Chamber Of Commerce Aims For 250 Members

The membership committee of the Avon Park Chamber of Commerce shifted the members into high gear this week in a drive to increase their numbers by a whopping 47 percent over their present enrollment.

Co-chairmen of the membership committee Charles Bryant and Gene Bigle said, "You'll soon be seeing VIP's in Avon Park wearing flashy red buttons stating, 'I've Got Mine.'" Starting this week 170 active members of the Avon Park Chamber of Commerce will take

part in the hunt to get their new member and that bright red button.

Each chamber member has until March 30 to get their new member and the red button. The formal kickoff for the drive will be at a general membership meeting of the Chamber of Commerce at the Ranch Buffet at 7 a.m. March 2 for a dutch treat breakfast, the co-chairmen announced.

Bigle and Bryant stressed that the chamber is actively seeking businesses and individuals who want to and need to become actively involved in the total overall development and improvement of our community by joining the Chamber of Commerce. Thus the goal has been set to increase the membership by 80 to a new high of 250 members of the chamber.

Since the first of the year the chamber board of directors has been asking members to get more involved. Many of the members did with the fair booth at the Highlands County Fair, resulting in a first prize blue ribbon. The two co-chairmen laid down a challenge to each member to get a new member and wear that red button until March 30.

The chamber member getting the most will receive a special award at the annual Chamber of Commerce Banquet on April 11, they added.

Calves Killed By Pack Of Dogs

Investigation is continuing into the killing of three small calves by what is believed to be a band of marauding dogs. According to Sgt. Bob Lamar of the Highlands County Sheriff's Department, the attack and killing occurred on the Lawton Ranch east of Avon Park near Avon Pines Road about a week ago. Although there have been no similar instances of attacks on area cattle for more than six months, Lamar concurred with the owners of the calves, R. H. Lawton, is expressive fear that the dogs could possibly attack small children.

Noting that his financial loss on the three calves was about \$150.00, Lawton added that he was especially concerned for small children living in the area of the attack.

Lamar stated that anyone with any information concerning the dogs should contact the Highlands County Sheriff's Department. It is an accepted fact, stated Sgt. Lamar, that once a domesticated animal has made a kill of this nature, they will usually revert completely to their animalistic instincts to continue killing.

Air Base To Get Swimming Pool

Military personnel, their dependents, and civilian employees of the Air Force at the Avon Park Bombing and Gunnery Range installation soon will be participating in the fun and excitement of having their own "swimmin' hole", according to information released.

In the words of Lt. Col. Donald A. Griffin, Base Commander, construction of the 25 x 60-foot swimming pool was initiated in late January, and is scheduled for completion around June 1 of this year, at an estimated cost of \$24,000.00.

Col. Griffin emphasized that when completed, the newest addition to recreational facilities at the installation will be for the exclusive use of all local military personnel, their dependents and civilian employees of the Air Force. Crockett-Bradley, Inc., of Ft. Lauderdale, Fla., is the firm handling the construction of the new facility.

Census Appeal Dropped

For want of a second, Highlands County's plans for a special census have died.

Although Avon Park City Council agreed to pay a greater share of special census costs, Selching City Council last week turned down the idea and Lake Placid City Council has tabled the proposal.

Cost of the census was expected to run at least \$36,000. Despite the cost, the county, which may have been short changed in the latest University of Florida head count, began to consider a

special census.

County commissioners had hoped that a new census would show a larger number of residents than the 4,113 estimated by the university. County calculations show the figure should be about 43,946.

If county figures are correct, the county could gain some \$50,000 annually in state revenue sharing money.

Commissioners heard a report from Charles Cullens, county administrative assistant, that Selching had declined to go along with the special census. The report

was presented at Tuesday's regular board meeting.

"If they don't care about it there's no reason for us to get into it," Commissioner Robert Skipper said.

If a new census shows a larger population than the university estimates, it wouldn't have an effect on the county's state revenue sharing allotment until the fiscal year 1979-80. The census itself would take several months to complete.

Without a special census it will be during the fiscal year of 1980-81 before the regular federal census takes effect. The next federal census is in 1980.

Commissioners felt the county would be gambling \$36,000 in hopes of gaining some \$100,000 in additional state funds over the next two years.

"Jimmy the Greek says it's a bad bet," Commissioner Cecil Skipper quipped.

On a motion to drop plans for the special census, only Commissioner Chairman C. J. "Buddy" Wise and Commissioner Norman "Jug" Heston voted against dropping the plans. Wise told the Sun after the meeting that he feels the county is being ripped off with the current census estimate.

City Council Votes To Pay

Ellerbee's Attorney Fees

Placing all department heads under the control of the mayor and the city council was the first item of old business discussed by the Avon Park City Council at their regular Monday night meeting.

Attorney Jack Hancock told the council he had not prepared the ordinance and after a lengthy discussion he was asked to prepare the ordinance with alternate wording for further study.

The proposed ordinance appears to be aimed at removing the building department head from under the protective shield of the Southern Standard Building Codes, which states the building department head can be removed by public hearing showing cause for his removal.

When questioned about the proposed ordinance the city department heads, John Zigler, streets; Joe Willis, water; Chief Mack Flowers, fire and Chief Robert Brooks, police stated that they preferred that the matter be left as it is now, as they all work for the city. Zigler told the council he had worked for the city for 32 years, and if they wanted to they could fire him.

When questioned C. W. Ellerbee, building official said that he understood the code and understood Chief Brooks enforcing of the law, and that his enforcing of the law was controversial. In his five and a half years of in the building department it appeared to be a lack of communication between the council, the mayor and the building department as

they were getting only one side of the story and not both ends.

Ellerbee believed that to change the provisions of the code placing the job on a two year appointive basis would be detrimental to the building department as it would then be subject to politics and the only purpose of the Southern Standard Building Code was to keep politics out.

Council president Larry Albritton said that he didn't see where the city would be any better under a new ordinance and didn't see any reason for Hancock to draw up an ordinance. He was joined by Councilman David Barefield in this opinion.

However, Councilman Robert Britt Please See Page 2A

Red Devils Take Title

Avon Park High School's Red Devil basketball team rang up 28 points in the final eight minutes of play to capture the Class A, Region 7 basketball title last Tuesday night, Feb. 28, beating John Carroll High School by a score of 73-56 at Fort Pierce.

The win, giving Avon Park its first regional title ever under the new state format, moves the Tom Lund coached team into the Section 4 finals against Miami Belen High School in Miami on Saturday night, Mar. 4.

For more details see next week's Avon Park Sun Sports Section.

Hoke Resigns As Bank President

Having served Avon Park for the past eight years in the capacity of president of the Avon Park Citrus Bank, Charles H. Hoke announced his resignation

Tuesday, Feb. 28. Hoke said that resignation would be effective March 1,

1978. Citing personal reasons for his decision to step down Hoke emphasized that his resignation would have no effect whatever on his continuing active role as a member of the board.

Recalling his eight year tenure as president of the bank, Hoke commented that he was especially pleased to have played a major role in initiating "one-line processing", a procedure through which a new customer is completely taken care of, in Hoke's words, "in only a matter of minutes".

By way of further explanation, Hoke said that when a new customer enters the bank desiring to open a checking account, the transaction is handled in a most expeditious manner, resulting in the deposit to the new account being instantly recorded and credited.

Hoke added that such speeded up service not only is important to the new customer, but to the bank as well, since

it permits bank personnel to assist an ever greater number of prospective depositors.

Hoke stressed that he and his wife plan to remain in Avon Park. He said he wanted to devote a lot more time to raising his cattle and trying to improve his "watermelon patch".

Reflecting on the past eight years, Hoke said he felt his most crying experience would be loss of daily contact with so many of his close, personal friends. "I've made a host of friends over these past few years", Hoke concluded, "and, I think my greatest loss will be the daily contact I've enjoyed with so many of them".

Hoke's replacement, Donald L. Dowden of Palm Beach, comes to Avon Park well recommended, having had a number of years of experience in the banking industry. His date of arrival in Avon Park, however, has not yet been determined.

Automobile Accident Takes Life Of Four Year Old Boy

Riding his tricycle down the driveway of his home into the path of an oncoming car resulted in the death of 4-year-old Douglas Heiring of rural Avon Park late Monday evening, February 27.

According to the Florida Highway Patrol, the tragedy occurred about 4:05 p.m., Monday, when the youngster, the son of Mr. and Mrs. Kenneth R. Heiring of 25 Marshall Street, rode his tricycle into the right front fender of a 1972 Chevrolet, which was proceeding south of Marshall. Driver of the vehicle was identified as Dawn Adele Dryna, also of Avon Park.

FHP Accident Investigator, M. R. Dunn and Homicide Investigator, J. E. Benton stated the driveway at Heiring residence appeared to be partially obscured by trees, which contributed to the fatal mishap.

The boy's body was taken to Walker Memorial Hospital, then later transferred to the Stephenson-Nelson-Smith Funeral Home.

In addition to his parents, the youngster is survived by a sister, Laura, his paternal grandparents, Mr. and Mrs. John Heiring of Avon Park and his maternal grandparents, Mr. and Mrs.

Clyde Scruggs, Lake Wales, and a great-grandmother, Mrs. Margaret Hammond of Priarie Du Chien, Wis. Our Lady of Grace Catholic Church with Father George Fraser officiating. Interment

followed at the Lakeview Memorial Gardens.

Local Dentist Retires After 47 Years Of Practice

On Monday Feb. 27, Dr. Herbert A. Baughan stated that he will retire from his dental practice on Wednesday, March 1. Dr. Baughan started his dental practice in Avon Park, in September 1932. He was associated with Dr. Stuart J. Ward for fourteen months; after which time he moved his practice to 106 E. Main Street in a solo practice capacity.

Dr. Baughan has practiced dentistry in Richmond, Va., Mount Olive, N.C. The Army of the United States, and finally in Avon Park. He is a graduate of the Medical College of Virginia School of Dentistry with a Doctor Of Dental

Surgery Degree. He received his pre-dental college work from The University Of Richmond, Richmond, Va., also from William and Mary College in Williamsburg, Virginia. He is the only son of Mr. and Mrs. Harry R. Baughan, also of Avon Park. He has the father of two children; Betty Lou Wells of Avon Park, and Dr. Herbert A. Baughan Jr. of Rockledge. He is married to the former Tiny L. Watson of Avon Park, and she has been the chairside dental assistant to Dr. Baughan for the last sixteen years.

Dr. Baughan told the Avon

Park Sun that he wishes to thank each and every patient who has allowed him to serve them for their dental needs over the years. Dr. and Mrs. Baughan plan to do some fishing, and some traveling during their retirement.

Dr. Baughan in addition to being a Dentist, is also an inventor; he holds Patents on eight dental instruments, many of which he used daily in his dental office. Dr. Baughan states that it will be hard for him to quit the practice of dentistry, it has been his life for 47 years; and it is possible he may again practice at a later date.

When Will That Old Bridge Be Replaced

For several years there has been much discussion of when and who was going to pay for building a new permanent bridge over Bonnet Creek (old timers know it as Grassy Creek) on the Bombing Range Road or State 64.

The road and bridge were originally built to serve the Avon Park Bombing and Gunnery Range during World War II, probably with no county funds involved. Since there was a steel shortage during the war, wood was perhaps the quickest and cheapest way to build the bridge.

At some time or other, it appears that the 6% by 13 1/2 inch stringers supporting the floor of the bridge were turned over and reused. Since that time several stringers have had cracked and a heavy load could plunge through the bridge floor to the creek bottom.

When replacing the bridge was first proposed several years ago the Federal Department of Defense (DOD) agreed to pay 75 percent or about \$115,000 of the \$160,000 estimated cost.

After several years of constant inflection the Florida Department of Transportation (DOT) estimates it would cost about \$300,000 to build a new bridge and they proposed that Highlands County spend around \$105,000 of county secondary road funds for a project used mainly by the DOD and the Florida prison system. In the meantime the DOD is sitting tight on their offer of only \$115,000 for replacing the weak bridge.

To whom is a sound sturdy bridge a necessity? There are only 13 residences (houses and trailers) in Highlands County with people who must cross the

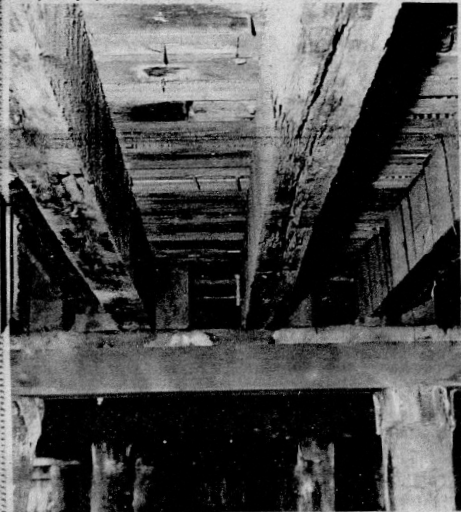

bridge to come into town for supplies and schooling. On the Polk County portion of the road at Arbuckle Lake there were 13 more trailers and houses last Sunday.

The Bombing Range Air Force Base has 50 housing units, 10 individually owned trailers, with 182 military personnel and 17 civilian employees, while the Avon Park Correctional Institution has housing facilities for 45 families, 321 employees and houses 1200-1300 minimum and medium security inmates.

With the number number of people involved in the Florida Prison System and the Federal Department of Defense, perhaps the Highlands County commission should insist that the state and federal governments share the total escalating cost of the bridge because apparently they are the governmental units that have been delaying the funding of the replacement structure.

And since the Bombing Range Road is a continuation of S. R. 64 why should county funds be involved in rebuilding the old wooden bridge? Why should the people of this country have to pay almost double for a bridge while bureaucrats in two governmental units, state and federal, bicker about which of them has the responsibility of replacing the dangerous structure?

Or will the users of the bridge have to wait until someone is killed at this potentially dangerous spot, similar to the time a man was killed at the intersection of the Bombing Range Road and the Truck Road, just east of Avon Park, before adequate traffic controls were placed.

JUST ONE EXAMPLE of the 6% by 13 1/2 inch bridge timbers that have been turned over but have cracked under the strain of continuous traffic to and from

Fire Destroys Stolen Truck

By John Burris

When an individual with criminal tendencies wants to destroy any telltale evidence of a crime having been committed, there's one almost sure-fire way of doing it and that's by fire! Almost, perhaps, but never completely!! Investigators of the Avon Park Police Department continue sifting through the charred remains of what was once a 1975 Jeep pickup truck. The vehicle, owned by Jimmy Elder of 109 East Kendall Blvd.,

in Avon Park, was originally reported to authorities as missing.

Around 9 a.m., February 23, an unidentified resident living on State Road 64 reported to the Highlands County Sheriff's Office that something was on fire a short distance from their home. When county officials arrived on the scene, little remained of the truck. However, since they had previously heard the police broadcast concerning the missing vehicle from Avon Park, county authorities immediately called the Avon Park Police officials to the scene.

According to Det. L. Walt Bellenger of the Avon Park Police, the truck was completely destroyed by the time he arrived at the scene, only minutes behind the county officers.

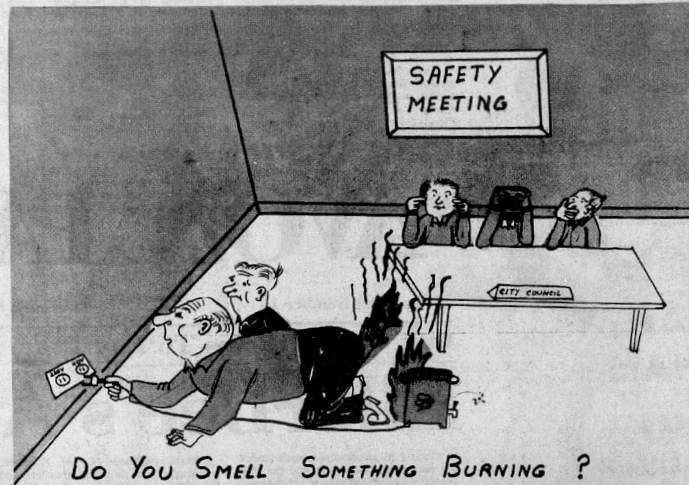

Bellenger stated it appeared that someone had placed a five-gallon container of gas under the hood of the truck, ignited it, then made a hasty departure in another vehicle, since a second set of tire marks was visible.

Bellenger added that although photographs were taken of the burned out hull, little else could be accomplished, in view of the thorough destruction of the blaze. Value of the jeep pickup truck, according to the owner, was placed at \$4,400.00.

Investigation into the apparent theft and ultimate destruction of the truck is continuing by officials of the Avon Park Police Department.

Our Reader's Opinions

To Ignore Becomes An Unpardonable Sin

Dear Editor:

Life, human life is not a carnival. Human life is meaningful and purposeful, also it is the accumulation of the daily experiences.

Man is the crown creation of the Almighty God. God has put a great price on the human life. It is man himself that degrades his own life, makes it meaningless and unimportant by his misbehavior and by ignoring the highest, noblest and the Godliest things of life.

There is an unfavorable factor or element in our human relationships with our loved ones, friends, our fellow beings and our Creator however devastating, dangerous, crushing and deadly consequences and effects on man's life is unescapable. This factor is called "Ignore".

This word with its real meaning has occupied my mind for many years like the work "Negligence" of which I wrote in the "Avon Park Sun" a few weeks ago. Millions of people from every walk of life have become captives of this moral disease.

The dictionary defines "Ignore" as fail to notice, to disregard, to treat as through unknown, to refrain from noticing or recognizing, overlook, slight and put off and sometimes according to

my explanation it is also silencing the good conscience.

Easy to "Ignore" but it is hard to bear its ill consequences and effects on life.

What a great tragedy it is to ignore the love of parents, father, mother, the loved ones, brother and sister, sweethearts and friends, grandfather and grandmother. It breaks the hearts of the ignored and forgotten, but makes the hearts of those who "Ignore" cruel and stony.

How often we ignore answering a letter, a card, a call, an appointment and an appeal. How often we ignore a visit to a sick and to an unfriendly, a friendless one. To "Ignore" in the end becomes an unpardonable sin.

Ignore the natural law, the result is suffering. Ignoring the moral law results in immorality. Ignore the hygienic and health law the results will be germs and disease.

Ignore the good doctor's advice and the advice of loved ones and good friends and continue in indulging bad habits, smoking, drinking, gambling and other device the result is losing one's health. The most precious possession of our life is our health. Good health is the main thing in life.

Ignore the opportunities of education the result will be illiteracy. Ignore your alarm, the result will be laziness,

unemployment and poverty.

Ignore the law of the land, the result will be revolution, confusion and loss of the most precious freedoms.

Ignore stop signs, red lights and traffic regulations, results will be prison, jail, fines, accidents and often death.

Ignoring the iceberg warnings in the ocean brought the Titanic disaster. Ignoring the military warnings and signs brought Pearl Harbor and national disaster.

Ignore the Word of God and the voice of the Holy Spirit, will bring eternal sorrow, damnation and eternal death.

Ignoring the Word of God and the advice of the prophet Samuel, King Saul, the first king of Israel, lost his kingdom and his life. I Samuel, ch. 31. "God is a God of love and long patience and of compassion. His voice will continue for a while. At the same time, he says, 'My Spirit shall not always strive with man.' Genesis 6:3. O, let us listen to his tender voice, while there is time. Let us not harden our hearts, the Savior says, 'Behold I stand at the door and knock. If any man hear my voice and open the door I will come into him and will sup with him and he with Me.' Rev. 3:20. Ignore man and God and life become nothing. Let us open our hearts to God.

Veteran Fights To Get Off VA Pension

Dear Editor:

I am a handicapped Veteran, living on a small pension. My vision and hearing are slowly leaving me. The doctors say they can do nothing, so I have made hobbies to keep busy, and fight off periods of depression and dependency, which seem to plague me much of the time.

While I am collecting antique valentines and old post cards, I am also

collecting rare old calendars, advertising cards and old tintype photos, in hopes of writing a book about the items I collect, and earn enough from it to get off this small VA pension and have medical care, which the VA is unable to afford me, so my hobbies have a dual purpose.

Living on limited funds, I depend greatly upon friends and others for much of the items I collect, and was wondering if any of your readers have any antique

valentines, old post cards, rare old calendars or old tintype photos they do not want, because I would be happy to have any they may care to send me and be grateful for them.

Thank you for your time and kind consideration in reading my letter.

Respectfully yours,
Handicapped Veteran
Thank you.

Brojek Sends Thanks For Track Facilities

Dear Editor:

I would like to take a moment to thank John Ziegler and the men of his city work crew who recently helped finish the pole vault and high jump area at the high school track teams. Also, I'd like to thank the MacAsphalt Corporation for the donation of the materials for the project.

Last year Avon Citrus Bank, First Home Federal Savings and Loan, Highlands County Bank of Avon Park, The Avon Park High School Student

Council, the Avon Park High School Keyettes and Key Club joined with our team members to raise the \$1,000 needed for our pole vault and high jump areas.

Needless to say, we owe much to the community and the fine students of Avon Park High School. Our program, which we feel is one of the best in the state, would not be possible without the support of our fine Avon Park people. It makes me very happy and proud to know that

my young men represent such a fine school and community.

Sincerely,

Eckerd Sees Canal

Treaty As Give-away

Jack Eckerd, candidate for Governor, took a personal stand on the Panama Canal Treaty issue today, by sending telegrams to Florida Senators, Richard Stone and Lawton Chiles, urging them to vote "no" on the proposed treaty.

"The bottom line," said Eckerd in his telegrams, "is that the United States government is not only about to pledge its support to a dictator with Communist ties, but also to pay \$50-70 million per year of our tax dollars for the privilege of giving Torrijos \$7-billion worth of U. S. property."

Telegrams were also sent to each of the candidates for Governor, whether Republican or Democrats, including Florida's lone Independent candidate, Claude Kirk.

When asked why he was taking a stand on what is basically a national issue when his opponents have avoided it, Eckerd said, "Like many others in Florida, I fought in our Armed Services to protect American property. I can't accept the terms of the proposed Canal Treaty... it's an outright giveaway... and I'm willing to do whatever is necessary to influence the decision-makers in Washington."

City Employees

felt that the new ordinance had some merit and he insisted on a change. He also felt that the city appointed boards should not act on an act in matters.

Hancock told the council that the ordinance should make it clear that the department heads had no right to be reappointed or that they be discharged without cause. He also added that the clauses, you may like, may need some clarification.

Jim McWilliams, speaking from the floor said there was an injustice in the method of appealing the decisions of various boards as some cases can be appealed to the city council and some must be taken to a court of law. Barefield and Hancock stated that the appeal of some cases are mandated by state law.

When attorney Hancock read a letter from Jim Kelly, attorney for C. W. Ellerbee, for payment of \$470 attorney fees, he told the council that Kelly's research had saved him and the city considerable time.

Hancock told the council that any time a department head is threatened by the council, he is deprived of a right to be represented by the council attorney. Thus work done by Kelly possibly resulted in a saving of \$150 on his bill, but he did not consider court reporters necessary at preliminary discussions.

Hancock told the council they could say they were not legally liable or could pay a reasonable part of the fee.

Albritton thought they should pay the \$150 saved in attorney fees, with Councilman Kelly Phillips agreeing and Councilman Henry Dennis going along with it.

On a motion to pay the \$150, to attorney Jack Hancock on Ellerbee's attorney fees, Councilman Robert Britt also voted yes. Although he had previously stated he was against any payment.

A private telephone in the building department was the center of the next hassle about the building department, with Phillips and Britt taking the stand that it was not necessary and he, Britt had not been asked about the phone when he was over the department.

It was not made clear in the heated discussion whether the telephone removal was aimed at economy or aimed at hamstringing the department. Barefield, who is over the department, stating that the phone is really used.

Mrs. Jean Jordan, realtor, told the council she frequently called the private phone and she was sure other realtors did also. When a request was made that the building department telephone be billed separately, Phillips Motion was withdrawn.

Weds In Double Ring Ceremony

Miss Mary Elizabeth Ann Olivieri became the bride of Mark Wilson Smith on January 7, at 2 p.m. at the First United Methodist Church of Avon Park, in a beautiful ceremony. The bride is the daughter of Mr. and Mrs. Joseph Olivieri and the bridegroom is the son of Mr. and Mrs. Wilson Smith.

Mr. Gerald Perkins organist was accompanied by John Wright and Mary Wright, both of Avon Park. Rev. Bentley Williamson and Rev. V. J. Ragdale officiated the double ring ceremony performed at the altar decorated with a bass arched covered with fern and white and pink chrysanthemums. Two candleabras were placed on each side of the altar, and several palms were located in the front of the church.

Given in marriage by her father, Joseph Olivieri, the bride wore a white satin backed crepe gown which had an empire waist and long sleeves that buttoned at the wrist. Her veil was chapel length of illusion, and she carried a nosegay bouquet of pink and red roses with white carnations and pink streamers tied in love knots.

Miss Mary Wright of Avon Park served as maid of honor and she was attired in a pink satin back crepe gown, empire waist with high neck accented by a sheer inset of tiny pink roses. The gowns long flowing sleeves buttoned down at the cuff and she carried a single pink rose.

Mrs. Doreen Nelson, of Monroeville, Penn. served as matron of honor and she wore a gown identical to that of the maid of honor and carried a single pink rose.

Miss Sherry Olivieri and Mrs. Sharon Olivieri both of Glen Falls, N. Y., and Miss Marcia Collins of Avon Park served as bridesmaids. They wore gowns similar to that of the maid of honor, and carried a single pink rose.

Miss Darlene Olivieri of Glen Falls, N. Y. served as flower girl.

Mr. Lawrence Green of Avon Park served as best man. Kenneth Olivieri, Thomas Olivieri both of Glen Falls, N. Y., and Donald Nelson of Monroeville, Penn. and Thomas Macklin of Avon Park served as groomsmen.

The brides mother chose for this occasion a gown with a round neckline, made of pink

and silver metallic weave material, with an empire waistline and long puffy sleeves. She wore silver slippers and carried a matching handbag. She wore a corsage of matching pink roses.

The bridegrooms mother wore a peach colored double knit dress with a sheer peach flowered jacket tied at the waist. She wore a corsage of matching peach colored roses and her accessories were off-white slippers and handbag.

Theron Nelson of Monroeville, Penn. served as ring bearer.

Reception

A reception was held immediately following the

ceremony at Wesley Hall. The bride's table was covered with a lace tablecloth and silver candlesticks and bouquets of roses graced the table.

Miss Margaret Jane Turnbull was in charge of the guest book. Those assisting in receiving and serving were Mrs. Rosemary Deck, coordinator of the reception; Miss Cindy Bass, server; Miss Ruby Wilson, server; Miss Martha Wilson, server; and Mrs. Ophelia Rihner, director of wedding ceremony.

For their wedding trip the bride wore a coral colored three piece vested suit with coordinating blouse.

Sewing Tips For The Modern Homemaker

By Dorothy

It seems that women are constantly fighting a "battle with bulk," and here we go again. Only this time let's apply it to sewing. Excess bulk must be eliminated if our garments are going to look "well done." Directions in all patterns instruct us to trim or grade seam on collars, bands, belts and facings.

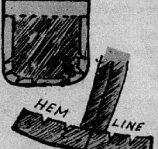

A good rule to follow is this: trim the wrong side, or facing side, of seam to 1/4 inch from stitching. Leave right or fabric side of seam a little longer so that it provides a smooth front for the seam.

A close friend is making a suit jacket and has a problem with the hem. It is the kind with a curve at each front. Her problem is a very common one involving bulk on the curves and how to eliminate the bulk.

First, run a basting thread near the edge of the material at the curve area. Pin outer edges of curved area to garment as it will be when completed. Next, draw up basting thread until fullness is taken up. Small

peaks of fabric will appear when basting thread is pulled. Now clip the peaks off leaving little v shapes along hem line, allowing hem to lie flat. Attach hem lace and hem. The result is a nice smooth flat hemmed curve which has a professional look. This is a sewing technique you can use in many situations.

POCKET

How about pockets? This illustration shows how the bulk is eliminated to allow the pocket to lie smoothly on the garment.

Use this technique on hems of dresses and any time excess bulk is created.

The Highlands County Executive Board of the Extension Homemakers Council will meet Thursday, March 2 at 10 a.m. Take notice of the change in date for the regularly scheduled executive board meeting — it will be held on March 2, Thursday.

Winter Guest Hobby Show March 8-9

Once more plans are being finalized for the annual hobby show which will be held at the Avon Park Winter Guest Club. This event is a two day affair starting on Wednesday, Mar. 8 at 3 p.m. till 8 p.m. and Thursday, Mar. 9 at 10 a.m. until 4 p.m.

Committees were announced, last week. The Show Theme is "Burst of Spring". Mrs. Bernice Wilder is chairman with Mrs. Alma Soty serving as

co-chairman. Other publicity chairman are as follows: Mrs. Elvora McNeil, posters; Mrs. Grace Romilly, paper and radio; Frances Barnes, arrangements; decorations,

Hazel Colson; Christmas display, Nora Wener; registration, Thressa Boyes; sales, Jean Cliver; demonstrations, Hollie Wetmore; and kitchen, Jean Olson. Chairmen will choose their own committees and helpers.

This show draws visitors from far and wide, to view the beautiful work done during the winter. This year several new and interesting projects have been introduced. Some will be demonstrated during the show.

The public is invited to bring any handiwork for display, preferably made during the last few months. There will be a table of articles which will be offered for sale. This is the only table for active members only.

The show promises to be something no one should miss. Sn mark the date on your calendar, Wednesday, Mar. 8, 3 p.m. until 8 p.m. and Thursday, Mar. 9, 10 a.m. to 4 p.m., at the

Avon Park Winter Guest Club on Main Street opposite City Hall, and one more thing, its free.

Mr. and Mrs. Roger Brent Carnes Nuptial Vows Exchanged At New Hope Church

Jean Ellen Eberle, daughter of Mr. and Mrs. Kenneth Eberle and Roger Brent Carnes, son of Mr. and Mrs. John Carnes of Sebring exchanged nuptial vows on Saturday, Feb. 11 at 7 p.m. at the New Hope Baptist Church. The Rev. Travis Hutton officiating the double ring ceremony.

Michael Eberle played a trumpet and Libby Bradley the piano to provide the wedding music.

Given in marriage by her father, the bride wore a formal gown of silk organza over bridal taffeta with imported re-embroidered alencon lace and tiny seed pearl trim. A deep flounce of tiny pleated organza completely encircled the hemline of the A line skirt and chapel length train. Her finger tip veil of illusion had matching alencon appliques scattered over the illusion and was held by a Juliet cap made of alencon lace and tiny seed pearls. She carried a bouquet of white carnations and rose buds, with white streamers tied in love knots.

Janet H. Sear served as maid of honor, and Gail Culbertson and Sabrina Crowe served as bridesmaids. They are all residents of Avon Park and they wore matching flowing, mint green, polyester knit gowns, with cap sleeves.

All carried bouquets of mixed spring colored flowers. Amy and Polly Holsaberg, Nieces of the groom served as flower girl.

Jerry Carter of Sebring served as best man. Keith Carter and Gary Germaine both of Sebring served as ushers. Groomsmen were Tom Braswell and Richard Emerson both of Sebring.

The bride's mother chose for this occasion a full length, long sleeved, blue, polyester gown with pearl trim, and she wore a white rosebud corsage. The Groom's mother wore a full length, lavender, floral, polyester, long sleeved gown with white rosebud corsage.

Reception
A reception was held immediately following the wedding ceremony. The bride's table was adorned with a silver candelabra. Her four tiered wedding cake was white with green trim, and separated by columns. Wedding bells were placed on the top tier while a bridal couple statue was on the bottom tier. The Groom's table held a two tiered arrangement of mixed spring flowers and the groom's cake-red velvet.

Assisting in receiving and serving were Mrs. Leslie Crews, Mrs. Keith Carter Mrs. Marc Holsaberg, Mrs. Earl Gill and Mrs. Jack Smith.

After wedding trip to the west coast of Florida the couple will reside at Silver Fox Ranch in Sebring.

Jane is a 1978 graduate of Avon Park High School, attended South Florida Junior College and is presently an associate of J. C. Penney.

Roger is a 1971 graduate of Sebring High School and attended Tampa Tech. He is presently employed as a surveyor for Dale Thomas.

Pre-Columbian Indians believed that earthquakes were caused by the creator shaking the earth to see if his handiwork was still around. The Indians would shout "Here I am," to reassure him.

Celebration Of World Day Of Prayer Will Start Today

The celebration of World Day of Prayer will be held Friday night beginning at 7:30 p.m. at Our Lady of Grace Catholic Church in Avon Park.

Representatives from local churches gathered at the Social Hall Tuesday, Feb. 21, to organize the program under the Guidance of this year's chairman, Teresa Greene.

Ideas and suggestions were given by each representative to aid the program.

With the Theme "Community Spirit in Modern Living" World Day of Prayer will be celebrated in 140 countries and thirty three islands.

Each year the International Committee for the World Day

of Prayer chooses one nation to write the service. This year the women of Canada explore the practical, sensitive and comprehensive of living in community under the theme.

The Canadian woman show their concern for the issue of diversity within community in the message they sent with the service: "Our life in Canada is becoming fuller and richer as people of many cultures, many races, many creeds, and many tongues have come to make their home here. As Canadians, we call our sisters and brothers around the world to share their lives with us and with one another so that all of humanity may grow into unity and wholeness through fellowship with one another."

The first World Day of Prayer was held over 90 years ago, and the first offering was taken in 1920. The spiritual and practical influence of World Day of Prayer is powerful, good and lasting, and that's why the women who plan this event call it a "celebration of World Day of Prayer at Our Lady of Grace Catholic Church, Friday night beginning at 7:30 p.m. in Avon Park.

FAITH FINDS NATIONS BEST GOVERNED BY LAWS

The system of liberty and justice enjoyed by the free nations of the world today is largely the result of a lesson painstakingly learned throughout history: that mankind is best governed not by men but by a set of laws designed for his own protection from the excesses of the governing bodies elected to administer and enforce them. Moreover, the very procedure for changing or abolishing these laws is built right into the provisions. All of this is based on the principles set forth in the Bible, which is emphatic about the preservation of man's freedom. Your Church will teach you the laws of God, and thereby help you to understand and obey the laws of your land, which were enacted for the well-being of all.

It should always be remembered, that the great end of government is human well-being. —James H. Fairchild

"So do, as they that shall be judged by the law of liberty." —James 2:12

Publish Job-Bank Information

By John Burris
With the citrus industry in Highlands County rapidly approaching its peak, officials of the Florida State Employment Service in Sebring viewed speculation and some doubt as to whether the industry will be able to cope with the manpower shortage.

In commenting on the relationship of supply and demand, with regard to the manpower situation in Highlands County, Donald J. Orr, Manager of the Florida State Employment Service of Sebring, noted that unemployment figures for Highlands County have been dropping steadily, yet the overall figures continue running higher for local unemployment than they should.

Orr emphasized that unemployment for Highlands County continues running at about 6.2 to 7.0 percent, which, in his words, "is really a little bit higher than we would like it to be."

Conceding that Highlands County

does not rank quite as high in unemployment as some other counties do, Orr said Highlands County would definitely be considered in the "middle grouping" and that at the present time, the county is running slightly ahead of the overall state and national averages.

In specific categories, Orr cited the medical career field as being one of the most acute in the county. He noted that although the citrus industry appears to be holding their own at the present, there is a critical shortage of such professional people as Registered Nurses, and Licensed Practical Nurses. Orr added, "The medical profession in Highlands County is so desperately short-handed of trained and qualified personnel that should this situation prevail very much longer, it's conceivable that some of the existing facilities may have to close their doors."

Although he had no solution for the existing labor manpower shortages, Orr emphasized that help is sorely needed in

many areas of the local economy. He noted also that many, many residents of Highlands County were not even aware of the availability of such assistance as his office, in their search for employment locally.

Orr strongly emphasized that trained personnel in the offices of the Florida State Employment Services are there Monday through Friday, from 8 a.m. to 5 p.m., with but one purpose in mind—to assist the UNEMPLOYED in becoming EMPLOYED—as expeditiously as possible.

And, in our continuing efforts to be of even greater assistance to residents of Highlands County, the Avon Park Sun, beginning next week, will publish weekly abbreviated job-bank information data. Perhaps, through this contribution, we can assist in lessening some of the critical areas and manpower shortages currently existing in Highlands County. "We'll never know—until we try, will we?"

Salvation Army Starts Local Fund Drive

Highlands Countians long-known for their generosity, will again have the opportunity to help those less fortunate by lending financial support to the benevolent efforts of the Highlands County Salvation Army, through the annual Army Appeal.

The 1978 Appeal officially begins this week with the first phase, the Business and Professional appeal.

County-wide goal for the first phase is \$10,000 according to Chairman Richard Hitt.

Business and professional chairman for Lake Placid is Dick Henderson and in Avon Park is Ed Carter.

Through the many contributions in 1977, 3009 gifts were provided to Highlands Countians, reported

commanding officer Lt. Gerald Copeland.

Services provided in 1977 included 204 transit lodgings, 407 meals, other assistance to 23 for a total of 233 persons

assisted.

Resident Welfare families receiving material assistance totaled 36 with other services provided to 116 families. There were 387 orders or cash grants

given, 347 interviews for a total of 800 persons assisted.

League of Mercy workers visited six institutions involving 101 visits with 1945 individuals visited.

Scout Banquet Held Many In Attendance

Cub Scout Pack 156 held its annual Blue and Gold Banquet last Tuesday night in the Avon Elementary School Cafeteria. Approximately 150 Cubs, parents and friends attended.

Cub Scout from Den No. 3 provided before dinner entertainment in a take-off of the Grand Ole Opry Show and were assisted by Cubs from Dens No. 4 and No. 5 who put on a short skit.

The John Wally Lykes Award, presented annually by the Gulf Ridge Council, to the best local district, was on display.

Small New Chairman Of County Red Cross

Highlands County Chapter of the American Red Cross named Josephine Smail chairman of the local chapter at the annual meeting. Other members named were Verdelle Medlin, vice chairman; Steve Whitehurst, secretary; Anne Drozin, treasurer; Robert Bernhard, Shirley Burley, Catherine Guidry, James Hendry Sr., Marshall Pollard and Charles Welch.

Grover Johnson, retiring chairman of the chapter and chairman of first aid, gave a demonstration of CPR (Cardiopulmonary resuscitation). He pointed out that many lives can be saved if there are enough people trained in CPR. "The first five minutes are critical. If the heart stops beating in a heart attack and no help is available the brain begins to die. Every family should be trained to help while waiting for an ambulance or medical assistance."

He pointed out that in Seattle the death rate from heart attacks dropped dramatically as a result of widespread training in CPR. This can be true for Highlands County too, he concluded.

Certificates of appreciation were presented to safety service instructors. Those honored were Steve Whitehurst of Highlands Emergency Medical Service who has taught a number of classes in

First Aid and given demonstrations of CPR for a number of local groups; Guy Throver of United Telephone in Avon Park, a multi-media instructor for local groups; Joe Canoy of Sebring Police Department and Robert Bernhard, water safety examiner, trainer.

Grover Johnson was presented a special certificate of appreciation for his work as chairman of first aid and interim chairman of the board.

Bridget Henry, wife of an Air Force career serviceman, spoke of the organization of a club for wives of military overseas. The club offers support to families as they relocate.

Verdelle Medlin, chairman of service to military families, pointed out that Highlands County chapter of the Red Cross is an all-volunteer chapter. She spoke of the support given families of military personnel and the wide variety of requests for information handled by this branch.

Josephine Smail called upon members to assess the needs of the community and then recruit volunteers to put the program in operation. High priority should be given to disaster preparedness. Volunteers are needed and should call 385-4143 or 385-7104. March is Red Cross Month.

Avon Park Resident Wins Stereo System

In appreciation for their customer's patronage, during their four years of business on Main Street in Avon Park, Joe's Music shop had their customers register for a Craig

3215 stereo system. In a drawing last Saturday, Feb. 25, Miss Tracy Serdynski, a sophomore at the Avon Park High School was the lucky winner of the stereo system.

Businessman Completes Training

Avon Park resident Paul McCormick has completed a merchandising management training workshop at the JC Penney Regional Training Center in Atlanta, Ga. The course emphasizes the role of the merchandiser in the store, merchandising principles and systems and such management processes as objectives-

setting, planning, organizing, leading and controlling at the first-level management assignment.

During the five-day course, McCormick worked with JC Penney associates from throughout the eastern and southern United States. The Atlanta training center is one of four that the firm operates;

the others are located in Chicago, Ill., Buena Park, Calif., and the newest one is located in Dallas, Tex.

McCormick lives at 913 W. Church St., Avon Park, and has been with Penney's since 1973. He is a management trainee at the Avon Park JC Penney store.

County Sheriff Investigating Sprinklers Cause Muddy Roads

While Circuit Court determined last week that the Highway Road in a county road, problems remain and Highlands County sheriff's deputies investigated a complaint early this week that sprinklers were causing muddy places on the road.

Robert Dundy Jr., county attorney, told Highlands County Commissioners Tuesday that the ruling in the case shows the county owns the roadway. The court also said certificates of occupancy should be issued for two buildings on property owned by Harry Bloomberg.

However, the county has asked for a review of this part of the ruling, since the buildings were not related to

the original issue of road ownership. Dundy said no date has been set for the hearing.

Meanwhile, deputies investigated a complaint early Monday evening that sprinklers, apparently on Bloomberg's property, were causing muddy spots on the road.

Sheriff's Deputy Howard Sizemore said he talked with an employee of Bloomberg. The employee said he didn't know anything about the road having been turned over to the county nor that the sprinklers were to have guards on them to prevent watering the roadway.

Commissioners have in the past received complaints from Bloomberg's neighbors that he has allegedly allowed grove

sprinklers to flood the road and used discing machines to disc the roadway.

Commissioners have agreed to meet with Seaboard Coastline Railroad representatives who are interested in disposing of an abandoned line between Avon Park and Sebring.

Commissioners Robert Skipper said if the county acquired the right of way it could be converted into a bicycle path and riding trail.

Vincent Celenasio, a general contractor, complained to the board about what he feels is a double standard of enforcement of county building regulations. He claims building inspectors have been harassing his projects, finding violations of building codes. He said he has been unable to obtain a copy of county building

regulations.

The board disagreed that there is a double standard and decided to withhold discussion on the complaint until next week's meeting when Henry Eures, building inspector, returns from an out-of-town trip.

Ford Heacock, county insurance consultant, reported to the board that the county's self insurance program appears to be doing its job in meeting claims and saving the county money in premium payments.

His report was based mainly on claims and expenses from last September through February. He said figures for the last two months are still nebulous, as it takes some time for claims information to be processed.

He said he would continue to

report back to the board periodically to review progress of the new program.

The engineering department proposal for repaving 10 miles of roads, at an estimated cost of \$8,500 a mile, was approved by the board.

The Rev. Leroy McGahee asked the board to reconsider plans for the recreational park at Highway Park. He said he feels there would be more demand for tennis courts than for handball facilities as is currently planned.

The handball court hadn't been scheduled for construction this year because there aren't enough funds for the work.

The board suggested that area residents could express opinions on the proposal before construction plans are readied for next year.

Covered Dish Luncheon On Washington's Birthday

The Patriots Chapter of the Daughters of the American Revolution celebrated George Washington's Birthday Feb. 22 at St. Catherine's parish hall, Sebring with a covered dish luncheon. Mrs. Carol Wheeler as chairman.

Mrs. Andrew G. Daigle, Regent conducted the business meeting, with Mrs. Stanley Matthews as chaplain. Mrs. J. M. Brummett read the President General's Message followed by Mrs. Ralph Koberer who gave a talk on National Defense.

It was decided to give a worthy student of Avon Park, who is interested in becoming a nurse, \$250 toward her first year's tuition. This program is planned for three years with a student from Lake Placid and Sebring to follow.

The chapter had planned to honor Mrs. C. M. Twombly, a member of the National A. Society for 65 years, but due to illness it was postponed. Mrs. Edna Pearce Lockett offered the use of her library for genealogical research.

Mrs. Harry Childress introduced Mrs. J. Raab Skipper whose subject was "Our Heartstone, a Heritage, Our Hope". She

PEO Group To Hold Luncheon

Highlands P. E. O. Group will have a luncheon meeting on March 9, 12:30 p.m., at the home of Mrs. H. Stiller, 609 S. Delaney, Avon Park. A program entitled "To Everything a Season" will be presented by Mrs. Nick Hanes.

emphasized the need of love and understanding in the home. Don't be afraid to discipline the children, but listen to their problems and pray for guidance and encouragement. Mrs. Skipper closed her talk with an article, written by her 17 year old son Alan, wherein he expressed high ideals in becoming a worthwhile citizen. This she dedicated to all persons including school teachers and church teachers who have helped and guided him along the way.

A request from Gordon Gaster was presented, for water and sewer service for a new trailer park and several single family homes outside of the city, on the south side of Lake Damon. McWeeny recommended that the city not connect sewer lines from outside of the city as the treatment plant was approaching capacity. He suggested that the 20 regional plan be completed, before any action was taken.

By Margie Wells

After a recent bout with the flu, this reporter is happy to again report the Bonnie Brae news and I would like to thank you for the cards and phone calls while I was out.

Ellen Hunt recently entertained five sorority sisters and their husbands in her home. The guests were the Owen Dun of Lakeview Mobile Court in Sebring (from Ousted, Mich.), Viola and Earl Hart of Punta Gorda (from Surand, Mich.), and the Benleys (from Carroll of Englewood (from Flint, Mich.), Margery and Everett Hubbard of Dade City (from St. Louis Park, Mich.), and Edward and Vera (from Lincoln Park (from Bay View, Mich.). Also present were guests Doris and Everett Sweeney of Englewood (from Petoskey, Mich.). The Benleys were attendees at Ellen and Harry Hunt's wedding. A delicious buffet, dinner was served and the afternoon was spent visiting.

Merle and Sherman Carroll had Merle's sister and brother-in-law, Mr. and Mrs. Paul Dunning with them for a few days last week from Lake Worth. They all went to Bradenton and spent a day visiting with friends.

Thelma Miller celebrated her birthday a week ago with a trip to Lion Safari Country with her daughter, Dorothy Hall, and Ed and Bill and their daughter, Lisa. George Chalmers, Thelma's son, and his two daughters, Renee and Tammy, and Douglas, Jr., also helped celebrate. On the way back they stopped at the Brighton Indian Reservation which they found to be most interesting.

Ann and Fred Griffin and Leila and Winnie Kitch viewed the Citrus Parade in Winter Haven at the time it was held there.

Mr. and Mrs. Edgar Bottle of Binghamton, N. Y. have been recent guests of Lulu and Louis Potter. Mrs. Bottle is a sister of Mr. and Mrs. William Potter. Esther Starley, also made her first visit to Florida with them. Another recent visitor at the Chalmers was the Charlotte and Allen Trip of Hershey, Penn. Lisa is Allen's niece.

Pauline Pelkey's daughter, Rita Groeli, has been visiting her mother and brother, John Robideau, for the last two weeks. She has also visited with her brother, Kendrick Trim, and his wife, Alice, of Annapolis, Md. When in town, she enjoyed shopping at Winter Haven and Sebring. To top it off, her brother, wife and sister went with her to Sea World in San Antonio, Texas, visiting with her niece, Shirley, and Robert Taft, Shirley's new husband.

James and Art Smalley have had several visitors within the past two weeks. Blanche and Ed Cook were here for a nice visit after almost missing the boat to Sebring. They spent the day in Lakeland. Blanche is Lucille's sister and they lived in the Smalley's Army travel trailer here for a while. Also here were the Smalleys were Mr. and Mrs. Hugh Potts and Mr. and Mrs. Clayton Anderson from Englewood. The Potts are former neighbors of the Smalleys and Lucille when they lived at their cottage at Nevins Lake near

Stanton, Mich. Recent visitors also had the Smalleys, Delores Moltenkopf of Sebring. The Moltenkops are members of the Avion Travelcade Club. Art and Lucille are former neighbors of the Smalleys.

Recent visitors of Chloe and Howard Mallinger were Chloe's sister and her husband Mr. and Mrs. George H. Mallinger, Sr., from Baltimore, Md. While here, the two couples visited friends in Clearwater.

Mr. and Mrs. Kassinmase were held on February 11, and Dorothy Carroll and some friends attended. There were 300 residents and winter visitors in Sebring and they went with friends to the Country Club for lunch.

Merle and Sherman Carroll also had their daughter and law, Mr. and Mrs. Douglas H. Carr, from Corona, Ontario, visiting them recently. They all went to the Kapok. Trips for the weekend were made by the Mallinger joining them. The also visited Sea World.

Charles Clinger from Philadelphia, Pa., visited with Mary and D. Wells for the weekend. Charles and P. Wells are cousins.

Mr. and Mrs. Warner Baker of New York, Zephyrus Hills, recently spent the day with Dorothy Carroll. In the afternoon, they called on friends in Maranatha Village.

The Saturday night Podge group met at Helen Dyer's home. Along with the regular players (Ed and Mary Potter, and Thomas and Evelyn and Lawrence Irwin new residents, were asked to join them.

A lovely picnic was enjoyed on the grounds of the Hammock State Park. Thelma Miller and her son, George Chalmers, her grandson, George Chalmers, Jr., and Renee and Tammy Chalmers were joined by Ed and Tom Breake of Sebring and Myrtle and Earl Montgomery of Sebring.

Mrs. Carole Hairets of Jacksonville, Wisconsin, and Ed Podwals, Tammy and Renee Chalmers, and spending the day vacation at their home at Duxbury, Mass.

Dorothy Carroll enjoyed visiting several friends as well as her mother and brother, Melvin Thomas, in Largo for the week. They had a break-down on the causeway between Tampa and St. Pete with some minor damage. On the first day and Dorothy says she didn't enjoy one bit!

Thanks to Charles Potts for making dozens of dowell for the girls. He is recruiting for the "girls" and a couple of husbands are busy doing gay-colored yards for them.

We are happy to report that the Smalleys are recovering nicely from her recent surgery and is still enjoying the sunshine (when she is out of the trailer).

Phyllis is recovering from the best in this surgery this week.

James and Mildred Ray visited with Renee and Leola Chalmers in Largo. Their brother, they are from Indianapolis and James said he was wonderful to see ground again. They have to undergo him more for a few weeks.

See you at coffee hour

Devils Cha-a-t-t-t-e-e-e-r-r

Joel Wright

There have been all sorts of reasons for the basketball team winning the district tournament for two years straight, but some people might like to know what the players were thinking about last weekend.

The player with perhaps the biggest job cut out for him was keeping Bill Ross, Lake Placid's 6'10" center, from controlling the game "I had to use quickness since I'm nine inches shorter than Ross," Larry Pough said, "I also had to jump higher and move the ball inside."

David Williams scored the two foul shots that put the

Devils ahead with 9 seconds left in the game. "That first foul shot was the most important shot of my life," David Commented. "I heard people in the stands telling us to hang it up when we were 9 points behind, but this is our last year and we didn't want to hang it up." David thought that Larry Pough and his brother Charlie were responsible for keeping the Devils alive.

Fred Williams, sharer of high scoring honors with Larry Pough, said that the Lake Placid game was the toughest game of the tournament even though the Mulberry game was also tough. "I'm glad we could win district in my last two years," Freddie said. "Part of the fun was just beating Lake Placid for the second straight year." Wyndell Frazier also said that beating Lake Placid was the greatest accomplishment. "When we beat the Dragons everybody expected us to go out and take district and that's just what we did. Larry did a great job keeping Bill Ross under wraps, and the whole

team played like champs." Horace Moore, the master of theft in those last crucial seconds of the Lake Placid game, explained how the team came back so quickly. "We would steal it and give it to the man with the best shot," he stated. "We played good Avon Park ball."

The players gave the overall credit to Coach Tom Lund. They were especially fond of how he kept his head in difficult

situations.

It's the second championship year in a row for the Devils, and from the looks of the J. V. team's 19-1 record, it's possible that a trend has begun.

Firearms Charge Lodged Against Local Youth

A youth charged with improper exhibition of a firearm has been adjudicated delinquent and placed on probation. He was ordered to study a criminal law booklet and pass a test on it. Judge Clifton M. Kelly also ordered the youth to stop associating with some friends named by the court.

At the same session of court a youth charged with criminal mischief was adjudicated delinquent, placed on probation, ordered to observe a 10 p.m. curfew and to make restitution equal to one-half the damage caused by the mischief.

Another youth charged in the same case has been adjudicated delinquent, placed on probation, ordered to pay half the restitution costs. His custody was assigned to a family named by the court.

Three youths arrested in connection with the theft of an auto pleaded guilty to the charge in juvenile court Feb. 20.

For one youth adjudication was withheld and his case transferred to Glades County for final disposition.

Each of the other youths was adjudicated delinquent. Disposition of the one was transferred to Hendry County and for the third youth disposition was deferred pending reports on a psychological evaluation which the court ordered.

In an aggravated battery case the youth was adjudicated delinquent, placed on probation, ordered to study a criminal law booklet and pass a test on it.

Probation ended for two youths. One was formally released from court supervision but the other had his probation revoked and he was committed to a correction facility.

In the one dependency hearing the child was declared a dependent and custody assigned by the court.

Devils Win AA District Cage Crown

By Les Burch

The Avon Park High School Red Devils, going "all out" for three straight games of tourney play, topped their second straight District 13 basketball

title Saturday night, beating Mulberry High School 63-50 in the meet finals at Mulberry. Last Tuesday night, the local Champs

played John Carroll at Fort Pierce for the Region 2-A title. Tuesday's winner advances to the sectional finals on Saturday, the last step on the long trail to the State Championships. This year's state meet is slated for March 9, 10, 11 in Lakeland's Civic Auditorium.

The route to the District Championship was a rugged one for Tom Lund's Red Devils, the only team to go through the tourney without a bye. And the devils were "tough" all the way. On Thursday night they staged a ten point rally in the final quarter to down Frostproof 68 to 50 in the meet opener. Friday night they came back to knock off the heavily favored Lake Placid team in a thriller, piling up 11 points in the final minute and a half to eke out a 79-77 win.

Saturday night's victory over Mulberry came a bit easier with the Devils leading all the way. However, the Panthers, staging a fourth quarter rally, pulled to within three points of the Red Devils before the Avon Park team took off on a ten point scoring spree to win by 13.

Horace Moore, who seemed to be all over the floor many times literally on it, sparked the Red Devils throughout the tourney with his "never say die" play, coming up with a 33 point total in three tilts. Larry Pough was high man for the Devils in both points, hitting for 58 and in rebounds with 42. He was followed closely by Freddie Williams with 44 points and 18 rebounds. Charlie Pough had 25 points and Mike Coleman, whose basket with 26 seconds left tied the score against Lake Placid came through with a 25 point total. David Williams hit for 11 points including the two last second free throws that proved the victory margin in the crucial Lake Placid semi-final game.

Avon Park - 75, Lake Placid - 77
The Mulberry High School gym clock showed one minute and 36 seconds left. The scoreboard read Lake Placid 77, Avon Park 68, and it looked like the Red Devil were out of the District 13 2-A basketball tourney.

But suddenly things changed. Red Devil center Larry Pough came through with one basket. Seconds later, Mike Coleman scored another to close the gap to five points. Freddie Williams followed up with a quick basket and a free throw, and then, with but 26 seconds left, Mike Coleman hit for two more and scoreboard read Avon Park 72, Lake Placid 77.

Moments later, with the crowd going wild, David Williams, who had a 36 percent free-throw season average, coolly dropped in two free throws to put Avon Park back in the tourney and pre-tourney favorite Lake Placid out. The final score was Avon Park High School 75, Lake Placid High School 77.

In that final minute and a half, the fired up Red Devils had piled up 11 points and held the Green Dragons to zero to move into the finals against Mulberry, semi-final winner over Fort Meade.

Like the two regular season games with Lake Placid, this one was a "cliff-hanger." Lake Placid, with Lenny Ryals grabbing eight points moved out to a 13-20 first quarter lead.

The second period went to the Red Devils as Horace Moore picked up nine points and Larry Pough added 8 more to move to within one of the Green Dragons at half time.

Freddie Williams put Avon Park ahead for the first time as the third period started, and within four minutes left, the score was tied at 46-46.

Then the Dragons, with 6' 10" Bill Ross back in the game, took over, racking up 12 points against two for Avon Park to wind up the quarter with a 10 point lead.

The two teams matched points for the next six minutes, and the Dragons were still out in front by nine with less than two minutes to go. That was it for Lake Placid, however, as the Devils hit for 11 straight unanswered points to wrap up the win.

Freddie Williams and Larry Pough each scored 18 points for Avon Park. Horace Moore, 13 and Charlie Pough, 12 followed David Williams with 9 and Mike Coleman with 8.

Murvin Haynes with 21 was high points getter for the Dragons followed by Willie Ward with 20 and Bill Ross with 14.

Avon Park - 63, Mulberry - 50

For three quarters Saturday night, it looked like the Avon Park Red Devils were going to blow Mulberry High School right off the floor in the final game of the District 13-2A tournament.

It didn't happen that way, but the defending Champion Avon Park team did finally wrap up their second straight District trophy beating the Panthers 63-50.

The Tom Lund coached team got off to an early start with Mike Coleman scoring nine points in the first four minutes. Freddie Williams added six more and Larry Pough hit for a couple to give the Devils a 17-4 first period lead.

The Avon Park team boasted that to a 47-32 margin after three quarters, and

midway into the final period, still had a 12 point advantage. Then Mulberry, with Greg Polite and Buzz Hardee showing the way, started to hit. They outscored the Devils by nine points in the next three minutes and with less than two minutes left, only 3 points separated the two teams.

That final two minutes, however, as it had in the Avon Park's previous two tournament wins seemed to be the signal for the Devils to "get moving".

And move they did, racking up ten straight points with Mike Coleman, Charlie Pough and Horace Moore all getting into the scoring act. Meanwhile, the Devils held Mulberry scoreless to ring up a 13 point win and move on to the finals of Regional play.

Freddie Williams had 16 points to lead the Avon Park scoring. Larry Pough was close behind with 15, while Mike Coleman had 14. Charlie Pough was also in double figures with 11.

Buzz Hardee with 14 points and Polite

with 12, topped the Mulberry scorers.

Avon Park - 60, Frostproof - 50
The Avon Park High School Red Devils, hitting for ten straight points in the last four minutes, advanced to the semi-finals in defense of their District 13 2-A title last Thursday night, beating Frostproof High School 60-50 in the tourney opener at Mulberry.

Again, it was Larry Pough who led the Red Devils, racking up a total of 25 points and 18 rebounds. Horace Moore, playing his best game of the season collected 15 points — seven of them in the fourth period surge that put the game out of reach of the Bulldogs.

The Red Devils took an early 11-4 first quarter lead and stretched that to a 23-12 margin in the second period before Terry Wright and Bobby Harper started hitting for Frostproof, cutting the gap to six points at half time.

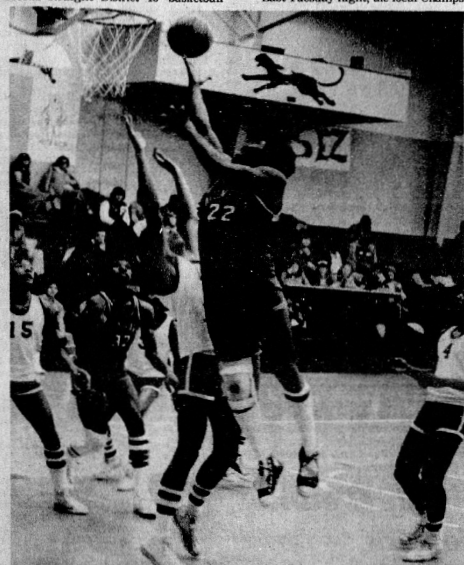

Harper kept a hot hand in the third quarter, getting 10 more points to narrow the lead to three. Then, getting added

help from Willie Harper, the Bulldogs clawed to within one point of Avon Park early in the final period and with but four minutes left, they trailed by just two.

Here Frostproof had a chance to knot the score, but missed on a lay-up and Larry Pough came down with the rebound. He scored on the next play and came right back with a second two pointer as the Devils, with Moore chipping in two more quick baskets, pulled away outscoring Frostproof 22-15 in the final period.

The Bulldogs hit on 14 of 18 free throw tries for a 78 percent average to keep in the ball game as the Devils picked up 18 fouls. Meanwhile the Devils could collect on only 4 gift tosses out of 10 attempts for a 40 percent average.

Freddie Williams scored ten points to put three Avon Park players in double figures. Bobby Harper was the big gun for Frostproof with 20 points, with Terry Wright getting 16 and Willie Harper 8 for the losers.

LEADING THE DEVILS in scoring and rebounding during the three games of the Class AA, District 13 basketball tournament played in Mulberry last week-end, was center Larry Pough who ac-

counted for 58 points and 42 rebounds against Frostproof, Lake Placid and Mulberry. The Red Devils won their second straight district title in the meet. Sunphoto by Lew Miller.

DISTRICT CHAMPION CHEERLEADERS - The varsity and junior varsity Red Devil cheerleading squads drew complimentary comments from tournament fans last week-end at the Class AA, District 13 cage meet held at Mulberry High School as they teamed

up to cheer the Red Devil team to its second straight district title. The squads, coached by Jean Lund and Kathy Clang, went four stories high on this formation during a break in the action last Friday night when Avon Park upset Lake Placid to advance to the finals.

Girl Cagers Lose Region Play-Off To John Carroll

A tight, effective defense by the John Carroll High School girls basketball team proved too much for the Avon Park High School girls cagers in the Regional Play-off game at Ft. Pierce last Tuesday night a week ago as the Devilettes came out on the short end of a 41-37 final score.

The Cherri Lee coached Avon Park girls team turned in a fine performance with center Meg Schuler hitting for 19 points and Thelma Wessels swishing 10 points through the nets, but the rest of the team was held to 8 counters as Laurie Welch scored 5, Katrina Conner hit for 2, and Ellen Macklin added 1 point.

The Devilettes made only 7 of 17 free shots while the John Carroll girls put 13 of 27 in from the foul line. The score by quarters showed how the close the game was as John Carroll had a 7-6 lead after

one period and led 20 - 16 at halftime. After three quarters it was 28-22 for the home team and then the final score was 41-37 as the Devilettes picked up two points on the Ram girls in the final period of play.

The loss set Avon Park's 1978 record at 14-8 with the Avon Park girls bringing home the Class AA, District 13 trophy for the first time in recent Avon Park High School history.

"I'm not disappointed with the way the girls played," commented Coach Cherri Lee. "I'm just disappointed for them not being able to go on this year in state competition. They have had a fine season. I'm very proud of each of them for the way they have played and conducted themselves this season."

CLASS AA DISTRICT 13 Champions. The Red Devil boys basketball team won the district title for the second straight year last Saturday night with a win over Mulberry on the Panther's home court.

Perfect Net Season So Far

"We've got a perfect season going so far," commented Coach Bruce Wyse after his Avon Park High School tennis team shut out Fort Meade High School here Friday to ring up their second straight 7-0 win. "And," the coach added, "it proves that we can beat them if they don't beat us". (Ed. Note: That must prove something.)

Last Thursday, in the season's opener, the Red Devil netters blanked Sebring High School at Harder Hall.

This week's schedule, however, promises to be tougher, with three matches scheduled away from home.

Thursday, Mar. 2 the Avon Park team travels to Arcadia to meet De-Soto High School, a class 3-A school and on Friday they go to Fort Meade for a return engagement with the Miners.

Monday will be the "shoot-out," however according to Wyse when the Red Devils take on Lake Placid High School, the defending conference champs on the Lake Placid courts.

are rated one of this year's top area tennis teams.

Avon Park - 7, Fort Meade - 0
Sweeping all seven matches without the loss of a single set, Avon Park High School easily defeated Fort Meade High School Friday for their second win of the young season.

Joel Wright, playing No. 1 swept his match 6-0, 6-0 and Mike Behal, in the No. 2 spot won his match in straight sets 6-1, 6-1. Eddy Garner, the No. 3 player, didn't lose a game as he took two sets 6-0, 6-0, while David Epstein and Tom Fleming also came through with straight set wins.

In doubles, Joel Wright teamed with Steve Blackburn, a newcomer, to win 6-1, 6-4, and David Epstein paired up with freshman Art Garrett to take their match 7-5, 7-2.

Avon Park - 7, Sebring - 0
Joel Wright, Mike Behal, Eddy Garner and David Epstein all figured in double wins last Thursday as the Avon

Park High School Boys net team won every match to ring up a 7-0 victory over Sebring High School at the Harder Hall courts.

These four netters each won a singles match and then teamed up to take two doubles matches from the Blue Streaks in the season's opener. Tom Fleming, the fifth member of Coach Bruce Wyse's tennis team won his singles match to complete the shut-out.

All the matches were scored according to the pro-8 system whereby the first player or first doubles team to take 8 games wins the match.

Singles Results: Joel Wright (AP) defeated Robbie Stevens (S) 8-2, Mike Behal (AP) def. Judd Spruce (S) 8-4, Eddy Garner (AP) def. Scott Albritton (S) 8-3, David Epstein (AP) def. Alan Cockcroft (S) 9-7 and Tom Fleming (AP) def. Alex Sardinia (S) 8-6.

Doubles Results: Wright Garner (AP) def. Stevens-Spruce (S) 8-5, Behal-Epstein (AP) def. Albritton-Sardinia (S) 8-4.

Hardin-Goodwin Win Racquetball Tourney

The Avon Park Open-Doubles Racquetball Tournament, held last weekend at the City Racquetball Courts, was an exciting one for all involved in playing and the spectators. The competition was better than it has ever been in past tournaments. All the scores in the final matches on Sunday, were close and the quality of play was excellent.

In the Men's "A" class, Curt Hardin and Frank Goodwin had to go the full three games to finally defeat the outstanding team of Gene Owen and Harold Walker (both from Lakeland). The scores of that fine match were 21-16, 20-21, and 21-16. Hardin and Goodwin took first place with their win and Owen and Walker had to settle for a respectable second place. The match lasted almost 2 hours and 15 minutes.

Hardin and Goodwin got to the finals by defeating the teams of Sheppard and Grucinsky, 21-3 and 21-7 and Best and Marquez, 21-8 and 21-4.

Owen-Walker had a forfeit for their first match as their opponents from Winter Haven did not show. Their second match was a good one, as they defeated Wood and Scranton, 21-18 and 21-11.

Third place was taken by Henry Wood and Bob Scranton, as they won over Best and Marquez, 19-21, 21-18 and 21-9. That match was also a great one to watch, with lots of good shots from both teams.

In the "B" Open Division there were five men's teams and three women's teams registered. The division was won by the team of Flavil Graham and Glen Swan. They defeated the teams of Sandra Jackson-Candi Payton, then won over Ridley and Dalton. In their final match they defeated the team of Dave Sonne and Pat Keenan to clinch first place. The scores of that final match were 21-20 and 21-6. Sonne and Keenan took second place.

The women's team of Judy Lewis and Peggy Sizemore defeated two men's teams to take third place honors in that division. They won their first match from Robbins and Quinnes, lost the second to Sonne-Keenan and then came back to defeat the team of Ridley and Dalton, 17-21, 21-20 and 21-20.

The three top finishers in each division were awarded a trophy for their fine play. There were also several door prizes given away. The winners of those prizes were: Racquet-John Best, Tote bag-Curt Hardin and two cans of balls-Pat Keenan.

The sponsors of these two weekends of racquetball tournaments were the Highlands Bank of Avon Park and the Avon Citrus Bank.

The singles competition will be played this coming weekend at the city Courts also.

THE 1978 AVON PARK High School boys tennis team is undefeated after three encounters this season. The Devil netters take on DeSoto High in Arcadia this

afternoon (Thursday). From left, front row: Gary Farless, Tom Flemming, Art Garrett, and Steve Blackburn. Back Row: David Epstein, Eddie Garner,

Mike Behal, Joel Wright, and Ronnie Minard.

Cox Takes First Place In Schoolmen's Tourney

Wally Cox Jr., Sebring, shot a net 70 to win first place in the A Division of the Highlands County schoolmen's tournament held last Saturday at River Greens golf club. Les Brown of Avon Park was second with a net 72.

Frank Burns, retired Avon Park teacher now with the County office, shot one of his best rounds ever for a net 84 to take honors in the B Division. Jim Martindale, another Avon Park High retiree finished in the second spot with a net 71.

Because of a conflict with the Sebring races, the March tournament has been cancelled according to Fred Sandlin, Avon Park golf coach, and instigator of these monthly events.

Golf Team Wins

Walt Kline, Harold Kline, W. Cobb, and L. Young teamed up for a plus 1½ points last Wednesday to take weekly honors in the Pro-Am tournament at River Greens golf course.

Walt Kline was also an individual winner in the class "A" division, tying with R. Files. M. Bell took the prize in the "B" Section with R. Foster copping "C" group honors. J. Baker topped all competition in the "D" player division.

Promey Drops 20 Foot Putt To Give Team Victory

Leo Promey dropped a difficult 20 foot down-hill putt on the third extra hole to give his team a one-stroke victory in the annual two-man ball winter tournament, played last Saturday and Sunday at River Greens golf course.

Promey and his partner, Harold Mangos, finished regular play for the two day event tied with Wayne Davidson and Joe Craig, forcing the play-off. Each team had a 16 under par 124 best-ball

score for the scheduled 36 holes.

Tied scores seemed to be in vogue as Stan Flunker and Urby Wells finished the regular play with a 125 to tie Miles Morgan and Ernie Hansel. The play-off to determine third and fourth place also went three holes before Urby Wells came up with a par to give his team third position.

Twenty five teams participated in the two day event.

Peffer-Timberlake Team Takes Top Honors

Louise Peffer and Alva Timberlake turned in a spectacular 22 under par score to walk off with top honors in the Winter Women's team best-ball tournament at River Greens Golf course last Saturday and Sunday.

Cornie Clifford and Kay Brown with a 16 under par 124 finished in second place.

Just one stroke ahead of Edith Morgan and Lonel Williams who came in with a 125.

Sally Hartenstein and Margaret Hostadler shot a 127 for fourth spot. There were 15 women's teams entered in the tourney.

Striders Bring Trophies From Weekend Meet

Alan Portis, Mark Myers, Joe Baker and Chet Brojek, of the Central Florida Striders Runners Club, won trophies in races this past week-end. Three club members ran in the Catfish Festival in Frostproof last Saturday, and three ran in the Plant City Strawberry Festival Run last Sunday.

Portis, Brojek, and Myers took the top three spots in the 11.5 mile Frostproof run among a field of some 20 runners. Portis won the 16-19 age grouping in an hour and six minutes. Brojek captured top honors in the 30-39 age group only a minute behind his top protege in 1:07. Myers was second to Portis in the 16-19 age group with a time of 1:09.

Then last Sunday, Brojek, Myers and Baker captured seventh, tenth and fifteenth places among some 125 runners in the Strawberry Festival Run of 6.2 miles in Plant City.

Brojek posted a fine 35:43 effort. Myers won the 14-17 age group with his excellent 36:50. Joe Baker, a Middle School physical education instructor, finished second in the 25-29 age bracket with a personal best time of 37:56. Mark Myers' time was also a personal record for the rapidly improving sophomore runner.

Jay Christie of Wisconsin won the 5,000 meter Central Florida Striders Club race last Sunday morning with a time of 17:14. The race, originally set for Saturday, was delayed a day because of rain.

Devil distance ace Alan Portis finished second in 17:30. Red Devil track coach Chet Brojek was third in 17:34 and finished second to Christie in the 20-24 age group.

Jack Collins of Avon Park finished fourth in 18:45 to win the 17-19 age group trophy. Steve Brown was sixth overall and second to Portis in the 14-16 age grouping. Former Devil distance runner Walter Newton finished seventh with a time of 25:23.

There was a small turnout this time because of the rain delay, but we expect to get from 20 to 30 runners each race from now on", commented club founder Chet Brojek. "Several club members will participate in the Strawberry Festival Run in Plant City next Sunday, Feb. 26. The distance will be 6.2 miles or 10,000 meters. The next Central Florida Striders race will be held on March 18, starting at the Avon Park High School."

Dennis Named Head Of Little League

The Avon Park Little League held their organizational meeting recently with the election of officers. Elected were: Henry Dennis, president; Gordon Marshall, vicepresident; Frances Dennis, secretary-treasurer; Donald Arnold, safety officer and George Durden, as umpire-in-chief.

Minutes of the Jan. 28 meeting in Frostproof were read and the new proposals to the Little League Congress were discussed.

This year's registration for Minor League was set for March 4 at the Little League Field on North Anoka Avenue, from 9 a.m. to 2 p.m. Registration forms will be handed out through the Avon Park Middle School and Avon Elementary School and must be presented with the child's proof of age along with a \$1 registration fee at the field.

A meeting will be held on March 7 at which time team assignments and playing schedules will be provided.

Anyone interested in assisting as coaches, assistant coaches, umpires or in any other way, please contact Henry Dennis or Gordon Marshall.

The Minor League parade will be held at 1 p.m. on Saturday March 18, with four games following at the Little League Field.

CLASS B RACKETBALL winners in City Doubles Tourney are: From left, front row: First place-Flavil Graham and Glen Swann. Back row: Second place-Pat Keenan and Dave Sonne. Third place-Peggy Sizemore and Judy Lewis.

CLASS A RACKETBALL winners in last week-end's doubles tourney are: From left, front row: First place-Frank Goodwin and Curt Hardin. Back row: Second place-Gene Owen and Harold Walker. Third place-Henry Wood and Bob Scranton.

Varsity Will Travel To Kissimmee

Coach Ronnie Jackson's Red Devil varsity baseball team will travel to Kissimmee tomorrow (Friday) night to take on the Ocoola High School Cowboys in a non-conference game. The Red Devils opened the 1978 season here at Head Field last Tuesday night against

Santa Fe High School of Lakeland.

Next Tuesday, March 7, the Devil varsity will be at home again playing the Okeechobee High School Brahmins in a Heartland Conference game starting at 7:30 p.m.

Meet The S.F.J.C. Panthers

Dan Pototsky

Dan Pototsky, freshman infielder from Washington-Lee High School, Arlington, Va., is playing second base for South Florida Junior College.

The 5'9", 170 lb. switchhitter had a great fall for SFJC and is currently batting over .300 through the Panthers first six games.

Dan was an All-State third baseman at W-L, leading his team to the State finals with a .400 average. Dan has attracted the attention of the pro scouts at SFJC with his quick aggressive bat.

Tod Carter

Tod Carter, 5'11", 175 lb., freshman from Washington-Lee High School, Arlington, Va., is pitching for South Florida Junior College this spring.

The curvballing righthander was drafted by the Atlanta Braves after pitching W-L to the State finals last year. He compiled a 9-3 record at W-L with a 1.71 ERA.

Carter figures prominently in the pitching plans for SFJC but will also be used as a designated runner because of his speed on the base paths.

Golf Team Wins Three Loses One

Coach Fred Sandlin's Red Devil golfers ran their season record to six wins against two losses last week, beating Auburndale, Zephyrhills and Winter Haven High School on Tuesday, Feb. 21, but losing to Lake Wales High School last Friday.

In all last week's matches, they played without Pete DuPriest, the No. 1 golfer on this year's squad.

This Thursday, Mar. 2, the Avon Park team plays Okeechobee there and next Tuesday they take on the always tough Sebring High School team at Sebring.

Lake Wales-178, Avon Park-177. Greg Knowles, son of former Avon Park golfer ace Wayne Knowles, fired a three over par 39 last Friday to spark the Lake Wales High School golf team to a 170-177 win over the Avon Park High golfers. The match was played at Lake Wales.

Mark Palmer, playing in the No. 1 spot for the Red Devils, shot a 41 to lead the Avon Park swingers. Darwin Ford came in with a 43. Mike Smithson had a 44 and John Barber shot a 48 to complete the Red Devil 177 total.

-Boy Golfers win Triple-

It was cold, it was windy, and it was raining. In addition, the number 1 golfer on the team was away caddyfing for the Ladies PGA tourney in Sarasota.

That added up to plenty of trouble, but not enough to stop the Avon Park High School boys golf team from racking up a triple win over Zephyrhills, Winter Haven, and Auburndale High Schools in a four-way golf match at Skyview golf course, in Lakeland Tuesday, Feb. 21.

Mark Palmer, replacing the absent Pete DuPriest in the No. 1 spot, shot a 41 for the Red Devil team. This was matched by Darwin Ford, freshman member, turning in his second straight 41 round. Steve Coe, another freshman, came in with a 43, and Mike Smithson added a 46 to give Avon Park a 171 total.

Auburndale, with J. Bartfield shooting the day's low score of 37, finished second with a 173. Winter Haven trailed by one with a 174, and Zephyrhills had a 187.

Dave Shepherd

Dave Shepherd of Woodson High School and Bridgewater College transferred to South Florida Junior College last fall and has been a welcomed addition to the Panther pitching staff.

The 5'11", 185 lb. sophomore curvballing righthander figures to be one of the top four Panther hurlers this spring after an impressive fall season.

Dave also pitched for Tony Johnson's Clark Griffith League entry, Fairfax Credit Union, gaining valuable experience to pave his way for his final junior college season.

Red Devil Track Team Opens Season Friday

The Red Devil boys track team will open its season tomorrow (Friday) in Auburndale against Lakeland, Kissimmee, Auburndale, Frostproof, Sebring, and Kathleen High Schools. Devils may enter the contest without the services of several of the varsity basketball team who will hopefully be playing in the sectional play-offs.

The 3 p.m. meet is sure to be a real test for Coach Harry Williams and Coach Chet Brojek's young tin-clads. The Devils were County, Conference, District, and Regional Champions and State-Runners-Up last season.

"We will be without many of the young men who led us to victory last season," commented Brojek early this week. "But our new squad has many outstanding talents and should develop well as the season goes along."

The two Red Devil coaches feel that the sprints and hurdles will be team strong points this year. David Jahna, Anthony Carter, Rufus Wilson and Johnnie Brown have been the leaders in early sprint trials. Jahna, a senior, had a personal best time of 16.1 in the 100-yard dash last season. He is one of the tri-captains of the squad.

The hurdles will be Jim Ervin's showcase this season. The talented junior is one of the best 120-yard high hurdle and 330-yard intermediate hurdles in the state in Class AA. Senior Arnold Wilson and basketballer Pernell Gibbs should provide depth here for Avon Park.

The 440-yard, mile medley and mile relay should also be strong points for

FRESHMAN DARWIN FORD led the Avon Park Red Devil boys golf team to the five wins in the past weeks as he shot 41's in two weeks to help Avon Park defeat 4-4 Kathleen and Winter Haven and Hardee, Zephyrhills, and Auburndale High Schools. The win over Winter Haven last week was the first ever for an Avon Park team as the Devil foursome shot a team 171 to knock off the Blue Devils and Zephyrhills and Auburndale at the Lakeland Skyview Course. The win over Kathleen and Hardee came here at the River Greens Course in a tri-meet. Sunphoto by Lew Miller.

The Avon Park Bombing Range Recreational Area will be closed the weekend of March 4 and 5, 1978, due to the utilization by the 1st and 2nd BN, 116th Field Artillery of Sarasota and Lakeland, FL respectively, the 7th BN 9th Field Artillery of Pompano Beach, Florida National Guard, and the 1st BN 11th Field Artillery of the 3rd INF Brigade of Plant City and the 301st ARES of Homestead, FL.

Bombing Range Closed

Based on present information, the range will be open for hunting for Spring Gobbler Season on March 11 and 12, 1978. Individuals wishing advanced information concerning Opening-Closing of the range to the public may do so by calling our Automatic Answering Service Number, 813-452-4223.

SFJC Baseball Off To Good Start

South Florida Junior College upped its record to 4-1 with an 8-4 win over Seminole CC last Wednesday at Panther Park.

John Sedlock pitched the first six innings and Gary Parker gave another sterling relief performance over the last three innings. Sedlock was touched for 4 runs in the first inning and 3 more in the fourth as he struck out 4 and walked 3 in upping his record to 2-0 on the season. Parker allowed 3 hits and no runs in his three innings of relief to pick up his second save of the year.

After trailing 4-0 after Seminole batted, the Panther hitters pecked away with a run in each of the first three innings and erupted for 3 in the 5th to tie the score 6-6.

Four straight Panther hits, a double by Rick Kyrer, single by Dan Pototsky, a double by Mark Lacy and a single by Charlie Faulconer tallied the 3 SFJC runs. In the seventh, the Panthers added the go ahead run on a double by Pototsky who scored Randy Schlosser who had reached first on an error.

The eighth inning saw the Panthers

adding an insurance run on a single and stolen base by Robbie Freeland and a double by Toby Cunn.

Mark Lacy had 3 hits for the Panthers including a solo home run over the 365' sign in center in the third inning. Dan Pototsky and Charlie Faulconer each collected 2 hits as SFJC touched Seminole pitching for 11 base hits.

SFJC returns to Panther Park Friday, March 3, to play host to defending State Champions, Valencia CC of Orlando.

SFJC - 1, Valencia - 9

SFJC took it on the chin for the second time this season against 4 wins as Valencia CC clubbed Panther pitching for 13 hits for a 9-1 win last Friday in Orlando. This was Valencia's first win in six previous meetings with the Panthers. SFJC jumped out to a 1-0 lead in the first inning on Randy Schlosser's infield single, a stolen base, and Dan Pototsky's sacrifice fly. Charlie Faulconer tripled to open the second inning but SFJC hitters stranded Faulconer at third and Valencia took over to score six runs in the third.

Dick Wiggins, Valencia pitcher, shut down the hot-hitting Panthers after the second inning on 5 hits-2 by Charlie Faulconer.

SFJC meets the same Valencia club again at Panther Park on Campus at 3 p.m., Friday, March 3.

Girls' Tennis Team

Defeats Fort Meade 5-2 In Match

The Avon Park High School girls tennis team beat Fort Meade 5-2 at Fort Meade High School last Friday to gain a 1-1 split in two matches played to date. Last Thursday the gal netters dropped a 7-0 match to Sebring in the season opener.

Thursday, March 2, the Devillette team plays DeSoto High School on the Arcadia team's home courts in a match that Coach Jeannie Cox rates as one of the toughest on her schedule.

Friday, they meet Fort Meade here and next Monday take on the Lake Placid High School girl netters on the city courts here.

Cox is hoping to have Debbie Cox, last year's No. 1 player back for these upcoming matches. Debbie (no relation to the coach) suffered a basketball injury and to date has not seen action on the courts.

Avon Park - 5, Fort Meade - 2
Winning four of five singles matches and then getting a split in the two doubles matches, the Avon Park High School girls tennis team came up with victory No. 1 for the season here last Friday, beating the Fort Meade High School Girls net team 5-2.

Devillette Delores Cox, playing No. 1, took her match 8-5 and Maureen Murphy, the No. 2 player, won 8-6. Daphne Wall was pushed to the limit before she came out with an 8-7 win, while Zandy Abbott was winning her singles match 8-3, giving the Avon Park team a total of four

points. Melony Mincey of Fort Meade beat Shari Hoke 8-7 to win one point for the Miners.

Mincey then teamed with Lisa Shirley to beat Avon Park's No. 2 double team of Abbott and Wall 1-8, for the Miner's second point of the day. The Devillette No. 1 doubles team of Cox and Murphy scored an easy 8-2 win in their match, making the final count 5-2 Avon Park.

Sebring - 7, Avon Park - 0.
If a bad start means a good ending, the Avon Park High School girls tennis team should be due for better things.

At least, they got off to a bad start last Thursday when they lost every match to

the Sebring High School girl netters in the season's opener at Harder Hall, coming out on the short end of a 7-0 score.

Singles results: Holley Brumley (S) defeated Delores Cox (AP) 7-4, Lisa Hines (S) def. Maureen Murphy (AP) 8-7, Gina Fernandez (S) def. Rhonda Landress (AP) 8-1, Sarah Ramer (S) def. Daphne Wall (AP) 8-4, and Tammy Doane (S) def. Shari Hoke (AP) 8-2.

Double Results: Brumley-Fernandez (S) def. Cox-Murphy (AP) 8-6 and Hines-Ramer (S) def. Abbott-Wall (AP) 8-0.

Lady Golfers Win At River Greens

The women of Pinecrest Ladies Golf Association had individual Pro-Am points for their day of play, Thursday, Feb. 23. The winners were: First flight, Wally Wade, plus 12; second flight, Lena Wright, plus 12 and third flight, Edith Godwin with plus 12.

The blind golf winner for the day was Flo Cushman.
There will not be a day of play on Thursday, March 2 because of the three day club championship tournament Friday thru through Sunday, March 2, 3, and 4. Starting time is 10 a.m. The tourney is open to all members of the Pinecrest Ladies Golf Association and will be held on the Pinecrest golf course.

A special tournament for the winter members of the Ladies Golf Association will follow the club championship matches each day.

Marguerit Griffin, Connie Clifford, Dot Cross and Barbara Johnson combined for a plus 12 1/2 points on Feb. 13th to win the River Greens Golfettes regular Monday Pro-Am tournament.

The second place team, with a plus three points, included Fran Peterson, Aggie Dowling, Sally Hartenstein and Lou Weir.

Individual winners were Marguerite Griffin in the A division, Connie Clifford in the B section, Winnie Yarbrough and Dot Cross who tied for class C honors, and Mary Holliman in the D flight.

Fran Hoogstraal came home with the best score on Feb. 14 to win the Golfettes Ladies Day Flag Tournament. Connie Clifford wound up in second place with Naomi Leagans finished third.

On Feb. 21 the ladies of River Greens played for points with Babe Marks collecting 37 for the best total of the day. Three golfers, Evalore Reid, Bernice Shepherd and Louise Peffer tied for the second spot with 34 points apiece.

March 2, 9 & 16, 1978

INVITATION FOR BIDS
Notice is hereby given that sealed bids for materials, equipment, services and labor for the following project:

SWIMMING POOL FOR SOUTH FLORIDA JUNIOR COLLEGE

AVON PARK, FLORIDA
Will be received by the Board of Trustees of South Florida Junior College, in the Board Conference Room at the South Florida Junior College, Avon Park, Florida, until 2:00 P.M., Wednesday, March 22, 1978.
Any bid received after 2:00 P.M., Local Time will not be considered. Modified proposals after this time will not be accepted. Oral, telephonic, or telegraphic bids will not be accepted.

Bids shall be submitted on proposal forms furnished by the Architect. A specimen form is bound in specifications.

Complete Contract Documents are on file and may be examined at the following:

1. Murphy, Hutton, Shivers & Brady, Architects, P.A.
1210 Edgewater Drive
Orlando, Florida 32804

2. Central Florida Builders' Exchange

The Adventures Of Marilyn Bennett

Marilyn, sitting in her parent's living room in Avon Park. Here she is shown holding an Ebony carving from Tanzania. The cloth she is wearing also comes from there.

Marilyn Bennett has experienced the adventures of our dream about while others are content to read about, and still others to write about.

Marilyn, a dedicated Seventh Day Adventist went to Saigon, as a missionary in 1968, while the Vietnam war was still very active. She has written a book entitled "Help! What Do I Do Now?" which gives an account of the adventures she has during this tragic period of time. And adventures she did have. Her first night in Saigon was broken by "the thundering crash of an explosion, the jets screaming in the darkness from nearby Ton Son Nhut Air Base and the staccato blast from machine guns not far away, then the monotonous 'chud-thud' of the outgoing artillery." This was a night that Marilyn would learn to tolerate through her two year tour of volunteer duty, as other missionaries in this land had, previous to her arrival.

Being in tough situations is not new to Marilyn as she spent her childhood years abroad. Her parents, Chaplain Harry and Ercel Bennett, of Walker Memorial Hospital, crossed the Atlantic Ocean in a small Portuguese vessel to work in the Belgian Congo, as missionaries, just before Marilyn celebrated her first birthday.

She grew up amid the remote mountains and jungles of the eastern Congo-Urundi. Her first African home was Rwankei Mission and later Ndora Mission.

Marilyn remembers a time when her father was very ill and her mother wanted to transport him to the Ngoma Mission Hospital which was a two day journey by truck. They had to travel through the Urundi forest and the rain fall was heavy at that time, making the jungle roads turn into a thick brown mud. The truck soon became stuck and Ercel had to leave Marilyn in the truck with her sick father while she and son Jody went to get help. It was such a frightening experience that Marilyn over the years had almost forgotten until that first horrifying night in Saigon.

Some of her friends gave her encouragement on her decision to go to Vietnam while others "deplored my utter stupidity of exposing myself to such danger," Marilyn said.

She soon became adjusted to her new

surroundings, if one can at a time such as this, and immediately started reorganizing the Saigon Adventist Hospital school of Nursing. A task that as a first year graduate of nursing didn't feel capable of handling, but she managed with help of the doctors that were there before she arrived. Marilyn amplified a three year curriculum for nurses in detail, developed courses, wrote guidelines, took over the nursing instruction, and generally managed the total scholastic program. There were no textbook library, no anatomical bodies and no teaching aides to help her, when she arrived.

She enlisted aid from the men at the nearby Air Base in painting and putting electricity in a two story barracks that the Navy Seabees had constructed. The soldiers paid for this was dinner, homemade pies and cakes. The top portion of the barracks would be used as a dormitory, downstairs would provide for a library, office and classrooms.

Miss Bennett has a grim look on her face as she checks over a soldier who has been returned from the battlefields.

One can't write about Vietnam without mentioning the many people whose lives were adversely affected, not only Americans but the Vietnamese as well. Marilyn stated that the hospital she worked for served only the civilian population, although medical help was available for both Vietnamese and American casualties. She remembers teaching students how to dress the chasm where a woman's shoulders had once been the result of a communist rocket when it zoomed into her house. There were torso's riddled with tiny black holes from Claymore mine explosions.

Europe, and South America. While in South America, she missed her bus and had to hitch hike across the Alps of Peru. She then returned to the United States.

Born in Orlando, Fla. Marilyn has really traveled, so far she has visited 84 countries in this world. She is a graduate of Loma Linda University of California, having a Master's Degree in Public Health with emphasis in Maternal Child Health. She is on the faculty of Loma Linda and teaching obstetrical nursing when she was asked by the university to

go to Dar es Salaam, Tanzania as a nurse advisory to a new project they had just begun. The United States Agency for International Development (USAID) had given Loma Linda the contract to help the Tanzania government develop a maternal child health program in its rural areas. The objective is to help train native nurses so that infant mortality rate may be reduced. Sister Mary, a catholic nun works with her and their project is involved in helping the Tanzanian government set up Maternal Health (MCH) programs throughout the nation. By 1981 the government hopes to have 2500 MCH clinics with 2,500 Maternal Child Health aides trained to operate one clinic in order to train the MCH aides who will be midwives and pediatric workers, which will do deliveries and keep up with the child's health until the age of five, the Tanzanian government has opened 18 MCH nursing schools, one in each region, which is similar to our states. Marilyn's job is to be an advisory to teachers of these 18 schools. She is one of 2 nurse-advisors who travels all round the country by jeep to help teachers and see that students receive the proper education. These trips she calls "safaris". Presently she is working on curriculum, setting up similar to our schools, and also on planning committees for planning the health care for the country of Tanzania and working with the World Health Organization and other organizations.

The roads in Africa are quite different from those here and many times the driver must cut across the country side. She has a driver for the jeep, but at times when he is busy she drives the automobile to the villages herself. Tanzania has large areas of gently rolling hills with flat lands which houses the game reserves that Americans travel to see. They still have tribes and each has different cultures. The language most commonly used with all the tribes is Swahili. Marilyn is taking lessons so that she can learn to communicate better with the people of this country. The Tanzanians are friendly people but America is not popular, therefore the American advisors try to stay in the background. They work with an "Tanzanian" who is a local person who can do help them. The government of Tanzania receives a lot of aid from the communist countries and leaders have a tendency to lean toward the communist way of life, so the Americans must be very careful of what they say, or they will be asked to leave the country.

The tribes are reported to be very receptive to medical aid. All 18 nursing schools are complete and functioning. They have 700 clinics opened and in April 1978, 1,000 native women will have completed their 18 months of training. Marilyn has had many interesting experiences in Africa as she travels over mountains to dry stony river beds below, fording river sometimes, and others slipping in thick mud up to the tires, arriving at her destination with bones thoroughly rattled and body covered with dirt. At times her safaris have taken her through the game parks. There she has seen lion's, zebras, monkeys giraffe, buffalo, various antelope, hyenas, hippopotami and rhino. On one occasion, as they traveled through the game reserve the jeep rounded a corner, starting two rhino soaking in the sun in a mud puddle just beside the road. The closest one charged their jeep-bee was traveling so fast — all 2 tons of him aimed at side of the jeep.

The window was down and Marilyn said that she knew that horn was going to go into it before she could get the window rolled up. The rhino was within a couple of inches of crashing with the vehicle, when the driver swerved, which threw the animal off his course. Saved by a fraction of an inch, she breathed a sigh of relief.

Marilyn had another narrow escape, when traveling the next day through heavy rains, they came upon a swift rising river. Another vehicle the same size as theirs passed them and splashed on through, so they decided to give it a try. The farther they got into the river, the higher the water came and the floor of the jeep became wet, but they made it through. As they were climbing the bank on the other side, a big truck loaded with people was stopped waiting for them to pass as the other vehicle went through the river, the current suddenly became so strong that it overturned the truck and 21 people perished in the incident. Only seconds before, Marilyn's vehicle had passed safely through. Another silent prayer was said.

The people of Tanzania diet consist of a lot of rice, corn meal, potatoes some meat although they are very expensive, and vegetables. Their clothing is cotton, brightly decorated and made in their factories. Marilyn mainly wears cotton dresses as it is against their belief for women to wear slacks. While in the bush country she does however wear slacks sometimes, but covers them with a large piece of cloth before arriving at the village.

Their house dwellings still remain to be mostly thatch huts, bamboo and mud. They do however, have brick homes and are gradually becoming more modern. In the cities they have brick homes and apartments.

More pictures on Marilyn's adventures in Tanzania were not readily available as it is against their law to take photo's outside the game reserve.

Her home life in Dar es Salaam is very exciting. She lives in a three bedroom two bath apartment, which is only a 10 minute walk from the palm-tree-lined beach and rolling Indian ocean. All the occupants of her building are Americans employed by the United States Agency for International Development. The building behind her, houses people all countries over the world. Hungarian, Bulgarian, Scandinavian, and South American to name a few. She is part of the diplomatic community so she gets to know and meet people from different lands. She has met the Russian ambassador's wife, knows the representatives in the American Embassy, had Thanksgiving Dinner with the American Ambassador and family. She is always involved with something interesting and does a lot of entertaining. "There is never a dull moment," said Marilyn.

While in African Marilyn visited Burundi and met the teacher that she had in her first, second and third grades, Miss Ruth Whightman, who is working at the mission office headquarters in Bujumbura, Burundi. Marilyn and Ruth took a vacation together and visited the places Marilyn had lived as a child. They

drove over the stony dirt roads back into isolated Ndora Mission where Marilyn lived from 2 to 8 years of age. She saw the old house the Bennetts lived in, met the servants who cared for her as a child, climbed the hills around the mission and sat under the trees. The people of the village gave Marilyn a stalk of bananas and corn meal with kasavas as gifts.

They wanted her to stay with them and open a clinic when they learned she was a nurse. Marilyn stated that the area is still very remote and has not developed any since the Bennetts lived there more than 50 years ago. She went on to say that since it is so isolated, she can now appreciate what her parents must have gone thru after having viewed the area through the eyes of an adult. "I respect my parents even more than ever after visiting these places," she said. She also stated that her life in Vietnam and the Africa of 1977, where she lives now, is luxurious in comparison to what her parents had. From Burundi, Ruth and Marilyn drove to Giteve Mission in Rwanda where Marilyn lived until 10 years old. She met their houseboy, cook and some other people that knew her parents.

The old house, slightly deteriorated, and the trees-the ones she loved to climb in childhood-and the mountain rocks, the hideaway-they are still there and just the same.

Marilyn has climbed to the lower base of Mt. Everest. She has been listed as one of the notable women of American, recently listed in Who's Who's in America. Her hobbies are cooking, entertaining, music, enjoys outdoor activities such as hiking, camping, skiing, swimming, and snow ski. She plays an Audio-Harp, piano and clarinet.

In her different activities and throughout her many adventures, Marilyn is considered at times to be half woman-and half girl as she looks upon each new day with excitement and anticipation of what is to come.

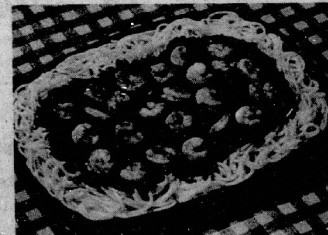

When she completes her tour of duty in Africa Marilyn plans to climb Mt. Kilimanjaro at 19,000 feet of it, and if time allows, climb Mt. Kenya and a volcano. She wants to travel around Africa and see the sites that in her course of duties she has not visited, then fly to Australia, tour the South Pacific, and then back to home to Avon Park to see her parents. She is very interested in public health and teaching and hopes to pursue this line of career.

Marilyn is a very talented and adventurous woman. When first meeting her she seemed to be too quiet and too small of frame person to do all the things that I had read about. But, the more I talked with this serene woman I felt the great inner strength that she has, which has helped carry her through the many trials and tribulations that she has crossed. It was a pleasure and honor to interview this lively woman.

SHRIMP MARINARA

Proper name for this herb-sparked sauce is "Marinara," suggesting the sea and sailors and all things nautical. But you don't have to be a sailor to love it—especially with shrimp. It's an easy sauce to make from scratch and worth it.

- 1 can (4 1/2 ounces) shrimp
- 1 cup chopped onion
- 1/3 cup olive oil
- 1 cup chopped celery
- 2 garlic cloves, chopped
- 2 cans (14 ounces each) tomatoes
- 2 teaspoons sugar
- 1 teaspoon sweet basil
- 1 teaspoon oregano
- 1 bay leaf
- 1 can (2 ounces) anchovy fillets, chopped

Drain shrimp, reserving liquid. Add water to liquid to make 1 cup. In a saucepan saute onion in oil 5 minutes; add celery and garlic and saute another 5 minutes. Add tomatoes (solid pieces chopped), sugar, basil, oregano, and anchovy. Simmer uncovered 35 minutes or until sauce is thick. Add shrimp and anchovy; heat. Serve over spaghetti generously sprinkled with cheese. Makes 4 servings.

On The Consumers Side

QUESTION: What exactly is a credit bureau?

ANSWER: A credit bureau is a business organization in your town which compiles credit files on local residents. Upon request and for a fee, information from the files is released to businesses for the purpose of determining your credit rating.

The information in the files includes such things as your name, address, employment, social security number, birthday, dependents, previous employment, past credit history and public information including arrest, divorce and marriage records. The information in your credit file will be disclosed to businesses under strict provisions. It will be released to firms who wish to grant you credit, collect a debt, employ you or underwrite insurance on you.

The information in your credit

file is often what makes a company decide whether or not to grant you credit. If in the past you have not made loan payments on time, you may find yourself unable to secure a loan or get a credit card from any business.

QUESTION: Residents in our area are receiving a large number of requests for contributions from charitable organizations. Do you have any suggestions on how we might choose those who are doing the most good with the money we give?

ANSWER: Determining the charities to whom you will contribute is strictly a personal decision. However, there are several rules you may use to guide you in your choice.

First, ask the person contacting you for the charity's financial statement. This should give you a good idea of how much revenue the charity takes in and how the money

is spent. A charity spending a large portion of income on advertising than on the cause it supports may be suspicious. Ask, too, if those who collect funds are paid professionals or unpaid volunteers. Ask for the solicitor's official identification from the charity. And, ask for a list of the charity's board members.

A nationally known charity probably will be able to supply you with the above information. On the local level, you may encounter many civic associations soliciting for worthwhile purposes but unable to furnish you with written information. You must use your discretion in this area.

In Florida all charities who wish to solicit must register with the Office of the Secretary of State. The registration form indicates the charity's purpose, if paid or unpaid representatives solicit funds and the names and addresses of the board of

officers. Registered charities must also furnish a financial statement.

The only exception to the registration rule is charities who solicit for religious purposes. They are not required to register or submit a financial statement although some do on a voluntary basis.

You can determine if a charity has registered to solicit in your state by contacting the Division of Licensing, Office of the Secretary of State, The Capitol, Tallahassee, Florida 32304.

You should remember, however, a registered charity is not approved by the state, but is licensed by the state to solicit. You should be extremely careful in determining the charities to which you wish to contribute. Always avoid high pressure tactics to give.

Free Tax Aid Offered By A.A.R.P.

Free tax aid offered by A.A.R.P., sponsored by Chapter 222 of Highlands County, this service is being carried on at City Hall, next to the Courthouse, So. Commerce Street, in Sebring.

This is a reminder to the elderly community of Avon Park, Lake Placid, and Sebring, that this year the Internal Revenue Service is offering a number of breaks in filing their income tax returns.

According to Ventura Gonzalez, tax aide co-ordinator for this County, during the month of February a great number of the senior citizens took advantage of these breaks by consulting the tax-aide counselors at the above address.

Don't wait until the last minute rush if you need help with your tax returns. The new hours are from 1 p.m. to 4 p.m., Tuesdays and Thursdays only.

group singing and an original poem by George Davis entitled "Winter Guest Club."

On Sunday afternoon, Feb. 19, the annual memorial service was held at the club house. About seventy five members attended to pay respect to the twenty one members who passed away during the past year.

Lloyd Wyant, chairman, presented the following participants. Appropriate hymns by the shuffleaires, Readings by Lorena Wyant and Audrie Cleland, vocal numbers by Justine Devilen and her

daughter Michel with music provided by their guitars. The message was given by retired minister Rev. George McDonald of Seal Harbor, Maine.

Thursday evening, Feb. 23 was another of the special events under the chairmanship of Lloyd Wyant. This one was a game night when members came to play any card game of their choice. About seventy were in attendance and everyone enjoyed the evening. Prizes of baskets of fresh strawberries were awarded to the first and second place winners at each table.

Avon Mobile Home Park

Ruth E. Robison Friends visiting Mr. and Mrs. Warren Couter on Monday, Feb. 20, were Mr. and Mrs. A. Linwood Barr from Boca Raton, and Mr. and Mrs. Luther Cressman, from Lansdale, Pa., home town of the Couters.

The Barrs returned to Boca Raton Monday night, but the Cressmans visited with the Couters until Saturday, Feb. 25. A busy week was spent visiting Highlands Hammock State Park, Syress Gardens, Citrus World and Masterpiece Gardens. They also spent a short time visiting Mr. and Mrs. Bowers, wintering in Frostproof. The Bowers live in the north in Lansdale, Pa.

Mr. and Mrs. Styrl M. Mishey accompanied Mr. and Mrs. Albert Dauch of Ashland, Ohio on Sunday Feb. 19, to the Red Carpet Inn in Sarasota. There they joined with 178 other retirees of Nationwide Ins. Co., Farm Bureau Federation and landmark, Inc. Mr. and Mrs. Albert Dauch winter in Lake Wales, also. They all enjoyed a bounteous dinner, a short program and visiting with friends and associates of the many years. Sheryl Mishey was licenced with Farm Bureau Ins. Co. in 1926; it was in 1955 when the company became Nationwide Insurance. Mr. Dauch was his supervisor at the time of his retirement in 1963.

David Helt of Rochester, Ind., spent last week with his grandparents Mr. and Mrs. Ralph Helt, Mr. and Mrs. Virgil Herring from Muncie,

Ind., were Wednesday guests. Mr. and Mrs. Roy Girten were in St. Pete on Wednesday and visited Mrs. Girten's sister and husband. They had lunch at the Pelican Restaurant on Clearwater Beach.

Mr. and Mrs. Jesse Futrell are returning to Chicago this week and were dinner guests of Mr. and Mrs. Roy Girten, Sunday.

The Misheys has a pleasant surprise on Thursday evening, when neighbors from Belleville, Ohio, Mr. and Mrs. Jake Frederick, arrived in their Sightseer for a short visit and with pictures and reports on the deep snow in Belleville; Mr. Fredericks parents, Mr. and Mrs. John Frederick and Mr. and Mrs. Richard Skolaski of Townsend, Wis., were Tuesday evening guests of Mr. and Mrs. Joseph Bacon. They were also breakfast guests of the Baxons. The Fredericks are from Mentor, Ind., and Skolaskis are from Crestwood, Ill., but both are summer residents of Townsend.

Mr. and Mrs. Duane Larrow of Sullivan, Ill., visited with their parents, Mr. and Mrs. Kellie Larrow, this week and a game of shuffle from John and Kellie.

Mr. and Mrs. Lloyd Lofland spent the first of last week in St. Petersburg visiting her sister at the Bayfront Medical Center Hospital. She had suffered a broken hip and had surgery on Tuesday, Mrs. Evelyn Smith, Letha's sister-in-law accompanied them.

Mrs. Paul Benson and Mrs. Margaret Westover from Sioux Narrows, Ontario, Canada accompanied by Mrs. Grace Warner were visitors to the home of Lawrence and Ruth Robinson. Mr. and Mrs. Julius Converse also visited with us this week, from Fedhaven.

Mr. and Mrs. A. E. Adams visited Mr. and Mrs. Robert Olt at Fort Myers Beach and went fishing as well as visiting with other Culver friends.

Mr. and Mrs. Sponsler Linbaugh had as their guests recently two daughters and their families, Mr. and Mrs. Lee Goethchens and daughter Susan from Syracuse, N. Y. Mr. and Mrs. James Allen and daughters, Marni and Kristin from Hartford, Conn.

Mr. and Mrs. Howard Smith spent the week end visiting old friends in Bradenton, Mr. and Mrs. Alex Ore of South Bend, Ind., cousin, spent Monday and Tuesday with Mr. and Mrs. Robert Lowry. Mrs. Helen Smith has a visitor and guest from Urbana, Ohio, Donna Lander and they are spending several days at Sanibel Island. Mr. and Mrs. Reginald Thayer from Newington, Conn. Mr. and Mrs. Henry Moon of Hampton, Conn. are visiting Mr. and Mrs. Earl Baxter and Verna Fero.

There were 82 attended the Saturday night "Sing" when they enjoyed the Winter Guest Club "Shuffleaires" singing followed by volunteers from the audience were asked to take part in the fun part of the program. A reward was given to each consisting of a bag of fruit.

A meeting was held in the Recreation Hall on Monday A. M. following the Coffee Hour where a President of the Federation of Mobile Home Owners, Mr. Lloyd Bridge was elected and Secretary, Mrs. Catherine Baker, who has held this office for many years. A sincere "Thank you" is extended to both officers for accepting this appointment. Mrs. Baker will also act as Treasurer. Consult her for applications to join the Federation of Mobile Home Park Owners.
