

Snake Cultists Fight Legal Ban

Authorities Seek to Stop Strange Rites as Public Menace.

PINE MOUNTAIN, KY.—A little cult of mountain folk tucked away in these remote and rugged hills is rapidly spreading a strange snake-handling ritual to demonstrate divine faith.

The followers are sending out their missionaries from the hills to teach their "true gospel," and it has reached far into the South and even north of the Ohio river.

From the hills the snake-handling ritual has spread into Tennessee, Georgia, Virginia, West Virginia, Indiana, Ohio and Michigan.

Banned by Law.

The Commonwealth of Kentucky considered the situation so grave the legislature passed a law recently prohibiting snake handling at religious services, with violators subject to fines of \$20 to \$50 and a jail sentence. But the practice flourishes.

In Cincinnati police invaded a meeting of the snake-handlers at the "True Church of God" and seized two reptiles after Ethel Seely, a nurse, was bitten.

Down in Adel, Ga., the cult ran afoul of the law when six-year-old Leola Mae Rowan was bitten by a rattlesnake during one of their ceremonies. Officers heard of the case and sought the child for medical aid.

But the mother hid Leola Mae, stoutly maintaining that divine faith would make her well again.

The strikers' child's father, Albert Rowan, a tenant farmer, and Preacher W. T. Liphman were jailed until it was apparent the child would recover.

The teachings of the cult are based on a literal interpretation of the words of St. Mark, which Christ, after his resurrection, appeared to them: "Go ye into all the world and preach the Gospel to every creature."

"And these signs shall follow them that believe: In My name shall they cast out devils; they shall speak with new tongues;

"They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall be cured." Mark 16:17-18.

THERE are many ways to help strengthen nails which tend to be brittle. Here's one that is worth trying. Let your nails grow out slightly at the corners instead of slicing them quite so close at the sides. Then taper them to suit you. This added support does help prevent breaking.

preacher, began teaching his flock that those with Divine faith could pick up snakes and not be harmed even if bitten.

His following grew during the years. On the third Saturday and Sunday of each month the mountain folk gather in the Pine Mountain church for services which sometimes last all day and far into the night.

Many trudge for 10 or 15 miles across the mountain ridges.

For hours the wooded hillsides echo with sounds of cymbals, clapping hands and singing chants which beat on the senses in a monotone like the steady pounding of voodoo drums in the Jungles.

The emotional effect is terrific. Men and women shout and pray with an outpouring of emotion.

Any "brother" may preach who feels the urge.

A cult member who "feels the spirit" takes a writing snake and wraps it about his head or fastens it in his hands. Then it is passed among the believers, men and women, in an atmosphere that fairly crackles with nervous tension.

Then carefully he flipped it upside down, which caused the wicked-looking laws to snap together.

pected happened. Something hard and cold dropped down. It was a trap! Old Man Coyote grinned again.

"Just as I thought," said he, digging the sand out from around the trap. Then carefully he flipped it upside down, which caused the wicked-looking laws to snap together, and then it was quite harmless.

Old Man Coyote promptly crawled out and pulled the trap out after him. One entrance to his home was clear, anyway. He knew that before a doubt Farmer Brown's Boy had set other traps about, so he once he put a foot down into his hole he told him that it was quite safe to go in. In a little while he knew where every trap was. At first he was tempted to dig all of them out to show Farmer Brown's Boy how little he feared them. It was just at that minute that into his crafty brain an idea came. He left the traps alone and still grinning trotted away across the Green Meadows.

British Soldiers May

Wear Helmets of Rags

LONDON—British soon may be wearing "rag" helmets due to a shortage of regulation "tin hats" made of steel. The steel is needed for guns, tanks and ships.

Experts have produced a substitute "tin hat" made chiefly of rags for armament workers. It is half the weight of the regulation helmet and only slightly more pre-gable. They will be placed on soon.

One version of historical and

He is known to have designed the first Great Seal of the United States in addition to a number of coins. Mr. Hopkinson is also credited with being America's first native composer of music.

America's Land 'Warships'

During the German blitzkrieg the tank took its place as the most deadly of military weapons in land fighting. While America has the best tanks in the world, we haven't enough of them. Although we are industrially equipped to turn them out in great lots, so let us give our army tanks—so many tanks that not even all the armies of the rest of the world combined would dare attack us. These photos were taken at Fort George Meade, Maryland.

SINISTER SHADOW... Yes, it may be sinister, but we could use a lot more of these shadowy on our side of the fence. This medium-size tank is climbing a steep grade.

Goats Used for Harvest

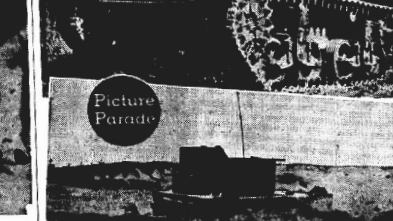

In Southwest Mountains

LAS TRAMPAS, N. M.—Giant combines and gleaming new binders harvest the wheat in most of Twentieth century America but in the remote mountains of New Mexico—where the mail comes by buggy three times a week—the Spanish-Americans still use herds of goats instead of machines for the harvest.

It's an old custom handed down through what is now the great Southwest of the United States. As far as Juan and Pedro and the other "little people" of the New Mexican mountains are concerned it's still good enough.

On hard-packed ground the herd of threshing goats is driven around and around. The wheat is under their sharp hooves and in moments the grain has been trampled into the dust, leaving only straw.

The primitive farmers shovel up the chaff and wheat and dirt and throw it into the air to clean it.

Just one big happy family are

The group includes Stitzky, the cat; Spitzky, the dog; and two baby pigeons. The animals make a remarkable foursome because squabs are a tasty dish for dogs and cats as well as for men.

Woman's Club Hears Splendid Program

The regular meeting of the Woman's Club was held Friday, November 1 at the club house. Mrs. S. S. Thayer accepted the office of recording secretary for 1940-41. Being sponsors for the Tuberculosis Christmas sale, the Woman's Club bought the first bond, giving \$5.00. \$6.00 was also sent to the Children's Home in Jacksonville.

A committee was appointed to work out details for a location and building of a Girl Scout house.

Mrs. A. O. Kinsey, Mrs. S. G. Patterson and Mrs. Tom Warner became members at this time. The Woman's Club will have a decorated car for the Armistice Day parade. Any members who are interested in driving their cars in the parade are urged to do so.

Appreciation was expressed to Mrs. L. M. Orr and H. B. Currie for plants they donated to the club for beautification of the grounds.

Registrar reported 34 paid members to date.

Mention was made of National Art Week, Nov. 1-7, and National Book Week, Nov. 9-16.

Mrs. J. A. Johnson, Mrs. H. E. Koller and Mrs. M. V. Picher visited the Woman's Club of Sebring October 21st.

Mrs. R. I. Brown and Mrs. Chas. Kenny represented the Woman's Club at a Red Cross meeting in Jacksonville during the past month.

A most enjoyable program followed. Mrs. T. J. Ward, in her vivacious manner, sang two solos, "Carmena" and "Janita", which were in keeping with the program on the "Good Will Tour to Latin America Republics."

Mrs. T. H. Maxwell gave a very interesting and colorful picture of three of the Republics. Her talk dealt with the customs of the people, their activities, trades, social customs, and manners. Mrs. Maxwell expressed herself in such an interesting manner that one almost felt they were living for the time being in one of the Latin American countries.

At the afternoon session, the program pertained to Scarritt College, an accredited school for Christian workers, at Nashville, Tenn. Mrs. A. T. Johnson and Mrs. C. H. Pardee each led an informative discussion on the work and accomplishments of the school.

Mrs. Maxwell read a paper on "Scarritt's New Conditions, New Opportunities, and New Resources," followed by two poems read by Mrs. Johnson, "The Doors of Scarritt" and "Our Organ."

The meeting closed with an offering for the college and dedication services at the altar.

GUILD TO MEET TUESDAY

St. Margaret's Guild will meet at the parish house on Tuesday afternoon. The meeting will be followed by the evening by the parish supper, to which all church members are cordially invited.

Bridge Luncheon Is Delightful Affair

Lovely bouquets of chrysanthemums, including a dairy pink shade and white with golden centers, were used to advantage to decorate the home of Mrs. Margery Church on Wednesday, when she was hostess to members of her club at a bridge luncheon.

Guests were seated at small tables, each centered with a miniature arrangement of red smaller roses. The place cards were suggestive of the approaching Thanksgiving season. A tempting two-course luncheon was served. High score award was presented to Mrs. Earl W. Harrell, who scored high, was given to Mrs. Paul L. Rumpas.

Those enjoying the luncheon and bridge were Mrs. Earl W. Harrell, Mrs. Paul L. Rumpas, Mrs. Deanna Mandia, Mrs. S. S. Thayer, Mrs. J. A. Johnson, Mrs. Earl W. Harrell, and Mrs. Mary Knox.

Miss Sarah Browning Party Hostess

A patriotic note was featured in the dessert bridge, given by Miss Sarah Browning on Tuesday evening, when she was hostess to members of the Glee Society, and a few additional friends.

The dairy dessert course, preceding the games, was served at the Avon Grill, and consisted of layer cake with whipped cream and a cherry, and coffee, further emphasizing the chosen color motif. The place cards bore a miniature flag.

The three tables were arranged in the chamber of commerce rooms, where several interesting progressions were enjoyed. The markers were in a flag design, and each of the four tables was designated by the number of flags placed on the corner. The score pads, prize wrappings, and other red, white, and blue.

Mrs. Ben T. Stewart scored guest high, for which she received a pin in patriotic colors; second club high, two wall plaques, was won by Mrs. Chas. Sherman; and the flooring award was given to Mrs. C. R. Glin, Jr., and was a double deck of cards, in a patriotic motif.

Those enjoying the delightful affair were Miss Millie Pearson, Miss Alma Harrell, Miss Julia Norfleet, Miss Janet Cook, Miss Mildred Myers, Mrs. Chas. Sherman, Mrs. Fred Pedersen, Mrs. C. E. Glin, Jr., Miss Elizabeth Green, Miss Iva Phillips, Mrs. Raymond Dille, Miss Evelyn Clements, Miss Clie Moore, Miss Virginia Cloud, Mrs. Ben T. Stewart, and Mrs. Stanley N. Reeves.

Scouts Have Sadie Hawkins Party

The evening was devoted to games, and later, roasted wieners and buns, toasted marshmallows, and cold drinks were served. Chaperones for the evening were Mrs. Yates, captain of the Girl Scouts, and Mrs. John D. Raab, Mrs. W. H. Redick, Mrs. P. N. Pollock, Mrs. W. S. Rawlings, Mrs. M. L. Rogers, Mrs. Reason Shivers, Mrs. John A. Taylor, and Mrs. E. B. Vann.

Ladies Aid Met With Mrs. Yates

The Ladies Aid of the Union Congregational church met at the home of Mrs. W. H. Yates on Wednesday at 3:00 p.m. Mrs. C. O. Finch conducted the devotional period, after which a business session was held, presided over by Mrs. John Hood, president. It was arranged to hold the first chicken dinner of the new season on Friday, November 15, beginning at 6:00 p.m. The dinner will be in charge of Mrs. C. P. Anderson and her committee. Legion Sponsors Colored School Game Monday

Following its patriotic program in the morning, the American Legion will sponsor a colored football game at the high school athletic field at 2:30 Monday afternoon. The Hopewell Wolverines of Avon Park will battle with the Kissimmee Wildcats in this feature attraction, which promises to furnish a good game.

This is the third year of football at the colored high school under Principal J. A. Elber, who last season put out a team that won 8 and lost 3 games.

So far this season, the Wolverines have lost one and tied one game. They lost their first game at Palmetto 18 to 10, but fought Lake Wales to a 6-6 tie here last week.

Frank Lee Love, 105 pound quarterback, is the spearhead of the Wolverine running and passing attack, with James Burnett right end, on the receiving end of most of the passes. This pair was largely responsible for the good showing with the Lake Wales team.

The probable line-up for Avon Park will be: Adams, LE; Hicks, LT; John Hendry, LG; L. C. Connor, center; Hipp, RG; Johnson, RT; and Burney, RE. In the backfield will be Love at quarterback, Robert Murphy at full back, and Bailey at left half, and James Connor at right half.

Kissimmee lost to Sebring 6-0 last week in the only loss in three games this year.

Advance ticket sales are in charge of Legionnaires.

Red Cross Roll Call Opens November 11

(Continued from page one)

Directions point to an even greater training program for 1941. We hope to have First Aid and Life saving classes in Avon Park, Sebring and Lake Placid this year.

Last year more than 100,000 persons, victims of 112 disasters in the United States, received Red Cross relief in being rescued clothing, housed, fed and aided in rehabilitation.

Red Cross nursing service enjoyed one of their busiest years since the program was established.

ed. In the 12 months preceding June 30, Red Cross nurses made more than 1,000,000 visits in behalf of the sick in urban and isolated rural areas. The American Red Cross nursing service, a corps, pledged for service in time of national emergency, now comprises 42,000 registered nurses. In view of world conditions, plans for strengthening service during the coming year will be undertaken by Red Cross nursing committees throughout the country.

More than 200,000 American Red Cross volunteer workers engaged in the program of war relief production of clothing and surgical dressings. This program, while furnishing more than 1,200,000 articles of clothing and 10,000,000 surgical dressings for victims of the European war, was described as valuable training which will be important in meeting the demands of the national defense program.

We hope that you will join the American Red Cross when a Roll Call Worker calls at your home, or office in the next future.

RALPH HEIM IN HONOR
