IN AND ABOUT THE COUNTY SEAT

MASTER MITCHELL HOST
AT A BIRTHDAY PARTY

Thomas Mitchell, Jr., celebrated his fifth birthday Wednesday afternoon with a party at the home of his parents in Sebring. The afternoon was spent in games, under the direction of Miss Nellie Kinsley. A Jack Horner pie, from which each guest drew a gift, was one of the attractive features of the fun. At the close of the afternoon, a delicious birthday lunch was served, a large birthday cake with five lighted tapers being the center of attraction. The small cake was the recipient of many gifts to help him remember this happy occasion. The little friends who assisted him in celebrating were: Mary Ellen Lucile, Gordon Hobart, Dorothy Shoemaker, Leona Shoemaker, Dorothy Cash, Pearl Cass, Helen Van Meter, Patricia Stevenson, Katherine Spivey, Alice Spivey, Frances Hansen, Grace Cason, Florence Lane, Nellie Lincoln, Keith Ryall, Billy Wynne, Paul Rineberger, Jr., Alfred Butler, Beas Butler, Jack Ingles, Barbara Leigh Sebring, Billy Spiller, Annie Laurie Whitley, Thomas Hewitt, E. F. Cawley, Caravasio, Howard Weems, Jr., Lewis Howell, Elizabeth Graybill, Billy Horn, Edward Green, Barwell Green, Dorothy Poland, Bobby Welsh, Wilma Griggs and William Dutton.

MRS. SEBRING BOOKS TARPON
A party of Sebring people spent several days last week at Boca Grande, enjoying the deep sea fishing. They report a glorious trip, though they were not able to bring back any trophies of the rod and reel. Mrs. Charles Sebring hooked one tarpon and got two jumps, but her line tangled on the propeller of the boat, and she lost both fish and line. Those

SEBRING BOARD OF TRADE
HOLDS WEEKLY MEETING

The Sebring Board of Trade held its regular Tuesday luncheon meeting, with a goodly number in attendance. The advisability of urging a road issue to be submitted to the vote of the people for larger water mains and for the needed municipal pier, golf links and community house was discussed.

Discussion of various other matters of interest to the city and county were carried on, and the committee on the citrus sign-up plan reported good progress in their drive.

WINTER VISITOR INVITED TO
ADDRESS CONGRESSIONAL CLUB

A signal honor has been given Dr. J. E. Scott of Sebring and Altoona, Pa., who will leave the Highlands next week for the summer. He has been asked to appear before the Congressional Club in Washington, D. C., at its meeting early in June, to deliver his famous address, "An Unwritten Chapter of American History." Dr. Scott delivered this address before the high school in this city last year, and also at a public meeting in the auditorium. He is an authority on much of the history of the early days of the Colonies, and has been instrumental in the formation of the Highlands County Historical Society. He is one of the large citrus and muck land owners in Highlands county, and makes his home here for six months in each year.

who made up the party were: F. A. Sebring, Mrs. Charles Sebring, Miss Nina Sebring, Miss Hattie Catagni and Louis Catagni.

CLOCKS FOR SEBRING

The Western Union clocks, which were secured for Sebring through the efforts of Van Stephens, manager of the Western Union office there, have arrived and are being installed this week. Besides the master clock, which is in the office, there are six other clocks, which will be placed in different business houses. Sebring is the first city on the Ridge to get this innovation.

SEBRING PERSONALS

Mr. and Mrs. M. Kahn and Master Leon Kahn spent Thursday in Tampa. Rev. and Mrs. A. Groves, who were winter guests in this city, left Tuesday for their home in Silver Creek, N. Y.

Miss Annette Kahn has arrived from Felham, Ga., to be the guest for the summer of her brother, Michael Kahn and family.

Miss Marie Brewster of Chicago, who was called here several weeks ago by the death of her sister, Mrs. Edward Maxwell, returned to her home Friday.

Mr. and Mrs. Ira Rigdon and Miss Mary Patrick returned Saturday from a visit in Orlando and Deland. They attended the bankers' convention while in Orlando.

Mr. and Mrs. William Cowdy and Miss Bertha Cowdy of Buffalo, N. Y., will leave Wednesday for their home. They will return again next fall.

STAR OF HOPE

Mrs. N. V. B. Horn
In Sebring White Way

"Star light, star bright, first star I've seen tonight—
"I wish you may, I wish you might grant the wish I wish tonight," chants a carefree child with her laughing eyes upturned.

"Star light, star bright—" sighs the staid maid. From the earliest days the star has been the symbol of hope. It has guided men on through the ages, and has been the inspiration of poets and the guardian of lover's secrets.

The star brought the three wise men to the Babe of Bethlehem, and it is emblematic of the Love Eternal that sheds its wonderful beams to lighten the woes of the burdened world. On the mountain top and in the valley, from the ice-cold north to the sunny southland, it glows with the rays of hope.

Nations may rise and fall, kingdoms wax and wane, but the stars steadfastly shine on, keeping their watch over the children of men. There is something stabilizing in that knowledge, something tangible to grasp when unrest shrouds the mind. "Bodily rest," said Newcomb, "may be obtained at any time by ceasing from our labor; but weary systems may now of no way in which complete rest may be obtained for the weary soul—in which the mind can be so entirely relieved of the burden of all human anxiety—as by the contemplation of the spectacle presented by the stary heavens."

We can not at all times cease from our labors, not all of us can take a rest cure, but the poorest and the lowliest, as well as the richest and the highest, may gaze at the stary heavens and obtain rest and peace and hope.

Sanford & Brooks Co., who are grading the right-of-way for the new S. A. L. railway, has brought his family here from Baltimore, and they have taken up their residence in "Sunset Cottage," on Lakeview Drive.

Mr. and Mrs. Frank Johnson, Jr., and Mr. and Mrs. Leo Johnson and daughter of Tampa, were overnight guests at the Nancess-o-over Friday night. They were charmed with the Ridge section, and plan to return to Sebring later for a longer visit.

Mr. and Mrs. Charles Rogers entertained at tea Sunday evening in honor of their guests, Mr. and Mrs. J. D. Lettel of St. Petersburg. Their guests were: Mr. and Mrs. G. V. Hudson and little Carolyn Jane Hudson, Mr. and Mrs. N. B. Florey and Mr. and Mrs. J. D. Beery.

Word has been received in the city from Mrs. I. L. Sheffer of Stewartstown, Pa., who was the season guest of Mr. and Mrs. W. L. Crews on Oak avenue, that her son, Earl Sheffer, died suddenly on Friday in a hospital in his home city. His death came after an operation, which was performed in an attempt to save his life.

A party of tourists, who spent the winter at the Myers Apartments, left Tuesday for their homes, first spending a few days together in St. Augustine. The party consisted of Mrs. Hattie Walter, who goes to Eton Rapids, Mich.; Mr. and Mrs. W. H. West, Springport, Mich.; Mrs. Elizabeth Smith, Gainesville; Mr. and Mrs. J. Pritchard, Ely, Ia.; Mr. and Mrs. George E. Coping, East Dorset, Vt.; Mrs. Bertha Frost, Massachusetts.

A company of Sebring people and their guests motored to Fertile Valley Saturday for an all-day picnic. Fishing and alligator hunting were the sports of the day. Those who went were: Mrs. M. B. Walton of Lakeland, Mr. and Mrs. W. F. Churchill, J. W. Geary, M. E. Lanier, James Carlton, H. L. Kelley, B. L. Laird, C. W. Rogers, J. J. Rineberger, Dr. J. M. Anderson, Clyde Anderson, George S. Boyd, Tobias Stipe, George Stipe and Lawrence Stipe.

Mr. and Mrs. J. N. McCartney and Mrs. Morie Michener entertained a party of friends with a porch party Thursday evening at the Magnolia Apartments. The evening was made delightful with music and social intercourse, and dainty refreshments were served. The guests were: Mr. and Mrs. H. E. Stewart, Mr. and Mrs. H. L. Ferguson, Mr. and Mrs. J. R. Alexander, Mr. and Mrs. M. W. Baker, Mrs. Susan Alken, Mrs. J. W. Griggs, Mrs. R. J. McMurray, Mrs. Alice English, Mrs. Alice Brian, Dr. and Mrs. J. M. Alexander, Mr. and Mrs. J. W. Geary, Capt. A. Binger and H. M. Goff.

ELIMINATING CURVES ON
THE SCENIC HIGHWAY
NORTH OF FROSTPROOF

The reverse curves between Frostproof and Lake Wales are to be eliminated, according to C. W. Creekbaum, state road department engineer, who has been instructed by the department to straighten them out as much as possible and at least enough so as to make the full extent of visibility from either end of the curve.

F. L. Cody of Babson Park has been working out the right-of-way involved and things are at such a stage as to assure the work being done, it is said.

Florida Property Is Increasing in Value
Every Day

Particularly is this true of property on the Scenic Highlands and in and adjacent to Avon Park. Our city is growing rapidly, new buildings being started nearly every day. Of course this adds to the value of all property, whether in the city or adjacent thereto.

"HILLCREST"
is close to the city limits of Avon Park. Its groves are increasing in value every day. The trees are growing nicely and show a healthy appearance, making an investment with the Scenic Highlands Development Company an attractive one. In fact, one has out to see the young groves, note the painstaking care being given the trees, consider the location and then ascertain what grove properties are selling for all around us, to become convinced that "HILLCREST" is a gilt-edge proposition.
