New Year's RESOLUTIONS

"Happy New Year"

RESOLVED

As we stand upon the threshold of a new year, to strive earnestly and in every way that lies in our power for bigger, better work and service, and with new enthusiasm and unbounded faith in the future to do our full share in making the year of 1921 the biggest and best in our history.

RESOLVED

That we remain firm in our belief that Avon Park is destined to become the biggest and best city on the Scenic Highlands; that the Scenic Highlands are and ever will be the best section of the state of Florida and that the state of Florida is the best state in the union, offering greater opportunity for earnest endeavor and honest effort than any other state.

RESOLVED

That we will start the new year with malice toward none and with a strong and steadfast determination to do our best to promote and maintain harmony within the borders of our town and condemn any and all attempts on the part of malcontents to tear down our institutions or hinder our progress in any manner whatsoever.

RESOLVED

That we will support with our means and influence every meritorious proposition for the permanent betterment of Avon Park and that we will never cease our efforts until Avon Park shall be known to the outside world as a city where opportunity knocks and encouragement is extended to those who would create a home or business for themselves within its borders.

RESOLVED

That we will discountenance lawlessness, strife, idle gossip, and internal dissensions and that we will work harmoniously together to aid in the maintenance of law and order, condemning in a vigorous manner those who would create friction or encourage actions detrimental to the interests of our citizens as a whole.
