

## Rumbles At Bombing Range Caused By National Guard

If you live within the Highlands County area, you probably heard the explosions and rumbles emanating from the Avon Park Bombing Range this past weekend.

This noise was a result of Army National Guard units conducting field training on the Range. U. S. Army National Guard and Reserves units from throughout Florida utilize the Range facilities on approximately 26 weekends each year

in order to conduct required training that cannot be accomplished at other times. This past weekend two National Guard units were deployed to the Range.

The 1st Battalion of the 116th Field Artillery was deployed with 580 men. During their weekend exercises over one hundred rounds of 155 millimeter ammunition were fired. This unit from Sarasota, FL conducts such training at the Avon

Park facility approximately six times a year.

Another unit, the 2nd Battalion of the 116th Field Artillery located at Lakeland, was also deployed this same weekend with approximately 500 personnel. This unit fired over two hundred rounds of 105 millimeter ammunition during their two day training exercise. The 2nd Battalion conducts such training on the Avon Park Range approximately five weekends a year.

Normally National Guard field training exercises such as these are not disturbing to the local communities. However, on this particular weekend several weather conditions existed in central Florida which accentuated the noise associated with the artillery firing. A low level temperature inversion existed in which a mass of dense cool air was trapped below a layer of warmer air. This cool air trapped the sounds generated by the large guns and acted as a conductor, transmitting the noise over a longer than normal distance.

During normal weather conditions most of the sound is dissipated into the upper atmosphere. Combined with this low level temperature inversion were strong low level northeasterly winds which carried the sounds great distances.

The U. S. Air Force and Army National Guard are aware that the training they must conduct sometimes generates noise and regret the inconvenience this may cause. While this is regrettable, it is also unavoidable. The Avon Park Range facility is the only area within the state of Florida where such training can be conducted. Periodic training of this nature is absolutely essential if the National Guard is to maintain its high state of readiness. The Army National Guard presently makes up 92 percent of the total U. S. Army forces, and must be ready to respond at a moment's notice to the defense of the nation. The proficiency gained by this type of weekend training cannot be learned on the battlefield. In addition, the National Guard is continually at the disposal of the Governor of the State to respond to local emergencies, disturbances, and disasters.

The National Guard cannot do its job without sometimes making a little bit of noise. If this disturbs you, think of it as the sound of freedom.

THIS ACCIDENT BETWEEN a log truck and sand truck, on S. R. 64, Tuesday noon, was described as being caused by a blue Monaco passing the log truck without sufficient passing space. The blue car did not stop.

## Three Injured In Head On Collision, Trucks Destroyed

Three persons were seriously injured in a near head-on collision between a logging truck and a sand truck on S. R. 64 at Cole Avenue, west of Avon Park at 12:35 p.m. Tuesday, Feb. 7.

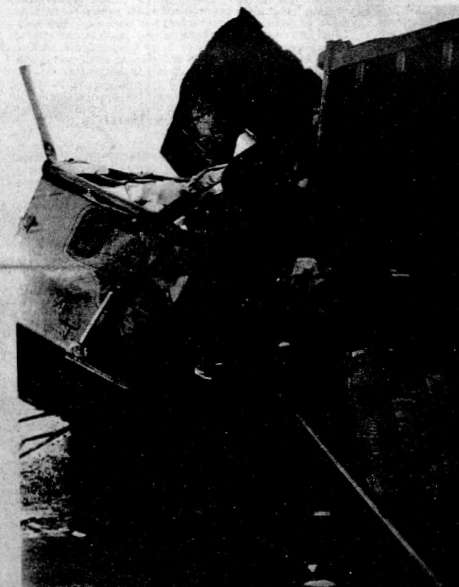

Witnesses stated that a blue Monaco with a Highlands County tag was the probable cause of the estimated \$33,500 accident. The blue Monaco was described as cutting out of the line of west bound traffic, attempting to pass the log carrying semi-trailer and tractor.

The driver of the log truck, Ralph Moody, Ft. Meade, stated that when he saw the blue car trying to pass him with the sand truck approaching, he pulled his vehicle towards the ditch. However, when the driver of the sand truck, Ed Peterson, Sarasota, applied his brakes in the emergency situation, the desperate braking action pulled the sand truck and trailer across the center line, with the right front of the sand truck striking the left side of Moody's tractor, and jackknifing the Peterson tractor into the tandem tractor axles of the log truck.

Peterson and his two passengers, Glennis Peterson and Sheila Woods, both of Sarasota, were thrown clear of the totally wrecked tractor. According to investigating Highway Patrolman J. M. Rhodes had they remained in the tractor cab they might have been killed instantly. He

described it as one of the worst damaged accidents he had seen in which one - no one was killed.

As for the Blue Monaco, after it Please See Page 11A

INVESTIGATING HIGHWAY PATROLMAN J. M. RHODES described this as the worst damage accident he had seen in which no one was killed. The three occupants

were thrown clear of the cab. A copy of the Holy Bible stands upside down on the pavement on S. R. 64, following the Tuesday noon accident. Sunphoto by Lew Miller.

Doyle C. Spears And Warren B. Jarvis

## Jarvis Consultant For Heartland Federal

Heartland Federal Savings and Loan Association announced plans to broaden their Avon Park Branch operations through the employment of Warren B. Jarvis as a consultant. Doyle C. Spears, President of the Association, in making the announcement stated "Mr. Jarvis has an in-depth knowledge of savings and loan operations acquired over the past 27 years in various capacities in the industry". He served as President and Managing Officer of First Federal Savings and Loan

Association of Winter Haven for 14 years through August 1977. Prior to that he was employed by Sarasota Federal Savings and Loan Association, as Executive Vice President; Tampa Federal Savings and Loan Association as Vice President and controller; Federal Home Loan Bank Board as Examiner; and the Loan Guaranty Division of the Veterans Administration as accountant" stated Spears.

## 19 Major Employers Have

## Over \$13.2 Million Annual Payroll

In an industrial survey the Avon Park Chamber of Commerce found that 19 major employers in the Avon Park area had an estimated payroll of over \$13,250,000 for over 1925 employees, but this did not include the three grade schools, South Florida Junior College and the Avon Park Bombing and Gunnery Range.

The survey was taken by the chamber under the direction of executive manager, Anna Belle Worden to help the industrial committee to supply economic data to industries and business looking at Avon Park as a possible place to relocate.

The data supplied to business interested in Avon Park, included the industrial analysis, information on schools, churches and a city map.

A Florida Community data analysis of Avon Park, supplied by the Florida Chamber of Commerce included material on location, educational facilities, population, climate, medical, recreation facilities, community facilities, communications, utilities and services, government, financial institutions, labor analysis, transportation, taxes, available industrial property and major employers.

The three largest employers in the Avon Park area were: United Telephone Company, 349 employees, Avon Park Correctional Institution, 340 and Walker Memorial Hospital with 210 employees. Both the telephone company and APCI had payroll estimates at over \$3 million, each while the hospital dispensed a \$1,800,000 payroll.

The Highlands County School Board reported that the three Avon Park systems employed a total of 233 with a budgeted payroll of \$1,914,188. South Florida Junior College reported salaries of \$884,000 to the equivalent of 82 fulltime employees.

At the Bombing Range, 97 civilian employees received a total of \$1,439,000 while the 163 military

personnel stationed on the base received \$1,669,000 in pay.

With the statistics from the school systems and the Bombing Range added to the chamber of commerce survey, a total of 2503 employees received an estimated \$13,250,000. However, this does not include the many business establishments that employ one, two or perhaps a half dozen employees.

In their survey the chamber included the agri-business of Highlands County with an estimated 200 employees in the dairy segment, with an estimated payroll of \$5 million. Citrus was estimated to have a \$20 million payroll, with 193 beef cattle farms having an estimated payroll of \$3 million, while caladium production ac-

counted for a \$1 million payroll. In carrying their survey a step further, the chamber found that the amount of building in Avon Park varied widely during the past five years, with 1974 totalling \$4,339,230, followed by 1977 with \$3,458,296. In 1972 building amounted to \$1,765,657; 1973, \$2,368,150; 1975 \$1,910,746 while 1976 had \$2,162,018 of building.

## Avon Park

## Community Booth Wins Blue Ribbon At Fair

The Avon Park Community Booth was awarded the number one blue ribbon again this year at the Highlands County Fair. The booth

was designed under the direction of Charlie Williams and Clarice Ford, directors and co-chairmen of the chamber's fair booth committee.

Avon Park's booth featured the dairy industry, highlighting a comic cow being milked by a farmer, with a red barn in the background. This

scene was completed with hay and a large old fashioned dinner bell. By-products of the dairy industry were displayed on shelves plus old and

new milk and butter containers.

Sharing the spot light in the booth were many varieties of citrus and interesting wood items used in novel furniture creations of Major Eugene Flint, who has made a business of his hobby.

Assisting the local chamber of commerce was the Avon Park Jaycee organization. The Jaycees furnished manpower in collecting and furnishing materials and will dismantle the booth at the end of the fair week. Also playing a major part again this year in this annual project were the Avon Park Grange members, Keith Debo and Ralph Fullmer, who were in charge of packing and marking the citrus displayed. The Grange also furnished "booth sitters" for information duty throughout the fair week.

Hector Perez, local display artist, spent days making signs and designing the prize winning booth. Citrus was provided by Maxwell Groves, Ben Hill Griffin, Inc., and Ward's Nursery. Avon Park Correctional Institute and Gary Bennett provided the many varieties of ornamental plants that added to the educational as well as the beauty of the booth.

PROUDLY VIEWING THE Avon Park award winning community booth are, from the left: Bill Britt,

chamber of commerce president; Hector Perez, display artist; Clarice Ford, director and co-chairman

booth committee; Charlie Williams, director and co-chairman; Major Eugene Flint, furniture designer

and to the right, Gene Bigle, director. Sunphoto by Lew Miller.

## Skip Bafalis Reports From Washington

Surprise, Surprise. New York City's new mayor says the big apple's financial problems are even worse than feared — twice as bad in fact.

Mayor Edward Koch says New York City is faced with a deficit of about \$1 billion a year, instead of the \$400 million or so overrun usually admitted.

The additional \$600 million in red ink had been hidden in the capital budget but were really day to day expenses to be covered by borrowing.

The new mayor says part of this annual deficit — perhaps even half of it or some \$500 million — can be eliminated over the next four years by belt-tightening.

But, as for the other half, there is no way New York City can balance its budget without substantial help, either from New York State or from Washington. Or so the mayor says.

But then, New York City's claims of belt-tightening in the past have proven less than accurate.

Since 1975, the city says, it has cut the number of public employees by 20 percent. But, the city's payroll is only down 1 percent — a strong indication the belt-tightening hasn't gone far enough.

In fact, those figures taken together should show New York has yet to learn any real lesson from its dilemma. If the number of jobs is down 20 percent, but the total payroll is only down 1 percent, you haven't saved the taxpayers much, you've just given a lot of employees fancy pay raises.

And, it was fancy salaries which led New York City to the brink of disaster in the first place — sanitation men earning \$17,000 a year, policemen retiring on pensions bigger than their salaries.

In fact, it was only reluctantly that New York's City Council recently rescinded the 50 percent pay hike it voted itself.

But then, New York City has always been a big spender. It's the only city in the nation with a city-run television station. It operates its own university, 18 municipal hospitals, and a subway system with prices as low as to be laughable.

So, if past experience is any gauge, New York City belt-tightening is going to fall far short of making up \$500 million of the \$1 billion annual shortfall. But, even if it could, that would still leave the city with a huge deficit and only

Albany, the state capital, or Washington as a source of help.

And, Albany appears in little mood to assist its big sister downstate. In fact, the governor of New York State is talking about a sweeping tax cut — a cut which would eliminate any possibility of state help.

Of course, one reason New York State can now talk about tax cut is that its share of the federal aid to states went up more than \$1 billion in fiscal 1977. New York State ranked first among the 50 states in federal dollar aid, receiving \$7,446,800,000 — or almost \$412 for every man, woman and child in the empire State.

That's \$500 million more than California, the number two state in federal aid receipts, managed to get, and twice as much as Pennsylvania got in third place.

The big difference, of course, is welfare and Medicaid funds. That meant \$3 billion to New York State in fiscal 1977. In fact, the \$1.7 billion just in Medicaid funds New York received was 17 percent of the total allotment to the entire 50 states.

No wonder the governor wants a tax cut. Otherwise, the state might find itself in a position where it would have to help New York City.

And, since the three-year agreement under which the federal government has been providing help comes to an end in June, the city is going to be searching for a new patsy — or a way to really persuade the old one to do better.

## Savings Bonds

Florida's 1977 sales of Series E and H United States Savings Bonds totaled \$191 million — the highest ever recorded in the state. Sales were up \$4.4 million over 1976.

Record number of Floridians also became regular savers through the Payroll Savings Plan for buying Bonds, with more than 76,230 new or increased allotment savers signed up in 1977. The goal for the year had been \$2,000.

Keith L. Williams, State Director, reported 1977 Bond sales of \$684,794 in Highlands County.

The State Director noted that the total Savings Bond and Freedom Share holdings by Americans at the end of 1977 were \$77 billion — an increase of \$4.7 billion in 1977.

THE ANNUAL MIGRATION HAS STARTED

## Our Reader's Opinions

### Christians Must Defend Faith

Editor:

Christians are admonished to live one day at a time and it seems that each day they have to defend their faith from stinking remarks by atheists and skeptics. The media consistently grants accommodation to homophiles and labor extortioners and their like, while proving as the pusillanimous as politicians on the subject of Christian morals. But these mores are not old soldiers, fading away.

Christians have the best defense, one edifying to an observer; and a defense of Truth is a witness for Truth. However, many church-goers who call themselves "Fundamentalists" become aware that they lack ability to speak up on these trying occasions. This is why atheists laugh and skeptics want to be known as nonfundamentalists.

But atheists and skeptics never present Truth, they knock it. Having no program for living, they foment contention; hating the gift of life, they deny there is a Giver.

On the other hand, true Christians do present fundamental Truth founded on God's Kingdom given to His Son and its program for living in peace and equity. They love life and it's Creator who gave them life. Their system of ethics is unalterably locked into their appreciation of that gift. They do not try to change the Sermon on the Mount as if it were dated. They are not evolutionists, but scientists of everlasting mores.

True Christians concern themselves with social ethics, not as related to control, but in freedom to live in accord with God's purposes. Concern with the bounds of appetite, they know, where encroachment begins. They leave control to their Creator as their Authority, and trust His Word for them as the textbook and guide for life and it covers all cases.

Modern man may tolerate hypocrisy to placate adulterers, but the Bible will not, he may point accusingly at wealth for evidence of hypocrisy, but the Bible does not.

Homos condemn the Bible's condemnation of sodomy and think of men lying with men as "hospitality", but this was exposed long before Moses began to write or before Paul sent his letter to the Romans. These homos will receive a subsequent rebuke in their own flesh-self-defeating as the mule.

Yet they continue in their endeavor to demean the Bible. Skeptics want a house built on air, non-fundamental and foundationless; the atheist sees himself as a result while denying a multiplier. And the spiritual poverty of the Fundamentalist which engendered their ridicule, for the weakness of his foundation, goes ignored by a worldly involved Christendom. Nevertheless, a foundation gleaned from the Bible, even poorly, is a solid and is not AIR. It can be built upon, bolstered by research and study that may counteract the gullibility garnered from childhood in the aged traditions formulated at Nicea, which has so necessitated Divine intervention in our generation.

Thanks be to God that He aroused diligent Bible researchers ready to assist all who would like to sing out about our God and His purposes for this beautiful globe. These Bible and neighbor loving Christians can be easily found — if they don't find you first.

## Judge Orders 13 Fathers Jailed

In the first major review of child support cases he has conducted in Highlands County Judge Oliver L. Green Jr., ordered 13 fathers jailed.

All of the men have fallen behind in child support payments — the amount of the delinquent payments varying from about \$50 to the neighborhood of \$2,000. The social and economic backgrounds of the fathers varied almost as much as the amounts of money involved.

The support hearing was held the morning of Feb. 2. Each of the orders set an amount of money which could be paid in order for the men to be released. "Pay-up" business was brisk through the rest of Thursday and early Friday. On Tuesday of this week, however, two of the men were still in jail.

Judge Green refused to comment on individual cases but told The Sun that the hearing on Feb. 2 does reflect his philosophy on child support. "I expect people who choose to have children to be prepared to make a reasonable effort to support them," the judge said.

The judge said he had studied payment records prior to the Feb. 2 hearing and in response to questioning said he gives weight to "consistent effort." He sees this as evidence of "continuing interest" in the children and more worthy than occasional lump sum "catch ups" which may be the judge feels, "panic payments" to avoid trouble with the court.

Under the Florida system all child support payments are made to the court and the court relays the money to the person having custody of the child. Persons who fall behind in making payments can be found guilty of contempt of court. In contempt proceedings, Judge Green said, each person "has the key to his own cell." By meeting certain conditions set by the court, the jailed person may be freed.

In the support cases last week the judge set a specific amount of money to be paid or a given number of days to be served in the county jail. The amount of money was not identical to the amount owed but was, rather, what the judge felt he might reasonably expect the man to be able to raise. Jail sentences ranged from 30 to 90 days. Payments from \$34 to \$500. These payments apply to the total owed but do not wipe the slate, court officers explained.

Judge Green at the beginning of 1978 was assigned to the civil division of circuit court in Highlands County. In the early part of January he ordered a letter sent to the fathers who had fallen behind in their payments or who were erratic in their payments.

Eighteen of the fathers immediately paid the back money. A few contacted the court and worked out a catch-up schedule. Some of the 13 ordered jailed said they believed they had worked out their catch-up arrangements with Judge Green's predecessor, Judge Tim Strickland, but if the agreement was not in the record, it did not hold sway last week.

Hillcrest Celebrates Birthday

## Birthdays Are Special

Happy Birthday is special no matter what the years total. So it is with the folks at Hillcrest Nursing Home. Among those celebrities at our January and February Birthday Party are Jeanette Francis, Stella Moser, Ite Campbell, Mary Parmley, Adna Albritton, Marie McDonald, and

Francis Krajcek. Brownie Troop No. 143 brought presents to the celebrities plus a special Valentine's treat to all the other 90 residents. We thank everyone and especially Jerry and Ruby Zaske and Bernice Sheehan for arranging the Birthday Party.

## Cradle Roll

proud to announce the birth of a daughter, Dara Jill, born Jan. 25, in Titusville, weighing 6 lbs. 5 oz. Dara Jill joins her three year old brother, Matthew at home.

The paternal grandparents are Mr. and Mrs. Roy Valentine of Titusville. The maternal grandparents are Mr. and Mrs. Devon Reddick of Avon Park.

Mr. and Mrs. Devon Reddick have recently returned from a week's visit in Titusville with their daughter, son-in-law, grandson Matthew and the new addition to their family, Dara Jill.

## Sewing Contest

Feb 1 - April 1

Entry blanks are now available for those interested in entering the 1978 National Grange Sewing Contest, sponsored locally by Avon Park Grange. Mrs. Lloyd Wyant of Avon Park, women's activities chairman, said the contest is open to both members and non-members. Entry blanks, copies of the contest rules and list of awards may be obtained by contacting Mrs. Wyant at 453-5693.

There are five divisions in the contest. Class A is women's garments made by a person 18 years old or over; Class B is any type garment made by a person over 10 years old for self or another person in same age group; Class C is children's garments made by a person over 10 years old for a person under 10 years old; Class D is any type garment made for some one 11-17 years old by a person 18 years old or over; Class E is men's garments made for a male 18 years old and over by a person 18 years old and over.

Garments must be made during the contest period, Feb. 1 through April 1. Local judging will be the first week in April. First and second place national winners in each division will receive Singer sewing machines, first place winner in Class B will be awarded a \$500 scholarship from Simplicity Patterns. First place national winners will receive a trip to Denver, Colo., to attend the National Grange convention in November where a Best of Show winners will be announced and presented \$1,000 by the National Grange. Eligible state and national winners will also receive cash, U. S. Savings bonds and merchandise awards from other sponsors.

## Fashion Parade

February 25  
The Avon Park Junior Woman's Club will have a Fashion Parade, February 25, at 7:30 p.m. at the Avon Park High School Auditorium.

Tickets are on sale, and may be purchased from any Junior Woman's Club member or at the Avon Citrus Bank. Adult tickets sell for \$2.50 and children \$1.50.

All proceeds from this fashion parade will go to the Heart Fund.

Ridge Pomona Grange To Meet

Ridge Pomona Grange will meet Saturday Feb. 11 at 8 p.m. at the Woman's Club hall, corner of Verona and Pine Streets in Avon Park.

Members of the Avon Park Grange will be hosts.

## Coffee Time Talk

It looks as if the library's efforts to attract Avon Park's retired folks have been successful. Last week the library officials counted 73 senior citizens at their weekly showing of free films. According to Caroline Moore, films from the National Geographic, NBC Special, and of other wildlife and nature filming companies have been shown. These movies are presented every Tuesday afternoon from 2 to 3 p.m. Be sure to catch next week's film.

Just recently, I heard that if approved, South Florida Junior College will be having a class which deals strictly with putting on plays. The class which will consist of one hour semester credit, will be held so that students will learn to rehearse efficiently for a performance and then to perform effectively.

This class is tentatively scheduled for next fall semester and will probably be held in the new auditorium. This class will be allowed to be taken up to three times. The only catch to it is that you have to audition for parts in the play. Then if you are selected you can sign up for the class. If you like acting, check into it next fall.

Avon Investment, Inc., has begun work on a new addition at their new mall, the Avon Investment Plaza on U. S. Highway 27 S. The new addition will house three new stores and should be completed in just 45 days.

And did you hear about the incident which happened between Avon Park and Fort Myers? Well, Punky Herman's racing G. T. O. is no longer running due to circumstances which were beyond his control. Punky was on his way to the dog tracks in Fort Myers, when his car just seized working. A disgruntled Punky missed out on the dog races and did a bit of walking.

Also on the Avon Investment agenda is the opening of the Money's Family Shoe store in the Avon Investment Plaza on Friday, Feb. 10. Everyone should plan to visit the Avon Park business.

If you have any stories that you think would fit into Coffee Time Talk column please give me a call at the Avon Park Sun office at 453-4355 or 453-4351 and ask for Mitch.

## Family Dining

The Ranch Buffet, a family dining restaurant at family prices invite you to bring your family to dine. They are open from 6 a.m. until 8 p.m. to serve you. Mrs. Frank (Ann) Parrie is the manager and Pearl Wright, the cook and kitchen supervisor. The Ranch Buffet is located on U. S. Highway 27, south Avon Park. "Look for the Bulls".

## Avon Citrus Bank Has Birthday

Hey, did you get to go to the Avon Citrus Bank's 48th anniversary last Friday, Feb. 3? The bank in celebrating their birthday drew one name every hour during the ten hour day Friday. Each name drawn won \$48. Those who won are A. B. Newberry, Barbara Epstein, Karen McCellan, Richard Green, Susan G. Jordan, Willie DeRoy Byrd, Letha Menzie, Roger W. Crocker, Jerry Uselman, and G. Fensterman.

The bank also served cake, coffee, and orange juice at the party which was held all day at the bank. It was estimated that over 1200 people attended the celebration. Servers at the party were Mrs. B. C. Ostling, Mrs. W. W. William, Mrs. G. F. Ward, Mrs. C. E. Crews, and Mr. and Mrs. C. L. Hudson. Congratulations to the Avon Citrus Bank for 48 years of dedicated service to Avon Park.

MRS. C. L. HUDSON (left) and Mrs. C. E. Crews served cake, coffee, and orange juice at the Avon Citrus Bank's 48th birthday celebration. At total of 1200 people attended the party.

PEG CROWDER, DISTRICT 1 chairwoman, presented the Inner Wheel's

## Inner Wheel Receives Charter

The Avon Park Inner Wheel met at the home of Jodie Griffing, Saturday, Feb. 4, to receive their charter from Peg Crowder. The Inner Wheel is an

organization of Rotary wives and widows. It is one of the largest international service organizations in the world. Twenty members at-

ended the meeting. For Rotary Club's talent night on February 25, it was decided to have all members participate in a kitchen band. Later in the

meeting, President Margaret Collins accepted the charter proclaiming Avon Park Inner Wheel an officially established as an international organization.

## Sewing Tips For The Modern Homemaker

By Dorothy

Most of us are well acquainted with knit fabrics since they have become so popular for every line of apparel. There are, however, many kinds of knits. Choosing the proper knit for your pattern can be a frustrating task. I have a suggestion that might help. Cut a piece of paper 17" x 5", divide the 2 inch edge into three parts and draw lines separating each part. Now measure in 4 inches and make a line through all three sections. On the top section, color 1/2 inch beyond the 4 inch line. In the center section color 1 1/4 inches beyond the 4 inch line. On the last section, color 2 inches beyond the 4 inch line.

Your paper should look something like this:

Carry this with you. Hold the cut edge of the material firmly at left side of your paper, and with right hand stretch the material from line across darkened area. Knit should stretch to end of bar, for the type of knit you need, for your pattern. A pattern will usually state for moderate knits, or stretch knits only. There are numerous types of knits available today, making

home sewing quite exciting. Single knits are lightweight with a definite right and wrong side. Often they are knit in a tube and vary in width of material. Since the single knit is lightweight, it is not suitable for pants and straight skirts. Circular or full skirts look nice because the single knit is soft and flowing. Use this knit for tops in many original variations such as men's shirts and children's wear.

Double knits are firm and a joy to sew. They hold their shape well, don't wrinkle, combine well with other fabrics. Since the double knit is heavier it should be used with simple lines and in tailored styles. This is very adaptable for a number of uses such as dresses, suits, skirts, pants, coats, and capes.

Sweater knits look and act like hand knits. They stretch freely in both directions. These come with a ribbed, textured or flat surface. Years ago, when everyone was knitting sweaters, I, of course was right there knitting, too. A woman wrote that she couldn't knit a garment and shape it to fit correctly, so she would knit large pieces of the pattern and cut the sweater as you do a dress and then sew it up. We all thought that was strange, but it surely would be easier. Now her idea has caught on and you can buy delightful knit patterns, cut out your sweater and sew it up. Isn't that exciting! A

great gift idea. Ribbing is a special knit used to trim neck and arm openings on knit tops, dresses and on sweaters. Lingerie knit or tricot is available in sheer, medium, and heavy weights, and sometimes come as wide as 100 inches. This knit is used for slips, panties, sleepwear, scarves, and bras. I've been told that the heavy tricot, 100 inches wide, is used to make sheets.

Spandex or power net is another exciting knit. The home sewer is discovering. Make girdles, bathing suits, ski pants, and bras.

Hints: Are you sometimes stumped about which is the right side of some knits? Here is the test; put hands on the cut edge about nine inches apart and stretch, material will roll to right side.

**Engagement Announced**

Mr. and Mrs. Henry Lanier of Okeechobee announce the engagement and forthcoming marriage of their daughter, Judy Ann, to Dale Robert LaFlam, son of Mr. and Mrs. Francis LaFlam of Avon Park.

Judy is a senior at Okeechobee High School and Dale is employed by the Okeechobee County Sheriff's Department.

The wedding date will be announced later.

Sharon Lee Smith

## Bride - Elect Honored

Miss Sharon Lee Smith, bride-elect of William David Sullivan, was honored at the home of Dr. and Mrs. C. J. Larson on Lake Olivia.

Miss Smith is the granddaughter of Mr. and Mrs. W. C. Bumby of Avon Park, and the daughter of Mrs. John Kiser and Mr. Theron V. Smith both of Columbia, S. C.

The wedding will take place in the Seventh Day Adventist Church of Lake Wales on February 18, at 8 p.m. Friends are invited to attend.

Miss Smith and Mr. Sullivan have attended Southern Missionary College in Collegedale, Tenn.

Hostesses for the shower were Mrs. C. J. Larson, Mr. Donald C. Hartwell, Mrs. Alfred Christensen, Mrs. Marjorie Cook, Mrs. Irene Osborne and Mrs. Judy Crabtree. The hostess gift was a quilted bedspread.

**Tim Hurner To Speak**

The Avon Park Federated Garden Club will meet February 16, in the Florida Power Lounge at 9:30 a.m. The speaker will be Highlands County agent, Mr. Tim Hurner, who will discuss "Cold Resistant Plants and Shrubs". This subject is of special interest due to the cold weather we have had this season.

Members are urged to attend as progress reports will be made concerning the Spring Flower Show, Showtime On The Mall, starting February 23, 2:30 p.m. until 9 p.m., continuing through February 24 from 1 p.m. to 5 p.m. Hostess for this meeting will be officers of the Hibiscus Circle.

## Eberle - Carnes To Wed Feb. 11

Mr. and Mrs. Kenneth Eberle of Avon Park are proud to announce the engagement of their daughter, Jane to Roger Carnes, son of Mr. and Mrs. John H. Carnes, of Sebring. The wedding is planned for February 11, at the New Hope Baptist Church of Wauchula, at 7 p.m. with the Rev. Travis Hudson officiating the ceremony. Friends and relatives are invited to attend.

## Carver Honored

Kay Carver, bride-elect of Robert Gillispie was honored with a bridal luncheon Saturday, Feb. 4, at 1:30 p.m. at the home of Mrs. R. L. Padgett, 1055 E. Lake Lotella Dr., Avon Park. Kay is the daughter of Mr. Waymen S. Carver, Avon Park, and Robert is the son of Mr. and Mrs. Hugh H. Gillispie, Sr., of Phoenix, Ariz.

The bride's table was decorated with pink sweet heart roses and baby's breath, the bride-elect's chosen colors of pink and white were the theme for the day.

Mrs. Padgett, the hostess presented Kay with an engraved silver cake knife.

Out of town guests were Mrs. Hugh Gillispie of Phoenix, Ariz., Mrs. John E. Payne and daughter, Dorothy, Mrs. William H. Robertson, Miss Ann Wainwright, and Mrs. Mary Mixer all of Orlando, Fla. Dorothy Binger of Tallahassee, and Miss Marsha Ward of Gainesville.

Mrs. R. A. Carver, of Avon Park, grandmother of the bride-elect also attended the luncheon.

**Pre-Nuptial Tea**

Miss Kay Carver was honored at a pre-nuptial tea at the home of Mrs. J. M. Adame, Jr., Saturday, Feb. 4. Hostesses for the tea were Mrs. Vernon Lanier, Mrs. G. F. Ward, and Mrs. J. M. Adame.

The bride's colors of pink and white were carried out through the table decorations with pink tea roses and carnations. Tea sandwiches and petit fours were served to fifty friends of the bride.

Miss Carver and Mr. Robert Gillispie will be married, February 12, at the Winter Park Methodist Church.

**Michigan Club**

Michigan Club of Highlands County will hold their annual picnic at Highlands Hammock State Park, in the Recreation Pavilion, Wednesday Feb. 15.

Dinner will be at 12 noon. Bring your table service, a passing dish, and beverage. The program will be a Style show and a Kitchen Band.

## Garden Clubs Plan Spring Flower Show Feb. 23 - 24

The Avon Park Federation of Garden Clubs is busy working toward making their 1978 Spring Flower Show the best show they have ever presented. It will be held in the Recreation Center on February 23 and 24 and will be open to the public for 2:30 p.m. to 9 p.m. Thursday and from 1 p.m. to 5 p.m. on Friday. Entries may be made by any amateur gardener.

Since Avon Park is often called the beautiful Central Florida town with the "Mile Long Mall" it is very appropriate to name this year's presentation "Showtime On The Mall". The beautification of the Mall has been one of the Federations projects for

Mrs. Evelyn Delk, president of the Federation has named Mrs. Syd Laye chairman of "Showtime On The Mall". Mrs. Jane Barben and Mrs. Laura Neubauer are co-chairman. The schedule is being arranged by Mrs. George Kelsey, Mrs. L. D. McGiboney, Mrs. C. R. Ginn, Mrs. P. C. Boney, Mrs. Fuschia Anderson, and Mrs. Mildred Myers.

The Staging Committee consists of Mrs. Laura Neubauer, properties and Mrs. Lou Grose, housekeeping. The Artistic Design Committee is headed by Mrs. E. W. Hart and Mrs. Carson Bates. The entry committee includes Mrs. K. Sawyer, advance entry; Mrs. C. J. Delk, day of show entry; Mrs. L. D. McGiboney and Mrs. R. R. King are in charge of placement.

Horticulture committee workers are as follows, Classification, Mrs. Vera Davis, Mrs. George Kelsey and Mrs. Grace Boney; classification clerks, Mrs. Alice Shrader, Mrs. H. Bussard, Mrs. Fuschia Anderson, and Mrs. J.R. Heiring. The Entry Committee includes, advance entry, Mrs. Ben Stewart, Day of Show entry, Mrs. Genevieve Hurd, Mrs. H. L. Coffee, Mrs. T. J. Ward, and Mrs. Jane Stutz. Placement committee members are Mrs. R. J. Rutherford, Mrs. C. Bates, Mrs. Charles Laneir, and Mrs. C. R. Ginn.

The Junior Division chairman is Mrs. P. C. Boney, assisted by Mrs. Mildred Myers, and Mrs. Fuschia Anderson. Entry committee for this division consist of Mrs. Genevieve Hurd, and Mrs. Steve Maxwell.

Commercial Exhibits will be handled by Mrs. Dan Grose, and Mrs. G. L. Smith Mrs. M. Davis heads the Judges Committee. Judges Luncheon Committee consists of Mrs. George Haynie and Mrs. M. K. Sawyer. The clerks and Pages are Mrs. S. D. Carlton and Mrs. F. Sellers. The Award Committee is headed by Mrs. G. L. Smith assisted by Mrs. H. Bussard, Mrs. J. R. Rutherford, and Mrs. Alice Shrader.

Publicity committee workers are Mrs. Dan Wollangk and Mrs. Jane Stutz. Treasurers and Mrs. Guy Decker and Mrs. G. C. Smith. Mrs. Ben Stewart heads the calling committee.

Everyone entering the show should begin grooming their plants and flowers. Those entered the Horticulture Division must follow these set rules.

1. All classes are open to amateur gardeners.
2. Plants must have been in possession of and grown by the exhibitor for at least three months prior to the show. Cut specimens must have been grown by the exhibitor.
3. All specimens must be correctly labeled with botanical and common names. Assistance in labeling will be available.
4. Exhibitors may make entries of more than one species in a genus, but not more than one of the same variety and color.
5. Any other meritorious family, genus, species, or variety not listed may be added under its proper section.
6. Entries are judged against perfection, not against each other.
7. Plants should be show worthy, well groomed (no oiling), in clean pots. Pot size shall not exceed 12" unless reservations are made in advance with Staging Committee Chairman.
8. Uniform containers will be provided for all cut specimens.
9. Plants grown primarily for flowers must be blooming.
10. All horticulture exhibits must meet Flower Show Standards. The Classification Committee reserves the privilege of disqualifying any entry of inferior quality, or diseased condition. All entries must be passed by this committee before being entered and placed in the exhibition hall.
11. Advance entry for hanging baskets will be made with the Horticulture Advance Entry Chairman.
12. All container grown plants - including hanging baskets - must be entered Wednesday, February 22, between 9:30 a.m. and 2 p.m. Reservations are to be made in advance with Staging Committee Chairman for potted plants in containers larger than 12".
13. All cut specimens must be entered on Thursday, February 23, from 8 a.m. to 10 a.m.
14. Plants are to be removed between 5 and 6 p.m., Friday, February 24, 1978. No responsibility will be assumed for any damage or loss of plants left beyond the above final hour.

The community graders responded so well in our last flower show and this makes a better show for all. The hanging basket division is asking that you please make advance reservations. Mrs. Ben Stewart, advance chairman will take the calls after 5 a.m. or you may call Mrs. O. F. Laye anytime.

More news concerning this flower show will follow in the next issue of the Sun. Artistic Design rules will be presented in detail.

# Devils Cha-a-a-t-t-t-e-e-e-r-r

Viola O'Hern, Mildred Tissot, Helen Griffith, Katy Rehner and Miriam Debo modeled garments entered in competition.

## Avon Park Woman's Club Presents Fashion Varities

One of the most rewarding facets of Creative Art was demonstrated on Friday at the February meeting of the Avon Park Woman's Club.

Appearing in a well-organized fashion show, members of the club modeled garments which they had designed and made. Variety was the keynote, with costumes including an exotic jump suit with jacket, tailored pants suits, dinner gowns and street dresses.

Modeling in the first section were Ercel Bennett, Margaret Bush, Miriam Debo, Grace Garrison, Helen Griffith, Nell Hagler, Katie Rehner, Ann Robbins, Dee Keyes, Fannie Hatch

and Mildred Tissot. Also appearing was tiny Mary Margaret Bueche wearing a frock created by her great-aunt, Laura Neubauer.

This year, the first place winner was Katie Rehner, who will compete at the District 9 Fine Arts Festival, in Mulberry, on

February 15. Runners-up were Helen Griffith and Mildred Tissot. Serving as commentator, Joyce Wagner modeled her own version of a Betsy Von Furstenburg design. She gave a practical demonstration of packing for air travel. Keeping in mind the lost luggage hazard.

The Rev. James Click conducted the devotional period which preceded the business meeting.

Refreshments were served from a table decorated in the Valentine motif. Members of the Creative Arts Department were in charge of arrangements.

By Joel Wright  
This week's featured senior Brent Beumel is usually seen taking pictures if not working on one of his Triumphs.

Besides auto mechanics and photography, Brent also enjoys fishing, hunting, and listening to music. His favorite type of music is pop-rock and his favorite group is The Beatles.

Brent uses his photographic abilities as an annual staff photographer. His favorite subject for photography is sports. After graduation, Brent plans to attend South Florida Junior College and then go to Florida Technological University to seek a major in math.

Following his graduation from college, he hopes to move back to his original birthplace which is Columbus, Ind., to go into some type of technical field.

Brent is the son of Mr. and Mrs. Wilford J. Beumel and has two brothers who are both graduates of Avon Park High School.

On his past three years at Avon Park High School, Brent said, "More courses for college bound students could have been offered, but otherwise I enjoyed it."

### Devil's Chatter FHA Valentine's Party

A Valentine's party honoring the faculty will be hosted by the Future Homemakers of America, February 14, after school in the media center.

The faculty king and queen will be chosen at this event. Also carnations will be on sale Feb. 6-10 for \$1 each. These flowers will be delivered during the school day Feb. 14.

### Keyette Dance

Spanky McCoy, a disc jockey from CK 101 in Cocoa Beach, will host a Valentine's dance sponsored by the Keyettes.

### Stitch N Sur

To Meet

There will be a reorganizational meeting of the Stitch N Sur 4-H Club Thursday, Feb. 16, at 3:30 p.m. at the Agri-Civic Center on U.S. 27 south.

All young people interested in taking foods and clothing projects are invited to attend. Plans will be discussed for car pools and the 4-H Fashion Revue.

New leaders for the group will be Mrs. Aida Schumacher and Mrs. Beth Brooks.

For more information, contact the County Extension Office at 385-5154, Sebring; 453-7538, Ext. 270, Avon Park; or 465-2464, Ext. 270, in Lake Placid.

## Congratulations To The WINNERS Of Our Birthday Party Drawings

SPECIAL AGENT, PAT Farrell (left) of the Federal Bureau of Investigation received a certificate of appreciation from Rotarian Don Farrens following Farrell's report to the Avon Park Rotary Club.

## FBI Agent Speaks To Rotarians

Gene Bigby, Rotary program chairman for the month brought Pat Farrell, special agent of the Federal Bureau of In-

vestigation as speaker, who was introduced by Don Farrens. Farrell is serving as guest lecturer at South Florida Junior College.

Pat Farrell has a Doctor of Laws degree from John Carroll university. Pat has six children with five teenagers at home at the present time.

Farrell related the FBI has been through some close scrutiny since the Watergate case and 14 congressional committees are presently investigating the FBI.

Although the FBI has gone through some trying times, the applications to be an FBI agent have not slowed down. They have 1300 applicants for 90 positions.

Pat stated, with 250,000,000 people in the United States, and the limited number of agents, they are forced to focus on the priorities. Organized crime is quite an awesome force in our country today, he related. He said many of our businesses are controlled by organized crime.

Pat stated due to recent laws the FBI is required to make many of their records available for the asking. He said last year this cost the taxpayers \$12,000,000 to furnish these records, so sometimes just curious people and also tied up 375 workers to provide the information.

The Rotary club enjoyed the report on the FBI from an agent with 16 years experience.

## Obituaries

**Lucille E. Gulliver**  
Mrs. Lucille Emma Gulliver, 69, of Avon Park, died Sunday, Feb. 5, a native of Ohio, she had been a winter resident of Avon Park for six years, coming here from Lake, Mich. She is survived by her husband, Mr. Jesse Gulliver; two brothers, Mr. Forrest Shaw and Mr. William Shaw, all of Avon Park.

Funeral services were held Wednesday, Feb. 8, at 2 p.m. at the Fountain Funeral Home Chapel with Reverend Ed. Tharpe officiating. Interment will follow in Bougainville Cemetery.

Arrangements by Fountain Funeral Home, Avon Park.

**Grace M. Lorette**  
Mrs. Grace M. Lorette, 70, of Avon Park, died January 30, 1978. A native of Gardiner, Maine, she has lived in the Florida area for five years coming here from Hallowell, Maine. She was a Catholic.

She is survived by her husband, Mr. Hector A. Lorette, Florida; three sons, Arthur J. Lorette, Germany; Peter A. Lorette, Gardiner, Maine and William J. Lorette, Augusta, Maine; three daughters, Mrs. Elizabeth Pigoli, Hallowell, Maine, Mrs. Joan Newland, Corpus Christi, Texas and Mrs. Katherine Lorette, Camden, Maine; and 10 grandchildren.

Mrs. Lorette was sent to the Knowlton-Hewins Funeral Home in Hallowell, Maine for services and interment in Hallowell Cemetery, Hallowell, Maine.

Arrangements by Fountain Funeral Home, Avon Park.

**Bertha Wilson**  
Bertha Wilson age 106, passed away Saturday, Feb. 4, at Palm Convalescent Home, North Miami. Mrs. Wilson had last November celebrated her 100th birthday there, still very active and alert.

Mrs. Wilson became known and loved here in Avon Park when she resided with her daughter and son-in-law, Mr. and Mrs. A. B. Wilhite. She called Avon Park home for 24 years, leaving only because she felt a great need for her in Miami, upon the death of a son-in-law.

She is survived by three daughters, Mrs. Ann Wilhite and Mrs. Mable Robinson, of Avon Park, Mrs. Margaret Rowe of Hialeah Gardens, and a son, Mr. Leonard Wilson of West Palm Beach; six grandchildren and nine great-grandchildren.

**Elizabeth Clawson**  
Mrs. Elizabeth Clawson, age 74, of 8 Lantana Ave., Avon Park, died Wednesday morning at Walker Memorial Hospital after an extended illness. She was born in Flagtown, New Jersey where she served as a registered nurse at the Somerset General Hospital. She has been a resident of Avon Park for 2 1/2 years.

She is survived by her husband, Robert Clawson of Avon Park, and one sister, Mildred Skillman of Sparta, New Jersey.

Funeral services were held Friday, Feb. 7 at 11 a.m. at the Stephenson-Nelson-Smith Chapel, with the Rev. W. O. Ragsdale officiating. Burial will follow at the Lakeview Memorial Gardens.

Stephenson-Nelson-Smith in charge of arrangements.

**Charles W. Garner**  
Mr. Charles W. Garner, 83, passed away Sunday, February 5, at Walker Memorial Hospital. He resided at 1350 N. Lake Ave. Born January 29, 1907 at Dekalb, Illinois, he had been a winter resident of Avon Park for the past 7 years coming from Macomb, Illinois. He was a Graduate of the University of Illinois and was a Football coach and Physical Education Professor at the Western Illinois University, a mason, and a Honorary Life member of Macomb Elks Lodge No. 1009, and a Honorary citizen of Boys town, U.S.A.

He is survived by one sister Sara Bingley, Ft. Wayne, Ind.

Visitation was held Monday, Feb. 6, from 4 p.m. till 9 p.m., at the Stephenson-Nelson-Smith Funeral Home. Funeral services will be held at the Dodsworth Funeral Home in Macomb, Illinois. Interment will follow at the Oakwood Cemetery.

Stephenson-Nelson-Smith Funeral Home in charge of local arrangements.

**H. Clyde Toward Sr.**  
H. Clyde Toward Sr., 66, 1523 6th Avenue W., died Sunday, Jan. 29 in Manatee Memorial Hospital.

Clyde was born in New Orleans, La. He came to the Bradenton area from Montgomery, Ala., 16 years ago. He retired as an administrative services officer for the U.S. Department of Justice, Bureau of Prisons, where he worked for 31 years. He was a World War II veteran, a member of Manatee Masonic Lodge No. 31 Free and Accepted Masons and a member of The First United Methodist Church.

Survivors include his widow, Hilda Reddick Toward, his daughter, Barbara Mills of New Ulm, Germany; a son, H. Clyde Toward, Jr., of Greenville, S.C.; two sisters, Ethel Orson of New Orleans, and Ann Rogers of Eugene, Ore., and six grandchildren.

Funeral services were held Wednesday, Feb. 1, at 3 p.m. in the Griffith-Cline's Bradenton Chapel, with the Rev. William Brackman, Jr., of First United Methodist Church and Chaplain (Lt. Col.) Harvey J. Mills of the U.S. Army officiating the ceremony.

Out-of-town family attending the services were, Mr. and Mrs. Fred Reddick and Mr. and Mrs. Devon Reddick, all of Avon Park.

**Lucille L. Lane**  
Lucille L. Lane, age 83, of 23 East Circle Street passed away Feb. 4, at the Walker Memorial Hospital. She was an Antique dealer, born in Babson Park, and has been a resident of Avon Park for the past seven years.

She is survived by one son, Langford Mulligan of Vancouver, Wash., and one daughter, Enid Nilsson of Vail, Colo.

Memorial services were held Tuesday, Feb. 7, at 11 a.m. at the Stephenson-Nelson-Smith Funeral Home, with Chaplain Harry Bennett officiating. There was no public visitation.

Stephenson-Nelson-Smith Funeral in charge of arrangements.

## Annual Roadblock For Ridge Area

The annual roadblock for the benefit of the mentally retarded citizens of Highlands County will be operated by American Legion Post No. 69, Avon Park, Saturday, Feb. 11 from 9 a.m. till 4 p.m. Ralph Caraway, Post Commander told the Sun that the roadblock this year is dedicated to the memory of J. A. Wise, former Post Commander, who originated the roadblock in 1957. Funds collected that year helped to set up the original Ridge Area Day School for 17 retarded youngsters from Highlands and Hardee County. The school was located in a former war housing administration building near the present Hilltop Marine Services.

Since 1957 the Legion Post has held a roadblock every year with contributions earmarked for local programs for the mentally retarded. These programs have included training for pre-school retarded children, rehabilitative training for those with multiple handicaps, and work training for young retarded adults. All programs have been supervised and operated by the Ridge Area Association for Retarded Citizens in cooperation with the Highlands and Hardee School Board.

Serving on the roadblock this year with Caraway will be Mrs. Ann Wise Boyd, daughter of J. A. Wise, William Hart, Vice-commander, J. Paxton Hill and Joseph P. Marzullo, and other volunteers from Post No. 69.

Legionnaires will be stationed at all four corners of Main Street and Lake Avenue, as well as at the major shopping centers. Citizens and visitors to Avon Park are asked to give cheerfully and generously when asked by

the Legionnaires. Caraway stressed that 100 percent of funds contributed will be turned over to Ridge Area Association for Retarded Citizens as the Legion Post will underwrite any expenses of the roadblock.

Registration continues at South Florida Junior College for spring semester classes being offered by the Vocational, Technical and Adult Education Division. Interested persons may register at the college or by going to the class of their choice. All fees must be paid at the time of registration.

The classes still open at South Florida Junior College on Monday nights are Bookkeeping II, High School Review English, Electronics for the Novice & General License preparation, and Basic

## FAITH FINDS NATIONS BEST GOVERNED BY LAWS

The system of liberty and justice enjoyed by the free nations of the world today is largely the result of a lesson painstakingly learned through-out history: that mankind is best governed not by men but by a set of laws designed for his own protection from the excesses of the governing bodies elected to administer and enforce them. Moreover, the very procedure for changing or abolishing these laws is built right into the provisions. All of this is based on the principles set forth in the Bible, which is emphatic about the preservation of man's freedom. Your Church will teach you the laws of God, and thereby help you to understand and obey the laws of your land, which were enacted for the well-being of all.

It should always be remembered, that the great end of government is human well-being.  
—James H. Fairchild

"So do, as they that shall be judged by the law of liberty."  
—James 2:12

## Faith For Today

"The television program 'Faith For Today' provides a positive alternative to objectionable television," says Robert DuBoise, pastor of the Walker Memorial Seventh-day Adventist Church. "While network programs are de-emphasizing violence this season, shows featuring implicit sexuality have been substituted. The fact that the sex programs are available daily to children should cause parents to examine their control over TV viewing."

Adventists believe that "Faith For Today" can help offset the effects of telecasts lacking in moral value. DuBoise says, "The program's current 'Westbrook Hospital' series offers Bible-based solutions to real life problems. William Fagel, a Seventh-day Adventist pastor, is host."

"Faith For Today" is aired locally on Sunday mornings, 8 a.m., on CBS Channel 8. Efforts are being made to include a Tapa station which would give better viewing quality for most area residents.

According to Robert DuBoise, pastor, the local congregation will join some 18,500 churches across North America on February 11 in raising \$550,000 for the nationally-syndicated "Faith For Today" telecast.

"Westbrook Hospital's," 30-minute episodes are produced on film at Faith For Today studios in Thousand Oaks, California. The telecast, which has utilized drama, documentaries and interview-type formats, was begun in 1950 and is the oldest continuously produced religious program on American TV. The program airs on 115 stations.

## Special Revival Services

See faith in action is the theme of the revival meeting now progress at the big red tent located on the corner of Hall and Verona Streets in Avon Park.

Having a ministry of Prophecy, the Evangelist John Henry, accompanied by his revival team of musicians and singers invites everyone to come and worship Christ in Spirit and in truth.

These special service which will continue until Feb. 12, will begin each night at 7:30.

A cordial invitation is extended to everyone to attend the Lenten Vesper Services. Members of the congregation and friends of the Church are encouraged to invite and bring others with them.

Miss Jannell J. Landis, on furlough from the United Church of Christ, Board of Homeland Ministries will be the guest speaker at the first Lenten Service at Union Congregational Church, 105 North Forest Avenue, Avon Park, Thursday, February 9 at 7:30 p.m.

Ms. Landis is an educational missionary who teaches oral English at Miyagi College for Women in Sendai, Japan. She has spent the past 24 years in Japan. The college has an enrollment of more than 3000 students.

Ms. Landis is a master at the art of puppetry. She has a large number of hand puppets who have helped her reach thousands. A Japanese television series featuring her puppets ran for more than a year. She has also used the guitar and auto-harp to compose and sing her own songs. Parents are urged to bring their children to this Lenten program. A free will offering will be received to support Ms. Landis' travel expenses.

Since it is our good fortune to secure Ms. Landis for this special program, we encourage all who are interested in the mission of the church to attend and bring their friends, and water visitors. The public is invited to attend.

## Rival At First Baptist Church February 19-24

The Rev. Melvin Wise, dynamic and widely-used evangelist of Atlanta, Ga., is coming to Avon Park for a crusade February 19-24. He will conduct the campaign at the First Baptist Church according to an announcement by Rev. Aden D. Childress, Pastor.

Mr. Wise, a former effective evangelistic pastor, which are scheduled to be resigned the pastorate in 1980 that he might give full

time to evangelistic work. He has conducted over 500 revival crusades, averaging traveling 40,000 miles a year in fulfillment of his demanding schedule.

Many of his revivals are return engagements, which is considered by many church leaders as being an evangelist's most meaningful recommendation.

## Vesper Services In Lent Planned By Church

Six Vesper Services have been planned for the six Sundays in Lent at the First Presbyterian Church. A different out of town minister will speak at each of the Vesper Services which are scheduled to be at 5 p.m. The theme of the First Presbyterian Church will be "The Cross of Christ."

The services will begin on Feb. 12 and continue through Palm Sunday, March 19. A Nursery will be available for boys and girls below the first grade. BAPFF Dinners will follow the Vespers for the Young Adults and their families. The Reverend David Rockness, pastor of the First Presbyterian Church in Lake Wales, will speak at the first Vesper Service on Feb. 12. The topic of his sermon will be "The Foolishness of the Cross." Born of parents who were missionaries in China, Pastor Rockness was an outstanding athlete. He is a graduate of Wheaton College and Gordon Con-

well Seminary of Boston, Mass. He is married to the former Miriam Huffman. The Rockness are the parents of three children. Other ministers who will speak in the Vesper Services are: Pastor Bill Tyson of Bartow, Pastor Jan Sennaker of Melbourne Beach, Professor Thomas Long, Due West, S. C., Dr. Norman B. Kellow, Lake Wales, and Dr. Brad Sutherland, Tampa.

The BAPFF Dinners which will follow each Vesper Service will be hosted by six different couples. They are to be held in the Fellowship Hall of the Church. One feature of the BAPFF Dinners will be: "Ask the Preacher." Those attending the Dinners are requested to bring any question that occurred during the sermon to be asked during a period set aside for that purpose. There is no charge for the BAPFF Dinners, but help pay for the cost of the food, a donation of \$1 for each adult and 50 cents for each child is requested.

A cordial invitation is extended to everyone to attend the Lenten Vesper Services. Members of the congregation and friends of the Church are encouraged to invite and bring others with them.

## Landis To Speak At Lenten Services

Miss Jannell J. Landis, on furlough from the United Church of Christ, Board of Homeland Ministries will be the guest speaker at the first Lenten Service at Union Congregational Church, 105 North Forest Avenue, Avon Park, Thursday, February 9 at 7:30 p.m.

Ms. Landis is an educational missionary who teaches oral English at Miyagi College for Women in Sendai, Japan. She has spent the past 24 years in Japan. The college has an enrollment of more than 3000 students.

Ms. Landis is a master at the art of puppetry. She has a large number of hand puppets who have helped her reach thousands. A Japanese television series featuring her puppets ran for more than a year. She has also used the guitar and auto-harp to compose and sing her own songs. Parents are urged to bring their children to this Lenten program. A free will offering will be received to support Ms. Landis' travel expenses.

Since it is our good fortune to secure Ms. Landis for this special program, we encourage all who are interested in the mission of the church to attend and bring their friends, and water visitors. The public is invited to attend.

## Committee Chairmen Named

With 13 of their 18 members present the Avon Park Chamber of Commerce Board of Directors held their regular meeting last Thursday morning at the Ranch Bettefieri.

President of the Chamber Bill Britt announced the following committee chairmen for the year: Merchants, Neil Roberts; industrial, Dr. Ronald Sevigny with Les Burch, co-chairman; Program of work, Jim Heim; city maps, Art Turner and John Clark co-chairman; sidewalk sales, Betty Jordan; transportation, Franklin Welch; finance, Charles Hoke; community planning and development, Charles Bryant.

Membership, Gene Bigbie with Charles Bryant, co-chairman; governmental affairs, Larry Albritton; Christmas Parade, Stanley Wells; county fair, Charlie Williams with Clarice Ford, co-chairman; by-laws, Anthony Accors; mail and city beautification, Mildred Head; banquet, Earl Jackson and Jimmy Mills, co-chairman and house and grounds, Don Gossick chairman.

The program of work for 1978 was presented by chairman, Jim Heim and approved by the directors. The program included: Merchants to stress trade in Avon Park through encouraging loyalty to local merchants, encouraging better merchandising and the encouragement of retail trade

promotions. The sidewalk sale days are to include all businesses within the city limits along with the further development of these special sale days.

On membership and membership contact the chamber is aiming for a minimum of 40 new members during the coming year. They plan to hold informative clinics to assist members. There will be informal meetings for membership throughout the year to broaden the scope of membership contact in coffee conferences, covered dish dinners, and quarterly meetings.

The transportation committee will strive to improve freight, bus and taxi service in the city and act as a watchdog on the Greyhound Bus Station. Beautification of the entire city is to receive strong emphasis and the chamber will encourage a permanent Mall beautification plan.

In governmental affairs the chamber plans to maintain closer contact with city and county boards to keep abreast of impending changes. A greater effort will be made to work with the city on planning, zoning and development.

The industrial committee expects to continue their efforts to attract industry by protecting existing industries and industrial land. It will seek additional land for industry and strive to develop an area for small industry.

It was suggested that all local

floats in the Christmas Parade, have Avon Park signs on their floats with an effort to play up "shop in Avon Park." The chamber will have a float in the parade.

On the county fair the chamber plans to continue to have a community booth stressing both agriculture and industry. To encourage tourists and visitors the chamber hopes to promote better housing for these people.

Work will continue on the study of the revision of the chamber's by-laws, while the city map will be updated, revised and printed for distribution.

Plans are to be made for the annual banquet with the date to be set in the near future. The house and grounds committee has the task of finishing the board of directors room at the Chamber of Commerce office. Lastly the finance committee was charged with the budgeting of chamber funds for their many projects.

Reports were also received from chairmen of the following committees: Fair booth, membership, industrial and city map.

It was revealed by the Chamber executive manager, Anna Belle Worden that the board of directors are extremely enthused about the chamber's work program for this year and are looking forward to securing many new members during year.

PARIS, FRANCE, 58 year charter member of the American Legion, J. Paxton Hill and Ann Wise Boyd, watch Mayor Marshall Davis sign a

proclamation designating Saturday, Feb. 11 as Road Block Day in Avon Park. Sunphoto by Lew Miller.

## Road Block To Benefit RAARC

Mayor Marshall Davis declared Saturday, Feb. 11 as "Road Block Day" in Avon Park in honor of the late J. A. Wise, past commander of Highlands County Post No. 69, of the American Legion, who originated the Road Block in 1950 as a means of securing voluntary contributions for the Ridge Association of Retarded Citizens.

Yearly since that time members of Highlands Post No. 69 have taken part in the soliciting of contributions by operating a road block at different locations in Avon Park.

Post No. 69 has appointed Ann Wise Boyd, daughter of the past commander as committee chairman with other members assisting: Ralph Caraway, post commander; William Hart, vice - commander; J. Paxton Hill No. 29, Greenwich, Conn. and now a resident of Avon Park.

On Saturday Legionnaires will take their posts at Avon Square Shopping Plaza, Thriftway and Pantry Pride shopping centers and at the Main Street and Lake Avenue intersections.

"Everyone out and give generously," stated J. Paxton Hill, "as it is a worthy cause."

## Rules Management Letter Not Public Information

While Highlands County Commissioners can be entrusted with personal copies of Highlands General Hospital's annual audit report, the board is no better off than John Q. Public when it comes to seeing the management letter prepared by the auditors.

Commissioners unanimously accepted the hospital's annual audit statement at Tuesday morning's regular meeting. No copy of a management letter was presented.

The hospital board and its attorney have ruled that the management letter, which was prepared by the accounting firm of Ernst & Ernst of Tampa, is not public information.

William VanBaalen, of the Highlands County Property Owners Association, told commissioners that the hospital board said the letter wasn't public record and asked if the commission had received a copy of the letter. County commissioners didn't get a copy.

Commissioners seemed to agree that public money is used at the hospital, then financial information and other details about its operation should be

public record. However, the commissioners decided against raising the issue.

"We have got about all the fights we can say grace over at this time," Chairman C. J. "Buddy" Wise said.

Commissioners advised VanBaalen to settle efforts toward the hospital board to settle the management letter question.

In a health-related matter, the board decided the Home Health Care Council, recently formed to handle the in-home health care program planned by the county, should review each prospective employee.

The council had asked commissioners if councilmen could review only candidates for the post of supervisor. Other employees for positions of aides and clerks would be reviewed by Mrs. Joan Endicott, program director and David Norris, personnel director.

Commissioners agreed the council was appointed to review operations of the program and this includes personnel.

Hiring of a home health care aide for the program was postponed until next week's meeting, since the request didn't

reach the board in time to be placed on the agenda.

Commissioner Norman "Jug" Heston reported that he had spoken on the proposed penny-per-gallon gas tax which is to appear on the fall ballot at the Highlands County Property Owners Association meeting Monday. The association unanimously approved the proposal.

Approval was given a proposal to extend George Blvd. near the Agri-Clivic Center to connect the road with U.S. 27 north of the city.

Commissioners approved the project, providing the work doesn't interfere with other county projects. The cost is expected to be \$26,400 and of this amount, some \$16,140 is for labor that has been budgeted by the engineering department.

Commissioner Robert Skipper was appointed to serve on South Florida Junior College's Auditorium Board. The board is comprised of representatives from throughout the county and is to set policy for use of the new auditorium.

## Three Injured Continued

safely passed the log carrying truck, the driver slowed down slightly, but then took off towards Wauchula without stopping according to the witnesses. The car and driver is still being sought.

Driver Ralph Moody hauling cypress logs from east of Avon Park for United Services, Inc., Wood Products, Wauchula, gratefully stated, "Just call me lucky," as he walked around the accident site to keep from getting stiff.

Patrolman J. M. Rhodes estimated damage to the sand truck owned by General Sand and Stone, Inc., Ft. Myers, at \$25,000 for the

tractor and \$500 to the trailer. Damage to Moody's tractor was estimated at \$5000 and \$3000 to the trailer.

It was reported by Walker Memorial Hospital that the three injured persons were in fair condition, but it was unknown as to when they would be discharged from the hospital. They had been taken to the hospital by the Highlands Emergency Medical Services.

Highlands Lakes Volunteer Fire Department responded to the call to wash diesel fuel and oil from the highway.

## Wiggins Shot

Paul Wiggins Jr., 23, of 405 Tulane Drive, Avon Park, was reported in good condition early this week after being wounded in a shooting incident Saturday morning.

Highlands County sheriff's deputies reported that Wiggins and Annie Nelson of Avon Park were walking on Lake Blvd. when they heard a shot fired from an orange grove. Wiggins told deputies he felt a stinging in his abdomen.

When the couple returned to Miss Nelson's parents' house, Wiggins said he had been shot and her parents took him to the hospital.

The early Saturday morning shooting remains under investigation.

## Income Tax Assistance Offered By Retired Persons

A. A. R. P. Highlands County Chapter 222 offers volunteer Income Tax assistance (FITA). Free income tax assistance is being offered by the American Association of Retired persons to the older citizens of this area, according to Mr. Ventura Genzler, local coordinator for the Tax-Aide program. Numerous volunteers have recently completed a three day tax training seminar, held in conjunction with the Internal Revenue Service, to aid the older persons in preparation of their personal income tax returns. The Tax-Aide service will be available starting February 7, thru April 13.

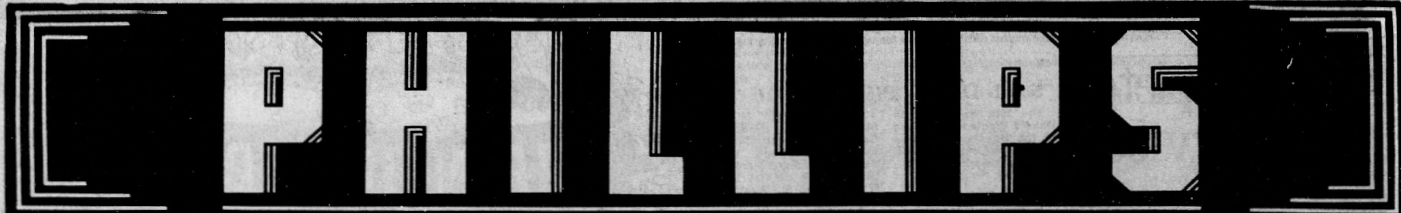

The counseling service will be available on Tuesday and Thursday only, from 1 p.m. to 3 p.m. at the Municipal Building, in Sebring.

Taxpayers from Avon Park, Lake Placid and Sebring, who wish to take advantage of this service should bring with them the tax package they received in the mail and also records of various income and deductions, including W-2, W-3P and 1099's statements showing the amount of dividends and interest received. This service is available to Senior Citizens of low income and whom have relatively simple returns.

### University Admission Deadline February 13

# Avon Gal Cagers Win Three Straight

## Local Team To Host Girl's Class AA District Tourney

The Avon Park High School girls varsity basketball team will host the 1978 Class AA, District 13 basketball tournament here at the high school gym starting Friday, Feb. 17 and finishing Saturday, Feb. 18.

The tournament will be a four team affair with Avon Park, Lake Placid, Fort Meade, and Frostproof competing for a berth in the regional tourney.

Coach Cherri Lee announced this week that the pairings will be set

sometime next week. The four teams will be seeded according to win-loss records against Class AA competition only.

Avon Park had a 3-1 record against Class AA teams going into last Monday night's game in Lake Placid against the Green Dragonettes. The Devillets also must play Frostproof here tonight in the final 2-AA encounter before the tourney.

## Avon Park Jayvees Run Season Record To 13-1

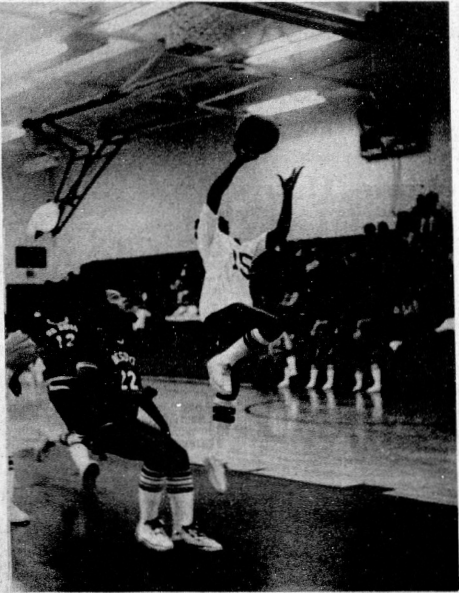

Still holding a hot hand, the Avon Park High Junior Varsity ran its record to 15-1, picking up three more wins last week. On Tuesday, Jan. 31 the Junior Red Devils beat Fort Meade at Fort Meade 59-35. Last Thursday they beat Hardee High at Wauchula by a 58-38 margin, and last Friday, the Sisemore coached team swamped Frostproof 87-27.

The Junior Varsity team now has won 12 games in a row and have six left before winding up their season on Feb. 20. Tomorrow night they tangle with Lakeland Santa Fe here, and on Monday they will meet Sarasota Booker on the local floor. Tuesday, Feb. 13, they play Okeechobee here.

School Junior Varsity team to a 50-35 win over the Fort Meade High School Jayvees at Fort Meade on Tuesday, Jan. 31.

The local team, who had beaten Fort Meade earlier on the local floor, ran up a 16 to 4 first quarter lead and were out in front 27 to 13 at half time. They held a 12 point advantage after the third quarter, stretching it to a 50-35 margin at the final gun.

Charlton Weathers, averaging close to 20 points per game, netted a total of 23 for the winners. Alvin Conner had 14 while David Sisemore chipped in with six for Avon Park as they hung up their tenth straight season win.

A DESOTO GUARD slides to a halt as Devillete Annette Blake leaps high to release a lay-up shot during the girls basketball game played here last Thursday night. Avon Park outscored the girls from Arcadia 45-24. Sanphrie by Tom Fleming.

Coach Cherri Lee's Avon Park High School girls basketball team chalked up three wins in its last four games to advance to an impressive 11-4 record for the season. They are now 4-1 in Class AA competition.

The Devillets knocked off Lake Placid 52-49 last Monday night down in the Green Dragonettes new gym, clobbered Clewiston 50-33 down there last Friday night, and stomped on DeSoto High 48-24 here last Thursday night. The lone loss came at the hands of Ft. Meade Tuesday night a week ago on the Minerettes home court by a score of 48-47.

Tonight the Avon Park ladies will host the Frostproof girls in the last Class AA game on the schedule before going into the District 13 tourney to be held here next weekend.

and Annette Blake contributed 2 points each.

Avon Park committed 14 fouls to Lake Placid's 20, but made good on 10 of 25 free shots while the Dragonettes hit only 3 of 8 from the foul line.

Debbie McGahee with 23, and Valerie Walker with 20 points, led the Lake Placid scoring effort. The loss gave Lake Placid a 10-6 record for the year.

The final game on the girls schedule is set for next Monday with Sebring coming here for a 5:30 p.m. tip-off. The game was originally set for 7 p.m., but the boys had to move the Sarasota Booker game up to Monday night to make room for the girls district tourney here. Fans will enjoy a triple-header next Monday night.

Avon Park-50, Clewiston-32

Dante in Clewiston last Friday night the Avon Park girls racked up their tenth win of the season with a 50-32 victory over the Clewiston girls cagers. The Devillets led all the way scoring 14 points in the first and fourth periods and 11 points in both the second and third quarter.

The Avon Park girls will be hosting the Class AA, District 13 basketball tournament here at the high school gym next Friday and Saturday nights. After two wins over Lake Placid, the Devillets should be favored to win the four-team tourney and advance to the regional meet. The other two teams in the tourney besides Avon Park and Lake Placid are Fort Meade and Frostproof.

Meg Schuler hit her season high, scoring 26 points on 9 field goals and 2 of 4 free shots. Thelma Wessels swished 3 shots through from the floor and made 3 of 5 from the line. Katrina Conner and Bernice Taylor both contributed 6 points. Ellen Macklin, Annette Blake, Linda Rowe, and Sally Braithwaite scored 2 points each and Brenda Brooker sank a free shot for the 50 point total.

Avon Park-52, Lake Placid-49

The Avon Park girls varsity cage team came from as much as ten points behind to take a 52-49 victory from the Green Dragonettes down in Lake Placid last Monday night. Forward Thelma Wessels was the sharp-shooter for Avon Park as she fired in 11 shots from the floor and added three of six shots from the foul line for a total of 25 points.

Coach Lee managed to give all fifteen members of the traveling squad some playing time. The Devillets hit 50 percent from the foul line, making 8 of 16 while committing only 7 fouls. The Clewiston girls were called for 18 fouls. They hit 4 of 6 free shots. Lyn Robinson with 16 points, and Mattie Lee, with 13 points, led the scoring for the Clewiston team.

Lake Placid jumped off to a 14-6 first quarter lead and moved even further ahead before the Avon Park girls caught fire and closed the gap. At halftime the Lake Placid team was ahead 31-25 and held a 41-39 advantage after three quarters of play.

Avon Park-45, Arcadia-24

Last Thursday night here at the Avon Park High School gym, the Devillets chalked up a 45-24 victory over the DeSoto High girls cagers. Ten different Devillets got into the scoring act as Coach Cherri Lee alternated teams in and out of the game.

In the final quarter the Devillets kept chipping away at the Lake Placid lead until they finally pulled ahead late in the game. Two free shots by Katrina Conner put the local team out front by three points and the Avon Park team held on to that lead for over a minute and a half to take the important victory over the girls from South Highlands County.

Against it was center Meg Schuler leading the Avon Park team in scoring with a total of 18 points. Tammy Oatling had 6 points; Thelma Wessels, Katrina Conner, and Bernice Taylor scored 4 points each; Laurie Welch, Annette Blake, Ethel Pough, and Patty Barben all scored 2 points apiece, and Brenda Brooker made one point.

In addition to Wessels' 25 points, Meg Schuler pumped in 23 counters, Katrina Conner had 17 points, Laurie Welch scored 3, and Ellen Macklin

The starting five played only the second quarter, the last three minutes of the third period and the fourth quarter for Avon Park as Coach Lee gave the reserves a chance to start and get some needed experience against the first-year girls from DeSoto High.

Bobby Harper had the hot hand for Frostproof netting 36 points. Willie Harper with 12 and Terry Wright with 10 hit the double figure column for the Bulldogs.

The Devillets were off at the foul line hitting only 3 of 8, but Arcadia's girls made only 4 of 16 shots. There were 31 fouls called during the game with Avon Park collecting 18 and DeSoto being called for 13 fouls.

## Red Devil Varsity Wins One Loses Two Games

It was one for three for the Avon Park High varsity last week with the Red Devils losing to Fort Meade and Hardee High on the road and beating Frostproof at home. With six games left, the Avon Park team has won seven and lost eight.

Tomorrow night the Devils play Santa Fe of Lakeland here and next Monday will meet Sarasota Booker, also here, in a game that has been switched from the original Feb. 17 date. On Tuesday, Feb. 14, the Avon Park team will meet Okeechobee here giving them three games in a row on the home floor.

Horace Moore, David Williams, Larry Pough and Freddie Williams all fouled out in the fourth period, but the replacements, led by Mike Coleman, collected 15 points and held Frostproof to 17 to eke out the win.

Coach Lund's team beat Santa Fe 57 to 51 in their first meeting at Lakeland, and beat Sarasota Booker 77-70 at Sarasota in December. Okeechobee, one of the contenders of Heartland conference honors, has two wins over the Devils, having beaten the Avon Park team 78 to 52 at Okeechobee, and nosing them out by one point in the Conference Jamboree at Lake Placid.

Coleman was high point man for the locals with 16. Horace Moore collected 12 points and garnered 6 rebounds. Freddie Williams picked up 12 points and led the team in rebounds, while Pernel Gibbs, filling in for Charlie Pough, came through with 10 rebounds and 8 points.

Both coaches substituted freely during the last quarter with the Avon Park team picking up ten points while holding Hardee to 8, making the final score 58-38.

Charlton Weathers again led the Red Devil scoring with 20 points followed by Gerald Jones with 12. Kim Smith collected 12 points for the losers while Jeff Morgan had 10. There were only five fouls called during the entire game, two going against Avon Park with Hardee being guilty of three violations.

Bobby Harper had the hot hand for Frostproof netting 36 points. Willie Harper with 12 and Terry Wright with 10 hit the double figure column for the Bulldogs.

That was Coach Tom Lund's comment as the Avon Park varsity basketball team beat Frostproof 67 to 66 here last Friday night. And "Finally" was the correct term. The Red Devils have lost three one-point games and come up short in two overtime games so far this season.

In between, Mowatt picked up nine baskets and a pair of free throws, and Jimmy Slater, last breaking Hardee forward, garnered 24 more points for the Wildcats than had Avon Park its fourth straight loss, winning by a score of 70-57.

The one-point victory wasn't an easy one and could prove costly for the locals as Charlie Pough dislocated a shoulder and may be out of the line-up for some time. The four other members of the starting five were ousted from the game via the foul route in the fourth quarter, and it was the bench strength that held on for the win.

In the third quarter, it kind of fell apart. Hardee's tight defense kept Avon Park away from the basket, and their tough floor play caused several costly Devil turnovers. Mowatt and Slater each collected eight third period points and the Wildcats came through with a total of 24 while holding the Devils to just 12 points.

Casey Stokes, one of the replacements, had only one point but that one, a free throw made with only 10 seconds to go, proved the margin of victory. Actually, Casey's shot gave the Devils a 67-64 lead, but Bobby Harper, Frostproof center, came right back with two points making it 66-67 at the final whistle.

Despite the big final margin, it was a close game for the first half. Larry Pough, Avon Park center, battled Mowatt on seven occasions, while Horace Moore, David Williams, and Freddie Williams all collecting points the Devils were only down by four points, trailing 32-28 at half time.

It was a close hard fought game all the way. Frostproof, with the two Harper brothers leading the way, took a 17 to 16 lead in the first quarter. In the second period, Mike Coleman and Freddie Williams started hitting for the Devils, each getting four baskets to tie the score at 37-37 as the half ended.

In the third quarter, it kind of fell apart. Hardee's tight defense kept Avon Park away from the basket, and their tough floor play caused several costly Devil turnovers. Mowatt and Slater each collected eight third period points and the Wildcats came through with a total of 24 while holding the Devils to just 12 points.

The third quarter belonged to Avon Park as the Devils, with Larry Pough netting 6 points, outscored the Bulldogs 15 to 12 to take a three point lead going into the final period.

Larry Pough went out with five fouls early in the fourth quarter, and Freddie Williams collected another 23 points against 17 for Avon Park to win going away.

Pough with 14 points, and David Williams with 11 were the only Avon Park players to hit double figures. Freddie Williams scored eight points and Horace Moore had seven for the Avon Park team.

RELEASING A JUMP shot from the left side of the basket is Red Devil guard Horace Moore (20) during the Avon Park-Frostproof game played here last Friday night. Moore sparked the Devils to a one point victory over the Bulldogs with his aggressive play and hot shooting during the last minutes of play. Final score: Avon Park 67, Frostproof 66. Sanphrie by Tom Fleming.

GUARD CURTIS TAYLOR, scoring 19 points on six floor shots and seven of ten free shots, pushes the basketball toward the goal as he breaks free from the other players on a fast break play. The Avon Middle School boys team defeated Sebring 65-51 to close out the season with a 5-1 record. Sunphoto by Lew Miller.

## Middle School Boys Finish Season With 5-1 Record

Coach Cecil Walley's Avon Park Middle School boys basketball team avenged an earlier loss to the Sebring Middle School boys and closed out the season with a 5-1 record when they racked up a 65-51 victory here at the Middle School gym last Thursday afternoon before a gym full of screaming partisan fans.

It was by far the best game played this season by the Middlers and was perhaps the highest score set by a Middle School team. Guard Curtis Taylor led the Avon Park scoring with 19 points as he hit for 6 baskets from the floor and then made 7 of 10 free shots in the last quarter as Sebring had to intentionally foul to try and get back into the game.

Also having a good day shooting and on the boards was Gary Smith who scored 16 points and pulled

down lots of offensive and defensive rebounds. Charles Dunn, also tough under the basket, scored 14 points, and Doug Cook was hot in the first quarter scoring quickly for Avon Park and finishing with a total of 9 points. Larry Collins pumped in 5 points and Sam Smith added 2 more for the 65 point final total.

Sebring's Darryl Love was high scorer for the game with 21 points. Avon Park made 9 of 14 shots from the foul line and Sebring hit 9 of 18 free shots. The Avon Park boys drew 13 fouls and Sebring was called for 12 miscues.

The lone loss by the Avon Park Middle School came from a game played on Sebring in a game played on the Blue Streaks home court. The Devil Middlers won over Lake Placid and Hardee twice each during the short six game schedule.

## Middle School Girls Defeat Sebring Blue Streaks In Finale

The Avon Park Middle School girls basketball team closed out a successful first year season with a 36-21 victory over Sebring here at the local gym last Thursday afternoon. The win gave the Middle School Devils a 4-3 record for the year.

Using an unusual strategy, Avon Park coaches Wirries and Boone kept one player in the opponents court at all times and left one defensive player back on duty under the Avon Park basket.

Tracy Brown was the "snowbird" for the Avon Park girls and she scored 25 points as her teammates fed the ball to her repeatedly from the far end of the court. Sandra Warren handled the defensive lone player job well as the Sebring girls were held to just 21 points.

The strategy didn't work very

well during the first half as the Avon Park girls had trouble passing the ball and hitting the basket. Sebring led after one quarter 8-7 and had a 13-11 halftime advantage. But the Avon Park girls turned on the offense in the second half scoring 15 points in the third period and 10 in the final period while Sebring managed only 2 points in the third quarter and 6 points in the last quarter for the final 36-21 score.

Almost all to the team got into the action but only four local girls scored. In addition to Tracy Brown's 25 points, Linda Johnson scored 6 points, and Linda Knight and Sandra Warren hit for 2 points each.

The Avon Park girls made only 2 of 11 free shots while Sebring hit 5 of 16 from the foul line. Avon Park had 15 fouls called on them. Sebring drew 10 foul calls.

GUARD TRACY BROWN, dribbling down the court with a Sebring player in pursuit, led the Avon Park Middle School girls to a 36-21 victory in the final game of the season here last Thursday afternoon. Tracy scored 25 points for her team as she finished with a 4-2 record for the season. Sunphoto by Lew Miller.

## Little Things Mean A Lot

In a close basketball game, little things can mean a lot — particularly when those little things may be a missed free-throw, a one hander from the corner that rims the basket, or two points that are cancelled because of travelling.

One Tuesday, Jan. 3, in the month's opening game, Mulberry High handed the Avon Park team a one point loss. On Tuesday, the 31st, the month's finale, the Devils lost another one-point to Fort Meade. In between the first game in January and the last game of the month, the Avon Park cagers also lost to Okeechobee by one point, to Lake Placid in an overtime game, and to Sebring in a double overtime game.

In any one of those games, a point or two could have readily changed defeat to victory. Instead the points went elsewhere and left the Red Devils with a 6 win, 7 loss record heading into the stretch of the current season.

Fort Meade - 44, Avon Park - 63. T. King who tossed in 23 points, was the big gun for Fort Meade as the Miners handed Avon Park its latest one-point loss 64 to 63 at Fort Meade. Earlier in the season, the Red Devils beat Fort Meade here 69 to 55.

The game, the first for both teams since the conference tourney started slowly with Avon Park, aided by six points by Mike Coleman, leading 16 to 11 at the end of the first period. In the second quarter, King warmed up with 10 points and T. Meade outscored the Red Devils 17 to 9 to take a 28-25 lead at half time.

Larry Pough got four baskets and Horace Moore added a couple more in the fourth quarter to pull Avon Park close to the Miners, but though the Devils outscored Fort Meade 19 to 16 in the final stanza, they just couldn't quite come up with enough.

Mike Coleman led the Devil scorers with 22 points. Larry Pough with 12, and Horace Moore with 10 also shot in double figures. The locals hit on only 7 of 25 gift tosses for a 28 percent average.

Larry Pough got four baskets and Horace Moore added a couple more in the fourth quarter to pull Avon Park close to the Miners, but though the Devils outscored Fort Meade 19-16 in the final stanza, they just couldn't quite come up with enough.

BOAT RACING FANS can expect this type of exciting start in the outboard and hydro races this Saturday and Sunday on Lake

Tulane. In this D Stock Hydro start, Howard Clark, Lakeland (12F) was disqualified for jumping the gun. Only the engine of a fourth boat is

partially visible in the water spray. Sunphoto by Lew Miller.

## Firemen's Winter Regatta At Lake Tulane Feb. 11-12

Sponsored by the Avon Park Volunteer Firemen's Association and the Peace River Outboard Racing Association, the third annual Firemen's Winter Regatta will be held on Lake Tulane on Saturday and Sunday, Feb. 11 and 12 according to Fire Chief Mack Flowers and Norman Langston of the racing association.

This February Regatta will be the second race of the Winter Grapefruit Racing Circuit, stated Langston. With approximately 125 entries for the race, this will be the largest winter race ever held on Lake Tulane, he added.

Outboard and hydro racing drivers from many northern states will be on hand to try their skill in the Florida he listed were: Red Rursch, Iowa; Dave Defibo, Del.; Fred Milles, Trenton, N. J.; Clank Maloe, Mass.; Doug Martin, Calif.; Bob Humphrey, Mass.; Dan Naegele, N.Y.; Chick Larose, N.Y.; and Ed Desere, N.Y. All are national Champions in their respective classes.

Also taking part in this year's regatta will be the A-stock Runabout

Canadian Championship team of Mike Werner, driver, from Annapolis, Ontario and Rod Walter, mechanic, from Welland, Ontario, as they start north from a race in the Miami area.

Local racing drivers already entered in the Saturday and Sunday races are Hos Compton, Lake Placid and Tommy Hooten of Wauchula with Chuck Bentz of Sebring also expected to start. National champions from Florida who have indicated they will take part in the races are Bunky Bowerman, Winter Haven; Jeff Hutchinson, Miami, National Champion Super C Stock Hydro and Fred Townsend, Miami, former holder of the Lakeland Walt Blankenstein Trophy.

With the increased number of entries in the Lake Tulane races, Langston was expecting to see the racing start as early as 10 a.m. on Saturday, whereas in the past the races had started Saturday noon.

Chief Flowers stated that the Firemen's Auxiliary would be on hand with their lunch stand to provide hamburgers, snacks cold drinks and coffee for the race goers and racers.

## Alcus Snell Selected To All-Southern Team

Alcus Snell, 6'6", 280 pound junior at Bethune-Cookman College in Daytona, Fla., and a former member of the Avon Park High School Red Devil football team, has been named a defensive tackle on the All-Southern Interscholastic Athletic Conference team for the 1977 season.

Snell was among the honorees of the 100 percent Wrong Club at that organization's banquet at Atlanta's Peachtree Plaza Hotel Saturday, Feb. 4.

"It was highly honored," Alcus commented last week, "and already I'm working on conditioning for next year. It will be my senior year, you know."

Alcus is one of three Avon Park athletes playing for the Bethune-Cookman football team. Also on the squad this past season were Nathaniel Packer and Ricky Clait.

WILDCAT ALCUS SNELL was honored last Saturday night, Feb. 4, by the 100 percent Wrong Club at that organization's banquet at Atlanta's Peachtree Plaza Hotel. The former Red Devil athlete, now a member of the Bethune-Cookman football team, was named a defensive tackle on the All-Southern Interscholastic Athletic Conference team for 1977.

The Avon Park Jaycees working in conjunction with other Jaycees in the area, are sponsoring a rodeo to be held at the Lorida Sports Arena on Saturday and Sunday, Feb. 11 and 12, at 2 p.m. each day. The arena is located approximately 12 miles south of Sebring, on Highway 98.

The Rodeo which is sanctioned by the Florida Cowboy Association in affiliation with the International Rodeo Association will count toward a World Championship Rodeo which is held each year in Tulsa, Okla. This Rodeo will attract top cowboys from all over the United States as well as this area.

The seven events of competition will be: Girls' Barrel Racing, Calf Roping, Team Roping, Bareback Bronk Riding, Saddle Bronk Riding, Steer Wrestling, and Bull Riding.

All seats in the arena are covered, so you all come rain or shine. There will also be concessions and facilities for your convenience.

## SFJC Panthers Open 1978 Season Monday, Feb. 13 At Panther Park

The 1978 South Florida Junior College Panthers return only three regulars and one starting pitcher from last spring's 8th place State-rank club. All four sophomore starters from the 1977 team are playing at the university level via baseball scholarships.

All-American and twice drafted (No. 1 Cubs; No. 2 Reds) Blake McDonald is catching for Florida State University. All-State second baseman Larry Glass is at the University of Florida along with State All-Star Game shortstop Dana Walstad.

Two year State All-Star Game pitcher, with 17 career victories at SFJC, Rick Harrison is in the top rotation at Troy State University in Alabama. Starting leftfielder, Jimmy Higdon, will not be in his usual position due to academic difficulties.

Mid-year major league draft selection, sophomore Keith Hendry (Indians), recently signed a pro contract and will forego his final season at SFJC. These players are definitely going to be difficult to replace.

Panther baseball coach Tim Hill feels, however, that 1978 will again surpass the accomplishments of his previous teams. Another good recruiting year of freshman talent, four college transfers, plus the return of three experienced pitchers and three solid hitters gives Hill his optimistic outlook.

Team Captain, Randy Schlosser, has been shifted from his fall season shortstop spot to centerfield to take advantage of his outstanding speed. Randy batted .325 as a freshman from his lead-off position, scoring a record 40 runs and stealing 30 bases.

All-Division rightfielder, Charlie Falconer, will patrol the outfield

alongside Schlosser. Charlie hit for a .281 clip, driving home 37 runs with 17 extra base hits and 10 stolen bases.

Leftfield is up for grabs with mid-year academic casualty, Jimmy Higdon, gone. A three-way battle is shaping up with converted high school catcher, Mort Jackson, Robert Freeland and mid-year Troy State University transfer, Bobby Pierce. Freeland had a good fall at the plate and knows the game. Jackson had difficulties at the plate in the fall but has been swinging a heavy stick in early January drills. Left handed Pierce has a lot of catching up to do after missing the fall season but has been equally impressive in early practices.

Dale Sizemore rounds out the outfield and may see duty as a late inning defensive replacement in leftfield and as a designated runner for the catchers.

Bill McMenamin, last year's designated hitter, returns to his familiar secondbase position. Bill batted .270 with 24 runs scored last year. Freshman Dan Pototsky, Virginia high school All-State performer, is battling McMenamin for the second base job. Dan, a switch-hitter, had an excellent fall and swings a quick aggressive bat.

Highly touted freshman, Rick Kyser, will be at shortstop and most likely bat third in the line-up. Sophomore, Toby Cunz, a transfer from The University of Toledo, nailed down the "hot corner" early in the fall with his smooth defensive play and strong, accurate arm. 5'3", 200 lb., power hitting, Mark Lacy, proved to be an offensive threat in the fall and will be at first base and fill the designated hitter's role at times.

Tom Anderson, 6'3", 210 lb., freshman left hander, may also wind up at first base or as a designated hitter when not filling his role as the Panther's ace of the pitching staff. Tom was selected in the first round of the January Major League Players Draft by Cleveland.

Catching appears to be solid with highly recruited freshman Al Jensen turning in a good fall behind the plate. Albermarle College transfer, Danny Ramsier, all-conference as a

freshman, adds offensive punch and along with Jensen, gives the Panthers two solid junior college catchers. Not far behind Al and Danny is Butch Reichart who can also play third base.

The pitching staff should be the strongest in Panther history. Hard throwing left hander Tom Anderson leads the staff. Cleveland's No. 1 draft pick has excellent control, a major league fastball and developed a good curveball during the fall. If Tom does not sign with the Indians before the season begins, he could take the Panthers a long way this spring.

Another lefty, John Sedlock, returns after a 4-4 record as a freshman. John started ten games last season and became extremely effective down the stretch, tossing a 3-hit shutout his last game.

Sophomore right hander, Kirk Scheerhorn, compiled a 3-2 record in 1977 with the best ERA (2.306) on the staff. Used mainly in relief as a freshman, Kirk will be featured in a starting role this spring. Ron Bolin, sophomore sidearming right hander, was 1-0 year ago in relief and will be a short relief man in 1978.

Talented newcomers to the Panther staff include Atlanta Braves draft pick, Tod Carter. Carter pitched his high school to the Virginia State Finals and will be in the starting rotation this spring. Dave Shepherd, sophomore right hander, is an experienced hurler who pitched at Bridgewater College in 1977. Dave is expected to log many innings this spring.

Lefty, Bobby Pierce, used only on the mound at Troy State in the fall, will add depth to the Panther staff when not in left field. Freshman, Billy Cary, displayed a "live" fastball in the fall and could be called upon as the season progresses.

Gary Parker, who pitched St. Cloud High School the AA State Championship last year, has been looking extremely sharp this spring.

"This should be South Florida Junior College's best club," said Hill. "With a blend of solid newcomers and a few seasoned veterans, we should be in contention for division honors."

THE SOUTH FLORIDA Junior College Tennis Team posed for a team picture prior to defeating Palm Beach Atlantic College 6-1 in

the opening match of the 1978 season. Seated in the front row from left to right are: Jeff Brindlinger, Kevin Metheny, and Peter Ascutt;

in the second row and Ron Neely, Bob Campbell, and Jerry Nichols. Sunphoto by Joe Johnston.

## Meet The S.F.J.C. Panthers

**Kirk Scheerhorn**  
Kirk Scheerhorn, 6'1", 170 lb., righthanded pitcher returns for his second season for South Florida Junior College. Kirk had the best ERA (2.30) on the staff last year while compiling a 3-2 record, mostly in relief appearances.

The Holland, Mich., native will be counted upon heavily this spring as a starting pitcher. Kirk attended Holland Christian High School and was on the Michigan All-Star Team that toured The Netherlands in 1977.

Kirk is expected to be the opening day pitcher at home against Florida Southern College "B" Team at Panther Park on campus Feb. 13, at 3 p.m.

**Bobby Pierce**

1977 Marianna High School baseball star, Bobby Pierce, will be playing left field and pitching for South Florida Junior College this spring.

The 5'11", 175 lb., lefthander compiled a 6-2 record at Marianna while hitting a robust .373. Bobby has displayed good speed and an aggressive bat and will be a definite plus for the Panthers this spring.

South Florida Junior College opens its 1978 spring season at home against Florida Southern College "B" on Feb. 13, at 3 p.m.

**Randy Schlosser**

South Florida Junior College 1978 Team Captain Randy Schlosser, returns to the Panther lineup this spring after an outstanding freshman year.

The 6'0", 170 lb., former Saegertown, Pennsylvania, High School product played third base for SFJC in 1977, bating out a .326 average, while scoring a school record 40 runs. An excellent lead-off hitter, Randy had 39 stolen bases in 41 attempts.

Randy played an excellent shortstop position during the 60-game fall season but has been shifted to centerfield this spring to take advantage of his excellent speed.

Randy leads the 1978 Panthers into action opening day against Florida Southern College "B" at Panther Park on campus, Feb. 13, at 3 p.m.

### WEEKLY SPORTS SCHEDULE

## Thirty Report For Red Devil Track Practice

The Avon Park High School track team has begun working out under the direction of veteran coaches Chet Brojek and Harry Williams. The Red Devils will open their regular season with a meet in Auburndale on March 3, against Kissimmee, Lakeland High, Kathleen and Sebring.

The 1978 edition of the Red Devils will include some 30-35 members. Brojek and Williams report that they have some 30 to 40 basketball players to join the squad after the end of their season.

The Devils are coming off a fine 41-3 record last season. They were Conference, District and Regional Champions, and State Runners-up in 1977. Many of the high scoring seniors are gone from last year's squad, but the Red Devils are counting on the early maturity of many of their young performers to lead them to another fine season in 1978.

The Devils have a number of returning lettermen. In the sprints and hurdles they will have David Jahna, Rufus Wilson, David Williams, Abe McMillan, Jim Ervin, and Arnold Wilson. Newcomers in the speed and hurdle events include 440 men James Wilburn and Clinton Anderson; hurdler Pernel Gibbs, and dash men Charlton Weathers, Anthony

Carter, Ossie Rushing, Johnnie Brown, Tim Neff, Mike Hatcher, Carl Wingate and Eugene Cox. Lettermen for the Devils in the distance events include: Alan Portis, Jerry McKenzie and Mark Meyers. These three helped lead the Devil Cross-Country team to a ninth place finish in this year's state meet. They will get plenty of support from Bill Porter, Jeff Henley, Lonnie Abrams, Junior Hicks, Joyce Johnston, Greg Gray and Bruce Anderson.

The Devil lettermen in the field events are somewhat limited. Rufus Wilson returns with Casey Stukes in the shot. They will get help from James Wilburn and Larry Pough. In the discus no lettermen return, but Wilburn has shown much promise in early workouts along with Paul Ballentine and John Margret. Pough will throw the discus, if the senior basketball reports out after the roundball season.

John Margret, David Williams, David Jahna and Jim Ervin are the early front runners in the long jump. Other field men include: Ossie Rushing, Sam Finch, Henry Williams and Paul Ballentine in the pole vault and Casey Stukes, Charlton Weathers and Henry Taylor in the high jump.

John Boudreaux, Alan Hawkins, Mike Knight, and Billy Bolden will be running in various events as well.

## Govedich Wins Class A Weekly Tournament

Two teams tied for first place honors in the weekly Pro-Am golf tournament at River Greens last Wednesday, as 61 players, the largest group of the season, competed.

Dwayne Peter, Lowell Fluker, Fred Hoffer and Bernard Hoogterp, making up one team, broke even with a second round score of 70. Roncoe Flies, Karl Swason, Red Smith and Elmer Gregg.

Fred Govedich was Class A individual winner. Ray Grass was

the low class "B" player. Robert Foster wound up with "C" honors while Harold Kline was the top "D" player.

The next big event at River Greens will be the two men best ball tournament on Feb. 25 and 26. Teams for the tournament will be drawn on the basis of season's handicaps for the players entering, with one high handicap and one low handicap player to be assigned to each of the men's and women's teams.

## Redd Leads In Tourney

In the first round of the Avon Citrus Bank Tournament, Neil Redd is leading with a low gross score of 87, while Kathy Harty is second with a card of 88.

With 32 players in the first day of the tournament, the top gross scores were: First flight, Neil Redd, low gross, 87 and Flo Cushman, low net of 70. Second flight, Ruth Stevenson, low gross, 90 and Utz, low net of 69. Third flight, Edith Godwin, low gross score of 99 with Claire Irwin having a low net score of 70.

During the tourney, Flo Cushman

came closest to the pin on the 130 yard Number 8 green. The blind bogey winner for the day was Mary J. Touchton.

The second round of the Avon Citrus Bank Tourney will be played Thursday, Feb. 9, with tee-off time being 12:30 p.m.

In the Pincenest Ladies Pro-Am play last Tuesday, Jan. 31, the winners were: Larino, Claire Irwin and Ina Hines with a final 174. Members of the second place team were: Barbara Sachsenmaier, Heien Eppolito and Mariana King.

**SENIOR DEVILETTE GUARD** Sabrina Rushing is one of only four seniors on this year's Avon Park girls basketball team. Sabrina is 5'2" tall and has seen limited action this year with the Devilette team that is vastly improved over last year's team which won only two games in its first year as the girls resumed interscholastic basketball. Sunphoto by Tom Fleming.

## Minerettes Slip By Girl Last Week

Fort Meade-48, Avon Park-47. The Fort Meade girls basketball team handed Avon Park its third one-point loss last week when the Minerettes slipped by the Devilettes by a score of 48-47 in Ft. Meade Tuesday night, a week ago. The Avon Park girls have lost five games by a total of eight points-three by one point, one by two points, and another by three points.

In the rough game that was very loosely called, the Devilettes got off to a slow start scoring only 16 points in the first half while Ft. Meade scored 28 points. In the second half, the Devilettes came back strong scoring 15 points in the third quarter and 16 in the final period but came up one point short.

Meg Schuler with 13 points was high scorer for Avon Park with Laurie Welch second high with 9 points. Katrina Conner had 7, Thelma Wessels and Ellen Macklin had 6 each, and Linda Rowe, Tammy Ostling, and Bernice Taylor scored 2 points each for the losers. Lavette Williams with 17, and Karen Williams with 14 points paced the Ft. Meade victory.

**SENIOR DEVILETTE GUARD** Sabrina Rushing is one of only four seniors on this year's Avon Park girls basketball team. Sabrina is 5'2" tall and has seen limited action this year with the Devilette team that is vastly improved over last year's team which won only two games in its first year as the girls resumed interscholastic basketball. Sunphoto by Tom Fleming.

## Open Racquetball Tourney Feb. 18

The Avon Park Open Racquetball Tournament, which is cosponsored by the Avon Citrus Bank and Highlands Bank of Avon Park, will be open to all area residents.

The singles competition will be played on Saturday, Feb. 18, so all participants are asked to be signed up before 6 p.m. that day. You may register in the more advanced "A" class or the less experienced "B" class. There will be a Men's and Women's division. All participants are to be 17 or older.

This tournament is designed to be a fun tournament, where area enthusiasts may meet other players and have a chance to compete with them. Ten to twelve racquetball players from Lakeland have indicated their intentions to sign up and play in this tournament.

Sign up now! There will be trophies given to the top three places

in all classes. In addition to the trophies, there will be door prizes of racquets, balls and accessories given to lucky participants. So even if you don't play outstanding racquetball, you may want to sign up and have a chance at winning the door prizes.

Register by calling the recreation department at 453-4881 after 3 p.m.

The City Recreation Department wishes to thank all the volunteers that helped screen and paint the Racquetball courts last Saturday. Lots of hard work was donated by some busy people.

The final work day before the tournament to try and finish the improvements to the courts will be this Saturday, Feb. 11 from 8 until 4 p.m.

All volunteers planning on painting, please bring a roller or paint brush.

## Range Closed This Weekend

The Avon Park Bombing Range Recreational Area will be closed the weekend of Feb. 11 and 12, 1978, due to the utilization by the 7th BN 9th FA and the 3rd SFB, 20th S.F., West Palm Beach and Tampa respectively, both Florida National Guard units.

Individuals wishing advanced information concerning Opening-Closing and the range to the public may do so by calling our Automatic Answering Service Number, 813-452-4223.

## Striders Club To Run In 5.5 Mile Race

The Central Florida Striders track club will be quite busy during the month of February. This coming Saturday, Feb. 11, they will be running in a 5.5 mile race in Auburndale sponsored by the Lakeland Runners Club and the Auburndale Recreation Department.

On Monday Feb. 13, the club members, plus several Avon Park high track team members will be running in the First Gasparilla Distance Classic and Q10's Run for Fun in Tampa. The distance classic will cover 15,000 meters (9.3 miles for the non-metric minded) and the Run for Fun will cover 5,000 meters (3.1 miles).

A week from Saturday, Feb. 18, the local club will sponsor its second race of 1978 with a 5,000 meter run which will start from the high school. Membership in the local club are \$10 and this covers the cost of a running jersey with Central Florida Striders on it and the entry fee for the first five club races. For more information you may contact club founder Chet Brojek at Avon Park High School or at home 385-4736.

Since February has been declared Heart Month by Mayor Davis, why not do something good for your heart by starting a running and conditioning program? This is the best insurance you could have that you will be free of heart problems in the future. Remember, however, that any running program for older individuals should be begun only after a check-up by your doctor.

## Peffer A Flight Winner In Ladies Pro-Am

The regular Ladies-Pro-Am was held on Monday, January 30. The winning team was composed of Louise Peffer, Connie Clifford, Evalie Reed and Lovel Williams, with +20 points. Individual winners were as follows: A flight, Louise Peffer with +20; B flight, Pat Smith with +84; C flight, Evalie Reed with +104; and D flight, Lovel Williams with +5.

The regular Ladies Day tournament was held Tuesday, January 31. T's and F's was the play of the day. Winners were as follows: Berta Lu Holley, 27-14, won first place. Brian Hoogterp, with a 25 was second; and Mary Ellen Kline was third place winner with 30-4.

Middle School center Charles Dunn

**"INVITATION TO BID"**

(s) C. J. "Buddy" Wines, Chairman Board of County Commissioners, Highlands County 708  
Feb. 8, 1978

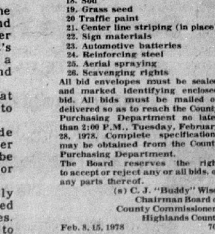

## Andre The Giant

best out West Palm Beach for the month of February. Koloff and Slatto, meanwhile, are the former Florida Tag-Team Champions. It's also possible that Putski will give a demonstration of his strength and sing to the crowd.

This is the fourth time that professional wrestling has come to Sebring and the SHS Gym.

Reserved seats and ringside tickets will sell for \$5 each. Bleacher tickets are \$4 apiece. Tickets may be purchased at Sebring High School or at the gate.

Another standing-room-only crowd of 4,000 spectators is expected to be present for the matches. Tickets should be purchased early to guarantee a good seat.

Ivan Koloff

## Top Pro Wrestling At Sebring High Monday

Professional wrestling, one of the top indoor spectator sports in Florida and extremely popular in Highlands County, will return to Sebring High School at 8 p.m. Monday, Feb. 13, with a star-studded card featuring several of the top pro grapplers in Florida today.

The beginning match of the night will see Don Serrano go up against Lakeland's Bubba Douglas. Wrestling second will be Big Tank Patton against powerful Rocky Johnson, the former Georgia State Champion and a contender for the world heavy weight championship.

For the first time ever, women wrestlers will perform in Sebring. The third match on the card will be a tag-team affair featuring Vicki Williams and Winona Littleheart against Pepper LaBianco and Lailani Kai. Miss Williams is a member of the Women's World Tag-Team Championship Team.

The final event of the night, and a real headliner, should bring down the roof and possibly the mat, too! It will be another tag-team affair with Ivan Koloff and Mr. Slatto going up against Ivan Putski and "Mr. Polish Power," and Andre The Giant, who

# Lively Living

## Section C

# Local G. I. V. E. Volunteers Featured

Governor Reubin Askew has proclaimed that the week of February 13 through 17 be School Volunteer Days, therefore G. I. V. E. (Grow In Volunteer Education) will honor all volunteers at a special luncheon to be held at the E. O. Douglas Campus in Sebring on Feb. 14, at 11:30 a.m.

GIVE volunteers help at each of Highlands County Schools, if not within a classroom, in the office, and etc. The GIVE program is partially funded by VISTA (Volunteers In Service To America.) The remainder of the funds required have been equally divided between federal sources and local funding

through the school board. Two Vista Coordinators, Lyn Dannele and Mary King are working under the supervision of Dr. Dan Davis, superintendent of Highlands County Schools. Mr. Aubrey Morris, supervisor of federal programs for the district, and Dr. Kathy

Crawford, coordinator of reading and language arts. The responsibility of the coordinators is to go into the communities to recruit, screen, match and train volunteers for the schools assigned.

Within the Avon Park school system, so far, only 12 adults have volunteered their time to help in the schools so that a child might have that little extra attention that he or she might need. More volunteers are desperately needed to fill vacant slots in the program such as: supervising classrooms which allows the teacher to work with special needs, grade papers, conduct flash card drills, tell stories, make puppets or flannel boards, provide individual help with students, help with clerical tasks such as typing or running dittos. These are just a few of the many ways that you could help in our school system.

Regular GIVE volunteers give a certain amount of time each week, and resource volunteers are those

who come to the school with their special skills, and present programs to the students. At the present time, the Avon Park Schools do not have a resource volunteer. If you have a special skill, can speak another language or have visited another country, you could help bring out a study program that the schools may be involved with.

We have featured four of our Avon Park volunteers, and hope that each one of them will give you the inspiration needed for you to back your school system and get involved with the work that the students do at school.

### Grow In Volunteer

Education goals are to help children and hopefully, help bring the community and schools closer together.

Connie Pearl, resident of Avon Park for 20 years, is married to Bob Pearl, a residential contractor, and they have two children. A son, Marty attends Avon Park Elementary School, and daughter, Shannon goes to the South Florida Junior College Day Care Center.

Connie is a student at Florida Southern College, Lakeland, majoring in elementary education. When asked why she became involved with the Give program, she stated that by participating, it gave her the opportunity to practice what she had learned in classroom studies.

She has been helping at the schools for a couple of months, and volunteered to help two days a week for four hours each day. Presently she is working in Mrs. Loveless' class at Avon Elementary, although she has helped at Hopewell. Connie stated that she was placed in Mrs. Loveless' class and enjoys being there as it provides for all-round activities and plans on continuing with the program until she completes her education. She receives experience from working with individuals and with the complete class. She makes puppets and puts on shows for the children, she also makes flannel boards to help demonstrate or bring out a point that helps the children to understand the subject better.

Connie wishes to stress that anyone who would like to volunteer, there is always a need for services. Such as, individuals to make puppets, flannel boards, and reading to the students, all services would be welcomed.

Her thoughts on the program: Not a program for young only, the older generation is more than capable of helping.

NAMOIE CRUNKLETON HELPS students with their writing in Mrs. Candy Payton's kindergarten class at Hopewell Elementary.

Namoie Crunkleton has lived in Avon Park for 17 years. She is married to Jack Crunkleton, a self employed contractor, and they have a four year old son, Jimmy.

Namoie heard about the GIVE program at the Avon Park Library where Jimmy was enrolled in a pre-school program. She became involved with the program because, "I had a lot of time on my hands," she stated, "and after becoming involved with church work at the First

Baptist Church, I wanted to work with children." Namoiie is paid nursery worker, leader of 5th and 6th grade 'Girl In Action' class, and assistant leader in the four year old 'Mission Friends', at her church.

To become a volunteer she filled out an application and was approved by the school board. Her duties are to help in a classroom as an aid. At the present she is working in different classrooms helping students with numbers, writing, and coloring, which enables the teacher to spend

more time with smaller groups. She spends three hours a day, Monday through Wednesday at Hopewell School. Her hobbies are needlework and reading when she has the time.

Her thoughts on the GIVE program: "It's a great program. I have a better understanding of what the school is trying to get across to the students. And it is a fantastic way for both parents to get involved with what their children are learning at school".

All GIVE volunteers are screened and school board approved.

Alice Smith is the author of "Things Out My Way" which was a column within the Avon Park Sun. She has now joined the volunteer program GIVE, and spends her Wednesday afternoons from 1 p.m. to 3 p.m. helping Mrs. Jimmy Garner, so that it will allow Mrs. Garner to spend more time with her students. Alice stated that on one occasion she taped a session from a history text book, and what she got from it was a raw throat and a lot of knowledge she didn't know before. Within her scope of work "I do whatever Mrs. Garner wants me to do, which so far has changed from week to week," said Alice.

When I asked her why she became involved with this program, Alice stated that she had become concerned with students education about 15 years ago, when her children were in school.

Alice's feelings on not being able to read was comparable to that of being locked in a dark room. She went on to say that "to be able to read and don't want to is a personal thing, but not being able to read is a dreadful thing." She went on to say that it was high time, if concerned, to help out if she could, and to help a professional was the only means she had of helping someone else. Alice also commented that the volunteer program pays dividends for the person involved.

She is the wife of Bill Smith and a resident of Avon Park for the past 10 years. Her hobbies are writing, decoupage and riding her bicycle. She is a member of the Woman's Club, and D. C. S. a church group. Bill is a retired school teacher, and is currently with real estate.

Alice's thoughts on the GIVE program: it's very easy to talk about and criticize, but when the opportunity comes along it's better to lend a hand, than to sit back and say, what a terrible state the educational system is in.

ALICE SMITH A new volunteer reads her GIVE handbook for volunteers. She helps on Wednesday afternoon at the Avon Park High School in Mrs. Jimmy Garner's classroom.

## Social Security Questions and Answers

Q. Last year I retired from the post office and found I needed six more credits to earn my Social Security coverage. Now, I hear I need to earn more. How many more credits do I need?

A. Your earned four credits in 1977 and need only two more now, but the way Social Security credits are earned has changed. Beginning January 1, 1978, you will receive one Social Security credit for every \$250 earned in 1978. In your case, you will have to earn \$500 in 1978 to receive the two Social Security credits you need.

Q. In the paper it stated I could earn \$4,000 in 1978 and draw all my Social Security checks, but in my A.

A. R. P. magazine, it states I can only earn \$3,240 to get all my checks; which is right.

A. Both; starting January 1, 1978, there are now two "retirement tests" for Social Security.

1. If you are sixty-five in 1978, or will become sixty-five in 1978, or may earn \$4,000 and receive all benefits.

2. If you are under sixty-five for all months of 1978, then, you may earn only \$3,240 and receive all your checks.

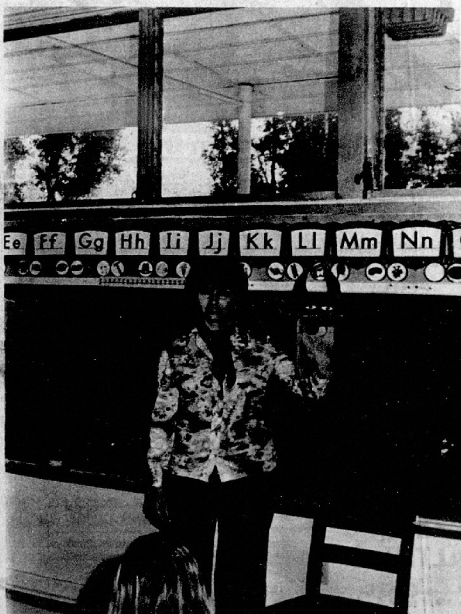

Q. My company has mandatory retirement at sixty-five. I'll be sixty-five in June; when should I file for Social Security?

A. I used to say three months before you retire, but the 1978

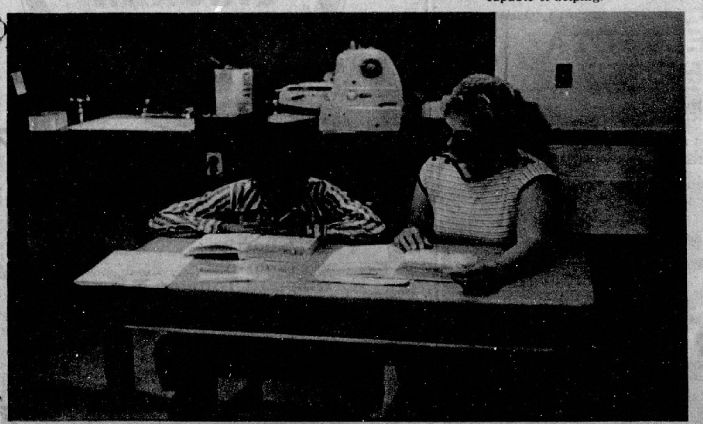

Amendments have changed that. With few exceptions, a Social Security benefit can be paid only for the month filing. Retroactive benefits are practically a thing of the past. You should contact your Social Security office to file as soon as possible to avoid loss of benefits.

Q. My widow's check was reduced from \$327 to \$170 last year when I remarried. The paper said that law has now changed; will I get an increase?

A. Yes, but not until January, 1979. The new law states that widow's benefits will not be reduced by remarriage after age sixty, beginning January, 1979.

CONNIE PEARL GIVES a puppet show to the delighted children of Mrs. Loveless' class at Avon Elementary.

JEAN TODD, AN Avon Park Middle School GIVE volunteer, listens to Dipoko Jacobs read. She also has another student that she helps on a one to one basis in reading.

Mrs. Jean Todd, helps at Avon Park Middle School in the Title I reading program and works on a one to one basis with students from Mrs.

Watson's class. She became a GIVE volunteer, after taking with Mrs. Namoiie Crunkleton, and reading an article in the Avon Park Sun. She stated that she had extra time on her hands and decided to put it to good use. She likes children and wanted to help if she could.

Jean is the mother of eight children, four boys and four girls.

Four of these children are enrolled within the Avon Park school system. Randy and Barry are at Avon Park High. Jay is at the Middle School, and Michelle at Avon Elementary. Vicki, Connie, Arthur, and Debbie are out of school. Jean also has a granddaughter at Hopewell School and two grandsons at home.

Jean is the wife of Roger Todd who is employed at T & N Land Clearing. Her hobbies are macramé, church work, and gardening. She

has been noted as being a very faithful volunteer.

Her thoughts on the program: A real good program. From my own experience I can see that it has helped the students. I think it's healthy.

# Holiday Ranch News

By Barbara Ebmeyer  
Holiday Ranch residents have a real treat to look forward to. Norm and Ida Ringer of New York State called unexpectedly Thursday on Al and Mariam Petteys and said they would be back for the week of Feb. 12. All those who were here last year and the year before

They enjoyed dinner at the Captain's Restaurant of the Holiday Inn at Titusville. The Lees guests on Monday were Mr. and Mrs. Orville Rice of Terre Haute, O. Floyd and Violet O'Neil had company from Dover, Wednesday. They were Mr. and Mrs. Paul Patty and Hil and Jody Thomas who are

the O'Neil's neighbors in Iowa. Max and Dora Crosssett motored to Punta Gorda Wednesday and spent the day visiting Mr. and Mrs. Lee Ross of Shell Creek Park. They are summer residents of St. Louis, Mo. Mr. and Mrs. James Rhodes and daughters

Jackie and Susan of Punta Gorda visited the Willis Lehman's Sunday. Their home is in Monroe, Ind. Mrs. Rhodes is Mrs. Lehman's niece. Calvin and Isobel Lillie of Bronson, Mo., arrived Saturday evening in time to join the weekly potluck supper in progress. Isobel is

a niece of Mary Walterhouse. They will stay a few days. Bob and Mary Walterhouse and Bill and Leona Lynn were at Circus World Tuesday. Other guests this week of the Walterhouse's were Lawrence and Alice Smith

of Lake Letta on Monday, Dr. and Mrs. H. D. Furst, of Bremen, Ind., Russell and Kathryn Bolt, and Ed and Lillie Overholt of Sebring. The Lawrence Rouches of Lakeville, Ind., arrived this week after bad weather up north had held them up. Dorothy Manges is much improved after more than a

week of illness. The Wednesday evening card group is active, but would welcome more players in the red room. At Monday morning's coffee Ray Robertson, wagonmaster, announced that there would be a chicken barbecue dinner Saturday at 5 p.m. Bob

Savage is in charge. He asks that anyone who was chicken should sign up for Wednesday evening. Petteys will be next week's wagonmaster. Mr. and Mrs. Clair Rees and the Max Crosssett attended the Sudan Interfaith Mission Conference Sebring, Sunday.

will be delighted to have them back. Norm endeared himself to everyone with his accordion playing. His concerts in the rec room proved that he could play any song that was needed for, and he generously complied. His love of music is catching. He played several other instruments in addition to the accordion.

The Petteys overnight guests Friday were Clifford and Ida Hoose of Ravens, N. Y. On Saturday they all attended the Lippizan Horse Show at Myaka. The Angie Tessmers and Ted Lees toured the Kennedy Space Center, Friday.

## Southside Park Community News

By Calvin Gibbs  
HI Friends,  
Welcome to Southside Park Community News. This week I would like to apologize to all of those who submitted pictures and articles to me for publication last week and the week before which were not published. It appears that either you are submitting the articles to me too late or that I am submitting them to the press too late. Ordinarily this article goes to the press on Monday, but lately it has gone in on Tuesday. I have been instructed that the article would appear in full print and in the same section of the people if I can meet the Monday deadline. I solicit your support in this effort.

Calvin C. Gibbs

Church News:  
The Apostolic Church of Jesus had regular services Sunday with Deacon Ben Hicks and Deacon Pharoah Miller in charge of devotion in morning and evening services. Elder Thomas Brown brought the message in both services. Had communion and feel the during evening service. All services were enjoyable.

We will like to thank each participant who attended "The James Cleveland's Workshop of America" Concert Saturday night. We had such a fine audience and a spiritual time, again we say thank you for coming.

We will be in revival Services beginning Monday, February 13. Elder Charlie Wimes of Vero Beach will be in charge. Come out and hear this God sent man sing and preach the gospel. So much for now. Hope to see you then.

Sis. Virginia McRae, Reporter

Elder Thomas Brown, Pastor.

## Harry Lee's

## Trailer Village

By Mabel Stocker  
Anna Herzberger and her son and wife, Mr. and Mrs. Allen Herzberger of Virginia, Ill., have arrived to spend a few weeks in Anna's home in the village.

On Tuesday afternoon, an Avon Party was held in the shelter with 19 ladies attending. The party was hosted by Lydia Glen. The demonstrator was Mrs. Thelma Carter a visitor in the village. Contests were enjoyed with refreshments served after the party.

Mr. and Mrs. Russell Corn accompanied Mr. and Mrs. Oscar Carnes of Sebring, to a Miami hospital for eye surgery. While there the Corns are staying with their son Joe and family.

## Avon Park Mobile Home News

**Ruth E. Robinson**  
Monday morning was a beautiful sunny day, but cold. However a happy bunch of people sang to Mr. and Mrs. Edwin Feehan, "Happy Anniversary" and to Mrs. Alta Listenfelt "Happy Birthday" at the coffee hour. Announcements included: An Ladies Choral Club are scheduled to sing at the Hillcrest Nursing Home, conducted by Mrs. Mildred Long. The Women's Club of our park will meet on Friday at 1:30 p.m. There will be a Valentine Party on Saturday evening at 7. Dress in your "bb" and "tucker" for this special occasion with a smile on your face and love in your heart!

Our sympathies are with the families of Mrs. Mildred Shearer, formerly of Canton, Ohio who passed away last Saturday at the internment at the Welch Funeral Home in Canton, Ohio. Mrs. Shearer had lived with her daughter in Hollywood for the past few years. Mr. Charles W. Garner died at Walker Memorial Hospital after a serious illness and operation. The internment will be on Saturday from the Dodsworth Funeral home in Macomb, Ill., Mr. and Mrs. C. K. Bingley of Del Ray Beach, and Mr. Eugene Davis, of Grayslake, Ill., a nephew, are the closest relatives. The "Steering Committee" of our park members include: Mr. Paul Thos. Jr., Mr. Delbert Husband, Mrs. Joe (Susie) Bacon and Mr. Howard Smith, alternate.

Mr. and Mrs. Elmer Payne of Coloma, Wis., spent two days with Mrs. Bea Tingle last week-end and Mr. and Mrs. David Tingle with daughter Tara, from Brandon, spent Thursday with his grandmother, Bea Tingle. Helen Smith, Thelma South, Mable Crocker, and Mr. and Mrs. Hazel Stickley from Brandon, recently returned from a cruise to Nassau and French Polynesia. The report cool weather there, also.

Mr. and Mrs. Melvin Flory, Mr. and Mrs. Nelson Dills, Mary Lantzer, all of Sarasota, had dinner last Thursday at the Ellis Martin Home. Afternoon callers were Mr. and Mrs. Walter Culp and Mrs. and Mr. Charles Welby, Mr. and Mrs. Robert Ken, Mr. and Mrs. Walter Culp, Mr. and Mrs. Ardale Weber of Sebring and Alma Seiber with Mr. and Mrs. Ellis Martin spent Tuesday at Wotter Haven and enjoyed dinner at "Duffs". Mrs. Gladys Geig, Mrs. Lucille Shoemaker and Mr. and Mrs. Boyd Dager spent their Sunday at Anna Marie Island, celebrating "Minerva Day" for the fifteenth consecutive year. Mr. and Mrs. Carl Dager from Robertsville, Ohio visited with the Dagers, also.

The Paul Thomases had guests from Brandon, last Sunday. Mr. and Mrs. Charles Howestine, cousins of Paul, and Paul's aunt, Mrs. Gladys Forest. They all came originally from Fort Wayne, Ind. Week end visitors of Delbert and Marie Husband were, Mr. and Mrs. Cloyce Hoffer, Mr. and Mrs.

Gaylor Miller, Mr. and Mrs. Gaynell Cole of Ind. Their son and daughter in law, from Bay City, Texas. Misses Murchie and Edith Castanion from Upper Sandusky, Ohio, are presently visiting with Mr. and Mrs. Robert McElh. They came from Fort Lauderdale and will be making their next stop at Fort Myers to fit in with other members of the family, consisting of eleven brothers and sisters, with Edith being the eldest. May God bless them all.

Mr. and Mrs. Russell Bridge visited a brother at Bradenton, Mr. and Mrs. Norman Smith and daughter Dawn; also a sister and her husband, Mr. and Mrs. Theodore Miller of Sarasota and Bradenton, last week-end.

The Strombergs enjoyed a week end with their son who came from Wisconsin on Monday. He liked our cool weather. He enjoyed playing golf 3 times, they went to Cypress Gardens, Daytona Beach and spent a day at St. Augustine. He flew back to the cold north on Saturday.

Mr. and Mrs. Ted Nelson and Marge and Leo Vroman had dinner at the Red Lobster on Sunday followed by a visit to Fay and Lucile Scheevel at Lakeside Ranch near Haines City. Mr. and Mrs. Lee Listenfelt visited this week-end with a nephew and family in Hialeah. They attended services with them at the New Testament Baptist Church where Venice is the new business manager of the Christian Day School and Church.

Mr. and Mrs. Edwin Feehan celebrated their fourth wedding anniversary, a day early, on Wednesday by taking some of their friends to the ranch for breakfast. Those going were, Mr. and Mrs. Warren Byrns, Mr. and Mrs. Sponsor Limbaugh, Mr. and Mrs. William Belcher and Mr. and Mrs. Claron Monroe.

Those who are ill include Miss Florence Beck at Walker Memorial Hospital and Mr. Ellis Martin, who is now on the road to recovery. The Avon Mobile Home Park family gathered their usual postal stamps for Shepherds, Inc. of Union Grove, Wis., which is a Christian home and school for the Mentally Retarded. The young folks there have them for a project; Mrs. Foster McNeil, our good neighbor collected and sends them. Remember to save your cancelled stamps and give them to her, in the future.

The Saturday night sing was attended by 45 people who were entertained by the Women's Chorus, accompanied on the piano, by Mrs. Eleanor Damon. Dorothy Keyes gave a reading on "Difficulties with Frozen Pipes". Paul Thos. gave two readings about "Old Time Farming".

Dorothy and Albert took a week end trip from here to Bradenton, St. Pete, Tampa, Clearwater and back home in very heavy traffic. Would you believe that the stores that they were interested in were closed everywhere.

### "Eat With Eckerd" Banquet At

#### Holiday Motel

Special "Eat With Eckerd" banquet will be held at 7 p.m. Monday, Feb. 26 in the Holiday Motel Cafeteria Banquet Room in Sebring. Sponsored by the Highlands Republican Women's Club, it is the first in a series of three gubernatorial candidate introductions. Jack Eckerd, former administrator of the United States General Services Administration, (the business end of government) will speak on "The Financial and the Moral Problems of Florida Government". Eckerd's concern for the consumer took him to the Supreme Court to fight price-fixing laws. He won the right to sell eye-glasses for less. As a consequence, the present governor appointed him for leadership on the Governor's Management and Efficiency Study of State Government, a project which saves Florida taxpayers \$70 million a year, each year to come.

#### County Court News

The following cases involving traffic accidents have been disposed of recently in county court: Edward O. Channell, no valid driver's license - assessed \$100 penalty and \$12 in court costs; James Richard Bush, failed to leave information - dismissed; Charles Howestine, no tag - assessed \$40 penalty and \$12 in court costs; Edwin Paul Powers, willful and wanton reckless driving - assessed \$150 penalty and \$12 in court costs; Edna Kelly Mole, failed to obey stop sign - assessed \$72 penalty and \$12 in court costs and \$12 in court costs.

Serena Rigidon Albritton, violation of right of way - assessed \$50 penalty and \$12 in court costs; John Rayner Breed, careless driving - assessed \$50 penalty and \$12 in court costs; Charles Bailey Jr., careless driving - assessed \$50 penalty and \$12 in court costs; Charles Bailey Jr., careless driving - assessed \$50 penalty and \$12 in court costs; Charles Bailey Jr., careless driving - assessed \$50 penalty and \$12 in court costs; Charles Bailey Jr., careless driving - assessed \$50 penalty and \$12 in court costs.

## Winter Guest Club News

**SHUFFLING**  
Saturday, Jan. 28, the Winter Guest Club A division had four courts of players. The Main winners, Alton Wetmore and John Henderson, taking first place and Kellie Larew and Dick Meyer coming in second. In the Consolation play it was Charles Bidstrup and Virgil Lhotka first place with Herbert Woolscroft and Ernest Thomas, second.

In the B division there were 10% courts with the Main winners being Helen Brady and Mildred Frye first place, and Henry Berlew and Foster Joliff second. In the Consolation play it was Mary McLarty and John Herren first, with Rubie Pritchard and Leo Vroman taking second.

On Saturday evening, Jan. 28, there were 120 members and guests in attendance for the regular Pot Luck Dinner. The host and hostesses were Mr. and Mrs. Foster McNeil and Mrs. Maude Abbey. Readings were given by Mrs. Abbey and Mrs. McNeil. Guests included Carroll and Gloria Wadsworth, Rodney and Carolyn Farrington, Richard and Beatrice Marchand, Stewart and Christine Rowe, Ruth Gabel, Thelma and Harry Cartwright.

**Pinochle**  
Friday, Jan. 27, there were 11 tables for pinochle with Clarence Dethoff first with a 790 and Leo McFrederick second with a 782.

Monday, Jan. 30, there were 11 tables again for

pinochle. Mary Neale was high with 720 and Lee McFredericks next with 714.

**Bridge**  
Tuesday, Jan. 31, there were 6% tables for bridge with Tom Chase high with 5440 and Joe Nickerson second with 5060.

Thursday, Feb. 2, there were 6 tables for duplicate bridge. North-South division saw Emma Carlson and Sarah Spindler first, Ruth Shotts and John Shoen second and Ada Johnson and Ethyl Harden third. East-West division saw William Porter and Maurice Brevoort first, Tom Chase and Gil Bazane second, Gertrude Link and Barbara Ebmeyer third.

February 2, was another busy session for the workers at the Guest Club rooms. Eighty members were present working on six different projects. Purse made from milk bottles occupied one table and quite a few caddy kittens were being produced. The number of Bargello kittens has increased since last week. Also Pine Needle workers are making some beautiful articles. Some lovely quilting pieces are in the making. This project which needs nimble fingers to roll the eighty inch strips of paper and then shape into

ornamental form. However members are becoming adept and many lovely articles, objects, are being made. Acrylics are still keeping many busy. The latest project which is "The Eye of God" finds members doing a wonderful job.

Many articles are on display and many more are in the making. An added

attraction is pendants made in the fashion of the eye, but in metallic thread. There are lovely and will make beautiful gifts. All in all Hallie's class is doing a great job and the Hobby

Show this year promises to be one no one will want to miss, March 8, and 9 is the date to remember.

## School Menus
