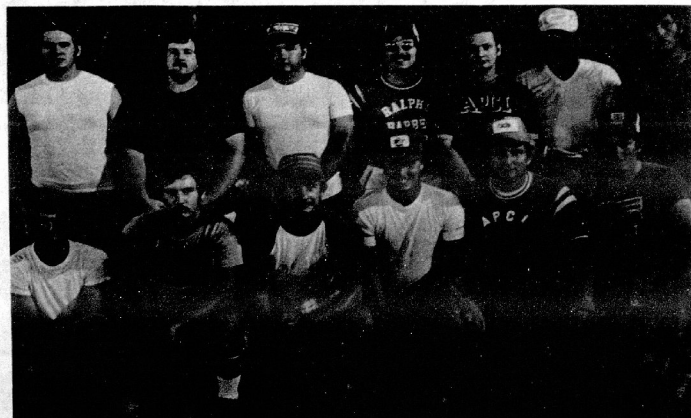

The lucky angler will also win a boatload of Gladding outdoor gear. The first 10 runners-up will receive their choice of Invincible fishing line and an initialed canvas bag. All contestants will receive Gladding Tall Tale membership cards.

The museum trustees are sponsoring the contest because they believe that the "Tall Tale" is an important part of fishing lore, to emphasize the role of this noble sport in our national culture and to stress the need for increased sportfishing conservation efforts.

All entries to the 1978 Tall Tales Contest become the property of the museum trustees and may be used to promote both the museum and the cause of sportfishing conservation.

There are separate categories for professional and amateur writers. Professional writers must indicate their status because they will be judged separately. Gladding employees are prohibited from entering. Only one entry per person allowed.

No formal entry blanks. Entry must include: name, address and telephone number. Send stories to: Gladding Fishing Tall Tales Contest P.O. Box 586, Back Bay Annex Boston, Mass. 02117

APCI'S SOFTBALL TEAM will play its final regular season game tonight in the Avon Park Commercial League against Avon Paint and Body at the City Ball Complex. The APCI team had a 5-11 record going into play this week. The

fifth place team had two games to make up and two regular season games scheduled for this final week of play. From left, front row: Dale Kitchens, Randall Chancy, Mike Watts, Mark Hass, Dale Landress and Warren Cor-

nell. Back row: Buddy Ward, Greg Albritton, Danny Albritton, Brian Hendrickson, Dale Batson, Melvin Ready and Dennis Kelly. Sunphoto by Lew Miller.

Racquetball Tourney Is Successful

RACQUETBALL TOURNAMENT WINNERS in last weekend's men's Class A doubles tourney were: from left, runners-up

Dennis Guenther and Tom Ray and champions Gene Owen and Gary Black. Guenther is from Avon Park, Ray is from

Sebring and Owen and Black are from Lakeland. Sunphoto by Lew Miller.

The odds were against them, but two teams came from the loser's bracket to win their next two matches and their respective divisions class, the team of Gene Owen and Gary Black (Lakeland) rallied on Sunday to win their match against Hardin and Wood, 21-20 and 21-16, which lifted them into the finals against Guenther and Ray.

Dennis Guenther and Tom Ray made it to the finals by defeating the teams of Hardin - Wood and Owen - Black on Saturday.

In the finals match up on Sunday, Guenther and Ray had only to win one of two of the matches to take the top honors, but Owens and Black defeated them both matches to win first place honors.

In the first match, Owens and Black won 21-11 and 21-11 and then came back in one hour to win the second by the scores of 21-5 and 21-12. Guenther and Ray took second place and the team of Curt Hardin and Henry Wood won the third place trophy.

In the Men's "B" class, the team of Don Woodington and Don Gagnon won all their matches to carry off the top honors in that division. On Saturday, they defeated the team of Grucinsky and Ridley and then went on to win over Plank and Benton.

Plank and Benton came back on Sunday and defeated Grucinsky and Ridley to place them in the finals. Woodington and Gagnon defeated them in two games, 21-6 and 21-9, to take the first place trophy. Plank and Benton placed a respectable second, while Grucinsky and Ridley won the third spot.

In the women's doubles division, the story was much the same as the men's "A" class. The winning team had to

come from the loser's bracket and defeat their opponents two straight matches to win first place.

The team of Patti Kelley and Darcey Ray played their first match in the loser's bracket at 12 Sunday against the team of Judy Lewis and Peggy Sisemore and won 21-5 and 21-20. Then at 2 they met the undefeated team of Betty Amburn and Pat Wood in the finals. Kelley and Ray won that first match in two exciting games, 21-18 and 21-16.

They rested for one hour and then

came back and won another tough match 21-18 and 21-15. Amburn and Wood took home the second place trophies and Lewis and Sisemore won third.

There were several door prizes given by the Vittori Racquetball Equipment Company and the Eklon Company. The winners of those prizes were: Peggy Sisemore-Vittori Racquet, Nan Dressel-Vittori Bag, Henry Wood-Eklon Racquet, Pat Wood-Vittori Bag, Don Woodington-Vittori Racquet, and Cheri Lee-two cans "558" balls.

CLASS B WINNERS in last weekend's men's doubles racquetball tournament held at the City Courts were Don Gagnon (left) and Don Woodington of Lakeland.

Gagnon and Woodington captured the first place trophy in the four team meet with three straight victories. Sunphoto by Lew Miller.

MEN'S RACQUETBALL ACTION was fast and furious last weekend during the doubles tourneys held at the four wall courts at the Recreation Center. Here

Dennis Guenther (bending over) has hit the ball toward the front wall as his partner Tom Ray (back right) looks on with hand on hip. Eventual winners Gary

Black (left) and Gene Owen of Lakeland watch the ball for a possible return shot. Sunphoto by Lew Miller.

Racquetball Singles Tournament To Be Held Here This Weekend

The singles competition of the Summer Open Racquetball Tournament will be held this weekend, Aug. 26-27, at the Four wall courts directly behind the Avon Park Recreation Center.

There will be "A" and "B" divisions for both men and women to enter. Trophies will be awarded to the top three players in each division. In addition to

the trophies, there will be door prizes of racquets, bags and balls given to some lucky participants.

This tournament, which is sponsored by the Avon Park Recreation Department, is open to all area players. The entry fee is only \$3 per person. The deadline for entering is Thursday, August 24 at 9 p.m. The draw will be

Friday Morning. There have been several players from the cities of Lakeland, Winter Haven, Sebring and Lake Wales already entered for this fine event. You may pick up an entry blank in Sebring at the City Hall or in Avon Park at the Recreation Department. For more information call the Recreation Department at 453-6881.

Coast Guard Schedules Safety Courses

The U.S. Coast Guard Auxiliary has scheduled a series of boating safety classes around the state of Florida which will be free to the public except for a small charge for text and materials.

Tuesday, August 29, a two-hour session on the fundamentals of outdoor safety practices, boat handling, equipment requirements and the rules of courtesy afloat will be taught at the

Naval Training Center Conference Facility in Orlando starting at 7:30 p.m.

September 5, six two-hour lessons will start on Boating Skills and Seamanship at the Oldsmar Civic Center in Tampa. This course will include lessons in the safe way to boating enjoyment, the sailor's language, boating handling legal requirements, rules of the road, aids to navigation, additional lessons on charts

and compass, marine engines, marlin-spike seamanship, sailing, weather, radiotelephone and lock and dams.

A home study course is also available. The public can obtain copies of the course by writing: "The Skipper's Course", Consumer Product Information Center, Book Store No. 15, P.O. Box 713, Pueblo, CO 81002.

RUNNERS-UP AND CHAMPIONS in last weekend's women's doubles racquetball tournament were; from left,

runners-up Pat Wood and Betty Amburn of Avon Park and champions Darcey Ray and Patti Kelley of Sebring. Ray and

Kelley came out of the loser's bracket to defeat Wood and Amburn twice Sunday afternoon for the championship trophies. Sunphoto by Lew Miller.

a new way to make your life easier

Imagine how difficult your life would be without a telephone to run your errands, keep you in touch with friends and summon help in emergencies. Now United Telephone offers the TeleDialer 32 to make your telephone even more convenient.

The TeleDialer 32 remembers up to 32 numbers you call frequently, and can dial any of them at the touch of a single button. And four "HELP" numbers (fire, police, ambulance — whatever you select) are identified by brightly colored over-size buttons, so a child, baby, siller or elderly person can call for assistance (as if the need arises).

Also, the TeleDialer lets you make all your calls by push-button dialing even if your regular phone has a conventional dial. If the number you call is busy, don't worry about forgetting the number before you call again. Just touch the "last number called" button, and presto — the TeleDialer re-dials for you.

Best of all, the TeleDialer 32 costs less than you might believe. It's only \$8.10 per month, plus a one-time installation charge of \$21, for a home or \$25, for a business. And the installation charge is lower if the TeleDialer is connected at the same time other equipment is installed.

Call your United Telephone Business Office to learn how easy it is to make your life easier.

Look to United for the latest in communications.

PAUSING TO POSE for a pre-season staff picture are the Avon Park High School varsity football coaches. From left: Assistant Ronnie Jackson, Head Coach John Hunter, and Assistant Don Sisemore. The Red Devil staff will be in Wauchula Friday night to observe the other five members of the Heartland Conference and put their own charges into two quarters of action against Hardee and DeSoto. Sunphoto by Lew Miller.

Invitational Tournament second place trophy. From left: Dennis Sales of Winter Haven, Pinsky Grayley of Frostproof and Darrell Roberts of Winter Haven. Sunphoto by Lew Miller.

READY TO TOSS the ball to his short-stop at second base for a force out is Avon Park Merchant second sacker Ronnie Jackson during the final game of the men's soccer pitch tournament at the City Complex last weekend. The Merchants defeated the Polk County All Stars 8-7 to win the championship trophy. Sunphoto by Lew Miller.

HELP WANTED

HIGH SCHOOL BOYS who love to play football but won't have much chance of making the team in public school. Lake Wales Christian School offers competition in the Central Florida Christian Conference. Call Brad Scarborough, football coach at 1WCS, 676-5002, for further information.

McGahee for Highlands County School Board District 3

Dear Friends:

I am taking this opportunity to explain to you why I have decided to seek the office of Highlands County School Board member. As a life long resident of Highlands County, and a recent graduate of the public school system, I am deeply concerned with the quality education of our students. One of the major concerns at this point is the failure of our students to meet the standards of competency tests. Sad but true, last year, 41% of the students who took the competency test were apparently not prepared to take the test. If elected, I propose to find some answers to crucial problems of education. I also propose, with the help of the people, to make reforms within the school system. I urge you to solicit your family and friends to support my efforts in bringing about quality education to our school system, in which we all can be proud of.

Sincerely, Selvin McGahee

* EDUCATIONAL BACKGROUND

Wollangkks Build Their Own Dollhouse

Do you enjoy designing and constructing objects? If so, have you ever thought about fashioning a doll house? Chet and Daisy Wollangk of Avon Park have. They began the project the first of the year and just completed it with Daisy putting the final touches on it for the photographer by the addition of lace curtains.

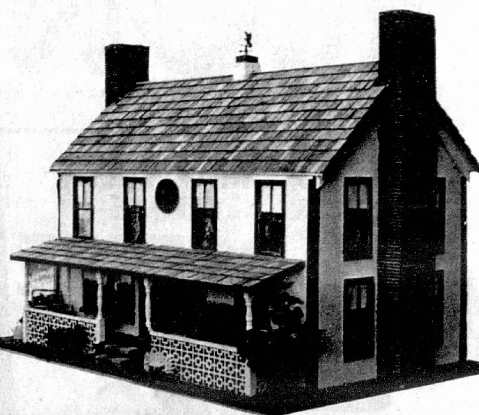

Why a doll house, you say? "Well," said Daisy, "Chet made one for Christmas for another person and I wanted one, so he decided to make me one too. She continued by saying "I wanted one made similar to the old houses in the Cincinnati area with the two chimneys one on each end of the square framed house with a long front porch, picture windows on the bottom floor and the round stained glass window between the top windows and right on top of the front double doors. If they made an addition to the houses it was always an L shape stated Daisy, with the two chimneys always standing out like two ears.

And, I like it she added. The front doors of the Wollangkks doll house has carved panels and the porch post were designed with a small lathe by Chet. Hand made flowers placed in a miniature vase grace the entrance to the house. The porch furniture is all hand crocheted from Taiwan, a gift from their daughter, Carol.

The shingle roof was made from old plywood that had separated and Chet took tin snips and cut them into small wedges and placed them on the roof, stated Daisy. He also made the spindles on the stairway leading to the second floor using the miniature lathe. Crocheted dollies with felt backing and braided yarn made fantastic rugs for the doll house. The fireplace stays were designed from some bobby pins of Daisy's and all mirrors in the house were made of can tops (similar to cocoa cans) covered with braid glued around the edges to give it a lovely accent. The floor was decorated with a plastic covering, simulating wood, and one room was placed in a paragon fashion while the others were done in a random pattern.

Some of the furniture in the doll house was made from a kit, while others Daisy and Chet made themselves, and yet others were store bought. The ones that seemed most proud of were the ones that took a lot of time and she made herself, chairs, china cabinet and beds. These she made using a design from a magazine and scaled the measurements down to fit the size that she desired. The bed post spindles were also made with the miniature lathe.

When asked about the technique they used to make the delicate spindles and other patterns in their doll house, Daisy

stated that they broke a lot of spindles and Chet added that it took a lot of practice to make them just right so they wouldn't break. He explained that he had to start with a much larger diameter of wood than needed and drill a hole in each end to hold it and gradually bring it down to the finished size he wanted.

The Wollangkks commented that if they made another one it would be designed a little different. Chet said he would make it so that it hinged in the center and would fold back to expose the eight rooms, four upstairs and four down. The way they put theirs together, the top lifts off to expose the rooms, but their grandchildren enjoyed playing with it and gave them lots of pleasure. Others, could be made in a shade box design.

Chet is a retired maintenance electrician from Rockwell International. He retired in September of 1974 and the Wollangkks moved to Avon Park to make this area their home.

Besides making doll houses, Chet also has other interest that involve wood designing and carving. He refurbishes and refinishes antiques. Within their home they have several old rockers that Daisy picked up at garage sales for penny's compared to their worth today in the restored stage that Chet has acquired. It is a challenge to me stated Chet to take an old piece of furniture

and make a spindle or leg that needs duplicating and make it usable again.

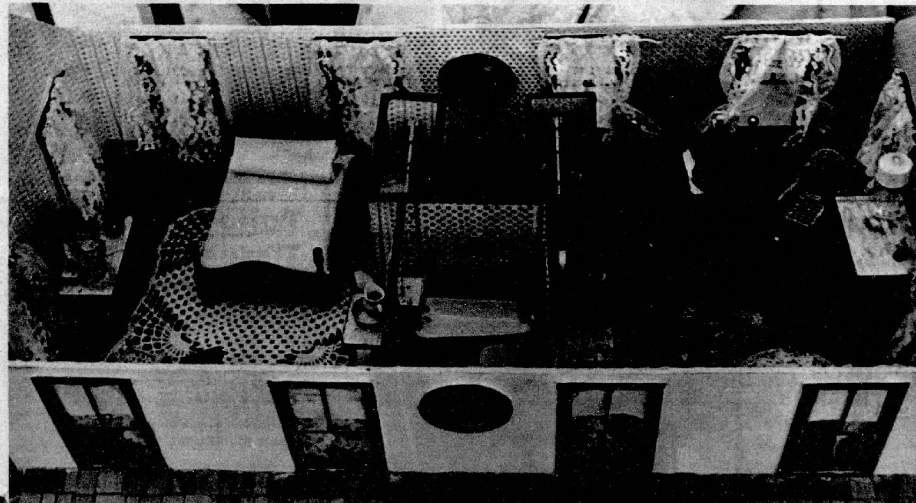

Chet began his hobby with wood work back in high school and has carried it with him through out our married life stated Daisy. We would buy a house, Chet would fix it up and then we would sell it she added.

"There are endless things you can do with wood," said Chet, "and I especially like to fix pieces in the old style and antiques." You know they are made of good solid stock he commented. We have a spring rocker that Daisy picked up for \$5 and after restoring it the rocker is now valued at \$200.

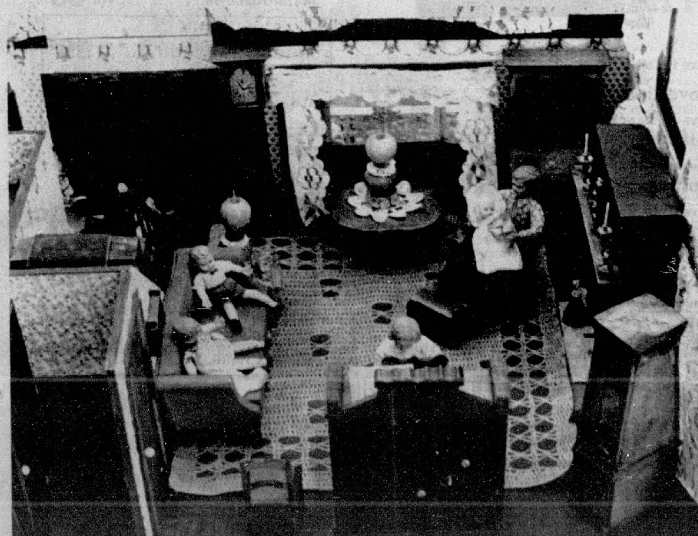

Among his woodwork hobby is marquetry, which is using different kinds of woods and the natural grain to give color and effect to a picture that he has designed. He is also a Barber Shop Quartet member and sings baritone.

The Wollangkks have three daughters, Carol, Cathy, and Valeria; and one son Larry who is presently residing at home with his parents and helping his father with the restoration of furniture.

Daisy is involved with many civic organizations in the city of Avon Park and the organizer of a ladies program for losing weight.

WITH THE TOP of the doll house removed, the second floor is viewed from the ceiling. Notice the individual closets with clothes hanging in them, beds with spindle post, lace curtains at the windows and the marbled-like top dressers. Tiny wash basins with miniature pictures and dollies for elegant rugs add the finishing touches to the upstairs living quarters.

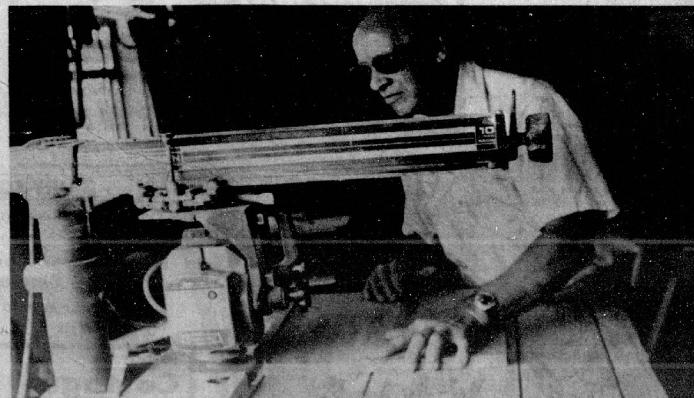

IN THE LIVING ROOM, mother is playing an organ, which is in reality a working music box. The grandfather clock by the doorway Chet designed and made. The old desk with glass doors was made from a kit while Daisy designed and made the corner what-not cabinet. Lamps are made with beads and braid.

Sun Photos By Lew Miller

DOWNSTAIRS IN THE kitchen an old fashioned wood burning stove with cast iron utensils and a butter churn Daisy made herself. The ale wash tubs and wash board is also there along with tiny milk bottles on a wooden ice box and a dry sink. A small dining table graces one corner with small hand made chairs with curved backs and hand woven mat seats.

CHET DEMONSTRATES THE radial saw with a molding groove which puts a fine edge to the piece of wood he is working on. He also has in his garage shop a lathe for making round spindles; a hand saw from making irregular curves, etc.; a jointer for smoothing rough cut lumber; a small table sander for shaping and sanding of the item smooth.

Avon Park Winter Guest Club News

By Ilseon Kull

August 12, with five courts playing, the three game winners were Anna Manegold, Paul Manegold, Bernice Long, Geraldine Long, Charles Bidstrup and Floyd Stevens. On August 16 with five courts playing had Paul Manegold, Geraldine Long and Ernie Thomas each winning three games.

Welcome Home

Gene and William Olson. They report a very busy and enjoyable vacation. First they visited a daughter and family in Pittsburgh, Pa. Then on to Mayville, N.Y. where two sisters and two brothers live. Here they spend some time visiting and also attended a family reunion. One brother, Raymond and his wife Ethel, have a home in Avon Park. Before leaving Mayville they attended the New York-Avon Park Annual picnic. Then they headed west to Greenport, Ill., to visit Alice Holsapple, a former club member. Alice was happy to receive news of club members and sends regards to all and says she would be thrilled to hear from them.

Dorothy Gruber spend last week in Knoxville, Tenn., visiting her daughter Gene Gossnell and family. Sarah Spindler and Helen Dickinson, who were both vacationing in New England, met and returned to Avon Park together. Helen says she is glad to be home after spending three months in the New England states of Massachusetts, Connecticut, Vermont and New Hampshire.

Also flying out to Indianapolis, Ind., to attend graduations of three grandchildren. A good trip with a happy ending. Chester and Lillian Seeger, report: "Our trip north this year after an absence of two years, revealed many changes, especially in the growth of our grandchildren. Our stay in New York State culminated in an early 25th. Wedding Anniversary party given in our honor by our sons Chester Jr. and Elton and grandson, Harold Seeger. About 80 relatives and friends attended an open house followed by a buffet dinner for the relatives. The beautiful wedding cake was made by our 19 year old granddaughter, Jerri. Then we drove thru Canada to Detroit, Mich., to visit a nephew and niece, George and Gladys Seeger, who have just purchased a

home in Winter Haven. From there we went on to New Buffalo, Mich., to the Trout-leters. They treated us to a Sunday dinner at Das Dutschman Essenhaus in Middebury, Ind. This is an Amish Restaurant. Here we celebrated Henry's and Auretta's birthdays. Then back into Michigan to Alpena to visit our daughter. Enjoyed a trip to

Mackinac Island where on a horse drawn carriage tour, we met our driver who is a student at the University of Florida and lives in Leesburg. He told us that in the winter, when Lake Huron is frozen over, holes are cut in the ice and fire trees are placed in them making a path to the mainland so anyone crossing during a blizzard will not lose his way. A

drive from St. Ignace to the Sault Ste. Marie locks to watch many boats going in both directions in the three locks. Our last stop was at Winnie and Ward Miller's in Dayton, Ohio, where we feasted on luscious Michigan melons and Ward's huge home grown tomatoes. After 4,745 miles of driving and living out of suit cases for 32 days, Avon Park and our home

looked mighty good to us."

A letter from Lorena Wyant from Castile, N.Y., saying that they all look for news of club members in this column. (Glad to pass along any I receive). They attended the New York State-Avon Park picnic which was reported on last week. They are planning a birthday get-together with the McWhitneys to celebrate Mrs.

McWhitney's and Lloyd's birthdays. Last week was the Wyant reunion which they enjoyed. Both Lorena and Lloyd have been busy judging exhibits at the Monroe County Fair at Rochester. They attended Lorena's Seminary alumni reunion in June and plan to attend Lloyd's Ag. Tech reunion. The New York State Grange annual meeting will be

in October and as the Wyants are delegates they will attend that before heading to Avon Park.

Mr. and Mrs. Herman Wurster announce that they will be celebrating their 54th wedding anniversary August 20. They are expecting many calls from their sons Willis and Howard and families. Their special dinner is being planned

by their daughter Twylla. Happy Anniversary from the club. Dorothy Wilde has been busy this past week entertaining her granddaughter Kathleen Raye from Columbus, Ohio.

Hospital Report
This week we have Harry and Ota Gibson both in Walker Memorial Hospital. (as of Aug. 17.)

A Shot In Time

Can Save

Your Cat's Life

A shot in time can save nine — lives of your cat.

"It is always better to prevent a disease than to have to treat it," advises the newly-published "The Cat in Your Life" by Florida veterinarians.

A shot in time can prevent distemper, respiratory infection and rabies in cats. It is pointed out by Dr. Robert I. Jackson, president of the Florida Veterinary Medical Association.

Unlike dogs, cats are not subject to infectious hepatitis, leptospirosis and tracheobronchitis. Cat distemper or panleukopenia — known as feline enteritis — is different from that in canines. It is a viral infection of the upper intestines.

"Most kittens receive protection against some diseases from their mother through nursing," says Dr. Jackson. "But this natural protection is lost between 6 to 16 weeks of age, and then the cat should be immunized against disease."

"Although some vaccines produce longer and stronger immune responses than others, no vaccine is permanent. Your family veterinarian can determine what's best for your cat," the president of FVMA says.

Vaccination against rabies, highly contagious and fatal in both humans and animals, is annually necessary for cats. Existing vaccines for cats are licensed for no more than a year.

"As much as the shots may hurt the owners, they guarantee the cats and even owners against suffering and more pain later on," Dr. Jackson emphasizes.

Manuals on "The Dog In Your Life" and "The Cat In Your Life" are now available from Florida veterinarians, no charge.

By Margie Wells
Ellen Hunt returned on Monday from a four week's vacation in Wisconsin and Illinois. The first two weeks were spent near Wautoma, Wis., where she baby-sat with three grandchildren (7 years, 14½ years and 3 months old) while her daughter-in-law was in the hospital for treatment

for a back injury. The remainder of the time was spent with her daughter and family, the Ted Millers, in Wheaton, Ill. On August 5, she attended the wedding of her grandson, Jon Miller, to Lynn Bonnell in Chicago. She reports it was a beautiful wedding and the young couple are now living in Champagne-Urbana where

the bride is a student at the University of Illinois and the groom is employed. Ellen said the weather was not too different than it has been here and she says it is good to be home again!

Jane Robideau arrived home on Tuesday after a vacation in Massachusetts where she visited with her son-in-law's

grandmother. Her daughter and son-in-law, Mr. and Mrs. Robert Taft of Avon Park, along with their son, Eric, accompanied her on the trip. Jane also visited with friends in Tupper Lake, N.Y., her former home. While Jane was on vacation, her mother, Mrs. Pauline Pelkey, stayed with her son, Mr. and Mrs. Kendrick

Trim of Avon Park. Thelma Miller returned on Wednesday from a month's vacation at North Eastham on Cape Cod, Mass., where she visited with her daughter and six grandchildren plus nine great grandchildren. While there, her sister from Manchester, New Hampshire, and her older daughter, Jean, of

Derry, New Hampshire, spent a few days visiting with her. Thelma says she had delicious sea food, including fried and steamed clams, quahog chowder, scallops and good Northern fish!

It certainly is nice to have our residents returning and we understand several more will be back within the next few weeks.

We were sorry to learn that Dorothy Carroll has fallen and suffered some bad fractures. She was in the hospital for six days and then spent all of the month of July in a hospital bed at her son's home. She is now at her own home and able to get around a little bit. We all wish her a speedy recovery and

hope she will be back in Florida soon.

We had a note from Alice and Cecil Pixley this week and she said that Cecil was playing a lot of golf. They have seen Ruth Smith and Ella Drake, and Lawrence Reichenbach were at their house for dinner recently.

Mary and Paul Zwyer write that they are having a nice time fishing and relaxing in Michigan and that they are looking forward to returning to Bonnie Brae this fall.

We also had a letter from Carl Wertzbar this past week. Carl is a former resident who is now living with his daughter in Illinois. He recently celebrated his 80th birthday but says he really doesn't realize his age as he is in good health and enjoys being with his family (now numbering over twenty). A belated "Happy Birthday" to you, Carl, and we hope you will write again soon.

We would like to extend our sincere sympathy to Daisy Brown on the death of her sister-in-law.

Remember, school will be starting next week, so please drive carefully and protect our children.

Medicare Increase Limited

Updated Medicare Part B allowances for medical services to Florida senior citizens served by Florida Blue Shield went into effect on July 24, with certain continuing limitations again being applied to these allowances. The new allowances are expected to be in effect through mid-1979.

The new allowances are based on charges submitted on Medicare Part B claims during calendar year 1977, but the increases are limited by law to no more than 42.6 percent over the allowances computed from 1971 charges, the base year. Regulations for determining the allowances are established by the Medicare Bureau, Health Care Financing Administration, Department of Health, Education and Welfare. Blue Shield of Florida is the Medicare Part B claim processor in all areas of Florida except Dade and Monroe Counties. Applicable to all Medicare Part B claim processors nationwide, the new allowances are computed as follows:

(1) Two different types of allowances are calculated based on physician charges submitted to Medicare Part B during calendar year 1977 for each medical service. These are known as the "Customary" (Individual Physician) Allowance and the "Prevailing" (Area or Community) Allowance. Under Medicare regulation, for each medical service rendered to a Medicare patient the Individual Physician Allowance is compared to the Area or Community Allowance and both are then compared to the doctor's current charge. Payment is then based on the lower of the three.

(2) Further, an additional limitation requires that the new Area or Community Allowance for each medical service not increased over 42.6 percent of the Area or Community Allowance compute from 1971 charges. (Last year, the Area or Community Allowance under Medicare Part B could not increase above 35.7 percent of the base year's 1971 charges.)

Approximately 1,500,000 Floridians, age 65 and over, or disabled under 65, have health care coverages under the Medicare Part B program. In 1977, Blue Shield of Florida processed 5.4 million Part B claims and disbursed approximately \$286 million in federal funds for claim payments on behalf of Medicare beneficiaries in Florida.

File Number 78-158

IN RE: ESTATE OF
Mildred S. Head,
Deceased

NOTICE OF
ADMINISTRATION
TO ALL PERSONS HAVING
CLAIMS OR DEMANDS
AGAINST THE ABOVE
ESTATE AND ALL OTHER
PERSONS INTERESTED
IN THE ESTATE:

YOU ARE HEREBY
NOTIFIED that the ad-
ministration of the es-
tate of Mildred S. Head, deceased,
File Number 78-158, is
pending in the Circuit Court
for Highlands County, Florida,
Probate Division, the address
of which is P.O. Box 1827,
Sebring, FL 33870. The
personal representative of the
estate is Yvonne Head
Montecarlo, whose address is
1025 SE 10th Street, Ocala,
FL 32670. The name and ad-
dress of the personal
representative's attorney are
set forth below:

All persons having claims or
demands against the estate are
required to file the same with-
in THREE MONTHS FROM THE
DATE OF THE FIRST
PUBLICATION OF THIS
NOTICE, to file with the clerk
of the above court a written
statement of any claim or
demand they may have. Each
claim must be in writing and
must indicate the basis for the
claim, the name and address of
the creditor or his agent or
attorney, and the amount
claimed. If the claim is not yet
due, the date when it will
become due shall be stated. If
the claim is contingent or
unliquidated, the nature of the
contingency shall be stated. If
the claim is secured, the
security shall be described. The
claimant shall deliver sufficient
copies of the claim to the clerk
to enable the clerk to mail one
copy to each personal
representative.

All persons interested in the
estate to whom a copy of this
Notice of Administration has
been mailed are required,
WITHIN THREE MONTHS FROM
THE DATE OF THE FIRST
PUBLICATION OF THIS NOTICE,
to file any objections they may
have that challenge the validity
of the decedent's will, the
qualifications of the personal
representative, or the venue or
jurisdiction of the court.

ALL CLAIMS,
DEMANDS, AND OB-
JECTIONS NOT SO FILED
WILL BE FOREVER
BARRED.
Date of the first publication
of this Notice of Ad-
ministration: August 17, 1978.

APCI Employees Complete
Training At Raiford

The Department of
Corrections has announced
that Avon Park Correctional
Institution employees Ronald
H. Blume, Edward P. Foster,
James H. Muehe and Thomas
S. Sager recently participated
in the Correctional Training
Center at Raiford, Florida.

This is the thirty-first CTI
group to enroll in the minimum
standards curriculum, which is
required by law. The Training
Institute program is taught in
conjunction with Lake City
Community College, and the
graduates earn nine semester
credits for successfully
completing the full time, 160
hour course.

The program includes in-
struction in the Criminal
Justice System, Legal Aspects
of Corrections, Operational
Procedures, Principles of
Supervision, Human Relations

and Technical Training Skills,
which include Firearms, First
Aid and Fire Fighting
Techniques.

The Correctional Training
Institute was certified by the
Florida Correctional Stand-
ards Council (CSC) in May,
1976, as a training center for
correctional personnel. The
Council was empowered by the
Legislature in 1974 to establish
minimum standards for the
certification of correctional
officers and training centers.
The curriculum of training is
designed to intensify the ex-
posure of the officer and to
develop him professionally. It
is anticipated that the training
program will help materialize
the promise of a modern
correctional system.

The participants will con-
tinue their training with an
additional 160 hours taught by
regional instructors, on an in-

service basis, at the various
correctional facilities located
throughout Florida.

Traffic Court

The following cases involving
persons charged in Highlands
County traffic accidents have been
disposed of in court today.

Mary Barbara Clark, improper
tag - dismissed on a charge of no
valid driver's license - assessed
\$100 penalty and \$12 in court costs;
on a charge of careless driving -
assessed \$12 in court costs.

Edward Carter Holland, violation
of right of way - assessed \$20
penalty and \$12 in court costs.

Barry Wayne Buser, failure to
use due care - assessed \$25 penalty
and \$12 in court costs.

Albert Wilford Kees, violation
of right of way - assessed \$20
penalty and \$12 in court costs.

Ruth Alma Jenkins, violation of
right of way - assessed \$25 penalty.
Paul Duane Runner, careless
driving - did not commit an
information.

Consumers Can Tell USDA What Is Needed On Labels

Consumers are reminded that now is their chance to tell the U.S. Department of Agriculture (USDA), the Food and Drug Administration (FDA) and the Federal Trade Commission (FTC) what information they want on food labels.

These agencies are holding five hearings across the country. They begin in August. The hearings will enable consumers to personally express their views on labeling information.

Comments will be used to develop a coordinated strategy to improve food labeling. The strategy may involve changes in current labeling regulations, new regulations or recommendations for new legislation.

The goal is to make sure that the information on food labels is what consumers want and is presented in a way consumers can understand.

A series of documents explaining the issues the government is asking to be

addressed at the hearings and in written comments was published in the June 9 Federal Register. Each of the three agencies regulates some aspect of food labeling and marketing. FDA regulates the labeling of all foods except meat and poultry — which are regulated by USDA. FTC regulates food advertising.

Carol Tucker Foreman, assistant secretary of agriculture for food and consumer services, said: "labeling and advertising can be the two most effective tools consumers can use in making informed choices about the nutritional quality, safety and economic difference among the food they buy. Thus, we need to know what individual consumers think about the issues that will be discussed during these hearings so that future government policies affecting food labeling and advertising can reflect common goals that serve the needs of consumers and provide incentives to our nation's farmers."

Donald Kennedy, commissioner of food and drugs, said: "today's food labeling laws and regulations are complex and may or may not be providing consumers with usable and understandable information. Our goal is to make labels more sensible and intelligible. We want to learn directly from people what type of information they want and expect from food labels, and how that information should be presented to enable them to pursue intelligent nutritional strategies of their own."

The hearings are scheduled as follows:
Aug. 22-23-Century II Theater, Wichita, Kan.
Sept. 18-19 - Little Rock Convention Center, Little Rock, Ark.
Sept. 27-28 - HEW Auditorium, Washington, D.C.
Oct. 12-13 - Fremont Bldg., San Francisco, Calif.
Oct. 25-26 - Howard Johnson 57 Motel, Boston, Mass.

Among the questions on which the government is seeking public comment are:
—Should food labels tell the percentage of each ingredient in the product?
—Should raw commodities as well as processed foods be required by law to carry full

nutrition labels? (Now, only foods to which nutrients are added or which make a nutritional claim must carry the nutrition label.)
—Should all foods have "open dating" — such as the date on which a food was packed or the last recom-

mended day of retail sale — and which date should be most useful?
—If a food is an "imitation" of another, should that food be called "imitation" or should it be given a new name?
—Are there types of foods to which vitamins and

minerals should not be added?
—What current information on food labels is most important? ... least important? What new information should be on labels?

Copies of the issues papers can be obtained from Taylor Quinn, FDA Bureau of Foods, 200 C St., SW., Washington, DC 20204.
Consumers may sign up the day of the hearing to present their views.
Written comments can be sent to the Hearing Clerk, HFC-18, FDA, Room 4-62, 5600, Fishers Lane, Rockville, MD 20857.

Time Running Out For Veterans GI Bill Benefits

Time to apply for benefits of GI Bill benefits for veterans of the Vietnam War is quickly running out for many, Clarence Cooper, Disabled American Veterans adjutant in Sebring, warns.
Some 129,000 Florida Vietnam vets are reminded they have only 10 years from date of their military discharges to use the bill for education and training. Cooper said there are a large number of vets in Highlands County who may be eligible for GI Bill benefits.
"The VA now pays a monthly

allowance of \$311 to a single veteran going to school full-time," Blackwell said, "\$370 to a veteran with one dependent, \$422 to a veteran with two dependents, and \$26 for each additional dependent."
Veterans are also paid VA allowance to complete their high school education and train on-the-job or in apprenticeship programs.
Those needing more information on benefits can contact the nearest Veteran's Administration office or call this toll-free number 1-800-282-8221.

Florida Gas Reports Income
Florida Gas Company today reported net income for the three months ended June 30, 1978 of \$7,526,000 compared with \$5,900,000 for the second quarter of 1977. Primary earnings per share for the second quarter were \$1.12 compared with 90 cents for the second quarter of 1977. Earnings per share for the twelve-month period ending June 30, 1978 were the highest in the Company's history, \$4.38 compared with \$3.34 for the same period ending June 30, 1977.
The higher 1978 second quarter earnings primarily reflected improved results in natural gas transmission, oil and gas exploration, and real estate operations.

News Of Our Servicemen

David L. Williams
Airman David L. Williams, son of Mr. and Mrs. James N. Williams of 320 Castle Street, Avon Park, has been assigned to Keesler AFB, Miss., after completing Air Force basic training.

During the six weeks at Lackland AFB, Tex., the airman studied the Air Force mission, organization and customs and received special instruction in human relations. Completion of this training earned the individual credits towards an associate in applied science degree through the Community College of the Air Force.

The airman is a 1978 graduate Avon Park High School.

Casey S. Stukes
The son of an Avon Park, couple has been selected to receive specialized instruction after completing Air Force basic training at Lackland AFB, Tex.

Airman Casey S. Stukes, son of Mr. and Mrs. Henry Stukes of 461 Billy Hill Road, studied the Air Force mission, organization and customs and received special instruction in human relations. Completion of this training earned the individual credits towards an associate in applied science degree through the Community College of the Air Force.

The airman now goes to Keesler AFB, Miss., to attend the Air Training Command's communications systems operator course.

Airman Stukes is a 1978 graduate of Avon Park High School.

Michael L. Coleman
Airman Michael L. Coleman, son of Clifford Coleman of 325 Washington Street, Avon Park, has been assigned to Keesler AFB, Miss., after completing Air Force basic training.

During the six weeks at Lackland AFB, Tex., the airman studied the Air Force mission, organization and customs and received special instruction in human relations. Completion of this training earned the individual credits towards an associate in applied science degree through the Community College of the Air Force.

Airman Coleman will now receive specialized training in the communications field.

The airman is a 1978 graduate of Avon Park High School.

The Living Word

By Rev. Arnold P. Smith
My teenage daughter recently died in an accident, and I'm crushed. How could God allow such a tragedy? No one ever showed greater compassion or sorrow at the loss of a loved one, than Jesus did, at the untimely death of Lazarus. John 11:35 says "Jesus wept." Even though Jesus stayed away during Lazarus' illness in order that God's glory might be more greatly revealed through Lazarus' resurrection, yet Jesus was grieved for the sorrow which Mary, Martha and others suffered, as well as his own loss, temporarily, of his good friend. He knew what you're going through and longs to comfort you, too, as you reach out to him just as Mary and Martha did.

Although God is, ultimately, in control, at the very beginning he set in motion laws both natural and spiritual, which he cannot violate. One of the most vital of these laws, is that he will never violate the free will choices of human beings. When wrong choices are made, sometimes natural laws are

violated, causing tragedy. However, some tragedies are averted by prayer, when God can intervene because he has been asked to do so. Reasons why some tragedies occur are among the many answers God had withheld from us (Deut. 29:29). But, one thing we know for sure: God will receive glory even out of seeming disaster. God often has used tragedy in someone's life to lead many others to salvation (Gen. 50:20). Not even an unsave person ever dies without having had an adequate opportunity to know Jesus; or, without bringing Jesus to the attention of everyone involved.

Besides John 11, let me encourage you to read Romans 8:28, and 1 Thes. 4:13-18. Although your loss is very real, know this: it is temporary. Your daughter has gone on ahead, but one day, all who love Jesus will catch up. Praise the Lord.

For answers to your questions, please write to Rev. Arnold Smith, c-o this newspaper.

LEON MARLER, ADMINISTRATOR of Hillcrest Nursing Home, recently initiated a vocational training course in Patient Care Technology which was taught at the facility by Mrs. Ruth Lewis, R.N. The first five students graduating from the

Stephen Foster Center To Hold Festival

John Robertson, executive director of the Stephen Foster Center, has announced plans for a "Fiddlers and Bluesgrass Festival" at the Center for Labor Day Weekend. The festival is part of a revised schedule of events for the state-owned and operated memorial to the composer of Florida's state song, "Way Down Upon the Suwannee River."

This year, we revamped our schedule so that the Folk Festival could be staged in May, the traditional time for that event," Robertson explained.

"With that in mind, we have planned for two Fiddlers and Bluesgrass festivals each year, in early Spring and early Fall. Under the new schedule, our first fiddlers and Bluesgrass Festival was held last March and the Labor Day weekend event will be the second such festival this year," Robertson said.

Robertson announced that this year's Labor Day Fiddlers and Bluesgrass Festival will feature Orange Blossom Bluesgrass, Henry Rutland and George Custer, Red and Murphy Henry, Dale Crider and Linda Bittner, Bluejeans and Lace, and a host of other acts.

The festival begins Friday, September 1, and continues Saturday, Sunday, and Monday. Admission is \$5 per day or an advance four-day ticket for \$12. At-the-gate admission for the four days is \$14, with reduced admission for children aged six-fifteen, and free admission for children under six.

Camping is available on the Stephen Foster Center Grounds at no additional charge for those purchasing tickets for two or more days, on a first-come first-served basis.

"We have good facilities, plenty of water, but no electrical hook-ups," Robertson added.

Florida's state-owned and operated Stephen Foster Center is located on the banks of the famous Suwannee River at historic White Springs.

In addition to the music festival, visitors to the Center may take a ride on a replica of a paddle-wheel steamer down the Suwannee, (price not included in admission), visit in the 200-foot tall Carrillon Tower,

course this month received a pin and a certificate at the regular Staff Meeting. The new Patient Care Technicians are: (from left to right): Mrs. Annette Dunning, Mrs. Linda Coleman, Mrs. Rose Hamilton, Mrs. Dorothy Thomas, and Mrs. Lavina Cunningham.

listen to a Carrillon concert, tour the Foster Museum housed in an ante-bellum style plantation house, or stroll through the Foster Center's more than 200 acres of gently rolling grounds, filled with beautiful trees, flowers and shrubs on a high bluff overlooking the timeless Suwannee River.

Obituaries

James F. Jackson
James F. Jackson, an area resident for five years passed away August 13, in Highlands General Hospital. He was a native of Littleton, W. Virginia, and a retired electrician.

He is survived by two daughters Janet Powell of W. Virginia and Donna McIntosh of W. Virginia, one brother and one sister.

Services were held Wednesday evening from the Chapel of Dowden Funeral Home with the Rev. Leland E. Brooker officiating. Cremation followed.

Mary Rust Ellenberger
Mary Rust Ellenberger, age 101, of 317 Tulane Circle, Avon Park, passed away Wednesday morning August 16, at the Weeks Nursing Home. She was preceded in death by her husband, I.C.M. Ellenberger in 1941, a former administrator in the local school system.

She was a retired housewife and a member of the Methodist Church.

She is survived by one daughter, Mrs. Helen Dissinger of Avon Park, and one sister, Mrs. Ivaloo Looney of Tampa. She also leaves 12 grandchildren, as well as great grandchildren and great-great grandchildren.

Graveside services were held Saturday, August 19, at 11 a.m., at the Bougainville Cemetery with Evangelist Bob Barker officiating.

Stephenson-Nelson-Smith Funeral Home in charge of arrangements.

An inability to stay quiet... is one of the most conspicuous failings of mankind.

—Walter Bagehot

OUR SINS ARE FORGIVEN WHEN THEY ARE FORSAKEN

woman in the days of yore,
Forgiven what she'd done before,
Was told to go and sin no more;
Then sent upon her way.
She'd faced the angry crowd alone
With sins for which she must atone,
Yet no one dared to cast a stone;
For all had gone astray.
So if we mend our ways at last
And go to Church, no stones are cast;
For we may then forget the past
And start a brand new day.

—Gloria Nowak

"I said, I will confess my transgressions unto the Lord; and thou forgavest the iniquity of my sin."
—Psalms 32:5

If any have a stone to throw
It is not I, ever or now.
—Elinor Hoyt Wylie
