Avon Mobile Home Park

Ruth E. Robinson
The combined efforts of our talented and willing members of Avon Mobile Home Park including Mr. and Mrs. Cecil Damon, Mr. and Mrs. William Belcher, Mr. and Mrs. Ellis Martin, Mrs. Verna Fero, Mr. and Mrs. Paul Thomas, Mr. and Mrs. Russell Bridge, Mrs. Mary Mishey, Mr. Roy Bean De Polder, Mr. Erwin Ringer, Mr. Virgil Weldy, Mrs. Ula Miller and our inspirational singers, Mr. and Mrs. Warren Byers (Ham and Nita), Mrs. Bernice Wilder, Mr. Lewis Tripp, Mrs. Hazel Weldy, and Mrs. Dorothy Baxter, made our Christmas Festivities most enjoyable with various skits, etc. as well as delicious refreshments.

Everyone sang the Christmas Carol, with readings between them, a "Christmas Story", "Where is the Love", "Keeping the Watch". This was followed by a Candle Lighting Service by Bertha and Ellis Martin, Prayer by Paul Thomas and singing "Silent Night". A trio sang "We Three Kings" followed by a reading "The Priceless Gift of Christmas" by Ula Miller. Eleanor Damon accompanied Ham and Nita, on the piano, while they sang "Because He Lives".

Entertainment by Bernice Wilder was followed by Accordion Solo rendered with him and gusto, by Lewis Tripp; most feet were tapping out the rhythm. A Pretend Skit "3 Stages of Life" was reminiscent of years past as the Bride, Hazel Weldy, The Fiddle, aged mother, Betha Martin, and Grandmother, Dorothy Baxter, portrayed each character truly and with humor!

There were lovely Christmas Songs, as only Ham and Nita can sing them followed by a group singing contest with a couple from each street participating. First Ave. Mr. and Mrs. Brevoort, Second Ave. Mr. and Mrs. Couter, Third Ave. Mr. and Mrs. Monro, Fourth Ave. Mr. and Mrs. Neel and Fifth Avenue, Mr. and Mrs. Keyes.

Our Sunday, Christmas Dinner at 1:30 p.m. was attended by 83 members, and 53 at the evening "lunch". The hostesses were Mrs. Bell Mrs. Thomas, Mrs. Brevoort, The Turkey was roasted by Mrs. Belcher and Mrs. Husband after Mrs. Fero and Mrs. Stromberg shopped and bought them. The Decorations were beautiful with green ivy and Holly Berries down the center of white tablecloths. We were happy to have as guests after the meal, Mr. and Mrs. Raymond Fries, previous residents of our park. They visited other friends in the neighborhood, hearty welcome back, with a prayer of Thanksgiving to God, to Mr. and Mrs. Harold Wolcott, Mr. and Mrs. Dager and Mr. and Mrs. Earl Baxter were their son-in-law and daughter, Mr. and Mrs. Joseph Schaperjahn, of Richmond, Virginia; also their grandson, Matthew Earl

with his parents, Mr. and Mrs. Thomas Huested of Boulder, Colorado. Mr. and Mrs. Theodore Nelson entertained Mr. and Mrs. Leo Vroman of Lake Odessa, Mich. and Mr. and Mrs. Theodore Nelson, Jr., Tony and Jeff of Lakeland, on Christmas Day. Mr. and Mrs. Leo Vroman had decided to make their residence here in Avon Park Lakes, on Rutland Street. Mr. and Mrs. John Birkhoff, dear friends of the family, and their sons Keith and Craig of Antwerp, Ohio, visited for the Christmas holidays with Mr. and Mrs. Claron Monroe. They were on their way to arastoe where they will spend a week before returning home.

Mr. and Mrs. Everget Henderson with daughters, Beth and Karen of Rochester, Ind., arrived at Ralph and Ned Street on Saturday before Christmas and stayed until Thursday evening. Sunday guests for Christmas were Mr. and Mrs. Boyd Henserson from Brentwood Mobile Home Park, and Mr. and Mrs. Vernon Stewart from Wabasso.

Mr. and Mrs. Russell Cori spent several days over Christmas with their son Corin and Keith and daughter Cindy, in Miami.

Mr. and Mrs. Everett Tribbett had Mr. and Mrs. Mike Sever of Tallahassee and Mr. and Mrs. John Ortel of Cocoa Beach over for Christmas. Eulalie Bell of Cherokee Village Arkansas is visiting with her brother Mr. and Mrs. Earl Whetstone. Mr. and Mrs. Clarence Hallie is visiting with Art Roberts.

Mr. and Mrs. Wayne Brown entertained for Christmas her sister Mr. and Mrs. Larry Poole and family of Kissimmee, their daughter and family Mr. and Mrs. James Hartman of Toledo Ohio.

The Audas-Vin Social Club held their annual Christmas dinner at the shelter with 135 members and guests. The shelter was decorated in the theme of the Christmas, consisting of Lydia Glenn Mr. and Mrs. George Lucas and Mr. and Mrs. Earl Whetstone. The main course of turkey was accompanied by a covered dish meal. Later cards and shuffleboard a enjoyed in the shuffleboard tournament the winners were Reba Hallie and Jake Muldren and low scorers were Pay Chenoweth and Lee Cook. December Birthdays were Opal Abrahamson, Melba Miller, Miller Merle Bucken Hazel Davis and Lavern Roem. The following Canadians have arrived to spend the winter in Florida: Mr. and Mrs. Arthur Parker of Cornwall Mr. and Mrs. Ned Graper of London, Ontario and Mrs. Ed Galloway of Sarnia and Mr. and Mrs. Jim Hill of Guelph.

Recent guests of Lawrence and Ruth Robinson were Mr. and Mrs. James Robenstine of St. Mary's, Ohio and Christmas Eve a Lawrence J. arrived for the night and Christmas morning, when they left for the West Coast.

SPECIAL NOTICE to all residents of this Mobile Home Park. There will be an important meeting on Fri., Feb. 6, 1978 at 10:30 a.m. in the recreation Hall AFTER the Bible Study, which will be at 9 a.m. every Friday morning. An Organization office of the Federation of Mobile Home Owners will speak about all the facets of the organization which will be for everyone's benefit to hear. Many of our new residents are not familiar with the benefits which are involved. So, please come.

Our heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow. For the beautiful service, floral offerings, kindnesses, we are deeply grateful. Charles A. Thomas and Family and Mrs. G. L. Beaumont and son Robert. We appreciate the cards, messages and expressions of sympathy. For the friends, also the consideration and help from Mr. Lemons and his office staff, Leone Dorton and Family.

Ellerbee To Be Granted Hearing

With a one week term of office as president of the Avon Park City Council, Larry Albritton moved to the job of acting mayor because of a death in the family of Mayor Marshall Davis.

Acting council president David Barefield quickly moved the council through preliminary matters and called on the city attorney to clarify the standing of the city building inspector.

Attorney Jack Hancock said that the failure to obtain a second to a motion resulted in the not rehiring of

the building inspector. Hancock explained that when the Southern Standard Building Code was adopted in 1966 it contained a paragraph stating that the building inspector could be dismissed for cause after a public hearing. However, this procedure was not followed at the reorganizational meeting of the council.

Hancock said, "I do not believe, that the city could employ a building inspector, which they now have, under the law requiring cause for his dismissal and in effect abrogate the

contract with him by changing the law in order to discharge him without any adjudication of cause." He did not believe the city could employ a building inspector under one law and the city council discharge him under another law.

Hancock outlined a course for the council to pursue, if they desired, which included: A notice of charges with sufficient details along with a hearing to enable the building inspector to defend himself.

In view of the attorney's recommendation, Councilman

Robert Britt moved that C. W. Ellerbee be granted a hearing in two weeks with the charges against him to be sent to him and his attorney. It was seconded by Councilman Kelly Phillips.

In the discussion that followed, Councilman Henry Dennis raised the question as to the time factor of the hearing. Jim Kelly attorney for C. W. Ellerbee, stated he needed a minimum of 30 days after the charges were filed to prepare the defense because of the technical nature of the work and other work. It was agreed by City Attorney Hancock that this was not an unreasonable request.

Hancock told the council that charges of malfeasance, misfeasance, nonfeasance be filed with the City Clerk Malcolm Brown and it was not unreasonable to ask that they be written and he would help the clerk in preparing the charges.

Barefield said normally the charges should be filed with the competency board as this had been agreed upon as the proper procedure for the council. This would be an effort to resolve the difficulty out of the council. If the boards could not resolve the matter than it would come to the council or circuit court.

He read from the July 14, 1975 city council minutes that "Mr. Williams (Wendell, council president), had suggested that complaints against the building official be put in writing and sent to the competency board. A motion to this effect was made by Mr. Britt and seconded by Mr. Albritton and carried unanimously."

Barefield also told how on Jan. 24, 1977 when he was appointed over the building department that the council had agreed unanimously that complaints be sent to the competency board then brought to the council. A copy of the complaint forms had been made available to the press and for the public.

Hancock told Barefield that the council may want to take the number of complaints into consideration. However, he did not believe it proper to bring before the board of adjustment the matter of the possibility of discharging Mr. Ellerbee. He thought that charges should come before the council.

Barefield reminded the council of the a motion under discussion and no charges or counter-charges were to be made at this time.

When Barefield called for constructive comments from the floor, Spencer Pickett told the council that when the city accepted the Southern Standard Building Code, it accepted all of the boards set up by the code. Ken Long, as chairman of the competency board, told how the board had voted 100 percent to support the building inspector, Mr. Ellerbee. He had called most of the builders in the area and 90 percent were in favor of Ellerbee. He added, "We feel that he is really being done wrong here."

Pickett, stated, Ninety nine percent of the complaints are on zoning. Sixty percent of the houses in Avon Park are in violation of the zoning law. There is the biggest problem.

If you want to amend the law,

amend the zoning law and let the guy build onto his home. It doesn't make the guy feel good if you say, you can't add onto this house."

During the six weeks that he was acting as building inspector, Pickett said he made enough people mad at me to run me out of the county.

People with 50, 40 and 25 foot lots, how in the world can you add to that and stay under your zoning laws?"

He was applauded by the audience. Chairman of the recreation committee, Jim McWilliams stated

Please See Page 5A

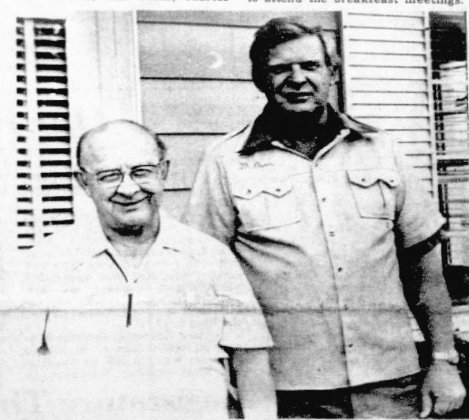

Chamber Of Commerce Elects New Officers

New officers for 1978 were recently elected by the Avon Park Chamber of Commerce and included Bill Britt, president; Stanley Wells, vice-president; Charles Williams, vice-president; Clarice Ford, secretary and assistant treasurer and Betty Jordan, Treasurer.

The new directors elected to serve on the 19 member board of directors for a period of three years were: Nell Roberts, Jim Heim, Charles

Bryan, Gene Biggle, Earl Jackson and Charles Hoke.

The chamber's board of directors meet at 7:30 a.m. on the first and third Thursday of the month at the Ranch Buffetieria on U.S. 27 South. Projects policies are discussed before being adopted. The present Chamber of Commerce membership totals 165. All members are invited to attend the breakfast meetings.

FORMER OWNER Dr. Herbert A. Baughan (left) and the new owner, Dr. David H. Owens take time out

for a photo at the front door of the building, which is being remodeled in the office and working areas.

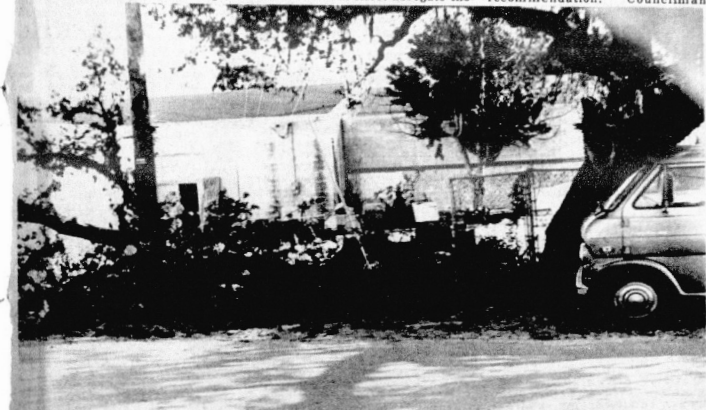

Local Dental Practice Changes Ownership

Dr. David H. Owens, formerly of Hialeah, Fl. and Brentwood, Tenn., purchased Dr. Herbert A. Baughan's dental practice on Jan. 5, 1978. Dr. Owens had been an associate at the dental office at 106 E. Main St., since Oct. of 1976. Although ownership of the office has changed hands, no major changes in procedure or personnel will be made.

Dr. Baughan will remain at the office indefinitely, with Dr. Owens. Dr. Baughan started into dentistry in Richmond, 46 years ago, after graduating from the University of

Virginia's dental school. He served as a dentist in the Army during the second World War. Dr. Baughan is a graduate of William and Mary University.

Dr. Owens has been in dentistry for 16 years. He has served as a dentist in Brentwood, Tenn. and Hialeah, Fl. Dr. Owens has been a resident and practicing dentist in Avon Park for a year and a half. He is a graduate of the University of Tennessee, where he also received his training in the dental profession.

AT 5:35 a.m. last Thursday morning a semi-truck struck a large limb of an oak tree on South Glenwood

Avenue. The falling limb ripped-off the power lines leading to the Geisler and Prevatt residences —

But the truck has not been found, yet. Sunphoto by Lew Miller.

New Middle Schools Aimed At Energy Conservation

A design aimed at lowering energy use in the new Sebring and Avon Park middle schools raised some eyebrows on the Highlands County School Board.

Joe Pavelchak, project architect for the schools that are to cost more than \$2.5 million each, explained to the board at Tuesday night's meeting that part of the

proposed design for the schools includes use of grass-covered earthen berms. The berms would slope away from the walls of the building.

He said the berms, which would rise about six feet up the exterior walls, would help insulate the structures

against heat and so help reduce energy use.

Such designs are coming into use in some office buildings throughout the state as an energy-saving practice.

In addition, there would be extended use of large overhangs from the roof and placement of windows directly under the overhang to help reduce the amount of heat coming into the buildings.

Board Member Kenneth Grady was skeptical, and said he could not give approval to final building specifications unless there is more information regarding use of this design concept. Board Member Steve Roberts said he has seen a number of buildings that use earthen walls for insulation.

Pavelchak said he would present examples of use of the berms for review at a special meeting Jan. 17. He pointed out that if after further discussion the board didn't approve, the plans could be changed to eliminate the berms.

Board Member Margaret Turnbull questioned use of the berms, expressing concern over erosion and wear by students.

Pavelchak said sod could be installed on the berms and a type of grass could be used that would do well under the expected conditions.

Slope of the berms would be slight enough to allow easy mowing he said. If the berms are not used, the buildings' lower exterior surfaces could be faced with brick.

The board asked for a check on financing the projects, to see if renovation plans for existing buildings, which will be used at Sebring, are needed for state review when it looks at the working drawings for the new schools.

Due to state financing requirements, some aspects of the renovation work may need to be included in the funding request.

Walter Shirley, finance officer, said he would be able to check the guidelines today and report at the special meeting next week.

The board did give approval to working drawings of the proposed schools, but approval of final documents to be prepared by the architect will wait until the berm and finance questions are resolved.

Pavelchak estimates the final costs of the Avon Park Middle School will be \$2,618,120 and Sebring Middle School, \$2,501,430.

Designs for both schools are about the same, although existing shop and industrial arts and home economics wings in Sebring are to be retained.

State Attorney To Join Mervin Rehner Firm

Two more resignations in the Highlands office of the 1978 circuit state attorney makes the turnover in that office in the past month almost 100 percent.

Of the staff of six in the Highlands office at the opening of December only one remains.

On Jan. 5 Assistant State Attorney David Langford submitted his resignation. He leaves the prosecutor's staff on Jan. 31 and Feb. 1 enters the private practice of law. He will be associated with former Highlands County Judge Mervin Rehner in offices in Avon Park.

On Jan. 16 Beth DeVane, who has been a secretary in the state attorney's office, shifts to the secretarial staff of Sebring Attorney Michael Swaine.

In mid-December, when the wave of resignations hit the Highlands office, State Attorney Quillian Yancey praised Langford for his outstanding work here. Yancey said the Highlands office was "working well" but he was planning some reorganization in the interests of producing a "more efficient and better prosecution team." Other sources said budget problems arising in Polk County were involved in the reorganization plan.

When Highlands office coordinator Esther Sikkena resigned, Yancey said she might not be replaced. He later said the work of office coordinator would be combined with investigator duties.

This plan was announced after Terry Wolfe, Highlands-Hardee investigator, had resigned.

At the same time Yancey said the two secretaries remaining in the Highlands office — Mrs. DeVane and Fran Ross — would be assigned additional duties.

On Dec. 21 Assistant State Attorney William Fletcher announced that he had resigned and would enter private practice with a Sebring firm headed by Joseph O. Macbeth. He said, "I seemed

it was time for a change; if I wished to go into private practice, now is a good time."

The announcement Langford made was almost identical. He said he felt the opportunity to enter practice with the former judge "too good to pass up."

Langford, who is a native of Frostproof, is part of a large Ridge clan which includes some of the best known family names in the area — Langford, Roberts, Skipper. He attended Polk Community College and earned his Bachelor's degree at University of Florida. He remained at Florida for his law degree.

Langford joined the state attorney's staff in 1975, two days after receiving his law degree. He and his wife live midway between Sebring and Avon Park.

His primary responsibility on the state attorney's staff is the prosecution of misdemeanor and traffic cases. Yancey has not announced his choices for replacements for either Langford or Fletcher.

Following Fletcher's resignation Tom Gallagher, from the Polk staff, began handling felony matters in Highlands, but Yancey has declined to confirm stories that Gallagher will remain with the Highlands staff.

City-Renfro Hearing Jan. 19

City Attorney Jack Hancock reported to the Avon Park City Council that a preliminary hearing would be held at 9:45 a.m. Thursday, Jan. 19 on his reply to a request for attorney fees by James A. Renfro (during business as Highlands Aviation, Inc.) in his suit against the city.

City Sewer Treatment Plant Not Complying With DER Regulations

In his report to the Avon Park City Council during their regular Monday night meeting, Mike McWeeny of Dawkins and Associates, told the council that construction costs of the North Lake Isais sewer extension was bid at \$140,000 leaving \$55,000 of the \$195,000 federal grant for related project change orders.

Two change orders have already been made: the changing from wheel to flypump jets at a cost of \$2300 and the extension of the sewer line along S. R. 17 to U. S. 27 at a cost of \$2500.

When asked by Roy Taylor at the site of his subdivision and two city officials, McWeeny had discussed two alternative plans to utilize the money left after the bid was let. One plan was to serve only the Taylor subdivision at a cost of \$28,000 with a project cost of \$31,000. The second plan would include extending deeper sewer lines to service the area between Lake Isais and U. S. 27, at a cost of \$39,000 and project cost of \$42,000.

The latter plan would increase the depth of some lines from 12 to 18

feet, but McWeeny stated it would be cheaper to do it now than to have a contractor lower the lines at a later date. The council felt that Taylor should share in the cost of the second plan but should not be required to share in the extra cost of the deeper lines.

When asked if he would agree to help financially on the sewer construction, Taylor replied that he had just so much money and needed to know the entire cost of street paving, water lines, sewers and other utilities before making a commitment.

Taylor was asked for a decision by the next meeting as McWeeny stated that the contractor will finish the sewer line work in the next 30 days and would need to know by Feb. 1 if he should go ahead with the additional sewer line work.

Taylor reported he knew what position he was in and didn't want to stick his neck out and a three year repayment plan would probably help.

As the original plan for the subdivision had been made several

years ago, a new plan would have to be drawn with water and sewer lines along with street and sidewalks which would have to be recorded as a replat, according to city attorney Jack Hancock.

The open wet well at the North Lake Isais pump station was covered. McWeeny told the council. The contractor was reported as doing good work, covering the line as it was being laid, placing the laterals where the people wanted them and cleaning up as they went along.

On Feb. 1, the warranty inspection on the new sewer treatment plant will be made of the Johnsen Engineering work.

The city had received a letter from DER that the sewerage treatment plant was not in compliance with regulations. McWeeny said this letter was from the enforcement division, but the permitting division of DER had advised that the construction permit was good until construction was completed and tests were made on the

Inspector To Serve At The Pleasure OF The Council

Monday night the Avon Park City Council by a three to one vote passed a motion to amend Section 102.10 of the Southern Standard Building Code to put all department heads under the control of the city council, to be appointed for 2 year terms at the organizational meeting by the council and to serve at the pleasure of the city council.

The peculiar wording of the motion "to serve at the pleasure of the council" could have meanings that would not be for the best interests of the city or its residents.

Members of the audience were quick to sense the long range political overtones of the motion, as Spencer Pickett, contractor, told the council they would have a new inspector every two years if they started amending the Southern Standard Building Code. He told the council, "You haven't read the book, you don't know it all and you are trying to tell the building inspector what to do. We can't have that."

Speaking from the floor John Nelson stated this is one job that can't afford five bosses all pulling in different directions. It would cause a man to do an incompetent job and he should not be subject to such intimidation.

Dr. Dan Davis, Highlands County Superintendent of Schools told of political pressure when he was running for office. He told the council, "If you allow politics to be involved with zoning you're in bad shape. The building inspector by upholding the law stepped on the toes of people who thought they were above the law."

Suzanne Skipper, architect and secretary of the Zoning Board of Adjustment read a part of a letter she had written and sent to new councilman Henry Dennis — the job of building and zoning official is, by its nature, a controversial one. It is the job of enforcing laws, exactly like the job of the policeman and therefore is open to criticism from those who are adversely affected by those laws. Building and zoning official should feel free to carry out his duties of enforcement without fear of losing his job at the whim of the city council.

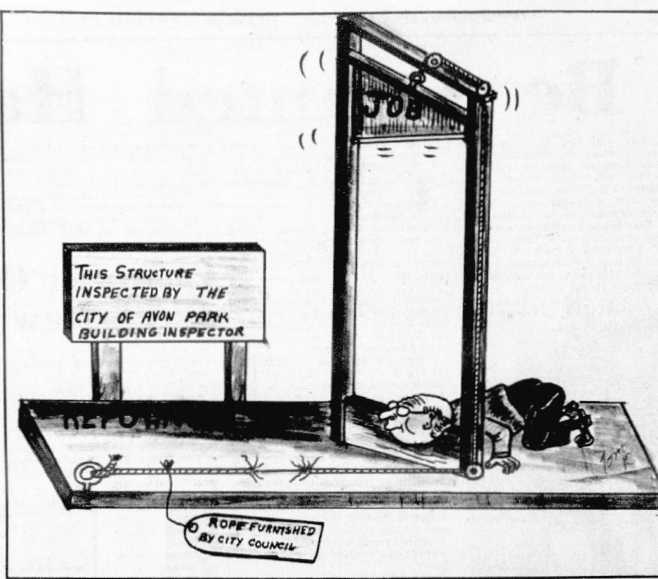

Miss Skipper continued with "The Southern Standard Building Code is a well-researched, well-written document used throughout the country and it clearly sets down the method for removal of the building official. Which includes the filing of charges and a public hearing."

A member of the Zoning Board and the zoning board of adjustments, Jim Heim, architect pointed out to the council that the duties of the building inspector have increased over the past four years. He didn't believe there was any shortage for ending the inspector would be better off with legal training. It was a technical, time consuming job and he was fearful of a big turnover and all decisions are black or white. You will pick up a lot of trouble if you change inspectors every two years.

How valid are the complaints against the building department? Spencer Pickett told the council that while he was substituting for the building inspector, 99 percent of the complaints were on zoning. Sixty percent of the people with 40, 50 and 25 foot lots couldn't add on to their houses because of zoning laws and he made enough people mad to run him out of the county.

Perhaps one thing that anyone making a complaint might be wary of is that when they bring charges they will be subpoenaed to make the charges under oath and may be liable to a counter suit.

When knowledgeable men in the building industry foresee trouble in the revamping of a long established code to place a job under direct political control it appears that someone's personal vendetta is causing the city to move backward to the rule of the jungle. It would be interesting to know who and why someone is goading the council into taking step backwards.

Our Reader's Opinions

Avoid Negligence Of Loved Ones

Editor:

"How negligent we human beings are in our relationship with our fellowmen and fellowwomen." Most of us from every walk of life, poor and rich, young and old, wise and unwise, educated and uneducated preacher and layman; all are plagued with this painful and unpleasant human behavior — Negligence.

O, how I wished sometimes to have a second chance, to visit to converse with, to talk on the long and short distance telephone, to

write a note or a birthday card, to shake hands, pray and offer a refreshing cold drink or orange juice, invite to my home for a visit or for lunch, or dinner. I wished to do all these for the departed, friend, relative, close acquaintance and loved ones.

But alas, there's no second chance; there is no second chance beyond the graves. There is no chance for repentance or for reformation, nor for a good deed hereafter.

One of my main decisions for the

year 1978 is — Avoid Negligence. Not neglect my loved ones, my dear friends, relatives, my church members, my church and my pastor and my beloved country, the blessed United States of America. More than all these, not to neglect my devotions, my Bible, my prayers and my praises to my Heavenly Father who gives the wonderful blessings of life. I recommend such a decision to the readers of "The Avon Park Sun" and to the American people.

Bedros M. Sharian,

Legistature Threw A Crumb To Elderly

Dear Editor:

Taxation with Penalty
The House and Senate have left Washington for a merry Christmas and happy New Year. They threw a crumb to the twelve million penalized elderly and kept the penalty on those who need their Social Security the most but get the least.

Powerful Al Ullman (Democrat) in the House and powerful Frank Church (Democrat) in the Senate, fought hard to keep the penalty on earnings of the elderly, their only income, who were not fortunate to have worked where a pension could be had. (The dirty trick that makes Watergate smell like a rose). They allow millions and millions to have far more than \$2,000 per year income and collect their monthly SS.

It would be very amusing if not so pathetic. The House and Senate had much to say of wrongdoing of private pension money. The "rip off" is on the other hand they themselves stop the ones they penalize from getting their own SS.

Where is the "investigation into SS"? Is it true it depends on which political party has the power in the House and Senate to investigate and what party tends to be investigated belong to?

The true facts are, if a parent of children dies, SS retirement money has nothing to do with that. That is Health and Welfare. College students have nothing to do with SS retirement money. That is Education. Any wonder they are broke? SS retirement money belongs in a Social Security trust fund, period!

Social Security has been a political football. How many times were raises given just before election time? They have made fools of the American people. Billions and billions for foreign countries and

then penalize your own people. (Think this over.)

Because they have not stopped the penalty which is illegal, unconstitutional, discriminates, puts class against class, and infringes on a person's rights, it is inevitable a law suit in the court will bring honesty

for the premiums they paid for.

They want their due monthly payments, not charity or welfare.

This statement will go to newspapers throughout the United States.

Robert Stevenot

Parent Concerned Over Safety

Dear Editor:

I think it is time the parents of Avon Park School children realize what is going on in our schools.

I had a recent encounter of a knife being pulled on my son at the Middle school during physical Education. The teacher Mr. Rewis wasn't out watching them as he should have been.

I had a meeting with the principal Mr. Kirkpatrick and the assistant principal Mr. Bozeman, who tried to tell me it wasn't even a knife. The only result was the boy got a three day in school suspension.

I asked the principal could he guarantee me that my child would be safe if he went back to school and he wouldn't even do that. I also talked to the superintendent of school's Dr. Dan Davis, and he acted as though he could care less.

NOTWISTERS

While tornadoes caused considerable damage in some parts of Florida Sunday night, no twisters were reported in the Highlands County area.

Highlands County sheriff's department, which handled calls for Civil Defense on Sundays, did not receive reports of any twister.

The Avon Park Sun welcomes readers' opinions on public issues. Letters must bear the writers' true name (signed in ink or pencil) but, if specifically requested name will be withheld, from publication in strict confidence of the Editor. The Avon Park Sun reserves the right to reject or shorten any letter. Normally, a letter may not exceed 300 words. Only original letters, written exclusively to The Avon Park Sun and dealing with only one subject, will be considered.

Women Today

By Alice Smith

My dictionary (Webster's Students, 1938) says "Woman-an adult female person."

Out of date and not very informative, when you consider that she has been capitalized and had an entire year dedicated to her.

By the latest figures, she numbers 109 million, over half of our total population. As for habitat, she can be found practically anywhere in the country. She is in the professions, the trades, government, politics and business; she is producing babies, raising the next generation and managing homes.

Using the press and other media as reference sources, Woman has developed into a rebel and a revolutionary. She is pushing, demanding, leaving the kitchen and about to dump the American family down the drain.

True or false?

A good researcher never takes sources at face value. Not even when they are "reliable," or "unimpeachable." And particularly not when they represent the opinions of a tiny group of college-trained, upper income, mentally sophisticated writers concerning the present state of 109 million women.

The good researcher digs a little deeper, out of the glare of publicity and comes up with some facts. When Market Opinion Research of Detroit conducted a survey for the National Commission on the Observation of International Women's Year, they found — The vast majority of American Women find their lives satisfying, both in terms of the work activities they do and what they perceive to be the quality of their personal lives.

But alas, there's no second chance; there is no second chance beyond the graves. There is no chance for repentance or for reformation, nor for a good deed hereafter.

One of my main decisions for the year 1978 is — Avoid Negligence. Not neglect my loved ones, my dear friends, relatives, my church members, my church and my pastor and my beloved country, the blessed United States of America. More than all these, not to neglect my devotions, my Bible, my prayers and my praises to my Heavenly Father who gives the wonderful blessings of life. I recommend such a decision to the readers of "The Avon Park Sun" and to the American people.

Bedros M. Sharian,

What then of the activists — the likes of Gloria Steinem, Betty Friedan, Roney Bolton? What of Women's Lib and NOW — the small minority? They are the front runners. They have always been with us and they serve a purpose. The average woman may view them with either alarm or indifference but (deep down) she's a little proud of the exploits of the shock troops. When the time is ripe, she will take advantage, quietly, of whatever gains they make.

A recent Gallup Poll showed that 73 percent of Americans would vote for a woman for president "if she were qualified for the job". About 7,000 women hold elective office in the United States now, which represents only about 5 percent of the possible elective positions in the country. But it is twice as many as in 1969.

There are 37.4 million women in the country's work force. 47 percent of all women age 16 and over; and they are landing better and better jobs.

So much for Woman Today. Where will she be in 2075? Prediction is a safe enough pastime when the forecast is 100 years away. We do not anticipate being around to eat our words if they prove wrong.

The inevitable social, cultural and economic changes of the next 100 years will be insignificant compared to one single factor.

The key is Power — with a capital P. Power has been almost exclusively the property of the male of the species; he recognizes it, finds it exciting, seeks it with gusto and uses it to serve his purposes.

The great great granddaughters of 2075 vast contented majority will be aware of it individually by 2076 and they will have learned to use it collectively.

Pray God they use it wisely and well.

Alice Smith's paper was written for the yearly Arts and Crafts exhibit meeting of the Senior Woman's Club, and was presented by Joyce Wagner.

Work On Highlands County Map To Begin This Spring

A sophisticated mapping program of a portion of Highlands County is to begin early this spring, and the finished product is expected to provide valuable information on high water areas.

Florida Southwest Water Management District, which includes a portion of the county, is to use aerial photography and ground surveys to provide a map with a three-dimensional appearance that will show high and low points.

According to Carl Cool, assistant county engineer, the map should include an area of the county that runs from Lake Jackson north to Lake Sebring, south toward Route 66 and west around Sebring Hills.

This section of the management district is expected to see development in the future. Use of the new map will help show potential developers where water drainage problems and water flow routes are.

Cool and the new map will also be a valuable tool in the proposed federal

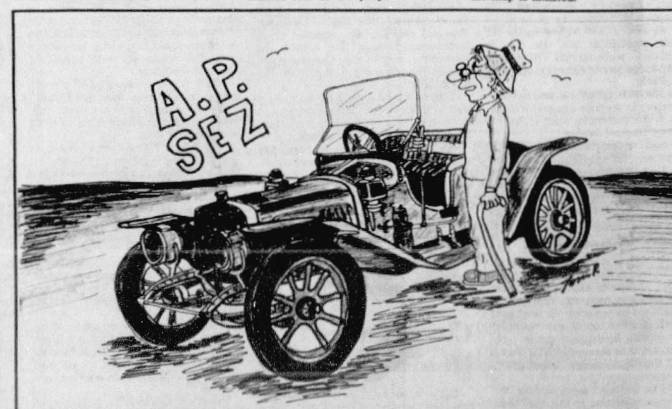

flood insurance program for Highlands County, clearly showing what sections of the district are in flood-prone areas.

Stereoscopic photographs are taken from a plane and coordinated with information obtained from ground surveys. Cool said the photographic technique used allows pictures to be taken as the plane approaches a particular ground point, as the plane passes over the point and again as the plane flies away from the target.

The resulting map gives the viewer a sense of depth perception of the topographical features not possible on other maps.

Cool pointed out the mapping project is the result of a new tax millage levied this year on property within the district. It will cost about \$40,000, which is approximately the amount received in the new tax revenues this year.

Work on the project is expected to begin sometime in February or March and it will be six or seven months before the map is finished.

Coffee Time Talk

Have you seen the new shopping center out on Highway 27? It really looks nice. From what I hear there is a possibility that an International House of Pancakes will be going in next to the shopping center in the future. But that's only speculation.

The weather hasn't been too good for flying lately, but the Highlands Aviation crew is bidding for some good weather. If the weather doesn't clear up at the airport, no one will be able to fly the Highlands Aviation's new Cessna 52.

I wonder if the cars are facing the screen when Rev. Childers preaches on Sunday mornings at the Seven Drive-In theater. Why not drive out and check up on it. Services start at 8 a.m. each Sunday morning.

Has everyone heard that Mark Smith and the former Mary Oliveri have finally tied the knot. Congratulations to both of you and lots of luck in the future.

What have you heard lately? If you have any news that would be appropriate for the Coffee Time Talk, please contact Mitch Banks at the Avon Park Sun, 453-5860 or 453-4351. Don't be bashful, everyone would like to hear that little bit of gossip you may be dying to tell.

I'm glad I'm not out north right now. As it is, I'm already too cold.

Have you heard the radio show on WJCM for the First Baptist Church? It is featured every Sunday at 11 a.m., except for every second Sunday when the show is on at 1 p.m. Why don't you tune in one Sunday?

Hey! Did you know that the Avon Park Sun held a beauty contest for employees. But the staff was very disappointed when no one won.

So what do you think about the new minimum wage increase? I don't know whether the average worker will benefit from this, especially in view of the new increase in Social Security that will be taken out of the workers pay check. It seems as if every time inflation causes wages to go up the government ends up with all the profit. I wonder why.

The First Baptist Church of Avon Park would like to announce that they are praying for the success of the Wells' Wellcopter. I'm sure that we are all hoping for positive results.

Florida is a little backwards from the North. Up North you have to wait until the winter to go sking, but down here we wait until the summer to ski.

Have you ever noticed that the size of cars go down, the prices go up. Have you also ever wondered why it costs the same to drive a small car this year, as it did to drive a big car a few years ago?

I know you couldn't have missed that looming shadow of South Florida Junior College's New Fine Arts Center and Community Auditorium. You can now see it from all sides of the college, with its tall roof towering over all obstructions. This new auditorium may be a way for Avon Park citizens to enjoy more refined entertainment without having to travel to Tampa to get it.

I wonder if we'll be getting any snow in these parts this year. I imagine the Citrus industry would rather not have any.

Lisa Clifford and Rodney Davis extend an invitation to all friends and relatives to attend their wedding ceremony and reception, Friday, Jan. 13, at 7:30 p.m., at the United Methodist Church of Avon Park.

I'll tell you, I have never seen so many garage sales around. Somebody must be trying to get rid of a lot of stuff. You know I'll bet you can get some pretty good bargain at one of those. I think I'll stop by one.

The First Baptist Church's Brotherhood Officers held their monthly planning meeting Saturday Jan. 7, at the Ranch Buffet. Plans for their annual Baptist Men's Day were made. The event will take place on Jan. 22.

Sunday, Jan. 8 was Soul-Winning Commitment Day in Churches throughout the Southern Baptist Convention. Soul Winning Commitment Cards were passed out in the worship service with the prayer that as the new year begins we Christians will determine by the help of God to share our faith by telling someone else what Jesus Christ means to us.

THE HIGHLANDS COUNTY CONCERT BAND, under the direction of Fred Pearce, will present a concert in the Circle in downtown Sebring on Saturday, Jan. 14 at 3 p.m.

Seven - Come - Eleven

Seven-Come-Eleven is practically a motto with Las Vegas-ites, but there's a new and more important one going around these days. It's the Three-and-Seven scheme.

The idea is that a dentist should see your child at three years of age for a cavity exam and an orthodontist at seven years for an examination of the bite, the developing occlusion and growth of the jaws.

WELLS GETS CRUISER

Wells Motor Co. of Avon Park was successful bidder on nine cars to be bought by Highlands County Sheriff's Department.

Wells submitted a bid of \$42,095 for four Dodge Monacos, which are to be used as cruisers, and five Aspens, which are to be used by investigators and civil deputies. The autos are replacements for existing cars.

LOADERS VANDALIZED

A front end loader's lights were broken and grease was placed in the oil tank by vandals when the machine was parked in Avon Park Estates. Highlands County Sheriff's deputies are investigating the incident that involved the piece of heavy Hill Country & Grading Contractor equipment. Damage was set at \$100.

HIGH REPORT

Auto accidents and motorcycle wrecks injured several area persons and Highlands General Hospital reports the following were treated and released.

Jan. 4 - Steve Davidson, Avon Park, motorcycle accident.
Jan. 7 - Roland Chase, Lake Placid, auto accident; Lewis Shultz, Lake Placid, motorcycle accident; Tom Pogani, Sebring, auto accident.
Jan. 8 - Paul Bowers, Sebring, auto accident.

Bicycle Theft Ring Broken Up

A small ring of school-aged children from 13-17 years, was broken up when four youths were arrested for stealing bicycles. According to Chief Robert Brooks, the kids were stealing the bikes, then stripping them down and rebuilding hybrid bicycles. One rebuilt bike might have the pieces from as many as five or six bicycles. After the bikes were rebuilt, they were then traded for other bikes or other items. The bike thefts were not centralized at any one school or area, but were occurring all over the city. According to Chief Brooks, the 13-year-old, the 13-year-old was the 'hit man'. He would steal the bikes and the older members of the group would do the stripping and rebuilding. The four youths arrested have been referred to the juvenile authorities, where further actions will be decided. Chief Brooks also suggests that if anyone has a bicycle that isn't registered with the Police Department, to do so now, especially new bikes received for Christmas.

Obituaries

Matthias Lutz
Matthias L. Lutz, age 73, of Avon Park Lakes, died January 6, at Walker Memorial Hospital. He had been a resident of this area since 1973.

He is survived by his wife, Helen Janet Lutz; one daughter, Mrs. Winona Stevenson of Pennsylvania; a son, Dr. Charles Lutz of Minnesota, and one brother and two sisters.

Chapel services were held Saturday evening with Rev. Dubose officiating. Burial will be in the Oakwood Cemetery in Fenton, Michigan. Stephenson-Nelson-Smith Funeral Home in charge of local arrangements.

Vahan Walter Boyrazian
Vahan Walter Boyrazian, age 79, of Avon Park Lakes, passed away January 7, at Walker Memorial Hospital. Mr. Boyrazian was born in Turkey and was a retired Tailor.

He is survived by his wife, Efron Boyrazian and one daughter, Gloria Minieri of Fort Lauderdale.

Burial will be in the Ft. Lauderdale Memorial Park, Ft. Lauderdale, Fla. Stephenson-Nelson-Smith Funeral Home in charge of local arrangements.

Royal "Roy" J. McCutcheon
Royal "Roy" J. McCutcheon, age 81, of 121 S. Glenwood, Avon Park, passed away Tuesday, Jan. 9, at Walker Memorial Hospital after a short illness. He was a retired pipe fitter with the Liberty Owens Glass Co. and came to Avon Park in 1961 from Toledo Ohio.

He is survived by his wife, Minnie Krantz McCutcheon, three daughters, Wanda Hayden of Avon Park, Betty Browning of Toledo Ohio, and Margarette Howell of Sebring. He also leaves three sons, Roy E. McCutcheon, of Avon Park, Richard McCutcheon of Toledo Ohio, and Walter Richardson of Toledo Ohio, he also leaves two brothers three sisters, and 28 grandchildren.

Funeral Services will be held Saturday, Jan. 7, at the Stephenson-Nelson-Smith Chapel with Rev. Taylor of the Assembly of God officiating. Burial will be in the Forest Cemetery in Toledo Ohio.

Stephenson-Nelson-Smith Funeral Home in charge of arrangements.

Sheldon Lee Harris
Sheldon Lee Harris, 54, of Frostproof, passed away Thursday, Jan. 5, at Walker Memorial Hospital. He came to Frostproof in 1973 from Jackson, Mich. after retirement from the Jackson Gear Company. He was a member of the Seventh Day Adventist Church.

He is survived by his wife, Mrs. Pearl Harris of Frostproof, one son, Edward Harris of Denver, Col.; three daughters, Mrs. Sue Studley of Grass Lake, Mich., Mrs. Leah Mae O'Brien of Jackson, Mich., and Mrs. Mary Dailey of Brooklyn, Mich. He also leaves, one brother, Leonard Harris of Jackson, Mich., one sister, Mrs. Phyllis Townley of Denver, Col., and two grandsons and two granddaughters.

Funeral services were held Saturday, Jan. 7, at 3 p.m. at Shores Funeral Home, Frostproof. Shores Funeral Home in charge of arrangements.

Hubert Knowles
Hubert Knowles, age 77, of 115 N. Lake Ave. died Monday afternoon at the Walker Memorial Hospital. He was a retired paper-hanger and painter. He is survived by his wife, Bertha Hughes "Ber-vinkle" Knowles, four daughters, Betty Prince of Chatsanooga, Kilby Graveline of New Jersey, Georgia Knowles of Maryland, and one son, Chester Knowles of Germany. He leaves 14 grandchildren and five great grandchildren.

Funeral Service will be held, Thursday Jan. 12 at 11 a.m. at Stephenson-Nelson-Smith Chapel, Rev. Keith Riley officiating. Interment will follow in Bougainville Cemetery.

Mary Sutsman

Mrs. Mary A. Sutsman, 73, of Sebring, died Jan. 3 in a Clearwater hospital. A native of South Bend, Ind. she had lived in the area since 1973.

She was a member of First Christian Church of Avon Park. She is survived by one son, William Sutsman; one daughter, Mrs. Mary Ellen Hergstrom; one sister, Mrs. Hazel C. Fredland, Sebring; six grandchildren and one great-grandchild.

Funeral services were held Friday in the Fountain Funeral Home Chapel, with the Rev. Clifford Dance and the Rev. James S. Click Jr., officiating. Interment followed in Lakewood Memorial Gardens. Arrangements by Fountain Funeral Home, Avon Park.

Lisa Clifford

Bride Elect Honored With Bridal Shower

A bridal shower honoring Lisa Clifford, bride elect of Rodney Davis, was held on Jan. 9 in the Florida Power Lounge.

The traditional theme of brides and roses was used in decoration and party foods. Corages were given as gifts of love to Lisa and her mother, Connie Clifford, by the hostesses, all former classmates of Lisa during her years here at Avon Park High School. Mrs. Davis, mother of the groom, was unable to attend because of illness. The

hostesses remembered her with the rosebud from Lisa's guest table.

Gifts were displayed, and much fun was enjoyed with everyone reminiscing over old and happy times. The hostesses gift to the bride was a peignoir set and slippers.

Hostesses were: Mary Linda Derkman, Kim Douberley, Rene Clenney, Susie Crews, Sarah Ferguson, Candis Jahna, Janice Murphy, and Kim Smith.

It's Time To Say Happy BIRTHDAY

We would like to wish the following people celebrating birthdays this week a "Big Happy Birthday".

January 12- Perry Carroll, Hayward Batts, Tiffany Anne Gross, Joe Snell, George Wyche, Sr., Cecil Finney.

January 13- Rion Weber, Mort Jackson, Jr., Lillian Martindale, Karen Reeves, Marion Heiring, Edna Shaw, Johnny J. Johnston, Tracy Michelle Wickers, Elmer Akelsen.

January 14- Susan Sizemore, Janice Turnbull, Debbie Hamm, Alta Robinson, Adessa Mitchell, Fredericka Evette Anderson.

January 15- R. R. King, Edwin Howard, Francis Anderson.

January 16- Douglas Fletcher, Lowell Ferguson, Sr., Edith L. Clark, Theresa Wade.

January 17- Lori Garner, Edward C. Sharpe, Jr., Joe Dalton, Virgil McInvale, Judy Heiring, Peggy Stinson, Suzie Millard, Vonda Wells, Mildred Long, Patricia Ditto.

January 18- Ray Giten, Mary L. Sanbury, James C. Chestnutt, Jr., Karen Thomas, Karen O'Steen, Charles C. E. Overholt, Denise Quinn, Randolph Landress, Ralph Caraway.

If you have a friend or loved one that will be celebrating a birthday soon, please call us so that we may add their name to our birthday list.

Garden Club Plans Meet Jan. 19

The Avon Park Federated Garden Club will meet Thursday, Jan. 19 at 9:30 a.m. in the Florida Power Lounge. Hostesses will be officers of the Founders Circle. The speaker will be Mrs. Pat Houghtaling, who will present a program on flower arranging.

Mrs. Evelyn Delk, president of the Federation, reports that twenty-five persons attended the first meeting of "Bird Watchers" on Jan. 4. This course is sponsored by the Garden Clubs of Avon Park and the Audubon Society. Mrs. Mildred Rulison, an authority in this field is presenting this six week course, which meets on Wednesdays at 9:30 a.m. in the Florida Power Lounge. The registration fee is \$1.50. The public is invited to attend.

Lee's Receive Message From President Carter

Mr. and Mrs. Charles Lee who celebrated their 70th wedding anniversary on Dec. 25, received the following message from President Jimmy Carter and his wife Rosalyn Carter. "On the occasion of your wedding anniversary we send you our heartfelt congratulations. May you continue to enjoy the fullest blessings of health and happiness together."

Molly and Charles Lee celebrated their anniversary at Walker Memorial Hospital where Charles was undergoing tests. However, he was discharged last Saturday and is progressing satisfactorily at home.

Donna Delores Wright

Wright - Koranda Engagement Told

Mr. and Mrs. R. B. Wright are proud to announce the engagement of their daughter, Donna Delores to Darrell Koranda.

Darrell is the son of Mr. and Mrs. Walter Koranda of Sebring. He graduated from High School in Iowa and served three years in the Army and one in the National Guard. After his discharge from the service, he completed two years at South Florida Junior College and is now employed as a correctional officer at Avon Park Correctional Institute.

Donna finished high school through the South Florida Junior College, and has one year of child care and office clerk schooling. She is currently engaged in private child care for a group of local school teachers.

The wedding date has been set for Saturday, Feb. 11, at the home of Mr. and Mrs. Kenneth Grice of 1125 W. Pine St. Rev. Aden Childress, of the First Baptist Church will officiate the ceremony.

Society Plans Tour Of Bombing Range Jan. 17

The Florida Chapter of the Society for Range Management wishes to announce its upcoming range tour and meeting to be held at the Avon Park Bombing Range on Jan. 17, at 9 a.m.

The meeting and tour will emphasize good range practices and will also include a panel discussion on range and pasture management.

After the morning meeting and discussion there will be a barbecue lunch followed by a field tour of the range area. All interested ranchers are encouraged to attend and learn what's going on in the field of rangeland management.

For more information contact Allen Green at the Soil Conservation Service in Sebring, Phone 332-2104.

Woman's Club Exhibits Arts - Crafts

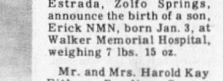

DRAMATIZING ECEL BENNETT'S poem, "Mel O' Drame", Mildred Long portrayed the living Mel, at the Woman's Club meeting last Friday. Sunphoto by Lew Miller.

Hibiscus Garden Club

The Hibiscus Garden Club will meet at 2:30 p.m. on Thursday, January 12, at the home of Mrs. O. F. Laye.

John Washington will lecture on getting ready for Spring and demonstrate the way for planting plants.

Hotesses will be Mrs. O. F. Laye, Mrs. Guy Decker and Mrs. T. J. Ward.

Cradle Roll

Mr. and Mrs. Aniceto Estrada, Zolfo Springs, announce the birth of a son, Erick NMN, born Jan. 3, at Walker Memorial Hospital, weighing 7 lbs. 15 oz.

Mr. and Mrs. Harold Kay Fithen, Bowling Green, announce the birth of a daughter, Amy Ann Lee, born Jan. 2, at Walker Memorial Hospital, weighing 7 lbs. 8 1/2 oz.

Mr. and Mrs. Tommy Ray Neil Phillips, of Avon Park, announce the birth of a daughter, Tiffany Chere, born Dec. 30, at Walker Memorial Hospital, weighing 6 lbs. 15 oz.

Mr. and Mrs. Timothy Allan Wycoff, Avon Park announce the birth of a daughter, Brandy Lee, born Jan. 1, at Walker Memorial Hospital, weighing 6 lbs. 9 oz.

Mr. and Mrs. Raymond Hubert Rash, Avon Park announce the birth of a daughter, Christina Marie, born Jan. 5, at Walker Memorial Hospital, weighing 7 lbs. 9 oz.

Clifford-Davis To Wed Jan. 13

The wedding ceremony, of Miss Lisa Marie Clifford and Rodney Davis will begin with the playing of nuptial music at 7:30 p.m. Friday, Jan. 13 at the First United Methodist Church at 200 South Lake Ave., Avon Park.

All relatives and friends are invited to attend the ceremony. A reception will follow, immediately after the wedding, in Wesley Hall.

Marriage Licenses

Lorenzo Williams, 23, Avon Park, and Christine Pough, 21, Avon Park.

Dennis Edward Hines Jr., 18, Lorida, and Karen Jean Thomas, 18, Okeechobee.

Robert Michael Dismora, 22, Okeechobee, and Carole J. Palmer, 21, Okeechobee.

Gail Burns And Robert Williams

Burns And Williams Announce Engagement

Mrs. Evelyn Burns of Avon Park is proud to announce the engagement of her daughter, Gail Evelyn Burns to Robert Mearl Williams, son of Mr. and Mrs. Darvie Acreman of Lake Wales. Gail's father was the late Charles Burns.

Gail is a 1975 graduate of Avon Park High School and attended South Florida Junior College and is now employed as a secretary at the Morris Adams Oil Company.

Robert is a 1973 graduate of Lake Wales High School and is employed as assistant manager Eckerd Drugs of Avon Park.

The nuptial vows will be taken on Feb. 18, at the Central Baptist Church of Lake Wales.

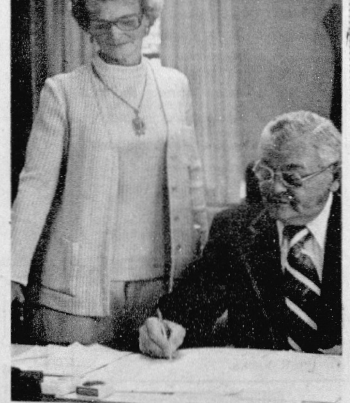

Course Set On Visual Testing

A course on visual testing for Amblyopia (lazy eye) will be conducted by Kathryn Wooten, program consultant for the Florida Society for Prevention of Blindness, Jan. 17-18-19, at the American Legion Hall, Lake Placid, from 9 a.m. until 12 noon.

Volunteers are needed to fill the quota for Highlands County. According to Pauline Dionne, pres. of the Dardelions, testing is scheduled to be given to pre-schoolers in all locations, of preschooler class and some first graders in Highlands County, and is sponsored by the Lions Club and its auxiliary, the Dandelions.

The course has the approval of Highlands County School Board and the class will be limited to 30 participants, "she said."

So call 465-0812 or 355-3542 and reserve your space today.

Ellerbee Hearing

that his committee acted only as an advisory board for the council, which had the final action. Ken Long also stated that the same applied for the competency committee. Except he was not applying for the job of building inspector.

Acting council president Barefield called for a roll call vote on the previous motion of a hearing on the building inspector. Britt, Dennis and Phillips voted in favor with Barefield voting no. As acting mayor Albritton did not vote.

It was moved by Britt, seconded by Phillips that the city receive charges for a period of one week from today (Monday, Jan. 16). The motion was approved on a 3 to 1 vote.

Phillips moved, seconded by Britt, to amend Section 102.10 of the Southern Standard Building Code to put all department heads under the control of the city council, to be appointed for two year term at the organizational meeting by the council and to serve at the pleasure of the city council. This was to be drawn up in the form of an ordinance.

Speaking from the floor, Spencer Pickett, John K. Nelson, Dr. Dan Davis and Neal Sellers all were opposed to amending the Southern Standard Building Code, asking the council to keep politics out of the building department.

Dr. Davis told the council when you get politics involved in zoning

you are in bad shape. Ellerbee stepped on somebody's toes and they didn't like it and if it comes to court he (Davis) will name their names and tell exactly what happened.

One came to me and said I'm not going to support you for county school superintendent because you turned me into city hall. And Dr. Davis emphasized I'll turn that man into city hall the next time he breaks the law. Ellerbee upheld the law and stepped on toes of people who think they are above the law. Again there was applause.

In a letter written to councilman Henry Dennis, by Suzanne Skipper, Secretary of the zoning board of adjustment, it was pointed out that the job of building and zoning official was a controversial job. Like the policeman, the enforcing of laws left the job open to criticism from those adversely affected by those laws. The job should be separated as much as possible from political pressures, with the official feeling free to carry out his duties without the fear of losing his job at the whim of the city council.

Miss Skipper, an architect, continued that the Southern Standard Building Code is a well-researched, well-written document used throughout the country and it clearly sets down the method for removal of the building official, which includes the filing of charges and a public hearing.

Jim Heim a member of two boards told the council he didn't believe there was any short course for a building inspector and the inspector would be better off with legal training as it was a time consuming technical job. He was fearful of a big turnover of building inspectors, if you keep changing every two years.

Since the competency board had cleared Ellerbee of charges through August of 1975, his attorney, Kelly, asked the council to put some restrictions on the time period of the charges that could be made.

On the question of civil service, Barefield read Sec. 67 of the charter relating to civil service, stating he did not know if Ellerbee was under civil service. However, Phillips said he was a member of the Civil Service board and he was sure Ellerbee was not.

There are two positions in the city that should not be subject to change every two years, Barefield told the council. He said he would like to see jobs of police chief and building inspector insulated from politics. He also said that Mayor Davis had voiced the opinion of wanting to see all of the department heads being placed under civil service, to which he would agree.

A vote to amend Section 102.10 of the Southern Standard Building Code was again on a 3-1 split with Barefield voting no.

Civil Service Report

Lease Renewal

The Avon Park Flying Service, by letter, gave the city a one year notice of their intention to renew their lease for an additional five year period.

Revenue Sharing Funds
Because an estimated decline of \$5.9 million dollars in state cigarette taxes, Avon Park's share of the reduction amounted to \$5,672, Crews told the council.

Street Paving denied
A request by Herbert J. Bieber requesting paving of West Palmetto Street off North Lake Avenue in front of the Manors II apartments was denied by the council because it was the responsibility of the developer, Avon Investments.

Richard Peavy of the Housing Authority told the council of cases where developers were required to set aside a percentage of land sales to provide for such improvements as streets and sidewalks.

Softball Field
The council moved to sod the softball infield and side lines for use as a little league baseball field and to repair fences where needed. Councilman Henry Dennis was asked to contact the Florida Power Corporation to move light poles where needed.

Tree damage
A semi-trailer truck striking a big limb of an oak tree on South Glenwood Avenue broke off the limb, which tore down the electric

power lines to the Giesler and Prevatt residences, at 5:35 a.m. last Thursday morning.

Giesler appeared to be caught in the middle as William Britt, district manager of Florida Power Corporation told him they would have to pay for the damage to their electric service and the city refused to accept responsibility because the truck had hit the tree.

Police Chief Bob Brooks stated a pick-up had been issued for the truck but thus far no response had been received. Councilman Larry Albritton had talked with William Britt who stated that Florida Power did not intend to bill the home owners for any action.

Other Action
The Council deferred action on the registration of Allan Ball as animal control officer until the return of Mayor Marshall Davis.

Moved to contribute \$200 to the Representative Skip Bafalis Legislative Intern program. Approved sending Fire Chief Mack Flowers to the Florida Fire Service Training Conference in Ocala, Jan. 24-27.

Voted to allow boat races on Lake Tulane Feb. 11-12 which will be sponsored by the Avon Park Volunteer Firemen's Association. Heard a request from Barefield for city crew to rework a drainage ditch on South Central Avenue across

from the Assembly of God Church. He reported the neighbors would keep the grass mowed.

The appointment of members of the Building Board of Appeals was postponed when Councilman Robert Britt objected to appointing members of the competency board. He stated new faces were needed.

Civil Service Report

It was reported by Mrs. Clarice Ford that the civil service board will be ready Feb. 1 to begin testing of employees and future employees. It was recommended that anyone in the same position for six months or longer be grandfathered in and not tested.

Mrs. Ford told the council that Dr. Speller of the University of South Florida had been developing tests for small cities and these would be ready in about a year. He had recommended using tests developed by the International Association of Personnel Management, Chicago. Costs of the tests ranged between \$30 and \$35 each.

It was moved by Councilman Robert Britt and seconded by Councilman Kelly Phillips to approve the civil service board recommendations and grandfather in employees who had been in the same position six months or longer.

Reciprocal Insurance

The council moved to authorize the execution of the subscription agreement with Poe and Associates by the payment of \$1 per capita into an escrow account. This would amount to about \$600.

The council hopes to save one third to one half on city insurance in the event the self insurance company is formed. There is \$55,000 budgeted for insurance and under the self insurance the cost would be approximately \$30,000.

City Sewer

plant. McWeeny reported that the city was caught in the middle as DER was not coordinated very well.

On other sewer work a lateral was to be lowered on S. Lotela Avenue and at N. Florida Avenue with the contractor trying to back out of lowering the latter line. McWeeny was asked to handle this matter. A lateral on West C amphor Street was also reported as needing to be lowered.

The final inspection of the rehabilitated old sewer plant last week was termed satisfactory with the exception of some asphalt work. On the matter of red or rusty

water in the city water lines McWeeny said Dawkins had made a report and was waiting for a decision from the city. Acting Mayor Larry Albritton said the council had discussed the possible installation of equipment at two wells. Virchen No. 922 with Wallace and Tiernan Model 44-747 equipment was recommended to solve the rusty water problem as the chemicals would reduce the acidity of the water and coat the interior of the iron pipe stopping the corrosion.

The cost was estimated at \$1200 for installation of the equipment and \$3000 for chemicals per well for one

year of treating the water from the well. Other cities using the chemical and equipment reported favorable use of the materials. It was moved to equip two wells, West Bell and West Glenwood, for water treatment.

MC Weeny was requested to prepare specifications for bids to repair the West Winthrop well to place it back in operation.

Discussion about a Housing and Urban Development request for the refund of \$26,193 for a planning advance made to the city 10 years ago was held. Areas served by sewer lines are the same but pump stations are different. McWeeny told the

council. Dawkins is researching the original plans and the final construction to find every difference before writing the HUD.

City Clerk Malcolm Crews reported that HUD representatives had asked the city to make a proposal about time payments stating that there would be a four percent interest charge on the unpaid balance.

Since HUD had made a counter offer, Richard Peavy of the Housing Authority said, the federal agency was not sure where they stand.

Approval of change orders to extend the sewer line along S. R. 17A

to U. S. 27 and changing to Flygt pumps on the North Lake Isis sewer project ended the discussion on the sewer and water problems.

Audit Report

The audit reports for the year ending, Sept. 30, 1977 were given by Bill Holmes of Bunting, Tripp and Ingley. Holmes reported all was in good condition as the city had done a commendable job in operating with available funds. He complimented City Clerk Malcolm Crews and his staff for doing a good job.

FINALLY-OUR NEW ARRIVALS 1-16-78

Everybody Is Talking About It.

Now Let's All Come See The Wellscopter.

Amtrak Changes

Amtrak has announced changes in the schedule of the Floridian, effective last Sunday.

That section of the Floridian which stops in Sebring on its way from Chicago, Ill. to Miami will now have different schedules. The northbound train which formerly stopped at 11:35 a.m. will now land at 8:02 p.m. The southbound train which reached Sebring at 7:18 p.m. will be seen at 11:08 a.m. There is no change in the timetable of the Silver Meteor.

Employment Census

Local representatives Hubert Horwitz and Mrs. Elizabeth Swenson of the U.S. Bureau of the Census will conduct a survey of employment in this area during the week of Jan. 16-21.

The survey is conducted monthly for the U.S. Department of Labor using a scientifically designed sample of approximately 70,000 households throughout the United States. Employment and unemployment statistics based on results of this survey are used to provide a continuing measure of the economic health of the nation. Information supplied by individuals participating in the survey is kept strictly confidential by law and the results are used only to compile statistical totals.

Bass

Tournament Set

The National Bass Association's first tournament of the new year will be held at Lake Okechobee Jan. 15-20, the first time the N.B.A. has invaded the great lake.

Tournament headquarters will be Dick Vance's Anglers Marina in Clewiston. Some 200-250 bass fishermen from the Southeast are expected to compete for the \$50,000 in

prizes and money. It will be the first of six N.B.A. \$50,000 qualifying tournaments for The National Bassmaster's magazine Gold Medalist event Nov. 5-10 at a site to be named later.

JOE'S MUSIC
101 W MAIN, AVON PARK
HIGHLANDS COUNTY'S FULL LINE MUSIC STORE

Besides golf, he also likes to play baseball. He played minor league, and senior league baseball since he was 8 years old.

Among his awards in golf, he holds a Heartland Conference Medal when he helped the team to a conference championship in 1976.

Mark was born in Wauchula, but has lived here all of his seventeen years. He is the son of Mary and Robert Palmer.

After graduation, he plans to attend South Florida Junior College or the University of South Florida, but he hasn't decided on his major yet.

Mark has enjoyed his past three years at Avon Park High School because, as he put it, "It's not too big and it's not too small."

This year seems to be the year for changes. But the one affecting this year's seniors the most is the rule requiring five classes.

When seniors were asked how they felt about the new ruling, some replied with such statements as "It's

Not Fair," or, "It stinks."

Senior Prine said she didn't like it and she added that seniors should take only as many classes as they needed in order to graduate. Charles Oliver said he felt it was a good idea for students who are just barely passing. But he felt it was a waste of time for students who come and take any class just to get by.

Senior David Starr felt that a senior works three years to get a point where he or she can relax and finally get to enjoy his last year of school before he ventures into the world of work or higher education, and now he doesn't get the chance. David felt that this was unfair to those in the class of '78 who worked for the past three years to find they were going to be deprived of what had been their rights as seniors.

But not all seniors felt this way. Carla Lunsford said it didn't bother her because she would have taken the five classes anyway. LeRon Rogers said that he didn't like the idea of being forced to take the classes, but he also would have taken them anyway.

However, when Les Watson, principal of Avon Park High School was asked why this change came about, this reporter received an answer he didn't expect. Mr. Watson said the school board was losing money because seniors were not attending for a full school day.

According to Mr. Watson, the state pays the school board for each credit hour that a senior is in school and with seniors coming only one or two classes a day,

Health Officials Discuss Mosquito Control At Meeting

Dr. Glen Hough and George Wolfe of the Highlands County Health Department had been requested to appear before the Avon Park City Council Monday night to discuss the mosquito control problem. Acting council president David Barefield told the two men there were fears of an epidemic following several cases of encephalitis in the community. He asked what the effects would be if spraying for mosquito control were done in the city and not in the rural areas surrounding the city.

Mosquitoes were becoming more important as disease carriers because of the St. Louis encephalitis, reported Dr. Hough. His main concern is the preventing of diseases. He said that the Bureau of Entomology in Jacksonville was the only control facility the state has.

As only three cases of encephalitis had been reported in the county last year, with only one related to mosquito bites, the problem was not of epidemic proportions. At present there was no county wide mosquito control program, but a city control program was better than none at all, he reported.

Commenting on the habitat of the mosquito, Dr. Hough reported that the insect had a range of 100 to 200 yards from its breeding area but winds would carry it for miles. It was also a problem in annoying domestic farm animals. He suggested city and area residents could do much to control the mosquitoes by cleaning up breeding areas of standing water in cans, old tires, plants, etc.

City Clerk Malcolm Crews reported on an inspection trip to

Disney World several years ago. The amusement center was spraying, a long canal, in swamps, etc. but not in the theme park, with new efficient equipment. The major cost was the chemicals being used.

City attorney Jack Hanceck reported the city council was concerned with the legal responsibility of a spray program, that if the county was not doing any control work there could not be any great liability on the part of the city.

Dr. Hough reported there were two aspects of a mosquito control program, that of killing the adult

mosquitoes and of killing the larva in standing water.

Surplus Property
The council moved to approve the application for surplus property acquisition from Camp Blanding and Ft. Myers. Four names were approved to sign for equipment: Fire Chief Mack Flowers, Police Chief Bob Brooks, city clerk Malcolm Crews and Mayor Marshall Davis.

The council approved authorizing city clerk Crews as the person responsible for signing for equipment for the Federal Aviation Administration.

Two Arrested For Burglary

In criminal informations filed last week two men have been charged with a burglary at Walker Memorial Hospital. Tom Gallagher filed the informations charging John E. McClellan, 21, and Earl S. Osborn III, with burglary. The two were arrested Dec. 28, a few hours after a break-in at a drug cabinet had been discovered. McClellan and Osborn were released on bonds of \$5,000.

Battery Stolen From Car

Faye Dance of Route 2, Avon Park told Highlands County sheriff's deputies that the battery was taken from her car when it was parked on the north Walker Memorial Hospital lot. Estimated value of the battery was set at \$60.

the school was losing money which was and is needed to pay bills.

Mr. Watson also stated that because of a number of complaints from parents about low grades and the upcoming junior assessment test, the school board thought a required five day for seniors was the best solution.

Committee Held Final Study Of Questionnaire

A meeting of the City of Avon Park Housing Assistance Plan (HAP) Committee was held Thursday, Jan. 5, at City Hall. At this meeting a final study of the proposed housing questionnaire was made. Several changes in the survey questions were made and a final copy is to be compiled. The survey is simple and will require only a few minutes of the house occupant's time to complete, when they are contacted.

Sample questions are such as: Name of family members residing in dwelling, do you own or rent? Are you overcrowded? Are you connected to city sewer or have a septic tank? Do you have hot water?

The intent of the survey is to discover present and future housing needs for the citizens of Avon Park. The HAP is required by the Department of Housing and Urban Development. The City of Avon Park has received Community Development Block Grant funds for three consecutive years.

A survey team of six ladies has been employed under a CETA grant. These are: Luttrell Strong (Crew Leader), Beatrice Peterson, Mary Ewing, Jennie Sullivan, Barbara Hanson and Mattie Matthews. All of these will have City of Avon Park identification cards when they call on you. Every resident is urged to cooperate fully in this important study.

Wind Protects Farmers Crops From Cold

Wind on Monday night and clouds on Tuesday helped Highlands citrus growers in their struggle to protect their valuable 1978 crop.

The county agriculture extension agent Tim G. Hurner said the current wave has hurt the county's cattlemen more than the citrus producers. Pastures which had just begun to recover from the post-Christmas cold snap succumbed to Monday night's cold so that cattlemen will have to revert to other, more expensive, foods for their cattle.

Hurner said temperature in the groves Monday hung between 25 and 30 degrees but fairly high winds kept the air moving and worked to prevent frost settling. Forecasters had predicted lower temperatures for Tuesday.

At sundown Tuesday, however, a cloud cover moved in from the Gulf of Mexico and blanketed central Florida. The mercury hovered in the middle-30's. With nature's help the citrus men did not have to light fires to protect their fruit and trees; a few rain wind machines, Hurner said.

Even though fuel for grove heaters has soared, the heaters will be used if they are needed to protect the crop now nearing maturity, Hurner predicted.

"With fruit worth \$4 to \$5 a box, the growers are going to fire," Hurner said, adding, "and at these prices it is important to protect next year's crop too."

Hurner pointed out that predictions now call for a new and more severe cold front to move through the ridge this coming weekend. The growers are bracing for the new threat and keeping heaters ready, he said.

...can be seen starting Monday at Wells Motor Co.

New Omni Will Go On Display At Wells Motor Co. Monday

Omni, Dodge's all-new efficiency sized car, is designed to please both car buffs and family car buyers by combining the comfort, roominess, and handling features Americans want with the economy they need.

"Omni meets the needs of the American motorist as only a U. S. designed and built passenger car can," said E. Ray Wells, owner of Wells Motor Co., Avon Park. "Omni offers economies in both purchase price and operating costs, yet has the familiar appointment levels that motorists in this country prefer."

The Dodge Omni is a four-door hatchback sedan built

on a wheelbase of 2520 mm (99.2 inches). The front-wheel drive, Omni is powered by a 1.7 liter (104.7 cu. in.), four cylinder transverse-mounted electronic Lean Burn computer controlled engine. A four-speed, manual transaxle is standard while a three-speed TorqueFlite transaxle is optional.

The new Omni can be seen Monday, Jan. 16 along with the helicopter the Wells brothers built, at Wells Motor Company.

Reamy and Versatile—Wells explained that, "The versatility of Omni's four-door, front-wheel drive design gives it a rainbow of identities. To begin with, Omni offers comfortable,

practical transportation for the single person or family of four. Then, with the flip of a seat back or the addition of an optional luggage rack, Omni becomes a weekend workhorse or a freedom machine to get away to the country. With its front-wheel drive and superior handling characteristics, Omni has the fun-to-drive qualities of a sports car."

Survivor To Speak

Norman Williams, survivor of the tragic Tenerife airline crash involving two Jumbo Boeing 747's, will be speaking at the Sebring Agri-Center on Jan. 16, 1978, at 7:30 p.m. Williams tells of the "miraculous MIRACLE OF GOD" which took place. As the flames engulfed him, and all those about him died instantly, he came forth from that furnace unscathed, to the praise and glory of God.

Be sure to attend William's appearance and hear of the terrifying story which shook the world. Williams has appeared before audiences including the George Otis Nationwide Television High Adventure. Hear the story of the powers of the Lord, from this man who has experienced near death conditions, and lives to tell his love for God.

Devilettes Set 5-2 Record With Upset Over Lake Wales Play Here Tonight

An upset win over previously undefeated Lake Wales last Monday night will send the Avon Park girls basketball team into tonight's home game against Okeechobee with a 5-2 record. The Devilettes used an aggressive zone defense and a steady offense to knock off the Highlander girls here by a score of 38-25.

Tonight, Jan. 12, the Avon Park girls basketball team will play the Okeechobee girls here at the high school gym in the fourth consecutive home game played by the Devilettes. Coach Lee's charges defeated Clewiston 44-18 and Lake Placid 37-16 in home games last week and were scheduled to play Lake Wales here last Monday night. The Devil ladies were 4-2 after last week's play.

Tomorrow night, Friday, Jan. 13, the Devilettes will travel to Arcadia to take on the DeSoto High girls team. Next Tuesday, the girls will play in Okeechobee in a triple header with the Devil jayvees starting at 5 p.m., the girls playing at 6:30, and the varsity boys meeting at 8 p.m.

Avon Park jumped off to a 13-4 first quarter lead and never trailed the Lake Wales girls who came into the game with a 6-0 mark. The Devilettes had lost to the Highlanders in Lake Wales last week, but turned the tables on the experienced team last Monday to take the upset win. A slow second quarter by the Devilettes gave Lake Wales a slight gain by halftime as the score stood 18-12.

The Avon Park girls came out for the second half in control and pumped in 10 points while holding the Highlanders to just 6 points for a 28-18 lead at the end of three periods. In the final period the Devilettes slowed down the pace and score 10 points again holding the girls from Lake Wales to 7 points for the 38-25 final score.

Scoring was well balanced for Avon Park with center Meg Schuler making 3 field goals and hitting 2 of 2 at the foul line, Laurie Welch scoring 7 points, Thelma Wessels and Katrina Conner both contributing 5 points each, Ellen Macklin scoring 5, Bernice Taylor coming off the bench in the final period to score 4 points, and Sally Braithwaite hitting 2 points.

Lake Wales' Ann Dickson was held to 12 points by the tough Avon Park defense. The Devilettes hit 6 to 12 free shots but the Highlanders made only 3 of 13 from the line.

Lake Wales-57 Avon Park 39
On Tuesday, Jan. 3, the Devilettes traveled to Lake Wales and lost to the Highlander girls by a score of 52-39 for their second loss of the season. A slow second quarter by the Avon Park girls, when they scored only 5 points while the Highlanders were scoring 10, made the difference in the final score.

Coach Lee commented that other than the second quarter, she was pleased with the play of the

Devilettes against the undefeated Lake Wales girls. After one quarter of play Lake Wales led 18-13, but went to the dressing room at halftime with a 28-18 advantage. The scoring was fairly even in the third period with Lake Wales scoring 13 to Avon Park's 11 and the Devilettes hit 10 and held the Highlanders to 11 in the final period for the 52-39 final score.

Avon Park center Meg Schuler scored 16 points, Linda Rowe and Katrina Conner hit for 6 each, Thelma Wessels and Laurie Welch scored 4 each and Ellen Macklin added 3 points for Avon Park. The Devilettes hit only 9 of 21 free shots.

Avon Park 44 Clewiston 18
Returning home for the first time after the holidays, the Avon Park girls cage squad smashed Clewiston 44-18 behind the 19 point scoring effort of Meg Schuler. Thelma Wessels pumped in 11 points, Linda Rowe scored 4 points, and Katrina Conner, Ellen Macklin and Debra Cox all contributed 2 points each to the winning effort.

The Devil defense was effective as it held Clewiston to 18 points. Score by quarters had Avon Park

leading 7-1 after the first, 16-8 at halftime, 30-14 after three periods, and then 44-18 at the end of the game. Avon Park made 8 of 26 shots from the foul line and Clewiston hit only 4 of 18 from the line.

Avon Park 37 Lake Placid 16
A tired up Avon Park girls cage team upset the Lake Placid girls by a score of 37-16 last Friday night here at home for its fourth win of the season. The win was a conference and district victory given the Avon Park girls a 3-1 Heartland Conference record, going into the Okeechobee game tonight.

Freshman guard Laurie Welch paced the Avon Park win over the Green Dragons last Friday as she kept defensive pressure on the Lake Placid offense and then scored 17 points for the Devilettes. Laurie made 8 shots from the floor and then hit 1 of 2 free shots.

Center Meg Schuler led the team in rebounds and scored 10 points with 3 field goals and 4 of 16 free shots. Katrina Conner scored 5 points, Thelma Wessels added 4 points, and Debra Cox made a free shot to close out the 37 point total effort.

PLAYMAKER ELLEN MACKLIN skids to a halt before passing off to an Avon Park teammate during the

game last Friday night here against the Lake Placid girls. Avon Park racked up its fourth win of the

season with a 37-16 victory. Sunphoto by Lew Miller.

Weather's 28 Points

Sparks Win Over Mulberry

By Les Burch
The Avon Park High Jayvee basketball team, sparked by Charlton Weather's 28 points, kicked off its home season with a 49-37 win over the Mulberry High Junior team here Tuesday night, Jan. 3. The win gave the Donald Sisemore coached Junior Red Devils a 3-1 record as they headed into a tough three game stretch against Santa Fe, Arcadia and Lake Placid. Arcadia accounted for the local team's only loss, beating them 59-46 at Arcadia before Christmas.

Avon Park started slowly and were down 8 to 10 at the end of the first quarter. Halfway through the second period, they were down by seven before Weathers started finding the basket. Once he got the range, he dropped in five quick buckets, which combined with tighter defensive play by the Junior Devils (they started using a FTU press) and some points by David

Sisemore, Al Conner, and Gerald Jones, made the half time score Avon Park 22-Mulberry 21.

After the break, with Weathers getting scoring help from Pernel Gibbs, Sisemore and Jones, the Junior Devils rolled up 19 points while holding the Mulberry team to six running their lead to 41-37 as the last period started.

With substitutes playing much of the final quarter, and Mulberry in constant foul trouble, Avon Park added 18 more points as compared with 10 for Mulberry, to win going away.

Scoring leaders for the Red Devil JV squad besides Weathers; included Pernel Gibbs with 9 and Gerald Jones with 8. The locals made 19 out of 34 free throws, while Mulberry made only one from the foul line out of 8 tries. Robinson, with 11 points, topped the Junior Panther scorers.

Junior Varsity Beats Hawks

Avon Park's Junior Varsity basketballers won two games last week, beating Mulberry 59 to 37 on Tuesday, Jan. 3, and Lakeland Santa Fe by a 54-23 margin last Friday night to run their season's record to four wins against a single loss Next Friday the Junior Red Devils play

Lake Placid at 6:30 in the Avon Park Gym.

With Charlton Weathers and Alvin Conner hitting in double figures, and David Sisemore adding six points, the local JV team made easy work of the Santa Fe Junior team holding a 28-17 lead at the half. They extended it to 48-22 margin at the end of three quarters.

The last quarter, with both coaches clearing their benches, was whistle-tooter's and a free-throw shooter's delight, with neither team scoring a single field goal. Avon Park did get six points making six throw attempts, while Santa Fe managed just 3 out of 13 tries.

Avon Park coach Don Sisemore gave all 13 of his travelling squad members a chance to play with 18 of the 13 making the scoring column.

CAPPED BY A Panther jayvee defender, this shot by Jeff Caldwell was stopped but the Avon Park junior varsity which chalked up a 58-39 win over the Mulberry "B" team last week here at the high school gym. The Devil "B"s were 4-1 going into last Tuesday's game with Arcadia. Sunphoto by Tom Fleming.

TAKING THE BALL straight up and into the basket is Red Devil center Laurie Welch. A Mulberry defender fails to block the shot during the game played here last

week. The Devils led all the way until the final minute when Mulberry came from behind to take a 48-48 win. Sunphoto by Tom Fleming.

Devil Varsity To Meet Lake Placid Here Friday

By Les Burch

Beating Lakeland Santa Fe 57-51 last Friday night, the Avon Park Red Devils boosted their basketball record to three wins and two losses as they headed into the third week of the season. This week, they tangled with Arcadia on Tuesday, and tomorrow night, take on the tough Lake Placid High team in the Avon Park gym. This meeting between the Devils and the Green Dragons promises to be one of the season's highlights.

Lake Placid, led by high scorer Bill Ross, is favored to win both the conference and District titles, and will be out to even a 19-7 defeat by the Avon Park five. Lake Placid beat the Lund coached locals out of the conference trophy last season, but the Devils came back to squeeze out an overtime win over the Dragons in the 1977 District tourney. The Jayvee game will start at 6:30 with the two varsity teams slated to go at it at 8 p.m.

Panthers Edge Devils 49-48 In Squeezer

The Mulberry High Panthers, trailing by five points, scored three quick baskets in the final minute of play to edge out Avon Park's varsity basketball team by one point here a week ago Tuesday night. Final score of the game, the season's home opener for the Red Devils, was 49-48 and left the local quintet with a two win, two loss record for the current campaign.

The game, the first since the holiday break, started slowly with both teams showing the effects of a two week lay-off. Avon Park led 11 to 8 at the end of the first quarter, but Mulberry, using a full court press and platoon substitution, closed the margin to one point at half time.

Action speeded up with the second half start. Jeff Adams got the Devils going with two quick baskets, but these were cancelled directly by baskets by Hardree and Polite for the Panthers. Then Rocky Bowersox, Mulberry guard, dropped in a lay-up to give Mulberry the lead for the first time at 31-30. David Williams came back with two quick baskets for the Devils, however, and they started the final quarter with a 34-31 lead.

The Devils, who led most of the game, built up a 41-33 margin early in the final period, and with three minutes left on the clock, still had a 5 point lead and appeared victory bound. Things looked even better for the locals when Greg Polite, Panther forward, fouled out and Charlie Pough went to the free-throw line for

At Lakeland last Friday, Coach Lund switched his starting line up, and with Edward Irvin and George Loyd leading the way, the Devils got off to a 13-9 first quarter lead, only to have Santa Fe pull back to within one point at half time. Then, with Charlie Pough, David Williams, Mike Coleman and Horace Moore, all getting into the scoring column, Avon Park racked up 16 points and a 42-32 third period lead. The Devils, thanks to five field goals by Larry Pough and four gift tosses by Jeff Adams, all in the fourth quarter, managed to hold on for a six point win, though with less than two minutes left, Santa Fe had cut the margin to three.

Larry Pough was high scorer for Avon Park with 14 points and he and his brother Charlie combined for 14 rebounds. David Dobbings and Ed Bodoley with 15 points each, led the Santa Fe team.

Larry Pough missed, however, and Clenton Stanci, Mulberry forward, subsequently scored to close the gap to three. On the next play, Freddy Williams drove down the floor for two for the Devils, and it was back to 48-43 with Avon Park ahead and only 60 seconds to play.

Then the wheels fell off. First, Emmanuel Hardree, Panther forward, who has two brothers playing pro-football, scored two points to make it 48-45, Avon Park. Stanci quickly put Mulberry within one following a Red Devil turnover, and then, with only seven seconds left, Terry Brown, Panther forward, tossed in a two hander to make it 49 Mulberry, 48 Avon Park. The Devils got off a last second desperation shot which missed and the game was over. Brown's game winning basket, incidentally, was the only field goal he got all evening.

The Devils lost Larry Pough via the foul route early in the fourth quarter, and even though Jeff Adams managed five last quarter points and Freddie Williams collected four more for the locals it wasn't enough.

Jeff Adams, with 11 points was high scorer for the Devils followed by David Williams with 9. Rocky Bowersox got 9 points for Mulberry and four Panthers: Hardree, Polite, Stanci and James Williams, each got eight. Avon Park was able to cash in on eight of 16 free throw attempts, while Mulberry made 5 of 17 gift shots.

Range Closed This Weekend

The Avon Park Bombing Range Recreational Area will be closed the weekend of January 14 and 15 due to the utilization by the 1ST BN 116 Field Artillery, Florida National Guard of Sarasota, FL and the 2ND BN 115 Field Artillery, Florida National Guard of Lakeland, FL. Individuals wishing advanced

information concerning Opening-Closing of the range to the public may do so by calling our Automatic Answering Service Number, 813-452-4223.

Based on present information, the Range will be open to the public on January 21 and 22, 1978.

Middle School Basketball Teams Play Here Monday

The Avon Park Middle School boys basketball team opened the 1978 season with a 42-20 victory over the Lake Placid team here at the Middle School gym last Thursday

afternoon, but the Avon Park girls lost their opener to the Green Dragon ladies by a score of 21-10 in the second game of the afternoon doubleheader.

This afternoon, Thursday, Jan. 12, the two Avon Park Middle School cage teams will travel to Sebring to take on the Blue Streaks in a doubleheader that will travel

This afternoon, Thursday Jan. 12, the two Avon Park Middle School cage teams will travel to Sebring to take on the Blue Streaks in a doubleheader that will travel

at the middle School gym starting at 1:30 p.m. with girls leading off the action and the boys game following.

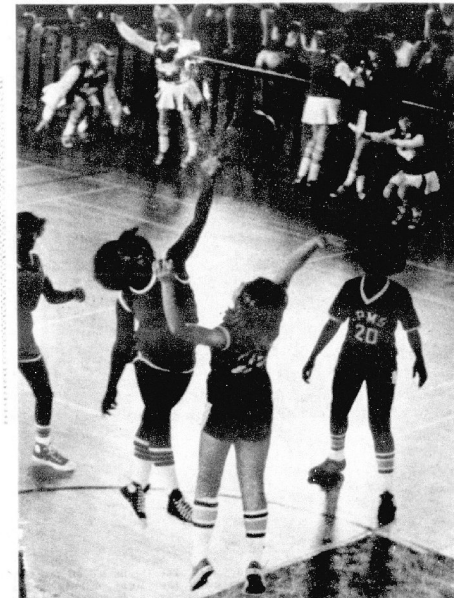

Last Thursday afternoon, the Middle School boys jumped on the Lake Placid boys for an 11-6 first quarter lead but the Dragons came back within one point at halftime to set the score at 18-17 favor of Avon Park. A big 14 points third quarter by Avon Park's team widened the lead to 32-18 after three quarters of play, and then adding ten more points in the final period while holding Lake Placid to just four points, Avon Park took the 42-22 win in its first outing.

Warren Moreland led the Avon Park scoring with 13 points. Doug Cook and Gary Smith swished 7 points each through the nets and Gray played an excellent rebounding game for the Devils Middlers. Larry Collins hit for 5 points, Charles Dunn managed 4 counters, and Curtis Taylor, Sam Smith, and Andrew Giles all contributed two points apiece for the winners.

Coach Cecil Walley gave his entire squad some game action. The local team committed 13 fouls in the first half and only 7 in the second half for a total of 20. The Devil Middlers were tight at the free shot line hitting only 6 for 20.

The Avon Park Middle School girls had trouble hitting the basket in the second game of the afternoon and lost by a score of 21-10 to the Lake Placid girls' team in their very first interscholastic game.

Tracy Brown scored 6 points, and Linda Knight and Linda Johnson scored 2 points each for the Avon Park TOTAL.

Placid is Charlotte Hart (left) with Linda Johnson behind her awaiting the ball. Sunphoto by Lew Miller.

Clifford, Smith Golfette Winners

The Golfettes of River Greens Golf Course met last Tuesday for their regular golf play. The play of the day was Low Net. Connie Clifford and Pat Smith tied as winners with a low net of 72.

Clifford, bride-elect of Rodney Davis. This was in the form of a linen shower for Lisa and she received many beautiful and useful gifts.

On Tuesday afternoon, the Golfettes hosted a party of Lisa

Delicious punch, cookies and nuts were served to the large crowd which was present.

MIDDLE SCHOOL CAGERS win opener. Avon Park's boys basketball team representing the Middle School opened the season with a win over Lake Placid last week. They will play in Sebring today. From left,

front row: Mgr. Eldrick Pressley, Andrew Giles (3), Larry Culpepper (5), Fred Doty (4) and Mgr. James Warren. Second row: Coach Cecil Walley, Warren Moreland (20), Glenn Caldwell (21), Charles Ismael

(12), Curtis Taylor (10), and Bart Murphy. Back row: Larry Collins (13), Doug Cook (14), Sam Smith (25), Gary Smith (44), Charles Dunn (25), Mike Fleming (11), and Mike Erving (15). Sunphoto by Miller.

Recreation

Flag Football Ends This Week

The boy's flag football league is going into its last week of play, with the Blue "Bombers" in the top spot. The blue team has climbed into the first place by virtue of several forfeits. The Gold "Getters" have fought their way into the second place, after a slow start at the beginning of the season. They now hold a 3-2 record.

Last week's games matched Gold and Red on Tuesday and then Gold and Blue on Thursday. The Gold won

both of those games by scoring 19 points in each contest. The red team couldn't come up with any points in the game on Tuesday, but the blue almost came back to win on Thursday, 19-12.

In the second game, gold scored on two long passes to jump to a 13-0 lead early in the game. Then in the second half, they intercepted a blue pass and scored to make it 19-0. The blue came back late in the game to score on a wide sweep by Steve

Baker that covered 60 yards. Then with only 30 seconds left in the game, the blue intercepted a gold pass and ran it in for a score. They failed on the extra point, making the final score 19-12.

Slimnastic Classes Start Tuesday

The Women's Slimnastic class, sponsored by the Avon Park Recreation Department will begin Tuesday, Jan. 17. It will be held in the newly built weight and exercise room directly behind the recreation Center. The class will meet each Tuesday and Thursday evening from 7-8 for six weeks.

The instructor, Mrs. Dona Guenther, will be using a series of simple exercises along with several exercise machines and devices, to provide a good program for slimming and firming all areas of the body. The fee for the entire program is just \$4 per person.

If you would like to join this class to exercise to a trimmer and healthier you, call the Rec Center to register at 453-6881 after 3 p.m.

Arts And Crafts Program Underway

An arts and crafts program for children 7-16 years old will begin Monday, Jan. 9 at the Avon Park Recreation Center. The class will meet each Monday at 4 p.m. for 8 weeks.

Simple projects will be made for the kids to take home after completion. Any child interested should sign up at the Center or call 453-6881 after 3 p.m. each day.

Only those signed up and paying the \$1.25 fee (25 cents per week) will participate. All materials will be furnished by the Recreation Department.

Lorrie Graf, Mattie Brown, and Tricia Williams. Not shown: Deneen Dasher and sponsor Kay Harrington. Sunphoto by Lew Miller.

Support The Red Devils

How Sweet It Is

COACH CHERRI LEE sympathizes with a self-satisfied smile as Lake Placid's assistant coach Nancy Jones, seems upset after Avon Park defeated the Green Dragon ladies here last Friday night. Coach Lee's Devilettes were 4-2 going into last Monday night's game here against Lake Wales. Sunphoto by Lew Miller.

Ireland's Bill Will Help Control Water Hyacinth

By Mark Albright
Andy Ireland, Fifth District Representative in the United States Congress, has introduced a bill, which if enacted, will begin to address the hydrilla and hyacinth problem.

Hydrilla originates in Central

Africa, and was first introduced into Florida about 1960 as an aquarium plant. Since then, it has spread rapidly and extensively and today, the weed infests between 200,000 and 700,000 acres of fresh water in Florida alone.

Presently, hydrilla is found in almost every area of Florida and has recently infested such important fishing and recreational lakes as Lake Okechobee, Orange-Lochloosa Lake and Lake Jackson, Sebring.

Unfortunately, hydrilla does not

confine itself exclusively to lake systems. In some parts of the withlacoochee River the plant has completely choked the channel, and it can be found fouling the drainage system throughout much of south central Florida.

Unlike the hydrilla, which floats on the surface, and can be eradicated with Herbicide 2,4-D for \$25-\$30 per acre, hydrilla which is rooted to the bottom and often submerged, is hard to treat and costs \$150-\$250 per acre to get rid of.

Experts estimate that hydrilla is

spreading at the rate of about 100,000 acres annually.

In addition to interfering with navigation, irrigation and recreation, many naturalists and biologists are concerned that, if not checked, hydrilla may ultimately upset the delicate natural balance between fish and other animal populations.

Joe Joyce, of the Corps of Engineers in Jacksonville, said that the hydrilla problem is under control in the Avon Park area.

JOHNNY WESTER (HOLDING the boar) bagged his eleventh and twelfth hogs on Jan. 2. With him were Tommy Pittman (left) and Ricky Cox. The combined dressed weight of the two hogs was 250 lbs.

Three Bag Big Boar In Hunt This Week

Johnny Wester, of Avon Park, bagged his eleventh and twelfth hogs of the season, Monday morning, Jan. 2. Wester, Tommy Pittman, and Ricky Cox had been hunting about an hour when at 6:45 a.m., Wester shot both a boar and a sow. The big boar, which weighed 181 lbs. dressed out was downed with only one shot from Wester's 12 gauge pump action shotgun. The sow weighed 68 lbs. dressed out. According to Wester the boar is the biggest he has killed this season. Although the boar was quite a prize, Wester did pay for it. His dog, Brandy, which is part Bull and part Cur, was injured while chasing the boar. The hunters were covering the Horse Hammock area next to Arbuckle Creek when the hogs were bagged.

Hunting Area Will Be Closed To Hunting For Rest Of Season

Hunters looking for quail or squirrel shooting on the Avon Park Wildlife Management Area after general hunting season closes need to make other plans.

Due to Air Force regulations prohibiting vehicles from leaving designated roads, the management area will close after this weekend. "Although this regulation does not reduce deer and hog hunters will have because they depend heavily on their vehicle while hunting," said Major J. O. Brown, Game and Fresh Water Fish Commission Regional Manager.

ENDS
General hunting season January 8
Quail, squirrel, snipe February 26
Duck (excluding special scoup season) January 20
Rabbits No closed season

By Barbara Ebmeyer

The new year opened quietly and cheerfully at Holiday Ranch with everyone extending wishes for a happy one to his neighbors.

On New Year's Eve there was the weekly dinner, followed by a showing of slides by Augie Tessonier of his travels in Arizona. The group then broke up with many of the residents having quiet parties in their trailers, where they played cards, watched the Times Square broadcast, and

toasted the New Year. A few couples held their observance in the community room.

Al and Mariam Pettes spent the evening in Bonnie Brae with Max and Ethel Putnam as they do every year.

On New Year's Day Clair and Ila Reno were dinner guests of the Max Crossets. The Reno's visited Mr. and Mrs. Fred Wood on Friday. Bob and Mildred Savage and the John Ebmeyers had dinner New Year's day at the Jacaranda Hotel and

then went to Lake Placid. Les Nesvik returned Wednesday from a holiday trip with his children in Indianapolis, Ind. He had gone on December 22. He brought back a little black poodle named Aigi.

Max and Doris Crossett, Tuesday drove to the Orlando Jet Rort to pick up Edwin and Bernice Douglas who flew in from Flat Rock, Ind. They are residents of Lake Bonnett and had been up to spend the holidays with their children. They all lunched at Duff's in Winter Haven.

The Bill Bergstroms and Dudley Bacons went to Winter Haven Thursday to see Mina Dudley's eye doctor and shop. They ate at Duff's, too. They also went to see friends at Lakewood Campground.

The Ted Lees and Augie Tessoniers spent Wednesday shopping in Lakeland. The Lees' guests this week were Mr. and Mrs. John Deer on Tuesday, and Mr. and Mrs.

Ivan Goddard on Thursday. Pete and Joan Mechanic, who have been in the park for a month, left for Texas and Arizona Sunday to visit their children. They and Al Pettes went to Haines City Wednesday to visit Mr. and Mrs. Lawrence Older, and on Thursday they had dinner at the Pettes.

Art and Eva Jones arrived Saturday for an extended stay with the Pettes. They are from Ballston, N. Y.

Bud and Edith Wilson have moved into their mobile home in Lake Placid and will sell their trailer here.

The Dorrance Warners of Lawrenceburg, Ind. came in this week to spend the rest of the season. He is a cousin of Woody Warner, and an old friend of Earl Howland, both park residents.

Bill and Leon left Tuesday for a visit to their home town, Avon, N. Y. Mr. and Mrs. Marion

Booker of Bremer, Ind., were guests of Bob and Mary Walterhouse for a few days this week. Friday they visited the Bok Towers, the Citrus Tower, and Donald Duck factory. Other guests of the Walterhouses were the Harrison Harnes and the Emmert Weavers. They and the Bookers spent a day at Bradenton visiting Mr. and Mrs. Harold Pittman and the James Vanskycks. They had dinner at Tim Pan Alley.

Harold and Dot Manges attended the Scramble and

dinner Sunday at River Greens Country Club.

What to do in case of tornado warnings was discussed at Monday mornings coffee. The channel running into the park was suggested as the safest place to go. Willis

Lehmer was appointed to take over the wagon master's job from Harley Kimerer next week.

Friday night at 7 p.m. Augie Tessonier will show more of his slides on Arizona.

Layne Presents Program At DAR Meeting In Sebring

The members of the Patriots Chapter of the Daughters of the American Revolution held their

meeting at St. Catherine parish hall, Jan. 2, with Mrs. Andrew G. Daigle, Regent, presiding. Mrs. Katharine Butts was introduced as a new member. It was decided to place an appropriate book in the library in memory of the late Mrs. Edith Fleck Jones.

The program was on Conservation, and Dr. James N. Layne, Executive Director of the Archbold Biological Station South of Lake Placid was the speaker. This institution is affiliated with the American Museum of Natural History.

He has been in the area for ten years and before coming to A. N. B. was on the faculty of University of Florida and Cornell

University. He gave a very informative talk on Ecology by explaining the relationship of various organisms, animals, etc., with the human race.

It was announced that the Card Party will be held Wednesday, March 8, at 12:30 p.m. to 4 p.m. at the Ag Center; donation is \$1.75 with refreshments and prizes. Tickets are available by contacting Gerdonna Jolley at 2217 S.E. Lakeview Drive or phone 386-1361.

The following served as hostesses: Mrs. Robert Fyke, Mrs. W. E. Schaeffer, Miss Margaret Crowe, Mrs. Ida McCollie, Mrs. Mary E. Rarig, Mrs. Helen A. Ramer, Mrs. Elizabeth Staveley and Mrs. Harp Childress who furnished a lovely arrangement of camellias and white azaleas for the tea table.

Lions Club Barbecue Set For Saturday

The Avon Park Lions Club will hold their first Annual Barbecue on Saturday, Jan. 14, starting at 11 a.m. until 7 p.m. The price per ticket will be \$2.75, which will include one half of chicken and colelaw, baked beans, roll and butter, along with tea or coffee and there will be cake for sale at the Club Home.

The regular meeting of the Club was held Tuesday evening Jan. 3. There were 36 Lions in attendance and five visitors. District Deputy Norm Smith of Sebring was in attendance along with Lions Mason District Deputy Smith induced the Rev. Robert

Barker into membership in the Lions Club. Come to the Barbecue, and help the Lions with their sight conservation project.

**Grange To Meet
At Woman's
Club House**

The Ridge Pomona Grange No. 10 will meet at the Woman's Club hall at the corner of Verona Avenue and Pine Street in Avon Park. The meeting will be on Saturday Jan. 14 at 8 p.m. The host of this assembly will be the Hardee County Grange. Plan to be present.

**"If we make

School Superintendent Dan Davis Speaks At Kiwanis Club Meeting

The speaker at the KIWANIS Club noon meeting last Tuesday, Jan. 3 was Superintendent of Public Instruction of Highlands County, Dr. Dan Davis. He said that many good things had come about due to the recent testing of eleventh grade students in the high schools. The teachers were requiring more discipline among the students and overall the students seemed to be taking more interest in their studies.

Many teachers were making more home visits and now the parents were more involved in their children's education. The attendance at the Parent Teacher Organization meetings is

way up. Dr. Davis said that the renewed interest by the teachers and parents is causing the students to take more interest in learning. Dr. Davis spoke briefly on the school building program. The contracts for additions on two Sebring schools have been let for \$750,000. He hoped by March or April that everything will be ready to let contracts on the middle schools in Avon Park and Sebring.

In answer to the requests to save the auditorium at the Avon Park Middle School, he said that this would be impossible because of structural difficulties and cost; but he felt that overall much progress was being made.

Dan Davis

Rotary Club Seeks Award Candidates

Arthur S. Turner, president of the Rotary Club of Avon Park, has announced that the club is searching for young people as candidates for Rotary Foundation educational awards for study abroad in 1979-80.

The awards, for graduate and undergraduate students, teachers of the handicapped, students in technical training programs, and journalists, provide round-trip transportation, educational and living expenses for one academic year, and funds for intensive language training, if necessary.

Since the program began in 1947, The Rotary Foundation has sponsored more than 10,000 students at a cost of \$35 million in involving 127 countries. A trust supported by voluntary contributions from Rotarians, Rotary clubs and others in more than 130 Rotary countries, the Foundation will spend \$25.4 million over the next three years.

The deadline for application to your local Rotary club is March 1, 1978. For further information on eligibility and application procedure, contact:

National School Volunteer Worker Week, Feb. 13-20

A county-wide Title I Parent Advisory Council meeting will be held at the Fred Wild Elementary School in Sebring, at 7 p.m. Monday, Jan. 16, 1978. Baby sitting services are available at the school for parents, attending the meeting.

To keep up with the regular work assigned in class, The Title I tests were given at the beginning of the school year.

There are 40 volunteer Title I workers in the county schools. During National School Volunteer Worker week, from Feb. 13-20, 1978, the county volunteer workers will be guests at a party given in their honor on Feb. 14 in Sebring, according to Lyn Dannels of the Growth in Volunteer Education, (Given).

Bogus Money

\$300,000 Counterfeit Seized Last Year

By Mark Albright
The U. S. Secret Service office in Tampa seized more than \$300,000 worth of counterfeit money during 1977. \$44,835 of this amount had already been put into circulation.

This raises the question of how much counterfeit money slips by the Secret Service and makes its way into the bloodstream of our economy.

While Avon Citrus Bank received no counterfeit bills during 1977, Highlands County Bank got three bogus \$20 bills.

One of the local stores, J. C. Penney's said they had received one counterfeit bill, but they had no record of when it was received or what denomination it was.

While Henry Dennis, at Thriftway, said they had received no counterfeit bills in the past year, Eckerd's Drugs stated they had received one bad \$10 bill.

Avon Park Police Chief Robert Brooks said that he had received one report of a man and a woman passing counterfeit \$20 bills in the Avon Park area.

Two methods of deter-

mining whether a bill is counterfeit or not, are by the type of paper it is printed on and the quality of the bill. Treasury paper is impregnated with blue and red linen fibers. The counterfeiters don't have access to this paper, and sometimes try to draw the lines on ink. But the fibers on real bills will be scraped off.

The portrait and oval background is one of the main areas that clearly show the definable impressions of a genuine bill. In examining suspicious bills, look for dullness in the portrait and for extra dark or light shading in the background.

For close examination, use a magnifying glass to note the quality of the crossing lines in the background. The crossing lines on bogus bills often appear ragged or partly merged.

Robert Leapart, vice president of Avon Citrus Bank said the easiest way to determine whether or not a bill is counterfeit is to check the points on the

Federal Reserve seal. The points on a genuine bill will be clear and sharp; if the points are off-set or flattened, the bill is probably counterfeit.

Pizza Hut Merges With PepsiCo Inc.

There has been a completion in the Merger between Pizza Hut, Inc. and a wholly-owned subsidiary of PepsiCo, Inc. This merger was announced by the Chairman of the Board and Chief Executive Officer of PepsiCo, Inc., Donald M. Kendall and the President and Chairman of the Board of Pizza Hut, Frank L. Carney.

No changes will be made due to the merger at the local Pizza Hut, but there will be a change in the cold drink menu, which is not related to the merger. According to Doug Buck, manager of the Avon Park Pizza Hut, the Root Beer selection will be replaced by Dr. Pepper in the future. The Avon Park Pizza Hut is

currently using Coca-Cola products, but plans to continue their use, despite now being controlled by PepsiCo, which produces Pepsi Cola, Mr. Pibb, and 7-Up.

Final approval was given for the merger by the stockholders of Pizza Hut at a special meeting. Pizza Hut is now a wholly-owned subsidiary of PepsiCo. As a result of this merger, each share of common stock of Pizza Hut will be converted into 1.55 shares of PepsiCo Capital Stock. Carney will continue manager of the Avon Park Pizza Hut, the Root Beer selection will be replaced by Dr. Pepper in the future. The Avon Park Pizza Hut is
