

Martin Appointed New Principal At Avon Park Middle School

By Mark Albright

Several instructors at the Avon Park High School and Avon Park Middle School will be changing positions before the beginning of the 1978-79 school year.

William Bozeman III, acting Principal of Avon Park Middle School, has applied to fill the teaching position at the Avon Park High School which will be vacated by Mrs. Patricia Lee who has asked for a leave of absence for the 1978-79 school year.

Bozeman was not recommended for reappointment as principal, because he has not completed his certification in administration.

John Martin, from Waverly, Ohio, will fill the position of principal at the middle school. Bozeman has been employed at the middle school, either as teacher or an administrator for eight years. He has been acting principal since April first of this year.

Another instructor who will not be returning to the middle

school for the 1978-79 school year is John Rudolph DuPriest.

DuPriest has told me that he is not coming back, but I'm not sure why," Bozeman said.

DuPriest has been employed at the middle school the same length of time as Bozeman. DuPriest taught seventh grade social studies and math for seven years, and served as Dean of Students this year.

Although Mrs. Lee's leave of absence has been approved by the Highlands County School Board, Bozeman's application awaits approval.

"My original plans were to teach high school, but I'll have to try it a year before I decide whether or not I want to continue," Bozeman said.

Bozeman will be teaching Latin, pre-college composition, and the British and American literature classes at the high school.

Fifty-two-year-old Martin will be leaving his position as superintendent of the Scioto Valley Schools, in Piketon,

Ohio, to take the position vacated by Bozeman.

"I did a lot of looking around, and I believe we are getting a highly qualified person," Dr. Dan Davis, Superintendent of the Highlands County Schools said.

Martin received his Bachelor of Science degree from Ohio State University, in Columbus, Ohio. While working on his bachelor's degree, he played football under coach Woody Hayes.

Martin received his master's degree in education from Xavier University, in Cincinnati, Ohio. And, he is presently working on his doctorate through the University of Cincinnati.

Martin's major area of study is administration, but he is also certified in biology, health, and physical education.

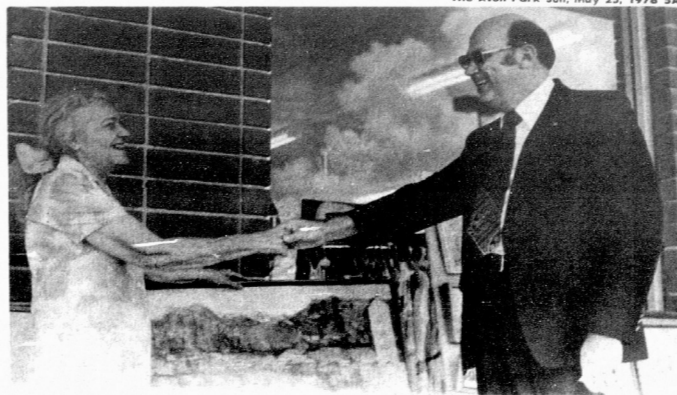

From 1958 to 1966, Martin taught at three different schools in Waverly, Ohio.

Between 1966 and 1969 he taught as an assistant professor at Xavier University.

In 1969, Martin returned to Waverly and became principal of an elementary school. And, from 1972 until his appointment as superintendent, he filled the position of principal of the high school in Waverly.

He has a commercial pilots license, and is a Federal Aviation Association flight instructor.

Martin and his wife Barbara have two sons, ages seven and eight.

Sewing Tips For The Modern Homemaker

By Dorothy

I was hemming a garment with hem lace and a lady who was watching said, "Well, I never saw that used before." Needless to say, I was surprised because I really hadn't considered this as unusual. So I decided to review the use of the stretch hem lace for everyone.

Prepare your hem area so hem will be even. Almost every dress or skirt is larger around the bottom so there is always fullness to distribute. Before the advent of stretch lace, the fullness was caught in tucks gathers or any way possible.

Then lace is attached to the right side of the garment. Lay the hem lace on the hem line overlapping so that just the ridge of the lace extends.

Stitch hem lace to hem on edge of lace laying on fabric, stretching lace slightly as you stitch. Stretch evenly. It is not necessary to stretch the maximum. An even, slightly stretched hem lace will absorb the extra fullness around the hem.

Now, turn up hem and blind stitch in place for a nice smooth hem.

A reminder: Always make sure the pattern will fit before cutting. The most difficult task in the sewing world is coming up with a solution for a too small garment.

This can be remedied in some cases, for instance, adding a strip in the center of the garment using a contrasting color; and added a pleat using the same or contrasting material. A small

insert trimmed on each side and small side sections added with same or contrasting fabric can be used. But, these are not easy to figure out, so the best thing is measure before you cut.

Another little procedure that helps is "ease all seams". This applies to knit fabrics. With summer just around the corner you will be making some nice comfortable knit tops. To ease the seams do this: After stitching the seam, hold the seam between the forefinger and thumb, applying pressure, pull the seam between forefinger and thumb stretching. Always start at starting point of stitching and stretch in the same direction seam was stitched. A very important point-stretch in same direction seam was stitched. Easing the seams in this manner is a must when using knits.

A further reminder: Be sure to use the proper needle and thread for your fabric. Now that woven fabrics are making

come-back you need both ballpoint and sharp needles. Try color coding with tailpiece! Easy to see which needle was last used.

Academy In Court Session

The question of Sebring Academy complying with court orders in its dispute with Highlands County Health Department over alleged health code violations, may become moot if certain legal steps are taken.

During a Circuit Court proceeding Friday morning James Welch, Lakeland attorney for the school, told Judge Oliver Green Jr. that he had filed an appeal earlier that day. The appeal, Welch told The Sun, is based on grounds expounded by Dr. Kye Harris, school headmaster, that the religious nature of the school secures its freedom from regulation by state health codes.

If Welch files additional paperwork, enforcement of an earlier order by Judge Green would be forestalled until the appeals procedure is completed.

In that order Judge Green directed that school and health department officials meet to decide what would be needed to bring the school up to standards and to send information about students' immunization records to the health department.

Friday's post final judgment proceeding was on a motion filed by

Charles Carlton, a Lakeland attorney for the department of Health and Rehabilitative Services that is working with the health department in the dispute. Carlton's move was to find the school in contempt of court for not following Judge Green's order.

Dr. Harris and Dan Frodge, school administrator, have been named as defendants in the case. In a letter to Dr. Glenn V. Hough, Highlands County Health Department director, Dr. Harris declined to meet with health department officials to work out a way to bring the school facility up to standards and to supply immunization records to the department.

Dr. Harris cited Biblical verses to support his contention that it would be against the school's religious and constitutional rights to comply with health department requests for a meeting and the immunization records. Judge Green said Friday that neither of these gentlemen (Dr. Harris and Frodge) have complied with his directives.

The judge asked that a hearing on the contempt of court issue be scheduled within two weeks from the time of Friday's proceeding.

However, there is the possibility that additional legal maneuvering on the part of the school may eliminate the hearing until the appeal is disposed of in a higher court.

Welch asked for the Judge to certify a question as to whether or not a Christian school needs to respond to the regulations.

Judge Green said that although he has high regard for Welch, the position Welch is advancing is so untenable that he couldn't give it consideration. He told Welch, "What you're saying is that because this is a Christian school it has the right to be swept away by plague, while the heathen have to obey laws and are spared this."

He pointed out the state has as much interest in this group of children (Sebring Academy students) as in any other.

Welch had sought the certification on the grounds that Sebring Academy is planning to vacate its quarters in the former Pinercrest Hotel near Avon Park. The school plans to leave the building after the June 2 closing of school. The length of time needed in the appeal may make the current dispute a moot point Welch said.

Hodges Elected To Silver Haired Legislature

Mrs. Ruth Hodges is the newly-elected representative from Hardee and Highlands counties to the Silver-Haired Legislature. This session, which will meet in Tallahassee July 19-24, will consist of 100 elected representatives (60 years of age or over), who will come for an educational mock legislative session.

Mrs. Hodges was born in Clatskanie, Neb. and is a graduate of the University of Nebraska. She is on the board of trustees of First United Methodist Church of Wauchula; secretary of the board for Wauchula-Frostproof Health Clinic; on the board of the Spanish Mission at Zolfo Springs; is vice-president of Hardee County Council on Aging, Inc.; and is a retired teacher from Zolfo Springs Elementary School. She is also a volunteer for HOPE of Hardee.

The purpose of the Silver-Haired Legislature will be to develop an ongoing legislative educational program which will aid in determining the needs and priorities of senior citizens throughout Florida.

Mrs. Hodges and her husband, Dr. Elver Hodges, an agronomist at Ona Agricultural Research Center, live near Zolfo Springs and they have three grown daughters and one grandson. Senior citizens of Hardee and Highlands counties are invited to call 725-4091, or contact the local HOPE office, and express opinions concerning the needs of the elderly so that Mrs. Hodges may better represent the older citizens in Tallahassee.

Mrs. Hodges was running without opposition. Today (May 24) senior citizens of Highlands County voted for their Silver-Haired Senator, choosing between Helen Soiza and Betty George of Lakeland.

State Sunshine Law Explanation Given

By Mark Albright

With the arousal of the recent controversy over whether or not Avon Park Mayor J. Marshall Davis has broken the Government in the Sunshine Law, by seeking support in the dismissal of Avon Park Police Chief Robert Brooks, a need for a stating of this law has arisen.

The law, found in Section 286.011 of the Florida Statutes, consists of three points deal with public meetings and records, public inspection and penalties, and reads as follows:

(1) All meetings of any board or commission of any state agency or authority or of any agency or authority of any county, municipal corporation or any political subdivision, except as otherwise provided in the constitution, at which official acts are to be taken are declared to be public meetings open to the public at all times, and no resolution, rule, regulation or formal action shall be considered binding except as taken or made at such meeting.

(2) The minutes of a meeting of any such board or commission of any state agency or authority shall be promptly recorded and such records shall be open to public inspection. The circuit courts of this state shall have jurisdiction to issue injunctions to enforce the purposes of this section upon application by any citizens of this state.

(3) Any person who is a member of a board or commission or of any state agency or authority or of any county, municipal corporation or any political subdivision who violates the provisions of this section by attending a meeting not held in accordance with the provisions hereof is guilty of a misdemeanor of the second degree, punishable as provided in

State Statute number 775.082 or State Statute number 775.083.

An analysis of the Government in the Sunshine Law by Henry George White states that the statute does not define "meetings" nor does it prescribe notice requirements for meetings.

While pointed out that the statute's indefinite terminology was clarified in the first case involving the Sunshine Law to reach the Florida Supreme Court.

In this case, the Board of Public Instruction of Broward County vs. Doran, found on page 698 of volume 224, Southern Section Series 2d (Fla. 1969), the court clarified the law in relation to informal meetings by stating that it was intended to cover "any gathering of the members where the members deal with some matter on which foreseeable action will be taken."

In another case, City of Miami Beach vs. Berns, page 38 of volume 245, Southern Section Series 2d (Fla. 1971), the court clarified the law in relation to secret meetings by stating that "a secret meeting occurs when public officials meet at a time and place to avoid being seen or heard by the public. When at such meetings officials...transact or agree to transact public business at a future time in a certain manner they violate the government in the sunshine law, regardless of whether the meeting is formal or informal."

In relation to the Mayor's office and how the sunshine law affects it, the Attorney General stated, as recorded in section 94 of chapter 286.011 of the Florida Statutes, that "the mayor should not confer privately with members of the city council regarding matters of pending business if such matters will come before the council for consideration and

could require the mayor to exercise his power to break tie votes."

In relation to investigations of the police department by the mayor, the Attorney General stated section 9.7 of chapter 286.011 of the Florida Statutes, that any investigation of the police department by the mayor or outside parties

pursuant to authority delegated by the city council is subject to provisions of the Government in the Sunshine Law."

As was decided in the case of Hough vs. Sternbridge section 2 chapter 286.011 of the Florida Statutes, in order for there to be a violation of the government in the Sunshine Law, a meeting between two or more public officials must take place which if violative of the statute's spirit,

intent and purpose."

One purpose of the government in the sunshine law section 3 of chapter 286.001 of the Florida Statutes, that was brought forth in the case of Town of Palm Beach vs. Gradison was "to prevent at non-public meetings the crystallization of secret decisions to appoint just short of ceremonial acceptance."

In the City of Miami Beach vs. Burns page 71, chapter 286.011 of the Florida

Statutes, it was decided that "when municipal officials meet at a time and place to avoid being seen or heard by

public to transact or agree to transact public business at a future time in a certain manner, they violate the "government in the sunshine" law regardless of whether the meeting is formal or informal."

Mayor Vetos Recreation Ordinance

GEORGE DUNCAN

Mayor J. Marshall Davis vetoed the City's proposed recreation ordinance prompting an angry resignation from Recreation Committee Chairman Jim McWilliams. In his letter of resignation, McWilliams charged "politics" was the reason for the veto.

Although a majority of the city council voted to override the mayor's veto, Councilman Robert Britt and Kelley Phillips blocked the attempt by supporting the mayor.

According to the city charter, four councilmen must vote to override a veto, by the mayor.

McWilliams charged in his letter that "the city is going backward instead of forward, not only in our recreation department, but in another department," and stated "the children of the city have been let down by this action."

In his letter given reasons for the veto, Davis said he did not think the ordinance was needed since other city departments did not have ordinances creating them.

"If the recreation board is to be composed of seven members then all seven should be residents of Avon Park or there should be five voting resident members and two non-voting non-resident members," the letter also stated.

Proponents of the ordinance argued there was no reason to exclude non-residents from the board since it acted only in advisory capacity and said five of

the seven members would be city residents.

However at the request of Recreation Director Dennis Guenther, council member and the mayor agreed to work to amend the ordinance.

Guenther said the main thrust of the ordinance was the responsibilities of the recreation director, the recreation department and recreation committee. He told council members he did not want

to see the entire ordinance dumped because of a minor problem like where committee members lived.

Mayor Davis said he would sign the ordinance if the part regarding non-residents on the board was taken out. Council President Larry Albright said council members and the recreation committee members should meet together to amend the present ordinance.

Hunter Kittrell Has Nerve Transplant

In April, 1977 the Avon Park community held a Hunter Kittrell Day at Horse Hammock to help restore the arm of young Hunter Kittrell who suffered a severed right arm in an automobile accident.

Early in this year Hunter had surgery to restore feeling back into the arm that had been severed.

This was done by removing 18 sections (or bundles) of nerves from the back of his legs which were transplanted into the arm.

His mother reported that he will have very little feeling in the back of both heels now that these nerves have been removed, but hopefully in about a year he will be able to feel with his hand.

The original nerve in his arm was still alive and they were able to use parts of it to try to stimulate feeling in the lower portion of his arm. This incision runs from the arm pit to the center of the hand. Surgery took 10 hrs. 45 minutes.

Although he was quite uncomfortable for a while, he did not complain, according to his mother, Donna Kittrell.

His next surgery will be in sometime this month for muscle transplants. This is a new procedure the surgeons are anxious that conditions are right before starting as they don't want to try anything on Hunter that may not work.

Hunter is attending school half days. It is reported that his attitude is very good, and that he is doing quite well. A cassette recorder for long written assignments has proven an invaluable aid. This was recommended by his school.

On the brighter side—Hunter is featured in the Jewish Hospital brochure for prospective nurses and technicians as well as the hospital's annual report because of the progress that has been made in regaining the use of his arm.

GetZgee Backs Into Car

No charges were filed after a minor accident in the Sebring High School parking lot May 18.

According to the Florida Highway Patrol, Susan GetZgee, 29, of Avon Park backed from a parking slot and struck a car driven by Virginia Stark Womble, 48, of Sebring, who was eastbound through the parking area.

Trooper Jim Vann set damage at \$250.

County Commissioner

for free use by the county of some 44 acres of airport ground. The tract is to be used as a holding area for large animals that are in the care of the animal control officer.

Commissioners agreed to pay \$500 for fencing installed by the previous tenant.

Commissioner Robert Skipper, who along with Chairman C. J. "Buddy" Wise voted against the agreement, questioned the need for the pasture, since large animals are only kept at the pound for six days.

Charles Cullen, county administrative assistant, said feeding expenses could be kept down if the animals are allowed to graze.

Skipper said he didn't feel it was worth it, saying there were pens to keep bulls and other large animals.

Commissioner Cecil Skipper then quipped, "There's enough bull around

here."

In other business the board:

- Asked the engineer to review the possibility of reducing speed limits on Aston Martin Drive and Grand Prix Drive following requests from residents in the area. June 13 a series of speed limit changes will be considered by the board.

- Agreed to allow the engineer to post signs on the Lake Clay boat ramp warning boats to remain 200 feet from the shoreline once they have been put into the lake. Swimmers have complained that water skiers come too close in for swimmers' safety.

- Approved naming Everett Ohrt as mobile home industry representative and George Tapley as building industry representative to the Building Board of Adjustments, Appeals and Examiners.

- Passed an ordinance calling for a special assessment district in section 1, 2 and 3 of Sebring Country Estates to

provide money for street lighting.

- Closed a portion of Princeton Road and agreed to hold a public hearing June 27 on a request to close a portion of Lake Stearns Drive in Breezy Point Park Subdivision.

- Authorized enlarging the size of the Home Health Care board of directors from five to seven to include representatives of minority organizations.

- Agreed to allow Sebring to have free dumping at the DeSoto City landfill during a special cleanup project that is being planned by the city.

- Asked Gordon Hays, county engineer, to review a request for fill at the site of the planned Highlands Lakes Volunteer Fire Department headquarters on U.S. 27 north of Avon Park. The group had asked for 150 loads of fill, which seemed quite high to many board members.

Wildlife Artist Will Be Hired By County Commission On CETA Fund

Highlands County Commissioners have given tentative approval to a plan to use some federal money in a manner that might be "strictly for the birds."

During Tuesday morning's meeting, a proposal was aired for using federal Comprehensive Employment Training Act (CETA) funds to hire an artist to do wildlife drawings. The drawings would then be sold and proceeds would go to the Audubon Society for its campaign to save the American bald eagle.

Artist Joseph Sacco would be hired by the county and paid with CETA funds, which are channeled from the federal

government through the five-county Manpower Consortium to which Highlands County belongs.

Numerous jobs in the county are done by CETA-funded employees. Positions from office workers to emergency medical technicians are paid for with CETA money.

Robert Dunty Jr., county attorney, said that although he has heard of the use of CETA money for painting murals on public buildings, he questioned the legality of using the funds to create works that would be sold to benefit a non-profit organization such as the Audubon Society.

Samples of Sacco's work were displayed and reveal careful detailing. Commissioner Carl Arant Jr. said he would as soon see the artist working for Highlands County as someone else.

Commissioner Robert Skipper then said, "Working, you call that working?" In keeping with Dunty's concern for legality, the board agreed, with Skipper casting the only negative vote, to seek funding for the artist position if the attorney for the consortium provides clarification on the legality of using the money for such a CETA job.

Citizen Response To Suspension

By Mark Albright

In view of the controversial suspension and reinstatement of Avon Park Police Chief Robert Brooks by Mayor Marshall Davis, it seems only equitable to find out what the general public thinks of the recent incidents.

In answer to the question: What do you think of the controversial suspension and reinstatement of Avon Park Police Chief Robert Brooks?

Mrs. Dorothy Long said, "If they have a good chief of police they better hang on to him."

Sam Dasher said, "He (Mayor Davis) made a good move by reinstating him (Chief Brooks)."

Louis May said, "The mayor has a good reason to reinstate Chief Brooks — he is doing a good job."

In answer to the question: Do you think Mayor Davis' suspension of Chief Brooks was justified?

Mrs. Long said, "I don't think he should have until everyone found out what was going on. They should have had a meeting to let the people know."

Dasher said, "I don't see why he did — I think he was trying to use his office for

personal reasons."

May said, "I don't think so, because Chief Brooks was doing his job."

In answer to the question: How do you think the recent incidents will affect the Mayor's co-operation with and control of the police department?

Mrs. Long said, "The chief was hired to do the job, and he can't do it with half-a-dozen bosses."

Dasher said, "I think they should have settled their differences at the meeting."

May said, "I hope there is no dissension between Chief Brooks and the Mayor, and I hope things get back to normal."

Social Security Questions

EDITOR'S NOTE: Following are representative questions answered daily by VA counselors. Full information is available at any VA office.

Q — I received an honorable discharge after completing a two-year enlistment. Am I eligible to receive a headstone or grave marker even though I had no wartime service?

A — A headstone or grave marker is available for any deceased veteran of wartime or peacetime service (other than active duty for training) who was discharged under conditions other than dishonorable.

Q — Are all patients eligible for reimbursement of transportation costs for visits to VA hospitals?

A — No. Only veterans with service-connected disabilities or those on an assigned and scheduled income level can receive reimbursement for transportation expenses.

Q — I am a veteran of the Vietnam Era. When will my eligibility for educational assistance expire?

A — Generally, the period of eligibility for GI Bill benefits is ten years from date of last separation from active duty, or until December 31, 1989, whichever is earlier.

Q — What effect does the 40 mile restriction on CHAMPUS have to eligible CHAMPUS participants living within 40 miles of a VA hospital?

A — None.

Q — What is the present educational assistance rate for a veteran with a wife and two children when the veteran is a full-time student in a vocational rehabilitation program?

A — The veteran would receive \$377

per month.

Q — I have a service-connected disability and was discharged prior to WWII. Does service during this period qualify me for an automobile grant?

A — A recent change in law made the automobile grant available to veterans who are entitled to VA compensation for loss of use of hands or feet, or who are "blind," regardless of period of service.

Q — As an honorably discharged veteran I am eligible to be buried in a national cemetery. If my wife predeceases me in death, may she be buried in a national cemetery?

A — yes. The superintendent of the national cemetery will require you to complete a statement of your intention to be buried there. With this statement, the internment of your spouse will be authorized.

Let Us Remember

MEMORIAL
DAY,
MAY 29

All the soldiers, sailors, cavalymen, air and groundsmen who valiantly defended our freedom at home and abroad. All those who gave their lives for us. All those who suffered injuries and permanent handicaps in the cause of democracy. Let's take a moment to remember them and let's treasure the rich heritage of freedom they fought so bravely for.

Fruit Salad - Star On Your Table

In movies, "Paradise" is pictured as a spectacular place filled to the brim with luscious fruits. Why not move a little paradise into your own home with tropical fruit salads made from original recipes by the Kraft Kitchens.

Start with Strawberry Banana Marble, a molded salad that tastes as good as it looks. Since you can make it hours before serving, there's extra time to spend on last minute preparations for other dishes. As an accompaniment or dessert, choose this marble mold for an inviting salad addition to your next menu plan.

Florentine Citrus Salad is another dish that's as pretty as a picture. To blend the novel combination of citrus fruits and greens try a mixture of Kraft French Dressing, chopped blue cheese crumbles and celery seeds. It's a juicy salad with a tropical tang. Recreate the aura of the Islands with a Polynesian Shrimp

Salad worthy of gourmet gastronomy. Use a grapefruit knife or knife with a long, thin, serrated blade to carve the fruit away from the pineapple shell with ease. Cut the melon into chunks or spoon into balls with a melon baller, similar to an ice cream scoop. Combine the ingredients and serve from hollowed pineapples for a tasty South Sea type treat.

A light and creamy Avocado Honey Soufflé is just the salad to debut in tropical weather. It's certain to bring a ray of sunshine to a meal in cooler climates, too. Begin by making an avocado puree. Slice two, ripe, medium-sized avocados into chunks and mix with lemon juice, honey and sugar in a blender or with a hand mixer until smooth and creamy. Then complete the directions. The extra preparation time is a fair trade for an extra special dessert. Paradise should have it so good!

STRAWBERRY BANANA MARBLE

23-oz. pkgs. strawberry
1 envelope unflavored gelatin
1 cup cold water
2 cups boiling water
1 cup cold water
2 cups strawberry slices
1 banana, sliced
Lettuce

Dissolve strawberry gelatin in boiling water; add cold water. Chill until partially set; fold in strawberry slices. Soften unflavored gelatin in cold water; stir over low heat until dissolved. Cool. Gradually add gelatin to salad dressing, mixing until blended. Chill until partially set. Fold in whipped cream and banana slices. Alternately pour strawberry gelatin and salad dressing mixture into lightly oiled 2-quart mold. Carefully swirl spoon through mixture to marble. Chill until firm. Unmold, surround with lettuce. Garnish with frosted grapes, mint and additional strawberries, if desired.
8 to 10 servings

FLORENTINE CITRUS SALAD

2 1/2 qts. assorted greens
1/2 cup onion rings
1/2 cup orange sections
1/2 cup grapefruit sections
1/2 cup celery slices
1/2 cup walnut halves
1/2 cup KRAFT French Dressing
1/2 cup KRAFT Chopped Blue Cheese Crumbles
2 teaspoons celery seeds

Tear greens in bite-size pieces into a salad bowl. Add onions, orange and grapefruit sections, celery and walnuts, toss lightly. Combine dressing, blue cheese and celery seeds. Serve with salad.
8 servings

POLYNESIAN SHRIMP SALAD

2 pineapples
2 cups (10-oz.) cleaned, cooked shrimp
1 1/2 cups grape halves
1 cup melon balls
1/2 cup green onion slices
1/2 cup KRAFT Mayo
1/2 cup dairy sour cream

Cut pineapples in half lengthwise through crown. Remove fruit, leaving shells intact. Core and chunk fruit; toss lightly with shrimp, grapes, melon balls and green onion. Spoon into pineapple shells. Combine dressing and sour cream; mix well. Spoon over fruit mixture.
4 servings

AVOCADO HONEY SOUFFLE

2 medium avocados, peeled
1/4 cup lemon juice
1/4 cup honey
2 tablespoons sugar
1 envelope unflavored gelatin
1/4 cup cold water
1/2 cup KRAFT Real Mayonnaise
1 cup heavy cream, whipped
Pure avocados with lemon juice, honey and sugar. Soften gelatin in cold water; stir over low heat until dissolved. Gradually add gelatin to mayonnaise, mixing until blended. Chill until partially thickened. Stir avocado puree into gelatin; fold in whipped cream.
Wrap 2-inch collar of aluminum foil around top of six 1/2 cup souffle dishes or a 1-quart souffle dish; secure with twine. Pour gelatin mixture into dishes; chill until firm. Remove foil collars before serving. Garnish with strawberry berries, if desired.
6 servings

MARINATED ARTICHOKE SALAD

6 medium-sized artichokes
Lemon juice
1 cup cauliflowerets
1 cup mushroom slices
1 cup cherry tomatoes
1/2 cup green pepper strips
1/2 cup carrot slices
1 1/2 cup bottle KRAFT Italian Dressing
Lettuce

Rinse artichokes in cold water. Cut one inch off the tops, stems and tips of leaves. Pull off any loose leaves. Brush cut edges with lemon juice. In Dutch oven, place artichokes in boiling salted water. Cover and simmer 30 to 45 minutes or until leaf pulls out easily. Drain; cool. Remove leaves from centers to expose fuzzy and prickly portion (choke). With spoon, carefully scrape off choke from the center of the artichoke.

Combine cauliflowerets, mushrooms, tomatoes, green pepper and carrots in Dutch oven. Place artichokes in Dutch oven. Pour dressing over vegetables. Cover; marinate several hours. Drain, reserving marinade. Spoon 1/2 cup vegetable mixture into center of each artichoke. Serve on a lettuce-covered plate with reserved marinade.

BETTY BENSON finds that the zucchini squash that grew from seed to maturity in about a month, can get rather heavy at 9 1/2 lbs. Sunphoto by Lew Miller.

Helen Benson Grows Large Zucchini Squash

How does one grow a 9 1/2 lb. zucchini squash in about a month's time? According to Helen Benson of 901 W. Pleasant St., who has been planting a garden for the past three years, the fish she buried under seed had a lot to do with it. Helen buried about 50 tiny brim under the hill of seed

Recipe CREAMY BROCCOLI AND ZUCCHINI

2 cups chopped fresh broccoli
2 cups chopped unpared zucchini
1/2 cup chopped onion
1 clove of garlic, minced
2 tbl butter
3 tbl flour
2 tbl snipped parsley
1/2 tsp salt
1/2 tsp dried oregano
1/2 cup milk
1/2 cup ricotta or cream-style cottage cheese
8 oz. spinach noodles, cooked, drained and buttered
In medium saucepan, cook broccoli and zucchini together, covered with salted water, until tender, 8 - 10 minutes, drain well. In large saucepan, cook onion and garlic, in butter until the onion is tender. Blend in flour, parsley, salt and oregano. Add milk all at once, cook and stir until thickened and bubbly. Add ricotta cheese. Stir and cook until cheese is nearly melted. Stir in cooked vegetables. Heat through. Serve over cooked noodles. Pass the parmesan cheese. Makes 4-6 servings.

Scrimmage To End Spring Practice

FOOTBALL IN MAY? That is what the Avon Park Red Devil players are asking as they go through hot afternoon sessions of Spring football practice this week.

Here a group finishes up a play with most of the players on the ground as Coach Don Sisemore calls out instructions. The Red Devils will hold a Red-White inter-

squad scrimmage next Thursday night at 7:30 p.m. at Memorial Field to close out three weeks of spring practice under head coach John Hunter, assistant

varsity coach Ronnie Jackson and jayvee coaches Hoppy Rewis and Don Sisemore. Sunphoto by Lew Miller.

Over sixty Avon Park High School boys are reporting each afternoon for Red Devil spring football practice at Memorial Field according to head coach John Hunter. The ninth through eleventh graders started last week and will continue through next Wednesday afternoon.

Next Thursday, June 1, the Devil coaching staff will divide the boys into two groups for a Red and White intersquad scrimmage to be held at Memorial Field starting at 7:30 p.m. Spectators may attend the practice game for the admission price of a bar of soap or a clean, used towel. David Sisemore and DeCarli Jones are slated to quarterback the two squads.

Coach Hunter has divided the players into two groups. Hunter and Ronnie Jackson work with one group on offense half of the practice and Don Sisemore and Hoppy Rewis work with the other group on defense. Then the two groups switch. Hunter and Sisemore work with

backs and Jackson and Rewis work with the linebackers. The players went into pads for the first practice in full uniform. They will work out four days this week, taking Friday off. Next week they will go the first three days and close out spring practice with the inter-squad game on Thursday, June 1.

Hunter says that they are working this spring on fundamentals, techniques and plays. In fact, he says they will not have many plays ready for the Red-White game next Thursday, but should have enough ready to operate an effective offense.

One newcomer is practicing with the Red Devil hopefuls although he will not enter school until next fall. Joel Lynn, a 230 pounder from Geneva, Alabama, has finished school up there and is working out for his second time this spring. Joel will be a junior at Avon Park High School next year. He has varsity experience with his high school in Geneva, Ala.

Red Devil Awards Banquet Friday

The annual Avon Park High School Red Devil Awards Banquet will be held at the high school cafeteria tomorrow (Friday) night at 6:30 p.m. The banquet is held yearly honoring the winter and spring sports athletes and is given by the Avon Park Athletic Association.

After the meal in the cafeteria, the group will move to the high school auditorium for the presentation of awards. Athletic Director Joe Franz says that each sport will present two plaques to members of its 1978 team. One award will go to the most valuable or most outstanding player and the other will go to the most improved player. The cheerleaders will receive a "most spirit" award instead of most improved.

Tickets for all persons planning to attend except the athletes themselves

will sell for \$4.00 per ticket and may be purchased at the high school office. The luncheon ladies will prepare the meal for the banquet.

All parents, friends and sports fans are invited to purchase a ticket and attend the meal and the awards ceremonies. Franz also added that the senior athlete of the year award will be presented to the 1977-78 Red Devil chosen for his outstanding contributions in at least two major sports during the school year.

Athletes who will be honored are: boys and girls varsity basketball, junior varsity boys basketball, boys and girls golf, boys and girls track, boys and girls tennis and boys varsity and junior varsity baseball.

Avon Park Merchants Take Third Place In Slow-Pitch Tourney

The Avon Park Merchants slow-pitch softball team finished third in a tournament held in Frostproof last week-end as they were beaten twice by Turkey Creek Baptist team that won the championship trophy.

Also entered in the week-end tourney were the Crews Equipment, Avon Paint and Body and Air Force teams from Avon Park. They didn't fair even as well as the Avon Park Merchants in the three day affair.

The Merchants won a Friday night first round game over Lake Wales Epps

by a score of 20-5. Then on Saturday morning they defeated Okaloosa of Pahokee 26-11 to remain in the winner's bracket. Saturday night the Merchants lost a 16-15 battle to Turkey Creek to drop into the loser's bracket.

Sunday morning the Merchants knocked off Pan American Engineering of Vero Beach 23-21 but lost out Sunday afternoon to Turkey Creek again by the unbelievable score of 54-41!

Ronnie Jackson is planning to hold a men's slow-pitch softball tournament here at the City Complex the week-end of June 2, 3, and 4.

SFJC Coach Resigns To Become Manatee Assistant Baseball Coach

By RICK MOYER

Tim Hill, 33, head baseball coach at South Florida Junior College for the past four years, has resigned his position to become the assistant baseball coach at Manatee Junior College, Bradenton.

Hill, whose teams compiled an 83-67 record during the past four campaigns, including a 24-16 mark in 1977 and a 25-13 record this spring, said the decision was tough for him to make, but was one that he couldn't afford to turn down.

"They (Manatees) made me an offer I couldn't refuse. There's more potential there than here because of the facilities,

the budget and the established tradition," Hill said. "I've got a chance in the near future to become the head coach there."

"I would not have left SFJC for any other position except the one at Manatee. Right now, SFJC is in a better position

Hill said that he has enjoyed his stay in Highlands County since coming to this area from Arlington, Va. Hill played his college baseball at George Washington University, Washington, D.C., and was signed by the old Washington Senators, now the Texas Rangers. He played at Burlington, N.C., in the Carolina League and Savannah in the Southern League before going into coaching. He was in line for the assistant baseball position at the University of Georgia when the SFJC coaching job came open.

"It has been an enjoyable experience for me at South Florida Junior College," Hill said. "I've had good cooperation from the administration in organizing our program, securing the players and providing a facility so that we were able to compete with anybody in the state. We've done very well against most of the top junior colleges in Florida."

The SFJC Panther program under Hill has produced four players who were drafted by Major League teams. Tom Anderson and Keith Hendry were signed by the Cleveland Indians, while Buddy DeWitt was drafted by Cleveland and Blaine McDonald by the Cincinnati Reds and the Chicago Cubs. DeWitt is currently playing baseball at Florida Tech in Orlando, while McDonald is playing for Florida State in Tallahassee. McDonald, a catcher, hit .419 during the

regular season and is up for All-American honors. He is a cinch to be drafted this June and may sign if the money's right.

Hill will be an assistant at Manatee under Coach Bob Wynn, who has 22 years of coaching experience behind him. Hill will work in the physical education department and will not have to teach night school. There is also a substantial pay raise involved.

"There have been lots of applications for the head baseball job here," Hill added. "They've narrowed the list down to four and will make a decision this week."

Some of those who have applied for the position are Pete Mulry, head baseball coach at Tampa Catholic; Chuck Anderson, assistant baseball coach at Florida Southern and a native of Avon Park; and Clay Gooch, head baseball coach at St. Cloud High School. Assistant baseball coaches at Duke, Mississippi State, Purdue and South Georgia have also expressed an interest and filed applications.

"I've enjoyed working with the kids here and watching the program develop. It's a good situation here for the new coach when he comes in. Next year's schedule is already lined up and we've got some good returning players," Hill concluded.

baseball-wise than a majority of the junior colleges around the state. SFJC has a good total baseball program here."

Bombing Range Open For Long Week-End

The Avon Park Recreational areas will be available for camping and recreation beginning at 8 p.m., Friday, May 26, and closing at 8 p.m., Monday May 29, 1978.

All personnel wishing to utilize the Air Force Recreational Areas will be required to check in and out with the Air Force Security Police located in Building 425, approximately 1/2 mile past the main entrance of the Range on State Road 64.

Coach Chet Brojek Wins 10,000 Meter Run

Chet Brojek, Avon Park High School track coach and president of the Central Florida Striders Runners Club, took top honors in a 10,000 meter run held last Saturday at the Avon Park High School. His time of 37:17 earned him top honors in the 25 - 39 age grouping.

Midville School Coach Joe Baker, also of the Central Florida Striders Runners Club, finished fourth over-all and second in the 25 - 39 age bracket with his 40:55 clocking.

William Peterson of Tampa took the eighth over-all finish ribbon and came in third in the 25 - 39 age group. Pep Hutchinson of Avon Park was fourth in the age bracket and ninth over-all in 46:52.

Young Harold Oehler took second place over-all honors with a time of 38:36 to win the 13 and under age bracket. Matt Butz finished second in that category with a 42:37 timing which was good for fifth over-all.

Dr. George Butz, Matt's dad, won the 40 and up age grouping and took third place over-all with a fine 40:40 timing. Tom Butz won the 14 - 17 age group with his 43:06 effort.

Dr. Joan Jonsting of Tampa won the women's division with a time of 34:17.

Chet Brojek

Young Patricia Oehler, ten years old, won the 13 and under age bracket with a 55:32 time.

The 18-24 age group winner was Alan Peterson with a timing of 47:38 for the 10,000 meter run.

Some 20 runners took part in the 6.2 mile (10,000 meters) distance run and in the one mile run for fun events. Craig Skipper and Jack Hutchinson finished one-two in the fun run.

"We had a good turnout for our race," commented Brojek. "We hope to see many more of our joggers getting into the action in the future. Our next race on June 10 will be a 2 1/2 mile run and there will also be another run for fun."

"We are planning on a monthly run throughout the year and locals interested in joining our Central Florida Strider Runners Club may contact me at school or at home (385-4736)," Brojek continued. "We have over 20 members in the club now and we want to be up to 30 by the fall running season."

THE AVON PARK MERCHANTS took third place in the Frostproof slow-pitch softball tournament held last week-end. The local team has won 18 of 20 games played in tournaments played this season

losing only to Turkey Creek Baptist two different games this week-end. Out front, from left, Bathey Wade Jackson and Charlie Polk (kneeling). From left, back row: Joe Baker, Billy Jackson, Ira

Pinecrest Golf Notes

Carl Utz, Tubby Dean, Jim Fann and Bob Young came up with a 17 plus total to win last Wednesday's Pro-Am at Pinecrest. Individual honors went to Charlie Polk in Class A, Ed Touchton, Sr., in B, Jim Fann in the C group and Lansen Money in the D section.

Coming Up: Watch next week's column for the first of a weekly series of "Tips to Improve your Game". At least Charlie Polk, Pinecrest Pro, has promised to have lesson No. 1 ready for print by that time.

Until then, here are some "Keys to Goldom" as noted in the ARMY SCHOLASTIC: (a) learn to control your shots, (b) learn to read the course, (c) master the art of putting, (d) stay out of water holes and hazards, (e) never give up. We wonder who would want to give up if he could do the first four.

Lena Wright, Markine Ostling and Pat Smith won the Ladies' Pro-Am on May 17 with a combined score of plus 10. Mariann King, Julia Johnson and Goldie Lee finished second with 4½ plus points.

Every Tuesday night is Couple's Scramble night at Pinecrest, with a covered dish supper following nine holes of play. In the May 16th scramble, the threesome of the Goolsbys, the Hughes and the Sarbeckers came in with the lowest total score to take first prize.

For the record, Jack Nicklaus leads all the world's golfers, both present and past, as the winner of Major Championships. Jack has won three U.S. Open Titles, has taken two British Open first place trophies, has four PGA wins and five victories in the Masters plus two U.S. Amateur titles for a total of sixteen.

The immortal Bobby Jones won thirteen major victories during his golfing career for second spot, while Walter Hagen, the third all time winner, had eleven major championships to his credit.

River Greens Golf Notes

Ed Rowell shot a net 66 to win first prize in the River Green's men's low net tournament last Saturday. It was the second straight Saturday win for Rowell who shot an identical 66 on May 13 to take low net honors.

Bob Baxter and Lowell Schmidt also had net scores of 66, but lost out in a match of the score cards with Baxter taking second spot and Schmidt coming in third.

Lowell Fluker won "closest to the pin" honors on hole No. 5. Harold Kline came closest to the score cards with hole No. 17, and Bob Baxter was the close man with his second shot on hole No. 11.

The ladies' weekly Pro-Am returned to River Greens last Thursday with the team of Doris Yanai, Georgia Brown, Marge Hostutler and Marge Holman firing a combined plus 7 total to take first place.

Three members of the winning foursome also walked off with individual prizes with Doris Yanai winning the A division, Georgia Brown the B prize, and Marge Hostutler finishing first among the C players. Norma Stocker, with a plus 3, was the winner in class D.

Speaking of women golfers, Mary Queen of Scots was one of golfers' first top notch ladies golfers way back in the sixteenth century. Golf history also notes that the first official golf tournament ever staged was held in Scotland in 1860.

The first golf course in America was built 91 years ago in 1887, and the initial big U.S. tournaments; the U.S. Open, the Men's Amateur, and the Women's Amateur were held for the first time in 1895.

Miles Morgan, Aaron Cravens, Jack Osborne and Russ Stevenson teamed together to win last Wednesday's weekly Pro-Am. Individual winners included A. P. Yanai with a plus 1 in the A division and Aaron Cravens with a plus 7 in the B group. P. D. Wells had a plus 5 for top spot in the C class, and W. Hackey won the D division with a plus 6.

Bea Hansel, back in action after a few weeks off, shot a net 68 to the Halley Penney for top place in the May 16 Ladies' Day tourney. Alida Willett and Marian Rouillier ended up with 70's to tie for second place.

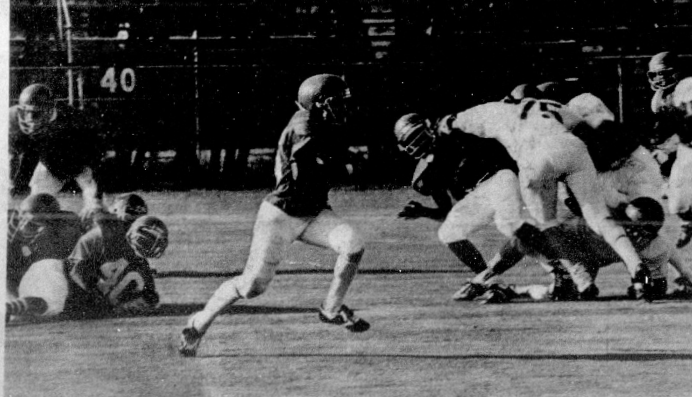

Following the 18 hole round, Adeline Proney challenged all the ladies present to beat her day's record-20 strokes on the 14th hole.

Next Sunday, men and women teams will be battling it out in a special Memorial Day week-end tourney. A potluck supper will follow the 18 hole Scotch Twosome event.

Beginning Tennis Classes To Start

The beginning tennis lessons will start June 12 and are offered by the Avon Park Recreation Department. The classes will meet Mondays and Thursdays for 5 weeks. The classes for the kids (9-14) will meet from 9:30 - 10:30 in the morning, while the adult classes will meet from 5:30 - 6:30 each afternoon.

Walt Reid, local pro and instructor for these groups lessons, will be assisted by Rec. Center Supervisor, Wayne Wilkens. The classes will be limited to 10 per class, so sign up now. The fee will be on \$10 per adult and \$5 for each child.

Pete DuPriest Shoots 153 In Open Qualifying

Pete DuPriest, 17 year old Avon Park golfing ace, shot a respectable 75-78 for a 153 total in first round qualifying play for the U.S. Open Championship at Sun City last Monday, but it wasn't quite good enough.

The cut-off score for second round qualifiers was 146, which also eliminated John DuPriest and Donald Sisemore, two other local golfers who were trying to earn a berth in the big tournament in Colorado in June. Sisemore had a 77-78 for a 155 total while John DuPriest ran into trouble and wound up with a thirty six hole score of 165.

There were 148 players entered in Monday's qualifying meet with the top sixteen — those with scores of 146 or lower — moving on to the next round to be played in Atlanta, Georgia. Jim Smith of Clearwater was low scorer with a four under par 140. The finals to determine the top golfer in the United States will be held at Englewood, Colorado on June 15-18.

Pete, whose score earned him 30th place, was satisfied with his first effort at big time golf and said, "It was a great experience, and I plan on trying again next year. Some of the 118 players I beat are rated among the top golfers in Florida so I can't complain."

Both Pete and John are entered in the Florida State Amateur tournament scheduled at West Palm Beach the first week in June, and Pete will also be hand to defend his Bagwell Youth tournament title at River Greens in mid-June. John, who won the Bagwell three years ago, has had too many birthdays to be eligible for this year's tourney.

John DuPriest Finishes Fourth At Sebring

John DuPriest, former Avon Park High golfer, fired a 69-72 - 141 at Harder Hall last week-end to take fourth place in the 18th annual Stephens Memorial tournament.

DuPriest's 3 under par total was three strokes off the winning score shot by Mike Estridge of Lakeland. Estridge and DuPriest were tied at 69 each after Saturday's first round. Bobby Barben of Avon Park, winner of last year's Stephens tourney, finished in seventh spot with a thirty-six hole total of 145.

Two other Avon Park golfers, Bud Wester and Lynn Lee, were entered in the championship division of the tournament which drew a record 200 golfers from all over the state. Ken Knox, one of Florida's top collegiate golfers from Tallahassee and Chip Neptune of Sebring tied for second place with scores of 139.

Women's Softball Play Starts Here June 3

The Avon Park Women's Slow-pitch Softball League will open the 1978 season on Saturday, June 3, with six games starting at 9 a.m. The twelve team league will play two games each Monday, Tuesday and Thursday nights starting June 12 through August 10 and will close out the season with six games on Saturday, August 12.

Avon Citrus Bank will play Jackie Beauty Shop in the season opener on June 3 at 9 a.m. At 11 a.m. Avon Park Kids will go against Jahn Concrete. Cox Plumbing will take on People's Choice at 1 p.m. Fox's Ladies will play Ridge Florist at 3 p.m. Gammage's Angels will go against Scotty's at 5 p.m. and

Highlands Cable TV will play Texgas at 7 p.m. on opening day. The remainder of the schedule will be printed in next week's Sun. Practice games are underway almost every evening at different fields around the city as the women and girls prepare for the season during which 66 games will be played. Each team will play 11 games, meeting all the other teams in the league one time.

Secretary-treasurer Bob Barker reminds managers and coaches that a roster and entry fee are due as soon as possible. A team may carry twenty players on the roster and two managers or coaches.

Swimming Lessons To Be Offered

The swimming lessons, sponsored by the Avon Park Recreation Department will begin June 19. These classes will be instructed by Margaret Collins, qualified Red Cross swimming instructor. The first session will be run from June 19-30, meeting Monday thru Friday for those two weeks. There will be classes scheduled from 1:00-4:00 p.m., each afternoon, to teach beginning, advanced beginning, and intermediate swimming.

There also will be a "Mother-Tot" class set up each session for those children under 3 years old, in which the parent will be asked to assist in the instruction.

There will be a height requirement for the regular classes that will limit those participating to be at least 40" tall, so that they may stand in the shallow end of the pool.

The fee for the entire course will be \$8, per student.

A second session will be scheduled for the two weeks starting July 5-15, meeting on weekdays plus Saturdays, in the morning hours.

Sign up now by calling the Recreation Department after 3 p.m., at 453-6881.

McCann Mets Grab Senior Lead With Win Over Cubs

The McCann & Son Ford Mets grabbed the early season lead in Avon Park Senior League action with a 6-2 win over Avon Citrus Bank Cubs to remain undefeated last week. The Mets were 2-0 going into a game against the Avon Paint & Body Braves last Tuesday night.

The Kopta and Bennett Reds won over Avon Paint & Body last week to move into a tie with Avon Citrus Bank for second place in the four team league. Both teams are now 1-1. Avon Paint & Body finished the week in fourth place with an 0-2 mark after losing the tight 4-1 game to the Reds.

Two hits off Avon Paint & Body hurler Jerry Jones last Tuesday night a week ago, but took advantage of seven Brave errors to score a 4-1 victory. Jones gave up a single to Darren Kopta in the second inning, and a home run to Dennis Barefield in the top of the seventh.

Ronnie Barnes pitched the entire seven innings for the winners giving up only three hits. Ricky Johnson went two for two at the plate for AP & B with a double and a single and Bart Murphy had a single in the sixth inning. Barnes struck out seven AP&B batters.

McCann & Son Ford - 6,
Avon Citrus Bank - 2.

Scoring five runs in the top of the fifth inning on singles by Ricky Derkman and Jim Marcum and a home run by Tim Cribb, the McCann Mets took a 6-2 win from Avon Citrus Bank in a five inning game last Tuesday night a week ago. The game was called after five innings due to the one hour, forty-five minute time limit rule.

Lady Angler Hooks Six Foot Gator In Lake

While fishing for bass in Lake Childs at Lake Placid, Mrs. A.D. Davis, Avon Park, received one of the surprises of her life.

She was using a black plastic worm when something big hit the bait. Thinking she has a big bass on the line, she socked the hook home with a healthy pull and handed the pole to her husband.

Davis in winding in the big fish was

equally surprised when a 5 or 6 foot alligator broke the surface of the water several times. Not wishing to tangle with an angry alligator in the boat they cut the line.

They did catch several small bass, weighing about 2 pounds each. The Davises go fishing whenever they can and wondered if anyone else had ever hooked an alligator.

teamed up to pitch the three-hit victory for the Mets. Marcum started and pitched three and a third innings giving up one run and two singles — both to Brave third baseman David Jackson. Derkman finished out the game and was credited with the mound win. He allowed one run on one hit — a home run over the right center field fence by lead-off batter Gerald Jones in the bottom of the last inning.

Jones and Dwayne Council did the pitching for the Bank nine. Jones hurled four full innings and faced five batters in the fifth before Council came on with no outs. The Mets got a total of five hits off the two Cub pitchers. Derkman had a double and a single and Marcum and Mike Shorkey had a single each to give with Cribb's home run over the left field fence.

There have five homers hit during the first four games of Senior League play this season. Gerald Jones has hit two round trippers and Alvin Conner, Dennis Barefield and Tim Cribb have all sent the ball over the fence once each.

Baseball Summer Camp Set For Age Group 9-15

A boy, a bat, a glove and a baseball! Nothing is more typical of summer — not even sunshine and afternoon showers! And baseball is the "Name of the Game" at Little League's Southern Regional Headquarters in St. Petersburg, Florida. Dr. Walter Bowman, Camp Director and Athletic Director at Covenant College in Lookout Mountain, Tennessee, reminds parents that if your son likes baseball, and he is in the age group 9 through 15 years, this is the place to be this summer. Enroll your son now for either of the three sessions starting June 18, July 2, or July 16. Write Little League Baseball, P.O. Box 1338, St. Petersburg, Florida 33731, or call St. Petersburg, 344-2961, for an application and full details of this Baseball Summer Camp.

All of the Safety standards, approved equipment and techniques which are known throughout the World as requirements in Little League Baseball are practiced and applied at this Camp. Each instructor and counselor is selected because of his knowledge and ability to work with the age group 9 through 15 years and 13 through 15 years. Although teaching and developing skills are emphasized, a basic goal is to assure that every camper has a happy and safe experience in a controlled and protected atmosphere. The Camp Site, at the Headquarters, is 656-56th Street South in St. Petersburg. Parents are invited to visit and inspect the facilities.

Avon Tire and Avon Citrus Bank both won two games last week to remain undefeated in Avon Park Little League play with perfect 6-0 records. All six other teams had played seven games at the end of last week, but the two leaders had a rained out game with each other to be made up.

Bagwell Lumber lost two games last week and Rotary won both of its games as those two teams moved to identical 4-3 records. The Lions split their two games to set a 3-4 mark. First Baptist also won one and lost one to go to a 2-5 record, and I.H. Ford and Kiwanis both lost two games each to remain in the league cellar with 1-6 records.

Tonight the Lions will play Rotary at Field I and First Baptist will take on I.H. Ford at Field II. Tomorrow night (Friday) it will be Bagwell vs Kiwanis at Field I and Avon Citrus Bank vs Avon Tire in the big tie breaker at Field II.

Next Monday night, May 29, Rotary will play Bank at Field I and I.H. Ford will take on Lions at Field II. Next Tuesday night it will be Kiwanis vs First Baptist at Field I and Avon Tire vs Bagwell at Field II.

Avon Tire-T, I.H. Ford-5.
The Avon Tire batters rapped out 17 hits off the I.H. Ford pitcher to win a 17-5 victory last Monday night a week ago. Avon Tire's Bryan Arnold and Bobby Lewis led the hitting attack with a double and two singles each.

Also hitting safely for the winners were Ben Johnston with three singles, Joey Crane with a double and a single, Duane Young and Vernon Simpson with two singles each, Tommy Johnson with a double and Chris Fortner with a single.

Duane Young held the I.H. Ford batters hitless although he put five batters on base with a walk or by hitting them with a pitched ball to give up five runs in the first inning. After that first frame, Young settled down and struck out 11 batters. The young hurler had fanned one in the first for a total of 12 strike outs in the six inning game.

Rotary took an 8-5 victory from Kiwanis last Monday night a week ago behind the six hit pitching of Blair Brooker and Dwight Hardy.

Stacy Pugh, with a double and a single, and Bruce Sapp with two singles led the Kiwanis batters at the plate. Geno Taylor and Lorenzo Johnson had a single each for the losing team.

The Rotary batters rapped out 8 hits off two Kiwanis pitchers. Blair Brooker and Tony Lewis both hit a double and a single. Cecil Perry had a double, and Dwight Hardy, Charles Collins and Emanuel Jackson had a single each for Rotary.

Lions-4, Bagwell-1.
The Lions jumped on Bagwell pitcher Fred Lewis for nine hits last Tuesday night a week ago to take a 4-1 win from the defending champions. Lions pitcher Lawrence Spry hit a triple, a double and a single to lead the winners at bat and also pitched a five hitter.

John Fields hit two doubles and Eric Wicks hit one double to aid the Lions cause. Willie Ervin, Irvin Harris and Bobby Barnes added a single each to the nine hit attack by the Lions.

Greg Jackson slammed out his fifth home run of the season in the fourth inning for Bagwell's only run of the game. Jackson also had a single, Fred Lewis hit a double and James Beck and Gary Barnhart hit a single each for the losers.

Avon Citrus Bank-11,
First Baptist-5.

The undefeated Avon Citrus Bank team clobbered First Baptist 11-5 last Tuesday night a week ago at the Bank batters connected for 11 hits off two different Baptist pitchers.

Tim Devlin had a triple, a double and a single. John Tolar hit a double and a single. Jimmy Bennett, Randy Wright and Doug Singletary had a double each; Ronnie Higginbotham had two singles and Michael Dozier hit a single for ACB.

First Baptist got only two hits off two Bank hurlers. Jon Marcum and Louis Burby managed a single each in the losing effort for Baptist. The five Baptist runs came on errors and walks.

Avon Citrus Bank-5,
Bagwell Lumber-2.

Avon Citrus Bank broke up a 3-2 tie in the bottom of the sixth inning last Thursday night to take a 3-2 win from Bagwell Lumber. John Tolar drove in Jimmy Bennett, who had walked, with a double to end the close game.

Doug Singletary, Bank leftfielder, had hit a home run over the left field fence in the third inning and Michael Dozier had singled and scored on Tim Devlin's double in the fourth inning for Bank.

Bagwell scored a run in the first inning when Fred Lewis singled and came in on Greg Jackson's single. The second Bagwell run came in the top of the sixth

frame when Jackson doubled and scored on a double by Robert Dauback.

Bagwell rapped out eight hits off winning pitcher Tim Devlin. Jackson had a double and two singles, Thomas Gordon had a double and one single, Dauback had a double and Fred Lewis and James Beck hit a single each.

Avon Citrus Bank scored its three runs on just five hits off losing hurler Greg Jackson. Singletary had the homerun, John Tolar and Tim Devlin hit a double each and Michael Dozier and Ronnie Higginbotham had a single apiece for the winners.

First Baptist-4, Lions-4.

Last Friday night the Baptist team took an 8-4 win from the Lions. The Baptist batters got seven hits off Lions pitcher Bobby Barnes. James Benjamin had a triple, Steve Burby and Jon Marcum hit two singles each, and Andy Horneck and Kenneth Barefield had a single apiece for the winners.

The Lions batters managed four hits off winning pitcher Jon Marcum. Barnes had a double and Willie Ervin, Lawrence Spry and Terrence James added a single each.

Rotary-19, I.H. Ford-5.

Last Saturday morning, making up a game rained out on Thursday night, Rotary whammed I.H. Ford 19-5 behind the one hit pitching of Dwight Hardy and Charles Collins. Ken Warner got the lone Ford hit off the two pitchers.

Rotary got only four hits but took advantage of 15 free throws to first base to score the 19 runs. Dwight Hardy, Blair Brooker, Charles Collins and Emanuel Jackson all hit one single for the winners.

Avon Tire-7, Kiwanis-6.

In another make-up game last Saturday morning, Avon Tire defeated Kiwanis in a close game by a score of 7-6. Avon Tire rapped out eight hits to take the win.

Bryan Arnold, with a triple and a double, led the Avon Tire batters. Tommy Johnson contributed a double and a single and Duane Young, Bobby Lewis, Vernon Simpson and Ben Johnston all hit a single during the tight game.

Kiwanis managed three hits off Avon Tire. Stacy Pugh hit a triple in the third inning. Gene Taylor had a single in the fourth frame and Bruce Sapp hit a single in the sixth inning.

Firecracker 400 Will Have Record \$186,825 Purse

The stars of NASCAR Winston Cup Grand National stock car racing will begin the second half of their 1978 season by racing for a record purse of \$186,825 in the July 4th Firecracker 400 at Daytona International Speedway.

For Richard Petty fans, this year's running of the Firecracker 400 will have a special significance. "King Richard" will be returning with the STP Dodge Team to the scene of his last victory - the 1977 Firecracker 400.

While there are five Winston Cup races Petty will have a chance to win

before Daytona event, he currently is suffering from one of the longest droughts in an otherwise outstanding career.

But, when Petty returns to Daytona for the July 4th Firecracker 400, the odds will be in his favor. Petty is the leading money winner at Daytona Speedway with over \$353,290 in earnings. He has also won more races at Daytona than any other driver, scoring a total of seven wins with two wins coming in the Firecracker event.

In addition to Petty seeking his third

win in the Firecracker 400, David Pearson will be after his fifth win in the July 4th race while defending Winston Cup Champion, Cale Yarborough, will be trying for his fourth win in the Independence Day Classic.

Included in the list of drivers who have never scored a win in the Firecracker 400 are Bobby Baker, who has never won at Daytona, Darrell Waltrip, who is also a driver who has yet to visit Daytona's victory lane and Benny Parsons, who won the 1975 Daytona 500 but has yet to win the July race at the same track.

The first test for the Winston Cup drivers as they return to Daytona International Speedway will come July 2 with Pole Position. Qualifying for the Firecracker 400. On that same day, the International Motor Sports Association Racing Stock sedan drivers will battle for six hours over the 3.84-mile road course in the Pepsi Six Hours.

Also a part of the Independence Day celebration at Daytona Speedway will be the 12th Annual Paul Revere 250 for IMSA Camel GT cars at midnight on the night of July 3.

Eight Teams Participate In Church Softball League

The Avon Park Church Softball League kicked off its '78 season May 15, with eight teams participating. The teams play each Monday, Tuesday, and Thursday evenings at 6:30 and 8:00.

The league had three organizational meetings prior to the opening of the season. In the last meeting a new slate of officers were elected. This year's President is Raymond Hall from the First Baptist-Red; the vice-president is Pop Hutchinson from the Episcopal, and the Secretary-Treasurer is Dennis Guenther.

The eight teams involved in the league are: First Baptist-Red, First Baptist-Blue, Episcopal, Church of Nazarene, Fellowship Baptist, Church of Christ, Florida Ave. Baptist and the Seventh Day Adventist.

This fourth season of the Church league and the participation and the enjoyment of the players seems to increase each year. In the organizational meeting this year, those attending voted to initiate a 10-year plaque, retroactive to include all winners and runners up since the beginning of the league. This will be used instead of the regular trophies. A 10-year plaque will also be used for the post-season tournaments. This year another change, which was voted in, was the inclusion of all eight teams in the post season tourney, instead of the usual top four finishers of the season.

The results of the first week of play is as follows: On Monday evening, first game, it was the Nazarene's dropping the Fla. Ave. Baptist team by the score of 17-4. In the second game of the night, the Episcopal barely squeezed a win out over a Good First Baptist-Red squad, 12-11.

The Tuesday's games were both decided by the 12 run-five inning rule. In the first contest, the Seventh Day Adventist romped over the Fellowship Baptist team. Also, in five innings, the First Baptist-blue team ran up that 12 run margin against the Church of Christ, with a boost of two home runs by Dick Peavy. Thursday's games were rained out.

This week's games had on Monday the Nazarene's up against the First Baptist Red in the early game and the Seventh Day Adventist taking on the other First Baptist Team, the Blue at 8:00. Tuesday the schedule had the Nazarene's playing Fellowship Baptist and in the second game, Fla. Ave. Baptist hosted a game

against the Church of Christ. Tonight (Thursday) the First Baptist-Blue will go up against the Episcopal and in the late game, the Seventh Day Adventist will challenge the First Baptist-Red. The public is welcome to come out and support their favorite team.

ROUNDING THIRD BASE after hitting a homerun is Avon Park Merchant second baseman Hoppy Rewis. He is being congratulated by third base coach Sam Elder during a game between the Avon Park team and the Turkey Creek

Baptist team last Saturday night in a Freestood slow-pitch tournament. The Turkey Creek team won by a score of 16-15 and went on to win the tourney on Sunday. Sunphoto by Lew Miller

Recreation Department To Hold Open House

The Avon Park Recreation Department will have an "Open House" June 19 from 7:30 - 9 a.m., to show the public their new facilities at the Center. New facilities now completed is the Weight and Exercise Room located directly behind the main Center building. It is equipped with exercise and weight equipment for use by women, children and men.

Presently there is a women's aerobics class that meets each Tuesday and Thursday evening. The weight-training course has just completed its second session and should start another June 13. Olympic weight set, free weights, Universal Weight machine, exercise bicycle and waist trimmers are among some of the equipment available for use

in that facility.

The other project that the department has recently completed, is the new gym floor in the upstairs area of the Center. That also, will be open for the inspection of the public the same evening. Federal Revenue sharing Funds and funds from the now defunct "youth Association" made it possible for these facilities to be added to the Center.

The public is invited to attend this open house to better acquaint themselves with the programs and facilities the city has to offer. Refreshments will be served.

Ask About Alcohol

This Column is produced jointly by the County Alcohol Rehabilitative Services and the Florida Alcoholism Treatment Center. To have your personal questions answered, address your letter to: Ask About Alcohol, 1033 West Pine Street, Avon Park, FL 33825.

Question: Why is it that some people can have two or three drinks and not want any more, while others have to keep on drinking until they get loaded?

Answer: If we knew the complete answer to that riddle, we could prevent or cure most cases of alcohol abuse. There are some partial answers, or at least educated guesses, as to the reasons why certain people have trouble controlling their alcohol intake.

One theory is that people with certain kinds of psychological inhibitions, that is who have been conditioned to hold back their feelings and urges in a strict or unreasonable way, experience a very pleasurable sense of release through the actions of the drug ethanol. It is this relaxation of inhibitions after two or three drinks that makes them feel "high" and contributes to their desire to feel even better or to keep the good feeling going by drinking more. The alcohol also affects their judgement regarding how many drinks they need they very easily drink more than they can handle and become intoxicated.

Another theory is that some people experience feelings of being powerful and in control of things, a false sense of competence and well-being, after getting high on alcohol, and of course they want to keep it going and hang on to these feelings as long as they can. They are particularly susceptible to become alcohol dependent.

New License Tags Will Be Delayed

According to Jimmy Whitehouse, Supervisor of Elections and Tag Agent for Highlands County, it has been customary since the 1920's to change the colors of license plates every year. But, when the decal was issued in 1975, the orange and white tag continued to be used.

When the state legislature decided to change to the nationalized alphanumeric system, it also decided it was time to change colors.

As a result, the green and white tags were issued in June of 1977.

The new alphanumeric system will enable more tags to be issued. By using the alphabet on the tags, as well as numerals, the possible combinations are greatly expanded.

The number of letters and numerals used determines the classification of the vehicle.

Between The Book Ends

A new edition of one of the federal government's most popular publications, "Your Child from One to Six," has been printed and is available at no cost through Sen. Lawton Chiles.

The new 92-page booklet offers practical advice on feeding, sleep, discipline, accidents, social and emotional growth. It discusses the capabilities of children from one to six at each stage of their development.

The booklet is designed to help parents understand and participate constructively in a variety of child-rearing matters by explaining both

why children act as they do and the wide individual differences in behavior among children. The publication is issued by the Department of Health, Education and Welfare's Children's Bureau. It was first issued in 1918 and has been revised six times.

Florida's may receive "Your Child from One to Six" at no cost by writing Sen. Lawton Chiles, Federal Building, Lakeland, Fla. 33801. Free copies are also available from the Administration for Children, Youth and Families, Box 1182, Washington, D.C. 20013.

Combat Squadron To Participate In Exercise

Nearly forty - nine members of the 56 Combat Support Squadron Electronic Warfare Branch stationed at the nearby Avon Park Bombing Range will be participating in the annual U.S. Atlantic Command exercise Solid Shield 78 near Jacksonville, N.C. this month. These men will be part of the Tactical Air Command (TAC) total of approximately 2,300 people and 69 aircraft in the exercise, which will emphasize command and control of military forces in a simulated combat environment. More than 28,000 men and women representing the Army, Navy, Marine Corps, and Air

Force will participate in the exercise. Training operations will take place on the Camp Lejeune military reservation, the adjoining North Carolina counties, at sea in the Atlantic, and on the Fort Stewart military reservation.

The exercise scenario, simulating military action between two opposing forces, will include an amphibious and airborne assault, naval blockade operations, a personnel evacuation and tactical air operations in support of ground forces.

Focus On Art

Highlands County Local Artist Exhibit

The first Highlands County "local artist" Sidewalk Sale was held on Saturday, May 20, in front of the J.C. Penney, Inc., building at Avon Square Shopping Center. This event was sponsored by the local Penney's store in cooperation with the Highlands Art League.

The entries were for Highlands County artist only, and limited to original paintings, drawings, graphics in all media, sculpture, and photography. Original creative crafts were limited to woodcarving and hand-built or

wheelthrown pottery.

First place ribbon went to Aronette Schneck of Sebring, for her beautiful oil painting. Gene Brenner took the second place ribbon for a well designed pottery bowl that he had made. Henry Kost, of Sebring took home the third place prize for a ceramic article that he had fashioned. There were four awards for merit with Norma Reiley of Avon Park winning one for her painting of the Grandstand on the Mall; Rhoda Kost, of

Sebring for a painting; Doris Kessel of Sebring, a painting, and Dorothy Page, also of Sebring, for a painting.

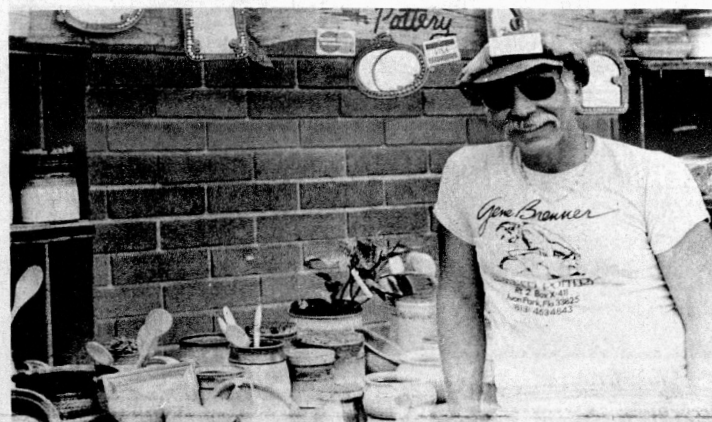

Mae Janovick President of Highlands Art League, stated that they hope to hold another show in the following years and perhaps expand it. She went on to say that everyone was intrigued with the art show.

Mae said the exhibitors wish to extend their thanks to Earl Jackson, manager of J.C. Penney's for the hospitality that he gave them during the art show.

ARONETTE SCHNECH of Sebring took top honors in the first Highlands County

'local artist' Sidewalk Sale, Saturday, May 20, at Avon Square Shopping Center.

GENE BRENNER is not a new figure to the people of Avon Park. Last fall he won an award at the Sebring Art Festival and

has displayed his pottery at art shows throughout the state. He is photographed

here with his display at the Highlands County 'local artist' Sidewalk Sale.

HENRY KOST won third place for his ceramic article. Henry not only works with ceramics but he also paints. It is a family affair for him and his wife,

Rhonda, as they work together on their projects. They both paint and work with ceramics. Rhonda won a merit award for a painting she displayed.

South Florida Junior College

Dean Tallents, Drawing I class at South Florida Junior College recently exhibited their works in the art building at the college.

The class met each Thursday evening for a three hour session with each student being able to work on whatever they did best, "as long as it was of quality" said Dean. They generally worked in pencil, however, some do progress into acrylics and chalk.

The students are taught things such as line quality and when to use them, principles of tone and shading, contrast of colors, highlights, balance, prospectiveness and focal point.

"Everyone starts as a beginner and I take them as far as they are willing to go," Tallent said.

Several times during the semester the students would critique each other's work and compare the drawing with the original picture, pinpointing the good and bad points of the drawing. At the end of the semester each student critiqued his

or her own drawings, discussed their personal acknowledgements, their problems with their art work and how they overcame them and told of their personal accomplishments and self-satisfaction with their drawings.

The students are instructed not only on how to draw, but how to crop a picture, and to present their drawings and talk about it as well, stated Dean.

The students seem generally surprised at their own capabilities but after they listen and try it, in just one semester, the results are surprising, commented Dean.

Not only does he teach beginning drawing, but Dean also teaches Advanced Drawing, Ceramics, beginners and advanced Design, Art History and in the fall semester a new class will open up — photography.

Next semester, the new fine arts complex will be completed and the facilities which will be opened to them will greatly enhance the art department.

ROBERT PIERCE III of Marianna, copied a German war poster which was done between 1914-1917. He used acrylics with India ink reinforcement.

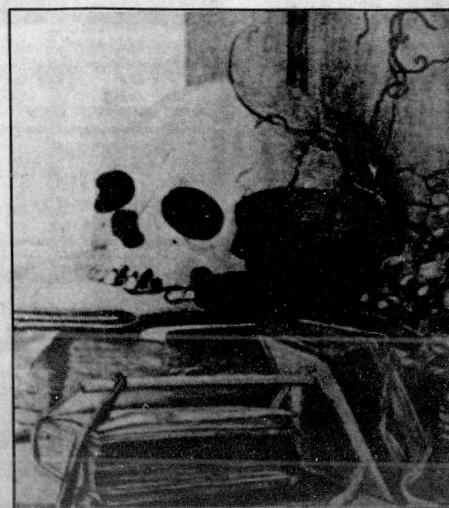

AUSTIN HASLOR of Sebring and a member of the Sebring Police Department drew the above picture. During one

of the classes critique session it was chosen as the best at that time.

JOHN SEDLOCK of Vienna, Va., drew the above 1939 Lincoln automobile from a photograph. He plans to give the

drawing to his parents as an anniversary present.

IDA DORMAN of Lake Placid drew the picture above using charcoal. This

picture was chosen by the students to be the best drawing in the class.

AUSTIN HASLOR of Sebring, drew the above picture, and displayed it at the art

gallery at South Fla. Jr. College, recently.

The beginners drawing class at SFJC is open to students of all ages, stated Dean, as long as they are willing to work.

Avon Mobile Home Park News

Mr. and Mrs. Joseph Bacon are happily entertaining Susie's nephew and wife, Mr. and Mrs. Wayne Doolittle and son Gary Doolittle with wife Kathy and daughter Emily who

is an adorable two year old, anxious to see "Mickey Mouse" at Disneyworld. They are all from Terre Haute, Ind. Irene and Sponsor Limbaugh are settled back in the "North Country." They had one nice day the day of arrival, but rainy and cold ever since. We hope it is much better for them NOW. Everything was in

good shape with the forsythia in bloom. Most of the trees are still dormant. Mr. and Mrs. Virgil Weldy surprised us with a letter and they celebrated their 45th wedding Anniversary on Sunday, May 14. In honor of the event they enjoyed an anniversary dinner with their family and friends at the

Winona Lake Hotel in Winona Lake, Ind. It was a cool rainy day, so unlike the day of their wedding, when it was warm and sunny with lilacs in full bloom, this year they are just starting, but the tulips are in full bloom. (their flowers down here are still blooming, too!) May 14 was also Mother's Day and their five month old

granddaughter, five months was dedicated during their morning church service. (We met Kirsten in Feb. with her daddy, Virgil, mother Lana and brother Scott.) Attending the service was Lana's parents and grandparents from LaPorte, Indiana. Weld's older daughter, Marilyn, church organist for 20 years, played

the offertory number, Fragment from An Etude by Chopin and dedicated it to her parents. There were 21 folks went to the Winona Lake Hotel for dinner where they had reservations, then to their cottage to visit the partake of a surprise cake baked by their you get granddaughter, Susan; and decorated in their honor

with "Happy 45th Anniversary" on it. Pictures were taken before departing for home. Attendance at their church on Mother's day was 433! That is a record - or would be down here, now. Mrs. Hazel Weldy said their Women's Missionary Society presented a friendship quilt to their pastor and wife, with

each member embroidering a block and helping to quilt, too! They are very busy helping with so many projects, such as the church Retirement home in Elkhart, Ind. one day a week. Keep the news coming south, if you want to know what your neighbors and friends are doing, we enjoy hearing from you, too.

Rotarians Attend

Convention

Three members of the Avon Park Rotary Club, Ernest Kohler, Art Turner and Phil Weber were among the more than 40,000 Rotarians and their guests from nearly 100 countries who attended the 69th convention of Rotary International, held May 14-18 in Tokyo, Japan.

Weber, the incoming president of the Avon Park Rotary Club, was accompanied to the convention by his wife Nancy. Turner, outgoing president was accompanied by his wife Marva, with Anna Kohler attending the international convention with her husband Ernest.

The convention theme - SERVE TO UNITE MANKIND - was highlighted by Dr. Edwin O. Reischauer, Harvard University scholar of Far Eastern Affairs and former U.S. ambassador to Japan. Dr. Reischauer focused on Rotary's worldwide role in improving international cooperation and building a sense of world community.

Dr. James Hester, Rector of the United Nations University, spoke on the university's work in cooperating study of pressing global problems of human survival, development and welfare. Dr. Robert A. Hingson, director of the Brother's Brother Foundation, stressed the worldwide need for immunization programs to eradicate major infectious diseases.

Rotary's concern for effective employer - employee relations, was expressed by Rotarian, Nagakazu Shimizu, president of Bell & Howell Japan, Ltd. The value of the multi-million dollar Rotary Foundation educational programs in building international understanding and goodwill was emphasized by Foundation Trustees Chairman William C. Carter, of England.

Future conventions of Rotary International will be held in Rome, Italy, in 1979, and Chicago, Illinois, U.S.A., in 1980.

The Avon Park Sun, May 25, 1978 3C

By Margie Wells
The coffee hour last week turned out to be a big birthday party for Ellen Hunt and Dan Bohland. The hostesses, Rozzie Parkhurst and Ellen Reichenbaugh, had baked two birthday cakes which everyone enjoyed. It was really a fun time and everyone was sorry to see our coffee hours end for the summer. We would like to

thank Rozzie and Ellen for being the hostesses for the past few weeks and keeping the coffee hour going for this length of time.
It was announced at the coffee hour that Dessie Jones had surgery and came through the operation in fine condition. Ellen Hunt had talked with Sally and Steve Bohaychuk and they told her Dessie was in

good spirits. All of us are wishing the very best for you, Dessie! If you would like to send her a card, the address is P.O. Box 93, Malvern, Ohio 44644.
We would like to extend our sincere sympathy to Helen Worster who received word this past week that her brother had died.
Ellen and Lawrence

Reichenbaugh had a very enjoyable week-end with Margie's brother and sister-in-law, Leonard and Betty Harsh. While there, they attended the wedding of Margie's niece, Linda, which was held at the home of Len and Betty Harsh. Thelma Miller had a bit of bad luck on her recent trip to Fort Lauderdale when her beach bag was stolen while she

was swimming in the ocean. The worst part was that her glasses were in the bag and she has had to wear a pair of old glasses until new ones can be made.
Sunday night was a beautiful night with a full moon which brought a lot of us out for a walk, and Ellen Hunt and Verda Miller were huffing and puffing as they rode their

bicycles around the park.
All of the summer residents would like to thank the police of Avon Park for their daytime

and night-time patrols of our park. It makes us all feel more secure to know that they are doing such a good job.
Larrew, Henry Barnette, Clay kull, George Geisler and Ernest Thomas.
May 17, the game was rained out.

We hope everyone will have an enjoyable holiday on Memorial Day. If you are driving, please drive safely!
Bridge
Tuesday, May 16, First place went to Ada Johnson with 4920. Second was Maurice Brevoort with 3820.
Thursday, May 18, two tables played. First was Bertha Brush with Maurice Brevoort taking second.
Pinochle
May 12, three tables played pinochle. First was Sheila Wurster with 854 and second was Mazie Sarnes with 693.
Foster and Mary Joliff send a "Hello" to all their Florida friends. Mary writes that Ohio is still having very poor weather. Rain and more of the same! She says they are still looking for a day of sunshine.

Update On Labor Force

Men 45 years and older have left the labor force in large numbers during the last 15 years, according to the Conference Board, independent business and consumer research organization. The trend seems likely to continue but at a much slower pace, stated the Conference Board. Currently, men 45 and over make up only one-third of the male civilian labor market, down from nearly 40 percent 10 years ago. By 1990 they are expected to comprise only 30 percent of the work force.
Legislative, economic and social changes appear to be causing the voluntary and involuntary retirement boom. A major factor is the 1961 change in Social Security laws, which permits men between 62 and 64 to retire with reduced benefits.
Liberalization of Social Security retirement benefits also has contributed to the trend. In 1960 the average monthly payment for male beneficiaries 65 and over was \$32; in 1976 it was \$292.
While the working life-time for men has been declining, it has been increasing for women. Generally high levels of business activity, rapid growth in sectors that have traditionally employed large numbers of women, the influence of the women's movement, and legislation forbidding sex discrimination in employment all have contributed to rising female employment.

PRACTICAL NURSING STUDENTS studying their patients' charts are left to right: Beverly Minott, Ralph Snyder and Patricia Johns of St. Johns River State College.

St. Johns Students Learn Skills

The second group of practical nursing students from South Florida Junior College began their rotation at Lakeland General Hospital (LGH) last week to gain skills and first hand experience in the fields of obstetrics and pediatrics.

Pets Visit

Nursing Home

Residents of Hillcrest Nursing Home were favored with special guests the morning of May 19. While they were delighted to see friends who had never come to visit them before, these friends were pets of young people who live near Hillcrest.

Those that came were three horses and a pony with Marlene Prado, Shell Brice, Crystal Geldart and Miriah and Mica Brenner. Judy Prettyman had a pet raccoon who played in the water and climbed a tree. The rest of the pets mingled with residents so they could touch and talk together. Patti Wyckoff and Kimberly Geldart brought a hamster each. Joy McCallan had her calico cat while Brenda Ewing showed her kittens who, by the way, are looking for a new home. Diane Palagrove brought a baby bird that she and her family have been nursing and feeding until it is old enough to be set free. She also brought her "Palmation" puppy. Shelby Hughes had a Chihuahua dog with her.

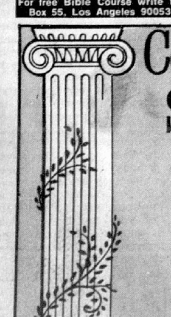

The nursing home wish to thank Carol Palagrove and Ruth Geldart for assisting in the pet show visitation and everyone else who helped.

During this rotation the students will become a part of the miracle of birth. They will learn to recognize threatening situations for mothers and babies and care for these new families under the guidance of experienced nurses. Here they will also gain experience in the care of sick and injured children.

The students new at LGH are Ralph Snyder, Doris Cloud, Diane Shannon, Rick Bell, Beverly Minott, Patricia Johns, Mamen Hulen, Patty Holtzclaw and Ruth Rakowski, all of Avon Park. Blondell Kline, Helen So and Cathy Kurple are from Lake Placid. They were accompanied by Clinical Instructor, Martha Scott of Avon Park.

Highlands County Band Completes First Season

The Highlands County Band has completed a very successful first season having made eight public appearances in the Sebring and Avon Park areas. The Band, under the direction of Fred Pearce who has resumed rehearsals in September.

Formed from a nucleus of six players in the fall of 1977, the group has increased to its present membership of eighteen. It is hoped that the new season will see further growth.

Dale Wells Completes Course At Ft. Benning

Cpl. Dale R. Wells, son of Willie T. Wells, Avon Park, recently completed the Ranger course at the U.S. Army Infantry School, Fort Benning, Ga.

The course is designed to develop leadership skills of selected officers and enlisted personnel by requiring them to perform effectively in a realistic tactical environment, under mental and physical stress approaching that found in combat. It provides the student with practical experience in the application of tactics and techniques of Ranger operations in rolling, wooded, mountainous and jungle-swamp environments.

Wells entered the Army in February 1976. The corporal is a 1974 graduate of Plato (Mo.) High School.

Parrish Elected To Phi Kappa Phi

Odean Bishop Parrish, of Avon Park was among approximately 150 seniors and 18 juniors to be elected to membership in the Honor Society of Phi Kappa Phi for the 1977-78 term on the University of Houston Central Campus.

The seniors, scholastically in the upper 10 per cent of their class, and the juniors, scholastically in the upper five per cent of their class, represent all disciplines at the University.

Congratulations, Odean Parrish.

FLOWERS PROVIDE A YEARLY PROOF OF GOD'S LOVE

In May, by bringing forth the flowers, God adorns this land of ours; When each species beautifies With fragrance, color, shape and size The earth on mountainsides or plains In floral grandeur, fed by rains. Where petals, brilliant-hued, abound On bushes, trees and on the ground. In any Church you may attend, This beauty helps you comprehend The springtime lesson it will give: God loves this world in which we live!

"I am the rose of Sharon and the lily of the valleys."
—Song of Solomon 11:1

He called the flowers, so blue and golden, Stars that in earth's firmament do shine.
—Henry Wadsworth Longfellow

plied to satisfy the debt of
Burton Mausoleum, Inc., and
applied in the following order:
(a) The reasonable expenses
of retaking/holding, preparing
for sale, selling and the like
in the agreement and not
prohibited by law; the
reasonable attorneys' fees and
legal expenses incurred by the
secured party.
(b) The satisfaction of in-
debtedness secured by the
security interest under which
the disposition is made.
(c) The satisfaction of in-
debtedness secured by any
subordinate security interest
in the collateral. I written
notification of demand therefor
is received before distribution
of the proceeds is completed. If
requested by the secured party,
the holder of a subordinate
security interest must
seasonably furnish reasonable
proof of his interest, and unless
he does so, the secured party
need not comply with his
demand.
The secured party shall have
the right to bid any or all of
the indebtedness owed.

APCI Employees Complete Program

The Department of Offender
Rehabilitation has announced
that Avon Park Correctional
Institution employees Richard
E. Davis, Jr., Gary E. French,
Patrick J. Roichford and
Timothy C. Wynn recently
participated in the Correctional
Training Institute at
Raiford, Florida.

This is the twenty-ninth CTI
group to enroll in the minimum
standards curricula, which is
required by law. The Training
Institute program is taught in
conjunction with Lake City
Community College, and the
graduates earn nine semester
credits for successfully
completing the full time, 160
hour course.

The program includes in-
struction in the Criminal
Justice System, Legal Aspects
of Corrections, Operational
Procedures, Principles of
Supervision, Human Relations
and Technical Training Skills,
which include Firearms, First
Aid and Fire Fighting
Techniques.

The Correctional Training
Institute was certified by the
Florida Correctional Standard
Council (CSC) in May, 1976,
as a training center for cor-
rectional personnel. The Council
was empowered by the
Legislature in 1974 to establish

minimum standards for the
certification of correctional
officers and training centers.
The curriculum of training is
designed to intensify the ex-
posure of the officer and to
develop him professionally. It
is anticipated that the training
program will help materialize
the promise of a modern
correctional system.

The participants will con-
tinue their training with an
additional 160 hours taught by
regional instructors, on an in-
service basis, at the various
correctional facilities located
throughout Florida.

1/2 cup butter or margarine, divided
3 tablespoons flour
1 1/2 cup milk
1 cup shredded sharp Cheddar cheese
1 cup diced cooked ham
2 cups cooked sliced potatoes, divided
1 tablespoon chopped parsley

In large saucepan over medium heat, melt 3 tablespoons butter; stir in flour until smooth. Gradually add milk and cook, stirring constantly, until mixture thickens and bubbles. Add cheese; cook, stirring until cheese melts. Gently stir in ham and 1 cup potatoes. Pour into casserole dish. Arrange remaining potato slices on top. Melt remaining butter or margarine; brush on potatoes. Sprinkle with parsley. Bake in hot oven, 400 degrees for about 20 minutes until casserole is hot and bubbly. Makes 4 servings

Food For Thought

Jenny Lind Olm of Lakeland, instructor in fine cuisine, would be the first to admit that commercially frozen dinners fail to actualize an epicure's dream of a memorable meal. But their lack of appeal to the choosy, she agrees, is compensated to a great degree by their convenience. They suit a good many Floridians — the retired people and students who live alone, for example, and those householders who wearily must hurry home from eight hours at a job to prepare food for themselves and others.

In the interests of improving the taste and cutting the cost of frozen dinners, Jenny suggests they be made up at home, and without an exorbitant expenditure of time. She brought a popular dinner containing two frozen Salisbury steaks with onion gravy, peas and carrots, deep-fat-fried balls of shredded potatoes and apple cobbler. She weighed the portions and then duplicated eight dinners containing approximately the same ingredients.

The manufactured dinner cost \$1.55, her version of the same thing 71 cents, exclusive of packing. Preparation took between an hour and a half and two hours. Admittedly, Jenny works with the speed of an expert in the kitchen. To match her pace, the less skilled would do well to reach through her recipes carefully, assemble all materials in advance and work out an organized plan of attack.

For packaging, Jenny used aluminum foil for single portions of all foods except the apple cobbler. She put that dessert into individual heat-proof dishes (the kind familiar for custard), then covered it with foil after freezing it. Before heating the meals for service — in a preheated 400-degree oven for 40 minutes — she loosened the foil around the meat and around the peas-and-carrots, and completely uncovered the potato balls and the cobbler. That procedure followed the label directions on the commercial dinner she has copied.

What kind of foil — regular or freezer? For short storage in a freezer of less than a month, Jenny thinks regular foil is sufficient. But for a longer period, she advised the costlier, heavy duty freezer type, which is 50 percent heavier than the standard weight. The so-called durgstore wrap, she emphasized, excludes air and moisture. She detailed it as follows:

Place the food — the two Salisbury-steak patties, for example — in the center of a sheet of foil large enough to permit folding at top and sides. Bring the two sides together above the food, and fold down in a series of locked folds until foil is tight against the product. Then press out air toward ends, and fold short ends up and over, continuing to press out the air before crimping ends tightly.

The chart accompanying this column shows the weights of the foods used in the commercially frozen dinner, and breaks down the costs of duplicating it at home in terms of eight portions. You could save Jenny's costs slightly were you to substitute a cheaper quality of ground beef, a cheaper bread and nonfat dry milk reconstituted with water for whole fluid milk.

Jenny's recipes follow:

SALISBURY STEAKS

These are modeled on Danish meatballs. Two furnish approximately the same weight as the two in the commercially frozen Salisbury steak dinner used in the cost comparison.

Heat source to slightly less than the desired degree of doneness. Turn once and baste often with the two tablespoons each of margarine and shortening, melted.

5. Cool slightly and spoon gravy over patties. Package in foil in single portions, 2 patties to a portion. Freeze.

Yield: 8 of portions of 2

GRAVY

3 tablespoons cornstarch
1 (10½-ounce) can consommé, undiluted
Onion slices reserved from steak recipe
Dash Worcestershire sauce

1. Combine the cornstarch with ¼ cup of the consommé; stir until smooth. Add, stirring,

to the remainder of the consommé. Heat, stirring, to a simmer; simmer a minute.

2. Add onion slices and Worcestershire; heat through.

Yield: 1½ cups gravy.

APPLE CAKE COBBLER

Fruit:
1 (20-ounce) can apple slices
¼ cup sugar
2 tablespoons cornstarch

½ teaspoon cinnamon
2 teaspoons lemon juice
1 tablespoon margarine

1. Drain apples. To liquid add enough water or apple juice to make ¼ cup. Mix this liquid with the sugar, cornstarch and cinnamon.

2. Cook mixture over medium heat, stirring, until it simmers. Add apples and

lemon juice. Simmer one minute, stirring constantly.

3. Remove from the heat and stir in the margarine. Divide among 8 individual heatproof dishes.

Batter:
1 (9-ounce) package yellow cake mix
1 egg
¼ cup water

1. Using the egg and water, make up the mix according to label directions.

2. Spoon 3 tablespoons over each of the 8 dishes, leaving a hole in the center for a vent. Freeze, then package in foil.

3. Make up the remaining batter into four or five cupcakes and bake according to label directions.

Yield: 8 cobblers and 4 to 5 cupcakes.

To heat dinners, preheat oven to 400 degrees. Arrange packages of meat, peas and carrots, potatoes and cobbler on a baking sheet. Loosen foil around meat and peas and carrots. Uncover potatoes and cobbler. Bake 40 minutes.
