## Bombing Range Commander

# To Drive In Friday's Sebring IMSA Race

Flying an F-4C at Mach 2.2 or about 1800 miles per hour (mph) at 37,000 feet back in 1967, Lt. Col. Donald A. Griffing, commanding officer of the Avon Park Bombing and Gummy Range didn't

expect to be looking forward to driving a BMW 2002 ti, Friday afternoon in the IMSA Radial Challenge Series Race at the Sebring Airport in Sebring, Fla.

The BMW with a Lotus racing engine

has a top speed of about 135 mph on the straight-aways. On the 5.2 mile Sebring road-airport circuit it will average 85-90 mph. Last year's winner of the three hour race averaged 89+ mph with one pit stop.

Why would a 1600 mph speedster be interested in an 85-90 mph race? To Don Griffing it's the challenge of obtaining the best possible performance of engine, car and driver and finish the race.

It was a type of challenge that brought the Base Commander into auto racing. As he and his future son-in-law, Bob Dumont of Dumont Construction, Sebring, were looking at Don's BMW car, Bob asked, "Do you know anyone that can tune a Lotus racing engine?" "Yeah, me," came the prompt reply from Don.

If we, (Bob and Dr. Jim Kendrick, Sebring ophthalmologist), bought one would you tune it?" continued Bob. Consequently, Bob and Jim bought a BMW with a Lotus Cosworth rebuilt engine,

starting Don Griffing on an auto racing hobby, about four and a half years ago. Bob went through the Sports Car Club of America (SCCA) drivers course and obtained his racing drivers license, followed by Jim and Don.

As the Duke Racing team they ran their first Sebring IMSA race in 1974 with Bob and Jim co-driving and Don as mechanic. In the 1977 race Don and Jim drove with Don driving the last half of the race.

At the halfway point of the three hour race they had run 24 laps and were one lap behind the leader. During the pit stop the car was refueled and Don took over the driving. With about 100 laps remaining time left in going around one of the

curves, the right rear wheel hit a bump dislodging the coil spring from its seat and causing the axle and wheel causing some driving trouble.

As the end of the race became closer, the suspense being to build up for Don Griffing with the thought running through his mind, "Don't mess up now, you got to finish the race." And finish the race he did in the money two laps behind the winner.

During the past year Jim and Bob have raced at Daytona Beach, the Mid-America races in Missouri, Talladega, Ala., and Atlanta, Ga. At the Savannah,

## Local Men Race Against Time For Qualification

It was a race against time as Neil Potter, Sebring and Bill Boyer, Avon Park struggled to get Potter's 1970 Mustang ready for the 12 Hours of Sebring — with the matter of running still unsettled with an untried and untested replacement engine.

The race against time for Bill and Neil began a little over a week ago when they discovered that the 600 horsepower 429 Boss engine had a faulty main bearing cap. They finally located a 500 hp 429 Cobra-Jet engine in a 1970-71 Mustang police cruiser in Moore Haven.

In pulling the engine, bringing it to Avon Park, they had hoped to be able to use parts in rebuilding the higher horsepower engine, but they were not able to.

Late Tuesday afternoon with the help of Denny Sides, of Sides Auto Parts and Craig Fout, of Chucks Car Mart who located parts and pieces, they were able to get the Cobra-Jet engine together and in the car. But they still have an untried and untested engine with which they hope to qualify for the Sebring race.

Last year the were turning laps of 3:20 and 3:19 (minutes and seconds) on the 5.2 mile Sebring road and airport runway circuit. Bill expected that if they could turn laps in the low teens they would be able to qualify to make the race.

In the 12 hour race they had made 10 or 12 pit stops to change drivers and refuel, however, they had lost between one and one and a half hours of racing time in trying to correct carburetor troubles that were causing the engine to run hot on the straight-aways.

They finished 32nd, completing between 135 and 150 laps while the winner completed over 300 laps.

This year Bill stated they did not expect to have the over-heating problems as the carburetor had been changed however, the standard fuel for the race this year will be high test gasoline in place of the racing fuel mixes that the drivers used last year. Bill didn't know just how this would cause their engine to

perform.

For Bill Boyer, this is his third year driving in the 12 Hours of Sebring and Neil Potter's seventh year. Their sponsors this year are: Dr. William A. Jernigan, Sebring; J. C. Penney Company, Avon Park; Avon Auto Parts, Avon Park and an anonymous sponsor.

The Potter-Boyer drivers will be

racing on a tight budget because of the engine change and alterations. However, they expect their pit crew to include helpers from last year: Bill and George White, Bill Agee and Dr. Jernigan's son. In case they qualify for the 12 Hours of Sebring, race fans can look for their orange and black Mustang with a big number 39 flashing by on the track.

## Area Group Formed To Purchase Pinecrest

Elected by the present members of Pinecrest Country Club, a committee of Robert Barben, chairman; Barbara Schaefer, Helen Griffith, Lawrence Hatchett, Charles H. Smith, Joe Papp and Carl Utz are negotiating for the purchase of the Pinecrest Golf Course. The 11 owners of the Pinecrest buildings and golf course, according to reports, had disagreed as to what they wanted to do with the property, thus half agreed to take the buildings, while the remaining group took the golf course, deciding to sell it.

According to Bob Barben, the present owners of the golf course property agreed to sell the course to local people,

providing they can come up with the purchase price. The committee is actively engaged in searching for local people who are willing to invest \$1000 per share of stock in the purchase of the Pinecrest Golf course.

The members of the Pinecrest Country Club also instructed the committee that the purpose of purchasing the golf course was for the benefit of local members to be run by local members. However, they did not necessarily limit the sale of stock to only local people.

"The response has been good," Barben reported, "with over half of the required number of shares of stock sold." A big drawing card in the sale of stock is that the property will be made into a private course run by the members.

Pinecrest was built as a deluxe winter resort in the 1920's and had been operated as such. The championship 18 hole golf course has been the site of many tournaments, one of the latest being the Haig and Haig mixed foursome tournaments in the late '50s or early '60s.

Barben recalled that such golf notables as Julius Boros, Mickey Wright, Mason Rudolph, Tommy Bolt and Slamming Sammy Snead, along with others had played the Pinecrest course. He also told of meeting people from Washington and other northern cities who after playing on the course had paused long enough to take pictures of the uniquely styled and picturesque Pinecrest Hotel.

The purchase of the golf course would include the course equipment, driving range, a house off the No. 3 green, equipment shed and about 120 acres of land in the course.

Eventually the members might like to have a new club house, if they can purchase the property. At the present time it is undecided as to whether they can rejuvenate the old club house building off the No. 6 green, on Lake Lettu or continue using their present location in the Pinecrest Hotel building. They hope to be able to make the final steps for purchase of the golf course by May 1.

## Pickup Truck Catches Fire

Monday at 9 a.m., the Avon Park Fire Dept. received an anonymous call reporting that a 1973 Ford pickup had caught on fire at the corner of N. Lake Avenue and Pleasant Street.

A mini-pumper was sent to the scene, but according to a fire department employee, the fire had already been extinguished when the pumper arrived.

The employee also stated that burning gasoline which had spilled out of the carburetor of the pickup owned by Steve Maxwell had caused the fire.

## Police-Firemen Have Busy Month

While people were busy completing a list of loved ones and close friends to whom they planned to send that very special Valentine, members of the Avon Park Police and Fire Department also were busy, but in a much more concerted manner!

During February, the Avon Park

Police Department vehicles were driven 18,323 miles responding to a total of 44 traffic violations and 35 miscellaneous incidents, which included 2 strong arm robberies, 3 cases of criminal mischief, and one instance of resisting arrest with violence.

Total complaints answered and processed by the Police Department during "Valentine" month numbered 1,232 and for the same period, officers fed 506 meals to incarcerated individuals.

## Sue Sues On Alleged False Arrest Charges

According to the office of Anthony J. Accorsi, Attorney, Johnnie Sue Hood, also known as Johnnie Brown Hood, has filed a suit against the City of Avon Park

for damages exceeding \$5,000, as a result of her alleged false arrest on Nov. 23 of last year, following a fire at the Hood residence.

Count one of the two-count suit charges two officers of the Avon Park Police Department with false arrest and the use of excessive force in the process.

The suit also charges the police department with false detention prior to the no billing of the charges against Hood as a result of a lack of evidence.

The suit claims that as a result of the false arrest, Hood was caused to suffer great humiliation and embarrassment and incurred physical injury. She was also caused to incur expenses for attorney's fees to defend her against the charge brought as a result of the false arrest.

The second count of the suit charges the police department with illegally detaining Hood by holding her in a police vehicle without questioning or allowing her to consult with anyone and incarcerating her in the jail for approximately eight hours.

Also, in count two, count one is re-alleged.

As of Monday, neither City Clerk Malcolm Crews, Police Chief Robert Brooks, nor Mayor Marshall Davis said they had seen the suit filed again the City of Avon Park in the State Circuit Court in Highlands County.

Concerning the charges brought against the City of Avon Park, Chief Brooks said he was sure the policemen were acting within the law in arresting and holding Hood.

## Grandfather Goof Causes Teal Tiff

A somewhat irate citizen appeared before members of the City Council in reference to an incident which reportedly occurred at his home at 833 South Todd Ave., on March 8, 1978.

According to John Teal, he had purchased that property in 1977 and had rented an upstairs apartment in the area which is zoned I-A, where no rental apartments are authorized. Teal said that after having appeared before the Zoning Board of Adjustment, he was advised that his apartments had been "grandfathered" in and that he could therefore use them as guest quarters, but not as rental units.

Following a number of complaints about the property, Teal said that Building Official, C.W. Ellerbe appeared at the Todd Ave., address last Wednesday accompanied by two police officers. Ellerbe reportedly asked to talk to the two occupants of the apartment, but in Teal's absence, Mrs. Teal allegedly refused Ellerbe permission to speak with

them. Ultimately, Teal noted that a third police vehicle made an appearance at his residence and that he did not feel that Ellerbe had the right to inspect his private property.

City Attorney Hancock informed Teal that Ellerbe did have that right, in view of the fact that a number of complaints had been received. Hancock added that Ellerbe had consulted with him, and that he (Hancock) had suggested that perhaps Ellerbe should be accompanied by a police officer. Unaware of how best to handle the situation, the officer had requested his Sergeant, who in turn, had called for his Captain. Teal's irate condition appeared to stem from the fact that three police vehicles were observed in front of his residence. Although he did acknowledge that the officers had conducted themselves in an orderly manner.

In conclusion, Councilman Barfield reported the Teal case has been turned over to the State Attorney for further disposition.

By Joel Wright  
A welcome addition to the Avon Park High School this year is teacher's aide Henry Chandler.

Besides being a supervisor in the lunchroom from 11:45, Chandler is a teacher's aide in five classes at Avon Park High. Being an ex-semi-pro basketball player, his favorite hobbies are sports. He played center and forward for a team in Savannah, Ga., and he also played defensive end and tackle for the Binghamton Jets, a New York football team. He especially enjoys bowling and listening to music.

Chandler was born here in Avon Park and then went to Syracuse, N. Y. where he graduated from Central Tech High School. Then he went to Savannah, Ga. where he majored in criminal justice at Savannah State College. Later he joined the army and worked as a lineman and switchboard operator.

Despite his size, 6'6 1/2", 276 lbs., Chandler has a gentle character and enjoys helping students. He keeps an open mind, and he likes to help students with their problems.

This weeks featured senior David Williams is the highly talented, highly spirited guard for Avon Park's "Cardiac Kids", as they have been called lately.

David's favorite outside activities include dining out, meeting people, watching basketball on television and of course, shooting basketball. He also enjoys listening to jazz music and his favorite jazz musicians are Ronnie Laws and George Benson.

Born in Avon Park, David is the son of Mr. and Mrs. James Williams. His father doesn't usually watch basketball, but he made the trip to Lakeland Friday which David claims made him play better. "I really felt a lot more confident in my shots when my father was in the stands," David said. "I also played tighter defense."

After high school David wants to attend some junior

college, but he's not sure which one. He hopes that his basketball playing ability will increase his chances of attending Jr. College. After receiving his training in Jr. College, he plans to join the Air Force and later become an accountant.

In his comments on the state tournament David said, "Going into half time of the Cross City game I know the Devil's weren't out of the battle. I felt someone on the team was going to have to spark the team up. We went in the locker room at half time and planned our strategy and come out fighting. We came out in the second half and started playing Avon Park basketball. Everybody just pulled his own weight."

"But against Havana we had to play a running basketball game all the way through. We fought as hard as we could but a couple of bad breaks ended the season for us. I'd like to thank the fans for supporting us and for helping us make Avon Park known to the public."

## VI's Students Win Decorating Contest

After school last Thursday and before school last Friday morning students at Avon Park High School were busy decorating the doors of their homerooms in preparing for the state basketball tournament at the Lakeland Civic Center.

With Friday designated as Red and White Day, the door decorating was sponsored by the Cheerleaders to build school spirit for the Avon Park basketball game with Cross

City High School Friday afternoon. First place in the decorating was taken by Violet Moseley's home room students. Second place went to Brian Howard's ninth grade home students, while Jean Lund's homeroom

students captured third place honors.

The winners were awarded refreshments during the second period which has been designated as home room period.

## Rebekah Lodge Met March 6

Eleanor Seaverns Rebekah Lodge No. 65 met at the Lion's Club Hall on March 6 with Noble Grand Nancy Shay presiding. Preceding the meeting a delicious Roast Beef Dinner was served.

The Noble Grand presented a very interesting program on Saint Patrick and then the members added to it and told of their experiences in winters up north. Visitors were welcome from New York state, and

Sebring, and two new sisters signed the members register. Noble Grand Nancy's thoughts for the day was "A good thing to remember, and a better thing to do, is to work with the Construction Gang, and not with the Wrecking Crew."

Refreshments were served by Lillian Seeger. The next meeting will be held on March 20, at 8 p.m. at the Lions Club Hall.

Girl Scout Troop 49

## Scouts Celebrate 66th Anniversary

The week of March 12-18, Girl Scouts throughout the United States are celebrating the 66th Anniversary of its founding on March 12, 1912 by Juliette Low.

The Girl Scouts in Avon Park will join in this celebration by having a banquet on Friday, Mar. 17, at 7 p.m. at the National Guard Armory. Every Brownie and Girl Scout

and their family is urged to attend. Each family is to bring a covered dish and their own table service.

The troops have made table decorations, costumes, skits and dances from some country in which Girls Scouts are active today. A representative of each troop will present the troop's Juliette Low Fund money. This money is used to

start troops throughout the world, and to send U. S. Girl Scouts to other countries.

An awards ceremony will also be on the program.

Avon Park has three Brownie troops and three Junior troops. These troops have been very active this year with camping activities,

participating in the Garden Club Flower Show, and taking birthday visits to Hillcrest Nursing Home.

It is hoped that now and throughout 1978, the citizens of this community will give Girl Scouts their support and cooperation so that more and more girls and the community may enjoy its benefits.

### Hibiscus Circle

## Garden Club Met At Tiger Creek

The Hibiscus Garden Circle was in for quite a change of pace on Thursday, Mar. 9. Instead of their usual monthly meeting, the circle went on a field trip to Tiger Creek, a welcome change to all who were fortunate enough to make the trip. Cameras, binoculars and lunches packed for the trip.

Dr. Kenneth Harrison, director of Mountain Lake Sanctuary as well as Tiger Creek Preserve, met the small car caravan at the inspection station and led the way in to a clearing in the wooded area. Here the group was greeted, briefed on safety along the marked footpath, respect for all living things and a few

pointers on how to better appreciate the natural wonders of the area now to be entered. Hazelnut canes, made by Dr. Morrison's son, from North Carolina laurel wood, crooked yet strong, quite smooth and splinter free, were offered to the hikers.

There was a question and answer session, pictures both posed and natural were taken, and some used their binoculars to view rare birds in the area.

The trail followed the upper rim of the creek's south bank, and signs of spring were just beginning to make themselves apparent. The participants saw curious resurrection fern, cinnamon fern, large

palmettos and a dainty yellow flowering vine.

Dr. Morrison, who conducted the tour is a biologist, ornithologist, and conservationist. He shared his knowledge and experiences with nature as well as sharing many human interest stories with the gathering.

At the Community Church Hall of Babson Park a glorified picnic lunch was shared, ranging from baked beans, potato salad, chicken salad, meat loaf, relishes and two homemade cakes.

The business meeting followed, and the Circle evaluated several of the recent projects and made plans for future ones. There was an enthusiastic discussion concerning the possibility of "building our own garden center." The support was unanimous, all realizing that leadership, financial assistance, vision and an awareness of the time element were factors to be dealt with.

Those enjoying the day were, Mildred Myers, Fuschia Anderson, Sybil Laye, Bessie Decker, Laura Neubauer, Imogene Kelsey, Grace Boney, Vera Davis, Marjorie Carlton, Jamie Sawyer, Helen Ginn, Exie Caffee, Anne Wilhite and Mabel Sutton, a guest.

Mr. and Mrs. Leopold Alanzo McLane, of Wauchula, announce the birth of a daughter, LaTorya Shallette, born at Walker Memorial Hospital on March 8, weighing 8 lbs.

## National Needlework Contest

People of all ages who knit, crochet or embroider, are eligible to enter the 1978 National Grange Needlework Contest. Cash prizes will be awarded on the state and national levels in four classifications including crafts.

Mrs. Lloyd Wyant of Avon Park, women's activities chairman of Avon Park Grange, said copies of the contest rules are now available. Entries must have been made between Sept. 1, 1978 and Aug. 31.

Mrs. Wyant stated this is the largest needlework contest in the country and attracts thousands of men, women and children each year. The contest is co-sponsored by Coats & Clark, Inc.

Additional information may be obtained by contacting Wyant or any Avon Park Grange member.

### Townsend-Fogle

## Engagement Revealed

Mr. and Mrs. Frank Townsend of Avon Park are proud to announce the engagement of their daughter, Mattie Lee, to Malachi Fogle, son of Mr. and Mrs. Collis Fogle, also of Avon Park.

A May 13 wedding is being planned, and to be held at the Church of God by Faith, in Jacksonville. Elder Mathews is scheduled to perform the ceremony.

The bride-elect is a senior at Avon Park High School and the bridegroom is a 1974 graduate of Avon Park High School, has two years mechanic schooling at South Florida Junior College and is presently employed as leadman at Wellcraft Marine.

If you have a friend or loved one who is celebrating a birthday soon, please call us so that we may add their name to our birthday list.

Miss Gail Burns became the bride of Robert Merle Williams on February 18, at 5 p.m., at the Central Avenue Baptist Church of Lake Wales.

The bride is the daughter of Mrs. Evelyn Burns and the late Charles Burns.

The bridegroom is the son of Mr. and Mrs. Darvie Arceman of Lake Wales.

The Rev. Ed Bryant officiated the double ring ceremony and the wedding music was presented by Mrs. Mary Bolder.

The couple said their wedding vows before a background of lighted candles, and two large baskets of spring flowers centered with a white kneeling bench.

The bride wore a gown of organza with the bodice

featuring a high neckline of chantilly lace, sheer ling bishop sleeves and her veil was held in place by a bead-piece of sheer ruffles, lace and seed pearls.

Vickie DeWitt was the maid of honor and bridesmaids were Susan Swindall, Lynne Curry, and Mary Shirley of Avon Park. They wore gowns of light blue and carried bouquets of mixed spring flowers.

Ralph Williams of Camp Pendleton, Calif., served his brother-in-law as best man. Ushers were Robert Burns and Matthew Burns, brothers of the bride, and Arthur Balliet.

Jennifer Arceman, daughter of Mr. and Mrs. Mike Arceman, acted as flower girl and Bryan Stanley William of

Haines City was the ring bearer.

A reception was held immediately following the ceremony at the Black Forest Restaurant in Lake Wales.

After their wedding trip to North Carolina, to snow ski, the couple will make their residence at College Park in Lake Wales.

Gail is a 1975 graduate of Avon Park High School, attended South Florida Junior College, and is presently employed as a secretary at Morris Adams Oil Company.

Robert is a 1973 graduate of Lake Wales High School and is employed as assistant manager of Eckerd Drugs of Sebring.

Elaine Batts

## Couple Announce Engagement

Mrs. Betty Batts announces the engagement of her daughter, Elaine to Edgar John Jimenez, son of Mr. and Mrs. Angel Jimenez of Avon Park.

The bride-elect is a 1974 graduate of Georgia Cumberland Academy. She is now attending Southern Missionary College and upon graduation in May will receive her A. S. Degree in Medical Office Administration.

Edgar is a 1974 graduate of Forest Lake Academy of Orlando. He is currently attending Southern Missionary College and in May, upon graduation, will receive his B. A. Degree in Chemistry. He plans to attend the University of South Florida School of Medicine in July.

The couple is planning a May 20 wedding day, which will be held at the Seventh Day Adventist Church of Marietta, Ga.

### Susan Martin

## To Receive BA Degree

Susan Gay Martin is scheduled to receive her bachelors degree in Elementary Education on March 17. Winter Quarter graduates will be addressed by Dr. Pope Duncan, President of Stetson University. In ceremonies beginning at 1 p.m. in F.T. U.'s education complex gymnasium. Susan is among more than 400 students that will be awarded a master's or bachelors degree at this time.

## Celebrate Birthdays

AG and Allie, son and daughter of Mr. and Mrs. Al Yarbrough Jr., celebrated their birthday together, Saturday, Feb. 25.

AG's birthday, Feb. 24 was his 5th, and Feb. 25 was Allie's first. Their birthday's were celebrated with the theme of Fred Flintstone.

Two separate cakes were made for the celebration. AG's cake was a big Fred Flintstone for all his friends to eat, and Allie had her very own bunny rabbit cake.

Twenty friends of both children helped celebrate the festivities of the day, with the opening of gifts being the highlight of the afternoon.

AG and Allie's grandmother Gayle Garbett, of Miami, came up for the week-end for the joyous occasion. Mr. and Mrs. Al Yarbrough Sr., of Avon Park, the children's maternal grandparents, were also present.

## Sewing Tips For The Modern Homemaker

By Dorothy

A very important part of your sewing will be the interfacing. This is a much misunderstood part of the process and sometimes improperly used.

The interfacing is applied to the garment to give it shape, body and support. As a rule, interfacings are used on

collars, cuffs, hems, lapels, pocket flaps and even on button areas where body is needed to prevent the tearing of the fabric.

The big question is: How do I know which type of interfacing to use? The first thing to consider is the type of fabric you will working with. A

lightweight fabric requires a lightweight interfacing and so on until the heavy knits, woolsens, etc., and the heavy interfacings.

Fusible or iron-on types of interfacings are made with heat-sensitive adhesive on one side of the fabric. They are available in woven and non-woven types and in stretch or no-stretch, and in weights from very light to a heavy suit weight. Sound confusing? It really isn't that bad.

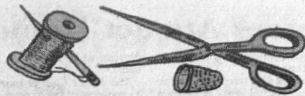

The trick is to choose an interfacing that matches the weight of your fabric. Next, consider the weave of your fabric and the exact function the interfacing will be performing.

The stretch variety is so adaptable because it stretches just one way of the fabric. Therefore, cut the collar interfacing so that the stretch will allow the collar to roll nicely around the neck. Then for the cuffs or facings cut the interfacing with the non-stretch to give a firm, strong body. There is no need to buy two kinds of interfacing when one will work two ways.

These fusible interfacings are cut the full size of the pattern piece and stitched into the seam. Trim close to seam stitching. Woven interfacings are also available in the wide range of weights.

Since the woven fabrics are making a come-back, the woven interfacings are more in demand. Try this: When making a blouse or shirt that has a yoke, use a light weight woven interfacing on the yoke for a professional look. It does feel good, too.

Pockets will tend to sag on light weight fabrics, so use a light weight interfacing (preferably the fusible type) on the inside of the pocket. This is another way to improve the appearance of your finished garment.

The board of Services Over Sixty was incorporated July, 1975 when a group of concerned citizens from throughout the

county formed the non-profit corporation. Their goal was to provide services to the elderly of Highlands County helping them to remain independent in their homes and avoid unnecessary early into institutions.

To help achieve this goal S.O.S. contracted with Florida Health and Rehabilitative Services, Division of Aging for Title XX Funds of the Social Security Act to provide elderly services.

Called HOPE of Highlands County it began operation Dec. 1, 1975. Realizing the great need for these services, the Highlands County Commissioners provided the necessary local matching funds. Title XX funds are paid in arrears after bills are submitted to the state.

Realizing \$10,000 was needed for operating expense, committed members of the S. O. S. Board secured a bank loan with personal signatures. Contributions from the city governments of Avon Park and Lake Placid, churches, service organizations, individuals, and fund raising events have reduced this debt to \$2,000.

With the HOPE project firmly established S.O.S. turned its attention to the needs of the elderly who were not housebound. May 1, 1977 they again contracted with the Florida HRS Division of Aging for Title VII Funds of the Older American Act to provide a congregational meals project called The Highlands County Nutrition Program.

In less than a year four central sites were opened in Avon Park, Lake Placid, and Sebring, providing over a hundred hot nutritious meals a day, fellowship, and supportive services, this project has greatly benefited many elderly citizens.

To sponsor this project, S. O. S. was committed to raise \$5,000 local matching funds for the contract year. Again this has been accomplished with community help. Soon the Nutrition Program will begin its second contract and matching funds are actively being sought to continue this vitally needed project.

These programs not only benefit the elderly of our county but aid its economy. The two programs employ forty five people and bring

back into Highlands County over two hundred thousand dollars to be locally administered and spent.

Current officers of S. O. S. are Joseph Oliveri president, Altha Satterwhite, vice-president, Earl Seese, treasurer and Winifred Roper secretary. Board members from Avon Park include Mayor Marshall Davis, Councilmen Kelly Phillips, Claude Chamberlain, Rockwell Carrier, and Joyce Oliveri.

The board meets the second Wednesday of each month for a 8 a.m. Dutch treat breakfast. Each month's meeting site is rotated throughout the county. The next board meeting is April 12, 8 a.m. at the First Christian Church in Sebring. The board welcomes guests and invites those interested to attend. Call 452-2718 for further information.

## Family Crusade Featured By Church Of God

Barb and Buck Dockery will be presenting a Family Crusade at the Church of God, 105 N. Florida Avenue, Avon Park, This scheduled Revival begins Wednesday, Mar. 15 and continues through Sunday, Mar. 19.

Barb and Buck are dedicated to minister the Word of God with various means of Puppets, Bible Stories, Chalk Talks, Singing, and Preaching.

Each presentation is based on a basic Bible "theme" such as Salvation, Witnessing, Fighting Sin, Missions, Rap-ture, and other such themes.

The presentation will be using songs and choruses. Then they will proceed to the puppet program. The theme is expounded by way of resolving a conflict or question within the puppet gang. Through the course of several presentations, one character is evangelized and won to the Lord. This particular conversion will take place on the last night before the revival closes. The name of the character is FECKLES. He typifies all children who need the Lord. The rest of the Good News Gang work together to win him during the revival.

Following the puppet program an interesting bible story on large graph paper is presented on a large plywood Bible.

The ultimate goal of the Crusade is to help boys and girls, Moms and Dads see the need to commit their lives to Jesus Christ for a better life. Pastor Paul Searcy extends a special invitation to all in the community to come and participate with your family. This could help every church in our community. The services will begin at 7:30 each evening, at 11 o'clock Sunday morning and 7 p.m. Sunday evening.

## Organ Concert

Keyboard Korner Organ Klub will sponsor its first organ concert Sunday, at 3 p.m. at the Sebring Civic Center. The Center is located behind the public library. The concert will feature Tom Hoehn, organist at The Christ The King Church in Tampa.

Tickets are available at Keyboard Korner, Lakeview Plaza, Sebring or at the door. Advanced tickets are also available from club members. Admission is \$1. For further information call 382-3204.

ASSEMBLY SUPERVISOR, VERNON WELLS (left) holding a form and plant manager, Ted

Bates, holding a boat, told Rotarians, last Wednesday how Wellcraft Marine Corporation plans to expand their boat building facilities in Avon Park.

## Rotarians Hear Plans Of Wellcraft Expansion

Rotary program chairman, Bill Britt, brought assembly supervisor, Vernon Wells and Ted Bates, plant manager of Wellcraft Marine Corporation to share some of their good news with Avon Park about the Wellcraft organization.

Wells stated that the company plans to triple the number of employees and enlarge their facilities in the Avon Park plant during the next two years. He thanked Avon Park for the good reception his company has had since being in Avon Park. He added the

company wants to be an even bigger part of the community.

Wells told the Rotarians that Wellcraft started in 1969, employing 20 people and producing \$2,000,000 in sales. Their company now is the third largest in the boat building industry with over 500 employees and \$45,000,000 in sales last year.

The Rotary club was pleased to hear of the Wellcraft Marine Corporation's plans for expansion of the Avon Park plant.

## Water District Boundry Battle Looms On Horizon

A renewal of the classic farm versus city battle may be shaping up in the form of a bill to change water management district boundaries.

Agriculture interests are backing a bill, proposed by Florida Citrus Mutual, which would change water management district lines in Highlands County board of county commissioners is officially on record favoring no change, which would move a large portion of southern Highlands County out of its additional alignment in the south. Florida Water Management District, formerly Central and South Florida Flood Control District).

Under the bill, which will go before the Legislature in April, Highlands County would be shifted into the Southwest Florida Water Management District, which now includes a relatively slim section of northern Highlands County, east of Sebring and Avon Park.

Agriculturists have been complaining that the district does not cut across their planting and result in their having to file permit applications in more than one district. District rules and approaches to water use differ, the agriculturists say, and this complicates use and farm operations. Privately they also grumble at pressures from big cities the lower east coast have side the South Florida district over to respond to applications for irrigation permits.

The City of Sebring's position to the permit spray Groves is seeking for Lake Jackson's waters is illustration of the kinds of her fights going on all over

the state. Carol Boley, of the Environmental Council of Highlands County said she and other council members have received many inquiries about the proposal to change the district boundaries. However, they feel many people who would be affected by the changes "do not understand the effect of the change on the management of Highlands County's precious water resources."

Mrs. Boley said the Environmental Council has arranged a public information meeting to be held in the Sebring Woman's Club building at 7:30 p.m. Thursday, March 23.

Resource leaders and speakers at the meeting will be Dr. J. T. Griffiths, director of Florida Citrus Mutual; E. D. "Sonny" Vergara, director of interagency coordination for Southwest Florida Water Management District, and John Wodarska of the South Florida Water Management District, representatives of local government.

"The council has arranged this public information meeting so that the concerned citizens of the county may learn all the facts of the issue as regards taxes, water use permits, and water management objectives," Mrs. Boley said.

Some veteran observers say the boundary change proposal has some powerful forces on each side and the outcome in Legislature is far from certain.

The first radio broadcast in the U.S. was made on Christmas Eve, 1906 by R. A. Feasenden.

## Home Horticulture Classes Attract Homeowners

"Landscaping and plants for Florida Homes" sponsored by South Florida Junior College, with classes meeting at the Avon Park Library was prepared for 30 people but 47 attended the first session several weeks ago. This group was divided with part of the class meeting at 10:30 Tuesday mornings and the other group meeting on Thursday mornings. The first class session,

taught by Jim Crabtree, Avon Park Police officer and local ornamental nurseryman, had a discussion of the basics of soils, fertilizers and water. The class also obtained a soil sample, which was sent to a laboratory for analysis. The second meeting was devoted to a discussion of landscaping techniques around the home with the class visiting the Highlands County Band of Avon Park to observe different

types of landscaping and plant materials. During the third session the class visited the Woodlawn Nursery in Sebring to observe different types of plants and their potential as landscaping materials, with the questions of what makes a good plant and what to look for in the way of plants and planting materials. Examples of plants requiring little care in the way of pruning were also shown such as Shillings ilex (holly).

In session number four, Charles Collins, production manager at Ward's Nursery, told the class about citrus varieties commonly used in home plantings, along with the differences made by rootstocks, planting, disease problems, spraying and fertilizing programs. The classroom session was followed by a field trip to a commercial grove, to observe other varieties.

During the final session the class will choose a home in Avon Park, draw up landscaping plans, then review and

discuss what they have learned. The Junior College course is a non-graded and non-credit course. Other courses for the

home owner will be available from time to time. Further information can be obtained by calling the junior college at 453-6661.

"is usually paid in lump sums."

Avon Park Chief of Police, Bob Brooks, commenting on the passage of the bill, said, "I hope this program finally become law." "Florida has needed such a compensation program for many years," Brooks added. "and, it is my prayer and my hope that it never happens here in Avon Park, but for one of the folks of this community, it is a tragedy, the victim of a violent crime, it would be my wish that they would take full advantage of such a fine program."

Brooks said the Legislature's Allahabads legislator for their perseverance and tenacity in finally arriving at a solution to a major problem which, in his words, "has plagued cities and communities all over Florida for years and years." Brooks continued, "The Legislature has been very thorough on the side of the victim, rather than from the criminal element aspect."

The Chief of Police also heaped praise on the people of Avon Park when he emphasized that he and his employees have thoroughly earned the outstanding cooperation which has existed between the community and the police department for many years. Brooks said there's no doubt whatever in my mind that such warm relationships will continue."

**AUTOBIOGRAPHY OF VALUES** by Charles A. Lindbergh is now at the City Library. This is Lindbergh's story of his own life. It is the story of the events he caused, and their effects on him. It is the story of the values he learned as a boy in Minnesota and how they were enhanced, or changed, or supplanted as he lived through a century dominated by science and war and technology and nationalism.

Some say he was probably the greatest aviator of all time. He was certainly one of the most celebrated young men in American history. He was also a scientist, soldier, conservationist, and adviser to industry and government on flight. He was a superb writer, as this book so dramatically confirms.

#### In Big Deal

Mrs. William (Betty Ann) Roland, of Route 1, Avon Park was presented with a check for \$100 which she won in the Phillips Corner, Big Deal Sweep promotion sale, that is in progress.

Betty Ann and husband, William have been residents of Avon Park for six years. Betty Ann is a native of Sebring, while William grew up in Avon Park. The Rolands have three children, Joanna age 4, William, Jr. age 2 and Sheryl age 6 months. She is a housewife and her hobby is horseback riding. William is employed by Robert J. Barben.

The 'Big Deal Sweep' will last about another four weeks, according to Bill Phillips, owner of the corner market. There have been previous \$1-\$5-\$10 winners and so far two \$100 winners, maybe you will be the next lucky person to get a winning ticket.

Ann Marie Fairchild

## Ventriloquist To Entertain At Youth Banquet Apr. 1

Ann Marie Fairchild will be at the First Baptist Church for a luncheon for the Keenagers at 12 noon on April 1 and at a Youth Banquet at 7 p.m. that evening.

About four years ago Ann Marie was asked to describe her attitude towards her work as an entertainer, she said, "Some people have to work to live, but I live to work."

She said she dedicates her work to a work that she feels God has called her into.

The petite blue-eyed, brown-haired Mississippi native said, "I grew up in a very rebellious life, growing up in a Baptist preacher's home. She committed herself to working for the Lord during a plane trip from her Oregon home, to that of her parents. Without a purpose in life, she was given to two ventriloquist dolls at Christmas by her mother."

Within a week I was working as a ventriloquist at schools, she said. I never studied ventriloquism so I know it had to be something the Lord wanted me to do.

Ann Marie has made four motion pictures, several record albums, written twelve children's books and made appearances at the Grand Ole Opry. She has toured India

three times and takes groups of teenagers to the Virgin Islands and Haiti for evangelistic and missionary work.

For her work Ann Marie has built a wooden doll she named Jackie. Jackie is a perky blue-eyed, black-haired and freckle-faced boy. She makes him live through ventriloquism and through him shares her faith in Christ.

Ann Marie said there are many rewards in her work, such as the time a radio program was heard by a truck driver and he was the first person down the aisle to dedicate his life to the Lord.

Appearing at state, federal and military prisons, Ann Marie said the reaction from the prison audiences is usually positive. I thought they would boogie off the stage, but I have never had a better, more attentive audience.

What is Ann Marie's outlook on life? "In making my New Year's resolution I ask the Lord for Help. It was like to seek, seek first the kingdom of God and all these things will be added unto you."

When people ask me what is the key to my success, I tell them I first seek the Kingdom of God and He gives to me all the other things that make me happy.

## DAR Holds Meeting

The Patriots Chapter of the Daughters of the American Revolution met at St. Catherine Parish Hall on March 6, with Mrs. Andrew G. Daigle Regent, conducting the meeting, and Mrs. J. W. Ingle serving as Chaplain. Mrs. Ralph Koerber, National Defense Chairman gave a comprehensive program on current topics.

Mrs. Roy Randall gave the Easter Message and told of her stirring visit to Bavaria in 1970 to see the Passion Play and to the Holy Land in 1975. She developed her theme by telling how this world event of the Resurrection gave us the New Testament, new hope and love.

Mrs. Harry Childress provided an arrangement of Camellias for the tea table, with Mrs. J. W. Ingle serving as hostess chairman assisted by her daughter, Mrs. Henry Elkinn of Yorktown, Va.

The next meeting will be held at the Lake Placid Woman's Club Building on the 3rd of April at two o'clock.

Mrs. Daigle wishes to thank all members as well as the public who participated in making the recent D. A. R. card party a success.

# "The Brain" Is Just That!

By John Burris

The Avon Park Sun, Mar. 16, 1978 SA

"We're the eyes, ears, and almost literally the 'brains' of every highway patrol trooper on the road, when it comes to rendering immediate assistance."

Those words were uttered by Communications Chief Operator, George MacCartney at the Lake Placid District Headquarters of the Florida Highway Patrol, which is the command center for all troopers assigned to the tri-county area of Highlands, Hardee, and DeSoto.

Composed of seven troopers assigned specifically to Highlands County, Trooper "P" at Lake Placid is under the capable leadership of Sergeant Wilbur M. Woods and Corporal E. R. Woody.

Both men, like other dedicated law enforcement people the world over, have committed their very existence to the preservation of human lives primarily, and to the enforcement of regulatory laws and rules of the road, secondarily.

Essentially, the statement above, made by MacCartney, just about sums up "the whole ball of wax," when one attempts to describe the inner-workings of any communications office of the Florida Highway Patrol.

Having spent the majority of his 59 years of life in one phase or another of law enforcement, MacCartney is one of the elite of his breed! Not only does he know his responsibilities forward and backward, but he'll be the first one to tell you that like many of his counterparts all over the nation, his one single purpose in life (when he is on duty) is the absolute safety of the trooper on the highway!

Just a few months ago, workmen for several different areas of the state converged on the headquarters building at Lake Placid and installed a piece of equipment that is considered by communications professionals as one of the most sophisticated pieces of electronic equipment known to mankind.

Known by the official nomenclature of "Burroughs TC-4000," the mechanical marvel is more affectionately referred to around the FHP offices at Lake Placid as "it," or "The Brain."

And, in the truest sense of the word, "The Brain" is just that. But, we're getting ahead of ourselves. Let's go back a few years with Chief Operator MacCartney, and compare the operation of various pieces of communications equipment then with those of the present day.

"It wasn't too many years ago," MacCartney recalled, "that the old Western Union type of equipment, although the best in its field at the time, was a real hassle."

Private Contractor

Charges Harrassment

By John Burris

Complaining of "almost continuous harassment," that allegedly is not made toward

er contractors in the county, Vincent Celantino, a Highlands County general contractor told

county commissioners last week that the head of the Highlands County Building

Inspection Department, Hank Eures, is guilty of "ongoing harassment" and apparently operates his department with a set of double standards.

The "almost continuous harassment", in the words of Celantino, "started when inspectors issued me a red tag for failure to have water in a water heater at the time of a plumbing inspection and another time, for being one-quarter of an inch short of concrete on another job site."

Celantino continued, "And, that's just two of the instances where the inspectors and Eures are constantly harassing me."

Further noted that he had requested a set of Highlands County building codes from

Robert J. Cook

Highlands County Representative

nevertheless left much to be desired."

"For example," he continued, "in those days, an operator would start to type a license number or some other bit of information on the teletype."

"At about that time, one of the troopers on the road might call in and need this or that, necessitating a response from the communications operator," MacCartney continued.

"The way the operator finally was able to return to the teletype, it usually had to be after some other station down the line had completed whatever message he had placed on the teletype during the brief time that this operator had to respond to the trooper on the road."

"The entire set-up, at best," he recalled, "could be considered a primitive operation."

"Yet, in that day and age that primitive equipment, even though it was slower and less sophisticated, functioned essentially in the same manner and served the same purpose as today's electronic marvel."

He said he believed the most importance difference in the equipment of yesterday and today had to be speed.

In explaining the operational aspect, MacCartney emphasized there is no doubt in his mind that "The Brain" has to be considered the ultimate in electronic sophistication.

For example, the manner in which each letter or number appears on the continuous paper of the "Brain," MacCartney continued, "in no way can be compared with a standard typewriter."

"When you type on a standard typewriter," MacCartney added, "the letter or number key, when depressed, actually comes into physical contact with the paper."

When the "Brain" is operating, there is no physical contact whatever between the "etcher" and the paper on which the printed message appears. The "etcher" mechanism literally "blows" millions of tiny dots through the minute orifice onto the surface of the paper. Those tiny dots form the letters and numbers of the message being transmitted.

If you consider yourself a super speed demon on the typewriter, you're probably "kicking it out" at maybe 75 or 80 words per minute. On the other hand, if you're like this reporter, you probably think you've "got a tiger by the tail" when you type at a speed of perhaps 45 or 50 wpm.

Whatever your typing speed, stop for just a minute and let the outrageous audacity of the next statement sink all the way in! 800 CHARACTERS PER

minute.

Following a brief discussion of the charges and allegations made by Celantino against Eures, Celantino left, apparently much relieved and satisfied that he was not being "almost continuously harassed."

Eures, dismissing those charges and allegations as just another one of the "hazards of the business," stated that he certainly held no ill feelings against Celantino. He added that he prided himself in being able to get along easily with people from all walks of life, and that he believed the confrontation had been beneficial to both himself and Celantino.

SECOND!!!

As MacCartney so aptly stated, "This new electronic genius spits out the information at the rate of 800 characters per second, and it doesn't run out of breath, either!"

He added, "Compared to 80 to 100 characters per second on previous equipment, 'it' almost defies any attempt to elaborately describe it."

Communications Operator, Larry Daniels, who has been with the Department for the past five years, echoed MacCartney's feelings about the "brain."

Said Daniels, "In laymen's terms, the 'brain' is actually an advanced electronics computer with the base station located in Tallahassee."

Although it's primary function is statewide usage, Daniels said the computer is also connected with the nation-wide National Crime Information Center in Washington, D. C.

Daniels added that when one speaks of the computer having the capability of transmitting at the fantastic rate of 800 characters per second, that fact becomes even more staggering when one stops to comprehend how many miles are involved. Explaining further, Daniels said, "Let's say for example that we need to have some information checked in the nation's capital. When I have inserted the data into the computer, it travels from Lake Placid to Tallahassee to Phoenix, Arizona, where the nation-wide computer switching center is located, then on to Washington."

Daniels continued, "When the response comes back to us, it travels the same circuitous route in reverse!"

Intervening at this point, MacCartney agreed with Daniels and added, "That's right, but here's what really boggles a person's mind! From the time we insert that information into the computer until the answer returns to us, you're speaking of no more than six or seven SECONDS!"

Still another bizarre feature of the "brain," according to MacCartney, is it's unique and uncanny ability to conduct searches, whether it's told to do so or not! "Let's say that we insert information into the computer addressed only to the Florida Crime Information Center in Tallahassee," MacCartney continued, "even though the address was Tallahassee, the computer automatically checks various files in Washington, and when the response returns to us, we know instantly if the reply came from Tallahassee, Washington, or both."

Summing up the limitless capabilities of the latest piece of communications equipment for the Highway Patrol, MacCartney said it all when he remarked, "I've heard the old saying that the day isn't too far down the road when man would probably be replaced by a machine." In many aspects, that day is almost here," MacCartney mused, "the one exception being that this 'brain' still has to rely on a human being to feed the information into it."

During the week of March 5-11, Highlands County Emergency Medical Service crews made 15 emergency runs, six in-county transfers and nine out-of-county transfers in Sebring.

In the same week there were 13 emergency runs in Avon Park and eight emergency runs and one in-county transfer in Lake Placid.

How safe is race car driving as compared with flying an F-4C Jet fighter? Don countered that question with, "It depends on the situation." "If some one is shooting at you the risk increases in the F-4C," he replied.

The race car on the track, he continued, is generally adequate for safety, if it is properly built according to regulations and he mentioned a few of the safety features, such as foam fire extinguisher, safety net to keep the drivers head inside the car if it rolled and roll bars.

The driver's formula 1 suit of three layers of no-mex materials is flame

retardant. Gloves are of the same material with the palms made of soft leather to get the feel of the wheel and other equipment. A suit of long john underwear also helps make summer driving quite warm. The only air conditioning in the car according to Don was when one stuck a hand out the window and vented the air into the car during a race.

The IMSA race is organized by Motor Sports International, Inc. Registration for the race takes place Wednesday and Friday morning. The schedule for Friday includes: Tech inspection from 8 a.m. to 12 noon; practice and qualifying runs, 9 a.m. to 1:30 p.m. with the race starting at 2 p.m.

Running under the name of Taurus Racing Team, Don, Bob and Jim have as sponsors, the John Morris Agency, Inc. Avon Park and Ridge Florist of Avon Park, and Sebring. Dennis Hood will also be helping out with the mechanical aspect of the race.

However, there is one catch as to whether Lt. Col. Donald A. Griffing will drive in the IMSA Radical Challenge Series Race Friday afternoon. On Monday a Tactical Air Command team from Langley Air Force Base, Virginia arrived to pull a Management Effectiveness Inspection of the Avon Park Bombing and Gunnery Range. If they finish their inspection before Friday, Don Griffing may drive. Otherwise?

## Two Accidents Mar Monday March 13

Tragedy struck twice on the same day as two auto accidents occurred Monday, March 13.

The first involved a truck driven by Dennis Leon Johns and owned by Cobb Tire and Marble Co. which struck a Seaboard Coastline train at the crossing on Highway 17 at 7:20 a.m.

Johns was driving east and failed to stop for the warning lights. He proceeded forward, striking the lead engine that was in his path, and also struck the second and third engines of the train driven by W. C. Johns.

Dennis Johns also struck a signal twice, knocking it down the second time. Total damage to the train was set at \$10,500 and damage to the signal was set at \$50,000.

According to the Avon Park Police Department, Johns was charged with failure to obey the signal.

The second accident, involving three vehicles, occurred Monday afternoon at the corner of E. Thomas and N. Verona Street.

Major Dean Ferguson of the Avon Park Police Department reported that Mrs. Ruby Miller was headed west on E. Thomas Street when she failed to stop for the stop sign on the corner of E. Thomas and N. Verona Avenue.

Mrs. Miller's 1976 Buick struck the 1977 Chevrolet driven by Miss Shila Snyder, as she proceeded north on N. Verona.

Verona.

The impact caused Miss Snyder to be the power pole at the intersection.

Mrs. Miller's vehicle also blocked the path of a 1973 Yamaha motorcycle driven by Kirk Godfrey.

Two hundred dollars damage was caused to the motorcycle driven by Godfrey, who unsuccessfully tried to avoid Miller vehicle.

Maj. Ferguson said \$3,500 damage was done to Miss Snyder's Chevrolet and \$1,000 damage was done to Mrs. Miller's vehicle.

Mrs. Miller was charged with careless driving.

## Second Guessing Vehicle Causes Trouble

By John Burris

When you try to second-guess the driver of a vehicle in front of you, especially if it happens to be on heavily-travelled U. S. 27 highway, it's almost a leap-pipe clinch that you're in for trouble!

Apparently that's what happened at the intersection of SR 64 (West Main Street) and U. S. 27 in Avon Park last Friday morning.

About 10:30 a.m., according to Traffic Investigator, Willis Chandler of the Avon Park Police Department, Glenn C. Ross, 50, of Kingsport, Tenn., was southbound on U. S. 27, and just as he approached the intersection of SR 64, the signal light changed to yellow. Also in the vehicle was Ross' 22-year-old son, Keith.

As Ross applied the brakes to bring his 1971 Oldsmobile to a

stop, his car was struck from the rear by a 1973 International Surburban station wagon being operated by Henry F. Laughlin, 70, of Akron, N. Y.

Laughlin allegedly told the officers he failed to apply his brakes because he thought the vehicle in front of him was going to proceed through the intersection on the yellow light.

Neither Laughlin or his passenger, Ruth Laughlin, 70,

were injured. Laughlin was charged with failure to use the care.

Damage to the Oldsmobile was estimated by authorities at approximately \$1,000.00, while the station wagon was believed to have suffered only about \$700.00 in damages.

The younger Ross was reported to have received undetermined minor injuries.

## Bonnie Brae Mobile Home Park News

By Margie Wells

There were 60 residents present for the covered-dish dinner last Tuesday night. The hostesses were Catherine Curry, Ella Drake, Sy Fabiny, Jean McDougall, and Chloe Mailingner. There was such a variety of food and in such quantities that everyone over ate. It was a very enjoyable evening and the hostesses did a good job of seeing that everything ran smoothly.

In spite of the fact that everyone ate too much, there was a full house at the coffee hour on Wednesday morning.

Hostesses were Mildred Schwager and Alice Pixley. Guests present were Sam and Lou Copalino from Buffalo, N. Y. and Maxine and Harold Clute from Jackson, Mich. Lou Copalino is Lena Sinatra's niece and Harold Clute is a cousin of Marie and Mahlon Devine. Howarth Mailingner announced that a District

Federation Meeting of the Mobile Home Owners Association would be held in Lexington on March 15 and that the last meeting of the season for the Park Federation would be on March 22. Steve Bohachyck told the group that they would be showing slides every Friday night for at least three more weeks. Everyone was happy to welcome Ron Boyer back after his stay in the hospital and he and Joe Asher entertained with some good jokes.

It seems that this was eating week at Bonnie Brae as a Pancake Breakfast was held in the rec. hall on Saturday morning. Frank Schwager was in charge of the affair but he had a lot of very efficient help and he wants to thank them for all their work. There were 84 showed up for breakfast and Frank told us that they prepared and served 400 pancakes. The men deserve a

lot of credit and we hope they will continue this project. Also, we would like to thank Bob Savage of the Holiday Ranch for the use of his grill.

We are happy to report that Lester Parkhurst did not have eye surgery. It was reported in this column last week that he was going to have this surgery. However, Dr. Chen told him he would have to watch the eye closely and we are all hoping that everything will go well!

Tom Carroll made a business trip to West Palm Beach last week-end and drove to Bonnie Brae for a 24-hour visit with his mother, Dorothy Carroll. Even this was only a short visit, it certainly made Dorothy happy.

Ella Drake and Verda Miller spent a "beautiful" day at Cypress Gardens and Bok Tower on Sunday with guest, Mrs. Rhoda Willis of Tropical Harbor of Lake Placid and Ella's cousin, Virginia Schuldt of Rochester, N. Y.

Mrs. Vera Taylor of Uxbridge, Ontario, spent an enjoyable ten-day holiday here with Cyril and Florence Bielby. On Thursday, they took her to the Tump Airport for a return flight to Canada.

Mr. and Mrs. Robert Rupp of Monticello, N. Y. visited with Lella and Winnie Kinch for a few days and while here attended the New York State picnic. Also attending the picnic with them was Mrs. Mildred Thorp of Avon Park. Loretta and Fred Wetmore visited their son Jim and his family in Palm Harbor last week-end. But what's this we hear about Fred not wanting to get in the swimming pool because it was too cold?

James and Mildred Ray of Anderson, Ind., who have been visiting his sister and brother-in-law, Rozzie and Lester Parkhurst, returned home on Saturday and they returned to some more snow. They had a nice time here even if it wasn't the best of weather and James really wasn't waiting to go back to that "white stuff."

They called after reaching home and said hardly any snow had melted yet and there was more snow on top of what they already had.

On Sunday, Florence and Cyril Bielby had as their supper guests Mr. and Mrs. Russell Miller of Pickering, Ontario, who are camping at Lake Bonnet on State Route 17, South.

P. D. Fells spent last week in Pompano Beach visiting with his son and daughter-in-law, Rob and Carol Wells while his wife, Margie, stayed with her parents, Rev. and Mrs. C. Devis Harsh who have just recently moved to Avon Park.

Friday, Margie joined P. D. in Pompano where they spent week-end shopping and laying golf.

Our traveling lady, Thelma Miller, left on Sunday for a cruise in the Caribbean. She should have some interesting news to tell us when she returns home.

Some of our residents will be leaving soon so we hope everyone will be at coffee hour on Wednesday for a "fun time."

## Avon Park Red Devil

## Cagers Are State AA Runners-Up

By Les Burch

Avon Park's "We're Number One" chant got shut off last Saturday afternoon in the final AA game of the State Basketball Tournament.

Actually, it just went down one point as the Fighting Red Devils lost a double-overtime heartbreaker to Havana High School in the battle for the Class AA State Championship.

The Gladiator's 94-81 win over the Avon Park High School team put them in the number one spot, and dropped the Devils to number two in Florida.

However, for a school that never before played in a state tournament, and two weeks ago wasn't even given much chance to survive the District play-offs, being No. 2 isn't all that bad. Maybe next year they'll try harder.

It is doubtful, though, if any team could try harder than the 1978 "Never

Say Die" Red Devil squad did and if they gave a trophy for effort and excitement, Avon Park couldn't miss being Number One.

The fans in Lakeland's big Civic Center had hardly gotten their nerves "unjailed" from Avon Park's heart-stopping 71-69 victory over Cross City in Friday's semifinal battle when it all started again.

The regular four quarters of Saturday's play between Avon Park and Havana produced a lot of action and a bunch of thrills but settled nothing. It ended with the score tied up at 48-48.

Three minutes of overtime play didn't do anything but raise more blood pressures as both teams scored ten points to end up the first extra period still knotted at 78-78.

Foul Shots Make Difference

Foul shots finally settled the issue in the second overtime game. Each team made one field goal but the Gladiators dropped in four free throws while the Devils could collect only one. The result: a 3-point win for Havana and a State Championship.

The game was close and so was the officiating. All told, the three in-strikes called 60 fouls—thirty on each team. Five Havana players exited the game through the excess foul route, while Devil starters Freddie Williams, Mike Coleman and Charlie Pough were ejected for the same reasons.

The Devils got 34 free throws and Havana got 32 from the line, but Havana got the points, making 26 of theirs count, while Avon Park could collect on only 15. Tom Lund, coach of the Red Devils said after the loss, "Well, you can't come much closer, and I'm real proud of the whole team. They fought hard every minute and gave it all they had. What more can you ask? I'm really going to miss this game of top notch players."

Unlike Friday's game with Cross City when Avon Park trailed by 20 points at the half, this time the Devils stayed close to Havana all the way, though they did have to come up with a 25 point fourth quarter to knot the score at the end of the scheduled playing time.

The Lund coached team moved out to an early six point lead, but fell behind at the end of the first quarter. They were six down at half time, and were still trailing 43-49 as the fourth period started.

This would have been a good time for

people with bad nerves to leave, because the tension mounted as the Devils started chopping away at the Gladiator's six point margin.

In the first seven minutes of the fourth period, Larry Pough collected ten points, Charlie Pough and Freddie Williams each added four and Mike Coleman and David Williams came up with two each as the Devils finally evened things up with just under a minute to go.

With 30 seconds left, Havana's Charlie McGriff tossed in a lay-up to retake the lead, but Horace Moore bounced right back with two points for the Devils at the 10 second mark to again tie the score and send the game into overtime.

Havana Takes Lead

The Gladiators, making four of five free throws, took a five point lead within the first two minutes of overtime play and again, the Devils had to make a come back. David Williams hit one with 31 seconds left, and Horace Moore collected another two points moments later. Only five seconds remained when Wyndell Frazier dropped in a lay-up to tie things all up once more.

The last overtime was a battle of the benches, with only two of the opposing team's ten starters still in the game and it was three Havana non-regulars who came through with the Gladiator's game winning points. Larry Pough, one of the two starters still around, scored all three of Avon Park's second extra period points, but it just wasn't enough.

Four Devils Hit

Four Avon Park players hit double figures. Larry Pough got 23, Freddie Williams collected 14, and Charles Pough and Horace Moore each came up with 12. Mike Coleman and David Williams picked up nine points apiece for the Devils. Wyndell Frazier, making his debut in tournament play, scored two points, but it was these two that tied up the game in the first overtime period.

Between them, the two Pough brothers came down with more rebounds than the entire Havana team. Larry got 18 and Charlie picked off 17, for a total of 35 - 3 more than the Gladiator's team total of 32.

Wally Union, who made 8 out of 9 free tosses, topped the Havana High scorers with 26 points. His brother Alex wound up with 20, and Charles McGriff added 14 to the Gladiator total.

## Devils Defeat Bears In 2-A Semi-Final Thriller

Avon Park High School, trailing by 20 points, staged an almost unbelievable rally last Friday to beat Cross City High School 71-69 and move into the AA finals of the State Basketball Tournament.

The game, another typical Red Devil cliffhanger, left the crowd in Lakeland's big Civic Auditorium in an uproar and had more than 500 nearly delirious Avon Park fans shouting and dancing in the aisles.

"It was a big win over a big team in a big place," Coach Tom Lund said after the game. "But the biggest thing was the 'heart,' our team showed in bouncing back from almost certain defeat. It is hard to believe we're in the finals of the State play-offs, particularly when we have been virtually unranked all season."

Friday's game marked Avon Park's debut in State Tournament play, and for the first half, it looked like the locals were going to "blow it." They were behind 22 to 42 at the game mid-point, and many people, unfamiliar with the Red Devil's last-half tactics were ready to head for home.

Not so the Avon Park cagers, however. They came back with a second half scoring spree, a trade mark of their play in recent tourney games, to ring up 48 points, a semifinal victory and a chance at the State Championship.

Devils in Trouble

The game was less than four minutes old when the Devils, apparently wed by the big civic auditorium and a pair of six foot five inch Cross City Bears plus another Bear duo at six foot four, found themselves in trouble.

At that point, Avon had scored but two points and was behind 10-2. The rest of the quarter wasn't much better, ending 14 to 8 in Cross City's favor.

The second quarter was "disaster-ville" for the Red Devils, as the Dixie County team rolled in 28 points, double the Avon Park team's total, to move out to a 42-22 lead.

Sylvester Collins, three inches taller than any Avon Park cager, notched 13 points in that quarter, and his teammate, Robert McDowell, the Bear's other 6'9" giant, tossed in 7 to lead Cross City's attack.

Third Quarter Was Different

Things changed suddenly after intermission. Larry Pough hit for two quick baskets, and with Mike Coleman, David Williams and Freddie Williams all chipping in, the Devils knocked nine points off the Cross City lead before the third period was four minutes old.

David Williams and Larry Pough, both of whom got ten points during the quarter, continued to pop away at Cross City and when Mike Coleman tossed in a thirty footer at the whistle, Avon Park was just one point behind.

The last period wasn't one for people with weak hearts. The two teams traded basket for basket until Charlie and Larry Pough each picked up a fourth foul and Coach Lund decided to let them cool off.

With these two on the bench, Collins and McDowell got going again and after five minutes Cross City had pulled ahead by seven points.

Back came the Pough Brothers, and back came the Devils. David Williams hit for two, and Freddie Williams got

another to cut the margin back to three.

Devils Take Lead

Moments later, Mike Coleman got the Devils to within one but Collins retaliated to put Cross City back in front by three, with less than a minute left.

But that minute was enough. Freddie Williams came up with one basket, and Larry Pough netted another to put Avon Park ahead for the first time at 68-67.

When Williams dropped in a free throw to tie the Devils margin to two, the Avon Park crowd, smelling a win, went wild.

However, the Bears weren't quite ready to hibernate. With 15 seconds on the clock, McDowell scored to tie it up at 69-69 and set the stage for a possible overtime.

That didn't happen. Somehow, Freddie Williams got loose under the Avon Park basket and with but six seconds left, dropped in a two pointer to make it an Avon Park 71 - Cross City 69 final.

Balanced Scoring

Everyone of Avon Park's starting five hit for double figures. Larry Pough had 16 points and David Williams scored 15. Freddie Williams and Mike Coleman had a dozen points each while Charlie Pough had ten. Horace Moore hit for six.

Collins and McDowell led the Bears scoring with 22 and 21 points respectively.

Larry Pough, though spotting Collins and McDowell three inches, picked off 18 rebounds, almost equalling the two big Bears combined total of 39.

Charlie Pough, with 11 topped the individual rebounding efforts of both of Cross City's big men.

## Cagers And Coaches To Be Honored Sat.

The Avon Park High Boy's Basketball team and their coach, Mr. Thomas Lund will be honored with a banquet on Saturday evening, March 18, 1978, 7 p.m., at the Ranch Buffetaria in Avon Park, Florida. The guest speaker will be Coach Al Joe Hinson of Miami, Florida.

Donations will be \$5. per person. Contact persons: Mrs. Gwen Sanders-Hill, 433-5307; Mrs. Helen B. Britt, 433-3781; Mrs. Queen Coward, 433-3747; Mrs. Wanda Wilson, 433-3863; Mr. Henry Adams, 433-4306; and Mr. Willie J. Claitt, 433-6000.

COACH TOM LUND checks out the statistics with Sun Reporter Les Burch after the Avon Park Red Devil win over Dixie County High School (Cross City) in the semi-finals of the Class AA State Tourney last Friday afternoon in Lakeland.

## Tom Lund Resigns As APHS Varsity Basketball Coach

Tom Lund, varsity basketball coach at Avon Park High School since 1974, resigned his coaching position this week-end, immediately following the State Basketball Tournament. He said "personal reasons" brought about his decision.

Ironically, the resignation comes just after Lund guided the 1977-78 Red Devils to a record season. This year's team won the District, the Regional, and the Sectional play-offs and last Friday, Tom became the first coach in the school's history to take a team to the State Tournament.

The Avon Park team beat Cross City High School in the Class AA semifinal game, but lost in a double overtime to Havana High School in the championship game. (See State tourney stories elsewhere).

"However," Lund said, "I have been considering 'hanging it up' for several weeks, so it wasn't the state tournament that brought it about. I withheld the announcement because I didn't want to do anything to hurt the team's chances of winning a State Title."

Overall Record Of 57-43

Counting tournament victories, the 1977-78 Avon Park team came through with a 17-11 season to give the four varsity teams Lund has coached an overall record of 57 wins and 43 losses.

Last year the Red Devils compiled an 18-11 record, winning the District 13 Championship and advancing to the final round of the Regional play-offs.

The 1975-76 season, a rebuilding year for the Devils, was the only one during Coach Lund's coaching career here that his team finished under the 500 mark. They wound up that year with a 9-32 record.

In his first year as varsity coach, Lund's team won 13 out of 22 games. Tom has coached at Avon Park High for eight years, spending his first four as Junior Varsity coach. His JV teams had a 67 percent win average, coming up with 55 victories while losing 26.

Sandlin's Work Helped

Commenting on his record, Coach

Lund gave a lot of credit to his predecessor, Fred Sandlin, now out to pasture as Avon Park's golf coach.

"The time Fred put in working with many players other than the varsity group, setting up little league basketball, and officiating for many pick-up games went unnoticed by most Avon Park fans," Lund said. "But because of it, the basketball program I inherited made it much easier for me to carry on a winning tradition."

"From a personal standpoint," Lund said, "I feel that these eight years at Avon Park have been really worth while. I would like to think I have made some contributions and gained some lasting relationships with many of the players and basketball fans in Avon Park."

"The most rewarding aspect of these years has been the personal contact with the players," he stated. "Watching them grow from young immature ninth graders on the JV team to seasoned varsity players has been great and seeing the enthusiasm they have for working and improving themselves made the long hours spent on the practice court much more meaningful."

Lund Says "Thanks"

"I am leaving confident that the basketball program at Avon Park High is in good shape, and I want to wish my successor all the best. I also want to express my heartfelt thanks to those many in both the school and the city who backed both the team and myself with their attendance, their moral support and with the many other contributions necessary to carry on a successful basketball program."

The resigning coach has not indicated his future plans, but he says "I want to work with young people in some capacity." In fact, Tom and Jean (his wife) are planning to take a group of high school students to Europe this summer on a combined educational and pleasure trip. They took a similar group to Switzerland in 1974.

Les Watson, Principal at Avon Park

High stated yesterday that no successor has as yet been selected, but they are accepting applications. Among those

who have applied is Donald Sisemore, former Red Devil star and currently the school's JV basketball coach.

## Touring The Tournament

By Les Burch  
Avon Park didn't have the biggest bunch of fans at the tournament — Bartow topped them on Friday night — but the Red Devil Boosters certainly took first in spirit. Even our cheerleaders cried better than most when the team got beat Saturday.

The Red Devils, unsung and little known in state circles, soon became the favorite of the fans crowded into Lakeland's Civic Auditorium. The Avon Park team's come from behind spirit pulled the crowd's fancy, and most everybody in the whole auditorium was pulling for 'em to win. The Lakeland ledger kept referring to them Devils as the Miracle team, while the Tampa Tribune coined them the "Cardiac Kids."

Bruce Wyse, tennis coach at APHS and chief scorekeeper for the basketball team won't be griping at officials any more. Sitting at the official scorer's table next to Floyd Lay, Head Honcho of the Florida High School Athletic Association, Bruce didn't agree with one of the officials' calls and let the official know it. Lay's comment to Bruce — "Can it, son. Let the officials take care of the game, and you take care of your scorebook."

Sarasota Booker, who beat FAMU by one point Saturday to win the State A Championship, fell victim to the Red Devils twice during the regular season.

The Havana Gladiators, who beat Avon Park for the AA Championship have made several appearances in the state tournament but until Saturday, had never won. Last year they got knocked out for the tournament by Pahokee, who incidentally beat Avon Park in the finals of the 1977 Regional. Pahokee, in turn, went on to win the 1977 state title.

Cross City, the team Avon Park beat in the semifinals on Friday won the state tournament twice in a row — way back in 1938 and 1939. Their last try for a state title was in 1972.

If you don't believe they grow them there in Florida, check the line-up at the State Tournament.

Tallest man in the tournament was Gary Holmes from Miami Central at 6'10", and weighing in at 220 lbs. Next was 6'9" Ingram Parvies of Ocala Vanguard. Ocala Vanguard also had the tallest team, and their coach could field a line-up of five players that averaged 6'7".

Smallest man in the tournament was five foot five inch Willie Floyd of FAMU High.

A check of the team rosters showed 36 players listed on the 16 teams who were foot four inches or taller. If those 36 were laid end-to-end, they would stretch out 2 1/2 times the length of the Civic Auditorium's big basketball floor. Avon Park's tallest man was only 5 foot 2 1/2 inches.

Steve Bullard, coach of the Lake Placid basketball team, was one of many area coaches who stopped by the Avon Park dressing room before Friday's game to wish the Devils and Coach Lund luck.

It was Bullard's Green Dragon team that Avon Park knocked off in this year's District tourney with a last minute scoring spree. In 1977, the Red Devils also beat Lake Placid in the District playoffs.

College Coaches and College basketball scouts were much in evidence at the State Meet. Among area college coaches there searching for new talent were: Coach Lotz of Florida U., Coach Wilkes of Stetson U., Coach Triplett for Florida A & M, and Ass't Ridenour from Florida Technical U.

## Minor League Opens With Parade In Town Saturday

The 1978 Avon Park Minor League baseball season will open on Saturday, March 16, with a 1:30 p.m. parade around the Mall and four games scheduled to be played at the Little League Field starting at 3 p.m.

The coaches and members of the twelve Minor League teams are requested to be at Donaldson Park at 12:30 p.m. on Saturday to have team pictures made and to line up for the parade through Avon Park. The teams will march from Donaldson Park West on the Mall to Butler Ave. and then return back the other side of the Mall to the park again.

David Jahna

Senior David Jahna is a two year letterman on the Red Devil track team and is one of the team tri-captains for the 1978 season. A fine sprinter, Jahna has a personal best time of 10.1 in the 100-yard dash and 22.2 in the 220-yard dash.

Last season Jahna ran on the record setting 880-yard relay team along with Reggie Baker, Charles Anderson and Todd Packer. He also ran on the record setting sprinter-medley relay team.

This season David will be running the 100, 220, a leg of the 440 or mile medley relay and will also be long jumping for the Red Devils. The hard working senior is out to break his personal marks in each of these events.

"David is one of the best workers I've had the pleasure of working with in my years at Avon Park," commented Coach Chet Brojek. "He is always one of the first at practice and nearly always one of the last to leave."

"I've told the story before, but it bears repeating, that Jahna is one of the few athletes I've ever had to tell to take it a little easier at practice," continued Brojek. "No doubt this is a reason this young man is a winner from the word go."

The four games scheduled to be played on the opening day are: Kopta and Bennett against First Home Federal at 3 p.m., Maryland Fried Chicken against Thriftway Food Stores at 4:30 p.m., Avon Auto Parts against Young's Gulf Service at 6 p.m., and APCJ Jaycees No. 2 at 7:30 p.m.

Coaches for the twelve teams this year will be: Presley Selp for Avon Auto Parts, Alfred Hodge for Borden's Union 76, Joe Graf for Pina Luigi's, Jim Kelley for Highlands Building Supply, Janice Murphy for Wells Motor Co., Larry Bennett for Young's Gulf, and Wayne Henderson for First Home Federal of Highlands County.

Also coaching will be: Dan Bennett for Kopta and Bennett Builders, Sammy Rowe for APCJ Jaycees No. 2, Ed Bennett for Borden's Dairy Products, John Russ for Thriftway Food Stores, and Eugene Taylor for Maryland Fried Chicken.

The schedule for games for next week are: Monday, 6 p.m. Little League Field - Avon Auto vs First Home Federal. At 7:30 p.m. Pina Luigi's vs APCJ Jaycees No. 2. At Field No. 2: First game, Borden's vs Kopta and Bennett. Second game, Highlands Building vs Borden Dairy.

Tuesday night it will be Wells Motor vs Thriftway at 6 p.m. and Borden's Service vs Borden's Dairy at 7:30 p.m. at Field No. 1 and Young's Gulf vs Maryland Fried Chicken at 6 p.m. and Avon Auto vs APCJ Jaycees No. 2 at Field No. 2.

Gordon Marshall has called another work session at the two fields for Wednesday night, March 15 from 6:30 to 9 p.m. Parents and fans may report for action to complete the work needed before the season starts next Saturday.

## Red Devil Golf Team Wins Three To Move Up To 13 - 3 Record

Coach Fred Sandlin's Avon Park High School boys golf team moved to a surprising 13-3 record with wins over Bartow, Frostproof, and Lake Wales and a loss to Sebring last week.

Tomorrow (Friday) the Red Devil golfers will host the foursome from Lake Brantley which is coached by former Avon Park basketball coach, Guy Garrett.

Next Monday and Tuesday the Devil golf team will be in Daytona where they will play Father Lopez on Monday and Daytona Beach Seabreeze on Tuesday.

Avon Park - 161, Bartow - 179, Frostproof - 227.

Pete DuPriest, Jr. shot a one under par 36 at the River Greens Golf Course last Monday afternoon to lead the Avon Park High School foursome to victories over Bartow and Frostproof. Avon Park turned in a team total score of 161 to

## Red Hot Devil Weeks Sebring Friday

With a 10-0 win over Frostproof last Monday night, the Avon Park High School varsity baseball team moved to a 3-0 record. The Red Devils had previously beaten Santa Fe and Okeechobee.

Last Tuesday night the Jackson coached Devil nine was scheduled to travel to Wauchula for a night game on the newly lighted Hardee High baseball field.

Tomorrow night (Friday) the Red Devils will go to Sebring to take on the Blue Streaks at Fireman's Field. Next Tuesday night they will be at home at Head Field to the Bartow Yellowjackets. All night games are scheduled to start at 7:30 p.m.

Avon Park - 18, Frostproof - 0. Led by rightfielder Charles Oliver's two doubles and a single, the Avon Park Red Devils slashed out nine hits to take a five-inning 10-0 victory from the Frostproof Bulldogs here at Head Field last Monday night.

Catcher Victor Roberts and second baseman Bubba Starling both connected for a double and a single for Avon Park, and firstbaseman-pitcher David Sisemore rapped out a double in the second inning. A single by J. D. Taylor, leftfielder, gave Avon Park its nine hits off Bulldog hurler Alan Wright.

Don Wildish and David Sisemore shared mound duty for Avon Park. Wildish started and tossed the first three innings giving up four singles. Sisemore hurled the final two innings allowing a single in the fourth and a double in the fifth at the Frostproof team was held scoreless.

## Local Girls Lose To Bartow Netters

A team loss to Bartow on the Yellowjacket ladies home courts last Monday afternoon dropped the Avon Park High School girls tennis team record to 2-4 as the local girls have had trouble getting 15 enough practice due to the weather and the length of the basketball season.

Coach Jennie Cox expects the team to get on the winning track now that the cheerleaders are free and the weather has cleared up. Last Tuesday afternoon the Devillete netters were to have played in Frostproof. Today (Thursday) they will travel with the boys team to Okeechobee to go against the Brahman ladies. Then the two tennis teams will be idle until Monday, March 27, when the girls will go to Lake Placid for a return match with the Green Dragon team.

Debra Cox, playing the number three singles for Avon Park, won a three set match from Susan Till by a score of 6-4, 6-4; and Tammy and Laurie Welch won

Charles Oliver cut off a scoring threat by the Bulldogs in the second inning when he fielded a ball hit deep to right field and threw out a Bulldog runner attempting to score from secondbase. It was a perfect throw to catcher Victor Roberts who made the tag to retire the side.

Avon Park scored one run in the first inning when Bubba Starling led off with a double and then took third and later home on passed balls.

The Devils scored four more runs in the second frame. Taylor was safe on an error, Oliver singled, Starling drew an intentional walk to load the bases and then Sisemore doubled to drive in Taylor and Oliver. Starling and Sisemore were driven in by Victor Roberts.

In the fourth frame, the Devils pushed over five more runs on singles by Starling and Taylor and doubles by Roberts and Oliver. The game was called after five innings due to the 10-run lead.

Coach Ronnie Jackson used fifteen players during the four and a half innings of play. Jeff Williams and Edward Irvin both saw action in centerfield. Oliver played in both rightfield and leftfield. Taylor was relieved by Claude Dennis starting the fifth inning. Charlie Pough went into the shortstop slot at the top of the fourth sending starter Larry Jackson to first when David Sisemore moved to the mound. Keith Alwood later took over at first, and Wayne Lewis came off the bench and went to thirdbase when Tim Britt moved behind the plate to relieve Roberts. Starling played at second the

number two double match in a three set by a score of 7-6, 3-6, 6-4 to give Avon Park the only two wins of the day last Monday in Bartow.

Avon Park - 4, Okeechobee - 3. Red Devil senior pitcher Jimmy Massey hurled four innings of hitless baseball last Tuesday night a week ago against the Okeechobee Brahman as Avon Park posted its second straight win of the young season here at Head Field.

The Red Devils scored a run in the first inning and pushed over three more in the third frame to take a 4-0. The Brahman got to Massey in the fifth for one hit and then scored three runs in the top of the sixth as they boomed out a triple, a double and two singles off the right-handed starter. Don Wildish came in to relieve and retired the last two batters to hold on to the one run. Wildish finished the game striking out three batters in the seventh after giving up two singles which put runners on second and third.

Sophomores David Sisemore and Tim Cribb both got two singles for Avon Park at the plate. Don Wildish lined a double down the right field line in the third and Victor and Gary Roberts both singled for the Devils.

### Putt Contest

The play of the day March 7 on Ladies Day at River Greens was Low Putts. First place winner was Lil Weir with 14 putts. Second place was a tie between Bernice Shepherd and Alva Timberlake with 16 putts.

South Florida Junior College won another Division III game at Florida College Monday 7-4 behind the strong 4-hit pitching of Dave Shepherd. The sophomore righthander was victim of the usually steady Panther infield committing three consecutive errors to load the bases in the third inning before Ron Stewart sent a Shepherd fastball over the left field fence to give Florida College a 4-1 lead.

The Panthers answered with three runs in the fifth to knot the score at 4-4. Toby Cunz led off the fifth with a single and Al Jensen sacrificed him to 2B. Randy Schlosser singled followed by Dan Pototsky's 2-run single to right field. The right fielder misplayed Pototsky's hit to allow him to advance to third base. Charlie Faulconer then singled Pototsky home and the score remained 4-4 until the top of the 9th.

Toby Cunz walked to open the last frame and was sacrificed to second by Al Jensen. Randy Schlusser singled Cunz to third before Dan Pototsky blasted the next pitch over the right centerfield fence to clear the bases and give the Panthers a 7-4 victory. Pototsky led the Panthers hitters with 4 hits and 4 RBI's for the afternoon.

Dave Shepherd struck out six batters and, after a single in the fourth, retired the next 13 batters in a row before yielding a 2-out single in the eighth. The fastballing righthander set the Falcon batters down in order in the ninth to move his record to 2-1 on the year. The team record moved up to 9 wins against 4

South Florida Junior College sophomore pitcher, Kirk Scheerhorn pitched a no-hitter for the first 4 innings in a defeat of Community College 3-0 in the final tune-up before beginning Division play on Saturday. The lanky right-hander from Holland, Mich., evened his season's record at 2-2 and the shutout improved SFJC's win-loss mark to 7-3. Scheerhorn walked only one and struck out four before freshmen, Gerry Wiker, (Melbourne) took over and pitched the final three innings allowing only 2 hits. Parker's appearance was the 10th of the season as he has become the "fireman" for the Panthers. He has not allowed an earned run in the 12-13 innings of relief.

Scheerhorn threw only 52 pitches in six innings and appears to be in excellent shape to start the second game of the doubleheader against Brevard in Melbourne on Saturday. The starting pitcher in the opening game of division play against the Titans will be sophomore lefthander John Sedlock. The Vienna, Va., native has compiled a 3-0 win-loss record, posting victories over a strong Seminole CC club and two wins

The Devil "Bees" were rained out last Thursday afternoon in a game against Santa Fe, and the game they had scheduled for last Friday in Arcadia was postponed because of the Red Devil

over the power hitting Indian River CC baseball team. Gary Parker, with a 0.00 ERA, will be available if needed.

The Panthers collected 8 hits at Edison with the big blow coming in the 6th - a towering two-run homer over the 406' sign in left center by third baseman Toby Cunz (Auburndale). First baseman, Mark Lacy, (Clearwater), continued his hot hitting with a double

and single in 4 at bats to raise his season's average to .400 (18-45). Mort Jackson (Avon Park) subbing for centerfielder Randy Schlosser, out with a virus, banged out a double and a single in three at bats. Cunz also contributed a single to go with his two-run four bagger.

The Panthers banged out 10 hits off Ralph Citarella, Brevard's first round Major League draft selection, and took advantage of 6 walks and 3 Brevard errors to gain the victory.

SFJC scored 3 runs in the first when Dan Potosky and Charlie Faulconer

walked and Rick Kyzer reached first on an error to score Pototsky as Faulconer advanced to third. Kyzer stole second and Faulconer scampered home as the throw from the catcher went into centerfield. Robbie Freeland then singled home Kyzer.

The Panther scored two more in the third on singles by Mark Lacy and Kyzer.

a sacrifice by Freeland and a two-run single by Toby Cunz. A single run was added in the fourth on a walk to Bobby Pierce who went to second on a wild pick-off attempt and scored on Prototsky's RBI.

Brevard kept answering the Panthers with runs with two in the first and two more in the fourth to close the lead to 6-4. SFJC added an insurance run in the sixth to make it 7-4 but Brevard tallied three times in the sixth to tie the score. In the seventh, the last inning of Division III doubleheaders, SFJC went ahead for good when Freeland singled as did Randy Schlosser and Freeland walked home on Cunn's third RBI of the day.

Gary Parker who had relieved starting pitcher, John Sedlock, in the

fifth retired the Brevard hitters in order in the seventh to preserve the 8-7 Division win.

SFJC faced another major league draft selection in the second game. This time a fourth round draftee, left handed Larry Mikesell. Although the Panthers had men in scoring position at either 2B or 3B in five of the seven innings, they could not push across a run. Robbie Freeland had three hits and Randy Schlosser two in the second game.

Kirk Scheerhorn pitched another great game giving up just one run and seven hits. This was Scheerhorn's second game this season that he has been defeated 0-1. He has allowed only one run in his last 13 innings of work. Brevard touched Scheerhorn for three hits in the fourth inning to score the only run of the

For both games, Robbie Freeland banged out five hits to push his team leading batting average to .385 (15-39). Freeland also swiped five bases. Randy Schlosser picked up three hits for the day as did Dan Pototsky. Toby Cunz had two hits and three RBI's in the first game.

The loss left the Panthers with an overall record of 8-4 and 1-1 in Division play.

## Devilette Golfers Defeat Bartow For First Victory

The Avon Park High School girls golf team won its first match ever since entering interscholastic competition last year with a 240-256 victory over the Bartow ladies foursome last Monday afternoon at the River Greens Golf Course.

Andrea Petrovich was medalist of the match carding a 57 to lead the Avon Park girls to the history making win. Danny Elliott, with a 60, Tori Griffen with a 61, and Ellen Macklin with a 62 finished out the Red Devil ladies scoring effort.

The win gave Avon Park a record of 1 and 1 for the young season. The Devilette golfers will be idle until April 6 when they will travel to Bartow for a return match with the girls from Polk County.

The win gave Avon Park a record of 1 and 1 for the young season. The Devilette golfers will be idle until April 6 when they will travel to Bartow for a return match with the girls from Polk County.

## Track Team Opens

The twice rain-delayed Red Devil track team will open its 1978 season today (Thursday) in Fort Meade against the Miners and Bartow at 4 p.m.

Next Tuesday the Devil track team will be at home to host the Moore Haven track team in a dual meet slated to start at 4 p.m.

Coaches Chet Brojek and Harry Williams are expecting additional help from the Red Devil varsity boys

basketball team which captured Class AA State Runners-up honors this past week-end in Lakeland. Several members of the cage team have reported out and will be ready this week for action on the track.

The Avon Park track is located just east of the football field at Memorial Stadium and fans are invited to attend the interesting Red Devil meets which will be held here during the spring.

## Local Convoy Leaves For Training Exercise

On March 14, 43 men and 21 vehicles were prepared ready and left for the 10 day training exercise, known as Blue Flag, to be held at Eglin Air Force Base, near Pensacola. The convoy from the Avon Park Bombing and Gunnery Range left early Tuesday morning and expected to arrive at their destination in the late afternoon on Wednesday, Mar. 15.

At Eglin, they will rendezvous with other men from the Bombing Range who have been on another mission at Shelby Range, near Gulfport, Miss.

It has been reported that a number of bases from the Eastern and Southern United States will participate in exercise Blue Flag. For the men station at the Avon Park Bombing Range, participating in this type of exercise, is a recurring requirement, to help keep the men in a state of readiness for action whenever they may be needed.

## Foursome Wins At River Greens

Harry Penney, John Reed, Urbey Welis, and Fred Govedich teamed up last Wednesday to win the weekly Pro-Am tournament at River Greens Golf Club. The winning foursome turned in a net of 25 1/2 points.

Fred Layton, Walt Kline, Dick Lundquist and Jack Osborne finished with a net 16 1/2 points to take second place. There were 12 teams competing.

Chip Acker had the best individual score in the "A" division followed by Harry Penney who topped the class "B" players.

Jim Timberlake won the "C" section and Leon Delaney came in first among the "D" players.

## Gabe Sheppard Catches Nile Perch In Highlands

Wednesday, Mar. 8, Gabe Sheppard caught a 3 1/2 pound Nile perch in a lake just east of the city of Avon Park. He was fishing with a friend, Alvin DeLaney and Gabe's brother, Raymond, who incidentally stated that he had taught Gabe all he knew about fishing. Gabe, only launched!

He was fishing with an artificial lure at the time he snagged the perch. Nile Perch are reported to be vegetarians and excellent eating.

Gabe and Raymond are the sons of Mr. and Mrs. Raymond Sheppard, of Avon Park.

## Shepherd Wins A Division

Twenty-eight ladies teed off at River Greens last Monday in the Ladies Pro-Am Golf meet. At the end of the day the team of Louise Peffer, Marge Osborne, Barb Johnson and Grace Kline had topped the field with a +20.

Bernice Shepherd came in first in the A Division. Evaloe Reed captured the top spot in the B Division. Hallie Penney won the C Division, and Grace Kline was the winner of the D Division.

## Brojek Finishes Third In Lakeland Run

Two Central Florida Striders placed well this past week-end in 20 kilometer race in Lakeland. The 12.4 mile race saw Red Devil track coach Chet Brojek come in third overall and third in the 30-39 age group with a time of 1:16:53 clocking.

The time was a personal best for Brojek at this distance as he preps for the Boston Marathon, which will be held April 17.

Middle School coach Joe Baker placed ninth overall and fourth in the 20-29 age bracket with a 1:28:53 effort. Baker's

time was also a personal best for the distance.

The Central Striders runners Club will sponsor a 5,000 meter run this Saturday, March 18, at 9 a.m. at the Avon Park High School. The 3.1 mile race will feature age group awards in seven areas and is expected to draw some 40 distance runners to the contest.

Entry fee for the 5,000 meter race is \$1. A one mile fun run will be held following the 5,000 meter event. There is no entry fee for the fun run.

## Local Farmer Grows Four Headed Cabbage

A farmer all his life, Billie Hill, found a new exciting plant in his garden in the form of a four headed cabbage to plant with a fifth head starting to develop under the leaves.  
In his garden Billie planted the cabbage seed (Copenhagen variety) and does not transplant cabbage plants. Thus the multiple headed cabbage plant was a find, as Billie in his long experience of farming and gardening, had never seen anything similar to it. Billie said that the cabbage plant had not been cut off to produce the heads.  
When he moved to his present home in 1958, Billie started gardening as a hobby. Generally he planted collards, turnips, cabbage and mustard greens in the fall with some cauliflower. During the summer he planted peas, corn,

## Opportunity Knocking

By John Burris

Looking for a job? Last week, the Avon Park Sun published the first of a continuing series of possibilities that jobless people of our community could pursue in order to change their status from that of UNEMPLOYED to EMPLOYED.  
Here's this week's openings at FSES:  
Manager Trainees needed in Sebring and Avon Park.  
Route Driver needed in Avon Park.  
Laborer needed in Avon Park.  
Medical Secretary - Avon Park.  
Cocktail and Food Waitresses - Avon Park and Sebring.  
Of special importance to you employers is the fact that the Florida State Employment

**"We do more than just fill out tax forms. We can help save you money."**

People don't come to H&R Block just to have their tax forms filled out. They come because Block can help them save money. We dig for every honest deduction and credit. That's Reason No. 1 why H&R Block should do your taxes.

## Church Schedules Holy Week Services

The Episcopal church Women of Avon Park met for their regular monthly meeting in the Parish House of the Church of the Redeemer on Wednesday, Mar. 9.

After a short "coffee", Mrs. Nelson Kluberg, opened the meeting and Mrs. Edward Hall, led the devotions. Secretaries and Treasurers reports were read and approved.

Mr. James Turnbull, Senior Warden, gave a brief account

of Church business, since the resignation of Fr. Cleveland. He also announced that the new Rector Father William C. Harris will assume his duties at the Church of the Redeemer, during Holy Week, March 20.

Services during Holy Week are scheduled as follows: No service on Wednesday, March 21. Monday, Thursday, a covered dish supper, 6:30 p.m. to 7:15 p.m. in the Parish House. Holy Communion in Church at 7:30 p.m. Good

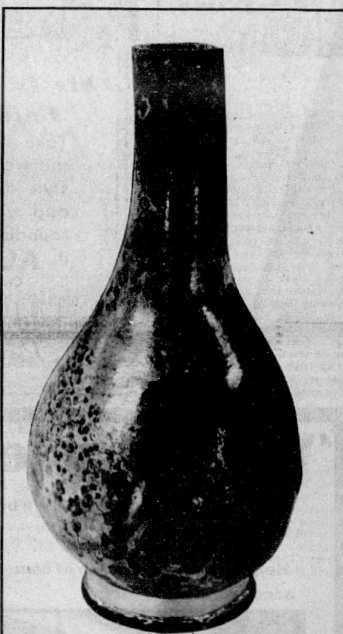

Friday service will be held from 12 noon to 1 p.m. The usual Sunday services will be held on Easter Sunday, with Holy Communion at 8 p.m. and Choral Holy Communion at 10 a.m.

The regular Wednesday service this week will be at the usual time, service at 6:30 p.m. followed by covered dish supper in the Parish House. We are hoping a large group will be at church on Monday, Thursday to welcome our new Rector and also hoping that he will find contentment and happiness in his ministry in the Church of the Redeemer.

## New From Ethan Allen

For an Office at Home or a "Home-like" Office

Just arrived — executive desks and chairs in classic traditional styling and favorite cabinet woods — and they're a lot more than just great looking. Desk tops are "presidential" size, 74" x 34". Each desk features a Pendaflex file holder and center draw lock that secures all drawers. Matching swivel desk chairs have heavy duty casters and a tilt mechanism with full adjustment for seat height and back angle. All famous Ethan Allen quality, of course.

The Royal Charter desk (above) is in sturdy solid Oak with a heavy 2" top of handsome matching veneer. The Old Tavern desk (bottom) is Antiqued Pine and selected veneers with 1 1/2" solid top.

# Clown Visits Hillcrest Nursing Home

Walter J. Reid of Avon Park is a clown in the sense that he likes to put on the wardrobe, including makeup and make people laugh or smile.

Reid is a sad clown, in the style of "Emmett Kelly." He is invited to entertain at birthday parties, for all ages, and other happy occasions.

Walt kindly donned his outfit, sad face and all went to the Hillcrest Nursing Home one afternoon to help bring a little cheer and happiness in the lives of the patients. A telephone to Ruth Ewing,

activities director at the nursing home and everything was set up. The patients knew that he was going to be there, but not when, and their eyes lit up when they saw a clown entering the hallway.

Walt quickly went into his routine of sweeping imaginary dust spots, on the floor and on their shoes. Several of the patients talked with him, but he could only answer with a "toot" of a horn; one toot meant yes, and two toots meant no.

**Olive Long, a patient at the home, quickly recognized his act and said, "Hello, Emmett Kelly."**

Of course, this really made Reid's day, the fact that she had recognized the act, and thought he was the great Emmett Kelly. Reid quickly pointed out to me, at a later time, that no one could compete with the great Emmett Kelly, but it was

joy to him for people to recognize his act and perhaps a little bit of Kelly in himself.

**Walt stated that the most difficult part of being a clown was always having a sad face and not being able to speak, in keeping with the famous Kelly tradition.**

Walt is retired from the Recreation Department of Miami Beach. He lived at Miami Beach from 1929-1975 and worked with the Miami Beach Recreation Department for many years. He has received numerous awards for his works in this capacity. He started his career in recreation as a player, and director and from that position to supervisor and his last three years were as Superintendent of the Recreation Department.

During his work with the recreation department he started his role as a clown. Reid said, "I've always been fascinated with clowns, especially Kelly, so I decided why not give it a try." He

would put on shows for the students he worked with at the center and friends parties. In Avon Park he has been in the Halloween Parade and guest of birthday parties both children and adults.

Mary Ann is Reid's wife, and they recently celebrated their 25th anniversary. Mary Ann is employed by the Highlands County School board, and works with the profoundly mentally retarded in Sebring. The Reid's have four children and four grandchildren. Mrs.

Rene (Ellen) Minshew, and sons, Shad and Sirmon of Tazewell, Va.; John W. Reid and wife Jacque and their son,

Christopher of Binghampton, N. Y.; Allen Reid and wife Ozzie of Binghampton, N. Y.; and Mrs. Gary (Wendy) Allen and their son Scott of Binghampton, N. Y.

Walt also has another profession, he teaches tennis. He taught two adult beginner classes last summer at Avon Park Rec. Center and also one for children ages 8-18. He has played the game since the age of 7 and was on his

high school tennis team. He currently has five students and may again teach at the Recreation Center for beginners, this summer, if there are enough applicants. Reid has taught the game since he started with the recreation department in Miami Beach, as a play ground supervisor.

When I asked Walt on why they decided to retire in Avon Park, he answered, "Mary Ann's brother, Russell James and her father, Phil James, live here and each time they visited the family she would notice a piece of property that she liked and commented, 'That's where I want my home built'..."

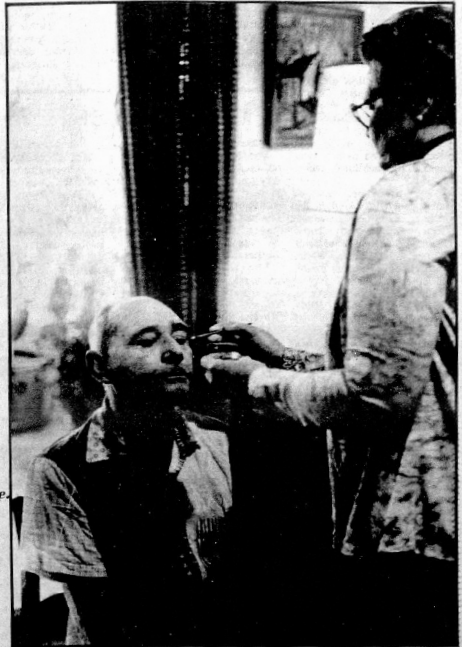

And that is where they have had their new home built, overlooking a lake in a quiet secluded neighborhood. Reid also stated that they liked living in a small

community, and he went on to say that; a traffic jam in Avon Park is three cars stopped at the signal light on Main Street! not quite like it is in Miami.

Reid may act the role of a sad clown, but the smile and laughter that comes from people that see him, warms a cold heart, so to speak.

We visited the Ridge Area Day School previous to that of Hillcrest Nursing Home, but unfortunately the film was accidentally exposed, therefore the pictures were ruined.

**People of all ages love a clown, as one can well see on the faces of the patients from Hillcrest Nursing Home.**

MARY ANN is putting the clown makeup on Walt, getting ready for the afternoon's activities.

MAUDE HADDOCK says "hello" to the visiting clown.

OLIVE LONG and Icie Campbell are happy to see and talk with the clown that had come to visit with them. Cora Comfort is in the background looking, and perhaps wondering what was going on.

Edward Collins was visited in his room at Hillcrest by Reid. Edward is the father of one of Walt's friends.

JEANETTE FRASER was happily surprised as the clown, walking past her room, stopped to say "hello," which he did with the shake of a hand and a toot of his horn.

## Social Security

Q. It's been my understanding that a woman should always change her name with Social Security when she gets married. Well, I'm getting married in May but I plan to continue to use my maiden name. Do I have to change my name with Social Security?

A. As long as you continue to use your maiden name, you don't have to change your name for Social Security purposes. Just be sure your

employers report your earnings under your maiden name, not your married name.

Q. I'll be 65 next April and plan to stop working June 1st and apply for Social Security retirement payments. When is the best time for me to apply so that my Social Security will start at about the same time my salary checks stop.

A. You should apply for your

Social Security retirement benefits now, but you could have filed 3 months before your actual retirement date. That way there will be no delay between your last pay check and your first monthly Social

Security check. You can apply at any Social Security office. Be sure to bring along your birth certificate, Social Security card, and latest W-2 form.

## Youth Week Baptist Church

Youth Week will be observed in the First Baptist Church, March 12-19. Youth will have leadership responsibilities on Sunday Morning, March 19. They have been engaged in planning for the past several weeks in preparation for these services.

There are more than 60 young people involved in the various activities including: Sunday School and Church Training Directors, children's leaders, secretaries, WMU, Brotherhood, Deacons, music, and ushering.

John DuPrest will serve as Youth Week Pastor, Edwy Garner as Minister of Education and Phyllis Johnson as Minister of Music. We congratulate these young people on their willingness to serve.

## Jim George Speaks At Bible Fellowship

Jim George, an outstanding charismatic speaker who leads a large men's Bible group in Orlando, will be guest speaker at the regular meeting of the Full Gospel Business Men's Fellowship in Sebring on Saturday, March 18, at the Holiday Motel. Dinner will be at 7 p.m., followed by the meeting at 8 p.m.

Jim is personnel director of C. B. Day Realty, Inc., doing business as the Days Inns. Prior to assuming this position, he was the personnel director for the Holiday Inns of Orlando for six years. Before the Holiday Inn position Jim was a minister for 13 years, and for a part of that time was David Wilkerson's pastor.

Jim has both a Bachelor and Master of Arts degree in Religious Education from Central Bible College and Seminary in Springfield, Mo. He is married and has two sons ages 12 and 16. Come and enjoy hearing his testimony.

## Linkletter Named Honorary Chairman Of Drugs Program

Entertainer Art Linkletter has been named honorary chairman of the national Community Crusade Against Drugs (CCAD). An education anti-addiction effort sponsored by the Seventh-day Adventist Church.

Bruce Wickwire, national director of the program, said that CCAD is a narcotics education effort designed to reach every student in America. A recent donation by Carl Karcher, president of Carl's Jr. Restaurants, has provided 150 subscriptions for students in Catholic schools in Orange County, Calif.

CCAD produces a monthly publication entitled "Listen," which features interviews with famous personalities who tell why they don't smoke, drink, or experiment with drugs. It also provides printed and taped teachers' guides, classroom and assembly speakers, and films. The entire package is being provided free to schools as long as funds are available from private donations.

In accepting the post of honorary chairman, Mr. Linkletter praised "Listen" as "a tool for educating in the vital areas of personal habits and health, with a program aimed at curbing the ever-growing social problems revolving around drug and alcohol abuse."

College Orchestra to perform Saturday March 18 at 11 a.m. in the Highlands Lakes Junior Academy gymnasium on Avon Blvd. beyond Lake Lillian, the Southern Missionary College of Sebring. The 50 members orchestra will perform under the direction of Orlo Gilbert. One of our own Avon Park girls, Debra Clark, senior music major, will render a french horn solo. Everyone is cordially invited.

## FAITH EXPOSES THE UGLY FACE OF GREED

The compulsion to acquire more and more material wealth becomes a chronic disease with many of us, which seems to worsen with the passage of time; and the flames of greed are fed by its own successes. Friendships can be destroyed and even close relatives have turned against each other over this worst form of selfishness; while additional earthly punishments take the form of impaired health and higher taxes. Faith in God is sorely needed to help us regain our perspective and to see the true values of life. Regular attendance at the Church of your choice will teach you that the only real wealth is the love of God, which will provide you with all the material things you will ever need.

There is no Wealth but Life.

# Southlands Court News

By Frank White

This is the season of declining activity by fewer visitors, and nicer weather, so there is less to write about. Shuffleboard attendance should pick up now.

March 3, Bingo had good attendance, with 25 present and Goldia Dunn won the coverall.

Tuesday's Coffee Hour attendance was down, only 21 showed, and at the Game Night that same evening only a couple of people came, not enough to play any game. It

**BURGULARY CHARGES**  
Larry Randolph, 22, of Landress Trailer Park, Avon Park, has been charged with burglary by Highlands County sheriff's deputies in connection with a break-in at the residence of Warren Mitchell of Avon Park.

A window screen at the Mitchell residence had been pushed in, but nothing was reported taken.

## VANDALSTRAMPE FLOWERS

Viola Jones of Avon Park told Highlands County sheriff's deputies that some neighborhood children have been climbing her garden fence and trampling flowers in her yard.

## SWIMMING POOL

FOR  
SOUTH FLORIDA JUNIOR COLLEGE  
AVON PARK, FLORIDA  
Will be received by the Board of Trustees of South Florida Junior College, Avon Park, Florida, in the Board Conference Room at the South Florida Junior College, Avon Park, Florida, until 2:00 P.M., Local Time on March 22, 1978.

Any bid received after 2:00 P.M., Local Time will not be considered. Oral, telegraphic or telephonic bids will not be accepted. Bids shall be submitted on proposal forms furnished by the Architect. A specimen form is found in specifications. Complete sets of Contract Documents are on file and may be examined at the following:

1. Murphy, Hunter, Silvers & Brady, Architects, P.A.  
1212 Edgewater Drive  
Orlando, Florida 32804

2. Central Florida Builders' Exchange

When addenda to the Contract Documents are issued, the Architect will send a copy of such addendum to all full set holders of record. Complete Contract Documents may be obtained from the Architect upon deposit of \$50.00 for each set of documents. The full amount of the deposit for the first three (3) sets of documents will be refunded to Contractors submitting bids, upon return of the documents within ten (10) days, after the time of opening of bids. For all other complete sets of documents, including those required by sub-contractors and materials dealers, a deduction of \$25.00 per set will be made from the deposit to cover the cost of reproduction and the balance refunded upon return of the documents as indicated above. Each bid must be accompanied by a Bid Bond in the amount of five percent (5 percent) of the Base Bid, payable to the District Board of Trustees, South Florida Junior College, Florida. Performance and Payment Bonds, each in the amount of 100 percent of the Contract Sum, will be required from the successful bidder to whom contract award is made. No Bidder may withdraw his bid for a period of thirty (30) days after actual date of the opening thereof. Attention of Bidders is particularly called to the requirements as a condition of employment to be observed under the Contract. The Owner reserves the right to waive any informalities, to accept or reject any bid, to reject all bids and re-advertise, or to reject all bids without further action, whatever appears to be in the best interest of the Project. Bids may be held by the Owner for a period not to exceed thirty (30) days from the date of Bids for the purpose of reviewing the bids and investigating the qualifications of the Bidders, prior to awarding the Contract. March 2, 9 & 16, 1978

was so nice and warm that evening for a change, that people preferred the outdoors. Some men's shuffle games attracted a lot of spectators. Columbia City, Ind., Mr. and Mrs. George Kneiler with Noel Smith, then Mr. and Mrs. Austin Hodson with Mrs. Paul McClain. Mr. Arnold Koehlinger also visited them,

but he is willing to say he is from Bradenton.

Tuesday, Feb. 28, Mac and Carl Phillips had a lot of visitors, Lawrence and Marje Foon, Leslie and Vi Southern, Cecil and Amy Robinson, Herb and Thelma Dewar along with court residents Horton and Grace Rowsome. All the men named above are retired from

right at the time you couldn't get people inside to play games.

Oelschlaeger had their daughter and husband, Mr. and Mrs. Howard Walker, and their two children, spend a week with them. They are from the hoosier State, or course. Edith and Herman also have had home town visitors from

Phillips Cable Co., of Brockville, Ontario.

Ray and Martha Long recently had visitors from the Keystone State, Leila Anspach, from Danville, spent a week with them. Some short term visitors were Elwood and Dorothy Stackhouse of Hughesville, Pa., plus Gary and Marsha Anspach and

children of Key West.

Latest news: Everett and Bessie Paxton, long-term residents here, have decided to change their life style. After some 64 years of matrimony and almost that many years of home ownership, they have decided to shed some of the responsibilities and live in a rented apartment in this town.

They will probably sell their home in Indiana and have just sold their mobile home in this court, to people already living in Southland Court. I don't have permission to give you names, but all you readers can easily find out who purchased it. Almost everyone will be glad to see Paxtons settle where they can walk to the Post Office, Bank, and

Supermarket, etc. and not have to travel to Indiana and return each year.

Women's Shuffleboard Thursday afternoon, March 9, scheduled for 1:30, was rained out half an hour before starting time. The next court Pot Luck dinner, the last before some locals depart, will be March 16

# Holiday Ranch News

By Barbara Ebmeyer  
Holiday Ranch lost one winter resident when Les Nivik and his dog, Gigi, left Sunday Mar. 9, for his home in Arkansas. James and Margaret Bateman of Indianapolis, Ind. came in on Wednesday to stay.

As usual this time of year there are many visitors. It seems that all the relatives and

friends are glad to get away from the frozen north for a few days and come to the (sometimes) warm and sunny south.

The Lloyd Valentines left March 9, for their home in Blisfield, Mi., after a week's visit with her parents, Bob and Mildred Savage. Budd and Any Stoder of Caryville, visited the Savages from Sunday until

Wednesday. The Edward Colbys of Beverly, Mass., have been visiting the Bill Bergstroms. On Monday Mar. 6 they all visited the Bok Singing Tower in Lake Wales. Tuesday, Dudley and Myna Bacon joined them for an enjoyable day at Circus World. On Thursday the Bergstroms left for a week-end at Clearwater and Bradenton.

Mr. and Mrs. Warren Curry of Cape Coral called on Bill and Leona Lynn Sunday, Mar. 5, and they went to the Black Forrest for dinner. The next day Clayton and Evelyn Wing of Caledonia, N. Y. were guests of the Lynns. Then on Wednesday, their son and his family arrived at the Tampa airport for a two week visit. They are Hal and Priscilla and

Baby Sean, who also live in Caledonia, N. Y. Mildred Kennedy of Nashville, Tenn. came in by train on March 4 to visit her cousins, Harold and Dot Manges. This is her fourth yearly visit to our park and it is nice to see her back. John and Babe Marks of Sun Ray, and Wisconsin visited the Manges on March 8. Mr. and Mrs. Gary Wittwer

and children, Christy and Cary, who have been visiting her parents, the Willis Lehmans, and left Saturday, Mar. 4, for their home in Decatur, Ind. They all spent Wednesday Mar. 1, at Bush Gardens. Bill and Doris Prentice of Merritt Island, former residents of Holiday ranch, visited Floyd and Violet O'Neil, Monday Mar. 6. The

next day the O'Neels went to Lakeland and ate lunch at Seawest Cafeteria, shopped and then went to the Lawrence Walk matinee. They thought it was wonderful program, or should we say "wonderful" as Lawrence does? Others from the park who attended the Walk Show were Dick and Doris Somers and Max and Dora Crossett. They

had dinner at the Sea Wolf afterwards. Bob and Mildred Savage, Karl and Ida Walter, Gordon and Lucille Willnow, of the park, and Mrs. Arlene Albright enjoyed a chicken barbecue last week. They are all members of the Over 40 Exclusive Club back in Adrian, Mi.

The Augie Tessmans and Ted Lee spent Thursday Mar. 9, in Lakeland shopping and had lunch at Morrisons. The Lees called on the Sylvan Bakers and John Deers of Avon Park earlier in the week. Floyd and Violet O'Neil spent Monday, Mar. 7, in Plant City watching the parade and visiting Mr. and Mrs. Paul Patty and the H. Thomases of Iowa. Their guests on Tuesday were Mr. and Mrs. Gordon Erickson of Mora, Minn. They are staying in Haines City at the Lakewood Trailer Court. O'Neels were visited by Mr. and Mrs. Mac Pierce of Leesburg on Sunday Mar. 5. Mr. and Mrs. Kenneth Hens of Auburndale were dinner guests of Karl and Ida Walter Wednesday, Mar. 7, and on the next day their dinner guests were Karl's mother sister and nephew, Mrs. Elizabeth Walter, and Mrs. Rose Bradish, of Lake Worth, and Roger Bradish of Mr. Pleasant, Mi.

On Sunday Mar. 5, Mr. and Mrs. Clair Reno and the Max Crossetts attended Founder's Day services at the 40 year old Florida Ave Baptist Church. The speakers were former pastors, Rev. O. K. Collier, Rev. Lester Miller, Rev. Tucker. A beautiful dinner was served at noon and the services included the Christ Ambassador Singers. On Wednesday they attended the Sudan Missionary Conference at Sebring. Tuesday, the Renos visited Mr. and Mrs. Homer Downey, Bob and Mary Walterhouse and Bill and Leona Lynn went with Emmert and Maymie Weaver to the Passion Play at Lake Wales Tuesday, Mar. 7. Mary, Irene Bergstrom and Mabel Seals attended the hobby show at the Winter Guest Club.

Al and Marian Petters and the Les Clutes, drove to Orlando, Monday Mar. 6, and took the plane from there for Balston Spa, N. Y. to attend a Masonic service.

# Winter Guest Club News

**Shuffling**  
On March 6 and 7 the final games for the regular shuffling tournament were held. In the B division George Tissot and Al Wilson were first in the main with Ross Vampell and Henry Berlew second. In consolation play it was Emma Carlson and Harris Steward first, while Harold Reed and Jack Smith took second place. In the A division it was Clyde Getchell and Twylla Wurster first in the main with Otto Kroeger and Wesley Bruce taking second. In consolation play Jake Turfler and Oliver Colson were first place, Richard Meyer and Wm Bayes took second.

**Pot Luck Dinner**  
On March 4 there were 100 members and guests present for the regular Pot Luck Dinner. Hosts and Hostesses were Mr. and Mrs. Levern Staley and Mr. and Mrs. Winnie Kinch. Guests present were from Indiana, Ohio, Ontario, Canada, Penn-

sylvania and Michigan. There were two birthdays and anniversaries which were honored with songs. The program consisted of stories by Levern Staley, readings by Grace Staley and group singing led by Lloyd Wyant.

The last Hymn Sing for this season was held on Sunday Mar. 5, with about thirty people present. Everett Bletham was in charge.

Mr. and Mrs. Mariano Buono of Highlands, Ind. are visiting their parents Dorothy and Henry Barnett. On Saturday they went to Myakka City to see the Lippians. The Buonos are spending a few days in Tampa.

**Crafts**  
Due to the Hobby Show there was no crafts class on Thursday Mar. 16, and several

new projects will be introduced. Hosiery and satin flowers will be continued. Classes will continue through March with three more classes. Here's hoping that members will continue to attend these last events.

**Hobby Show**  
Once again the Annual Hobby Show, held at the Winter Guest Club in Avon Park was an outstanding success. The

two day event starting at 2 p.m. to 8 p.m. on Wednesday and on Thursday from 10 a.m. until 4 p.m. attracted about eight hundred visitors according to registration lists. They came from twenty one different states and one province of Canada.

The "Burst of Spring" theme was most appropriate for the beautiful Springtime theme inside, was repeated in the

natural Springtime outside. Members have been working all winter to prepare the work being shown at the show. Everything was hand made and unique. Demonstrations of various crafts drew many interested visitors. This is probably the first time that the "Eye of God," a navajo work has been shown in this part of the state.

Every year the visitors say that this show was the best ever and it is true that Hallie Wetmore and her helpers have put in much time and effort to make it better each year with introducing new projects and improving on older ones.

Sincere thanks for Hallie to all Committee Chairman and their helpers for working so hard to make this Show the wonderful success it was.

On Saturday, Mar. 11 trophies will be awarded to those players who have won 100 points or more during the regular shuffling tournament schedule. Ross newly elected President of the Winter Guest Club, will present the trophies. Those players receiving trophies in the A division are as follows; Wm. Bayes, Charles Bidstrup, Allan Brady, Howard Brevoort, Fred Frye, Helen Gaut, Karl Hart, Ed. Healy, Otto Kroeger, Kellie Larrew, Bernice Long, Geraldine Long, Don Mason, Richard Meyer, Alton Wetmore and Jake Turfler.

In the B division, the winner are, Dudley Bacon, Helen Berlew, Henry Berlew, Helen Brady, Hazel Brevoort, Emma Carlson, Burl Cori, George Davis, Mildred Frye, Foster Jolliff, Earl McLarty, Harris Steward, George Tissot and Al Wilson.

On Friday, Mar. 3 the Pro-Am District tournament was rained out. It has been rescheduled for Thursday and Friday Mar. 23 and 24.

**Bridge**  
On March 7 there were 64 tables for bridge. Tom Chase was high with \$110 and Grace Porter next with \$50.

**Pinochle**  
On March 3 there was a small group for pinochle due to the scheduled shuffling tournament. However, Lee Mc-Fredrick was high with \$21 and Wm. Benson next with \$55. On March 6 there were 14 tables of play with Fanny Klenk first with \$15 and Jack Smith second with \$84.

**Election of Officers**  
On March 6, the Board of Directors met with the newly elected members, and the following officers were elected: President: Rose Carlson, 1st Vice President: Ray Olson; 2nd Vice President: Mac McDougall, Secretary: Lorene Weber, Treasurer: Dorothy Barnett. Other members of the
