Episcopal Women Plan Annual Rummage Sale

The Episcopal Church Women of Avon Park held their regular monthly meeting on Wed., Dec. 14, in the Parish House of the Redeemer, after midnight Communion.

Secretaries and treasurers reports were read and approved. Mrs. Klueberg reported that the Christmas Bazaar was a success, in spite of competition from several other events in the city. She suggested a change of date for the next year's event, and after discussion, it was decided to hold the Bazaar on Sat., Nov. 4, 1978.

The Rummage Sale will be a three day event, and will be held on Feb. 2, 3, and 4; also, Pancake Day will be Feb. 7. Keep these dates in mind, our pancakes are famous, so come and enjoy them.

A delightful musical program followed the business meeting. Mr. Donald Meiser brought three of the Young Highlanders to entertain the group with Christmas music.

Vesta Hall and Phyllis Johnson, opened the program with a duet, "When I survey the Wondrous Cross." Vesta sang two solos, "Edelweiss" and "He shall feed his flock," "Sweet Little Jesus Boy" was another contribution by Phyllis. George Ratzman closed with "O Holy Night" and the "Christmas Song".

It was a truly delightful experience, to hear, these beautiful songs, rendered by the lovely young voices. Mr. Meiser accompanied them throughout the program.

A delicious covered dish luncheon followed and the good food and fellowship made the

last hour of our meeting a very happy one.

Mrs. Klueberg thanked Mrs. M. Stokely and Mrs. H. Robertson, hostesses for the luncheon.

Next meeting will be Wed., Jan. 11, 1978.

Congregational Church To Hold Candlelight Service

Union Congregational Church cordially invites the public to the Christmas Eve Candlelight Service on Saturday, December 24 at 8 p.m. The church is located at 168 North Forest Avenue here in Avon Park.

Join in the singing of the familiar Christmas carols.

Robertson, hostesses for the luncheon.

Next meeting will be Wed., Jan. 11, 1978.

Home Health Care Home Cooked Meals Served At Recreation Center To Be A Realty

Federal certification of Highlands County's new Home Health Care program is being sought so patients can receive Medicare coverage for service expenses.

The program isn't expected to go into full operation until the first of March and at this time, Medicare inspectors will come to review the program. Highlands County commissioners approved a measure at Tuesday's regular meeting seeking the federal certification.

While the program plans have been inspected, the state has not yet issued a license. Mrs. Endicott said she expects the license will arrive around the first of next month.

Another step to be taken before the program goes into full swing will be orientation of the nursing supervisor and administrative assistant in the Home Health Care program. The two will study Sarasota County's program and then train Highlands County program workers.

In other business, the board approved an agreement with Avon Park for upgrading an access road into Avon Park Industrial Park. The road will provide an approach to more than 60 acres on the west side of the park.

Cost of the improvement is estimated at \$4,662 and the city has agreed to provide services of a grader and two dump trucks as a contribution toward expenses.

Several citizens spoke against plans for a mobile home subdivision off Thunderbird Road. The citizens own property adjacent to the site and object to removal of a dense forest on the planned development's land.

The request to rezone the tract of 15 acres from agricultural to mobile home subdivision had been unanimously approved by the Zoning Board.

Commissioners said the board cannot restrict a man's use of his property to save the trees.

One woman objected to the increase in septic tanks and

wells in the area, but developer Christopher F. Miller said he plans to put a water system into the subdivision.

He said the only trees that would be removed are those in roadway easements.

Commissioners unanimously approved the zoning change. Two other zoning changes were unanimously approved. One was for a five acre tract on Butler Road, Avon Park, which was changed from agricultural to mobile home subdivision.

Second was a change from agricultural to industrial use on U.S. 27, approximately 15 miles south of SR 70 near Lake Placid. Plans call for construction of a storage building on the 10-acre site.

Commissioners asked Robert P. Dunty Jr., county attorney, to prepare legislation regulating the number of yard sales people can hold.

Mrs. Doris Addison, owner of the Bargain House in Lake Placid, told commissioners something should be done to regulate the number of yard sales people can have a year.

She said some families hold sales several times a year.

Commissioner Robert Skipper said he had a proposed regulation drawn up a few years ago, but it was voted down.

The board approved an agreement with the Southern Coast Line Railroad and Florida Department of Transportation for a crossing signal to be installed on Lake Dunes Road. The county has agreed to pay for maintenance expenses of the light, while the other parties are to pay for installation.

A number of building fees for the proposed Highway Park Volunteer Fire Department building to be constructed on a portion of the Carver School property and use of the property for the fire house were unanimously approved.

Also approved was installation of a new catch basin and drain line on Hiawatha Ave., Sebring, to relieve a water backup problem in the area.

There will be no meeting of the board on Dec. 27 due to the Christmas holiday. The next regular meeting is scheduled for Jan. 3.

Every week day, starting as early as 9:30 a.m., a group of elderly residents from the Avon Park area begin to gather at the City Recreation Building, once known as the Old Army. They come to visit with each other, for entertainment, and to benefit from the balanced home cooked meals served under the Congregate Meals Program. This is one of three sites operated by the Highlands County Nutrition Program, which in turn is operated under Services Over Sixty, Inc. (S.O.S.) and HOPE of Highlands County.

Mrs. Edna Leighton, Avon Park Site Manager, volunteered that the service is so popular that customers are outrunning facilities. She has had to ask her guests to make reservations in advance.

She says that it takes many big hearted people to keep a program like this going. Her

friends come not only for food but for the programs, fellowship and entertainment. Programs vary but movies have been shown on Mondays. On Tuesdays, Mrs. Frances Collins of Highlands General Hospital measures blood pressures and socializes with the guests.

On Wednesdays Walter Johnson, a retired psychiatric worker, comes to informally discuss problems with anyone who cares to share theirs. According to Mrs. Leighton, he also plays an inspirational clarinet.

On Thursdays Mrs. Jan Felthous of South Florida College shares nutritional know-how in a formal presentation. Then she joins with Mrs. Eleanor Havens in conducting a sewing and art and crafts class.

All places are filled on Fridays with "BINGO" ruling the day. Mrs. Leighton wanted especially to list donors and supporters of bingo: Herman Wurster who calls and also donates prizes; Mrs. Theresa Graff, prizes; Mrs. Donna Allen, cash; Mr. and Mrs. Bernard Krasner, canned foods; Mr. and Mrs. Jerry Carter, food; Betty and Jack Lucas, prizes; and Mrs. Clayton Enger, fresh fruit.

Mrs. Leighton said that payment for meals is welcome but all are served, regardless of ability to pay. A plain small envelope is placed at each service. The guests seal the envelopes and deposits them in a slotted receptacle as they go for food. One cannot tell an empty envelope from those with contributions in them. The disabled vary from about six to ten in number. These people are served in place by Project Aides.

Guests from Jacksonville, Haines City and Wauchula have attended and contributed. Volunteer drivers pick up those who do not have transportation and then escort them home again. Volunteers are vital. Jake Yokum drives and stays to help serve. Mrs. Cecile Hannan helps serve. Mrs. Clarice Delaney does anything that needs doing. Mrs. Mary Finlayson also drives and helps

serve. The local Social Security office, recognizing that problems might exist, sent Stacy Thompson to explain changes and answer questions. Mrs. Leighton further noted

that County Welfare and Health officials all have contributed interest and support. The City of Avon Park makes the kitchen and dining space available. Now, quoting the energetic

and fetching Mrs. Leighton, "I have had a few jobs but never have I had such a rewarding one as I now have. . . and the love that surrounds us all at the center really makes each day a memorable one".

Red Devils Cagers 2-1 For Season

DURING A TIME-OUT at the Sarasota Booker-Avon Park basketball game last Saturday night, the Avon Park cheerleaders formed this pyramid for the home Booker fans. Sunphoto by Tom Fleming.

Coch Tom Lund's Red Devil varsity basketball team racked up its second win of the young season last Saturday night in Sarasota with a 77-70 victory over Booker High. The Devils had lost to Arcadia Tuesday of last week by a score of 64-58 after beating Scribner in the season opener. All three pre-holiday games were on the road.

The Avon Park cagers will open the 1978 portion of the schedule here at the high school gym on Jan. 3 against the Mulberry Panthers. The floor of the Avon Park gym is being refinished during the holidays so the Red Devils will be practicing little before the new year.

In Arcadia last week, the Avon Park varsity played an uninspired first half due to nervousness. However, the Red Devils decided to play ball in the second half. Although they were down by 17 points early in the third period, the Devils went into a half court pressing trap defense and were successful in numerous steals and converted them into lay-ups.

With this type of defense throughout the second half, the Avon Park players were able to cut the Bulldog's lead to two points with approximately two minutes left to play. It was at this point that the officials allowed what appeared to be an offensive foul on a lay-up by the Bulldogs, and this seemed to break down the Devil's drive.

Avon Park was led by Larry Pough's 23 second half points and the fine work on the boards by Larry, Charlie Pough, and Freddie Williams. They had 15, 5, and 9 rebounds respectively against a much taller Arcadia squad.

The scoring for Avon Park had Larry Pough with 25, Freddie Williams with 17, Mike Coleman with 6, Horace Moore and David Williams with 4 each, and Charlie Pough with 2 counters. Paul Jones led DeSoto High with 27 points. The Devils hit 6 of 13 free shots while Arcadia made 16 of 21 from the line.

Avon Park vs Sarasota
Last Saturday night in Sarasota, the Red Devils tangled with the high regarded Sarasota Booker team. Although only a 1-A school, Booker's team is thought by many to be the best team in the state in its class.

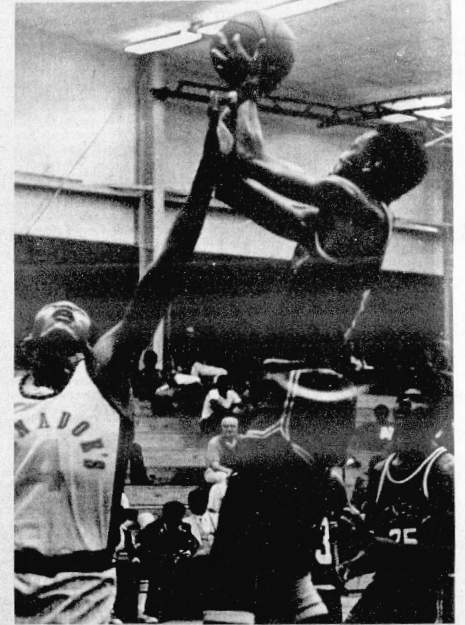

Booker's 6'4" All-State player, William McKnight, was not able to play but about three minutes against the Devils due to back pains. However, even without McKnight, the Tornados are a formidable opponent. The night before they played the Devils, they played 4-A Ft. Myers High School and lost by only 4 points, again without McKnight. The Tornados also have another all-state performer in Sam Shields who scored 29 points against the Devils.

The Avon Park five jumped off to an early ten point lead with a pressing defense. They maintained this lead throughout the first half while having to fight off an aggressive man-to-man defense by Booker. The officials called 14 fouls against Booker in the first half, and the Devils were hot at the free throw line, converting 19 out of 23.

In the second half, the home court advantage began to show, and late in the game, the Tornados cut the lead to two points. At this point Larry Pough blocked two consecutive shots, and the Devils pumped in several lay-ups for the seven point victory. The Avon Park scoring was very even with five Devils hitting ten or more points.

After three tough road games, the Devils go into the much deserved Christmas break with a 2-1 record. The first game of the season for the boys basketball teams will be Tuesday night, Jan. 3, here against the Mulberry Panthers.

Make plans now to come out and see the Devils play their exciting brand of basketball. Junior varsity games begin at 6:30 p.m., with the varsity starting around 8 p.m.

Jayvees Take Sarasota But Lose To Arcadia

The jayvee Red Devil basketball team defeated Sarasota Booker 66-34 last Saturday night after losing to the Arcadia "B" team the previous Tuesday night 59-56 to close out the pre-holiday portion of the schedule with a 2-1 record with three away games.

The Devil jayvees will resume play on Tuesday, Jan. 3, here at the high school gym against the Mulberry Panther junior varsity starting at 6:30 p.m. The following Friday, Jan. 6, the Devil "Bees" will go to Lakeland to tangle with the Santa Fe "B" squad.

In Arcadia Tuesday night a week ago, the Avon Park jayvees ran into a former teammate, Donald Cook, who pumped in 26 points for the DeSoto High junior varsity. Bulldogs to lead his team to 59-56 victory. Avon Park trailed most of the game as Arcadia had a 16-14 lead after one quarter of play, led 28-26 at halftime and had a 47-41 advantage after three quarters of play. The Devil jayvees outscored Arcadia in the final period 15-12 but came up short in the final 39-56 score.

Avon Park's junior center, Pernel Gibbs, led the Red Devil scoring effort

with 19 points on 8 field goals and 3 of 5 free shots. Forward Charlton Weathers hit for 13 points, Alvin Comer scored 8, Kevin Caldwell hit for 6, David Sisemore also scored 6, Gerald Jones had 4, and Chris Collins added 2 points to the Avon Park total.

Avon Park vs Sarasota
Last Saturday night at Sarasota, the Devil "Bees" outclassed the Booker junior varsity for a 66-34 win as three Red Devils scored in a double column. Charlton Weathers with 16, Alvin Comer with 14, and David Sisemore with 11 points each led the Avon Park team to the victory. Pernel Gibbs pumped in 9 points, Gerald Jones had 7, Chris Collins and Thomas McAfee scored 4 each, and Kevin Caldwell put 1 point through the hoops. Also seeing action for Avon Park were Jeff Caldwell, Dwayne Council, and Ricky Jackson as Coach Don Sisemore used his entire team during the game.

Avon Park led all the way. After one quarter it was 15-8. At halftime it was 23-15. After three periods it was 45-24. The Devil jayvees scored 21 in the final period to take the 66-34 win. The Devils had 14 of 25 free shots. Booker hit 4 of 5 from the line.

Winners To Receive Trophies

The Avon Park Recreation Department Racquetball Ladder Tournament ended last Thursday, Dec. 15. The top two finishers in each of the divisions received a trophy for their efforts in that month challenge tournament.

There were 23 men and women involved in the 5 divisions. The men had a singles and doubles divisions, while the women had a double and two singles divisions, "A" and "B". The teams that held the top two spots the longest received awards. They were as follows:
Men's singles: 1st - Curt Hardin; 2nd - Dennis Guenther.
Men's doubles: 1st - Curt Hardin - Frank Godwin; 2nd - Henry Wood - Rudi Marquez.

Women's singles "A" 1st-Betty Amburn; 2nd-Judy Lewis.
Women's singles "B" 1st-Coye Brenner; 2nd - Patti Kelley.
Women's doubles-1st-Betty Amburn-Pat Wood; 2nd-Judy Lewis-Peggy Sisemore.

Flag Football Games Played Despite Rains

The Avon Park Recreation Department Flag football league played a full slate of games last week, even though it rained throughout the entire game Thursday. The Blue "Bombers" and Green "Machine" were the two victorious teams. Both games ended in a tie and had to be decided by first downs in the one on Tuesday and by a triple overtime playoff in the Thursday game.

Tuesday's game had the Blue matched up against the Green. Both teams scored 6 points, but the Blue had 1 first downs to Green's 1, so Blue won that one.

On Thursday, it was Green again

playing; this time against the Red "Raiders". The Red scored first in the first half, but the Green came back in the second half to match the Red's six points. Then time ran out, with the two teams tied in score and in first downs.

Each team then had 8 downs (alternating after four downs) to try to score or record a first down. Two complete 8-down series playoff were played with both teams still tied by recording one first down each.

In the third series the Green finally scored and the Red was unable to move the ball into the end zone in their final downs. Daryl Williams hauled in a long pass to score the Green in that victory.

Striders Take Part In Tangerine Races

Runners from the Central Florida Striders Club participated in the Tangerine Bowl Road Races held in Orlando last Saturday, Dec. 17. Pep Hutchinson of Avon Park won a trophy for a third place finish in his age group in the 2-mile run as he finished in 24th place over-all in the short race.

Red Devil track coach Chet Brojek led the other C. F. S. runners in the 13.1 mile marathon race as he came in 58th in a field of over 700 runners with a time of 1 hour, 19 minutes and 57 seconds. Brojek finished seventh in his age division with his personal best time for the mile-race. Also running from the Central Florida Striders Club were Dexter Ostling who finished 102nd with a time of 1:24:20, Alan Portis who came in 130th with a

time of 1:25:52. Coach Joe Baker who finished 32nd with a time of 1 hour, 31 minutes, and Bill Porter who came in 261st.

Chet Brojek was pleased with the showing of members of the local group. He commented that Marty Liquori was an entry in the mini-marathon but dropped out after five miles.

The newly re-named Central Florida Striders Club (formerly the Highlands Runners Club) will sponsor a 5.2 mile run starting at the Avon Park High School parking lot on Jan. 8 for members and other interested runners. There will also be a one mile run for fun for new members of the club. Anyone wishing information should contact Chet Brojek.

Range Holiday Hunting

The Avon Park Bombing Range will be open for hunting on the weekend of December 24, 25 and 26 to hunters possessing State Wildlife Management Area Permits.

The Florida Game and Fresh Water Fish Commission will have personnel on duty at the Main Gate and Frostproof Gate Check Stations between 5 a.m. and 9

p.m. Saturday and Sunday, December 24 and 25.

The Check Stations will be open between 5 a.m. and 8 p.m. Monday, December 26. All hunters are to be off the range by 8 p.m. Monday, December 26. Confirmation of the above dates and times can be obtained by calling 813-432-4223.

Recreation Report

In the Avon Park Recreation Department's report for the period from Nov. 14-Dec. 12, 1977, it was requested by Dennis Guenther, Recreation Director, that the City pay its assistant supervisor more money. Guenther stated in his report that the city has hired three college graduates for this position in the last two years and all have left for a better paying position.

The latest center supervisor Paul Wilson, has moved to Miami, because of the low pay at the Avon Park position. To replace Wilson the city has hired Wayne Wilens. Wilens has a Masters degree in Physical Education and is more than qualified for the duties required of him. The current rate of pay for the assistant supervisor is \$3,62 per hour, which amounts to approximately \$7500 per year.

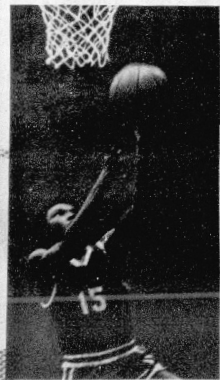

Guenther has requested that the city ask the Civil Service Board to study the prospects of upgrading this position's pay scale to \$3.80 per hour which would amount to approximately \$7700 per year. Guenther says that even this pay increase would be still too low, but would

be a step to provide some incentive for staying and working for the Recreation Department.

In the remaining portion of the report, this month's attendance figures were submitted. For the entire month-long period, 1469 people used the Recreation Center. The various activities taking place were, Karate, flag-football, window painting contests, adult bingo, volleyball tournaments, and a ping pong tournament for kids, 9-12. A total of \$181.00 was recorded in receipts, which includes rental of rooms, coin machine, and fees of programs.

A minor incident was reported during Guenther's short vacation during the past month. A few kids tried to get into the Recreation Center early one morning to play basketball on the courts. New locks were placed on the front doors to assure that it wouldn't happen again.

Monies allocated to the Recreation Department must be spent by Jan. 1, 1978, so supplies for the work on the racquetball courts and the weight room will be purchased sometime this week.

Night Tennis Classes At SFJC

Two night tennis classes are scheduled to be taught at South Florida Junior College during the spring semester. The tennis class will meet on Thursday evenings from 6 to 7:50. This class is for the novice and those who want to improve their game. The basic fundamentals, rules, strategy and etiquette of the game will be taught. Advanced tennis will meet on Thursday evenings from 8 to 9:30. This class is designed to improve the students' game by developing the offensive and defensive techniques of the game and refining their skills. A person must have successfully completed the tennis class in order to enroll in the advanced tennis class. The first class meets on Jan. 5. Both tennis classes are co-educational and may be taken for one hour of college credit or for audit. Anyone planning to enroll must register at the college during the spring registration period Jan. 3-9. Further information may be obtained from the Admissions Office at South Florida Junior College or by calling 433-6661, extension 135, in Avon Park.

SFJC Offers Conditioning class

Two basic conditioning classes will be offered by South Florida Junior College on Monday nights during the spring semester. The objectives of this general interest physical education course are the attainment of a high degree of physical fitness and the improvement of the cardio-vascular and respiratory systems. Persons completing the basic conditioning course will not only feel better physically but will look better. The class may be taken for one hour of college credit or for audit.

One basic conditioning class will meet from 6:45 to 7:30 p.m., and the other from 7:30 to 8:15 p.m., beginning Jan. 9. Classes are co-educational.

Further information may be obtained from the admissions office at SFJC or by calling 433-6661, extension 135, in Avon Park.

Weather
Hampers Shufflers
The weather did not cooperate with the Winter Guest Club shufflers during the past week. On Wednesday Dec. 14 the A's were rained out and again on Saturday, Dec. 17, the B's had the same experience with the weather.

However, on Wednesday, Dec. 14 the B division had 12½ courts of players with George Tassot and Earle Alger being the winners in the main Main play and Hazel Brevoort and Ernie Paul coming in second.

In the consolation play Dorothy Barnett and Harris Steward were the winners and Jerry Nadsady and Dudley Bacon captured second place.

On Saturday, Dec. 17 the A's had nine courts in participation. In the Main division, the winners were Geraldine Long and Howard Long in first place and Kellie Larrow and Louise Bell in second place.

In the consolation play John Lassie and Twylla Wester came in second to Charles Bidstrup and Jake Turfner in first place.

Devils Ch-a-a-t-t-e-e-r-r

By JOEL WRIGHT

One of the most important aspects of a high school education is getting a proper math background. Dwayne Lemer, math department head for the past three years, is one of the teachers involved in making sure that the students receive this background.

"Most college majors require certain mathematics credits," he said. "So it is important to get at least three years during high school."

Mr. Lemer teaches Algebra I, geometry, advanced math, and general math. Aside from teaching these courses, he is also the sponsor of the Fellowship of Christian Athletes.

The job as the head of the math department is to coordinate and provide the leadership needed if a math related problem arises.

The students are offered a two-track system at Avon Park High School meaning most of the math courses are split. For example there is algebra I and algebra II. If a student is just coming out of pre-algebra, he would most likely take algebra I. The courses offered are general math I and II, algebra I and II, pre-algebra, geometry, and Advanced Math.

"General math is for the student who didn't seem to catch the basics in middle school," Lemer commented. "This course helps the student to catch up with others as far as basics are concerned. Algebra deals with variables

while solving equations in polynomials. Geometry teaches a student to logically solve a math problem using the best procedure."

The math courses are not expected to vary in the future because the teachers in the math department feel that the courses offered would fulfill all of the students' mathematical needs whether they are college bound or not. Lemer suggested Algebra I and II and Geometry as good college preparatory selections.

Maintaining an above average grade in these courses will give a student a good shot at keeping good math grades in college.

Middle School Basketball Schedule

The Avon Park Middle School girls and boys basketball teams will open the 1978 cage season at the Middle School gym on Thursday, Jan. 5, at 1:30 p.m. against Lake Placid. The six games on the schedule will all be double-headers with a girls game and a boys game.

The remainder of the schedule has Avon Park at Wauchoula on Jan. 16, Avon Park at Lake Placid on Jan. 19, Wauchoula at Avon on Jan. 23, and Sebring here at Avon Park on Feb. 1. All games are scheduled to start at 1:30 p.m.

Senior Of Week

This week's feature senior Stephanie Harden spent her freshman year in Macon, Ga., her sophomore year in Augusta, Ga., and is now spending her remaining two years here at Avon Park High.

She was born in Augusta, Ga., and is the daughter of Chaplin and Mrs. Felton Harden. After graduation Stephanie plans to attend South Florida Junior College and then go to Florida State University to major in commercial arts. Stephanie, a member of the annual staff, has enjoyed her past two years at Avon Park High mainly because the student body is friendly. "It's easy to make good friends," she says. "It's also nice not to get lost in the crowd."

SCOUTMASTER AND SCOUTS of Troop 156 presented a slide program of the last National Jamboree to the Avon Park Rotary Club last Wednesday. From the left (front): Mike Brantley and Jeff Henly; rear, March and Larry Hooper.

MARK GARNER, ENTERTAINED the Avon Park Rotary Club last Wednesday noon with a medley of Christmas songs.

Rotary Hears Christmas Songs

Program Chairman, Joe Johnston, provided a two-part program, beginning with a medley of songs by Mark Garner a local youngster, who entertained the club with his collection of Christmas songs, including Rudolph the Rednose Reindeer, Jingle Bells, Frostie the Snowman, I Am a Promise and It's a Miracle.

The second part of the program was presented by Larry Hooper, Scoutmaster of Troop 156. Larry introduced Mike Brantley, Jeff Henly and March Hooper, who are members of his troop. They presented a slide presentation that he prepared while attending the last National Jamboree. Larry discussed the projects and accomplishments associated with scouting and thanked the Rotary Club of Avon Park for the support that it has provided to the local troop over the past years.

Thursday, Dec. 15, saw 55 members in attendance. One table was still working on Macrame Owls. This project will continue for several weeks.

Angels and Pixies are still being produced but will decline when the Christmas holidays have passed. The project of beautiful ornaments made from egg cartons will continue for another week.

Fine needles continue to be a popular project. Some lovely articles made from pine needles will soon be gracing the members' homes. Mr. Floyd Waters was busy helping members in choosing colors for some beautiful ceramics projects.

Bargello and Quilling will be introduced after Christmas. Quilling is a decoration made with rolled paper. Merry Christmas to all!

POTLUCK SUPPER

On Saturday evening there were 77 members and friends for a delicious covered dish dinner. There were eleven visitors and two new members

present. A short program of Christmas carols was enjoyed. The next dinner will be held on Sat. Dec. 24 at 5:30 P.M. in cooperation with the annual Christmas dinner. This will be held for only those who have made reservations by signing up.

CHRISTMAS PARTY

On Thursday night the annual Christmas party was held in the clubroom. There were 100 plus members present. This event was held in connection with the Cheer project and everyone brought food articles which will be distributed to needy families prior to Christmas Day.

Mayor Marshall Davis was present and spoke in behalf of the project as well as giving words of welcome to all Winter Guest members.

Lloyd Wyant was in charge of the program and introduced the following program. A vocal solo by Grace Staley accompanied by Eula Gunning at the piano. Mrs. Bernice Wilder gave a number of humorous readings and a poem in keeping with Christmas.

The men's singing group popular known as the Shufflaire presented several numbers including Christmas carols. The group was under the direction of Lloyd Wyant and Ronald Williams and the accompaniment was by Eula Gunning.

Oh yes, Santa came and added to the fun and joy of the evening. It was a happy time for all.

Help Or Hoax

By Mitch Banks

The Christmas season is upon us. It is again that time of year when brotherly love prevails and an irresistible urge to help those less fortunate prevails, so, when we hear of a drive to gather empty cigarette packages that a child can receive free time on a kidney dialysis machine, there is nothing else to do but pitch in and help.

Motivated by an urge to do more, we start checking into the movement, which seems to be centered at the United Telephone office in Avon Park. We call the office and find that they have two collection boxes, but that no one knows who placed them or what happens to the empty cigarette packages after they are collected.

They have heard though, that a child in need of the kidney machine was in the Okeechobee General Hospital and that he was from Lake Placid.

A call to the Okeechobee General Hospital and discussion with John Burdshaw quickly dampens our spirits when he tells us that there is no child in need of the machine in the hospital nor does Okeechobee General have the facilities to administer to him, should the child have been there. Burdshaw then suggested we try the Winter Haven General Hospital.

A call to Ralph Holthous, assistant director of Lakeland General Hospital and we find that they have no patient requiring a kidney machine at that time and if one did, they contracted the use of the equipment from a local firm Kidney Care of Florida, Inc. We talked with Bruce McKinney of Kidney Care of Florida, Inc. and discovered they know nothing of our "patient." However, McKinney checked with the National Kidney Foundation

and they knew nothing of either patient or the empty cigarette package collection drive.

McKinney went on to state that in the past there have been drives to collect cigarette packages, bottle caps and the pullings from easy open cans but that he knew of no one redeeming these items.

We, then wondering if we had been victims of a hoax, returned our efforts to Avon Park. Looking over our notes, we remembered the 40 and 8 of Sebring was involved with the plan to furnish Highlands General Hospital with a Kidney Dialysis machine.

A call to one of the members, Jim Norris, and we find that he has heard of the drive through his daughter, Mrs. Betty Mansfield at the South Ridge Abstract Company. Mrs. Mansfield was told by Mrs. Joe Perez, an accountant in Avon Park who was told by her daughter, Mrs. George Parnell, an operator at the United Telephone office.

We are back where we started, at the United Telephone, but now we have an opening. Mrs. Parnell told us that a fellow operator, Mrs. Judy Coulliette had placed the collection boxes in the area. We cannot reach Mrs. Coulliette, but do talk to her husband, Jerry, also employed at United Telephone. The Coulliettes heard of the drive from their school bus driver Mrs. Mary Ann Waldron and decided to help.

Waldron when contacted said that she had heard of the drive from Robert Newbolt of Lake Placid. We called Newbolt and he said that a neighbor, the grandfather of the child needing the machine, had discussed the drive with him. It seems that his grandson had become ill and his schoolmates in Tampa had started the drive. It never came to pass because the child was admitted to the Shriners Hospital in North Carolina before it was over.

Newbolt, our last link, decided not to give us the name of the grandfather, as he had been through enough.

We agreed, however, the question remains unanswered. The medical facilities in our general area and the National Kidney Foundation state there is no basis for this drive, yet one did exist.

Helping hand or hoax. As I crumple an empty cigarette package, do I put it in the rubbish or my pocket?

THE SHUFFLAIRES, MEMBERS of the Winter Guest Club, sing for the joy of singing, not only for the Club's Christmas party but also for the shut-ins at the Hillcrest Nursing Home, during the past week. Literacy And Skills Test

A copy of the test will be placed in the student's file, one copy will be sent to the parents via the student and one copy will be cut with the math and English teachers receiving respective parts, to correct minor deficiencies.

The teachers are keenly interested in the test results, Watson said, they want to see the printouts, overall and the students. They have a positive attitude, wanting to know, "What can we do about the testing results as opposed to making excuses."

Both Watson and Knecht expected that some parents would be disappointed with their children's test scores. However, they felt that parents could be a great help to the students at home with questions on general knowledge.

Watson pointed out that parents can bring the test reports to the Lay Advisory Committee meeting at the high school Monday night. Or the parents can come

to the high school at any other time to talk with the math or English teachers, guidance counselors or request a home visitation. It was pointed out that materials could be supplied for use at home.

Joining in the discussion, Dr. Dan Davis, Superintendent of Schools of Highlands County, commented that in the past reading had been emphasized. With 90 percent, county wide, passing the communications part of the test it was felt that a good job had been done in the reading area. However, there was a small percentage of students that may never pass the literacy tests.

On the math program, some have felt that it has slipped, Dr. Davis continued and will need more attention. If we can pull it up to 91 percent we will feel we're doing a bang-up job.

With \$57,000 allotted to Highlands County by the state legislature, (last week's Sun listed a much larger figure),

what will be done in the way of remedial help for those students who did not pass all of the tests? Tentatively some of the minor deficiencies can be taken care of in the classroom, stated Watson. It is anticipated that there will be a summer program in each school area. The sessions will last two to three hours daily and students can give the subjects their full attention as there will be no conflict from other classes. Also on a tentative basis the school will continue to use the same text and materials. It is anticipated that proficiency tests will be given in the areas that the students missed.

When asked why so many students had failed parts of the tests, Dr. Davis stated that the blame should not be placed on any one particular group. Over the years, society has become more permissive in allowing students liberties in education. The time has come to tighten up and require more from students in order for them to graduate.

The three educators were in agreement that regardless of the criticism of the tests, it was a starting place, statewide, for students to work from.

of canabis, and three cases of aggravated assault. There were one charge of grand larceny, one arrest for contributing to the delinquency of a minor, and two cases of affray.

The total miles on all patrol cars equaled 21,643. The total number of complaints and services rendered was 149. The total cost for groceries was \$236.46, which includes 340 meals at approximately \$.84 per meal. The report was signed by Robert N. Brooks, Avon Park Police Chief.

FIRE DEPARTMENT REPORT

The Avon Park Fire Department's report for the month of Nov. 1977, included three construction fires, three grass or woods incidents, one false alarm, and no automobile fires, rescues, or mutual aides. Total alarms answered for the month of November were seven.

The total fire loss in Avon Park for this month was \$1,250. The total fire loss to-date was reported as \$1,500 by H. M. Flowers, Avon Park Fire Chief.

Police Department Report

This past month's Avon Park Police Department report, dated Dec. 1, 1977, included 92 traffic tickets, 18 misdemeanor and felony charges. There were 11 D. W. I. arrests, 18 unlawful speed tickets, three charges of driving the wrong way, eight no valid driving license incidents, three careless driving arrests, and six motorists were caught running stop signs.

There were 12 tickets given for no valid inspection certificate, nine tickets for no tag, 10 violation of right of way charges, one reckless driving incident, two drivers ran a red light, three charges of allowing an unauthorized person to drive, four improper backing charges, one leaving the scene of an accident, two charges of improper equipment, and one case of dumping trash on a highway right of way.

In the misdemeanor and felony charges, there was one arrest for attempting to burn, two resisting arrests charges, two carrying concealed weapon, one retail theft case, one arrest for battery, three charges of possession

Bonnie Brae Mobile Park

By Margie Wells
Bonnie Brae's Christmas Party at the Lions Club Hall on Thursday was one of the nicest we've ever had. Seventy-six residents were present. Argus Sheridan was the emcee. Chairman and Dorothy Hart was Chairman of the Decorating Committee. Everyone pitched in to help to make the party such a success. The hall was beautifully decorated along with all the tables with Christmas decorations and a Christmas tree.

Everyone filled their plates at the salad bar and this was followed with turkey and dressing, various vegetable dishes, and numerous desserts. Everyone enjoyed singing Christmas carols after eating and a "Yankee Swap" of Christmas gifts was held which was a lot of fun. Argus Sheridan was presented a "gold brick" in appreciation of his work. In the evening, everyone gathered in the rec hall for "left-overs." They all said they weren't hungry but the food certainly did disappear quickly.

Thanks to everyone who worked to make such a nice day for us! Also, thanks to Gert and Dan for the turkey.

A large crowd was present for coffee hour on Wednesday. Emily Webster and Jean McDougall was the hostesses. Rozzie Parkhurst gave a humorous reading and Argus Sheridan and Emily Webster told some humorous stories.

A "Get Well" card was

signed by Jerry Rosak and Happy Birthday was wished to Lorene Campbell and Anniversary wishes for Rozzie and Lester Parkhurst. Everyone was reminded to place their donations in the Christmas Cheer box before December 22nd.

Russel Osterhart was a Friday luncheon guest of Art and Lucille Smalley at the Ranch Buffet. Russel came to Florida via Air Ambulance which he had engaged to take his critically ill Mother back to Michigan. The plane left Michigan at 3 p.m. and arrived at the Bradenton-Sarasota Airport about 8 p.m., after a stop-over at Gainesville due to fog and for refueling.

After the pilot had a few hours rest, Mrs. Osterhart was carefully placed on the plane, accompanied by a registered nurse and her husband for the return trip. Russel remained to pack their belongings, with the help of neighbors, and then came to Avon Park to visit with the Smalleys before driving his Father's car back to Michigan. Russel and Art worked together in the same department in the Middleville High School for many years and were close friends and neighbors.

This was Russel's first trip to Florida and he was very impressed with the sight of fruit growing on the trees. His parents have been spending winters on Anna Maria Island for the past few years.

We are glad to report that

Dessie Jones and Jerry Rosak are home from the hospital. However, we are sorry to report that Daisy Brown is in the hospital at the present time. We all hope that everyone will be better and will be able to be home for Christmas.

Verda Miller recently attended graduation ceremonies at Orlando Naval Training Center. Her cousin, Steven Miller of Fayette, Iowa, was a member of the graduating class. Melvin and Elaine Thomas Large, Florida, visited with Dorothy Carroll last week. They all had a pleasant afternoon on Friday at Lake Buena Vista Village.

The Saturday Night Pinchle Group met at the home of Thelma Miller this past week. Those attending were Helen Dyce, Ethel and Max Dean, and Miriam and Alton Petreys from Holiday Ranch Park. Next week, they will meet at the Putmans. Incidentally, the Putmans just returned home after an enjoyable trip to Hawaii.

Among the visitors in our park for the Christmas holidays will be Lorraine Robertson's daughter, son-in-law and grandson, Jeanne and Roger Darval and Chris, from Roanoke, Virginia. Their visit will extend from December 18th until the 28th.

A two-day visit to Miami was enjoyed by Verda Miller who accompanied her cousins, Mr. and Mrs. Howard Cerrig, on their trip there. While they were in Miami they visited several orchid nurseries and other attractions. Margie and P. D. Wells spent last week-end in Orlando visiting with Mrs. Bobbi Wells. On Saturday they went shopping in the Altamonte Shopping Center and Lake Buena Vista Village. On Sunday, they visited Disney World where they were able to see almost all of the attractions because of the small crowd and witnessed the Christmas Parade there.

Don't forget to place the luminaries in front of and around your homes on Christmas Eve. There will be caroling in the park, followed by a Christmas party in the rec hall.

At this time, we would like to wish everyone a Happy Holiday Season with much good health and happiness during the year 1978.

Avon Park Man Charged

An Avon Park man was charged with violation of right of way Dec. 15 after he was involved in a two-car accident that caused \$650 in damage. Florida Highway Patrol reports say Jerrell Sawyer of Avon Park was westbound on SR 64 when he attempted to make a left turn. In doing so, he failed to see a westbound car driven by Marilyn Durrance of Wauchula and was struck by the Durrance vehicle.

Trooper Morris J. Dunn investigated.

TIRESSHOT
Douglas A. Phillips, 1901 Highway 64 West, Avon Park, told Highlands County sheriff's deputies that tires on his truck were shot while the vehicle was parked along Highway 64 East near a grocery store. Damage was set at \$250 and investigation continues.

JEWELRY STOLEN IN AP BREAK-IN
Highlands County sheriff's deputies are investigating the theft of \$500 worth of jewelry and wallets from Park Travel & Gift Shop on U. S. 27 south of Avon Park.

Entry was made by breaking a bathroom window. The cash register drawer was found on the floor, but no money was reported taken.

Teenager Directed To Work Police Department

A teenager assigned to work for Avon Park Police Department will hardly get rich on his labors. The youth, who appeared in Highlands County Juvenile Court to answer charges that he violated probation and that he possessed a controlled substance, was directed to work for the police for 40 hours at the rate of 5 cents per hour.

The youth who was adjudicated delinquent, is continued on probation. In the only other case heard by juvenile court Judge Clifton M. Kelly on Dec. 13, a mother was given custody of her children, the father ordered to pay \$75 per month toward the support. The children were declared legally dependent children and supervision of the family assigned to caseworkers in Hardee County.

Pauline Creates Her Own Christmas

Mr. and Mrs. Santa Claus, all dressed up for Christmas. Santa, with a sack of toys on his back, is ready for his annual ride.

Pauline Tondée has lived in the Avon Park area for 32 years. She is a very active and talented lady who is involved with church activities and the Pink Lady's.

Pauline began making and sewing handicraft items many years ago. She said that she had always liked to sew. "I enjoy taking nothing, and making something," she stated.

Not only does Pauline make Christmas decorations, but she is busy throughout the year, making handicraft items. Her homemade quilts, skirts, and jackets, which she makes from different scraps of material are beautiful.

In making Mr. and Mrs. Santa Claus she starts with detergent bottles. For Mr. Claus, the bottle has to be cut to form the legs, which are then taped and filled with sand and gravel for weight and stability. She purchased the face and beard at a local department store. For the shoes she uses felt. These dolls sell for \$20 a pair.

Her Christmas tree is decorated with small Christmas balls and top with an angel.

She made this Christmas tree from styrofoam meat trays and then cut them into 3-4-5-6 inch circles and then cut the circles eight different ways to produce the branched effect. Mrs. Tondée said, "I will have to show you how to make this one, as directions could be confusing, and the tree, not come out correctly."

Pauline commented that work for her is helping other people. She makes most of Christmas gifts, and "a lot of love goes into each one," she stated.

Her motto is "others", that is one reason she is so dedicated to her work as Director of Pink Lady's at Walker Memorial Hospital.

Mrs. Tondée is the wife of Virgil Tondée, Sr., and they have two children, Virgil, Jr., Avon Park; and Florence Woodyard, of Sarasota.

Consumers

Ms. Kathy Leffew, Consumer Services Coordinator, Department of Agriculture and Consumer Services, Division of Consumer Services, Mayo Building, Tallahassee, Florida 32304.

If you have any questions, please write to the above address.

QUESTION:
My daughter has just enrolled at a Florida university several hundred miles from our home. It's her first experience living on her own and I'd like to help without being too "over-protective." Any ideas?

ANSWER:
"The Student Survival Manual" is just what your daughter needs. Recently published by the Florida Department of Agriculture and Consumer Services and the Florida Department of Education, the manual is designed for the college student living away from home for the first time.

It discusses almost everything the student needs to know. Like how to open a checking account; the advantages of dormitory life versus apartment life; how to deal with a door-to-door salesman; an explanation of a lease; information on how to sue for small claims in county court; automobile repair tips; and even instructions on how to read an electric meter!

There's much, much more in this handy brochure. And it would seem to be perfect for your first-time-away daughter. Why don't you write or call

today and have "The Student Survival Manual" sent directly to her? Just call the Division of Consumer Services toll-free "hot line" number, 1-800-343-2176, or request in writing, "The Student Survival Manual", Division of Consumer Services, 110 Mayo Building, Tallahassee, Florida 32304.

QUESTION:
When it comes to cosmetics, I'm confused. The price range varies so on products that seem to have the same ingredients. What's up?

ANSWER:
You must be a careful shopper to notice cosmetic products that differ extremely in price often contain the same ingredients! By reading the labels, you can see two face creams contain the same ingredients. But one will cost a great deal more than the other. Why? Well, you're paying for the expensive package, the pretty jar, the sweet fragrance or an expensive advertising campaign. If you want to save money, learn to read labels for content. The Food and Drug Administration requires cosmetic labels list the ingredients. So read . . . and save!

(Note: The F.D.A. recently ruled that effective October 17, 1977, cosmetics sold through the mail no longer require content listing on the label. Instead, ingredients may be listed in the catalogue description or on a separate paper sent with the product.)

Mr. Snowman's body is made from a detergent bottle, and his clothing is made from cotton batting. Pauline decorated him with Rick-Rack and Holly.

Cooking Corner

Cranberry Almond Apple Pie

It's fresh cranberry time and those plump, ruby hued, native American berries are in markets now and raring to be scooped up and cooked. These crimson berries of the bogs can be used in so many ways, in soups and steers, relishes and sauces, breads, buns and pies.

With fresh cranberries at their peak of color and flavor, it's a fine idea to buy a good quantity now and freeze what you don't use for later. To freeze, simply pop the unopened containers into the freezer. When ready to use frozen cranberries, just follow the directions for any fresh cranberry recipe. Here's a splendid one for a delicious pie which is as pleasing to the taste buds as to the eye. It will make a perfectly marvelous finale to a family dinner or a festive company occasion.

CRANBERRY ALMOND APPLE PIE

(Makes one 9-inch pie)

- | | |
|--------------------------------|-----------------------------------|
| 6 medium green cooking apples, | 1 unbaked 9-inch pie shell with |
| peeled, cored and sliced. | a high fluted edge. |
| 1 cup Ocean Spray fresh or | 1/2 cup firmly packed brown sugar |
| frozen-fresh cranberries | 1/2 cup flour |
| stirred and drained. | 3 tablespoons butter |
| 1/2 cup flour | or margarine |
| 3 tablespoons melted butter | 1/2 teaspoon cinnamon |
| or margarine | 1/2 cup chopped toasted almonds. |
| 1 cup sugar | Whipped cream for garnish. |
| 1/2 teaspoon nutmeg | Cranberries for garnish. |
| dash salt | |

Combine apples, cranberries, flour, butter, sugar, nutmeg and salt. Pour into pie shell. Combine remaining ingredients and mix until crumbly. Sprinkle crumbs over top of pie. Bake in a preheated moderate oven (350° F.) for 50 to 60 minutes, or until apples are tender. Cool thoroughly before cutting into wedges. Garnish pie with sweetened whipped cream and cranberries.

Grange To Protest Move To Band Religious Broadcasts

'Should we ban religious broadcasting', was a question presented for action at the

December meeting of Avon Park Grange. Brought to the attention of members was the fact that that Madelin O'Hare

is now trying to have all religious broadcasts removed from radio and TV.

This would deprive shut-ins hearing church services as well as many programs they and others benefit from. Grange members urge everyone to write a letter opposing such action.

Send letters to: Federal Communications Commission, 1919 "I" Street N. W., Washington D. C. 20536, and put on the envelope "Petition RM 2483." A million signed letters would defeat this bill.

The Grange voted to purchase a piece of equipment for the Retarded school. Dolls and toys were brought for Christmas Cheer in the City.

The Master Lloyd Wyant was elected delegate to the State Grange meeting to be held at Daytona Beach Jan. 4-7.

Highlights of the 111th annual session of the National Grange, held in Greensboro, N. C. were given by Mr. and Mrs. Leston Goodrich, who were among the 31 Florida members that received the 7th and highest degree of the order of the Master Lloyd Wyant was elected delegate to the State

Mr. and Mrs. Lloyd Wyant, who spent several days at the National session reported on talent and family musical programs. Mrs. Wyant told about awards presented in the sewing and needlework contests, also that Indian Mound Grange at Palm Bay, Ft. placed and in the National Grange Community Service contest. Wyant, for his

part on the program, played a recording he made of a piano trio by ladies of three generations.

Lecturer Keith Debo presented a Christmas program which included carol singing, a reading about how Silent Night was written and a reading, Christmas in Florida, by Esther Boyard.

For a garden tip, which will be a feature of each program, Debo explained a method for propagating poinsettias. He closing thought was: It's not what we give but what we share, for the gift without the giver is bare.

Refreshments were served by Esther Boyard and Audrey Near. The next regular meeting of Avon Park Grange will be January 10.

Night Criminal Justice Classes Offered At SFJC

Southlands Court News

By Frank White
Thursday, Dec. 8 women's shuffle, two courts, didn't produce any three game winners, as it so often does. Two sets of two game winners were Stella Mott and Bea White along with Alvin Trompkins and Martha Long. I figured it out, fellows. In order for this to occur there also has to be one

two-girl team that lost all three games. Keep trying, girls.
On Friday, Dec. 9 it rained all afternoon so the men had no shuffle contest.
A large sized project already completed proves that many hands make quick work. Friday while it rained, twelve women met and made Christmas place-mats for the

Recreation Hall tables.
Bingo, Friday Dec. 9 was well attended, with 27 present. Lucky Millie Joseph won the coverall.
The couple who was seen getting the, "Blue Plate Special" guided tour of the court, recently was Ralph and Margaret Dawe, here from Toronto to visit Dot and Jack

Lavery. Dot also thrilled them with visits to Cypress Gardens and Disney World.
Arent Flynn, who was receiving some treatments at an Orlando hospital for a week or so, returned home with his wife, Marjorie, on Friday, Dec. 9. She reports he is getting around indoors, but not ready to get outdoors yet.

This friend has assured Ray all will be taken care of in AAA fashion if Ray will just say what is to be done. So, he is saved an arduous trip to Pa., and return. A real Christmas gift.
Paul and Cecil Stone had visitors for a few days Jacob and Doris Hofer, from Fort Myers.

Lee Bauernfeind just put up a new flag pole in front of his new mobile home. This makes three of them along the longest street in the court. Good to see Old Glory displayed by so many.
Christmas dinner will occur on Christmas day at noon, but the Christmas party and also the carol singing will be held Dec. 23 rather than Dec. 24. This allows the entertainment committee to further decorate, rearrange things in the Hall, etc., on Dec. 24.

Weekly coffee hour on Dec. 13 was attended by twenty-five who didn't need any special program. The buzz of conversation could be heard outside, a goodly distance from the hall.
Craft class the same afternoon had twelve women attending. They all worked on felt pixies and owls.
At Game Night that same

evening there was a big improvement in attendance, which was twenty-two. Cribbage, euchre, five hundred and aggravation were the games, everyone at the game of his choice. There's room for more players even for other games.

It's Holiday Time

If plans call for a small but gala holiday party, "Iceberg Noel Salad" is an elegant yet simple first-course salad which can also fit into a buffet menu. This happy combination of flavors and textures brings together crisp, green chunks of western iceberg lettuce, bright orange slices, sweet onion rings, cubes of cream cheese and shiny ripe olives, tossed generously with a spicy, tart vinaigrette dressing.

Ideal as a do-ahead salad to allow you to enjoy the party along with your guests.

ICEBERG NOEL SALAD

- 1 medium-size head western iceberg lettuce
 - 2 medium California oranges
 - 1 small red onion, peeled and thinly sliced
 - 1 package (3 oz.) cream cheese
 - 1/2 teaspoon grated lemon peel
 - 2/3 cup canned, pitted California ripe olives
 - 1/4 cup corn oil
 - 4 teaspoons lemon juice
 - 3/4 teaspoon salt
 - 1/4 teaspoon sugar
 - 1/4 teaspoon basil, crumbled
- Cure, rinse and drain lettuce thoroughly; chill in disposable plastic bag or plastic crisper. At serving time, cut lettuce in bite-size chunks. Pare oranges, removing all of white portion; cut in halves lengthwise, and in thin crescent slices. Separate onion slices into rings. Cut cream cheese in small cubes. Combine oil, lemon juice, salt, sugar, basil and lemon peel, and shake together in small covered jar. Combine lettuce, oranges, onion, cheese and olives in large bowl; pour on dressing and toss lightly. Serve at once.

Makes 6 to 8 servings.

Sertoma Club Meets

The Highlands Sertoma Club met Dec. 14 for its weekly breakfast meeting at Sambo's Restaurant. Twenty-six members and guests were present.
Program Chairman Terry Wolfe presented Judge Clifton Kelly of the 10th Judicial Court as guest speaker. Judge Kelly spoke about his proposal to require public schools to teach criminal law in the early grades. His timely comments and his commitment to crime reduction were well received by the Sertomans.
Charter President Mac Byron announced the date for the Charter Banquet to be Jan. 11.

Teenagers Face Away From Home Christmas

More than a dozen teenagers in Highlands County are facing a meager away-from-home Christmas — unless the state's Children and Youth Services (CYS) staff finds holiday sponsors.

As of Tuesday (Dec. 13) CYS staff said sponsors had been found for 18 children (aged a few months to 18 years) who are officially dependent children, assigned to live in foster homes. However, another 18 dependent youths do not have sponsors.

Susie Buelow, the CYS staff member who is heading the Christmas gift drive, said most of the "unclaimed" 18 are teenagers. "The small children are claimed quickly," Mrs. Buelow says.

State funds provide essential care for the dependent children and foster families, to the best Academy

Academy

Nominating Schools Set

Major Carl P. Arant Jr., liaison officer, United States Air Force Academy, announces that the United States Service Academies are coordinating a program about the procedures of receiving a nomination to attend one of these outstanding schools.

Cadets and Midshipmen will be present to talk to interested persons in a group and individually; they will discuss life at the academies, the academics, the rewards and the career possibilities.
We are urging prospective candidates, school personnel, parents, other members of the families and dates to attend. We would be pleased if you could attend.

The meeting will be held Dec. 26 at 2 p.m. in the Lake Wales Senior High School, north of Lake Wales east off of U.S. 27, go east 0.5 of a mile and turn north.

Those who accepted invitations to be present are the military, naval, Air Force and Coast Guard academies. The itinerary will include a short presentation by each academy, a social break and finish with group discussion in designated areas by academy representatives.

of their ability, include foster children in the holiday gift-giving, Mrs. Buelow explains. However, it is often difficult for these families to stretch budgets to give presents to both their own and foster care children.

In an attempt to assure a Merry Christmas for all, CYS staff members try to find individuals and groups which will agree to buy presents or give money for the staff to buy presents for children who have been sent away from their own parents, into foster care homes.

Mrs. Buelow said many of the sponsors who "are" are again this year, sponsoring some children. However, more are needed and CYS always likes to have a little reserve on hand for those situations where, at the last minute, children are sent to foster homes.

To provide for the 18 already in care and the emergency cases, CYS is trying to find sponsors for a total of 85 or 27 more than now assigned.

Mrs. Buelow said persons who wish to buy gifts or wish to give money for this project should contact her at the CYS office at 108 North Ridgewood or call her at 382-2141.

HELPFUL Household Hints

If your dish towels are badly stained, you might be able to wipe away the problem by soaking them in the sink with suds and bleach. Not only will this whiten the towels, it will bleach the sink as well.

If something in your refrigerator has given it an odor you don't cotton to, and that remains after the food has been removed, put a little vanilla on a piece of cotton and place it on the refrigerator shelf.

If you want to be charged up for summer, it would be a good idea to check your batteries for cassingles, your car's battery-operated tools, calculators and so on. Now you can replace old batteries with new rechargeable AA, C, D and 9-volt size nickel cadmium batteries from General Electric and save the cost of new ones for years.

1. Card of Thanks

The family of Charlotte F. Cooper wishes to express their thanks to their many friends for their kind expressions of sympathy, the beautiful flowers, the contributions to the Charlotte Foundation, and the many lovely cards. Mrs. John Floyd C. Harlan Cooper.

Mrs. Mollie Waters, wife of the late L. R. Waters, wishes to express thanks to the many kind friends and family who helped me during the time of my husband's death. The flowers and cards were all greatly appreciated. The prayers and thoughtful deeds were a source of great comfort.

We wish to thank everyone, Dr. King, hospital staff and ministers for help, flowers, food and prayers for our family at the loss of our dear mother. Children of Della Draslow.

TO CHUCK KERR

You came into my life and promise me sunshine, roses, and shining knights. You taught me how to love, and how to believe in the flowers & the birds, and the rain. I felt the sorrow of being separated and the joys of holding you close. You gave me happiness, and taught me the meaning of forever. Now you leave me and you promise me Clouds, rain, and memories. You taught me to feel pain and how to believe in tears, heartaches, loveliness, and despair. I feel the consequences of being in love and the emptiness of being alone. You gave me loveliness, and showed me forever could end tomorrow. I love you more today, than yesterday. But less than tomorrow.

Love Forever, Your Wife Always, Sharon

TO CHUCK KERR

Oh God, why did I have to be all alone? Why can't you even call on the phone? You said you loved me oh so much. Now I long only for your touch. Did the love we always had, was always good - never bad. My heart aches for only you. Don't replace me with someone you never knew. We've been together almost twelve years. Don't leave me alone with my fears & my tears. Don't keep on running away. Come Home - God will lead the way. God let him feel in his heart, that we should never be apart. Please let him hurry up & say: Bobby, I'm coming home, I'm on my way. Please Dear God let him see; It's not you it's not me - but it's we.

Your son and Little Buddy Bobby

SANTA'S COMING...

'TWAS THE NIGHT BEFORE CHRISTMAS

'TWAS THE NIGHT BEFORE CHRISTMAS, when all through the house Not a creature was stirring, not even a mouse; The stockings were hung by the chimney with care In hopes, that ST. NICHOLAS soon would be there; The children were nestled all snug in their beds, While visions of sugar-plums danced through their heads; And Mamma in her 'kerchief, and I in my cap, Had just settled our brains for a long winter's nap— When out on the lawn there arose such a clatter, I sprang from my bed to see what was the matter; Away to the window I flew like a flash, Tore open the shutters and threw up the sash. The moon on the breast of the new-fallen snow.

Gave the lustre of midday to objects below; When what to my wondering eyes should appear, But a miniature sleigh, and eight tiny reindeer, With a little old driver, so lively and quick, I knew in a moment it must be SAINT NICK.

More rapid than eagles his coursers they came, And he whistled, and shouted, and called them by name: "Now, Dasher! now, Dancer! now Prancer and Vixen! On, Comet! on, Cupid! on Donner and Blitzen! To the top of the Porch! dash away! dash away!" As dry leaves that before the wild hurricane fly, When they meet with an obstacle, mount to the sky, So up to the house top the coursers they flew, With a sleigh full of toys and St. Nicholas too! And then, in a twinkling, I heard

On the roof, The prancing and pawing of each little hoof. As I drew in my head, and was turning around Down the Chimney ST. NICHOLAS came with a bound. He was dressed all in fur, from his head to his foot, and his clothes were all tarnished with ashes and soot!

A bundle of toys he had flung on his back, And he looked like a pedlar just opening his pack; His eyes—How they twinkled! his dimples, how merry! His cheeks were like roses, his nose like a cherry! His droll little mouth drawn up like a bow, And the beard of his chin was as white as the snow. The stump of a pipe he held tight in his teeth, And the smoke, it encircled his head like a wreath. He had a broad face, and a little round belly, That shook, when he laugh'd, like a bowlful of jelly. He was chubby and plump; a right jolly old elf; And I laughed, when I saw him, in spite of myself. A wink of his eye, and a twist of his head, Soon gave me to know I had nothing to dread.

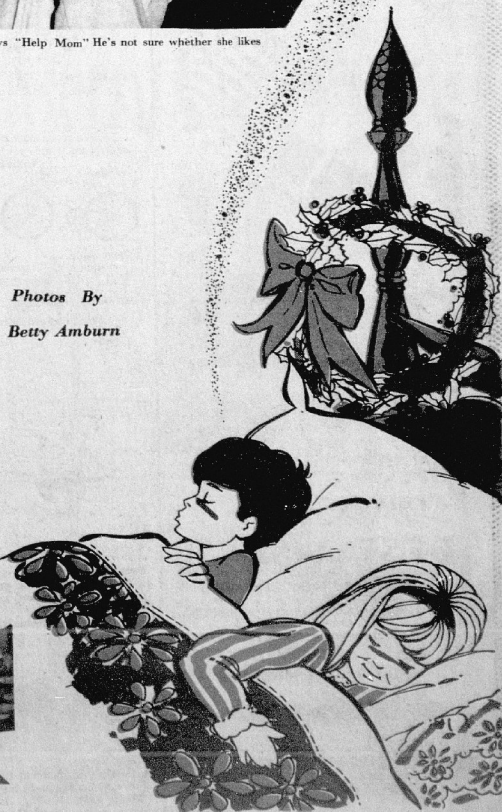

He spoke not a word, but went straight to his work, and filled all the stockings; then turned with a jerk, And laying his finger aside of his nose, And giving a nod, up the chimney he rose. He sprang to his sleigh, to his team gave a whistle, And away they all flew, like the down off a thistle. But I heard him exclaim, ere he drove out of sight, "HAPPY CHRISTMAS TO ALL! AND TO ALL A GOOD NIGHT!"

Jason Rice says "Help Mom" He's not sure whether she likes Santa or not.

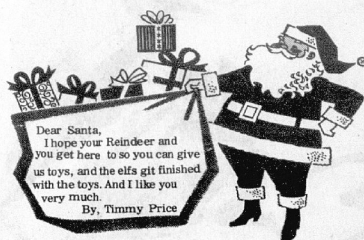

Jason Bowen tells Santa. He Hopes to see him again Christmas Eve.

Yes, Virginia.....There Is A Santa Claus

Dear Editor:

I am 8 years old.
Some of my little friends say there is no Santa Claus.
Papa says "If you see it in The Sun it's so."
Please tell me the truth: is there a Santa Claus?

Virginia O'Hanlon

Virginia, your friends are wrong. They have been affected by the skepticism of a skeptical age. They do not believe except they see. They think that nothing can be which is not comprehensible by their little minds. All minds, Virginia, whether they be men's or children's, are little. In this great universe of ours man is a mere insect, an ant, in his intellect, as compared with the boundless world about him, as measured by the intelligence capable of grasping the whole truth and knowledge.

there were no Santa Claus! It would be as dreary as if there were no Virginias. There would be no childlike faith then, no poetry, no romance to make tolerable this existence. We should have no enjoyment, except in sense and sight. The eternal light with which

childhood fills the world would be extinguished.
Not believe in Santa Claus! Yes, Virginia, there is a Santa Claus. He exists as certainly as love and generosity and devotion exist, and you know that they abound and give to your life its highest beauty and joy. Alas! how dreary would be the world if

Not believe in Santa Claus!

You might as well not believe in fairies! You might get your Papa to hire men to watch in all the chimneys on Christmas Eve to catch Santa Claus, but even if they did not see Santa Claus coming down, what would that prove? Nobody sees Santa Claus, but that is no sign that there is no Santa Claus. The most real things in the world are those that neither children nor men can see.
No Santa Claus! Thank God, he lives, and he lives forever. A thousand years from now, he will continue to make glad the heart of childhood.
