At Lake Denton

Beach Dispute Raging

Disputes between Lake Denton residents and lake users have blown storm waves of controversy over Highlands County Commissioners and it doesn't appear the board can do anything in the immediate future to calm the waters.

During last week's meeting, the board

heard complaints from lakeside residents and users about behavior of some persons using the beach, which is adjacent to a church camp. The board asked Commissioner Cecil Skipper to study the problem.

In a report Tuesday, Skipper said the contested stretch of beach is too small for

development into a county-controlled beach park. He said a second, larger beach area on the lake would make a better site for a park that could include picnic tables and a boat ramp.

A Miami Beach firm owns the tract and Skipper has contacted a representative of the firm asking if the

beach area could be dedicated to the county.

Charles Shaw, a Lake Denton resident, said he has talked with both partners in the firm and is doubtful they would want to turn the beach over to the county. The site has been platted for a mobile home development since 1964.

Richard Serra, a beach user, said allowing even two ski boats on the small lake at one time would ruin the lake.

He said the access to the beach is dedicated to public use. He asked if the county couldn't have the land dedicated to the county to permit close regulation.

The beach has been the gathering place for vandals and persons given to indecent exposure. Both beach front property owners and beach users have objected to the behavior and asked for board help in stopping it.

Commissioner Robert Skipper pointed out that all behavior problems discussed by residents and users are against the law. The county's taking over control of the beach wouldn't change this.

"All I've heard about this is basically lawlessness," Commissioner Chairman C. J. "Buddy" Wise said. "We're not policemen. The people that are witness to this and are offended by it are going to have to help the sheriff."

The contested area could be dedicated to the county, but Commissioner Carl Arant Jr. said it would be too small to provide any parking spaces for beach users or room for other park development.

Commissioners will wait for a response from the Miami Beach firm before making other plans on a course of action for Lake Denton.

A change in zoning at Sun 'n Lake Estates Country Club in Lake Placid was approved to allow a beverage license. The issue had been contested by area residents two weeks ago, but the board upheld the Zoning Board's decision on the change.

Chris Miller was granted a variance in county road right of way requirements to allow development of a mobile home park on a road that runs off Thunderbird Road. Present right of way on this side road is only 33 feet, while regulations call for 50-foot right of ways.

Other than the right of way problem, plans met with other county requirements. The variance was unanimously approved.

AIRMAN RODNEY H. BRASFIELD receives congratulations from Col. Donald Griffing, Avon Park Bombing Range Base Commander, and Bill Britt, district manager of Florida Power Corp., upon his being selected as Airman of the

Brasfield Honored At Bombing Range

AIC Rodney H. Brasfield was honored as Airman of the Quarter, during Commander's Call on the Avon Park Bombing Range, Tuesday, April 25. Airman Brasfield was awarded this honor for his outstanding duty performance as a Law Enforcement Specialist with the 56th Combat Support Squadron.

He met with a board of senior NCO's at the Bombing Range along with other candidates and had a question answer session on current events and general military knowledge. Airman Brasfield traveled to MacDill AFB, Tampa, the middle of April as a representative from the Bombing Range to compete in their Airman of the Month contest.

Airman Brasfield entered the Air Force in June of 1976 from Chesaning, Mich., and came to the Avon Park Bombing Range in November of 1976. Upon his selection as Airman of the Quarter, Airman Brasfield received gifts from the following merchants: a \$10 gift certificate from Avon Auto Parts; \$10

gift certificate from Sterling's Auto Parts; two tickets to Cypress Gardens; two tickets to Circus World; two tickets to Sea World; 10 free games of bowling at Ridge lanes; one large pizza from Pizza Hut; a gift certificate from Burger Queen; \$15 gift certificate from Metcalf Hardware and will be the guest of honor at the Rotary luncheon in May.

Airman IC Gregory Swann was also honored at this time as Airman of the Month, for the month of April. For this recognition, he will be excused from squadron detail for one cycle; receive a special dinner at the bases famous Dunes Diner; a helicopter tour of the Range; receive a letter of recognition; a three day pass; be eligible to compete for Airman of the Quarter; and have a news release sent to his home town news paper.

Others receiving recognition at this meeting were, William (BILL) Scandinaro with a certificate of appreciation, and Bob Scanton, a fire fighter course honor graduate certificate.

Sheriff Department Awarded Pot Plane

Highlands County Sheriff Joe Sheppard was somewhat disappointed Sunday when a confiscated D-18, 1950, 12 passenger, twin engine Beechcraft airplane tied down at the Avon Park Airport was only appraised at \$8500 by Owen Gassway of West Palm Beach, Fla. The Beechcraft had been seized in July 1976 when the plane had landed at Placid Lakes, supposedly carrying a cargo of lobster tails which were out of

season. Subsequently a search of the plane revealed that carried 600 pounds of marijuana.

The pilot of the plane, the late James D. Gurley, pleaded guilty to possession of more than 700 pounds of marijuana. Ownership of the plane was traced to Robert Guy Eby, who admitted the craft was used for transporting marijuana.

Following his release from jail on a drug charge the plane owner landed a

DC-4 loaded with marijuana in Virginia where he was captured, tried, given a \$20,000 fine and 30 years in prison for his lust for the Columbia gold fever, said Sheriff Sheppard.

The Beechcraft and a 1976 Dodge Power wagon were confiscated and assigned to the Highlands County Sheriff's Department by Judge Oliver

Electric Bill To Go Up With Temperature

The temperature won't be the only thing going up this summer. The fuel adjustment charge on consumers' bills will also be climbing upward. And, like

the weather it reflects, no body can really say what it is going to be.

"It's impossible to predict accurately what the charge will be during the

summer. There are too many factors involved," said Tracy Smith, a public information specialist with Florida Power Corporation.

Fuel bills for the past year have fluctuated between \$41 and \$48 for 1,000 Kilowatt hours of electricity. The May charge for 1,000 KWH will be \$48.43 compared to the \$45.93 in April.

"It's certain to go higher, causing higher bills than the present \$48.43," Smith said.

The 1,000 KWH is usually used as a rating standard for base electric rates and fuel adjustment charges. However, the average household will probably use a good deal more electricity per month than 1,000 KWH.

The amount of the increase in fuel bills will depend on how much time it takes to put several power plants, now shut down, back into use. The Crystal River Nuclear Power Plant, which is owned by FPC, is under repairs and may not be operating until well into summer.

"We're hoping to have the plant back

into operation by mid-July," said Smith. However the plant may have to be shut down again when it is converted to use coal as fuel instead of oil. Because of

threatening the ecological system of the bay.

Each cooling tower cost approximately \$25 million. Smith charges the EPA has no evidence on which to base its conclusion of harmful water discharge from the two plants.

However the shut down of the plants will force a limitation on the generating capacity of FPC which will mean consumers "may also face the possibility of blackouts this summer."

The two plants which are out of commission are fuel efficiency too. We may have to purchase power from other companies in peak times," Smith added. FPC would buy power from other private companies such as Florida Power and Light or, possibly, from some cities in other areas of the state.

However, "purchase power" is often the most expensive type of power.

Walker Memorial Hospital

Open House On Sunday

"Walker Memorial Hospital wishes Avon Park well," said John McClellan, executive vice-president, in announcing the start of National Hospital Week, May

7-13, 1978.

National Hospital Week is an annual observance sponsored by the American Hospital Association and its member

hospitals to show appreciation for the work done by hospital employees and to encourage hospital-community interaction.

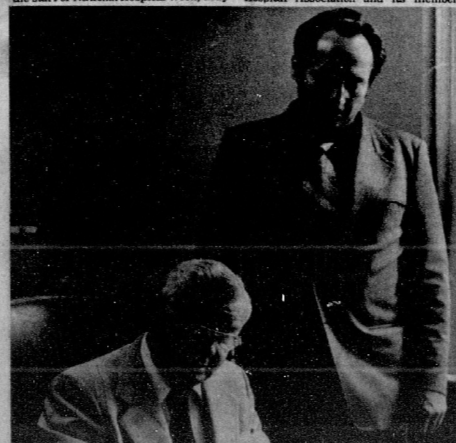

Walker Memorial plans an open house for Sunday, May 7 from 8-5 p.m. The public is invited to tour the hospital and view plans for a new addition to be added soon.

A free health screening clinic will be conducted during the open house. The screen will include blood pressure check, visual acuity, glaucoma, and hemoglobin blood test.

"This year's theme, 'Hospitals Wish You Well,' carries a goodwill message from hospitals for the continued or renewed good health of everyone in the community," said McClellan. "And we'd like to make this an occasion to remind people that good health doesn't just happen, it takes effort."

"We hope that National Hospital Week will signal the need to change unhealthy lifestyle patterns—like smoking, eating or drinking to excess, getting too little rest or exercise, or not having the routine medical care recommended by your doctor. National Hospital Week is an appropriate time to start doing what you can to stay out of the hospital, he concluded.

In declaring Hospital week in Avon Park, Mayor Marshall Davis urged the citizens of Avon Park to take cognizance of the event, to participate fittingly in its observance and join the nation in paying tribute to the dedicated people who serve in the hospital of this community, who provide skilled and compassionate health care to our citizens.

Clellan appears to be giving his approval. Sunphoto by Lew Miller

Vandals Damage High School Monday

Vandals did about \$25 worth of damage to the Avon Park High School last weekend when they fired a dozen or more 22 shots at the front of the school. The shots pierced two plate glass

windows and shattered a glass door at the front of the school.

Principal Les Watson said employees had spent six hours cleaning the area of

broken glass last Monday morning. Although the estimate of damage was not definite, officials in the school superintendent's office said about \$25 worth of damage was done to the school.

Crime Increase Needs To Be Investigated

A reported increase in crime never comes as good news but, in the past few years in Florida, such reports have been noted.

The state has grown tremendously having a booming population, a growing number of transients and an increasing number of winter guests because of cold winters up north.

With such an influx of new residents and visitor's a corresponding increase in crime is likely.

However, all that did not quite prepare us for the 80 percent increase in crime in the city of Avon Park, as noted by the state's Division of Criminal Law Enforcement.

Comparatively Sebring, which is just 11 miles south of Avon Park, experienced a 6.5 percent increase in crime while Avon Park almost hit triple figures in the same category.

Yet almost all the reasons why crime might increase in this city applies to Sebring too.

Chief Richard Brooks said he felt the unemployment rate and the large number of transients were major factors in upping the crime rate.

Probably Chief Brooks is right. However, the unemployment rate for Highland County is nine percent, without an appreciable amount of difference between Avon Park and Sebring.

The county itself, with an unemployment rate of nine percent, only had a 10 percent crime increase.

As for transients, there's no reason to assume a good many more transients came to Avon Park than traveled 11 miles southward to take residence.

As for minor traffic offenses, both cities recorded approximately the same number. For the first six months of 1977, the latest time which figures are available for, Sebring recorded 646 such offenses and Avon Park had 651 on the books. Of those, 236 were speeding violations in Sebring while 172 were speeding violations in Avon Park.

Again, there is a similarity between the two cities. In this case, the rate of traffic and speeding violations seems to be higher than other cities of similar size. During the same period of time Lake Wales recorded 619 traffic violations but only 96 were speeding infractions. Palatka, a larger city than either Sebring

and Avon Park, did record more traffic violations, 883, but only 107 of those were for speeding.

Possibly the reason for the higher number of speeding violators is the fact that both cities are on a major highway,

so motorists are sometimes less likely to slow down when they enter the city limits.

However, if the disparity increases the question of whether the police are spending too much time trying to ticket speeders arises. When the crime rate had increased 80 percent, patrolmen should spend less time trying to seek out traffic violators and more time patrolling.

On the matter of the clearance of serious crimes, the city police had a good record. The 4 percent plus clearance rate is relatively high.

What is left unanswered are two basic questions. Why was the highest increase in crime in the county in Avon Park and what is being done to prevent a similar increase this year?

Although there are many similarities between the two cities, there must be some differences to produce such a dissimilarity in crime statistics.

The Avon Park City Council, being the agency which is ultimately responsible for all city departments, should endeavor to find the answers to those two questions.

Certainly the reasons for a increase in crime more worthy of the council's attention than bickering about whether non-residents can sit on city advisory boards.

Reasons for the 80 percent increase in crime last year need to be uncovered so the city can prevent an 80 percent increase this year.

I would just like to say thank you for having such a wonderful program such as the "Good Morning" system.

I am 29 years old and ashamed of the times I "put off" going to see my grandmother to check on her or just say "Hi" and "I care". She is now confined to a

nursing home in Indiana and would not recognize me if I would go to see her. My point is that I suspect some of these people's only contact with the outside is through your call.

Just wanted to say an appreciative word to a department that so often only catches hell.

Dear Editor:
This past week the band took an overnight trip to Orlando visiting Disney World on Friday and Sea World on Saturday. Mr. Lester Watson told the students they could not wear Levi's on this trip. My daughter gave me this message. Not thinking he meant dress jeans, she thought I packed for my daughters trip.

After their concert at Sea World Saturday the students returned to the bus to change from uniform to their apparel for the day. Mr. Watson seeing my daughter and two others in blue jeans returned them to the bus to change. She did not have any other clothing with her except a pair of shorts. She was told to put on the shorts or the band uniform or stay on the bus. She did not feel that her blue dress jeans were any different than the yellow or green dress jeans allowed on the other students and band master.

She was ordered to stay on the bus and not to leave it. This order came from Mr. Watson by way of one of the chaperones. At that time it was about 11:30. She was left alone on the bus in the parking lot.

I am not saying my daughter was right or wrong. Mr. Watson sent a letter home informing the parents that if a child misbehaved the parents would be called to come to Orlando to pick up their child. Mr. Watson did not call me. He left my daughter and after 45 minutes of being alone she called me here in Avon Park hysterically crying because none had come back to check on her. We told her to go back to the bus, someone would come soon to check on her and we would be there right away. When we arrived one hour and 15 minutes later there still

had not been anyone back to the bus to check on her. Mr. Watson has made the statement that he notified security guards. This I do not believe because with all the excitement for a angry father jumping from the car running to the bus taking her off the bus with all intentions of going looking for Mr. Watson and a mother pulling her from him while trying to calm both down. This taking approximately 30 minutes before we put her in the car and left. No security guard came to question, no chaperone checked. Mr. Watson did not check. I was told that a chaperone took a two and a half hour nap at the bus and yet after my daughters disappearance none checked on her until 5:30 p.m. A student was sent by Mr. Watson not Mr. Watson but a student to phone and ask us if we knew where our daughter was. All this happened at Sea World parking lot in an open bus just a few miles from Walt Disney where a short time ago a young girl was murdered and yet when I talked to Mr. Watson finally on Monday he said he saw nothing wrong with the negligence he showed in leaving my daughter alone for what would have been a period of seven hours if she had not called me, yet early Monday morning when Mr. Watson was called to come down to the school because of some disturbance he informed them he would not come because he would not leave his wife alone (this is a grown woman in a home with locks and a telephone).

As for minor traffic offenses, both cities recorded approximately the same number. For the first six months of 1977, the latest time which figures are available for, Sebring recorded 646 such offenses and Avon Park had 651 on the books. Of those, 236 were speeding violations in Sebring while 172 were speeding violations in Avon Park.

Again, there is a similarity between the two cities. In this case, the rate of traffic and speeding violations seems to be higher than other cities of similar size. During the same period of time Lake Wales recorded 619 traffic violations but only 96 were speeding infractions. Palatka, a larger city than either Sebring

and Avon Park, did record more traffic violations, 883, but only 107 of those were for speeding.

Possibly the reason for the higher number of speeding violators is the fact that both cities are on a major highway,

so motorists are sometimes less likely to slow down when they enter the city limits.

However, if the disparity increases the question of whether the police are spending too much time trying to ticket speeders arises. When the crime rate had increased 80 percent, patrolmen should spend less time trying to seek out traffic violators and more time patrolling.

On the matter of the clearance of serious crimes, the city police had a good record. The 4 percent plus clearance rate is relatively high.

What is left unanswered are two basic questions. Why was the highest increase in crime in the county in Avon Park and what is being done to prevent a similar increase this year?

Although there are many similarities between the two cities, there must be some differences to produce such a dissimilarity in crime statistics.

The Avon Park City Council, being the agency which is ultimately responsible for all city departments, should endeavor to find the answers to those two questions.

Certainly the reasons for a increase in crime more worthy of the council's attention than bickering about whether non-residents can sit on city advisory boards.

Reasons for the 80 percent increase in crime last year need to be uncovered so the city can prevent an 80 percent increase this year.

Ladies and Gentlemen:
I would just like to say thank you for having such a wonderful program such as the "Good Morning" system.

I am 29 years old and ashamed of the times I "put off" going to see my grandmother to check on her or just say "Hi" and "I care". She is now confined to a

nursing home in Indiana and would not recognize me if I would go to see her. My point is that I suspect some of these people's only contact with the outside is through your call.

Just wanted to say an appreciative word to a department that so often only catches hell.

Sincerely,
Jill O'Brien

Parent Angry At Principal

Dear Editor:
This past week the band took an overnight trip to Orlando visiting Disney World on Friday and Sea World on Saturday. Mr. Lester Watson told the students they could not wear Levi's on this trip. My daughter gave me this message. Not thinking he meant dress jeans, she thought I packed for my daughters trip.

After their concert at Sea World Saturday the students returned to the bus to change from uniform to their apparel for the day. Mr. Watson seeing my daughter and two others in blue jeans returned them to the bus to change. She did not have any other clothing with her except a pair of shorts. She was told to put on the shorts or the band uniform or stay on the bus. She did not feel that her blue dress jeans were any different than the yellow or green dress jeans allowed on the other students and band master.

She was ordered to stay on the bus and not to leave it. This order came from Mr. Watson by way of one of the chaperones. At that time it was about 11:30. She was left alone on the bus in the parking lot.

I am not saying my daughter was right or wrong. Mr. Watson sent a letter home informing the parents that if a child misbehaved the parents would be called to come to Orlando to pick up their child. Mr. Watson did not call me. He left my daughter and after 45 minutes of being alone she called me here in Avon Park hysterically crying because none had come back to check on her. We told her to go back to the bus, someone would come soon to check on her and we would be there right away. When we arrived one hour and 15 minutes later there still

had not been anyone back to the bus to check on her. Mr. Watson has made the statement that he notified security guards. This I do not believe because with all the excitement for a angry father jumping from the car running to the bus taking her off the bus with all intentions of going looking for Mr. Watson and a mother pulling her from him while trying to calm both down. This taking approximately 30 minutes before we put her in the car and left. No security guard came to question, no chaperone checked. Mr. Watson did not check. I was told that a chaperone took a two and a half hour nap at the bus and yet after my daughters disappearance none checked on her until 5:30 p.m. A student was sent by Mr. Watson not Mr. Watson but a student to phone and ask us if we knew where our daughter was. All this happened at Sea World parking lot in an open bus just a few miles from Walt Disney where a short time ago a young girl was murdered and yet when I talked to Mr. Watson finally on Monday he said he saw nothing wrong with the negligence he showed in leaving my daughter alone for what would have been a period of seven hours if she had not called me, yet early Monday morning when Mr. Watson was called to come down to the school because of some disturbance he informed them he would not come because he would not leave his wife alone (this is a grown woman in a home with locks and a telephone).

MR. WATSON IT MAKES A BIG DIFFERENCE WHEN THEY BELONG TO YOU DOESN'T IT?

Sewing Tips For The Modern Homemaker

By Dorothy

I think this is a good time to make a shirred dress. The very popular shirred sun dress is everywhere, and so easy to make.

The shirred fabric is available in many types of fabric, however, it is not purchased by the yard as is other fabrics. This is sold by the inch. Purchase four inches less than your bust measurement.

This is going to be so easy that you will want to make several. Measure from top of your bust area (where top of dress will be down to desired length). Measure dress fabric, allow two inches for hem and

cut off excess fabric. Stitch seam of dress carefully matching shirred sections. This seam is centerback of dress. Sew Hem.

You are now ready to make the shoulder tie. Actually, you can make them any width you want to, but for our purpose, let's make the tie one inch wide.

So, using the left over fabric, cut strips 2 1/2 inches wide. Fold them in half lengthwise with right sides together. Stitch 1/4 inch from edge. Turn. Cut four ties into the desired length. Stitch one end of each tie to dress top placing them at front and back so they will tie on the

shoulders.

Turn raw edges of loose tie ends to inside and stitch across to finish. There, a new dress ready to wear.

Variations:

1. Attach a narrow lace to top edge of dress before stitching back seam.
2. Make another stripe like the shoulder tie. Attach center of the stripe to back of dress at bottom edge of shirred section.
3. Make a pocket of dress fabric or of a contrasting fabric and sew on front of dress.
4. Edge pocket to match lace at top of dress.
5. Add a lace ruffle to bottom of dress.
6. Make shoulder ties of lace and edge bottom of dress with matching lace.
7. Instead of a hem, cut dress shorter and make a ruffle out of fabric you cut off and add ruffle to bottom of dress.
7. Instead of a hem, cut dress shorter and make a ruffle out of fabric you cut off and add ruffle to bottom of dress.

Wasn't that easy? Hurry and get the fabric for the next outfit.

Collins' File Civil Suit

A civil damage suit, filed by Willie Collins and Willie Bee Collins, is seeking to recover damages for injuries allegedly suffered in a traffic accident on U.S. 27 on Aug. 4, 1977.

Defendants in the suit are Jack H. and Cordelia S. Fanchull and Colonial Penn Insurance Co. The accident occurred a little more than two miles north of Sebring.

Steven Foster Center Holds Folk Festival

For the first time in six years, the Florida Folk Festival will be staged in May, according to John A. Robertson, director of the state-owned and operated Stephen Foster Center. Festival dates are May 26, 27, and 28, according to Robertson.

From the early 1950s until 1972, the Festival had always been a Springtime attraction of the Foster Memorial Center.

"We will have a full program of authentic folk entertainment, ranging from the rhythmic shoeshine rag to Irish folk dancing and Scottish bagpipes," Robertson noted.

The program will also feature cloggers, and plenty of picking and singing, led by such well-known folk musicians as Will McLean, Gamble Rogers and Dale Cridler.

Festivities get under way Friday, May 26, at 7:30 p.m., and continue with morning, afternoon and night programs Saturday and Sunday and a morning program Monday, May 29, Memorial Day, ending in early afternoon.

The Stephen Foster Center is located on the banks of the famous Suwannee River at historic White Springs, three miles east of the I-75 and S.R. 136 exit, or 10 miles north of I-10, on U.S. 41. Camping is available inside the Foster Center on a first-come, first-served basis.

\$900 In Pledges For Bike-A-Thon

An estimated \$900 in pledges was raised by 36 bike riders from Avon Park and Sebring, riding the four mile "Breathe of Spring" Cystic Fibrosis Bike-A-Thon circuit last Saturday morning.

The 36 bikers started their peddling at 8 a.m. with the last rider David Riggs completing 50 miles of riding about 1 p.m. Riggs also rode the most miles for the boys, while Carol Padgett completed 40 miles to too the girls entered in the

Bike-A-Thon.

Sponsored by the Avon Park Junior Woman's Club, the Bike-A-Thon route was laid out to avoid heavy areas of heavy traffic, winding through residential and grove areas.

Assisting the Jr. Women in staging the bike riding were members of the Sebring CB HELP Club, officers of the Avon Park Police Department and the Highlands County Sheriff's Department

and auxiliary plus the husbands of Jr. women.

Bike riders are urged to collect and deposit their pledges by May 29, at the Avon Citrus Bank, Avon Park or the First National Bank in Sebring, returning their white pledge sheet to the bank at the time of making their pledge money deposit.

Prizes will be awarded to winners after all pledges are turned into the banks.

County Board Approves Middle School Projects

During a special meeting Monday night, Highlands County School Board approved final plans for the new middle school projects in Sebring and Avon Park and a contract should be awarded as early as June 23.

Plans on the projects, which will run to more than \$5 million, are to be taken by Superintendent Dr. Dan Davis to state Department of Education offices in Tallahassee Friday.

He said the board could seek bids and hold a bid opening June 13, with a contract award that would follow in about 10 days. The 10-day period would allow the architect and board to determine if the contractor's bid meets specifications.

The timetable is tentative and hinges on whether the county's requests for advance funding will get a nod of approval from the state.

Each year the county receives a designated amount of state funding that is used for new construction. Under a new program, the county will be able to borrow up to seven

years in advance on the funding from the state.

If the county's request for advance funding is approved, it would mean a seven year wait until the county could again borrow on the building fund.

Estimated cost of the Sebring project is roughly \$2,960,000 and the Avon Park project is \$2,118,921.

Engagement Announced

Mr. and Mrs. Leroy Hinoite of Lorida, announces the engagement and forthcoming marriage of their daughter, Lara Lee to Marty Kelly, son of Mr. and Mrs. Learnon Kelly of Avon Park.

The wedding will be held at the First Baptist Church of Avon Park on August 26. The reception will immediately follow the services at the Sebring Agriculture Civic Center.

All friends and relatives of the families are invited to attend.

Local Grange Holds Meeting

Avon Park Grange No. 208 met for its regular meeting Tuesday, April 25. Several members have returned to their northern homes so we had some pro tem officers. Past Master, Ralph Fullmer, presided in the Master's chair. Mary Haviland took over the secretary's duties and the assistant lecturer, Gertrude Slocum had charge of the program.

As this was FFA night, three young men from the agriculture class came and talked on citrus.

Greg Correll gave the history of citrus in Florida, stating that a spaniard went to China and brought back and planted our first trees. He also stated that Florida produces 70 percent of citrus grown in the United States. Many citrus in our area have aphids and he explained a very simple method of ridding the trees of them.

Next, Billy Barben, gave an informative talk on ways of irrigating, and gave the names of kinds of orange, tangerines, and grapefruit. He also told the ways citrus groves are protected from frosts.

James Charis explained several ways of planting groves, ways of fertilizing and mentioned cautions to observe when planting citrus.

During the question and answer period we were told about new developments in agriculture; one that was most interesting is a dwarf grass that is being experimented, and only grows two inches in height.

The Grange sincerely thank these young students for giving of their time and information.

As this is national Grange week, the Lecturer read an excerpt from a New York State newspaper in which the Granges and their activities. Mrs. Robinson read a poem on "Team Work". Lillian Seeger played the "National Grange March" and Gertrude Slocum read, "Mad Roads or Higher Taxes", from the Happy Farmer.

Mr. and Mrs. Donald Mason will be leaving Wednesday morning for their northern home.

A delicious lunch of punch, cookies, cake and fudge was served. There were 18 members present.

Next regular meeting is May 9, with Edith Marteen and Alma Doty being the hostesses. Thought for the day: We find life exactly like what we put into it.

Legal Secretaries Hold Meeting At Daytona

The Florida Association of Legal Secretaries held its 20th annual meeting April 28-30 in Daytona Beach. Members who attended from the Highlands County Association were Ida Dorman, president; Nikki Smith, secretary; Gladys Taylor, governor; Pat Strickland, Jan Howard and Teddy Boring, a prospective member.

A mock trial on a fall down injury suit and a probate tax workshop were presented for continued legal education for the members and interested guests.

All persons employed in work of a legal nature are eligible to attend local meetings and apply for membership. National, state

and local membership is non-union and non-partisan. The primary goal of the association is to further educate it's members in the ever changing laws and procedures of our country and to promote a high degree of professionalism in the legal secretary work. Pat Strickland of the Avon Park Police Department, recently elected secretary of the Highlands County Association, stated that the next meeting will be held in the Board of County Commissioners room at the courthouse in Sebring on May 13 at 7:30 p.m. The newly elected officers for 1978 will be installed at this meeting. The 'Boss of the Year Award' will also be presented at this meeting.

Mr. and Mrs. Harry Baughan (center) celebrated their 72nd wedding anniversary on April 16, at the Florida Power Lounge. Their daughter Halie Baughan, and son Dr. Herbert Baughan.

Baughan's Celebrate Anniversary

Mr. and Mrs. Harry Baughan were honored on their 72nd wedding anniversary, Sunday, April 16 from 3 p.m. til 5 p.m., at the Florida Power Lounge. Guests were received by Ophelia Rihner and presented to the 92 and 94 year old honorees, and their son Dr. Herbert Baughan.

Halie Baughan, sister of Mr. Baughan, presided at the guest book.

The refreshment tables were over-laid with white lace tablecloths, and adorned with silver candelabra. The beautiful three tiered cake was cut and served by their granddaughter, Betty Lou Wells and her mother, Katie Lou Baughan. The great granddaughters, Sherri and Vonda Wells served delicious punch from the second table while their great grandson, Troy Wells assisted in collecting cups.

Mr. Baughan was born in Handley, Va., and Mrs. Baughan was born in Richmond, Va., where the couple met and later were married on April 19, 1906. They resided in Richmond, until they moved to Avon Park, in 1952.

Engagement Announced

Mr. and Mrs. Hiram Joseph Brookins, of Sebring, announce the engagement of their daughter Rhonda Dale to Kent Stanley, son of Mr. and Mrs. Kenneth Ruben Filippa, of Avon Park.

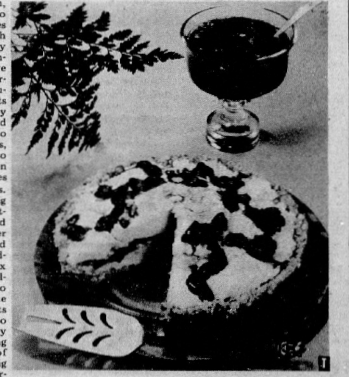

The bride-elect is a senior at Sebring High School.

The future bridegroom is a 1973 graduate of Avon Park High School and a 1977 graduate of the University of South Florida. He is currently employed at the Avon Park High School.

A winter wedding is planned.

Cooking Corner

Busy, innovative women, who do not have time to make their own jams, jellies and preserves can look with assurance to the naturally pure, delicious, and convenient jams, jellies and preserve products on their supermarket shelves. The manufacturers of these products that belong to the Advisory Council for Jams, Jellies and Preserves are dedicated to the purity of their products, to high standards and to educating the consumer on the many and various uses of jams, jellies and preserves.

Swirls of grape preserves and crushed pineapple give this ice cream pie rich, fruit flavor.

- FROZEN GRAPE PIE**
- 1/4 cup butter or margarine
 - 1/2 cup firmly packed brown sugar
 - 1 cup chopped toasted almonds
 - 1 cup flaked coconut
 - 1 quart vanilla ice cream, slightly softened
 - 2 cups grape preserves
 - 1 cup well drained crushed pineapple
 - Grated rind of 1 lemon
 - 1/4 cup toasted sliced almonds

Mix together butter, sugar, almonds, and coconut with fingers until well blended. Press mixture into bottom and sides of an ungreased 9-inch pie pan. Spoon half the ice cream into the lined pan, press with spoon to form smooth layer. Mix together grape preserves, crushed pineapple and lemon rind. Spread 1 cup of the mixture over the ice cream filling. Spoon remaining ice cream over preserves mixture. Cover with foil or plastic wrap; freeze about 4 hours or until firm. About 30 minutes before cutting remove from freezer and place in refrigerator. Serve in wedges, topped with remaining preserves mixture and sliced almonds.

Engagement Announced

Mr. and Mrs. Gordon Hart of Avon Park are proud to announce the engagement and approaching marriage of their daughter, Debbie, to Gerald D. Prescott, son of Mr. and Mrs. Jack Prescott of Sebring.

Debbie is a senior at Avon Park High School and is presently employed at Thriftway in Avon Park. Gerald is a senior at Sebring High School and has enlisted in the Navy under the DEF program.

The wedding will take place on June 17, at 11 noon in the amphitheatre in Highlands Hammock. A reception will follow in the Hammock Pavilion.

No invitations are being sent, but all friends and relatives of the couple are invited to attend.

Second Grade Study Star Wars

This is the time of the year when children's minds turn from school work to baseball, swimming and summer vacations. However, Star Wars is always an attention getter. Thus Mrs. Brooker's second grade class at the Avon Elementary School launched into a Space Unit, using the Star Wars theme as motivation.

In addition to learning many things about the solar system, the children had many experiences in reading, creative writing, spelling, math and art. Each day the class read stories about the astronauts, space monkey, rockets and space travel. They developed a vocabulary of space words. The class had Star Wars between two groups in learning their math combinations and a space race to learn the names of the planets.

Here are some of the children's creative writings:

Christian School To Hold May Festival

A May Festival will be held Saturday, May 6 at Lake Wales Christian School, beginning at 1 p.m.

Sponsored by the LWCS Athletic Boosters Club, the event will combine old-fashioned fun with an open house at the school during which interested persons will have opportunity to see classrooms and to examine the curriculum. A booth at which a newly-printed brochure on the school will be available and where registrations will be accepted will be featured.

Festivities also will include a hot air balloon on the grounds and a number of booths, including a dunking booth. At a homemade ice cream booth, patrons will purchase a container and may make up their own favorite ice cream concoctions. Some of the season's first watermelons will be served at the watermelon booth. Both hamburgers and hot dogs will be sold at the food

concession along with other fast food items. Throughout the afternoon various athletic contests will be held for youngsters in kindergarten through sixth grade who wish to participate and nominal prizes will be awarded.

The evening's entertainment will begin at 7 p.m. when a Gospel Sing featuring the Stammer Brothers Quartet, of Orlando, will be held. Also taking part will be the Lake Wales Christian School Choral, the David Harris Family, the Ladies Ensemble of First Missionary Baptist Church, and congregational singing.

All students, parents and friends of the school along with all persons interested in seeing the school and learning more about its operation are invited to attend. LWCS is located on East SR 60 about a mile and a half east of the Lake Wales city limits.

High School Equivalency Test Offered By SFJC

Gene Statler, Director of Vocational and Adult Guidance at South Florida Junior College, has announced that the next series of tests for qualified adults to obtain a high school equivalency (G.E.D.) diploma is slated to be given Tuesday and Wednesday, May 16 and 17, from 8:30 to 10:30 p.m. at the college. The diploma constitutes the legal equivalent of a high school diploma and can be accepted by employers and training agencies.

The examination consists of five separate comprehensive tests covering the fields of English expression, natural

science, general mathematics, social studies and literature. Each test takes approximately one to one and one-half hours and it usually requires two nights to complete the five tests.

The application form must be completed and submitted to Statler before 5 p.m., Monday, May 15. The \$10 testing fee is payable on the first night of testing.

Anyone desiring further information about the G.E.D. tests should contact Statler at South Florida Junior College or call 453-6661, extension 119, in Avon Park.

Ridge Area To Host Prevention Of Retardation

The Ridge Area Association for Retarded Citizens is hosting a meeting on Prevention of Mental Retardation on Thursday May 11, at 7:30 p.m.

Mary Ellen Ward, a Ridge Area parent and an original member of the A.R.C., will be showing a slide presentation, "An Ounce of Prevention." Following the slides a panel will be addressing questions from the audience. Panel members include Virginia Hubbell, former Retardation Program Specialist and Nancy Thomas, Consultant for Exceptional Students Education. Ridge Area is striving to serve all retarded citizens in Highlands County as well as provide information to prevent retardation in future generations. The public is invited to attend at the Board

Room of the George Douglas School Administration Building corner of Tangerine and School Streets in Sebring. For further information call Ridge Area at 585-4628.

Have Your Blood Pressure Checked

High blood pressure is a major contributor to heart attack and stroke. You can have it and not know it. Have your blood pressure checked regularly. If it's high, follow your doctor's orders about treatment. May is High Blood Pressure Month.

Important Dates For Seniors
Some seniors may have not attended the senior class meeting last Thursday, and some important dates were mentioned.

Graduation practice will be held at Memorial Field at 9:00 a.m. Thursday, June 1. Also June 1, Baccalaureate practice will be held at Memorial Field at 9:00 a.m. Thursday, June 1. Also June 1, Baccalaureate practice will be held at 1:00 p.m. at the First Baptist Church.

The actual Baccalaureate service will be at 8:00 p.m. Sunday June 4, at the First Baptist Church. On Monday, June 5, 1978, the long awaited graduation ceremonies will take place at 8:00 p.m. at Memorial Field.

Seniors who are planning to attend Grad Nite are asked to turn in their date's name, address, and phone number to the master list that must be mailed to Disney World no later than Monday May 8. The absolute deadline is Friday. After the master list is mailed, no changes will be made. This information can be taken to Mr. Culbertson's room.

The information concerning dates must be turned in.

Featured Senior

This week's featured senior Wendell Frazier came from California to finish his high school education. Wendell arrived from Los Angeles last year when he was a junior.

Being a great lover of sports, Wendell played varsity football and was on the state-runner up basketball team this year.

Wendell also enjoys hockey, weight lifting, boxing and listening to music. His favorite group is Parliament.

After graduation, Wendell plans to attend Belhine Cookman College and major in Business Administration. He also wants to play basketball at BCC during his sophomore year.

For his future plans, Wendell

You can feel good and still have high blood pressure even if you're young and apparently healthy. Have your blood pressure checked. May is High Blood Pressure Month.

wants to follow in the footsteps of his father, Bobby Frazier, who is the assistant coach at BCC.

Wendell has enjoyed his year at Avon Park High School. He especially enjoys the athletic opportunities. "This school's got a lot of good coaches and athletes," Wendell said. "There's plenty of academic opportunity too if you're willing to put forth the effort."

AVON PARK BAND School Grenadier Band members

Bagpipe Major Try-Outs

The Avon Park High School Grenadier band will be holding tryouts for Bagpipe Major, May 6 on the high school campus. These try-outs are necessary because Tom Delk, the present Bagpipe Major, is graduating this year.

The Bagpipe Major has a difficult task being the leader of the bagpipe corps. The entire band is under the control

of the Bagpipe Major if the Drum Major is absent. Jody Dennis, a freshman, and Linda Decker, a junior, are the two contestants for this responsible position.

Jody plays trombone and was the Drum Major of the Middle School band. Linda is the first-chair trumpet player as well as an officer in the band. She sorts and hands out music and is an authoritative figure in the band.

These students are among those representing Sebring Academy in the state ACE Track and Field Competition at Cape Canaveral this

week. Back row (left to right) Leah Andrews, Sharon Watson, Julie Bishop, Track Coach Darrell Perry, Kitty Griffin, Ruth Robideau and Rhonda Bateman. Front row: Scott Crutchfield, Bart Workman, Make Hoke, David Bear, Ken Golde, Joe Calhoun, and Philip Rucks.

County Emergency Medical Report

Highlands County Emergency Medical Service reports that there were 10 emergency runs, eight in-county transfers and seven out-of-county transfers in Sebring during the week of April 23-29.

During the same period there were eight emergency runs and one in-county transfer in Avon Park and eight emergency runs in Lake Placid.

Anticipation has been building during the last few weeks at Sebring Academy as the High School students and faculty have been busily preparing for competition in the Accelerated Christian Education (ACE) State Convention.

The convention, which will be held on May 4 and 5 at Shelton College in Cape Canaveral, Florida, is one of many state ACE conventions throughout the nation. On April 7, Sebring Academy won the Southwest Conference

championship in Ft. Myers, Florida. Winners of those events, as well as other students, will be competing in Academic quizzes, creative compositions, arts and crafts, track and field events, vocal and instrumental music, and persuasive speaking.

This year, Sebring Academy will be sending 26 students and three faculty sponsors to the convention. The students and sponsors will be leaving at 1:00 p.m. on Wednesday, May 3 and will be returning to Sebring on Saturday, May 6, following the convention and a trip to the beach at Cape Canaveral. Approximately 700 students, representing 50 Christian schools throughout Florida, will be entered in competition. First and second place winners will be eligible to go on to the ACE National Convention to be held at Hyles-Anderson College in Hammond, Indiana, on June 5, 6, and 7.

Correctional Institution Making Recruitment Effort

A team of Department of Offender Rehabilitation Center Office personnel staff and Regional Office personnel officers will be arriving in Belle Glade, Fla. at present there are 22 vacant positions at the prison, causing serious management and security problems. Over the past year there has been an average of 17 vacancies in security. There are also vacancies for medical technicians and food service officers, but the critical need is for correctional officers.

Some examples of the various types of challenging work performed by the Correctional Officer include:

-Promotes rehabilitation of inmates by attempting to modify their social attitudes, discouraging undesirable habits and encouraging worthwhile activities.

-Takes personal charge of assigned inmates and supervises their activities and

-Stands guard, observes inmates and takes required action in emergencies to prevent escapes or to suppress disorders.

Required Correctional

Standards training for correctional officers will be provided at no expense to the employee.

These state career service jobs have a beginning annual salary of \$9,082.00 with time and half paid for overtime.

The only educational requirement is graduation from a standard high school or an equivalency diploma.

The Department of Offender

Rehabilitation has also requested approval of the Department of Administration for a 10 hour day, four day week to ease transportation costs. Additionally, Dr. R. Los requested that Glades Correctional Institution Correctional Officers be given a larger geographical pay

different than they now receive. This would bring the comparative salary level more in line with other local correctional facilities.

Women To Hold Silver-Haired Legislature

While Florida's Legislature is meeting to shape Florida's future in 1978-1979, the State's older citizens will be gearing up for their own legislative session scheduled in the capital city in July.

Sponsored by the Department of Health and Rehabilitative Services, with the cooperation of the League of Women Voters, the gathering has been dubbed the "Silver-Haired Legislature" Session. It is modeled after a Missouri program to develop an ongoing educational program for older people designed to help them better understand how the government process works.

In the coming weeks, caucuses and elections will be held in every Florida county to select 100 over-60 people to serve in the "Silver-Haired Legislature".

The League of Women Voters had volunteered to give more than 1,500 hours of time to hold the caucuses and elections and

to provide training sessions for delegates. Those elected as senators and representatives will meet in Tallahassee July 10-14. They will consider issues affecting the needs, desired, and

problems of elderly constituents. The outcome of their work will be presented to Florida's real legislature to consider as members tackle the 1979 legislative session.

Polk County is in HRS

The League of Women Voters will hold the caucus for this district on May 10, from 10:00 a.m. until 12:00 noon at the Agricultural Center on Highway 17 South in Bartow. All citizens over 60 and residents of Hardee, Highlands, and Polk Counties are encouraged to attend and run for office.

Elections will be held two weeks later.

For more information, contact the local Polk County Information and Referral number listed in the inside front cover of your telephone directory, or your local HRS Aging Office.

Pot Plane

Green of the 10th Judicial Circuit Court at Bartow.

With the owner of the Beechcraft in the Hanover, Va., prison, Sheriff Sheppard, while at the FBI Academy at Quantico, Va., obtained a release giving the plane to the department.

The sheriff had hoped that the appraisal of the twin engine plane by Gassway, a fixed base operator would be in the neighborhood of the current market price of between \$12,000 to \$14,000.

However, Gassway attached AD notes to the appraisal, meaning that correc-

tions would have to be made to the plane to make it airworthy to pass a Federal Aeronautics Administration inspection. Sheriff Sheppard stated the costs of the corrections would be about \$5000.

The twin engine Beechcraft according to the sheriff would be impractical for use in Highlands County because of the high cost of operation. So he hopes to be able to find someone who would have a use for it and be willing to trade a single engine plane for it.

Just what use will the Sheriff's Department have for a single engine plane? Sheriff Sheppard cited the

following uses: The transportation of prisoners to the receiving station at Lake Butler in a matter of hours instead of a two day round trip by car; transportation to meetings in various parts of the state; sky patrol of agricultural areas as 25 percent of the land is in cattle and grove equipment; rescue missions and hunting for escaped prisoners.

As for the Dodge Power Wagon, it has only 2800 miles on the speedometer and was estimated to cost about \$6500 in 1976. It will be assigned to Deputy Howard Sizemore, agricultural investigator at the Sheriff's department.

Refinancing Bonds

To Save County \$200,000

Refinancing a series of Highlands County School bonds is expected to save the county some \$200,000 in interest costs and this savings, coupled with results of a recent bond reissue, cut nearly \$500,000 from interest payments.

Acting in a special meeting Monday morning, Highlands County School Board agreed to refinance some \$1,180,000 in race track revenue bonds that are part of a 1976 issue totaling \$1,500,000.

The bonds were sold to F. A. Hyde & Associates, bond consultants to the board. Sale of the bonds was completed through an arrangement provided by the contract between the board and firm that was approved last July.

Due to sudden, unexpected changes in federal regulations relating to the refinancing of revenue bond issues, Mrs. Felicity Hyde of the bond firm advised the board to consider the sale before the proposed changes take effect early this week.

Revenue from race track, jai alai and

dog tracks is used to pay off the bond issues.

Under terms of the sale, new interest rates the board must pay on the bonds is 6.6 percent compared to the 7.3 to 7.5 percent that was set under the original issue.

This refinancing move, coupled with investment of the interest savings amount in federal government securities that are paying 8.5 percent, is expected to

result in a net savings of \$200,000. The \$200,000 is the amount the board can cut from interest payments in future years.

Reissue of some \$2.9 million in school bonds at a new lower rate of interest will save the board \$315,000 in interest payments. This move was approved in late March following the board's working with Mrs. Hyde to obtain a new bond issue.

Clean Up Week May 8-14

During clean-up week, May 8-14 in Avon Park, the city will have an extra truck for the trash pickup crews to use in helping the residents of Avon Park in cleaning up their homes and yards.

City trash pickup crews will collect the materials from the usual places along the

curbs. However, to speed up the trash collection, city officials are asking cooperating citizens to separate grass and lawn clippings from burnable materials such as glass, cans, etc.

The grass clippings are hauled to the city's compost yard while the glass, cans and other unburnable trash are transferred to the Highlands County landfill at DeSoto City.

Officials hope to have all of the trash hauled away by the end of clean-up week.

Tomay Loses Mower

Oh where, oh where, has my mower gone? That's the question Highlands County sheriff's deputies are attempting to help an Avon Park man answer.

Phillip Tomay told deputies he used his eight-horsepower riding mower to cut some grass on a parcel of River Ridge property. He then loaded the machine into a trailer behind his car and headed for home on Avocado Road, Avon Park. When he arrived, the trailer was empty. Although he retraced his route, no mower was found.

Court Asked To Intervene

Highlands County School Board has asked circuit court to intervene in the long standing dispute between the board and the general contractor for Lake Placid High School.

In a suit filed April 27 the board asked the court "to assume custody" of \$298,040 and to "resolve the disputes as to the amount due" to K. D. Hedin Construction, Inc.

Hedin, general contractor for the new high school, and Hedin's bonding company, Insurance Company of North America, are named as defendants in the action.

The board and contractor have been dickering for some time over the exact amount the board will owe on some of the final phases of the construction.

Teachers Attend Annual Convention

Fifteen teachers representing the Highlands County Education Association attended the annual statewide Florida Teaching Profession—N.E.A. Convention at Tampa's Curtis-Hixon Hall last weekend.

Delegates to the assembly were greeted by state president Wallace Orr, Thursday evening. The keynote speaker was Senator Bob Graham. The remainder of the assembly was concerned with teachers' legislative involvement. Extensive lobbying efforts for the next year will be a high priority at state level.

Delegates from local affiliates re-elected Wally Orr as state president and Chris Doolin as vice president. Among the Highlands County delegation were Chet Brojek, and Sue Nadeau, president and president-elect respectively, and David Bollinger, immediate past president of Highlands County Education Association.

Avon Park High School Principal

Accused Of Negligence

An investigator has been appointed by School Superintendent Dan Davis to look into a charge of "negligence" leveled at Avon Park High School Principal Les Watson.

Dr. Davis said he had appointed Malcolm Ross, principal of the Lake Placid High School as the investigator. He said Ross would check with all parties involved and give him a report on the matter.

Watson was accused of negligence by an Avon Park mother in relation to his handling of a school related incident last weekend.

Her daughter, along with other band students, had traveled to Seaworld in Orlando last weekend. The mother charged Watson had ordered her daughter to remain on the school bus for seven hours unattended while the bus parked at the Seaworld parking lot.

Watson had told her daughter she could not accompany other students because of inappropriate dress. The daughter was wearing blue jeans which were not allowed under the school's dress code.

Watson said the girl did remain on the bus but "under the surveillance of the ticket office." He said the Seaworld employees taking tickets told him they would notify the security forces at the area.

"The girl was never left unattended," Watson said.

"The bus was within view of the ticket office. They said they would keep an eye on it. A chaperone checked the bus every 30 to 45 minutes, not only because of the student but because some luggage had been left on it."

"From 2 p.m. to 4:30, a chaperone stayed on the bus," he said.

The student, a 16-year old, stayed on the bus about 45 minutes then called her parents who drove up to Orlando and brought her back to Avon Park.

The mother said that while she was on the bus "No one came to check on her (her daughter)," and said she didn't see

anyone involved with security while she was at Seaworld.

Watson said the student "chose to stay in the bus instead of complying with the

See Principal Letter On Page 2A

dress code. There were two other outfits which she refused to wear."

Watson stated the girl had told a chaperone if she couldn't wear the jeans, she wouldn't wear anything.

The girl's mother said the girl also had a pair of shorts and a black band skirt. However, she said the shorts were dirty and the skirt was too big and long to wear

for that occasion. The girl also had a rash on her legs which she wanted to cover with the jeans.

Watson said the girl was not ordered to stay on the bus. If she would have changed to one of the other outfits there would have been "no problem, she could have come right in."

He said the question was "whether she would comply with the regulations which were told students Wednesday and Thursday in the bandroom before they left and which 80 or 90 other students complied with."

Dr. Davis said the report will be in by early next week and possibly as early as Friday. Until he receives the report by Ross, Dr. Davis said he could make no comments on the matter.

Cooper's Creditors In Court

A former Highlands County politician and businessman is officially bankrupt, according to legal notices published here this week.

Creditors with claims against Richard Pasco Cooper and Jerry Cline Cooper were scheduled to meet at the bankruptcy court in West Palm Beach May 2.

Cooper had begun a campaign for the Democratic nomination for Highlands County sheriff when, in the

summer of 1976, a series of financial problems surfaced and forced Cooper to abandon his drive for office. The lost sales and repair business which he and his wife had bought closed and for a time Cooper worked in another state.

Last year he returned to Florida and faced a series of worthless check charges. The address given in the bankruptcy court notice is at Lake Placid.

The phosphate industry doesn't just conserve water. Now it's putting it back.

Florida's phosphate industry is one big user of Florida's water. And for years, it's been one of Florida's biggest conservers of water. With techniques that recycle fully 85% of what it uses.

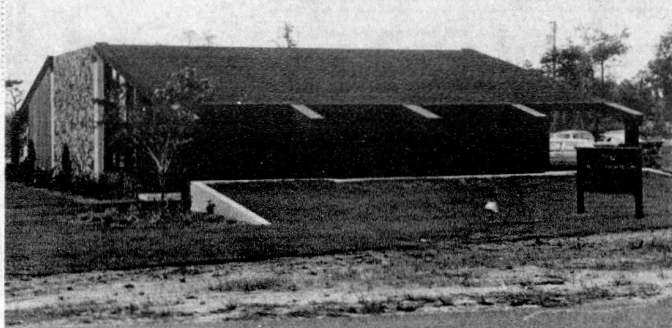

Now the industry is going even further. With a recharge well system that actually returns water to the Floridan Aquifer.

With deep connector wells, millions of gallons a day are drawn from water-saturated sand near the surface, filtered, and fed into the Aquifer.

Eventually, the recharge well system can help the phosphate industry arrive at its goal: equalizing water supply and water consumption. And can help make the growing of food, which requires the production of phosphate, easier to swallow for all Floridians.

Unique Structure Houses Efficient Office Layout Of Dr. Chen

Dr. Chen Holds Open House

Since coming to Avon Park in August 1974, Dr. Tony Y.T. Chen, M.D. has expanded his office to include an office in Sebring. At an open house Sunday afternoon, Dr. Chen consolidated his offices at his new office building at 1500 U.S. 27 North and S.R. 17.

Opening ceremonies were conducted with Mayor Marshall Davis cutting the ribbon and Dr. Chen's father-in-law giving the invocation.

The building constructed by the Borgmester Brothers, Inc. is laid out for maximum efficiency of operation with a patient leaving the waiting room for get ready and

examination rooms. Yet for all of the instruments, the acuity system computer, auto-lensometer, perimeter, fundus camera and

others, Dr. Chen prefers to check and refine the readings of the instruments for the personal contact with his patients.

For the convenience of his patients an optical shop has been added to the new office under the direction of Andrew Holloway, optician.

Physicians To Attend Meet

Several thousand Florida physicians and their guests will attend the 104th Annual Meeting of the Florida Association this week in their continuing effort to keep up to date with the rapid advances in the medical profession.

Hollywood's Diplomat Hotel will serve as the class room where the 11,800 member FMA will convene its annual scientific and business meeting, May 3-7. Scientific, educational, and technical exhibits, plus the 12th Annual Benefit Art Show sponsored by the FMA Auxiliary, also will be located in the Diplomat. The FMA Auxiliary will meet in the Diplomat Hotel, also.

The FMA meeting can be divided into five general phases:

- 1) The FMA scientific program with over 100 speakers (including several from out-of-state) presenting current medical information at 34 different scientific sessions, forum of original research, curbside consultations, dialogue sessions, continental breakfast presentations, and numerous special activities.
- 2) Meetings of 33 specialty groups who hold sessions or sponsor speakers in conjunction with the FMA program.
- 3) Special programs, in-

cluding a seminar on learning to deal with grief.

4) Exhibits, consisting of 75 scientific, educational and technical displays, live teaching demonstrations and the art exhibition.

5) Annual meeting of the FMA official policy-making body, the House of Delegates, plus individual committees, councils and board meetings.

Total registration is estimated to reach over 3,000, including physicians, wives, and guests.

Hartt To Get Degree

Steven Jarvis Hartt, son of Mr. and Mrs. Sanford Hartt was among three hundred and seventy-five students who received degrees Sunday, April 29, during the 83rd commencement convocation at Florida Southern College. This is the largest spring graduating class in the 93 year history of this private, liberal arts college. Steven received a BS degree in Business Management.

Addressing the graduating seniors at the 3:30 p.m.

ceremony was Florida's Eighth District Congressman Andy Ireland. A Democrat from Winter Haven, Ireland is in his second year in the House of Representatives. Also participating in the ceremony were Dr. Robert A. Davis, president of Florida Southern; Dr. David G. Mobberley, dean of the College; the Reverend James C. Hunters Bring In Wild Hog

After four hours of hunting on the Parkview Ranch, last Tuesday night, four high school hunters brought in a wild boar that was field dressed at 235 pounds.

The hunters Craig Landress, Bobby Murphy, Darryl Scott and Park Sutherland started hunting early in the evening and by midnight were able to bring out their game. This 235 pounder made the sixth hog that they have captured in the last three weeks.

Richardson Shares Views On Art

Acting program chairman, Bill Britt, introduced Marj Richardson, a professional artist in the Avon Park and Sebring areas as the last Wednesday noon speaker at the Avon Park Rotary Club meeting.

Florida Southern, the state's oldest private college, is affiliated with the Florida Conference of the United Methodist Church. The college has a capacity enrollment of 1,600 students.

Marj was born in Arlington, Va. and attended Madison College, where she majored in art. She has received numerous awards for her art and recently won the first place ribbon at the State Convention of Women's Clubs art showing. Several years ago Marj taught an art course in the Avon Park area.

Her presentation centered around three paintings that she brought with her, which she used to illustrate the various

concepts of art. Marj pointed out how certain colors and shapes draw the viewer's attention to a specific part of the painting and shared, with the club, her ideas and views of modern and classic art. The program was interesting and informative to all those who attended.

Devil Nine Wins Conference Title

HEARTLAND CONFERENCE CHAMPIONS—The Avon Park Red Devil varsity baseball team was named the 1978 Heartland Conference champion after finishing the season with a 34-9 record. This is the first time the Devils

have won the Heartland title in baseball. Members of the 1978 Avon Park Red Devil varsity baseball team are from left, front row: Mgr. Ronnie Zimmer, Mgr. Bill Williams, Jeff Adams, John Starling, Charles Oliver, David

Sisemore, and Mgr. Jamie Casey. Second row: James Skinner, Gary Roberts, Jimmy Massey, Jeff Williams, Andy Lanting, Wayne Lewis, Edward Irvin, and Mark Bachman. Back row: Asst. Coach John Hunter, Don Wildish,

Victor Roberts, Keith Cobb, Mark Kelley, Larry Jackson, Charlie Pough, Keith Alwood, Tim Cribb, Claude Dennis, and Coach Ronnie Jackson.

Coach Ronnie Jackson's Red Devil baseball team won its first Heartland Conference championship with a 10-0 shut-out of Lake Placid here at Head Field in the final game of the regular season last Friday night. The Devils posted a 9-3 record and had a 17-5 overall mark this season.

The Avon nine went into a slump earlier last week dropping a game to DeSoto High by a 10-0 score down in Arcadia on Tuesday and then losing to Oseola High School of Kissimmee here at Head Field last Thursday night by a score of 6-2. However, the Red Devils bounced back last Friday night with the five inning victory over the Green Dragons who had upset them earlier in the season.

Tonight (Thursday) the Devil nine is scheduled to take on last night's winner between Frostproof and Mulberry in a Class AA, District 12 tournament game here at 9 a.m. Fort Meade and Lake Placid are to play at 7 p.m. tonight in the Head Field tourney. Tomorrow night the finals will be played at 7:30 p.m. with the winner of this district advancing to the regional game next Tuesday night.

Avon Park-10, Lake Placid-0
Senior Red Devil hurler Larry Jackson picked up his ninth mound win of the season last Friday night as he tossed a three hitter at Lake Placid to lead the Avon Park nine to a 10-0 five inning victory. Jackson, who is undefeated this season on the mound, struck out 10 Dragon batters during the five inning game which was shortened due to the 10-run lead rule.

Devil catcher Victor Roberts led the Devils at bat as he blasted a three run homer over the left field wall in the first inning off Dragon starter Harold Smith. Charlie Pough connected for a triple in the second inning and scored when Bubba Starling grounded out to the shortstop.

Larry Jackson, Tim Cribb and Jeff Adams all singled in the third inning when the Devils scored four runs to wrap up the victory. Avon Park had pushed over five runs in the first and added a lone run in the second inning.

The three Lake Placid hits were scattered. Harold Smith led in the first frame and again in the fourth. Harold's brother, Gar, added the other single in the fifth inning but was left on

base as the next three batters went down in order.

Oseola-6, Avon Park-2
Last Thursday night the Red Devils came up against a tough Oseola High School pitcher, Todd Griffin, and took a 6-2 defeat at the hands of the Kissimmee team. Griffin struck out 19 Red Devil batters and gave up only five hits.

David Sisemore with a double, Charlie Pough with two singles, and Larry Jackson and Charles Oliver with a single each managed the only hits off Griffin.

Avon Park used three different pitchers to try and stop the Oseola scoring. Jimmy Massey started on the mound for the Devils. He set the team down in order in both the first and third frames, but, in the second inning, the Kowboys scored two runs on three singles and an infield error.

Don Wildish hurled the fourth and fifth frames for the Devils. He gave up only one hit but two runs scored as the Devil infield committed two errors after two batters had walked.

David Sisemore came on to pitch the sixth and seventh innings. He also allowed only one hit but again two runs scored as an error was made and three passed balls got by the catcher. Sisemore struck out four of the eight batters he faced.

DeSoto-10, Avon Park-0

Last Tuesday afternoon a week ago, the Avon Park Red Devils fell completely apart down in Arcadia losing to the DeSoto Bulldogs by a score of 10-0 in a six inning game. The Devils made five errors behind two pitchers who walked eight Bulldogs.

Don Wildish started on the mound for Avon Park but lasted only three innings giving up two runs, two hits, walking four batters, and fanning five Bulldogs. David Sisemore came on to start the fourth inning. He allowed seven hits and walked four batters during his three innings of hurling. Eight runs were scored by DeSoto in the fifth and sixth innings.

The Red Devils were just as inept at the plate. Danny Smith, DeSoto's slow curve ball pitcher, gave up only two singles to the usually hard hitting Avon Park batters. David Sisemore and Charles Oliver got the only hits off Smith. Six Devils struck out but most of them grounded out to the DeSoto infield.

Golfers Finish Fifth In District

Kevin Janiga, Lake Placid High's golfing ace, fired a 75 over the Sebring Sun 'n Lakes Country Club last Thursday to walk off with the District 7 individual championship for the second straight year. Wes Fisher of the Sebring Blue Streak squad was second with a 71.

Lakeland Senior High, shooting a team total of 331, topped the team title by beating Lake Placid and Winter Haven by two strokes. The Green Dragons and Winter Haven tied for second spot at 333, with the Lake Placid team winning the runner-up trophy in a play-off.

Avon Park wound up in fifth place with a 347 while Pete DuPriest, the Red Devil's hope for the individual trophy, ran into "putting miseries" and likewise finished fifth with an 18 hole count of 80.

Mark Palmer finished in second place for the local team with a pair of 42's and an 84 total. John Barben fired an 80 and Mike Smithson came in with 94 as the Red Devils closed out their season. Coach Sandlin's golfers chalked up a record of 18 wins and 13 losses during 1978.

Advance to State Meet
Winter Haven, by taking the four man team title, advances to the state tournament at Sarasota's Bent Tree course this week-end. Kevin Janiga, the district medalist, also earned a berth in the state play-offs for the second time.

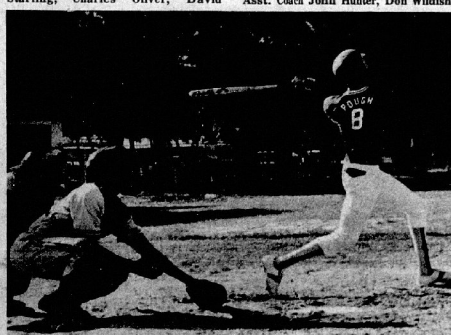

Janiga, a senior at Lake Placid, said Thursday that he had good golfing scholarship offers from Florida, South Florida and Tennessee Universities which he is considering. "Right now," the district Champ said, "the Tennessee offer looks the best, but I haven't made a firm decision."

It was cool (a few said "cold") and plenty windy at Sun 'n Lakes for the District Meet, and the scores suffered accordingly. Only four golfers out of the 84 representing the best high school school players in central Florida were able to break 80 over the stretched out golf course. Birdies, which normally fall by the dozens when these top golfers get together, were scarce items. No single entrant recorded more than one and there were only 18 carded during the entire day.

Sebring is Fourth
Sebring High, rated one of the pre-tourney favorites, finished fourth at 334, three strokes back of the winning Dreadnaught team. Other area teams competing included Lake Wales with a team score of 363, Okeechobee with a 366, Hardee High of Wauchula shooting a 370 and Frostproof with 426 strokes. Sixteen teams were entered in the one day 18 hole event.

In individual play, Scott Bell of Lakeland High and Norman Warren of Winter Haven's defending champions tied for third place with 79's. Scott Lynch of Pasco carded an 81 to tie the Lake Placid's Jeff Howell for the sixth place ribbon.

Howell, who won the Heartland Conference individual title last week, was the star of the Green Dragon's second place play-off win over Winter Haven. He hit his tee shot straight down the middle on the first extra hole and then dropped a long approach shot within six inches of the pin to come up with a birdie three. This gave him a team three stroke "sudden-death" victory and the runner-up title.

A POWERFUL SWING OF THE BAT is taken by Red Devil shortstop Charlie Pough during a game played in Arcadia last week.

Pough finished the season with a .373 batting average to lead the Avon Park varsity at the plate this season.

Devil Players Make All-Conference

Seven Avon Park High School baseball players and coaches Ronnie Jackson were honored last Monday night at a meeting of the Heartland Conference held in Fort Meade. Coach Jackson was voted "Conference Coach of the Year" by his fellow coaches.

Senior Larry Jackson, Charlie Pough and Charles Oliver and sophomore David Sisemore were selected to the Heartland All-Conference baseball team. Senior Victor Roberts, junior Don Wildish and sophomore Tim Cribb were selected for the honorable mention conference team.

The Red Devil varsity was presented with the Heartland Conference Championship trophy which it won with a 34-9 record. Sebring and Arcadia tied for second place in the conference standings, Wauchula finished fourth, Okeechobee came in fifth, Fort Meade was sixth and Lake Placid was last.

In other business at the final conference meeting of the year Gans Earnest, principal of Okeechobee High School, was elected president for next season, and Jerry Strickland, athletic director at Ft. Meade High School, was elected vice-president.

The group also voted to hold all meetings next year in Sebring to cut down on travel distance for the border schools. Lake Placid had asked to withdraw from the conference, but there was discussion concerning the possibility of the Dragons remaining in the loop for all sports except football. No decision was made.

Other members of the Heartland All-Conference team were: Carlos Palla, John Vickers and Bruce Davis of Sebring; David Carlton, Danny Smith and Bobby Gambrell of Arcadia; Jamie Mull, Robert Nava and John Reschke of Hardee; David Campbell and Greg Randall of Okeechobee; Robert Turner and Billy Markle of Fort Meade and one unnamed player from Lake Placid.

TAKING A HAND-OFF at full speed is Red Devil mile relay runner Jerry McKenzie from Clinton Anderson during the Ft. Meade Invitational Track Meet last Thursday afternoon.

Prep Tracksters Run In District Meet Today

The Avon Park High School Red Devil boys track team will compete in the District 6, Class AA Championships tomorrow (Friday) at Fort Meade with pre-lims in the running and field events slated for 4 p.m. Finals in the field events will begin at 9 p.m. and running finals will start at 5:30 p.m.

The Red Devils are defending district champions and will be challenged this year by Frostproof, Clearwater Central Catholic, Lakeland Santa Fe, Mulberry, Fort Meade and St. Petersburg Admiral Farragut.

Trophies will be awarded to the first and second place teams. Ribbons will go to the top six finishers in each event. The top two finishers in each event will advance to the state meet to be held in Winter Park on May 12. The Devils were state runners-up in 1977.

"If we had used the Fort Meade Invitational held last week for qualification for the state meet, we would have been in eleven of the sixteen events," related Devil mentor Chet Brojek. "Coach Williams and I are hopeful of doing at least good in the district meet. All we can do is run our best and hope that things fall into place for us again tomorrow."

Avon Park To Host District Meet

The Avon Park Red Devils will host the 1978 District 12 baseball tournament here at Head Field starting Wednesday, May 3. The Avon Park nine is seeded first in the five team tourney and will play on Thursday, May 4, at 9 p.m.

In the opening game on Wednesday night at 7:30 p.m., Frostproof will meet when the Devils scored four runs to wrap up the victory. Avon Park had pushed over five runs in the first and added a lone run in the second inning.

The three Lake Placid hits were scattered. Harold Smith led in the first frame and again in the fourth. Harold's brother, Gar, added the other single in the fifth inning but was left on

Avon Park Track Team Wins Fort Meade Meet

The Red Devil boys track team won its seventh meet in a row last Thursday as it added the Fort Meade Invitational championship to its list of season victories. The win set the Avon Park High School thin-clad's season mark at 21-2.

The Avon Park team scored 118 points to Clearwater Central Catholic's 91's second place effort. Frostproof was third with 82 points, Mulberry came in fourth with 46, Fort Meade was fifth with 21 1/2, and Santa Fe of Lakeland came in sixth with 18 points. All six teams will compete in the District 6, Class AA track meet to be held tomorrow (Friday) at Fort Meade starting with pre-lims at 4 p.m.

The Devils took seven first place finishes in the meet. Winning individual trophies for their efforts were: Jim Ervin (120-yard hurdles in 15.3, 330-yard intermediate hurdles in 4:9 and anchored the winning mile relay team); Alan Portis (half mile in 2:03.1); Rufus Wilson (shot - put for 44' 10"); David

Williams (440-yard dash in 52.3); the 440-yard relay team of Anthony Carter, Kevin Caldwell, Horace Moore and David Jahna with a time of 45.0 seconds; and the mile relay team of Clinton Anderson, Jerry McKenzie, Alan Portis and Jim Ervin with a 3:35.3 timing.

Second place finishes were tied in by Horace Moore in the high jump at 6'0", James Wilburn in the shot put toss with a 44' 4 1/2" distance, Portis with a 4:32 time in the mile run, David Jahna with a 23.2 time in the 220-yard dash and the mile medley relay team of Carter, Kevin Caldwell, David Williams, and McKenzie with a time of 3:48.4.

Clinton Anderson won the only third place ribbon of the day for the Red Devils with a 53.7 timing in the 440-yard dash. Five Devils racked up fourth place points in the meet. Charlton Weathers was fourth in the high jump, Pernell Gibbs finished fourth in the 120-yard hurdles, Jahna took fourth in the 100-yard

dash, Moore ran fourth in the 220-yard dash, and Weathers also came in fourth in the 440-yard run.

Winning fifth place points for Avon Park were: Casey Stokes in the high jump, Wilburn with his discus toss, and Mark Myers in the two mile run. Closing out the scoring with sixth place finishes were: John Margret in the long jump, Arnold Wilson in the 120-yard high hurdles, McKenzie in the mile, Wilburn in the 440-yard dash, and Gibbs in the 330-yard intermediate hurdles.

"We were very happy with many of our performances at the Miner Invitational," commented Coach Chet Brojek. "The field events picked up a few more points than we had in previous meets which helped out considerable. The running events will have to be much sharper this week if we hope to win the district meet and be in strong position for the State Meet at Winter Park on May 12."

RED DEVIL TRACK team members gathered around the trophy they won at the Fort Meade Invitational Meet last Thursday afternoon. The Devil thin-clads outscored Clearwater Central Catholic 113 to 91 1/2 with Frostproof, Mulberry, Ft.

Meade and Santa Fe finishing behind in that order. Sunphoto by Lew Miller.

Pinecrest Golf Notes

Most of the activity at Pinecrest last week centered around the big Ladies Invitational event hosted by the Women's Golf Association (see separate story) and the job of moving the pro-shop to its new location where Pro Charles Polk has set up operation.

There was still time however, for the men to hold their weekly Pro-Am on Wednesday, April 26, with the team of Ross Backus, Bill Brown, Wilson Revell and Victor Sullivan taking first prize. The winning foursome broke even as all the other teams ended with minus point scores.

Earl Griffith had an individual plus 7 score to take the A Division prize with Ed Touchton, Sr., shooting a plus 3 to lead the B group. Wilson Revell was top man in the C section with a plus 2 and Victor Sullivan won the D section prize with a plus 5.

Pinecrest golfers are happy to see Ross Hendrick back at work. Ross, who did everything from raking sand traps to cooking steaks during his former stint at the club, has been hired as golf course superintendent by the new group now operating the golfing facilities.

Lakeland Golfer Shoots Low Gross To Win Tourney

Orabelle Beach of Lakeland's Imperial Lakes Country Club shot a 91 last Thursday to win the low gross honors in the annual Ladies Invitational Tourney at Pinecrest. Ardis See from Little Cypress in Zolfo Springs took second place with a gross 93.

Mildred Ford and Mary Jane Touchton, both from Pinecrest, shot 94's to tie for third in the 18 hole event sponsored by the Pinecrest Ladies Golf Association.

Seventy-eight women golfers from central Florida clubs played in the tourney which was followed by a luncheon at the clubhouse.

In the low net division, Pinecrest's Markine Ostling took first place shooting a net 67 with Mariana King, also of the host club, turning in a 70 for the second spot. Ardis See placed first in the driving contest among the low handicap golfers while Dot Long hit the longest tee shot in the high handicap group.

Edith Godwin of Pinecrest captured the prize for being closest to the pin with her tee shot on the par 3 eighth hole, and Mary Jane Touchton picked up her second prize of the par 4 putting her tee shot closest to the hole on number 17.

Henretta Melleur created a lot of excitement but didn't win a thing when she got an eagle 2 on the par 4 number 19

Winterhaven Girls Win District 7 Golf

Winter Haven High captured the girl's District 7 golf title, April 24, shooting a team score of 386 to beat runner-up Kathleen High of Lakeland by 19 strokes.

Avon Park's girl golfers wound up in sixth place with a 493.

Lake Placid's Debbie Fink won the district individual championship, firing an 80 over the long Cypresswood Golf and Country Club to beat out Marian Walker of Kathleen by three strokes. Last year Walker nipped Debbie out of the district title at River Greens here.

The battle for the individual title was close with Walker holding a one stroke lead after the first nine holes. Debbie, who plays the No. 3 spot for the Green Dragon boy's team during the regular season, rallied however, with a 38 on the back nine to take the medalist honors and win a trip to the state girl's tournament this weekend at Sarasota.

The Winter Haven High team, by virtue of its team win will also represent the district in the state tourney. The low scoring team and the meet medalist advance to the state finals.

Tori Griffin led the Avon Park team shooting a 115. Andrea Petrovich came in with a 122, Danny Elliot shot and 126 and Ellen Marklin had a 130 in the season's finale for the Devillets.

hile, dropping in a 150 yard iron shot after hitting a long drive down the middle. "Next year, I'm going to see that they give a trophy for eagles," she joked afterwards. "They don't happen very often."

All the players were placed in flights on the basis of handicaps and winners in the various flights were: Championship Flight: Ardis See (55) low gross and Barbara Sachsenmaier (75) low net. A Flight: Mary Jane Touchton (94) low gross and Lee Stevens (72) low net. B Flight: Katherine Story (97) low gross and Lena Wright (72) low net. C Flight: Helen Eppolito (101) low gross and Mariana King (70) low net. D Flight: Ethel Hough (107) low gross and Terry Lozowski (72) low net.

Schuler To Run In State Meet

Meg Schuler, Avon Park High School senior, qualified for competition in the girl's Class AA State Track Meet to be held at Shalwater Field in Winter Park this week-end. Meg will run in the 440-yard run. She qualified with a time of 64 seconds at the district meet held last weekend in Clearwater.

River Greens Golf Notes

The team of Pete DuPriest, Virginia Fisher and Frank and Margie Holman came up with one eagle, and 11 birdies for a 13 under par 57 to walk away with first place in last Sunday's Scramble Tournament at River Greens. The score was a new record for these regular couple's events.

Pete's brother John teamed with Mrs. Carl Utz and Fred and Louis England to shoot a 64 for the second spot. Twenty-two couples participated in the 18 hole match and pot luck supper that followed.

Two teams tied for first place in the Blind Partner's Tourney put on by the River Greens Men's Association last Saturday. Lowell Schmitt and Leo Promey paired up for a 133 total to tie Lowell Fluker and Fred Govedich.

Walter Kline and Jim Timberlake finished in third place with a score of 134.

John Alsterda, Fred Govedich, Frank Holman and A.P. Yanai put together a combined score of plus 13 to win the weekly Pro-Am on Wednesday, April 26. Division winners included Govedich in class A, Bernie Hoogerty in the B group, Frank Holman in class C, and Chet Tharp in the D section.

Marge Osborne chalked up 39 points on Tuesday, April 25, to win the Ladies Day point tourney. Louise Pfeffer came in second with 38 points.

Urby Wells, who has been in the hospital getting a bit of repair work done, is reported "coming along fine" and hopes to soon be back behind the counter in the River Greens pro-shop.

The River Greens ladies cancelled their regular Pro-Am event last Thursday so they could play in the Ladies Invitational at Pinecrest.

Takes Over Pinecrest Club

The Pinecrest on Lotela Golf Club Association, an informal group of existing members of Pinecrest, assumed management of the golfing facilities at the 180 acre 18 hole layout last Monday.

The association, headed by a seven person steering committee, is operating the course under a 90 day option agreement with the owners until the necessary stock can be sold to purchase the property and a formal corporation can be set up.

"However, we are at least in the golf course business," Robert Barben, the chairman of the steering committee, said Friday as he and a dozen other volunteers were putting finishing touches on the pro-shop in preparation for the May 1 take-over. "Now that we are in operation," he added, "I think it will be much easier to get the stock sold and the members needed to get organized on a permanent basis."

Other members of the steering committee are Barbara Sachsenmaier, Carl Utz, Helen Griffith, Joe Papp, Larry Hatchett and Chuck Smith.

Hope To Sell 300 Shares
The new group is hoping to sell 300 shares of stock to acquire the property which includes the golf course plus two houses and the maintenance equipment sheds. The old Pinecrest Hotel and adjacent land is not part of the proposed purchase.

According to Barben, 91 persons have subscribed to purchase 180 shares of the stock as of now and the committee is optimistic they can complete the sale of the remainder before the option period expires.

There are approximately 130 members of the club at the present time, and new memberships are being accepted. The course is also open to non-members on a daily green fee basis.

A new membership rate schedule has been established that includes annual six month and three month memberships for families and for individuals. Initiation fees will be charged non stockholders. Barben said that persons interested in

joining the club can contact the pro-shop.

The pro-shop has been moved from the old hotel building back to the building on Lake Letta that was used when the course was under city operation. The cart sheds built in the same area have been renovated and are now being rented.

Charles Polk, club pro at Pinecrest, is being retained by the new operators, and Ross Hendrick, a former Pinecrest employee, has been hired as golf course superintendent.

All play will now start and end at the newly located pro shop, and the holes have been renumbered accordingly.

Work to get a new practice green in shape is underway.

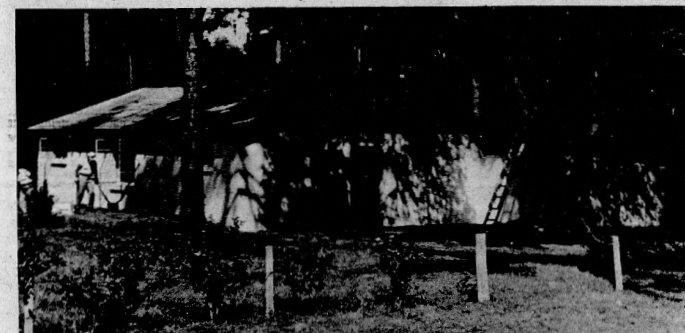

"It has taken a lot of time and effort to get this far," the committee chairman remarked. "So it seems good to get the actual operation underway. What we really hope to do is to get a large group of Avon Park area people involved in the ownership so that Pinecrest really will be a community Country Club."

The present owners of the property, all of whom have subscribed to the new stock issue are Ed Touchton, Sr., O.W. Goodby, Robert Young, C.R. Moler, Elton Crews, "Skeet" Fulton, and R.L. Padgett.

The 1978 Avon Park Little League season opened last Saturday afternoon with a parade around the mall in the downtown area and four games played at the two Little League Fields on N. Anoka Ave.

Avon Citrus Bank, long the cellar dweller of the local league, jumped off to a good start with an 11-0 victory over the Kiwanis team in the first game at Field I. Rotary came from behind to tie the game with First Baptist after six innings of play and then won 10-7 in an extra inning in the first game played at Field II.

Avon Tire outscored the Lions in spite of a homerun hit by Lion pitcher Lawrence Spry in the bottom of the sixth inning to take a 7-4 victory in the second game played on Field I.

Bagwell Lumber unleashed a 10 hit attack to take a 10-3 win from L.H. Ford Motor Co., as Bagwell pitcher Greg Jackson struck out 12 Ford batters in the six inning affair and hit a home run.

Avon Citrus Bank-11, Kiwanis.

John Tolar and Tim Devlin teamed up to pitch a one-hitter against Kiwanis last Saturday afternoon for Avon Citrus Bank as the Bank nine shut-out Kiwanis by a score of 11-0.

Second baseman Stacy Pugh hit a single in the fourth inning off Tim Devlin for the only hit by the Kiwanis team as twelve of them went down by way of strike outs.

The ACB batters rapped out 13 hits off two Kiwanis pitchers. Ronnie Higginbotham had a double and two singles, Michael Dozier hit two doubles and Bobby Caldwell hit a triple. John Tolar, Tim Devlin and Doug Singletary had a double and a single each and Jimmy Bennett hit a single for the winners.

Rotary-10, First Baptist-7.

Trailing 6-2 after three innings of play, Rotary came back to score three runs in the fourth frame and two more in the sixth to take a 7-6 lead First Baptist in the first game at Field II. But First Baptist tied the game up 7-7 in the bottom of the sixth on a single by Steve Burby and a double by Ray Horneck.

Rotary-10, First Baptist-7.

Trailing 6-2 after three innings of play, Rotary came back to score three runs in the fourth frame and two more in the sixth to take a 7-6 lead over First Baptist in the first game at Field II. But First Baptist tied the game up 7-7 in the bottom of the sixth on a single by Steve Burby and a double by Ray Horneck.

In the extra inning, Rotary managed to score three runs as both teams had to change pitchers and the First Baptist 7 in the close game.

Rotary batters connected for six hits off the three Baptist hurlers. Dwight Hardy, the winning pitcher, hit a triple and a single. Charles Collins had one triple. Steve Rewis sliced a double down the left field line to drive in two runs in the sixth inning and Frankie Muller and Billy Houpe added a single each for Rotary.

First Baptist batters got four hits off Hardy and John Perry. Andy Hornick had a double and James Benjamin, Steve Burby and Ray Horneck hit a single each.

Avon Tire-7, Lions-4.

Avon Tire scored seven runs on six hits off two Lion pitchers to chalk up a 7-4 win in the second game at Field I Saturday. Bobby Lewis and Ben Johnston both hit two singles, Tommy Johnson had a double and Duane Young hit a single for the winners.

Avon Tire pitcher Duane Young hurled all six innings giving up five hits to the Lions. Spry's home run in the bottom of the sixth with no one on base was the only extra base hit by the Lions. Spry also got a single, Eric Wicks had two singles and Robin Harris contributed a single for the Lions. Young struck out 10 Lion batters.

Bagwell Lumber-10, L.H. Ford Motor-3.

Greg Jackson pitched the Bagwell team to a 10-3 victory over L.H. Ford Motor Co., giving up only two hits, and also boomed a home run over the left-center field fence in the third inning.

John Herman and Mark Elkhill were the only two Ford batters to get a hit, but Jackson hit four Ford batters and walked two while striking out 12 in the six inning game.

The Bagwell batters connected for 10 hits off losing pitcher Clay Hipps who went the distance for Ford. Along with Jackson's homer, James Beck had a triple and a double, Fred Lewis had three singles, Johnny Rewis hit two singles, and Tom Gordon and Robert Dauback had a single each for Bagwell.

Apology

Avon Park Little League officials Henry Dennis and Gordon Marshall wish to extend apologies to all who did not get served at the annual Little League Bar-B-Que last Saturday.

The Avon Park Little League refunded money to those who came to pick up their plates after the food ran out, but the workers sincerely regret the inconvenience to those patrons. Marshall promises that next year there will be chicken left over after every one has eaten his fill.

Four Senior Teams Draft Nineteen Boys

Coaches of the four Avon Park Senior League teams drafted a total of 19 boys, age thirteen through fifteen, last Sunday afternoon after two days of try-outs by over forty youths. Each team carries fifteen players on its roster.

Ronnie Jackson, Senior League

COACH RONNIE JACKSON was voted the "Coach of the Year" in baseball by the Heartland Conference coaches at a meeting held in Ft. Meade last Monday night. Jackson's Red Devil varsity, tabbed in pre-season as a rookie club, won the Heartland Conference championship and finished the season with an overall 17-5 record. The Devils are seeded No. 1 in the Class AA, District 12 tournament which started here at Head Field last night (Wednesday). Sunphoto by Lew Miller.

president, has announced that the 1978 season will open on Saturday, May 13, at the new Senior League Field at the City Ball Complex. Games times will be announced next week.

The Avon Citrus Bank team, coached by Clark Jackson, picked up four thirteen year old boys to complete its roster. Chosen by ACB Cubs were Desmond Albritton, Jeff Davis, Eldrick (Redman) Pressley, and Juan Sanchez. Returning members of the ACB team are: Steve Antley, Tommy Turnbull, Terry Portis, David Jackson, Jeff Heckard, Dwayne Council, Kevin Caldwell, Jacques Thomas, Eddie Roper, Gerald Jones, and Jeff Caldwell.

The McCann and Son Ford team, coached by David Johnson, drafted six players. The McCann Braves picked up Dwayne Brown, Terry Daniels, Dwayne Durrance, Bart Murphy, Curtis Taylor and Quinton Williams. Players returning to the McCann Ford team are: Alvin Hardy, Walt Touchton, Warren Morland, Darwin Ford, Erdley Bent, Jerry Jones, Ricky Johnson, Troy Brown, and Billy Barber.

Kopta and Bennett Builders, coached by Ken Tate, made five draft choices. The Reds chose Michael Bent, Glenn Caldwell, Johnny Caldwell, Chester Daniels and Tony Moore. Returning players are: Edwin Boone, Ricky Oates, Tommy Hipps, Alvin Cosner, Ronnie Barnes, Sam Barnes, Daryl Watford, Alan Liske, Darren Kopta and Dennis Barefield.

The defending champion Avon Paint and Body team, coached by Jimmy Hart, made four drafts. Added to the Mets roster were thirteen year olds Danny Elder, David Hodge, Quinn Moody and Michael Rowe. Returning members of the AP & B team are: Kenny Cribb, Jody Johnston, Jim Marcum, Joe May, Ricky Norris, David Roberts, Mike Shorkey, Ricky Derkman, Tim Cribb, Chris Collins and Todd Bennett.

Charlie Faulconer

Danny Pototsky

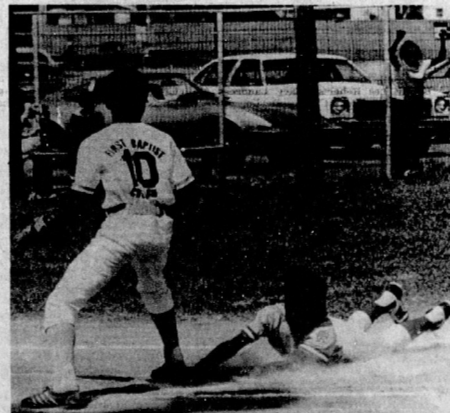

Two Players Recieve All-Division Honors

Charlie Faulconer and Dan Pototsky received All-Division III honors last week at the conclusion of the season. For Faulconer, 5'11", 170 lb., outfielder from Arlington, Va., the selection to the All-Division team was his second year. Last season as a freshman, he batted .281 with 37 RBI's to earn the honors. This season, Faulconer hit .330 with 18 extra base hits and 16 RBI's and had 23 stolen bases. Don Pototsky, 5'9", 165 lbs., freshman second baseman also from Arlington,

Va., earned All-Division III honors by batting .303 with 27 runs scored and 27 runs batted in. Pototsky slammed 12 extra base hits including 3 home runs. Shortstop Randy Schlosser and First Baseman Mark Lacy will be joining All-Division III players, outfielder Charlie Faulconer and Second Baseman Dan Pototsky, Saturday, May 6, for the state Junior College All-Star Game. The game will be played at Joker Marchant Stadium in Lakeland at 5 p.m.

Forestry Men Fighting Swamp Fires

Sunday, April 30 was the 39th working day for the Florida Department of Forestry men fighting a suborn swamp fire burning on Allico property north of Lake Streety about three quarters of a mile of U.S. 27 and Sunray.

The fire started in the swamp on about March 18, when citrus stumps and brush were pushed into the swamp and set a fire by a citrus tree removal outfit.

In the dense tangle of stumps, trees, palmettos, grapevines, blackberries and other briars, the forestry men found the fire fighting tough going as they tried to move fire fighting equipment through the tangled vegetation. A high water table in the underlying muck and scattered alligators holes, added to their difficulty.

Shifting winds caused the fire to run over the surface, spreading it in new directions, igniting old lighter pine logs and stumps, along with drying out and burning the root covering leaf mold.

With about 10 acres burned by fire, the firefighters left the burned area when they could not find any visible traces of smoke or burning material.

The fire had been thought out for about a week, when smoke was spotted from the Frostproof firetower last Wednesday. High winds on Thursday and Friday caused the fire to run, enlarging the original burn to about 70 acres by late Saturday. Heat from the running fires forced the men to abandon areas where they were attempting to contain the fires.

Sunday, pipe and hose lines were extended to wet down the head of the fire to keep it from spreading south of Lake Streety with the men pouring water on the hot spots until dark.

With any kind of luck, plus cloudy skies and a high humidity, crew chief Bob Nelson said they hoped to be able to mop up the burning areas sometime during the week. Nelson added that they planned to bring in a 1150 gallon per

minute pump to try to flood a portion of the swamp with water from Lake Streety.

Smoke from the burning swamp has, during the past weeks, drifted into Avon Park during the night hours. It was also believed that the smoke plus fog was a contributing factor for the eight car chain-reaction pile-up and two deaths on U.S. 27 on April 1 near the Frostproof cutoff.

The cost to the taxpayers for putting out this swamp fire is estimated by forestry personnel to be between \$500 and \$600 per day (before inflation) using a five man crew and normal equipment. Apparently all because of a long time practice of pushing trees and stumps into the swamp to rot or burn, even though bare land was available for burning brush and stumps.

The forestry men complimented Crutchfield Grove Caretaking Service of Sebring for allowing the use of an irrigation well during the day time.

Photos By
Lew Miller

THE LEAF litter burnt off the swamp floor, Wayne Burns, fire fighter, had

another problem that of a split pipe reducing the water pressure. Even four-

footed Lady found the going through the swamp a bit tricky.

WITH ABOUT 1800 feet of six inch pipe laid, forestry men hacked their way into the swampy tangle of trees, vines and palmetto. From the left: Bob Nelson,

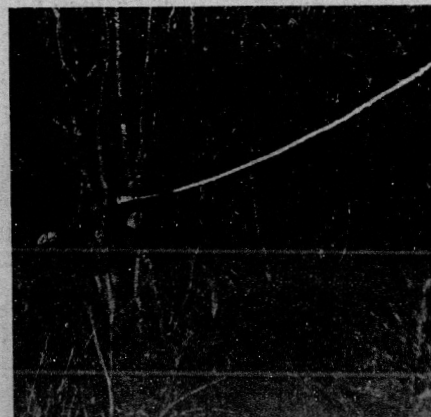

party chief Winter Haven; Dennis Strickland, Cypress Gardens; Dave Williamson, Frostproof and Wayne Burns, Cypress Gardens.

TANGLED PALMETTO STEMS, fallen trees and vines slowed the progress of Wayne Burns, Winter Haven, as he doused a path of burning leaf mold.

USING A HALF INCH suicide nozzle, Dennis Strickland, of Cypress Gardens, hangs on too the 1 1/2 inch hose as he drenched a burning hot spot.

PULLING THE CHARGED 1 1/2 inch hose through the tough underbrush, Dave Williamson, Frostproof, appears to be making the water stream curve upwards.

NEAR THE END of about 2000 feet of six inch pipe line, Russ Hodges, Winter Haven, sprays a blazing area through a clump of bay trees.

CONTENT TO SIT and wait, the two animal killed by the Lake Streety swamp fire.

Bonnie Brae Mobile Home Park News

By Margie Wells
The crowd wasn't quite as large last Wednesday at coffee hour but the fun was as great as ever. Hostesses were Rozzie Parkhurst and Ellen Reichenbaugh. "Happy Birthday" was sung for Lawrence Reichenbaugh. A Mother's Day dinner was discussed and more plans will be made at the coffee hour next week.
Rozzie and Lester Parkhurst

had a very pleasant surprise on Tuesday afternoon when Lester's niece and her husband, Jackie and Forrest Gardner, of Brooksville, visited them. The Gardners liked Bonnie Brae very much and were impressed with how clean and neat looking our park was. That's the kind of comments we like to hear!
We wish to express our sincere sympathy to Sally

Bohaychuk on the loss of her brother recently. He lived in Sebring and had been ill for quite some time.
Dorothy Carroll was the dinner guest of Lu and Louis Potter on Tuesday evening. The Potters and Dorothy are all from Cary, Pa.
Ella Drake, Ellen Hunt, Verda Miller, and Verda's cousin, Norma Gerbig, arrived home on Friday after a two

week's trip through the east. They visited Williamsburg, Va., Mount Vernon, Washington D. C., Savannah, Monticello, the University of Virginia, Luray Caverns, Natural Bridge in Virginia and drove over the Skyline Drive in Virginia. This was only a few of the places which they visited. They didn't get to see the Japanese cherry blossoms in Washington but they were in

bloom in Williamsburg. They told us the flowers were beautiful everywhere they went. And if you want to be entertained, have Verda tell you about getting on the sub way in Washington! Speaking of flowers, we hope everyone has noticed the beautiful trees and flowers we have around Avon Park right now.

Avon Mobile Home Park News

The Avon Park Sun, May 4, 1978 3C

Ruth E. Robinson
Mr. and Mrs. Everett Blethin of lot 76 recently made a trip to Montezuma, Ga., to attend Mrs. Blethin's sister's funeral. Interment was in Andersonville National Cemetery beside her husband, John Seymour Hill. Our sympathy is with them at this time.

Belcher wrote that they have been confined most of the month inside their home, due to bad weather; they even contemplated a return to Florida for another month! Getting income tax paid, was the big event of the month; We hope they will soon be able to plant their "crops" and enjoy some sunshine.

left on Monday for their home in Ohio and Mr. and Mrs. Basil Krantz will also be leaving on Tuesday. Mr. and Mrs. Albert Keyes will also be leaving for a short vacation. May God go with them all, for a safe trip and good weather.

Mr. and Mrs. Phelps Buttons also arrived home safely in New York State.

Mr. and Mrs. Dwight Evans, brother and sister-in-law of Mr. Evans, from Phoenix, Arizona were house guests with the Evanses last week. They all drove to Jacksonville, Fla. last week-end to visit with Dwight's daughter and family. Mr. and Mrs. Dwight Evans left from the Orlando airport for Phoenix, on Sunday morning.

Mr. and Mrs. Paul Johnson, brother and sister-in-law of Pearl Evans from Minerva, Ohio are visiting with the Evanses and will return to Ohio when the Evanses leave. They plan to leave for Ohio about the middle of May.

Visiting this past week with helping their mother, Mr. Boyd Dager, are Mrs. Carl A. Williams and Mrs. Ronald C. Bixler. Mr. John Dager, son, was here but returned home to charter a small passenger plane. He returned here on Monday to take Mr. and Mrs. Boyd Dager, when Boyd is released from the hospital, and his sister, Ann and Virginia to the Tiffin, Ohio airport. Mrs. Boyd Dager will reside with Mrs. Carl A. Williams while Mr. Boyd Dager will go to a hospital in Tiffin. Any correspondence can be sent to her there. The address is 815 E. Township Rd. 122-Tiffin, Ohio 44880. They are to leave the Avon Park Airport about 12:00 Noon. Our thoughts and prayers are with them.

Mrs. John Garrett of Battle Ground, Ind., visited her parents last week and will be with them until they leave by plane from the Tampa Airport on May 1. Harold and Ruth

Mrs. Ula Miller and Jean Barrett arrived home safely, finding that she had forgotten to turn off the furnace, but all was safe.

Mrs. Mabel Crocker, Mrs. Thelma South and the Cutters left last week for their summer at home. We miss all those who have gone; our coffee hour is now down to 26 folks, but we do enjoy every minute of it. Robert McBeth and Paul Thomas are now officiating in the kitchen at the coffee pot, and are doing a good job.

We will be saying goodbye to the Paul Thomas, on Thursday, and Mr. and Mrs. Everett Blethin on Wednesday. Missing from the coffee hour, was Mrs. Hazel Thompson who entertained her grandson who arrived on Sunday by plane. They decided to have a little fishing project on Monday morning, but will be leaving on Tuesday for Indiana. Mrs. Lucille Shoemaker will be departing Avon Park on Sunday for Indiana, also.

Library Checks Destroyed

Because of the robbery of the library last week, Friends of the Library lost about \$300 of their money.

President, Paul Gentry, is asking that anyone who had put a check in the money jar at the library please issue a duplicate check after determining that the original check had not been cashed. The police found several checks that the thieves had tried to flush through the toilet, and it is supposed that the thieves destroyed, or tried to destroy the checks.

The money is gone, and The Friends are now asking that people please be generous to help with the needs of this organization to pay for the children's summer program at the library.

Jars are still in the four banks in Avon Park where the contributions may be left, or checks may be mailed to the treasurer, Eleanor Treasott, Rt. 2, Box 1010, Avon Park, 33825, or left with Mrs. Carolyn Moore at the Library.

RULES

1. Get a FREE DOUBLE BINGO ODD BINGO EVEN Master card on request at the end of the checkout or at store office. Get one FREE Game Ticket every time you visit a participating Winn Dixie Store. No purchase necessary to participate. Adults only eligible to play.
2. On each Game Ticket there are four DOUBLE BINGO ODD BINGO EVEN Markers. To reveal the Markers, simply punch out the perforated portions of the Game Ticket, then separate the punched out portions and you will have four Markers. Each Marker corresponds to a square in one of the games on your Master Game Card.
3. When you have revealed the DOUBLE BINGO ODD BINGO EVEN Markers, carefully place them in their appropriate squares on your DOUBLE BINGO ODD BINGO EVEN Master Game Card. EXAMPLE: If one of your Markers is a V-8 in the \$20.00 game, insert that Marker in the square marked V-8 in the \$20.00 game. When you complete any row in a game, you may be a winner. Match the four corners in the \$100 or \$100 game and you may be a winner, doubling the amount of the game prize. See examples on this ad. In some games, you will find squares marked free and it is unnecessary to collect a Marker to be placed in such free squares. Free squares are not transferable. One winner per card.
4. When turning in your winning card all your DOUBLE BINGO ODD BINGO EVEN Markers which are not a part of the winning row should be retained and transferred to a new card. Only one prize will be awarded per game on any one Master Game Card. All DOUBLE BINGO ODD BINGO EVEN Markers in a winning row must be initially on the back, in the space indicated, by the customer in the presence of authorized personnel. \$5.00, \$2.00 and \$1.00 winners can be verified and redeemed by authorized store personnel. \$100.00, \$100.00 and \$200.00 and \$200 double winners must be sent to the sponsor for verification and redemption. All game material submitted for verification becomes the property of the game sponsor. When you have a winning card which has been verified by authorized personnel, you will, after furnishing your name and address, be awarded your prize. A Federal Trade Commission rule requires that the names and addresses of all winners be posted in all participating stores. Tax liability on prizes is the responsibility of the prize winner.
5. All game materials will be rejected and judged void if not obtained from and verified by authorized personnel or if any part of any of the game pieces is illegible, altered, mutilated, defaced, tampered with, forged, contains printing or other errors, or is irregular in any way. Any attempt to forge game material or to defraud in any way will be prosecuted to the fullest extent of the law. Game materials void where taxed or prohibited by law.
6. Game will end upon distribution of all Game Tickets. All prizes must be claimed within five (5) days after announcement of termination or they are forfeited. Notwithstanding anything herein to the contrary, at such times as the verified claims for prizes in any category equals the number of prizes advertised for that category, then the game as it relates to the

WIN UP TO
\$2002

- specific prize category shall immediately terminate without notice, and any unverified claims at or after that time shall be automatically rejected.
7. Game materials valid only for this game. All Game Tickets, DOUBLE BINGO ODD BINGO EVEN Markers and Game Cards must have the same series number. EXAMPLE: If you have Master Game Card Series #37, all of your game markers must have Series #37.
 8. Employees (and their I.R.S. listed dependents) of Winn Dixie, participating Winn Dixie stores, Dancelco Associates, their advertising agency, and any other companies engaged in the development and production of these game materials are not eligible to win.
 9. DOUBLE BINGO ODD BINGO EVEN Marker void if it does not have on it:
 - (a) Value of Game
 - (b) Bingo symbol
 - (c) DOUBLE BINGO ODD BINGO EVEN spelled out
 - (d) Series #37
 - (e) Bingo symbol spelled out
 - (f) Safety pattern background
 10. DOUBLE BINGO ODD BINGO EVEN Series #37 Markers must conform in size, shape, detail and must contain the six (6) items of authentication described in Rule No. 9.

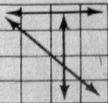

Here's all you have to do to win at Double Bingo Odd Bingo Even

ROGER NEWTON, WHILE attending the 320 Hour Basic Police Officer Training Program at South Florida Junior College, won the "Marksmanship Award" with a score of 89.3 out of a possible 100.

Be careful using lawn mowers. They are a machine made for a purpose. If used and cared for properly, they will last longer and so will you.

4-H Horse Members Compete

Lisa Hines of Sebring won the Overall High Point Award. 4-Hers qualifying to represent the county are Barbara Howard, Joyline Kitchings, Molly Stephenson, Lisa Hines, Lisa McPate, Sarah Rarner and Shari Smith, all of Sebring. Lyn O'Neal and Angie Breen of Florida. Cheryl Blount of Lake Placid and Kara Elder of Avon Park.

These members will be competing with 4-Hers from 12 other counties which make up Area E. Area E winners will be qualified to compete at the State Show in West Palm Beach July 6-8.

Airman Edward J. Dorsey, son of Mrs. Emily M. Dorsey of 102 Fifth Street, Avon Park, has been selected for technical training at Sheppard AFB, Tex., in the Air Force aircraft maintenance field.

The airman recently completed basic training at Lackland AFB, Tex., and studied the Air Force mission, organization and customs and received special instruction in human relations. Completion of this training earned the individual credits towards an associate in applied science degree through the Community College of the Air Force.

Airman Dorsey is a 1977 graduate of Avon Park High School.

Episcopal Women To Plan Christmas Bonanza At Meeting

The Episcopal Church Women of Avon Park will hold their regular monthly meeting on Wednesday, May 10 in the Parish House of the Church of the Redeemer, after midweek

communion. For this week only, communion will be celebrated at 10 a.m. instead of 9:30 a.m., there will be no "coffee" and business meeting will start at 10:45 a.m.

This is the last meeting before the summer recess, and will feature a covered dish luncheon. Members will bring a dish to pass and tableware. Plans for the Christmas Bonanza which is set for Saturday, Nov. 4 will be

discussed, and work meeting during the summer will be arranged. Members are asked to bring ideas and samples of articles being suggested for the Bonanza.

It is hoped a large group will attend this meeting, as much business will be discussed, good food served, and fellowship with our friends. Lets get enough to last all summer.

United Methodist Women To Host Spiritual Retreat

"To Know God" is the theme for the spiritual life retreat of the Lakeland District United Methodist Women which will be at Camp Florida, Brandon, beginning with registration from 4-6 p.m. on Friday, May 12 followed by the evening meal and a lakeside vesper service that evening led by Mrs. Kay Parker, Lake Placid.

Mrs. Ken Miller, Seffner, wife of an United Methodist minister and a drama major in religious literature will give a dramatization of the life of Susanna Wesley.

Eunice Harden, Lakeland District Mission Coordinator for Christian Personhood, is the leader for the week-end event being assisted by other Lakeland district officers.

Rev. Pamela Stewart and Rev. Betty Baley, Lakeland will close the event on Saturday, May 13 at 3 p.m. with the holy communion service.

Wind Ensemble To Perform May 6

The Forest Lake Academy Wind Ensemble will be performing at Highlands Lakes Junior Academy Gymnasium Saturday, May 6 at the 11 o'clock worship service.

Local students participating are: Myron Donesky, trumpet; Judy McCellan, flute; and Nancy Smith, flute.

All are cordially invited.

Recital To Be Held At Church In Sebring

Saturday evening beginning at 7:30 in Church of the Brethren, piano and voice students of N. W. Fisher will present a student recital. Admission will be free of charge and the public is invited.

Participants will include elementary, middle school, high school students and adults. A number of piano students from Avon Park and Wauchula will play.

Vocalists on the recital will be Gracie Hill, soprano; Robert Colton, tenor and Becky Harner, mezzo-soprano. All Sherrill Wells, advanced piano student of Avon Park, will perform on the piano and sing a duet with her teacher.

Christian Assembly May 6 - 7

A two day Christian Assembly has been arranged by Jehovah's Witnesses to be held in the new Civic Center, Fort Pierce, on May 6 and 7, 1978.

The program is designed to strengthen FAITH in the GOOD NEWS OF GOD'S WORD. How bad and depressing most of the news is today! Crime, war, riots, disorders of many kinds, strikes, poverty and the like. Questions have been raised, "What can end all of the world's problems? Is mankind destined to have to deal with these things forever? Or, is there some truly good news available? If there is, where can it be found?"

These questions and many more will be answered Sunday at 2 p.m. when F. Bartell, district supervisor, delivers the public address, "HAVE FAITH IN THE GOOD NEWS."

The program beginning at 9:55 Saturday morning will feature talks, interviews and demonstrations on subjects such as "Do all things for the Sake of the Good News, Woe is me if I did not declare the Good News, do you share the good news with others?" Saturday afternoon the all important subject "can you identify the spirit of the world? and will show, how to resist the spirit of the world" will be most helpful.

Bartell said, "The importance of our gaining life and all its attendant blessings is our attitude and action respecting the 'Good News.' Also, Questions that need serious consideration are 'Am I showing that I truly treasure the Good News? Am I continually strengthening my faith and appreciation of the 'Good News?'"

The public is invited to all sessions. No collection will be taken.

FLOWERS PROVIDE A YEARLY PROOF OF GOD'S LOVE

In May, by bringing forth the flowers, God adorns this land of ours; When each species beautifies With fragrance, color, shape and size The earth on mountainsides or plains In floral grandeur, fed by rains; Where petals, brilliant-hued, abound On bushes, trees and on the ground. In any Church you may attend, This beauty helps you comprehend The springtime lesson it will give: God loves this world in which we live!

—Gloria Nowak

"I am the rose of Sharon and the lily of the valleys." —Song of Solomon 11:1

He called the flowers, so blue and golden, Stars that in earth's firmament do shine.

—Henry Wadsworth Longfellow
