Churches Unite In Sunrise Services

The Avon Park Ministerial Association is sponsoring "Easter Sunrise Services" which will start at 8:30 a.m. on Sunday, March 26, at Donaldson Park.

The annual event is non denominational and various churches throughout the city of Avon Park will have representatives at the service. A brass ensemble from the Avon Park High School under the direction of Scott Whittemore, will provide the music. Hymnals will be lead by Dr. Calvin Vice, C. E. Director of the

First Baptist Church. Rev. William J. Ziegenfuss, Union Congregational Church will give the invocation; morning prayer, Rev. Paul Seary; Church of God, scriptural message, Rev. George Frater, Our Lady of Grace Catholic Church; offertory prayer, Rev. Byron Schor-

tinghouse, Church of the Nazarene and the Easter message and benediction will be given by Rev. V. J. Ragdale, First Presbyterian Church.

The open air service at Donaldson Park, at 8:30 a.m. Easter Sunday morning will be such a beautiful experience. It will give you such a wonderful inner satisfaction. Please Come.

The Ministerial Association also sponsors a "Good Friday" service which will be held at the First Baptist Church, N. Lake Ave. on Friday, March 24 at 7:30 p.m.

Rev. Aden Childress, host pastor, will extend the welcome invocation and Rev. William J. Ziegenfuss, Union Congregational Church the offertory prayer.

Special music will be provided by the First Baptist Church choir under the direction of Mrs. Sybil Watson, with Rev. James S. Click, Jr., of the First Christian Church bringing the spiritual message.

The public is cordially invited to attend both services. All Christians are urged to come together in brotherly love and unite their faith to worship the crucified and risen Lord Jesus Christ.

Fire Destroys Four Homes Spears Charged

Highlands County Sheriff's investigators continue piecing together bits of evidence in their effort to determine the reasons for an Avon Park resident destroying four homes by fire last Monday evening.

According to officials, Russell Spears, 24, of Alabama Ave., was involved in a case of aggravated battery with a David Williams who later was admitted to Walker Memorial Hospital with undetermined injuries. Williams allegedly was severely beaten and kicked by Spears, who then reportedly set fire to a

residence which was occupied by four people.

As a result of that blaze, three other homes in the immediate vicinity burned to the ground before the raging flames could be brought under control.

Following his arrest, Spears reportedly resisted with force and now faces charges of aggravated battery, arson of a dwelling at night, and criminal mischief.

Authorities allege that while scuffling with deputies, Spears reportedly broke the glass facing from a candy machine at the county jail.

Probe In Shooting Of Benjamin

Investigators of the Highlands County Sheriff's Department are continuing their probe into a shooting incident in Avon Park last Thursday evening.

According to reports, Willie Benjamin, 27, of 224 Castle Street was struck in the groin by what was believed to have been a .22 caliber bullet. Benjamin told authorities that he and

another black man, Johnnie Morgan were at the beach front at about 8 p.m. when the two became involved in an argument.

In Benjamin's words, "He just up and shot me". Sheriff's Investigator Bob Hopen reportedly questioned Benjamin and witnesses to the shooting incident, but was unable to locate Morgan who was

Local Policeman's Family

Killed In Car-Train Accident

By: John Burris
An unsignaled railroad crossing in the northern section of Avon Park was the scene late yesterday of tragic death and destruction.

At approximately 2:40 p.m., Lake Isis Ave., at its intersection with the Seaboard Coast Line tracks claimed the lives of a young woman and her two small children.

Victims of the fatal mishap were identified as Nancy Singletary, 24, her son Matthew believed to be about 3 years old, and the baby girl which was reportedly only a few months old. The wife of Avon Park Police Officer, Donnie Singletary 27, the young woman was believed to have been enroute home from a mid-afternoon shopping trip, when the tragedy occurred.

According to several witnesses, that particular crossing has been the scene on previous occasions of a number of near-fatal mishaps.

Other witnesses at the scene stated they lived nearby and had done everything in their power to bring about the installation of crossing signals, but apparently it was all in vain.

Officials of the Amtrak passenger train estimated their speed at approximately 35 mph, however, numerous opinions were expressed at the scene of the fatal tragedy that the train had to have been moving at a much higher speed.

According to Police Chief, Robert Brooks, many of his officers had to be relieved of duty following the tragic crash because of their uncontrollable distraught. Brooks noted that police officers daily have to contend with situations involving death, but, in his words, "When something like this

happens, you just can't control your emotions".

Bodies of the victims were taken to Walker Memorial Hospital where

positive identification was made. They were then transferred to Stephenson-Nelson-Smith Funeral Home where final arrangements are pending.

The national colors throughout the city of Avon Park remain at half-staff, in final salute to Donnie Singletary's family.

Death Car

Policeman's Wife And Two Children Killed Instantly In Car-Train Accident

Parents Alarmed Over Children's

Safety At Middle School

The results of a basketball game between women faculty members and girl students at Avon Park's Middle School last Thursday afternoon is believed to have been the cause of a flaring of tempers.

According to Principal Dan Kirkpatrick, the game was in the final second of play when two white students allegedly began shoving each other. Kirkpatrick stated, "Of course, the teachers were right there and had the scuffling well under control almost before it began."

When queried about black students being involved in the incident, Kirkpatrick replied, "Of course, I wasn't there, but I believe there was a group of black students on the school grounds shortly after classes had been dismissed for the day."

"As I understand it, Kirkpatrick continued, "they apparently were told to disperse by the police and I believe one of the blacks either didn't hear the officer, or refused to do as he had been instructed." "In any event," Kirkpatrick added, "that one black student as I understand it, was placed in the back seat of the police car and taken downtown."

Although a number of white students at the school stated they had witnessed a police officer allegedly being struck by "some kind of pipe" in the hands of a black student, Police Chief Robert Brooks said that no officers had been attacked.

With regard to the black student who supposedly had been transported to police headquarters, Brooks stated, "We brought the youngster down here, gave him a good strong talking to, then put him back in the car and took him home."

When questioned as to whether he would talk about the incident with a tape recorder being used, Kirkpatrick adamantly refused, stating, "I absolutely will not, since it is quite obvious that this thing has been blown completely out of proportion." "I'll talk with you," Kirkpatrick added, "but not with a tape recorder going."

According to various sources, sometime last fall the school reportedly was the scene of an alleged sexual attack by two blacks upon a white student. Parents of some of the black and white students have indicated they are becoming increasingly alarmed over the safety of their children who are attending classes at the Middle School.

While school officials seemingly play down the importance or seriousness of such "accidents", it is "minor incidents" that sometimes can spark trouble.

Turnbull Comments

In speaking of the disturbance at the Middle School last Thursday, school

board member, Margaret Turnbull reported that there were high school students involved. She didn't feel that there was any good reason for high school students to be on the middle school campus either before or after school - even if they were dating 7th or 8th grade students.

Mrs. Turnbull pointed out that if parents don't hear about the problems at school until five or seven days later there is not much we can do about it.

"Children are always scrapping among themselves and being unkind to each other," she said as she cited her own children as an example. But she could see no reason for high school students being on the Middle School campus.

Mrs. Turnbull reported that Dr. Ferrel Smith had been asked to visit the middle school. Also that if any high school students were seen on the campus the police should be called. And she urged

that parents of high school students advise their children to remain off the middle school grounds.

Roberts Reaction

On learning of the disturbance at the Avon Park Middle School, Steve Roberts, school board member, visited the school. In reporting back he said, "All the information he had was second hand, but if something has happened, I will be the first to push for speedy positive corrections."

In regard to high school students on the school grounds he felt these students were trespassing on both the middle and elementary school grounds if they didn't have a good reason for being there.

However, Roberts said, "He thought it wrong, in the way of trying to protect the children, by not laying it in the line and let the newspaper report what happens. Then if the newspaper gets it wrong the matter can be taken up with the newspaper."

School Board Refinances Bonds - Saves Highlands County \$318,000

Highlands County School Board's venture into the high finance of reassessing \$2.9 million in school bonds appears to be successful as \$318,000 has been shaved from the amount needed to pay off the original issue.

Due to more favorable bond market conditions, the board was advised to consider the reissue of bonds, which were originally floated in 1970.

Under terms of the reissue that was approved by the board at a special meeting March 16, a more favorable interest rate of 5.21 percent was found in the best bond bid offer. The original interest rate was 6.87 percent.

In addition, the computing of interest on the annual balance to be repaid has been done in such a way that additional savings can be realized. The net savings for the schools is \$318,000 Superintendent Dr. Dan Davis and Walter Shirley, finance officer, said.

Shirley said.

School officials and board members are pleased with the results of the refinancing of bonds. The contract was awarded to Nuvreen Corp.

Davis said there are several people who were especially helpful in obtaining the savings for the county. Efforts on the part of community leaders who attended a special luncheon a few weeks ago that was geared to help Highlands discuss the county's good points with representatives of Moody's Bond Raters.

The bonds were rated "A" by Moody's and it's one of the few school districts to have such a rating for bonds, Board Chairman Mrs. Ruth Davis told the News.

This high rating helped secure lower interest rates on the bonds. The rating is a favorable reflection on the county's financial condition, Davis said.

He said the efforts of Shirley, and Mrs. Davis (she arranged the luncheon meeting), Board Member Kenneth Grady, James McCollum, board attorney, and James Crawford, First

National Bank of Sebring president, were all helpful in working on the reissue question.

It is not possible at this time to determine if the reduction in the bond issue's costs will be reflected in a future cut in tax millage rates when the new bond repayment rates take effect in 1980.

Sidewalk Sale Set For April

"April In Avon Park" will be the theme of Avon Park's second Sidewalk Sale on Friday and Saturday, April 7 and 8.

Betty Jordan, Chairman of the Chamber's Merchants Committee, stated the spring sale would be open to all merchants. Avon Parks first Sidewalk Sale last October received raves from city officials as well as the customers.

Plans are being made by the chamber office for entertainment in the Mall along with plant sale in the Mall and additional attraction.

Despite numerous objections from Sparta Road area residents, Highlands County Commissioners unanimously approved a zoning change that will permit apartment construction.

The request to overturn a zoning board denial of the plan was presented by Wesley Ward, Sebring Realtor, at Tuesday's regular commission meeting. He represented property owner Effie A. Foster, an invalid widow who is interested in selling the property.

Ward explained that it is not feasible to develop the land in single family housing because there are no sewer lines running in the area. He said development of units of triple or greater apartments is planned for the site, which is adjacent to the convenience store near Tower Square.

He said there had been many false statements made about the apartment plans at the zoning hearing. He stressed the units were not for low-income families. Rents are expected to run between \$300 and \$400 a month.

"I object to the falsehoods that have been circulated about this," Ward said. He added that when zoning went into effect in 1971, the parcel was mis-zoned as single family residential, instead of something that reflects its best use.

Property owners in the affected area nearly filled commission chambers to voice objections to the change.

One man claimed the type of people who rent apartments are not interested in the area.

Commissioner Carl Arant Jr. pointed out that when he first moved to the county he rented for one year.

Several residents fear property values will be devalued because of the apartment complex. Ward said the type of people who would be renting units would not be a menace to the neighborhood.

Floyd Thompson, a Sparta Road resident, said he was concerned about traffic congestion and the possibility of more crime in the area.

Arant said the area is somewhat grey because of problems that were created in the past. "We have to accept the fact that Sparta Road is no longer a residential street by the amount of traffic on it."

He pointed out there have only been four new houses built on Sparta Road in the past five years and a total of seven in the area. The construction rate is about half what it is in other residential areas.

Commissioner Robert Skipper said the road has become one of the city's arteries.

The board voted 4 to 0 in favor of changing the zoning on the 4.85-acre tract from R-1 single family residential, to R-3, multiple family residential.

Chamber Members Need To Pull Together On Drive

Co-Chairmen, Gene Bigbee and Charles Bryan appeared to be upset by the poor showing of Chamber of Commerce members. No one touching the chamber's goal of 250 members with the end of the March deadline fast approaching.

In Bryan's words, 20 per cent of the members do 80 per cent of the work, which is probably true of most organizations.

In Avon Park he said there were over 200 new businesses that were not members of the Chamber of Commerce. A list of these new businesses was sent to all members of the Chamber — the results after about three weeks of the membership drive is only about 40 new members and most of these were brought in by about a half dozen people.

It appears that too many of the chamber members are willing to send in a check and then check on the chamber to see what the chamber is doing for them. Others after they send in their check, set on their butts. Some are downright critical of the chamber and other organizations pulling for Avon Park. Then there are some who don't want to

get involved in any manner — too much work they say.

There is a feeling among some Chamber of Commerce members that if Avon Park is good enough to live in — then Avon Park is good enough to help pull for it and help work to improve it.

And a good example of pulling and working together is the Avon Park High School Basketball team. At the beginning of the season the team was not conceded much of a chance in the conference. At along tournament play. Down several times by 10 or more points, they didn't know the work word quit. Down by 20 points at the State Tournament they stamp together and won that game from Cross City, finally coming in as State runner-up.

With only a week left to reach the goal it appears the chamber to see what the chamber is doing for them. Others after they send in their check, set on their butts. Some are downright critical of the chamber and other organizations pulling for Avon Park. Then there are some who don't want to

NCSC Out Of Touch With Citizens

U.S. Rep. L. A. "Skip" Bafalis, R-Fla., took the National Council of Senior Citizens to task today for promoting "all sorts of ultra-liberal giveaways" under the guise of helping senior citizens.

"The NCSC is no more of a senior citizen's group than the ADA (Americans for Democratic Action) is," Bafalis said. "The council merely reflects the liberal bias of its founder, Sen. Frank Church, a former AFL-CIO lobbyist and an avid liberal activist."

"It most certainly does not reflect the thinking of the senior citizens of Florida's 10th District," the Congressman said. "If the Congress wanted to help senior citizens, it would stop deficit spending, stop throwing money away on one irresponsible scheme after another. It would start spending the taxpayers' money wisely and frugally. If Congress did that, the pensions and the social security checks that senior citizens live on would not disappear so fast," Bafalis said.

During consideration of the Social Security Reform Act, the House voted to eliminate the earnings limitation — the ceiling which says Americans over 65 can't work and earn more than a modest amount without losing Social Security benefits they've built up over the years, Bafalis noted.

"This was a patently unfair ceiling, one which senior citizens resented and wanted lifted," Bafalis said. "Yet the National Council of Senior Citizens opposed lifting the ceiling and called those Congressmen who voted to do it 'wrong'."

The Council's position on food stamps legislation was just as far out of touch with the thinking of most senior citizens, Bafalis said.

During consideration of the omnibus farm bill last year, Bafalis and 172 other Members of Congress voted to clamp a lid on this rapidly expanding program — a program which has increased in cost some 14,000 per cent in just 10 years. Unfortunately, even though the lid would have kept the program's cost at a generous \$6 billion, the NCSC also condemned as "wrong" those Congressmen who voted to require that food stamp recipients pay for a portion of their stamp allotment, even though experience has shown that eliminating the cost of the stamps drastically increases the likelihood of fraud.

"It just shows how far out of touch with senior citizens this group really is," Bafalis said. "But then, the National Council of Senior Citizens is not really a pro-older Americans group."

State Farm To Return \$22.5 Million

Recently Bill Gunter, State Insurance Commission was able to announce that State Farm Mutual Insurance Company had agreed, through its dividend program, to return \$22.5 million to auto insurance policyholders in Florida.

The return will be 27.6 percent of the premium paid during the last six months of 1977.

The dividends will be paid on renewal, or by check if a policyholder fails to renew.

Individual policyholders can calculate their savings by applying the 27.6 percent dividend to the premium they paid for the

last six months of 1977.

The \$22.5 million being refunded by State Farm is well in excess of the \$10.6 million indicated in its notice of Dec. 2, said Gunter by telephone. It goes beyond that amount, State Farm, in my view, has acted in very good faith with its Florida policyholders.

The \$22.5 million being returned to Florida policyholders is nearly 20 percent of the total dividend being paid by State Farm nationwide and well in excess of the return in any other state.

I think it's a sign that we are doing something right in Florida, he added.

Gator Hunting Applications

Applications are now being accepted for Alligator trapping agent positions for the Game and Fresh Water Fish Commission.

Colonel Robert M. Brantly, executive director of the Commission, said the contractual positions are an integral part of the nuisance alligator control program slated to begin in early April.

"Applications are available from any regional office with interviews slated for the end of March," Brantly said. Certain qualifications, however, must be met before a person can be considered.

"Applications must reside in the region to which they would be assigned, must possess the ability to handle alligators and equipment, and necessary equipment as well as have sufficient time to respond to the needs of the program."

"In addition, the applicant must not have been convicted of a croc-related violation within the past five

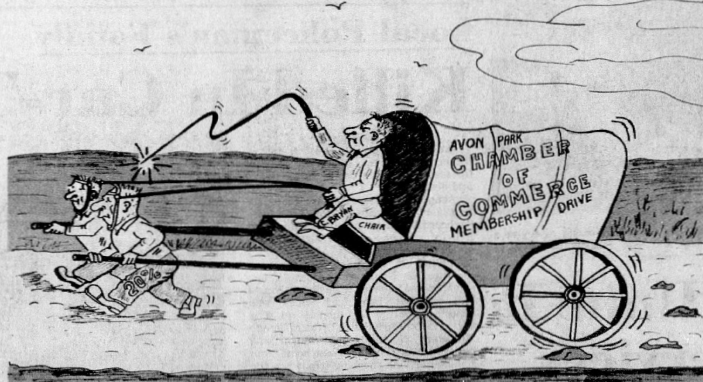

years."

Interviews for the Northwest Region will be March 27 at 8:30 a.m. at the Panama City office. The South Florida Region will conduct them at the Lakeland office on March 28 and 29 at 8:30 a.m.

The Northeast Region has scheduled interviews for March 22 and 23 at 8 a.m. at the Lake City office with the Ocala office the site for the Central Region interviews at 9 a.m. March 29 and 30.

Interviews for the Everglades Region will begin at 9 a.m. on March 28 at the West Palm Beach office.

Interested persons can obtain more information on the applications by contacting any regional office. The toll-free numbers are: Panama City — 1-800-342-1676; Lake City — 1-800-342-8106; Lakeland — 1-800-282-8002; Ocala — 1-800-342-4020; West Palm Beach — 1-800-432-2046.

Hospital To Offer Stop Smoking Clinic If Wanted

Dear Editor:

For years Walker Memorial Hospital has offered, as a public service to this community, a 5-Day Stop Smoking Clinic. The interest has been to help people preserve their health.

I have personally organized and conducted several of these both at the hospital and elsewhere throughout Highlands County.

Now U.S. Secretary of Health,

Califano, has given up smoking and has a burden in this area. The American Cancer Society is convinced "beyond reasonable doubt" of the link between smoking and cancer in coming out with another massive drive to get people to stop smoking. The Heart and Lung Association is trying more than ever to convince people to stop smoking.

Here at the Hospital we are still ready to conduct more 5-Day Plans which we

feel give tangible help, if only there is enough interest.

I would like to plan for another clinic in April or May but this is dependent on whether there is sufficient demand.

If you want one, tell your friends and write to the hospital. No phone calls at this point please.

Chaplain Bennett

Language Department Spanish - Si: English - No!

Letter to the Editor:

Spanish - Si: English - No! Senator Hatch, (Utah) has submitted the Spanish version of the Panama Canal Treaties to the Brigham Young University Language Department for analysis - to see if the English and Spanish versions SAY and MEAN the same thing. There are 320 discrepancies in translation - some of which are major differences in meaning - always to our disadvantage.

The Senate Rules Committee has ruled that the Spanish version may not be discussed by the Senate. At the same time the proponents of the treaties refuse to correct the discrepancies or to have the English version take precedent over the Spanish version. Yet the treaties state that each is equally authentic.

There are, therefore, two distinct sets of treaties. We the American people are being misled to accept the English version, while Panama can and will live by the Spanish version.

For instance: We are being assured that the U.S. may "act in case of aggression or threat." The Spanish version gives Panama the sole option to determine when the U.S. can take defensive action. If communist Panama should arrange for Cuba or the Soviet to take over the canal, the Spanish version restricts the U.S. from taking action against Cuba or the Soviets, unless Panama directs us to do so.

Another example: We are being assured, in the English version, that we will have the right to quickly move our warships through the canal - that we will

get expedited treatment. The Spanish version says we have rights to only "simplified procedure." That is, the paper work will move more quickly. Panama's ambassadors have openly stated that the treaties do not give U.S. warships the right to go through the canal.

There are many such discrepancies, written in such a way that they could only be deliberate. The proponents of the treaties are not only refusing to make both treaties mean the same thing, but they have maneuvered to protect the versions in their different meanings.

Social Security Benefits

1. Supplemental Social Security income payments can be made to retarded individuals who have few assets and little income.

2. Medicare law requires hospitals to submit to Medicare claims for outpatient services on behalf of the patient.

3. Students over 18 collecting Social Security benefits can continue to receive benefits during summer months if they attend spring and fall sessions.

Social Security Questions And Answers

Q. I get Social Security retirement payments. I also work part time. In the past, some of my benefits have been withheld because of my yearly earnings. Didn't a new law just change the annual amount a person can earn without losing benefits?

A. Yes, but the change only applies to beneficiaries age sixty-five to seventy-two. Under the new legislation, a person who is sixty-five to seventy-two can earn \$4,000 in 1978, and still be paid full Social Security benefits. A person sixty-five or older who has earnings over \$4,000 will have \$1 in benefits withheld for each \$2 of earnings. Further increases in the annual exempt amount are scheduled through 1982, when it will be \$6,000. After that, the exempt amount will be adjusted automatically to reflect raises in average wage levels. Also, starting with 1982, no benefits will be withheld on account of earnings for beneficiaries age seventy or older. The 1978 annual exempt amount for people under sixty-five is \$3,240, with the \$1 for \$2 reduction on earnings above that.

Q. I've only been working under Social Security for a few years — since I finished school. I heard that a recently enacted bill changes the way a person earns Social Security credits. What is the new method?

A. Beginning with 1978, all workers and self-employed people will earn one quarter of coverage for each \$250 of covered annual earnings. No more than four quarters can be earned for any year, regardless of a person's total earnings. The measure will be increased each year to reflect increases in average wages. Under the old law, most employees earned a quarter of coverage for each calendar quarter in which they were paid \$50 or more in covered wages. Self-employed people earned four quarters if their net earnings were \$400 or more.

Q. Since I started getting Social Security payments a few years ago, I've received a cost of living increase in my benefit amount every year. Now, I hear that the provision for these increases has been changed. Does this mean that I won't get them any more?

A. No, the provision for automatic cost of living increases in Social Security benefits remains in the law. People getting Social Security checks can be sure their benefits will increase to keep up with the cost of living.

Q. When I started getting Social Security widow's benefits, I was told that my payments might be stopped or reduced if I remarried. Is this still true. I may remarry this year.

A. Under a recent change in the law, a widow or widower who remarries after reaching age sixty will not have her or his benefits reduced. Under the old law, benefits to a widow or widower were sometimes reduced if the person remarried after age sixty. This provision is effective for benefits beginning January, 1979. Benefits that had been reduced under the old law will be increased to the higher amount starting in January, 1979.

4. It is wise to request your Social Security earnings record every four years to make sure earnings have been properly reported.

5. All Social Security beneficiaries should report to Social Security if their expected earnings will exceed \$3,000 in 1977.

Cookie Sales Unethical

Editor:

I think the persons who purchased Girl Scout cookies at Jerry's Beauty Salon should be told that the purchase of these cookies did not benefit the Girl Scouts of Avon Park or Highlands County.

These cookies were apparently brought in from another council, probably The Tropical Council (Miami Area).

For Jerry to purchase cookies from a

relative or friend in that Council for her own consumption was certainly alright. Even to purchase a few boxes for her friends was not wrong.

BUT to bring in large amounts of these cookies and set up a cookie sales shop in her beauty salon in competition against our Avon Park Girl Scouts seems to me to be very unethical and non-community-minded.

Sincerely
Elsie B. Hall

Hunting Meeting Needs Ideas

To the Editor:

Regarding a recent "Letter to the Editor" entitled "Working people should have say in hunting meet" by Edward J. Jackson dated February 23, 1978, the Game and Fresh Water Fish Commission appreciates his interest in attending these meetings. We also agree that because their purpose is to solicit input on hunting and fishing from the general public, they should be held at times when the working class can attend. For this

reason all of our meetings are held on Saturdays or weekdays evenings so concerned citizens who hold down jobs can come and say what's on their minds.

If Mr. Jackson has suggestions on better times to hold our meetings, we would be more than happy to hear from him. He can call us toll-free at 1-800-282-8002 and let us have some ideas.

Sincerely,
L. J. James T. Farrior

Group Wants Hometown Support

Gentlemen:

Another year has rolled by and you did it again! You gave us such excellent coverage on all of our events this year, that we would be ungrateful, indeed, if you didn't receive special written thanks to all your staff members for their efficient service. Most of our contacts have been with Low Miller and Betty Ambrun, so we wish to especially thank them. However, we realize there are others

behind the scenes who have done their share equally well. Our organization truly needs the support of hometown industries and services. You helped so much.

Sincerely,
Laura V. Neubauer

FRIDAY MAR. 15, Dick Robinson, representing the Sebring Elks Lodge 1529, presented a \$1,000 check to Mayor Marshall Davis, and City Clerk Malcolm Crews, towards the building of a concession stand at the new ball park complex. Sunphoto by Betty Amburn.

Sebring Elks Lodge Supports Ball Park

Past Exalted Ruler, Dick Robinson, representing Sebring Elks Lodge 1529 of the benevolent and protective order of Elks, was happy to present a check for \$1,000 to Mayor Davis, and city clerk, Malcolm Crews representing Avon Park.

The money is to be used for the purchase of equipment for the concession stand at the new ball park complex on West Bell St.

Sebring Elks 1529, has always been interested in the youth of our community, sponsoring Boy Scouts, Girl Scouts, all phases of Little League, and the Elks Hoop-shot.

Most of all the support and operation of the Elks Harry - Anna Cripple Childrens Hospital at Umatilla, Fla.

Klugman To Host Easter Seal Telethon April 1st

With three-time Emmy winner Jack Klugman as host, the seventh annual National Easter Seal Telethon kicks off on Saturday evening, April 1, at 11 p.m. Eastern Standard Time. The 20-hour non-stop event will be broadcast over a national network of television stations, including Channel 9 - WFTV from Orlando. The Central Florida Speech and Hearing Center will participate in the Telethon, in Lakeland at the Florida Federal Savings and Loan Building on Lake Morton. Plans call for local programming of twenty minutes during each hour of the national show. Lakeland has scheduled Pat Morgan, the "Banana Man" with WWSN to help with the Telethon from 1 - 5 on Sunday afternoon.

The Easter Seal Telethon, designed to raise the funds needed to help handicapped children and adults, has been sponsored by the National Easter Seal Society for Crippled Children and Adults since 1972. Since that time, it has raised over \$11,000,000 to help fund Easter Seal camps, rehabilitation and treatment centers nationwide in their work of treatment and rehabilitative care for a variety of crippling diseases, accidents, birth defects, speech and hearing impairments, and learning disabilities. Easter Seals is the oldest voluntary health agency in the nation giving direct services to handicapped persons.

Klugman, who first gained national television fame as Oscar Madison in the long-running series, "The Odd Couple," is currently the star of NBC-TV's "Quincy." Klugman worked closely with Telethon producer Woody Fraser.

More than 100 top stars,

singers, and musicians from stage, screen and television will join Klugman during the 20-hour event, to provide a galaxy of great entertainment for the estimated 34 million persons who will watch the show.

You won't miss this all-star show. The greatest stars will entertain you and at the same time you'll have a chance to help the children and adults at the Central Florida Speech and Hearing Center in Lakeland.

The Central Florida Speech and Hearing Center serves patients from all over Polk County. Through it's noble unit, it also serves patients in outlying communities who are unable to come to the Center in Lakeland for therapy. The Easter Seal Society in central Florida serves a five county area: Desoto, Hardee, Highlands, E. Pasco, and Polk. Funds raised locally remain in the area to assist children and adults at the Speech and Hearing Center.

If you have any questions, please do not hesitate to contact the Clinical Director of the Center, Ms. Gay Ratcliff, at 696-3181.

SGT. RAY RAGSDALE, of the Avon Park Police Department, directs traffic at the Minor League parade last Saturday.

The Kids With C-L-U-B-S

Across America 700 Communities are giving C-L-U-B-S to 1 million Kids. But it's cause for celebration, not confrontation.

The 1,100 Boys' Clubs of America - are celebrated National Boys' Club Week. In all 50 states, Puerto Rico and the Virgin Islands, young people between the ages of 6 and 18 are saluting the things that Boys' Clubs do every week to develop the potential of each member.

C-L-U-B-S - Careers, Leadership, Understanding, Brotherhood, and Stamina - are catch-alls for fundamental Boys' Club activities: teaching employment skills, providing community service, creating educational opportunity.

fostering racial and ethnic cooperation and promoting health care.

For more than a century, Boys' Clubs have been open to help youngsters find the best in themselves and the world around them. Processional staff members are trained to understand kids and their problems and to help give them a fighting chance to learn positive skills for living and how to have fun.

According to a 1977 Gallup poll, Boys' Clubs are not always well known by Americans. But they are always on the job for kids - and they work.

Countless young people have grown into healthier, happier employees, leaders, parents and human beings thanks to a

Wm N. "Bill" Jones

Bill Jones Returns To Avon Park

Wm. N., "Bill" Jones, son of Estelle and the late Marvin Jones, 18 S. Florida Ave. has recently returned to Avon Park with his two daughters Lori and Karen.

Bill was born in Avon Park and graduated from Avon Park High School in 1954. He also attended Florida International University, Miami.

After serving three years in the United States Army he was employed by the Miami Beach Police Department, retiring this past February after 20 years of service with the department.

Bill will be associated with Davis and Roberts, Realtors, at their branch office in Avon Park.

Women May Also Be Victims

For many years, the American Heart Association and other health educators have thought about women primarily in relation to the heart health of their husbands and their families. The male epidemic of heart attack certainly justified using any and all means to gain control of the rampaging death being dealt.

In the process, the Heart Association points out, we almost have lost sight of the fact that more women in the United States die of cardiovascular diseases than from any other cause. Regardless of the male vulnerability in this respect, diseases of the heart and blood vessels are the number one health problem of women, as well.

Women are entering into the mainstream of a lifestyle which has contributed to male vulnerability to heart attack. While women appear to have some amount of protection from heart attack during premenopausal years, the advantage rapidly is being dissipated through a growing acquisition of traditional male risk factors.

As equal participants in a way of life which produces unusual and unnecessary risks of heart disease and stroke, the American Heart Association urges women to look to their own heart health.

TAX TIME GOT YOU THINKING?

How much do you owe in State, Federal, Property taxes? It adds up quickly - sometimes too quickly for us to keep up with. Don't let tax time get you down... get up and call us for a low cost tax loan on easy terms.

by *Betty Amburn*
Society Editor

NEW OFFICERS OF THE Federated Garden Club took their oath of office Thursday, Mar. 16, at the Florida Power Lounge. Seated L. to R. Vera

Davis, president; Evelyn Delk, vice-president; Standing L. to R. Mrs. Guy Decker, treasurer; Jane Barben, 2nd vice-president; Daisy

Wellangk, recording secretary; Wilma Heiring, historian; and Emma Bussard, chaplain. Smphoto by Betty Amburn.

Federated Garden Club Installs New Officers At Salad Luncheon

The Avon Park Federated Garden Club met in the Florida Power Lounge March 16 for their annual Salad Bar Luncheon. Each table was beautifully decorated with bowls of lovely, colorful, spring flowers including gerberas, petunias, calendulas, nasturtiums, ageratum, azaleas, and dogwood. The luncheon table was laden with a variety of salads and desserts, pleasing to the eye as well as plate. Officers of the Federation were hostesses for this occasion.

Preceding the luncheon, the business meeting was opened by Evelyn Delk, president. Emma Bussard gave the invocation. Evelyn announced that the Anderson Gardens in St. Petersburg will be open to the public from 9:30 a.m. to 6:30 p.m. on April 14, 15, and 16. The charge for this very rewarding garden tour is \$1.50. Vera Davis was elected as delegate to the State Con-

vention to be held at Daytona Beach, on May 17 and 18.

The yearly plant exchange will be held, on the Mall, on April 3, in the morning. Members will bring cuttings and plants. The public is invited to participate.

Installation of new officers for the 1978-1979 season was the highlight of the meeting. Emma was in charge of this beautiful and inspiring occasion. She likened the induction ceremony to the planting of a garden. Ruth Geldart assisted in the ceremony by presenting each officer with a lovely flower, as Emma instructed each officer with the duties of her office.

Officers for the Avon Park Federated Garden Club will be as follows: Vera Davis, president; Evelyn Delk, 1st vice-president; Jane Barben, 2nd vice-president; Mrs. Guy Decker, treasurer; Daisy Wellangk, recording secretary; Genevieve Hurd,

corresponding secretary; Emma Bussard, chaplain; Wilma Heiring, historian.

The new officers of Founders Circle are as follows: Lou Grose, president; Ruby Demko, vice-president; Louise Gregg, recording secretary; Alice Shader, corresponding secretary; Mrs. E. W. Hart, treasurer; Miriam Debo, chaplain; and Wilma Heiring, historian.

The Hibiscus Circle officers will be: Jamie Sawyer, president; Laura Neubauer, vice-president; Mrs. John Ferguson, recording secretary; Mrs. G. L. Smith, corresponding secretary; Mrs. Guy Decker, treasurer; Mrs. Marshal Davis, historian; and Imogene Kelsey, chaplain.

Good Luck and congratulations are extended to all these new officers. The Garden Club officers and members do so much to make Avon Park one of the most beautiful in Central Florida.

Jr Woman's Club Receive

Ribbons

At their recent meeting the Junior Woman's Club members were told by Judy Angelo how members received 11 of 25 ribbons in the District Arts Festival held at Bartow with 11 Junior Woman's Clubs from 11 towns competing.

Winners from Avon Park were: Judy Angelo, second place ribbon for a hand embroidered western shirt; Cindy Turner, second, set of crewel pictures; Linda Laye, second, macrame cradle hanger, first place ribbon for a calico wreath and first, bootery

plaque; Ellen Jordan, second, macrame purse, second for modelling two piece dress and coordinating blouse machine embroidered and third for a two piece peasant skirt and blouse.

The sponsor of the club, Katie Rehner received a blue ribbon for a macrame purse.

President Sue Moseley, called for the nominations of officers who will be elected at the April 4 meeting at the Woman's Club building. Prospective new members are urged to join the club at this time. A white elephant sale will also be held at this meeting.

In a tentative report on the fashion show, Ellen Jordan, co-chairman, thanked each participant who helped make the show a success.

Hostesses for the evening were Judy Maud and Lynette Shepard. The baked goods of the month was made by Eddie MacNeill and won by Judy Angelo.

It was reported that the Junior Woman's Club bake sale in February raised \$53.00, for which the club expressed their thanks and appreciation to the customers and those contributing the baked goods.

Cradle Roll

Mr. and Mrs. Melvin C. Brock of Sebring announce the birth of a daughter, Kevin Dewayne, born March 13, at Walker Memorial Hospital weighing 8 lbs., 11 oz.

Mr. and Mrs. Sigfredo Medina of Arcadia announce the birth of a son, Luis Fernando, born March 13, at Walker Memorial Hospital weighing 6 lbs. 12oz.

Mr. and Mrs. Joe Ceasar Mack, Sr., of Sebring announce the birth of a daughter, Lukeshia Lynette, born March 12, at Walker Memorial Hospital weighing 5 lbs. 5 oz.

Mr. and Mrs. William Ocie McKinny of Wauchula announce the birth of a daughter, Laurie Ann, born March 12, at Walker Memorial Hospital weighing 7 lbs. 4 oz.

Mr. and Mrs. Brian Kent Hendrickson of Avon Park announce the birth of a daughter, Michelle Lynn, born March 15, at Walker Memorial Hospital weighing 9 lbs. 5 oz.

Mr. and Mrs. Juan Manuel Mares of Wauchula announce the birth of a daughter, Eve, born March 16, at Walker Memorial Hospital weighing 7 lbs. 4 oz.

Mr. and Mrs. Chris Allen Marine of Sebring announce the birth of a daughter, Amy Beth born March 10 at Walker Memorial Hospital weighing 8 lbs. 4 oz.

Mr. and Mrs. Joseph Chrisman McCoun of Sunset Harbor announce the birth of a son, Matthew Chrisman, on March 9. Matt weighed 8 pounds 13 ounces and is the couple's first child.

Paternal grandparents are Mr. and Mrs. Thomas B. McCoun, Jr., of Decatur, Ga. Maternal grandparents are Mr. and Mrs. Fred Y. Montaldeo of Ocala. The baby has 3 great grandmothers: Mrs. C. L. Craft and Mrs. W. J. Head of Avon Park and Mrs. J. L. Corby of Miami.

Sharon Smith - William Sullins Exchange Wedding Vows

Miss Sharon Lee Smith, daughter of Mrs. John L. Kaiser and Theron V. Smith became the bride of William David Sullins on February 18, at the Seventh-Day Adventist Church of Lake Wales. William is the son of Mrs. Robert Magruder and Carol H. Sullins of Nashville, Tenn. Pastor Ross J. Syke officiated the ceremony.

Steve Seely provided the nuptial music accompanied by Jim and Judee Crabtree. Their vocal selection was "Entreat Me Not To Leave Thee" and a solo by Jim "The Lord's Prayer".

Bridesmaids Susan Beerbower of Collegedale, Tenn. served as matron of honor, and she wore a blue nylon tricot gown with sheer pastel flower overlay of organza and carried a single red rose.

Joni Loftin, of Collegedale, Tenn., and Durenda Shepard, of Avon Park, served as bridesmaids, their gowns were similar to the matron of honor, except the nylon tricot overlay of their gowns were of different colors green and yellow. They each carried a single red rose.

Paul Buchana of Ringold, Ga., served as best man. Blake Beerbower of Collegedale, Tenn., and Vincent Smith, brother of the bride, of Columbia, S. C. served as groomsmen. Iward Loftin of Collegedale, Tenn., Eric Smith and Chris Smith both brothers of the bride and of Columbia, S. C. served as ushers.

Mrs. John Kaiser, mother of the bride chose for this occasion, a full length gown of navy chiffon, with a silver brocade on navy bodice.

The groom's mother was unable to attend.

A reception was held in the Social Room of the Church immediately following the wedding ceremony. The atmosphere was romantic as the room was lighted by candlelight only. A four-tiered cake, decorated with blue roses was placed on a blue madeira embroidered cloth and silver candelabra graced the table.

Mrs. Hazel Walker of Avon Park presided at the bride's book and Mrs. Warren Gordon of Lake Wales presented guest to the receiving line. Those assisting in serving were Mrs. Marjorie Cook of Avon Park, Mrs. Judee Crabtree of Avon

Mrs. William Sullins

Park and Miss Cheryl Bradley of Lake Wales.

The couple left for a wedding trip to Daytona Beach after which they will reside in Collegedale, Tenn.

William is employed in the computer data processing department of Better Foods Co., in Chattanooga, Tenn.

The bride given in marriage by her father, wore a gown of white satin with a nylon

overlay, edged with appliqued roses of alencon lace. Her head was adorned with a pearl beaded coronet with a veil of illusion, and she carried a bouquet of white daisies and ribbons tied in love knots.

The church was beautifully decorated with white gladiolus, placed in Grecian urns and white candelabras intertwined with ivy, giving a garden effect.

Easter Egg Hunt At Bombing Range

There will be an Easter egg hunt on Friday, March 24 at 2 p.m., at the APCI Staff Training Building. All children of APCI and Air Force personnel are invited to attend. APCI will furnish the eggs and the Wives Club will provide the prizes. Come on over kids and have a good time!

Happy Birthday

and Melton Thomas.

March 25 - Al Yarbrough, Jr., Chuck Shane, Mike Talley, Joyce Henry, Cynthia Goodwin, and Chester Seagar.

March 26 - Henry Perry, Dick Reisinger, Jimmy Crocker, John Mesa and Mrs. Virginia Correll.

March 27 - Mae Girtzen, Hazel Howell, and L. W. Wicker.

March 28 - Irma McCullough, Bobby Edmondson, Joseph Campeau, Betty Ormand, Clarie Johnson, and Janet Ewell.

March 29 - James Goodwin, Jacqueline O'Steen, Kenny Sharpe, Perry Waldron, Jr., Petula Cook, Jimmy Bennett, and Sue Hebenthal Townsend.

If you have a friend or loved one who is having a birthday soon, please call us so that we may add their name to our list.

Deborah Lorraine Woodward Engagement Announced

Mr. and Mrs. R. L. Woodward of Avon Park announce the engagement of their daughter Deborah Lorraine to

Joel Carpenter, son of Mr. and Mrs. W. M. Walker, also of Avon Park.

A May 6, wedding is planned with the Rev. Paul Seary officiating the wedding ceremony.

Deborah is a 1974 graduate of Avon Park High School and is presently employed as a deputy clerk at the Highlands County Court House.

Joel is presently employed at the Avon Park Correctional Institute.

Happy

Easter

He is survived by his wife, Mrs. Erle Weeks, Avon Park. Graveside services were held Friday Mar. 17, at 11 a.m. at the Prescott Cemetery, of Highlands County, with Poincianna Lodge No 227 F. & A.M. officiating. Interment followed.

Arrangements by Fountain Funeral Home, Avon Park.)

Jeffery and Patricia Kuhn. Admission is free to those interested.

The date of the meeting is correction of the date shown on the Ridge Audubon calendar and also of the calendar recently published.

Daniel S. Mailllard
Mr. Daniel S. Mailllard, age 36, of 717 W. Palmstone, Avon Park, passed away Saturday, Mar. 18. Born in Meadville, Pa., he has been a resident of Avon Park for two years. He was a maintenance electrician for the Avon Park Florida Power Company office, a United States navy veteran and attended the Jesus Christ of Latter Day Saints Sebring Church.

He is survived by wife Joyce, one son, Steven, one daughter, Tonda, all of Avon Park. He also leaves a brother, Jeff of Tampa, two sisters, Mrs. Judy Rogers of Tampa, and Mrs. Cheryl Sterling of Hi Ridge, Miss., and his parents Mr. and Mrs. Mailllard of Tampa.

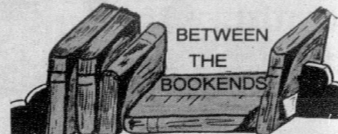

Funeral services were conducted Wednesday, Mar. 22 at 11 p.m. at the Davis Funeral Home of Inverness, with interment following in Hills Rest Cemetery of Florida City.

Reception To Honor Mrs. Estelle Fischer

Wednesday March 29 On Her Retiring

From City Library After 20 Years Of Service

The Friends of the Library, Inc. will honor Mrs. Estelle Fischer at a reception at the City Library on Wednesday, March 29 from 4 p.m. - 5 p.m. Mrs. Fischer is retiring from the Avon Park Library after 20 years of service. The "FRIENDS" invite the community to attend this reception to show Mrs. Fischer their appreciation for many years of outstanding work she has given Avon Park.

Mrs. Fischer spent her childhood in Dublin, Ga., and moved to Tifton, Ga., in 1935. In Tifton the library was housed in the Woman's Club building and Estelle began her library career there in 1939. She was Assistant Librarian for 5 years and was then promoted to Director of the Library for 10 years. Her duties were many

and varied and included an enjoyable stint as "Traveling Librarian" with the bookmobile unit. In 1964 Estelle moved to Florida and made her home in Avon Park. She joined Avis Slaughter at the library here in 1969 bringing with her the many good years of library experience in Georgia.

Estelle has a son, Dan, who is employed with the computer department at Martin Marietta in Orlando where he lives with his wife and three children. Besides her library duties she has always been an active member of the First United Methodist Church and the Avon Park Woman's Club. All of her many friends are glad to hear that Estelle will continue to make Avon Park her home and she will be greatly missed at the library.

Holiday Ranch News

By Barbara Ebmeyer
Just about everyone at the Holiday Ranch enjoyed the delicious pancakes and sausage served Wednesday, Mar. 15, by Bob Savage and his helpers, Clair Reno, Karl Walter, and Gordon Willow. Bob Walterhouse, as wagon-master, and his wife Mary, took care of the dining room. That evening Norm Ringer gave an accordion concert again, as he had returned to the

park that day. He and Ida are making another visit for two days with Al and Marjorie Pettes.
Al had returned on Monday, Mar. 13 from a one week trip to Balaton Spa, N. Y. where he officiated at the Third Degree of Masonry for his son-in-law, John Moore. John and the Pettes' daughter, Gail, had come down to the Ranch to be married in January 1976 at the Avon Park Methodist Church,

followed by a reception in the community room.

Mariam and the Les Clutes met Al's plane at Orlando. He told them it was 10 degrees when he left New York, and it was 80 degrees at Orlando.
Charles and Mabel Travis left Wednesday, Mar. 15, for their home in Jackson, Mi. They will visit a brother in Kentucky on the way. Long time ranch residents, they had been prevented by sickness from coming down earlier. While here they sold their trailer in the park and bought a mobile home in Fairmount to be ready for next fall.

Phil and Wilma Robertson arrived Thursday, Mar. 16 to visit his parents, the Ray Robertsons, after a trip to Mississippi and Louisiana. On Friday, the four of them went on a sightseeing trip and had dinner at the Holiday Inn in Sebring. They left for their home in Blissfield, Mi., Sunday morning. On Saturday they were joined by Gordon and Kate Ries, also of Blissfield,

and the young folks spent the day at the Sea World.

Mr. and Mrs. Kenneth Caseball, who are wintering at New Smyrna Beach, visited the Lloyd O'Neels Monday and Tuesday, Mar. 13 and 14. They all friends back in Des Moines, Iowa.

Bill and Leona Lynn are enjoying a visit this week their son, Harold, his wife Priscilla, and 22 month-old baby, Sean. They went to the Keys, where they went deep sea fishing, and then visited the Everglades National Park and Everglades City.

Max and Dora Crossett and Odette Bowman went to Disney World, Monday, Mar. 13, and dined at the Black Forest on the way home.

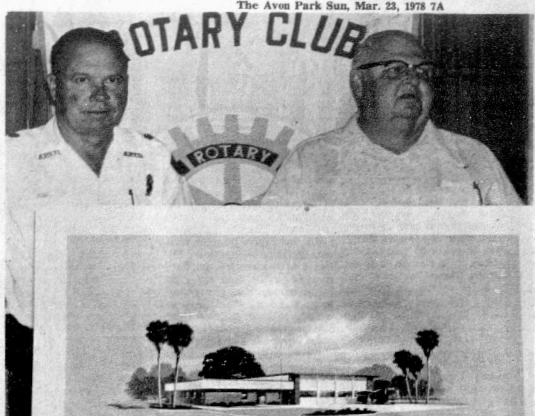

The Russell Bolts and Olin Rohrings of Avon Park, the John Marks of Sun Ray, and Mildred Kennedy of Nashville, Tenn. helped Harold and Dot Manges celebrate Dot's birthday at the Sun-Lake Country Club dining room on March 9.

Mr. and Mrs. Willis Lehman spent Tuesday, Mar. 14, visiting the Richard Zimmermans in Sarasota. They are neighbors in Berne, Ind. Art and Cathrine Grieb of Sebring were guests Tuesday, Mar. 14, of the Bob Walterhouses.

Mr. and Mrs. Karl Walter spent March 9 and 10, with Mr. and Mrs. Syl Lanna at Stuart. Bill Bergstrom went to Winter Haven to see the Boston-Tiger ball game, Monday, Mar. 13.

Ivan and Norma Van Amburg of Lansing, Mi., visited the John Ebmeyer's Tuesday, Mar. 14, and on Friday they went to Winter Haven shopping, and for dinner, at Duff's. The Van Amburgs are spending a week at Highlands Hammock State Park, and came there from Palm Beach. They are neighbors back in Lansing.

The Leo Craigs have left for their home in Lafayette, Ind., and the Carl Peters came in to stay on Thursday.

FIRE CHIEF MACK Flowers (left) and City Clerk Malcolm Crews told Rotarians, last

Wednesday noon about progress on the new Avon Park Fire Station being constructed behind city hall.

Rotarians Hear Of New Fire Station Construction

Program chairman, Bill Britt continued his month as chairman by bringing City Clerk Malcolm Crews and Fire Chief Mack Flowers to speak to the Rotary Club last Wednesday Noon.

The title of Crews talk to the Rotarians was "Federal funding for cities." Both Crews and Fire Chief Flowers gave the club members an up-to-minute breakdown on Avon Park's new fire station. The station is scheduled for completion by

July of this year and will be a 4-story building. Everything inside the building will be new and Chief Flowers looks forward to the day when they move to their new quarters.

They expect the entire project to cost around \$284,000 and they project they will be able to have a drill and training tower behind the station. Also they expect to have enough funds to install a new \$11,000 communications system.

Avon Park Lakes News

Mr. and Mrs. R. W. Spence of Bayfield, N. B. Canada have spent three weeks at the Lakes visiting relatives. Mrs. Spence is a sister in Mrs. L. R. Fillmore, also Mrs. Margie Secum. While in the area they visited the various attractions: such as Sea World, Cypress Gardens, Disney World. They also attended the Lawrence Wet show at Lakeland. The Spence returned to their home last Monday by Air Canada.

Mr. and Mrs. Layton Smith from Shinimicas, Nova Scotia have spent one week visiting the Fillmore's at Avon Park Lakes. Mrs. Smith is a sister of Lloyd's. The Smiths plan to travel to Massachusetts before returning to their home in Nova Scotia, Canada.

My Title To Heaven

Some time ago Dr. Charles E. Fuller, director of the Old Fashion Revival Hour, a world wide broadcast, announced that he would speak the next Sunday on "Heaven", during that week a beautiful letter was received from an elderly man who was very ill. The following is a part of that letter.

"Next Sunday you are to talk about heaven. I am very interested in that land for I have held a clear title to a bit of land there for over 50 years. I did not buy it. It was given to me without money or price. But the donor purchased it for me at tremendous sacrifice. I am not holding it for speculation since the title is not transferable. It is not a vacant lot.

am not afraid, because the best friends I ever had went through the same valley long, long ago, and drove away all its gloom. He has stuck by me through thick and thin since we first became acquainted 55 years ago, and I hold his promise in printed form, never to forsake me or to leave me alone.

"I hope to hear your sermon on HEAVEN next Sunday from my home in Los Angeles, Calif., but I have no assurance that I shall be able to do so. My ticket to Heaven has no date marked for the Journey — no return coupon. Yes, I am ready to go and I may not be here while you are talking next Sunday evening, but I shall meet you there some day.

"For more than half a century I have been sending materials out of which the greatest architect and builder of the universe has been building a home for me, which will never need to be repaired because it will suit me perfectly, individually and will never grow old. Termites can never undermine the foundations, for they rest on upon the "Rock of Ages." Fire cannot destroy it. Floods cannot wash it away. Locks or bolts will never be placed upon its doors, for no vicious person can enter that land where my dwelling stands, now almost complete and almost ready for me to enter in and abide in peace eternally, without fear of being ejected.

"There is a valley of shadows between where I live in California and that to which I shall journey in a very short time. I cannot reach home in the that "City of Gold" without passing through that valley of dark shadows. But I

Avon Mobile Home Park News

Mrs. Isabelle Bacon and Mrs. Helen Schumann, both from Green Bay, Wis., are guests of Mr. and Mrs. Joe Bacon.

Mr. and Mrs. Paul Neal, Mr. and Mrs. John Haley and Mrs. John Evans had a very pleasant visit on March 11, at the Hyatt House in Sarasota. They attended the West Coast Steubenville Day and saw many friends of days gone by. Most of them (about 340 people) are now residents of Florida.

We missed Warren and Nita Byers this week while they visited friends and relatives around Florida; but are happy for them to have had pleasant weather.

WINNERS OF THE Senior Citizens awards at last Thursday's luncheon were:
Jane Hamilton (center); retired tax consultant who has lived in Avon Park four years, coming from Miami and Ralph

Jane Hamilton Named S.O.S. Woman Of The Year

A special luncheon was held March 16 in the Fellowship Hall of First United Methodist Church in Avon Park to honor some of the outstanding volunteers of this community. Mayor Marshall Davis proclaimed March 15-17 "Services Over Sixty Days."

Delores Kaye was Mistress of Ceremonies for the broadcast luncheon which was sponsored by Highlands County Bank of Avon Park. Joseph Oliveri, President of S. O. S. Inc., introduced Keynote Speaker, Rev. Tom Jones of First Christian Church in Sebring. Rev. Jones said the awards were one of the "paychecks" for volunteers.

Woman of the Year was Mrs. Jane Hamilton. Jane is active in many organizations and serves in several responsible positions at Fellowship Baptist Church. With her husband, she delivers meals to homebound elderly for the Hope project, and her friendly visits help brighten the day for many lonely shut-ins.

Man of the year was Ralph Fuller. Ralph is active in several community service projects, including work on the Avon Park Mall. He has worked with a cerebral palsy child and in other children's projects and programs. Fuller has been a volunteer driver for the Hope of Highlands County Avon Park Office and has transported people to hospitals for treatment in Avon Park.

Altha Satterwhite, board member and Florida Mother of the Year, presented the "George Awards." She explained that most of us have been asked to volunteer for something at one time or another, and many times we stand back and say "Let George do it."

Those volunteers who were honored were: Helen Burton, Artha Close, Julia Cribb, Marian Debo, Dick Enoch, Ross Hamilton, Thomas Westberry, Rev. Paul Steiner, George Kelsey, John Settles

Fullmer, (left) living in Avon Park five years and coming from Onsted Falls, Ohio and a retired high school counselor, Joe Oliveri, president of S.O.S. made the presentations. Supphoto by Lew Miller.

and Dora and Joe Shafer.

Luncheon was planned and coordinated by Rockwell Carrier, S.O.S. Inc., board member. The luncheon was underwritten by Vernon Stayer owner of Tower 86 in Lake Placid. Also recognized at the luncheon were Fred Weinbrandt, Knights of Columbus, Don Mason, Avon Park, Winter Guest Club, Inc. and Bob Dauback of Highlands County Bank of Avon Park.

Joseph Oliveri expressed special thanks to the sponsors and to all those "Georges" who helped make the luncheon possible.

Revival Held At Methodist Church

Revival services will be conducted at the First United Methodist Church from March 29 to 31 and April 2. Services Wednesday through Friday will be at 10 a.m. each morning and 7:30 p.m. each evening. Sunday services will be at 11 a.m. and 7:30 p.m.

The evangelist will be Dr. M. C. Cleveland, District Superintendent of the Lakeland District of the Florida Annual Conference of the United Methodist Church. He was born in Camilla, Ga., is married to the former Alice Wallendorf, and has two sons and one daughter. Dr. Cleveland received his undergraduate degree at Weston College and earned the Master of Theology degree at Princeton Theological Seminary. He was awarded the honorary Doctor of Divinity degree by Florida Southern College.

He has served on many committees and boards. Also he has served as senior pastor in some of the largest churches in the Florida Annual Conference, including First Church of Orlando and Park Temple Church of Ft. Lauderdale.

The public is cordially invited to attend the services and enjoy the ministry of Dr. Cleveland.

Garden Club To Meet March 27

Featured speakers for the March 27, Garden Club of Sebring meeting to be held at the Ag-Center on Rt. 27 at 2 p.m. will be Lewis Maxwell and Edgar Martin. The J.C. Penney store in Avon Park is sponsoring the program. Store manager W. Earl Jackson will also be a guest of the club.

Maxwell is a professional Entomologist and Plant Pathologist. He works as an agricultural consultant and writes and lectures on horticultural subjects. He has written many books on gardening including "The Florida Plant Selector." Florida Garden Guide a bi-monthly publication for Central and South Florida is also published by him. Maxwell will present a slide program on the home vegetable garden and will be available after the meeting to answer questions and autograph his books which will be on sale after the lecture.

Edgar Martin will be giving a talk preceding the slide program entitled How Broad Is The Miracle, which deals with gardening and chemicals. The talk is timely and relevant to today's gardening. Martin is assistant manager of the Turf and Garden Area of Agricor, one of the Williams Companies. Before assuming his present position Edgar was President of E. A. Martin Seed Company and Martin's Garden Stores. Program is open to the public and begins at 2 p.m. Business meeting for garden club members will begin at 4 p.m.

Couple Announce Engagement

Mr. and Mrs. Woodrow Locke of Sebring announce the engagement of their daughter Barbara J., to John H. Huddleston of Avon Park. He is the son of Mr. and Mrs. Harvey Huddleston of Benson, Ariz.

The bride-elect is a graduate of Sebring High School. The future bridegroom is presently employed as a guard at Avon Park Correctional Institution. The couple have made plans to be married May 27 at First Baptist Church of Lake Josephine.

VERA DAVIS PROUDLY show us the Easter Lilies she has blooming in her backyard.

Hillcrest Nursing Home Has Afternoon Entertainment

Short Monday afternoon entertainment programs were started at the Hillcrest Nursing Home on Oct. 3, by Mildred W. Long. On Oct. 24, Lois Johnson offered to assist and has been most helpful. They have worked together as a team. The programs have continued during the winter months and we wish to thank all who contributed to them.

The Shuffleaires, a men's singing group from the Winter Guest Club, have entertained four different times. The Mobilaires, a ladies Glee Club from the Avon Mobile Home Park, have also entertained, and from the same park we had Mr. and Mrs. Russell Bridge who sang duets and Lewis Tripp who played his accordion.

Agnes Dentler brought a group of ladies from the Congregational church to sing for the patients.

Ellen Hunt also brought a group of ladies from Bonnie Brae Mobile Park to sing. Eula Gunning gave a piano concert.

On March 27 we hope to be favored with duets by Mr. and Mrs. Warren Byers, plus guitar numbers by Warren.

April 3, the Mobilaires will

entertain again, and Dorothy Keyes will give a short ventriloquist act. April 10, the entertainment will be given by a square dance group from the Winter Guest Club. April 24, there will be duets by Catherine Baker and Mildred W. Long, accompanied by Eleanor Damon, who will also

give some piano selections. This will conclude our triologist act. April 10, the entertainment will be given by a square dance group from the Winter Guest Club. April 24, there will be duets by Catherine Baker and Mildred W. Long, accompanied by Eleanor Damon, who will also

entertain again, and Dorothy Keyes will give a short ventriloquist act. April 10, the entertainment will be given by a square dance group from the Winter Guest Club. April 24, there will be duets by Catherine Baker and Mildred W. Long, accompanied by Eleanor Damon, who will also

entertain again, and Dorothy Keyes will give a short ventriloquist act. April 10, the entertainment will be given by a square dance group from the Winter Guest Club. April 24, there will be duets by Catherine Baker and Mildred W. Long, accompanied by Eleanor Damon, who will also

entertain again, and Dorothy Keyes will give a short ventriloquist act. April 10, the entertainment will be given by a square dance group from the Winter Guest Club. April 24, there will be duets by Catherine Baker and Mildred W. Long, accompanied by Eleanor Damon, who will also

entertain again, and Dorothy Keyes will give a short ventriloquist act. April 10, the entertainment will be given by a square dance group from the Winter Guest Club. April 24, there will be duets by Catherine Baker and Mildred W. Long, accompanied by Eleanor Damon, who will also

entertain again, and Dorothy Keyes will give a short ventriloquist act. April 10, the entertainment will be given by a square dance group from the Winter Guest Club. April 24, there will be duets by Catherine Baker and Mildred W. Long, accompanied by Eleanor Damon, who will also

entertain again, and Dorothy Keyes will give a short ventriloquist act. April 10, the entertainment will be given by a square dance group from the Winter Guest Club. April 24, there will be duets by Catherine Baker and Mildred W. Long, accompanied by Eleanor Damon, who will also

entertain again, and Dorothy Keyes will give a short ventriloquist act. April 10, the entertainment will be given by a square dance group from the Winter Guest Club. April 24, there will be duets by Catherine Baker and Mildred W. Long, accompanied by Eleanor Damon, who will also

entertain again, and Dorothy Keyes will give a short ventriloquist act. April 10, the entertainment will be given by a square dance group from the Winter Guest Club. April 24, there will be duets by Catherine Baker and Mildred W. Long, accompanied by Eleanor Damon, who will also

entertain again, and Dorothy Keyes will give a short ventriloquist act. April 10, the entertainment will be given by a square dance group from the Winter Guest Club. April 24, there will be duets by Catherine Baker and Mildred W. Long, accompanied by Eleanor Damon, who will also

ON THE

SFJC Fine Arts Complex Nearing Completion

"By leaps and bounds, South Florida Junior College continues expanding and growing every day." Those words, uttered by SFJC Vice-president, Wilford J. Beumel, came as he addressed the noon meeting of the Avon Park Kiwanis on March 14.

Beumel told his attentive audience that the new Auditorium and Fine Arts Complex, presently under construction, is rapidly nearing completion. Describing it as being comparable in size to a Broadway theater, Beumel said the auditorium will have a seating capacity of 1,500, and as of today, is about 65 to 70 percent completed.

A one-story structure, Beumel said the new auditorium does not have a balcony for a number of reasons, the primary one being that the seating arrangement affords 100 percent visibility from any seat in the house.

Approximately 50 feet high, Beumel told the Kiwanians the new structure is being built in a "bowl shape" with the floor in a concave design while the walls and roof are of the convex design. "Up to present time," Beumel added, "overall construction costs are estimated to be about \$1,358,341.53."

In describing how the new facility is to be utilized, Beumel emphasized that the complex will not be termed a "teaching auditorium," meaning that classes would be the only things allowed there. "Quite the opposite is true," Beumel continued, "because the only teaching that will be done in the new structure will be in the form of drama classes practicing their roles for upcoming production numbers."

Seats in the new auditorium, Beumel said, are of the "plush" type and he added, "The architects have done an outstanding job of color-scheming the interior with soft, blending shades of brown."

Parking facilities immediately adjacent to the front of the new Auditorium and Fine Arts Complex, according to Beumel, will accommodate 324 vehicles with another 70 to 100 spaces planned for the future on both sides and to the rear of the auditorium.

Beumel said that ultimately an organ is to be installed also, along with three grand pianos. However, he noted that no decision has yet been made as to what type the organ will be. "Once the order has been placed for that musical instrument," Beumel added, "it takes approximately a year to build it. So, obviously it will be some time before we

can enjoy organ preludes."

SFJC's seven-member Fine Arts Advisory Committee, in Beumel's words, "deserves a standing ovation for the outstanding manner in which they have literally worked hand-in-glove with all phases of construction of the new complex."

Although the seventh member has yet to be named, Beumel said that position would definitely be filled by one of the faculty of SFJC. The other six members include: from Avon Park, Larry Abritton, President of the City Council; Ken Wilkinson of Sebring; Robert W. Peavy of Lake Placid; Robert Skipper who represents the Highlands Board of County Commissioners; Elizabeth Underwood from Hardee County and Wayne Duncan from the Highlands County School Board.

Beumel stressed that much work remains to be done by the advisory committee and that many factors will have to be taken into consideration before a satisfactory scale of rental fees for the auditorium can be established. He said such items as air conditioning, lighting, heating and use of various technicians would have to be taken into consideration before a final rental figure can be arrived at.

"Some sort of priority system," Beumel continued, "is also going to have to be arrived at, especially in cases where two organizations may desire to utilize the facility on the same date."

In addition to various other facilities being available, Beumel pointed out that the Fine Arts Complex also includes space for classes in drafting, ceramics, architectural drawing, sculpture, as well as a number of musical practicing areas. To the rear of the massive stage, Beumel said there is ample storage space for innumerable scenery props and related paraphernalia.

Before the million-dollar structure is ready for occupancy, which is predicted for either late July or early August, Beumel stated that interior furnishings will probably add another \$150,000 to \$200,000 to the overall cost.

Additional construction slated for SFJC includes a junior sized Olympic swimming pool which, according to Beumel, will accommodate six contestants simultaneously. He said the facility will also include graded diving boards and that bids are to be opened March 22, 1978 for the swimming pool complex.

Construction of a gymnasium that is expected to encompass approximately

SFJC Fine Arts Auditorium To Be One Of Finest In Nation - Beumel

26,000 square feet of floor space is anticipated to get underway sometime before the end of this year. Beumel said the estimated cost of the gym has been set at about \$1,800,000.

"An new library would be the next phase of building to follow shortly after the gymnasium is completed," Beumel stated, adding, "although no commitment has yet been received from the

Federal Government for this project, one is, however, anticipated shortly."

In closing remarks, Beumel pointed out that when completed, SFJC's new

auditorium and Fine Arts Complex will be one of the finest structures of its kind in the nation, one in which the people of Avon Park and Highlands County can be justifiably proud."

Cause Of Local Woman's Death Still Unknown

Circumstances surrounding the death of a long-time resident of Avon Park appear to be the basis for the temporary withholding of payment of \$500 in death benefits under terms of an insurance policy issued on the deceased.

Janie Ruth Carroll, 46, of 13 S. Glenwood, passed away Feb. 24. Interment reportedly followed on Feb. 27 in Bougainville Cemetery.

According to official sources, the woman's body was discovered at about 11 a.m. on the kitchen floor of the family home. It was estimated she had been dead for approximately 2 hours.

Street Designated One Way During School

Effective Monday, March 27 North Byrd Avenue from West LaGrande Street to West Winthrop Street will be designated as one way during school hours. Traffic will be permitted to move south only on these two blocks.

This regulation has been approved by the city council upon the request of school authorities for the safety of the school children. Parents of Avon Park Elementary School children should enter Byrd Avenue from West Winthrop Street and unload children at the school parking lot.

Proper signs will be erected on Thursday, March 23. All drivers are urged to exercise due caution until familiar with this new traffic regulation. Do not enter the one way portion of Byrd Avenue from the south during school hours.

Allegedly, two empty bottles of what had been prescribed medication were found at her bedside.

This discovery, according to official sources, resulted in the unanswered question of whether Mrs. Carroll emptied the bottles during the course of taking the medication as prescribed, or whether perhaps she elected to consume the

remaining contents of both bottles as the solution to her long-suffering illness.

On the date of death, an autopsy was performed by Dr. Luther Youngs of the Autopsy Division of Lakeland General Hospital, results of which have not yet been released.

In cases of death, whether normal or otherwise, the performance of an

autopsy is considered routine procedure. In the Carroll woman's death however, results of an autopsy are of primary concern since cause of her demise was listed on the death certificate by the attending physician as "Unknown."

Efforts to contact Dr. Youngs in Lakeland have thus far produced no results.

Mrs. Nancy K. Singletary, age 24; Matthew Donald Singletary, age 2; and Jennifer Singletary, age 9 months passed away Tuesday, Mar. 21, when the automobile they were riding in was hit by a train at 2:40 p.m. at Lake Isis Avenue.

Survivors include husband and father, Donald Singletary, of the Avon Park Police Department; mother and maternal grandmother, Mrs. Maxine Eastman of Sebring; father and maternal grandfather, Marvin Pearl of Tennessee; paternal grandparents, Mr. and Mrs. Clifford Singletary of Avon Park; in addition Nancy also leaves three sisters and four brothers.

Student Expelled At High School

Continued disruptive behavior and willful disobedience were the causes cited for expulsion of an Avon Park High School student by Highlands County School Board. The expulsion is the second in the last 10 years.

Dr. Ferrell Smith, assistant superintendent, said the school system has exhausted its resources for dealing with the 15-year-old student. Counseling approved by a 340-2 margin.

Funeral services are scheduled to be held at the Avon Park Church of Christ, Friday Mar. 24, at 2 p.m. with interment to follow at the Lakewood Memorial Gardens cemetery.

Stephenson - Nelson - Smith Funeral Home in charge of arrangements.

Opportunity Knocking

By John Burris

"Looking For A Job?"

Looking for a job? Here's another in the continuing series of possibilities that jobless people of our community can pursue in an effort to alter their status from that of UNEMPLOYED TO EMPLOYED.

This week's job openings at FSES include: Secretaries with good shorthand are needed in Lake Placid and Sebring.

Experienced Cooks are desperately needed. Excellent wages - Sebring and Lake Placid area.

Waiters and Waitresses are also needed in Lake Placid and Sebring, and an experienced dairy milking machine operator is badly needed in the Avon Park area.

In the Sebring area, an experienced Dental Assistant is being sought, while a night manager for a service station in Lake Placid is badly needed. An experienced Chris Grove Caretaker is being sought by a Lake Placid employer, and an outboard motor mechanic and sales people are wanted in the

Lake Placid, Sebring and Avon Park areas. Sales positions are on a commission basis, but if you're a good worker, the sky is the limit on how much you can earn.

Job openings in all fields are desperately needed especially for youngsters 16 through 22 years of age. Employment officials point out that the Highlands County Youth Program is rapidly nearing its peak, with well over 1000 young people already registered for work. So, if you're an employer and would like more information on this youth program, get in touch with Dave Jorgensen, Youth Coordinator or Carol Boyd, Intake Worker at FSES.

Offices of the Florida State Employment Services are open Mondays thru Fridays, from 8 a.m. to 5 p.m., and their phone number is 385-0121. They're located at 1408 Fairmont Drive in Sebring, just off U. S. 27.

Remember the old saying, "The early bird gets the worm?" If you hurry, that "early bird" could be YOU!!

Teenager To Sing At Fellowship Baptist Church

Tami Chere, teenage recording artist, will sing in the Easter morning worship service at Fellowship Baptist Church. This talented and dedicated fourteen-year-old is in the area to promote the

Highlands County "Jesus in '78", to be held at Horse Hammock the following weekend.

Tami has sung in churches and Christian gatherings from Florida to California. Her recordings are often played on Christian radio stations and she has made TV appearances including being on the 706 Club and P.T.L. Recently she sang at the Christian Retreat in Bradenton and was enthusiastically received.

She comes from a musical family. Her brother, who is a member of a musical group that performed at Avon Park High School earlier this year. All her arrangements and back-up music are provided by her uncle, Dannie Lee, well known as the composer of many currently popular gospel songs and for the Dannie Lee Singers. Her styling is upbeat and exciting. She is presently

Fire Chief Showed Film On Fire Detection To Grangers

Chief Mac Flowers and Captain Alan Ball of the Avon Park Fire Department showed a film on the use of smoke detectors in the home, at the Mar. 14 meeting of the Avon Park Grange. They also demonstrated how sensitive such a detector is and explained where to place them. Of the many types available, Chief Flowers said that one operated by battery is most reliable, since those which depend on electricity would not operate in times of power failure.

Since most fire victims die from the fumes, an alarm gives people an early chance to evacuate the building. This was part of the Safety program presented by the Women's Activity committee. The Lecturer Keith Debo, included in his program other safety tips. Alda Peter gave a reading and a couple jokes.

From the Agricultural topic Ralph Fullmer told how the rich muck lands in the LaBelle area of Florida, below Lake Okechobee, are rapidly changing and that the soil is disappearing at the rate of 12 feet every ten years. Man is developing plants to help preserve the land which would otherwise disappear in 50 years.

As a Historical item, Keith Debo gave some statements on the life of Andrew Jackson, 7th President, whose birthday was

March 15. He was noted for winning the war of New Orleans. Debo gave a reading on Push Button Farming from the Lazy Farmer collection, and his closing thought was: Cooperation is doing things with a smile that you would have to do anyway.

The District Deputy, Alfred Churchill, and Junior Deputy, Sohia Churchill of Peace

Construction Down From Last Year

Construction and the issuance of building permits in Avon Park reportedly have decreased over the past several months as compared with figures for the same period during 1977.

According to Building and Zoning Official, C. W. Ellerbe, for the first two months of 1978, the breakdown shows 27 construction permits issued. This compares favorably with 1977, since a like number of permits were issued last year during the same time span.

However, Ellerbe pointed out that only one permit has been issued this year for a single-family dwelling, compared with two for the same period last year. Construction permits for multiple-family dwellings number only one so far this year, while 1977 saw two such permits issued.

Dollar-wise, Ellerbe pointed out that all phases of construction permits issued so far this year have totaled only \$128,462.28, which represents a decrease of almost \$100,000 from last year's figure of \$228,885.00.

According to Ellerbe, those total figures represent all phases of the construction industry such as remodeling of existing facilities, major or minor repairs to present structures and all other types of various and sundry alterations.

Compared with other counties of similar size, Highlands County appears to be slightly below the average in new construction and development of single and multiple-family dwellings, at least for the first two months of 1978.

SFJC To Hold Pre-Registration

Wilford J. Beumel, Vice-President of South Florida Junior College, has announced that pre-registration for students intending to enroll in the Summer "A" and "B" Term will be April 3, 4 and 5.

Any presently enrolled student is eligible to pre-register. Students must make an appointment with the Director of Student Personnel and Counseling Services to pre-register and all fees must be paid at the time of the student's appointment.

It is to the benefit of eligible students to pre-register if possible. This gives them priority for classes with limited enrollment.

Students planning to pre-register for the SFJC Summer "A" and "B" Term may make their appointments in Room 110, Administration Building, or by calling 453-6661, extension 131, in Avon Park.

Mixon

Completes Training

Avon Park resident Johnny W. Mixon has completed a general merchandising management workshop at the JC Penney Regional Training Center in Atlanta, Ga. The course is designed to improve the understanding of the general merchandising manager's role in the store's organization and improve methods of strengthening the management team.

During the five-day course, Mixon worked with JC Penney associates from throughout the eastern and southern United States and Puerto Rico. The Atlanta Training Center is one of four of the firm operating in the United States. The others are in Chicago, Ill., Buena Park, Calif., and Dallas, Tex.

Mixon lives at 609 Overlook Terr., Avon Park, and has been with the Penney Company since 1970. He is general merchandising manager at the Avon Park JC Penney store.

The Avon Park Sun, Mar. 23, 1978 1B

Red Devil Varsity Edges Sebring 1-0

Coach Ronnie Jackson's surprising Red Devil varsity base ball team knocked off Harder 10-6 and slipped by Sebring 1-0 last week to remain undefeated after five games. The Red Devils have combined strong hitting with good pitching to set the 5-0 record going into last Tuesday night's game here against Class AAA Bartow High School.

Avon Park - 1, Sebring - 0

Tight defensive play by the Avon Park High School varsity nine gave the Red Devils a 1-0 victory over the Sebring High School Blue Streaks down at Fireman's Field last Friday night. Twice the Devil defense cut off runners at the plate, and a key double play by thirdacker Tim Cribb in the third inning shut off a scoring threat.

Senior righthander Larry Jackson held the Blue Streak batters to a double and four singles as he went the distance on the mound for Avon Park in the seven inning game. The lanky hurler struck out 9 batters and walked only 2. He kept the home team off balance.

The Red Devil batters got only four hits off three different Sebring pitchers. Shortstop Charlie Pough led off the game with a single and double Sisemore followed with a single in the same inning. Larry Jackson lined a single by the second baseman in the second inning and Bubba Starling, designated hitter, singled to leftfield in the fifth.

But Avon Park's run came in the third inning when Gary Roberts, leftfielder, drew a walk, was safe at second on an error, took third when two batters were walked, and came home with the game winning run when his brother Victor was walked. The unearned run was the difference in the otherwise tight defensive game.

ference in the otherwise tight defensive game.

Avon Park - 10, Hardee - 6

Senior Jimmy Massey and Larry Jackson teamed up to pitch the Avon Park High School Red Devil varsity baseball team to a 10-6 win over the Hardee High Wildcats in Wauchula Tuesday night a week ago.

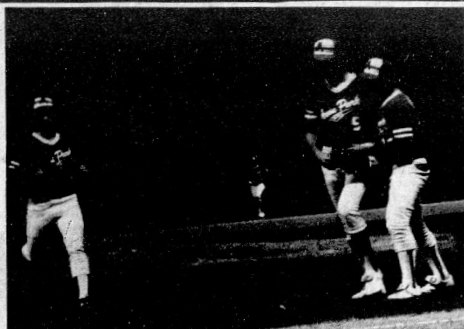

Massey started on the mound for the Devils and pitched four and a third innings before being relieved by Jackson. Massey gave up five hits, walked three and struck out one batter. Jackson allowed two singles, walked only one and struck out five Wildcats during his two and two thirds innings on the mound.

Avon Park batters slashed out eight hits off two Hardee hurlers. Larry Jackson singled in the second and third innings and scored both times. Tim Cribb hit a double up the middle that ricocheted off the bag at second confusing the Wildcat defenders. Don Wildish hit a double up the middle and later scored.

In the fifth frame Charlie Pough, Bubba Starling, and Keith Cobb all rapped out singles. David Sisemore finished out the hitting attack with a single in the seventh.

Hardee scored first pushing over two runs in the first inning. Avon Park tied it up in the top of the second with two runs. The Devils went ahead with two more in the third and a long run in the fourth for a 5-2 lead. Then in the fifth, the Devils scored four runs to lead the game away.

Hardee came back with two runs in the fifth. Avon Park added its tenth in the sixth, and the Wildcats closed out the scoring with two counters in the bottom of the sixth. Jackson set the Wildcats down in order in the last inning to preserve the 10-6 victory over the Heartland Conference opponents.

A JUBILANT WINNER, the Avon Park Red Devil baseball team runs off the field after defeating the Sebring Blue Streaks 1-0 last Friday night. From the right, first baseman David Sisemore congratulates pitcher Larry Jackson as Don Wildish, second baseman, hurries in to join the group. The Devil varsity set a 5-0 record with the close victory over the Streaks. Sunphoto by Lew Miller.

Larry Pough Makes The All Conference Team

Larry Pough, Charlie Pough and Freddie Williams, senior members of the Avon Park High School's State AA Runner-up team, were named to the All Heartland Conference basketball squad last week.

Red Devils were selected on the first team, while William and Charlie Pough each received honorable mention awards. Coach Tom Lund of Avon Park was named the conference "Coach of the Year".

Larry was the leading scorer for the Devils during the season collecting 409

points in the 28 games played for a 15.7 point average per game. He also topped the Avon Park team in rebounds, picking off a total of 394 during the season.

Freddie Williams, playing at a forward position, scored 333 points, averaging 12 per game. He came up with 190 rebounds.

Charlie Pough, forward, who netted more than half the chances he got from the field, wound up the season with a 54 percent shooting average, and total of 218 points. He finished second in the rebound department collecting 266.

Schuler And Wessels Make All Conference

Four of coach Cherri Lee's Devilette cagers were selected for the All Heartland Conference girls' basketball squad last week.

Girls honored included Meg Schuler and Thelma Wessels, named to the first team, and Katrina Conner and Laurie Welch who were given honorable mention awards. Schuler is the only senior in the group.

Meg, a six foot one inch transfer from Miami this year, led the 1977-78 Avon Park High School girls to a 14-8 season including winning the District 13 Championship. The team lost to John Carroll High School of Fort Pierce in the Regional play-offs. Last year, the first for girls' basketball here in a decade, the team had a 2-11 record.

During the season, Schuler averaged 12.7 points per game coming up with a total of 280. She was also the team's leading rebounder picking off 224. Although she has only played high school basketball two years, she is hoping for a chance to play college basketball next year.

Thelma Wessels, a sophomore, averaged 10.4 points per game netting a total of 232 for the season. She had 147 rebounds. Katrina Conner, a junior this year, collected an average of four points per game. Laurie Welch, a ninth grader with three more years of competition ahead, turned in a 5 point per game average over the 22 games played.

Carol Hansen, coach of the Sebring High School girls' team, was named as the Heartland Conference Girls' "coach of the Year".

Lake Placid Drops From Conference

Lake Placid High School, which has won or shared the basketball title in each of the three years since the Heartland conference began, has withdrawn from the area group, leaving it with just six teams.

Joe Franzia, Avon Park High School Athletic Director president of the conference indicated, however, there was a possibility that another Central Florida team will replace Lake Placid before the start of next fall's football season.

The Green Dragons, because they

have had their troubles on the football field, had asked to be allowed to stay in the conference and participate in all sports except football. The executive committee, however, felt that they could not make such an exception, so the withdrawal was submitted.

It is not expected that this will affect the scheduling of other sports between Lake Placid and schools in this area, even though such games will not be counted in conference standings.

Lake Placid and Hardee High School

of Wauchula tied for the 1978 conference Basketball Championship, each with a 10-2 record. Avon Park, though winner of the district, regional and sectional tournaments, and runner-up in the AA division of the State Play-offs, didn't fare well against conference foes, ending up with a 4-8 record in regular play.

Teams currently in the conference include, AAA teams Sebring, Desoto High of Arcadia and Hardee, and AA teams Avon Park, Fort Meade and Okeechobee.

This week Coach Sandlin took advantage of the Easter Break to take his team to Daytona Beach for a match on Monday with Father Loper High, and on Tuesday with Daytona Beach Seabreeze High. Red Devil golfers making the trip included DuPriest, Palmer, Ford, Barben, Smithson, Allen and Steve Coe.

Four home matches are on the docket for the Avon Park team next week. On Tuesday, they play Haines City and Clewiston and on Thursday they will tangle with Okeechobee and Father Loper. All the matches will be played at River Greens, golf club.

Prep Golfers Lose To Lake Brantley And Winter Haven

The Avon Park High boys' golf team dropped two matches here last Friday, losing to Winter Haven High and to Lake Brantley High, a pair of the top high school golf teams in central Florida.

The losses leave the Red Devil golfers with a pre-Easter break record of 13 wins, and five losses, and to quote golf coach Fred Sandlin, "We seem to be backing up."

Lake Brantley, coached by former Avon Parkite, Guy Garrett, turned in a team score of 182 to lead the three teams. Winter Haven had a score of 186, while Avon Park, with regular Mark Palmer

and John Barben out of action, carded a 193. This was the highest score the Red Devil golfers have shot in the past three years.

Pete DuPriest, Avon Park's No. 1 golfer shot an even par 35 to tie the Eric Geschke of Winter Haven for low individual score. Charlie Daniels of Winter Haven turned in a two over par 37, while two Lake Brantley players, Mike Marable and Brad Estes, each toured the front nine at River Greens in four over par 39's.

Other Avon Park scores included Darwin Ford and Steve Allen with 52's and Mike Smithson with a 54.

APHS Jayvee Nine Beats Highlanders

Wins over Lake Wales and Frostproof last week gave the Avon Park High School Red Devil junior varsity baseball team a 3-1 record going into yesterday's (Wednesday) game against the Santa Fe Crimson Hawks.

Since the Santa Fe game scheduled to be played over in Lakeland on March 9 was rained out, there was a possibility the two teams would play a double-header here yesterday.

Next Tuesday afternoon the junior Red Devil nine will host the Sebring junior varsity here at Head Field at 4 p.m. Then on Thursday, March 30, the Devil "Bees" will travel to Lake Wales for a night game with the Highlander Jayvees.

Avon Park - 14, Frostproof - 1

Last Friday afternoon the Avon Park junior varsity baseball squad clobbered the young Frostproof nine by a score of 14 to 1 here at Head Field. The junior Devils slammed out eight hits including a homerun and a triple by Dennis Barfield, a triple by Alvin Conner and doubles by Tim Salter and Gerald Jones.

Leftfielder Dennis Barfield tripled in the first inning with the bases loaded and then boomed his homerun over the right field wall in the third frame with no runners on base to collect four runs batted in for the game.

Second baseman Alvin Conner also tripled in the first inning when the Devil "Bees" scored 10 runs off the hapless Bulldog jayvees. Also hitting safely for Avon Park was Tim Minard with a single in the first, and Kelly Graham with a single in the fourth.

Darryl Backin scored Frostproof's line run in the top of the fifth inning when he led off with a triple and scored when the throw in from the outfield got away from the third baseman.

Coach Hoppy Rewis cleared his bench and all twenty Red Devils got to bat except Jacques Thomas who was at the plate when the final out was made on a

Devil baserunner caught off base. Avon Park committed only two errors in the four and a half inning game shortened because of the ten run lead rule.

Avon Park - 8, Lake Wales - 3

Sophomore rightfielder Johnny Barnes slammed a homerun over the left field wall at Head Field to drive in three runs in the third inning of a junior varsity game between Avon Park and Lake Wales on Tuesday a week ago to lead the Red Devils to their second win of the year. Final score of the seven inning game was 8-3 in favor of the Devils.

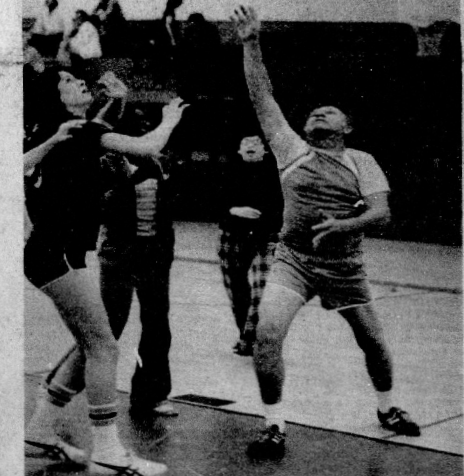

Both teams scored a run in the first inning before Barnes salted the game away with his homer with two men on base in the third. Mark Steedley had already scored on a sacrifice fly by Dennis Barfield. Ricky Derkman and Tim Salter had both singled and scored on Barnes' round-tipper.

The Devil jayvees gave up too many runs in the top of the sixth inning two walks and a single to deep left centerfield, but had scored three more themselves in the bottom of the fifth on two walks, a hit batter, and two throwing errors by the Highlander pitcher and catcher.

Freshman leftfielder Gerald Jones went the distance on the mound for Avon Park. He allowed five hits during his seven innings of hurling.

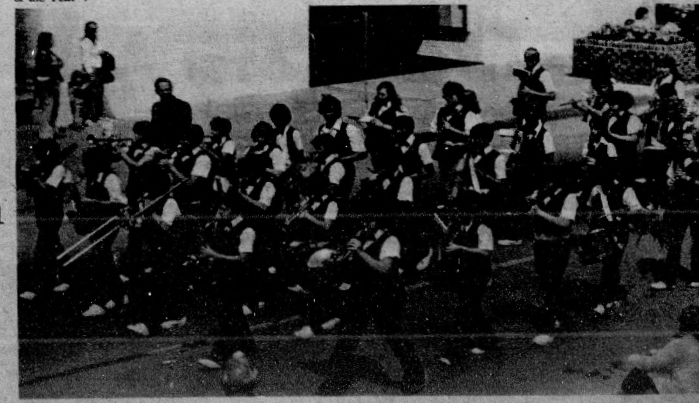

The Red Devil "Bees" also got five hits but they faced three different Lake Wales pitchers. Second baseman Alvin Conner tripled to deep right-center field in the second inning. Catcher Ricky Derkman beat out a bunt for a single and Tim Salter lined a single up the middle in the third before Barnes boomed out his round-tipper. Then centerfielder Mark Steedley got a single in the sixth to round out the Devil hitting for the day.

The Lake Wales players committed five errors while the Avon Park team made only one error in the seven inning game.

DAUGHTER AND FATHER are on opposite teams as Meg Schuler, left, and her father, Harold Schuler, right, await a rebound during the game between the

Avon Park High School girls basketball team and their parents played last Saturday night. Sunphoto by Lew Miller.

Panthers Win Three Lose Two In Weeks Play

Monday at Panther Park South Florida Junior College was defeated by the No. 1 ranked team in the state, Hillsborough CC from Tampa.

Joe Collins, last year's All Division III Hillsborough pitcher and a recent third round Major League Draft Choice, retired the first 20 batters in succession until SFJC's Charlie Faulconer singled to right center and advanced to second base on the right fielder's error.

Dave Shepherd, the Panther hurler, also pitched a fine game as he only gave up 5 hits in the 7-23 innings he worked. Gary Parker relieved Shepherd in the 8th

and Ron Bolin retired the side in order in the 9th.

Hillsborough's Rod Carraway sent a 2-out, 2-strike fast ball over the left field fence with a man on base to give the Hawks a 2-0 lead in the 3rd. That was all the scoring until the 8th when the Hawk's Gary Buckner reached 1B on an error and went to 3B on a sacrifice. Mike Rogers sent a ground ball to the second baseman who threw home to nail Buckner trying to score. However, the catcher dropped the ball, Buckner was safe and 2 more runs were scored to move the Hawks to a 5-0 lead.

Rick Kyzer put the Panthers on the scoreboard with a towering home run over the left field fence to cut the lead to 5-1. SFJC proceeded to load the bases off of Collins with three straight walks but relief pitcher, David Pittman, came on to stop the Panther threat.

In the 9th, SFJC put two more runners aboard but could not push any more runs across. The loss left SFJC with a 12-4 mark and 4-3 record and third place in Division III thus far.

SFJC entertains Housatonic CC from Bridgeport, Conn., Friday at 3 and Saturday at 12 noon before taking an Easter break.

SFJC-13, Oakland CC-2

SFJC clubbed Oakland Community College from Auburn Heights, Mich., Sunday attendance was overflowing Panther Park and helped to inspire the Panthers to two victories and a 12-5 season record.

Billie Gary made his first start of the season for SFJC and pitched great baseball until he tired in the 6th and loaded the bases. Gary worked 6 innings, allowed 6 hits while striking out 5 Oakland batters. John Sedlock and Tod Carter followed in relief to hold the northern club to 2 runs for the afternoon.

SFJC hitters pounded Oakland pitching for 13 hits and were aided by 8 free passes by the visitors. Charlie Faulconer

had 4 hits in 5 batters including two doubles. Mark Lacy had 3 hits, one being a triple to right center. Bill McMenamin and Mort Jackson each batted out two hits. All the Panther players got a chance to play as the bench was cleared from the 5th inning on to up the Panther record to 12-6.

SFJC-10, Manatee-9

Saturday, SFJC played host to Manatee JC and claimed a victory in another extra inning game 10-9.

Manatee jumped to an early 5-1 first inning lead chasing starting pitcher John Sedlock in favor of Ron Bolin. Bolin pitched well to keep the Panthers in the game allowing 2 runs in 5 innings. Bobby Pierce then relieved Bolin in the 6th, completed the game and picked up the win.

The Panthers tied the game in the fourth, 5-5 on 3 hits and 2 Lancer errors. Rick Kyzer, Toby Cunz and Bill McMenamin had successive RBI singles to lead the fourth inning uprising. Manatee scored 2 in the 5th, to lead 7-5 while the Panthers' Dan Pototsky doubled and made it 7-6 on Mark Lacy's RBI single. SFJC knotted the score 7-7 in the 6th as Al Jensen reached first on an error and Dale Sizemore, who had run for Jensen, advanced to second on a passed ball. Randy Schlosser singled Sizemore home to tie the game.

Manatee scored twice in the top of the 10th but SFJC stormed right back with a walk to Toby Cunz to lead off the bottom of the inning. After a no-out, Al Jensen walked as did Randy Schlosser to load the bases. Dan Pototsky then collected his second double of the afternoon to score Cunz and Sizemore to tie the game.

As Charlie Faulconer stepped to the plate with SFJC runners on 2B and 3B and only one out, the Manatee pitcher committed a balk and Schlosser trotted home with the winning run. SFJC pounded out 11 hits with Schlosser, Pototsky and Lacy collecting two each.

SFJC is in second place with a Division III record of 4-2.

SFJC-4, Manatee-5

SFJC committed 9 errors that led to 5 unearned Manatee runs Friday night at Bradenton as the Panthers lost 5-4 in 10 innings. Kirk Scheerhorn and Gary Parker both pitched well but were victims of some untimely mistakes by the usually sound Panther defense.

Charlie Faulconer had two hits including a double as the Panthers took a 4-3 advantage in the 9th. However,

Manatee tied the game in the bottom of the 9th and won it in the 10th.

SFJC - 4, Florida College - 1 South Florida Junior College defeated Florida College Wednesday, March 15, 4-1 at Panther Park behind the strong 4-hit pitching of freshman righthander Tod Carter. Carter went the full nine innings

striking out 3 and walking 4 in improving his record to 2-0.

The Panthers scored all their runs in the 6th inning as they scored four times on only two hits, two errors, a walk and a sacrifice fly. Mark Lacy singled home Dan Pototsky who had reached first base via an error. A sacrifice fly by Robbie

Freeland scored Charlie Faulconer who had singled, stole second and wound up at third on Lacy's RBI single. Rick Kyzer singled Lacy to third and both scored when the rightfielder errored Bobby Pierce's line drive.

Mark Lacy and Rick Kyzer had two hits each for the afternoon.

PANTHER DANNY POTOTSKY goes into a slide toward home plate as the Manatee Junior College catcher awaits

the throw home during the baseball game played at Panther Park last Saturday afternoon. Pototsky scored and the SFJC

team later chalked up a 10-9 tenth inning victory. Sunphoto by Lew Miller.

Bombing Range Open For Spring Gobbler Hunting

The Wildlife Management Area at the Avon Park Air Force Range will be open for Spring Gobbler Hunting on Saturday and Sunday, March 25, and 26, 1978.

The Game and Fresh Water Fish Commission Check-in Station at the Main Entrance to the Range on State Highway 64 will be open at 9 a.m., March 25 and 26, and will close at 2 p.m. Hunters are authorized to camp overnight Saturday, March 25. All hunters must check out by 2 p.m. on Sunday, March 26, 1978. Present schedules indicate the Wildlife Management Area at Avon Park Air Force Range will be open on April 1 and 2, 1978.

Minor League Season Is Underway

The 1978 Avon Park Little League opened its Minor League season last Saturday with twelve teams marching in a parade led by the Avon Park Police Dept., City Officials, the Avon Park Fire Dept. and the Avon Park Middle School Band under the direction of David Brooker.

After the parade, the action started at the Little League Field with eight of the teams meeting in four games. Kopta and Bennett Builders won the opening game

with a 12-4 score over First Home Federal of Highlands County.

Thriftway Food Store defeated Maryland Fried Chicken in the second game by an 8-5 score. At six o'clock Young's Gulf Service took on the Avon Auto Parts team and came out with a 4-2 victory.

In the final game of the day, the APCI Jaycees Unit II team took advantage of many walks to rack up a 13-2 win over the Borden Dairy team.

Games were scheduled at the Little League Field No. 1 for last Monday and Tuesday, but the games scheduled to be played on the newly sodded field (the old softball field) have been rescheduled to be played at the original Little League Field tonight (Thursday) and tomorrow evening. That means that Borders will play Kopta and Bennett at 6 p.m. and Highlands Building Supply will take on Borden Dairy at 7:30 on Thursday. Young's Gulf Service will play Maryland

Fried Chicken at 6 p.m. and Avon Parts will go against APCI Jaycees Unit II at 7:30 p.m. on Friday night at the Little League Field No. 1.

Next Monday night the schedule will go back to normal with two games being played at each field. At Field No. 1 it will be Highlands Building Supply vs Maryland Fried at six and Young Gulf Service vs Kopta & Bennett at 7:30 p.m.

At Field No. 2 it will be Pia-Lugi's vs Thriftway at six and Wells Motor vs First Home Federal at 7:30 p.m.

Next Tuesday, March 28, at Field No. 1 Avon Auto Parts will play Pia-Lugi's Restaurant at six and Wells Motor Co. goes against APCI Jaycees at 7:30 p.m. At the No. 2 Field it will be Borders Service Station vs Highlands Building Supply at six and Borden Dairy Products vs Young's Gulf at 7:30 p.m.

All games are limited to one and a half hours and only nine batters may come to bat during each team's batting half of the inning.

Parents and fans are asked to remember that the coaches and umpires are volunteers and not professionals. They are giving their time to help the youth of Avon Park and do not deserve to be criticized. Fans might also keep in mind that the boys and girls will play better if praised rather than criticized.

AVON AUTO PARTS Minor League team members are: from left, front row: Drew Watson, Rachel Knowles, Bridget Jackson, Presley Selph, Jr. (Batboy), Jack Elder, Victoria Perry, and John

dress, Penny Gatlin, Darren Hevey, and Kerry Britt. At back: Asst. Coach Lynn MacNeill, Asst. Coach Jerry Wright, Coach Dan Bennett, Darian Taylor, Willie Lee Gordon, and Fathom Watson.

Shuffleboard Division A Winners

Shuffleboard Division B Winners

Winter Guest Club Shuffleboard Winners

Shuffleboard contestants at the Winter Guest Club in Avon Park really take their competition seriously—so much so in fact, that the spirit of competitiveness prevails almost around the clock.

The results of such concentrated playing efforts paid off for about thirty contestants on March 11, when trophies were awarded to those players who had won 100 points or more during the regular shuffleboard tournament schedule.

Players received trophies in the "A"

division included William Bayes, Charles Bidstrup, Allan Brady, Howard Brevoort, Fred Frye, Helen Gault, Karl Hart, Edward Healy, Otto Kroeger, Kellie Larrew, Bernice Long, Geraldine Long, Don Mason, Richard Meyer, Alton Wetmore and Jake Furler.

"B" division winners taking top honors included Dudley Bacon, Helen teipacion of coping out a "winner." For those who didn't achieve top honors, there's always the prospect of "tomorrow's another day."

Berlew, Henry Berlew, Helen Brady, Hazel Brevoort, Emma Carlson, Burt Cori, George Davis, Mildred Frye, Foster Jolliff, Earl McLarty, Harris Steward, George Tisot and Al Wilson.

According to a spokesman for the Winter Guest Club, shuffleboard competition is considered by many of the members to be one of the outstanding games of skill at that facility and for all practical purposes, is a year-round event played with enthusiasm, vigor, and the ever-present amount of thrilling an-

Hinson Guest Speaker At Red Devil Basketball Banquet Saturday Night

Avon Park High School's 1978 Florida State Basketball Tournament Runner-up Red Devil Basketball squad was honored last Saturday with a buffet dinner and program by parents and friends.

In the program that followed, Coach Tom Lund presented individual members of the hustling basketball squad. Coach Don Stenore also presented the junior varsity basketball squad for recognition.

The two coaches were presented

placques of appreciation by their respective squads with each member's name inscribed on the plaque.

The speaker of the evening Coach Al Joe Hinson of Northwestern High School, Miami was introduced by his Coach William Blanding of the E. O. Douglas High School days.

Hinson told the cagers that their training began at home with the coaching and discipline of their parents, then school and other activities enlarged their

abilities and skills with the coaching on the basketball squad culminating in playing, not as individuals, but as a team.

The athlete's life is a happy life with much excitement, action and competition. Many lessons are learned day by day with a main lesson being—"All players are one team—regardless of who carries the ball."

STUDENTS OF MRS. Bennett's class went to Sebring, Wednesday, Mar. 15, for a "Special Olympic" activity and came back winners. Kneeling L. to R. Larry

Cooper and Lisa Hampton. Second row L. to R. Wendy Weatherspoon, Kemy Jones, Charles Johnson, and Larry Hampton. Third row L. to R. Mrs. Lydia

Bennett, teacher, Fred Chandler, and Willie Armstrong. Sunphoto by Betty Amburn.

Special Olympics In Sebring

This year the Special Olympics was held during regular school hours, Wednesday, Mar. 15, from 9 a.m. to 1 p.m. at the Sebring School track.

The purpose of Special Olympics provides the mentally handicapped means, whereby he may be able to develop his body, his attitude and his social skills in a healthy manner.

By having a good experience in sports, he can learn to feel better about himself and start to build a new way of life built on success rather than failure. Many times victory and/or participation on the playing field carry-over values so derived may be carried over into the home, community and classroom.

Ribbons were given to First, Second, and Third winners as follows: Fred

Chandler showed his dominance of the activities by placing first in three of the schedules events.

1st. Place Standing Long Jump: Charles Johnson, Wendy Weatherspoon, Kemy Jones, and Fred Chandler.

1st Place Softball Throw: Willie Armstrong, Wendy Weatherspoon, Larry Cooper and Fred Chandler.

1st Place 50 yrd Dash: Willie Armstrong, Wendy Weatherspoon, Larry Cooper, and Fred Chandler.

2nd Place 50 yrd Dash: Charles Johnson, Lisa Hampton, Kemy Jones, and Larry Hampton.

2nd Place Standing Long Jump: Willie Armstrong, Larry Cooper.

2nd Place 50 yrd Dash: Kemy Jones, and Larry Hampton.

2nd Place Softball Throw: Charles Johnson, Kemy Jones and Larry Cooper. 3rd Place Standing Long Jump and Softball Throw: Lisa Hampton.

Participants in the affair were students enrolled in the Avon Park Middle School, Sebring, and Lake Placid.

Willie Armstrong, who consistently hammered out points for Avon Park Middle school ended his day as a victor in the 200 meter dash, showed his remarkable talent by placing first in the 200 meter dash.

The participants and sponsors adhere to the principle that a sound body tends to enhance a sound mind. This event is sponsored by the Ridge Area Association for Retarded Citizens.

Internal Revenue Service

The Internal Revenue Service now has three half-hour films which are offered free to civic, business, service and other community organizations planning programs on federal taxes.

One of the films, "The American Way of Taxing," portrays the history of the federal income tax system and describes the services offered by the IRS. "Why Me, Tom Krulik?" deals with the tax audit and appeals process. The third film, "Hey, We're in Business," presents the tax aspects of operating a small business.

Films can be obtained by contacting the IRS Public Affairs Office, P. O. Box 35045, Jacksonville, Florida 32202; or by calling that office at (904) 721-2469.

GROUND BREAKING FOR New Seventh-day Adventist Church. Left to right: L. Christensen, local builder, D. Loveridge, church contractor, R.E. Dubose, local pastor, H. J. Carubba, Florida Conference President, R. U-Lmer, Secretary, J. Rodgers, Treasurer, Dr. C. J. Larsen, local church elder.

Ground Breaking Held At Seventh Day Adventist

It was a cold Sunday March 5 on the shores of Lake Lillian when a short ground breaking service was held to launch the building of the new Seventh-day Adventist church.

Dr. C. J. Larsen had prepared several pages of interesting history, but the bone-chilling wind off the lake had everyone's teeth chattering so that the program was cut to a bare minimum of formality. Dr. Larsen told of the beginning of the church November 8, 1847, which met in one of the old Walker Memorial Hospital buildings until January 21, 1950, when the early church purchased the old casino across the lake and refurbished it for use as a church.

It was dedicated in 1953 and as the congregation grew and the members shared their faith with others in the area, churches were built in Lake Wales, Sebring, and Lake Placid. For the past few years the church here on Lake Lillian has been so crowded that two services were necessary on Sabbath mornings, especially during the winter months when our seasonal guests were with us.

So the members have been sacrificing and working to build a new sanctuary which is now in the making, being built by Mr. D. Loveridge, a man who has built many churches for the denomination, and who will use our local talent.

IN A RELIGIOUS drama at the First Baptist Church, Lowell Hill (left) as Zebedee, Yelora Johnson as Zebedee's wife, Salome; Sharon Wicker as Mary Magdalene; Mary Bass as Mary Mother of Jesus and Jimmy Mills as John, son of Zebedee and Salome, will be discussing the healing of Mary Magdalene by Jesus. Synphots by Lew Miller.

Church Drama To Be Held

A religious drama, "Master of Magician," will be given at the First Baptist Church on Easter Sunday evening, March 26, at 7:45 p.m. Written by Dorothy Russell Murphree this drama presents events in the life of Jesus Christ climaxed by the crucifixion and the resurrection. Something of the suffering of Christ is seen through the eyes of those who knew him and were close to him.

In giving an invitation to attend this special event on Easter Sunday, Mrs. Aden Childress, director, said, "Church drama makes a unique contribution of the events surrounding the last days of Jesus' life. This drama can add meaning and depth to your spiritual experiences during the Easter season and we hope that all who can will plan to see it Sunday evening."

Portraying the characters in this drama are Lowell Hill as Zebedee, a faithful Jew owner of a fleet of fishing boats, and Yelora Johnson as Salome, Zebedee's wife and the mother of James and John. Taking the part of Mary, the Mother of Jesus and sister of Salome is Mary Bass and Sharon Wicker plays Mary Magdalene from whom Jesus had cast out seven devils. John, the younger son of Zebedee and Salome is Jimmy Mills. David Flowers are in the Narrator.

Members of the choir assist in the mob scenes and other off-stage sounds. Syble Watson and Jerrold Perkins are in charge of the music and sound assisted by Stanley Wells in the control room.

This drama is written as a pulpit or chancel drama, using two chairs as the only furniture on the platform. Music and narration are used as a bridge from one scene to another. This makes it possible for several different scenes in Galilee to be presented.

A spotlight moving from one scene to another is the curtain. Milton Bass has charge of the lighting. Assisting with makeup and costumes will be Betty Creech and Jane Wells.

Easter Special Film Held At The Church Of God

In keeping with the sufferings of Jesus Christ on "Good Friday" and the good news message of the "Easter"

season celebrated by the Christians, The Church of God, 105 N. Florida Avenue, will be showing a 2 hour color film: "Constantine and the Cross" Wednesday, Mar. 22, at 7:30 p.m. Everyone is invited to attend.

Joseph E. Le Vine's historic spectacle of early christian struggles amid roman persecution is based on the historic adventures of Emperor Constantine, who in 303 A.D., established the famous "Edict of Tolerance." Which allowed christians to worship in peace. The dramatic struggle of early christianity is told against the epic battles, political intrigue and christian torture that marked the era.

This film is a special tribute to the early christians and should strengthen the faith of the 20th century christian to continue living a faithful life to the Christ of "Good Friday" and "Easter Sunday". Pastor Paul Searcy has viewed the film and strongly emphasized that every christian should be present to see such church history in live action.

EASTER REVEALS THE TRIUMPH OF LIFE OVER DEATH

The beautiful story of Easter contains many messages of hope that have enriched the lives of all those who observe it. The dramatic events of the most memorable weekend in all history portray the victory of right over wrong and joy over sorrow, as well as the forgiveness of a deed so terrible that even the ruling magistrate would claim no responsibility for it. It is a time for reflection as well as rejoicing; and if the Son of God died to atone for our sins and to provide proof of immortality, the least we can do is try to be worthy of that sacrifice by improving our lives and by attending the Church of our choice; not only on Easter, but every Sunday throughout the year.

...In those holy fields
Over whose acres walked those blessed feet
Which fourteen hundred years ago were nailed
For our advantage on the bitter cross.
—William Shakespeare

"For God so loved the world,
that he gave his only
begotten Son, that
whosoever believeth in him
should not perish, but have
everlasting life."
—John 3:16

Meeting On Changes In Water Management

A public information meeting on the proposed boundary changes for Water Management District in Highlands County is being sponsored by the Environmental Council of Highlands County at the Sebring Woman's Club Auditorium on West Lake Shore Blvd., Sebring at 7:30 p.m. Thursday, March 23.

Florida Citrus Mutual has sponsored a bill before the Florida Legislature to change the water management district boundaries in Highlands County to coincide with the underground hydrological boundaries, which would include only the Ridge areas of Highlands County, extending from the Polk County line to the end of the ridge below Lake Placid with U.S. 27 being approximately in the center of the proposed area change.

However, members of the Environmental Council of Highlands County have received many inquiries about affected by the changes do not understand the effect of the change on the management of Highlands County's precious water resources.

Therefore, the council has arranged this public information meeting so that the concerned citizens of the county may learn all of the facts of the issue as regards taxes, water use permits, and water management objectives.

Speakers on the evening's program include: Dr. J. T. Griffiths, Director of Florida Citrus Mutual, Lakeland; E. D. "Sonny" Vergara, Director of Interagency Coordinators, Southwest Florida Water Management District; John Wodarski, South Florida Water Management District, West Palm Beach; and representatives of local government.

The Environmental Council of Highlands County has been active for over six years and, through the Highlands County Lakes Protective Association, which was formed over three years ago.

Hopes For County Census Evaporates

Hopes for a special Highlands County census have evaporated with the news that the latest federal census bureau estimate is even lower than the University of Florida's much-disputed head count.

Reporting to the Highlands County Commissioners Tuesday, Charles Cullens, county administrative assistant, said the Bureau of the Census estimate is 39,240. The University of Florida's estimate is 41,113 and the county's estimate is 43,946.

Cullens said the federal estimate is based on the nationwide decline of 8 percent in household size since the 1970 census and apparently took this into account when making its estimate.

He also pointed out that the influx of retired persons to the county could also lead to a lower per capita household size average.

Renewed discussion of a special census was requested by Commissioner Carl Arant Jr. at last week's meeting.

After Commissioner Cecil Skipper said that a special census taken in both Pasco and Pinellas counties resulted in lower population figures. Arant said in a special census, "It's a tremendous gamble."

Cost of such a census has been estimated at roughly \$38,000 and both Lake Placid and Sebring city councils have declined to take part in sharing costs on a pro-rated basis.

The county's share of state revenue sharing funds is based on the university's population estimate. If the estimate is too low, the county could lose up to \$200,000 a year in such funds.

Federal Revenue Sharing Funds are based on the census bureau's estimate of population.

Rather than risk expense for a special census that may result in a lower head count, plans for a new head count have been dropped.

TO CHUCK KERR
They took my Santa from me,
And my Easter bunny, too.
Now, please don't let
Them take our daddy...
Mine & also your new
Baby that's coming...
Or we won't know what
To do. I've been in the
Hospital a week now. And
I'm waiting for you to
Keep your promise to
Come home. We love
You and need you.

YOUR ONLY SON & BUDDY, BOBBY

Lively Living by Betty Amburn

Society Editor

Easter is a holiday that people celebrate throughout the United States and other countries, as a new beginning with new hopes for the future. Christians celebrate the resurrection of Christ and the ending of the Lenten fast.

Eggs became a part of the Easter custom as a representative of a new life. The exchanging of colored eggs began when the ancient Egyptians and Persians dyed the eggs in Spring colors and gave them as gifts; however, the early Christians of Mesopotamia were the first to use colored eggs in celebrating the holiday.

In some European countries the eggs were dyed red, representing their joy of the resurrection of Christ.

The Easter bunnies, bringing Easter eggs to children began with an old German folk tale; but, in ancient Egypt the rabbit has symbolized the birth and new life for thousand's of years.

In Sweden on Easter the children enjoy an egg rolling contest they call "Pashadagen". This popular sport is also enjoyed by many youngsters in the United States. The most favorite location is on the White House Lawn, the day after Easter. The late President Rutherford B. Hayes began this custom in 1878.

People use white lilies and green palms to decorate their church with, in celebrating the rising of Christ. The lilies stand for purity, while the palm stands for peace. In the United States families and friends gather together to celebrate with a feast, and the children hunt for brightly colored eggs which the adults have hidden. The child that finds most eggs is usually given a prize, as well as the one that finds the special egg, perhaps dyed a golden or silver color.

The Easter parade is a popular tradition in some cities throughout North America. People usually wear their new outfits for the spring season for the first time at these parades and church services.

With tulips and lilies bursting through the ground bringing forth their beautiful blooms; birds singing, greeting a milder, warmer climate; and Christians celebrating the resurrection of Jesus Christ; all of these are signs of Easter, and of spring. I wish each and everyone of you a joyous Easter day and a prosperous year ahead.

Betty Amburn.

Easter Parade

'Twas the week before Easter at Hopewell Elementary. Shown are some students from the kindergarden classes.

Behind the Badge

by John Burris

"THE POLICEMAN"
Patience, open-mindedness, law abiding, integrity, cooperative, ever ready to handle all emergencies, mannerly, attitude, never-ending responsibilities.
If you'll take the first letter of each of the listed qualities and attributes, you'll see that they spell P-O-L-I-C-E-M-A-N!

And when you stop for just a minute, long enough for the full realization of those qualities and attributes to strike you with the force of a speeding freight train, you become aware of what appears to be the bitter truth—that those qualities and attributes are almost, if not totally impossible to live up to day in, day out, 365 days a year by anyone! Right? WRONG!

Whether you're able to accept facts of life or not, there's people from every conceivable walk of life in almost every major metropolitan area of the world and in virtually every city, town, village, hamlet and wide spot in America living up to those same qualities and attributes every day of their lives.

With varying degrees of success, literally millions of men and women of all ages down through the years, have pursued those very same guidelines of life, and in years to come, there will more likely be another million or so men and women who will have followed in their predecessor's footsteps.

With this edition, The Avon Park Sun begins a week series titled "POLICEMAN", the objective being (hopefully) to better acquaint the communities of Highlands County with the individual members of their respective law enforcement agencies.

Southlands Court News

By Frank White
Dot and Jack Lavery are probably trying to establish some kind of record. They have overnight guest also one week visitors, two-week visitors, one-day visitors, possibly others. Recently with two-week visitors friends, John and Jean Minten they made the grand tour - Disney World, Cape Canaveral, Cypress Gardens, Sunken Gardens, Key West, Homestead, West Palm Beach. Don't see Bush Gardens listed nor Tallahassee or Lake City, so their car must have broken down. On their return here they had overnight visitors, Bill and Andrea Minten, now this week Dot's daughter-in-law, Donna Tibando and granddaughter Lisa are here.

Friday, Mar. 10 men's shuffling was held with no three game winners, and Bingo was held that evening with 19 people present. Okah Gifford won the coverall.

Edith and Herman Oelschlagers are scoring high in the visitors department. No people from Columbia City, Ind. are allowed to pass through Florida without stopping at Oelschlagers'. Recently they had Mr. and Mrs. Shad Wunderlich from that enlightened city. They also had Mr. and Mrs. Don Chapman, Mr. and Mrs. David Martin, Mr. and Mrs. Lee Shoemaker and Mr. and Mrs. Ralph Bennett. They didn't say so, but I suppose the latter eight are also from the same city (or nearby).

The weather ran true to form, Thursday, Mar. 16 while everyone was eating too much at the court pot luck supper.

about 6 p.m. the air cooed, wind rose, and it rained. The third successive one at which it has rained and prevented shuffling after the dinner. The dinner, of course, was excellent. The dinner committee is to be commended on the handling of all details.

Mildred Hindsley and Golda Daun are "resting up" for a 10 day Caribbean cruise that will take them to Montego Bay, Panama, Cartagena, Aruba and Caracas, Venezuela. One thing they didn't report is the day of departure, but it's pretty soon.

Marvin and Hannah Tebo have a son, William, who with wife Shirley visited them for about the first ten days of March. They live in Canton, Pa., and have had their youngest daughter, Donna Marie also visit the grandparents here during several summers. Mrs. Tebo says Bill and Shirley made their first trip to Avon Park when newly married 21 years ago, and almost every year since in the month of February. This is news indeed, as I never knew Tebos lived in Avon Park so long ago. While here Bill and Shirley visited some points of interest too, and with Marvin and Hannah plus Golda Daun and Mildred Hindsley toured around Lakeland on Mar. 5, followed by a bountiful dinner at that city's well known Sea Wolf restaurant.

After an attack of a few weeks ago that put him in Walker Memorial for a week or so, Park Ernberger returned to Southland Court and seemed to be doing well. He rode the

tricycle, drove his van around, etc., as before, right up to late afternoon Wednesday, Mar. 15. That evening he didn't feel so well, the ambulance was called, but he died before reaching the hospital, a surprise and shock to all court residents. Mrs. Ernberger is now in Ohio for the funeral, etc. and will not return here for the short time remaining in this season.

The March 17 Bingo had a pretty good attendance, with 19 present. Nancy Dugan won the coverall.

Dick Davis, George and Clara Davis, son, who was a visitor for a few weeks, returned to Maine Monday, March 13.

Women's Shuffleboard Thursday, Mar. 16, produced no three-game winners.

For more information call Avon Park 453-3758; Sebring 655-0742.

Four APCI Employees

Completes Training At Raiford

The Department of Offender Rehabilitation has announced that Avon Park Correctional Institution employees, Frank

Cunliffe, Donald C. Olive, Charles K. Oliver and Cecil L. Patterson recently participated in the Correctional

Training Institute at Raiford, Florida. This is the twenty-fifth CTI group to enroll in the minimum

standard curricula, which is required by law. The Training Institute program is taught in conjunction with Lake City Community College, and the graduates earn nine semester credits for successfully completing the full time, 160 hour course.

The program includes instruction in the Criminal Justice System, Legal Aspects of Corrections, Operational Procedures, Principles of Supervision, Human Relations and Technical Training Skills which include Firearms, First Aid and Fire Fighting Techniques.

The Correctional Training Institute was certified by the Florida Correctional Standard Council (CSC) in May, 1976, as a training center for correctional personnel. The Council was empowered by the Legislature in 1974 to establish minimum standards for the certification of correctional officers and training centers. The curriculum of training is designed to intensify the exposure of the officer and to develop him professionally. It is anticipated that the training program will help materialize the promise of a modern correctional system. The participants will continue their training with an additional 160 hours taught by regional instructors, on an in-service basis, at the various correctional facilities located throughout Florida.

AVON PARK CORREC. TIONAL INSTITUTION standing, Frank Cunliffe, Charles K. Oliver seated, Cecil L. Patterson, Donald C. Olive.
