For this, one-half the unreported message rate is charged in addition. Unless otherwise indicated on its face, this is an unreported message and paid for as such, in consideration whereof it is agreed between the sender of the message and this company as follows:

1. The company shall not be liable for mistakes or delays in the transmission or delivery, or for non-delivery, of any message received for transmission at the unreported-message rate beyond the sum of five hundred dollars; nor for mistakes or delays in the transmission or delivery, or for non-delivery, of any message received for transmission at the reported-message rate beyond the sum of five thousand dollars, unless specially valued; nor in any case for delays arising from unavoidable interruption in the working of its lines; nor for errors in cipher or obscure messages.

4. Messages will be delivered free within one-half mile of the company's office in towns of 5,000 population or less, and within one mile of such office in other cities or towns. Beyond these limits the company does not undertake to make delivery, but will, without liability, at the sender's request, as his agent and at his expense, endeavor to contract for him for such delivery at a reasonable price.
5. No responsibility attaches to this company concerning messages until the same are accepted at one of its transmitting offices; and if a message is sent to such office by one of the company's messengers, he acts for that purpose as the agent of the sender.
6. The company will not be liable for damages or statutory penalties in any case where the claim is not presented in writing within sixty days after the message is filed with the company for transmission.
7. It is agreed that in any action by the company to recover the tolls for any message or messages the prompt and correct transmission and delivery thereof shall be presumed, subject to rebuttal by competent evidence.

DELIGHTFUL PROGRAM

OPENS WOMAN'S CLUB SEASON

The first social event of the Woman's Club season was last Friday afternoon. The very entertaining program of musical numbers and readings was prepared and directed by Miss Furlow Anderson, which was as follows:

Welcome song by a group of school girls. A spirited duet was played by Misses Christine Reeves and Marjorie Lacey. Miss Alice Dutton sang a double number. Miss Mamie Lee Durranse rendered a brilliant piano solo. Mrs. DeForest Canfield sang two songs. Miss Myrtle Conoley played a piano solo in her delightful manner. Mrs. Ten Eyck gave a reading, "The Heart of London Town," and added a bright little encore, and Mrs. Walley closed the program with two beautiful songs.

After the program Mrs. E. O. Williams, assisted by Mrs. T. H. Lander and Miss Bertha Chin, served wafers and Delaware punch.

Judging from the interest and attendance at the first social meeting of the Woman's Club on this date the outlook for the future of this organization is very good.

The next meeting will be an important business session and all members are urgently invited to be present. It will be Friday, Nov. 3, and will close at 4:30 o'clock.

This is the greatest picture ever shown at this theatre. It is said to be better than "The Sign of the Cross." Sunday—"Cinderella" with Priscilla Dean. She will embody Miss Dean in "The Virgin of Stamboul" and a few may have seen her in "Under Two Flags." She is one of the great popular stars of the film world. Also "The Sign of the Cross." Monday—"The Sign of the Cross." This is absolutely the most sensational picture of the season. Also an Educational Comedy. Tuesday—"The Sign of the Cross." This is absolutely the most sensational picture of the season. Also an Educational Comedy. Wednesday—"The Sign of the Cross." This is absolutely the most sensational picture of the season. Also an Educational Comedy.

HOME MAKING

"The home as well as any other institution is judged by the product that comes from it, and for this reason the home and housekeeping should be the ideal of life, an organization so regulated as to render the greatest service to the family and the community," says Miss Sarah W. Partridge, state home demonstration agent.

"Education for service instead of against work as it is usually regarded, comes first in the realization of such an ideal. Out of education grows good management which is the basis for all successful housekeeping."

Health is a limiting factor in the realization of the home ideal, and this does not result in merely keeping away from the doctor but in real physical fitness. So the problem lies in preventing disease rather than curing it, which is accomplished by better selection and preparation of foods, better health habits and better plans for healthful exercise.
