

Round About Avon Park

by W. C. Beckett

Another Mile Stone.
With this issue, The Avon Park Times enters on its ninth year of service to Avon Park and the community. We may have made mistakes in the past, in fact we expect we have, but we have done our best for the community. We have said and done what we believed right and will continue to do so in the future, with the best interests of Avon Park as a whole always in mind.

We know that Avon Park will go forward and intend to do our part towards that end. There is one particular thing we want to see done at the earliest possible moment. That is a settlement of the debt question and the refunding of the present bonds. It has been done elsewhere in the state and can be done here. When this has been accomplished there will be nothing to keep Avon Park from surging forward.

This bond question is not one for the council only, every citizen and taxpayer should be interested and do their part to see that the plan put over. Mandamus suits cost the city money, in attorney fees and otherwise. The city attorney has a lawyer on these cases and that costs money. He cannot be expected to work for nothing. So, the sooner the vexing question can be settled and mandamus suits or suits become a thing of the past the better it will be for everyone concerned.

Let's work together with the idea of putting Avon Park on top and making it a place that people cannot stay away from.

BETTER PRICES FOR GRAPEFRUIT COMING

Walker Gives Credit To Nationwide Campaign of Chain Stores

Orlando, March 3.—(FNS)—With the surplus portion of Florida's grapefruit successfully marketed, Charles Walker, chairman of the Grapefruit Growers' League, predicted better prices here for fruit remaining to be shipped and canned.

There are not more than 6,000,000 boxes of grapefruit left in Florida which may not be enough to meet the increasing demands of fresh fruit markets and canneries," he said, "and the growers who have this fruit are now in a position to name their own price. There is every indication that prices will advance."

Credit for improving grapefruit conditions was given by Mr. Walker to the nation-wide grower-consumer campaign of the National Association of Food Chains which started this week for two weeks. Approximately 37,000 food chain stores throughout the country have been promoting grapefruit and advertising it at their own expense. "They have just about doubled the consumption of grapefruit in the last two months. The large crops which we had at the beginning of the season could not have been marketed without their co-operation."

Mr. Walker pointed out that commercial grapefruit shipments from Florida and Texas in the last eight weeks reached the record total of 10,679 cars compared with 5,640 cars shipped in the same period last year. He said that f. o. b. prices are advancing and that canneries are paying almost twice as much for grapefruit as they did two months ago.

Growers Offer Reward For Arrest Of Fruit Thieves

Due to the prevalence of fruit thieves in this territory a number of growers have offered a reward of \$100 for the arrest and conviction of thieves caught stealing fruit from groves they own or control. Those agreeing to make the reward possible are: The Avon Park Fruit Growers Association, C. H. Walker, W. Hauptmann, E. Wilson and Stewart and Todd.

Mr. and Mrs. C. E. Landauer of Kansas City, Mo., who have been the guests of Mr. and Mrs. C. H. Walker for the past few weeks, left Thursday for Pensacola to spend several days.

ART CLUB HELD FINE EXHIBIT AT WOMAN'S CLUB

Newly Organized Club Has
Much Talent Among
Local Artists

The Avon Park Art Club held the annual art exhibit of local artists in the Woman's Club home on Friday, February 26, from 2:30 to 5 p. m. The club was the host to the Woman's Club and to the winter guests on this occasion.

This new club of Avon Park, not yet one year old, has 22 members, is federated with the State Art Federation, and has already received recognition in the federation as having real talent among its members.

The exhibit consisted of paintings in oils, water colors, charcoal, pen and pencil and in china.

L. H. Park had the greater number of and variety of scenes, all water colors, local scenes, marine, landscapes and still life. His collection exhibited at the Central Florida Exposition at Orlando last week won first prize on marine and still life and second prize on landscape.

Mr. Park added to the collection two scenes painted by his brother, the late R. L. Park of Illinois, a landscape, Rustin Lake, and a historical view, Starved Rock, La-Salle County, Ill., where the Peoria tribe of Illinois Indians were besieged on that rock by the Fox Indians and their allies, some seen on other tribes during the French and Indian wars.

E. N. Griffith, oil paintings, a Highlands Hammock scene, a Florida lake and still life. This artist presented a choice of this to the Woman's Club, a gift deeply appreciated by the members. Mr. Griffith won second prize on landscape and still life.

Dr. A. P. Vaughn presented two Hammock scenes to the club last year and they were on display. Mrs. E. O. Williams, collection in oil, water colors, pen and pencil, a valuable collection.

Miss Caroline Wild, a collection of charcoal and pen sketches.

Mrs. S. Y. Hartt exhibit of oil, water colors, pen and pencil, a valuable collection.

Mrs. Glenn Spink loaned the exhibit, a Christ head and an Indian girl by John Sargeant and a landscape in oil done by an artist with whom she has been the brush between his teeth, a most interesting view.

Flowers greatly added to the beauty of the exhibit. They were: Mrs. E. O. Williams, a collection of two designs, lily of the valley and pink carnations and blue statice.

H. R. Currie, park superintendent, through the Woman's Exchange, had a number of pieces in artistic display.

The club decorations were wild lupine and all made the room a study of beauty, combining natural and manmade decorations.

The guests were greeted at the door by Mrs. E. O. Williams, Mrs. F. W. Kipp and Mrs. C. P. Turner. The Art Club, introduced the chairman of the afternoon, Mrs. Julia Mason Smith of Washington, D. C. and briefly told of her splendid work with the local Woman's Club during her residence in Avon Park, her valuable labor in the promotion of the library, her share in the entertainment of delegates to the State Federation, which met at Avon Park four years ago and expressed pleasure to have her back for a few months.

Mrs. Smith, in her gracious manner, introduced the numbers on the program.

Mrs. J. H. Harmon gave a most interesting address on art in Florida. She said that the first art club in the state, Pensacola, was organized in 1892. It was the first of how art gradually started, has, in the past few years, grown by leaps and bounds and now 23 clubs are federated in Florida, has a number of prominent artists and ranks high in art minded people.

The Mayor Tells This Fish Story

Here's a fish story from the lips of Mayor M. E. Covington. His honor relates that on Thursday last week he hooked a fish in a local lake. His line had a catfish leader 18 inches long and the fish broke this in two and got away. The next day, Friday, he was fishing in the same lake but across on the other side and over a mile away from the scene of his efforts of the day before. He hooked and landed a 8½ pound bass and found it was the same one "that got away" as it had swallowed the hook and leader which he recognized.

CONSERVATION PLAN DISCUSSED MONDAY

Grover and Stockmen Attend
Meeting At Court
House

One hundred and nineteen grovers and cattlemen attended the meeting in the county court room on Monday afternoon and heard of the plans for the 1937 Agricultural conservation program. The meeting was held at the court house. Mr. E. F. DeBusk and Mr. Aubrey Dunscombe of the University and also county agent Louis H. Alsmeyer discussed the many phases of the program and learned how it would affect them.

Mr. Dunscombe stated that the minimum allowance which any grover could earn by using improved practices and conserving the agricultural resources had been raised from the ten dollars allowed in 1936 to twenty dollars for this year. This money can be earned by growing cover crops, improving pastures, applying lime, phosphate, or basic slag to the soil, or by planting out timber producing trees. The vegetable grower does not increase his crop yield but more of his land in soil improving crops will get the highest payment. But each grower will get some payment depending upon his cooperation. He stated that the value and most important part of the program was not the cash federal grant or payment but the long time improvement of the farm living and income.

The year will be the first time that the range cattlemen has had an opportunity to cooperate in the program and this year he will receive a payment for planting per acre of his improved pasture. If the total amount of range is sufficient to cover his needs, and fits into the long time agricultural program. He stated that at a previous meeting at the court house and learned many of the details of the program and following the Monday meeting many of the stockmen and grovers started to work on improving their pastures. One large cattleman has already started a large tractor and cutter to work getting the land in shape for the planting of the grass, and the various sources of phosphate and be partially paid for their efforts to improve their soil conditions. DeBusk gave the grovers a number of suggestions of ways that they could greatly improve their groves and participate in the program. He suggested that the grovers talk over their seasons' plans with the county agent who would be best able to inform them of various phases of cooperation in the Agricultural conservation program.

County Agent Alsmeyer stated that he was planning a series of meetings so that additional grovers may get full details of the 1937 program. Meetings will be held at the court house, Park Lake, Lakeland, Lake Placid and Venus. These will be definitely announced later.

CITY COUNCIL WILL ENFORCE OLD ORDINANCE

Cooperates With State Board
Of Health To Help
Sanitary Project

Approval of a sanitary project under WPA and sponsored by the state board of health was given by the city council at their meeting Tuesday night and calls for the elimination of unsanitary outdoor toilets. A representative of the state board asked for the cooperation of the council and said WPA would provide necessary labor while the property owner had to provide the material. Special attention would be given to the quarters and the south side, he said.

Council promised the full cooperation of the city and said there is already an ordinance on the books covering this. They gave the state board authority to proceed with the work under this ordinance.

Sale of what is known as the old Barnes property, lot 8, block 22, section 22, on Pine street to Harry E. Allen of Greenacres, Ind. for \$25.00 was approved. Mr. Allen will take care of the state and county taxes and repair and remodel the property which he will use for a winter home.

R. A. Hales protested the establishment of an undertaking parlor next door to him in property recently purchased by J. M. Stevenson of Sebring. Mr. Hales said it was rumored Mr. Stevenson intended using the property for the purpose and asked that a zoning ordinance be enacted. Mayor Covington also entered his protest but his action was taken at this meeting.

C. E. Crabtree reported 100 sign boards advertising Avon Park had been erected and exhibited a map showing their location. Another 145 have been contracted for, he said, making a total of 245.

The ordinance levying \$4 mills for debt service was passed and signed by the mayor. City Attorney S. C. Parnes will file his answer in Federal court at Tampa with a copy of this ordinance attached showing the writ has been complied with. A stipulation from the bondholders undertakings will also be filed also showing the court orders have been obeyed.

"Girl Shy" Will Be Given Next Friday Evening

One half day will be awarded for a class picnic to the home room girls and the most popular of the senior class play, "Girl Shy" which is to be given in the high school auditorium next Friday night.

To the individual who sells the most tickets a prize of \$1.00 will be given. The individual sale will be governed by the person selling the amount and not the class room which enters the contest.

The tickets will go on sale Monday morning. The price will be 25 cents for adults; 15 cents for school children; and 10 cents extra for reserved seats which may be obtained from the Jacaranda Drug Store.

Some humorous incidents occur in the play when Chuck Mayo, Chester Gibbons, kidnap the wrong girl; when Tom's Aunt Caroline, Margaret Bailey, begins to quote her poetry to a poet; when Ames, Lauretta Bates and Oke, Lloyd Gribble, and Mr. Sordale, Harold McCalland, and a Caroline act the "nut" scene.

The Main Street Chevrolet Will Handle Frigidaires

L. H. Ford, manager of the Main Street Chevrolet Co., announced this week his company has been appointed local dealers for the famous Frigidaire electric refrigerators, made by the General Motors Co. Several of the new Super Duty models with the well known "meter miser" have been received and are on display at the show rooms "between the tracks" on the Main Street. Mr. Ford is interested to pay him a visit and look them over.

Mrs. Mattie Heath and Miss Dorothy Hahl of Newport, Va. who have been the guests of the former's sister, Mrs. Altha Heath, left Thursday for their home.

P. T. A. Luncheon and Meeting Next Week

There will be a P. T. A. covered dish luncheon next Thursday, March 11, at the school cafeteria at 1 o'clock. At this time Mrs. Frank Petrie of Orlando, fifth vice president of the Florida Congress, will present to give an informal talk on the program short course which was held at Camp Roosevelt last month.

All P. T. A. members are urged to be present at the luncheon and the meeting and give Mrs. Petrie a hearty welcome. Each of those attending the luncheon is asked to take a covered dish.

STATE WELFARE BOARD MET IN TALLAHASSEE

Help To Aged and Blind To
Cost Nearly Seven
Million

The cost of the total program for aid to the aged, the blind and mothers with dependent children for the fiscal year of 1937-1938 will be \$6,922,500, according to figures released today by James Dunn, chairman of the State Board of Social Welfare, following a meeting of the State Board held in Tallahassee, Monday, March 1st.

The total cost to the state is given as \$4,740,920. The federal contribution is given as \$2,969,000. Mr. Dunn stated that these figures include benefits to the aged over 65 years of age in the amount of \$3,780,000 at an average cost per person of \$15 per month. The total number of persons who will be aided is given as 24,800.

The amount to be expended for 23,700 dependent children living on an average of \$10 per month per child is given as \$2,544,000.

The total cost of \$6,922,500 includes other activities of the State Board of Social Welfare particularly Child Welfare and an administrative cost of 11.57 percent of the total.

These figures have been in the process of compilation by staff members of the State and District Social Welfare Boards. Workers employed on a WPA project sponsored by the State Board, made a study over a nine months' period in which all persons receiving relief were listed and classified. In addition to this study the State Board used its experience in administering old age assistance during the past year to arrive at the final figures, according to Mr. Dunn.

In order to receive the federal contribution of \$2,969,000, the Florida Board must first submit a plan of old age assistance, aid to the blind and mothers' aid must first be submitted and approved by the Social Security Board, according to the chairman.

All of the plans would be carried out much like the present temporary old age assistance plan except that allowances would be more generous. The number of persons who would receive allowances would be greatly increased and the benefits would be equally available to everyone in the State regardless of the financial ability of the county in which they live.

The enactment of the 1935 Social Welfare Act will be necessary if the granting of benefits under the provisions of the Social Security Act are to be continued and are to be increased properly as of July 1st. The law unless re-enacted expires on July 1, 1937.

"The above figures represent estimates of the cost of the program, which already exist, during 1937-1938. The Board feels that the amount recommended will be sufficient to do a good piece of work if the program is administered carefully and economically," Mr. Dunn said.

Figures are now being compiled by the State Board as to the estimated cost in each county and will be released within a few days.

Internal Revenue Notice.
Beginning March 8th, all Collectors of Internal Revenue offices will be open on March 8th, 9th and 10th until 6 p. m.; on the 11th, 12th and 13th until 7 p. m. and on the 15th until midnight. Taxpayers are urged to file their returns as promptly as possible.

Mr. and Mrs. W. E. Melton of Winter Haven spent Thursday evening and Friday in Avon Park, the guests of Mr. and Mrs. R. X. Drott.

IMPORTANT NOTICE!

The revenue of a newspaper is derived from the sale of advertising. The papers of Avon Park have been very generous in the past in giving this away through notices of entertainments, suppers and various other functions and the requests for these have become burdensome.

Now, due to rising costs and heavier operating expenses, free notices of these kinds of functions will have to be discontinued.

Therefore, in future, all notices of entertainments, plays, suppers and dinners, in fact any function to which admission is charged or from which it is expected to derive revenue, must be paid for unless accompanied by paid advertising. This rule will apply to every organization, private or public and will be in effect with further notices. THE AVON PARK TIMES, THE SCENIC HIGHLANDS, SUN.

COUNTY HEALTH UNIT MAKES FIRST REPORT

County Board Hears of Activities of Newly Organized Unit

Highlands county commissioners at their meeting Tuesday heard a report from the newly organized Highlands County Health Unit. The report mentioned the health exhibit at the recent Highlands county fair and said that extensive work would be carried on throughout the county. Health centers will also be established in the several communities in the county also. Four children have been sent to the Crippled Children's Home at St. Petersburg for examination, the report stated. The transportation expenses were paid by the American Legion. One of these children, a girl, was transferred to the Elks' Children's Hospital at Umatilla and was operated on. She is progressing very well and will remain there for some time for a course of treatments.

A resolution was passed appropriating \$900 for old age assistance and other work of the state for the period from April 1 to June 30.

Further applications for the position of agricultural and manufacturing commissioner under the commission of agriculture were received. At a previous meeting R. Seward made application and action was deferred. At the meeting this week Frank L. Armistead made written application and Ted Williams and Dr. E. J. Etheredge applied orally. A secret ballot was taken and the votes were Seward and Williams one each. Armistead was recommended for the position.

Acting on a petition signed by a number of Lake Placid residents, Fred P. Cone appoint W. C. Mathis as justice of the peace at that place. Mathis is acting in this capacity at present as his opponent in the general election and who, failed to qualify within the time set by law.

Oldsmobile Agency Announced Here; To Erect New Building

Formation of a new company to handle the well known Oldsmobile cars was announced here this week by I. H. Ford, manager of the new concern, and which will be known as the I. H. Ford Co. Mr. Ford said work will start immediately on the erection of a new building on the north side of the Mall, just east of the Coast Line tracks and will include a spacious showroom, an up-to-date filling and service station.

Mr. Ford has received several of the latest models of this well known car and for the present they are on display in part in the Garage, on the Mall, west of the Coast Line.

Mr. Ford says much interest is being shown in this car and he has many several sales. Although a little higher in price than some of the cars on the market today, the Oldsmobile is well worth the slight extra cost, Mr. Ford says, as they embody the very latest in engineering design and performance.

Mr. and Mrs. E. A. Emory of Williamsport, Pa., who have been spending the past three months in Avon Park, guests at the Jacaranda Hotel will leave Monday for their home.

NEW MEMBERS WERE INDUCTED AT ROTARY MEET

Talks Given On Various
Phases of Rotary Work
At Luncheon

Five new members were introduced into the Rotary Club at the luncheon Wednesday noon at the Jacaranda Hotel. They were R. Brown, W. B. Carter, J. F. Conner, W. H. Drott, and Mr. Shockley. Brief talks were given by E. G. Todd, Charlie Lanier, Stanley Reeves and Walter Betts, explaining the different phases of Rotary and President A. McKee Elwell gave the address of welcome.

Following a suggestion that the Rotary Club sponsor an annual Citizenship Week, by which recognition would be given each year to the citizen of Avon Park adjudged to be the most outstanding in the field of service to the community, President Elwell named Harry Price, C. H. Walker and O. C. Wilkes to make the award and report to the club.

Previous to the induction ceremony a social session was given by the club quartette consisting of Walter Betts, Paul Garber, E. L. Roberts and C. Parke Anderson. Not being satisfied with their own musical selection, they were joined by Harry Price, S. J. Pendleton, R. F. Sappington and Stanley Reeves into service, making a double quartette. These combined efforts were received with applause and laughter.

In the talks, Prof. Reeves spoke on the "Benefits of Rotary" and urged cooperation among all citizens for the benefit of the community. Wealthy grown men cooperate and as we grow the community grows. The Rotary meetings each week are worthwhile and the benefits of the community. Wealthy grown men cooperate and as we grow the community grows. The Rotary meetings each week are worthwhile and the benefits of the community.

Mr. Todd's subject was "Why We Should Attend." He said the rules of the club call for a member to be dropped when his attendance falls below 60 percent in a six month period or when he misses four consecutive meetings. The philosophy of Rotary cannot be absorbed unless the attendance is regular. One must be exposed to it, he said, like the measles or mumps. Attendance is not the sole aim of Rotary. He quoted figures showing some attendance records of the club. The average in 1935 was 94 and 1710 percent and in 1936, 93 and 77100 percent. G. S. McKnight, Bert Freeman and W. T. Coates had 100 percent for both these years. He gave other figures on the attendance of members and then Mr. A. L. Fielder, Long Island could boast 100 percent attendance for 10 years.

Walter Betts spoke on "Club Singing." Although the mantle of club singing has been thrown over the quality, club singing is stressed because it cements friendship and the hearts of men are freed of jealousy, greed and malice by this means. Singing has been with human race and has come down the ages.

Charles Lanier told about the "Floor plan of Rotary." The Avon Park club was organized on August 22, 1934 with charter number 1814 and there are now 4,100 club organized. This was the first club in a town of this size but this club has been distinguished by bringing which was organized about the same time, he said. The club has done much to help the citizens together through the depression. The different committees function in cooperation with the board of directors. He set forth the objects of the club and then stated the obstacles are selfishness, laziness, indifference, ignorance, lack of confidence and carelessness.

In his address of welcome President Elwell said in part: "This Rotary Club is a group of Avon Park business and professional men, one from each vocational classification, who have accepted the ideal of service as the basis of all worthy enterprise. You have been chosen to membership because our members believe you accept the ideal of service and that you are men of qualities which fit you to impart the message of Rotary to your fellow man."

Rotary Club is built on fellowship among the members. It will be your duty to become well acquainted with all members, have

PUBLIC TROUGH COOPERATING UNSOUND.

Advocates of cooperative selling and purchasing customarily point to the small North European countries as examples of the success of the movement.

The record in these countries is good. Cooperatives have been developed in many fields. But it should be emphasized that they have gone ahead because of ability—not through governmental subsidies.

In Sweden, for example, where cooperative business has been developed on a wide scale, the organizations are subject to taxation, and are regarded as are all other businesses. They aren't pets of gov-

ernment. The better American cooperatives also stand on their own feet—they do not ask subsidies, tax-favoritism or other benefits. But a certain school of cooperative promoters would have them subsidized by the government in order to give cooperative ventures unfair advantages over competing business. This puts the cooperative movement in a bad light, indicating that it cannot succeed on merit.

The American people are in favor of cooperatives, such as agricultural groups, which pay their own way, take their own chances, and fight their own competitive battles. It is unthinkable, however, that they would favor a policy that would feed cooperatives or any other kind of business at the public trough.—Industrial News Review.

Secretary of Agriculture Wallace admitted before a Senate Committee that there has been some increase of agricultural imports since the trade-treaty program was initiated by his fellow Cabinet members, and free trade exponent Secretary Hoover said the same. Members of the Cabinet are as loyal as Elks to one another.

Old Dr. Townsend, who wants pretty nearly all the money in the United States Treasury for his scheme, has been telling the people that the country needs a "rebellion against" most of the existing taxes and proposed new taxes. Most people think that the old man is sincere—and once in awhile he is nearly right.

LEGAL NOTICES

NOTICE.

"Notice is hereby given that the Board of County Commissioners of Highlands County, Florida, will apply to the 1937 session of the Florida Legislature for the passage of a law giving to all counties of Florida having a population of not less than Nine Thousand and not more than Nine Thousand Three Hundred according to the 1930 Census of 1930, one-third of the second class of the gasoline tax and allocated to all counties having said population that is to say the State Board of Administration shall turn over to the Board of County Commissioners of each of said counties, one-third of said gasoline tax to be expended for county purpose within the discretion of said Board; that a copy of said proposed Bill is on file in the Minute Book of said County Commissioners of Highlands County of date Feb. 16, 1937, and a copy of same is furnished to Dr. A. T. Eldo, Representative from Highlands County, and a copy to H. G. Murphy, Senator from this Senatorial District.

Deputy Clerk, Board of County Commissioners of Highlands County, Feb. 12-23-Mar. 5-12-19.

IN THE CIRCUIT COURT TENTH JUDICIAL CIRCUIT OF FLORIDA IN AND FOR HIGHLANDS COUNTY. — IN EQUITY.

The University of Vermont, a corporation,

Complainant,

vs.

Dorothy Votey, Unmarried,

Defendant.

ORDER OF PUBLICATION.

The State of Florida to Dorothy Votey, and to all other interested parties:

It appears from a sworn bill of complaint filed in the above entitled cause, that Dorothy Votey, is a non-resident of the State of Florida, and that your present residence and place of abode is c/o Vermont 514, the Hospital, Waterbury, Vt., that you are over the age of 21 years and that there is no person in the State of Florida, service of a subpoena upon whom would bind you.

This is, therefore, to command you to be and appear before the Circuit Court of Highlands County, Florida, Sebring, Florida, on the 5th day of April, A. D. 1937, the same being a rule day, to answer the bill of complaint filed against you in this cause, and the foreclosure of a mortgage on the following described property located in Highlands County, Florida:

Being all and the same land and premises that was conveyed by J. P. Zoller and his wife, Jessie T. Zoller to said J. W. Votey and wife Emma L. Votey by warranty deed bearing date July 11, 1929 and of record in book 50 on page 530 of the records of said County of Highlands, and described therein as follows: "That certain parcel of land lying and being in the County of Highlands, State of Florida, more particularly described as follows: Lot Nine (9) in Block Seventy Five (75) of "Unit One" or "Lake Lillian Section of Highlands Lakes" a subdivision in Township 33 North, Range 28 East, according to plat attached in Flat Book 2, page 77 of public records of Highlands County, Florida.

In default of such appearance the bill of complaint will be taken as confessed and the cause will proceed against you as aforesaid.

And you, the said Dorothy Votey, and all other interested parties are further notified that the said bill of complaint sets up that the note secured by the mortgage sought to be foreclosed herein has been lost or destroyed and prays the Court that the copy be attached hereto and that a substantial copy of the original and that the same stand and be as good and in the place of the original in all respects; and you, the said Dorothy Votey, are hereby required to appear in Court at Sebring, Florida, on the 12th day of April, A. D. 1937, and

Art Club Held Fine Exhibit At Woman's Club

(Continued From Page One)

John and Mable Ringling gift of the museum to the state, with the pictures gathered in the Old World and worth fabulous sums, has placed Florida in the front. The speaker told the slogan of the local club, "Art enters into every phase of life," and proved the truth by illustrations.

The speaker exhibited two of her own paintings, A Boy and a Flower.

Duet, Overture to Zampa, a Harp, by Mrs. W. Hauptmann and Mrs. Fred W. Kipp, gave music lovers a rare treat.

Mrs. Rose Holloway was then introduced and spoke briefly of her visit to the Woman's Club last year at the exhibit of art by the Fine Art Department. She was most complimentary to the artists and from her address then, the local club became art minded and organized. So the Avon Park Club is her child, she sowed the seed and Mrs. Myrtle Taylor Bradford of Miami sowed it.

Not only art in flowers and painting, but poetry also was exhibited. Attorney Thos. McNicholas' poem, "Dedicated to the Woman's Club" on opening night, occupied a prominent place and was read by all and is so appropriate for the club's new home.

During the social hour light refreshments were enjoyed together with a general discussion of the exhibits.

On Saturday afternoon from 2 to 5 the exhibit was open to the public and guests from neighboring towns as well as local citizens availed themselves of the privilege. Seventeen states and Canada were reported.

The Art Club is open to any school pupil interested and talented. The meeting night is the fourth Thursday night in each month at 8 o'clock at the Woman's Club.—(Continued.)

a part in this fellowship and through it enlarge your opportunities to render service to an increasing number of acquaintances. We expect much from you in help and inspiration and we hope that collectively will make Avon Park a better place in which to live.

Visitors at the meeting were Harry Allan of Greenacres, Ind., A. L. Fields of Huntington, L. I., Major Ed Keenan of Frostproof, T. D. Todd, Jr. of Sparrowpoint, Md., and N. A. Broking, F. T. Hawkins and Guy Marcy of Sebring.

Mrs. Randle Failed To Appear In Court Here Last Monday

Mrs. Helen G. Randle failed to appear in the court of Justice of the Peace McCarthy here Monday to answer charges of false imprisonment and unlawful detention. She had been at liberty under a \$1,000 bond on the first show cause, if any there be, why she should not be so re-established.

It is further ordered that this notice be published once a week for four consecutive weeks (publications) in The Avon Park Times, a newspaper of general circulation, published in Highlands County, Florida.

charge and a \$100 bond on the second charge. J. C. Rogers, assistant state attorney was present for the hearing and when Mrs. Randle failed to appear Justice McCarthy bound her over to the circuit court on the false imprisonment charge and ordered the \$100 bond on the other charge forfeited.

About four o'clock the same afternoon Mrs. Randle's attorney, I. Hopper of Lakeland, appeared in court and stated he had not been informed of the hearing for that morning and said he would endeavor to have the \$100 bond reinstated and the case set for hearing later. Mrs. Randle was out of the state he said.

"The Gospel of Joy" Is Sermon Subject At Congregational

Sunday, March 7th.—Sunday School at 9:45 a. m. under Superintendent J. P. Garber with classes to suit all ages. Address given by Miss Alice Davidson. Morning worship and Holy Communion at 11:00 o'clock. Special music by the choir, under the direction of Prof. E. L. Roberts. Sermon by Dr. Elliott, subject "The Gospel of Joy." All members of the church are expected to be present at Holy Communion and members of other churches who are visiting in Avon Park are invited to join with us in this memorial of the Savior's death. The Young People's Pilgrimage Fellowship Hour will be held at 8:45 p. m. The attendance at the meeting and Dorothy Welsheier will introduce the topic.

The "Quiet Hour" service will be held on Wednesday at 7:30 p. m., when Dr. Elliott will give an address and also a reading from "A Soldier of the Future," by Dr. W. J. Dawson. The attendance at the church members at the mid-week service during Lent is strongly urged.

On Thursday, March 11th, the Ladies' Aid will serve a Turkey Dinner in the social room of the church at 6:00 p. m. Tickets, 65 cents each. The ladies promise to give a dinner as the one served by them a month ago, and as this will probably be the last turkey dinner for this season, a large attendance is expected.

The public is very cordially invited to attend all of these services and social gatherings.

Important News Social Security

Employers are reminded by the Commissioner of Internal Revenue that Federal Social Security tax returns on Form SS-1 must be filed by February 23. Employers may file these returns and pay the taxes during March without penalty.

Form SS-1 is the monthly return covering taxes on employees and employers under the Federal Old-Age and Survivors Insurance Act which became effective January 1, 1937, under Title VIII.

Copies of the form may be obtained from any office of Deputy Collector of Internal Revenue.

Employers are advised to keep in mind the following:

1. Comply carefully with instructions on form.
2. Make checks and money orders payable to the Collector of Internal Revenue.
3. Do not send returns or remittance to Washington, D. C., or to the Social Security Board.
4. Send returns to office of Deputy Collector of Internal Revenue.
5. Separate returns — SS-1 — must be made for each month.
6. All employers are required to keep permanent payroll records, as required by Article 412, Regulations 91. Forms SS-2 and SS-2A will be furnished by Collector's office on which the employer will submit this information for the period January 1, 1937 to June 30, 1937, and quarterly thereafter.

Deputy collectors of Internal Revenue are located in the following cities: Jacksonville, Tallahassee, Pensacola, Orlando, Lakeland, Tampa, Miami, St. Petersburg, West Palm Beach and Daytona Beach.

Every employer throughout Florida, employing one or more persons is concerned.

Think it "easier for a camel to go through the eye of a needle" than for you to benefit yourself by injuring others.

—Mary Baker Eddy.

He who has injured thee was either stronger or weaker than thee. If weaker, spare him; if stronger, spare thyself.—Seneca.

SCOUT NEWS

The scouts of Avon Park Troop 57 met at the new armory Monday night. The meeting was called to order by Calvin Bryant and his boys. Our loud mouthed scribe, Herbert Todd, called the roll and collected dues. Scoutmaster Johnny Rohr checked up on the contest. After this we went through a light drill.

We planned to start a forest project and are going to start next Saturday. We are going on a hike Friday night.

The scouts that wanted to stay after nine o'clock stayed and had boxing instructions.

Scout Reporter, BILL HOOK.

The Scouts here I am again and glad to say Hello once more. A sort of got pushed out of the column last week but that's what I get for trying to raise the troop committee when one Bill Becker is on the committee. Goes to show that the committee does stick to gether, sometimes.

So today I'm going to be wary of the committee and pop a question to the mothers, and here 'tis. Is it a coincidence, Mother, that your son's uniform is in the wash every meeting night? And if so, can you tell me when it will be out? It really is hard to understand how a suit can be in wash for four or five weeks at a time.

Yours, The Scoutmaster.

Difficult Speaking

Among man's greatest triumphs over physical disability are the "addresses" made by deaf, dumb and blind individuals to audiences of deaf, dumb or blind persons. On such occasions the "speaker" transmits his message by the pressure of his hand to an interpreter who, using the sign language, conveys it to the deaf-mutes in the audience and they in turn relate it through hand pressure to their blind neighbors beside them.—Collier's Weekly.
