DESOTO CITY TO VOTE ON BONDS TO BUILD SCHOOL

MODERN STRUCTURE FOR THRIVING COMMUNITY—FINAL COST \$40,000

Desoto City will vote on bonds to build a school house that will ultimately cost \$40,000. Truly it seems that the school building fever is catching in Highlands county—this being the third building proposed since the present term began. Avon Park and Lake Stearns are the other two.

The school board received a petition from the Desoto city electors at its regular monthly meeting and passed it, calling an election April 8 to decide on the bonds for the building of \$17,000 worth of bonds to build the structure for an eight-room building with an auditorium to hold 600 people.

While the structure will be erected at once of either brick or hollow tile, only the downstairs of the main building will be finished this summer, and the remainder will be finished probably next summer. The general plan also includes two wings to be added at either end of the building at later dates, when they are needed.

The structure for which plans have already been secured calls for a modern building with modern equipment and scientifically planned to meet the requirements of school work. It will have lavatories, principal's office, teachers' room, and a music room, which is to be equipped.

The class room will be 26x32, the equipment is to be the most modern obtainable. There will be four on the first floor to be finished up at once and four on the second floor to be finished up later. In addition to the fire-retarding nature of the construction, there will be fire escapes and other safeguards.

The first unit will be a "T" shape with the auditorium running back from the center of the class room section. When wings are added it will be in the shape of a "E".

Trustee L. F. P. Langford, Webster and Perry Eberhardt agree on considerable discussion of a new building got the "hall" thing started on Red Beach Lake Saturday.

The question was put to a vote of more than 100 present and there was no dissenting voice. The next day when Mr. Farmer was around with the petition asking the election, he got the signatures of 25 per cent of the residents without meeting but one lone objector.

It will be one of the finest country schools in all Florida.

VIC SMITH IS CITY TREASURER—SEPTIC TANKS ORDERED IN

Resignation of Mrs. Mona Langford as treasurer of the town and the appointment and confirmation of C. Victor Smith as treasurer of the town of Desoto City, was accepted at the meeting of the town council on Monday night, March 4, at the home of J. S. Francis lot, and final approval of the Dickie type septic tanks was features of the council sessions this week.

Mrs. Langford, who has taken a position with the first Trust, reported she would not have time for the duties as treasurer, and her resignation was accepted. Tuesday C. Victor Smith was appointed to fill the vacancy at a special session following the appointment.

Mr. Francis, in seeking the permit for his new bottling works, reported he planned to build a \$3,000 frame and stucco building.

The discussion waxed warm over suggestions from the mayor, transmitted in his report a permit that the council pass an ordinance closing drug stores from 5 until 11 a. m. and 2 until 5 p. m. He stated that practically all the merchants were in favor of the ordinance, and that a law would be brought up with state laws and was finally left to the mayor to work out the plan as best he can with the merchants individually. Under the city ordinance he has the power to close everything in town except livery stable, prescription counters and restaurants all day Sunday.

The city engineer reported that the state sanitary engineer had approved the Dickie type septic tanks and the mayor was instructed to have them installed.

The engineer also reported on the drainage of the hotel to district and recommended valley gutters leading to Lake Verona instead of the street. The council previously had instructed the bond trustees to use the valley gutters instead of storm sewer and took no further action. Engineer Joe Lacey reported that sufficient storm sewer for the situation would cost close to \$10,000.

SCHOOL OF INSTRUCTION FOR RECREABLE TO BE HELD AT THE PALAZZO TEMPLE

Mrs. Ethel Turner, president of the Rebekah chapter of Florida, will conduct a school of instruction for the Klansmen at the Palazzo Temple, Monday at 2 p. m. in the Klansmen Temple.

A regular meeting will be held at 7:30 p. m. at the Palazzo Temple, when all visiting Klansmen are invited to be present.

ODD FELLOWS WILL HOLD SCHOOL OF INSTRUCTION

Ladies of the Odd Fellows will hold a school of instruction at the Palazzo Temple, Monday at 2 p. m.

CLAM ROAD LOT UP CONTRACT PAYMENT HELD UP

ENGINEERS ORDERED TO PREPARE NO DATA 'TIL IT IS APPROVED

Payment for 8,200 square yards of the surfacing on the main county highway was withheld by vote of the county commissioners at the meeting this week following the verbal report last week of the auditor state highway engineer that work was not being done in accordance with specifications. The commission also instructed the county engineers, who were charged with changing the specifications at their own pleasure, to hereafter submit no "data to the board" no matter if the work had been approved by the commissioners and bond trustees.

The engineers without payment caused after an executive session in which it is understood John H. Treadwell, one of the attorneys handling the bond issue, told the joint session of the commissioners and trustees that no matter whether the engineers submitted the estimates of work done or not, the county would not pay for it until the work was approved by the commissioners and bond trustees. They could withhold payment.

The motion to withhold payment was carried by a vote of 4-1, as reported by Thomas Crews. The resolution stated \$2,800 as the bond trustees claimed. The engineers had stated \$2,800 square yards of work up to the contract, in particular that the base course had not been completed and resurfaced.

While no one would discuss the situation for publication it was rumored around that Mr. Treadwell had been very caustic in his remarks regarding alleged points where the contract had not been carried out.

Rumors that the Bryson Paving Company was to sue the county were denied by Mr. Bryson. The company has stopped work on both ends of the highway line. Mr. Bryson, in explanation, stated "we are out of material" and when asked when he expected more material he said "soon, with a broad smile that seemed to say, 'we get this thing straightened out'."

Langford Gets Venus Job

S. T. Langford was awarded the contract for grading up the road between Venus and Tammam, which will open the way for expansion of the town in the future. His bid was 24 1/2 cents per cubic yard. Other bidders were: Suburban, 25 cents; W. L. Gillis, 35 cents; M. A. Miller and H. G. Cassels, 34 1/2 cents.

The contract was awarded as follows: Beginning at southeast corner of section 33, township 34, range 28, there was a following line between 34 and 34, for 2 1/2 miles to a point 1,320 feet west of southeast corner of section 34, range 28.

The commissioners refused to intervene in behalf of D. I. Meyer, under bond after conviction for violation of the law.

An allowance of \$15 per month for clerk hire was allowed the bond trustees.

Blazers W. F. Tracey, Ira Rignold and H. S. Jones reported favorably on the proposed road, beginning on the east side of the highway, west and southwest corners of section 2, township 35, range 29, and ending at the intersection of the road was declared.

The same action was taken on the road beginning at 900 yards north of G. G. Abright's place and running south by G. W. Duran's place, the best and most practical route to intersect with the Greenville-Lake Stearns road.

Likewise a road was declared as follows: Beginning at Istokopka station, easterly to Ewing's place, north corner of section 3, township 34, range 28, and ending at the intersection of the Greenville-Lake Stearns road.

Olaf Hanson's property, assessed as improved, corrected to unimproved and tax collector notified.

TO HOLD MINISTREL SHOW FOR REBELLION

Plans for a minstrel show for the benefit of the baseball team's uniform fund were being made by the directors of the Avon Park Baseball Association in Murray Whitehead's office Monday night. The minstrel probably will be held in the Avon theater.

Head, Glenn Spink and J. B. Stringfellow were named the finance committee to attend to the details of the show. E. C. Shivers was named a committee of one on uniforms. Skipper was made superintendent of grounds, and is already on the job. Under Monday at 2 p. m. in the Klansmen Temple.

GEORGIANS LOCATE

Mr. and Mrs. B. C. Owen, formerly of Miami, are spending the winter here and will locate Mr. Owen, a prominent furniture man, in association with the Owen family. They are leaving with their family on Monday. Mr. Owen is a native of Georgia and is a member of the O. N. P. until they can find a home.

Officers Pittsburg-Florida Company Are Exonerated

CHARGES OF FRAUD AGAINST AVON PARK CONCERN'S OPERATORS ARE NOLLE PROSSSED BY THE GOVERNMENT

Charges of fraud against officials of the Pittsburg-Florida Fruit Growers Association of Avon Park, preferred in federal court in Pittsburg nearly a year ago, have been nolle prossed. The United States attorney, last week, after a hearing, advised President C. P. Anderson, in advising him of the pending decision to nolle pross the case, that a year's thorough effort to secure evidence to convict had failed to disclose any attempt to defraud, and that the case would have to be dismissed because he realized that he had no case whatsoever. The charges followed civil suits brought in federal court at Jacksonville by stockholders in an effort to dissolve the merger of the Pittsburg-Florida company and the Citrus Groves and By-Products Company some three years ago.

The indictment against the officials implicated C. P. Anderson, president; A. V. Anderson, secretary; and one of the most prominent financiers in South Florida; S. P. Duran, superintendent of the development here, which includes 4,400 acres—the largest citrus grove in the world.

Let Contract For Jordan Puts Fine Completing Indian Jewelry "On the Prairie Canal Now Block" Here to Stay

After some thirteen years of various efforts, it appears the Indian jewelry store, draining the Istokopka muck lands and that territory between Lake Okechobee and Lake Istokopka, will be completed as rapidly as a dredge can dig the ditch. The contract has been let to O. H. Harden of Okechobee, who was at Sebring yesterday where he announced a dredge had been bought and that it would be set up in the canal along State Road No. 8 within six weeks.

He plans to do the work with a floating dredge, after previous contractors have failed unsuccessfully to complete the job under almost every other known method.

There are approximately 400,000 to 500,000 cubic yards to be dredged. The canal is already cut to within a mile of State Road No. 8 and is to be completed by the end of the year.

The canal will be the first step in opening thousands of acres of the muck lands in the world, which will open the way for expansion of the town in the future. His bid was 24 1/2 cents per cubic yard.

Meanwhile the Indian Prairie drainage district, to the west of the canal, will be completed as rapidly as a dredge can dig the ditch. The contract has been let to O. H. Harden of Okechobee, who was at Sebring yesterday where he announced a dredge had been bought and that it would be set up in the canal along State Road No. 8 within six weeks.

ETHEREDGE GETS INTO RACE FOR STATE SENATOR

ONLY SOUTH FLORIDIAN WITH A CHANCE TO BE PRESIDENT SENATE

Announcement of State Senator E. J. Etheredge in the race for re-election to the state senate from the twenty-seventh senatorial district (Highlands, Hardee, Glades, DeSoto, Manatee, Sarasota, and Charlotte counties) lived the week in local politics.

The DeSoto City mayor-commissioner has been known to be favorably inclined for several weeks, so no friends throughout the entire district having been improving him to make the race. His antipathy to the race is responsible for the delay in announcing.

Senator Etheredge, one of the closest men in the senate to the state administration, has been active in behalf of what is the largest senatorial district in the state and his record of achievement, say his friends, entitles him to the seat without contest. In fact, it is stated that Manatee and Sarasota counties will turn it over to him to supply the senator.

Under a sort of unwritten political courtesy, however, when two or more counties comprise a district, are so well satisfied that there would be no contest in those sections.

While the senator has made no definite announcement it is understood he will be a candidate for president of the senate and that he has received a number of endorsements from practically every holder senator. Many of the leaders are known to be favorable to the DeSoto City senator for the presidency.

With a record of achievements not only in the senate but behind the road and especially in behalf of the district, Etheredge is a candidate for president of the senate and that he has received a number of endorsements from practically every holder senator. Many of the leaders are known to be favorable to the DeSoto City senator for the presidency.

Jacksonville Power Ford Sells Fertilizer Too Much Religion

A 50 Million Dollar Bryan Our Run Ripping Problem

To Mayors of Cities: Go to Jacksonville, Florida—this is what is in this city—call on Mayor A. J. and learn about Jacksonville, municipally owned electric light and power plant.

There is no cheap water power in Jacksonville—oil is used, at a cost equivalent to 45.00 a ton for coal. But the people of Jacksonville buy their current at a price lower than anywhere in the United States, except, perhaps, Seattle. So says John H. Perry, whose newspaper, the Jacksonville Journal, prints this column.

Selling at a low cost, the people of Jacksonville make a profit of three-quarters of a cent on their plant. They are building an addition to the plant costing eleven hundred thousand dollars, and their taxes are low.

Henry Ford, who will shock the nation by his plan to build a car that he would chop off the head of a leg-horn hen, has recently startled gentlemen in Jacksonville by stating that Ford's ammonia sulphate is a by-product of his coke plants. What inquisitiveness the fact that Ford sells his fertilizer, of the highest grade, \$12 a ton below the market price.

Apparently Ford is trying his hand at cheap fertilizers without waiting for Justice Scalia.

"Not too much, not too little," said Aristotle.

Even in religious emotion, excess is a mistake, and brooding leads to trouble. Frank McDowell got it into his head that he had committed the unpardonable sin.

The idea stayed, and by way of "expiation" he burned them as they lay asleep in their beds. He also preyed on his mind and added to his religious worries. So, by way of further "expiation" he shot his mother and father to death.

Such religious hallucinations were not unusual in the old days. They drove him to the point where they lived in filth and starvation, imagining that such conduct pleased God.

It didn't occur to them to ask why the Lord had provided a fertile earth and clean air if it pleased Him to see hermits dirty and hungry.

Many have seen the "holy man of Benares" sitting on sharp spikes, and accepting little contributions, and claiming that it pleased his particular God to see him sitting there.

The calming down of our religious emotions is a necessary step in civilization. Men begin to realize that the mysterious Power above have no need of faithful plants that we might take care of it like faithful gardeners and find happiness in the process, leaving the hereafter to a higher judgment.

Will the state of Florida accept or reject fifty million dollars of free advertising?

If Florida sends William Jennings Bryan to the national Democratic convention he will be giving his own expense and Florida will get free of charge in advertising in the United States. Advertisements as could not be bought for fifty or a hundred million dollars.

If Florida allows herself to be deceived by political gentlemen who belong to the Eastern party, who doesn't want Mr. Bryan to go to the convention, then Florida will lose.

President Coolidge asks thirteen millions for the coast guard to deal with smugglers. The authorities intercept 5 per cent of the whiskey now. Spending ten millions more they might intercept 7 per cent of it. And other drugs is a part of rum running.

The questions are, what is this government going to do about it? And how long will the public be content to let things drift?

WEIGLE TO SPEAK SUNDAY AFTERNOON TO MEN AND BOYS OVER TWELVE YEARS

"Building in Babylon" will be the subject of Dr. C. F. Weigle's first sermon in Avon Park for men and boys on Sunday afternoon at 3:30. The sermon will be delivered at the big tent Sunday afternoon at 3:30.

The services of this noted evangelist and his singer will be opened with a huge crowd Tuesday night and will continue twice daily except Mondays until March 25.

STEVENS SECURES A PART OF HOLM ELECTRIC CO. STORE FOR PLUMBING SHOP

Fred Stevens, local plumber, has secured a part of the Holm Electric Co. store for his office and display room.

Mr. Stevens plans to fit up an attractive display room and carry an extensive line of the latest up-to-date plumbing fixtures. His phone is No. 68.

HEAD WITH CONNELL

Dick Head, well known young business man, has been with G. A. Shebbins, is now with Connell Brown, where the same old smile and willing service is "needed."

Completion of the planting of another forty acres in the Mohawk grove and land in the latest up-to-date street, which has arrived from Lansing for a visit. The work of setting the remainder of the company's big tract will be carried right ahead.

Mr. Lang, who sold out his drug store a year ago, admits he couldn't get the "big bang" as he called it. The lack of a "big bang" was the reason, he said, "no matter how much I had to get back to the store."

FATHER JOHN'S MEDICINE

NO DRUGS

BUILDS NEW STRENGTH AND REAL FLESH

CATTLE TICK ERADICATION WORK BE MADE THOROUGH

The state live stock sanitary board, at its regular annual meeting at Tallahassee, decided to commence immediately a systematic eradication of the cattle fever tick in zone 13, in the western part of the state. It was also decided to reduce in the slightly the territory to be worked in zone 2, as decided upon at the Tampa meeting a month ago.

Another step taken by the board,

considered by cattle men of great importance, is that of providing a non-infectious dipping station at Arcadia, where cattle may be concentrated from all parts of South Florida, cleared of the tick and put in shape for interstate shipment. It is understood that government inspectors will be placed there to issue permits for shipment out of the state as soon as the cattle have been cleared of the ticks.

The reduction in area of zone 2 was made necessary, it was stated, to keep within the appropriations for the work. The schedule calls for vaccination to be completed and systematic eradication work undertaken in St. Lucie county, Okeechobee county, east part of Highlands county north of Lake Istokpoga and east of the Atlantic Coast Line railroad and east part of Volusia county east of the same road and south of the township line between townships 30 and 31. This will also take in about four townships in the lower end of Oseola county.

GAMES AND GOODIES

By **Drusilla Dare**

Molly May went to school for the first time in her little life the other day and she watched the children play games and had the most fun. "Prisoner's Base" was Molly May's favorite game and the one she most enjoyed. The children played it like this: They were divided into two teams and placed in rows facing each other. At each end of the school yard there were bases for each team. The leader stood between the lines and called out number "one" or "two." If he called "one" then team number one had to try to catch team number two before they could reach their base. The ones that were caught were prisoners and the game was played until all of the prisoners were caught.

Wholesome Apple Pudding

When Molly May got home from school she was—oh, so hungry! But her mother knew that she would be, and so she had prepared the nicest little lunch. And what do you think they had for dessert? It was a delicious baked apple pudding and this is the way her mother made it: Half fill a buttered pudding dish with sliced apples and make a batter of these ingredients:

- 1/2 cup butter.
- 1/2 cup sugar.
- 1/2 cups self-rising flour.
- 1 cup milk.
- 1 egg.

Pour this over the apples and bake slowly about forty minutes. Serve hot with soft sauce.

Some'n Fierce

He: "Say—do you have to see a doctor to get a little nip in this town?"

Another He: "Yep—you've got to see one before you can get it and from two to six after."

Barschel will appreciate your vote. F28-5tp

FLORIDA EXPOSITION TO BE HELD IN NEW YORK, CHICAGO, EAST CANADA

Success of Recent Show to Result in Three Big Exhibits Next Year

Annual exhibitions of Florida's resources and products in Madison Square Garden, New York; in Chicago in connection with the international live stock show, and at Toronto or Montreal, are in contemplation by the railway lines serving Florida and men of influence in all parts of the state.

Of course, John Ringling, originator and sponsor of the plan for holding the midwinter Florida exposition in New York City, is one of the men most prominently identified with the plans now in course of formulation for showing the people of New York, Chicago and eastern Canada the products, resources and possibilities of Florida.

Details of the tremendous program involved in the holding of three Florida exhibitions in as many large cities of the north and east are now in process of development, and while no forecast can be made as to the probable outcome of the discussions, those most closely in touch with the plans and the men back of them are extremely sanguine of the success of the project.

Another Garden Show

"It is asserted that Mr. Ringling purposes to hold another Florida exposition in the Garden next winter," said P. J. Strieder, general manager of the South Florida Fair and in charge of the Garden show for Mr. Ringling. "All that is desired is the same, or greater degree of co-operation received in presenting the show that recently closed."

But Mr. Ringling's ideas go far beyond the Garden show alone, and he is receiving pledges of assistance and co-operation from heads of the railways that serve Florida. Clement S. Ucker, development director of the Seaboard Air Line; S. Davies Ward, chairman of the Seaboard, and high officials of other railway and steamship lines, have become interested and have pledged their co-operation in every possible way to assure the success of the plans.

"The men, with several state officials, county officials and men of wide influence in all parts of the state, are seriously discussing the proposal to hold Florida exhibitions during the winter in Chicago and either Toronto or Montreal, in addition to the big show in Madison Square Garden. The discussion has already progressed beyond the tentative or preliminary stage, and ways and means of bringing the plans to fruition now are receiving consideration."

To Purpose of Those who are interested in the exposition plans to make every effort to have the state appropriate a sum sufficient to be of material aid in presenting a thoroughly creditable exposition of Florida products, resources and possibilities in the three cities. With a fair measure of financial support from the state, and the co-operation of the counties, railroads and other interests, there will be no question of the success of the plans."

Blonde Bes Opines

"Traffic cops are kind and helpful with all. I smiled my sweetest when one started to give me a speeding ticket and he said 'try that on the judge.' So I did—and it worked."

STOP COUGHING

Coughs cause feverish conditions, throat and lung strain and lead to pneumonia and serious sickness. The sooner you quit coughing the quicker you will feel better—and have a better night's rest. Leonard's Cough Syrup (Creosote) cures and soothes, inflamed, raw throats, raises the phlegm from the throat or strains it from the lungs, and removes the cause of the trouble. It is warranted by the first cough. Get a bottle of Leonard's Cough Syrup (Creosote) from your druggist. Fine for coughs, colds, grippe, croup, whooping cough and bronchitis. Pleasant, safe and sure.

OWNER OFFERS

Bearing Grove

CLOSE IN

Twelve-acre grove, just beginning to bear, one mile from town, fronting on pretty lake and main county asphalt highway.

Has four-room cottage and three acres of muck land, that will feed a family.

Florida Property Is Increasing in Value Every Day

Particularly is this true of property on the Scenic Highlands and in and adjacent to Avon Park. Our city is growing rapidly, new buildings being started nearly every day. Of course this adds to the value of all property, whether in the city or adjacent thereto.

"HILLCREST"

is close to the city limits of Avon Park. Its groves are increasing in value every day. The trees are growing nicely and show healthy appearance, making an investment with the Scenic Highlands Development Company an attractive one. In fact, one has but to see the young groves, note the painstaking care being given the trees, consider the location and then ascertain what grove properties are selling for all around us, to become convinced that "HILLCREST" is a gilt-edge proposition.

STATE PRESS ASSOCIATION MEETS AT OCOA, APRIL 17, 18 AND 19—PLAN PROGRAM

On April 17, 18 and 19, Cocoa will have the honor of entertaining the newspaper men of Florida as on these dates the Florida State Press Association will meet there in annual convention, having decided upon Cocoa as their meeting place last spring in Tallahassee.

Though the organization has been in annual session for many years at various cities in the state, the beautiful Indian River country has never before been selected, and to those editors who have decided upon Cocoa as their meeting place last spring in Tallahassee, it is safe to say the visit will prove a pleasant surprise, for it has much to offer that is different even to one from another part of the state.

The dates selected were in accordance with the request of the secretary of the organization, George Houser of Fort Myers, but are excellent dates from a local standpoint, as it is still early enough for fruit to be enjoyed, and late enough to be assured of beautiful weather, but best of all, it is the time of full moon and if any newspaper man can view the moon rising over the Indian River and fail to be "sold" on that section, then indeed his soul is dead.

While a program of business of the organization has not yet been arranged, local plans for the entertainment of the visitors are being made and assure everyone who comes a delightful stay.

The plans being made include a banquet and dance on Thursday night, an all-day entertainment at Cocoa Beach on Friday and a noon-day luncheon on Saturday. The entertainment on Friday is being arranged for by the Cocoa Beach Development Company and promises to be both novel and diversified, including a shore dinner, beach driving, auto races, free airplane rides, bathing beauty contests for the men editors, airplane stunts by the famous aviator, Mabel Cody and her flying circus and night fireworks exhibit from the planes and beach.

The New Hotel Indian River has been selected as headquarters for the convention as having the most commodious and capable of housing the hundred and fifty or more who will be in attendance, and the proprietor, Horace Sharrow, is himself planning to do everything in his power to make the newspaper men's stay in that section a memorable one.

NEW PICNIC GROUNDS AT DESOTO CITY ARE "CHRISTENED" RIGHT

DOZENS JOIN IN A GALA OUTING ON SHORES OF RED BEACH LAKE

DeSoto City, March 5.—The new picnic grounds, on the south side of Red Beach lake, which has recently been equipped with new tables, seats and pump, was the seat of amusement last Saturday when the large crowd assembled to enjoy the day. It was the first picnic held on the new grounds and every one appeared to try to make it a success. No one was disappointed. After the dinner was served, which consisted of the many things which only Florida can produce, many contests were indulged in by practically the entire crowd, boys and girls from five to eighty years of age. There are no old people in Florida. The first contest was a race of 100 yards. The prize was a box of soap. The next was a race of 200 yards. The prize was a box of soap. The next was a race of 400 yards. The prize was a box of soap. The next was a race of 800 yards. The prize was a box of soap. The next was a race of 1600 yards. The prize was a box of soap. WAVA GOWDIN CELEBRATES TENTH BIRTHDAY MONDAY

Miss Wava Gowdin entertained about thirty of her young friends at a jolly party Monday afternoon from 3:30 to 6 o'clock at the home of her parents, Mr. and Mrs. Geo. Gowdin, in celebration of her tenth birthday anniversary.

All kinds of games were played and made the time pass very quickly. Late in the afternoon the little hostess, assisted by her mother, served delicious cake and cranberry.

Those present on this happy occasion were: Wava Gowdin, Genevieve McClelland, David Lander, Hazel Cameron, Lamont Roberts, Karl Saggus, Frank Costine, Louise Bradford, Clifton McClelland, Elizabeth Chandler, Dick Wike, Katie Lou Martin, Hartwell Boyd, Martha Bell, Robert Bradford, Iona DeLoach, Clifton Bortington, Blossom Wells, Marshall Jordan, Mary Vilkaits, Lawton Roberts, Shirley Page Shepard, Frances Yone, Martha Weaver, Sue Ennis, Barbara Weaver, Elton Perry, Gwendolyn Weaver and Miss Sallie Myers.

WILLIAMS-COKER NUPTIALS
Lloyd Williams and Miss Lucy Coker, prominent young folks of the Sebring neighborhood, were married last week at the county judge's office by Mrs. Theda Sutton. The bride is the daughter of Ben Coker, long prominent in that section, and the groom is a well known young man.

HONOR MRS. WOLF WITH A FAREWELL PARTY

Mrs. Conrad E. Wolf, who has been spending a month or more visiting her parents, Mr. and Mrs. A. J. Nichols at their home on the Pine Circle, left last Thursday for her home in Hibbing, Minn.

Mr. and Mrs. Nichols gave a farewell party for Mrs. Wolf, several evenings before she left. It was a neighborhood party and every one had a delightful time. A delectable lunch, consisting of chicken salad, creamed potatoes, hot rolls, nut bread, coffee and cake was served by the hostess.

METHODIST ENTERTAINMENT WAS A SPLENDID SUCCESS

"The Pumpkin Center Commencement," a play given by the members of the Methodist church at Brickell hall last Friday evening for the benefit of the Sunday school department of the church, was a splendid success both financially and from a standpoint of furnishing an evening of pleasure to the audience which packed the hall. Seventy-five dollars was added to the Sunday school fund. Each character was especially suited to the part and brought much applause from the enthusiastic gathering with their funny essays and comical actions.

HONOR MILDRED WRAY

Mrs. F. Elmore Wray entertained a number of little folks at her home Saturday afternoon in honor of her daughter Mildred's tenth birthday.

A fine time was enjoyed with games and merry making, after which ice cream and cake were served. Miss Mildred was the recipient of numerous gifts brought by her young guests. Those present were: Louise Bazzell, Phyllis Moffett, Della Reck, Gertrude Rowland, Mary and Agnes Vilkaits, Byron Ellison, Dale Marsh, Nelson Smith and Junior Stebbins.

AT THE BAPTIST CHURCH

Rev. Frederick Coan, who has been missionary for 38 years to Persia, will speak at the Baptist church Sunday morning, March 9, at 11 o'clock.

ELLIS-TOMLINSON NUPTIALS

Caney Ellis and Alma Tomlinson were quietly married here last week by George L. Crews, notary public.

WHERE THE STORK STOPS

Mr. and Mrs. Earl Hartt are rejoicing over the arrival of a little son, born Feb. 21.

Born to Mr. and Mrs. Leo L. Bales, a baby boy on Feb. 22.

A baby girl was born to Mr. and Mrs. J. H. Johnson on Feb. 27.

Born to Mr. and Mrs. J. H. Johnson, a baby boy, on Feb. 27.

Mr. and Mrs. H. H. West will leave Sunday for their home in Washington, D. C.

THE BATH ROOM

The "modern" test of a home is the bath room. People will so judge your new home. Decide now to have the newest equipment and fixtures.

Perhaps you are this year planning the installation of a new and modern bath room in your present home?

A pedestal wash bowl; set-in bath tub with shower attached; a mirrored-back enameled medicine cabinet; silent flush toilet. In fact, all that is new will be supplied if you say the word.

MR. AND MRS. PRESS BROOKS ENTERTAIN

Mr. and Mrs. Press Brooks entertained a number of their people at a jolly party Friday evening at their home on Verona avenue. The party enjoyed the play, "Pumpkin Center Commencement" at the Brickell hall in the early part of the evening, later going to the Brooks home, where they played games, roasted marshmallows and had a general good time.

At a late hour the hostess served delicious refreshments, consisting of fruit salad, hot chocolate and cake. Those sharing the pleasure of the evening were: Misses Maude Bass, Kate Bond, Rosie Hill, Claude Crews, Ida Bowman, Messrs. Jack and Pat Stolls, Elmer and Arnold Hanson, Jimmie Bond and Mr. and Mrs. Press Brooks.

MRS. JORDON ENTERTAINS THE FIVE HUNDRED CLUB

Mrs. Charles Jordan delightfully entertained the Five Hundred Club Tuesday afternoon at the home of Mrs. John Brick. The card tables were arranged on the veranda, it being a lovely spring day.

The games were very interesting and at the conclusion of the play the hostess served a delicious salad course, punch, cake and coffee.

Those present were: Mesdames A. H. Able, C. P. Anderson, John Brick, J. S. Francis, S. Y. Hart, Joe Lander, W. A. Marshall, P. L. Rumpsey, Norton Smith, Henry Timm, Miss Nan Straubel and Mrs. Jordan.

CAMPING PARTY AT LAKE JOSEPHINE

Mr. and Mrs. Earl Buterbaugh and Mr. and Mrs. Glenn Masters chaperoned a jolly camping party at Lake Josephine over the week-end. All kinds of delicious eats were taken along and the fishermen in the party added fish to the menu soon after their arrival at camp. Those enjoying this delightful outing were: Miss Virginia Buterbaugh, Reba and Annie Ginn, Messrs. Clyde Nanny, Mark Lance, Harry Laird, Bill Hilton, Al Jamour, Dick Head, Howard Buterbaugh, Mr. and Mrs. Glenn Masters, and Mr. and Mrs. Earl Buterbaugh.

George Whitehouse was a visitor here Tuesday from Sebring.

C. R. Ginn was a business visitor to Sebring Monday afternoon.

Mr. and Mrs. R. C. Walker have moved into the Duck cottage on Lake avenue.

J. A. Caldwell of Lake Wales and Avon Park, spent the early part of the week here.

Steve Roberts was a business visitor here Monday, motoring from his home in Zolfo.

Mrs. L. D. Roberts spent Tuesday in Plant City visiting her mother, Mrs. H. S. Booth.

Prince Burke of Anthony, Fla., spent Sunday here, the guest of the I. M. Marsh family.

Mrs. Lester Lockett of Moore Haven is visiting Mrs. Curtis Engle at her home here.

Dr. Ira Landrith, head of the "Flying Squadron," was a guest at the Hotel Avon last Tuesday.

Mr. and Mrs. R. C. Eggers and children were among the motor visitors to Sebring Sunday afternoon.

Mrs. Larkie McCraven of Ocala is the guest of her sister, Mrs. J. R. Stringfellow, at her home on Verona avenue.

C. P. Anderson returned Friday noon from a short business trip to Washington, D. C., and other points north.

Mrs. E. C. Dusenbury and little son have joined Mr. Dusenbury and have rented a house, street.

Mr. and Mrs. R. I. Harris, former Avon Park residents, were visitors here Monday and Tuesday from Punta Gorda.

Mrs. T. P. McClelland and son, George McClelland, of St. Petersburg visited the R. E. Palmer family here this week.

Mr. and Mrs. E. F. Peck of Hampton, Va., are sojourning in the Park and while here are guests at Lake Byrd Lodge.

Dr. and Mrs. Ben D. Caswell of Sanford were Sunday guests of the former's sister, Mrs. J. B. Stringfellow and family.

Mrs. Emma Powers left today for her home in Kissimmee, after a pleasant visit of several weeks here with her sister, Mrs. L. E. Bass.

James A. MacElwee arrived here Saturday evening from Washington, D. C., and spent Sunday the guest of the F. L. Middleton family.

Mr. and Mrs. E. F. Stearns of Washington, D. C., spent the past week here, leaving Tuesday for Kissimmee, where she will visit friends.

Mrs. L. D. Blanton and two interesting little children of Tampa are the guests of Mr. and Mrs. Gilbert Freeman at their home on Verona avenue.

Mr. and Mrs. M. J. Bouillon and little daughters, Dorothy and Fern, and Mr. and Mrs. C. W. Pabor, Miss Mary and Miss Hettie Pabor spent Sunday at Arbuckle creek.

Miss Beatrice Bass motored to Winter Park and spent the week-end visiting her friends and society sisters at Rollins College. Mrs. L. M. Marsh accompanied her to Kissimmee.

Miss Katie Bond, Miss Ida Bowman, Miss Bertha Eames, Mrs. Press Brooks, Jack and Pat Stolls and Elmer Hanson formed a jolly motor party to Fort Meade Sunday afternoon.

Mrs. Kenneth Kerr and little Miss Virginia LaBelle, who have been spending the past month at Lake Byrd Lodge, left Saturday afternoon for Orlando, where they will visit a while before returning to their home in Youngstown, O.

Mr. and Mrs. H. E. Rowe are among the visitors here from the Buckeye state. They are guests at Lake Byrd Lodge, and Mr. Rowe, being an ardent fisherman, is delighted with his luck with the rod and reel, having taken several fine specimens from Lake Byrd. Their home is in Youngstown.

If taken at once will sell cheap, six shares Florida Citrus Nursery Co. stock, ten shares of Pittsburgh-Florida Fruit Growers Association stock, and contract for one acre of grove. Apply to owner. W. R. England.

Avon Park, Florida

A City of Progress

To plan, inaugurate and execute the intensive development necessary to the building of a modern city and resort of the better class—is a far greater undertaking than the development of an ordinary subdivision of a few hundred acres.

To clear the land—grade and construct 30 miles of paved streets—more than 25 miles of cement sidewalks and curbing—lay 24 miles of water pipe—erect 621 light poles and string 30 miles of electrical wire—put up and equip 150 cement light standards, each carrying five lights—and all in a little over two years—is a huge contract—but it has been successfully accomplished at

HOLLYWOOD

By-the-Sea

This was only made possible because the complete construction of all public utilities and features has been done by the HOLLYWOOD LAND AND WATER COMPANY—under the direction of skilled engineers.

Nothing is let out under contract—but is done by the company in order that the work will be both right and permanent.

The company owns \$150,000 worth of machinery and equipment for doing this work that is developing HOLLYWOOD-BY-THE-SEA into one of the great cities of this famous resort section.

To the thousands of visitors and residents of this section a cordial invitation is extended to visit this new modern city.

FREE sightseeing trips are now made twice a week from Avon Park to HOLLYWOOD-BY-THE-SEA. Full information, including special rates at the HOLLYWOOD HOTEL will be furnished on receipt of signed coupon.

Mr. J. L. Yonce, Local Manager,

Avon Park, Florida.

Dear Sir: Kindly send me, without obligation on my part, full information about the sightseeing trips and some descriptive literature about Hollywood-by-the-Sea.

HELPFUL HEALTH TIPS

Cuts—Peroxide is preferable to iodine if used for a cut, as it can be tied afterwards with a bandage. Iodine should never be tied up after being applied, as it will cause a severe burn.

Babies—Don't let a child use a pacifier. It strains the muscles of the throat, is liable to cause adenoids, and spoils the shape of the mouth.

The Tribune and some others have so much about splitting the gasoline tax equally among the big counties and the small ones that they never think to cuss the government because it gives us as much of the federal road funds as it does New York.

Confessions Ease Souls
She: How kind of you to bring me those flowers. Such lovely ones, and to think there is some dew on them yet.

PICKS HIGHLANDS COUNTY TRACT FROM ALL COUNTRY

Dr. William Cammack, returned medical missionary from West Central Africa, has picked a Highlands county site after looking the country over. He bought a 40-acre tract adjoining Big Red Water lake, just north of Lake Jackson, through E. L. Laird, sebring realtor.

Dr. Cammack, who comes with his family, plans to develop the tract with avocados and bananas. He believes he has an ideal location for his plans.

DICKINSON FOR DELEGATE
Judge J. J. Dickinson, Sanford, has announced his candidacy for Democratic delegate to the national convention. Judge Dickinson is the father of Alec Dickinson, prominent young man here and Miss Ethel Dickinson, popular local school teacher.

He: Why—er—yes. But I'm going to pay the florist tomorrow.

EIGHT GANGS AT WORK ON F. W. & N. MORE EN ROUTE

SIX BETWEEN HERE AND ARBUCKLE—30,000 TIES AT LAKE GARFIELD

Lifting the veil from the doubters, six gangs began work Monday morning clearing the right-of-way for the new Florida Western and Northern Railway. Simultaneously, almost, two gangs of graders—one a 43-mile outfit and the other a steam shovel outfit—started their work. All between here and Arbuckle creek, most of the operations being between the creek and Sebring.

Arrangements have been made to open a huge camp of workers just north of Avon Park and another week probably will see seven or eight gangs working between here and the Lake Garfield line. Negroes arriving here from Bradenton say they are to begin work north of town soon. Many of these were members of the gangs that worked under the Roux plans.

Arrival of two cars of mules, a crew of 10 men and 30,000 cross ties at Lake Garfield was admitted here by engineers for the new road and issue will be used between the Park and Winter Haven.

It is not thought that the work north of the Lake Wales-Tampa Seaboard line will be begun for some weeks yet, the right-of-way being undecided at this time, while right-of-way agents await a final location for the line. Locating engineers are surveying several new lines just now, one of them being much closer to Lake Wales than the present line, which runs through Lake Garfield, near Bartow.

From the Highlands county line to Okeechobee, though, is decided definitely and especially between Sebring and Okeechobee, right-of-way troubles are at a minimum as most of the land is in large ownerships and all undeveloped land, the owners of which are welcoming the road.

A huge drag-line outfit, has been unloaded at Sebring for use in grading up on the prairie and probably will be manned and put to work before this month closes.

PERSONALS

Anson Longstreet returned here Tuesday evening from Lansing, Mich., and expects to remain about six weeks. Mr. Longstreet is a grove owner and prominent winter resident. Mrs. Longstreet has been here since early in December.

Mrs. Gertrude Lee and son Gordon arrived several days ago from Bartow and will visit Mrs. Lee's parents, Mr. and Mrs. W. A. Wolff, for a week or more. They were accompanied by Mrs. Sam Cox of Bartow, who will also be a guest at the Wolff home.

TO BUILD HUNDRED NEW HOMES IN HOLLYWOOD

An extensive building program for Hollywood-by-the-Sea for this year is announced by Joseph W. Young, resident of the Hollywood Land & Water Co.

One of the features of this will be the building of 100 modern homes of Spanish type by the Hollywood Company. These homes will range in price from \$5,000 to \$8,000, combining every feature of beauty, elegance and comfort in homes of that type.

The necessity of more homes for Hollywood has been evidenced lately by the fact that families wishing to reside in Hollywood have not been able to find housing accommodations. Rents in Hollywood have been unreasonably high for that reason. Work on these homes will begin early in the summer.

REGISTRATION BOOKS ARE OPENED IN THE PRECINCTS

Registration for the June primaries is made easy for voters through the opening of the books in the various precincts where they will remain until April 7. After April 7, the books will be moved to the office of Supervisor of Registration James Carlton, at Sebring, where they will be open until May 1.

The precinct registration headquarters are: No. 1, Florida Pharmacy, Avon Park; No. 2, tax collector's office, Sebring; No. 3, O. S. Bowles' residence, DeSoto City; No. 4, Mrs. Ruth McArthur's residence, Lake Starline; No. 5, Lewis M. Morgan's residence, Venus; No. 6, postoffice, Hicoria; No. 7 (Bassett), Jaula Howard's residence, Istokpoga creek. Poll taxes must also be paid prior to the primaries.
