

OFFICIALS OF HAMMOCK ARE RE-APPOINTED

Rex Beach Heads Board and Dr. Davison Continues In Presidency

Rex Beach was re-elected chairman of the board of governors of Highlands Hammock, Inc., at the annual election of officers, held at the Sebring chamber of commerce Monday following a meeting of the organization.

Beach was named to head the directorate following the re-election of the board which is composed of Dr. W. A. Davison, Avon Park, president; Walter R. Coachman of Lake Placid and Jacksonville, first vice-president; Col. F. N. K. Bailey, second vice-president; C. S. Donaldson of Avon Park, third vice-president; C. H. Shackelford, Hicoria,

fourth vice-president, and A. L. Dawson of Brighton, fifth vice-president, succeeding Mr. King of Brighton, resigned.

R. Neal Durrance of Sebring was again chosen for the position of secretary and treasurer while the entire executive committee was re-elected.

Alexander Blair, personal representative of John A. Roebing, through whose generosity most of the park development has been accomplished told of the latest improvements in the park proper, including the recently finished dam, and the complete plans finished in fire protection work. A resolution was ordered drawn up thanking Mr. Roebing for his generosity.

The idea of a historical pageant was given to Ray Greene who in turn proposed it to the assembled board, stating he had gotten in touch with W. Stanley Hanson of Fort Myers a close friend of the Seminoles and an authority on Indian matters. It was Mr. Greene's idea that the Indians erect a small village in the Hammock in connection with the pageant, about 25 of the Seminoles would be brought here for the purpose, it was said.

Mr. Greene and a committee composed of Joe Hawkins, fifth vice-president, Mayor M. E. Conington, Avon Park and Col. F. N. K. Bailey, are to have charge of the pageant, should it be decided to hold one.

Views expressed by other members of the board indicated many thought it would be best to wait until next season for the pageant and hold it in connection with the Nanowasee Day celebration.

The pageant date tentatively set was March 15th.

The trustees re-elected at the meeting were Gregg Maxcy, Sebring; Mrs. N. B. Jackson, Hicoria; John A. Roebing; Mel Bass, Avon Park, and R. N. Durrance of Sebring. L. C. Pearce was named to take the place of his father, W. S. Pearce of Bassenger and A. L. Dawson of Brighton was named to take the place of Mr. King. Mr. Dawson is the new operator of the Brighton Valley Hotel and Dock Ranch.

While on the subject of finances, the board moved to place the proceeds of the sale of fruit from Hammock in post office certificates. Through the generosity of Gregg Maxcy of Sebring, the Hammock fund was guaranteed \$1,000 for their fruit crop. It is expected this income will aid greatly in the upkeep of the work in the park.

Ray Greene also reported that collections at the Vesper Services totaled nearly \$1000 and the board expressed their appreciation to the Harder Hall man for his work in connection with the Vesper Services.

A special committee for the handling of traffic expected at the Hammock next Sunday when the honorable John R. Mott will speak was appointed. It will consist of E. L. Greene, Ray Vinton, Homer Meyer, Frank Eynan, Norman Lane and R. N. Durrance of this city, Parker Etheredge of DeSoto City and E. E. Melton of Avon Park.

Ray Vinton, an employee at the Roebing Estate was introduced by Alexander Blair and gave some very interesting data on a proposed speaking field and mound which may be erected in the tropical park shortly.

The plans as outlined call for the leveling of a field in the area where the auditorium seats are to be placed so that the floor of the speaker's mound will be visible from every seat in the auditorium.

Two other plans, which incorporate this original idea with added features were also outlined by Mr. Vinton. The suggestions were referred to the executive committee for the purpose of studying costs, etc.
