Prof. Rice To Sever Connections With Lake Placid School

Professor J. S. Rice, supervising principal of the Lake Placid schools for the past four years, announces his connection with the schools will end with the closing of the school term in May. Professor Rice has rendered valuable assistance in building up the school since he has been in charge. One of his ambitions for the school soon after coming here was to have a splendid high school band and this dream has in a measure been realized. The band has been organized now for more than two years with Professor P. T. Gustat of Sebring as director and the band under his leadership has given to the public and to the school many concerts that were appreciated.

The school under Professor Rice has been standardized and meets the requirements for both a junior and a senior high school and due credit must be given him for his loyalty and faithfulness in maintaining a high standard in attendance, department and work done. Many students have graduated under Professor Rice and they will be sorry to learn that he is leaving for other fields of service.

Fire Damaged Mill at Hicoria Sunday

Fire originating from the slab pit at the Hicoria Mill destroyed the log ramp and a small yard engine Sunday afternoon, and it was only through the valiant efforts of the mill people and members of the Lake Placid fire department that the mill proper was kept from catching fire. Damage to property was estimated to be between $3,000 and $5,000. Besides this a woods fire in the immediate neighborhood did considerable damage to property.

Woman's Missionary Society Will Meet Twice Each Month

The Woman's Missionary Society of the Methodist Church met at the church on Tuesday afternoon for their monthly business meeting and Bible Study in charge of the pastor, Rev. G. H. York. The book used in the course of study is entitled "The Prophets." The subject for the afternoon's study was the Prophecy of Amos. After the Bible Study the president called a short business meeting, it was decided to hold a meeting twice per month, on the first and third Tuesday afternoons of each month. The first Tuesday being for the purpose of holding the monthly business and social meeting, the third Tuesday afternoon for Bible Study and Prayer. Those present were: Mrs. P. D. Moore, Mrs. B. F. Williams, Mrs. George Kelsey, Mrs. E. W. Kelsey, Mrs. J. W. Payne, Mrs. O. C. Parrish, Mrs. J. M. Andrews, Mrs. G. H. York, Mrs. P. T. Richards and Rev. G. H. York.

C. H. Whitmore has just finished making repairs to his business block on Central avenue and main street. He has had the front of the building restuccoed and on the rear of the building he has torn off the old stucco and replaced it with composition shingles.

The American Legion Leap Year dance held in the Legion Hall Monday evening was termed a great success by all those who were in attendance. The ladies seemed to take possession of the men, choosing their dancing partners rather than the men choosing them.

Visitors attending the services at the Methodist Church from other churches Sunday, were: Mr. and Mrs. E. A. Bowers, Miss Virginia Bowers, Mr. and Mrs. L. L. Henderson and children, Professor Johns of the Baptist Church. The Methodist Church made a change in the day of holding their services in order to co-operate with the Baptist congregation.

The Methodist Sunday school enjoyed an increase in attendance Sunday over the previous Sunday, the attendance for this Sunday being 48 including visitors. The Young Peoples class, which has been holding the lead in attendance, came very near falling down below the Adult Class Sunday, the Young People having 17 present and the Adult Men's class having 21, the Beginners coming third with 11 present.

POLITICAL Announcements

CANDIDATE FOR SHERIFF

I hereby announce that I am a candidate for Sheriff subject to the Democratic Primary next June and will appreciate the support of the voters of Highlands County.

DOYLE SCHUMACHER.

FOR CLERK, CIRCUIT COURT.

To the Voters of Highlands County:

I take this method of announcing to you my candidacy for the office of Clerk of the Circuit Court of Highlands County, subject to the action of the voters in the Democratic Primary in June, 1932.

If you think I have merited your support it will be much appreciated.

Yours very truly,
L. T. FARMER.

TO THE DEMOCRATIC VOTERS OF HIGHLANDS COUNTY.

I hereby announce myself as a candidate for representative from Highlands County, subject to Democratic primaries in June. If nominated and elected I pledge the voters and tax payers an economical program consistent with good business. I am not a machine candidate, but will represent every voters' and tax payers' interest in the county.

Yours respectfully,
WILLIAM R. MAYNARD.

TO THE VOTERS OF HIGHLANDS COUNTY:

I hereby announce my candidacy for the Democratic nomination for Representative from Highlands County to the Legislature, subject to the primary June 7th. My pledge to the Democrats is the only pledge I make — to do my part to bring about more business in government and maintain our Democratic doctrine of majority rule.

J. E. (Jack) SIMS.

FOR COUNTY JUDGE.

This is to announce to the Citizens of Highlands County, that I am a candidate to succeed myself in the Office of County Judge of Highlands County, subject to the Democratic Primary in June.

If my conduct in office has met your approval I will appreciate your support.

Yours respectfully,
M. C. WHITEHURST.

FOR COUNTY TAX ASSESSOR.

To the Voters of Highlands County:

I hereby announce myself a candidate for re-election to the office of Tax Assessor of Highlands County subject to the Democratic Primary June 7th, 1932.

I am making the race solely on my record of public service to this County in the past and I trust that my efforts have been such as to warrant your continued support and favor. In exchange for this support if elected I promise to continue to give you the very best service possible, and I will appreciate your vote.

CYRIL BALDWIN.

TO THE CITIZENS OF HIGHLANDS COUNTY:

I take this method of announcing that I am a candidate for re-election to the office of Superintendent of Public Instruction of Highlands County, subject to the Democratic Primary in June.

During the past seven years I have had only one purpose in view —to conscientiously administer the affairs of this office to the advantage of the people of our county.

My long experience as an educator, as an executive, and as a business man has enabled me to place and keep the schools of Highlands county among the very best schools in the state. The co-operation I have had from the people all over the county has been a source of satisfaction and greatly aided me in the work.

If re-elected I shall continue to put forth every possible effort for the schools, to maintain a high degree of efficiency, to keep them in operation full time, and to continue to reduce taxation.

The numerous duties of my office will prevent me from making a house to house canvass, but I wish you to know I shall greatly appreciate your continued support.

F. N. K. BAILEY.

FOR SHERIFF

To the Voters of Highlands County:

I hereby announce myself a candidate for the office of Sheriff of Highlands County, subject to the action of the voters in the Democratic Primary in June, 1932.

If nominated and elected I will give the voters my best effort to conduct said office along the highest business standards thereby giving the voters the service they should expect with economy and courtesy.

Very respectfully,
W. R. (Bill) ENGLAND.

Wake Up Your Liver Bile —Without Calomel

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food don't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resist a substitute. 25c at all stores. © 1931, C. M. Co.

Junior Class News.

The party the Juniors, Seniors, and football squad gave for Sebring was a grand success. A good time was had by all.

The weather was ideal, just cold enough to make everybody have a little vim, vigor and vitality.

The place couldn't have been better. Just imagine what a picture—the beautiful casino all filled inside with soft lights, delightful music and happy people thoroughly enjoying the occasion. On the outside, the moon, the stars, the lake—oh! But down to plain facts. Dr. Davison made all that possible by donating the casino for our own use.

The program was excellent. What with Claude as the Master of Ceremonies, the entire program went off smoothly. Harry gave the welcome address, Oleta a reading, the Reddick twins a tap dance, Mary and Mary Margaret some songs, Mary and Verna a play, where everybody turned out to be suckers, the Junior boys a song, and the games and contests were efficiently carried out by Agnes, Mary Margaret, Verna and Gwendolyn.

The refreshments were delicious and the prizes were just the "things."

It was observed that the Receiving Committee was a little timid and bashful. That Mr. Funderburk was the "belle of the ball." That the English Teacher didn't make so good on the Shakespeare contest. That Robert Steward likes ice cream. That everybody especially Agnes, Verna, Mary Margaret, Gwendolyn, Mary Turner, Gordon, Paul, Claude, and Marcus worked and made the party the success it was.

It seems that we go from one party to another. Right now the Juniors are busy planning their banquet—and we are having a time trying to decide just where we will have it and what we will do. But everything will come out all right and we will have a banquet that will be talked about for years to come.

Senior Happenings.

Just a few happenings have occurred this week, that is of any importance. First, the party that was given the Juniors and Seniors was a success. Agnes Vilkaitis, a Senior, knows all about the party, and she will tell you plenty. Old Avon Hi must try to win over Sebring next year in football if they ever expect that group of boys and girls to ever give us a party. But the Seniors of this year did their part towards winning the tightly contested game last fall.

I hear rumors floating around that the Seniors and Juniors of last year and this year in the history IV class are going to court next Friday at Arcadia to hear the concluding events of the Carver trial. That means that our minds will be given rest from the school house and school. We will get in return a knowledge of something that every History student should know, something that interests us all.

Oh! This Senior play business. We are coming about as nice as any other class that ever put on a play, I believe. Ask Miss Bryant, our patient sponsor.

You should see our palm we planted last week. It's growing to perfection. Say I better not say too much about it. It may die, but if it has any symptoms of dying something will have to be done about it.

We are having a different kind of English class now, work is assigned outside for a week ahead, and can be prepared in or out of class.

Here's a routine that a Senior goes through daily, at least five times a week. Get out of bed almost dead in the morning probably around 7:30. Eat breakfast, come to school and work as hard as a Turk. Probably remain after school and catch up with back work. Go home or to town for a few minutes. Then be back at school house for play practice at 7:00. Remain at schoolhouse for an hour or more. Go home and go to bed. You are ready for sleep by this time, but perhaps some do not go home.

How do you think we bear this lead? Somehow. The schoolhouse is our home. This will not continue forever.—C. O. Belin, Senior Reporter.

Eighth-A News

We were delightfully entertained Tuesday morning with Jeanne Snarr's program. It consisted of Pauline Green reciting, "I knew Your Dad," Besset Garret, "A Large Order," and Sara Lucy Trent, "A Force of Habit."

The president, Carmen Booth, appointed Joan Mills as chairman of the program committee for March. Joan appointed Josephine Langford and Clarice Thomas to help her.

What would happen if—
Linda Wingate liked Penmanship?
Betty Brooks didn't like horses?
Inez Morrison grew tall?
Clarice Thomas stopped eating ink?
Virginia Dison didn't giggle?
Trudie Edwards lost her dignity?
Sara Lucy Trent got fat?
Hazel Wilkerson turned blonde?
Jeanne Snarr used make up?
Everybody made A in everything?

This is station WITS signing off until next week. Valete.

Hazel Wilkerson, reporter.

Seventh-A News

Well, folks, Mr. Funderburk is saving his money for some young lady. The other day he took his coat off and hung it over a desk and what do you know, fifty-one cents fell out of his pockets. We know because we all helped pick them up.

We are getting along better this week than we did last week, but we are always glad when Friday comes. We are getting nea to the end of our Sanitation book, so we have three play periods a week. Of course, we like that just fine.

Reporters: Dot Weisheyer and J. L. Greene.

Sophomore News.

We backed out. Yes, the Sophomores have backed out. We're not going to give the girls a party, [illegible] We've decided to put our money to a better use, and let the girls put on the party, as the boys are mighter slow about it.

The generous boys of our class will use the party money to have a picture of George Washington framed, and Edgar says that if we buy the glass and other fixtures, he can get it put together for nothing. "What a saving."

The whereabouts of our future party is unknown but will be decided by the girls in the near future.

What would happen if—
Everybody failed in Commercial?
If the Sophomores were not caught chewing gum?
Pat's heart wasn't in Frostproof?
If Frances Sangster were ever late?
If Marie McFarland never talked in History class?
If Sport Mercer forgot to comb his hair?

A Leaf From the Gossip Diary

MARCH 3

Got up with the chickens. You pret near have to, what with visiting that there A. P. H. S. and everything.

Mamie's ears air strained something awful—mine ain't so keen, what with hearing and seeing all them things yesterday.

At 8:30 a. m. we went in ter see them Senior people. They sure do love to fuss—sounds like the Civil war—only worse. They ain't a bit dignified, neither.

Then we went to the Junior's class room fer chapel. All they could talk about was some kind of a banquet thing-a-ma-jig. Must be something extra nice.

We found out some things about the school. Here's a few of 'em:

1. A. P. H. S. has a typical "little girl sweetheart."

2. Bill Saggus has an interest—whatever that is—way up in Georgia. Dot Hobbs has one same place too.

3. Two of them Senior boys have to go to regular study hall 7th period. Wonder why?

4. The young people ain't going to the dogs. If you don't believe us, take a peep around the campus at noon.

Freshman News.

The other morning in English class, all of us had to bring in something from the newspaper. Mary Coen brought in an article about some Japanese who had killed themselves in order to open a path for the Japanese army. Some one in class mentioned why they would kill themselves and Woodson Sadler said they must have been married. The Home-Ec. Girls have been making preserves and are now making orange marmalade. They are always making something, but the boys never get to taste any of it, so I guess they are afraid it will make us sick. The boys who are taking agriculture are going to play the Sebring boys, who are Future Farmers, in a five game series of basketball to find out which one will go to the tournament in Plant City, April 23. The team which wins the first three out of five gets to go to the tournament.

Federal Station at Lake City Plans To Study Naval Stores

To help reduce the enormous wastes in the manufacture of naval stores, the U. S. Department of Agriculture is already investigating nearly 30 phases of the industry at the new naval stores station at Lake City, Fla., says Dr. W. W. Skinner, assistant chief of the chemical and technological research unit of the Bureau of Chemistry and Soils, who is in charge of the work.

Preliminary work of the bureau has indicated that under unfavorable conditions a large part of the turpentine produced by the pine tree may be lost after the sap exudes from the tree and before the turpentine is recovered in the barrels, says Doctor Skinner.

It is now known, he said, that the cheapest organic acid available for some chemical operations may be obtained from rosin, and study of the acids of rosin will be pushed at this station in order to obtain information permitting wider use of this important acid.

Avocados Talked at Club Meeting

County Organization Members Hear Facts On Growing Fruit Here

The growing of avocados and the suitability of Highlands county for their cultivation was the principal subject at the regular meeting of the Greater Highlands County Club at Highlands Lakes hotel Tuesday night. R. A. Carlton, agricultural agent for the Seaboard Air Line Railway, said the finest avocados in the state are raised in this county and the cold does not affect them any more here than on the east coast. He said that eventually the crop will be centered between Frostproof and the south end of the Ridge and the finest in the state are grown in Highlands county which now ranks second in the state for the industry. There are at present 88 acres in the county planted to avocados, he said.

E. R. O'Kelly of the Atlantic Coast Line Railroad paid glowing tribute to Carl Lehmann for his work with the Orange County Chamber of Commerce and said the citizens of Highlands county, by working together, could accomplish as much as any other county in the state, and the many problems will be solved.

He said that Ivey Futch of Lake Placid had furnished the fruit for the display at York, Pa., made by the Coast Line Railroad and which created a great deal of interest.

Mr. O'Kelly and there are five million pounds of avocados imported every year from Cuba. These do not carry any import duty but those imported from elsewhere pay 16 cents per pound.

Jack Taylor of Lake Placid said the wild avocado grows in this county and he is making an effort to grow the domestic varieties on the wild stock. He eulogized County Agent Louis Alsmeyer for his efforts to aid the industry.

Various committees were named at this meeting including: Railroad and public utilities, F. N. K. Bailey, chairman, Fred Smith, M. E. Covington and B. F. Williams; Horticulture, Jack Taylor, chairman, Parke Anderson, W. Masters, and Albert DeVane; Advertising, Gilbert Freeman, chairman, Jack Sims, John Hood, N. A. Broking and W. D. Hope; Legislature, J. M. Lee, chairman, Harry Chance and C. P. Anderson.

Col. Bailey also made a short talk emphasizing the need of the citizens of the county working together. The entertainment features included a male quartette which rendered several numbers.

The next meeting will be held at Sebring on the afternoon of April 1, it was announced.

New Candidate For County Commissioner From District No. 3

The fourth candidate to offer for the office of County Commissioner from District Number 3 is Carl W. Bryan of DeSoto City who entered the race this week.

Mr. Bryan, who was born and raised in this section has been a resident of DeSoto City for about six years and is well known throughout his district. He is engaged in the ice business.

Mr. Bryan is married, is a member of the Baptist Church and is an active member of the Woodmen of the World.

He will be opposed in his race for the office by Bert Bassage, H. E. Franklin and D. C. Barrow, the latter two being also residents of DeSoto City.

Rex Beach Is a Real Farmer

Growing Two Crops of Celery a Year and Selling At Profit

After six years of development work on his 400-acre farm between Sebring and Avon Park, Rex Beach, author and novelist, believes "A Florida farm is a good investment." Moreover, in the March issue of Florida Farmer, he declares that "once a farmer learns to get the best out of his land, a Florida farmer can make a good living every year and some real money in addition, at least once in every three or four years."

His proof of this statement is convincing, avers Julian Langner, editor of Florida Farmer, because by scientific farming "he is now producing two crops of celery a year, most of it grading U. S. No. 1 and less than eight percent of it grading No. 10, and he is selling it at a profit."

The complete story of Rex Beach's farming experiences in Florida was secured by Mr. Langner when he recently interviewed Beach at Sebring, and learned that this writer of best sellers is not running a "rich man's farm" but instead is cutting costs at every point to make his farm pay.

The farm paper editor believes that Beach's efforts and attendant successes have a real significance for the State's "dirt farmers," stating: "He is not the sort to be discouraged by one or two crop failures. Such farmers as Beach have made California famous for agricultural production — men with enough money to experiment by trial and error, and who, having found the answer to their own problems, are ready to share that answer with other growers."

Effort being made to secure repairing and widening of old State Road No. 17 between Tampa and Plant City.

Plant City.—J. G. Nettles, furniture dealer, moved business to new building at 820 West Haines street.

Marianna.—New front being installed on B. Schreiber & Brother's Store building.
