By Joel Wright

This week's featured senior Robbie Minard is from Miami, Florida. He moved here when he was in the fourth grade. Robbie enjoys water skiing, skin diving, and team sports. Being a rock music lover, Robbie's favorite singer is Bob Seger.

After graduating from high school, Robbie intends to join the Coast Guard. He also hopes to become a telephone engineer after his service in the Coast Guard. Robbie is the son of Mr. and Mrs. Robert Minard Jr., and is the fourth oldest of four brothers and one sister.

Robbie has enjoyed his past three years at Avon Park High School because he has made a lot of good friends. "I'll remember my four years of school here for the rest of my life," he says. "I've had an overall good time."

A trip to Washington D. C. is in store for Walter Roberts, a junior at Avon Park High School who chosen for the Washington Intern Program from among eight other applicants to spend a week observing firsthand the way our government is conducted.

Denise Blackman is the alternate in the event that Walter is unable to make the trip. Walter will be making the trip as a guest of Skip Bafalis, 10th Congressional District. Now in its sixth year, this program has given more than 100 students from high schools throughout the district a chance to look at our federal government in action.

This look at our government will include face-to-face meetings with key

personnel in the executive, legislative, and judicial branches. There will also be briefings by members of the Florida delegation, State Department representatives, and members of prominent committees of both the House and Senate. Of course, there will be sufficient time to permit sight seeing.

In order to qualify for the program, Walter was required to answer questions. The first question was "Why do you think you should be considered for participation in this program?" The other question was "If you are selected, how would you perpetuate the program in your school after you have returned from Washington, D. C.?" All candidates were "screened" for grades and citizenship as required by the Bafalis Committee.

To become a candidate, interested students first filled out an application secured from their America History teacher. Then, the applications were examined by a faculty review committee. After reviewing, the eligible students' names were announced to the junior class via ballot form. This form had the answers to the two questions asked by the Bafalis Committee. The members of the junior class were to vote for what they thought were the four best answers on the form. The names of the four semi-finalists were then sent to the District Intern Committee.

This committee is comprised of citizens from various backgrounds and professions who serve voluntarily and who make

the final selection of the representative and alternates.

Pleased to be chosen as the representative from Avon Park High School, Walter said, "I think this will be a great opportunity to learn about the processes of lawmaking. I plan to be a lawyer so it will be interesting to not only learn how the laws are made, but to actually watch the process of lawmaking."

After he returns from his trip, Walter hopes to hold seminars with next year's juniors to explain and answer any questions about the Washington Intern Program and its many benefits. He will also try to speak to any interested local organizations in an effort to further this project in the community.

It seems like the senior year is a year of testing for most students, and sometimes it is easy to forget the test locations and dates.

The guidance department would like to remind the registered students of testing areas and times. First, the SAT (Scholastic Aptitude Test) will be given at Sebring High School on Saturday, Jan. 28. Testing will begin at 8 a.m.

Next, there is the ACT (American College Testing Program) given here at Avon Park High School on Saturday, Feb. 11. This test also begins at 8 a.m.

Knowing these dates and locations is extremely important especially if you are a college-bound senior. Any further information needed can be acquired through the guidance department.

Iran Exchange Students At Howey Academy

Six new high school students from Iran will be joining Howey Academy's world-wide enrollment as applicants for the January 23 second semester continue to arrive.

Boys and girls from 26 foreign countries at college preparatory Howey are now exchanging cultures with boarding and day students from Florida and 25 other states.

Most overseas students at Howey are bound for U. S. college, and find specialized programs at Howey help to overcome language and cultural differences.

"English as a Second Language" is conducted by Howey's Language Education Specialist to help foreign students progress academically and adjust to American customs. Word

of this successful program now in its fourth year has spread to Latin American and Asian families.

In addition to structured learning programs, foreign students as members of a Howey-sponsored speaking group, chorus, and athletic teams, learn by being a vital part of the Academy's community relationship throughout central Florida. Howey students, both

American and foreign, are experiencing a small world atmosphere where they find learning both stimulating and relevant to the adult world.

Friends of the Library, Paul Gentry, president called a meeting of the Board Monday afternoon for annual reports. Eight members met in the Dawson Room of the Library. With regrets the Board accepted the resignation of Edgar Smoot, treasurer. Edgar is one of the Charter and founding members of Friends. Mrs. Eleanor Trescott was elected to serve as Treasurer of the organization.

Mrs. Caroline Moore, Librarian, was commended for the good job she is doing. Her assistants, Mrs. Billy Hise and Mrs. Estelle Fischer, have both seen librarians come and go but they say she is the best. Her work to provide interesting programs for the children is evidenced by their increased attendance. Each Tuesday afternoon a film is provided for adults and the attendance has numbered fifty people at these programs.

These extra activities are made possible by having the Dawson Room. This room was built by a gift from the late Mrs. L. Dawson. Friends furnished this room and also provide money to the librarians for other needs of the Library. The great need at the library now is increased office space, and more book stacks, which Friends cannot provide.

The next meeting of the Board for Friends of the Library will be held Monday, March 5, in the

Dawson Room. At that meeting plans will be made for the annual membership drive. Money from memberships is used to pay expenses for the extra activities, especially the

Frances Barnes Displays Paintings At Library

Frances Barnes, (wife of Robert E. Barnes) oil paintings are on display in the Avon Park City Library and will be there throughout the month of January.

Mrs. Barnes came to live in the Avon Park area permanently two years ago, they have been winter residents since 1970.

She became interested in oil painting while the Barnes were living in Quincy, Michigan. She and a neighbor friend attend adult education classes and during her winter visits to our area she attended the Sebring Art League in Sebring.

Frances likes a variety of styles and colors in her oil paintings. She does, however, have a tendency to favor light colors.

Among her other hobbies are crocheting, needlepoint and cake decorating. She is active in the Winter Guest Club and a member of the Michigan Club of Highlands County.

You are cordially invited to stop by the Library, view her oil paintings and perhaps check out a book or two.

The first of three pick-up days for the Avon Park Band's Auction and Band Day will take place Saturday, Jan. 28.

Band Students will canvas all sections of town for any "treasures, new or used."

All appliances, furniture and household items of any kind are welcome and a telephone call will insure a truck to pick up large donations. Call 433-3634 or 433-7897.

Everything will be repaired and auctioned off on March 11, at the Band's All Day Auction.

Plan to spend the day with your band, March 11.

William Mixon Found Dead

The body of William Mixon, 57, who was found dead in an orange grove near Avon Park about two weeks ago, has been claimed by relatives in Texas and is to be shipped to Savannah, Ga., for burial.

According to Highlands County Sheriff's Department, deputies were able to locate Mixon's sister in Texas.

Mixon, a migrant worker, died Jan. 13 of natural causes, an autopsy showed.

EMS Makes 18 Emergency Runs In County

Highlands County Emergency Medical Service reports there were 18 emergency runs, 10 in-county transfers and four out-of-county transfers in Sebring during the week of Jan. 8 - 14.

During the same week in Avon Park there were 14 emergency runs and one in-county transfer; there were six emergency runs in Lake Placid.

Hadley reported that the EDA project on sewers for the north side of Lake Isis was on schedule and that the contractors had finished work on the north side, except for cleanup and was ready to start on the east side next week.

The first items discussed concerning the Lake Isis sewer project were complaints filed with the city. It was noted that William Britf, manager of the Florida Power Corporation and resident on Palm Drive, had complained that rather large mounds of dirt had been piled up to 30 feet on his property, which is reported to have a lawn of centipede grass. Centipede is a very fine and expensive type of grass.

Hadley mentioned that his company was only planning to resod the damaged areas with standard sod and had no plans at the present time to replace any centipede grass. Although no definite action was taken, Hadley stated that he would look into this problem and discuss it with the engineers.

It was brought up by council president, Larry Albritton stated that this was not normal and asked if there were any difficulties concerning these sludge beds. In reply, Hadley stated that there are two reasons for the sludge backups.

The first reason was that there has been an overload at the new plant, due to the need to drain too often. This is normal for a new plant and should not cause a problem in the future. The second reason was the extreme wet weather has been raising the water table, thus adding to the problems that go along with the new plant.

It was also pointed out by Mr. Albritton that during the rainy season, the sludge beds might become equally intolerable as they are now. Mr. Hadley stated that by the time the rainy season comes the problems with the sewer plant should be ironed out. He also stated that he would discuss this point with the engineers.

The next item covered in the completion of the pipelines and the plant. The inspection was agreed to be held on Feb. 1 at 1:30 p.m. The 201 Sewer Conference will also be held on Feb. 1 and will be held at a.m. Specifications for the W. Winthrop St. well repairs and the red water treatment were discussed next.

It was stated by Mr. Hadley that if the plans and specifications for both of these projects were drawn up by the Feb. 13 council meeting, bids could be presented for publications in the

Lake Isis Sewer Near Completion

With the near completion of the Lake Isis sewer project close at hand, a report was made to the city council by Chuck Hadley, a representative of Dawkins and Associates, the engineers in this Economic Development of Dawkins and Associates, the engineers in this Economic Development Administration funded program. Several points the sewer plant, the sewer lines, public complaints, and inspections of the operation were discussed at great lengths and in extreme detail.

Hadley reported that the EDA project on sewers for the north side of Lake Isis was on schedule and that the contractors had finished work on the north side, except for cleanup and was ready to start on the east side next week.

The first items discussed concerning the Lake Isis sewer project were complaints filed with the city. local newspaper for the Feb. 16 issue of the Sun.

The receiving and awarding of the bids then held 14 days later on March 1 or at the regular March 13 council meeting. It was agreed upon to attempt to draw up the required specifications and plans by Feb. 13. The final item discussed by the council concerning sewer improvements, three the sewer and water extensions onto the proposed subdivision planned by Roy Taylor, which will be called Del Mar Va Heights. The council began discussing this point, Mr. Taylor was not present.

In the absence of Mr. Taylor, the council decided to extend North Anoka Avenue another 800 feet, so that it would "but" Mr. Taylor's property. The council then moved on to other business at the meeting's agenda. It was then suggested, upon the appearance of Mr. Taylor, that the discussion concerning his property be re-established.

Taylor agreed to pave the streets and provide water lines to the houses to be built on his land. In exchange for absorbing the cost of the streets and the water lines, Mr. Taylor asked the council to approve a sewer extension for the housing development and to provide three fire hydrants, and one normal six inch valve for the water lines.

According to Councilman Albritton, the city does have the federal funding to complete the sewer extension into the Taylor project, but the city does not have funding for anything concerning water extensions, which includes the fire hydrants and the valves. The only federal money which has been allocated to the city is for sewers.

In the discussion of Mr. Taylor's proposal, council vice-president David Barefield stated that although he was willing to spend as much of the federal money as possible he was worried that if they were to provide Mr. Taylor with the sewer extension that the city would then be obligated to do the same with every developer who decides to build in Avon Park.

During the discussion, Glen Shabert, a builder, said that one year ago, he bought ten acres for development. The city paid for only half of the sewers and he still had to put in his own streets. Councilman Britt stated that the proper solution to this problem would be to go ahead and spend the federal funds available and if another developer were to ask about sewer extensions, the council should have to reply on the basis of federal funding available.

It was pointed out by city Clerk Malcolm Crews, that federal officials specifically stated that the funds were not "wanted" to be returned. It was stated that the council should go ahead and spend the money for the extra sewer extension for the betterment of Avon Park.

It was agreed to build the sewer extension into Mr. Taylor's

property, but the council still didn't want to pay for the fire hydrants and the valves. Several different proposals were made, until finally it was advised by City Attorney Jack Hancock that in return for the sewer extensions and as a good faith measure, that Mr. Taylor put up a bond which would equal approximately half the cost of the sewer extensions of \$25,000.

This cash deposit would be in agreement that Mr. Taylor will put the streets and the water lines into the housing project within a year and that the \$25,000 be a final payment for the streets and the water lines to the contractor. Mr. Taylor will also have to supply the fire hydrants and the valves.

According to Mr. Taylor, his total investment in the streets and the water facilities will total an estimated \$40,000 plus the cost of the fire hydrants and valves. Malcolm Crews estimated that this cost would be the neighborhood of \$2000. Mr. Taylor agreed to these terms and the council voted unanimously in favor to support these terms.

In the meeting it was also moved to allow citizens to have extra water lines put in while the city is in the process of putting in the required basic water lines. If the citizens involved would be willing to pay for the extra lines this would be feasible. The extra cost to the citizen would include the y-joint and the additional pipe extension. This was approved by the council.

Additional Gasoline Tax Studied

There's a possibility that Highlands County voters may be asked to consider an additional one-cent per gallon gasoline tax in the November election.

During the last session of the state legislature, lawmakers gave counties authority to levy a one-cent per gallon gasoline tax that could be used for transportation systems or for maintenance and repair of existing roadways.

The additional tax can only be levied if voters approve the increase in a referendum.

Highlands County Commission Chairman C.J. "Buddy" Wise appointed a committee of county representatives and officials of the county's three cities to

look into the possibility of placing such a tax on the November ballot for voter consideration.

According to Charles Cullen, county administrative assistant, an estimated \$294,000 could have been generated from a penny-per-gallon gasoline tax during the period of October, 1976 to October, 1977.

Paving, bridge repair and other road-related maintenance and construction projects could receive the tax revenue.

Commissioner Cecil Skipper said representatives from the county's cities could be appointed to the committee, since cities also have road repair and construction expenses.

The committee is to review the possibility of the tax request being placed

before the voters.

Wise announced appointment of several persons to the committee.

Those asked to serve include Commissioners Cecil Skipper and Norman "Jug" Heston, Cullen, Avon Park Clerk Malcolm Crews and Avon Park Councilman Robert Britt, Sebring Clerk Jack Stroup, and Sebring Councilman Cecil Heston, Lake Placid Clerk Thelma Edgemore, and Lake Placid Mayor J. D. Watson or Lake Placid Councilwoman Arlene Tuck.

Those appointed have not given confirmation that they will serve.

Taxes on gasoline that are used for maintenance are borne directly by those who use roadways.

Rotary News

Program Chairman, Norris Brooks, presented Bob Gibson, Director of Field Service Activities for Florida Citrus Mutual as the speaker for the Wednesday meeting. Gibson is a former resident of Avon Park and past president of the local Rotary Club. He now resides in Wauchula.

His comments began with an up-date on the current problems the citrus industry faces. Most of those problems can be summed up in one word, "Government". He reminded us that the citrus industry is the largest single industry in this locale and it provides more than 40 percent of the taxes for our community and requires very little in the form of services in return.

Unlike many food producers, the citrus industry receives absolutely no subsidies of any kind.

The second part of Mr. Gibson's program explained the many services that Florida Citrus Mutual's "Weather Watch" program provides to the citrus producers and property owners. Mutual collects the information from key reporting points from all over Florida during suspected freeze periods and disseminates the actual and predicted low temperatures for given areas.

Devilettes Chalk Up Two Wins

Cosch Cherri Lee's Avon Park girls basketball team chalked up two victories this week beating Frostproof 52-22 last Thursday night and knocking off Hardee last Monday afternoon by a score of 41-30 to post an 8-4 record going into the Heartland Conference tournament in Lake Placid this week-end.

The Avon Park girls jayvees were scheduled to meet Sebring in the opening game of the tournament yesterday (Wednesday) at 1 p.m. and will play again on Friday afternoon at 4 p.m. if they won.

Next Tuesday night the girls will travel to Ft. Meade for a triple-header with the varsity and junior varsity boys. The boys jayvee will start at 5 p.m., the girls will play at 6:30 p.m., and the boys varsity will take on the Miners at 8 p.m. The Devilettes defeated Ft. Meade 41-21 in the season opener before the holidays.

Avon Park-41, Hardee-30
Behind the 17 point scoring effort of Meg Schuler, the Avon Park girls defeated Hardee 41-30 last Monday afternoon before the student body at Hardee High. Schuler hit 8 shots from the floor and 1 of 4 free shots for the top scoring honors.

The Devilettes took over control of the game early taking a 14-7 first quarter lead and then holding on for the 41-30 victory. At halftime Avon Park led 22-12. After three quarters the Avon Park girls were on top 32-21 and then scored 9 points to Hardee's 10 in the final period.

Freshman Laurie Welch scored 12 points with 4 field goals and 4 of 6 shots from the line. Linda Rowe had 3 points; Thelma Wessel, Katrina Conner, Ellen Macklin, and Sally Braithwaite had 2 points each; and Annette Blake contributed 1 point to the winning effort.

Okeechobee-31, Avon Park-28
Down in Okeechobee Tuesday night a week ago, Jan. 17, the Red Devil girls came out on the short end of the score as the Brahman ladies came back after trailing 18-8 at halftime to tie the game up 22-22 after three quarters and then win by three points, 31-28.

Philicia Allen's 18 points for Okeechobee was high for the game and she tallied her team in the victory. Thelma Wessel led the Devilettes scoring effort with 10 points followed by Katrina Conner with 8 points. Freshman Annette Blake scored 4, Ellen Macklin hit for 3, Meg Schuler was held to 2, and Laurie Welch added 1 point to the Avon Park total.

The Avon Park girls made only 6 of 13 free shots while Okeechobee made 13 of 21 bonus shots. It was Avon Park's second loss to the Brahman girls this season.

Avon Park-35, Frostproof-22
Last Thursday night, Jan. 19, the Devilettes outscored the Frostproof girls 52-22 in Frostproof with all twelve Avon Park girls getting plenty of action. Coach Cherri Lee used her starters in the first quarter and then again in the first four minutes of the fourth quarter. The rest of the game the reserves took over for some needed game experience.

Again Thelma Wessel was high scorer for Avon Park hitting 8 floor shots for 16 points. Meg Schuler scored 12 points and seven other players got in the scoring act. Ellen Macklin had 5; Laurie Welch, Bernice Taylor, and Sally Braithwaite had 4 each; Linda Rowe scored 3; and Katrina Conner and Ethel Pugh scored 2 each.

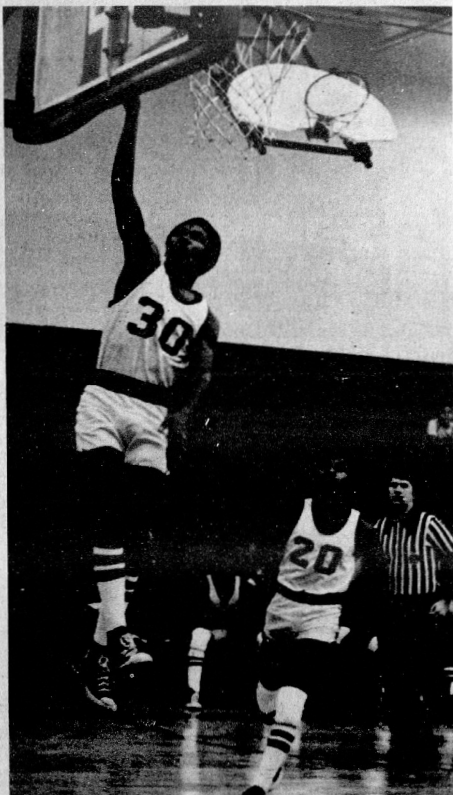

The Devilettes had a poor showing at the free shot line hitting only 6 of 20. Ellen Macklin was 3 for 3 at the foul line.

Range Open This Weekend

The Avon Park Recreational area will be available for camping and recreation beginning at 12 p.m., Saturday, January 28, and closing at 8 p.m., Sunday, January 29. The Air Force has scheduled flying on Bravo Range on Saturday, January 28 by the 910th and Unit out of Youngstown, Ohio, utilizing the Range until approximately 12 p.m. Saturday the 28th.

All personnel wishing to utilize the Air Force Recreational Areas will be required to check in and out with the Air Force Security Police located in Building 425, approximately 1/4 mile past the main entrance of the Range on State Road 64.

All interested persons are urged to confirm these times prior to arriving at the Range by calling 813-452-4223.

CHARLTON WEATHERS AND Alvin Conner (20) are all alone at the Avon Park jayvee basket as Weathers lays up a two-pointer after a fast break against Fort Meade here last Thursday night. The Devil

Junior varsity outscored the Miner Jayvees 78-34. Conner led the Avon Park jayvee scoring on Friday night in Frostproof with 22 points in a 66-26 win for the Devil "Bees" Sunphoto by Tom Fleming.

Fifty Two In River Greens Pro-Am Foursome Tournament Last Week

Fifty two men came to play, but only four walked off with top honors in the weekly Pro-Am tourney at River Greens last week. Biggest winner was the weatherman, who turned on the sunshine and heat for his best performance of the current Pro-Am Series.

Winners, playing as a four man team were Roscoe Files, Lou Vedder, P. D. Wells, and Dick

Lundquist. The runner-up foursome, trailing by a single point, included McGee Hostetter, Fred Hoffer, Oley Roehrig and Charlie Leagans.

Leading the "A" division players was Ross Hendrick. Fred Holay topped the individual "B" players, with Charlie Brown winning the "C" Division. Charlie Leagans copped "D" honors.

FIRING A FIFTEEN footer at the basket is Red Devil center Meg Schuler during the game played in Frostproof last Thursday night. The

Devilettes over-powered the Bulldogs girls to win by a score of 52-22. Sunphoto by Lew Miller.

Red Hot Jayvees Win 9 Straight For 10-1 Record

The red hot Avon Park Jayvee team stretched it winning basketball streak to eight straight last week, winning all three games scheduled. Then last Monday they made it nine straight beating Sebring here 60 to 46.

The Junior Red Devils smothered Okeechobee 61 to 29 at Okeechobee on Jan. 17. Last Thursday they topped Fort Meade 79 to 34, and on Friday trampled Frostproof 86 to 26. Monday night's win over Sebring made it ten wins for the Avon Park team against a single loss for the season to date.

Coach Don Sisemore's team, now red as one of the top JV squads in the area, has piled up 346 points in its last five games, while holding the opponents to 172 points.

The Jayvee team will be idle until next Tuesday night when they travel to Fort Meade for a 5 p.m. game with the Junior Miners.

Avon Park-60, Sebring-46
Charlton Weather hit for 25 points here last Monday night to lead the Avon Park Junior Varsity team to a 60-46 win over Sebring High, making it nine wins in a row for the Junior Red Devils.

Trailing by two points at the end of the first quarter, Coach Sisemore went to a spread offense and from then on the Avon Park team was never headed. They held a 27 to 23 lead at the half, and were out in front 43 to 32 at the final period started.

Kevin Coleman, replacing David Sisemore who went out with an injured thumb, came through with 12 points for Avon Park, while Alvin Conner added 13.

Avon Park-66, Frostproof-26
Alvin Conner pumped in 22 points to spark the Avon Park JV basketballers to a run-away 66-26 victory over a small, but game Junior Varsity team from Frostproof Friday night.

The Junior Devils, seemingly getting better each time out, ran up a 25 to 2 lead in the first quarter and held a 43-10 margin at the half. With Coach Don Sisemore freely using his entire squad, the Avon Park team led 66 to 12 after three periods, and then added 20 more in the final period while Frostproof garnered 14 points.

Conner got plenty of help from the rest of the Avon Park team with Charlton Weathers getting 110, Jeff Caldwell 11, Gerald Jones 10 and Dewayne Council contributing eight last period points. Eleven players scored for the Devils.

Johnny Coleman was the only Bulldog player in double figures, hitting for 16 total and accounting for all 14 points scored by Frostproof in the final stanza.

Avon Park-78, Ft. Meade-34
Gerald Jones picked up 18 points and managed eight steals last Thursday night as the Avon Park Jayvee team ran their season record to 8-1 with a big 78 to 34 win over Fort Meade. The game, a make-up was played on the Avon Park floor.

The Junior Red Devils, utilizing more fast breaks than usual hit 25 points in the first period, while holding Ft. Meade to just eight. After building up a 47 to 20 half time lead, Avon Park, played most of the last half with the starting five becoming spectators, as all thirteen squad members got in a lot of playing time.

David Sisemore hit 15 for the locals, while J. D. Taylor collected 16 rebounds and pumped in 11 points. Larry Jackson, coming off the bench scored eight points in the fourth period to boost the Junior Devils total to 78. Then, with the final buzzer about to sound, Dwayne Council uncorked a 60 foot toss from the backcourt that swished through the hoop making the final count 78.

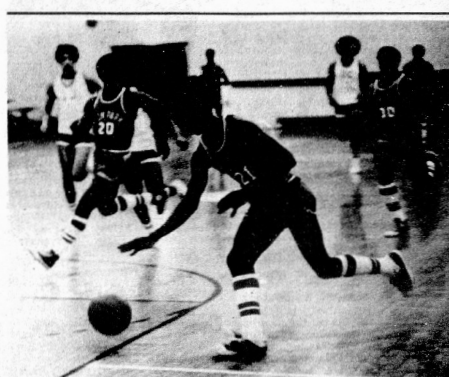

Thursday's nights game was the second straight game in which the Junior Devils have more than doubled the opponents score.

Avon Park-41, Okeechobee-29

It was Avon Park all the way, a week ago Tuesday, when the Junior Red Devils, coached by Don Sisemore, outplayed, outrebounced, and more than doubled the scoring of the Okeechobee Junior team to win by lopsided 41 to 29 score.

Displaying steady ball control and a well-balanced shooting attack the Junior Red Devils went ahead by a 13 to 8 count in the first period, and held a 46 to 14 lead after three periods. The Jayvee defense was tough too, holding the Okeechobee team to two points in the second quarter, and only four in the third.

Sisemore used every player on his 13 man squad and everyone of them got into the scoring bracket. Charlton Weathers, fast developing into a top ball handler, and rebounder scored 10 points for the Devils. Three other Avon Park players, Alvin Conner, David Sisemore, and Gerald Jones caged eight apiece for the locals.

Devils Meet Brahman In Loop Tourney Tonite

It was two for four in eight days for the Avon Park High varsity cagers during mid January, and according to Coach Tom Lund, "it wasn't too bad," particularly when three of the four had to be played with starting center Larry Pough sitting on the bench.

A recap of the games lists a 78 to 52 loss to Okeechobee at Okeechobee on Jan. 17, followed by a 67 to 55 win over Fort Meade here last Thursday. On Friday last, the Red Devils squeezed by Frostproof 72-68, and on Monday night, they dropped a double overtime game to Sebring 72-69.

Tonight (Thursday) the Red Devils will meet Okeechobee at 8:30 p.m., in the Heartland Conference tournament in Lake Placid. The tourney will run through Saturday night. Next Tuesday night the Devil varsity will play the night-cap of a triple-header in Fort Meade starting about 8 p.m. following the boys jayvee game and the girls varsity game.

Avon Park-49, Sebring-72
Calvin Sanders, hitting for 24 big points, sparked the Sebring Blue Streaks to a 72-49 double overtime win over Avon Park here Monday night, in one of the "foulingest" games seen here this season.

All told there were 50 fouls called with 32 against Avon Park and 18 against Sebring. Six players, three from each team were tossed out of the game for exceeding the foul limit.

And it was free throws that made the difference with Sebring hitting for 20 points from the free throw line while Avon Park could only collect on 11 gift tosses.

The Red Devils trailed most of the ball game being behind 31 to 36 at half time and eight points behind when the final period started. Then the Avon Park defense tightened holding Sebring to seven points while the Devils, with Freddie Williams and Horace Moore, each getting four, added 15 points to tie the game up at 61-61 and send it into overtime.

After another three minutes of play and six points apiece, it was still knotted at 67-67, and headed into a second overtime period. But from there on, the Blue Streaks took over, collecting five points while the best the Devils could do was pick up two free throws.

Charlie Pough had 18 points to lead the devils before going out on fouls. Freddie Williams picked up 13 points, and Horace Moore added another 10 points to top the Avon Park scores.

Avon Park-69 Ft. Meade-55
Pernell Gibbs, replacing the injured Larry Pough, came through with 18 points and his best game of the year to lead the Avon Park varsity basketballers to a 69-55 win over Fort Meade here last Thursday, Jan. 19.

Pough went out with an ankle sprain early in the game, and Gibbs, recently moved up from the Junior Varsity team, took over the center duties. He not only captured scoring honors, but garnered 10 rebounds as well.

The Red Devils, trailing 16 to 17 at the end of the first period, staged

an 18 point second quarter comeback, topped by Mike Coleman's 8 points. Meanwhile, the defense with Wyndell Frazier acting as the sparkplug, held the Fort Meade team to just 8 points.

The two clubs played even throughout the third quarter, but the Devils came back with 19 points in the final stanza to wrap up the win by a 14 point margin. Mike Coleman with 16 points and Freddie Williams, with 10, were in double figures for the Avon Park team. Van Grant pushed in 18 points while Tim King added 12 for the Miners.

Okeechobee-78, Avon Park-52
Showing little of their usual form, the Avon Park High Varsity Cagers turned in their poorest showing of the season, Tuesday, losing to Okeechobee by 26 points. Final score was 78 for the Brahman and 52 for the Devils in the game played at Okeechobee.

Devils Meet Brahmans Meet Okechobee

from Jeff Rosier, their six foot-five inch center, moved out to an early lead and the Devils never got closer than seven points. They trailed 49-42 after a strong third quarter that produced 17 counters, but that was it. The Brahman's nearly tripled Avon Park's fourth quarter output, netting 29 points while the Devils could get but 10.

Larry Pough led the Devils scoring with 13 followed by David Williams with 10. Barrett and Brawell chipped in with 17 and 13 points respectively to help build up the winning total for Okechobee.

The two teams will tangle again here on Feb. 14.

Avon Park-72, Frostproof-68

Mike Coleman tossed in two quick buckets and Charlie Pough added a pair of clutch free throws cutting off a last minute Frostproof rally, giving the Avon Park Varsity a close 72-68 win over the Bulldogs last Friday night.

Close it was. Frostproof led 12-15 after the first quarter, and the score was tied at 29-28 at halftime. It was still knotted at 46-46 when the final period started despite 10 third quarter points by Pernel Gibbs, again filling in at center for injured Larry Pough.

The lead changed hands four times in the first three minutes of the final quarter before the Devils started pressing the smaller Bulldogs. The press produced results with Mike Coleman getting six points and Gibbs adding two more for a 64-58 Avon Park lead heading into the final 3 minutes.

Bobby Harper, the big gun for Frostproof, and James Hart, however got the Bulldogs back in the game cutting the Red Devils lead to two with but 60 seconds left, before Coleman and Pough took over for the Devils as time ran out.

Gibbs, even bettering the pace he set in the Fort Meade game, led the Devil scorers with 20. Mike Coleman had 10 in the last half for a total of 14, while both David and Freddie Williams chipped in 14 each for Avon Park.

Bobby Harper made 25 counters and Terry Wright added 13 to the Bulldogs total.

Green Machine Upsets Gold Getters In Two Games

The Green Machine of the Boy's Flag-football League upset the Gold Getters two straight games to capture the second place honors. The first game on Thursday, Gold defeated the Green for lack of one player.

The final game was played and it turned out to be a very close contest. The difference was only one point, Green 7 and Gold 6 up until the final few seconds of the game. With only seconds to go the Gold's defense gave up and the Green scored on a long running play.

The names of all the green's players will be placed on their second place trophy.

Ed Gruber Of Arcadia Takes Top Racing Honors

Ed Gruber of Arcadia raced away with top honors in the Central Florida Striders 5.2 mile run held at Avon Park High School last Sunday. Gruber, an Arcadia High distance ace, had a winning time of 20:19. His time also earned him top honors in the 14-19 age grouping.

Mike Conner, of Wauchula, was second overall and second in the 14-19 bracket with his 20:21 clocking. Steve Johnson, of Arcadia, finished fourth overall and third in the high school age group in 31:11. Local distance kingpin Alan Portis finished fifth overall and fourth in the same classification in 31:50.

Middle School Coach Joe Baker won top honors in the 20-29 age class as he sped home in 32:30 for the difficult 5.2 mile course. Other 20-29 age group finishers were: Kevin Farber, Arcadia 35:25; John Walker, Wauchula 43:10 and Greg Dick, Wauchula 43:11.

Winner of the 30-39 age bracket and third place overall finisher was Avon Park Track Coach Chet Brojek in 30:52. Bart Arrington, of Arcadia, finished second in the age group with his 41:34 time. Dick Garcia, Winter Haven, won the 40 & up division with a fine 36:30 clocking over the hilly Avon Park course.

The one mile fun run saw four Avon Park High students taking the honors as Tim Saller, 5:46; Jim Ervin 5:47; Darryl Purcell, 5:50 and Junior Hicks in 6:08 came away with ribbons. Gruber, Baker, Brojek and Garcia won trophies in the various age groupings in the 5.2 mile contest.

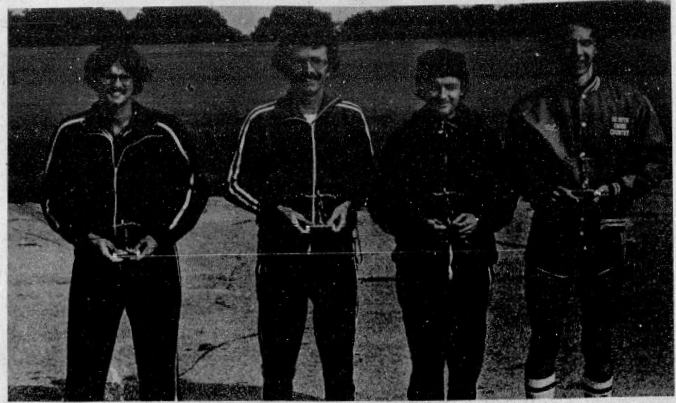

The next Central Florida Striders run will be held over 5,000 meters (3.1 Miles) on Feb. 18. A one mile fun run is also slated for that day. Most Central Florida Striders club members will take part in the 5.5 mile race in Abundale on February 11th as well.

Attention Racquetball

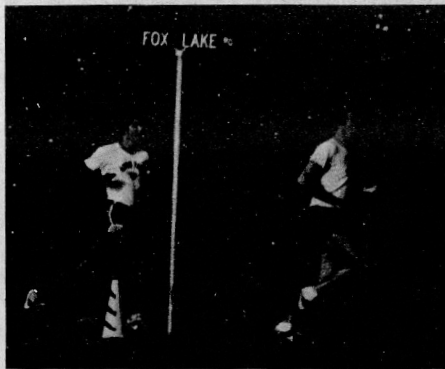

Enthusiasts

In order to get the City Racquetball courts in top shape by tournament time, volunteers are needed to help screen and paint them. The Recreation Department will be holding two workdays on Saturday, Feb. 4 and Saturday, Feb. 11.

If you are interested in helping with this project, please call 453-6881 after 3 p.m. — All volunteers will be greatly appreciated! Your Rec. Dept. needs your help to better the City's facilities.

Lake Placid Ready To Host Heartland Conference Basketball Tournament

Lake Placid will host the Heartland Conference basketball tournament for both girls and boys varsity teams this week. The girls action got started Wednesday afternoon and the boys play will start tonight (Thursday). Games will continue through Saturday night with the finals and the consolation games being played then.

Avon Park is scheduled to meet Sebring in the opening girls game Wednesday at 1 p.m. Then Hardee and DeSoto High were to meet at 2:30 p.m. Ft. Meade and Okechobee were to close out the first day of play starting at 4:30 p.m.

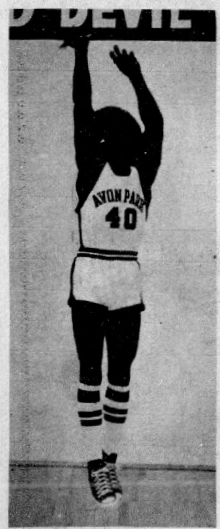

Tonight (Thursday) it will be Fort Meade taking on DeSoto High at 7 p.m. and Avon Park meeting Okechobee at 8:30 p.m. Tomorrow there will be four games played with the winner of the Avon Park-Okechobee boys game playing Sebring at 5:30 p.m., the other girls semi-final game at 7 p.m., and the boys Fort Meade-Arcadia winner playing Lake Placid at 8:30 p.m.

Saturday the girls consolation game will be played at 4 p.m. to determine the third place winner. The boys consolation round will be played at 5:30 p.m. Then the girls finals will start at 7 p.m. and the boys finals will begin around 8:30 p.m.

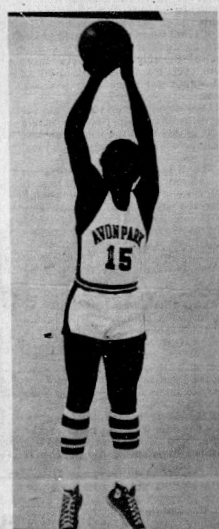

The thirteen team double tournament will be played in the brand new Lake Placid gym. Admission prices will be \$1 for students on Wednesday and Thursday and \$1.50 for adults. On Friday and Saturday admission will be \$1.50 for everyone. Students will need identification cards for student admission.

The tournament will not determine the Heartland Conference champion for the season but trophies will be awarded to the winners and runners-up and to the consolation winners in both the girls and boys division.

The Red Devil Varsity Ready For Tournament

SENIOR WYNDELL FRAZIER, 5'10" Red Devil forward reserve, is new to the Avon Park basketball team this season. A transfer from California last year, Wyndell has played football for two seasons with the Devils. Not playing basketball last season has put the scrappy senior a little behind his teammates, but when he does get in the action, he makes few mistakes. Sunphoto by Lew Miller.

SENIOR GEORGE LOYD is playing his fourth year of basketball for Avon Park. The 5'10" guard spent three years on the junior varsity before moving to the varsity this season. George is a good shooter who has seen some action this year with the Red Devils. Sunphoto by Lew Miller.

SENIOR CASEY STUKES is a reserve guard on the Red Devil varsity this year moving up from the jayvee squad after two years of action there under Coach Alan Duham. Casey is 5'9" and one of several guards who see action occasionally, but spend much time practicing against the starters. Sunphoto by Lew Miller.

Meet The S.F.J.C. Panthers

ROBERT FREELAND
Last year Robert Freeland led Sebring High School, coached by Gary Rapp, to an 18 record, coupling a 3-1 pitching record with a robust .410 batting average as a shortstop.

The 6'0", 150 lb., righthander had an impressive fall season for the Panthers at the plate. He played all infield positions in the fall but may wind up in left field this spring.

A versatile performer, Robert also quarterbacked the Sebring High School football team last year.

MORT JACKSON
Freshman Mort Jackson, 5'10", 165 lb., righthanded hitter and thrower, is involved in a three-way battle for the left field position.

Mort had difficulties at the plate in the fall but has been swinging a heavy bat early in January drills.

He was an All-Conference catcher two years at Avon Park High School under Coach Ronnie Jackson and led his team to State semi-final playoffs in 1977. He also quarterbacked the football team.

TOBY CUNZ
Sophomore Toby Cunz, 5'11", 170 lb., transfer from Toledo University nailed down the third base position early in the fall season.

A graduate of Ansbursdale High School in 1976, Toby played football and batted .320 with 4 home runs in baseball, earning all conference honors in both sports.

Welcomed addition to the Panther squad in 1978, Toby not only will anchor the "hot corner" but will give additional strength with his all around offensive play.

Second Annual Avon Park Open Racquetball Tourney

The Avon Park Recreation Department will be hosting the second annual Avon Park Open Racquetball Tournament at the last two weekends of February.

The first weekend of the tournament, Feb. 18-19, will be the men's and women's singles competition. There will be two classes in each division. The men will have an "A" and "B" class and the women will have the same two classes in their competition. All tournaments will be open to all area players.

The entry fee will be \$2.50 per person. There will be awards given for the top three finishers in each class.

Deadline for registration is Thursday, Feb. 16. The draw will be that evening and it will be posted on Friday. Call the Rec. Dept. at 453-6881 after 3 p.m. to register.

The following weekend, Feb. 25-26 will be the men's and women's doubles competition. Again there will be two classes (A and B) for each group. Deadline for registering for this tournament will be Thursday, Feb. 23. The fee will be also \$2.50 per person.

Sign up now to play in a fun tournament! Door prizes will be given to lucky participants in these tournaments.

DuPriest Shoots Four Over Par To Place Fifth In Meet

Pete DuPriest, number one Avon Park High School golfer, shot a four over par 76 to take fifth place in the first annual Heartland Golf Jam-boree last Friday. Tim Keeney from Kathleen High in Lakeland with a one under par 71 was medalist.

Kevin Janiga of Lake Placid, and Bob Sauerberg from Lakeland Senior high ties for second low honors with scores of 73. The tourney was held at Golf Hammock Country Club in Sebring.

Kathleen Senior High walked off with the four-man team trophy, turning in a combined score of 310, eight strokes better than that of Fort Pierce's John Carroll High team. Lakeland Senior high copped third place in the team event with a 320.

River Greens Golfettes

The regular Ladies Pro-Am was held on Monday, January 16. The winning team, with +13 1/2 points, consisted of Louise Peffer, Aggie Dowling, Kay Brown and Grace Kline. Flight winners were as follows: A Flight, Babe Marks with +4 points; B Flight, Eleanor Tharp with +2 points; C Flight, Kay Brown with +5 points; and D Flight, Marg Hollman with +4 points.

The game for the regular Ladies Day on Tuesday was "most of any numbers." First place was won by Betty Vedder with eight 6's. Louise Peffer was 2nd with seven 5's. Dorothy Wilson was 3rd place winner with seven 5's.

DuPriest, Mark Palmer, Mike Smithson and John Barben finished seventh. This was the season debut for the Red Devil Golfers who start their regular spring schedule against Lake Placid on Feb. 9.

Including the District tourney in April, Coach Sandlin's golfers have 24 matches. The Red Devil girls' golf team has a seven meet schedule, kicking the season off against Kathleen High School here on Feb. 17.

Boys Clobber Dragons, Cook And Dunn Leads Scoring

The Middle School boys basketball team led the Dragons Middles home court last Thursday afternoon to set a 3-1 record.

The Avon Park boys were to have played Hardee in Wauchula last Tuesday afternoon, and will close out the six game schedule here at home next Wednesday afternoon, Feb. 1, against Sebring. Sebring handed the Middle School boys their only loss of the season.

Coach Cecil Walley says, "We'll be ready for the Blue Streaks when they come up here next Wednesday. We've improved, and the presence of our student body should give us an edge in the final game."

Doug Cook and Charles Dunn led the Avon Park scoring against Lake Placid with 12 points each. Larry Collins pumped in 6 points. Curtis Taylor and Gary Smith had 6 points each and Smith pulled in plenty of rebounds. Bart Murphy scored 3 points, Charles Ishmael and Mike Ervin had 2 points each, and Andrew Giles hit for 1 point.

All fifteen players on the team got into the game to gain some valuable playing experience.

Girls Have 2-2 Record

With a 36-25 victory over Lake Placid, the Avon Park Middle School girls set a 2-2 record last Thursday afternoon, Jan. 19, down on the Green Dragons girls' home court.

Last Tuesday, Jan. 24, the Middle School girls cage team was scheduled to play the Hardee girls in Wauchula. Next Wednesday, Feb. 1, the eighth grade girls will close out the 1978 season with a game against Sebring here at the Middle School gym.

Avon Park's Tracy Brown scored 18 points to lead the Middle School girls to the win over the team that had earlier beaten them 21-10. Linda Johnston made 12 points, Sandra Warren scored 4, and Linda Knight hit for 2 points in the big win.

Avon Park jumped out to a 15-2 first quarter lead and never trailed although Lake Placid outscored the Devil girls in the final quarter 10-7. The Devil girls made only 4 of 12 free shots, but the 16 baskets from the floor were enough for the victory.

Arts And Crafts Country Fair Saturday February 4

The 12th Annual Lake Placid Arts and Crafts Country Fair will be held Saturday, Feb. 4 from 10:00 a.m. until 4:00 p.m., according to chairman Mrs. Charles Reynolds, Jr.

Three new classes have been added this year. They are professional photography, cake decorating, and scenery hand painted china. All photography must be mounted.

Anyone entering foodstuff is asked to bring them in clear containers or covered with clear wrap for display. Co-chairman, Mrs. Allen Waggener should be called about all booths. A fee of ten percent of gross sales will be charged for all items sold.

There is no fee for items to be exhibited or judged.

Exhibits should be set up no later than 9:45 a.m. on fair day and should not be removed before 4:00 p.m.

Each entrant will be responsible for his or her own work. There will be easels for use by artists on a first come, first serve basis.

If your display requires special arrangements, this will be the responsibility of the individual.

Items entered for arts and crafts should not be over two years old and been judged here before.

All paintings to be judged must be original china and ceramics should not be over one year old.

Registration will be from 2:00 p.m. to 5 p.m. on Friday, Feb. 3 at the Woman's Club Building or from 8:00 a.m. until 9:30 a.m. on Feb. 4, at each building where items are to be displayed.

This years fair has been listed in the events of Southern Living magazine and in the American Artist magazine. The number of inquiries will ensure this years fair to be the best one yet.

Cancer Seminar For Nurses To Be Held At S.F.J.C. Feb 2-3

A cancer seminar for nurses will be conducted at South Florida Junior College Thursday evening and Friday morning, Feb. 2 and 3. It was announced by Barbara J. Kurtz, R.N., coordinator of the dual program.

The seminar will be sponsored by Highlands County Unit of the American Cancer Society, District 27 of Florida Nurses' Association, District 33 of Florida Licensed Practical Nurses' Association, Hardee Memorial Hospital, Highlands General Hospital, Walker Memorial Hospital and Highlands County Health Department.

Noreen Fairbanks, R.N., president of District 27, FNA, will preside, and the address of welcome will be presented by the Rev. Eugene Fernsler, president of Highlands County unit, ACS.

The two sessions will be identical. The Thursday session will begin with registration at 6:30 p.m., and the Friday registration begins at 8:30 a.m.

Mrs. Kurtz said that pre-registration is encouraged but not required. All nurses in the area are eligible to participate in the seminar, including RN and LPN students.

A large quantity of good material has been gathered for the sale, and consists of men and women's clothing in many sizes, infant wear, dishes, books, and some furniture.

Come at noon and have first choice of these bargains. Next on the program is the famous "Redeemer Pan-

cake Day". This event is being held on Shrove Tuesday, Feb. 7, in the Parish House of the Church of The Redeemer. Serving will start at 9:00 a.m. and will continue to 2 p.m. The pancakes are made from scratch and from an old family recipe. Once tasted one never forgets these delicious cakes. Home grown grapefruit, sausage pancakes and all the coffee one can drink, make up the menu. A Baked Sale is an added attraction. All sorts of good things are offered at this table, cakes, pies, cookies, and several other goodies. It will be at the entrance so one can't be missed.

Adults tickets are two dollars. Children under 12, one dollar. That price can hardly be beaten.

Spivey To Speak At Church Of God

The Reverend J. Frank Spivey, of Cleveland, Tenn., will speak in a special Mission service at the N. Florida Avenue Church of God, Avon Park, Jan. 28, 7:30 p.m. Pastor Seary announced today.

Spivey, a foreign missions representative for the Church of God, will report to the congregation on the current ministries of the denomination outside the United States.

With an overseas constituency of more than a half million, the Church of God presently maintains works in almost 100 countries and territories. The Church of God is one of America's oldest Pentecostal denominations and an authentic voice for the Pentecostal movement.

The Reverend Mr. Spivey, a native of Georgia, has held successful pastorates in that state, as well as North Carolina and Tennessee. He was the state overseer of Arizona when appointed to the foreign missions department of his denomination, and has held a similar position in Montana. A noted camp

meeting preacher, he currently visits more than 200 local churches each year throughout the United States.

The Missions service will begin 7:30 p.m., according to Pastor Seary, and the public is cordially invited to attend.

Waterston To Be Consecrated

The Reverend Peter S. Waterston, S. T. M. Rector of the Holy Spirit Episcopal Church in West Palm Beach will be consecrated Bishop of the Southeastern Diocese of the United States on Jan. 28, in Denver, Col.

Rev. Waterston is the son of Mrs. Louise M. Waterston and Mr. Peter S. Waterston, Jr., deceased, of Avon Park.

Johannes Gutenberg was originally a goldsmith.

Adams To Minister At Sebring Pier

As a juvenile, Frank Adams speaking of his time in juvenile homes and at the age of 16 was sentenced to a state reform school where he remained for 14 months.

He met Jesus as his Savior on July 28, 1968, while an inmate in the Winter Haven city jail.

Called to preach in 1969, Adams graduated from Baptist Bible Institute in Graceville, Fla., and has pastored three Southern Baptist churches, two in Alabama and one in Florida.

Adams has served as assistant to the area director of the 700 Club counseling ministry in Orlando and Charlotte, N. C.

He is presently serving as an evangelist with Son Life Ministries of Winter Haven, a ministry dedicated to edifying the entire body of Jesus Christ, and can be heard daily on WTBB (1570) radio at 1:45 p.m. Monday through Friday.

He will be ministering at the city pier auditorium in Sebring, along with the Sons O' Song, Friday, February 3, at 7:30 p.m. Please plan now to enjoy this time of fellowship with people from every area church, joining together just to worship Jesus Christ our Lord, regardless of our denominational persuasion.

The Palms Benefits From Dinner

The Auxiliary of The Palms (Florida Brethren Homes) served nearly 500 people at its annual roast dinner last Friday evening. The setting for the occasion was Blough Hall of the Sebring Church of the Brethren. Approximately \$1500 was realized in net proceeds which will go to the Benevolent Fund of the Palms.

The executive committee of the Auxiliary decided recently to join with a special effort already planned to raise \$30,000 to assist in meeting the care costs of residents of the Palms whose financial resources are exhausted. Emma Ziegler, president of the auxiliary and a resident of the Palms Manor stated, "we are very grateful for the response to our dinner this year and the project we chose to support. We are indebted, of course, to the many persons who were involved in preparing and serving the meal." Gerry Seese headed up the large work force of women and

men who assisted. "The auxiliary is a very important arm of our ministry with older adults," W. Commented Hubert R. Newcomer, executive director of The Palms. "We have come to expect a high level of preparation and response in whatever project they choose to do." He continued, "and they always come through." This annual dinner is one of several ways the auxiliary works at raising funds. Other include the Gift Shop and the Thrift Shop, both located at 308 S. Ridgewood Drive.

The \$1500 netted Friday evening sets a new record for this particular event. Added to advance gifts and pledges, this amount pushes the total to more than \$25,000 received toward the \$30,000 goal. In recent years there have been from 15 to 16 residents of the Palms who no longer have finances to pay for their care costs. Medicaid assists but does not meet all of the expenses each year.

The Palms provides approximately \$100,000 in health care services to these persons. "We are glad to be in position to provide high quality care for these worthy residents but we do need to depend on benevolent giving form interested and concerned people in order to continue to meeting the costs," stated Newcomer. Residents of the Palms represent many different church affiliations.

Stolen Truck Recovered CB Set Gone

Highlands County sheriff's deputies have recovered a truck stolen from the front yard of the home of Terry M. Talley late Sunday night, or early Monday morning.

L. G. P. Hartfield said he spotted the pickup truck parked in a grove on Downing Road. The vehicle had been severely damaged and a 23 channel radio was taken. Damage to the truck was estimated at \$1,400 and the CB radio has an estimated value of \$200.

Investigation in the case continues.

GOD'S WONDERS ARE REVEALED, NOT HIDDEN, BY AN ECLIPSE

An eclipse of the sun or moon, be it partial, total or whatever, is an exciting celestial event to most people in the part of the world where it will be visible. No matter how many of them we have already seen, they always promise a spectacular new behind-the-scenes look at the mechanics of the universe, right from our terrestrial vantage point, free and available to all. Much of our knowledge of the heavens has come as a result of these alignments of the sun, moon and earth, and they provide an even greater insight into the magnitude of God's creation. So look to the sky, enjoy the show, and on your return to earth go to the Church of your choice, where you will learn how you and this magnificent world you live in came into being.

The shadow of our travelling earth Hung on the silver moon.

—Charles Tennyson-Turner

Joe Townsend Retires After 20 Years With Wards

After 20 years of service with Ward's Nursery, Inc., Joe Townsend has retired. Franklin Ward, president of the nursery announced last week.

Joe started his employment with Ward's in September 1957 as a member of the nursery crew. He was promoted to nursery foreman in May, 1959, a position he capably held for 19 years, said Ward.

As nursery foreman, Joe was responsible for the work crews and operations such as digging truckloads of citrus trees making sure that each grower received the exact variety and rootstock he ordered, along with the digging of single trees for the home owner to plant in his yard. It was also his job to carry out the fertilization and irrigation schedules.

Joe was mechanically adept at handling the win machines used so successfully at Ward's nursery for frost and cold protection and could always be counted upon to be available when winter temperatures dropped to the danger point. Joe's good nature and dependability, value assets to any organization, will be missed by those who knew him and those who worked with him.

Joe was born in LaPasas, Hamilton County, Texas. He served approximately three years in the United States Army during World War II, being stationed most of the time in the Aleutian Islands, Alaska. He and Sally Cannon of Barney, Ga., were married in 1948.

Growing up in a farming and sheep raising section of Texas Joe was a sheep shearer before coming to Avon Park in 1954. Along with other jobs, Joe worked at the Exchange Packing house before joining the Ward's Nursery organization.

On retirement Joe headed for his hometown of Hamilton, Texas to join his wife, Sally Mrs. Townsend has been in Texas for several weeks preparing the Townsend home place for his health care to consider retirement earlier than he had planned.

Leaving early last Monday morning, Joe drove to Hamilton, Tex. arriving late Tuesday afternoon, a few minutes after Sally had returned home from a stay in the hospital. Their dog, which had never ridden in a car, jumped into the car when Joe called and laid quietly on the front seat during the entire trip to Hamilton.

Joe likes football and sports, but both he and Sally are ardent fishing enthusiasts. A fine check from a profit sharing plan set up by Ward's Nursery several years ago for its employees, should help Joe and Sally hook onto some mighty big fish in Texas.

THIS WAS PROBABLY THE first and last time that Joe Townsend leaned on the sign. Joe retired last week and head back to his Texas. Sunphoto by Lew Miller.

Cattlemen Required To Cooperate With Brucellosis Program

The Florida Department of Agriculture and Consumer Services has asked circuit court to issue orders compelling two Lake Placid cattlemen to cooperate with the state-federal brucellosis eradication efforts.

In civil suits filed last week Dr. C. L. Campbell, director of the division of animal industry, asked that temporary restraining orders be issued against Bobby Driggers and Charles Reynolds Jr., doing business as the Cha-Te-Bar Ranch. Hearing on the request is set for 2:30 p.m. Thursday, March 9, before Judge Oliver Green Jr.

Dr. Campbell alleges that Driggers and Reynolds have refused to cooperate and present their cattle for testing.

He claims that Driggers had been notified about the testing program "not later than June 7, 1977" and that Reynolds had been notified "not later than March 28, 1977."

The state officials had, a week ago, threatened to impose a quarantine on all cattle in the county, preventing movement outside Highlands County. So far no steps have been taken to implement this and Highlands Cattlemen President James Hendrie said he is "assuming we are not under quarantine."

The civil suits, however, state that a widespread quarantine could result from the failure of some cattle owners to present their animals for testing.

Zone Decision Rescinded By County Commissioners

A zoning measure unanimously approved by Highlands County Commissioners last week was unanimously rescinded this week.

The board approved a request Jan. 17 from K. D. Grubb for a zoning change at Kent Drive off Sparta Road to allow him to construct a building where he could rent storage space.

The board overrode a Zoning Board rejection of the same request. The Zoning Board turned the request down with a 4 to 3 vote.

Robert Duntz Jr., board attorney and also Zoning Board attorney, told commissioners at Tuesday's meeting there were no legal notices run by Grubb for either the Zoning Board hearing on his request or the commissioners' hearing on the request.

Because the hearings weren't advertised, the decisions reached by both boards are invalid.

Duntz told The News the packet of information submitted on the zoning change request apparently wasn't checked to see if notice of publication on the hearings was included.

He said the Zoning Board would have to rescind its decision on the request. After this, the process of a new request on the issue could be considered.

Food Stamp Adjustment To Be Made

Low income families confronted with soaring bills for heat and utilities may receive a financial boost via the food stamp program.

Austie Heacock, director of the food stamp office in Highlands County, said that households whose heat and utilities bills have risen by \$25 or more this winter may receive an adjustment in the amount they pay for food stamps.

Heacock said persons who wish to seek such an adjustment in charges should bring their most recent bills to the new Florida Health and Rehabilitative Services office on U. S. 27, just north of Sebring. Heacock emphasized that the bills should be the most recent ones whether they have been paid or not. He said the food stamp's program does not make allocations of money to help pay heating bills, but with lower food costs the state hopes the low income families will be able to meet financial problems related to the cold weather.

Holiday Ranch News

Residents of Holiday Ranch have settled down since the holidays and are busy entertaining guests and traveling around the state to visit friends and see places of interest.

The longest trip was taken by Augie and Anna Tesser who left Wednesday for a four day visit to the Everglades, and West. They were interested in the big rattlesnakes and

alligators and saw Flipper's Sea School. They also saw a friend from back home in Minnesota, who now lives in Coral Springs, and had lunch with her. Mr. and Mrs. Max Crockett, Mr. and Mrs. Karl Walter, and Mr. and Mrs. Clair Reno went to Lakeland Friday for a dinner party. The Wolf, in celebration of the Cossett's and Walter's wedding anniversaries and

Clair Reno's Birthday. Bob and Mildred Savage visited Mr. and Mrs. Dewey Bridleman in Punta Florida Monday. Thursday night they spent with Mr. and Mrs. Earl Baker of Allouez. On the return trip Friday they called on Mrs. Ella Handley of Apopka. A dinner party was given by Mrs. H. H. Kimmer and Willis Lehmann went to Lake Wales Monday, then to Lake Hatchemahe for lunch, and on to Haines City

and Winter Haven to shop. Mr. and Mrs. Lyle Jeffery were overnight guests of the Karl Walters Tuesday. They spent a month at Holiday Ranch two years ago and are friends of the Walters, back home in Michigan. Mr. and Mrs. Ed Isaacson of Detroit, Mich. called on the Walters Wednesday, and Friday Roger Shields of Michigan called on them. He had spent two weeks at the Keys.

The Walters were overnight guests of Bud and Edie Wilson, Thursday in their new home at Paradise Park in Lake Placid. Mr. and Mrs. Ted Lee and Mr. and Mrs. John Duer of Urbana, Ohio shopped at Winter Haven Tuesday and had lunch at Duff's. Friday the Lees called on the Ivan Goddards of Avon Park, Helen Smith of Avon Mobile Home Park, and the Harry Mitchells of Bonnie Brae. Their guests on Saturday were Mr. and Mrs. Elmer Compton of Urbana, Ohio. Visitors of Mina and Dud Bacon Tuesday were Min's sister and brother-in-law, Mr. and Mrs. Wallace Doru from New Brunswick, Canada and Mr. Dorey's sister from Nova Scotia.

John and Barbara Ebmeyer went to Lakeland on business Tuesday and lunch at Morrison's. Visiting the Bill Bergstroms last Tuesday were the Howard Claytons of Sylacauga, Ala. who are staying at the Lakewood South Trailer Park in Davenport. Dick and Doris Somers returned Saturday after spending a most enjoyable week at the Holiday

Rambler Florida International Rally, "Circus Days", which was held at the Sarasota County fair grounds. Bill and Leona Lynn and Bob and Mary Walterhouse spent Tuesday at Winter Haven and lunched at Duff's. Bob and Mary visited the Delma Bookers at Sebring Thursday, and the Virgil Welbys of Avon Park Friday, and the Harry Days of Brentwood on Saturday.

Al and Mariam Pettys hosted their N.C.T. Club Wednesday noon at a potluck lunch in the park recreational hall. Those attending were Earl and Maude Hatlee, Bart and Frances Dulac, Clifford and Ida Hoose, Bob and Mildred

Schuchardt, Bernard and Alice Randall, Earl and Helen Stein, Howard and Vurla Whitmore, Sandy and Alam Clark, Bill and Mildred Kromer, Bill and Florence Welst, and Al and Vivien Kinney. All are present or former residents of New York State and meet yearly in Florida.

Southside Park Community News

By Calvin Gibbs

Hi Friends, Welcome to Southside Park Community News. Here in Southside Park, there seems to be an epidemic of the "flu" which for the time being is getting no better.

Death has taken it's toll also within the past month, with four deaths last week. Mr. Sam Pierce, Mrs. Sarah Peterson, Mr. Earl Walker and Rev. Willie Gaines.

Everything else seems to move along at its usual pace. The weather has influenced the attendance at recent Civic, Social and Church gatherings, but like ole man River, they keep on rolling along.

The late Rev. Willie Gaines, Funeral services were held on Jan. 25 at 1 p.m. for the late Rev. Willie Lee Gaines, son of the late Rev. Madison Alexander Gaines and Hattie Cleveland Gaines. He was born on May 11, 1937 in Sylacauga, Ala., where he was converted at an early age and ordained to the Ministry in 1958, then later moved to Avon Park, where he was a member of the Mt. Olive A. M. E. Church until his prolonged illness. He departed his life Saturday, Jan. 21, 1978.

Rev. Gaines died in the Veterans Hospital at St. Petersburg, Fla., and is survived by his wife, Mrs. Lillie Mae Gaines of Avon Park, his mother-in-law, Mrs. Lela Mae Green, one cousin, Mr. Arthur Gaines of Jacksonville, one stepson, Bill Moreland, six stepdaughters: Mrs. Clemyell Mae Strupps, Mrs. Annie Bell Martin, Mrs. Catherine Collins, Mrs. Nancy Ashberry, Sandra Warren and Jacquelyn Moreland, two son-in-laws, nine grandchildren all of Avon Park, six brother-in-laws, six sister-in-laws, and a host of nieces and nephews.

Rev. Gaines was the pastor of the Mount Moriah A. M. E. Church, Bunnell, Fla., prior to his coming to Avon Park.

Church News: The Apostolic Church of Jesus had Sunday School at regular time.

Morning service with vice president, Sis. Edna Dudley and our District Mother Diane Watson presiding. Each missionary was given seven minutes to bring a lesson which was enjoyable.

Evening service was conducted by the named two. Had testimony service and the message was brought by our District Mother.

The spirit was in the building at both services. Elder Thomas J. Brown, Pastor

James Cleveland's Workshop will give a concert in Avon Park at the Apostolic Church of Jesus, corner of Washington and Carolina.

Saturday, February 4, 1978. Time 8 p.m. Come let's enjoy them together. Elder Thomas J. Brown, Pastor

Neerology:

Women's shuffle met on Thursday, Jan. 12, played the regular three games series, with the team of Martha Long and Clara Davis the three game winners.

In Men's shuffle the following day the husbands of the two above mentioned were not as lucky. They won only one game, while the three-game winners for the day were Bill Mott and Reavee Wandover. Couldn't keep it "all in the family" for this week. The men had to play in the evening because of all the rain during the day.

Attendance at Bingo holds up well. Twenty-four attended on Friday, with Frances Hauenfeldt the overall winner. The busy Bingo chairman couldn't even get there until men's shuffle ended.

Marvin and Hannah Tebo have visitors every week, many of them from our State. On Super Sunday their visitors were Mr. and Mrs. Fred Morgan and Mr. and Mrs. Thad Woodward of Canton, Pa.

Nancy Dugan, who was missed at several court affairs recently, is now back home. Several thought

she was visiting relatives, but not so. She quietly went to Walker Memorial Hospital for some tests, and has been indoors since getting home. We all hope to see her around soon.

Barney Ross wasn't trying to establish the kind of reputation enjoyed by Beth Merriman or Julia Child. No, no, he just wanted some good cooked lima beans. Not those frozen ones or canned ones that are green when served, but home cooked ones that are brown when done, taste better than those green ones, fine with Pennsylvania ketchup on a plate. He started with one and one quarter pounds of dried beans, put them in a pot he thought suitable.

They wouldn't all stay. He transferred them to a larger cooking pot. Still not contained, the beans demanded something still larger. He finally got them cooked. Our informant had not determined how many days it might take Mr. Ross to eat all those lima beans, but it couldn't be done at one or two sittings, so he distributed some around among friends.

Bessie Paxton has taken

the two hints (White, you call those bold statements hints?) and will bring the tapicoca to the Potluck Dinner.

Nineteen attended craft class on Tuesday, Jan. 17, some finished projects started earlier, some worked on a "do your own thing" basis, on small projects of their own choosing.

Weekly coffee meeting

on Tuesday, Jan. 17 was attended by twenty-six people at 9 a.m.

Tuesday game Night attendance was good, with twenty people playing Aggravation, Euchre, and Five Hundred.

Guest at the Leo Breister home Wednesday, Jan. 18 were Mrs. Breister's niece and husband Mr. and Mrs. Jerome Heurbeil of Cedarburg, Wis.

Along with new industry, another important goal of home builders would be to keep workman's compensation rates as low as possible.

He explained that there are self-insurance programs being tried that can help cut these costs.

The National Home Builders Association keeps track of new rules and legislation that affects the home building industry, Taylor said.

Marvin McPhate, Highlands County Builders Association president, emphasized this point. He said it is difficult for the small builder to keep up with all the new regulations.

"With all the regulations, it's hard to build a house today," he said.

He told members that the state and national associations can provide help. "If you've got a problem, nine times out of 10 there's another builder somewhere who's had the same problem and had it solved. The association is a tool that you can use. If we don't use the tool it will rust and go dead."

Home builders are also faced with more intelligent and demanding consumers, McPhate said, which is one reason for Home Owners Warranty (HOW).

John Borgemeister, association vice president and HOW president, discussed HOW, which aims to be a self-regulating device used by builders to insure quality work.

Taylor installed new officers and board members for the year. Officers include McPhate, president; Borgemeister, vice president; George Tapley, first vice president; Danny Siegle, secretary.

Association board members include Russell Ankrum, Tom Dustin, Tom Emerson III, Arnold Gouborne and John Sebring.

HOW association officers are Borgemeister, president; Louis Benavides, vice president; Peggy Fletcher, secretary-treasurer. Board members include McPhate, Ankrum, Dustin, Roy Alexander, Bob Siegle.

Stanley Davis, of the sponsoring First Home Federal served as master of ceremonies.

Juvenile Contraband Smuggler Charged

A juvenile charged with smuggling contraband into the county jail pleaded guilty when taken into juvenile court Jan. 16. Judge Clifton M. Kelly deferred disposition of the case for six months.

The judge deferred for two months the case of a juvenile charged with being ungovernable. One juvenile charged with possession of a controlled substance was placed on probation and supervision assigned to Hardee County.

A juvenile accused of petit larceny pleaded guilty. Judge Kelly adjudged the youth delinquent and transferred the case to Polk County for disposition.

In the one dependency hearing of the Jan. 16 court session, the child was declared dependent and custody given to the state. The father was ordered to receive medication for treatment of excessive drinking.

Two youths accused of grand larceny were placed on an unofficial probation for the court to supervise restitution to the victims.

MESS-O-GREENS

Vandals caused about \$200 in damage to golf greens at Sun 'n Lake, Highlands County. Sheriff's deputies said a small vehicle drove over the greens.

Builders Requested To Attract Industry

Highlands County Builders Association members have been urged to support efforts to attract industry to Florida as a means of stimulating home construction.

Speaking to members attending the association's banquet at Sun 'n Lakes County Club Thursday night, Peter Taylor, former second vice-president of the Florida Home Builders Association, discussed a planned advertising campaign designed to attract people and industry to the state.

Taylor, who was guest speaker, said, "People are

tired shoveling snow." The campaign is geared toward attracting new residents.

Along with new industry, another important goal of home builders would be to keep workman's compensation rates as low as possible.

He explained that there are self-insurance programs being tried that can help cut these costs.

Black Walnut Nut Crafts By Bridge

RUSSELL IS ADDING the handle to this walnut shelled cup, it will be left to dry, sprayed with a varnish, and then it will be completed.

Russell Bridge, a regular winter visitor to the Avon Park Mobile Home court where he constructs bowls, candleholders, cups and saucers and various other decorative items from black walnut shells.

Russell and his wife, Vera gather the walnuts from the trees, while they are still green. This they do at their summer home in Albion, Ind. After Russell has gathered the walnuts, he puts them in his driveway and proceeds to run over them with his automobile. "This is the best way that I know of and perhaps the easiest, to remove the outer hull of the black walnut," he said. When the outer hull has been removed, the walnuts are placed within a cement mixer. "This is to clean the inner hull," he said. When the walnuts are cleaned, they are set aside and allowed to dry.

He takes the cleaned, dried walnuts and cuts them with a table saw and slices the shells to a 3-32 inch thick slice. Bridge stated that he never gets more than three slices from one walnut.

He then picks the meat from the walnut slices. The meat is sold to the public by the pound. The walnut slices are then washed again, this time in a Spic-N-Span solution. From the solution they are left to completely dry.

The slice is cleaned again, when dry, this time with a fine brush, which Russell does by hand, in order to remove any remaining dirt that may be in the crevices, of the walnut shell. The slices are now ready for him to begin making his decorative pieces.

Photos And Text

By Betty Amburn

Russell places each walnut slice separately and secures them in place with bond glue. He begins with the bottom and adds each layer separately. Each row is left to dry two to three hours, as the drying time depends greatly upon the weather. After the item is completed, he removes it from the container, of which the article or item is designed by, and glues each shell slice again, this time on the reverse side. The item is then permitted to dry for a minimum of 24 hours. Afterwards it is sprayed with deft varnish (spray varnish) and is completed.

The stand that is added to many of his pieces are done separately and then secured to the bottom of the container.

Russell Bridge became interested in the making of walnut shelled decorative pieces almost two years ago when he saw a dish that his brother-in-law had made. His brother-in-law used a hack saw instead of the faster and easier table saw.

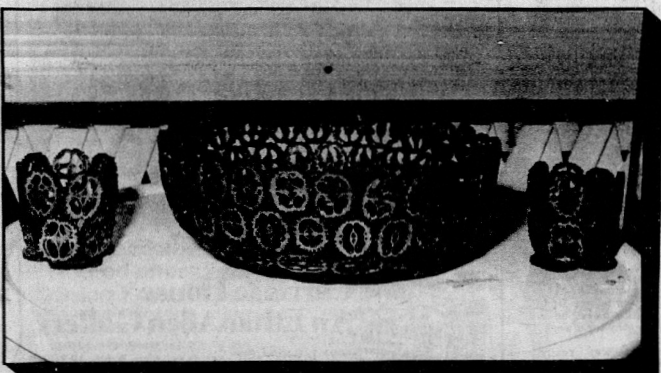

Each item takes roughly 15-18 man hours to complete. It takes approximately 1/2 just to hand clean each shell slice to make one item, said Bridge.

Russell is a retired mail carrier, which he worked as for 17 years.

THE BRIDGES ARE winter guest. When Russell is not working on his walnut shell craft, he and Vera are working together on other hobbies, such as a latch hook rug that they have just completed.

RUSSELL DEMONSTRATES THE method in which he designs his cups, saucers, bowls, and glasses that he makes from walnut shells.

A FLOWER BOWL container and candle holders are new items that he has just completed.

A DELICATE BASKET will make a beautiful prearranged flower container.

Consumers

QUESTION: Yes, it is true! Florida's deaf residents can now contact the Division of Consumer Services when I've had a problem. I understand, however, that the Division recently installed machinery that will allow me to call-in. Is this true?

ANSWER: Yes, it is true! Florida's deaf residents can now contact the Division of Consumer Services for consumers help or to file a consumer complaint through a special teletypewriter connected to the Division's state wide toll-free telephone line.

Any deaf person in Florida having use of a teletypewriter machine can call the toll-free telephone number, 1-800-342-2178 which is the Division's toll-free "hot-line" number for the state.

Since the toll-free number will be used for regular calls as well as teletypewriter calls, the deaf caller should expect a short wait for the machine to be activated. Incoming calls on the toll-free number will be answered as usual. If there is no oral response from the caller, Division personnel will assume the call is coming through a teletypewriter machine. Personnel will then couple the call to the Division's teletypewriter machine and respond. Then the deaf caller should begin his or her message.

There are approximately 600 teletypewriter machines in public agencies and private homes throughout Florida.

The Division of Consumer Services is the first agency in Florida to provide state wide consumer service to deaf Floridians.

QUESTION: Recently I saw a news article about a pneumonia vaccine which has been developed recently. Can you tell me more?

ANSWER: Pneumovax, a vaccine which prevents pneumococcal pneumonia should be available to Floridians by early 1978 according to the Food and Drug Administration (FDA). Pneumococcal pneumonia is a type of the disease which is estimated to kill 25,000 Americans each year and is the fifth leading cause of death in the United States.

The FDA reports the vaccine is effective in at least 80 percent of the people who receive it. Initially, use will be directed towards persons believed most susceptible to the disease, the elderly and persons with chronic diseases. A major target area includes persons residing in nursing homes.

The vaccine itself will not cause pneumonia since the bacteria used have been "killed." However, you might develop a reaction such as soreness and redness at the injection site. Usually, such reactions will last no longer than 48 hours.

The FDA said the vaccine has been tested on about 30,000 volun-

teers beginning in 1973. The company who developed the vaccine is Merk, Sharp and Dohme.

If you wish more information on the new pneumonia vaccine, you should contact your family doctor or your county health department.

Social Security

Q. I'll be 62 in a few months and I'm having a hard time deciding whether or not I should retire. How much will be social security benefits be reduced if I retire at 62 instead of 65?

A. If you retire at 62, your benefits will be reduced 20 percent. This reduction in benefits is permanent. Of course, the closer you are to 65 when you apply for retirement benefits, the smaller the reduction will be.

Q. I'll be eligible for Medicare in a few months. Should I cancel my private health insurance policy?

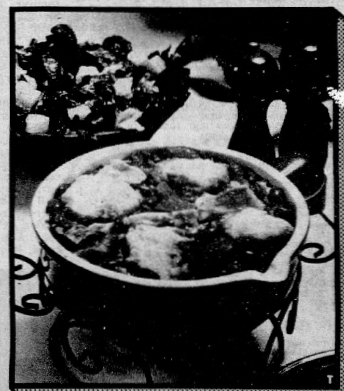

A. You shouldn't cancel any health insurance you now have for your own protection at least until the month your Medicare coverage begins. And, before you make any change in your private insurance, you might want to get in touch with your insurance agent or the office where you pay your premiums to discuss your health insurance needs in relation to Medicare protection. This is particularly important if you have dependents who are covered under your present policy.

Q. I'm getting social security disability benefits, but now I'd like to try to work again; will my benefits stop if I take a job?

A. Not immediately; the law provides for a 9 month trial-work period to enable disabled persons like yourself to continue receiving benefits while testing your ability to work. If, at the end of the trial work period, you show you're able to do substantial work you'll get 3 more months of payments before your benefits are stopped. On the other hand, your disability benefits will continue if the trial work period shows you are not able to engage in gainful work.

CHILI LASAGNA CASSEROLE

Chili Lasagna Casserole...A tasty cold weather casserole combining thrifty convenience foods with delicious cornmeal dumplings.

Weep not for those missing steaks and chops at the dinner-time table. Think positively; there are plenty of ways to create wonderful recipes with inexpensive foods. For instance, a simple can of Chef Boy-a-dee Lasagna becomes an excellent base for a hearty, inexpensive casserole. The wide pasta and rich tomato sauce combine well with luncheon meat and vegetables. Top the whole thing with some old-fashioned cornmeal dumplings, and you've got a great filling dish for fall appetites.

CHILI LASAGNA WITH CORNMEAL DUMPLINGS

Chuck-wagon style for hearty eaters

- 1 cup chopped onions
- 1 cup sliced celery
- 1 tablespoon margarine
- 2 cans (15 oz.) Chef Boy-a-dee Lasagna
- 1 can (15 oz.) pinto beans
- 1 can (6 oz.) cubed luncheon meat
- 1/2 cup water
- 2 tablespoons chili powder
- 1 teaspoon salt
- 1/2 cup flour
- 2/3 cup cornmeal
- 2 teaspoons baking powder
- 1/2 teaspoon salt
- 1 teaspoon sugar
- 1 egg
- 1/3 cup milk
- 1 tablespoon oil

In a large skillet, saute onions and celery in margarine. Add Lasagna, beans, meat, water, chili powder and salt; stir well. Combine flour, cornmeal, baking powder, salt and sugar. Beat egg, milk and oil together; pour over cornmeal mixture and mix well. Spoon dumplings onto hot chili lasagna mixture; cover. Simmer 20 minutes or until dumplings are set. Serves six.

Variation: Preheat oven to 375°F. Pour lasagna mixture into a 2-quart baking dish. Spoon dumplings onto surface. Bake at 375°F. for 25 to 30 minutes or until dumplings are set.

Mr. and Mrs. Keith Debo,
Mrs. Grace Warner and Mr.
and Mrs. Barden Graves
from Cassalia and Vickery,
Ohio were dinner guests of
Mr. and Mrs. Lawrence
Robinson on Friday
evening. Renewing of
friendships and ex-
periences made lively
conversation.

The monthly "Pot Luck"
dinner on Thursday was
well attended again with
over 73 hungry folks en-
joying the excellent food,
fellowship and shuffleboard
later. They were very
fortunate to be able to play
all single games for a total
of 32, before the rains came.

Mr. and Mrs. Barden Graves
(because everyone kept his
secret) celebrated their
44th Wedding Anniversary
with invited guests, Mr. and
Mrs. Harold Dumaw, Mr.
and Mrs. Virgil Wely, Mr.

and Mrs. Warren Byrer,
Mr. and Mrs. William
Belcher, Mr. and Mrs. Cecil
Damon, Mr. and Mrs.

and Mrs. Edwin Freshman,
Mr. and Mrs. Lehr Wilder,
Mr. and Mrs. Albert
Stromberg and Mr. and
Mrs. Lawrence Robinson
at the Ranch Buffet for a
four o'clock dinner.

Eleanor Damon played
"Happy Anniversary" for
the honored couple while we
all sang and Betty was
presented a corsage. A
framed picture of the
smiling couple was given to
them after the dinner.

Mr. and Mrs. Walter
Hood spent Monday fishing
at Fort Pierce. They are
leaving here for the winter,
but will be back November.
Their plans include a long
trip to South Florida Island,
Texas, where they will
reside for two months
among friends from Ohio
after which they will return
back to their Ohio home and
family. We all wish them a
safe trip and happy
vacation in Texas and
Florida, Ohio.

Mr. and Mrs. Claron
Monroe and Mr. and Mrs.
Belcher spent Monday
evening with Mr. and Mrs.
George Bearss at Lake
Wales; then the following
Sunday afternoon, Mr. and
Mrs. Merrill Wagoner and
Mr. and Mrs. George
Bearss visited with Mr. and
Mrs. William Belcher and
Mr. and Mrs. Ralph Helt
here at their homes. These
are friends from Rochester,
Ind., now living at Lake
Wales.

Mr. A. Adams came home
from the hospital last
Friday but had to return on
Saturday.

Mr. and Mrs. Barden
Graves entertained Betty's
brother and wife, Mr. and
Mrs. James Kerekes from
Park City Retirement
Community in Fort
Lauderdale, for the week
end.

Mr. Garner is still at
Walker Memorial Hospital.
Mrs. Lulu Maddrell has
been ill at home, but getting
better. We do pray they will
repopulate rapidly and
completely.

The Saturday evening
sing was entertaining and
enjoyed by all. Pauline
Thomas read a tribute to
Mr. Russell Bridge, a
former Postman whose
birthday was on that day.

Mr. and Mrs. Warren
Byrer sang several songs,
which are always in-
spirational and Mr. Albert
Stromberg played his ac-
cordian with dexterity
which brings me to think
we are most fortunate to
have so many talented
people in our little Mobile
Home Park!

Eleanor Damon ac-
companies the singers with
her lively piano playing and
as Mary Murray. If
there are people with
hidden talents, please let
your Activities Chairman
know, it would never do to

let them fade away!

Mr. and Mrs. Claron
Monroe had a group of
guests for breakfast on
Saturday, Mr. and Mrs.
Spensler Lumbagh, Mr.
and Mrs. Edwin Freshman,
Mr. and Mrs. William
Belcher, and Mr. and Mrs.
Warren Byrer. Coffee hour
was well attended and
"Happy Birthday" was
sung by all for Mr. Russell

Bridge. Our Saturday night
event will be a viewing of
Virgil Wely's pictures
taken in the Canadian
Rockies or "Mexico."
Either will be good! Mr.
and Mrs. Richard Beadle
called on the Thomases;

they are old friends from
Pittsburg, Michigan and
were delivering a trailer to
Miami.

Wednesday will feature the
steer junior judging contest for
4-H and FFA members,

children's day for Sebring and
a new event, the last prince and

Highlands County Fair Opens Feb. 7

The Highlands County Fair
will be bustling with activities
throughout the week, when it
opens Tuesday, Feb. 7, with the
judging of community booths,
children's day for Avon Park
and Lake Placid, the Dairy
show, which is open to all 4-H
and FFA exhibitors, and the
annual Miss Highlands County
Contest.

Wednesday will feature the
steer junior judging contest for
4-H and FFA members,

children's day for Sebring and
a new event, the last prince and
princess contest. The fat steer
and swine shows will be held
Thursday, Feb. 9 as well as
a fashion show presented by
women or men in each
community with hand-tailored
clothing.

4-H events and activities, "On
Hood Beef Evaluation" contest,
open for the public to
participate and the junior
livestock sale will be on
Friday, Feb. 10.

The midway this year,
promises to be bigger and
better than ever, with Blue
Grass shows furnishing the
amusements.

The fair will open at 1 p.m. on
Tuesday and close Saturday
evening at 10 p.m. Exhibit
buildings will close nightly at
10.

Florida Foods

For winner of the Anti-Consumption Medal for 1977, supposing there were one, my vote would go to Dorothy Parker. Not, of course, the late Dorothy Parker who was a wit on the staff of The New Yorker magazine in its early days, but rather the author of the book, "Mrs. Pinchpenney's Book of Kitchen Management," which Penguin published last year (374 pp., \$2.95).

"A friend of mine recently lunching in a Manhattan restaurant with the thrifty Mrs. Parker, whom she had just met, said that the author unashamedly collected the latest paper napkins on the table and put them in her purse, to use later, she explained, at home. She is, as she says in her book, a woman who freezes candles so they burn more slowly on the dining-table, who uses long steel nails instead of costlier skewers and who often feeds guests homemade bread, homemade soup and a salad rather than a roast and, say, fresh broccoli.

Though there are details in Mrs. Parker's entertaining book that I dispute, the main thrust is one that I, also a waste-not, want-not Yankee, appreciate. The friend who lunched with the author told me, "You will like Dorothy Parker because she, too, seems to ask before buying anything for the kitchen, 'Do I really need it?'" I must say she goes one one better. Mrs. Parker says she uses two rolls of paper towels a year. I buy two a week.

Frugality, occasioned by necessity, may have other roots as well, which Mr. Pinchpenney-the author's husband, it goes without saying-explains in a foreword. Any consumer fleeing from "buy this, buy that" commands or, at least trying to sort them out, will find much of what he says sympathetic. For example:

"Frugality as practiced by my wife is a joy, a positive pleasure," Mr. Pinchpenney writes. "He continues, 'You're not being priced out of the market: you're manipulating the market to your own ends. However important this is for the soul (and the pocketbook), the larger part, perhaps, is playing the game for the game's sake.' By ingenuity and flair, inventiveness and low cunning, my wife has created a space, in which we can live our kind of life. While it is related to and partly dependent on the life of the larger community, it nevertheless is our own. An exuberant sense of freedom results. Within limits, naturally, we've created our own economy-at a sharp angle to the larger one. We've given ourselves the incomparable gift of autonomy."

Starting with a chapter on basic kitchen equipment, called "The Crock Pot Is A Ripoff," Mrs. Parker goes on to table setting, marketing, cooking (eggs, chicken, certain meat cuts, fish, vegetables, fruits), brewing beer and making wines and cordials, substitutes for commercial cleaning agents and a section, "Don't Throw It Out."

I wouldn't go to the bother of brewing beer and making wine; commercial beer is often available at a low sale price, anyway. But it seems sensible, apropos of beverages, to invest, as Mrs. Parker suggests, in a household device that makes carbonated water, if you're a family that heavily consumes soft drinks. The soda siphon, a device produces, plus fruit juice or syrup and ice, furnish an appealing substitute for the bottled drinks that can be a sizable investment, especially in Florida.

What appealed to me very much was Mrs. Parker's emphasis on barter, not only because it can be profitable to the bargaining persons but also because it can restore that healthy sense of community and neighborliness that seems to be disappearing.

"Grow beans," the author says in effect, "and when the harvest is heavy, exchange them with a friend whose crop is corn or tomatoes." Or lacking a

vegetable plot yourself, offer to weed a neighbor's in return for some of his output. "What do you like to do or raise or cook or prepare that your neighbor doesn't or can't?" Mrs. Parker asks, stimulating readers-hopefully-into making their own kind of barter. "Think cooperatively," she urges.

And "don't throw it out," she pleads in a chapter, as I indicated, that title. Especially treasure the nutritious waters that you drain from having boiled vegetables in them. vegetable peels, fruit skins, and cores, meat bones, celery leaves, coverings of cabbage and lettuce heads. Refrigerate or freeze-fish

discards separated from those of meat. Mrs. Parker cautions-and use them to create soups and broths. Fruit trimmings, too? Yes, Mrs. Parker insists, and tells how she prepared a cold summer soup from such.

The specific ingredients: Purple grape skins (apparently from slipkin

grapes), skins and cores from four Bartlett pears, six peach stones, a handful of starting-to-ferment blackberries; the skins, cores, stems, seeds and everything but pulp from about 20 apples, a pinch of powdered clove, one-half cup of orange juice and two quarts of water. These were simmered a half-hour,

then strained and cooled. A half-cup each sour cream and yogurt were added, and the result was offered for a summer lunch with whole-wheat crackers and cheese. "Divine," writes Mrs. Parker.

Once for five days, she says, she and her husband and aged cat were snowbound. Mrs. Parker

tells how she fixed beef liver in beer, with onions, and then how she recycled the dish four more times. Four? Yes, really. The recipes she improvised sound palatable enough but even more they inspire you to create your own daring way with leftovers. Little, you agree, should be discarded in a pinchpenney

counterculture that mocks the extravagance and waste surrounding us. Here is the liver in beer recipe that so sustained the Parkers, followed by an African fish stew I found delicious when I tried it. **BEEF LIVER IN BEER** 1 pound beef liver 6 tablespoons flour salt, pepper to taste

Vision Program Awareness Week

Jan. 22-28 has been proclaimed as Vision Program Awareness Week by Governor Reubin Askew. The focus of the week is on the achievements of visually handicapped children and the programs that serve them. Sponsored by the Florida Chapter of the Association for Education of the Visually Handicapped, activities will be carried on locally with vision programs as well as the

Florida School for the Blind in St. Augustine. In Highlands County there are presently 14 school children with serious vision impairments attending regular school programs with their sighted peers. Their visual loss is such that instruction from a teacher with special training, as well as specialized instructional materials is necessary if they are to

function in their regular classrooms.

The Division of Blind Services provides medical and social services including job counseling and home instruction. In addition, the Florida Regional Library for the Blind and Physically Handicapped offer talking book machines and cassette

players, and talking books are sent on request.

The Rehabilitation Center for the Blind provides intensive training to adult blind individuals in the areas of communication, home living and crafts, social and daily living, and mobility and vocational counseling. The variety of services is available locally.

Continued

2 tablespoons oil
3 onions, sliced thin
2 garlic cloves, minced or pressed
2 to three tablespoons margarine
1 cup beer (flat will do)
¼ cup meat or vegetable stock
1 tablespoon sherry, optional
Cut liver with scissors into 1-inch pieces. Season 3 tablespoons of the flour with salt and pepper, and dredge the liver chunks in it.

Heat the oil in a skillet and cook the onions in it until golden, adding the garlic toward the end of this process. Remove onions, and keep them warm.

Adjust heat at high and saute the liver pieces quickly, turning to brown all sides. Remove and keep warm with the onions.

Add margarine to the skillet and when it is melted, the other 3 tablespoons of flour. Pour in the beer and stock and whisk over medium heat until thickened. Whisk in the sherry. Pour this sauce over the liver and onions, and serve hot with rice, noodles or potatoes.

Four to six servings.

AFRICAN FISH STEW

4 tablespoons oil, approximately
2 medium onions, chopped
2 medium green peppers, chopped
3 medium tomatoes, chopped (see note)
2 tablespoons soy sauce, Worcestershire or Sauce Diablo
Salt to taste

1 pound turbot or other fish fillets, washed and dried
1 tablespoon margarine
¼ teaspoon dried tarragon
Heat oil in a skillet, then soften onions and peppers in it. Add tomatoes when the other vegetables are rather soft. When the tomatoes have cooked a little, stir in the sauce and salt.

Lay the fillets on top of the vegetables. Dot with the margarine and sprinkle with tarragon. Cover and let fish cook about 20 minutes. Serve right out of the skillet.

Three or four servings.
My note: Substitute a cup of canned, drained tomatoes for the fresh; if you like. I found steamed new potatoes with chopped parsley and excellent accompaniment.

"Not For Women Only"

A new featured exhibit of the Highlands County Fair, Feb. 7-11, will be Women's World: "Not For Women Only". In this exhibit county residents may display their handcrafted articles, and ribbons will be awarded according to the merit of each item.

The categories for entries include clothing, knitting, crochet, other needlework, household accessories, toys, canned goods and foods.

Entries must be clean and must have been completed by the exhibitor since Jan. 1, 1977. Entries will be accepted at the fairground from 8 to 11 a.m., Monday, Feb. 6.

Exhibitors are asked to volunteer to serve as hostesses in the booth for a three-hour period at their convenience during the week, for security purposes.

Exhibits will be entered according to the age of the exhibitor as follows: Junior - up to age 12; youth - 13-17 years and adult 18 years and over.

All persons wishing to enter articles in Women's World should come to the Agri-Civic Center on South U.S. 27, or call 385-5158 in Sebring; 453-7538, Ext. 270 in Avon Park or 465-2464, Ext. 270 in Lake Placid for a complete copy of the rules and regulations for entries.

Pot Luck Dinner
On Saturday evening Jan. 14 there were 102 present for the regular Pot Luck dinner. The hosts and hostesses were Mr. and Mrs. Hollie Hendrick and Mr. and Mrs. William Cleland. Mr. Cleland extended a welcome and led in the Flag Salute. Audrie Cleland offered prayer.

Visitors were introduced from East Waterboro, Maine and Hixville Ohio. Four new members were present as well as one couple back for the first time. The program consisted of readings by Alda Peter and poems by Audrie Cleland. The program closed with singing God Bless America. The next dinner will be on Saturday Jan. 21, at 5:30 p.m., when the hosts and hostesses will be Mr. and Mrs. Dan Bret and Mr. and Mrs. Frank Shuman.

Pinocle
On Jan. 13, there were 11 tables for pinocle. Minnie Swanson was first with 769 and Clint Nelson second with 719.

On Jan. 16, there were 12 tables with John Mack in first place with 746 and Tom Chase second with 743.

Bridge
On Jan. 17, there were 8½ tables for bridge. Ida Allen was high with 5390 and Hilda Russell was second with 4520.

Jan. 19, there were nine tables for duplicate bridge. North-South Meredith Reany and Clyde Getchell were first. Al and Johnson and Ethyl Mardian were second and Al and Ida Allen were third. East-West it was Marth McBeth and Bertha Brush first, Bill Porter and Maurice Brevort second, Claude and Myrtle Byner second, Claude and Myrtle Byner third.

Tuesday night was Cribbage and Euchre time. There were six tables for cribbage with Helen Stanley first, O. B. Colson

second and Don Mason third. In Euchre it was Fred Frye first and Elizabeth Spohr second.

On Thursday evening a good crowd enjoyed one of the special programs scheduled for that time. Mr. Roswell Minott known as the Organ Tones provided the music for round and square dancing.

Next Thursday evening

7:30 p.m., the Shufflaire will present the program for the evening. This promises to be a very enjoyable event.

Membership
Our membership now totals over 500.

Crafts
On Jan. 12, there were about eighty members for crafts class. Each week the interest in Hand-work

increases. Pine needle weaving is very popular and many articles can be made. Carnations made of tissues are decorative and easy to make. Theresa Jank was the Bargello instructor for the day. Mr. and Mrs. Waters were kept busy at the ceramic table. Pete Ammerall had an interesting display of "Eyes of God" made of colored

yarn. He has the forms on which to weave these and in a couple of weeks he will be ready to teach a class. Mrs. Turflier will have a class in making darling white kittens, these will need two skeins of yarn. Helen Amerall and Rose Macer were busy making Yarn Dolls. Next week Dorothy will have a class in Quilling. For this, one will need a

large darning needle with the eye cut off, some wax paper and a box to keep small pieces in. Soon we will be making purses out of smooth plastic jugs. There has been some interest in a class to make flowers from silk hose and a class in the future is planned.

On Jan. 19 about seventy five members were busy at the regular Crafts class.

Pine needles work under the direction of Nina Bacon kept several occupied. Another group assisted by Fanny Hatch and Darlene Wells are making lovely pillow tops in Bargello. Ceramics directed by Mr. Waters still keeps quite a large group interested and busy. Jean Turflier is teaching another group in making cuddly yarn cats.

The new Project which was started at this class was Quilling under the able direction of Dorothy Barnet. Beautiful things can be made in this project. Another project to be introduced in the next two weeks will be "The Eye of God". Several members are learning to do this so that they will be able to teach.

out where the Beef begins...

When you think of beef, your mind may travel out to the western plains, where ranchers constantly strive to raise the most select cattle. That is where we at Winn Dixie go for our beef, because we know that heavy-western grain fed beef is renowned for its extra flavor and tenderness. We're proud of the extraordinary measures we take to make sure that the various roasts and steaks we display for your choosing are the very best you can buy. Look to Winn Dixie for beef you can always purchase with confidence... U.S. CHOICE W.D. BRAND... from the Beef People.

New Program: Bilingual Education

A new program is being implemented in the Highlands County School System this year: bilingual education for students whose home language is other than English. At the beginning of the school year all students were surveyed to determine if a language other than English was spoken in their homes. These children have been individually contacted and classified as to their ability to speak English. Those students with a Spanish background make up the largest group of non-English speaking students. They are scattered in all three towns in Highlands County, with the largest number in Lake Placid.

The Spanish-speaking students have been scheduled with aides and teachers who speak both languages, in an effort to provide the special services they need.

Currently the school board is seeking an itinerant teacher to work with the students, spending several hours at each school site where students need the bilingual program.

Those who would like more information about the program, or who are fluent in English and Spanish and would like to volunteer to help, please call Mrs. Nancy Duran Thomas at the Highlands County School Board Administrative Building in Sebring: 382-1121; from Lake Placid: 465-2682; from Avon Park: 453-7926.

County Fair Fashion Show February 7-11

The Highlands County Fair, Feb. 7-11, will feature a fashion show of hand-tailored clothing to be held Thursday, Feb. 9.

Any county resident who sews is invited to participate and model in this show. Clothing will not be judged, but each entrant will receive ribbons for participation.

To register and receive details, contact the County Extension office at the Agri-Civic Center on South U.S. 27 or call 385-5158 in Sebring; 403-7538, ext. 270 in Avon Park; or 465-2464, ext. 270 in Lake Placid.
