

Big Value in Tires for The Smaller Cars

30x 3 1/2 Goodyear Double-Cure Fabric, All-Weather Tread..... **\$23.50**
 30x 3 1/2 Goodyear Single-Cure Fabric, Anti-Skid Tread..... **\$21.50**

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x 3 1/2 size in water. **\$4.50** proof bag.

GOODYEAR

Back of the manufacture of Goodyear Tires for the smaller cars is the same purpose to supply high value in the product that is behind the manufacture of the Goodyear Tires that equip the most expensive automobiles built.

This purpose is expressed by the enormous resources, extraordinary skill and scrupulous care applied to the manufacture of Goodyear Tires in the largest tire factory in the world devoted solely to the 30x3, 30x3 1/2, and 31 x 4-inch sizes.

The effect of this endeavor is noted in the fact that last year more cars using these sizes were factory-equipped with Goodyear Tires than with any other kind.

It is also noted in the fact that if you own a Ford, Chevrolet, Dort, Maxwell, or other car requiring one of the sizes mentioned, you can secure Goodyear Tires and Goodyear Heavy Tourist Tubes at the nearest Goodyear Service Station.

In addition to the club house there will be several cottages built this fall, so that by next winter Lake Byrd will be an ideal beauty spot in which to spend the winter months.

After the joy ride the members of the association went to the office of The Pilot and held a business meeting. The meeting was called to order by President George Goolsby. The matter of price for job printing was discussed for about an hour and it was found that all the editors and job printers in the association had kept their agreement to adhere to the Franklin price list except O. L. Shobe of the Arcadia Enterprise. Certain resolutions were unanimously passed in this connection and each member will be furnished with a copy of said resolution. The association went on record as being opposed to price cutting and unfair business methods. Such a practice was condemned. After an interesting business meeting of three hours the

meeting adjourned to meet at Arcadia June 12.

The editor of the News, like all the others, is very grateful to Mr. Adams and his friends who made the day so pleasant, and it is our desire to again meet at Avon Park—one of the prettiest little towns we ever visited.

(Moore Haven Times)

Last Saturday morning the Times man, accompanied by the "missus" and the former's mother, went to Avon Park to attend the meeting of the DeSoto county press and a good time was had. We were met at the train by Editor George Adams of the Avon Park Pilot and escorted to the big Avon Hotel where, at noon, a special, fine editorial dinner was served to the county editors who were in attendance, namely, Goolsby of the Wauchula Advocate, Hancock of the Zolfo Truth, Jones of the DeSoto News, McBride of the Arcadia job shop; also the Times man and ladies and Editor Adams.

After dinner the party was taken in automobiles out to the big grove holdings of the Pittsburgh-Florida company, which has something like 1,200 acres in orange and grapefruit trees, and which made a pretty sight. The trees are from one year to

four years old and looked very thrifty. The company will harvest quite a number of boxes of fruit next winter and the year following it will have a big harvest, though it is selling in five-acre tracts to any who wish to buy.

Afterward the return trip to town was made and a business session was held in The Pilot office. After that the Times man secured a jitney auto and took the ladies south of town to see the big crate and lumber mill that have just been erected there. Right within a stone's throw of the mills David Lockett, formerly of Moore Haven, has erected a new store building and put in a stock of groceries and seemed to be doing a good business.

Then back to town and to the hotel, which is managed by Mrs. Sadie B. Farrington and her charming daughters, and the service is about the best to be had in the state of Florida. Good food, everything neat and clean and good waiters; in fact, Avon Park should be proud of that hotel.

After supper we wended our way down to the station and waited for the train, which was late, but made good time to Moore Haven, which was reached at midnight. We had a good time and hereby return our

(Zolfo Springs Truth)

The editor attended a meeting of the DeSoto County Press Association in Avon Park last Saturday, where the members of the fourth estate were guests of G. W. Adams of The Highlands Pilot. After dinner, which was served at The Avon, the scribes, through the hospitality of Messrs. Durance and Todd, were tendered an automobile ride through the citrus section of the Highlands and through the large groves of the Pittsburgh-Florida holdings, which comprise more than twelve hundred acres under one fence, with hundreds of acres prepared for more settings. Later the gentlemen were driven over the Hillcrest site north of Avon Park. This is a proposition that is being promoted by Mr. William Beck for the Scenic Highlands Development Company. Avon Park is growing rapidly, a number of substantial buildings going up, and we believe that within a very few years Avon Park will be the metropolis of east DeSoto county.

Why No Half Holiday?

It is customary in nearly all towns in Florida for the merchants to close half a day each week during the summer months—usually Thursday afternoons. Why do not our merchants adopt this plan, thus giving their clerks an opportunity for a little rest? If all would adopt the plan no one would lose any trade. We would advocate Friday afternoon closing, however, so that we might enjoy the half holiday ourselves, getting away from the office Thursday afternoon being an utter impossibility with newspaper men whose publications come out on Friday. The latter day would put the clerks in better trim for the rush of Saturday business, anyway. Think it over, Mr. Merchant.

Take a Load Off Your STOMACH

Take a load off your stomach by making your blood pure. When you belch at meals and taste acid frequently, it's a sign that your system needs cleansing and toning up. Take

Pepsinol

and see how quickly your stomach responds, the belching stops and the acidity disappears. Regulation of digestive evils in your system has taken a load off your stomach. Your stomach cannot work with efficiency unless your entire system is working harmoniously. Pepsinol acts gently on the system, but restores it to normal, and at the same time gives such relief that your lost vitality is rebuilt.

Genuine Pepsinol is made only by The Peplax Medicine Co., Memphis, Tenn., and is in strict accordance with the Medical Standards of the United States Pharmacopoeia. Get Pepsinol at macipoeia. Get Pepsinol from Avon Park Drug Co.
