

CANDY STRIPERS AWAITED their turn to receive their caps for volunteer service at Walker Memorial Hospital during a dinner meeting with the Pink Ladies last Monday night. From the left, Kathy Biggie, Debbie Watford, Chanda Benjamin, Susan Rice and Elaine Taylor with Pauline Tondoe, director of the auxiliary presenting the caps. Sunphoto by Lew Miller.

Volunteers Praised At 'Pink Lady' Banquet

Festive fall colors in flower arrangements and table appointments set the tone, Sunday evening, Nov. 21, for the annual "Pink Lady" banquet. Six Candy Strippers and over 50 Auxiliaries were the guests of the hospital administration. Chaplain Harry Bennett gave the invocation. In his words of welcome, Administrator John McClellan, praised the volunteers for many hours of service. After a gourmet meal,

DURING THEIR DINNER meeting last Monday evening at Walker Memorial Hospital, the Pink Ladies honored several of their members with pins. From the left, Ruth Walker, assistant hospital administrator presents Ruth Walker with her 2000 hour pin. Ethel Olson and Helen McCann received their 100 hour pins. Sunphoto by Lew Miller.

Dorsey Enlists

In Air Force

Enlisting in the United States Air Force is Edward J. Dorsey, son of Mrs. Henry Dorsey of 105 5th Street, Avon Park, Florida. Airman Dorsey entered the Air Force's Delayed Enlistment Program (DEP), which permitted him to depart on a selected date within the next nine months. He selected February 21, 1978 as his entry date for active duty, although he is already accruing time in service for pay purposes as a member of the DEP. Airman Dorsey successfully completed a series of tests which qualified him to enter the Aircraft Mechanic field of training, after completing six weeks of basic military training at Lackland AFB, Texas.

A 1977 graduate of Avon Park High School, Airman Dorsey was enlisted into the Air Force by Sergeant Ray J. Gutzier of the Lakeland Recruiting Office.

Jackson Joins Air Force

Enlisting in the United States Air Force is Larry D. Jackson, son of Mr. and Mrs. Walter E. Jackson Sr. of 706 West Winfield Street, Avon Park, Florida.

Airman Jackson entered the Air Force's Delayed Enlistment Program (DEP), which permitted him to depart on a selected date within the next nine months. He selected May 22, 1977 as his entry date for active duty, although he is already accruing time in service for pay purposes as a member of the DEP. Airman Jackson successfully completed a series of tests which qualified him to enter the Disbursement Accounting field of training, after completing six weeks of basic military training at Lackland AFB, Texas.

A 1977 graduate of Avon Park High School, Airman Jackson was enlisted into the Air Force by Sergeant Ray J. Gutzier of the Lakeland Recruiting Office.

Obituaries

Bert Nemire
Mr. Bert L. Nemire, 82, of Avon Park, died Sat. evening Nov. 26. A native of Deposit, New York, he had lived in the area for 18 years. He was a veteran of W. W. I. and was a member of the Veterans of World War I-Highlands Co., Barracks No. 567.

He is survived by a sister, Mrs. Carrie Corey, Deposit, N. Y. Visitation for friends was held Tues. Nov. 29, from 6 p.m. to 9 p.m. at Fountain Funeral Home Chapel. Funeral services were held Wed. Nov. 30, at 2 p.m., at the Fountain Funeral Home Chapel, with Mr. Rodney Lane, officiating. Entombment followed in Bougainvillea Cemetery. Arrangements by FOUNTAIN FUNERAL HOME, AVON PARK.

Jesse Osborn
Mrs. Jessie Osborn, age 74, of Avon Park, passed away at Walker Memorial Hospital Thursday, Nov. 23. She had lived in Avon Park only six months, spending most of her life in Chicago and Miami. Mrs. Osborn was a graduate of the American Conservatory of Music in Chicago and a retired piano instructor. Mrs. Osborn is survived by one daughter, Mrs. Jessie Snyder, and one son, Franklin Meyers Keiler. She is also survived by two grandchildren and two great-grandchildren. Graveside services were held at 2 p.m. Saturday, Nov. 26, at the Lakeview Memorial Gardens with the Rev. Edward Tharpe officiating. Stephenson-Nelson-Smith Funeral Home were in charge of arrangements.

USING SLIDES, Dr. Tony Chen, gave Rotarians a explanation of the techniques of eye surgery at their noon somewhat technical meeting last Wednesday.

Dr. Tony Chen Presents Program At Rotary Club

Program chairman for November, Dr. Ron Sevigny, presented Dr. Tony Chen, local ophthalmologist, who provided a program on intraocular lenses and removal of cataracts. Dr. Chen was born in China and received his medical training at Rangoon, Burma, graduating in 1968. He later did graduate work at Harvard University and post-graduate work at Walter Reed Hospital, Washington, D. C. He specialized in intraocular lens courses and studied under the famous eye specialist, Dr. Tennant, Dallas, Texas. Dr. Chen's program included a slide presentation illustrating how cataracts obstruct vision and the various methods available to improve sight if a cataract develops. He reported that lens implants have been common in Europe for many years, but have only become popular in the United States since 1968. The slide presentation illustrated the four major lenses that have been used during recent years. Some had "clips" to hold them in place, others were stitched in place. "Fixation" is one of the major problems that had to be overcome. Intraocular lenses provide the best possible solution in many cases of vision problems, but as any other operation, contains certain elements of risk. The program was very interesting and informative.

Robert Iba Makes 400th Flight Across Atlantic

Robert Iba began his 400th crossing of the Atlantic Ocean on Oct. 29, in a Britten Norman-Trislander manufactured at Bembridge, on the Isle of Wight, in England. He departed Shannon, Ireland for his first and overnight stop was Reykjavik, Iceland, from there to Gander New Foundland, and on into Burlington, Vermont for Customs Clearance and his destination, Caldwell, N.J. According to Mrs. Iba, Bob Iba, as he is known around the world, is a very unique person. His idea of making a living for his family is to ferry light aircraft to every corner of the world. The majority of the planes that he ferries, are single engine planes, although occasionally he has delivered larger ones similar to the Piper Navajo, or Grumman Mallard. Bob started ferrying airplanes across the Atlantic in 1965. He also delivers across the Pacific but prefers heading for continents instead of little islands, such as the ones that are in the Pacific. He recently returned from delivering a Cessna 172 to Jakarta, Indonesia and brought back on the return trip a Grumman Mallard, which was built in 1966. Bob Iba, wife Rosemary, and daughter moved to Avon Park from Fort Lauderdale and he has now based his planes with the Avon Park Flying service facility at the airport. Rosemary said that she occasionally accompanies her husband, as his co-pilot on some of his trips.

Robert Iba

Christmas Bazaar, Dec. 3

The United Methodist Women will sponsor a Christmas Bazaar, Saturday, December 3rd, in Wesley Hall. The bazaar will open at 9 a.m. Handmade items will be featured, also baked "goodies" of various kinds. Pie and Coffee will also be available. Some come out and enjoy the fun and fellowship.

Conservative Policies Was The Theme At The Southern Republican Conference

The overwhelming theme of the Southern Republican Conference held at Disney World was conservative policies and genuine patriotism. The conference was well attended and highly informative, states Mrs. Lloyd (Lorene) Grate of Sebring.

The Panama Canal Treaty was rejected by at least 90 percent of those attending from Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, Oklahoma, South Carolina, Tennessee, and Texas.

The highlight of the conference was former California Governor Ronald Reagan's address at the opening event. When tickets were made available, they were immediately sold out and well over fifty checks had to be returned to those hoping for cancellations.

Governor Reagan's forty-five minute address was constantly interrupted by enthusiastic applause and

several standing ovations. No doubt was left concerning complete support for his stand on every major issue covering his opposition to the canal treaty, welfare, and the Social Security initiative which is now \$17 trillion according to the latest figures furnished by the Social Security board of trustees.

Governor Reagan's remarks on our dangerous position for national defense as compared to Russia-our absolute inability to defend ourselves against a surprise attack-and his unalterable opposition to the Canal Treaty in which we agree to pay the Marxist dictator of Panama between 50 and 70 million dollars per year to "take" the canal, received the greatest audience reaction.

Former Texas Governor, John Connally gave the keynote address the following morning. Gov. Connally, like Gov. Reagan, unalterably opposes the canal give-away. He, too, gave a

Loren Grate
REPUBLICAN

frightening report directly from our Defense Department on our unbelievable defense posture. Both speakers stressed the importance of expanding energy resources rather than to force the American people to constantly conserve energy uses. Our energy supplies could be unlimited with proper planning and development.

Senator Paul Laxalt of Nevada, was very popular and received complete audience approval. Senator Howard Baker was the only speaker who refused to divulge his position on the canal treaty even under stern questioning from those in attendance. He stated that he had over 22,000 letters on the canal issue and less than 500 were for the give-away.

Former President Gerald Ford accepted and immediately cancelled a speaking invitation. Many Republican leaders stated that he did not want to face the conference in view of his continued strong support of the canal treaty.

Southside Park Community News

By Pernel Gibbs

Friends, Welcome to Southside Park Community news. The Thanksgiving season has just ended and the Christmas season is fastly approaching. Almost everyone seemed to enjoy the turkey season immensely. There were many visitors in this area from far away places and nearby places. There were several activities during the season which attracted large audiences. Some social and some spiritual activities. We trust that all of those who have returned to their various destinations that you can return for Christmas. Until then, so long, and best wishes until we meet again.

Business Administration.

"Good luck Katrina!" College students are home again (for turkey).

Al is a freshman at Florida A&M University. He is a graduate of Avon Park High School. He entered the college with a four year track scholarship.

Alphonso Williams
Thought Conditioner
of the Week

This conditioner states a very serious warning. If over a long period of time a person habitually fears something, there is a tendency for that fear to become a reality.

For example, if you fear that you are going to fail, and you constantly entertain thoughts of failure, you will create a mental condition that is propitious to failure. Creative, positive, success factors are repelled by that fear of failure.

On the contrary if you hold the faith thought, the positive thought, you will create about yourself an atmosphere propitious to success, health and well being.

The thing which I greatly feared upon me, and that which I was afraid of is come into me. Job 3:25.

Yours Truly,
Pernel Gibbs

MISS BRICKHOUSE 1977,
Miss Patricia Washington.

Miss Brickhouse 1977 Crowned

Miss Brickhouse of 1977 was crowned Thanksgiving day, Thursday, Nov. 24, at the Saran Club in Avon Park. Miss Patricia Washington, 20, of Avon Park won the Second Annual Miss Brickhouse Beauty Contest sponsored by Bob Oliver, owner of the Saran Club.

The five contestants were asked to participate in two different parts of the show. The first part included a talent and beauty grading session. Miss Washington did a modern dance and sang "Got To Give It Up" for the audience and judges. The first runner-up, Miss Thelma Griffin, 22, sang Denise LaSalle's "Let a Man Do a Man-Sized Job," while the second runner-up, Miss Jonny Mae Griffin, 21, did a creative dance and sang "She's a Brick".

The second half of the show consisted of a question and answer contest to assess the girls' personalities. Questions such as "Why did you enter the Miss Brickhouse Contest?" "Do you think you'll win?" and "What is your ideal date like?" were asked.

Other contestants were Miss Eliza Levenson, 22, and Lucille Pope, 19.

The queen received a trophy, a gift certificate and the crown.

for a year. Next year's contest is hoped to be held at the Avon Park National Guard Armory on U. S. 27 South. Carroll Hamilton served as master of ceremonies and Edith Brown, Arlene Davis, Brenda Dorsey, Bernadette Dorsey, and Viola Williams helped with the production.

Today's Chuckle: If you went to bed at eight o'clock in the evening and set your alarm to get up at nine in the morning, how many hours of sleep would you get?

Answer: one hour.

The Apostolic Church of Jesus
In behalf of Sister Catherine Moore, I would like to thank all pupils who helped and made the concert a success Saturday, Nov. 26. We had services Sunday. Missionaries

December 10, 1977 marks the 29th anniversary of the Universal Declaration of Human Rights by the United Nations, therefore, Mayor Marshall Davis has proclaimed Dec. 4-11 as Human Rights Week.

In his proclamation, Mayor

Highlands County EMS Report

Highlands County Emergency Medical Service reports there were eight emergency runs, eight in-county transfers and nine out-of-county transfers during the week of Nov. 20-26.

During the same period, there were 18 emergency runs and one in-county transfer in Avon Park and 12 emergency runs in Lake Placid.

Davis stated that human rights and good human relations are the result of preserving, protecting and perpetuating the rights of each individual's

freedom, dignity and pride. He went on to say, "I urge the citizens of our City to continue their pursuits in the area of Human Rights."

Volunteers Honored By American Cancer Society

Volunteers were honored at the annual banquet of the Highlands County Unit, American Cancer Society, at the Sebring Elks Club. Master

of ceremonies was the Rev. Eugene Fensler, unit president. Honored for service to cancer patients were Mrs.

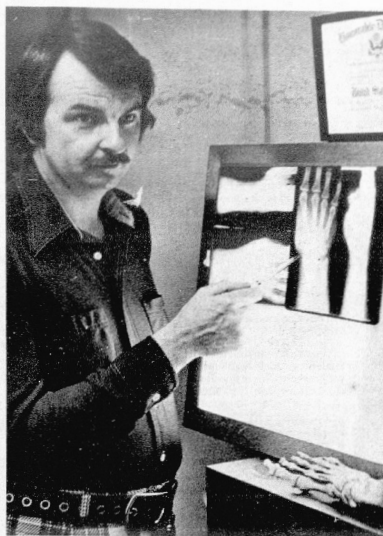

Gary Dressel, Mrs. S. C. Spencer, Mrs. Malcolm Watters, Mrs. Ted Daigneau, Sebring Woman's Club and Mrs. Helen Reed.

Mrs. Barbara J. Kurtz, R.N., was honored for her role in professional education, and public education awards went to Mrs. Joan Endicott, R.N., of the Senior Woman's Club of Avon Park, Dr. Michael D. Wesson and Rev. Fensler.

Cancer Crusade citations went to Mrs. Russell Douse and Mrs. Theresa Thompson. Board members honored were John Marshall, treasurer; Ida Dorman, secretary and W. Ralph Dilling, vice president and public information director. Past president pins were presented to Dr. Wesson and Mrs. Dressel.

Guest speaker at the banquet was Miss Marjorie Duchano, R.N., of Orange Memorial Hospital, Orlando. She stressed the importance of volunteers in the fight against cancer and lauded the chapter for its work.

Mrs. Spencer reported this week that she has some Christmas cards being sold to aid the Cancer Crusade. She said there are 25 to a box, and a contribution will be accepted for each box. Further information can be secured by phoning 385-6882.

Dr. Massam

USING AN EX-RAY as a diagnostic tool, Dr. Robert Massam, Diplomate of the American Board of Orthopedic Surgeons, pointed to a fracture in a patient's hand. Sunphoto by Lew Miller.

Dr. Robert Massam Accepted As Diplomat

Following two days of oral and written certification examinations Dr. Robert Massam, M.D. was accepted as a Diplomate of the American Board of Orthopedic Surgeons, thus ending a year of intensive study and review.

With the news of his passing all of the exams and becoming a diplomat, Dr. Massam's office was decorated with streamers and congratulatory messages by his staff.

The certificate of diplomat is the hardest to get, stated Dr. Massam, who has been practicing orthopedic surgery since August, 1976 at his Beach Drive office on Lake Lillian. Besides a year of practice, to be eligible to take the exams, a board of four orthopedic surgeons and a hospital chief-of-staff must declare that the applicant will be an asset to orthopedic surgery.

The year of preparation and study for Dr. Massam included two two-week long courses, one at Columbia University, New York City and the other at the University of Maine, Augusta, Maine.

There were seminars and conferences to be attended along with the review of orthopedic journals and listening to orthopedic surgery cassettes. Finally he took a self assessment test, or what is called a mock board. This was climaxed by the two days of exams at the Chicago, Ill. headquarters of the American Board of Orthopedic Surgeons.

The next step for Diplomat Dr. Robert Massam is being inducted in February, 1980 as a Fellow of the American Academy of Orthopedic Surgeons.

However, this is a lifetime honor for orthopedic surgeons.

Dr. Massam is the son of Dr. and Mrs. Alfred S. Massam of Wauchula. He was born in Boston and moved to Bartow with his parents in 1949. Graduating from Bartow High School in 1961 he attended Emory University Atlanta, Ga. and received his B.S. degree in pre-med with majors in chemistry and biology.

In 1969 he received his Doctor of Medicine degree from the University of Miami. After a year of internship at the University of Tennessee Hospital in Memphis he began a four year residency in orthopedic surgery at University Hospital, Jacksonville, Fla., which is affiliated with the University of Florida, Gainesville, Fla. This was followed by two years in the United States Army Medical Corps at Ft. Hood, Texas.

Why did the son of a general practitioner go into Orthopedics? Dr. Massam's answer was short and direct. "I liked the mechanical aspects of orthopedic surgery." And why did he choose Avon Park for his practice? "I lived in this area of Florida all my life."

Holding a commercial pilot's certificate and a seaplane certificate, Dr. Massam obtained his pilot's license at Memphis in 1969. Besides flying, he likes golf and hunting.

Along with the studying and reviewing for the exams, Robert Massam and Karen Vinci, daughter of Mr. and Mrs. Samuel Vinci, Leesburg, were married in February, 1977.

Avon Park City Council Holds Short Business Meeting

Bids, appointment of members of sewer project report and Christmas holidays were among the items discussed during a relatively short business meeting of the Avon Park City Council, last Monday night.

With only one bid presented the council moved to purchase a Burroughs computer for the sum of \$17,801 for use by the water department. Only one bid was also received on the purchase of a Breatherizer Model 1000 from the Jones Equipment Company for \$1800, to be used by the Police Department in testing the degree of intoxication of individuals suspected of having imbibed too much.

The council moved to advertise for bids on a new garbage truck chassis and a 30 cubic yard packer body, with delivery to be expected in approximately six months.

The Christmas holiday for employees was set for Monday, Dec. 26 with the usual Christmas bonus of \$20 to be given to each employee. The council also cancelled the regular meeting which would normally have been held on Dec. 26.

On the Planning and Zoning Commission it was recommended that Rosa Lee replace Estelle Dickson. When City Attorney Jack Hancock stated it made no difference if two people from the same office were on the commission, Richard Peavy was also recommended to replace Clarence King. Both were appointed to the commission.

In his report, James Heim, architect stated he had sent a revised budget to the Economic Development Administration showing that

the bid for the new fire station was \$92,000 under the total grant money. Heim presented change order No. 1 for \$3,571.45 for rerouting and installing a six inch water line and fire hydrant because the original line was in the proposed location for a fire training tower. The change order was approved.

Heim's next request was a change order to add a fire training tower to the project. Plans need to be completed and a cost estimate obtained from the contractor. The council gave preliminary approval to add the training tower to the project plans. Representative Gene Ready was present at the meeting and heard how the population of Avon Park had only increased by five people last year according to the University of Florida calculations. County officials had visited the university to protest the estimate with facts and figures but no change was made.

Rep. Ready offered to spearhead a drive to determine what is wrong with the population estimates of Highlands County. He asked that he be given the statistics furnished to the university, a copy of a resolution to be sent to all members of the legislative delegation and a copy of the letter of protest to Lt. Gov. Williams.

In his report on the sewer system and wells, Chuck Hadley of Dawkins and Associates presented change order No. 4 for Meadows Construction to modify the sweeps on the old sewer treatment plant to more effectively dispose of the sludge at the base of the plant. It was approved.

A discussion of the paints

used on the new and old plant led to a council requesting that Hadley investigate the cost of an additional coat of paint for one of the plants.

A report on the W. Winthrop Street wall revealed the wall was a half inch out of perpendicular. Estimated cost of changing the pump bowl and shaft ranged between \$4000 and \$4500. Dawkins was authorized to prepare specifications for bidding on these repairs.

On the final inspection of the sewer system Hadley reported he had written to Gator Utilities. In a discussion of lateral lines and connections it was reported that building contractors needed to make note of the elevation of the sewer lateral before completing foundation and rough-in work, as in some cases this oversight might result in the house being too low for the lateral line.

AFTER BEING ENROLLED in the South Florida Junior College high school review class for only eight weeks, seven students took the General Educational Development tests and received their high school equivalency diplomas. (L to r) Ardelle Leach, Avon Park; Debra Burchfield, Arcadia; Laura Grant, Deborah Tillman, and Teresa Cox, from General Educational Development tests and received their high school equivalency diplomas. (L to r) Sebring; Martha England, Bowling Green; Doreen Arcadia; Judge Tucker, Blume, Sebring, and Donna Wauchula; Cleverdell Torres, Jordan, Sebring.

Rebecca Vice Leads 'Messiah' Dec. 4

The 1977 presentation of George Handel's "Messiah" will be given by the Lake Placid Messiah Society this Sunday evening at 7:30 p.m. in the auditorium of the Lake Placid High School.

The Lake Placid Messiah Society, originally formed in 1955, was revived in 1974 by David Rinald, former high school music teacher. Mr. Rinald is currently on sabbatical in Mexico and Miss Vice is conducting the 1977 presentation. Born in Dayton, Ohio, she attended Miami University in Oxford, Ohio, graduating in 1976 with a Bachelor of Music Education. Her brother is director of music at the Baptist Church in Avon Park.

Scott Faces Three Charges

An Avon Park man faces three charges after his car ran off the road on SR 64 near Avon Park.

Florida Highway Patrol reports say Andrew Jeffrey Scott was westbound when he ran off the road, causing \$200 in damage to his car.

Trooper Benton charged Scott with careless driving, having no valid driver's license and failure to immediately report an accident.

POLICE SIDESWIPED

James Leary of Avon Park was charged with careless driving by Trooper Roy Walker after he sideswiped a car on U.S. 27 near Avon Park Nov. 22.

Florida Highway Patrol reports say Leary was attempting to pass a car driven by Gemmie Police of South Bay. Walker set damage at \$500 in the wreck.

Program Offered At South Florida Junior College

Donald H. Farrens, dean of the Vocational, Technical and Adult Education Division of South Florida Junior College, has announced that applications are being accepted from persons wishing to enroll in the high school review (GED) program offered on campus during the day.

The morning class meets 8:30-11:30 and the afternoon class from noon to 3, Monday through Friday. Persons may register for one or both sessions. The registration fee is \$17.50 for one-half day or \$35 for the full day.

The high school review (General Educational Development) course consists of individualized instruction in reading, English, mathematics, science, social studies and literature. Students proceed at their own pace through a carefully selected program of study and may take the GED tests for a high school equivalency diploma if they wish to.

Anyone interested in enrolling in the high school review program should contact either Miss Betty Carlisle or Mrs. Pat Fordham at SJJC before Dec. 5, or call 453-6661, extension 126, in Avon Park.

Spring Semester At S.F.J.C. Dec. 5-14

Spring semester pre-advisement of students begins at South Florida Junior College Dec. 5 through 14. All full-time returning students and entering freshmen are urged to make their pre-advisement appointments as soon as possible. Spring semester pre-registration ends Dec. 9.

Pre-advisement appointments may be made at the college or by calling 453-6661, extension 131, in Avon Park.

Marathon Fine Test For Local Runners Club

The Melbourne Marathon proved a fine test for local Highlands Runners Club members who took part in the 26.2 mile marathon distance and the 13.1 mini-marathon. Chet Brojek, Avon Park High School Cross-Country and Track Coach, ran a personal best 2:57:37 for the full marathon. The time qualifies him for the Boston Marathon to be run in April of 1978. Joe Baker, Middle School coach, improved his personal best marathon performance by some 17 minutes in posting a fine 3:28:10. The Melbourne race was the third marathon for Brojek and the second for Baker.

The mini-marathon performances wereled by Alan Portis in 1:20:00 for the 13.1 mile course. The Avon Park junior gained the 20th spot with his fine performance. Dexter Ostling, of P. K. Yonge High School and Avon Park, sped home in a fine 1:24:15. Pep Hutchinson, of the Highlands Runners Club, was just out of the running for an age group trophy with 1:28:13 time. Tim Cribb rounded out the local finishes with an excellent 1:31:30 effort good for 60th place in the 150 runner field.

Brojek, Baker, Portis, Ostling and Hutchinson all earned a Melbourne

Marathon T-shirt for their efforts. The marathon had over 200 start the race and the mini-marathon attracted a field of over 150. The turnout was surprisingly large despite cold and windy conditions that hampered the runners.

The next major race for runners club members will be the Tangerine Bowl Mini-Marathon in Orlando on Dec. 17. The 13.1 mile contest is expected to draw a field of 1,000 winners in its first year of competition. The local runners club plans to sponsor a five or six mile race in January to kick off a series of local runs.

Red Devil Girls Play Ft. Meade To Open Season

The Avon Park Red devils basketball team will open the 1977 season here at the high school gym next Tuesday night, Dec. 6, against the Fort Meade girls cagers. If the two boys games are postponed, the girls will start at 7 p.m. However, if all three Avon Park teams play, the girls will play about 6:30 after the boys junior varsity game which will start at 5 p.m.

Cherri Lee, in her second year as varsity girls coach at Avon Park, will have a seventeen player team this year and is hoping to better last year's 2-11 record set when Avon Park jumped back

into the girls basketball program.

The Devil girls hosted a five team jamboree last Tuesday night to give the girls a little pre-season experience. The Devilettes also took part, along with the two boys teams, in an official's clinic last week to catch up on the new rules and to play a quarter of inter-squad scrimmage with the officials calling the action.

Senior Meg Schuler and freshman Kathy Wiggins will play the center position for the Devil girls. Guards will be Ellen Macklin, Lauri Welch, Annette Blake, Delorides and

Debra Cox, Brenda Brooker, Tanya Jones, and Sabrina Rushing. At the forward positions will be two of the following: Thelma Wessels, Tammy Ostling, Katrina Conner, Linda Rowe, Bernice Taylor, Sally Braithwaite, and Patty Barben.

The girls will play a seventeen game schedule meeting Ft. Meade, Wauchula and Sebring before the Christmas Holidays. The Wauchula game will be at home on Friday, Dec. 9 and the Sebring game will be in Sebring on Monday, Dec. 12.

NEXT TUESDAY NIGHT the Avon Park girls basketball team will open the 1977-78 season here at the high school gym against the Fort Meade Miners girls starting at 7 p.m. From left, front row:

Lauri Welch, Brenda Brooker, Annette Blake, Tanya Jones, and Sabrina Rushing. Second row: Debra Cox, Katrina Conner, Patty Barben, Ellen Macklin, Linda Rowe and Delorides Cox.

Back row: Coach Sherri Lee, Asst Mgr. Darby Edge, Sally Braithwaite, Kathy Wiggins, Meg Schuler, Bernice Taylor, Tammy Ostling, Thelma Wessels, and Mgr. Michelle Epstein. Sunphoto by Lew Miller.

Bombing Range Open For Two Days Of Hunting

The Avon Park Bombing Range will be open for hunting on the weekend of December 3 and 4 to hunters possessing State Wildlife Management Area Permits. On the afternoon of December 3, military activities will be conducted in a restricted hunting area. These

activities will not affect the normal range hunting areas.

The Florida Game and Fresh Water Fish Commission will have personnel on duty at the Main Gate and Frostproof Gate check Stations between 5 a.m. and 9 p.m. Saturday, December 3. The Check

Stations will be open between 5 a.m. and 8 p.m. Sunday December 4.

All hunters are to be off the range no later than 8 p.m., Sunday, December 4. Confirmation of the above dates and times can be obtained by calling 813-492-4223.

Red Devils Lose To Tigers And Wildcats

The Avon Park boys basketball varsity came out on the low end of the score in both quarters of play last Monday night in the six-team pre-season jamboree here at the High School gym. The Red Devils lost to the Clewiston Tigers in an overtime period by a score of 21-20, and then lost to Hardee High in the last period of play with a score of 20-17.

Okeechobee opened the jamboree with a 23-20 victory over Frostproof. The Bulldogs were ahead 16-14, but Coach Aubrey Whitaker shuffled out all five starters, enabling Okeechobee to come from behind to take the practice win.

In the second quarter Lake Placid, with the aid of six-foot, nine-inch center Bill Ross, dumped Frostproof 24-18. Ross scored 14 points on 20-foot jumpers as well as stuff shots.

Lake Placid came back in the third period and wore down Okeechobee for a 16-13 win. The scoring was fairly even with both teams as five different players scored four points each.

Clewiston and Avon Park furnished the most exciting duel in the fourth period of play. The Tigers and the Red Devils battled to a 19-19 deadlock at the end of regulation play. Clewiston took the win in the overtime period 21-20 but Avon Park's Larry Pugh led the scoring with 8 points.

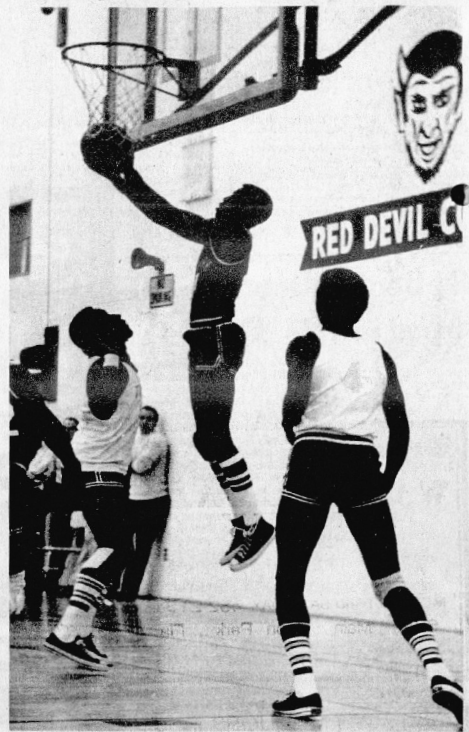

In quarter number five, Hardee jumped out to a 10-0 lead over Clewiston and made it hold up for an 18-12 win. Jeff Morgan and Zeke Mowatt had six points each for Hardee while Cooks led Clewiston with four.

The jamboree ended with Hardee stopping Avon Park 20-17. Again Red Devil Larry Pugh led the individual scoring with eight points but the Devil defense left a little to be desired and Coach Tom Lund will spend some practice time between now and next Friday when the Devils open in Sebring on tightening up the defense.

Devil senior Charlie Pugh showed promise as an aggressive defender and excellent passer on offense. Freddie Williams looked good at times during the two quarters of play and should shape up into an excellent forward along with Larry Pugh this season. The guard play needs some improvement for the Devil squad which will have to rely on speed and sharp shooting combined with a tough, aggressive defense this year to compete with the taller squads.

The original opening game against Ft. Meade next Tuesday, Dec. 6, has been postponed until Jan. 12. Both the varsity and junior varsity boys will open the

season in Sebring Friday, Dec. 9, but the Avon girls will open on Tuesday, Dec. 6, against the Ft. Meade Miners here at Avon Park.

TAKING THE BALL up from behind the backboard for a reverse lay-up is Red Devil forward Freddie Williams during the fourth quarter of play in the

basketball jamboree held here last Monday night. Avon Park lost an overtime effort against Clewiston 21-20. Sunphoto by Tom Fleming.

Murphy - Cox Take Second In Tennis Tourney

Harder Hall's tennis complex in Sebring was the scene Nov. 19 and 20 of the First Annual First National Bank of Sebring Doubles Tennis Tournament.

A project of the Highlands County Tennis Association, the two-day tourney was a double elimination event. Winners were, by classification:

Men's A-Xen Haysley and Al Marrow over Tom Hines and Rodney Hollinger, 7-5 and 6-1, giving them the title without a loss. Haysley and Marrow had earlier defeated Hines and Hollinger, 6-1, 4-6, 6-0.

Women's A-Vi Marrow and Marsha Watson over Maureen Murphy and Delorides Cox of Avon Park by a score of 6-2, 6-2. Marrow and Watson also went through the tourney undefeated.

Men's B-Bob Senkarik and Jeff Roepstorff over the father-son team of Charles Mielke and Chuck Mielke, 6-2, 6-2. The winning doubles team had earlier lost to the Mielkes, 5-7, 5-2, 6-1.

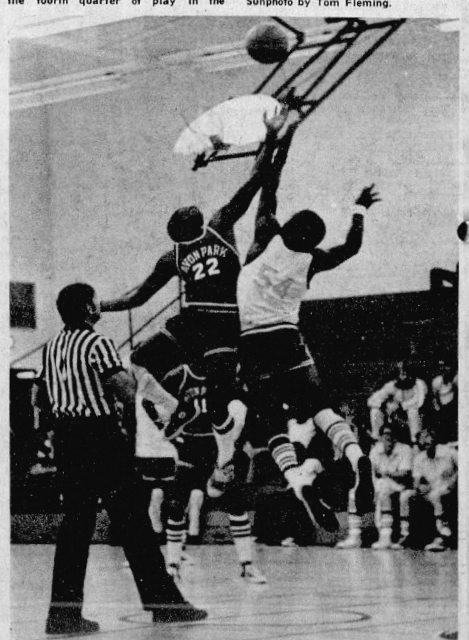

Women's B-Darlene Young and Suzie Young, a sister team, defeated Sara Kirby and Carol McLeod, 4-6, 6-1, 7-5, and then winning again, 5-7, 7-5, 6-3.

Maureen Murphy and Delorides Cox are both members of the Avon Park High School girls tennis team. The local twosome put up a good fight against the veteran Vi Marrow and her partner, Marsha Watson, a student at S. F. J. C.

Solar Booklet Available

To explain about solar heating, the Office of Consumer Affairs and the Federal Energy Administration have published a new manual called "Buying Solar." The manual not only describes solar heating systems, but tells how to save dollars by using the sun for heating.

For your copy of "Buying Solar" (Items 114E), send \$1.85 by check or money order to the Consumer Information Center, Pueblo, Colo. 81009.

CENTER LARRY PUGH (22) outjumps the Clewiston center during the six-team jamboree held here last Monday night. Larry was the leading scorer for the Red

Devils as he pumped in 14 points in the two quarters played by the Red Devils against Clewiston and Hardee. Sunphoto by Tom Fleming.

Commission Reports Bag

According to the Florida Game and Fresh Water Fish Commission hunters over the weekend took the following game on the Avon Park Bombing Range: Thirteen deer, 594 quail, 66 squirrels 7

ducks, 17 doves, 6 hogs, 16 rabbits and 1 turkey.

A total of 2280 hunters were counted by the Game and Fresh Water Commission officers.

Hunters Urged To Keep Shooting A Safe Sport

The 10 Commandments of Shooting Safety haven't been around as long as the 10 Commandments from the Bible. However, these ten safety rules for hunters were developed by the National Rifle Association early in the

organization's history according to Jim Farrior, Information and Education Officer of the Game and Freshwater Fish Commission in Lakeland. All hunters should abide by these rules to truly "keep shooting a safe sport."

10 Commandments of Shooting Safety

- 1 Treat every gun with the respect due a loaded gun.
- 2 Watch that muzzle! Carry your gun safely; keep safety on until ready to shoot.
- 3 unload guns when not in use; take down or have actions open; guns should be carried in cases to shooting area.
- 4 Be sure barrel is clear of obstruction, and that you have ammunition only of the proper size for the gun you carry.
- 5 Be sure of target before you pull trigger; know identifying features of game you hunt.
- 6 Never point a gun at anything you do not want to shoot; avoid all horseplay.
- 7 Never climb a tree, fence or jump a ditch with a loaded gun; never pull a gun toward you by the muzzle.
- 8 Never shoot a bullet at a flat, hard surface or water; at target practice be sure your backstop is adequate.
- 9 Store guns and ammunition separately, beyond reach of children.
- 10 Avoid alcoholic beverages before or during shooting.

KEEP SHOOTING A SAFE SPORT

RED DEVIL CHEERLEADERS served as hostesses in the hospitality room at the Avon Park High School gym during the six-team boys varsity basketball jamboree last Monday night. From left: Carla Lunsford, Shellie Maxwell, Lisa Newsome, Teresa McKenzie and Debbie Cushman. Sunphoto by Tom Fleming.

River Greens To Hold Weekly Pro-Am Golf

River Greens Golf Course will hold its year around weekly, Pro-Am golf tournaments for men on Wednesday afternoons and its ladies tournaments on Monday afternoons, with tee-off time at 12:30 p.m. for each tourney.

By calling in to the club house before 12 noon each tournament day anyone can register for that day's play. Players will

draw lots for team assignments in the 18 hole tournaments, stated Rodney Davis, River Greens manager.

At the end of each tournament, awards will be given for team totals and for individual high honors. The Pro-Am is similar to the ABC and D flight play and awards will be given accordingly.

Curiosity Leads To Arrest Of Two Men

Lack of tail lights ignited Highlands County sheriff's deputies' curiosity about a car stopped in a road block last week and led to the arrests of two Okeechobee men.

Richard Ray Jr., 19, of Route 6, Okeechobee, was released Monday on his own recognizance following his arrest Nov. 22 on a charge of possession of marijuana in an amount over five grams.

Dennis Joseph Harris, 22, of Larson's Dairy in Okeechobee County, was released last week on a \$1,012 bond for a charge of possession of an illegal weapon.

The men and a juvenile, who was released without charges Nov. 22, were stopped by deputies in a road block on State Route 731 on Nine Mile Grade. Deputies were checking cars following the shooting of an Okeechobee County deputy on U.S. 96 in Okeechobee County at about 9 p.m. Nov. 22.

Sheriff Williams said the investigation into the shooting continues and deputies are trying to determine what type of weapon was used. Sheppard stressed the arrests of the two Okeechobee men had nothing to do with the shooting incident.

Teachers To Discuss Judge Kelly's Suggestion

Well, ahead of any legislative move to mandate legal studies in Florida classrooms, a tri-county group of teachers will begin discussing ways in which Judge Clifton M. Kelly's ideas on these lines could be implemented.

For over two years Judge Kelly has been advocating a course of study in the public schools aimed at teaching students what the law is, how it is made, the responsibility of everyone to obey the law and the consequences of breaking the law.

On Thursday, Dec. 8, the social studies teachers of Highlands, Hardee and Okeechobee counties will hold a day-long workshop at Sebring High School. Wayne H. Duncan, director for the Tri-County Teacher Education Center, is heading the planning for the workshop. He said plans for the day allot a major block of time for discussion of Judge Kelly's suggestions.

Other features of the workshop will be a discussion of economic education and the writing of specific goals the teachers wish to reach in this phase of their teaching.

A team of consultants from the University of South Florida Center for Economic Education will be present to assist with this portion of the workshop.

Sponsors of the workshop are three members of the Highlands County school's staff: Glenn Odham, coordinator of social studies for the county's schools; Troy White, co-chairman of the county Social Studies Committee and teacher at Lake Placid High; Bill Tod, co-chairman of the county Social Studies Committee and teacher at Sebring Middle School.

Sweet Gum Menace To Teeth

Sugar sweetened gum is a menace to teeth, according to many dentists, but a South Florida orthodontist back from Helsinki says researchers in Finland are working on a sugarless gum sweetened with xylitol that fights tooth decay.

In fact, reports the dental specialist, after two years on a xylitol-sweetened diet, a Finnish test group had 90 percent fewer cavities than another group whose food and candy were sweetened with ordinary table sugar.

Xylitol, a naturally occurring sugar alcohol, is now being included in Finnish recipes for everything from candy to toothpaste. American candy manufacturers are just now beginning to test market xylitol-sweetened gum.

Funeral Home

important element in the fiberglass vault sales program.

James Rimer, manager for Lakeview Memorial, believes families are "financially and emotionally better off" when they make as many death arrangements as possible well in advance of need. Although Lakeview is now offering the new fiberglass vault, Rimer does not recommend rapid departures from tradition by families when in the midst of grief.

Both he and Sherwood indicated that the new service will be available for the families making pre-need arrangements. Fountain says he hopes that purchasers of the fiberglass vaults will follow up with contacts with a funeral director.

Such contacts provide a way for the

family and undertaker to review that portion of the services and charges which will be involved at the time of death.

Whether they are offering Sun-Bed or other type services, all funeral directors The News interviewed agreed that frank discussion between families and funeral directors is essential.

Ed Warren of Warren Funeral Home pleaded, "Contact your local funeral director." He said in such contacts the family can be understood exactly what is being purchased.

Tyrone Dowden of Dowden Funeral Home sounded the same theme. "Our profession has been conducted too much as a secret. I think the family should be explained to; the family selects what it wants."

Chris Nelson of Stephenson Funeral

Home in Sebring and Stephenson-Nelson-Smith in Avon Park, believes that most families in this area are careful in purchase of goods and services. "They know they have so much money to spend and try to use it wisely."

James Kerney of Kerney-Wilson Funeral Home believes, "Funerals cost what you want them to. What is acceptable will vary greatly from age groups and ethnic groups."

Kerney has the idea that selection of the place of burial is the single greatest factor in determining the costs of death, a notion supported, at least in part, by a glance at the range of costs for grave space in Highlands County.

Next week The News reviews some of these costs and the part they play in the current controversy over death costs.

Candidates Make Last Pitch For Votes

Robert Britt

In seeking his third term as city councilman, Robert Britt stated that he would continue to work for the city of Avon Park as he has done in the past.

Britt was born in Avon Park and graduated from E. O. Douglas High School in Sebring. He attended Bethune-Cookman College at Daytona Beach, for three years. He is a member of St. Marks Baptist Church, Elks, Knights of Phylaxis and has been property and maintenance superintendent at the First Baptist church for 12 years. He and his wife Helen have two children.

In running for a third term, Britt said people had asked him to run again; there was a

need and there were things he wanted to do. If re-elected he would work for the city of Avon Park faithfully and try to do the best job I can, as I have in the past.

Some of the things Britt said he would work for included: The placing of ramps, handrails and other aids for easier access to public buildings; by the elderly and handicapped individuals; holding down taxes, the repairing of sidewalks and building more new sidewalks along with the paving and resurfacing of streets when federal grants became available.

He would work for the continued improvement of recreation facilities. Having been a police officer for four

years he believed in having a strong police department. He believed in having a strong fire department with good equipment. Since the fire department was in new facilities he would like to see the street and sanitation department equipment housed in buildings.

While HUD money is available he would like to see the mini-parks completed. The ball park complex should also be finished, he added.

Britt is 100 percent for expansion of the city limits and would encourage people and property owners to come into the city for fire and police protection. Some areas, by coming into the city, could take advantage of city water, most areas by tying into the city

sewer system and the cheaper garbage collection rates of the city.

On the subject of industry, Britt favored small industries but at present, any industry is better than none, as he noted there are many unemployed in the city. These industries are located at the airport which has adequate access.

To obtain industry for Avon Park, he would work with the chamber of commerce and city officials when attending meetings, seminars and workshops should give company representatives reasons why they should locate in Avon Park.

Britt concluded that he believed in honesty, justice and fair play in government.

Milton Howard

With ten years service on the Avon Park City Council, Milton Howard missed getting re-elected for another term of office.

Born in Live Oak, Fla., Howard graduated from the Live Oak High School in 1958 and started working with the Seaboard Airline Railroad the same year. When it merged with the Atlantic Coastline Railroad he continued with the new organization the Seaboard Coastline R. R. At present with 35 years service he is the oldest man in the system not eligible to retire.

With bidding rights on the railroad system he could have lived and worked anywhere in Florida. But Howard chose Avon Park as he thought it was the cleanest and nicest city in this part of Florida. He and his wife Bessie Jewel have seven children, all of whom have graduated from Avon Park High School.

His reason for running for the council, was that he was interested in Avon Park and wanted to help improve the town as there were plenty of things to be done.

Since he was elected to the city council, the first time in 1967, Howard has worked for the youth recreation center, new tennis courts, ball park, complex, sewer system, water system, renewing the shuffle board courts and Winter Guest Club, two mini-parks, area, play ground, equipment library remodeling and addition and the new fire station. Howard said, when he was first elected, about 30 percent of the streets in the city were paved, now about 99 percent are paved.

At present he is working towards the obtaining of a new city hall building with seating capacity for about 400 people, with kitchen facilities, to accommodate such meetings as the City of Avon Park Municipalities. He is also interested in a day care center for children, both of these facilities can be obtained with

feared grants, he stated.

In the past he said that Avon Park missed getting several new businesses by not having an adequate sewer system. Against pollution, he prefers clean industry with several small concerns instead of one large factory. These new industries should be located on the outskirts of the city, he said, and not in the residential area.

How would Howard go about obtaining the desired industry? One way he suggested was budgeting money for the Avon Park Chamber of Commerce to use in bringing the desired industries to Avon Park.

Howard saw no serious problems in Avon Park. He mentioned that the council was having good cooperation with the Fire and Police Departments, which is a necessity in any city. However, anything in the operation of a city could change, but things were running pretty well now, he added.

His thoughts about 5 to 10 years from now included more housing, streets and sidewalks; the improvements in the water system by completing water circulation in some areas of the city.

He also would like to see the city 100 percent on the sewer system but in the future that would probably mean increasing the capacity of the present treatment plant.

In regards to annexation, Howard feared that the more people there were living inside of the city limits the more chance there was of obtaining federal grants for various improvements in the city. He would like to see adjoining areas annexed to the city but saw problems in annexation with both Tallahassee and with people having to vote on the

As a final thought, Milton Howard said, "The kids got into politics — they wanted a youth center."

Henry D. Dennis

Running for the Avon Park City Council for the first time, Henry A. Dennis had thought about running for a long time but didn't have the time to devote to the job if he were elected.

Dennis was born in Kathleen, Fla., graduated from Kathleen High School in 1966. He started his career in the grocery business as a bagboy with Winn Dixie while in high school, coming to Avon Park nine years ago to manage the local Winn Dixie store. Last summer he transferred to the Thriftway Food Store as a cashier.

Active in Little League Baseball, Dennis has been league president for four years. As a member of the Ball

Park Complex Committee, he expressed his appreciation to all who helped with the ball field.

Dennis and his wife Frances have seven children. For hobbies he likes to go fishing and hiking with his in-laws in the Everglades.

His reason for running for the office of city councilman was because Avon Park is his home and he plans to live here with his family. Since the people of Avon Park were good to him, Dennis hopes he can be of service to the city now.

In regards to city problems, Dennis suggested that the council get with the problem before it gets out-of-hand and try to solve it with the help of the rest of the council and if

feasible with the people concerned. If elected he would work with any department that needs help.

He believes the growth of the city should include not only shopping plazas but places to dine out. He would encourage new businesses and industries, as each time one comes to Avon Park it means more jobs.

He would welcome any new business; however, he believes the city should more actively sell itself to business and industry, as it has all modern facilities to offer.

As Dennis said, downtown area has to stay up with the modern trend to survive. The beautification of the Mall should continue until all of it has been improved.

On the growth of the city, surrounding areas should be taken into the city. This should include residential as well as areas for light industry; all of which would aid in the growth of the city, said Dennis.

On long term plans, Dennis favored making the community a better place to live by continued repair and improvement of sidewalks, better lighting and other improvements as needed. He would be open to any suggestions that citizens would make on improvements that would be taken to aid in the

Dennis said the city should try to get everything offered in the way of funds, to aid its growth, from county, state or federal sources.

Richard Nealis

In seeking a seat on the city council, Richard "Dick" Nealis said he had decided last year to run for a seat this year. Born in Gathersburg, Md., Nealis graduated from Collidge High School in Washington, D. C. He has taken business courses in business schools and a five year apprenticeship school plumbing course.

Living in Silver Springs, Md., Nealis has a plumbing firm in Silver Springs. He has been a plumber for several years in a Trade Union School and at South Florida Junior College. He and his wife, Winifred have four children.

Nealis worked at Lodwick Airport (City Airport) for two years, following World War II and has vacationed in Avon Park for a number of years.

Coming to Avon Park to live over four years ago, Nealis is a member of the Avon Park Rotary Club and is a Mason. He is secretary of the Associated Master Plumbers and Mechanical Contractors of Central Florida.

In deciding to run for a seat on the city council, Nealis thought he could do something for Avon Park that needed to be done in housing, plus he is interested in the city government in general. He believes the city government could be more efficient by being more consistent. As an example, he said the city should stop spot zoning and every city ordinance should be applied to every citizen.

As an original member of the Competency Board he is interested in the building department and it's functions,

what is expected of it and what it gets. He would like to see reciprocal agreements between neighboring cities on contractors working in the city's regulations are restrictive and he believes contractors should be competitive, which benefit the city.

Favoring young people's organizations, he also feels that senior citizens should get special attention with the police patrolling areas where they live, because many of them are handicapped, if only by age.

At present Nealis thinks any kind of industry would be a boost to the pay structure of the area, to keep young people working, on a year around basis it would be good for the area. At present, he said, it would be hard to find a job for a young person.

Industries should be located on the outskirts of town, in appropriately zoned areas, along U. S. 27 and S. R. 64, he added.

In the next 10 years he would not recognize this area, Nealis said, as it may be walled to buildings between Avon Park and the city limits. He said the city is not zoned agricultural. He believes the town will continue to grow and he would like to extend the city limits as many people are now using city facilities (water and sewer) and could benefit by police and fire protection.

In ending his statement, Nealis earnestly commented that he would like to see a woman on the council as there are plenty of business women in Avon Park; with the exception of one woman he would like to see on the council.

Tom Tataris

Tom Tataris in making his second bid for a seat on the Avon Park City Council has thought about a council seat for the past six years.

He was born in Tarpon Springs, Fla., and graduated from Tarpon Springs High School in 1957 and the University of Tampa in 1965 with a B. Sc. Degree in social studies and chemistry. He has served the Florida National Guard for six years.

As a pharmaceutical salesman he has traveled over much of Florida. As a senior commercial representative with Florida Power Corporation he has lived in Avon Park for the past 12 years, working with contractors and vendors.

A member of the Kiwanis Club, Tataris has served as

president and on the board of directors. He and his wife Sophie have four children.

In regard to the city he is a member of the planning and zoning board and also of the Housing Assistance Plan committee (HAP), which he said has made him more aware of the needs of the community.

Tataris said Avon Park seemed to be a small town about 10 years ago and he feels that every city is like a business and those who run the city should have a knowledge of economics and social conditions.

If elected to the council he stated, "I promise not to increase taxes." His basic concern would be to lower taxes on the residents in the operation of the city. The budget should be used as a

guideline and made according to the funds available.

Tataris saw a big need to provide something for tomorrow, for the children in the city; for them to find jobs so they could remain in the area.

To him U. S. 27 was a thoroughfare from Miami northward with local business flourishing during the tourist and fruit harvesting season.

He saw a need for someone to seek out new clean industry, so that when the kids graduate from high school they would not have to leave home and their parents to find jobs.

The type of industries he thought should be sought were from high school graduates not having a problem could call him at home as he would be available 24 hours a day to serve the community. To him there would be the rewards of personal satisfaction in trying to see that the needs of the community are met.

come to Avon Park, as the industry is migrating southward. He felt there were opportunities for industry to build here.

In traveling through many cities in the United States he feels that Avon Park has a major attraction in the Mall and thinks the reworking of the park areas should continue to complete the beautification program.

In regard to problems in the city, Tataris said that if he were on the council, anyone with a problem could call him at home as he would be available 24 hours a day to serve the community. To him there would be the rewards of personal satisfaction in trying to see that the needs of the community are met.

Statement From Davis

interested in obtaining additional federal grants particularly for the building of a new city administration building with first floor entrances to aid the elderly and handicapped. Another project cited was the erection of an aerial water storage tank on the east side of the town and larger water lines to increase water pressures. Also needed were funds for the widening and resurfacing of many streets and the construction of sidewalks.

Mayor Davis reported that \$600 billion had been allocated for projects, throughout the U. S. Thus he felt there was a good chance to obtain funds for the building of a new city hall, which has a top priority.

Another city project is the replacing of the wooden Palmetto Street bridge across the Seaboard Railroad with a concrete structure at Winthrop Street to give easier access to the elementary

School Federal

school. Federal funds for this project would have to come through the state department of transportation.

Should the city's application for community block funds be approved, work will continue on the South Side, in the paving of streets and the building of sidewalks along with the purchase of additional equipment for the well used mini-parks, stated the Mayor Davis.

In commenting on the growth of the city, Mayor Davis would like to see a continued growth, but grow slowly to allow time to get streets, water lines, etc. in place to keep ahead of building construction in any development.

The mayor stated he had been working to obtain a small factory, manufacturing women's lingerie, but the recession had prevented any more to Avon Park, thus he would welcome almost any type of small industry coming to the city. These industries to be located in areas zoned for industry and easily

accessible.

On the subject of annexation of property to the city, Mayor Davis said if people wanted to come into the city it would mean more money to do more things for the city. These people would also get fire and police protection along with lower water and insurance rates.

In regard to the alleged overspending of \$34,000 by the Police Department, the mayor stated that several departments had overspent budgeted amounts because of extraordinary circumstances. However, several departments had received more income than anticipated and the 1976-77 budget had been balanced out by a bookkeeping procedure in September.

The mayor reported that the auditor's budget report would be received at city hall by Friday of this week. It would be open to anyone to examine as he had nothing to hide.

the city and that safe-guards should be in the sub-division ordinance to protect home purchasers and the city.

He favored building a bandshell at Donaldson Park for band concerts and that the downtown area start a face-lifting program to attract people to these business locations, with the enforcement of parking regulations on the streets.

In challenging the present administration, Duggan stated the city needs tighter fiscal control and a more efficient police department. He charged the police department overspent its budget (1975-77) by \$34,000 and that there have been charges of negligence, rudeness and harassment made against the Avon Park Police Department.

If elected, he said, "I will get the police department straightened away."

Wire And Concrete

The Avon Park Police Department is investigating a number of wire cases at the Whispering Pines development on West Cornell Street.

It was first reported that some between 12:00 and 6:00 a.m. Friday, Nov. 18 eight rolls of coiled wire, valued at \$560 were taken from the D and S Construction site.

On Monday, Nov. 21 between 1:00 and 6:00 a.m. concrete building forms, valued at \$500 were taken from the apartment building location, at Whispering Pines.

Police Officers, Lt. Walt Bellinger, Sgt. Roy Hickman and Patrolman Leo Bronsing are investigating a number of suspects.

Woman Dies In

Holiday Accident

Traffic mishaps took no vacation during the holiday weekend and several area persons were injured. One West Palm Beach woman died following a traffic accident Thanksgiving Day.

Highlands General Hospital reports the following were treated:

Nov. 24 — Rhonda Root, West Palm Beach, auto accident, dead; David Cullins, Wausau, auto accident, treated and released; Edna Fails, Sebring, penetrating wound, treated and released; Hugh Gibson, Lake Placid, dog buggy accident, treated and released.

Nov. 25 — Beverly Stirlizer, Lake Placid, Moped accident, treated and released; Louis Stockman, Arcadia, auto accident, treated and released; Kathy Stockman, Arcadia, operation of the cycles could transferred to DeStoto destroy the treatment.

Memorial Hospital, Eva Chamberlain, Avon Park, auto accident, treated and released.

Nov. 26 — Franklin Hewitt, Sebring, motorcycle accident, treated and released; Tony Bask, Lake Placid, auto accident, treated and released.

Nov. 27 — Charles Collison, Sebring, auto accident, treated and released; Leo Calderhead, San Diego, Calif., auto accident, treated and released.

VANDALS ON CYCLES
Highlands County sheriff's deputies are investigating a complaint from the county's Road and Bridge Department that motorcyclists have used a Sebring causing damage to the area. The area had been treated for nematodes.

A member of the Kiwanis Club, Tataris has served as

Retired Farmer Grows Giant Bean

For centuries man has taken it upon himself to make his world bigger and better. Cities have grown with time, industry has multiplied, and America has even been expanded and stretched through years.

And as the world seems to 'enlarge,' scientists have taken on the task of making the plant and animal kingdoms produce larger offspring, in greater abundance, while still keeping the end product similar in quality to the original.

New Guinea bean. The surprised Lasse says that the beans are supposed to grow to sizes reaching 70 and 80 pounds. Although Lasse planted his seeds a little late in the season, his crop has yielded beans that weighed up to 36 pounds.

The 'beans' are actually members of the squash or cucumber family, but even at that are huge vegetables. The beans measure as long as 36 inches and are still growing! The plants spread as wide as 30 feet.

John Lasse, a somewhat retired farmer from Janesville, Wis., now living in Avon Park, discovered one of nature's ready-made giants, through a Miami seed firm,

moisture and thus can grow to such sizes.

Mrs. Lasse is the one who started the project, when she sent to Miami for the novelty seeds, which she saw in an American Legion Auxiliary pamphlet. Lasses felt that it was just a 'sucker' deal. "Well", Mrs. Lasse said in response, "I'm a sucker so I'll send for them anyway," but when the seeds arrived in mid-May, Mr. Lasse decided to go ahead and see what they would grow.

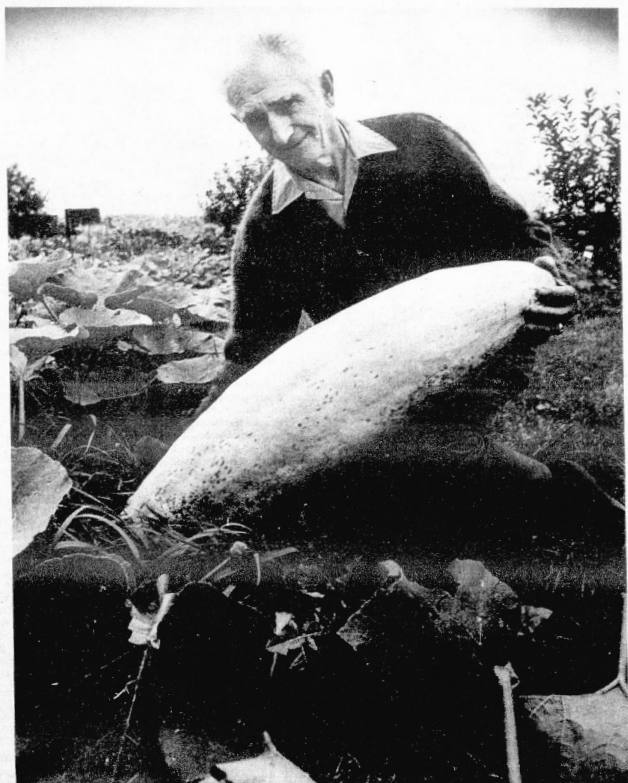

He's grown a field of 50 pound wonders and still is not satisfied. The same company from which Mrs. Lasse ordered the giant beans also offers giant strawberries and a large tomato. One can almost

imagine the gleam in Mr. Lasse's eyes as he says, "they say the tomatoes are as large as a dinner plate."

When the weather is right Lasse expect to plant a few seeds in Avon Park.

According to Lasse, who resides in Avon Park during the winter months, the beans will continue growing in Wisconsin until the winter weather freezes them. Mrs. Lasse said, "The big ones are enough to feed a family of 20." And since Mr. and Mrs. Lasse's family is a bit smaller than a 20 member family they'll be eating the bean for sometime.

When the weather is right Lasse expect to plant a few seeds in Avon Park.

Giant Bean

IT TOOK A sturdy knee to prop up this 36 pound New Guinea bean that retired farmer John Lasse grew this past summer, while back home in Wisconsin.

City Council Controls Dozen Committees

The City of Avon Park has under its control a dozen boards, commissions, and committees. Each one of these is run directly as a part of the City Council. Ex-officio Council members are appointed to each of the 12 groups. The Ex-officio is a fully represented member, but can not vote.

The following is a list of these panels, some background of their origins, and their members.

The Zoning Board of Adjustment was established on May 24, 1948, by Ordinance No. 292. The original requirements of the board were to have five members with three years terms each. Ordinance No. 526 changed the board to seven members and their terms expire May 24, 1978.

The members of this board are Ralph Fulmer chairman; James Helm Clarence King, Neal Sellers, Thomas Brown, Susie Skipper, Paul Smith, Milton Howard (ex-officio), and C. W. Eller, secretary. The Zoning Board of Adjustment meets the first Tuesday of each month at 5 p.m. at City Hall.

The Competency Board, which deals with trade licensing, was originated by Ordinance No. 569 on July 22, 1974. The board calls for two year terms with at least five members having licenses in the trades. Members include Kenneth Long chairman, Richard Nealis, James Helm, William Helting, Alvis Cox, Bob Pearl, Donald Johnson, David Barefield, ex-officio and C. W. Eller, secretary.

The Competency Board meets whenever necessary but does not have a pre-planned schedule.

The Planning and Zoning Commission is required to have seven members plus two ex-officio members for three year terms, according to Ordinance No. 455 of May 24, 1965 and Ordinance No. 569 of Nov. 11, 1974. The members of this commission are Jack Duggan, chairman, Mrs. Estelle Dickson, Clarence King, Donald Cummings, Tom Tataris, Donald Ford, Mary Ellen Ward, Thomas Brown, Marshall Davis, ex-officio and Malcolm Crews, secretary. This commission meets the third Tuesday of each month at 5 p.m. at City Hall.

The Bi-Racial Committee consists of ten members plus the Mayor. The members are Rev. W. O. Ragdale, chairman; Rev. Collis Fogle, vice-chairman; Rev. A. D. Childress, E. B. Hicks, George Brown, Thomas Brown, Jeremiah Boone, Rev. J. W. Daughtry, Rev. Edwin Tharpe, Bob Barker

secretary, and Marshall Davis Mayor and ex-officio.

The Ball Park Complex Committee consists of the following members: Darrah Martin, Chairman; Kenneth Filippula, David Johnson, Henry Dennis, Wendell Williams, Ronnie Jackson, Ed Touchton Jr., John Ziegler and Malcolm Crews. This committee meets only when special sessions are necessary.

The Safety Committee, which meets once every month consists of the following members: David Barefield, Chairman; Police Chief Robert Brooks, Fire Chief Mack Flowers, Jack Elder, Wayne Bass, and Malcolm Crews.

The Housing Authority, which is authorized only five members, consists of Ernest Sims, chairman, Harold C. Worden Jr., Raymond Cook, J. C. Murphy, Robert Crowe, and David Barefield. The Housing Authority meets every two months at a breakfast meeting.

The Housing Assistance Plan, which is sometimes referred to as the Housing Assistance Plan Revision Committee, holds meetings at least twice a month. Members include Ora Mitchell, chairman; Rev. William Ziegler, Mrs. Clarice Ford, chairman, Ora Mitchell, Alan Ball, Jack Elder, Bill Revels, and Kelley Phillips, secretary. The committee meets the first Thursday of each month. The Civil Service Board

was established by Section 68 of the Avon Park City Charter. It allows for seven members of which three must be employed by the City, three members of the public, and one councilman. Each member has a term of four years.

The Airport Committee, established by the Ordinance No. 366, has three members whose terms are indefinite. In the amended Ordinance No. 598, five members are to make up this committee. Members are Weyman S. Carver, Don Serdynski, chairman; Charles Hoke, Eugene Swearington, Steve Roberts, and Larry Albright, ex-officio. Meetings are arranged on the basis of necessity.

The Library Board was established by Ordinance No. 551, on July 7, 1973. The board's five members include Dr. Dan Davis, chairman; Mrs. Helen Britt, Paul Gentry, Anna Belle Worden, Mrs. Mae Langman, and David Barefield. Meetings are called once a month during the winter season.

The Recreation Council, is allowed ten members, of which the original members were selected from about 25 candidates submitted by local Civic Clubs. The council was first appointed on Jan. 8, 1973. Members are Jim McWilliams, chairman, Ophelia Risher, Fred Conner, Eileen Martin, Gene Brenner, Lew Mundt, Arthur M. Williams, David Johnson, Bob Dubach, Paul Smith, and Kelley Phillips. Meetings for the Recreation Committee are held on the first Monday of every month at 7 p.m. at the Ranch Buffet restaurant on Highway 27 South.

About 4:30 p.m. Saturday the hunters in the party climbed into their stands to

watch and wait for game. Donald and his father were in the same stand and about 5:30 were watching a hog hoping to get a shot, when the seven-point buck came out of thick scrub. And the choice was easy, as Donald bagged his first deer, a two year old weighing about 85 pounds field dressed.

Hunting is a family affair with the Perry Waldron family of River Ridge, as they camped overnight at the Kissimmee River, during the Thanksgiving weekend hunting on the Bombing Range.

When a hunter has a choice of bagging a hog or a seven-point buck, which will he choose?

For Donald Waldron the choice was easy, using a 12-gauge shotgun loaded with buckshot, he shot the deer — his first.

Laymen Surrendering Position In Claims Court

Laymen are gradually surrendering their unique position in the claims division of the Florida Court system.

Earl Rich, clerk of the circuit court in Highlands County, made this observation as he reported to Highlands County Interagency Council on the workings of the claims court. Under the recent

revisions in the court system provision was made for citizens or businesses with civil disputes involving less than \$2,500 to go into the claims division of circuit court.

Procedures for cases under \$1,500 were kept simple to enable the two sides to lay their case before a judge in an informal way and have the court decide who should prevail.

Rich said he has observed that laymen are increasingly turning to lawyers to draw and present these cases. At a recent session of the court the number of cases presented by lawyers outnumbered those made by laymen.

In response to questions from the council members Rich responded that a case may be processed through the claims court in four to five weeks "if no hitches develop."

On the question whether the court is an effective way to obtain settlement of a claim, Rich said it can be but is not automatically so. The prevailing side

still must invest effort in a follow-up and persons desiring to pursue a claim through the courts should approach the procedure with the realization he is risking an investment of time and money, but it may be his only hope of collecting a claim.

Several council members voiced hope that further modifications might be made in the laws to enable consumers to pursue claims through the claims division. At present, Rich said, that sort of case is complicated to prepare and would require the services of an attorney.

During the business portion of the meeting the interagency group voted to participate in the annual Health Fair which will be held on Dec. 1 at Highlands County Agri-Civic Center on U. S. 27 South of Sebring.

The council will hold its next regular meeting Wednesday, Dec. 21, with Jimmy Whitehouse presenting a program on voter registration.

Vets Get Questionnaire On Income Benefits

November checks going to 1.2 million Veterans Administration pensioners were accompanied by a questionnaire on income to assist them to qualify for continuing VA pension payments. Pensioners-unlike compensation for service-connected disability or death—are based on income.

Questionnaires also will go to 28,000 parents receiving dependency and indemnity compensation (DIC) checks. Completed questionnaires must be returned to the VA by January 1 to insure continued receipt of benefits.

Pensions are paid to needy veterans who are totally and permanently disabled from non-service-connected causes, or to their widows. Amount of the monthly stipend is based on the annual income of the recipient.

Annual income also governs amounts of DIC payments to certain parents of veterans who died of service-connected causes.

With some exceptions, pensioners are required to file income questionnaires annually. Those 72 years of age or older, who have been on the VA pension rolls for two consecutive years, are exempt from filing. However, these people must report income changes as they occur.

Some beneficiaries who normally are exempt will receive questionnaires because of cost-of-living increases in annuities. Prompt return of the questionnaires will avoid suspension of monthly checks in 1978, a VA spokesman said.

Those failing to return the completed questionnaires before January 1 will, in lieu of receiving their January pension check on February 1, receive a letter from the VA explaining why their pension payments have been suspended.

Full information on the VA pension program is available from any VA office or veterans organization service officer.

Farmers' Tax Guide

A free 64 page booklet dealing with the many tax situations faced by farmers is available from the Internal Revenue Service office.

"Farmers Tax Guide," IRS Publication 225, covers numerous tax facets of agriculture, including crop destruction, drought sales, livestock purchases and the Federal Highway Use Tax.

Also included in the publication are instructions, for use by farmers, in completing Form 1040 and related schedules, a listing of the important dates which affect farmers during the course of the year, and several useful tips on how a good recordkeeping system can help farmers insure that they take advantage of all legal deductions.

IRS Publication 225 is available at IRA offices or can be obtained by calling toll-free, 1-800-333-2000.

Bonnie Brae Mobile Park News

By Margie Wells

There was large crowd at coffee hour last Wednesday, and everyone had a good time. Hostesses were Chloe

Malling and Merle Carroll. Joyce Olivieri, Coordinator for HOPE, spoke to the group, giving information concerning the services performed by this organization and by Services Over Sixty. All present appreciated her remarks and many questions were answered.

New residents and guests were introduced. The residents were Mr. and Mrs. Lebow who are spending the winter here in their travel trailer, and Mr. and Mrs. Willard Allen who bought Harold Durke's home. Guests included Alice Pridley's mother, Mrs. Lena Filer from Adrian, Mich., who will be staying for a while, and Jane Rabideau's sister, Mrs. Evelyn Parker from Bloomington, Minn. Mr. Parker is also

visiting with Jane and her mother Pauline Pelkey.

Get-well cards were signed and sent to Leland Darling and Lorne Johnson. Ellen Hunt announced that a Christmas Cheer box would be placed in the recreation hall to collect canned goods and toys for the needy.

Our Thanksgiving dinner was a big success, with 65 attending, and no one going away hungry! Agnes Sheridan was chairman for the dinner, assisted by his wife, Bernice. He wants to thank everyone who assisted to make this such a nice affair. Space does not allow listing of all the names but their assistance was greatly appreciated.

The recreation hall and tables were decorated with Thanksgiving theme. Joe Asher read a poem "Thanksgiving for Senior Citizens," after which everyone joined hands and repeated the Lord's prayer. There was food, and more food, and a great amount of good fellowship. Joe Asher had everyone laughing with a "Canadian" joke, which we told. In the evening, everyone met again at the rec. hall to enjoy left-overs, after which

Bingo was played. Bonnie Brae had much to be thankful for and had a very enjoyable Thanksgiving Day.

This past week has been stimulating and exciting for Dessie and Ray Jones because Dessie's niece, Deborah Jenkins, flew in from Memphis, Tenn., to see the Florida sights. She has returned home but Dessie and Ray say she is not forgotten as their tired feet remind them of the many miles they walked while she was there.

Verda Miller invited her cousin Norma Gerbig, Ellen Hunt and Thelma Miller to accompany her on a trip to Cape Canaveral, Saturday. They enjoyed dinner at a restaurant on the way over and then had a very interesting bus tour of the Cape, with supper in Orlando on the way back. They arrived in Bonnie Brae at 9:30 p.m. very tired, but they had a most delightful day. They all say, "Thanks, Verda."

Margie and P. D. Wells drove to Orlando on Friday to pick up Dorothy Carroll who flew in (along with Jac) from Pennsylvania to spend the winter in her mobile home, in the park. Welcome back, Dorothy, it's nice to have you home again.

Hilda and Ralph Wagenshutz from Onaway, Mich., arrived on Sunday to spend the winter here in their travel trailer. Their son, Ralph, Jr., from

Lavonia drove down with them. Hilda and Ralph have spent the winter here before and it's nice to welcome them back.

Jane Rabideau spent last week in Brooksville visiting with her sister-in-law, Lottie Poirier. While there she did some shopping and told us that she went to see Santa Claus!

Helen Dyce invited Ethel and Max Putman and Thelma Miller to play cards at her mobile home on Saturday evening. A new game of Rummy was played and enjoyed by all. Speaking of cards, people are asking when the card games are going to start again in the recreation hall. How about it?

If anyone wants to know how to light a furnace safely and protect your family and your valuables at the same time, please contact Emily Webster. She definitely has the solution!

If a person would wander into Bonnie Brae on Thursday night, he might think he was in a deserted park. However, everyone could be found at the Burger Queen enjoying the chicken special which is served.

Don't forget to place your canned goods and toys in the box in the recreation hall so that those less fortunate than we can have an enjoyable Christmas.

Barbeque For Sebring Academy

Good food... unique crafts... father-son basketball... pony rides... all of this will be featured at the first Sebring Academy Chicken Barbeque and Holiday Craft Sale! This event will be held on Saturday, December 10, from 3 to 7 p.m. at Pinecrest, where the school is located.

Students and parents alike are busy with preparations for the barbeque. Sebring Academy students are selling tickets for the event, hoping to be the big winner in the school's contest for the most tickets sold.

Proceeds from the barbeque will go toward the school's recreational fund and the Junior-Senior trip abroad this coming spring.

This year's Chicken Barbeque and Holiday Craft Sale promises to be an exciting beginning to a yearly tradition for Sebring Academy. Tickets may be obtained from any Sebring Academy student or by calling the school office at 382-2137 or 453-4770.

PEOSISTERHOOD LUNCHEON

A PEO Sisterhood luncheon will be held at noon on Thursday, Dec. 8, at the home of James Betts, 205 E. LaGrande in Avon Park. Reservations can be made by calling 453-3330 or 385-0891.

Former Prisoner Settles Out Of Court

A former prisoner at Avon Park Correctional Institution (APCI) and state prison system authorities have reached an out-of-court settlement in a civil damage suit growing out of a fire at APCI.

Emmitt Edward Moody suffered first, second and third degree burns in a fire drill at

the prison Oct. 9, 1974. Moody charged that he had been instructed to set the fire in a pile of garbage and scrap wood, using a fuel-soaked torch. The scrap pile, doused with diesel and aviation fuels, exploded when Moody put the torch to it.

Records indicate that Moody was hospitalized at Walker

Memorial Hospital for several days and received some medical attention at the prison for the next 17 months. Plastic surgery was pending at the time the case was dismissed with prejudice to the plaintiff.

Courts records here do not indicate what the terms of the settlement were.

Moody, who is now 32 years old, is living in Georgia.

"Why have I saved at First Home for 21 years? They've never missed a dividend check, that's why."

When First Home Federal opened its doors back in 1956, financial security and convenience to the customer were the founding philosophies. And to this day, we have never missed paying a dividend check. As a matter of fact, First Home will pay out over 4 million dollars in dividends, this year alone. What better reason than that to let one of our savings counselors explain the many secure savings programs and which one best suits your financial needs.

FIRST HOME FEDERAL

SEBRING: W. Center Street; Southgate Shopping Center. LAKE PLACID: 13 Oak Street. AVON PARK: W. Main Street. TAMPA: 8889 56th Street, Temple Terrace.

Yuletide Stamps For Christmas

Yuletide mailers can choose this year between two attractive Christmas stamps when applying appropriate postage to holiday greetings and parcels being sent through the mail.

A colorful design of a rural mailbox, crammed with letters and packages, will add a cheery touch to holiday mail and customers in history may choose the design of General George Washington kneeling in prayer during the winter of 1777-1778 at Valley Forge. Both stamps are currently on sale at the Avon Park post office.

The Washington stamp pays tribute to the Continental Army which spent Christmas, marred by severe hardships and semi-starvation, at Valley Forge in Pennsylvania.

After an unsuccessful effort against the British at Germantown, General Washington and his troops retreated to Valley Forge. Two days before Christmas, Washington wrote: "We have this day no less than 2,873 men in camp unfit for duty because they are barefooted or otherwise naked."

This design, by artist Stevan Dohanos, is based upon a painting by J. C. Leyendecker which appeared as a Saturday Evening Post cover in 1935. Mr. Dohanos also is noted for his paintings which appeared on more than 100 other covers of the Post.

A snowy winter setting provides the perfect background for the rural mailbox depicted on the other Christmas issue. The designer is Doll Tingle of Westport, Ct., who also created the popular needle-point Christmas Tree stamp of 1973.

Now a familiar sight, the rural mailbox was brand new in 1896 and represented an important link with the outside world for isolated farm families. Today, rural mail delivery still provides a vital service. Rural carriers each day travel more than the two million miles to serve 13.8 million families along more than 33,000 rural routes throughout America.

PUBLIX-YOUR COOKBOOK'S BEST FRIEND.

You'll find all the ingredients you need for your favorite beef recipe at Publix — including your choice of Swift's Premium ProTen Beef or Non-ProTen U.S.D.A. Choice Beef.

FRENCH POT ROAST

Yield: 8 servings

5 pound Swift's Premium ProTen or Non-ProTen USDA Choice Beef Chuck Blade Roast, cut 2 1/2 inches thick.

2 tablespoons fat
1 tablespoon salt
1 teaspoon ginger

1 tablespoon shredded orange peel
1 clove garlic, sliced
2 whole cloves
1 teaspoon sugar
4 onions, sliced
1 pound can tomatoes
2 slices rye bread, torn into pieces
1 green pepper, sliced into rings

Melt fat in a heavy skillet or Dutch oven. Brown roast in melted fat 15 to 20 minutes. Sprinkle beef with salt, ginger and orange peel. Add garlic, cloves, sugar, onions, tomatoes, and rye bread. Cover tightly and cook slowly on top of the range or in a moderate oven (350°F) for 2 to 2 1/2 hours or until roast is fork tender. Add green pepper rings the last 30 minutes of cooking time. Remove from pan. Skim excess fat from pan drippings. Serve drippings with roast.

Drive-In Worship Service Comes To Avon Park

"Joy is Good News" will be the sermon topic, Rev. Aden Childress, of the First Baptist Church, will use at the first Drive-In Worship Service to be held at the Seven Drive-in on Route 17A between Avon Park and Sebring at 8:30 a.m. Sunday, Dec. 3.

The sermon will be based on Luke 2:10 in which the Birth of Christ is announced by singing Angels. Rev. Childress stated they plan to conduct the service as near like their regular church service as possible, to include hymn singing and special music.

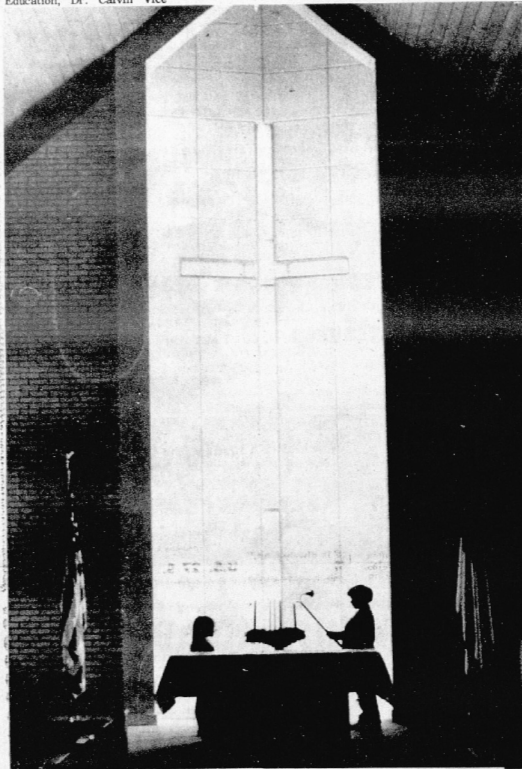

First Baptist Minister of Education, Dr. Calvin Vice

Rev. Aden Childress

stated that people can attend the service and worship in their cars in a relaxed atmosphere. There is no special dress required as people can stop to worship while on their way to fishing, hunting or other recreation.

The service will last approximately 45 minutes ending in time for members of most other churches to attend services at their own church and everyone is invited to attend. It is hoped that the service will be continued on a regular basis.

The Prophecy Candle At First Presbyterian Church

Presbyterians Celebrate Advent, First Candle Lit

The traditional first candle in Advent, the Prophecy candle, was lighted last Sunday during Morning Worship at the First Presbyterian Church.

Mission Week Celebrated

Florida Ave. Baptist Church will observe Foreign Missions Week of Prayer, Dec. 4 thru Dec. 11. Services will be held at the church, as follows:

Mon. Dec. 5—Service will be held at 10 a.m.

Tues. Dec. 6—Service will be held at 7 p.m.

Wed. Dec. 7—services will be held at 7:30 p.m., with Bro. Tom Ellington as speaker.

Thurs., Dec. 8—A barbecue will be held at the Fla. Power Co. on Power Plant Road, and is sponsored by W. M. U. and Brotherhood. A time will be announced in church, at a later date.

Fri., Dec. 9—services will be held from 3 p.m. to 4 p.m. Sat., Dec. 10—All day prayer is scheduled to be held from 8 a.m. to 6 p.m.

Sun., Dec. 11—there will be a skit by Irene Chappell at 7:30 p.m. Everyone is invited to attend all of these services.

MAUSOLEUMS
U.S. 27 N. of Sebring

The candle was lighted by Eric Wick after the congregation had sung the first stanza of "O Come, O Come, Emmanuel." The congregation read together: "Jesus said, 'I am the light of the world. He that followeth me shall not walk in darkness, but have the light of life.'" Then Jennifer Maxwell asked: "Why do we light one candle?" The

Dec. 2, Annual Childrens Christmas Banquet

The annual Childrens Christmas Banquet for parents and children of the Sunday School of the First Presbyterian Church will be held Friday, December 2, at 6:30 p.m. This is the fifth year that the Children's Christmas Banquet has been held. It is traditionally held on the first Friday night of Advent. Last Sunday, in some of the Sunday School classes, the boys and girls made Advent wreaths. They took them home to light the candles on the four Sundays in Advent and on Christmas Eve.

The Children's Christmas Banquet is an occasion for the entire family. All of the children of the church beginning as young as the infants in the Nursery are invited to this banquet. As special guests, the children each invite their parents to attend with them.

The Sunday School teachers of the Children's Department

congregation responded: "This candle reminds us of the light of hope that the prophets had in their expectation of a Messiah who would bring peace and love into the world."

The lighting of the candles during Advent will climax with the lighting of the Christ Child candle at the Christmas Eve Communion Service.

cook and serve the meal. This is not a Potluck, but a prepared meal at the church. There is no charge and no offering is received.

Each year there is a special program. The program varies from year to year. This year the junior Highlanders under the direction of Evelyn Jones will present a program of traditional Christmas Carols. All families are encouraged to make their reservations as soon as possible.

FAITH WILL PREPARE YOUR CHILDREN FOR TOMORROW

Your children need to learn faith in God, as well as the basic skills of life. As the opening of the school season draws near, remember that it is also time to begin or resume their spiritual education: to fortify them for the time when you may no longer be on hand to guide and protect them. That a large segment of our young people have never learned goodness for its own sake is tragically evident in the almost daily accounts of juvenile wrongdoing. Children are not born with this knowledge; they must be taught it. Enroll your children in Sunday school, and set your own good example for them by the way you conduct your life, and by attending your Church.

"His education forms the common mind:
Just as the twig is bent the tree's inclined."
— Alexander Pope

"Train up a child in the way he should go; and when he is old, he will not depart from it."
— Proverbs 22:6

Daisy Collect's Antique Pitchers

MRS. CHESTER (DAISY) the first pitcher she bought. Wollangk proudly shows us

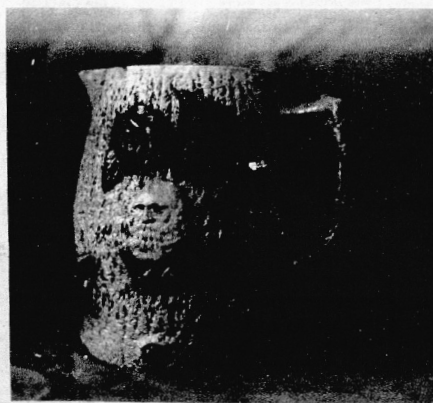

Daisy Wollangk collects antiques, although the ones that have caught her eye are pitchers.

She started her collection many years ago in her home town of Oshkosh, Wis., and began by browsing through antique shops and going to auctions. She prefers auctions or garage sales as most of the items can be bought at a lower price at these times. She would buy an item here and there but as she passed an antique shop this one certain pitcher caught her eye, so she purchased it. After she got the pitcher home it seemed to be missing something, sitting all alone, by itself on her shelf, so at the earliest opportunity, she brought another pitcher, and that is how her collection began, said Mrs. Wollangk.

One of her favorite collector items are the Sweet Heart pitchers. Notice the different pattern lines. These are made of stoneware and were made in the United States. Stoneware years ago was used to help keep liquids cool. She has collected these over a period of many years and purchased the last piece almost 10 years ago. They are one of her favorites because they are all in a set.

"The Sweetheart Pitchers," said Daisy. "Are my favorites, because they are all in a set."

"This is Called a President's pitcher," said Mrs. Wollangk.

Some of her pitchers were given to her as gifts, from friends and relatives, but the last one that she has bought was hand painted in Nippon China.

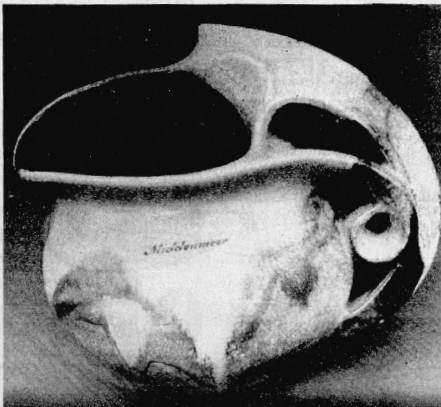

Daisy is also involved with the Garden Clubs in our area, the Sweet Adelines, and various church organizations. She

also helps as a volunteer with Project Hope.

Daisy and her husband, Chester, have been residents of Avon Park for almost three years and likes the area very much. She said that Avon Park is a nice, little, friendly town in which to live.

Photos and Text

By Betty Amburn

This Pitcher was given to Daisy as a gift from her daughter's mother-in-law.

This funny little pitcher has a history of its own. It seems that the pitcher was given to Daisy's mother-in-law as a gift from her husband's mother as a wedding present. Because of the weird shape and the fact that it was very difficult to pour from, she didn't like it at all, but, since it was a gift from her mother-in-law, she didn't dare get rid of it. Daisy's daughter,

Carol and her husband went to Holland to visit and upon learning that Carol's Mother collected pitchers as a hobby, she was very happy indeed to be able to give it to Carol to give to her mother. The pitcher seems to be a souvenir of something, but no one seems to know for sure. "It has a different feel than that of crockery," said Daisy.

Consumer's Side

Mrs. Lee F. Rumbley, Consumer Services Coordinator, The Department of Agriculture and Consumer Services, The Division of Consumer Services, Mayo Building, Tallahassee, Florida 32304.

If you have any questions, please write to the above address.

The Division has received many requests for information concerning warranties, especially with the changes in law that have come with the Magnuson-Moss Warranty Act. Here are some of the basic provisions of that law.

It's the Magnuson-Moss Warranty Act, and it can help you get a good deal on warranties. The Warranty Act helps before you buy, by letting you see the warranties. Starting January 1, 1977, warranties on consumer products costing more than \$15 must be available for you to look at before you buy — so you can "comparison shop" and

get the best warranty. And, the Warranty Act helps after you buy, by making it easier for you to force companies to keep their warranty promises.

SOME BASIC POINTS
Under the Warranty Act, all warranties must be easy to read and understand. They must be written in ordinary language, not "legalese." Fine print isn't allowed.

Every term and condition of the warranty must be spelled out in writing. If it isn't there, it isn't part of the warranty. Beware of spoken explanations of the warranty. What the salesclerk says about the warranty won't count when it comes time for warranty service. Check what's written in your warranty.

Note: The Warranty Act doesn't make a company give a warranty (though some state and federal laws do require warranties on certain products). If you buy a product "as is," you will have to pay for any repairs.

WHAT KIND OF WARRANTIES ARE THERE?

Written Warranties. There are two types of written warranties: FULL and LIMITED. These words have been given special meanings by the Warranty Act.

Full Warranty: The label "FULL" on a warranty means all this:
+A defective product will be fixed (or replaced) free, including removal and reinstallation if necessary.
+It will be fixed within a reasonable time after you complain.

+You will not have to do anything unreasonable to get it. It comes time for warranty service, check what's written in your warranty.

Note: The Warranty Act doesn't make a company give a warranty (though some state and federal laws do require warranties on certain products). If you buy a product "as is," you will have to pay for any repairs.

IMPLIED WARRANTIES. "Implied warranties" are

+The warranty is good for anyone who owns the product during the warranty period.
+If the product can't be fixed (or hasn't been after a reasonable number of tries), you get your choice of a new one or your money back.

Check if a warranty says "FULL" — It's a quick way to know if you're getting a lot of protection.

BUT there is one important thing the word "FULL" doesn't promise. A FULL warranty doesn't have to cover the whole product. It may cover only part of the product, like the picture tube of a TV. Or it may leave out some parts, like tires on a car. If your warranty covers only the picture tube, and the sound goes bad, you pay. ALWAYS CHECK WHAT PARTS THE WARRANTY COVERS.

Limited Warranty. A warranty is "LIMITED" if it gives you anything less than what a full warranty gives. "LIMITED" means be careful — something's missing.

For example, a LIMITED Warranty may:
+Cover only parts, not labor.

+Allow only a pro-rata refund or credit. (You get a smaller refund or credit the longer you had the product.)
+Require you to return a heavy product to the store for service.

+Cover only the first purchaser.

rights created by state law, not by the company. All states have them.

The most common implied warranty is the "warranty of merchantability." This means that the seller promises that the product you buy is fit for the ordinary use of the product. For example, a reclining chair must recline; a toaster must toast. If it doesn't, you have a legal right to get your money back.

Another implied warranty is the "warranty of fitness for a particular purpose." If you buy a product relying on the seller's advice that it can be used for a special purpose, then this advice may create a warranty. For example, a seller who suggests a certain sleeping bag for zero-degree weather warrants that the sleeping bag will be suitable for zero degrees.

Implied warranties come automatically with every sale, even though they are not written out. If a seller says nothing about warranties, you get the implied warranties. A seller can usually get out of these warranties by stating — in writing — that it gives no warranty at all ("as is"). But a seller can't give a written warranty and get out of the implied warranties. If you get a written warranty, you get the implied warranties too. The implied warranties may give you protection the written warranty doesn't give.

THE VARIETY OF pitchers shown in this photo, is just

She also has, in her collection a hand blown glass pitcher that was made in Holland.

a small sampling of Daisy's collection.

are made in two sections instead of three. The handle was put together in two sections.

She has one with a candlewick edge that has an inverted bulls eye around the bottom. "Its frosted appearance comes from use, scratching and age," said Daisy.

Her pitcher's are in a variety of colors, design, origin and age. She has a panel and rosette pattern one that was made in the United States, a Bisc ware, some of them match a dish that her Mother gave her, therefore she tries to find matching pieces; and pitchers of unusual paintings, such as the small sauce pitcher that is hand painted with forget-me-nots.

Cooking Corner

Cranberry Almond Apple Pie

It's fresh cranberry time and those plump, ruby hued, native American berries are in markets now and ready to be scooped up and cooked. These crimson berries of the bogs can be used in so many ways, in soups and stews, relishes and sauces, breads, hams and pies.

With fresh cranberries at their peak of color and flavor, it's a fine time to buy a good quantity now and freeze what you don't use for later. To freeze, simply pop the unopened containers into the freezer. When ready to use frozen cranberries, just follow the directions for any fresh cranberry recipe. Here's a splendid one for a delicious pie which is as pleasing to the taste buds as to the eye. It will make a perfectly marvelous finale to a family dinner or a festive company occasion.

CRANBERRY ALMOND APPLE PIE

(Makes one 9-inch pie)

- | | |
|---|--|
| 6 medium green cooking apples, peeled, cored and sliced | 1 unbaked 9-inch pie shell with a high fluted edge |
| 1 cup Ocean Spray fresh or frozen-thawed cranberries rinsed and drained | 1/2 cup firmly packed brown sugar |
| 1/2 cup flour | 1/2 cup flour |
| 3 tablespoons melted butter or margarine | 3 tablespoons butter or margarine |
| 1 cup sugar | 1/2 teaspoon cinnamon |
| 1/2 teaspoon nutmeg | 1/2 cup chopped toasted almonds |
| Dash salt | Whipped cream for garnish |
- Combine apples, cranberries, flour, butter, sugar, nutmeg and salt. Pour into pie shell. Combine remaining ingredients and mix until crumbly. Sprinkle crumbs over top of pie. Bake in a preheated moderate oven (350 F.) for 50 to 60 minutes, or until apples are tender. Cool thoroughly before cutting into wedges. Garnish pie with sweetened whipped cream and cranberries.

Avon Mobile Home Park News Holiday

By Ruth E. Robinson

The Thanksgiving dinner was well attended by 77 happy and hungry folks, who dined bountifully on excellent turkey with all the trimmings. Ula Miller and Verna Ferro were the gracious hostesses who kept the table filled and the line moving along smoothly.

Mrs. Eleanor Damon played the piano for "Ham" and Nita Byrer who inspired us with their singing. Mrs. Marie Monroe related a story of the "Ghost of the Thanksgiving Turkey"; leaving us with chills running up and down our spines!

Surprise guests entered our group at the end of the meal. Mr. and Mrs. Alva Derr, who were previous guests in the winter here and still live in Avon Park for the winter season.

A silent prayer of a minute was held for residents who had passed away this year: Mr. Hubert Smith, Mr. Herman Young and Mr. Merrill Murphy.

Mr. and Mrs. William H. Bell are enjoying a visit from their daughter and son-in-law, Dr. and Mrs. M. C. Hunter, from Waveland, Miss. This week, and we were happy to meet them at the dinner. Mr. and Mrs. Roy Culp from Nappanee, Ind., sister and brother-in-law of Mr. and Mrs. Ellis Martin attended. We also welcomed back Mr. and Mrs. Walter Stone; Mr. and Mrs. Lewis Tripp and Mrs. Helen Smith; Mr. and Mrs. Ted Nolan (Nora) of Shelby, Michigan; and this week end, Mr. and Mrs. Edwin Feehan, as well as Mr. and Mrs. Roy Vandepolder!

Mr. and Mrs. Cecil Damon enjoyed a visit this past week with their niece, Maureen Damon from Jamestown, New York. She left from the Orlando airport on Sunday after Eleanor and Cecil drove her there.

Mr. and Mrs. Earl Baxter were surprised by their son Mr. Lauren Baxter from Long Island, New York, who stopped for a visit after a trip to Miami.

Robert and Martha McBeth spend Thanksgiving Day and the weekend with her brothers and their wives, Mr. and Mrs. C. F. Castanian of Cape Coral, Mr. and Mrs. M. L. Bacon of Ft. Lauderdale, and Mr. and Mrs. R. G. Castanian of Shellpoint Village, where other

guests, Mrs. Bertha Brush entertained her son and wife, Mr. and Mrs. Edwin Ireland of Englewood, Fla. for Thanksgiving and the weekend.

Guests this past week at the home of Mr. and Mrs. Phelps Suttons were: Alice Canin of Sebring with two friends of Palatine Bridge, N. Y., Odie Ames of Richfield Springs, N. Y. and this Sunday, Mr. and Mrs. Laverne Slaley.

Winners of the Pinochle games last week were: Helen Smith with a 1306 and Marie Hubbard, 1283.

A meeting of the Shuffleboard Players was held on Monday with "Ham" Warren Byrer elected President. The schedule will be: Couples at 9 a.m.-Women at 1 p.m., Men-on Tuesday.

Thursday is the day for Singles to play: starting at 9 a.m. Officers of the Women's Club are: Margaret Belcher, President; Mrs. Ula Miller, Vice President; Hazel Weldy, Secretary; Verna Ferro, Treasurer. Meetings are held on the first Friday of each month at 1:30 p.m. in the Recreation Hall.

There will be a Singing night every Saturday evening at 7 p.m. This next Saturday we

will be treated especially nice, but a little later, at 7:30 p.m. with the "Highlanders" with Mrs. Evelyn Jones as their Director. Come early to get a good seat!

Last Saturday there were about 50 attended for singing and Mrs. MacNeil read 2 poems, one composed by herself. A decision was made to continue to have this on Saturday nights. CRAFTS will also be taught on MONDAY at 1 p.m.

Albert and Dorothy Keyes spent the weekend camping at Holiday Cove Trailer Park at Cortez, Bradenton with Mr. and Mrs. Wilford Reed. They also fished, went shopping and ate an abundance of good food!

Mr. and Mrs. Roy Girten were sorry to get a phone call on Saturday A.M. telling them of the death of Mrs. Virginia Townsend, Daughter of Mrs. P. R. Bessie Rusk, Albany, Ind. who formerly was a resident here on Lot 52. Many will remember her.

Mr. and Mrs. Keith Debo were visitors on Sunday with Mr. and Mrs. Lawrence Robinson and also Mr. and Mrs. Robert McBeth. It is always a pleasure to see and talk with them.

Southland Court News

By Louise Carson

Tuesday morning coffee hour had 26 in attendance, come on out and join in the fellowship.

Tuesday afternoon the ladies Arts and Crafts met at the recreation hall, to gather ideas for our hobby show. On Thursday evening there was a meeting for aggregation and other card games all who came out had enjoyable evening. You are invited to come out and test your skills.

Nancy Dugan's daughter, Pat, spent Thanksgiving day with her mother, along with her children Wendy and Jurnee. Marvin and Hannah Tebo have returned from a week of camping at Eustis with the T.C.T. Club, they certainly had beautiful weather.

Loyal and Ann Condit had a visit Sunday from Loyal's cousin and husband from Bradenton. Leon and Oaka Gifford enjoyed a visit from Rufus Gifford, who is from the Giffords home town, Painted Post, N. Y. Barney and Claire Ross took a trip to Titusville

last Saturday to visit Barney's son and daughter-in-law and granddaughter.

Our Thanksgiving dinner had a wonderful turnout of 56 participants. The food was delicious and there was plenty of it. Mildred Hindsley had her son and daughter-in-law as guests, Ruby Thompson's sister and husband came from Virginia. Harriet Cassellius's mother was here and Florence Stephens' stepson and wife visited from the keys.

Barney Ross gave the invocation. We missed the folks who could not attend because of sickness, and we hope to see them at our next gathering.

The ladies shuffle teams met after the Thanksgiving dinner. Clara Davis and Martha Long won the three game series. Chuck and Marion Leonard spent Thanksgiving day with Marion's father, John Ruggio and wife Ann, in Avon Park. Friday night bingo had 23 attendance. All for now, bless you all with health and happiness.

Ranch News

By Barbara Ebmeyer

Holiday Ranch residents had a delicious Thanksgiving feast with 38 there to enjoy it. Ann and Steve Pardee, the owners, furnished the turkey and trimmings. Everyone else brought goodies. Clair Reno gave thanks. Wagonmaster Harold Manges and his helpers had charge of the preparations, which included decorating the tables in fall arrangements.

Cora Jones returned Tuesday, following a stay at Walker Memorial Hospital. She and Howard spent the holiday in Venice. Karl and Ida Walter was another couple who missed the dinner, as they went to Lake Worth to visit his mother and sister.

The park is almost full as nearly everyone came in early this year, probably thinking of last winter's snow and cold up north. Arriving this past week, were Dick and Doris Somers of North Lyons, Mich., Harley and Gladys Kimmner of Britton, Mich. on Saturday, and John and Barbara Ebmeyer of Lansing, Mich., on Monday.

Thursday evening, Mr. and Mrs. Don Schoen of Boise, Idaho, showed slides of a trip taken in 1976-1977, in Mexico and Central America. They visited many archaeological projects in several countries. An explanatory tape was played along with the pictures, and Mrs. Schoen showed several interesting artifacts and wearings that she had brought back.

Dick Domers is this week's wagonmaster, and Karl Walters was elected at Monday's coffee hour to act as wagonmaster next week.

"THANKSGIVING IS AN appropriate time to thank employees for helping keep the institution going," Administrator Ben

Brooks (center) told other employees as he presented certificates of appreciation for 10 years of loyal service to (from

left) Melville Thomas, Thirl Pouckat, Brooks, John C. Church and Stephen C. Vosburgh last week.

Public Notice

NOTICE OF PUBLIC SALE

Florida Food

Hardly have the sandwiches been consumed, so deliciously prepared with the leftover Thanksgiving turkey, than it's time for Floridians to plan Christmas gifts from the kitchen. Bestowing a loaf of fruit cake or jar of jelly has a long, friendly tradition behind it.

Those who are into fine cuisine, and the number seems to be growing, find it vastly pleasurable to turn out a delicacy for neighbor or friend. Those who may not be quite so enthusiastic about cooking nevertheless find it worthwhile to go and do likewise. Obviously, home-crafted foods are far less costly than those you buy.

Thanks to the freezer, the baked products for which recipes follow all may be prepared well ahead of the Christmas flurry. The individual fruit cakes need no freezing, of course; if baked now they will have time to age. The fudge is best done nearer the holiday.

ALMOND COFFEE CAKE RING
A sumptuous ring for holiday entertaining. Almond flavors the dough; almonds and apricot preserves provide the filling.

1 package (13½ ounce) hot roll mix

¼ cup lukewarm milk

¼ cup Italian almond-flavored liqueur

1-3 cup sugar

2 eggs

Grated rind of an orange

¼ cup grated blanched almonds, see note

½ cup apricot preserves

1-3 cup plus 1 tablespoon Italian almond-flavored liqueur

1 cup confectioners' sugar

1. Combine yeast from hot roll mix with the lukewarm milk in a mixing bowl. Stir to dissolve yeast.

2. Add ¼ cup liqueur, 1-3 cup sugar, eggs and rind. Stir in the flour from the mix. Beat until blended.

3. Cover. Let rise in a warm place until double in bulk, about an hour.

4. Knead dough on a lightly floured surface until smooth and elastic. Roll out to a 16x10-inch oblong.

5. Mix almonds, preserves and 1-3 cup liqueur. Spread evenly over dough. Roll up dough like a jelly roll starting at the 16-inch side. Join ends of roll to form a ring.

6. Place on a cookie sheet and cut with scissors at 1½-inch intervals, cutting not quite all the way through the ring. Or use a sharp chef's knife to make the slits. Cover lightly with a towel and let rise in a warm place until double in bulk.

7. Bake in a preheated 350-degree oven for 25 to 30 minutes, or until brown.

8. Remove from oven and let cool for 10 minutes.

9. Mix confectioners' sugar and remaining tablespoon of liqueur. Spread over ring. Ring may be served warm but for a gift it would, of course, be cooled.

Yield: One 10-inch ring.

Note: Grate almonds in blender or food processor.

MINIATURE FRUIT CAKES

For these you will need the small aluminum baking pans (4½x2½x1½ inches) that are sold in variety stores for individual loaves of bread. They also are useful for gelatin salads and molded desserts.

This recipe is adapted from an excellent volume, "Cecily Brownstone's Associated Press Cookbook" (1972). Make the cakes as soon as possible to give them a chance to age before consumption at Christmas.

1½ cups sifted flour

1½ teaspoons baking powder

¾ teaspoon salt

¾ teaspoon nutmeg

½ cup each raisins and currants

1 cup mixed candied fruits with peels

4 ounces (small jar) dried candied pineapple

6½ ounces (small jar) candied cherries, halved

1 cup coarsely chopped walnuts

¾ cup margarine

¾ cup sugar

4 eggs

¼ cup fresh orange juice

1. Sift together 1 cup of the flour, baking powder, salt and nutmeg.

2. Mix the remaining ½ cup flour with the raisins, currants, candied fruits and walnuts. Reserve.

3. Cream margarine and

sugar thoroughly; beat in eggs thoroughly, one at a time. Add sifted dry ingredients in four additions, alternating with the juice, beat well after each addition. Fold in reserved fruits and nuts.

4. Spoon batter into eight greased pans (4½x2½x1½ inches), each about three-quarters cup in capacity.

5. Bake in a preheated 350-

degree oven until tops are well browned, sides shrink from sides of the pans and a cake tester inserted in the center of a cake comes out clean—about 45 to 50 minutes. Set pans on wire racks to cool. For gifts, wrap cakes in transparent film (in or out of pans) and trim with holly, ribbon, etc.

Yield: Eight small cakes.

PEANUT BUTTER COOKIES

Chocolate and whole peanuts add variety to a favorite recipe. These are quick and easy to do.

¼ cup flour

½ teaspoon baking soda

½ cup margarine

½ cup peanut butter

½ cup firmly packed light brown sugar

¼ cup granulated sugar

1 egg

1 teaspoon vanilla

½ cup salted Spanish peanuts in their skins

1. Stir together flour and baking soda.

2. Cream margarine and peanut butter. Beat in brown

and granulated sugars, egg

and vanilla. Mix in flour with soda. Stir in peanuts and chocolate.

3. Drop by heaping teaspoonfuls, about 2 inches apart, on ungreased cookie sheets. With a floured fork press to make a crisscross pattern, which will disappear during baking.

4. Bake in a preheated 350-

degree oven until lightly

browned—about 10 minutes. Let cookies stand on baking sheets a minute, then remove to racks to cool. For gifts, it is preferable to pack these in tightly covered metal boxes.

Yield: Four dozen 2-inch cookies.

BEST EVER FUDGE

The classic homemade candy, a great present for the sweets lover.

2 cups sugar
Pinch salt
2 squares unsweetened chocolate

2-3 cup evaporated milk (small can)

2 tablespoons light corn syrup

2 tablespoons margarine

½ teaspoon vanilla

1. Combine sugar, salt, chocolate, milk and syrup in a

sugar, salt,
and syrup in a

saucepan with a heavy bottom. Place over medium heat. Stir just until chocolate melts and sugar dissolves. Stop stirring entirely, insert a candy thermometer and cook to 236 degrees. At this point the mixture will form a soft ball when a drop falls in cold water. 2. Remove from the heat, set pan on a wire rack and let mixture cool to 110 degrees, at

which point the pan bottom should feel lukewarm. Do not stir during cooling interval, to avoid formation of sugar crystals. 3. Beat 10 to 15 minutes, or until the fudge starts to thicken and lose its glossiness. Pour it into a greased-with-margarine pan. Let stand until set-about 2 minutes. Cut immediately into squares. For a gift, pack

between sheets of wax paper in a decorative container. Yield: Approximately one and one-fourth pounds. **ORANGE BREAD** A delicious, sweet, teatime loaf, especially good when sliced thin and spread lightly with butter. Inexpensive to make because its chief ingredient is our most abundant Florida Fruit,

oranges. This recipe is from my book on Florida cooking. 4 to 8 oranges 1/4 cup silvered orange peel 1 1/2 cups sugar 1-3 cup water 1/4 cup margarine 4 cups flour, stirred to aerate before measuring 4 teaspoons baking soda 1 teaspoon salt 11-3 cups orange juice

2 eggs, beaten 1. With a slotted, swivel-blade vegetable knife remove the thin orange-colored skin from the oranges (not the white membrane). Cut in thin julienne-style strips. Measure; there should be 1/4 cup. Extract the juice from the peeled oranges; there should be 11-3 cups. 2. Combine the peel, sugar

and water in a small pan. Cook over medium heat, stirring constantly, until the sugar is dissolved. Reduce heat and slowly cook 5 minutes. Measure; there should be 11-3 cups peel and syrup. Add margarine, stir until melted and let the mixture cool. 3. In a mixing bowl combine the flour, baking powder, baking soda and salt.

4. Add the juice and eggs to the peel and syrup. Add these liquid ingredients to the dry ingredients. Stir only until the dry ingredients are moistened; do not beat until smooth. Quickly pour the mixture into two greased pans (8"x4"x2 1/2 inches). 5. Bake in a preheated 325-degree oven 45 to 50 minutes. Place pans on racks and let

stand 10 minutes. Remove bread from pans. Finish cooling on racks. Wrap in film or foil and store overnight before slicing. For gifts wrap in an overlay of decorative paper. Yield: Two loaves.

Airman Giddens

Giddens Gets Airman Of Year Award

Airman June Giddens Durham, daughter of Rev. and Mrs. Don Staten of Avon Park, has been selected as the 52nd Supply Squadron Airman of the year.

The competition for this honor is great and nomination is based upon continual outstanding job performance, bearing, behavior, and personal appearance. Airman Durham exceeded all these requirements and was ultimately rewarded by her selection for this title, stated a letter Mrs. Staten received from June's squadron commander.

Airman Durham and her husband are stationed together at Spangdahlem AB, Germany.

Harry Lee's Trailer Village

By Mabel Stocker

The Audu-Vin Social Club held a weiner roast recently at the shelter with 22 members present. A covered dish was enjoyed and later cards were played.

Several of the residents have returned from their northern homes: from Michigan: Mr. and Mrs. Roland Halledad of Ovid, Mr. Roy Adle formerly of Mr. Morris and now a resident of the village, Rita Kalash and Bill Ray of Wyandotte, Mr. and Mrs. Charles Campbell of Manton, Mr. and Mrs. Jake Mulder of Kalamazoo; Mr. and Mrs. Lavern Roe and Mr. and Mrs. Lee Cook and Nancy Heingardt of Kalamazoo; from Iowa, Mr. and Mrs. Earl Wheatstone, Mr. and Mrs. Harold Ayers and son Tom and from Sarnia Ontario, Mr. and Mrs. George Lucas and daughter Pat Knight, who accompanied them and then flew back to her home, and Mr. and Mrs. Ed. Stocker from Lima Ohio.

The village was saddened by the sudden death of Vincent Potts who arrived on Saturday night and died on Sunday morning. The village extends their sympathy to Olga.

Mr. and Mrs. John Ortel of Coca Beach spent the Thanksgiving holidays with Mr. and Mrs. Everett Tribbett. The Audu-Vin Social Club held their Thanksgiving dinner at the shelter on Thursday noon with 37 members and guests present. A covered dish dinner was enjoyed along with turkey and all of the trimmings. In the afternoon cards were played. Committee in charge was: Mr. and Mrs. Roland Halledad, Mr. and Mrs. Everett Tribbett and Alice Maxwell.

Your reporter would like to thank all for the cards and visits during my stay in the hospital.
