Brenda Kay Fletcher

With Family, Friends And God Behind Me, Nothing Can Go Wrong

By Tom Rabalais

June 1978 was a momentous month for the graduating class of the Avon Park High School. The young adults placed behind them the carefree days and, as

Brenda Kay Fletcher

the congratulatory letter from President Carter states, were prepared to meet the challenges of the Present and Future. One week later the full impact of challenge became most apparent to 17 year old Brenda Kay Fletcher, daughter of Mr. and Mrs. R.L. Fletcher.

Brenda has complained of unusual knots under her arms so Mrs. Fletcher took her to Dr. Jerome Epstein, the family doctor.

Dr. Epstein became alarmed and referred her to Dr. Donald Jones, a surgeon. As Dr. Jones went on vacation prior to completion of the tests, Mr. and Mrs. R.L. Fletcher was contacted by Dr. A.H. Foster and informed that Brenda had melanoma. The deadliest and hardest to deal with type of Cancer.

Dr. Foster, at this time, asked permission to make arrangements to have Brenda accepted as a patient at the National Institute of Health in Bethesda Maryland, the nations leading cancer research center that deals exclusively with melanoma cancer. Brenda was accepted as a patient.

A time of Crisis, the Fletchers soon learned, is when one finds how many friends and how much support one really has.

Mrs. Fletcher was granted a leave of absence for as long as is needed by the United Telephone Company. The National Institute of Health is arranging transportation on National Airlines, furnishing local transportation to Bethesda, supplying hotel accommodations for Mrs. Fletcher near the hospital and all the facilities of the Center at no cost to the Fletchers.

Brenda and Mrs. Fletcher will leave

Avon Park, Thursday, July 6, for an extended stay, four to six weeks, at Bethesda. Brenda is happy and looking forward to the trip and says, "with family, friends and God behind me, nothing can go wrong."

Mrs. Fletcher sums up the attitude of her family by stating, "In the midst of something bad like this, something beautiful will happen."

Alcoholism Is A Disease

On an all-day visit to the Florida Alcoholism Treatment Center (ARC) David R. Beecher, Sr., deputy secretary of the Florida Department of Health and Rehabilitative Services (HRS), Tallahassee met with ARC administrator Benjamin A. Brooks and staff members to discuss the various programs of the local facility.

With a long record of work in the community service area, Beecher a M. Sc. graduate of Ohio State University's School of Social Studies, explained that the Avon Park Center is unique in that it is the only center operated by HRS, whereas, the state contracts with local organizations to operate other treatment facilities.

With the state divided into 11 districts, Avon Park is in district 8, with Ft. Myers as headquarters of the advisory council. In their discussion Beecher and Brooks were joined by Ernie Haar representing the Alcohol Rehabilitation office in Tallahassee.

Conversation centered about the priority treatment of patients suffering from alcohol and drug abuse with three areas of concern, that of the center's programs, difficulties encountered and any change or improvements that might benefit the program. An example cited was the work of Dr. Crews on the role of sleep and dreaming and how sleep was affected by alcoholism.

A patient coming to ARC is usually referred from a community by a local person, doctor, pastor, alcoholics anonymous or other organization such as occupational, courts, welfare etc. The patient often needs intensive therapy, with the Avon Park facility being able to treat all stages of alcoholism.

When the center opened the average age of patients was in the 40's, it has now dropped to 35 years, with patients in their late teens and early 20's to the 70's.

The increase in the numbers of young

patients was attributed to the experimenting with drugs even though alcohol is a legal drug, the pressures against the use of illegal drugs; and the changes in our society. Statistics were also cited as being more reliable today and that alcoholism is now accepted as a disease with less hiding of the fact. Education is also better with more public health programs.

In the future it is expected that public health programs and treatment

TAKING PART IN a day long meeting between state administrators and staff members of the Florida Alcoholism

subject to an indepth audit early 1979 by the Department of Revenue.

Therefore, it is of most important that we have our "house in order."

The appraiser's staff has been working hard and long to build the 1978 tax roll in an orderly and logical fashion in compliance with the laws.

During the first week in July

evaluation notices, as prescribed by law, will be mailed to all property owners who are affected by this annual review.

What with some 70,000 parcels to appraise annually, it is natural to find clerical errors in some few cases, despite all efforts to eliminate mistakes.

My staff and I do not claim to be perfect. This is why we encourage tax-

payors to come directly to us, if they have good reason to question the appraisals. After all, we still have the right to discuss our mutual problems.

If we all exercise a little patience in trying to understand both sides of the issues, we can solve our problems here in Highlands County rather than have them resolved for us in Tallahassee.

LAST WEDNESDAY AFTERNOON, at the Avon Park Bombing Range Commander's Call Senior Airman Daniel F.

Donahue was presented a gift certificate from a local store and a newly designed car tag stating - Central

Florida's City of Charm from the Avon Park Chamber of Commerce by the Chambers executive secretary Anna Belle Worden. Sunphoto by Amburn.

Range Airman Of Quarter Honored By Merchants

Senior Airman Daniel F. Donahue was honored at Commander's Call last Wednesday afternoon as the Avon Park Bombing and Gunnery Ranges' Airman of the Quarter.

Sr. Airman Donahue, June's Airman of the Month, competed for the honor of being Airman of the Quarter against two previous chosen Airman of the Month; Airman Greg Swann was selected as

April's Airman of the Month and Senior Airman Pat Keenan was May's Airman of the Month.

Senior Airman Donahue was selected as June's Airman of the Month based upon his superior duty performance with the 56th Combat Support Squadron, Security Police Section. Upon his being chosen as airman of the month he then qualified as a candidate for Airman of the Quarter.

Sr. Airman Donahue met with a board of four senior NCO's and one officer at the Bombing Range along with two other candidates (Swann and Keenan) and had a question and answer interview on current events and general Air Force and military knowledge.

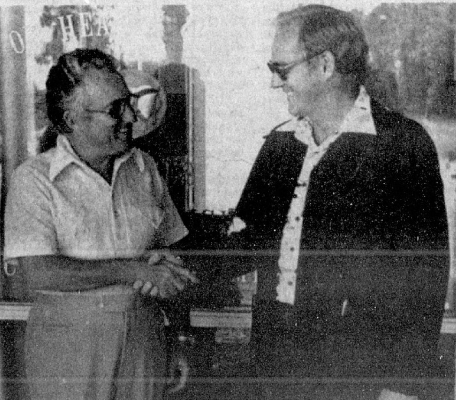

After he was chosen as Airman of the Quarter for the 56th Combat Support Squadron, Donahue traveled to MacDill AFB Tampa as a candidate in their Wing Airman of the Month. Competing against 13 other highly qualified airman, the honor was bestowed upon Sr. Airman Donahue, a first for the Avon Park Bombing Range.

Sr. Airman Donahue received acknowledgement of his achievements last Wednesday from the Avon Park Bombing Range Base Commander, Col. Donald Griffing and will receive additional recognition on July 14 from the 56th Tactical Fighter Wing Commander, Col. Cunningham at the colonel's stand-up meeting at MacDill AFB, and will receive a gift package, compliments of Tampa merchants to be presented by the Tampa Chamber of Commerce.

Mrs. Anna Belle Worden, Avon Park's Chamber of Commerce executive Secretary was present last Wednesday at the gathering of all military personnel on the base and presented Sr. Airman Donahue with gifts from local merchants, they are: \$10 gift certificate from NAFA (Avon Auto Parts); \$10 gift certificate from Sterling's Auto; 10 free lanes of bowling at Ridge Lanes; 1 large pizza at Pizza Hut; a basket of chicken from Burger Queen; 2 tickets to Sea World; 2 tickets to Cypress Gardens; 2 tickets to Circus World; a certificate from a local store; and will be guest of honor at the Avon Park Rotary Club.

Sr. Airman Donahue completed his High School education in his hometown of Brockton, Mass., entered the Air Force 2 1/2 years ago and attended basic training

The Gospel According To Saint Solzhenitsyn

The epiphany of a famous American aviator reads, "If I take the wings of the morning and dwell in the uttermost parts of the sea..."

On an early May morning in 1927, that aviator climbed into a single engine plane on Long Island and 33 hours later the Spirit of St. Louis landed safely outside Paris.

Charles Lindbergh had become the first man to make solo flight across the Atlantic Ocean and, in so doing, he established himself as one of the noblest of American heroes.

As George Will wrote of Lindbergh, "He was a catalyst of the nation's redemptive, in a frivolous decade, of old virtues, including bravery, solitary discipline and applied knowledge."

Now since we are just past our nation's 202 birthday, it is a suitable time to ask whether we are once again in a frivolous, or even morally pernicious, decade.

The question stands out now because of Alexander Solzhenitsyn's profound and controversial commencement speech at Harvard University last month.

Solzhenitsyn's laser insight decimated American society and brought hopes of protest from many commentators.

The Russian dissident author's speech struck such a nerve in American society not simply because he criticized the United States - criticism is a daily commodity - but because he was able to focus on the moral issues which are facing America on this country's 202nd anniversary. And, in his eyes, the nation, sadly, is losing its moral courage and spiritual values.

"Society appears to have little defense against the abyss of human decadence, such as, for example, the misuse of liberty for moral violence against the young people, motion pictures full of pornography, crime and horror. This is considered to be a part of freedom, and, therapeutically, counterbalanced by the young people's right not to look or not to accept. Life organized legalistically has thus shown its inability to defend itself against the corrosion of evil," Solzhenitsyn warned.

It is precisely this corrosion of evil, combined with western society's pursuit of material wealth which has made our nation morally bankrupt, he says.

The key to our obsession with wealth, to Solzhenitsyn, lies in the philosophy of rationalistic humanism which denies any Divine Forces and looks upon man as the center of all existence.

"We turned our backs upon the Spirit and embraced all that is material with excessive and unbridled zeal. This new way of thinking, which had imposed on us its guidance, did not admit the existence of intrinsic evil in man, nor did it see any higher task than the attainment of happiness on earth... modern Western Civilization on the dangerous trend toward worshipping man and his material needs."

"Everything beyond the physical well-being and accumulation of material goods, all human requirements and characteristics of a nobler and higher nature were left outside the range of the attention of the state and social system, as if human life did not have any higher meaning."

Such a society, to Solzhenitsyn, cannot obtain any type of spiritual value and can only produce "an atmosphere of moral mediocrity, paralyzing man's noblest impulses."

What the great Russian author did not say, but could have, is in America today there is a preference for mediocrity over excellence.

How many people, for example, will take the time to read the full text of Solzhenitsyn's speech compared to the number of people who will take the time to read one of Harold Robbins' novels?

Solzhenitsyn, in his message and in his appearance, calls to mind the Old Testament prophets who warned cities to repent of evil and turn back to God. Some of his have sounded Solzhenitsyn of, like such prophets, believing too zealously that he possessed the "Truth."

Part of the truth he warns us about he has experienced first hand, eight years in the Soviet Gulag Archipelago, served as foundation for his attack on the evils of totalitarianism.

In his speech he warned the west against the more subtle, yet just as dangerous, corrosive evil atmosphere of western civilization.

It is an evil which, reduced to its basest forms, believes in a flashy car, a fat bank account, luxurious home, social pretensions, but has no underlying moral values.

Editorial

Evil is not a pleasant subject in today's culture but men like Solzhenitsyn refuse to allow society to keep its new taboos even though most people prefer to think about their heading rush toward self-gratification.

The Old Testament part of Solzhenitsyn's speech has been heard before. Western culture has incorporated it into its religious beliefs. Incorporated truth statements but not internalized them.

Solzhenitsyn urged a spiritual upsurge in citizens saying only this could "raise man above the stream of materialism."

The spiritual upsurge the Russian writer believes will give individuals a new height of vision will come only when we look first within the depths of our own souls and find the Divine Will which Solzhenitsyn knows so well.

If as he believes, the fundamental and pivotal crisis of Western Civilization is a spiritual one, then it can only be resolved by a spiritual answer. Technological miracles, no matter how awesome, will not help.

Although Lindbergh designed the plane in which he flew across the Atlantic, neither of those feats is the reason he is so well remembered. Sooner or later there would have been other engineers and other pilots who would have accomplished the Trans-Atlantic flight.

Lindbergh, the solitary aviator, stands as a noble hero because in the midst of a frivolous and materialistic decade, he rejected frivolous and materialistic values.

In a day when Senators were making commercials for cigarettes-instead of credit cards which they do today - Lindbergh refused such commercial, and tawdry, ventures.

Solzhenitsyn was wrong when he said no one on earth has any way left but - upward. We can always go down, if we choose to.

But if we heed the message of prophets, both old and new, and find our spiritual selves, we can do so much more than take a spiritual upsurge. Because there is no limitation on the Divine, by our choice we can always "take the wings of the morning and dwell in the uttermost parts of the sea."

Flag Article Receives Praise

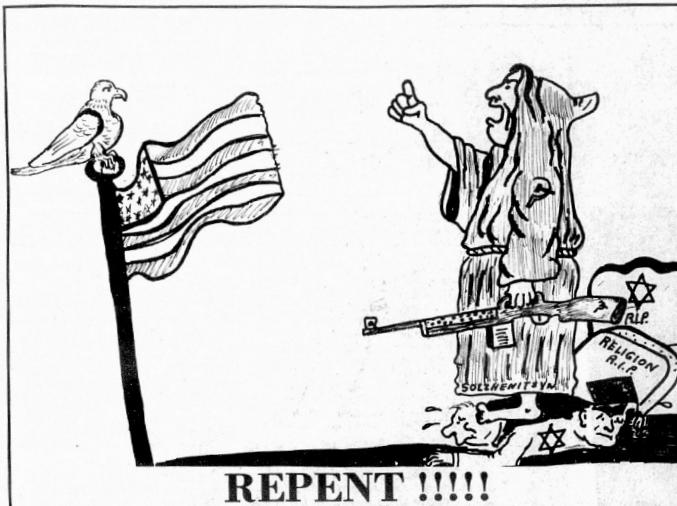

Dear Editor:

In response to the June 15, Lively Living section being sent to La Querier General, Vulture Nationale, La Societe, des 40 Hommes et 4 Chevaux by LaFleur, an Avon Park Postal employee the following letter was received:

"Thank you for sending page 1-C, The Avon Park Sun, June 15, 1978 and for your efforts toward such an article."

"Our Flag - A Symbol Of Freedom" is quite fitting and the Avon Park Sun and Betty Ambrun are to be congratulated. Such articles are sorely needed to restore, at least in part, the deserved respect and admiration for such a symbol which, unfortunately, seems to have declined in recent years."

Sincerely,
Joel A. Bunch

Our Readers Opinions

Bafalis Tried To Stop Deficit Spending

Dear Editor:

The logical sequel to the overwhelming approval of Proposition 13 by the people of California would be the adoption of an Amendment to the U.S. Constitution mandating a balanced federal budget and prohibiting deficit spending. It is widely acknowledged that deficit spending by the federal government is the single greatest cause of inflation. At the same time, recent surveys have shown that inflation is the number one concern of a majority of the citizens of this country.

Five and half years ago, I introduced into the 93rd Congress a Resolution to amend the Constitution mandating a balanced federal budget except in times

of national emergency. This Resolution also requires the repayment of the national debt now approaching three quarters of a TRILLION dollars - at the rate of 1 percent per year for the next 100 years.

This legislation was re-introduced in the 94th Congress and again in the 95th Congress as H.J. Res. 14. It presently has 61 Congressional cosponsors. Unfortunately there has been no action taken on this proposal as yet. It is hoped that the recent experience in California will serve as the impetus to initiate expressions of support for this fiscally responsible legislation. Hopefully, also, taxpayer-oriented organizations all over the country will begin to marshal their forces to assist in focusing Congressional attention on the

need for this action.

The approval of Proposition 13 has become popularly known as a "taxpayers' revolt". To me, this is somewhat of a misnomer. The term "revolt" has connotations of violence perpetrated by unthinking radicals. I prefer to think of this action as an "awakening" of concerned and knowledgeable citizens who are becoming more aware of the direction our great nation is heading and who want to do something about it before it is too late.

Those who join in this effort will not only be doing themselves a favor, they will be insuring the long-term economic health and well-being of our country.

Sincerely,
L.A. "Skip" Bafalis
Member of Congress

Readers are urged to express their opinions on current events or controversial issues in Letters to the Editor. Letters will be printed as submitted unless content is judged by the editor to be libelous, socially unacceptable or attacks the personal character of another individual. All letters must be signed, together address for verification. Upon request, signatures will be withheld from publication. Such letters may be signed "Troubled"; "Concerned"; etc., but flippant names will not be accepted.

In remarks prepared for presentation to the Florida Police Chiefs Association William said casino supporters "are peddling a mirage... an unrealistic dream that ignores the realities of our situation."

Williams, an Ocala businessman, is a Democratic candidate for Governor.

Noting that Florida's tourist industry stimulates our economy through spending of \$1.5 billion annually in the state, Williams predicted many of Florida's visitors will go elsewhere for family recreation if casinos are allowed to invade Florida.

"Will casinos draw enough visitors to Florida to make up for those who will take their children elsewhere? I doubt it," said Williams told the police chiefs. "I am totally opposed."

"I urge Florida citizens to refuse to sign petitions when they are presented with one. I urge them to vote against casinos if any measure reaches the ballot. As Governor, I will veto any enabling legislation that reaches the Governor's desk," said Williams.

"My position is firm, not soft in any way," said Williams.

Rocking The Boat

By George Duncan

Lately another newspaper has been running a Copping Skills Test. This test is designed to inform people that, in tense situations, they can make choices which will reduce stress, if they make the right choices that is.

The test is designed to tell people that, while they can't avoid stress, they can deal with it. However, I wasn't too impressed by the "correct" answers so I'd like to run my own stress test.

1. Lewis is a personal friend who habitually has an offensive odor. What would you do?

(a) Discuss it tactfully with him.
(b) Avoid him.

(c) Try the subtle approach. Take an oxygen mask to work and put it on whenever you are near him.

2. While you are driving to work, a car suddenly pulls out in front of you almost causing you to have a serious accident. What should you do?

(a) Honk your horn and flash your lights.

(b) Try to ignore the incident.

(c) Find the car and set fire to it... only after determining that the driver is inside.

3. Linda has been married to her husband for 10 years when she suddenly finds out he has been cheating on her. What should she do?

(a) Confront him with the facts.
(b) Ignore his indiscretions.

(c) Shoot the unfaithful, lying s.o.b.

4. Mike's hobby is working in his lawn and garden. However, the neighborhood children constantly cut through his yard while playing. What should he do?

(a) Tell them not to.
(b) Talk to the parents of the children.

(c) Set out traps and plastic explosives for them. They will teach them.

5. Mary is an avid golfer. Her husband, though, likes to stay around the house. What should she do?

(a) Give up golf.
(b) Get involved in a joint activity.

(c) Continue to play golf but have her husband tee up the ball... in his mouth.

6. You like your privacy but a friend keeps bothering you by coming over to your apartment and barging in without knocking. What would you respond to?

(a) Ask him to phone first.
(b) Put up with the situation.

(c) Buy a huge German Shepherd who kills intruders but don't tell your friend.

7. A salesman has just swindled you out of \$400. After you find out about it, what do you do?

(a) Talk to him and ask him to give back the money.

(b) Chalk it up to hard luck.

(c) Tell him either he gives you back your \$400 or he will have to spend it on a complete set of dentures.

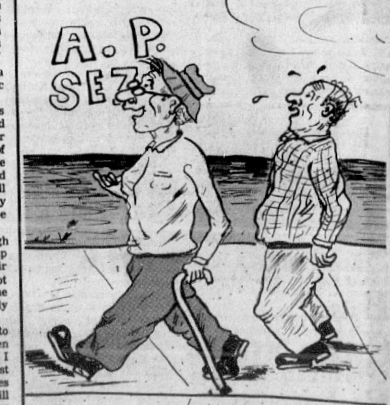

8. A relative tells you he's afraid he is dying, and is obviously extremely depressed. What is your response?

(a) Try to cheer him up.

(b) Tell him to go to another doctor.

(c) Ask if you are named as a beneficiary in his insurance policies.

If you picked all 'c' responses, then it is quite obvious you know how to cope with stress and don't need silly little tests like these.

Registration Offices Open On Saturday

To make it easier for potential voters to register, the Highlands County Supervisor of Elections Jimmy Whitehouse will open his office for five Saturdays.

On July 15, 22, 29, Aug. 5 and 12 Whitehouse's office will open from 9 a.m. to 5 p.m. The elections office, now separated from the motor vehicle tag agency, has moved to new quarters on the first floor of the main courthouse building: Room 104.

Whitehouse reminded citizens there are no waiting periods now to qualify to register; anyone who has moved into the county with the intention of making this his or her home may, immediately, register to vote.

Residents between the ages of 18 and 21 will be asked to present some proof of age — a copy of a birth certificate or a driver's license may be used, Whitehouse said.

Persons who have changed their names or their place of residence must come to the elections office and register these changes. Persons wishing to switch party affiliations must put this on record at the elections office in order to be eligible to receive the proper ballot in the forthcoming primaries.

Whitehouse said some address changes have been announced by the various post offices in the county and anyone whose home address has been so modified is required to notify the elections office.

Changes for Lake Placid addresses may be reported at the Lake Placid town hall and Avon Park changes, at Avon Park city offices.

These city offices will not have the special Saturday hours; their hours will be on regular city office schedules. Only at the courthouse will election officials be available Monday through Saturday for the July 10-Aug. 12 interval.

After Aug. 12 the courthouse office reverts to its usual 9 a.m. to 5 p.m. schedule. Whitehouse said the county voter registration roles had passed 30,000 last year but dropped back when a purge was conducted. It is anticipated that the total will bounce back over 20,000 this week.

PAST PRESIDENT OF the Avon Park Rotary Club, Norris Brooks, presented out-going president Art Turner with a

past president's pin during his last meeting of the Rotary year.

Rotarians Hear Report Of The Year's Activities

At the regular Wednesday noon meeting of the Avon Park Rotary Club, outgoing president Art Turner reported to the club on the past year's activities and accomplishments.

During the year the club attained an all time high of 64 members, with outstanding member attendance at Rotary District institutes and conferences and three members attending the Rotary International Convention in Tokyo, Japan.

The Avon Park Rotary Club was incorporated this year as a non-profit organization. Involved in several fund raising activities, the club contributed to Project HOPE, scholarships at South Florida Junior College, Boy and Girl Scouts Troops, Little and Senior Baseball Leagues, the 10th Congressional District Intern fund, Ridge Area Association, Christmas Cheer program and

Christmas project at the Avon Park Elementary school.

The club has sponsored the Avon Park High School Cross-Country Invitational Track meet and the Airman of the Quarter Award at the Avon Park Bombing and Gunnery Range Air Base.

The board of directors never failed to have a quorum at their weekly 7 a.m. meeting. Turner told the Rotarians. The club held two successful ladies night meetings during the past year and for the first time in many years a club directory with pictures of all of the members was published.

In concluding his report Turner presented a Rotary emblem tie-tac to each member of the board of directors and thanked them for their work. He also gave special thanks to all committee members who had worked during the year for a better Rotary Club in Avon Park.

Testerman Arrested For Retail Theft

According to the Avon Park Police Department the Fourth of July weekend previous to 9:30 a.m. on the Fourth was pretty quiet as holidays go with one accident, one shoplifting incident and three 0-6 complaints reported.

The shoplifting incident which occurred Monday morning at 9:55 at the Winn Diesel food store involved Howard Lee Testerman of S. Hart Ave.

When Officer Wood saw Testerman approaching the exit door, he noticed the shape of a bottle in his pocket.

Officer Wood approached Testerman, removed a bottle of sherry from his pocket and detained him until Sgt. Paul Harrison of the Avon Park Police Department arrived to place Testerman under arrest for retail theft.

Bond was set at \$282.

Off-duty officer Jim Wood noticed Testerman was carrying a bottle of sherry and acting very suspicious.

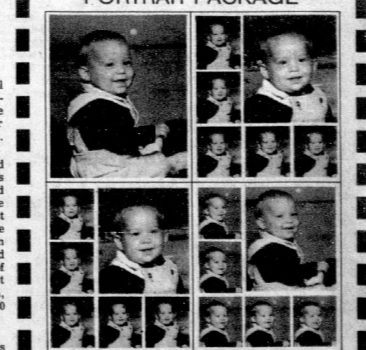

Officer Wood told a Winn Diesel employee that he was observing the man, and asked him to call the police department.

Sarasota Man Charged After Accident

The Florida Highway Patrol filed five charges against a 27-year-old Sarasota man after he allegedly struck a parked car and then left the scene Friday.

Kmart THE SAVING PLACE

BRING THIS COUPON FOR 50¢ OFF ON OUR \$10.95 PERSONALITY PORTRAIT PACKAGE

THESE DAYS ONLY: JULY: WED THURS FRI SAT SUN 5 6 7 8 9

Daily: 10AM - 8PM Sunday: 12N - 4PM 928 South East Lakeview Drive, Sebring

Damage was set at \$2,300. No injuries were reported.

After the collision, Flores left the scene, traveling North. A witness to the collision followed Flores and reported to the Avon Park Police Department the location of the car. After arriving at the scene of the accident, and completing the on-scene investigation, Trooper Hart and Sgt. Roy Hickman of APFD went to Flores' home at 156 E. 9th St. At this time Flores was arrested and his car impounded.

Trooper Hart charged Flores with driving while intoxicated, careless driving, no valid driver's license, leaving the scene of an accident and failure to report immediately an accident. Howard was charged with having no valid driver's license and no tag.

Damage was set at \$2,300. No injuries were reported.

Selective Enforcement In County

With 40 fatalities predicted by the National Safety Council, for the 142 hour Fourth of July holiday in Florida, Highway Patrol Sgt. Donn Conn of Ft. Myers, headed up a 14 Florida Highway Patrolman Selective Enforcement Detachment for Highlands, DeSoto, and Glades Counties with Hardee County included because of the Monday afternoon rains in DeSoto County.

Called the 'wolf pack' by some irresponsible members of the news media, the special detachments of Patrol officers helped reduce the predicted Florida death toll of 20 persons to 14 fatalities during the Memorial Holiday weekend.

Stationed at different locations throughout the counties the officers were alert for various traffic infractions. In many cases warning tickets were issued as a means of selective enforcement of traffic laws with the overall purpose of holding traffic fatalities during the Fourth of July holidays to a minimum.

During the time period starting at 1 p.m. Monday until about 11 p.m., Monday night 320 citations were given; 217 warning tickets written and 131 faulty equipment tickets issued in the four county area.

Hayes charged with having drugs

An Avon Park man was arrested and charged with possession of marijuana after refusing to be searched by guards before entering Avon Park Correctional Institute. Alexander Hayes, 30, had been to the local prison as a visitor but left when he was denied visitation rights after refusing to be searched.

Prison guards notified the Highlands County Sheriff Department and asked that Hayes be stopped for questioning.

Hayes charged with having drugs

An Avon Park man was arrested and charged with possession of marijuana after refusing to be searched by guards before entering Avon Park Correctional Institute. Alexander Hayes, 30, had been to the local prison as a visitor but left when he was denied visitation rights after refusing to be searched.

Prison guards notified the Highlands County Sheriff Department and asked that Hayes be stopped for questioning.

Eight Year Old Admits Robbery

Sgt. Paul Harrison of The Avon Park Police Department filed a police report on one of the youngest juveniles to be ever picked up by the police department, during the early part of this week.

According to Sgt. Harrison the small 45 to 50 pound, 8 year old boy admitted breaking into a residence at 1400 S. Verona and going to bed, where he was found asleep by the owner at 2:00 a.m. Monday and admitted entering a house at 1301 S. Carolina Ave. where he took a child's record player and left it at a relatives house. It was later returned to the owner by Sgt. Harrison.

Admitted breaking into a house at 1109 S. Fogle Ave., where he ate some food and left with three silver dollars and some small old coins that were not recovered.

Admitted stealing a bicycle at 453 Bill Hill Road while the owner was away for the holidays.

After the police report was filed, the boy was returned to his mother. He will be referred to the Highlands County Youth Services.

Todd - Wilfong Weds July 1

Sarah Todd, of Lakeland, Fla. and Walker Winston Wilfong of Athens, Ga., were united in marriage Saturday, July 1, 7:30 p.m., at First Presbyterian Church of Lakeland. Sally is the daughter of Mr. and Mrs. Herbert Ridgely Todd of Lakeland and the granddaughter of Mrs. Walton Clemmons Touchton and the late Dr. Touchton of Avon Park and of Mr. and Mrs. Edward Gorsuch Todd of Frostproof. Winston is the son of Walter Whitener Wilfong and the late Nancy Edmonds Wilfong of Athens, Ga.

Tall standards of candles and greenery marked the center aisle pews and complemented the altar background of palms and tropical greenery lighted with tall white tapers in branched candelabras. A program of pre-nuptial music was given by Mr. A. Everett Amos, organist. The bride, given in marriage by her father, wore a formal white gown fashioned of imported organza. The detailed bodice was enhanced by appliques of Lily-of-the-Valley Venise lace, together with a scalloped edged cape which fell in gentle folds around the waist. An A-line skirt with a bias-cut flounce and matching lace encircled the hemline and swept into a modified train. A fingertip illusion veil trimmed with Venise lace was attached to a Coronet style headpiece and completed this look of elegance. The bride carried a bouquet of white roses and Lily-of-the-Valley.

Sally was attended by Harriet Calhoun Ellis, maid of honor, from Atlanta, Ga.; her two sisters Nancy and Judy Todd, Mary Askew Hinson, Mary Badcock Stiles, Olinda Michael Sykes, and Jennifer Burry Winders, of Lakeland; Lela Jan Higginbotham and JoAnne McClure of Atlanta, Ga.; Dorothy Janice Smith of Waycross, Ga.; and Beth Ann Westbrook of Winter Park. These bridesmaids wore gowns in rainbow hues of English Voile, with eyelet trimmed bodices. A full skirt and flounced hemline with matching triangular ruffled shoes coordinated beautifully with the bridal ensemble. The bridesmaids carried bouquets of white Daisies and Babies Breath. Winston selected his father as his best man. The groomsmen were William Andrew Gibson and Elbert Newton Whitmore, III., of Athens;

Robert Andrew Siegel of Atlanta; James Crawford Metcalf, Jr., of Augusta, Georgia; Robert Parker Varner of Columbus, Ga.; William Alvin Roof of Columbia, S.C.; Clarence Alexander McArthur, III of Hartsville, S.C. and Lee Emerson Brinson of Hartwell, Ga.

A reception following the church ceremony was held at Lone Palm Golf Club, where bouquets spring flowers added lovely pastel colors to the festivity. Especially featured was the bridal cake table which was overlaid with a draped lace cloth and held the tiered cake. The cake was topped with miniature china bride and groom figures which were used by the bride's great-grandparents at their golden wedding celebration.

Mrs. Wilfong received her BBA degree in Finance from the University of Georgia, where she was President of Chi Omega Fraternity. Mr. Wilfong was a Cum Laude graduate of Presbyterian College with a major in Biology where he was Secretary of Kappa Alpha Order. After spending some time with their guests, the couple left for a honeymoon trip to Sanibel Island. They will reside in Augusta, Ga., where Mr. Wilfong is a student at the Medical College of Georgia School of Medicine.

Students Named To Deans List

Sara Jean Carver, Pamela Griffin, and Brian Freeman Murphy, all from Avon Park among approximately 1,352 students at Florida State University to make the Dean's List for the summer quarter. The Dean's List is an honor roll of students whose grade averages are "A" or "B" for all courses taken during the quarter.

Chester Eugene Garner of Avon Park, has been named to the Deans List at Florida Technological University for the Spring Quarter. Garner majoring in Political Science. To be eligible for the honor, a student must compile a minimum 3.4 grade point average (based on 4.0) while enrolled for at least 12 quarter hours of study.

Class of '58 Holds Reunion

The class of '58 held their 20th year Reunion this week end with a dinner and dance held at the Elks Club in Sebring and on Sunday a bountiful picnic and BBQ was held at the Avon Park Correctional Institute Staff Training Building.

The Elks Club was decorated in the high school colors of red and white. Door prizes were given to lucky winners.

The two that had travelled the farthest were Ben Earnest from Seoul, Korea, and Henry Scott from Anchorage, Alaska.

The highlight of the evening was a floor show by Judy Hall, a former class mates wife from Marietta, Ga. Judy is an instructor and performer of Oriental Dance.

Mrs. Barbara Cribb was recognized for spearheading this gala affair and keeping up with all the class mates over the past twenty years.

The Reunion was a big success and they are looking forward to the 30th year reunion.

Sarah J. Wilkes

Engagement Announced

Mr. and Mrs. George L. Wilkes of Avon Park announce the engagement of their daughter, Sarah J. to Billy C. Austin, of Avon Park, son of Mrs. Irene Staley of Deluth Minn., and Mr. Elvis Austin of Missouri.

The wedding date is set for July 8, at the home of Mr. and Mrs. Billy Durrance 698 N. Lake Avenue, at 3 p.m. with the Rev. Dophus R. Wilkes of the Western Baptist Church of Lakeland officiating the ceremony.

A reception will be held following the ceremony at the same address. All friends and relatives are cordially invited to attend.

Carole Elizabeth Click

Click - Tyree Plan August Wedding

Mr. and Mrs. James S. Click, Jr. announce the engagement and approaching marriage of their daughter, Carole Elizabeth, to Terry Tyree of Tampa.

Carole is a May graduate of Atlanta Christian College and is presently making an evangelistic tour of New Zealand with the musical group "His Light." This group

Joe Keating New Director of Avon Park Grenadier Band

By Mark Albright
Joseph Michael Keating from Winter Haven has taken charge of the Avon Park High School Marching Grenadier Band, effective June 12, following the resignation of former band director Stafford S. Whitemore, at the end of the 1977-78 school year.

Twenty-one year old Keating was born in New Port Richey and lived there for five years before moving to Winter Haven, where his father, James S. Keating, is the band director at Polk Community College.

Joe, as Joseph is referred to by other teachers, attended high school at Winter Haven

High. And, after graduation, he enrolled in Troy State University in Troy, Ala. where he received his Bachelor's degree in music education.

While working on his Bachelor's degree Joe completed two months of student teaching at Laverne High School in Laverne, Ala.

During his four years at Troy State Joe was president and treasurer of Phi Mu Alpha Sinfonia Professional Music Fraternity. He also was given the "Outstanding Sinfonian" award by the fraternity. In addition he was named Troy State's Outstanding Music Graduate.

Keating was a member of the Gamma Beta Phi Honor Society, Phi Kappa Phi Honor Society and Kappa Delta Phi Honor Society in Education.

Joe began teaching the Avon Park High School Band's summer band program on June 12, and said of his decision to come to Avon Park, "I knew the band had an established reputation and the community itself appealed to me."

In expressing his approach to teaching music Joe said, "I don't plan to make any major changes, but I want to make sure the students are learning music as well as enjoying themselves."

"I'd like to encourage all band members to attend summer band, and make plans for our band camp which will begin Tuesday, Aug. 22."

The purpose of the band camp to be held at the high school August 22-25 is to work

on music and marching for the upcoming football season.

"I'd like to thank everyone for the warm welcome I have received since arriving in Avon Park," Keating expressed.

Sgt. Cratty Arrives In Alaska

Sergeant Thomas M. Cratty, son of Mr. and Mrs. Frank A. Cratty of Avon Park, has arrived for duty at Galena Airport, Alaska.

Sergeant Cratty, an air traffic control operator with a

unit of the Air Force Communications Service, previously served at Altus AFB, Okla.

The Sergeant entered the Air Force in 1974

Puppies By The Wayside.....

ABANDONED GERMAN SHEPHERD puppies were found by Mr. and Mrs. George Wilkes on the old Fort Meade Road last Saturday afternoon. The eight puppies were almost dead from heat and starvation. After the Wilkes cooled them down and fed them milk from bottles, they recuperated quickly and by Monday were lively and healthy. Anyone interested in taking one or more of these puppies should contact the Wilkes by calling 453-3003 immediately. There are five females left for adoption. Sunphoto by Lew Miller.

TRAVELLING FROM THE Republic of Korea, Ben and Kiya Earnest attended the 20th reunion of the Avon Park High School Class of 1958. At the

Ben Earnest Travels From Korea For Class Reunion

Ben Earnest, his wife Kiya and their son, Dale are visiting his parents, D.M. and Beulah Earnest from June 2, to July 1. Ben currently lives in Seoul, O Korea, where he works for the U.S. Army and Air Force Exchange Service (PX).

During their visit, the Earnests did a little fishing, worked around the house, visited family members living in North Florida, toured several Florida attractions, including Silver Springs, Cypress Gardens and Disney World plus just relaxing. They attended the 20th year reunion of the Avon Park High School Class of 1958.

Kiya is a citizen of the Republic of Korea and looks forward to returning and living in the United States. She was delighted to meet many of Ben's high school classmates. Ben and Kiya are subscribers of the Avon Park Sun and look forward every week to read the news from home.

Since the first GI Bill was signed into law in 1944, over 17 million veterans have taken some form of training under this popular program.

Highlands County Traffic Court News

6A The Avon Park Sun, July 6, 1978

The following cases involving driver's charges in Highlands County Traffic Court have been disposed of recently in county court.

Steven Leonard Dickerson, leaving the scene of an accident - assessed \$50 penalty and \$12 in court costs; on a charge of careless driving - dismissed.

Michael Reid Currin, careless driving - dismissed.

Billy Ray Atchley, willful and wanton reckless driving - assessed \$50 penalty and \$12 in court costs.

Orlando P. Palma, careless driving - assessed \$50 penalty and \$12 in court costs; on a charge of no tag - assessed \$40 penalty and \$12 in court costs.

Walter Rutherford Sauters, violation of right of way - assessed \$12 in court costs and ordered to attend defensive driving school.

George Williams Lane, violation of right of way - assessed \$50 penalty and \$12 in court costs.

John Mason, improper change of lane or course - voluntarily submitted license.

Highlands County DWI Cases

The following cases involving motorists charged in Highlands County with driving while intoxicated have been disposed of recently in county court.

Salvador Garcia - fined \$300 and \$12 in court costs or 10 days in jail; on a charge of no valid driver's license - assessed \$100 penalty and \$12 in court costs or 10 days in jail.

Kelly Lee Davidson - driver's license suspended for three months; fined \$100 and \$12 in court costs.

Joseph John Skewett - estimated \$352 bond.

Paul Wayne Cohn - driver's license suspended for three months; fined \$100 and \$12 in court costs; placed on six months probation.

James Preston Hopson - driver's license suspended for three months; fined \$100 and \$12 in court costs; placed on six months probation with Antabuse counseling.

Charles Lorin McLain - driver's license suspended for three months; fined \$100 and \$12 in court costs.

Lewis Edward Williams - driver's license suspended for three months; fined \$100 and \$12 in court costs.

Vehicles Go Into Water

The score stands at ditches, canals and lakes 4 drivers 0, after four vehicles ended up in the briny deep in county accidents last week.

June 26, Opal May Costley, 49, of Avon Park, told troopers that she parked her pickup truck at Lake Lelia Boat Ramp in Avon Park. While she was fishing, her truck rolled backwards into the lake, floated out about 40 feet and sank. Trooper Jim Benton charged Costley with failure to report immediately an accident and declared her vehicle a total \$800 loss.

On Friday, Trooper Jim Vann found a 1974 Audi owned by Kip Richardson of Sebring in Istokpoga Canal at Skipper Road. According to Vann, the car was pulled alongside the canal and pushed off the steep canal bank. The culprits then attempted to cover the tracks of the car.

Trooper Vann contacted Richardson at home, who informed the trooper he had left the car at home with the wife in the investigation. Investigation in the case continues.

Earlier in the day, Ronald John Gindell, 35, of Boca Raton, was eastbound on SR-70 when he fell asleep and veered off onto the south shoulder, traveling 450 feet. His car then struck a dirt embankment with its right side, traveled 100 feet and came to rest in a canal.

Trooper Morris Dunn cited Gindell for careless driving. Damage was estimated at \$200. At 4:35 p.m. the same day, John Everett Nottingham, 64, of Sebring told Trooper Jim Vann that he was westbound on SR-70 when he was overtaken by a car. According to Nottingham, the unknown driver cut in suddenly, forcing him off the pavement and into a water-filled ditch on the west shoulder. Trooper Vann set damage at \$300 and is continuing his investigation.

Farm Leaders Appointed

Nearly a dozen area agriculture-related organization representatives have been named to a water quality advisory committee that will work toward setting up water quality management in Florida.

The committee is to work in cooperation with Central Florida Regional Planning Council and Florida Department of Natural Resources (DER). DER is attempting to develop a statewide water quality management plan to comply with federal water pollution control standards.

Highlands County representatives include Rick Dressel, Highlands County Cattlemen's Association; Fred Uzzell, Highlands County Farm Bureau; George Mason, Highlands County Citrus Advisory Committee; Alan M. Waggoner, Soil and Water Conservation Bureau; Tim Hurner, Highlands County Extension director; Sam Polston, Highlands County Soil Conservation Service; Bill Stephenson, Highlands County Planning Department; Carl Cool, Highlands County Engineering Department; George Wolfe, Highlands County Health Department.

County commissioners approved the list of committee members during Tuesday morning's regular meeting.

Nancy M. Cere, lot 38, Sebring
Oaks, \$21,500.

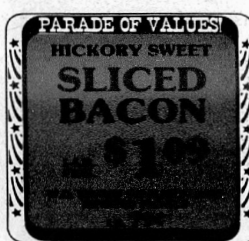

Singletary Files
\$1 Million Suit
A civil suit seeking more
than \$1 million damages has
been filed by Donald
Singletary. The young Avon
Park policeman is asking the
damages from Seaboard Coast
Line Railroad, National
Railroad Corp. (which
operates Amtrak) and two
members of the crew of a
passenger train involved in the
accident which took the lives of
Singletary's wife and children.
A southbound passenger
train and an auto driven by
Singletary's wife, Nancy Pearl
Singletary, collided at the Lake
Isis Drive railroad crossing in
Avon Park, March 21. Mrs.
Singletary and children Jennifer
Lynn and Matthew Donald,
who were her passengers in the
auto, died at the crash scene.
According to accusations
made in the long complaint,
this crossing is poorly
maintained by Seaboard and
Amtrak, that vision — for both
auto drivers and railroad crew
— is obscured. The complaint
contends that because of poor
visibility at this crossing the
train crew should have been
required to use reduced
speeds, that the train involved
in the accident was moving at a
rate in excess of the limits set
by Avon Park city officials. It
reports that the train had issued
notices to the train's operating
companies that speed limits
were being violated.
Heavy emphasis is made on
a portion of the complaint
related to the condition of
warning devices. Other parts
of the complaint make
accusations about failure to
sound warnings by bell or
whistle, failure to maintain a
proper lookout ahead of the
train and failure of the crew to
take steps to slow the train
even when it appeared the
train would crash into the auto.
The complaints are
summarized by the plaintiff's
lawyers, as constituting a
picture of "reckless
indifference to the rights of the
motoring public" on the part of
the railroad companies.

Singletary is being
represented by William
Fletcher of Sebring, Robin
Gibson and Ken Conner of Lake
Wales.

REV. STEPHEN PERRY, (right) with his wife, Geraldine and their children Melody Joy and Stephen D. came to the Church at Ft. Lauderdale, Fla. Synphoto by Lew Miller.

Stephen Perry

New Pastor At Nazarene Church

"I was an agnostic for six years following graduation from Eastern Nazarene College," stated Rev. Stephen C. Perry, the new pastor of the Church of the Nazarene, "before reaccepting Christ and rekindling the faith I had been taught."

Rev. Perry grew up on Cape Cod and graduated from high school at Wareham, Mass. He and his wife Geraldine were married on June 29, 1963. At Eastern Nazarene College, Wollaston, Mass., he followed a general liberal arts course with minor studies in philosophy, psychology and religion, receiving his Bachelor of Arts Degree in 1964.

The Perry family moved to Ft. Lauderdale in 1968, where because of his agnostic viewpoint he worked with various Nazarene Churches. In his search for "truth through intellect" he attended other churches and science of mind groups, before rediscovering in the Bible that truth comes with spiritual discernment not intellect.

Because of his experience as an agnostic Rev. Perry believes that in a sense he can help others with this same problem and there were many people with that problem in the Ft. Lauderdale area, he added.

As bus director of churches in the Ft. Lauderdale area he had six buses operating from

one church in Hollywood, Fla. The buses would pick up the children of a family without church affiliations, take them to Sunday School or other children's programs and return the children to their homes. Many times the parents would become involved and start bringing their children and take part in the church work.

In 1975 Rev. Perry started working with the Carroll City Nazarene Church, in a newly developed residential area. He was ordained as pastor of the church in May 1977, while serving there attendance at the church tripled.

When the call came asking him to come to the Avon Park Church of the Nazarene, Rev. Perry and Geraldine were quite pleased, not only because of the challenge of the church work but also because they wanted their two children to grow up in a small town.

Here at the Avon Park church, he expects to work with young people and children because a large portion of the membership is composed of adults. However, he and the church board are assessing the biggest areas of need in an effort to keep every area of the church strong. Like many of the other churches in Avon Park, they have a large winter congregation.

At Eastern Nazarene College, Geraldine majored in elementary education receiving her Bachelor of Science degree in 1962. She taught in elementary schools in Wareham and Quincy, Mass., and at the Nazarene Church Day Schools kindergarten classes in Ft. Lauderdale. For the last seven years she served as secretary at the Nazarene Church in Hollywood.

Their son, Stephen D. is 13 and will be in the eighth grade. As an honor student he received the award for the highest academic average in his sixth and seventh grade classes. In the way of sports, he has played little league football for the past four years. Their daughter Melody Joy, age seven, will be in the third grade. Both children are taking part in the school gifted educational programs.

Coming from a musical family of five brothers and six sisters, who are all engaged in some type of church work, Rev. Perry said that a family group of three sisters and three brothers and a brother-in-law, who alternate, will be coming to Avon Park from Nov. 1 to 3 this fall. Singing as the "Manitowoc" they will present a series of Gospel music programs.

BLESSED ARE THEY WHO HEED THIS MESSAGE

Some listen while your Church explains
What our New Testament contains,
Which all through history remains
A literary fount:
A multitude from far and wide
Had gathered on the mountainside,
While He addressed this human tide
Too numerous to count;
And people of whatever creed,
Or what degree of human need,
Would all do better if they'd heed
The Sermon on the Mount.
—Gloria Nowak

"Blessed are they that
hear the word of God,
and keep it."
—Luke 11:28

We have grasped the
mystery of the storm and
rejected the Sermon on the Mount.
—Gen. Omar Bradley

Mini-Parks Undergoing Changes

The City of Avon Park's two mini-parks, one located on the shores of Lake Tulane in the Lakeside Park Projects and the other between Castle St. and First St., are still undergoing changes, Dennis Guenther, Director of the Avon Park Recreation Department said.

Guenther said recent additions to the parks include fencing along the road and sod around the basketball court at the Lakeside mini-park, and a 300-foot walkway running through the mini-park located between Castle St. and First St.

"As soon as the summer season is over and the kids are in school we'll see it and add some shrubbery," he said of the Castle Street park.

Guenther said future additions planned for the parks include picnic tables and barbecue facilities, in addition to a lakeside walkway and more fencing at the Lakeside mini-park.

The two parks which have water fountains, playground equipment and multi-purpose basketball courts, were constructed by Hollenberg and Wolfe

Construction Co. of Sebring at an original combined cost of \$28,000.

The money for the parks which opened in the Spring of 1977 was provided by a grant that the city received from the Department of Housing and Urban Development.

In order to make the continuing additions the city has reapplied for the grant for each of the past two years.

THESE CHILDREN ARE playing wiffleball at the mini-park located in the Lakeside Park Projects. The two mini-parks, this one on the shores of Lake Tulane and the one between Castle St. and First St., were paid for through a Housing and Urban Development grant which the city has been renewing each year in order to make additions to the parks. Sunphoto by Mark Albricht.

Financial Aid To Attend SFJC

A number of financial aid programs are available to South Florida Junior College students and prospective students. The most popular of these is the Basic Educational Opportunity Grant Program which is available to students who need financial assistance to attend college. These grants are made available by the federal government and do not have to be repaid. The intent of the BEOG Program is that every eligible student be entitled to federal grant assistance as a matter of right.

South Florida Junior College also participates in the College Work-Study Program which is sponsored by the federal government to aid students

from low to moderate income families. Students gain valuable work experience at the same time they are earning college degrees. In this program, students are employed for various jobs on campus. They work an average of 15 hours a week and earn the minimum wage. The purpose of the Work-Study Program is to provide assistance to students who, without such aid, would be unable to attend college.

Through the generosity of individuals and organizations, there are a limited number of scholarships available to deserving students. These are granted on the basis of academic ability, special

Cottage Craftiques To Relocate

The Baker's Deli Restaurant at 909 W. Main St., owned by A.L. Smith is in the process of being sold to Mrs. Charles Hoke as the new location for the Cottage Craftiques Shop which is presently located at 18 N. Lake Avenue.

Mrs. Hoke said she is in the process of buying the building and will close the deal sometime in July.

In relation to the inventory of the shop once it arrives at the new location Mrs. Hoke said, "Basically the same — just crafts."

She plans to open the Craft shop at its new location on September 5.

Howey Academy

Holds Summer School

"The Waterfront's Open!" is the welcome cry at 1:30 p.m. that arouses the record enrollment of Howey Academy's water-minded students and campers participating in its 22nd annual 8-week summer school and camp.

And for the next three hours it's "Splash, splash. Oh, what a relief it is" for Grade 4 through 12 children enjoying the professionally supervised water-safety programs in Little Lake Harris which, like the Academy's 40-acre campus, isn't so little.

Water recreation at this Central Florida co-educational college preparatory school is supervised by Athletic Director Michael "Reddy" Cox and a skilled professional staff as part of a complete recreational program on land and lake.

Water activities range from swimming and diving to more

strenuous water-skiing for those who elect to take it and can qualify.

"For those inclined to more leisurely activities, many children like our boat and 'tubing' rides in which they can get a really educational and

exciting look at the wildlife sights on lake and shore or just splash away time and miles in slow-speed refreshing tows in inflated tube," Director Cox said.

Application for remaining two and four week sessions for

academic credit, recreation or both, should be made to the Director of Admissions as soon as possible. Summer school ends Aug. 11 with the 23rd annual regular Fall term starting Sept. 10.

Youth Guidance Seeks Help

The Avon Park Ministerial Association set up Youth Guidance, Inc. for the purpose of helping deserving children to achieve the good life. Last year, in spite of advancing costs, 21 deserving boys and girls were sent to summer church camps. This year youngsters will be sent to camps at Lake Byrd and Lake Denton operated respectively by the United Church of Christ and the Baptist Churches of the Orange Blossom Association.

These will be in good hands and will receive religious in-

struction as well as have the privilege of participating in well organized programs of social activities and recreation.

A girl was sent to church camp. She responded so favorably and received so much from the experience that she worked and earned money enough to pay her own way the next year. This has happened before. This fine program opens the minds and heart to God until the child sees what one can be and do in this world.

Rev. H.D. Graetz, president, says, "We believe that an experience, such as this girl had, is worth all the time and sacrifice we put into getting these children into summer Church Camps." This is a charitable work in which you can be proud to have had a part.

Make your checks payable to YOUTH GUIDANCE, INC. and mail it to George A. Kelsey, Treasurer, 307 E. Canfield Street, Avon Park, Florida.

Neal Would Limit State Employees

A constitutional 'cap' on the number of state employees is the method to control state spending and limit taxes, according to State Representative Patrick Neal. Rep. Neal is running for the senate seat in this district which is being vacated by State Senator Tom Gallen.

Gallen's decision to retire, which came as a surprise, was announced by the senator this week. Gallen said his law practice in Bradenton was suffering because of the time he spent as a state senator.

"Seventy-six percent of state expenditures are for salaries and benefits," said Rep. Neal. "If you control the people you can control the budget, which last year was \$6.7 billion."

Neal said the present number of state employees was approximately 96,000 or about 1.2 percent of the state's population. The Bradenton representative said he would like to have the constitutional amendment give the state 10 years to reduce the number of employees to one percent of the population.

"The number excludes all local school personnel, all community college employees and all Board of Regents employees," he said.

Such a proposal for a cap on employees was on the ballot in 1974 but was voted down by the citizens in the general election.

"I think that was because of bad information given out by the governor and

his staff. The amendment could be passed without anyone losing his job," Rep. Neal said.

He said the constitutional cap would provide a solution to increased governmental growth and expenditures.

"When Governor Askew took office, there were only 41,000 state employees."

Now the number is 96,000."

Neal said he felt like the passage of Proposition 13 in California would definitely have an effect in Florida in 1979.

"I think similar legislation will be introduced in Florida. I think it will be introduced in the Senate. I think it will pass and the citizens will vote on it. I hope what we will see is the constitutional cap because I think that's the best way to hold down spending," he said.

Neal said he also believed the state should take over increased funding for the educational system, thus reducing local ad valorem taxes.

Increased funding could be provided by reducing expenditures in several areas including Health and Rehabilitative Services, the Department of Correction, the judicial system and expenditures for the legislature itself.

"This last year the legislature cost the taxpayers \$18 million. I don't think they got their money's worth," he said.

Neal is presently the only Democratic candidate vying for the senate seat in this district. His house district is the same one Senator Gallen served when Gallen was in the state house.

A 29-year old businessman who owns his own construction company, Neal has served in the house for four years and is currently on the House Appropriation Committee.

Airman Of Quarter

and Security Police Academy at Lackland AFB, Texas, from there he was stationed at the Avon Park Bombing Range.

Sr. Airman Donahue has completed one year of professionalism in the Police Field at El Paso Community College of Colorado. He is currently enrolled in the Bombing Range's college program and hopes one day to eventually get a law degree.

All-Night Store Robbed By Two Men In Sebring

A Majik Market convenience store in Sebring was robbed Sunday and the Avon Park store clerk was forced into a walk-in cooler by two men with a butcher knife.

Patricia Douglas, of Avon Park, said a man about 23 entered the store at 2:35 a.m. and asked how far it was to the next service station, then he returned to his car.

The man re-entered the store with a second man. They went to the back of the store counter, showed a knife and said, "Lady don't do anything funny. I want everything out of the cash

register and put it in a paper bag."

Douglas said she put about \$100 in a paper bag and gave it to the men.

Also honored at Commander's Call was Staff Sergeant Richard Papinchak;

he was presented the Air Force Commendation Medal by Base Commander, Col. Donald Griffing. SSG Papinchak was awarded the Commendation Medal for his outstanding duty performance at his previously assigned base, MacDill AFB, Tampa.

Two Airman received a certificate of recognition upon their participating in the Air Force Suggestion Program, they are: Sgt. James M. Pepple and AIC Jerry Reed.

THE PINK FLOWERING Cuban pink trumpet tree owned by J.R. Elgin, can withstand temperatures of 30 degrees F. The top was severely

Menninger Offers Pink Trumpet Seed

The "Flowering Tree Man" Edwin A. Menninger, D. Sc. has offered free seed of the Cuban pink trumpet tree (Tabebuia pallida) to anyone enclosing a stamp for return mailing of the seed.

The pink trumpet tree grows 12 to 15 feet high and is not bothered much by insects reports J.R. Elgin, who has a small tree growing in his yard. This small to medium size evergreen tree produces clouds of pink flowers two or three times a year.

Elgin said that the tree would withstand a temperature of 30 degrees F. The top of his tree was severely damaged during the past two winters by temperatures in the low 20's. However, the tree is regrowing from the roots.

Fireworks Rescheduled

The Fourth of July fireworks display which was scheduled for 9 p.m., at the Sebring City Pier on Lake Jackson was rescheduled.

For those who wish to take advantage of Dr. Menninger's free seed offer, Elgin recommends planting the seed in a can or other container and when planting the tree, place it on the southern side of the house or other sheltered location to avoid severe cold damage.

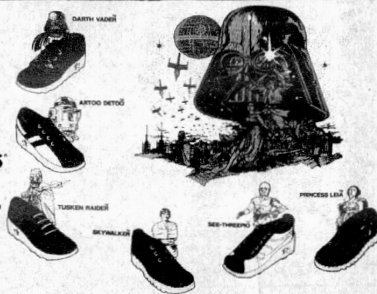

The recipient of several horticultural awards, Dr. Menninger has written many books, among them "Flowering Tree" and "Fantastic Trees," which is available at the Avon Park Library. Persons wanting seed of the Cuban pink trumpet tree should write Dr. Edwin A. Menninger, Box 107, Stuart, 3494, enclosing a stamp for return mailing of the seed.

The display was rescheduled for Wednesday, July 5 at 9:15 p.m., and will be held in the same location.

Pinecrest Golf Notes

Lynn Lee, Papp, Arlie Clark and O.W. Goolsby fired a combined score of plus eight to win team honors in last week's Pro-Am at Pinecrest.

Things in the individual events ended pretty much all tied up. Lee and George Variano both had plus fours to share first place in the A flight, while Clark and Charles McCormick split the C division prize with identical plus two scores. In the D flight, Austin Cushman and John Grey came in with plus twos for another tie. Tubby Dean won the B section with a plus five.

Tip of the Week: Proper exercise can improve your golf game. A good one is to take two or three clubs in your hands at one time and go through the entire golf swing in slow motion. Repeating this regularly will strengthen the fingers and help keep all the swinging muscles flexible.

Flo Cushman topped top first place in the June 29th Ladies Day Low Net Tourney, beating out Neil Redd on a match of score cards. The two ladies both shot net 77's for the 18 holes of regular play.

Lena Wright had a net 72 to win the second flight. Blind Bogey winner was Bert Bronso.

"ERA has taken over at one U.S. golf course at least. In Richton Park, Ill. the Urban Hills Country Club has done away with the traditional terms of "men" and "women's" less. Instead, the tee-off spots are now called "short" and "long." Illinois, incidentally, is one of the states where the battle over approving the Equal Rights Amendment to the constitution is still raging.

It took six players to do it, but Earl and Helen Griffith, Jim and Marie Eeles, and Austin and Flo Cushman fired a team score of two under par to win last week's Couple's Scramble. The sixsome had 34 for the nine hole event.

Carlton and Henriette Mclear and Carl and Juanita Haddock finished second just one stroke behind. Earl Griffith was winner of the closest - to - the - pin contest.

GOLF - TENNIS by Les Burch

DuPriest Third In Firecracker Golf Tourney

John DuPriest, local golfing ace, birdied four of the final six holes to take third spot in the annual Firecracker Invitational golf tourney held last weekend in Wildwood, FL.

DuPriest had a 215 total, one under par, for the 54 hole event played over the tough Rolling Hills Country Club layout. Two other Avon Park Golfers, Bobby Barben and Bud Wester, finished in the top 12 in the three day tourney which attracted 144 of the top amateur players in the state.

LaMar Pilgrim from Lakeland beat fellow townsman Mark Fisher for first place in a sudden death play-off. Both players competed the regulation route with identical scores of 211, five under par.

Fisher, who recently signed a golfing scholarship, will be a teammate of DuPriest's on the University of South Florida golf team this fall. Both Mark and John are former winners of the Bagwell Youth tournament held each year at River Greens golf club in Avon Park.

Tennis Classes In Fourth Week Of Play

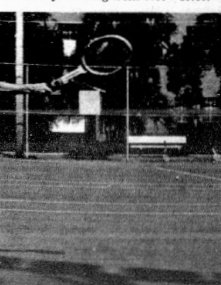

The Beginning Tennis lessons for kids, offered by the Avon Park Recreation Department in its fourth week, with all the participants progressing well. The class is made up of kids ages 9-15 years old.

The instructor is Walt Reid, former Supervisor of Recreation for Miami Beach Recreation and Parks Department. He is being assisted by Wayne

Wiltens, Center Supervisor for the City Recreation Department. The main objectives of this beginning class is to start all these students out on the "right foot" toward learning and enjoying the game of tennis. Reid has said that many times without proper instruction, the beginners learn incorrect skills which hinder their progress in the later stages of the game. It makes it much easier to teach tennis to the beginner, if that beginner is taught the correct grips, footwork, stance, etc., so that time is not wasted "undoing" the incorrect techniques.

All the lessons are being taught on the city tennis courts directly across from the Recreation Center on N. Verona Avenue. They meet each Monday and Thursday morning from 9:30 - 10:30.

assistance of Wayne Wiltens on the city tennis courts. Sunphoto by Mark Albright.

River Greens Golf Notes

The foursome of Walt Kline, Aaron Cravens, Russ Brown and J.M. McCormick fired a big plus 19 points to take top prize in last week's men's Pro-Am at River Greens.

Les Burch, with a plus four took first place in the A flight, and Wayne Davidson, also with a plus four, won the B Division. Harold Kline had a plus six to win the C Flight with J.M. McCormick taking D Flight honors with a plus 10.

Several "marshalls" have indicated that last week's rule on a ball falling off the tee was incomplete. They want you to know that if a ball is accidentally knocked off the tee while it is being addressed, there is no penalty stroke involved.

Georgia Brown, Mary Ellen Kline, Ethel Polk and Dean Austin came up with seven plus points to win last Thursday's Pro-Am for the ladies. Individual honors were won by Ben Hanel in the A group, Mary Ellen Kline in the B section, Ann Jack in the C flight and Dean Austin in the D division.

It was low net day for the men of River Greens last Saturday with Clint Harmon coming up with the day's low net of 63. J.M. McCormick shot a net 67 to place second. "Skins" were won by Harmon, McCormick, Whitey Ream and Lowell Schmidt.

For those golfers who have birthdays between August 23 and September 22, Niven Pureven recommends that a lot of practice be done using long irons and number three woods.

Issy Wells and Georgia Brown each came in with scores of 30's to tie for first place in last week's ladies day event. Play was the best nine holes with one half handicap.

Ethel Polk had a best nine of 33 to win third.

Karate Show On Saturday July 8

Winter Haven Mall will present a Karate Demonstration in the mall on Saturday, July 8, at 2 and 4 p.m.

Karate is an age old art form of self defense. Participation in this sport enables the person to become more physically and mentally aware, builds confidence and is open to anyone ages 8 to 80.

Some 12 students will be participating in this demonstration and the public is invited to attend.

D.M. EARNEST and his grandson, Dale, from Seoul, Korea, find that the 6 1/2 pound water melon is about 16 inches long. Planted about three months, ago, the melon seed came from a watermelon that weighed over 100 pounds.

JOHN DUPRIEST INSTRUCTS the swimmers' class in the breast stroke. The swimmers' class is the most advanced of the four classes in the Avon Park Recreation Department's first session of summer swimming lessons

being taught by Margaret Collins. Sunphoto by Mark Albright.

Summer Swimming Program Underway

The first session of the summer swimming lessons was completed last Friday. These classes were the first of two sessions offered by the Avon Park Recreation Department. The City Department has arranged to use two private pools in which to hold these classes. The first session was held in Dennis Guenther's pool and the second session will be held in Raymond Hall's pool.

In the first session, 43 kids participated in four different divisions; beginners, advanced beginners, intermediate and swimmer. The classes were held Monday thru Friday for two weeks. They met from 1 - 4 each of those afternoons. The head instructor for those classes (and the second session too) was Margaret Collins, a qualified Red Cross

Water Safety instructor. She was assisted by Marcia Collins and Chrissy Jones. There was also several other volunteers that helped in the classes and their assistance was appreciated.

All participants received cards issued by the Recreation Department at the completion of the course. The kids that passed their individual swimming tests also received a Red Cross swimming card and were able to purchase swimming patches.

Lined up for the second session is a "parent - tot" swimming class that uses the assistance of one of the tot's parents in the instruction. This is the first time that the City Recreation Department has offered this type of instruction. The success of this class will determine the availability of that class next summer.

With this addition, the swimming classes now take in all ages of kids, ranging from babies to teenagers.

Also, in the second session, there will be the following categories of instruction offered: Beginners, Advanced Beginners, Intermediates, and swimmers. At the completion of these two sessions, approximately 85 kids will have participated in these lessons.

Bombing Range Recreation Area Closed This Weekend

The Avon Park Bombing Range Recreational Area will be closed to the public the weekend of July 8 and 9, due to the utilization by Company B, 2nd BN, 116th Field Artillery of Avon Park, Florida National Guard Unit.

Individuals wishing advanced information concerning Opening-Closing of the range to the public may do so by calling our Automatic Answering Service Number, 813-452-4223.

Anglers Have Extra Fishing Time

Some Lake Okeechobee anglers will have an hour extra fishing time for the next 60 days as a result of action by the Governing Board of the South Florida Water Management District.

The Board approved the experiment to operate the Lake's locks one extra hour per day. During this time a survey will be conducted and the results of the

survey will determine whether or not these hours will be continued for the remainder of the summer.

The new hours, 5:30 a.m. to 9 p.m., became effective on June 23, at the following locks: Lakeport, Buckhead Ridge, Taylor Creek, Hendry Creek and J&S Park. Regular hours of operation are from 5:30 a.m. to 8 p.m. daily.

Women's Softball Moves To Little League Fields

The Avon Park Women's Slow Pitch Softball League has moved all of its 1978 games to the two Little League Fields on Anoka Ave. as of last Monday night. The schedule has also been changed to double up games by playing two games on each of two fields each Monday, Tuesday and Thursday nights after this week. There will be four games played each of those three nights and most teams will play two nights a week now instead of just one.

The move to the Little League Fields from the complex was decided by a majority of the twelve team league board last Friday night at a meeting chaired by President Doris Wilkes. The Avon Park Little League All-Star team had requested the use of the northwest field at the complex to host the East Area All-Star Tourney starting July 15 and lasting one week. The women decided to move into town and let the all-stars practice on the Complex Field starting this week.

The Women's League will provide a concession facility between the two fields and each team in the league will be asked to man the stand one night or more in

order to provide funds for league expenses. Team managers are requested to sign up for the night their team wishes to work with Doris Wilkes as soon as possible.

In other business, it was decided to obtain the services of one umpire for each field to handle the job of plate umpire and base umpire. Mr. Jim Knight has agreed to serve as head umpire for one field.

The final business of the evening was to set up a league double elimination week-end tournament at the end of the season. The top six teams in the league will play in a Class A tourney and the bottom six teams will participate in a separate Class B tourney with trophies being awarded to the top two finishers in both tournaments.

Trophies will also be presented to the top two teams with the best regular season league record at the end of the season. Games are still scheduled for 7 and 8:30 p.m. but teams need to pick up the new schedule.

COX CENTER FIELDER Ellen Macklin (left) kneels to field a ball in the outfield as short fielder Rhonda Landress (hidden) scoots out of the way and shortstop Lee Ann Cassin awaits the

throw-in on a hit by an Avon Citrus Bank batter during a game played last Thursday night. Cox won the game by a score of 17-7 over ACB. Sunphoto by Lew Miller

Have You Registered Your Boat?

Planning to spend the weekend on your boat? Then you should double-check to make sure your boat's registration is up-to-date.

According to Harmon Shields, executive director with the Department of Natural Resources, the deadline for boat registration was June 30, Friday. "Don't get caught in the rush," he said. "Boaters will be planning a weekend but should take time to take care of this formality."

Tax collectors around the state, were boaters can re-register their vessels, confirmed that many boat owners have not come by. The chief of the DNR Bureau of Licenses and Motorboat Registration, Otto B. Clark, stressed the importance of avoiding the last-minute rush.

"From now on," he said, "owners of unregistered boats will be in violation of the state law and will be ticketed."

Angels Lead League With 4-0 Record

After four weeks of play in the Avon Park Women's Slow Pitch Softball League, only three teams remain undefeated. Gammage's Angels are at the top of the standings with a perfect 4-0 record and Jahn Concrete and Cox Plumbing are tied for second place with 3-0 records. Jahn and Cox have a make-up game between each other yet to be played.

Texas and Foxy Ladies have records of 3-1. Scotty's has a 2-2 mark and Peoples' Choice, Jackies, AP Kids, ACB and Cable TV all hold 1-3 records.

In play last week Gammage's Angels beat Jackies 16-1 in the early game on Monday and Jahn beat Cable TV 18-2 in the second game.

On Tuesday, June 27, People's Choice knocked off Texas 15-5 in the first game and Scotty's took a 15-9 win from Ridge Florist in the night cap.

In a make-up game on Wednesday, June 28, the AP Kids defeated Jackies 16-12. Then last Thursday night Cox won over ACB by a score of 17-7 in the first game and the Foxy Ladies beat the AP Kids 8-2 in the second game.

The Foxy Ladies also won a forfeit game from the Peoples' Choice team on Wednesday night when P.C. wouldn't play a scheduled make-up game after the AP Kids vs Jackies game which got

started late. The women's softball action moved to the two Avon Park Little League Fields on Anoka Ave. as of last Monday night. Tonight (Thursday) Jackies is scheduled to play the Foxy Ladies at 7 p.m. and the AP Kids will take on Cox Plumbing at 8:30 p.m.

However, starting next Monday July 10, the schedule has been revised to double up by playing on both fields at the same time. On Field I next Monday it will be Scotty's vs Jahn at seven o'clock and Ridge Florist vs Peoples' Choice at 8:30 p.m. On Field II next Monday ACB will play the Foxy Ladies in the early game and Gammage's Angels will play Cox Plumbing in the second game.

Next Tuesday, July 11, it will be Cable TV vs AP Kids early and Texas vs Jackies late on Field I. On Field II it will be Ridge Florist vs ACB early and Peoples' Choice vs Scotty's late.

Next Wednesday night Jahn will play Cox in a make-up game at 8:30 p.m. on Field I and Peoples' Choice will play Cable TV in another make-up game on Field II also at 8:30 p.m.

Managers of all twelve teams should pick up a new schedule from Doris Wilkes immediately in order to announce the twice a week play to team members.

Church League game against the Seventh Day Adventists. Sunphoto by Lew Miller.

Senior League All Stars In Tourney Monday

The Avon Park Senior League picked its all-star team to compete in the East Area District 4 tournament which will open in Wauchula next Monday night. There will be fourteen members of the Avon Park team which will be coached by Jimmy Hart and John Sedlock.

The Avon Park team is tentatively scheduled to meet Sebring's All-Stars in the tourney opener at 6 p.m. next Monday, July 10, at Farr Field in Wauchula. At 8:15 p.m. Hardee's All-Stars will take on the Lake Wales All-Stars in the four-team East Area Tourney which will be a double elimination meet.

Members of the Avon Park Senior League All-Stars for 1978 are: Ronnie Barnes, Tim Cribb, Chris Collins, Alvin Conner, Dwayne Council, Ricky Derkman, David Jackson, Gerald Jones, Ricky Johnson, Joe May, Bart Murphy, Ricky Norris, David Roberts and Mike Shorkey.

Also chosen for the honor team were Dennis Barefield, Jim Marcum, Jerry Jones, Steve Andley and Ricky Oates, but they were unable to become a member of the team for one reason or another.

Jimmy Hart and John Sedlock were given the privilege of coaching the all-star squad because they coached the league champion McCann & Son Ford Mets this past season. The McCann team finished league play with a perfect 4-0 record and went on to win the District 4 Strong team tournament setting an overall 12-1 record this year.

The Senior League All-Stars have been working out every day this week preparing for the four-team area meet in Wauchula which will be a double elimination tourney. The winners of the three area meets will advance to the District 4 play-off which will be held in Kathleen starting July 24.

Rec Department To Hold Wheatie Sports Games

More than 35 youngsters ranging in age from 8 to 13 are expected to compete in the Wheaties Sports Federation Summer Games, a new, unique, self-improvement form of competition scheduled to begin at Avon Park Recreation Department on July 8 at 9 a.m.

The Wheaties Sports Federation Summer Games is innovative in the sense that youngsters are competing against themselves in two distinct phases over a period of several weeks, utilizing skills developed through regular play.

The Summer Games is the only national youth competition program designed by the people who will actually run it. Bruce Jenner, 1976 Olympic Decathlon Champion and Chairman of the Wheaties Sports Federation, guided the work of three panels across the country in the development of the program. The panels consisted of representatives from the YMCA, American Alliance for Health, Physical Education and Recreation, National Recreation and Park Association, and various education and local recreation departments.

Entrants are divided into three age groups: 8-9, 10-11, and 12-13. There are ten events, utilizing throwing, running, jumping and foot-hand coordination skills. From these ten, six are selected for competition by the city Recreation Department.

The actual competition is held in two phases. Youngsters competing in Phase I will receive an official Wheaties Sports Federation Summer Games iron-on logo, as well as having their score recorded. Then youngsters will have ample opportunity to practice the events before

Phase II is held a few weeks later. After Phase II, the scores of both phases are compared, and awards are given based on the percentage of improvement. Gold, Silver and Bronze Certificates are awarded to the three youngsters in each group who show the most overall improvement from one phase to the next. In addition, special Certificates of Merit are awarded to participants in each group showing the highest level of improvement of each of the events. All the participants will receive a Wheaties Sports Federation Merit Membership Card on which their scores are recorded.

The Wheaties Sports Federation Summer Games is open free of charge to girls and boys in three age groups: 8-9, 10-11, and 12-13.

The program is unique in the sense that entrants compete against themselves in a self-improvement effort. Ten simple sports and fitness events, from which the local supervisor selects five or more, are used.

"Competition is an important facet of our lives," Bruce Jenner, 1976 Olympic Decathlon Champion and Chairman of the Wheaties Sports Federation, said. "But as important as competition against peers may be, it is equally important to show a record of self-improvement."

"That is what the Wheaties Sports Federation Summer Games does. It enables entrants to win recognition by showing levels of self-improvement over two phases of competition in five to ten different events."

Come by the Recreation Department to pick up official entry forms.

Artillery To Hold Training Exercises On Range

Approximately 220 personnel from 1st Battalion (THAWK), 65th Air Defense Artillery, Key West, will be participating in training exercises at Avon Park July 10-15.

Personnel will be transported from Key West to Avon Park by a military convoy containing approximately 64 vehicles with trailers, utilizing U.S. 1 and U.S. 27. This is to notify residents of the area of the increased traffic anticipated as the convoy travels to Avon Park and then returns to Key West. The following is a projected schedule of the convoy's

movement and expected times of arrival.

July 10: 4:30 p.m., arrive Moore Haven; 5:30 p.m., arrive Lake Placid; 6 p.m., arrive Sebring; 6:30 p.m., arrive Avon Park.

July 19: 8 a.m., Depart Avon Park; 1:30 a.m., arrive Sebring; 11 a.m., arrive Lake Placid; 12 p.m., arrive Moore Haven.

The convoy will be divided into a number of smaller groups of vehicles to further minimize the chance of traffic congestion in the area.

No joke, free Coke

With a bucket of BQ chicken!

Buy a 15 or 20 piece bucket of crunchy-crispy good chicken at BQ, and get a 32 oz. serving of Coke — FREE! ☐ That's a full quart of Coke, FREE! And that, folks, is no joke.

201 Hwy. 27 North, Avon Park

Offer expires Aug. 20, 1978.

Winter Guest Club News

By Illean Kull
Shuffelboard

On June 24, with four courts at play the three game winners were: Hertzman Wurster, Frank Mills and Kellie Larrew, an on June 26, the three game winners were: Twylla Wurster, Dorothy Wilde, Kellie Larrew and Frank Mills with five courts in play.

Pinechle

On June 23, three tables with high scorers being Fannie Klenk, second high William Benson, and on Monday June 26, with three tables the high scorer was William Benson, second high Allene Howard.

Bridge

On Wednesday June 27, Joe Nickerson was the high scorer for the day with 610 points. Merrill Wilmot received a

letter this week from Mrs. A. Clark, who is a niece of Merrill telling us of the progress he is making. He is now walking with the aid of a walker and hopes to be on his own real soon. He sends regards to club members and would enjoy hearing from some. His address is 5580 Wentworth Drive, Riverside, Cal. 92505. c-o Andrew Clark.

Agness Dentler will attend a sesquicentennial of the little town of Constantine, Mich. This week and will join Maynard and Josephine McKinnon there to help the celebration.

Claude and Phoebe Chase write that they are tripping around New York State having a wonderful vacation visiting friends and relatives.

Deaths

Elmira Lehman died in Ft. Wayne, Ind. last week. The Lehmans will be remembered by Avon Park residents. Mr. Charles Lehman who died a few years ago was a builder and built many houses in Avon Park. They were also charter members of the Friendly Square Dance Club which was made up of members of the

Winter Guest Club. Clifford Seifert who died recently was the director of the Friendly Dance Club.

Raymond Perkins died June 28. The sympathy of the club is extended to their families.

"What is now proved was once only imagined."

William Blake

Nancy Eckerd Expresses Student Concern

Poised and pretty, Nancy Eckerd, visited the Avon Park Sun office for a few moments Friday, June 16 in preparation for a return visit to Avon Park High School and South Florida Junior College during the fall school sessions.

Coming to the Central Florida area from working with students at the west coast schools, Nancy was adept at expressing the student's and her ideas along with possessing the ability to listen to other ideas.

Her primary purpose in visiting college, junior college and high school campuses is to organize young Floridians, from 14 to 25 years of age, to work on her father's campaign for governor. As Nancy expressed it, Jack Eckerd as a candidate for governor of Florida wants the input of Florida's young people, to hear of their needs and problem areas.

Starting her student organizing campaign in Northern Florida, Nancy has found some interest and some student organizations in the political campaign. There were also unrecurrent by people with constructive ideas that needed to be heard.

In visiting the various school campuses Nancy found students speaking of three major problems areas the first being that of education, and adequate funds for education to prepare them for the technological age we live in.

The second problem was of Florida's environment and roads. Nancy spoke of the many beautiful areas of Florida that she had seen while traveling to different schools. Since Florida is the number 1 travel state with its huge tourist industry, the completion of the undeveloped federal highway system would greatly aid the traveler to reach their destinations anywhere in the state.

The third area of student concern is the development of solar energy. There has been much research done in universities paid for with private and federal funds that the young people are very excited about, Nancy revealed. We have the facilities and the research people to do the research, but there has been a complaint that we can't afford it. But to the young people the age of oil and gas energy is only temporary. Her father's generation has seen this form of energy come to its prime and start to decline.

To the young people the use of nuclear energy is questionable because of it's inherent capabilities of destruction. To the young people, solar energy's prime qualification is that in many parts of the country it is available on a year around basis, it just needs to be harnessed and put to work.

In her traveling about the state Nancy has found that young people have a lot to offer, yet she believes you can't complain unless you have given the system your most.

NOTICE OF RECEIVING BIDS

BID NO. HCB-10

NOTICE IS HEREBY GIVEN THAT SEALED BIDS WILL BE RECEIVED BY THE HIGHLANDS COUNTY SCHOOL BOARD IN THE Purchasing Department, George Administrative Building, 426 School Street, Sebring, Florida, 33879 up until 10:00 a.m., Monday, July 9, 1978 from those desiring to purchase and remove HOUSES and OTHER BUILDINGS, located at 418 E. FRESH FLA. SMALL EGGS

3 DOZ. 1⁰⁰

By Margie Wells

Verda Miller, Chloe Mallinger, Ellen Hugt, and Norma Gerdy spent a day in Lakeland recently where they enjoyed a walking tour of the campus of Florida Southern University, famous for buildings designed by Frank Lloyd Wright. They then had lunch at Sea Wolf Restaurant and did a little shopping at

Lake Mariani Square and at Sears Town. Steve and Judy Fossmeier and son, Norman and Neal, from Brownsburg, Indiana, west side of Indianapolis, spent Friday afternoon and evening visiting with Rozzie and Lester Parkhurst. Judy is the daughter of Rozzie's brother, James Ray. Mrs. Muriel Marons from North Miami is visiting with

her brother and sister in law, Howard and Chloe Mallinger. Mrs. Pat Nedau of Fort Lauderdale spent a recent week end with Betty and George Sullivan. Thelma Miller spent last week end in Sarasota, visiting with Freda Gregory, and did some shopping while there. Lorraine Robertson is back home after a visit with her daughter and son in law,

Jeanne and Roger Dorval, in Virginia. Jeanne and Roger drove Lorraine back to Avon Park and have been busy looking for a retirement home in this vicinity. We are glad to report that Charlie Paris is home and we hope he continues to improve. Margie and P.D. Wells spent last week end in Pompano Beach visiting with their son and daughter in law, Bob and

Carol Wells. While there they played golf and shopped at the large Omni shopping center in Miami. We have received a lot of news from our northern friends. A letter from Sallie Babaychuk tells us that she and Steve attended Tom Chockley's funeral along with Bud and Esther Leonard. Before returning home, they visited with Ruth Smith and Cecil and

Alice Pixley. Cecil is feeling much better and is even able to mow his lawn. Tests at the University of Michigan revealed that a lot of his trouble was due to allergies. We are all so happy that he is so much better. Sally also reported that Steve and their son caught 138 bluegills in one evening of fishing recently. Wouldn't we like to help them eat the catch!

A note from Ethel Colwell says that she and Tom are fine, except that she continues to have trouble with the knee which she injured while they were here last winter. She expects to see a specialist in Hamilton, Ontario, to see if he can help her. Rene Asher writes that she and Joe are both well and that summer has really come to Kentucky with 90 and 90 degree

temperatures, no sign of rain, but a hot breeze and high humidity. We tried to tell them that summers were more comfortable in Florida than they are in Kentucky. Louise and Louie Loth write that they have returned from an airplane flight to California to visit their daughter and family, Mr. and Mrs. Eugene Robbitt and Brian. They also report that they have a new grandson born June 20th to Mr. and Mrs. James Rasmussen at Des Moines, Iowa. They also have been on a fishing trip to Leech Lake, Minnesota, so it sounds like they are having a busy summer.

Florence and Ron Royer write that they are doing fine and are making a trip to Michigan. We are so glad that he is doing so well. Ella Drake writes that she is enjoying her vacation in Seneca Falls, New York, but that she misses her daily swims with the Bonnie Brae Mermaids!

A letter from Syd and Phoebe Awcock, Keptville, Canada, reports that Syd had eye surgery on May 31st and is doing fine. They said they were having all kinds of vegetables from their garden. Hope we will be hearing from the rest of our "Vacationers" soon!

ADVERTISEMENT FORM
BIDS
INVITATION TO BID
Notice is hereby given that the Highlands County School Board, Highlands County, Florida will receive sealed bids until 2:00 P.M. on July 20, 1978 at which time bids will be opened and read aloud in the school board office, 426 School Street, Sebring, Florida.

PROJECT TITLE:
MAINTENANCE COMPLEX
NAME OF THE OWNER:
THE HIGHLANDS COUNTY SCHOOL BOARD, HIGHLANDS COUNTY, FLORIDA
PROJECT LOCATION:
Sebring, Florida.

PLACE FOR RECEIPT OF SEALED BIDS: All bids shall be delivered to the Superintendent of schools, the Highlands County School Board Office, 426 School St., Sebring, Florida, until 2:00 P.M. on July 20, 1978.

TIME FOR RECEIPT OF SEALED BIDS: Bids shall be received until 2:00 P.M. on July 20, 1978.
TYPE OF BID OPENING: Bids shall be opened and read aloud to participants, public and general contractors.
