SPRAY TOMATOES

TO CONTROL RUST

Most of the damage to the tomato
crop in Florida, caused by leaf-spot
or fruit-spot, is usually done during
rainy weather. This disease, com-
monly known as rust, injures the
foliage and rots the fruit, unless the
plants are sprayed with some good
fungicide.

Some damage by this disease is
done during dry weather, and one
must keep a lookout for it. The dis-
ease is present in practically every
field and is ready to do its damage as
soon as conditions are at all favor-
able. A few days of wet weather
will give it opportunity to ruin a
crop.

Spraying with a good fungicide is
recommended by G. F. Weber, truck
disease specialist of the Florida ex-
periment station. He says this should
be done as soon as the plants are well
established after transplanting, and
then every two weeks afterward, par-
ticularly if the season is wet.

Bordeaux mixture (4-4-50) or am-
moniacal solution of copper carbonate
are mentioned as the most effective
sprays. If the tomatoes are about
ready to market, Dr. Weber advises
that the ammoniacal solution be used,
since the bordeaux will leave a bluish
white coating on the fruit. However,
this is easy to rub off.

To make the copper carbonate solu-
tion, add a little water to 6 ounces
of powdered copper carbonate; stir
until a thin paste has been formed;
dilute 3 pints of concentrated am-
monia (26 degrees Baume) in a wood-
en vessel with 2½ gallons of water;
add the paste to the diluted ammonia
solution and make the whole up to
50 gallons by adding water.

Truckers who have spraying prob-
lems should consult their county
agents. They are prepared to help.

DESOLATION

Gray clouds are drifting o'er the sky,
Gray thoughts are in my heart;
And when I hear the low winds sigh
My quickened pulses start.
I seem to hear your baby voices,
Where'er the wild birds sing,
And life that once made me rejoice
Is but a lonely thing.

My soul is dark with mute despair,
And begs for you in vain;
I feel your presence everywhere—
Why don't you come again?
My arms are aching just to hold
You close upon my breast;
Just as I used to do of old,
You that I've loved the best.

I want to feel your baby hands
Again upon my face,
My soul cries out its wild demands,
While fast the hot tears trace
A salty path across my cheeks,
The daylight softly dies,
My hungry heart its pleading speaks,
But there are no replies.

Better To Be Prepared

Many a prudent man carries insurance on his property
and on his life, yet has no provision for old age.

Old age is steadily creeping on us. The youngsters do
not realize it, but day follows day, bringing us just that much
nearer the time when we will be classed among the aged.
There is one way to beat the old age game, by robbing it of
some of its terrors. It is possible to avoid a NEEDY and
DEPENDENT old age by forming the saving habit, the
earlier in life the better. Right now is the time. Don't wait
until you are old. Then it will be too late.

FLORIDA CITRUS FRUITS GOING FORWARD TO NICE, ITALY, ON PRESCRIPTION

Citrus fruits from Florida going forward to the Mediterranean country, long the home of the production of citrus fruits, is the situation developed through recent small shipments by the American Fruit Growers, Inc., to Florence, Italy.

The shipments are being made to George Herron, widely known American author and lecturer, who is now living in Florence. He has been seriously ill and his physicians prescribed grapefruit for his diet. While other citrus fruits are produced in abundance in portions of Italy, grapefruit is not grown there, therefore, these shipments of Florida grapefruit, which are being made by fast transatlantic boats.

The idea of thus obtaining Florida grapefruit for Mr. Herron is said to have come from the success of the American Fruit Growers, Inc., in laying down a regular supply of grapefruit for M. Georges Clemenceau in Paris, following his return from America where he became a strong convert to the virtues of grapefruit. Shipments are made from the New York office of the American Fruit Growers, Inc., from fruit received in that city.

P. Prune—the Prof.

Returning to his office from lunch he read the sign he had placed there when he left and which said, "Will be back in half an hour." So he sat down and waited for himself.

Florida Property Is Increasing in Value Every Day

Particularly is this true of property on the Scenic Highlands and in and adjacent to Avon Park. Our city is growing rapidly, new buildings being started nearly every day. Of course this adds to the value of all property, whether in the city or adjacent thereto.

"HILLCREST"

is close to the city limits of Avon Park. Its groves are increasing in value every day. The trees are growing nicely and show a healthy appearance, making an investment with the Scenic Highlands Development Company an attractive one. In fact, one has but to see the young groves, note the painstaking care being given the trees, consider the location and then ascertain what grove properties are selling for all around us, to become convinced that "HILLCREST" is a gilt-edge proposition.

MRS. BRICK ENTERTAINS THE FIVE HUNDRED CLUB

Mrs. John E. Brick delightfully entertained the Five Hundred Club and a few other friends at a charmingly appointed luncheon at Lake Bryd Lodge Tuesday afternoon.

Twenty-one ladies surrounded one long table, beautifully decorated in green and yellow—alamandas with thin rich wicker leaves, artistically arranged with a fringed edge of yellow foliage, forming a long centerpiece—same arrangement continuing at intervals the entire length of the table.

Jolly conversation, interspersed the very dainty and delicious five-course luncheon, so it was 3 o'clock when the ladies left the tables and retired to the lobby for the games.

The guests lingered until late afternoon, the greatest compliment a hostess can wish, thus assuring Mrs. Brick that she had again furnished a most entertaining afternoon to the Avon Park friends.

STRANGE BITS OF NEWS FROM EVERYWHERE

All the theater tickets, candy and flowers that Albe Pickens of Philadelphia, Pa., bought for pretty Miss Anna Margolis, failed to win her heart. Now he wants his money back and threatened suit against the girl's mother unless she returns \$75, which he says he spent on the daughter.

Albert Muller and Steve Jenkins, both of Cascade, Cal., wanted to take Mary Castello to a dance. Steve had a dress suit and Albert didn't. So Albert held up Steve in true wild west fashion and took the dress suit away. Steve missed the dance but he got a warrant.

At last the bachelors have come into their own. More than \$4,000, 000 has been bequeathed for a home for aged bachelors and widowers in New Jersey by the late Marcus T. Ward.

Prisoners are getting fat in the jail of Marinette, Wis. Former Sheriff Dohstien refuses to surrender office to Oscar Dahl, sheriff-elect. Both Dahl and Dohstien occupy separate quarters of the jail. They are each feeding the prisoners, making it "six quares" a day for the lucky quakes.

When Miss Lola E. Gardner was defeated for circuit clerk of Green County, Kansas, she married James G. Hale, who was the successful candidate. She was set to get it one way or another.

"Where does your money go?" was the wording of an electric sign that a banking corporation of Liston, Wyo., placed in their window. The bank failed to open its doors recently and a lot of people are wondering "Where?"

SALE

Today, Tomorrow and Saturday

WHAT IS A ONE-CENT SALE?

It is a sale where you buy an item at the regular price. Then another item of the same kind for 1c. As an illustration: The standard price of Jontel Combination Cream is 50c. You buy a jar at this price, and by paying 1c more, or 51c, you get two jars. Every article in this sale is a high-class standard piece of merchandise, just the same as we sell you every day at regular prices and have sold you for years.

A NEW WAY OF ADVERTISING

This sale was developed by the United Drug Company as an advertising plan. Rather than spend large sums of money in other ways to convince you of the merit of these goods, they are spending it on this sale in permitting us to sell you a full size package of high standard merchandise for 1c. It costs money to get customers. The loss taken on this sale will be well spent if the goods please you.

FOOD MISTAKES With Growing Children
Children have small stomachs but large food demands. They need a complete line of body-building material. And they need vast stores of energy, for they live at concert pitch. It is a mistake to fill such stomachs with bulky, unnutritious foods. Or with incomplete foods, which in some ways leave them underfed.
Milk—the Supreme Food
Milk is for children the food of foods—the greatest food produced. It contains 16 needed elements, including the six minerals required. In energy value it is rated at 1810 calories per pound.
With cereals it forms a practically complete food, rich in vitamins. A plate-full of some foods doesn't go as far as a dish of cereal and milk. That is why it is so important to make the cereal dish delightful.

FORD

ANNOUNCEMENT

OF INTEREST TO

Millions of Families

"I WILL BUILD A CAR FOR THE MULTITUDE," SAID HENRY FORD IN 1903—READ HOW THE FULFILLMENT OF THAT PROPHECY IS NOW MADE POSSIBLE THROUGH THE

Ford Weekly Purchase Plan

FOR MANY YEARS IT HAS BEEN HENRY FORD'S PERSONAL AMBITION TO MAKE THE FORD THE UNIVERSAL FAMILY CAR—TO PUT IT WITHIN THE REACH OF THE MILLIONS OF PEOPLE WHO HAVE NEVER BEEN PRIVILEGED TO ENJOY THE BENEFITS OF MOTOR CAR OWNERSHIP.

DURING THE PAST FIFTEEN YEARS OVER 7,500,000 FORD CARS HAVE BEEN PLACED IN THE HANDS OF RETAIL CUSTOMERS—MORE THAN A MILLION AND A HALF OF THEM WITHIN THE PAST TWELVE MONTHS—AND YET THERE ARE STILL MILLIONS OF FAMILIES WHO ARE HOPEFULLY LOOKING FORWARD TO THE DAY WHEN THEY CAN OWN A FORD.

AND NOW THE WAY IS OPEN.

UNDER THE TERMS OF THIS PLAN YOU CAN SELECT YOUR FORD CAR, SET ASIDE A SMALL AMOUNT EACH WEEK AND YOU WILL BE SURPRISED HOW SOON YOU WILL OWN IT. IN THE MEANTIME YOUR MONEY WILL BE SAFELY DEPOSITED TO YOUR CREDIT IN ONE OF THE LOCAL BANKS WHERE IT WILL DRAW INTEREST.

THE WHOLE FAMILY CAN PARTICIPATE IN IT—FATHER, MOTHER, BROTHERS AND SISTERS EACH DOING A LITTLE.

WHY NOT START TODAY. STOP IN AND TALK IT OVER WITH YOUR LOCAL FORD DEALER. HE WILL BE GLAD TO FULLY EXPLAIN THE DETAILS OF THE PLAN AND HELP YOU GET STARTED TOWARD THE OWNERSHIP OF A FORD CAR.
