BOND TRUSTEES SUGGEST ACTION FOLLOWING CRITICISMS

[illegible]

The commissioners, on suggestion of the State Road Department, ordered the \$20,000 they had offered the department, spent in widening the grade westward from the Kissimmee river, the department having promised to take care of surfacing the highway without the \$20,000.

Assessments against candidates were withdrawn, upon telegram from the attorney general, and new levies of 3 per cent of the compensation of the officers aspired to, were announced in conformity with state laws.

The jail was formally accepted and the contractor paid in warrants, payable in July, 1926, the architect was paid in full, and bonds of the contractor were returned.

A petition requesting changing the road from Old Venus to Glades county was referred to C. T. Williams, C. F. Poole and G. R. Mathes, as assessors, to check the route "beginning just north of Section 34, on half section line, where present road crosses bridge, run onto half section line, co-

inestimable value to the city. He planned the need for it as a means of helping the traveling public to wintered in Sebring, and urged formation of such an organization.

H. O. Sebring voiced his pleas that his father had extended Nan-ces-o-wee's hospitality to board of trade for its luncheon, suggested that as each man had prepared to pay for his luncheon, money be placed at the disposal

the tourist committee, and used them either to organize a tourist club, or in any way they saw fit as a nucleus to do some of the things needed to make Sebring more attractive to the winter visitors. This was with unanimous approval, and money was turned over to the committee.

In case of change of address in current issue, please send in our hands 15 days in advance.

The rainy season was "balled" in yesterday.

Let's stay behind the ball team right now.

Better Homes—Trim the trees, clean up the yard.

Why not wake up the board of trade for a busy summer ahead?

Better Homes—Do that painting mother has spoken of so often.

Better Homes—Get that household convenience which has been waiting so long.

Better Homes—Fix that broken chair, that torn sofa, that break in the walk.

While the jacaranda tree is so beautiful, why not consider some way to preserve this "season"?

One thing you can say about the new railroad: They are building it now.

We ought to send a big crowd to Tallahassee to show the department we appreciate their help on State Road No. 8.

"Doc" Manley of Sebring suggests keeping the ridge league going through the winter, isn't that worth thinking about?

There may be some way of converting the rock pile between Sebring and the tank into a road, but we anxiously await the showing.

With municipal links at Sebring and at Avon Park the Highlands county guffers will be well taken care of. Let's make it unanimous.

Every man owes it to himself to vote the second choice vote. There is no stronger Martin supporter than this paper, and we advise every Martin voter to use his second choice vote.

John Martin went to West Florida and told them frankly he favored re-reporting the state. Frank Jennings has been here and sends word he is gaining throughout that section. What did he promise them?

Jack Worthington, of the Lake Wales Highlands, is out for delegate to the Democratic national convention from the first district. He will be nice to have a lot of newspaper men up there, and Lambright and Worthington will be nice.

We don't want to forget that neither the Florida East Coast nor the Atlantic Coast Line have withdrawn their protests against the new road. We simply scared them out of showing up at Jacksonville. But in the darker recesses of their Washington offices, they are still perfectly at home.

If the bobbed-hair bandit of New York hadn't had his hair clipped she wouldn't have received even passing notice. But, "Bobbed Hair Bandit" permitted the great New York newspapers to exploit their Laura Jean Libby type of journalism to perfection. Consequently, a cheap thief and man-killer is presented into a sort of heroic female Dick Turpin, around which the romance of a great city must be woven.

HOME

"Home"—the appeal of that word! Not merely a house, a place to eat and sleep, but a place that affection builds, and consideration nourishes; a quiet restful retreat from the turmoil of this rushing commercial life; a place where parents and children build life on the sure foundation that makes ideal conditions, and insures the continuance of liberty and pursuit of happiness in our loved country; a place that should be the sweetest, most attractive spot on earth to every child, and to which the minds of the older ones should revert with only the most pleasant memories.

To make it and keep it that ideal place, to attract the attention of all to helping bring about that ideal condition, that is the reason for "Better Homes Week." Do your part.

LET US SHOW APPRECIATION

A dozen Avon Park business men have returned from a "go-get-er" trip to Jacksonville, which undoubtedly had its effect in registering a strong enough protest against railroad domination to result in insuring the new cross-state railroad.

There is another similar subject ahead of us, but the mission is quite the reverse.

We suggest that we display just as much interest in assuring the State Road Department of our appreciation for letting the contract for finishing State Road No. 8 as we did in showing the two opposing railroads that we intended to get what we needed if it took a fight.

The road department has advertised for bids, assuring that we will get our road through. These bids will be opened May 21. It would be a fine spirit, and a fine thing, and we believe the hard-core members of the State Road Department would be pleased, if we should send as strong a delegation to that May 21 meeting to encourage and to thank, as we did to the May 2 meeting to fight and to get.

We are so busy fighting, generally, that we forget to thank. It is equally as important to show your appreciation as your fighting spirit.

Let's go!

LEGION TO HAVE PILLAU

Chicken pills for legions, exercise men, wives, sisters, mothers and daughters, is the programmed event for Wednesday night according to Adair McKee Elwell of Highlands park. The scene is the east shore of Lake Lela and the time set is 8:00 o'clock.

WHY THE CHANGE?

It is strange that until John Martin invaded West Florida and had left those fields behind for further work by his opponents that every unbiased observer from that section conceded West Florida to Martin—while now, since John Martin went there and stood firm, the unbiased observers have turned around and conceded it to Jennings.

A turn of fact to that he stood for reappointment and just and due recognition to the growth of South Florida, and since both of his opponents have been campaigning there so far, but none the less vigorously without any frank reappointment announcements, now from the Jennings camp comes the blare of the trumpet, heralding statements that Mr. Jennings is going to stay only on John Martin in West Florida.

What has changed the tide, we wonder?

They were for Martin. That much was conceded on all sides.

Mr. Martin went there with a frank expression of sincere purpose. And no one can deny it is an honest purpose, for reappointment is only honest in governmental representation.

He campaigns quietly, but vigorously. He apparently tells them some pertinent things, is how did Mr. Jennings change the "seem" that he did change. What did he promise them?

Mr. Jennings is silent on that point, but he would do more for West Florida than John Martin.

We know John Martin told them he was for reappointment. What did Mr. Jennings tell them?

LOOKS LIKE NEW RAILROAD IS ASSURED SAY DELICATES BACK FROM JACKSONVILLE

Returning from Jacksonville, where they attended the I. C. C. hearing on the granting of a permit for the Florida Western from the north to West Palm Beach as well as cross-state service, the Highlands county delegations sent by Sebring and Avon Park bring word that the railroad is practically assured.

Neither of the opposing railroads appeared in the hearing, but their protests were obviously and will be considered soon.

It is believed, though, that all their contentions were overcome and now they get in some strong pull from the inside in Washington.

Avon Park had the third largest delegation at the hearing and both this section and the Sebring delegation presented some of the strongest arguments presented in favor of the new road.

OLD-TIMER HERE

F. S. Morgan, who managed the Hotel Verona, now the Avon, here in 1892 and 1893, was among the visitors here Wednesday, coming from River-view, where he spent most of this winter.

He is editor of the Arrowhead, a prosperous weekly at Milton, Fla.

To say that he was surprised at the development since those days of ox carts, board sidewalks and sandy hills, is putting it mildly.

ANDERSON HEADS TOURISTS WHO ORGANIZE AT SEBRING

In pursuance of the board of trade meeting, held Tuesday in the city, a Sebring Tourist Club was formed at a meeting held Wednesday evening.

The following officers were elected: Dr. J. M. Anderson, president; H. L. Kelly, vice-president; H. L. Ferguson, secretary-treasurer; G. S. Hodges, assistant secretary-treasurer.

The following committee was appointed to draw up a constitution and by-laws, the same to be presented at the meeting called for Friday: George S. Boyd, H. L. Kelly, J. N. McCartney, H. L. Ferguson.

This organization besides being a help to tourists, will be a booster club, and a real asset to the city. It has a shilling fund of \$40, given by the board of trade.

SEBRING WOMAN'S CLUB TO BUY LOT FOR CLUB HOUSE

The Sebring Woman's Club will give a chicken pie supper on the night of May 13, to raise money for the purchase of a lot with a view to building a club house.

The date for the annual picnic is set for May 29, at Red Beach lake picnic grounds, with Mrs. C. F. Austlund and Mrs. F. N. K. Bailey as co-hostesses.

The club has already decided to purchase a lot with a view to building a club house for the immediate erection of a club house. It is expected that the finishing of all details may not be pushed at once, but the purchase of the grounds will be completed within the week. The need for more room for the public library, which has grown extensively during the past year, and the crowded condition of the board of trade county building, now occupies, have hastened this decision to build at once. Mrs. Manley heads the committee, which has the affair under advisement.

LAWRENCE AND WILLIAMS CAST HATS INTO THE POLITICAL RING

Political announcements of the past week include Col. A. E. Lawrence, Sebring, for county judge, and W. W. Williams, Venus, for county commissioner from that district.

Colonel Lawrence, who is mayor of Sebring, announces on a platform of "no record and law enforcement." He plans to conduct a vigorous campaign, reaching as many voters personally as possible without neglecting his duties at Sebring. The colonel serves as prosecuting attorney during the first two years of the present term, resigning early next year.

Mr. Williams, who is one of the best known men in the county, has served as county commissioner previously. He has lived for years in the Venus section and says he believes he realizes the needs of that section and the county as a whole.

At present, Williams puts his confidence in road building as a valuable adjunct to the county commissioner's job.

TRIP TO KISSIMMEE RIVER

Glen Spink, Dr. W. W. Jones and Kyle Williams motored to the Kissimmee river Saturday for a day trip. They had the best of luck, taking in about thirty pounds of bass in an hour's time, averaging from four to six pounds.

Mrs. Charles Sebring entertained informally Saturday night at dinner at the Tu-Lip-T Room. The table was lovely with garden flowers, and a delightful dinner was served. The guest list included Mr. and Mrs. Frank Sebring and Mr. and Mrs. H. O. Sebring.

Word has been received in the city from Mr. and Mrs. H. A. Lane and Miss Leila Lane, winter residents of Sebring, who left two weeks ago by motor for their summer home in Saluda, N. C., that they had arrived safely, and had escaped injury in the recent storm by a narrow margin.

Mr. and Mrs. H. L. Kelly, who leave Sebring their winter home, will leave May 20 for their home in Butler, Pa. Mr. Kelly is largely interested in stock land developments in this section.

A. A. Varena of this city, whose son, Alfred Varena, Jr., is a student at the state university, who has been enlisted in the reserve corps of the coast artillery for the past two years, has received word that he has been promoted from private to sergeant.

A party of local fishermen spent the week-end on the Kissimmee river, with their rods and reels. They returned Sunday with a fine lot of fish. Those who made up the party were: Louis Catagni, Jack Williams, J. W. Gentry, and Ripberger, Basil Bowden, E. L. Green, Russell Rasco and Dan Andrews.

SEBRING LEGIONERS TO BUY LOT FOR A POST CLUB HOUSE

The Sebring American Legion at its regular meeting Tuesday night, decided to purchase a lot across the lake for their club house. They have had this piece of property under advisement for some time, and a decision to buy was followed by much enthusiastic discussion. A log club house will be erected at once. Gideon Jaeger and Stanley Capwell to be the builders. The logs will be furnished by Van Stephens. The legion is a strong organization in Sebring, and most active in its work. Stanley Capwell is the present commander; Van W. Stephens, adjutant; Mark Robinson, finance officer.

LAKE STEARNS

Road work is the order of the day. The crew here is making splendid progress, finishing the base and getting ready for the top surfacing. We are also glad to note that the State road department will be in contact for several jobs on Road No. 8 at an early date.

That drainage proposition south of Lake Istapogosa, which will open up about 40,000 acres of the finest farm and in the state, finds Lake Stearns as the logical gateway to this important project.

The school closed last week with a splendid entertainment, which showed that both teachers and pupils had made diligent preparations. A packed house enjoyed the well rendered program.

J. L. Moore and family and C. F. Loque made a business trip to Arcadia last Saturday.

L. L. Henderson, A. M. McAulay, J. H. Duggan, F. B. Williams, L. P. Austin, J. T. Bowers, J. F. Butler, A. A. Jones and Miss Gassie Williams were business visitors in the county seat Monday.

J. W. Williams had the misfortune to turn a Fordson tractor over, but not on himself. Eye witnesses say he ran faster than an airplane until he was safe.

You hear a good deal said about good business investments. How's that? About six years ago Gustav Hoffman came to Florida from Chicago to investigate its possibilities. After looking over the land and around Moore Haven he decided not to buy, and started for home, somewhat disgusted. Incidentally, however, he dropped off at Lake Stearns and purchased 40 acres for \$2,400.

Immediately he set to work, built a little bungalow, fenced, cleared and set 20 acres to citrus trees.

Last week he sold this property for the magnificent sum of \$24,000. Who said a man can't make anything investing in Ridge sand? And opportunity has not made its last knock either.

GLENWOOD TERRACE

Mrs. Leo Stirling has returned to her home at a long absence. Henry Brown of Bangor, Me., is visiting here. He says he left two feet of snow behind.

Mrs. J. W. Payne has returned after an extended visit in Okeechobee.

Mr. Franklin of Hicoria has been improving Miss Brown's grove.

A. M. Ake has returned from Lucky Island to make some improvements on his home at the Florida University.

That man who said he could read lady correspondents' books is hereby challenged to shut up like a book.

If those scientists who contend that the sun is getting cooler, come to Glenwood Terrace and swing a grubbing hoe they will be convinced to the contrary.

If that person at Venus who wanted to know where Glenwood Terrace is, just gets into a boat and sails till he sees land and gets away from the frog, that place is Glenwood Terrace.

MRS. RIGDON HOSTESS

Mrs. Ira Rigdon was hostess Saturday afternoon to a company of Sebring women, with a thimble party. The afternoon was pleasantly spent chatting over needlework and in guessing contests, in which Mrs. M. W. Baker won the prize. The hostess served a delicious two-course lunch at the close of the afternoon. The guest list included: Mrs. C. W. Rogers, Mrs. W. B. Leatherman, Mrs. W. C. Benedict, Mrs. A. L. Butler, Mrs. J. W. Ingle, Mrs. Margaret Board, Mrs. W. B. Baker, Mrs. Susan Aiken, Mrs. E. B. Patrick, Mrs. W. B. Muir, Mrs. G. V. Hudson, Mrs. J. E. Parker, Mrs. W. A. Liller and Mrs. T. V. Conway.

PICNIC ON LAKE LETTA

Mrs. Sarah V. Hart gave a family picnic Wednesday evening on Lake Letta, which proved to be a most delightful occasion. Fishing, bathing and a delicious picnic supper were the pleasing features. Those who made up the party were: George E. Sebring, Mr. and Mrs. George E. Sebring, Jr., and George E. Sebring, III, Mr. and Mrs. Frank Sebring, Miss Gretchen Gale, Miss Polly Gregory, Mrs. Charles Sebring, Miss Josephine Sebring, Miss Barbara Leigh Sebring, Mr. and Mrs. H. O. Sebring, Miss Leila Sebring, Louis Catagni, John Catagni, Miss Faith Catagni and Hattie Catagni.

the graduating class of the Sebring high school, the members of the faculty and other guests Tuesday evening at her home on Lakeview Drive. Each one of the class was given a charming and a prophecy, which created much amusement. The remainder of the pages of the books were filled with bits of nonsense, written in by classmates. Guessing games, music and chatting filled the evening. A delicious two-course lunch was served. The house was artistically decorated in the class colors, purple and gold, bougainvillea and bigonia being used profusely. Miss Mary Patrick played several delightful violin selections. The guest list included: D. E. Williams, Mrs. Helen B. Walton, Miss Elmo Bullock, Miss Buck, D. Donald, Miss Linnie Donald, J. G. Smith, David Lane, Burke Maynard, Miss Faith Catagni, Miss Gerda Whitehouse, Miss Vera Waters, Miss Ruth Swank, Miss Mary Patrick and Miss Louise Ingle.

Friday evening the class and the faculty will be entertained with a formal dinner at the Tu-Lip-T Room by Mrs. George E. Sebring, Jr.

METHODISTS STUDY JAPAN

Mrs. H. O. Sebring entertained the Home and Foreign Missionary Societies of the Sebring M. E. church Tuesday afternoon at her home on Lakeview Drive. A most interesting meeting, over which Mrs. F. S. Beck presided, ensued. Mrs. H. V. Weems took charge of the devotionals, after which Mrs. H. G. Eastwood gave a detailed report of the conference at

Orlando, to which she was a delegate. A study hour on Japan followed, made more interesting by a dialogue between Miss Marjorie Mahon and Miss Eva Butts, with little Miss Denise Caravatos in Japanese costume.

Miss Leila Sebring favored the company with a piano solo and Mrs. B. A. Cape sang a beautiful selection. Delicious refreshments were served at the close of a delightful afternoon.

SEBRING GRADUATES GUESTS OF HONOR AT DINNER OPENING COMMENCEMENT FESTIVITIES

The first of the social affairs given for the graduating class of the Sebring high school, was a dinner at the Du-Lip-T Room Wednesday evening, with Mrs. Cora Lane as hostess. The senior class, the high school faculty and several outside honor guests were among those invited. A delicious dinner was served at a beautifully laid table. The class colors, purple and gold, were used in the decorations, yellow daisies and purple bougainvillea being used en masse and in sprays. Dainty place cards and favors added to the attractiveness. The favors for the teachers and those leaving for the vaca-

TOURISTS GUESTS KEYSTONE VISITOR AT STATE DINNER—COMMUNITY NEEDS STRESSED

One of the most enjoyable of the social affairs given at the close of the tourist season in Sebring was a stag dinner, given Saturday evening at the Du-Lip-T Room, by Harvey L. Ferguson, a regular winter visitor in Sebring, whose home is in Williamsport, Pa. The tea room was most attractively decorated for the occasion, and a delicious repast was served. Mr. Ferguson was toastmaster, and performed this task in his usual pleasing way. The guests responded to the various toasts with apt rejoinders. The host then called on B. L. Laird to tell the company about the outcome of the Interstate Commerce Commission hearing, to which he had been a delegate from the local board of trade. Mr. Laird told in an interesting and concise manner the main points of the proceedings, and his graphic account of the avalanche of testimony in favor of the new railroad, and the inevitable result, was greeted with much applause. George S. Boyd spoke on the ways and means of keeping alive the interest in a board of trade during the summer season, offering many trite and timely suggestions. Col. William Evans paid an eloquent tribute to the genial host, and fully endorsed all that Mr. Laird had said concerning the board of trade. Dr. J. M. Anderson told of the recreation needs of the tourists present to work along the line of co-operation with the local civic bodies and to assist in the formation of a tourist club. The committee consisted of H. L. Ferguson, George S. Boyd, J. M. Anderson, H. L. Kelly and J. H. McCartney. The quartet, composed of H. L. Kelly, H. L. Ferguson, George S. Boyd and Dr. H. W. Kirby, sang an impromptu song to the host, in which the entire company joined. They followed with "Annie Laurie," as arranged by Geibel, and "Lead Kindly Light," by Dudley Buck. The company, which reluctantly broke up at a late hour, was composed of J. H. McCartney of Greensburg, Pa.; John F. Boyd and George S. Boyd of Pittsburgh, Pa.; Dr. J. M. Anderson of Williamsburg, Pa.; E. B. Dugan of Morrisstown, Tenn.; H. L. Kelly of Butler, Pa.; P. B. Couch of West Salem, Ill.; M. J. Tippy of Freehold, N. J.; B. L. Laird, J. Lee Johnson, Charles W. Rogers, Col. William Evans, Dr. H. W. Kirby, Ed. L. Hains, all of this city, and the host, H. L. Ferguson of Williamsport, Pa.

There were tiny autographs, the boys received small footballs full of candy, and the girls little ukuleles. After dinner, Mr. Williams acted as toastmaster, and impromptu toasts were given by each member of the faculty, the officers of the class and some of the guests. Later, they motored back to the city and enjoyed a theater party tendered them by Allen Altwater, who has been so kind to the school during its year of endeavor to raise money for the library.

The guests were: The class, Miss Faith Catagni, Miss Anna Bogie, Miss Vera Waters, Miss Louise Ingie, Miss Geraldine Whitehouse, Miss Ruth Swank, Burke Maynard, David Lane and Lloyd Leopold; the faculty, Dr. E. Williams, Mrs. Helen Walton, Miss Rachel Donald, Miss Elmo Bullock and J. G. Smith; other guests, Miss Linnie Donald, George S. Boyd and Allen Altwater.

A REAL UP-TO-DATE WEEK-DAY BIBLE SCHOOL

Sebring is not behind in the movement for week-day instruction for the boys and girls during the long vacation period. Monday a daily vacation Bible school was started in the Church of the Brethren with an initial enrollment of 82 boys and girls, from the ages of kindergarten up to the grammar school ages, and in this body are representatives from practically all the churches of Sebring. Here denominational lines are laid aside and they all enjoy the reading and memorizing of the Bible, singing choruses, listening to stories of Bible characters and missionary heroes, and the making of scrap books and other hand-work which may be kept by the child or donated to some worthy enterprise. A public program is to be given at the close of the three-weeks' period of the school, at which time the parents and friends are invited to see "the school at work" and also hear them recite their Bible verses, songs, etc. The hand-work will be on exhibition also.

Florida Property Is Increasing in Value Every Day

Particularly is this true of property on the Scenic Highlands and in and adjacent to Avon Park. Our city is growing rapidly, new buildings being started nearly every day. Of course this adds to the value of all property, whether in the city or adjacent thereto.

"HILLCREST"

is close to the city limits of Avon Park. Its groves are increasing in value every day. The trees are growing nicely and show a healthy appearance, making an investment with the Scenic Highlands Development Company an attractive one. In fact, one has but to see the young groves, note the painstaking care being given the trees, consider the location and then ascertain what grove properties are selling for all around us, to become convinced that "HILLCREST" is a gilt-edge proposition.
