

50 Cadets Will Arrive Here Next Week

(Continued from page one)

Jr., adjutant, Second Lieut. Donald T. Bennett, operations and engineering officer, and Second Lieut. Earl D. Caton, supply officer.

The enlisted staff consists of Staff Sergeant Helton G. Huggins, acting first sergeant and sergeant major, Sergeant Malchuk C. Baker, Company Clerk, Corporal August M. Hanne, Operations and Engineering Clerk, Master Sergeant Robert E. Rice, Technical Inspector, Sergeant John H. McLenore, Supply Sergeant, and Sergeant H. L. Crowe, Aircraft Technical Inspector.

Forrest Trout, who will handle the books and the financial records for the school arrived to take up his new duties Thursday. He was formerly connected with the Lakeland School of Aeronautics, which Mr. Lodwick also owns and operates.

R. G. Beeler, Flight Director continued to put his instructors through their paces all week and the eleven Stearman training planes were busy flying in and out of the local airport. The pilots took their refresher courses preparatory to being accepted by the Air Corps officers.

Harold K. Pettit, formerly in charge of the Jacarana Coffee Shop and who is now in charge of the kitchen at the new school has his kitchen in "apple pie" order.

According to Pettit, who is well known in Avon Park and Sebring, the school's kitchen is one of the best in the entire south. A new oil burning range was installed during the week and a new refrigerator where meat and other perishables will be stored was also put in operation Friday. The dining room with a seating capacity of 300 was set up ready to feed the first batch of students. The store room, freshly painted and two new windows installed together with a freshly laid concrete floor was loaded with edibles of all kinds to accommodate any taste or fancy. Pettit declared he was ready to serve a meal "fit for a king," yet, he said, "even the Duke and Duchess" on but a few minutes notice. To prove his point he took your reporter to the store room and opened the door of the refrigerator where your reporter smacked his lips at the sight of huge sides of beef, ham, on the rack, not to mention hams, bacon and other "goodies."

The entire dirt floor of the basement of the hotel was converted to concrete during the week. The sick bay will be located on the first floor on the north side of the building with the medical reception room, doctor's office, dark room for depth perception tests, dispensary and pharmacy quarters below it.

In connecting of the grounds has been completed both front, back and on both sides. Out at the airport scores of men were engaged in erecting the first of the two immense steel hangars which will front on the Wauchula road. The concrete foundations were all in place, the steel frames were rapidly taking shape. Grass planted on the shoulders of the paved runways was already beginning to sprout through the newly placed clay surfaces.

Local business concerns as well as the restaurants, hotels and gift drink parlors reported increased

business as the result of the activity at the hotel and the airport. Approximately 175 persons were engaged during the week getting things in shape for the opening. Carloads of equipment continued to arrive on the Seaboard Air Line railway siding and salesmen from various parts of the country were calling on Director Austin and other officials of the school to interest them in their particular products, which ranged from nuts and bolts to trucks and buses, and drag lines.

Charlie Lanier, local Ford dealer, announced the sale of a second Ford bus to the Lodwick Aviation Military Academy. The first bus was delivered to the school several weeks ago. Both buses will be used to transport the students from the Lodwick Inn to the flying field.

A TRIBUTE TO MRS. M. M. HAYES (By Rev. Terry H. Maxwell, Temple, Ga., former pastor of Adairville, Ga.) Many hearts were made sad on August 16, 1941, when the news spread about that Mrs. Maggie Hayes of Avon Park, Florida, formerly of Adairville, Georgia had passed away. She was one of the saintliest women that the writer of this tribute ever knew. A genuine Christian, one in whose

heart God had "His indwelling." Early in life, having heard His call of "Give me thine heart," she made an unconditional surrender of the same. Also taking like the young man Saul on the Damascus Road, "Lord, what wilt Thou have me do?" And until the day of her death, she could say, "I have not been disobedient to the Heavenly Vision." When I first knew her, she was full of faith and good works, and like her Lord—going about doing good. She always wore an angelic smile, and was an inspiration to me and everyone who knew her.

We regret so much to give her up, but would not call her back. She is with the white-robed throng around the throne of God. How sweet the words of Jesus, "Let not your hearts be troubled; ye believe in God, believe also in me. In my Father's house are many mansions, if it were not so I prepare a place for you, and I will come again and receive you unto myself." Heaven is a prepared place for a prepared people.

Sister Hayes heard the Master calling. "Well done good and faithful one, enter into the joys of thy Lord." We have said "Goodnight, mother, sweet and servant of God. Some sweet tomorrow we shall say "Good morning" to her.

RIDGE BOOSTERS TO ENTERTAIN GOVERNOR

Head of Highlanders Makes Report to Board of Governors

The contractor is making rapid progress on the Frostproof-Lake Wales link of Road 8, John D. Clark told the board of governors of the Scenic Highlanders this week.

South of Babson Park there is now a long detour almost to Frostproof. However, the detour is over a very passable clay road and when not too wet is answering the needs of the traveling public in a satisfactory manner. "Nothing further has developed relative to the right-of-way problem around Lake Moody. Mr. Macy has delivered agreements from all property owners and it is now up to the county to go ahead, but as the right of way fund is exhausted, their hands are tied for the time being."

"We hope this entire right-of-way from Lake Wales south may be obtained before the present contractor pulls out stakes. If we do have this right-of-way complete to lay in the lap of the road department, it is natural to believe that they will willingly consider

the advisability of finishing the job solid between Lake Wales and Frostproof before he gets away. But the entire right-of-way probably must be available very soon to bring about this happy possibility.

"Mr. Holliday reports that this right-of-way situation between Dundee and Haines City is progressing normally but expects now that property owners have returned from summer absences, that the sign-up will proceed more rapidly.

"We confidently expect work on this link of No. 8 to begin immediately following the close of the coming tourist season. This means things will be disturbed during next summer, but No. 8 will be completed in toto for the tourist season of 1942. This now seems definitely assured.

"In answer to your invitation

sent Governor and Mrs. Holland for a big Highlander party to be given in their honor, he writes that both Mrs. Holland and he will be delighted to accept but suggests we hold it in late October or early November. The Road Board will also be guests of honor.

"Comptroller Lee is feeling county officials' feet to the fire on their budgets this year and are very much in accord with this strict program of economy in all county spending. This is as it should be.

However, we people in Polk and Highlands counties have a road problem. We need roads. We had been forgotten until the Scenic Highlanders made such a noise that at least things have begun to move. But there are several roads in both counties which need to be rebuilt.
