Hearings To Be Held Monday On Liquor Cases

Hearings will be held next Monday on nine cases in county court involving an array of defendants on charges of selling liquor or possession of intoxicating liquors for sale.

The arrests were made last week by Sheriff E. J. W. Long and his deputies in securing evidence and arresting liquor operators and others in the county suspected of selling liquor.

Testimony was taken Monday of last week, in judges chambers here in the case of George Wood, alleged operator of a joint on road eight north of Avon Park and Betty Hardee, operator of a joint between Sebring and Avon Park.

Two cases were heard in county court yesterday morning in the case of Mrs. M. B. McPherson pleading guilty to driving a car while intoxicated and to driving a car without a driver's license.

McPherson's plea was accepted and she was fined \$10 and costs on a charge of drunken driving, according to information obtained from the sheriff's office.

The sheriff's force started the drive against the sale of liquor in the county sometime ago in an effort to cooperate with the army in keeping the defense area clean of vice. The state beverage department and federal authorities have cooperated with the sheriff and are reported to have perfected strong cases in some instances.
