Thief Steals State Truck To Escape

It was a repeat performance for an Avon Park Correctional Institution prisoner, serving time for auto theft, as he stole a pickup truck from an APCI work detail and with two other prisoners drove to freedom at the Frostproof gate where they abandoned the vehicle and disappeared.

It was revealed by G. S. Fortner, superintendent at APCI that the three prisoners escaped sometime between 1:15 and 1:30 p.m., Monday.

Feb. 20 by taking a pickup truck from a work detail and driving to the north of Frostproof gate and abandoning the vehicle. Fortner stated that apparently someone was waiting at the gate and picked them up. Normally guards are not posted at this gate.

All three prisoners were held in the minimum security section of APCI and assigned to separate work areas, with Benjamin John White at the electric shop; Madison Reynolds in the carpenter shop and Bryant Bowlds was in the park or cleaning squad.

White age, 57, was serving five years for grand larceny and uttering a forged instrument and was committed by Pinellas County. He was transferred to APCI on Feb. 21, 1977. He is 5 ft. 9 1/2 inches tall weighing 156 pounds, has grey hair, brown eyes and a ruddy complexion. Reynolds is 49 years old, 5 ft. 7 inches tall, weighing 195 pounds, has brown hair, blue eyes, a ruddy complexion and is dead in his right

ear. He is serving eight and one half years for auto theft and worthless check charges. He was committed by Pasco, Polk and Osceola Counties and came to APCI May 23, 1977. Bowlds is 57 years of age, 6 feet tall, weighing 171 pounds, with green eyes, grey hair and a ruddy complexion. He was committed to APCI from Hendry County and is serving five years for possession of a controlled substance, marijuana. He arrived at APCI on Dec. 5, 1977.

New Fire Station Close To Schedule

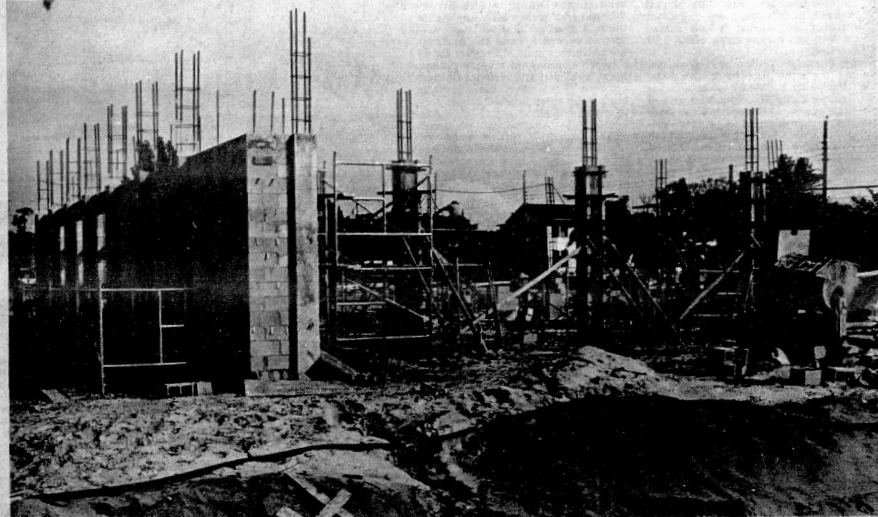

Despite all of the rain during the last few weeks, the column reinforcing of the new Avon Park fire station was close to schedule, stated Fire Chief Mack Flowers, following a Tuesday afternoon inspection of the building site.

All of the roughed in plumbing and electrical work is in place with the concrete floor poured in all locations except the equipment floor which will be poured last to avoid damage during construction, he added.

The north wall of the structure is to have a poured concrete lintel with seven courses of blocks added to bring it up to its 17 foot height.

Work has started with the laying of the center wall concrete block. Chief Flowers stated that telephone approval had been received from federal authorities for the building of a three story fire training tower adjacent to the main building. This change order had been approved by the city council at the last regular council meeting.

Construction is expected to be far enough along that the brick veneer exterior can be placed in April. The brick veneer will be a chocolate brown with flecks of yellow. It was reported that there are no buildings in this area with this color of brick.

Rising Cost Delays Bridge Building

Plans for a quick start on the new Bombing Range Road (State-64) bridge over Bonnet Creek appear to be collapsing under the weight of escalating costs and uncertainty over federal assistance in the project.

Highlands County Commissioners Tuesday rejected an arrangement with the Florida Department of Transportation (DOT) that would have meant spending some \$185,000 in county secondary road funds for a bridge that is mainly used by the federal Department of Defense (DOD).

When the bridge project was first proposed, costs were estimated at \$160,000. At this amount DOD had agreed to pay 75 percent or roughly \$115,000. Costs for the bridge have continued to climb according to state estimates and the project is now going to cost some \$300,000 and DOD is still only offering it \$115,000 share.

According to Gordon Hays Jr., county engineer, the state has not discussed several county proposals for reducing the bridge's cost. One suggestion was to allow the county to build a culvert type bridge to handle traffic flow while construction of the new concrete span and approaches was under way.

The state apparently feels such a bridge would disrupt the stream bed more than the costly timber span DOT proposes for a temporary bridge.

The county has also offered to do some of the work on the approaches as a way of reducing the dollar amount it must spend.

While the state and county come to new terms on the bridge proposal, commissioners directed Charles Cullen, county administrative assistant, to contact federal authorities to discuss an increase in the DOD share of the project's cost.

Hays said the present bridge is able to handle present traffic if the 15-ton load limit and speed limits are observed.

Inflationary pressures have had other effects in county operations and commissioners unanimously agreed to remove petroleum products from competitive bidding procedures. The action was taken to allow the county to negotiate gasoline prices with dealers instead of seeking firm prices for six or 12 months.

Presently the county is spending an estimated 4 to 5 cents per gallon more for gasoline obtained through bids than it would spend for the same gasoline purchased at negotiated prices.

The board also approved two changes in zoning regulations to bring county rules into line with state requirements. Approved was setting the number of members on the Board of Adjustment at seven instead of the eight established by the county.

The second change made will require posting of signs on property being considered for a zoning change at least 15 days before a hearing on the proposed change. Presently the county has been sending notices of the hearings on proposed zoning changes to neighboring properties' owners.

In a related matter, the board unanimously approved two zoning changes.

Florida Power Corporation requested a change from agricultural to industrial on a three-acre tract south of Main Road and off the east side of U.S. 27 to build a power transfer station.

A change in zoning that would permit construction of duplexes in Spring Lake was also approved.

The board directed Cullen to contact the Miami planning firm of Candeb & Flissig for a contract to do a comprehensive plan that will comply with the Planning Act of 1975. The plan will be used to establish land use, transportation, environmental and economic planning to guide Highlands County growth.

As many as 15 public hearings or meetings are to be held on the plan before it is completed.

Cost of the planning work is \$20,000. The same firm is doing comprehensive plans for the county's cities.

A plat recording for Highlands Towers Addition, which is next to Brunner's Mobile Estates on U.S. 27, was approved pending review of the plat by Robert Danty Jr., county attorney.

New Trial Asked For Woman Convicted In Mate's Death

In a motion prepared Feb. 20 circuit court is being asked for a new trial for Evelyn Graham and on charges less than the first degree murder count she faced here last week.

The 27-year-old Avon Park woman, tried here Feb. 6-8, was found guilty of manslaughter in the shooting death of her husband, Bobby Graham. It was Highlands County's first trial under a new state law which provided for the same jury to determine, in a separate hearing, whether the defendant was legally sane at the time the crime occurred.

The six-man, six-woman jury brought in the manslaughter verdict at 10 p.m. Feb. 7. The following afternoon the same jury returned a verdict of not guilty on the first degree murder count.

The jury heard opposing opinions from two psychologists. Dr. Alan Gessner of Lakeland testified in support of the defense counsel's contention that Mrs. Graham was temporarily insane at the time she shot her husband at their Avon Park mobile home.

Dr. Burt Kaplan of Bartow testified for the prosecution, saying that in his

opinion Mrs. Graham did know right from wrong and therefore would be considered legally sane.

Mrs. Graham did not deny that she had shot her husband. During her trial she testified that she had borrowed a gun, intending to scare her 29-year-old husband into abandoning a long-standing pattern of wife-beating.

On the night of his death he had beaten her, using a broom handle and a mop

handle as clubs, Mrs. Graham said. She said she showed the gun to her husband and as he grabbed for it the gun discharged. The prosecution said Mrs. Graham had shot her husband as he was sleeping.

Prior to the beginning of testimony the defense had sought to have testimony about the sanity question introduced as a part of the single trial on the question of guilt or innocence in the slaying.

McDonald, in the motion which will be filed here later this week, contends that the jury has, in effect, found Mrs. Graham not guilty of first degree murder, the crime for which she was indicted. To try her for anything more serious than manslaughter would, McDonald says, constitute double jeopardy, which is forbidden by the U.S. Constitution.

Less than two days after the jury had finished all its work on the Graham trial, the Florida Supreme Court ruled unconstitutional a 1977 law establishing a bifurcated trial for defendants making use of a legal insanity plea.

Justice Arthur England wrote, in a concurring opinion, "Whether the same or a different jury considers insanity, however, it seems clear to me that the Legislature overstepped constitutional bounds when it elected to shift the presentation of evidence on the insanity issue into a second stage of trial proceedings."

In the majority opinion Justice Joseph Hatcher said the new law violates a defendant's rights, making it harder to win acquittal. The court says the new procedure is unfair because it delays introduction of material about sanity and therefore leaves the jury with the presumption the defendant was sane at the time the crime occurred.

After the Florida Supreme Court decision was announced, Deputy Attorney General James Whisenand said he did not know how many cases had been tried under the new law which went into effect in October. He added that in all probability these cases will be sent back to lower courts.

Mrs. Graham's attorney said he hopes the court here will grant his motion for a new trial without a hearing. However, he is asking for a hearing date to be set, hoping his arguments might be heard in about two weeks.

Following the trial Judge Kelly had ruled that Mrs. Graham might remain free on the same bail (\$1,000) which she had posted before Christmas.

Private Citizens Aid In Solving Robberies

With cooperation from private citizens, area law enforcement officers have arrested three men and charged them in connection with robberies in Highlands, Polk and DeSoto counties.

Highlands County sheriff's deputies have charged Edwin Bullard, 21, of Sebring and Larry Murphy, 26, also of Sebring, with strong armed robbery and both men remained in county jail early this week in lieu of \$20,000 bond each.

Meanwhile, Arcadia Police arrested Rodney Cole, 28, of Sebring, in connection with a robbery Feb. 1 of an Arcadia Shop 'n Go on SR 70. He remains in DeSoto County jail charged by police with robbery.

Highlands deputies believe Cole and Murphy are suspects in seven armed robberies that have occurred over the past two months in Highlands, Polk and DeSoto counties.

Robbery victims in Highlands County include Carper's Quickie Stop, Sebring Shop 'n Go on SR-17, the 7-11 on Ridgewood Drive, Gladys Grocery, U.S. 27, north of Sebring, the Eagle Family Discount Store in Avon Square and the 7-11 on S. Verona in Avon Park.

Murphy and Bullard were arrested Feb. 12 in connection with the robbery of an Avon Park Shop 'n Go.

An Avon Park resident noticed suspicious movement at the store and took down the license number of a car leaving the store. Avon Park Police received a call about suspicious actions inside the store and Det. Leo Brunsing and Sgt. Roy Hickman were dispatched.

The officers arrived shortly after robbers left the store. Clerk Cindy Downs said the store had been robbed by two black males.

Sebring Police were notified of the robbery and Patrolman Bob Walker stopped the suspects' vehicle at Triangle Restaurant on Route-17A. The two men were then taken into custody.

Similar aid from a private citizen helped Arcadia Police investigation of a robbery there.

According to Arcadia Police Capt. Eugene M. Ritz, a man walked into the Shop 'n Go Store there at about 9:45 p.m. Feb. 1, picked up a soft drink and took it to the counter. When the clerk rang the sale up, the man went around the counter and reportedly pulled a gun.

Ritch said the clerk's behavior apparently frightened the man off. As he was running through the front door, a customer tackled the suspect.

Ritch was driving past the store on regular patrol when he noticed what seemed to be a fight at the store front. Cole was arrested by Ritch and charged with robbery.

Arcadia Police were unaware of any connection between Cole and other robberies until contacted by Highlands County deputies about a week after his arrest.

Mrs. Lewis Retirement Honored

A retired party honoring Mrs. Eric Lewis who retired from the City of Avon Park Water Department after 21 years of service was held Feb. 10, 1978 at the Florida Power Lounge.

The city officials presented Mrs. Lewis with a white gold watch in appreciation of her many years of service with fellow employees presenting her with a photo album.

A Valentine theme was used throughout, a cake decorated with red roses read Happy Retirement Eric.

Dainty sandwiches, nuts and red and white mints were served with a delicious punch. Roses and candles accented the serving table.

Out of town guests included many relatives and friends from surrounding cities.

Lions Club Barbecue Successful

The Lions Club of Avon Park held their Barbecue Saturday, Feb. 18, and it was a huge success. The Lions cooked or barbecued 312 pounds of pork ribs and 250 half chickens for a most successful barbecue. We are sorry that there were some people that came late Saturday and all of the pork and chicken that had been barbecued was sold out.

Mr. Arlin King, made the barbecue sauce for the pork ribs and he used his secret formula. Customers remarked how good the pork ribs and barbecue chicken were.

The Lions Club wishes to take this opportunity to thank all those that helped the Lions in any way with the barbecue. The proceeds will go to one of the Lions Club most cherished projects, the Conservation of Eyes, the Florida Eye Bank in Miami, and for local eye care in our community.

Lt. Donald W. and Mrs. Patricia Hallam, are proud to announce the birth of a son, born Feb. 9, in Naples, Italy weighing 6 lbs. 12 oz.

Kathryn Blanche Carver

Carver — Gillispie Exchange Nuptial Vows

Miss Kathryn Blanche Carver, daughter of Mr. Weyman Sinclair Carver of Avon Park, and Robert Gillespie exchanged nuptial vows, Saturday, Feb. 18, at 4 p.m. in Winter Park, with Mr. Austin Holladay officiating the double ring ceremony. The groom's parents are Mr. and Mrs. Hugh Henry Gillespie of Phoenix, Ariz.

The bride, given in marriage by her father, wore an off-white silk gown with a chiffon overlay. The gown had sheer bell shaped sleeves with lace flowers gracing the neckline, sleeves and bottom of the dress. She carried a bouquet of roses with white babies breath, with white streamers tied in love knots.

The bridegroom's mother chose for this occasion a long blue polyester dress trimmed with silver thread and she wore a white orchid. Carl Robert Bill, of Orlando, served as best

man, with Bill Robinson of Orlando, and Joey Schnieder of Jacksonville serving as ushers.

A reception was held immediately following the wedding ceremony at the church. The bride and groom were seated at a table with four columns and the top tier was adorned with a couple statue. The white cake was trimmed with light pink sweetheart roses. Punch and nuts and mints were served. A bouquet of white carnations and roses graced the bride's table.

Mrs. Norma Parrish was in charge of the guest book. Mrs. Morris Adams, Mrs. Robert Padgett, and Mrs. William Robinson helped oversee all details of the wedding. Mrs. Dorothy Binger and Mrs. John Payne served the cake and Mrs. Charles Whitehead and Mrs. Thomas Strickland served the punch.

For their wedding trip the bride chose a peach colored silk skirt and jacket with a printed silk blouse.

Kathryn is a graduate of Florida State University of Tallahassee, with a B. A. degree in Business and English. She is presently employed as office manager and administrative assistant for Marine Institute.

Robert is a graduate of Syracuse University, Syracuse, N. Y., with a B. S. degree in Marketing and Economics. His present occupation is a stockbroker with Robinson and Humphrey.

Services Over Sixty Hold Tournament

Volunteer workers of Services over Sixty (SOS) have announced that an area wide shuffleboard tournament will be held at the Avon Park Winter Guest Club on Wednesday and Thursday, March 15 and 16 with trophies to be presented by the area Knight of Columbus.

During the two days a luncheon is planned, during which a man and woman, not connected with the SOS, will be chosen as the Man and Woman of the year for their civic work over the years. The SOS committee is asking for nominations of a man and a woman, from churches, civic organizations and other groups for this honor.

SOS is funded by matching money from federal and local sources and has sponsored the HOPE organization with Rosmary Deck as director assisted by Joyce Oliver in Avon Park.

The HOPE group is responsible for the home delivered meals for elderly and shut-ins and the cogregate meal centers. It's branch Homemakers Health Services aids those elderly returning home from the hospital with house keeping, and those who need some care until they get on their feet. Most of this work is done by volunteers.

Lauren's First Birthday

A "Winnie-the-Pooh" motif was featured in decorations when John and Gwen Hafford gave a party in celebration of their daughter Lauren's first birthday anniversary. The festive occasion was held at their home, 710 West Ruth Street from two until four in the afternoon on Saturday, Feb. 18, but Lauren's birthday was on Feb. 17.

Festooned from the ceiling of the party room were colorful streamers centered with floating balloons. The party table was covered with a "Winnie-the-Pooh" tablecloth, with napkins, cups and plates to match. A large statue of "Pooh-Bear" centered the table to over-see the festivities. The guests were served ice cream and punch along with the cake, which was a large replica of "Winnie-the-Pooh".

Baby Lauren, known to family and friends as "Binky", shared the opening of her gifts with her young guests which pleased them very much. One of the "Birthday Girls" favorite gifts was a rocking chair, which she immediately tried out. "Binky" gave each of her friends a "Winnie-the-Pooh" party hat and a bag of goodies to take home with them.

This memorable occasion for Lauren and her parents was recorded on movie film. There were 22 friends and relatives who shared this "first birthday" celebration with Lauren.

Sewing Tips For The Modern Homemaker

By Dorothy

So you want to make a jumpsuit? Oh, but they can be a problem to fit because everyone is so different. Perhaps I can give a few suggestions that will help.

First, select your pattern according to bust measurements. It is most important to have a good fit in the upper portion of the jumpsuit. The other adjustments can be made more easily.

Next, you will need two tape measures. To do this by yourself, pin tape measures together. Now, start at the front at the waist, up over the full point of the bust, over your shoulders, down the back and under the crotch and up the front to the starting point at the waist. You have just measured around the torso. Add one inch to this measurement.

Now, let's compare this measurement with the pattern. Add 4 measurements of both front and back pattern pieces. Start each at middle of shoulder seamline, go diagonally across to waistline at center of pattern piece, notches down pattern following crotch to the center of the crotch. Add the front and back measurements to total your body measurements. Lengthen or shorten pattern as needed at places indicated on pattern for lengthening or shortening. Refer to diagram for procedure.

Do you have a sewing problem? Please write to Dorothy, care of Avon ParkSun and your answer will appear in a future issue.

Sarah Todd

Engagement Announced

Mr. and Mrs. Herbert Ridgely Todd, of Lakeland, announce the engagement of their daughter, Sarah, to Walter Winston Wilfong, son of Mr. Walter Whitener Wilfong and the late Nancy Edmonds Wilfong of Athens, Ga. The bride-to-be is the granddaughter of Mrs. Walton Clemmons Touchton and the late Dr. Walton Clemmons Touchton of Avon Park, and Mr. and Mrs. Edward Gorsuch Todd, formerly of Avon Park, currently of Frostproof. The groom-to-be is the grandson of the late Dr. and Mrs. James Parks Edmonds of Middleboro Ky, and the late Mr. and Mrs. Walter Whitener Wilfong, Sr. of Athens, Ga.

Miss Todd, who was born in Avon Park, received her early education in Lakeland schools and was a 1973 graduate of Lakeland Senior High School. She was involved in various school activities including Keyettes service club. Sally received a B. A. degree in finance from the University, she was a member of Alpha Lambda

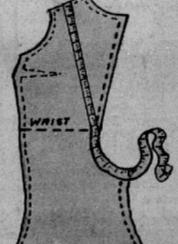

Delta Scholastic Honorary, Rho Lambda Panhellenic Honorary, Phi Chi Theta Business Honorary, and the Finance Club. Sally is also a member of Chi Omega Fraternity and served as its president during her senior year. Since her graduation, she has been employed as an administrative assistant by Thrifty Homes, Inc.

Mr. Wilfong graduated, in 1973, from the McCabe Preparatory School in Chattanooga, Tennessee. He was a 1977 Cum Laude graduate from Presbyterian College in Clinton, S. C. While attending the college, Winston remained on the Honor Roll, was a resident counselor, a member of Sigma Kappa Alpha Honorary, the Biology Club, and served as an officer of Kappa Alpha Order. He currently attends the Medical College of Georgia School of Medicine in Augusta, Ga., and is a member of Theta Kappa Psi medical fraternity.

A July 1 wedding at the First Presbyterian Church of Lakeland is planned.

Tips: ZigZag sewing machines have a large hole in the needle plate to allow needle to swing back and forth. This allows the soft knits

to push into the hole, jamming the sewing machine and sometimes tearing the fabric.

If your sewing machine allows a choice of needle positions, use the right position. If your sewing machine doesn't have needle position selection, place a piece of paper between needle plate and fabric as you sew.

Pat Houghtaling

Federated Garden Club Met Feb. 16

The Avon Park Federated Garden Club met on February 16 at the Florida Power Lounge. Members of the Hibiscus Circle were hostesses. The brunch table was attractively decorated with a large footed glass bowl filled with verbena. Delicious cake, cookies and sandwiches were served with coffee and orange juice.

Following the social gathering, Mrs. Evelyn Delk, president called the meeting to order. Mrs. Emma Bussard gave the invocation after which the members joined in a salute to the flag.

Mrs. Jamie Sawyer then introduced the speaker, "Mrs. Pat Houghtaling, who spoke on "Artistic Arranging." Pat had been guest speaker on another occasion, therefore club members were very happy to welcome her back. Pat has been active in Garden Clubs for twelve years. She has been a flower show judge for nine years, having judged in South America four times. She is also a teacher in one of the nine Ukehana Schools of Japanese Flower Arranging.

Pat has travelled worldwide with her husband who Houghtaling assembled an interpretation, using "Sea Breeze" for an example. Driftwood and Asparagus Fern made a beautiful arrangement in blues, and Asparagus Fern holds up well when spray painted. She demonstrated is an engineer. They live in Lakeland, with their three sons.

Houghtaling emphasized that it is not necessary to draw a complete picture in interpretive design when making a flower arrangement. It is best to let the judge decide and use his own imagination. She advised that it is of great importance to take great care in the selection of accessories used to create an artistic design. If the arrangement for a flower show is to be placed in a niche of specified size, consider that niche as a frame of a picture. an example of a basic arrangement, using dried plants, pampas grass, thistles and driftwood.

Impression of the seasons can be displayed by changing the materials of ferns and flowers.

A horizontal arrangement, to be used on a pedestal, was designed using pines, iris and roses, this also pointed out the same material could be used in a different manner and color. A lovely Valentine arrangement was created, using aluminum clothes line and red petunias.

Pat did a critique on arrangements brought in by Evelyn Delk and Sybil Lave and members of the

club were urged to ask questions concerning artistic design. This was especially helpful as so many members are getting their arrangements ready for the Flower Show. The Garden Club members were reluctant to have the very helpful and entertaining program come to an end. It is hoped that Pat Houghtaling will return to speak again next year.

A short business meeting followed and Mrs. Lou Grose reported that the plants taken to the Hillcrest Nursing Home on Valentines Day were greatly appreciated. Sybil Lave reported that plans for the flower show were

progressing well. The Judges Luncheon committee, headed by Mrs. Marshall Davis and Mrs. George Haynie, extended an invitation to the Federation officers to the

noon luncheon in the Florida Power Lounge, which will follow the judging of the flower show Thursday, Feb. 23.

Mrs. Emma Bussard reread the new amendment to the by-laws of the Federated Garden Club, providing for a second vice-president. This was voted and accepted by the members of the club.

The nominated committee presented the slate of officers for 1977 and 1978. Those elected unanimously were: Mrs. Vera Davis, President; Mrs. Evelyn Delk, First Vice-President; Mrs. Jane Barben, Second Vice-President; Mrs. Genevieve Hurd, Corresponding Secretary; Mrs. Daisy Willangk, Recording Secretary; Mrs. Guy Deckard and Mrs. Emma Bussard, Chaplains; Mrs. Wilma Heirink, Historian.

Former Deputies Fined \$1000 For Night Hunting, Deer Found In Car

Two former Highlands County sheriff's deputies charged with violation of hunting laws have been assessed maximum fines of \$1,000 each.

In county court Feb. 16 Clark D. Jackson and Bruce A. Bennett, both of Avon Park, changed their earlier not guilty pleas to nolo contendere. Judge Mark Richardson Jr. adjudged the men guilty on the misdemeanor charges and set fines for them.

The judge also set a term of probation

— six months for each man — but included the provision that the probation will be terminated upon payment of \$500 of each fine. The other half of the fines is to be suspended, Richardson said.

Jackson and Bennett were arrested last fall when Florida Fish and Wildlife Conservation Commission officers discovered the two hunting in a remote section of northern Highlands County. They were charged with using a light to hunt at night. Game officers said they

recovered a freshly killed eight-point buck from the trunk of the car. Jackson and Bennett were in — a Highlands County sheriff's patrol car.

The officers confiscated the deer, spotlight and rifle with scope. Highlands County Sheriff Joe Sheppard was notified immediately and the two deputies were discharged by Sheppard the same night. Plea negotiations were handled by defense counsel Steve Rackley and Assistant State Attorney Jim Seay. In passing sentence Judge Richardson noted that the prosecutor did not object to the two former deputies had "wrecked" chances for careers in law enforcement and already "paid a high price for violating the game laws."

GOODS GONE

Nora Kelly of Avon Park reported to Highlands County sheriff's deputies that someone entered her mobile home and took canned goods, a clock, a radio and two rolls of chain link fence. Total value of the loss was set at \$250.

Agencies Solve 7 Armed Robberies

After two months of investigating armed robberies that had plagued Highlands County, on Feb. 15, the Highlands County Sheriff's Department along with the Sebring Police Department and the Avon Park Police Department, have solved seven armed robberies that took place in Highlands County and three robberies in, DeSoto and Polk Counties.

Businesses that were robbed in Highlands County were Carbers Quick Stop; Shop-Go, State Road 17; Majek Market, North Ridgewood Drive and Gladys Grocery, U. S. Highway 27 North of Sebring; Eagle-Army Family Discount Store, Avon Square and 7-11 South Verona Avenue Avon Park. Affidavits were signed charging Larry Murphy, black male, age 26 of Sebring and Rodney Cole 28, also of Sebring with robberies, according to Detective Joe Canoy, Sebring Police Department.

Department.

Murphy at this time is in the Highlands County Jail on a charge of robbery of which he was arrested on Feb. 12, by the Avon Park Police Department for robbing the Shop-Go on Lake Blvd., Avon Park.

Rodney Cole is in the DeSoto County Jail on a charge of attempted robbery in that county.

In charge of investigation for the Highlands County Sheriff's Department was Sgt. S. M. (Mike) Mercer. Detective Joe Canoy of Sebring Police Department and Lt. Walt Beller of Avon Park Police Department.

Stolen Car Quickly Recovered

A radio call from the Highlands County Sheriff's Department giving the description and license number of a stolen car came over the police radio as Chief Robert Brooks was driving last Thursday afternoon and practically in front of him was the car.

The 1971 4-door white plymouth had been purchased by Lee Watson a few days before and was still using a temporary license tag, when it was stolen from in front of Watson's 345 Sixth Street, residence, Avon Park. Chief Brooks stopped the car, with three black males in it at

Second Street and Carolina Avenue. When transferring the men to the patrol car, the stolen car driver, David Evans, of Garrett Road, Avon Park, started to walk away.

Evans was captured by Chief Brooks, who was assisted by backup Patrolman James Walker and Deputy Sheriff Howie Godwin in placing Evans in the patrol car. However, in the struggle, Chief Brooks sustained back injuries.

The three men were taken to the Highlands County jail. The two passengers, Jimmy Gommillion and Melvin Riley stated they had asked Evans for a ride to a local tavern. Evans was charged with auto theft and resisting arrest.

Answers Alarm For Own House

Fireman Jerry Snell responded to a fire alarm at his own residence at 117 South Highlands Avenue Sunday night, Feb. 19.

The two story residence with the alarm being called in, stated Fire Chief Mack Flowers.

A flooded oil stove was causing sparks to come out of the chimney of

the house according to the fire chief.

Cable Operator Connects 500,000th Customer

Highlands Cable TV operator of the cable television systems serving the Avon Park area, announced that its parent company, Cox Cable Communications, Inc., has connected its 500,000th subscriber.

Robert O. Frier, General Manager of Highlands Cable TV, noted that Cox Cable owns and operates 41 cable television systems in 17 states. He said Cox Cable systems range in size from a 900-subscriber system in Michigan, to the largest cable television system in the nation, Mission Cable TV, in metropolitan San Diego, Calif., which serves over 150,000 customers.

Headquartered in Atlanta, Cox Cable is affiliated with Cox Broadcasting Corporation, a major group broadcaster. Cox Broadcasting shares are traded on the New York Stock Exchange (symbol Cox).

To Hold Market Day Sale

Audubon members and nature lovers are having fun these days, peering into cartons and sealed boxes that have been stashed away in closets long ago. Why all this activity? It's the annual Market Day sale sponsored by the Ridge Audubon Society which will be held on March 11th from 10 a.m. to 4 p.m. at the Babson Park Audubon Center on Alt. 27.

At that time these long forgotten items will become someone else's treasures. The sale will include a wide variety of books and

magazines, china, glass and antiques, furniture, tools, sports equipment, camera equipment, bird feeders and houses, jewelry, pictures and frames, plants, games, baked goods, candy, preserves and many other things.

The proceeds will go to support the center and donations are now being gratefully received. If you are unable to take your gifts to the center, call Tom Pettis, 674-4280 or the Babson Park Center 638-1353.

Holiday Ranch News

By Barbara Ebmeyer
The big event of the week at Holiday Ranch was the chicken barbecue on Saturday Feb. 11. Bob Savage and his assistant, Clair Reno, barbecued enough chickens to serve more than the 58 people who were present. These, together with the big variety of other food brought by the residents, made for delicious feasting. The chickens were furnished by Ann Pardee, Ranch owner and manager. Norm and Ida Ringer of New York State are making their yearly visit with us and enlivening our hours with his accordion music. So far he has given two evening concerts and played for the women's craft class. Thanks, Norm. They were dinner guests of Al and Mariam Petkeys Sunday, Feb. 12. Other guests of the Sunday were Russell and Vivian Timblin, and they were dinner guests of Max and Ethel Putnam at Bonnie Brae in honor of Eddie Weirman's birthday. Gordon and Lucille Willows and Bob and Mildred Savage went to Orlando Sunday, Feb. 12, where Mildred took the plane for Adrian, Mi. She was called home because of illness in the family. The Willows entertained Mr. and Mrs. Roy Hamm from Winter Haven, Tuesday Feb. 14. Calling on the Clair Reno's Sunday, Feb. 12, were Mr. and Mrs. Eric from and Mrs. Elizabeth Anderson of Gould City, Mi. Mr. and Mrs. Earl Baker of Altoona and Mrs. Barbara Rutledge, and friend of Lake Worth. Dick and Doris Somers, Dorothy and Bill Webb, Bea and Marvin Demore, Fred Prescott and Frances Gould celebrated their 40th wedding anniversary at dinner at the Black Forest, Sunday, Feb. 12. The Colbys from Clearwater and Beverly Mass., visited the Bill Bergstroms and Dudley Bacons, Thursday and they had dinner at the Jacaranda Hotel. The Colby's liked Avon Park so well they are coming here for the month of March. Harry and Dorothy Reed celebrated her birthday with dinner at the home of Charles and Mary Jane Larson, Friday, Feb. 10. Monday, Feb. 6, Gladys Kimerer was happily surprised by the arrival of

youngest of two brothers and one sister who are presently residing in Michigan. Paintings from the Circulating Exhibitions Program of the Ringling Museums have been on display in the Avon Park High School media center since Feb. 1 and will continue to be on display until Feb. 28. These paintings can be viewed between the hours of 8 a.m. and 3 p.m. Mrs. Virginia Crews, media specialist, urges the public to come and observe the works of Kenneth A. Keyslake, Arthur Deshaibes, Frank Rampolla, Bruce Marsh, Gerald Winter, Donald Staffin, Robert Hodgell, Robert Huff, Ralph Hyams and James Cooper. The availability of cultural and scenic resources has attracted these artists from many parts of the United States to Florida. All of the artists who are represented in this exhibition have come from other areas to reside, work, and contribute to the enjoyment of visual arts in Florida.

The purpose of the Circulating Exhibitions Program is to make the collections from Ringling Museums available to the greatest number of Floridians. The Museums' graphic collection is available to organizations throughout the state. Exhibits are borrowed on a four week basis - three weeks for viewing and one week for unpacking, installing, and repacking.

her brother and his wife, Floyd and Edna Crane of Palmyra, Mi., on Thursday they and Gladys' husband Harley were at Highlands Hammock, then ate at the Towerview Restaurant at Lake Placid. On Saturday they viewed the training session of the Lippixton Stallions at Myaka Wednesday, they went to Cypress Gardens, ate at Duff's in Winter Haven, and then visited the Bok Tower, the candy factory at Dundee, and the Donald Duck visitor's center at Lake Wales.

The John Ebmeyers visited an old friend and neighbor from Lake Placid, Clarence Wayt, at the Magnolia Home in Sebring. They then had a Valentine dinner at the Towerview Restaurant, visited Huntley Lake, and called on Bud and Edith Wilson at Paradise Park. The Wilsons had just returned from a Valentine luncheon at the Holiday Inn where the men of the park had entertained their wives. Nice indeed! Lawrence and Catherine Roush spent Saturday, Feb. 11, with Mr. and Mrs. Vera Huber of Myers Trailer Court in Sebring. They entertained Bob and Mary Waterhouse and Bill and Leona Lynn at dinner Monday. Tuesday they went to Cypress Gardens and the Bok Tower, and had dinner at Duff's in Winter Haven. On Thursday, Mr. and Mrs. Ardale Weber of Pine Villa, Sebring called on them. The Bill Lyons went to Matlack Tuesday, Feb. 14, to visit Mr. and Mrs. George Parker, their aunt and uncle. They attended the rodeo at Florida with the Bob Waterhouses on Sunday, Feb. 12. Mr. and Mrs. Auggie Tessmer, Mr. and Mrs. Ted Lees, and Mr. and Mrs. John Daer spent Wednesday Feb. 8, in Winter Haven shopping after having lunch at Puff's. Mr. and Mrs. Clair Reno and Mr. and Mrs. Ray Robertson went to Lakeland on Valentines Day. They ate dinner at the Sea Wolf and visited Clair's brother and his wife, Mr. and Mrs. Seiber Reno at Auburndale in the afternoon. The Bob Waterhouses spent Tuesday, Feb. 14, thru Thursday, Feb. 16, visiting the John Morrisons at Palmetto. They also stopped to see the Harold Pittmans at Bradenton.

The exhibits on display now are Florida Artists and Florida Graphic Art. Some of the paintings from the Florida Artists collection are "Today's Art Icon", "Sliced Lemons", and "Illustration Sonnets to Orpheus". Some examples of Florida Graphic Art on display are "Bed of Nails", "Paradise Lost", "Miss America", "Rainbow City", and "Sarabande". Mrs. Crews said she hoped that the public would come and observe these paintings. "Everyone is invited," she said. In March and April, there will be two other exhibits on display. These displays will be 10th century Graphic Art featuring noted artists of the 10th century such as Goya, Homer, Daumier, Eric Von Schmidt, Mr. Cris and The Instant Animals. Everyone is invited to come to these exhibits, and if any further information is desired, contact Mrs. Crews in the Media Center at Avon Park High School.

FIRE ANTS TAKING TO CANALS TO AVOID RISING WATER

While not exactly Noah's Ark, fire ants are apparently taking to canals in an effort to escape rising ground water that has flooded their hills in recent days of heavy rain. The Sun received a report Monday from Mr. and Mrs. Kelsey Payne that large clusters of ants were floating in canals on their property on Payne Road. Tim Hurner, county extension agent, said that during wet weather the ants will push up their hills into higher mounds to avoid the rising ground water. The hills sometimes topple over and the colony will float in a ball-like mass. Fire ants frequently build hills near canals because these are normally fenced from cattle and other animals. Hurner said people should avoid the ants, which are a hazard to human beings.

Long To Conduct Bible Study At Presbyterian

Five Special Days of Bible Teaching will begin Sunday at the First Presbyterian Church. Professor Thomas G. Long will lead the Bible teaching

Prof. Tom Long

from the Gospel of John. "Do You Want to Be Healed?" will be the topic of Professor Long's message at the Sunday morning worship at 11 a.m. The message will be based on John 5:1-15. At the Sunday evening Vesper Service, Professor Long will speak on the subject: "The Cross and Suffering" based on John 16:16-33. A nursery will be available at all services for children below the first grade.

During the night services, Monday through Thursday at 7:30 p.m., Professor Long will be teaching the Gospel of John. He will begin with John Chapter 1 and continue through the Gospel.

Just Suppose

From the UCC News Letter comes this bit of philosophy about "JUST SUPPOSE"

"Just Suppose" the Lord would take tomorrow to make

people as sick as some children to be on Sunday. JUST SUPPOSE the Lord would take away the child whom the

Parents see as an excuse for staying away from Church. JUST SUPPOSE the Lord would make people as poor as they claim to be when they are asked to finance the program of His church.

JUST SUPPOSE the Lord would let some parents look into the future and see what their poor example is doing to their children and the church.

WOULD SUCH SUPPOSING MAKE ANY DIFFERENCE TO YOU?

Princeton, N. J. in August. Professor Long was born in Atlanta, Ga. He was a chemistry major at Erskine College, Due West, S. C. In 1973 he did Ph. D. study at Princeton Theological Seminary, Princeton, N. J. He has served as pastor of McElroy Memorial Associate Reformed Presbyterian Church, Atlanta, Ga., and supply pastor of First Presbyterian Church (U

P.S.A.), Long Branch, N. J. He is Sermons Editor of "Homiletic," a review of publications in religious communication.

He is married to the former Sherrill E. Terry. The Longs have two children, Melanie and David.

The public is extended a cordial invitation to attend these five days of Bible teaching from the Gospel of John led by Professor Long.

Nevin W. Fisher

Fisher To Present Musical Autobiography

Nevin W. Fisher, concert pianist and piano teacher living in Sebring, will present a piano recital entitled "My Musical Autobiography" in the Sebring Church of the Brethren on Sunday afternoon, Feb. 26, beginning at 3 p.m. The public is invited to attend.

In this recital Fisher will divide his musical life into seven periods, entitled "Boyhood Accomplishments," "Teenage Technique," "College Music," "Conservatory and University Performances," "Belated Sabbatical," "Concert Tour," and "Selftaught."

From each period of his life he will play compositions learned and played in public performances at that time. Besides playing, he will comment on each period of his musical life, in succession.

Fisher's program will

include Lange's "Flower Song" and Morrison's "Meditation" as his earliest pieces, and then Sinding's "Rustle of Spring" and Sibelius' "Romance from his teen-age repertoire. These compositions will be followed by Paderewski's "Minuet in G," Schumann's "Traumerei," Rachmaninoff's "Prelude in C-sharp Minor," Beethoven's "Pathétique Sonata," Korngold's "Tales from Strauss," and George Gershwin's "Piano Prelude No. 2."

Concerning this concert Fisher said, "I believe that this recital is unique. I have never heard of any other pianist giving such a program."

Admission will be free of charge. This will be a benefit concert, the proceeds to be given to the Benevolent Fund of The Palms (Florida Brethren Homes, Inc.).

Grenadier Band To Hold Concert

The Avon Park High School Grenadier Concert Band under the direction of Scott Whittemore will hold their second winter concert this Sunday, Feb. 26 at 3 p.m. at the Avon Park Middle School auditorium. The music played will be concert marches and classical and contemporary overtures for band.

The band will have its next concert on Sunday, March 12 with the date of the last concert being changed to Sunday, April 9.

The public is cordially invited to attend these winter concerts.

Music Reflects Love Of Lord

Lee and Cindy Condran are a husband and wife gospel team that will bless your life and stir your soul for Jesus. Their music reflects their love for the Lord as well as their outstanding talent in vocal, piano and speaking. You'll hear them sing different styles of music, including many songs which they have written. Some will be backed up with their piano artistry, while other songs will be heard with the big sounding backup from their recordings, but all of it will touch you in a special way. Cindy is the daughter of K. D. Grubb of Sebring.

FAITH FINDS NATIONS BEST GOVERNED BY LAWS

The system of liberty and justice enjoyed by the free nations of the world today is largely the result of a lesson painstakingly learned throughout history: that mankind is best governed not by men but by a set of laws designed for his own protection from the excesses of the governing bodies elected to administer and enforce them. Moreover, the very procedure for changing or abolishing these laws is built right into the provisions. All of this is based on the principles set forth in the Bible, which is emphatic about the preservation of man's freedom. Your Church will teach you the laws of God, and thereby help you to understand and obey the laws of your land, which were enacted for the well-being of all.

It should always be remembered, that the great end of government is human well-being. —James H. Fairchild

"So do, as they that shall be judged by the law of liberty." —James 2:12

FOR 15 YEARS of active service with the Highlands County March of Dimes program, Steve and Nell

Roberts were presented a Certificate of Appreciation by Gene Pacula, Orlando, field representative of the

National Foundation March of Dimes. Steve was unable to be present. Snapshot by Lew Miller.

Steve And Nell Roberts Complete 15 Years With March Of Dimes

Service above self has its own rewards for Steve and Nell Roberts as they recently completed 15 years of working with the Highlands County March of Dimes program. For this service they received a certificate of appreciation from the National Foundation March of Dimes having Florida headquarters in Orlando with Gene Pacula, field representative, making the presentation.

Why did they start working with the March of Dimes? Nell said, that she and Steve saw a need and they helped out where they could. They also felt that it is everyone's duty to do something for their community.

To Nell it has been basically working with the same groups of women in Avon Park, Lake Placid, and Sebring on the March of Dimes program. The enthusiasm generated by these workers is contagious, added Nell.

Steve was enthused by the Walkathon as his main interest is with young people, stated Nell. They both feel the same way about the March of Dimes program and feel that working together makes easier to accomplish and obtain the help of others.

Everyone from babies to grandparents benefits from the March of Dimes program in Highlands County

continued Nell, as the benefits are visible here. The struggle against birth defects continues with education, local help thru through medical service and research.

To Nell Roberts one of the strong points of the local March of Dimes efforts is the purchase of \$22,170 worth of equipment for Walker Memorial Hospital, which includes such equipment as Air Evac transport equipment, fetal monitor, Bill Reuben light, the electronic Imogen nebulizer and now on order the IMI oxgen analyzer. These are all a part of the battle against birth defects.

Trainees Perpare For Ridge Fund Drive

The past two weeks have been busy for the "trainees" of the Ridge Area Work Center as they prepared for mailing the annual Fund Drive Appeal of the Ridge Area Association for Retarded Citizens. The mailing goes out today to the many friends of the retarded throughout Highlands County in an attempt to educate the public to many programs and projects of Ridge Area and the need for community financial support of those activities.

As a local unit of the National Association for Retarded Citizens, the organization has grown from a cooperative volunteer effort in the early 1950's to a multi-programmed operation today, intent on creating a better living environment for the retarded members of our community.

Ridge Area presently serves over 150 retarded children and adults yearly in such programs as the Work Center where retarded adults are taught job and daily living skills to help them cope in the "real" world.

The Prevocational Program works with the more seriously retarded and places emphasis on helping that individual to help himself and others and thus to become a more

valuable member of his family and society.

The preschool for handicapped children reaches out to families who are experiencing the problems of a child with a developmental disability. The goals are to help both child and parent deal most effectively with the problem and to ready the preschooler for a public school education.

Besides these regular programs, special activities take place each year. Special Olympics, the international program of athletic competition sponsored by the Kennedy Foundation, is coordinated in Highlands County each year by Ridge Area. The "thrill of victory" is the chief objective of Special Olympics for persons who may never have had that opportunity.

Summer Day Camp is another activity which provides valuable recreational and learning experiences for the exceptional youngster. Many other volunteer efforts benefiting the retarded go on with the assistance of the organization.

Programs such as "Citizen Advocacy", a volunteer effort aimed at providing assistance and friendship to those retarded persons seeking independence; residential

housing and on-the-job training are promising projects that are new or ready to go.

"Community support of our activities is vital", states John Murren, Executive Director at Ridge Area. "Whether it's financial or volunteer help, we've got to reach the public with the message of our services and ask them to

join our efforts."

Anyone not receiving the appeal letter may send their tax deductible donation to Ridge Area ARC, P. O. Box 1717, Sebring, FL 33870.

Grange Holds World Understanding Program

The program on World Understanding, at the Feb. 14 meeting of Avon Park Grange, drew a good attendance of guests and members who came to hear the young men from Warner Southern College tell about their home countries. Leroy Simmons of Bermuda is majoring in Music Education, being interested in Jazz. LeRoy Quashie of Trinidad is studying sociology and

psychology in preparation for going into social services. Henry Solomon from Cayman Islands is also majoring in psychology with intention of doing counseling. They all told about the government and industries of their countries, also language, which is mostly English. It was interesting to note that the main income in Bermuda is from the tourist industry. Questions from the audience were answered with ready response.

The Avon Park High School girls chorus, under the direction of Ken Eberle, sang four numbers: "Harmony," "Mother Country," "Walk on Down" and "Evergreen". The recognition of Valentines Day everyone joined in singing "Let Me Call You Sweetheart". Keith Debo gave a reading, "Reflections," and Gertrude Slocum had a quiz on the Presidents for all to answer. The closing thought given by the Lecturer, Keith Debo was: When You get to know a fellow, and you understand his ways, then his faults won't really matter, for you'll find a lot to praise.

A pot luck supper was served at 6:30 p.m., to 60 people. Others came for the program and the final count was over 90, with nine States, three Countries, Sebring and Avon Park being represented among the guests. Before the program the guests were introduced. Sharon Yarnell, social worker in the Pre-school Developmental program told what the Grange ladies might do to help, and invited them to visit the school.

Ralph Fullmer presented a plaque to the Grange which he had made and entered in the National Grange craft contest. It was a sheaf of wheat done in crewl and had placed second in the State contest. The Master Lloyd Wyant accepted this for the Grange, and it was hung on the wall by the Grange charter.

The next meeting of Avon Park Grange will be Tuesday, Feb. 28 at the Woman's Club hall. This will be Degree day with the 1st. and 2nd. to be given at 4 p.m. and the 3rd. and 4th. at the 7:30 p.m. session. There will be a pot luck supper at 6:30 p.m.

Red Devil Baseball Tuesday

The 1978 Devil varsity baseball season will get underway next Tuesday night, Feb. 28, when the Avon Park nine takes on district rival Santa Fe from Lakeland here at Head Field starting at 7:30 p.m.

The Red Devils are defending district champions but will face a building year under Coach Ronnie Jackson who will have just five returning lettermen on this season's squad.

The Avon Park varsity will play a 23 game schedule and will host the Class AA, District 13 tournament here this season. Twelve of the games are scheduled to be played at Head Field. Season tickets are now on sale for just \$10. for the 12 home games. Regular admission per game will be \$2. so purchasing a season ticket will save an adult \$14 for the year and will save a student \$2 over the regular admission price. Student admission price per game will be \$1.

Returning for their final year with the Red Devil varsity will be shortstop Charlie Pough, catcher Victor Roberts, pitchers Larry Jackson and Jimmy Massey and outfielder Charles Oliver. These lettermen will provide the leadership for the team that will have at least four rookie players in the lineup.

Newcomers on the roster this season are seniors Keith Alwood, Claude Dennis and Edward Irvin and juniors, Keith Cobb, Mark Kelley, and Don Wildish. Up from the jayvee squad are juniors Mark Bachman, Andy Lanzing, Wayne Lewis, Gary Roberts, James Skinner, John "Bubba" Starling and Jeff Williams plus sophomores Jeff Adams, Tim Cribb, and David Sisemore.

Available for action at firstbase will be Alwood, Jackson, or Cobb. Starling and Wildish are working out at secondbase. Charlie Pough will report out late due to baseball and until he is ready at shortstop, Wayne Lewis will take over. Tim Cribb seems to have won the starting thirdbase position. Gary Roberts looks like the choice for leftfielder, Jeff Williams will probably handle centerfield, and Charles Oliver may start in rightfield.

League To Organize

The Avon Park Recreation Department Men's Basketball League will have its organizational meeting Tuesday at 7:30 p.m. at the Recreation Center.

If you wish to sign up a team for men 23 years or older, have a representative at this meeting. The league games will be played on Tuesdays and Thursdays for about 8 weeks.

1978 DISTRICT CHAMPS. The Avon Park girls basketball team, coached by Cherri Lee, was the Class AA, District 13 trophy with a 42-38 victory over Lake Placid here last Saturday night.

Girl Cage Team Wins Class AA District Title

The Avon Park girls basketball team captured the 1978 Class AA, District 13 championship trophy last Saturday night with a 42-38 victory over Lake Placid in the finals of the tournament played here at the Avon Park High School gym.

The Devils defeated Frostproof by a score of 59-24 on Friday night to advance to the finals.

Last Tuesday night, Feb. 21, the Avon Park girls were to play the girls from John Carroll High School in Ft. Pierce in the regional play-off game. The winner of that game will advance to a sectional one-game play-off. The girls state tournament will be held at Winter Park the weekend of March 2-4.

Coach Cherri Lee guided the Avon Park girls to the district title in just two years. Last season the local ladies set a record of 14 wins and 7 losses this year losing only one game to a Class AA school.

Serbing's girls team won the Heartland Conference Championship this year. The Blue Streak girls defeated Avon Park three times during the season winning twice by only one point.

Center Meg Schuler and forwards Thelma Wessels and Bernice Taylor led the Avon Park scoring during the two games of the district tourney.

Meg scored 13 points against Frostproof and added 11 more against Lake Placid for a total of 23 points in the meet. Thelma and Bernice both had a tourney total of 21 points each.

The Devilettes completely dominated play in the first half of the finals against Lake Placid. They scored 12 points to 3 for the Green Dragons in the first period and then completely shut out the Lake Placid scoring in the second period while they hit for 15 points to set a 27-5 halftime lead.

The Lake Placid ladies came back strong in the second half using a full court press and an aggressive defense in the fourth quarter. It was a score of 33-14 after three quarters and then the Lake Placid girls hit for 16 points in the final quarter while Avon Park held on with 9 points for the 42-30 final score.

Against the Dragonettes Taylor and Schuler had 11 points, Wessels hit for 8, Ellen Macklin scored 5 and Katrina Conner and Laurie Welch scored 3 points each.

Debbie McGahee led the Lake Placid scoring with 15 points and freshman Sue Nichol swished 11 counters through the nets.

On Friday night the Devilettes jumped off to a big lead against Frostproof and never let up. At halftime the score was 32-12 in favor of Avon Park and although Coach Cherri Lee substituted her reserves

in the final quarter, Avon Park finished with the 59-24 final score.

Thelma Wessels and Meg Schuler both scored 13 points for Avon Park with Bernice Taylor hitting for 10 more. Ellen Macklin added 8 points, Laurie Welch and Katrina Conner made 4 points each, Sally Braithwaite added 3, and Annette Blake had a field goal for 2 points. A Frostproof player put the ball through the Avon Park basket for two more points for the Devilettes.

Lake Placid knocked Fort Meade out of the tournament on Friday night with a 48-34 win to move into the finals. Debbie McGahee scored 22 points for the Green Dragon team to lead the evening's scoring.

Three Avon Park girls have been chosen this season as McDonald's Player of the Week. Laurie Welch, Meg Schuler, and Thelma Wessels all were honored for their outstanding play in the Highlands County contest.

"I've talked to the Okeechobee girls' coach and her team beat John Carroll twice this season," commented Coach Lee last Monday morning. "She thinks we can beat the girls from John Carroll. We lost to Okeechobee by two points one game and by three points the other. If the girls play a good game, we could come home with the Regional title and go off this week-end to try to win the Sectional and go to State."

Devils-Frostproof Meet In District

The Avon Park High School varsity basketball team, carrying a season record of 11 wins - 10 losses, opens defense of its District 13 2-A title Thursday night, playing Frostproof High School in the District tournament opener at Mulberry. Game time is set for 7 p.m.

The Red Devils have beaten Frostproof twice this season, and if they do it again on Thursday, they will meet Lake Placid at 7 p.m. on Friday in a semi-final game. The finals are slated for 8:30 p.m. on Saturday. Fort Meade and Mulberry are the other two teams in the tournament being played in the Mulberry High School gymnasium.

Lake Placid, runner-up to the Avon Park in District play in 1977 is rated the favorite this year. The Devils, in regular season, lost two games to the Green Dragons, one an overtime played here and the second a one-point loss at Lake Placid.

Since that one-point defeat, however, the Tom Lund coached team bounced back to win four straight games before losing to Hardee High School of Wauchula in the regular season finale here last Monday. The Wauchula team is ranked 3-A so does not compete in the Mulberry tournament.

Last week, the Red Devil varsity team beat Sarasota Booker 76-73, walloped Okeechobee 81 to 47 and won over Mulberry 71 to 53.

Hardee - 62, Avon Park - 58

Hardee High School of Wauchula collected on 10 of 15 last quarter free throws to top the Avon Park High School varsity cagers 62-58 in a hard fought basketball game here last Monday afternoon.

And those free throws made the difference as the two teams battled it out in the season finale. Avon Park got off to a good start and took over a 20-15 lead at the end of the first quarter.

Hardee, however, with big Zeke Mowatt leading the way after Avon Park's Larry Pough was temporarily sidelined, came back to close the gap to two points at half time, and went on to tie the score at 44 all heading into the final period.

The Wildcats managed to jump out to a three point lead as the final quarter got under way, and then sent into a stall type game. This forced the Red Devils into a fouling situation, and foul they did with Mike Coleman collecting the number 45 to leave the game while David Williams and Charlie Pough were picking up fouls number 3 and 4 apiece.

Jim Slater hit on four of four of the resultant free tosses, while his teammates Refoure and Thompson each hit two for two, and Mowatt

collected two more out of four chances.

Avon Park picked up six field goals meanwhile, but only cashed in on two gift tosses to end up four points shy at the final whistle. Charlie Pough with 14 points, Larry Pough with 13, and Mike Coleman with 12 all scored in double figures for the Red Devils.

Avon Park - 71, Mulberry - 53 Freddie Williams hit for 24 points as the Avon Park High School varsity cage team chalked up its fourth straight win beating Mulberry High School 71 to 53 at Mulberry last Thursday afternoon.

The victory avenged an earlier one-point loss to the Panthers here. Williams scored nine of his total in the first period as the Red Devils moved out to a 15-11 lead; they never let loose of. They had a 12 point margin going into the fourth quarter and added 22 more points in the final period while holding Mulberry to 16.

Larry Pough, heading for an all time rebound record, added 14 more points in addition to scoring 18 points for Avon Park. Charlie Pough, regaining his old form after missing several games due to an injury, had eight points and eight rebounds. Mike Coleman also came through with eight points for the locals.

Avon Park - 81, Okeechobee - 47 The Avon Park High School varsity basketball team, back on a winning stride, copped its third straight game last Tuesday night, overpowering a tall Okeechobee High School team 81-47. Okeechobee had beaten the Red Devil cagers twice earlier in the season.

It was Pough night for Avon Park as Larry Pough collected 21 points, 18 of them in the first half, and Charlie Pough netted 13 to head up the Devils' attack. In addition Larry pulled down 23 rebounds, boosting his total to 67 for the last three games. Charlie had 11 rebounds to help give Avon Park control of the game.

Despite the fact that Okeechobee's starting five all were over six feet tall.

The Lund coached team held 54" Jeff Roster, who was their nemesis in the previous losses, to zero points in the first quarter and to but four field goals during the entire game. Roster had scored 21 points against the Devils in the Heartland tourney and had 20 against them in their first meeting at Okeechobee.

Every member of the Devils squad got into the act, with Coach Lund substituting freely after Avon Park had built up a 33-22 lead at half time. David Williams and Horace Moore each scored ten points while Freddie Williams had 8 for the winners.

Red Devil Jayvee Team Sets All Time Season Win Record

Nineteen wins out of 20 games plus a winning streak of 18 straight!

That was the record and all-time Avon Park High School record for Jayvee basketball, that the 1977-78 edition of the Junior Red Devils compiled, winding up the season here last Monday with a 73-36 win over Hardee High School Jayvees of Wauchula.

The Avon Park High JV team, coached by Don Sisemore, lost only one game during the season, getting nicked by DeSoto High School at Arcadia back in December. Later they beat the DeSoto JV team here 56 to 49.

The record setting season climaxed a first year JV coaching effort by Sisemore who moved into the high school ranks last fall. Sisemore, who starred in football, basketball and baseball at Avon Park high, took his college work at Florida Technical University in Orlando, and played basketball with the FTU varsity for four years.

Following graduation, he coached at the Avon Park Middle school and most of the members of his JV team played basketball for him there.

In helping build up this record, the Junior Red Devils last week scored 224 points compared with 199 for the opposition in beating Sarasota Booker 78-38, Okeechobee 80 to 22 and Mulberry 57 to 49.

Avon Park - 72, Hardee - 36, Alvin Conner scored 23 points here last Monday afternoon to lead the Avon Park High School Jayvee cagers to a top-sided 73-36 win over Hardee High School of Wauchula. It was the season's finale for both teams.

The local JV team, playing control ball from the start and throwing up tough defense, moved out to an early 11-6 lead, meanwhile holding Hardee scoreless for the first four minutes of the game. The Wildcats could only get two additional points during the quarter as the Avon Park team, with Charlton Weathers getting 10 first period points, piled up a total of 21 for a 17 point lead after eight minutes of play.

The Avon Park team, with Conners coming through for 10 points, added another 21 points in the second quarter to take a 42-16 margin at half time.

From then on, Coach Sisemore used every man on his squad with Larry Jackson leading the shock troops with six points as the local JV team doubled the Hardee output for a 36 point final margin.

To go with Conner's 23 points, Weathers picked up 14, J. D. Taylor got 9, and both Larry Jackson and Gerald Jones came up with 8.

Avon Park - 72, Mulberry - 49, A strong second day, with Charlton Weathers scoring 10 points and David Sisemore scoring 9, gave the Avon Park High School Jayvee team its 17th straight win last Thursday afternoon as they came from behind to beat the Mulberry High School JV team 73-40.

The second quarter, leading at halftime 30 to 29.

In a hard fought third period, Avon Park managed to pull ahead by one point, 41 to 40, and then outscored Mulberry 16 to nine in the final period for their 18th win against a single loss.

J. D. Taylor, hitting for 10 points in the first half, had an afternoon's total of 16 to tie Weathers in the scoring department. Alvin Conner finished with 11 points for the Junior Red Devils.

Avon Park - 89, Okeechobee - 22 Piling up 89 points for their highest total of the season, the Avon Park High School Jayvee cagers buried the Okeechobee High School Jayvee team here last Tuesday night by a top-heavy 89-22 score.

Rick Johnson, substitute forward, tossed in the final basket with less than a minute left to finish the score above the Junior Red Devils previous high of 87. Coach Don Sisemore used his entire squad of 14 players during the game and all but one got into the scoring column.

Again, it was Charlton Weathers who led the Red Devils picking up 14 points in the first quarter as the Avon Park team scored 29 while holding Okeechobee to 6. Weathers had 20 points all told. Don Sisemore hit for 10 and Alvin Conner and Gerald Jones each netted 9 points for the winners. J. Boswell and J. Howard each had 6 points to lead the Brumans.

In what was an unusual touch, the Okeechobee team didn't get a single chance at a free throw all night, as the Avon Park team collected only eight fouls, all in a non-bonus situation.

Devil Golfing Team Ups Record To 3-1

The Avon Park High School boy's golf team ran its record to 3-1 last Friday, chalking up a double victory over Lakeland's Kathleen High School and Hardee High School of Wauchula in a three way match at River Greens in Avon Park.

The Red Devil team, with Pete Dupriest finishing birdie-birdie for a two over par 37, came in with a total of 167 to beat Kathleen by four strokes and Hardee High by five. Darwin Ford was second low for the Avon Park team with a 41. Mark Palmer had a 44 and Mike Smithson a 45 to complete the team score.

Ben Norris of Wauchula had a 33 for second low score of the day with Tim Kenney of Kathleen finishing third with a 40. Other Hardee players were Bill Bellflower with 41, Don Garcia with a 46 and Pat Carlton with a 49.

Warren Hart and Bob Ellis each turned in 44's for Kathleen while David Serdyski shot a 45. The Avon Park golfers face three matches in the next five days, taking on Lake Wales at Lake Wales tomorrow, Friday, Frostproof here on Monday and Haines City at Haines City on Tuesday.

Ben Hill Griffin Golf Tournament Mar. 10 - 12

Bill Hill Griffin, Jr., Chairman of the Board of Ben Hill Griffin, Inc., of Frostproof, Florida, announced today that the 10th Annual Ben Hill Griffin Invitational Golf Tournament will be held at the Lake Wales Golf and Country Club March 10, 11 and 12.

Tournament Director Joe Loadholtes stated the field of 288 amateur golfers is filled. A prize round is slated for Friday, March 9. Tournament play will be March 10, 11 and 12, with a shot-gun start at 8:30 a.m. and 1:30 p.m.

The field will be divided into six divisions of 36 players according to handicap. At the end of 36 holes, each Division will be divided into three flights. All 54 holes of gross metal play will count in the final standing.

Prizes will be awarded to the winner of each Division and the first four places in each flight.

Admission is free and spectators are welcome to attend and follow their favorite among the many area players.

Girls Tennis Season Opens

The Avon Park High School's girls tennis team, coached by Jeannie Cox, will open its 1978 season against Sebring High School today, meeting the female Blue Streak netters at Harder Hall at 3:30 p.m.

Tomorrow, Friday, the Devillete team travels to Fort Meade High School for their second of a 14 match schedule.

Four "letter-persons", as the tennis coach put it, are returning from last year's team which had a record of 9 wins and 4 losses. The Cox twins, Debra and Delores, who were the No. 1 and No. 2 singles players last year head up the returnees. Debra, however, is recovering from a basketball injury and her chances of playing in this week's matches seem doubtful.

Other veterans on the squad are Maureen Murphy, last year's No. 3 singles player and Rhonda Landress, who won the No. 5 singles title in the 1977 conference tourney. Two others rated as having a good chance to make the team are Tammy Ostling and Shari Hoke, both of whom saw limited action last year.

A total of 16 girls are vying for team positions. These include five ninth graders: Lori Chancey, Lori Welch, Darlene Diet, Sheryl Dennis and Darby Edge. Zandy Abbott, Daphne Wall, Gigi Swearingin, Debbie Chancey and Michael Harper, all 10th grade students, complete the roster.

Coach Cox rates Arcadia as the pre-season favorite in the conference and Sebring, their opening opponent, as a "sleeper". However, she feels that her team, if the veterans come through, can be in strong contention.

Placid here last Saturday night. Meg is the leading scorer and rebounder on this year's team. Sunphoto by Tom Fleming.

Weight And Exercise Room To Open March 7

The Avon Park Recreation Department will be opening its Weight and Exercise room for an organized weight training course starting March 7.

All persons 14 years or older wishing to use the exercise equipment and weights at the Rec. Center will be required to take this introductory instruction. There will be a class each Tuesday and Thursday evenings for three weeks.

At the completion of the course, all participants will be given a card that will enable them to use the exercise room in their own leisure time. The adults over 18 will be allowed to use the facilities at anytime the Center is open and those passing the course under 18 will be allowed to use the facilities during hours set for their age group with supervision.

There will be three classes offered each Tuesday and Thursday. Please call the Recreation Department and sign up for a time. Classes Tuesday and Thursday 5-6 or 7-8 or 8-9. A limit of 15 per class will be enforced, so call and sign up now.

No one will be allowed to use the facilities that has not taken the instruction classes. A fee of \$3. per person will be charged.

Other veterans who are expected to see plenty of action are Joel Wright and Tom "Flash" Flemming. Except for Flemming, a 10th grader, the rest of the lettermen are seniors.

Steve Blackburn, a freshman and Art Garrett, a sophomore, are expected to make strong bids for regular positions to Coach Wyse who also has Kenny Riddle and Gary Farless trying out for the team. Riddle is a freshman while Farless is a 10th grader.

All personnel wishing to utilize the Air Force Recreational Areas will be required to check in and out with the Air Force Security Police

The instructor for the course will be Highlands county Sheriff's Deputy Howie Godwin. He will be giving instruction on weight-lifting techniques, safety rules, and personal fitness program suggestions.

located in Building 425, approximately 1/4 mile past the main entrance of the Range on State Road 64.

All interested persons are urged to confirm these times prior to arriving at the Range by calling 813-452-4223.

Kathleen High Takes Opener

Marion Walker of Lakeland, last year's district runner-up, shot a 45 at River Greens here last Friday to lead the Kathleen High School girl golfers to a 206-251 win over the Avon Park High School Girl's golf team.

It was the season's opener for the local girls who will meet Frostproof High School here next Monday in the second of an eight match schedule. Robyn Heckard shot a 59, low score for the Avon Park team. Tori Griffin came in with a 61, Danielle Elliott shot a 66 and Andre Petrovich turned in a 65 for the Devillette golfers.

Pro-Am Tournament

Topping the field by four plus points, C. Acker, B. Hoogterp, H. Manges and M. Newkirk teamed up to win last Wednesday's Pro-Am tourney at River Greens Golf Club. A total of 16 four man teams were entered.

D. Daughtry, E. Pfahning, D. Peter and J. Osborne made up the second place foursome.

Ross Hendrick, shooting an even par 70, was the top "A" division player. E. Pfahning won the "B" division with Morgan topping the "C" players. J. Woolridge secured the most plus points in the "D" section.

Meet The S.F.J.C. Panthers

Butch Reichart

Butch Reichart, graduate of Brandon High School, will be seeing action as catcher for South Florida Junior College this spring. Butch led his high school in hitting as they made it to the final game of district tournament play. Butch had a good fall behind the plate at SFJC and also played third base.

SFJC is at home versus Seminole J. C. Wednesday, Feb. 22, at 3 p.m. Next Panther home game is Friday, March 3, against Valencia.

Charlie Faulconer

Charlie Faulconer, graduate of Washington-Lee High School, Arlington, Va., returned to the South Florida Junior College baseball squad this spring after being named All-Division III as a freshman.

The 6'11", 175 lb., slugger batted out 37 RBIs and 17 extra base hits while compiling a .281 average.

The All-Division right fielder had a good fall and has impressed the university and pro scouts indicating a brilliant future for Charlie after he graduates in May.

SFJC Wins Two

Starting pitcher, Kirk Scheerhorn, pitched a brilliant 3-hitter at home Friday against Florida Southern College but lost 1-0. Kirk struck out 4, walked 4, but a run in the 4th was all Florida Southern needed to send the South Florida Junior College Panthers to their first loss of the season.

The Panthers only collected five hits as John Nichols, Moccasin pitcher, kept them off balance with sliders and occasional knuckleballs. Al Jensen, Toby Cunz, Mark Lacy, Charlie Faulconer, and Randy Schlosser each contributed singles in the superb pitcher's duel.

SFJC-4, IRCC-2

South Florida Junior College defeated Indian River Community College last Wednesday at Ft. Pierce 6-2. John Sedlock started on the mound for the Panthers and picked up the win going 5-1/3 innings before giving way to the Gary Parker.

Parker pitched brilliantly in relief to preserve the victory. Sedlock allowed only 3 hits but was plagued by wildness as he walked 7 men. Parker gave up 4 hits and shut down IRCC without any runs.

Hitting stars for the Panthers were Mark Lacy with 3 hits followed by Bill McMenamin and Dan Pototsky with 2 each. The big blow came in the third when SFJC scored 3 runs to go ahead 4-1 and keep the

lead for good. After a walk to Randy Schlosser, a single by Pototsky and another walk to Charlie Faulconer, Lacy drilled a double to clear the bases.

The win was the second in as many games for the Panthers.

SFJC-5, Edison-1

Righthanders Tod Carter, Gary Parker and Billy Cary shut down Edison Community College on 3 hits Monday to give South Florida Junior College a 5-1 victory, its third win of the season against 1 loss.

Carter received credit for the win going 5-1/3 innings and allowing only 2 hits. Parker gave another outstanding relief performance, blanking Edison for 2-1/3 innings on one hit. Cary retired the next four batters in succession to end the game.

Trailing 1-0, SFJC erupted for 4 runs in the 6th inning to secure the victory. Al Jensen singled to lead off the inning. Pinch runner, Dale Sizemore, stole second and went to third on Randy Schlosser's bunt single. Mark Lacy, Rick Kyzer and Robbie Freeland all followed with singles to give the Panthers a 4-1 lead.

In the 8th, SFJC tallied their final run on singles by Dan Pototsky, Freeland and Toby Cunz.

SFJC returns home Friday, March 3, against Valencia CC at 3 p.m.

CHUCK ROTHY DISPLAYS THE 9 1/2 pound, 26 1/2 inch long beautiful bass that took his lure with a jolt Monday afternoon while he was fishing in Lake Lotela. Sunphoto by Lew Miller.

Big Bass Blasts Bomber Rothy Takes Trophy

"When he hit it was jolt," was the way Chuck Roth described a big bass's taking his model type A Bomber lure about 2:30 Monday afternoon during a slight drizzle.

Chuck had gone out to his favorite fishing hole in Lake Lotela about an hour earlier and had caught several other fish, the largest weighing about five pounds.

He was fishing in about eight to

ten feet of water and was using the Bomber lure as the faster one reeled the lure in, the deeper it would go in the water, when the 9 1/2 pounder grabbed it.

In trying to escape the big bass jumped once while it took Chuck about five minutes to land the big one. Chuck described the fish as "He was beautiful."

Devil Jayvee Baseball Opens Feb. 22

Coach Hoppy Rewis Red Devil jayvee baseball team will jump into action next Wednesday, March 1, with a 4 p.m. game against the Brahman "B" squad in Okeechobee. The Avon Park junior varsity will play a 17 game schedule this year with 9 games set to be played at Head Field. Most of the games will be played at 4 p.m.

Coach Rewis has cut his squad to 21 players with 11 sophomores and 10

freshmen on the roster. Sophomores are: Dennis Barefield, Johnny Barnes, Lawrin Ellis, Kelly Graham, David Hardy, Andy Leach, Tim Minard, Tim Salter, Mark Steadley, Jacques Thomas, and Greg Whidden.

Freshmen members of the jayvee squad are: Chris Collins, Alvin Conner, Dwayne Council, Ricky Derkman, Ricky Johnson, Gerald Jones, Alan Liske, Rickey

Oates, David Roberts, and Mike Shorkey.

Five of the players were unable to report out for practice until this week because they were playing on the jayvee basketball team. These five, Alvin Conner, Dwayne Council, Chris Collins, Ricky Johnson, and Gerald Jones, will be available for the opening game next Wednesday afternoon, but they will have had only one week of practice.

UNDERSTANDING FREE ENTERPRISE

By William T. Veenker
Chairman, Gould Inc.
How's Your Knowledge Of Economics?

Surprisingly, fewer than one-third of all students completing the 12th grade will have had a separate course in economics. Only one state in the country requires its high school students to take any economics course. And, in a simple test administered to more than 21,000 high school students, over half of them did not know the United States economy is based on the free enterprise system.

SURPRISING STATISTIC—Many high school students do not know our economy is based on the free enterprise system.

With these grim statistics it's not hard to understand that when Americans get frustrated and unhappy by business misconduct and economic problems they tend to seek government intervention to relieve the problems and provide solutions. This in turn causes regulatory agencies to get together with business, congressmen to support anti-business legislation, and government to extend its regulations outside its normal province.

Many economists feel that this type of reaction will harm the free enterprise system which has made our country so great. The author heads a company that is known for its product development. Among its many new products are a line of "10-plus" energy efficient motors designed to achieve higher efficiencies and power factor.

1978 Florida Mother Of The Year

Sunday, Feb. 19, Mrs. James (Altha) Satterwhite was named Florida Mother of the Year. Altha was one of five Florida mothers to go to the finals and be nominated as a Florida Merit Mother, as was Mrs. Charlie Walker, of Sebring.

The First Christian Church of Sebring Nominated Altha Satterwhite to be a Florida Merit Mother in hopes that she would be the state's Mother of the Year. Pastor Tom Jones and his wife Alberta were in the Columbia Room at Walt Disney World when Altha was named as the one to receive this honor. Mrs. Jones compiled all the data on Altha and sent the information in.

The judges of this contest do not meet the contestants before they are selected, they make their choice from written material submitted to them. Not only do they go by the accomplishments of the contestant but they also consider the accomplishments of her husband and children.

Mrs. Tom (Sophia Mae) Mitchell, of Sebring, and President of the Florida Mothers Association gave the opening remarks and presided over the annual awards luncheon. Dr. H. Chesterfield Mitchell, in his tribute to women gave a very interesting and informative speech, commenting that the foundation of our country cannot rely on the technology of the nation, but backbone and grit is needed to make this a truly great country. The American people should re-order the values for today's world and put their inner house in order. With moderation and equality, Americans can in years to come have more and more monetary gain. The choice of what we do with this gain, is a moral one. Mitchell stated, "that enough of anything is good, more than enough is bad."

Altha Smith Satterwhite was born on March 2, 1921 in Stanley, N.C. to Mr. and Mrs. J. O. Smith. Upon graduation from high school Altha continued her education at Mars Hill Junior College and the North Carolina Baptist Hospital where she graduated as a registered nurse. She received her B.A. degree from Wake Forest University of Florida, and the University of South Florida.

She met her husband, Jim, while working as a nurse and he was a medical student. They were married in Dec. 20, 1944 and recently celebrated their 33rd wedding anniversary. The Satterwhites have four children James, Steve, David, and Carol.

From 1952-1973 the Satterwhites were in Japan where they served as medical missionaries under assignment from the Foreign Mission Board. Altha stated that she loved living in Japan, and to learn to

read and write the Japanese language was the most difficult task to accomplish, and she commented that she still has trouble in that area. While in Japan, Dr. Satterwhite was hospital administrator for several years and on the medical staff for the entire duration of their tour. Altha was the first director of nurses at the hospital and for several years taught second and third grade students on the Calvert (Approved Home) System in a co-operating English speaking school. When asked what was most challenging for her family while living in Japan, she stated, raising a family in a different culture than your own is very difficult but interesting. You had to learn not only to speak the language but to think it as well. Altha feels that her families living in Japan has contributed to their understanding and compassion toward international feelings.

The Satterwhites return to the United States in 1973 and resided in Tampa where Jim was employed as a physician for students at the University of South Florida. They presently lived in a modest little home on Lake Denton and have been there since April of 1974. They decided upon this location because Jim was born and raised in Sebring, and is a graduate of Sebring High School. From Sebring High he attended Bowman Gray School of Medicine at Winston Salem, N. C. and received his M. D. degree.

Jim was at one time an associate of Dr. Samuel King of Avon Park, and presently employed as a physician Avon Park Correctional Institution.

During the course of our conversation Altha stated that they do hope to return to Japan one day for a visit and perhaps as relief persons in the mission program.

Their children are all grown and away from home. James was born the year Jim graduated from medical school, and prior to his birth Altha was head nurse on the surgical floor of the North Carolina Baptist Hospital. James completed his secondary education in Kobe, Japan and returned to the U. S. for his college work. He received his BA degree at the University of South Florida in non-Western Studies. James education was interrupted by his Alternate Service duties with the Brethren Volunteer Service, and this time was spent in Europe teaching in an agriculture academy in Czechoslovakia. James is married to Olwen, from England and they are presently living in Washington.

Steve, was born in Tokyo, Japan and returned to the United States to attend the University of South

Florida where he received a B. A. degree in art education. After graduation he remained in Tampa where his wife Mary, completed her Master's degree in library science. He is presently employed with Edwards Pipe Company as a carver for custom made pipes. He has designed custom built furniture, wood sculpture and is a professional photographer. A wood sculpture, "Resurrection" won first place in a recent art exhibit in Temple Terrace. Steve plans to continue his studies in the field of art.

David was born in Highlands, N. C. — delivered by his father because icy roads prevented them from making the trip to the obstetrician who was scheduled for the delivery. He received his education in both Japan and the United States.

graduating in Gainesville. He completed two years at the University of South Florida then returned to Japan to complete his college education at Friends World College specializing in Asian Studies and International Relations. His Japanese wife, Huse Kitagishi, is a graduate of a university in Kyoto. They have returned to the United States and he is a graduate student at the University of Washington, where she is doing some studies.

Carol was born in Kyoto, Japan and returned to the United States to attend the University of South Florida. After a year she transferred to the Friends World College for independent studies. She is now a student at the University of Florida majoring in psychology and religion. Upon graduation she hopes to work in a church-related program for disturbed children, and perhaps go on further in graduate studies.

The more you talk with this quite serene woman you can sense the real Christian atmosphere that seems to surround her. She speaks softly but her words are full of compassion for her fellowman. She has made many contributions to the welfare of society within our area. She is a member of the Board of Directors for Service Over Sixty. She not only serves on the board, but while working as Homemaker Supervisor for Project Hope she went and visited with the elderly who needed these services. She is a member of the Advisor Board for Highlands Home Health Service.

and has been a member of the Planning Committee for the World Day of Prayer program and she is Social Service Consultant at Hillcrest Nursing Home.

She is a member of her church's choir, church pianist, and has been the accompanist for two children's choirs, a deaconess, a member of the church official board, and a member of the business women's group of the Christian Women's Fellowship. She has also substituted on the nursing staff at Avon Park Alcoholism Treatment Center.

Avon Park and the First Christian Church of Sebring should be honored that such a fine lady as Altha Satterwhite, Florida's 1978 Mother of the Year, is residing in our area. Congratulations Mrs. James (Altha) Satterwhite on your great accomplishments! Altha stated that she is a supporter of the Equal Rights Amendment for Women and she gave two reasons: one, equal opportunity in all respects; two, look at Christ and his attitude towards women as our norm, in facing the issues involving the states of women.

A very happy winner has returned to her seat carrying with her a dozen of beautiful red roses and the knowledge that she has been awarded a very prestigious honor.

Altha will attend the awards conference of the American Mothers Committee May 7 - 11 in Des Moines, Iowa. Here the National Mother of the Year will be selected from the candidates of the 50 states, Puerto Rico and District of Columbia.

Shuffling
On Saturday, Feb. 11 there were 11½ courts of B players. In the main division, Marie Pritchard and John Herren were first with Hazel Brevort and Al Wilson second. In consolation it was 8-Bury Cori and Dudley Bacon first, and Foster Jolliff and Mary McLarty taking second place.

In a competition there were 11½ courts with Fred Frye and Alva Derr in first place in the main, and Helen Gault and William Bayes second. In consolation play, Ted Donkers and Kellie Larrew were first with Earle Dunavent and Grace Staley second.

Monday, Feb. 13 the A's held a make up tournament. There were 9½ courts at play with Thresa Bayes and Ed. Healy first in the main, while Duke Christensen and George Geisler took second place. In consolation it was William Bayes and Howard Brevort in first place with Ernie Rouget and Virgil Lhotka second.

There was no regular tournament on Wednesday, Feb. 15 as about forty members participated in the Red Cross tournament, held at Sebring.

Valentine's Dance
On Monday evening Feb. 13, the dance group held a Valentine's Day Party. There were sixty members present and all enjoyed a very good time.

Membership
To date our Club membership is more than 550. We are growing.

Pot Luck Dinner
On Saturday, Feb. 11, there were 118 members and guests in attendance for the regular Pot Luck Dinner. Mr. and Mrs. Everett Bletham were host and hostess. There were sixteen guests present coming from such far away places as Michigan, Canada, Pennsylvania, Ohio, Maine and West Virginia. The program consisted of musical numbers on the accordion by Lewis Tripp, a reading and piano solo by Eula Ganning, and readings by Nora Nelson and Everett Bletham. The evening closed with group singing, "God Bless America."

Pinochle
Friday, Feb. 10 there were 10 tables for pinochle with 118 players going to Ruth Van Pelt with 751, and second place going to Cleo Meadows with 743.

On Feb. 13 there were 12 tables with Tom Chase first place with 714 and John Mack second with 712.

Bridge
Tuesday, Feb. 14 there were eight tables for bridge, John Schoen was high with 5190 and Paul Zwyer second with 5100.

On Feb. 16 there were 11½ tables for duplicate bridge. North-South saw Sam Lanning and Joe Nickerson taking first place b. Prescott and M. Sherman second and Paul and Mary Zwyer third. In the East-West division, it was Claire and By. Martz first, Charles Adena Querry second and Bertha Brush and Martha McBeth third. A Valentine's Day party with refreshments was held prior to the duplicate game.

Crafts
Seventy five members attended the Crafts class on Thursday, Feb. 15, with seven projects underway, all those attending were kept very busy. Bargello workers were still producing very beautiful cushions. Quilling was keeping another group busy while another were busy with Milk Bottle Purses and still another was occupied with making fantastic designs of "The Eye of

God". Acrylics is still a favorite of many, and the new project, Hosiery Flowers, was keeping others busy. These flowers are made from bleached and dyed hose and then fashioned over wire frames, when finished anyone can be proud to show them and it proves that one should never throw away old stockings. Another new project will be started next week, Feb. 23rd. This involves making Satin Flowers.

Nelen Gault and William Bayes second. In consolation play, Ted Donkers and Kellie Larrew were first with Earle Dunavent and Grace Staley second.

Red Cross Shuffleboard Tournament

With approximately 35 members of the Avon Park Winter Guest Club taking part in the annual Red Cross Shuffleboard Tournament at Sebring, Tuesday and Wednesday, Feb. 14-15, five came home with winner's trophies.

Proceeds from the yearly tournament are for the benefit of the Red Cross program, while trophies were donated by the Barnett Bank in Sebring.

Taking first place in the Main Division doubles play were, Helen Brady Strathroy, Ontario, Canada and Fred Frye, Palmyra, Mich., with Foster Jolliff, Kenton, Ohio taking third in the Main Division singles play. Ed Healy, Strathroy, Ont., and Leslie Stanley, South Portland, Maine came home with the second place trophies in the Consolation doubles play.

The next tournament the Winter Guest Club members are looking forward to is the Pro-Am Central District Shuffleboard tournament at the local courts on March 2-3-4. Trophies will be awarded to the first and second place winners in the Consolation play. Play will be in both singles and doubles.

RECENTLY, HARRY FISH and Ronald S. Peterson, (from left, standing), Robert Gossard and Paul K. Maynor, (seated), participated in the Correctional Institute Training Program at Raiford, Fla. They are on the staff of the Avon Park Correctional Institution.

APCI Employees Complete Correctional Training

The Department of Offender Rehabilitation has announced that Avon Park Correctional Institution employees, Harry Fish, Robert Gossard, Paul K. Maynor and Ronald S. Peterson, recently participated in the Correctional Training Institute at Raiford.

This is the 23rd. C.T.I. group to enroll in the minimum standards curriculum which is required by law. The Training Institute program is taught in conjunction with Lake City Community College, and the graduates earn nine semester credits for successfully completing the full time, 160 hour course. The program includes instruction in the Criminal Justice System, Legal Aspects of Corrections, Operational Procedures, Principles of Supervision, Human Relations and Technical Training Skills which include Firearms, First Aid and Fire Fighting Techniques.

The Correctional Training Institute was certified by the Florida Correctional Standard Council (CSC) in May, 1976, as a training center for correctional personnel. The Council was empowered by the Legislature in 1974 to establish minimum standards for the certification of correctional officers and training centers. The curriculum of training is designed to

intensify the exposure of the officer and to develop him professionally. It is anticipated that the training program will help materialize the promise of a modern correctional system.

The participants will continue their training with an additional 160 hours taught by regional instructors, on an in-service basis, at the various correctional facilities located throughout Florida.

\$1000 Prize To Be Awarded For Top Poetry

A \$1000 grand prize will be awarded in the Poetry Competition sponsored by the World of Poetry, a bi-monthly newsletter for poets.

Poems of all styles and on any subject are eligible to compete for the grand prize or for 49 other cash or merchandise awards.

Says contest director, Joseph Mellon, "We want to encourage poets — even poets who have written only one poem!" Rules and entry forms are available from World of Poetry, 2431 Stockton Blvd., Dept. B, Sacramento, California 95817.

"If you use the short form, we do it for less."

If you qualify for the short form, we charge a very low price. The simpler the return, the less we charge. That's Reason No. 2 why you should let us do your taxes.

Southlands Court News

By Frank White
This court has lately had fewer than usual number of visitors, but more court residents in the hospital than ever before. Nancy Dugan was discharged from Walker Memorial and is staying with a son at the present. Dovie Liller expects to get back home from Walker Memorial Feb. 16 for sure. Cecil Stone got an ear infection and as a

result had to go to the hospital, but remains as an out-patient. Louise Carson has been at Walker a week or so and will have surgery on Feb. 15. Nick Trompies had the flu and spent several days at Walkers, just got back Monday, Feb. 13. Right on Valentine's Day, Park Ernberger was taken to Walker Memorial. Ann Condit, who had her share of hospital visits and

treatments earlier this season, is now able to get out from time to time in a wheelchair, as is Arent Flint, when the weather co-operates. I hope I never again have to repeat such a long list. Men's shuffleboard of Feb. 18, was unusual. The regular series of games produced no three game winners. At Bingo that evening

attendance was good, with 29 players, the overall was won by Grace Rowsome. Attendance at Tuesday's coffee hour was better than last week, as there were 36 present. It was Valentín's Day, but the Valentine Party was held in the evening. Frances Flint, who has been staying with her brother and sister-in-law at No. 166, will soon be living

at No. 135, right close to the Open Flurum. Last week Mr. and Mrs. Gordon Whipple of Muncy, Pa., spent a day with Ray and Martha Long. On Sunday, Feb. 12, to celebrate Ray's birthday, neighbors Hannah and Marvin Tebo, Carl and Mae Phillips, Reavee and Harriet Wandover, Horton and Grace Rowsome with Ray and wife Martha all

motored to the Tower Restaurant in Lake Placid for dinner. Some of the above also went to the Pineapple Farm. Delayed item: Jack and Dot Lavery had some visitors from Canada and I knew they all went one day to Disney World, another day to Busch Gardens, but no other detail. . . Now I find out they were from one of the places I have

wanted to visit since I was ten years old and looked into that geography book. They were Anne and Del Humbert from Medicine Hat, Alberta. I have also wanted to visit Saskatoon, Saskatchewan and Moose Jaw, also of Saskatchewan, as well as Walla Walla, Washington. Recent visitors at the Tebo home were Mrs. Janet Neal, Mrs. Laura Cease,

and Mr. Harry Myers, all of Canton, Pa., along with Dale Brinster, of nearby Elmira, N. W. Mr. and Mrs. Marvin Tebo attended the Tioga County, Pennsylvania, Assn., meeting and dinner Saturday, Feb. 11, at Bahia Beach, Kuskini, and they stated that there were 279 present. I am going to find out what the population of Tioga County really is, because this sounds like a big chunk of it.

Women's craft meeting on Valentine's Day had 10 present, mostly for work needed to complete on going projects, no new ones. The St. Valentine's Day party was very enjoyable, and very different than those of the last few years. The committee surprised the more than 50 who attended, they had a local ventriloquist, Mr. Lester Tolar who with four court residents making brief appearances to help his act, entertained us for a whole hour. Some newcomers and some visitors were introduced, delicious snacks with punch and coffee served later. There was also a drawing for some prizes which were won by Charles Van Cleave, Al Crascon and Lee Schreiner. This was a welcome departure from dependence on sing-alongs, which has been very pronounced the last few years.

If you want rain, schedule a pot luck dinner in this court. Ours was held at noon Thursday, Feb. 16, and about the time everyone was ready to toddle home after eating to much, it rained so hard a few left. The January pot luck on Jan. 19 saw the same thing happen. This time 60 attended, a few of them visitors, which made up for our hospitalized contingent unable to attend. Since I wrote a paragraph above about our hospitalized residents, I have learned that Louise Carson's surgery has been postponed. Her son, Lee Schreiner with wife Rosemary and their two children are still here. Mildred Hindesley's visitors are her daughter and son-in-law, a golfer from Ohio. The women had intended to have their regular shuffle session right after the pot luck dinner, but the rain got in the way, and the shuffling had to be postponed.

New York Picnic March 3

The 16th annual New York picnic will be held Friday, March 3 at 12 noon at the AGRICULTURAL CENTER on Highway 27 South of Sebring. Bring table service, own beverage and a dish to pass. Program of prizes and music. Come and represent your home County.

Youth Job Program Readied

"Help Line", a new employment program aimed at matching jobs with workers, is scheduled to begin March 1 and is to be open to young people who are 22 or younger.

David Jorgenson of Sebring's office of the Florida Bureau of Employment Services said the program is aimed at employing youths who are specially trained for the post or willing to do the particular job offered. Work will range from part-time odd job assignments, public service, Job Corps and fulltime regular jobs.

Jorgenson, who is young adult employment coordinator said the office will act as a clearing house to match people to jobs. Persons wishing to have work done can call the office and a computer is to be used to locate the name of a young person who might be qualified or willing to do the work.

He said that minimum wage rates will not apply to all the jobs.

It is expected that some 2,500 students in Highlands, Hardee, Okeechobee and DeSoto counties will sign up for the program. The Sebring office is to handle the computer matching of jobs with workers.

As preparations for the program gear up, Jorgenson will be contacting schools in the four counties and speaking to various groups about the program. Civic clubs and organizations interested in the "Help Line" should contact Jorgenson at 385-0121.

Assisting him in program operations will be Celia

Speary, lead worker, and another person who is to be hired for the project.

More information about the program can be obtained by calling the "Help Line" number 385-0121 or at the employment office at 1408 Fairmont Drive, next to Moss's Meat Market.

Music Auditions March 4

The University of Miami School of Music will hold auditions Saturday, March 4, for students wishing to apply for admission and for those seeking scholarship assistance for the fall term. The sessions start at 9 a.m. in the School of Music complex, main campus.

All interested students should call the School of Music at (305) 284-2433 for

an appointment. The audition-interviews will be conducted by faculty members. Auditions will cover all band and orchestral instruments, voice, keyboard, and harp. Awards vary from partial to full scholarships. Basis for awards will be demonstrated musical ability, academic record and financial need.

RED DEVILS

1978

AVON PARK HIGH SCHOOL BASEBALL

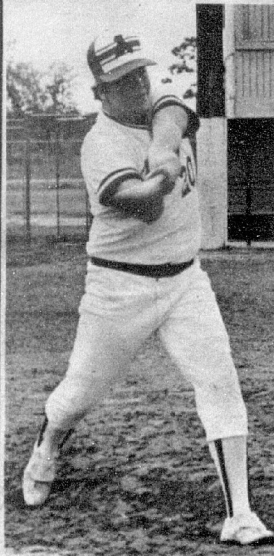

Coach Ronnie Jackson

Starting his sixth year as head varsity baseball coach, Coach Ronnie Jackson will face a building year with his 1978 Red Devil squad. The Avon Park team was the Class AA, District 13 champion last year, but has only five returning lettermen this season.

Coach Jackson has a record of 83 wins and 38 losses and has won the district title three of the five years. The popular coach and physical education instructor is a former Avon Park athlete.

He played varsity baseball under Coach Guy Garrett in 1963 and 1964 and under Coach Ralph Hill in 1965 and 1966. During those four years he set a perfect 21-0 pitching record and tossed four nohitters.

Coach Jackson played baseball at South Florida Junior College for two years, attended college at Florida Tech one year and graduated from the University of West Florida at Pensacola in 1971. He joined the Avon Park High School faculty in 1972 as head baseball coach.

"BIG BOY"

Andy Lanzing

Up from the junior varsity this year is junior Andy Lanzing, a 5'7", 190 pound hitter. With some experience on last summer's Big Boys Highlands County Bank team, Andy may be used some this year as a pinch hitter or a designated hitter. He is a righthander all the way.

Keith Cobb

Another newcomer to Red Devil baseball this season is junior Keith Cobb. Hopefully Keith will help fill in some of the gaps left by graduating seniors of last year's district

championship team.

Working out at firstbase, the 6', 165 pound athlete has also looked good at the plate and may be used some as a designated hitter this season.

COACH JOHN HUNTER
Assistant coach John Hunter will be with the Red Devils his second year. He joined the varsity coaching staff last season when the Avon Park nine won the district championship before losing to St. Cloud in the regional play-off game.

**" Pitching
Ace "**
Larry Jackson

The most experienced player returning this season is senior pitching ace, Larry Jackson, a 6'2½", 175 pound, fastball righthander. Larry had a 5-3 mound record last season going 43 innings and striking out 47 batters with the district champion Red Devils.

This season he is working hard on a slider and a change-up to go with his blazing fastball. Larry will probably also see action at shortstop and firstbase this season when not on the mound.

**" Returning
Letterman "**

Charles Oliver

Senior Charles Oliver is one of the five returning lettermen on this year's Red Devil varsity. Last season the 5'7½", 133 pounder saw some action at third base and was also used as a pinch hitter.

This year Charles has been moved to the outfield where he will probably start as rightfielder.

**' Aloha
Hawaiian
Hurler '**

Keith Alwood

A senior transfer from Hawaii, this 6'1", 150 pound, righthanded pitcher also has been working out at thirdbase with the Avon Park varsity.

Keith throws and bats righthanded. He will add dept to the Devil mound staff.

Managers

BILL WILLIAMS

This will be Bill Williams' third year as manager for the Red Devil varsity. He will be head manager with two assistants.

Taking care of the equipment, keeping up with details for the two coaches and keeping things under control in the dugout are all in a days work for Bill.

JAMIE CASEY

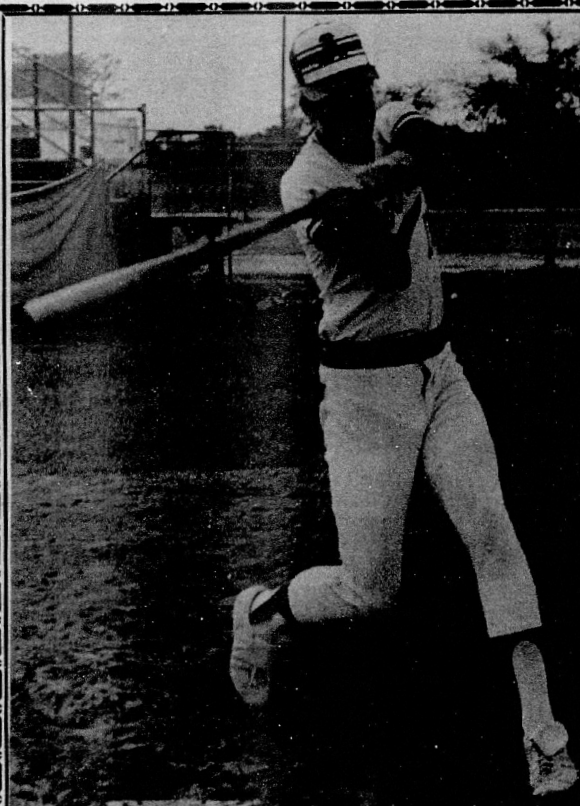

Assistant manager Jamie Casey is back this season to help the Red Devils as they start the 1978 season. Jamie is a junior who worked hard last year as one of the managers who do the "dirty work" necessary for a well-groomed, well-organized baseball team.

ROMMIE ZIMMER

Joining Bill Williams and Jamie Casey as manager this season is Rommie Zimmer.

A newcomer to Avon Park High School, Rommie has offered to help the team by keeping things in the right place at the right time at practice, on trips, and at home games this year.

Last Year's

Leading

JAYVEE

Hitter

Tim Cribb

Trying to break into the starting line-up with the Devil varsity this year is sophomore Tim Cribb who was the leading hitter on last year's junior varsity. The versatile righthander was the catcher for the

Jayvees and also did some pitching.

Tim is 6' and weighs 165 pounds. He will probably play thirdbase this year, although he was a catcher on last summer's Senior League All-Star team.

Pam
Williams

Senior Pam Williams will for several years and serve as student scorekeeper for the Avon Park Red Devil baseball team this season. Pam, an honor student at A. P. H.S., has been keeping score at Little League, Senior League, and Big Boys

helped with varsity scorekeeping last year. Pam is a pitcher on the Cox Plumbing softball team during the summer and will be deciding the difficult hits or errors this year with an eye of experience.

Little League Trains Future Red Devils

A fine volunteer Little League of America program in Avon Park for boys from age 9 through 18 has provided training in baseball for thousands of youth throughout the years. Most all of the boys who have played varsity ball at Avon Park High School in the last twenty-five years have come up through the Little League programs here.

This year there will be four different age-division leagues for the Avon Park boys. The Minor League program starts in April for the young boys age 9 through 12 who are interested in being drafted for one of the four Little League teams made up of boys age 9-12. There are now

12 Minor League teams.

Late in May the Senior League program will get under way with four teams for boys age 13 through 15. They play a sixteen game schedule and then send an All-Star team to the district tournament at the end of the summer.

The Big Boys team is a member of an area program. This Avon Park team for boys 16 through 18 years of age is sponsored by the Highlands County Bank of Avon Park and plays other teams from the surrounding area. Coach Ronnie Jackson and several other interested baseball volunteers started this team for older boys several years ago and

Coach Jackson has been the coach and manager of that squad since its beginning.

Many Avon Park baseball fans and parents have been involved in the formation and execution of the Little League baseball programs over the years. The City of Avon Park has provided maintenance for the baseball fields and has always backed the program in any way possible. The baseball programs in Avon Park are a tribute to the interested adults who have been willing to give of their time and energy to provide an opportunity for the youth of this city to participate in an supervised program of baseball.

"JUNIOR PITCHER"

Wayne Lewis

Junior righthander Wayne Lewis will add strength to the Devil varsity mound staff this year. The 5'8½", 148 pound hurler was a member of the Devil jayvees for two seasons.

Last summer he led his senior league team to the league championship and was a starting pitcher on the Senior League All-Star squad. Wayne will also be available for shortstop.

CENTERFIELDER

Jeff Williams

Joining the varsity after two seasons with the Avon Park jayvee team is junior Jeff Williams. The 5'9", 155 pound righthander was the starting shortstop with the junior varsity last year but will be moved to an outfield position this season.

Jeff played with the Avon Park Big Boys Highlands County Bank team last summer and picked up some valuable experience as a righthander.

DAVID SISEMORE

Sophomore lefthander David Sisemore, one of the leading pitchers on the junior varsity last year and the jayvee's best offensive player, will join the varsity after basketball season.

David is a 5'8", 160 pound three sport man, quarterbacking the varsity football team, playing starting guard on the jayvee cage squad and now hoping to move into the starting line-up of the varsity baseball team.

He bats right but throws lefthanded and will be used on the mound, in the outfield or on firstbase this year.

1978 Red Devil Varsity

The Class AA, District 13 defending champion Avon Park Red Devils will open the 1978 season on February 28 here at Head Field against the Santa Fe of Lakeland Crimson Hawks in the first of a 23 game schedule.

Coach Ronnie Jackson will face a building year as he goes into 1978

season with only five returning lettermen. Fifteen of the twenty-three games will be played against triple A competition with Sebring, Bartow, and Palmetto shaping up to be the toughest opponents for the Red Devils.

The Red Devils will have 21 players on the roster this year with

seven boys in uniform who didn't play baseball last season anywhere. Three sophomores will be on the team after playing jayvee baseball under Coach Hoppy Rewis last year.

The returning lettermen are all seniors. Hurlers Larry Jackson and Jimmy Massey will headup the mound staff, shortstop Charlie Pough will anchor the infield, catcher Victor Roberts will furnish the power at the plate for the Devils, and Charles Oliver will move to the outfield as the five seniors offer leadership to the young team.

Don Wildish, a transfer from Tampa; Keith Alwood, a transfer from Hawaii; Wayne Lewis, and David Sisemore will complete the mound staff along with Jackson and Massey. Sisemore will be the only leftlander on the mound this season.

The Devil outfield will be completely new this spring. Trying for starting positions are Jeff Williams, Charles Oliver, Claude Dennis, Mark Kelley, Andy Lanzing, James Skinner, Gary Roberts, and basketball players Jeff Adams and Edward Irvin. Sisemore could be called on for some outfield duty also.

In the infield it will be Charlie Pough at shortstop when he gets in shape after basketball with Wayne Lewis and Larry Jackson filling the slot until then. Keith Cobb, Keith Alwood, and Larry Jackson have all worked out at firstbase. Don Wildish and Bubba Starling are trying to win a starting position at second base. Sophomore Tim Cribb may have nailed down the thir base job after

fighting it out with Alwood and Oliver.

Junior Mark Bachman relieves Victor Roberts behind the plate. Bachman was used as a pinch hitter last season on the jayvee squad but has been concentrating on his catching duties this spring.

If several of the newcomers to the Red Devil varsity come through during the season to fill in for the graduating seniors off last year's team that set a 21-6 record and won the district title, Coach Jackson could have another championship squad. The pitching should be strong with Larry Jackson reaching his peak and Massey, Wildish, Alwood, Lewis, and Sisemore expected to improve as the season advances.

Charlie Pough and Victor Roberts will need some assistance at the plate from newcomers if the Devil hitting attack is to provide the offense needed. Tim Cribb, Keith Cobb, Charlie Oliver, and Gary Roberts could be the hitters needed for the job.

At this point, before the season has started, it is still a question mark as to how the Avon Park baseball team will turn out. Playing so many 3A schools could be an advantage when it comes to district play against 2A competition, and with a lot of hard work and concentration, the Red Devils could easily come up with another district championship under Coach Ronnie Jackson, who's teams have already won the title three of his five years as head coach.

RETURNING DEVIL LETTERMAN on the 1978 varsity squad will provide the leadership for the young team. From left: Outfielder

Charles Oliver, catcher Victor Roberts, pitcher Larry Jackson, shortstop Charlie Pough, and pitcher Jimmy Massey.

TAMPA TRANSFER

Don Wildish

A transfer from Tampa late last year, junior Don Wildish joined the Highlands County Bank Big Boys League team last summer and turned in a fine season pitching, and playing secondbase. The righthanded hurler is 5'9½", tall and weighs 157 pounds.

He is quick and has a good glove as an infielder. He is a smart pitcher, using several different pitches to keep his opponents guessing at the plate. Don should be a welcome addition to the inexperienced Red Devil varsity this spring.

RESERVE CATCHER

Mark Backman

Junior catcher Mark Bachman comes up to the varsity this season from the jayvee squad where he was used as a pinch hitter very effectively last year.

The 5'8½" righthander is a hustler who will give relief behind the plate and come in handy pinch hitting.

Righthanded outfielder Gary Roberts sat out last season after playing jayvee ball his freshman year. Used in the past primarily as a catcher, the 5'7", 170 pound junior was moved to the outfield this year.

Gary wields a heavy bat and could add some hitting strength to the Red Devil line-up this spring. Playing in the summer Senior League gave Gary some much needed experience.

Coach Hoppy Rewis

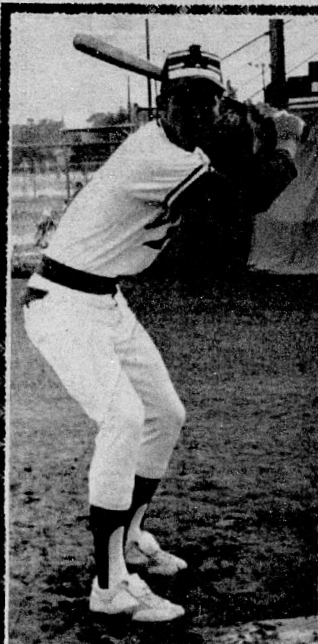

The head Red Devil junior varsity baseball coach is former Avon Park High School Red Devil athlete Rance (Hoppy) Rewis.

This is the second year Rewis has been in charge of the jayvee baseball program. The Avon Park Middle School physical education instructor became head Red Devil junior varsity football coach two seasons ago after turning out two outstanding Middle School football teams, which set 10-1-2 records.

His two jayvee squads had 13-3 records giving the young coach a 23-4-2 mark for his four years in Avon Park coaching.

Coach Rewis was a two team letterman during his years at A.P. H. S., attended South Florida Junior College and graduated from Southern Arkansas University in Magnolia, Ark.

He played baseball both years at S. F. J. C. and two years at Southern Arkansas, where he won All-Conference and All-District honors. Rewis was also a student coach in baseball one season at S.A. U.

SENIOR OUTFIELDER Edward Irvin

After a summer with the Avon Park Big Boys team, Edward Irvin will join the Red Devil varsity late after basketball season finishes. Edward is a senior outfielder who can cover the area well and has shown promise at the plate also.

He is a 5'9", 145 pound lefthander who could help out this year with his experience with the Highlands County Bank team last summer.

Revisit Early Avon Park Baseball

By George Hayne
Serious baseball began being played in Avon Park about 1918 in a sinkhole between S. Central Avenue

and the A.A.L. Railroad.
In 1926 the St. Louis Cardinals surprised the sports world by beating the mighty New York

Those
Were
The
Days

PLAY BALL - (In high heels?) Members of the 1924 Business Professional Women's Baseball Club and their manager, Grover Cleveland Alexander gathered around the pitcher's mound. The girls played at Head Field on the regulation diamond with regulation equipment. From the left: Mrs. Louise Armstrong, first base, who was Avon Park City Clerk from 1926 to 1948; Peggy Neff, second base, did secretarial work; Mrs. Gladys Hagan, third base, was a long-time beauty parlor operator; Alexander, manager of the team was the famous St. Louis Cardinal pitcher, now in the Hall of Fame and Mrs. Fannie P. Reves, pitcher, former postmistress in the twenties, later Mrs. Glenn Spink, who showed Alexander how she "burned them over the plate."

Yankees for the World Championship. One of the reasons for this upset was a St. Louis pitcher, Grover Cleveland Alexander.

A group of Avon Park business men headed by Col. Charles R. Head and Col. R. R. Davidson decided it would be good publicity to get the St. Louis Cardinals to train in Avon Park. So Head Field was brought about, and Avon Park's local baseball left the sinkhole and moved into newer and better facilities.

In 1928 the New York Yankees and Babe Ruth came to town, and an estimated 5,000 fans turned out to greet them. It was about this time that baseball started to become an important part of Avon Park sports life.

It is believed that the first coach the high school team had was a teacher named Carmichael. About the most exciting thing that happened during his reign was a free for all with Frostproof.

In 1938 Carmichael left and Coach Harold Rowe took over. For the next four years Coach Rowe created much enthusiasm among the players and fans with his hustling type of ball playing.

Coach Rowe resigned in 1942 to go into the Marines. In 1943 Coach Edward Carter took over the Red Devil varsity. In the next eight years Carter's teams won one Ridge Conference title, three district titles, three state runners-up trophies, and one state championship.

Probably the most exciting baseball player this section of the state has ever known played during these years J. C. Walker. He played

nine positions and had a batting average of over .500 yearly. He ran the bases with reckless abandon.

Carter moved to Jacksonville in 1951, and Joe Franza coached for one year winning the district championship.

In 1953 our good neighbor to our south, Sebring, sent us Guy Garrett. Guy was to high school baseball what Babe Ruth was to the Pros—the greatest. In 12 years of coaching baseball in Avon Park, Garrett's teams won two state championships and eight district championships. In 1955 his team won 27 games without a loss and later continued the winning streak to 47 games. This is said to be the longest winning streak of any schoop in the United States.

When Garrett left for DeLand, one of his proteges, Ralph Hill, took over the coaching and kept up the winning ways. In Hill's eight years his teams won two district championships and two state championships. Hill also won the award for the outstanding baseball coach in the state.

Coach Hill resigned in 1972 and another hometown product, Ronnie Jackson, took over and is the coach to this date. Winning three district championships in five years, Coach Jackson is hoping to add another state title to the five Avon Park already owns.

I feel sure in the last 40 years Avon Park High School teams have had the best win-loss record of any school in the state and certainly the Red Devils will come up with exciting baseball year after year.

" WELCOME
BACK "

Mark Kelley

After two years away from Avon Park, Mark Kelley has returned and will join the Red Devil varsity for the first time as a junior eligibilitywise.

The 6', 150 pound outfielder throws and bats righthanded. Mark's strength is his power at the plate which could provide some offense for the Devils this season.

Skinner

James "Bo" Skinner is a 5'9", 150 pound junior who has moved up after two years of junior varsity ball. The righthander has been working out in the outfield this spring.

He hopes to see action in some outfield position with the varsity this year. Bo has played Senior League summer ball for several seasons.

He is a prime candidate for All-State honors this year as the best prep shortstop in the area according to Coach Jackson. Charlie is a 6'1", 145 pound natural athlete who is expected to lead the Red Devils to another district title in 1978.
