Two Are Hostesses At Halloween Party

Mrs. Patti Rounds and Lillian Bennett were hostesses on Tuesday evening at a delightful Halloween party. The affair was held in the garage, which provided a perfect background for the decorations of orange streamers, of blue and orange crepe paper, and other symbols of Halloween.

A huge bonfire built near the garage cast a "spookish glow" over the scene. Games were enjoyed and Marjorie Wells and Warren McFarland were prize winners in a contest to make the most words out of the word, "Halloween." Dale McFarland, who wore his clothes backwards received the prize for being the cutest, and Ruth Pendleton, as a Chinese, won honorable mention. Delicious refreshments of jello with mixed fruit, and chocolate candies, topped with orange icing and Halloween candies were served.

Those invited to this enjoyable party were Bobby Keller, Felton Cawsey, Warren and Dale McFarland, Malcolm Crews, Fred Touchton, Jr., Fred Foster, James Ray, Odel Skipper, Henry Wild, Tillman Crooby, Paul Rounds, Doyle Perry, P. MEASUREMENTS must be accurate for good coffee. One heaping tablespoon of coffee to each measuring cup of water is minimum for good coffee. Double the amount of coffee for after-dinner coffee and keep coffee.

PIPING HOT straight from the pot—that's the way coffee should be served. Never reboil coffee, always make it fresh: serve immediately after preparation and use freshly-drawn water every time.

Birthday Observance Monday Evening

Oscar Bridges was the surprised honor guest on Monday evening, at a birthday celebration, given at his home, when several friends arranged a delightful party. This big yellow pumpkin, we bring to you,
As your way seems dark, may it bring you light;
We've gathered here, a group of friends,
Who believe that God's blessings never end.

When we trust in God, and do the right,
He'll guide us through, though we've lost our sight,
If we hold His hand, and with faith believe,
His guidance and help, we will receive,
And the road ahead will grow brighter.

We present to you this gift, not rare,
But a part of our blessings, we wish to share.
We are your friends, our hearts are true,

Women: "Build-Up" To Relieve Pain

A weak, run-down, undernourished condition calls for attention! Such a condition often enables fastidious dysmenorrhea to find foothold. That's one thing which leads to much of women's suffering from headaches, nervousness, those cramp-like pains. A good way to relieve such pains, women by thousands have found, is by the proper use of CARDUI. It stimulates a lagging appetite, assists digestion and assimilation; thus helps build physical resistance to periodic pain.

Taken just before and during "the time," many women also report that CARDUI helps to ease the pain and discomfort of the period.

AMERICAN BOY MAGAZINE COMPANION TO THOUSANDS

Hundreds of thousands of boys and young men read THE AMERICAN BOY Magazine every month and consider it more as a living companion than a magazine.

It's as much a buddy to me as my neighborhood chum," writes one high school senior. "THE AMERICAN BOY seems to understand a child's young fellow is interested. It is particularly helpful in sports. I made our high school basketball team because of staying up I read in THE AMERICAN BOY."

Many famous athletes in all sports credit much of their success to helpful suggestions received from sports articles carried in THE AMERICAN BOY Magazine. Virtually every issue offers advice from a famous coach or player. Football, track, tennis, and every major sport is covered in fiction and fact articles.

Teachers, librarians, parents and leaders of boys' clubs all recommend THE AMERICAN BOY enthusiastically. They have found that as a general rule regular readers of THE AMERICAN BOY develop more, rapidly and develop more worthwhile characteristics than do boys who do not read it.

Trained writers and artists, famous coaches and athletes, explorers, scientists and men successful in business and industry join with an experienced staff to produce in THE AMERICAN BOY the sort of reading matter boys like best.

Library Committee of Woman's Club Calls Attention to National Book Week November 11th to November 18th

Please note the posters and streamers in various places in the city. Some of these will also be placed in many of the school rooms and copies of the little paper, "Magic Carpet" will be available there and at the local library during the week. Quite a good number of our citizens avail themselves of the use of the Library in our city at the City Hall, but many others should have the benefit and privilege of more good reading. There is no fee for library cards and they may be used whenever desired. There is a fine of two cents a day when books are kept over the allotted time and there is a record at the library of a few who have been delinquent in the payment of these fees. During Book Week this year the amounts due will be reduced one-half on all delinquent fees, so it is desired that all in this class would pay up this week and start a clean slate. If you have not used the library, this is a good time to do so as our funds will allow. This month the Librarian has already placed the following new books on the shelves:

Books for adults:

"Tish Marches On," Rinehart.
"The Heart of Rachel," Kathleen Norris.
"Rider in the Sun," Edmund Ware.
"Shanghai Passage," Howard Pease.

Many who enjoyed Zane Grey's writings were saddened by his death on October 23rd at the age of 64. Two favorites among his books are "The Heritage of the Desert" and "Riders of the Purple Sage," both of which are in the Library. There are books of all types to suit everyone, but more are always needed as they will wear out and all donations will be heartily acceptable.

Why not read at least one book during Book Week.

CORRECTION

The Sun was in error in stating last week that R. W. Gast, chairman of child welfare for the American Legion, had appealed to the President to get Mrs. Frances Welch admitted to Warm Springs. Gast states that the only correspondence he had, and all that was necessary, was carried on with the Georgia Warm Springs Foundation. "The handling of the entire matter was very simple," Gast said. The Sun got its information from a member of the family. However, Mr. Gast did good work in getting the child admitted to the Foundation, and his work as child welfare chairman is outstanding in the county.

AVON PARK COTTAGE HILL BALL GAME HERE SUNDAY

KEEP YOUR RED CROSS READY

THIS stirring painting of a Red Cross nurse keeping the symbol of mercy flying is the keynote of the 1939 appeal for membership in the American Red Cross. Paced with the need for strengthening daily Red Cross services in 17th Chapters and with the character obligation, aid in some measure in meeting the distress of the men, women and children refugees in war-torn countries across the sea, the Red Cross asks every man and woman in the nation, able to do so, to join as a member this year and support America's official voluntary relief agency.

Erskine Williams, a distinguished artist, is creator of this most conception of the nurse heroine. The roll call for members will be held November 11 to 18—join through your local Chapter. Help your Red Cross help others by becoming one of the millions who will add their names to the roll of mercy.

SCHRAM PARK SPEAKER
Hon Emil Schram, chairman of the Reconstruction Finance Corporation, will be one of the speakers at the series of meetings to be held at Highlands Hammock state park during the winter months, the Florida Forest and Park Service announces. The date he will speak will be set later.

The park service is inviting a number of nationally known figures to appear on the programs.

Ways with VEGETABLES

Serve them cooked and hot now that cool days are here

Suggests Dorothy Craig

ALL during the warm days we went in for raw fruits and vegetables with great gusto. Shredded raw carrots, chilled salad greens, peppery radishes, raw sliced tomatoes, raw fruits.

Stuffed Tomato Slices with Creamy Chicken Sauce

raw this and raw that. All wonderful for us, of course, but after months of it we do begin to feel a little like rabbits as we nibble away on all these raw foods.

So now let's turn to cooked hot vegetables.

Roasting baked potatoes cradling huge melting pots of butter; mellow cauliflower topped with rich cheese sauce; peas and small white onions mixed and sprinkled through with finely chopped meat; golden brown chicken baked with sausage meat in its hollow; young cabbage chopped and flavored through with crisped bacon bits; yes, bring on the hot vegetables, please.

Suppose, too, we take tomatoes, ripe and red and extra good as they are this season and do this to them:

Stuffed Tomato Slices with Creamy Chicken Sauce

Trim the crusts from the broad and chop or cut the bread into crumbs. Cook the crumbs in the butter until soft but not brown. Then add the bread crumbs, chopped bacon, seasonings and beaten egg and mix well. Place a generous spoonful of dressing on the cut side of the tomato slices and bake in a moderate oven (325°) for 10-15 minutes. Sprinkle with 1/2 cup of brown, Serve 4-6.

Sebring Firemen Romp on Locals In Sunday Game

(By CLIFFORD CRAFT)

Sebring romped over the newly organized Avon Park baseball nine Sunday afternoon, 9 to 2 before a fair sized crowd. Meriwether, Avon Park's last year, broke into the professional ranks with the Eastern Shore League, faced a Sebring Firemen team reinforced by Ernie Jenkins, manager of the Augusta, Georgia, Tigers of the South Atlantic League. C. B. Martin, another pre-bell player who was with the Union City, Tenn., team last season caught part of the game, and later pitched.

Sebring started the merry-go-round in the third inning when Collins, Fireman second baseman, singled deep into right field. Williams, short stop, singled over short to score Collins. Hoyt Zwing, veteran left fielder, singled through short base. Pretland forced Williams at third. A passed ball advanced the men a base. Max Long filed out to second. Jenkins drove a single to left field to score Being and Pretland. Abbitron filed out to third, and retired Sebring.

A lone hit and a comedy of errors in the sixth frame added four more runs. Two more were added in the eighth.

One of Avon's two runs came in the fourth when Spot Bunting singled to right field, and a bad throw-in advanced him to second. Martin singled over short to score Bunting. Meriwether fanned to retire Avon Park.

In the seventh Martin tripled near the right field foul line. Meriwether grounded out to pitcher to first. Norton sacrificed to center field, scoring Martin. Reynolds grounded out second to first for the final out-point of the inning.

Hoyt Zwing starred for the Firemen collecting four hits out of five times at the bat. He also accounted for three of the nine runs. For Avon Park C. B. Martin led the hitters, collecting two safeties, one a triple, in four times at bat.

Don't—THAT'S THE MOST IMPORTANT THING YOU'LL HEAR TONIGHT

When statements about Alka-Seltzer are made over the air, please, please believe them.

Mrs. Anna Catherine Jones

Millions suffer from Headache, Acid Indigestion, Distress from Cold, Grippe, Flu, and Stomach Problems because they have not learned the importance of the Alka-Seltzer remedy. To these millions, the relief obtained by the use of Alka-Seltzer is well known. But for more than the genuine enjoyment they get from the broadness.

It is an important part of our radio program, both to you and to us, are the commercial announcements. Once you have tried Alka-Seltzer, we believe you will agree with us.

But try Alka-Seltzer because it is an unusually effective medicine not because you enjoy the radio program.

WHY ALKA-SELTZER IS SO EFFECTIVE
The pain-causing elements in Alka-Seltzer are in complete solution, ready to meet the distress as soon as you swallow it. The pulverizing elements in Alka-Seltzer reduce stomach stomach acidity.
