

Devils Cha-a-a-t-t-t-e-e-e-r-r

By Joel Wright

An area taken for granted most often at school is the lunchroom. The operation of a lunchroom is more complex than it might first appear.

Approximately 10,195 students pass through Avon Park High's lunch lines every month. These people consume about 7,872 cartons of milk and 400 to 450 sandwiches monthly. Their favorite sandwiches are hamburgers, cheeseburgers, and corn-

dogs. On the average the cafeteria usually sells 134 hamburgers, 47 corn-

dogs, and 35 pounds of french fries per day. The cafeteria goes through four to five gallons of ketchup a day.

A new feature at the cafeteria is breakfast. The reason for serving breakfast was decided by the entire Highlands County School Board for those who

may not be able to get a nutritious breakfast at home.

Mrs. Myrl Still is the manager of the cafeteria. She along with several other cafeteria managers get together once a month

and plan the menu. Their goal is to plan good nutritional lunches.

Mrs. Still works eight hours a day, and the other workers average six and one-half hours a day. Each lunchroom lady has a special job she is expected to do each day.

Some of the basic food is supplied by the federal government such as oil, flour, and meat. Any other foods are bought from either Tampa or Lakeland.

So it would appear that Mrs. Still and company have a lot to do in preparing daily meals for the students at A. P. H. S.

Another line of work that often goes unnoticed is the job of keeping the grounds, buildings, and classrooms maintained.

This task is taken care of by Virgil Still, Building and Plant Supervisor, and his staff.

The thing that probably keeps this staff busy the most is lighting. Fluorescent lights have a habit of flickering on and off so seldom there is a time when there isn't a ladder somewhere in the school with a custodian at the top.

During the summer they came down from their

ladders and wax the halls and lunchroom. Approximately 50 gallons of wax and 40 gallons of stripping are used each year.

The 40 acres of ground must be kept up also. The grounds are watered five days a week. Besides watering, the grass and garden must be mowed and weeded.

Machines are constantly in need of repair at any school, and Avon Park High is no exception. Air conditioning and heating systems seem to break down when most needed, but the custodial staff usually can diagnose the problem in time to keep everyone comfortable.

Many people don't realize the tremendous amount of work involved in keeping the school in top condition. This is because most problems are taken care of so quickly and efficiently that it's hard to notice.

Still and his staff deserve a lot of credit for the work they do to keep Avon Park High School one of the most attractive buildings in town.

The new face that really stands up in the crowd at A. P. H. S. belongs to this week's featured senior Meg Schuler.

Standing 6 ft. 1 in. tall, this senior transfer student from Miami South-West Senior High has given the girls' basketball team the spark needed to be winners.

According to the girls' basketball coach, Miss Cheryl Lee, Meg helps the team in all areas, but especially in rebounding and team leadership. Miss Lee also added that Meg has the potential to play girls' basketball in college.

The coach's high opinion of Meg is also reflected in Meg's high opinion of her coach and fellow team-

mates. Meg feels that the team has a good coach and a lot of talent.

Even though Meg doesn't have a favorite pro basketball team, she still likes to watch Dr. J play on T. V. When not on the basketball court, Meg can

sometimes be found on the tennis court. She also likes to jog to keep in shape for basketball.

Meg found that moving to Avon Park was all right. "Since moving to Avon Park, I've met so many nice and friendly people," said Meg. "Everyone seems to have been nice to me."

Meg certainly has brought high hopes to the girls' basketball team this year.

An old photo album scrap book of the Avon Park Schools was found recently by Kenny Carney, a city

employee, re-used the old photo album from a trash

pick-up truck. Mrs. Clifton Pearson and Mrs. T. Hayes Maxwell were able to identify some of the photos.

to have been made the first year that the Student Council was organized at APHS. Anyone who was a student and helped with this book or who remembers anything about it should contact Mrs. T. Hayes Maxwell or Mrs. Donald K. Ford. They are anxious to have more information about it.

The book is in need of repairs and the Historical Committee plans to have the pages laminated for preservation, so it can be placed in the Railroad Station Museum in the future.

Avon Park Sun

The Avon Park Sun, Feb. 2, 1978 18

Devilettes Here Tonight

Tonight (Thursday) the Devilettes will host DeSoto High of Arcadia here at the high school gym in a conference game starting at 7 p.m.

Tomorrow night (Friday) Coach Cherri Lee's team will travel down to Clewiston for a return match with the Tigerettes. Next Monday night the Devil girls will play in Lake Placid against the tough Green Dragon ladies who won the Heartland Conference championship last week-end. Game time is 7 p.m.

The Avon Park girls went into the Ft. Meade game last Tuesday night with an 8-5 record with just six games left on the schedule.

The Avon Park Red Devilettes lost out to the Sebring girls basketball team by one point 39-38 in the opening round of the Heartland Conference Cage Tournament last week.

The Devilettes started slow scoring only 12 points in the

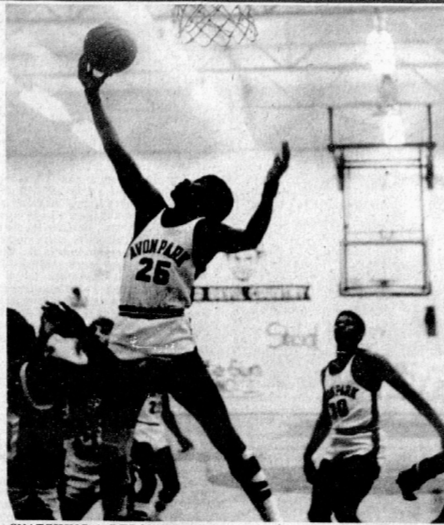

first half and just couldn't catch up although they outscored the Streakettes in the second half.

Meg Schuler and Katrina Conner left the game on fouls late in the game after Schuler had accounted for 8 Avon Park points.

High scorer for the Devilettes was Thelma Wessels with 9 points. Ellen Macklin scored 7 points with one field goal and five of six free shots. Laurie Welch pumped in 6 points. Linda Rowe scored 4 points, and Sally Braithwaite and Tammy Ostling scored 2 points each in the losing effort.

The Devilettes drew 18 fouls while Sebring was called for only 15 fouls. Avon Park girls made 6 of 12 free shots. Sebring hit 7 of 18 from the foul line for the winning difference.

The Avon Park girls jumped back into regular schedule action last Tuesday night when they played the Minerettes in a tripleheader in Ft. Meade.

SNATCHING A REBOUND out of the air during the Avon Park Sebring game early last week is Red Devil center Larry Pough (25) with David Williams (38) watching.

Larry is currently leading the Red Devil cagers in points scored and rebounds. Sunphoto by Tom Fleming.

Lund Gives Varsity Gives Stats For 7 Games

They say that "figures don't lie, but that liars sometimes figure". That could be true, but individual statistics on the Avon Park varsity basketball team certainly seem to be in direct ratio to the team's overall win-loss record, when compared with the stats on the teams the Devils have played.

At the end of seven games, and a four win-three loss mark, Coach Tom Lund put his pencil to work and came up with the following:

Total team points scored by the Devils 457, as compared with 431 for opposing teams, giving the Devils a 68.2 points per game average and the opponents 61.5. The Devils free throw total and that of the opposition came out at 81 each but the Devils had made 187 field goals against the other teams' 174.

Shooting average comparisons produced some interesting figures: Both the Devils and their opponents had hit for 58 percent of gift tosses but the Devils field goal percentage

of 38 percent was two points shy of the 40 percent shooting average of teams played against. In the fouls committed column, the Devils were called for 136 infractions against 117 opposing fouls called.

Larry Pough had the best shooting average for the Devil regulars, hitting on 37 from the field in 77 tries for a 48 percent figure. Mike Coleman and Larry Pough led the regular free throw shooters with

a 69 percent hit-miss record, although George Loyd, who has seen little action, baited 100 percent in the free throw department, hitting on 3 for 3 of the chances given him in the first seven games.

Larry Pough also led the Devils in both offensive and defensive rebounds, followed closely by brother Charlie. Larry Pough and Freddie Williams were in one-two position in the total points scored column.

Devils Play Here Friday

Opening up with Hardee High school this afternoon, the Avon Park boy's varsity and Junior varsity basketball teams have a busy five days in store. Tomorrow night Frostproof comes to Avon Park, and next Tuesday the Red Devil teams play a return engagement with Lake Placid at Lake Placid.

The Junior Varsity with a 10-1 record have already beaten Frostproof at Frostproof and Lake Placid here. The varsity squad lost to Lake Placid here early in January and held a three point win over Frostproof. This afternoon's games, scheduled at Wauchula, mark the first time the Devils and Hardee have tangled this season.

Tom Lund's varsity squad, after losing to Okeechobee in the Heartland tourney last Thursday, has a record of six wins and six losses as the 1977-78 basketball season heads down the stretch. The records for both the Varsity and the Jayvees do not include last Tuesday night's games at Fort Meade which were played too late to meet the Sun's deadline for this week.

Okeechobee-45, Avon Park-44. Jeff Rosier, Okeechobee center, tossed in a one hander with 16 seconds left, to squeeze the Brahman past Avon Park 45 to 44 in first round play of the Heartland Conference basketball jamboree last Thursday night.

The single point night ended tourney play for the Red Devils, last year's runner-up, and leaves them with a season mark of six wins and six losses. Lake Placid beat Sebring on Saturday night to take top honors in the six team meet held in the new Lake Placid high gym.

The Avon Park-Okeechobee game was a nip-and-tuck affair all the way. The Devils were down by four points at the end of the half but came back strong in the third quarter, getting 18 points while holding Okeechobee to 13, and they started the final period with a one point lead.

Horace Moore, with eight points, and Charlie Pough with six led the Devil comeback.

Mike Coleman added eight points and Larry Pough got four more early in the fourth period to stretch the Avon Park lead to three points with but 30 seconds to go.

Then Leonard Brazzil hit for two points for the Brahman to cut that lead to one. A subsequent Avon Park turnover gave Okeechobee the ball and Rosier came through with the winning basket. The Red Devils, with just seconds left on the clock, had one final chance but a travelling call wiped that out as the game ended.

Larry Pough, with 17 points was the top scorer for Avon Park followed by Mike Coleman with 14 and Horace Moore with 12. Roster was the big gun for Okeechobee, coming up with 21 points followed by Brazzil who collected 20 for the Brahman.

The Red Devils made eight of ten free throws resulting from 12 fouls called against Okeechobee converting on 9 of 18 gift tosses.

Eighth Graders

Beat Hardee

A 29-24 victory over the Hardee girls last week brought the Avon Park Middle School girls basketball team record to 3-2 as they were scheduled to close out the season yesterday (Wednesday) here at the Middle School gym against the Sebring eighth graders.

After a slow start, the game in Wauchula picked up. Avon Park scored only 2 points in the first quarter, but Hardee didn't score any. In the second period the Avon Park girls hit for 11 points as Hardee warmed up to score 6 points. It was 12 for Avon Park and 10 for Hardee in the third quarter and then a slow down in the fourth period with Hardee scoring 5 to Avon Park's 4 to set the final 29-24 score.

Tracy Brown led the Middle School Devilettes with 10 points. Linda Knight had 9 points, Linda Johnson hit for 6, and Sandra Warren and Ruth Rowe scored 2 points each in the winning effort.

Avon Park's girls made 1 of 1 at the foul line, but committed 10 fouls. Hardee's girls made only 2 of 6 free shots and were called for only 3 fouls.

Volunteer Workers

Needed At Court

Volunteers willing to help put screening on the Racquetball Courts or help paint them, please call 453-6881.

Two workdays will be set up for these projects, Saturday, Feb. 4 and Saturday, Feb. 11. Volunteers are asked to bring a brush and help anytime between 8 a.m. and 4 p.m. Thanks.

DEVILETTE LINDA ROWE goes up for a wide open lay-up shot after leaving the defense behind on a fast break maneuver during a girls basketball game played in Frostproof recently. The Avon Park girls will host the DeSoto High girl cagerettes here tonight (Thursday) at 7 p.m. Sunphoto by Lew Miller.

Hendricks Winner Of Class A Honors

Ross Hendrick, who helped build River Greens golf course in 1970, walked off with Class "A" honors in last week's pro-am event at the Davis owned golf club. Fifty-eight players entered the four man team event.

In addition to individual honors, Hendrick joined with Al Yarborough, Sam Davidson and Charles Leagans to win the best foursome prize. The second place team included Bernard Houghter, Walt Kline, Jack Osborne, and John Woodbridge.

Walt Kline was low individual in class "B". Warren Holley took the class "C" individual prize, while Dwayne Peters was the low scorer in the "D" division.

Walley's Cagers Move To 4-1 Record

Coach Cecil Walley's Avon Park Middle School boys basketball team defeated Hardee's Middle School team by a score of 46-31 last week to move to a 4-1 record.

Yesterday (Wednesday) the Devil Middlers were to have closed out the 1978 season with a home game against the Sebring Blue Streak eighth graders, the only team to have beaten them.

In Wauchula it was the 17 point scoring effort and the 20 rebounds by Charles Dunn that led the Avon Park Middle School team to its fourth

WEEKLY SPORTS SCHEDULE

Thursday, Feb. 2

SENIOR DEVILETTE CENTER Meg Schuler is the leading scorer and rebounder on the Avon Park girls basketball team after thirteen games this season. Meg, a 6'1" transfer from Southwest High School in Miami, has sparked the Devilettes to an 8-5 record scoring 143 points and pulling down 128 rebounds. Meg has averaged 11 points and over 9 rebounds per game. Sunphoto by Tom Fleming.

SENIOR DEVILETTE GUARD Debra Cox is playing with the Avon Park girls basketball team for the second year. Deb is 5'7" tall and has seen action this year as playmaker with the Devilettes who had an 8-5 record going into the Ft. Meade game last Tuesday night. Debra and her twin sister Delores are also members of the Red Devil girls tennis team. Sunphoto by Tom Fleming.

DEVIL FREDDIE WILLIAMS releases a jumper from the side of the court during the Avon Park Sebring game played here early last week. The Devils lost to the Blue Streaks in a double over-time. Sunphoto by Tom Fleming.

Jr. Bowling Tourney Scores

Ridge Jr. Bowling Association held their First City Tournament on January 21 and 22. There were nine teams, with 18 sets of doubles, and 36 C singles participating. The bowlers in this tournament were from Avon Park, Sebring, Lake Placid and Wauchula.

Racquetball Tourney Soon

Now is the time to sign up for the Avon Park Open Racquetball Tournament. The singles competition will be Feb. 18-19 at the four wall racquetball courts directly behind the city's Recreation Center. The entry fee for the tournament will be \$2.50 per person. There will be A and B classes in both the men's and women's divisions. It should be a fine tournament and lots of fun, with entries as far away as Lakeland. Be a part of it! Trophies will be awarded to the top three places, with door prizes given to lucky participants. The doubles competition will be the following weekend, Feb. 25-26.

FLAG FOOTBALL WINNERS in the Avon Park Recreation Department program last month were members of the Blue Team coached by John

Russ. From left, front row: Lorenzo Johnson, Fred Manning, Dwight Hardy, Ben Johnson, and Mike Shawver. Back row: Darrell Gibson,

Duane Young, Coach John Russ, Shannon Treadway, and Willie Armstrong. Sunphoto by Lew Miller.

USING A HUNTING knife, Wayne Roberts held out the fangs of a 64 inch rattlesnake they captured in the

Avon Park Lakes area. From the left: Dale Poff, Wayne and Walter Roberts. Sunphoto by Lew Miller.

THE UNBROKEN FANGS of a 64 inch rattlesnake were held out by a hunting knife. Making the catch in

Rattlesnake Captured By Three Local Boys

The closeness of a near rattlesnake bite apparently didn't appear to bother Wayne Roberts as he and his two companions, Dale Poff and Walter Roberts brought a 64 inch rattlesnake into the Avon Park Sun office last Wednesday afternoon.

While hunting in an empty field behind Avon Park Lakes, Wayne jumped over a clump of palmetto. When he landed, the rattler had a fang caught in pant leg. And he didn't even buzz," stated Wayne.

Wayne found a stick and hit the snake on the head. Dale c r

around the palmetto and pinned the rattler's head with an axe and stuck his knife through the snake's head. The three hunters in catching other snakes had found that hitting the snakes with sticks or other objects broke the skin as well as the fangs.

Dale planned to skin the snake, placing the hide on a board and have it tanned. The 5 lb. 15 oz. rattler had 13 rattles and two buttons. Normally, they said, snakes were hibernating at this time of the year. They were unable to find a second rattler, but they did find it's den in the white sand scrub.

Citrus Bank Golf Tourney

Set For Feb. 2-9

The women of the Pinecrest Country Club Women's Golf Association will be participating in the Avon Citrus Bank 36 hole golf tournament on Thursdays, Feb. 2 and 9 at the Pinecrest golf course.

Tournament winners will receive awards for first and second place in low gross and low net scores in each flight of play. Awards will also be given for the closest to the pin on the No. 8 green on Feb. 2 and on the No. 17 green on Feb. 9.

The day of play for Thursday Jan. 26 was low net in each flight with the winners being: Barbara Sachsenmaier and Gert Clark, first flight; Henrietta Melear, second flight and Edith Godwin, third flight.

The blind bogey winners for the Thursday's play were: Mary J. Touchton and Lenna Conn.

The Pinecrest Pro-Am winners were the teams of Barbara Sachsenmaier, Ida Variano, Edith Martin and Pat Smith with a plus 20% Neil Redd, Nina Collier, Betty Fulton and Mary Werrick scored a plus 13.

THE GREEN MACHINE won runners-up honors in the City Recreation Department's flag football program which ended last month. From left, front row: Willie Denaard, Irvin Harris, and Steve

Harris. Middle row: Michael Dorier, Dwayne Brown, and Tim Devlin. Back row: Sheldon McPherson, Gene Taylor, Troy Knight, and Coach Arnold Davis. Sunphoto by Lew Miller.

Winter Guest Club Shuffleboard Results

On Thursday, Jan. 20 the Winter Guest Club B players had a make-up shuffleboard tournament. There were 11 1/2 courts of play with the Main winners being Helen Berlew and Blanch Paul taking first place, while Dudley Bacon and Ross Carlson came in second.

In the consolation play it was George Davis and Harris Steward coming in first and Meredith Reany and Everett Bletham in second place.

On Jan. 21 there were 12 courts of B players. In the

Main division play George Davis and Earl McLarty took top honors with Blanch Paul and Henry Berlew coming in second.

In the A competition there were 9 1/2 courts of play with first place in the Main play going to Allan Brady and Ernie Rouget. Anna Mangold and Charles Bidstrup were second. In the Consolation games Helen Gaut and Otto Kroeger were first place winners while John Lasse and Karl Hart were second.

On Jan. 23 there was another make-up tour-

namment for the B players.

There were 11 courts of play with the Main Division winners being George Tissot and Helen Brady taking first with Mary Joliff and Al Wilson coming in second.

In the consolation play it was Howard Robertson and Emma Carlson in first place while Mildred Frye and Ernie Paul took second place.

On Jan. 25 the A's had 10 1/2 courts at play. In the Main division it was Alton Wetmore and Charles Bidstrup in first place with Allen Brady and Ernie

Rouget in second place. In the Consolation games Kellie Larrew and Howard Brevort took first place and while Theresa Bayes and Paul Mangold came in second.

For the B tournament there were 13 courts of players. In the Main division Rube Pritchard and Louis Weber were second with Clara Davis and Leo Vroman in first place. In the Consolation play it was Foster Joliff and Mildred Frye taking first and Leslie Stanley and Blanch Paul in second place.

GARY PARKER
Gary Parker, freshman from Melbourne, FL, will be pitching for South Florida Junior College this spring.

The 5'10", 175 lb., righthander has excellent control and a good slider that enabled him to lead Clay Gooch's St. Cloud High School nine to the 1977 State AA Championship. Gary compiled a 9-4 record at St. Cloud High School and batted .353 as a shortstop when not pitching.

AL JENSEN
Al Jensen, 5'11", 175 lb., freshman catcher from Kissimmee, FL, will be catching many innings for South Florida Junior College this spring.

Al has improved his hitting during the fall season and works extremely well with the pitching staff. Al played under Clay Gooch at St. Cloud High School and led the team to the State AA Championship in 1977. He received the MVP award and was named All-Conference.

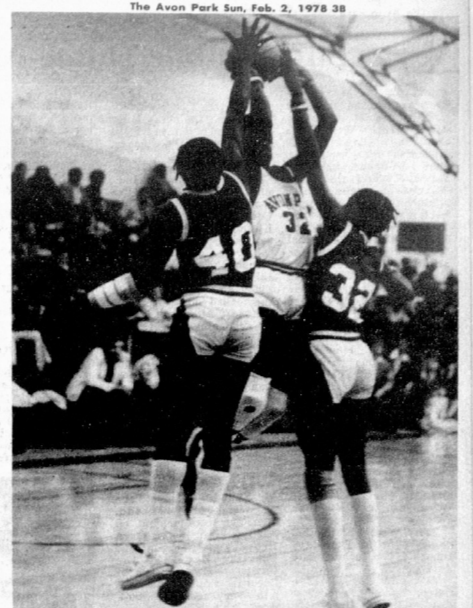

Meet The S.F.J.C. Panthers

MARK LACY
Mark Lacy, 6'3", 200 lb., power hitting first baseman had an excellent fall season at the plate for South Florida Junior College.

Mark, a freshman, played his high school baseball at Clearwater High School receiving All-District honors as a junior and senior. He was also All-District in football two years and was named to the All-State Team in 1977.

Mark will be in the SFJC lineup on opening day, Feb. 13, when the Panther nine entertain Florida Southern College JV at 3 p.m.

TWO BLUE STREAKS go up high with Red Devil center Pernel Gibbs but the junior shooter got the shot off for two points during the game.

played here Monday night a week ago. Sebring won the game in a double over-time. Sunphoto by Tom Fleming.

Bombing Range Closed

The Avon Park Bombing Range Recreational Area will be closed the weekend of Feb. 4 and 5, 1978, due to the utilization by the 1ST BN 116 Field Artillery, Florida National Guard of Sarasota, and the 2ND BN 116 Field Artillery, Florida National Guard of Lakeland.

Individuals wishing advanced information concerning opening and closing of the range to the public may do so by calling our Automatic Answering Service Number, 813-452-4225.

River Greens Pro-Am Results

The River Greens Ladies Pro-Am was held on Monday, January 23. The first place team, with a +14, was Bea Hansel, Connie Clifford, Alida Willett and Kathryn Bolt. Second place team, with a +13, was: Bea Hansel, Bertu Lu Holley, Eleanor Sharp, and Barb Johnson. Flight winners were as follows: A Flight: First place Louise Pfeffer with a +24; second place, Bea Hansel, with a +2. In the B Flight, first place went to Othello Worrell with a +6, second place, Kay Brown, with a +4. In the C Flight, first place was Eleanor

Sharp, +54 and second place, Dot Cross the Alida Willett tied with +24 points. In the D Flight, first place was Kathryn Bolt with a +9; second place, went to Barb Johnson with a +6. The regular Ladies Day Tournament at River Green was held on Tuesday, Jan. 24, and Low Net was played of the day. First place was won by Berta Lu Holley with a 65; second place winner was Alva Timberlake with a 66, third place was won by Mary Ellen Kline with a 67 and the fourth place winner was Betts Roehrig with a 68.

Avon Park Mobile Home News

There was an excellent presentation of slides by Mr. Virgil Weldy on Saturday showing the Canadian Rockies in all their grandeur, beautiful flowers along the way, Vancouver, Canada and Victoria; there were many exclamations of pleasure, as we all recalled the beauties and thrills of past journeys. Many of these slides were first prize winners and a joy to behold! What a privilege to share together, and sit there.

We welcome back from Grandview, Wis., Mr. and Mrs. Roy St. Louis who arrived this past week and we hope Mrs. St. Louis will steadily improve in health.

The first picnic and hike ride at Highlands Hammock Park was enjoyed on Wednesday afternoon by Mr. and Mrs. William Belcher, Mr. and Mrs. Warren Byers, Mr. and Mrs. Cecil Damon, and Mr. and Mrs. Richard Murray. It was warmer there than here!

There were 26 attended game night on Thursday; Pinochle, Eucker and Uno were played.

Mr. and Mrs. Jesse Futrell and Mr. and Mrs. Roy Girtlen recently celebrated Roy's Birthday with a 6 p.m. dinner at the Tower Restaurant in Lake Placid. Last week-end Mr. and Mrs. Roy Girtlen spent the time in Fort Lauderdale with Roy's brother and sister-in-law. On the way down, they stopped at beautiful old Clewiston Inn for lunch. On the way back

home, they enjoyed the drive along the ocean to Ft. Pierce and called on friends there and at Okeechobee, also.

Mr. and Mrs. Wayne Shively of Plymouth, Ind., and Mr. and Mrs. Allen Roehrig of Brentwood Court visited Lee and Alta Listenfelt, for Friday evening.

Mr. and Mrs. Howard Swoverland from Warsaw, Ind., and Mrs. Edna Slabaugh from Napanee, Ind. called on Ulla Miller, Monday afternoon.

Vacationing with Mr. and Mrs. Damon are their daughter and husband, Mr. and Mrs. Ransom Lydell, and daughter, Kelly from Dunkirk, N. Y. A visit to Fort Myers is on their agenda, then back to "Mom" and "Dad" for the rest of their vacation.

Mr. and Mrs. Joe Bacon attended the Golden Wedding Anniversary of Mr. and Mrs. John Frederick of Townsend, Wis., and Mentone, Ind. on Sunday, Jan. 28th. Open House was held in the Courtesy Room of the Citizen's National Bank of Leesburg, from 2 p.m. to 4 p.m. They returned home tired, but happy.

Week end visitors of Delbert and Marie Husband were Mr. and Mrs. Cloyce Hoffer, Mr. and Mrs. Gaylord Miller, Mr. and Mrs. Gayle Cole of Ind. and their son and daughter-in-law from Bay City, Texas.

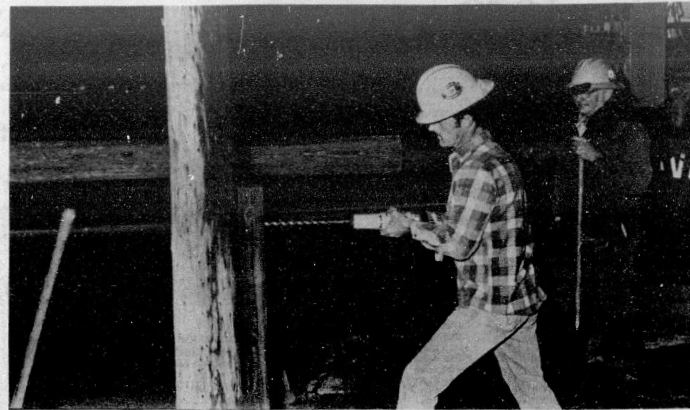

Mrs. George Mills entertained the L. R.

Robinsons for lunch and most interesting conversation about paintings by George Mills and family photographs, in their home on Lake Lotela.

Barden and Betty Graves enjoy the good food at the Black Forest Restaurant near Lake Wales and take their friends to it, often. They are interesting folks and conversationalists; a welcome addition to our park.

It is an inspiration and pleasure to see Mr. Russell Bridge's handiwork as it was displayed in The Avon Park Sun last week. These walnut creations are truly new!

Coffee hour this week was the best attended this year with all seats taken at the tables. Many guests were present as well as our own "family". A vote was also taken to form a committee of residents for various purposes.

Wisconsin Club To Meet At Hammock

Miss Germaine Lonsdorf, Mr. and Mrs. Frank Hollman and Mr. and Mrs. Leo Eber, all of Sun Ray, will host the next meeting of the Wisconsin Club at Highlands Hammock State Park Tuesday, Feb. 14.

The committee members stated that all present and former residents of Wisconsin and their guests are welcome to attend and should assemble at the recreation building at the park by 12 noon for a pot luck meal. Those attending should take a covered dish, a beverage and their place setting.

W.M.U. To Meet

Women of the First Methodist Church Avon Park, will have their annual birthday dinner Tuesday Feb. 7, at 6:30 p.m. in Wesley Hall. Please bring a covered dish and your place setting.

Sons Of Song To Perform

The Sons of Song from Sanford, will be singing at the Sebring Civic Center, city pier Feb. 3, at 7:30 p.m.

Featured in the group is well-known singer and recording artist Steve Collins, of Orlando. He is currently serving as choir director and soloist in an Orlando area church.

Other members of the group are Larry Herman, Ray Abernathy and Dallas Childers, all of Sanford.

In addition to the Sons of Song, the Rev. Frank Adams, an evangelist from Winter Haven, will join the group to minister the word of God. This is a non-denominational meeting. The public is invited.

Advisory Council To Hold Meeting

The Subarea Advisory Council of Highlands County will hold its first meeting on Friday, February 10th, at noon in the Ag Center south of Sebring. This Council has been created to provide "grass roots" input on the health care needs of Highlands County to the South Central Florida Health Systems Council, Inc. in Sarasota. The Council will consist of five members from each of the three communities, two of which will be health care providers and the remaining three will be consumers.

The Highlands County agency will have four main areas of concern:

1. Development of a regional health systems plan for the county.
2. The review and recommendation of health projects proposed for:
 - Hospitals
 - Nursing Homes
 - Home Health Agencies
 - Ambulatory Surgical Centers
 (as specified by law and Federal regulation by the Federal H. E. W.)
3. Proposing membership to the Governing Body of the H. S. A. and designating appointments to the H. S. A. Nominating Committee.
4. Developing and maintaining an appropriate consumer-provider constituency.

The Council will consist of the residents of the County named below. These fifteen

persons have been appointed in order to get the Council started and functioning. Each member will serve one year. At the end of this year the public will be entitled to nominate and elect members to this Council and members so elected will serve from a one year to a three year term.

The general public is invited to attend this meeting at the Ag-Center on February 10th. All future meetings will be announced in the press.

Avon Park, Providers: Hanford Brace, M. D. Physician and John McClelland, Hosp. Admins. Walker Memorial Hospital.

Sebring, Providers: Vernon Bielefeld, Hosp. Adm., Highlands General Hospital, Albert J. Bajohr, M. D.

Lake Placid, Providers: Mrs. W. J. (Hazel) Scarborough, Hospital Board Member, Mrs. John (Mary) Neal, Nurse.

Consumers from Avon Park: Marshall Davis, Mayor, George Haynie, Insurance, Mr. Juan Sanchez, Accountant Avon Park Lakes.

Consumers from Sebring: Mrs. Tony Chen, Mrs. wife, Rev. Tom Jones, Contractor, Vernon Burkhardt, Retired, Richard Henderson, Realtor.

Holiday Ranch News

BY Barbara Ebmeyer

Newcomers to Holiday Ranch this week are Mr. and Mrs. Dale Cockran of Coshocton, Ohio. They have been visitors in previous years.

Mr. and Mrs. Darryl Reed are happy over a new addition to their family back home. Corrine Marie was born on January 14 to their daughter and son-in-law, the Lloyd Thompsons of Lansing Mich.

Guests of Bill and Irene Bergstrom Monday were Hancock and Janet Stout of Hancock, N. H. Tuesday the Bergstroms visited Howard and Frances Allison at Davenport.

Mr. and Mrs. Bud Wilson of Lake Placid were Sunday dinner guests of Karl and Ida Walter. Mr. and Mrs. Jesse Siegel of Palmetto called on the Walters on Monday, as did the Ed Isaacs. Friday the Walters visited Mr. and Mrs. Clyde Brasher at Lake

Bonnet. Mr. and Mrs. Lloyd Cox of Hale, Minn., who are wintering at New Port Richey, visited Harley and Gladys Kimerer on Monday. Tuesday the Kimerers were in Eustis at the Carriage Trailer Rally. They returned by way of Intercession City to visit Mrs. Inez Richard. On Wednesday they went to Bradenton to visit the Clarence Herfords and lunched at Tin Pan Alley.

Bob and Mildred Savages' guests on Monday were Mr. and Mrs. Clifford Schoonover of Lake Placid. Mr. and Mrs. Harlan Griffith from Blaisfield, Minn., came to see them on Wednesday morning and spent the night. They all went to Cypress Gardens and ate at Duffs. The Savages also entertained Mrs. Arlene Albright, son Vernon, and two granddaughters on Thursday.

The group also called on the Karl Waters and Gordon Willows in the park. Mrs. Albright is from Onsted, Minn., and is wintering at Leesburg.

Mr. and Mrs. Art Arie of Sebring and Mr. and Mrs. Marvin Funk of Elkhart, Ind., were visitors of Bob and Mary Walterhouse Monday. They all got together again on Wednesday, and Thursday the group went to Lakeland and Winter Haven. They had dinner at Duffs and went to Cypress Gardens. Mr. Grieb and Mrs. Funk are Mary's cousins. Other guests this week of the Walterhouses were Mr. and Mrs. Russell Bolt of Avon Park and Mr. and Mrs. Delma Booker of Sebring.

Mr. and Mrs. Ted Lee and Mr. and Mrs. John Duer of Urbana, Ohio spent Wednesday in Winter Haven and lunched at Duffs.

Saturday the Lees again went to Winter Haven and lunched at Duffs, this time accompanied by Auggie and Anna Tessmer.

Also shopping at Winter Haven and lunched at Duffs on Wednesday were John and Barb Ebmeyer and Paul and Pauline Thomas of Avon Mobile Home Park. They also shopped in Lake Wales.

Thursday dinner guests of Clair and Ma Reno were Clair's brother, Seiber Reno and his wife of Auburndale, and the Harold Judsons of Zephyrhills. Myron and Betty Green of Balaia, N. Y. made a second visit with Max and Dora Crossett Thursday. Their stay in Florida has been prolonged because of the extreme weather up north.

Gordon and Lucille Willows spent from Friday until Sunday with their friends Lee and Dorothy

Limbaugh in Zephyrhills. They visited Mr. and Mrs. Roy Hammill in Winter Haven on their way home. Happy Birthday was sung to Ann Pardue, Ranch owner, at Monday morning's coffee by the 31

present. Wagonmaster Dick Somers reported on illnesses in the park. Everyone who has been ill is improving. Ray Robertson volunteered to be wagonmaster next week.

Harry Lee's Trailer Village

By Mabel Stocker
The Audu-Vin Social Club held a weiner roast and covered dish supper at the shelter on Monday evening followed by a short business meeting. There were 88 members and guests in attendance. After the business meeting adjourned cards were played by many.

Mr. and Mrs. Russell Corn and Mr. and Mrs. Oscar Carnes visited Wednesday with Mr. and Mrs. Herman McAfee of Oklawaha. Olga Potts has arrived to spend some time in the village. Mr. and Mrs. Dale Young have returned to their home in St. Petersburg after spending several days with his brother Mr. and Mrs. Francis Young. The Young's daughter and family, Mr. and Mrs. Dick

Winter Guest Club News

Crafts
Anyone thinking that Winter Guests come to Florida to lie around the sun and attain a tan should look in to Hallie's Craft Glass on Thursday morning.

Quilting was occupying another group. This is composed of narrow strips of paper rolled and formed into beautiful patterns secured to a background then framed to make wall hangings. Darling white kittens were being made at another table. They look very real and one wants to pick them up and cuddle them.

Pine needle work is still attracting a good number of members and some really intricate and beautiful articles are being made. Acrylics table is keeping others busy. Each week it seems a new variety of ceramics appear on that table. This has attracted a lot of members and many lovely articles will be displayed in a member's homes this summer.

Ladies To Hold Sale

Last reminders of two important events being sponsored by the Episcopal Church Women of Avon Park. First the three day rummage sale to be held in the Parish House of the Church of the Redeemer, corner N. Verona and East Pleasant Street. The sale will start at noon Thursday, Feb. 2, and continue to 5 p.m. Friday 9 a.m. to 5 p.m. Sat. 9 a.m. to noon. Mrs. Francisco has a large quantity of good material, mens, womens, and infant wear with many sizes in each. There will also be books, dishes, and some furniture all at bargain prices, waiting for new homes.

The other important event is the well known Pancake Day, being held on Shrove Tuesday, Feb. 7. Serving will begin at 3 a.m. and continue to 2 p.m. The pancakes made from scratch, from an old Southern family recipe, and once tasted the flavor lingers in ones memory. Home grown grapefruit and sausage with all the coffee one can drink make the menu complete.

A baked Good sale is an added attraction. The table loaded with all sorts of good food, will be at the entrance, so it want be missed. Order as you go, pick it up as you go out. Adult tickets are two dollars and children under 12, one dollar. This is a price which can hardly be beaten. Come for breakfast or for lunch.

Nancy Houston To Speak To Society

To really care for our fellow man is to see him "as he truly is in God's sight," says a Christian Science lecturer. Nancy Houston, who will speak in Sebring at the Christian Science Society, 146 N. Franklin St., Sebring on Feb. 19 at 3 p.m., says this means seeing one's brother in his true being, as pure, honest, loving, expressing the highest type of spiritual manhood.

Lecturing on behalf of Sebring and Avon Park Christian Science Societies, Miss Houston explains further that this kind of caring is "taking the truth of God and perfect spiritual man into our consciousness and living it."

It is encouraging to note that interest in pinocle is increasing. For the last two sessions there have been 14 tables or fifty-six playing. Add to this others who are often in attendance but, were not present at this time means that close to eighty people are showing interest in this past time.

Bridge
On Jan. 24, there were 14 tables for bridge. Meredith Reany was high with 4920, and Erwin Johnson next with 4460. Thursday Jan. 25, there were 10 tables for duplicate bridge. For North-South it was Ida and Allen first, Sarah Spindler and Emma Carlson second, and Juanita Bruce and Ruth Williams third. East-West, B. Prescott and M. Sherman took first, Charles and Adena Query second, and Helen Dixon and Barbara Ebmeyer, third. (Hyma Sing)

On last Sunday afternoon fifty-one persons turned out for a hymn sing, led by Everett Blomham. The Shufflaires were present and sang some special numbers. The next hymn sing will be on Feb. 5 at 3 p.m. All members are welcome.

On Thursday evening, Jan. 25, there were about members attended the special Thursday night program. This time the Winter Guest Club Shufflaires were featured. They were under the direction of Ronald Williams with Eula Gunnard at the piano. The one and a half hour program consisted of several numbers by the Shufflaires.

Southlands Court News

On January 16, and 17, George and Clara Davis had visitors from a really faraway place, Frank and Mary Carter with daughter "Cookie" from Maunagani, New Zealand. On Jan. 18, their daughter and son-in-law Rodney and Carolyn Farrington, from Maine, arrived for a few days visit, and on Jan. 19, friends Ruth and Jim Green from Lake

Alfred, Fla., visited. Bob and Florence Cornell and grandsons for the second time. A son, born Jan. 14 to their daughter and son-in-law David and Cheryl Dodd, of St. John, Michigan, weighed 10 pounds 5 ounces, and has been named Ryan David Dodd.

In addition to his grandsons, little R. D. No. 2 has his great-aunt Marion

Learned living in Southland Court and she is to be commended for the effort she made here in collecting for the March of Dimes.

In women's shuffle Thursday, Jan. 19, Edith Oelschlaeger and Stella Mott were the team that won three games.

Men's shuffle on Friday, Jan. 20, had no three games winners, but the team of Longbons and Stone and

also the team of Wandover and Breister each won two games. The men now have a goodly number of experienced players.

Bingo that night had 25 in attendance, with Clara Davis winning the coverall.

The Pot Luck Dinner on Jan. 19 had, as all our dinners have, such a great variety of dishes that everyone was enjoyably confused while selecting

from some and regretfully passing up others. A large plate was what I needed, but had I a larger plate I would have needed a larger stomach. The only comment the chairman had was that the attendance at this dinner far outstripped attendance at any dinner in the past few years, since a goodly number of residents had visitors. Sixty-six persons attended.

Last week I told you that Marvin and Hannah Tebo have visitors every week. On Sunday, Jan. 22 the following, most of them from Pennsylvania and all wintering in Fort Meade, visited them: Mr. and Mrs. Russell Hicks, Mr. and Mrs. Charles Hicks, Mr. and Mrs. Walter Brown, Mrs. Laura Cease, Mrs. Janet Neal, Mrs. Hattie Brown, and Mr. Harry Brown. What is home running things in north central Pennsylvania?

There was 18 ladies present at card class Tuesday, Jan. 24, with most working at basket weaving taught by Stella Mott. This was our last week. Some others worked at making flowers of yarn, this being done on a form. Basket work continued next week. Tuesday, Jan. 24, coffee meeting attendance was good, with a total of 28 including two newcomers to our court, Mr. and Mrs. Peter J. Kretsch. They will be here a few months.

Loyal and Ann Condit, after enjoying an extended visit by their daughter and son-in-law, finally say it end Monday morning Jan. 23 when they departed for the frozen north; Ohio, I believe.

Tuesday, Jan. 24 Frank and Bea White had visitors, Mr. William White of Poland, Ohio and Mr. and Mrs. Howard White of Duquesne, Pa., all three staying for the winter at Daytona. After considerable walking around showing the town the five of us went to some place where you want some ice cream, not from the supermarket, but sundae, banana split, etc., and if that one store on Main Street cannot serve you any at 3 p.m., (broken thermostat on their cooler) the next place you can get ice cream is Sebring!

Game night Tuesday Jan. 24 had 16 players, two tables of aggravation one of euchre, and something new: one table of pinocle. Laura Pooley, who has been away from our court since her husband died Dec. 10, has now returned

from Michigan. She intends to sell her mobile home. Gertrude Culver has sold her place, and the new owners are Gordon and Norma Stoneman living next door to Stone.

Thursday, Jan. 26, only four women appeared for shuffling at 1:30 p.m., so the chairman cancelled it.

Ragnar Enard a former resident of this court, visited briefly at George and Clara Davis' Saturday, Jan. 21.

The gas man just filled the tank (Jan. 26) and then presented me the bill. One glance at it and I can't write anymore for this week. Health and prosperity to all!

The 1978 Highlands County Fair Junior Livestock Sale will be held at the Fairgrounds Friday, Feb. 10 at 7 p.m.

The auction is open to any person or business wishing to support the 4-H and FFA members who have worked long and hard raising their animals. Once the business buys the animal, it can resell the livestock for the market price and consider the balance as advertising, or have the animal slaughtered, cut and wrapped for the freezer.

Pictures of each exhibitor, his animal and his buyer will be published in the newspaper the week following the Fair. For more information contact G. Tim Hunter Jr., at 385-5158 in Sebring; 453-7553, Ext. 270 in Avon Park or 465-2464, Ext. 270 in Lake Placid.

Public Notices

IN THE CIRCUIT COURT FOR HIGHLANDS COUNTY, FLORIDA PROBATE DIVISION

File Number 77-259 Division Probate

IN RE: ESTATE OF IVAN O. MILLER, Deceased

NOTICE OF ADMINISTRATION TO ALL PERSONS HAVING CLAIMS OR DEMANDS AGAINST THE ABOVE ESTATE AND ALL OTHER PERSONS INTERESTED IN THE ESTATE

YOU ARE HEREBY NOTIFIED that the administration of the estate of IVAN O. MILLER, deceased, File Number 77-259, is pending in the Circuit Court for HIGHLANDS COUNTY, Florida, Probate Division, the address of which is Court House (P. O. Box 1827), Sebring, Florida 33870. The personal representative of the estate is IVAN H. MILLER, whose address is 1400 Main Street, Marinette, Wisconsin 54143. The name and address of the personal representative's attorney are set forth below.

All persons having claims or demands against the estate are required, WITHIN THREE MONTHS FROM THE DATE OF THE FIRST PUBLICATION OF THIS NOTICE, to file with the clerk of the above court a written statement of any claim or demand they may have. Each claim must be in writing and must indicate the basis for the claim, the name and address of the creditor or his agent or attorney, and the amount claimed. If the claim is not yet due, the date when it will become due shall be stated. If the claim is contingent or unliquidated, the nature of the uncertainty shall be stated. If the claim is secured, the security shall be described. The claimant shall deliver sufficient copies of the claim to the clerk to enable the clerk to mail one copy to each personal representative. All persons interested in the estate to whom a copy of this Notice of Administration has been mailed are required, WITHIN THREE MONTHS FROM THE DATE OF THE FIRST PUBLICATION OF THIS NOTICE, to file with the clerk of the above court a written statement of any claim or demand they may have. Each claim must be in writing and must indicate the basis for the claim, the name and address of the creditor or his agent or attorney, and the amount claimed. If the claim is not yet due, the date when it will become due shall be stated. If the claim is contingent or unliquidated, the nature of the uncertainty shall be stated. If the claim is secured, the security shall be described. The claimant shall deliver sufficient copies of the claim to the clerk to enable the clerk to mail one copy to each personal representative. All persons interested in the estate to whom a copy of this Notice of Administration has been mailed are required, WITHIN THREE MONTHS FROM THE DATE OF THE FIRST PUBLICATION OF THIS NOTICE, to file with the clerk of the above court a written statement of any claim or demand they may have. Each claim must be in writing and must indicate the basis for the claim, the name and address of the creditor or his agent or attorney, and the amount claimed. If the claim is not yet due, the date when it will become due shall be stated. If the claim is contingent or unliquidated, the nature of the uncertainty shall be stated. If the claim is secured, the security shall be described. The claimant shall deliver sufficient copies of the claim to the clerk to enable the clerk to mail one copy to each personal representative. All persons interested in the estate to whom a copy of this Notice of Administration has been mailed are required, WITHIN THREE MONTHS FROM THE DATE OF THE FIRST PUBLICATION OF THIS NOTICE, to file with the clerk of the above court a written statement of any claim or demand they may have. Each claim must be in writing and must indicate the basis for the claim, the name and address of the creditor or his agent or attorney, and the amount claimed. If the claim is not yet due, the date when it will become due shall be stated. If the claim is contingent or unliquidated, the nature of the uncertainty shall be stated. If the claim is secured, the security shall be described. The claimant shall deliver sufficient copies of the claim to the clerk to enable the clerk to mail one copy to each personal representative. All persons interested in the estate to whom a copy of this Notice of Administration has been mailed are required, WITHIN THREE MONTHS FROM THE DATE OF THE FIRST PUBLICATION OF THIS NOTICE, to file with the clerk of the above court a written statement of any claim or demand they may have. Each claim must be in writing and must indicate the basis for the claim, the name and address of the creditor or his agent or attorney, and the amount claimed. If the claim is not yet due, the date when it will become due shall be stated. If the claim is contingent or unliquidated, the nature of the uncertainty shall be stated. If the claim is secured, the security shall be described. The claimant shall deliver sufficient copies of the claim to the clerk to enable the clerk to mail one copy to each personal representative. All persons interested in the estate to whom a copy of this Notice of Administration has been mailed are required, WITHIN THREE MONTHS FROM THE DATE OF THE FIRST PUBLICATION OF THIS NOTICE, to file with the clerk of the above court a written statement of any claim or demand they may have. Each claim must be in writing and must indicate the basis for the claim, the name and address of the creditor or his agent or attorney, and the amount claimed. If the claim is not yet due, the date when it will become due shall be stated. If the claim is contingent or unliquidated, the nature of the uncertainty shall be stated. Jim Laurie A Local Gunsmith

A FLINT LOCK rifle approximately 150 years old. It has a camel hair sling, silver wiring with pearl inlays. Jim said that it could possibly be an Arab rifle.

Jim Laurie and his wife, Alicia have lived on Lake Byrd, Avon Park for the past 22 years. Behind their home, in a small building Jim operates his gunsmith and repair shop. He uses to repair guns as a hobby and pastime but for the past 15 years it has become his occupation and livelihood. He was at one time a carpenter and cabinet maker, and for a while he was a building contractor for Highlands County. He did most of his work in Sebring, although some of his buildings are here in Avon Park. Jim got emphysema and had to quit this line of work, therefore he was glad to have something to fall back, his gun repair shop.

Laurie has been dealing with guns for over 40 years. He built his first rifle at the age of 14 and owned several guns, "without his parents permission, he said at 9 years of age. Jim said that he built his rifle under the supervision of a master gunsmith.

"I built rifles for customers up until five years ago when he lost his right eye. On the last day of February five years ago, he was polishing the frame of a gun for bluing and part of it stuck to the wheel, threw it back at him, fractured his skull three times and put out his eye. Since that tragic happening, he can no longer do the bluing of guns, nor the major welding jobs that are brought to him. These jobs are now farmed out.

"Bluing bolts at approximately 300 degrees," Jim said. "So it is dangerous even when a person has 20-20 vision." And with the welding, he said, that it was difficult for him because his depth perception limits his ability to do a good job.

Before the accident, in building the rifles he would take old military guns, take out the action, and put in a new barrel and stock. "The barrel, when purchased looked like a piece

of water pipe," he said. "I would take the pipe, turn it down and shape it the way that I wanted, and chamber and thread it. The barrel had been previously grooved, at time of purchase. The stock of the gun I would design and make myself." When asked about making hand guns he said, "I use to purchase hand guns (in kit form) before the

laws became so strict regulating the sale of this type of gun, would remove the rough spots, finish, assemble and blue them."

He enjoys repairing and the cleaning of old guns. He had, at the time interviewed, an old flint lock model that a customer had brought in to be cleaned and to patch the leaks," Jim stated with a half hearty

laugh. He went on to say that it will be cleaned just enough, not so that it will take away from its antique value.

"Replicas of the old muzzle loaders are popular now," said Laurie, "as the Blomberg Range has opened the range to this new type of hunting." He also stated that he understood that during the muzzleloading season, very few if any animals were crippled or got away in this condition. The hunters only had one shot, so they would creep a little closer to the animal in order to get the best shot possible.

HE OPENED THE rifle to caps out of the weather and to demonstrate that the cap on modern muzzle loaders go inside, to keep the prevent their getting lost.

Photos And Text

By

Betty Amburn

This 45 caliber percussion handgun is a replica of an 1863 Army gun.

The modern muzzle loader is built like a shotgun, but the percussion cap is inside and out of the weather, also the hunter does not run the risk of losing the cap. Which can become frustrating if this has happen when you are hunting with the old fashion-type of Muzzle loader.

The muzzle loading pistol does not use a fuse or patch, the powder is put in and then the steel ball, each barrel is packed with a rod that is attached to the barrel. Bear grease, any type of grease, such as Crisco is used to cover the cylinders to prevent flashing across and all six barrels firing at once.

Jim added that black powder firing (hunting) was fun, but messy and that Crisco was used because it washed off easier. Laurie reminded

all black powder users that it is necessary to clean these guns each time they were fired. "Not immediately, but before you go to bed,

clean the gun," he said. This is necessary because black powder and the primers that are used are very corrosive, so that it will rust on you before morning, if you don't. Jim offers this tip as to the best way

to clean this type of gun: clean it with hot water and laundry detergent, scrub it up good, and rinse the gun with boiling hot water, dry it thoroughly and grease it again.

"A lot of extra time and hard work must go into the care of this type of gun," he said.

When asked about where he received his training on gun repair, he replied, "the school of hard-knocks." He added, "the reason you learn so well in the school of hard-knocks is that the tuition is so high. When you learn the hard way, you remember well."

Jim stated that his hobby was repairing guns and fishing. The Lauries take off each summer for a couple of weeks and go deep sea fishing.

Alicia, his wife, is blind, and her hobbies are hunting and helping Jim in the shop. She loads all the shotgun shells for him.

Jim deals with his customers on a one to one basis, and they keep coming back. Some have become friends over the 22 years that he has lived in Avon Park.

The Lauries have been married for 38 years and are blessed with three children one son and two daughters. St. their son, is married to Kathryn Taylor and they have a son and daughter; Viola is the wife of Randy Scott and they have four daughters and make their home in South Dakota. Teresa is married to Steve Lawson of Avon Park, they make their residence in Jacksonville and are expecting a baby this summer.

A PERCUSSION MUZZLE loader, more widely used today than the flint lock. This model is made by Harrington and Richardson, is called the Huntsman and is a 58 caliber rifle.

RELLA'S INTERIORS

Rella Teal - Owner

Rella's Interiors is located in Avon Park, phone 452-2283, offering free estimates; call for an appointment.

There is a great deal of difference in the appearance of a room that has been decorated with good taste, and one that has not. The inexperienced person does not realize all the points to be considered

when decorating a room attractively. It takes years of experience and extensive studying to acquire a knowledge of an interior decorator.

Rella's Interiors is known throughout this section as leaders in their field. They specialize in custom made draperies and often can have them ready

in 1 to 3 weeks. They have a wide selection of fabrics to choose from, and offer rod installation. For those who want to take pride in their homes and offices, let these experts assist you, feel free to call or stop in the next time you are in the area. The organizers of this 1978 Community Profile recommend that you call this interior decorator service first.

HILCO FOAM INSULATION

Lowell Hill - Owner

Hilco Foam Insulation, located at 1731 Pinecrest Blvd., in Avon Park phone 453-3626, features insulation that will last the lifetime of your home or commercial building. When you have insulation work done by this firm you can be assured that you are getting the best workmanship and materials that are available.

By having your home insulated you can make it several degrees cooler in the hot summer months and also save many dollars on your winter fuel bill. This saving alone, will in a short time pay for your insulation. They will cheerfully give you information and estimates on any insulation job without just for you.

obligation. Do not hesitate any longer to have your home or business insulated. Have the work done now and enjoy living in comfort the year 'round. And remember, insulation is a sound investment in your home or business. The authors of this 1978 Community Profile advise you to contact Hilco Foam Insulation today.

LAKE GLENADA CAMPING RESORT

Ray & Sandy Hornick - Owners

This beautiful camping resort is located at 2525 US 27 S., phone 453-7007. It's one of the finest, most modern camping resorts in this area.

The staff has kept this campground in the finest of condition and has strict rules to be followed to keep the grounds clean, respectable, and a wonderful place to enjoy.

They feature over 800 feet of beautiful beach, excellent bass fishing, shuffle board, horseshoes and adult activities and facilities. If you're set to enjoy the outdoors, be sure to visit from a day to forever. If you enjoy fishing, camping, or just plain loafing, these modern grounds are made just for you.

The editors of this 1978 Community Profile wish to compliment Lake Glenada Camping Resort, for their endeavor to offer a fine recreation campsite to all our readers.

ROYAL'S TV

&

APPLIANCES

SALES & SERVICE

Television keeps us informed about events at home and around the world, and teaches our children as well. Royal's TV & Appliance Sales & Service, located at 508 W. Main Street, in Avon Park, phone 453-7557, is one of the leading firms in television. They carry RCA & Philco, engineered for years of trouble-free service. One

demonstration will convince even the most skeptical. They also carry Maytag washers and dryers. Their service department is equipped to locate the trouble in your set in short order. They do quality work at reasonable rates. The editors of this 1978 Profile recommend Royal's to our readers.

CHARLIE'S OUTBOARD

Charlie Bonnett-Owner

A full selection of outboard motors and equipment for your boating pleasure is available at Charlie's Outboard at 2525 S. Memorial drive, in Avon Park, phone 453-4060. This dealer has a large selection of Flare-McKee Craft boats and Johnson motors, designed to your specific requirements. Call to learn more about the fabulous boats, motors and accessories that are also carried by Charlie's Outboard. Come in and see for

yourself. It is one of the widest selections in this area. Thousands of persons throughout Florida are experiencing the thrill of owning their own boat from a runabout to a deep hull cruiser. About 20 million persons in the United States each year enjoy the pleasure of water sports in about 6 million boats; so for your boating needs, the compilers of this 1978 Community Profile recommend Charlie's Outboard.

CHANCEY RADIATOR SERVICE

In this area the firm to see to keep your radiator in top shape is Chancey Radiator Service owned by Henry Chancey, located at 251 S. Hart Ave., in Avon Park, phone 453-3053. These men are experts in radiator flushing, recoring, and repairing. Let them check your entire cooling

system, pressure test your radiator and examine your heater core for leaks and proper flow. This 1978 Community Profile would like to direct all our readers to Chancey Radiator Service and to say that they are doing their part in keeping this area on the move.

BONNIE BRAE MOBILE ESTATES

One of the most popular and better known mobile parks in Avon Park is Bonnie Brae Mobile Estates, located at 1201 W. Cornell Street, behind J. C. Penney, phone 453-6395. They have expanded an additional 7 acres with new double-wide homes on display. They also sell new and used homes.

This park has paved streets, recreation areas and patios. The writers of this 1978 Community Profile highly recommend Gertrude and Daniel Bohland, owners, and Bonnie Brae Mobile Estates to all of our many readers.

FOUNTAIN FUNERAL HOME

Time and service have honored the name Fountain Funeral Home, located in Avon Park at 507 Hwy. 27 N., phone 453-4134. For years this reputable firm has served the people of this area reliably and well. They relieve you of all worry and responsibility and, by sympathetic

cooperation bring comfort in your hour of bereavement. Their service supplies the consoling thought that the final tribute to your loved one has been both beautiful and fitting. In this 1978 Profile we suggest our readers call Fountain Funeral Home.

WARREN'S AUTO SALES

Over the years automobile dealers considered "used cars" as a sideline to the business of selling new models. Things have changed in recent years and one of the big reasons is the kind of business operated by Warren's Auto Sales. They believe that the used car

buyer is just as important as the new car buyer. The safe way to buy a pre-owned car is at Warren's Auto Sales, located at 803 Hwy. 27 S., phone 452-2921. There motto is "A good car at a fair price."

This 1978 Community Profile recommends them.

WELLS MOTOR

COMPANY

Family Owned & Operated By Ray Wells & Sons

Once again the Dodge and Chrysler car manufacturers have proven their superior knowledge of automobile engineering by giving people what they want and what they have been looking for since the beginning of the automobile industry. They offer smoother and more economical performance and at prices within everyone's reach.

The dealership to see is Wells Motor Company, established since 1931, located at 104 W. Main in Avon Park, phone 453-6644, for a deal to beat the others. When you purchase a car from this well known agency it does not mean that the transaction is closed, for they realize that pleasing a customer means success to them. They have at the disposal of the public

one of the most up-to-date and complete service and parts departments in the area. They also have an excellent selection of pre-owned automobiles on hand. This 1978 Community Profile and its writers highly recommend that you purchase your next car from Wells Motor Company, a dealer who regards each customer as a friend before and after the sale.

CHRISTENSEN BROS.

CONSTRUCTION

Leo & Larry Christensen - Owners

There comes a time in each married couple's life when they decide that they no longer want to live in a small apartment or pay rent to someone without receiving a return on their money. When that time comes and they start looking into buying a home, they often realize that many homes available are not what they've been looking for. The kitchen's in the wrong place; the bedrooms too

small; there is no work area in the garage; or the home is in the wrong neighborhood. If this is your situation then you do not have to worry. Call Christensen Bros. Construction located on Rt. 2 in Avon Park, phone 453-5125, one of the finest custom home developers in this area. They understand the home building business completely and can help you with the entire project.

Some of the finest homes in this area have been built by Christensen Bros. Construction and you can rest assured that you'll be treated fairly and your home will be complete in every detail. We, the editors of this 1978 Community Profile would like to take this opportunity to highly recommend Christensen Bros. Construction to all interested in a new home at a fair price, today.

STEPHENSON-NELSON-SMITH FUNERAL HOME

As being the oldest established funeral home in Avon Park, their years of service combined with the most comprehensive knowledge of their profession has made the name Stephenson-Nelson-Smith Funeral Home outstanding in this community. Every service is conducted with an air of quietness and restfulness

by those in attendance. This 1978 Profile recommends the Stephenson-Nelson-Smith Funeral Home, Chris T. Nelson, Wilson W. Smith, and Royce K. Godwin, Jr., Directors, located at 111 E. Circle Street in Avon Park, phone 453-3101, on their fine record of service to the people of this area.

DUANE KOPTA AND ASSOCIATES GENERAL CONTRACTORS

Let Duane Kopta and Associates-General Contractors, at Rt. 1 Box 1087 in Avon Park, phone 453-4217, handle any of your general building construction. He is state certified and has been serving the area for 10 years. He is noted for his reliability, fair prices and

general business-like policies. The authors of this 1978 Community Profile make public our recommendation of Duane Kopta & Associates-General Contractors, and suggest to our readers that they have them handle their construction needs.

JIMMY'S FLOWER SHOP

Flowers whisper what words never say, regardless if you want to whisper, "Get Well Soon," "Happy Anniversary," or a simple but soft "I Love You"; you want your tribute in flowers to clearly carry your intended message. Jimmy's Flower Shop owned by Jimmy Mills

is famous for beautiful flowers for all occasions. The writers of this 1978 Community Profile wish to recommend Jimmy's Flower Shop. They are located at 11 E. Main Street, telephone 453-7502. Remember it is always both fitting and proper to "Say it with Flowers."

THE PRINT SHOP

The Print Shop, located at 504 W. Main Street phone 453-4056, can do printing for any needs. They have a wide selection of wedding invitations to choose from and also print business cards, letterheads, statements, invoices, hand bills, booklets, direct mail

advertising and special forms of many descriptions. Stop by their shop and let them take your order. They offer every customer a personalized service, and all orders are given prompt attention. This 1978 Community Profile recommends them.

Bonnie Brae

By Margie Last Saturday Bonnie Brae Mobile Estates had the rec hall for new and one of the events in the p Schwager and his kitchen help cakes and everyone, and they have plan but they also buckwheat pan hope Frank will complete list of helped him to know how Everyone agree was so much fr hoped it would again soon. Bonnie Brae Park News

By Margie Wells
Last Saturday morning, Bonnie Braes gathered in the rec hall for something new and one of the nicest events of the year. Frank Schwaiger and his volunteer kitchen help cooked pancakes and sausages for everyone, and not only did they have plenty to eat, but they also prepared buckwheat pancakes. We hope Frank will give us a complete list of those who helped him so they can be recognized. Breakfast was served at 8:30 a.m. and again at 10:30 a.m. and the men proved they really know how to cook. Everyone agreed that this was so much fun that they hoped it would be repeated again soon. How about it, guys?

Hostesses at the coffee hour on Wednesday were Fabiny and Sally Bohachyck and once more there was standing room. Tom Chockley and Tom Chockley recently, were congratulated by the group. Guests recognized were the author of a book, Bradenton and Maurice Swisher from Michigan. A letter from Phyllis Gaeta, a former resident, was read. It was decided that on birthday dinners each month would be held in the rec hall as they have been in the past.

A meeting of the Bonnie Brae Mobile Home Association members was held on Wednesday. New officers elected were Howard Mallinger, President; P. D. Wells, Vice President; and Ellen Hunt, Secretary. It is suggested that a meeting of the Association members can be held in the park at least once a month.

On Wednesday afternoon, a Tupperware party was held in the rec hall with Jane Paris and the Tupperware representatives as hostesses. About 40 ladies were present and enjoyed the party. Delicious refreshments were served during the afternoon.

Jane Barideau's daughter, Shirley, was married to Robert left on Friday afternoon at the First Methodist Church in Avon Park. Several of our residents attended the wedding and reception which was held afterwards.

Eva Kepler visited with Dorothy Carroll last weekend on her way to her winter home at Maranatha Village, Sebring. She was accompanied by her mother, Mrs. Gertrude Kepler, and a friend, Ann Barresi. They were delayed by bad weather in leaving their home in northwest

Pennsylvania and also at Brezewood on the Pennsylvania turnpike where they were snowbound for two days.

On Wednesday, Lucille and Art Smalley met Mr. and Mrs. Malcolm Maciver and Mr. and Mrs. Murray Schnurr from Zephyrhills and Mr. and Mrs. Robert Tolson from Haines City at the Black Restaurant for dinner. They all returned to Bonnie Brae for visiting and dessert. All the visitors are Middleville, Mich., friends.

Mr. and Mrs. Howard Mallinger had as Sunday guests Mr. and Mrs. Jack Williams from Cedarville, Ohio. The Williams are spending the winter at Wildwood.

Clara and Francis Steele were Monday evening visitors of Margie and P. D. Wells. The Stables, from Ohio, are spending the winter in Bonita Springs. The Arts and Crafts ladies had a pleasant visit on Thursday afternoon from Nancy Coady, Manager of Toy King. She gave a gift of a Triangle Checkers Game to Bonnie Brae. Thank you so very much, Nancy. We know this will be used because Triangle Checkers is quite popular in the park. Incidentally, there were several beautiful projects being worked on at last week's meeting of Arts and Crafts.

Visitors of Art and Lucille Smalley last week-end were Mrs. and Mrs. Gas Yankovich from Zephyrhills. Mr. and Mrs. Harry Buhrwies joined the Smalleys and Yankovichs and they all had dinner at the Black Forest Restaurant on Sunday.

Dan Bohland, our manager, and his helpers gave our laundry room a new coat of paint this week and just as soon as the new paint is dry, we are going to have a very modern and attractive laundry room.

Florida Eleventh Highest In Unemployment
The 1976 annual average unemployment statistics show that Florida had the eleventh highest unemployment rate in the nation. Every group in Florida, except white women and white teenagers, had rates greater than the national average. These statistics are the result of the Current Population Survey (CPS), a monthly survey of 67,000 households across the nation of which 2,300 are in Florida.

Data collected by Bureau of Labor Statistics.

Prospective members are welcome also.

The N. A. A. C. P. Youth Group met for its first meeting last Monday night at 7:30 p.m. at St. Mark's Annex.

The group would like an increase of membership. If you're five to twenty-five you may unite with this group, the fee of \$1 per year for membership is the only obligation. The group elected officers for the following positions: President-Arnold Wilson, Vice President-Ed Adams, Treasurer-Alva Jones, Secretary-Ava Knight, Publicity Chairmen-Pennell Bibbs.

Miss Denise Blackman
Denise was recipient of the letter which follows, Denise is a member of The Devils Club, Keyettes and an officer of the Avon Park High School Band.

March of Dimes:
Mrs. Willie M. Seliger who served as chairman for the March of Dimes Campaign in Southside Park, wishes to express a sincere gratitude to the captains and contributors who helped to make the drive a success. She also urges those who have not contributed to try to do so at once.

Forestry Crews Fight Brush Fires
A series of small brush fires have kept Florida Department of Forestry firefighting crews busy recently.

Crews fought a fire on Cleveland Road near Lake Placid Saturday that burned about one acre of a field on Holmes Road and on Monday crews extinguished a blaze on a highway berm along U.S. 27. The roadside fire blackened about .5 of an acre.

County Fair Art Show, Feb. 7-11

Highlands County Fair Art Show will be held at the education building February 7 through February 11. It is open to all Highlands County artists. Ribbons only will be awarded. Entries in all media will be judged in the following categories: Painting, Sculpture, Photography.

Painting: Adult Amateurs: Landscape, seascape, still life, miscellaneous subjects, three dimensional (hanging crafts, decoupage) Sculpture, Photography: Professional: Landscape, seascape, still life, miscellaneous subjects, contemporary, sculpture, photography. Junior exhibitors: Any subject. Grades 1-2, 4-5, 7-9, 10-12. All entries must have been completed within the last two years and must not have been shown at a previous Highlands County Fair. All entries must be equipped for hanging. Those exhibiting sculpture must have own pedestal for display. (No card tables, please.) Painting sizes limited 36" by 48". Limit per adult artist-total of four items. Limit per junior artist-total of two items. All entries must be brought to Firemen's Field Educational Building on Monday, Feb. 6th between 10 a.m. and 2 p.m. Each artist is responsible for picking up his own entries Saturday, Feb. 11th at 9 p.m. All exhibitors ask that exhibits remain in place until that time. Any items not picked up will be left at the fairgrounds at owner's risk. Labels for the back of each entry will be supplied at the time of registration, along with the display number. There will be an Art League attendant on duty at all times during hours the Fair grounds are open.

Head Lice An Epidemic Throughout Florida

Head lice are epidemic throughout the State and cold weather is making matters worse according to officials of the Department of Health and Rehabilitative Services (HRS).

Dr. E. Charlton Prather, Director of HRS' Health Program Office, said today he is asking Florida's 67 County health officers to begin a concerted effort to bring the infestation under control. Reports indicate that nearly all schools in Florida, both public and private, are affected.

"This is the season of coats, hats, wraps and gloves — the main transportation system of head lice and they're having a picnic," Prather said.

"The biggest problem is in schools where children hang their coats, caps and other items in lockers with other children's or on hooks where infested garments touch uninfested garments and give the creepy critters a chance to spread," he explained.

In day care and kindergarten facilities where children often take naps on carpeted floors to problem is even worse. Infested children leave lice on the floor and other children pick them up — and become carriers also.

County health officers are being asked to assist school officials by having public health nurses instruct teachers in how to detect lice in a student's hair and how to protect other children from those infested. Health nurses and health educators will distribute literature explaining to parents how a special shampoo can be obtained either through a physician or by calling local health offices. The shampoo will get rid of head lice in one application, but a second shampooing should be done about eight or ten days after the first to get any unhatched eggs.

Once the hair is washed with the special shampoo and combed with a fine tooth comb to dislodge eggs (or nits) which cling like glue to hair shafts near the scalp, then other precautions are necessary to guard against reinfestation as follows: Completely change clothes and night wear daily and wash them in hot water, at least 130 degrees F; scrub toilet seats and vacuum upholstered furniture, rugs and floors frequently; warn children against using borrowed brushes and combs or wearing other's clothes and family mem-

Southside Park Community News

By Calvin Gibbs
Hi Friends,
Welcome to Southside Park Community News.

The variations in the weather has not helped the almost "Flu" epidemic in the area. The attendance at school, church and elsewhere has been affected greatly by this factor. Whenever anyone is dissatisfied with the weather, he doesn't have to be too long, because a change, and sometimes suddenly, is sure to come.

The Bulova electronic clock which was raffled by the Ebonites was won by Mrs. Willie M. Seliger. The clock was a courtesy of Jordan Jewelers. The Ebonites are teenagers in the Southside Park area who are planning an educational tour.

Special Announcements:
James Cleveland's Workshop will give a concert in Avon Park, at The Apostolic Church of Jesus, Corner of Washington and Carolina.

Saturday, February 4, 1978. Time 8 p.m. Come let's enjoy them together.
Elder Thomas J. Brown, Pastor
C B S Club Meets:
The Boss CBS Club met at Cannonous house (Carmichael on Hood St.) last Saturday. The club will meet at Pineapple and Lady Pineapple's house on Sat. Feb. 4. Mr. and Mrs. Willie B. Knight. It is imperative that all members attend.

TAKE A PACKAGE TOUR OF ITALY.

Publix Festa Italiana

Pack our bag and you're off on a mouth-watering tour of Italy. You'll find everything you need for your trip during our Festa Italiana.

Publix reserves the right to limit quantities sold

HERBED ITALIAN BREAD

16 to 19 slices
1 loaf Italian bread (12 to 14 inches long)
1/2 cup soft butter or margarine
1/4 teaspoon oregano — 1 clove garlic, crushed
4 tablespoons grated Parmesan cheese
Cut bread into 1/4-inch slices to but not through bottom crust. Combine butter or margarine with oregano, garlic, and parsley flakes and spread on both sides of each bread slice. Wrap in long piece of aluminum foil. Combine any remaining butter mixture with Parmesan cheese and spread on top of loaf. Heat in 400° F. oven for 15 minutes.

ITALIAN CHICKEN VEGETABLE BAKE

1 frying chicken (2 1/2 lb.) quartered
1/4 C. flour, seasoned w/salt & pepper
1/4 C. olive oil — 1 Green pepper, chopped
1 clove garlic, minced — 5 ribs sliced celery
1 C. sliced carrots — 1 jar (21 oz.) Italian Cooking Sauce
Preheat oven to 375° F. Dredge chicken thoroughly in flour, pepper & garlic. Add celery, carrots & Italian Cooking Sauce. Simmer 15 min. Add onions. Place chicken in a hr. Serves 4.

ROUND STEAK IN OLIVE TOMATO SAUCE

Yield: 5 servings
2 pounds Proten or Non-Proten Beef
Round Steak, cut 1 1/2 inches thick
2 tablespoons fat — 1 medium onion, chopped
1/2 green pepper, chopped
3 1/2 ounce jar pimiento stuffed olives, sliced (save brine)
10 3/4 ounce can condensed tomato soup
Melt fat in skillet. Brown onion and green pepper. Remove from pan. Cut steak into serving pieces and brown well. Drain excess fat. Add onion, green pepper, olives, and olive brine. Stir in soup. Cover and cook slowly until fork tender, about 1 1/2 hours.

Florida Foods

The Universal Product Code, a series of light and dark bars on a grocery item, with up to 10 digits underneath, is being put to its intended use for the first time in the Florida-Georgia area. The Public-owned Food World in Lakeland has introduced an automated checkout system at its 12 counters, utilizing the code, that cuts the movement of

have attempted to make item pricing a federal law. It died. But Peter Barash, staff director of consumer affairs of the Commerce, Consumer and Monetary Affairs Subcommittee, said Ford's bill served notice "that the Congress strongly favors individual pricing." In Florida, bills making it

mandatory have not gotten out of subcommittee. Publix has no plans to do away with price tags, though eventually, an executive said, it would like to, retaining prices only on shelves. Such a step would reduce of rating costs, he emphasized, which, as he pointed out, must be figured

into the prices consumers pay. Giant Foods, a Washington, D. C., chain that has pioneered in using the product code in its checkouts, has estimated that 23 percent of the savings in store operation effected by the new scanning system are in the

elimination of item pricing. Other sizable savings are in the area of inventory. The computer records the turnover of a product, indicating the need for reordering. "That is an enormous advantage," the Public representative said. "We hate to run out of anything. That's the base of

our existence." He added that the accuracy of the system pretty close to 100 percent—reduces costs, too; a clerk cannot misread a price. The computer estimates credits for food stamps, bottle returns, taxes and coupons. It handles multiple-priced items—the three for

\$1 goods—without their needing to be grouped. From 80 to 85 percent of the items in the Food World are scannable. The balance—among health and beauty aids and imports—are processed in familiar style by ringing them up on a cash register.

Wallace Flint, former vice-president of the National Association of Food Chains, now retired and living in Hilton Head, S. C., was a student in the Harvard School of Business Administration 46 years ago when he wrote a thesis on automated checkout. Flint, you might say, predated his time.

purchases from billing to bagging to a tenth of the usual time.

Only about 200 of the nation's 35,000 supermarkets employ the method that costs Publix \$180,000 to install, approximately twice the cost of the system in its other stores.

The product code, basically one and one-half inches wide but reducible by 80 percent for small items, first appeared four years ago, anticipating a computerized checkout procedure that was expected to spread more rapidly than it has.

As a clerk passes the code over a scanner, resembling a small window in the counter, a low-energy laser beam "reads" it and relays the message to a computer. It identifies the product, finds its price and flashes that information to a display screen at the counter. Simultaneously it prints the same data—name of the item and price—on the customer's receipt tape.

Scanner and computer can process a product in a fourth of a second. A checker, one estimate says, averages 2.65 seconds to read a price and punch the keys of a mechanical register.

Read a price? For an item need not display one, for the code activates the computer's "memory" in which the price has been stored. A tag becomes unnecessary and fixing prices on individual products, costly in operating a supermarket, can be eliminated.

It can be, but it has not been, except in about six stores in this country—an estimate that Victor Hersh of Super Market Institute says is "my educated guess." Consumer groups including the Washington-based Consumer Federation of America have fought energetically, and apparently successfully, to preserve item pricing.

Connecticut, Rhode Island, Michigan, Ohio, California and suburbs around Chicago and New York City have recently enacted laws making such item pricing mandatory. Massachusetts, about to enact a law, found it had a ruling already in its statutes that would serve.

In the House of Representatives, Rep. Harold Ford (D-Tenn.) prepared a bill that would

Some have believed carrying rope in their pockets would make them lucky at cards.

Public Notices

"INVITATION TO BID" The Board of County Commissioners, Highlands County, Sebring, Florida will receive sealed bids in the County Purchasing Department, Courthouse or by mail to, P.O. Box 1026, Sebring, Florida, 33870 for:

A. (1) New Front End Loader

B. (5) New "1978" Pick-Up Trucks

C. (2) Used Dump Trailers All bids must be mailed or delivered so as to reach the Purchasing Department no later than 2:00 P.M. Wednesday, February 8, 1978 at which time bids will be opened in the Commissioners' Meeting Room, second floor, Courthouse.

Complete specifications may be obtained from the County Purchasing Department. All bid envelopes must be sealed and marked identifying the enclosed bid. The Board reserves the right to accept or reject any or all bids, or any part thereof.

An Invitation to

Sunshine Living

Holiday Highlands

Welcome To

“Sunshine Living”

IN THE HOLIDAY HIGHLANDS

The HOLIDAY HIGHLANDS contain several thousand square miles of beautiful, productive land located in the heart of Florida. Rolling hills covered with fruit laden citrus trees, land of lakes, open pastures with fat cattle grazing, cowboys, engineers, farmers, developers, good schools, a junior college, state hospital . . . This is the Holiday Highlands Country.

Located on the “Ridge” in the center of the state the area is underlain with limestone formations, covered by sand and rich soil. The crumbling limestone underneath has created hundreds of beautiful lakes, with clear sparkling water and sandy beaches. The rolling hills have proved to be the finest land available for citrus and a plentiful water supply has been a blessing to the industry.

Lush pastures filled with fat cattle attest to the fact that Florida is second in beef production in the nation. One can find many new strains and cross-breeds of cattle developed to withstand the hot

Florida summers and to produce some of the finest beef in the country.

Here too, are acres and acres of Caladiums that are shipped all over the world.

The northerners have also discovered the Highlands and its beautiful year-round weather and are coming to the new developments that are springing up throughout the area.

Lakeside fish-camps and camping areas dot the Highland's and the fresh water fishing in the Highlands area lakes is superb.

U. S. Highway 27 goes through the Highlands Ridge Country, with it's thousands of permanent residents.

Visitors, newcomers and permanent residents are greatly interested in the tax values of the area in which they live. Florida is unusual as the state does not collect income or inheritance tax. There is a four percent state sales tax, although food, medicine and some other items are exempt.

Residents pay tangible and intangible personal property taxes and if they own real estate, pay county real estate taxes. Real estate taxes on an owner-occupied home may be reduced by Florida's Homestead Exemption Law which does not tax the first \$5000 of assessed valuation. A second \$5000 exemption is granted to home-owners who are over 65 years of age and have been legal residents of the state for five or more.

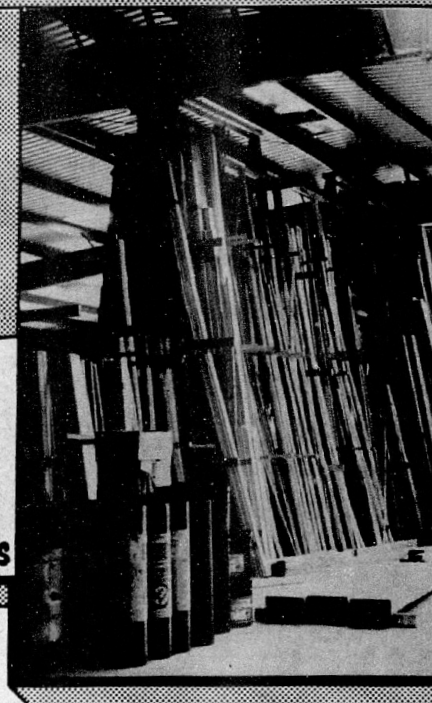

Application for exemption must be made between Jan. 1 and March 1 of each year at the county tax assessor's office. To become a legal resident of the area: File declaration of domicile at the office of the clerk of courts, at the county courthouse; register to vote. If you own property, file for Homestead Exemption; and change your automobile registration and driver's license to Florida at the county courthouse.

ec centers.

River Greens South Golf Course is located in north Highlands County in the center of three beautiful lakes. Lakes Damon, Pythius, and Trout surround the 195 combination golf course and housing development. There is only one road that leads into and out of River Greens. Lake Damon Road.

Among palm, orange, oak, and pine trees, River Greens presents a leisurely life style, in its semi-peninsular habitat. The 18 hole golf course, which is wound through shady orange groves, modern homes, and inspiring lakes contains a total of 95 acres.

In 1969, the River Greens owners, who also operate an 18 hole golf course in West Lafayette, Ohio, called River Greens North, bought the original nine hole golf course in Highlands County. When purchased the golf course, which is now holes ten through 18, was badly overgrown and the land around it was unimproved.

It took the River Greens grounds crew six months to completely renovate the old course. The process included cutting off the old sod rototilling the land, sterilizing the soil, and the replanting new grass. During the process of putting in new grass, an extensive network of sprinklers were laid out and connected.

The grass used in the rehabilitation were hybrid of bermuda grass, known as Tifton 328 and 419. The tifton 328 was placed on the green and the 419 was put on the fairways.

In 1975, the River Greens people purchased a grove from Ben Hill Griffin, which bordered the northwest side of the existing golf course. It took another six to seven months to clear fairways and greens for an additional nine holes. Although many trees were removed, the River Greens owners decided to keep several rows of orange trees between fairways for the purpose of shading and protecting the grass.

The new nine holes feature a complete watering system and a pond surrounded by holes one, two and three. There are also 30 acres of groves which border and entwine the golf course.

Of the original 230 lots available, only 70 remain unsold. The one third acre lots are situated right on the golf course for easy access. There are eight lake

front lots remaining on Lake Damon and Trout Lake. The lots have been offered so that interested buyers could build the home of their choice, through private contractors, next to the lush greenery of an 18 hole golf course.

Although separate membership fees must be paid at both River Greens operations if wanted, in Avon Park and at West Lafayette, Ohio, the two golf courses are run similarly. The Ohio golf course consists of 125 acres and 18 holes. River Greens North does not, however, have lots for sale on the golf course. River Greens North is the mother course and was established before River Greens South.

River Greens South is operated by an eight person crew, four full-time employees and four part-time. The golf course has a total of 25 golf carts for rent at the pro shop. The maintenance crew has enough equipment to efficiently take care of the grounds,

repair golf carts, and run the individual cart storage stalls for members.

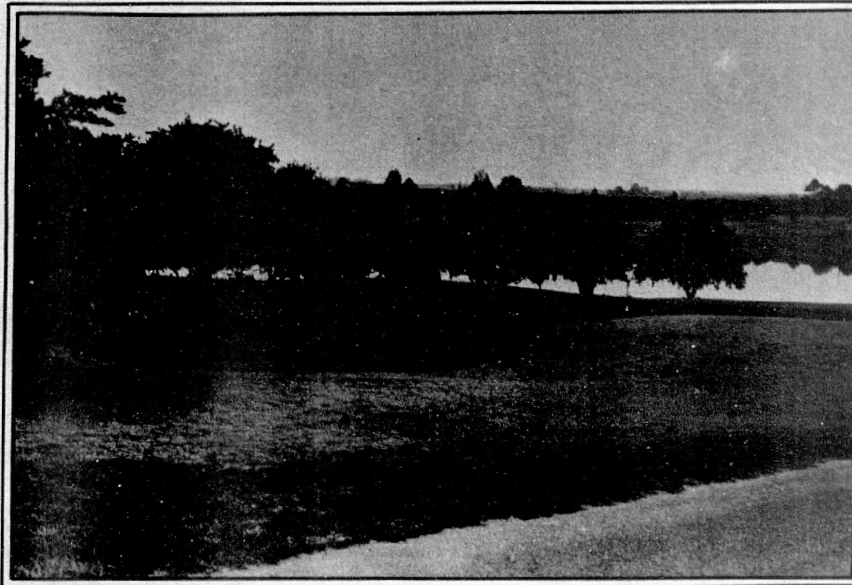

At the club house, members can enjoy the snack and bar. There is also a pro shop.

At the club house, members can enjoy the snack center and bar. There is also a pro shop, which has in stock a full line of men and women's golfing equipment and supplies for its 250 members. Both the club house and the pro shop are located in the same building, next to the number one tee box.

Directions to River Greens South are to follow. Lake Damon Road, which leads to the golf course is located across from Walker Memorial Hospital, on U.S. 27 North of Avon Park. To get to the club house, turn off on Lake Damon road, then onto Entrance Road and follow it all the way to the end. You'll be sure to find just the type of living you'd only dreamed about before.

Wayne Renner and Chad Braniger finish the seventh hole at River Greens Golf course.

In The Heart Of Holiday Highlands

River Green's Golf Course

Avon Lakes 453-5210

Clear Lakes Provides Excellent Fishing And Swimming

The numerous lakes have made fishing one of the most popular activities with the sportsmen in the Holiday Highlands. It has been estimated that half of Florida's permanent residents go freshwater fishing each year and the winter visitors considerably boost that number of fishermen annually.

There is a variety of fish available here, but to the sport fisherman, the most important freshwater game fish are the bream (bluegill, shellcracker and several other sun fishes), the speckled perch (black crappie) and the largemouth bass, and you'll find a

year-round open season.

Fishing for bream is good any time, but the spring and early summer seem to be the best times.

Fishing for speckled perch is best in the fall and winter and in the early spring when it is spawning time. Speckled perch weighing about three pounds have been caught here but the one pounders are the most usual catch.

Then, there is largemouth bass fishing. For an example of the popularity of fishing for largemouth bass it has been estimated that in Florida alone at

least fifty million dollars is spent in a year attempting to catch this fish. Nineteen-pound largemouth bass have been caught in these waters, and twelve to fourteen pounders are not too rare, but the usual largemouth bass caught does weigh less than those mentioned.

There is much to see and do and plenty of just peaceful living while you are in Holiday Highlands, so enjoy yourself while you are here. Come back for another visit. Better still — just unpack, stay and join the other folks who have learned that this is a real fine place in the sun.

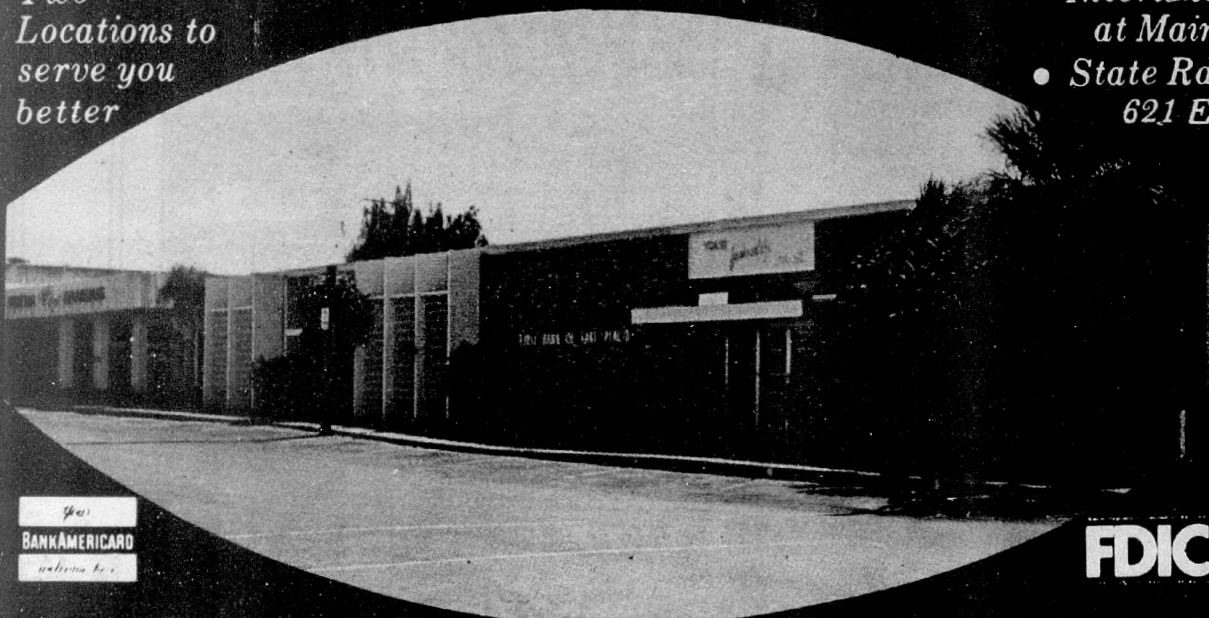

These children are enjoying swimming in one of the clear lakes located in the Holiday Highlands.

Luxury Living In A Mobile Home

Residents of The Holiday Highlands area have a wide choice of ways to live. Most families who are permanently situated find a standard home of two or three bedroom size most convenient. There are many who live in apartments, or the becoming popular condominium.

Mobile home parks also attract a large population, as these residents may own or rent mobile homes which are usually never moved.

Stepping into a mobile home for the first time may surprise you. The same airy, open feeling one has in a typical Florida home is experienced as well in a mobile home. Closet space is unbelievable there's so

A beautiful double wide mobile home is large enough for an electric fireplace.

found this form of living ideal. Young families are able to get much more for their original investments and are not faced with additional payments for furniture and appliances.

Organized recreational programs are important inducements which attracts many people to mobile home parks. The larger parks maintain programs for practically every interest on a year round basis and a park resident may fill his days with varied recreation program.

If the prospective mobile home dweller is boating and fishing minded, there are a number of parks on or near the lakes. Some parks provide boat docking facilities adjacent to mobile home site.

A new way of living that has been introduced to the Holiday Highlands area is the building of condominiums. Condominium living offers many advantages to the homeowner, but the primary one is carefree living. With all ground maintenance taken care of, the condominium owner is free to leave for a month or two, or even a year, visiting family and friends and rest assured his home is being taken care of while he is away.

Sebring Mobile Homes are spacious and completely furnished.

much of it. There are lots of windows, sliding doors onto a screened-in porch and, in some mobile homes, even sliding windows for a serve through between kitchen and porch. The yard, not too big but just the right size.

Residents of a mobile home park seem to be outside either playing or shopping, since keeping house and yards is an hour's job instead of a full day.

Although the majority of the mobile home dwellers are senior citizens, a large number of families have

Sun-n-Lakes Has Championship Golf Course

One of the newest golf courses in the area is the 18-hole championship golf course at Sun 'n Lakes

Estates on U.S. 27 south of Avon Park. This 7,002, par-72 course

opened for play in the fall of 1975. It is a semi-private club inviting golf,

tennis, or social memberships. Non-members can play with greens fees.

There is a beautiful club house overlooking Lake Granada with dining and lounge facilities and a pro shop offering golf and tennis

Sun 'n Lakes Estates

equipment and clothing. Power carts are available for rent and privately owned power carts are allowed.

This course was designed to be played four different ways, depending on the golfer's skill. The

holes are laid out so that none runs parallel to another. It is interesting,

beautifully landscaped and maintained course, designed with the right amount of traps and water to make it one of the most challenging courses in the area.

Howard Self-Experienced Chef

Rubin Howard has been the chef of the Homestead Restaurant since 1974.

Rubin started his career in 1925. He stated that he received his training from self-experience. He actually began as a helper in the kitchen at the early age of 15, and has worked his way up, from dishwasher to cook. Rubin plans the menu and prepares the food to be served.

The Homestead Restaurant is just one of the many fine family styled dining establishments in the beautiful Holiday Highlands.

Heartland Federal Has Served The Holiday Highlands For 25 Years

Heartland Federal Savings And Loan Association located in the Heart of The Holiday Highlands has been serving people for over 25 years.

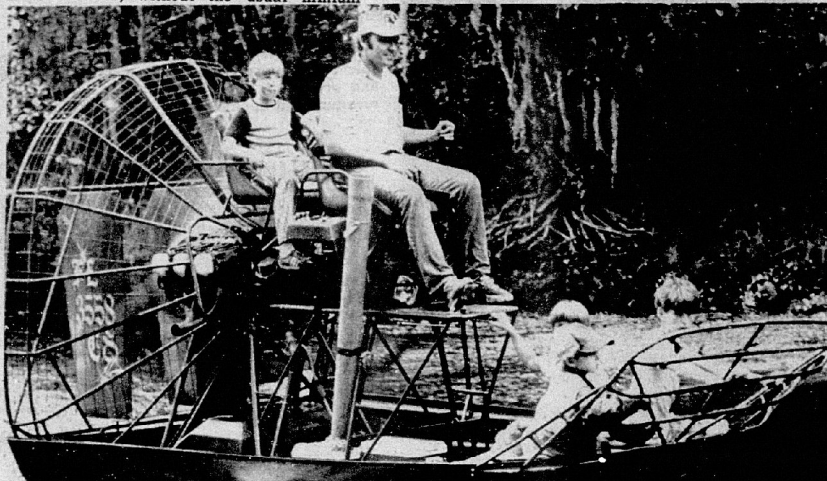

Heartland Federal is staffed by progressive minded people eager to greet customers with fast, efficient and courteous service to prove that a Smile is the shortest distance between two people.

With a Prestige Heartland Federal Savings And Loan Association Card, and keeping their finger on the pulse of the peoples needs, they offer many Free Services, without the usual minimum

balance requirements, such as Notary service, money orders, travelers checks, automatic loan paying, check cashing privileges and direct deposit for Social Security and other retirement pensions.

Only last year, 115 loans were made in Highlands County for \$3,216,740.

Heartland Federal offers the highest interest rates allowed by Federal Regulations, and the warmest, friendliest folks in the Holiday Highlands wearing the largest Smiles, for "They are the Equal Saver Payer".

Bill Lee demonstrates the art of air boating in the Holiday Highlands.

Master Chef In The Holiday Highlands

The Sun 'n Lakes Estates of Sebring new restaurant owner and master chef is Ib and Wivi Rasmussen. The Rasmussen's are originally from Denmark and have two children, Michael and Sussane. They came to the United States arriving at Miami International Airport three years ago.

At the early age of 14, Ib went to catering school in Paris, France. He went for four years to learn the art of making french pastries, and three more years to become a master chef. He managed a restaurant in Denmark and also in Paris, France. After Paris, the Rasmussen's returned to Denmark where they managed a restaurant for eight years.

When given the opportunity to come to the United States and be a chef in Atlanta, Ga. they decided to take the offer. After getting their passports Ib noticed an advertisement in the paper for a master chef in Miami, so he called the owner and was given the job. The day the Rasmussen's left Denmark a final call was made to his new employer and was asked to meet them at the airport as they did not speak English.

Master Chef, Ib Rasmussen demonstrates the art of making Irish Coffee.

Upon their arrival, there was no one there to meet them, the man had failed to come. After waiting for several hours, Ib was finally able to communicate to an individual that spoke French. A telephone call away, they were to learn that the man had changed his mind and that there was no job available.

Ib and Wivi were immediately given a job at the Plantation Yacht Harbor, 74 miles from Key West. After being there for two months Ib was given the job of chef. The business grew and the management had to enlarge the place twice in order to keep up with the customer demand.

Sun-N-Lakes of Sebring is proud to have Ib And Wivi as managers and master chef of their restaurant, and the Rasmussens are happy to be in the Holiday Highlands.

The restaurant features American - European cuisine and Ib prepares for you, at your dining table, fabulous flaming desserts and even Irish coffee, if you wish.

During the luncheon hour, a buffet is set up for you to make your selection. At the Dinner hour, the atmosphere has changed from a causal affair to elegant dining, where you make your dining selection from a menu. A variety of specials are available each evening.

Fresh flower arrangements grace your table and are changed daily. A band appears nightly for your listening enjoyment. Song request are honored whenever possible.

Although the Rasmussen's could not speak the English language upon arrival, they have adapted and learned very quickly.

Michael, age 14 and Sussane, 13, are presently attending Sebring schools. Michael enjoys playing golf at the Sun-N-Lakes golf course, along with bowling at their favorite lanes, and swimming. Sussane enjoys playing tennis, bowling and swimming. Ib and Wivi love to go boating, swimming, fishing and bowling. Ib likes the golf course while Wivi goes more for tennis. They are active and productive residents of the Holiday Highlands.

Around March 1978 the restaurant will expanded to seat 300 people. At the present its seating capacity is 120. The kitchen area will also be enlarged as well as the dancing area.

You are cordially invited to the Sun-N-Lakes Restaurant and enjoy an elegant evening of dining and dancing.

WIVI and Ib Rasmussen take time out to plan ahead for a busy evening.

Walker Memorial Hospital To Expand

Walker Memorial Hospital will apply for state and federal approval of its plan to establish a satellite hospital in Lake Placid. The State Health Planning & Development Agency has projected a need for 91 additional acute care hospital beds in Highlands County by 1983. Demographic figures show the Lake Placid area is growing more rapidly than other areas in the county and some estimates indicate that area's population could exceed 40,000 within five years.

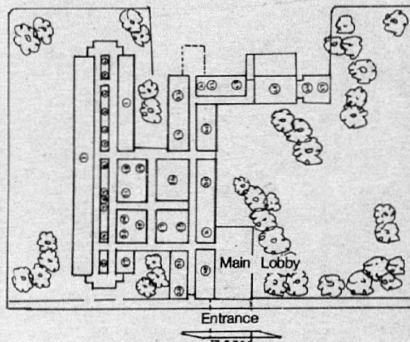

John McClellan - Executive Vice President

Right now both Walker Memorial in Avon Park and Highlands General in Sebring are running almost 100 percent occupancy. This over-crowding is expected to continue until spring. What few vacant rooms available cannot be used for general purposes . . . Obstetrics for instance, cannot be used to house adults . . . nor can the beds in Intensive Care be used for any other purpose.

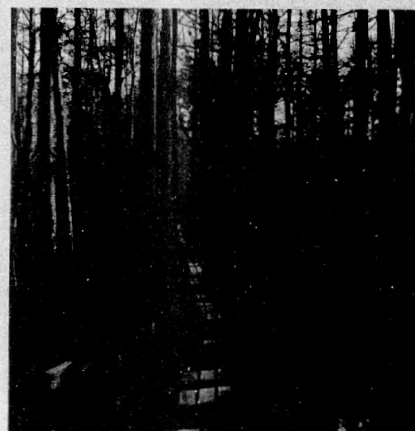

The health care agencies in the state are being asked to authorize 59 acute care beds for the Lake Placid satellite. Twenty of these would be private rooms and the remaining 39 would be used as private rooms but these would be large enough to permit converting to semi-private when the need for more than 59 beds develops. The new hospital would be self-supporting and would not require tax money for either its construction or operation. Its rate structure would parallel that of Walker Memorial.

Being a satellite of Walker offers many advantages . . . it would use the administrative, departmental and supervisory staff at Walker and thus reduce start-up costs. In addition it would tie-in

Proposed diagram of the new satellite hospital in Lake Placid to be operated by Walker Memorial Hospital

to the data processing system, utilize Walker's purchasing, training and educational programs. Without this back-up it would not be economically feasible to operate such a small hospital. The basic design of the proposed building would be such as to permit expansion as needed by adding floors and building upwards rather than outwards. shown their support by first of all, offering a choice building site free of charge . . . expressing willingness to contribute to a building fund . . . and supporting the day to day operation. The hospital would be the anchor for a major development that would include a medical arts building, modern apartment units and a major shopping plaza.

WELLCRAFT M
AN ABG'S CO

STATE

Boat Building Industry In Avon Park

Wellcraft Marine Corp., which is now located in Avon Park, Sarasota, and Irvine, Ca., has been building boats since 1966. The first boat production by Wellcraft was in Sarasota, which is now the company's biggest and main plant.

In June of 1969, Aegis Corp., of Coral Gables, bought the rights to Wellcraft and provided the opportunity to allow the company to grow. At the present, Wellcraft produces many different models including the 16-foot Airlot, the 30-foot Scarab, and they market them world-wide. Wellcraft holds two patents on hull designs. One on their "Airlot" Hull designed by Dick Cole, inventor and designer of the famous Cathedral Hull, and the other on their Step-Lift V-Hull by Raymond Hunt, inventor and designer of the original "Deep V" Hull.

In June of 1973, Wellcraft opened the Avon Park plant which was allowed 60 employees. The initial production was at 20 to 25 boats per week. In just five years that production amount has grown to 30 boats per week and by the first of Feb., they are planning to put out 35 boats per week. According to Wellcraft officials, during the 1978 year, an increase of 25 percent is expected and this is based on the 35 boats per week figure.

The manufacturing of different sizes of boats has been separated between the three factories. Sarasota builds 19' to 38' boats, including the champion 31'

Scarab. The Avon Park plant produces 16' to 20' crafts, including the ever-popular V-20 Step-Lift Cuddy. At the Irvine, CA. factory, 19' to 25' boats are constructed, among which is the 25' Nova.

Wellcraft goes to great pains to produce the "perfect" boat for the watersport enthusiast, the fishing pro, and the sun worshipper. The manufacture of fiberglass boats is one of the few businesses that depends on hand craftsmanship to produce quality products. The boat business is a relatively new industry and is growing more sophisticated each year. Boat dealers and their customers are demanding better looking, finer finished boats. Wellcraft has met the needs of the Holiday Highlands and will continue to improve.

Just recently, Betty Cooke of Newport beach, CA. defeated a field of champion offshore powerboat drivers to become the first woman to win the World Offshore Power Boat Championship. And she did it in a Wellcraft. Her boat was similar to the production 31' Scarab, now built by the Wellcraft Corp.

Year Round Summer Fun

Summer adventures are possible all year round. Fishing, skiing, and swimming are enjoyed by residents in the middle of January without the slightest hint of the cold weather that inhibits the northern regions of the United States. And in July, even better times are to be had just spending the afternoon playing at the nearest lakeside beach.

The Holiday Highlands is oriented to a fun way of living. With beaches in practically every part of it, the Holiday Highlands has many swimming activities. New classes at the local junior college are being prepared for swimming students. The favorite weekend plan always involves going to the neighborhood lake and swimming until late in the afternoon.

Skiing has become wide-spread in popularity in the Holiday Highlands. All that is needed is a boat, a rope, two ski's (for us who are still learning), and a lot of patience. In the long run those hours or learning the fun sport will pay off, in additional hours of hard, fast fun.

Camping trips can be accentuated when a lake is nearby. Although swimming and skiing are strictly day-time sports, fishing becomes the major attraction at night. With fish being very abundant in the Holiday Highlands, practically every town has a little bait and tackle shop to accommodate your special interests.

So live a little and enjoy the fresh sparkling beauty that surrounds you. There is no reason why you shouldn't benefit from the spectacular adventures and fun that so many others have found most rewarding. Take a friend and taste a little bit of Florida Sunshine Living in the Holiday Highlands.

20 Years Experience

Provides Good Home Cooking

The Ranch Buffet located in Avon Park on South Highway 27 is a restaurant with the family and family budget in mind.

Their chef, Pearl Wright has been at the Ranch Buffet for 20 years. She started out as a dish washer, moved up to a pastry chef and is now Chef and kitchen supervisor. She along with Ann Parries, the manager, plans the menus that will be served each week. The management has changed three times, but Pearl has stayed on. She is known throughout the area for the delicious meals that she prepares. When Pearl is not cooking, she has kept busy by being a mother to her six children, and she enjoys crocheting and reading Gothic mysteries.

Ann has been the manager of the Ranch Buffet since June of 1976, coming to Avon Park from Syria, Tenn. Her husband, TSGT Frank Parries,

stationed with 56th Combat Support Squadron at Avon Park Bombing Range, also helps at the Ranch Buffet. Saturday's and Sunday's he carves the meat for the customers, which is done at the time of the selection.

Roast beef, well done and rare along with baked ham is a featured item on their menu. They also have at least two other types of meat and sometimes as many as six.

There are at least six different vegetables from which you can make your selection and a wide variety of salad fixin's.

A banquet room is available by reservation for private parties and organizations. A warm atmosphere and friendly, courteous service is always shown. A great place to take your family to dine.

Frank and Ann Parries,
and Pearl Wright cordially
invite you to dine at the
Ranch Buffet.

SFJC Has Something For All Age Groups

Over twenty years ago the Florida Legislature initiated a policy whereby junior colleges would be built throughout the state to place high quality education facilities within a fifty mile commuting distance for ninety-nine percent of all eligible students.

South Florida Junior College at Avon Park was established by authorization of the 1965 Legislature as a state supported junior college in Highlands County, with the purpose to provide educational facilities for students in Hardee and Highlands Counties.

The doors of their temporary quarters in Avon Park were opened to the first students, in August of 1966. Through the generosity of interested Avon Park citizens, these facilities were provided. They were

renovated and partially furnished by voluntary contributions of individuals, clubs and organizations in the two counties of Highlands and Hardee and by the cities of Avon Park, Lake Placid and Sebring in the Highlands County and Bowling Green in Hardee County.

The South Florida Junior College was fully accredited by the Southern Association of Colleges and Schools, during its third year of operation.

In October of 1968, a nine building complex, of the construction of permanent facilities, was begun with classes beginning for students on the new campus in January of 1970. The college has now completed the construction of two new buildings on campus, plus the addition of a modular building, the latter being used as the student body center and book store.

Last year construction was started on the 1500-seat South Florida Junior College Community Auditorium and Fine Arts Complex.

The eighty acre campus, with its modernistic buildings located between Lake Lelia and Lake Glenada just south of Avon Park, is considered one of

the most beautiful in the United States.

The philosophy of the South Florida Junior College, so well spoken in their catalog, pointed out that they will provide "two years of acceptable transfer work in a general education university parallel program; technical and general programs, designed to prepare the individual for employment in local industries, which may be completed at the junior college; adult programs designed to prepare the individual for a desired vocational career; a focal point for cultural enrichment of the college community which it serves."

The Vocational-Technical Center for this area has been greatly enlarged, since this college has been designated by the State of Florida. Additionally, they offer a large adult educational program as well as General Equivalency Diploma programs.

The Holiday Highlands Country is indeed fortunate and grateful to have South Florida Junior College in its surroundings, for not only the young people of this area, but the older residents as well, participate in this institute of learning.

Holiday Highlands Soil And Climate Grow Citrus

The rolling hills, with just the right kind of soil and climate, makes Holiday Highlands one of the finest places in the world to produce citrus fruit.

Citrus trees must be planted where it is dry. Their roots must never reach into a layer of water, but there must be an abundance of it at the right times. A freeze for any length of time, or a tiny fruit fly from the Mediterranean can destroy millions of dollars worth of fruit. It is a never-ending battle to produce good fruit, even though the conditions and

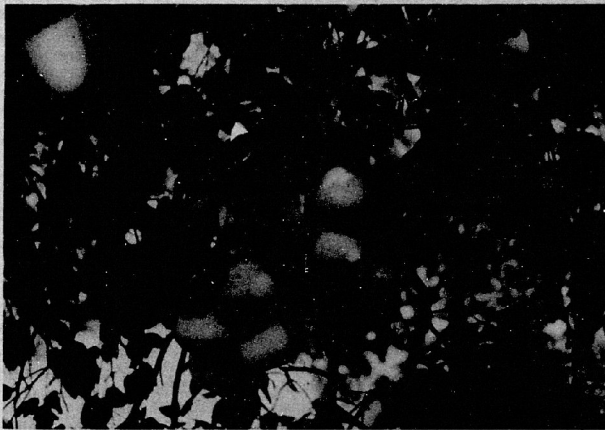

location is as favorable as possible.

Planted in rows, these citrus trees may be easily cared for. The ground is kept cultivated. Several methods of irrigation are used. Some groves have water-piped up and down the rows and then up into the air where sprinklers spray the trees. Another method is to use a cart that pulls a hose along the rows. This has a large spray that reaches six rows of trees.

Before being packed for shipping, at the packing house, the fruit is mechanically washed, polished and graded. A paper company at Lake Placid, "St. Regis," makes boxes that are used to ship the fruit to market.

So, the next time you start to eat a delicious Florida citrus fruit, think of all the work that has been done to insure that it will be the finest fruit in the world.

Citrus is 'the king of the Holiday Highlands agriculture with beef cattle, dairying, caladium bulbs, vegetables, bees and swine contributing to the areas income.

Grapefruit Sometimes Grow In Bunches.

Community Church

The First Baptist Church of Avon Park has sought to minister effectively to the community for more than 65 years. Located near the heart of town, the church has always been a vital part of the city. As Avon Park looks to the future and continued growth, so too the First Baptist Church plans to meet the needs of a growing community.

First Baptist Church, made up of nearly 1500 people, worships in a beautiful sanctuary built in 1971. Prayer, praise, and proclamation are central to the Christian faith, and each week the members of the church are united in lifting up the name of our Lord. Pastor Aden D. Childress has served the church and community for 21 years. The service may be heard on radio station WJCM, 960, at 11 a.m. (1 p.m. on each second Sunday of the month.)

Along with worship the teaching role of the Christian faith serves to undergird and strengthen each person. At First Baptist this is achieved through several organizations. The Sunday School is the weekly Bible study group which is for all age persons. Through the small group experience with God's word Christians are nurtured and matured and many come to know Jesus as Savior and Lord for the first time. Church Training provides a weekly opportunity for practicing believers to learn how to live their faith more effectively each day. Through the Mission Study organizations known as Brotherhood and Women's Missionary Union the work of Southern Baptists around the world is discovered. Each of these has groups for every age in which to participate meaningfully. Recently people from 9 days

to 99 years have been involved in our study groups.

Church Music is a way in which members express their deepest feelings of praise and adoration to God. Our church seeks to provide the opportunity for those of all ages to learn music in a setting which also allows the teaching of spiritual truths at the same time. The Adult and Youth choirs have regular responsibilities for leading in worship services while the children's choirs present programs at special times of the year and in occasional worship services.

Clean, attractive nurseries are available for all children under age 3 when their parents are involved in other phases of the church life. Trained leaders help the little ones come to know God's love through happy experiences in God's house.

First Baptist Church joins other churches in the area in service to the community. The Orange Blossom Baptist Association and the Avon Park Ministerial Association are two groups with whom we cooperate to seek to meet the needs of the com-

munity. In addition to other ministries the First Baptist Church provides a Clothing Room for the disadvantaged who might have no other source for needed clothing in emergencies.

Two special characteristics of our community have led to the newest areas of ministry for First Baptist Church. Since there are many in our area who have no regular church home, are here for only short periods of time, and may be in the area to enjoy the recreation available the church has begun a Drive-In Worship Service. Located at the Theater halfway between Sebring and Avon Park the Drive-in services have been well received by those who wish to attend an informal service in the comfort of their cars. The 8:30 a.m. time each Sunday allows many to worship and still have time to enjoy the day.

The large number of senior adults who live here has led to the formation of a senior group who have chosen the name Keenagers. This group will have fellowship times and do some sightseeing in the state from time to time.

Among the most significant aspects of a church's life is that its message is carried to the community. As one sees the members of First Baptist Church active in the civic and business life of the community it heartens one to know that Christian principles are at work each day. No member is perfect "saint", but rather we all are pilgrims trying to live more Christ-like lives each day.

Wells Motor Co. started as Avalon Service Station owned by J. Lawler Wells in 1928, 1931 their first year as Dodge-Plymouth dealers was great. EIGHT new car sales in one year.

They have been concerned with giving value to their customers. 1931 new car stock 1 car. 1978 New car stock 52 cars and trucks, 1931 work force 3, 1978 begins with 20 people. 1931 total sales \$12,000.00 1977 gross sales just \$30 less than TWO MILLION dollars.

One body shop man stayed with them 34 years, another 25 years, one parts manager worked 27 years, their sales manager Harmon Atkins has been with them for 30 years, their office manager, Meselle Arnold hopes to retire soon after 22 years service, their shop foreman Don Arnold has been with them for 20 years, and the service manager Kenneth Wells for 16 years, their president, E. A. Wells has been with them for 48 years.

This kind of record shows cooperation, concern for the corporation and the public. These years have been marked by significant growth and improvement. It is companies with such a record that makes for excellent communities and dependable deals and service that are a credit to Avon Park and Highlands county.

Their completely redesigned facilities also show good taste and are a credit to down town appearance.

The Holiday Highlands: A Campers Paradise

Camping in the Holiday Highlands can be the highlight of any trip through south and central Florida. The Holiday Highlands boasts an extravagant paradise of natural wonders. Among the sights to behold is Highlands Hammock with its true-to-nature cypress setting, miles of boardwalks, and up to date camping facilities.

Each year tourists stop in at the state park to rest from traveling and view some of wildlife's characters. Picnicing is made even more enjoyable at Highlands Hammock with

the antics of the resident raccoons and squirrels.

Also located in the Holiday Highlands is an abundance of fish laden lakes. With sparkling clear water, many a water enthusiast has spent hours on lakes such as Lake Jackson, Istokpoga, and Okeechobee, which is the fourth largest fresh water lake in the United States. The Holiday Highlands is a campers dream come true. So be sure to plan your trip through the Holiday Highlands.
